Chairman's letter to Shareholders

“ A dream coming true year, successfully take off for Global expansion by setting up 1st international unit at UAE with brand name Callistus. We have open 16 galleries at UAE within 3 month of operation. This is outcome of conceiving a dream for 5 years by Hard work, well executed strategies, research, system and process designing, developing team and arranging resources. This is going to be a stepping stone towards our vision to have notable presence in 5 developed countries to cater ever increasing global market size of window furnishing.” ”

Dear Shareholders,

We had sown the idea at the start of the company of taking it to astounding heights. The foundation for the same had been put into action just five years back with the establishment of best state of art factory in Jamnagar, Gujarat.

To spread the branches wide, of a tree, the roots need to be strong. Similarly, while we think of expanding the company to different countries we need to have a strong base hold in our own country. Our company has been building those roots since last couple of years through developing infrastructure, system and process, ERP, fund planning and team of professionals. We have successfully established ourselves in India as leading brand. Finally, the time had come to reap the fruits of the seeds that we had sown years ago and to expand ourselves globally. The Philosophy of being the best in whatever we do have lead us to successfully launch our 1st Global venture in Window Furnishing Industry under the brand name of Callistus at UAE to cater GCC and Middle East market.

As per the statistics the market for window blinds globally for residence is around 40%-85% as compared to that of 3%-4% in India. This has helped us tremendously in generating revenue even on starting a set up in new country as we have entered into a bigger market. And it also shows that there will be more promising revenue generation from the expansions done. We have already started the base of establishing ourselves in UK and plan to start operations in UK by next year and after that we

are aiming to start operations at US, Canada and Australia one by one.

This is the beginning of new chapter for us after success in domestic market, the international operation and planning started by us will add to overall growth of the company in coming years.

With growing market in India as well as with company's expansion globally we have introduced new products to our already large range of products reaching up to 16 products, becoming the only company in the Window Blinds Industry with such range. The company has introduced Skylight and Panel Blinds, and also introduced various new Shades and Fabrics in Printed Blinds and Sunscreen Blinds. All our steps have added successfully to profit generation and helped us to create strong hold in Window Blinds Industry.

I would happily say that the company is all set for its Global expansion, results of which will be seen in coming years. . The future is promising & exciting and with support from our shareholders, investors, bankers, vendors and our customers we shall establish our mark worldwide and also make India shine on the globe.

Yours Sincerely,

Ashok R. Paun

MANAGEMENT'S DISCUSSION AND ANALYSIS

Our Company has been promoted by Mr. Ashok Ramniklal Paun and Mr. Dipak Ramniklal Paun with a vision to offer the highest quality in window furnishings with the best customer service and to have our product in every home and create a better & greener tomorrow.

Business Overview:

We design, manufacture and sell wide range of window covering products like Blinds, Curtain Rods and Tracks. We are one of the largest production house of window covering industry which is producing about 810 components of different type, size and colours as per customer requirement.

Our Company has carved a niche by combination of research, quality, technology and experience. Our Company is one of the leading companies in India in window blinds due to our quality, wide range of products, prompt services, and innovative ideas at affordable prices. The orthodox way of covering windows was to use curtains which didn't give much choice as far as style was concerned.

Marvel, has brought the trend of blinds in India. It has brought awareness in people that the blinds cannot be restricted to offices but also can be used at homes. They have lot of advantages as they are light, soft, have wide range of colours, design and easy to maintain.

Our company prides itself in innovation. We are continuously growing and developing ourselves with new ideas to provide our consumers with new blinds and better operating systems.

Company expansion

The company has expanded its business internationally and set up its presence in the GCC under the brand name Callistus.

We have opened our subsidiary by the name of Callistus Blinds Middle East FZC in Sharjah FZC.

The company has its manufacturing unit in FZC.

We have made our presence felt across GCC with 25 channel partners so far in UAE, Bahrain and Oman.

This year we installed fabric printing machine at Jamnagar, Gujarat, India; with Capital outlay of Rs. 2.00 Cr and the commercial production for the same started in September 2018

The technology of the machine is ranked number 1 in the world. The Ink used in the machinery is Eco-friendly and is approved by environmental standards around the world. The technology shall help us to print on more than 50+ type of media including fabrics.

The machine mainly shall help to increase the ratio of Blinds to home which is lower in comparison with developed country. Ratio of Blinds in to homes in India is 4-5% approximate, wherein in developed countries it is said to be more than 50%.

Previously the company was required to keep a ready stock for blinds of running designs but after the installation of the machine the company shall be ready to print and dispatch at receipt of order. This will help to reduce the inventory cost which in turn shall reduce the finance cost.

Opportunities and Threats:

The window covering fashion industry market in India is characterized by a large number of differentiated products with considerable overlap in the functional utility of such products. Customers have a choice of range of products which have similar characteristics but sold by different suppliers.

The organised segment of the market, while competing amongst the players in organised segment, also competes with players in the unorganised segment in respect of products differentiated by only the brand but otherwise having similar characteristics. Thus, in the Indian retail market, the customers look at suppliers/retailers in both the organised and unorganised segments in exercising their shopping choices, but after implementation of GST, the competition from unorganized players is reduced.

We have over two decades of experience in the industry we operated and we believe that our Company will not only maintain but further enhance its position in the industry. We believe that our ability to compete effectively is primarily dependent on ensuring consistent quality of the products that we offer, with complete customer satisfaction at competitive prices.

Opportunities in the GCC are manifold as the market there is very lucrative for window covering.

Product wise Performance:

We have introduced this year new products adding to our already large range of products.

The products are Skylight blinds with variation available in Colby and Roman; and Panel Blinds.

The launch of our new products makes our product range of 16 different blinds, Largest number manufactured by any company.

With the increase in number of projects, we have launched special fabrics and also we have designed special shade selectors for the same.

The same shall give us an edge over our competitors in getting the projects.

In addition, we have also launched new fabrics & shades in printed blinds and sunscreen blinds.

The company is operating in a single segment. The product wise turnover is as below.

Sr. No.	Product	Sales in INR
1.	Blinds	27,46,94,162
2.	Automation	2,14,17,455
3.	Rods	2,38,80,710
4.	Others (Racks, packing material)	2,00,43,171

Independent Auditor's Report

To the Members of
Marvel Decor Limited
(Formerly Known as Marvel Decor Pvt. Ltd.
and Accumax Interior Products Pvt. Ltd.)

Report on the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Marvel Decor Limited (Formerly Known as Marvel Decor Pvt. Ltd. and Accumax Interior Products Pvt. Ltd.) ("the Company"), which comprise the balance sheet as at 31st March 2019, and the statement of Profit and Loss, (statement of changes in equity) and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and profit/loss, (changes in equity) and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are not such key audit matters which required the disclosure.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Management's Responsibility for Internal Financial Controls

The respective Boards of Directors of the Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.
