Chairman's Message

Mr. Dhiraj Patel

Chairman, Managing director
and Founder of Vikram

Dear Shareholders,

FY 2025-26 has been a year of purposeful progress for Vikram Thermo India Limited. As we continue to build on more than four decades of experience, our focus remains firmly on strengthening the fundamentals of our business scientific capability, manufacturing excellence, customer confidence and responsible growth. The investments we are making today are intended to strengthen the organisation for the years ahead and create sustainable value for all our stakeholders.

Financial overview

Our sustained performance is reflected in the consistency of our growth over the long term, with a 17.26% CAGR over the past 10 years and 19.12% over the past 5 years. This consistent financial performance reflects the strength of our business fundamentals, the resilience of our operations, and our ability to create sustained value while continuing to grow across global markets.

This sustained growth reflects a resilient business, disciplined execution, and a strong foundation for continued value creation.

Our legacy, reflected in a new identity

Vikram Thermo has evolved significantly over the decades. Our new identity reflects this journey.

It is not a departure from our legacy, but a more accurate expression of the organisation we have become. At the heart of this evolution is a simple belief: every relationship, every product and every interaction matters equally.

From the precision with which we develop our products to the consistency with which we manufacture them, the same standards of care and discipline run through everything we do. Our identity brings this philosophy to life reflecting a legacy built on precision, consistency and trust, that shapes Vikram Thermo.

“More than four decades of experience have taught us that trust is earned through consistency. It is reflected in our science, our processes, our quality and, ultimately, in our ability to deliver what our customers can rely on.”

Purpose

At Vikram Thermo, our purpose is to turn science into solutions that create value for the pharmaceutical industry and the people it serves. Through expertise in polymers, formulation science and manufacturing, we simplify complex challenges and build dependable healthcare solutions, guided by science and trust.

“Chemistry of Trust”

The tagline “Chemistry of Trust” reflects what Vikram Thermo has built over the years, trust through consistent quality, precision, and reliability. Just as chemistry relies on accuracy and repeatability, Vikram Thermo builds confidence by delivering the right quality, every time. It brings Vikram Thermo’s legacy and future together, expressing a simple promise: every batch, process, and partnership is built on trust.

R&D: Building for the long term

We believe our long-term growth will be determined by the depth of our scientific capabilities. The new R&D Centre is therefore a significant investment in Vikram Thermo’s future. The facility strengthens our capabilities across polymer science, formulation development, analytical evaluation, application testing and product development. Significant investments in advanced equipment and technologies were also made, further strengthening our R&D infrastructure and expanding our ability to undertake more sophisticated research, development and application-led innovation. **R&D is our North Star.** It informs the products we develop, the technologies we adopt and the decisions we make across the business. As customer requirements become increasingly formulation-driven, our ability to understand the application challenge and translate science into dependable solutions will remain central to our growth.

Growing Responsibly

Growth must be measured not only by what we achieve, but by how responsibly we achieve it. Sustainability is an important part of this responsibility. During the year, we continued to strengthen our efforts across renewable energy, energy efficiency, responsible packaging, water management and environmental stewardship. Our investment of in green energy, supporting solar capacity, marks an important step in reducing the environmental intensity of our operations and improving long-term energy efficiency.

Mr. Dhiraj Patel

Chairman, Managing director and Founder of Vikram

2. OPPORTUNITIES AND THREATS:

Opportunities:

- India has a long tradition of chemical activities and a very strong Pharmaceutical Industry which is growing at rapid pace which shall directly help the Company's revenue to grow in foreseeable future.
- India has abundant supply of highly skilled manpower, scientists and technical personnel for which the salaries are considerably lower than the same in developed nations.
- The capital cost for setting up a decent world class facility is fraction of what it would cost in Western Countries. This makes the Indian Companies at the competitive position in the international markets.

Threats:

- Import of goods from some of the large global sized plants may add to the competition for the Company's Products.

3. SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE:

On the basis of the principles for determination of segments given in Indian Accounting Standard 108 "Operating Segments" and in the opinion of management, the Company is primarily engaged in the business of manufacturing of "Chemicals". All other activities of the Company revolve around the main business and as such there is no separate reportable business segment. However, the company has identified geographical segment as its secondary business segment, the details are as follows:

Particulars	India (Rs. In lakhs)		Rest of the world (Rs. In lakhs)		Total (Rs. In lakhs)	
	2025-26	2024-25	2025-26	2024-25	2025-26	2024-25
Segment Revenue	9759.19	9146.54	3650.59	3928.51	13409.78	13075.05
Segment Assets	10286.72	8312.84	Nil	Nil	10286.72	8312.84
Additions to Property, Plant & Equipments including intangible Assets	1504.93	685.82	Nil	Nil	1504.93	685.82

There is no transaction with single customer which amounts to 10% or more of the Company's revenue.

4. BUSINESS OUTLOOK:

The Company has achieved polymer excellence by Discovery, Development, Manufacturing and Marketing of research-based products since last three decades this POLYMER EXCELLENCE Led Ready -To-Use Coating System – DRCOAT. The Company provides complete solution for various applications in solid oral dosage coating segment with complimentary technical support.

The Company have both range of products basic pharma polymers as well as ready-mix coating products.

5. RISK AND CONCERN:

The company's raw materials are based on petrochemicals. Major fluctuations in the petroleum products can affect the company's performance.

6. INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

Considering the size of the company, your company has adequate system of internal control to provide reasonable assurance that assets are safeguarded and protected from unauthorized use or deposition. The management continuously reviews the internal control systems and procedure for efficient conduct of business. A strong system of internal audit committee of the Board has strengthened the internal control within the organization.

7. FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE.

Total turnover for the year ended on 31st March, 2026 was Rs. 13409.78 lacs. It was mainly on account of improvement in manufacturing techniques and sales promotion drive. Better working capital management was also one of the emphasis on which proper weight age was laid upon.

8. HUMAN RESOURCE DEVELOPMENT:

Your Company treats its "Human Resources" as one of its most significant assets. The Company continues its focus on retention through employee engagement initiatives and provides a holistic environment where employees get opportunities to realize their potential. A number of programs that provide focused people attention are currently underway. Your Company's thrust is on the promotion of talent internally through job rotation and job enlargement. The Company's Health and Safety Policy commits to provide a healthy and safe work environment to all employees.

9. DETAILS OF SIGNIFICANT CHANGES (I.E. CHANGE OF 25% OR MORE AS COMPARED TO THE IMMEDIATELY PREVIOUS FINANCIAL YEAR) IN KEY FINANCIAL RATIOS, ALONG WITH DETAILED EXPLANATIONS THEREFORE, INCLUDING:

Ratio	2025-26	2024-25

INDEPENDENT AUDITOR'S REPORT

To,
The Members of
VIKRAM THERMO (INDIA) LIMITED

Report on the Audit of the Standalone Financial Statements Opinion

1. We have audited the Standalone Financial Statements of **VIKRAM THERMO (INDIA) LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2026, and the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2026, and its profit (including Other comprehensive income), its Cash flows and the Statement of Changes in Equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Companies Act, 2013 and the Rules there under and we have fulfilled our ethical responsibilities in accordance with these requirements and ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period.
These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion, on these matters.
5. The key audit matter identified during our audit is Revenue Recognition as follows:

Key audit matter	How our audit addressed the key audit matter
Revenue Recognition	
Revenue from the sale of goods is recognised upon the transfer of control of the goods to the customer, usually on delivery of goods. The Company uses a variety of shipment terms across its operating markets and this has an impact on the timing of revenue recognition.	• Our audit procedures included reading the Company's revenue recognition accounting policies to assess compliance with Ind AS 115 "Revenue from contracts with customers". • We performed tests of controls of management's process of recognizing the revenue from sales of goods and placed specific attention on the timing of revenue recognition as per the sales terms with the customers.

There is a risk that revenue could be recognised in the incorrect period for sales transactions occurring on and around the year end, therefore revenue recognition has been identified as a key audit matter

- We performed tests of details of the sales transactions testing based on a representative sampling of the sales orders to test that the related revenues and trade receivables are recorded appropriately taking into consideration the terms and conditions of the sale orders, including the shipping terms.
- We also performed sales cut off procedures by agreeing deliveries occurring around the year end to supporting documentation to establish that sales and corresponding trade receivables are properly recorded in the correct period.

Information other than the Standalone Financial Statements and Auditors' Report thereon.

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information and other information in the Company's annual report, but does not include the Standalone Financial Statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and as may be legally advised.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

7. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, including the other comprehensive income changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
8. In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's

report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

11. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis of opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial control system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

15. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Government of India in terms of section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
16. Further to our comments in Annexure A, as required by Section 143(3) of the Act, based on our audit, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Standalone Financial Statements dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards specified under section 133 of the Act.
- e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to Standalone Financial Statements of the Company and the operating effectiveness of such controls refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone Financial Statements.
- g) In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act read with Schedule V to the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in the financial statements - Refer Note 40 to the Standalone Financial Statements;
 - ii. The Company was not required to recognize a provision as at March 31, 2026 under the applicable law or accounting standards, as it does not have any material foreseeable losses on long-term contracts. The Company did not have any derivative contracts as at March 31, 2026;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company;
 - iv. (i) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loan or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other persons or entities, including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediaries shall, whether, directly or indirectly lend or invest in the other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (ii) The management has represented, that to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether directly or indirectly lend or invest in the other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations made under sub clause (i) and (ii) of Rule 11(e) of the Companies (Audit and Auditors) Rules, 2014, as mentioned at para (iv),(i) and (iv),(ii) above, contain any material misstatement.
 - v. The dividend declared and paid during the year by the Company is in compliance with Section 123 of the Companies Act, 2013. Further, there has been no delay in transferring unpaid dividend amounts to the Investor Education and Protection Fund (IEPF) as prescribed under the relevant provisions of the Act.

- vi. Based on our examination, the Company has used accounting software for maintaining its books of account, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the period for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention from the date of implementation of edit log feature.

ANNEXURE “A” TO INDEPENDENT AUDITORS’ REPORT

Referred to in paragraph 15 of “**Report on Other Legal and Regulatory Requirements**” of our Report of even date to the Members of **VIKRAM THERMO (INDIA) LIMITED** for the year ended 31st March, 2026.

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

1. In respect of Property, Plant and Equipment :

- (a) (i) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipments.
- (ii) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The property, plant and equipments were physically verified by the Management according to a phased programme at regular intervals which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. Pursuant to the programme, property, plant and equipments have been physically verified by the management during the year and no material discrepancies have been noticed on such verification.
- (c) Based on the examination of the registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title deeds of all the immovable properties of land and buildings (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in property, plant and equipment are held in the name of the Company as at the balance sheet date. In respect of immovable and movable properties that have been taken on lease and disclosed in the financial statements as right-of use asset as at the balance sheet date, the lease agreements are duly executed in favour of the Company.
- (d) Company has not revalued its Property, Plant & Equipments and intangible assets during the year.
- (e) No proceedings have been initiated or pending against the company for holding any benami property under the Benami Transaction (Prohibition) Act, 1988 and rules made there under.

2. In respect of its Inventories :

- (a) The physical verification of inventories has been conducted at reasonable intervals by the management. In our opinion, the coverage and procedure of such verification by management is appropriate and no material discrepancies of 10% or more in aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.
- (b) The company has been sanctioned working capital limit in excess of Rs.5.00 Crores in aggregate on the basis of security of current assets. Copies of quarterly statement and return, furnished to bank have also been made available for our verification. We have verified the same on random sampling basis and found the same in agreement with books of accounts. Discrepancies noticed during the verification, were reasonably explained by the management.

3. In respect of Loans and Advances granted during the year:

During the year, the company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, the clauses 3 (iii) (a) to (f) of the Companies (Auditor’s Report) Order, 2020 (the Order) are not applicable to the company.

4. Loans, Investments and Guarantees:

The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.

5. In respect of Deposits:

The company has not accepted any deposits or amount which are deemed to be deposits and hence the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act and the rules framed there under are not applicable to the company. Accordingly, clause 3(v) of Companies (Auditor's Report) Order, 2020 is not applicable.

6. Cost Records:

Pursuant to the rules made by the central government of India, the Company is required to maintain cost records as specified under section 148(1) of the Act.

We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

7. In respect of Statutory Dues :

- (a) The Company is by and large regular in depositing with appropriate authorities undisputed statutory dues including Goods and Service Tax, Provident Fund, Employees State Insurance, Income Tax, Duty of Excise, Duty of Customs, Value Added tax, cess and any other material statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect statutory dues were outstanding as at 31st March, 2026 for a period of more than six months from the date they became payable.
- (b) There were no dues of Income tax, Sales tax, Provident Fund, Employees State Insurance, Value Added tax, Duty of Excise, Duty of Customs, cess and any other statutory dues which have not been deposited on account of any dispute. The dues of Goods and Service Tax which have not been deposited on account of disputes and the forum where the dispute is pending is given below:

Name of the Statute	Nature of the Dues	Year	Amount (Rs. In Lakhs)	Forum where dispute is pending
Goods and Service Tax Act, 2017	Goods and Service Tax Demand	2017-18	24.32	Commissioner of GST (Appeals)
	Goods and Service Tax Interest & Penalty	2017-18	31.54	
	Goods and Service Tax Demand	2021-22	1.43	Commissioner of GST (Appeals)
	Goods and Service Tax Interest & Penalty	2021-22	1.33	

8. In respect of Undisclosed Income Discovered in Income tax Assessment:

There were no transactions that were not recorded in books of accounts and have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961. Hence, clause 3(viii) of the Order is not applicable to the company.

9. In respect of Repayment of Loans:

- (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lenders.
- (b) The company has not been declared as willful defaulter by any bank or financial institution or other lenders or government or government authority.
- (c) The Term loans taken by the Company during the year has been applied for the purpose for which the term loan has been obtained.
- (d) On an overall examination of the Standalone Financial Statements of the Company, prima facie, the company has not utilized any funds raised on short term basis for long term purpose. Hence, clause 3 (ix)(d) of the Order is not applicable to the Company.

- (e) The company has not taken any funds from any entity or person to meet obligations of its subsidiaries, associates or joint ventures. Hence reporting under clause 3(ix)(e) of the Order is not applicable to the Company.
- (f) The company has not has raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies. Hence, clause 3 (ix)(f) of the Companies (Auditor's Report) Order, 2020 is not applicable to the Company.

10. In respect of Public Offerings:

- (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3 (x)(a) of the Companies (Auditor's Report) Order, 2020 is not applicable to the Company.
- (b) The company has not made any preferential allotment or private placement of shares or convertible debentures during the year. Accordingly, clause 3(x)(b) of the Companies (Auditor's Report) Order, 2020 is not applicable to the Company.

- 11.** (a) To the Best of our knowledge and according to the information and explanation given to us, no fraud by the Company or no material fraud on the company has been noticed or reported during the year.
- (b) No report under sub-Section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Auditor and Auditor) Rules 2014 with the Central Government, during the year and up to the date of this report.
- (c) As represented to us by the management, there were no whistle-blower complaints were received during the year and up to the date of this report by the company.

- 12.** As the company is not a Nidhi Company, the Nidhi Rules, 2014 are not applicable to it. Accordingly, provisions of clause (xii) (a) to (c) of the Company's (Auditor's Report) Order, 2020 are not applicable to the Company.

- 13.** The company is in compliance with section 177 and 188 of the Companies Act 2013 where applicable, for all transactions with the related parties and the details of related part transactions have been disclosed in the Standalone Financial Statements as required under Indian Accounting Standard (Ind AS) 24 "Related Party Disclosure" specified under section 133 of the act.

14. In respect of Internal Audit:

- (a) In our opinion, the company has an internal audit system commensurate with the size and nature of its business of the company.
- (b) We have considered the report of the internal auditor for the period under audit received till date of this report.

- 15.** The Company has not entered in to any non-cash transactions with its directors or persons connected with him. Accordingly, clause 3(xv) of the Companies (Auditor's Report) Order, 2020 is not applicable to the Company.

16. In Respect to the Provisions of Reserve Bank Of India Act 1934:

- (a) The company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Companies (Auditor's Report) Order, 2020 is not applicable to the company.
- (b) The company has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, clause 3(xvi)(b) of the Companies (Auditor's Report) Order, 2020 is not applicable to the company.
- (c) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Hence, clause 3(xvi)(c) & (d) of the Companies (Auditor's Report) Order, 2020 is not applicable to the company.

- 17.** The Company has not incurred any cash losses in the financial year under review and immediately preceding financial year. Accordingly, clause 3(xvii) of the Companies (Auditor's Report) Order, 2020 is not applicable to the company.
- 18.** There has been no resignation of the statutory auditors during the year under consideration. Accordingly, clause 3(xviii) of the Company's (Auditor's Report) Order, 2020 is not applicable to the company.
- 19.** On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- 20.** There were no unspent amount required to be transferred to special account as required by Section 135 of the Companies Act, 2013. Accordingly, provisions of sub clause (a) and (b) of clause 3(xx) of the Company's (Auditor's Report) Order, 2020 are not applicable to the company.

ANNEXURE “B” TO INDEPENDENT AUDITORS’ REPORT

Referred to in paragraph 16(f) of “**Report on Other Legal and Regulatory Requirements**” of our Report of even date to the Members of **VIKRAM THERMO (INDIA) LIMITED** for the year ended 31st March, 2026.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

Opinion

We have audited the internal financial controls over financial reporting of **VIKRAM THERMO (INDIA) LIMITED** (“the Company”) as of March 31, 2026 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

1. Corporate Information

Vikram Thermo (India) Limited (referred to as 'the company') is a leading in manufacturing and selling of basic pharma co-polymer 'Drug Coat', etc. The company has its registered office at A-704-714, The Capital, Science city Road, Ahmedabad – 380060, Gujarat, India.

2. Basis of Accounting:

a) Statement of Compliance:

These individual financial statements are prepared in accordance with the Indian Accounting Standards (Ind AS). The Ind AS is prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and amendments thereto. The accounting policies are applied consistently to all the periods presented in the financial statements.

b) Basis of preparation:

The financial statements have been prepared on accrual basis of accounting under historical cost convention.

2A. MATERIAL ACCOUNTING POLICIES

(i) Use of Estimates:

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgements and the use of assumptions in financial statements have been specified in Note 2A(ii) below. Accounting estimates could change from period to period. Actual results could differ from estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in financial statements in the period in which the changes are made and, if material, their effects are disclosed in these notes to the individual financial statements.

(ii) Critical Accounting Estimates and Judgement

a. Income Taxes

Significant judgements are involved in determining the provision for Income Taxes, including amount expected to be paid / recovered for uncertain tax positions. (Also refer Note 26, 37 and 38)

b. Property, Plant and Equipment

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful life and residual values of the Company's assets are determined by the Management at the time the asset is acquired and reviewed periodically, including at each financial year end. The life is based on historical experience with similar assets as well as anticipation of future events, which may impact their life such as changes in technology. (Refer Note 3A)

c. Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation based on empirical evidence available without undue cost or effort, existing market conditions as well as forward looking estimates at the end of each reporting period. (Refer Note 9 & 44.I)

d. Defined Benefit Plan

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligations is determined using actuarial valuation. An actuarial valuation involves making

various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. (Refer Note 32)

e. Fair Value Measurement of Financial Instruments

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets, where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include consideration of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair values of financial instruments.

(iii) Property, Plant and Equipment & Depreciation:

a) Property Plant and Equipment:

Property, plant and equipment are tangible items that are held for use in the production or supply of goods and services, rental to others or for administrative purposes and are expected to be used during more than one period. The cost of an item of property, plant and equipment is recognised as an asset if and only, if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Freehold land is carried at cost less accumulated impairment losses if any. All other items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses. Cost of an item of property, plant and equipment comprises:

- Its purchase price, all costs including financial costs till commencement of commercial production are capitalized to the cost of qualifying assets. GST/Tax credit, if any, are accounted for by reducing the cost of capital goods;
- Any other costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

b) Capital work in progress:

Capital work in progress is stated at cost, comprising direct cost, related incidental expenses and attributable borrowing cost and net of accumulated impairment losses, if any. All the direct expenditure related to implementation including incidental expenditure incurred during the period of implementation of a project, till it is ready for use in intended manner, is accounted as Capital work in progress (CWIP) and subsequently the same is transferred / allocated to the respective item of property, plant and equipment. Pre-operating costs, being indirect in nature, are expensed to the profit or loss as and when incurred.

c) Depreciation methods, estimated useful life and residual value:

Depreciation is provided on straight line method for property, plant and equipment so as to expense the cost over their estimated useful lives based on evaluation which are as indicated in Schedule II to Companies Act, 2013. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

The estimated useful lives are mentioned below:

Nature of Assets	Useful life (in Years)
Factory Building	30
Non-Factory Building	
(a) RCC Frame Structure	60
(b) Non RCC Frame Structure	30
(c) Tube wells, Evaporation Pond	5
Plant & Equipment	20
Electrical Installations and Equipment	10
Office Equipment	5
Furniture & Fixtures	10
Computers	3
Vehicles	8

Depreciation is calculated on pro rata basis with reference to the date of addition/disposal.

d) Derecognition of Property, Plant and Equipment:

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss from the derecognition of an item of property, plant and equipment is recognised in the profit or loss account when the item is derecognized.

(iv) Impairment of non – financial assets

The Company reviews the carrying amount of its Property, Plant and Equipment, including Capital Work in progress of a “Cash Generating Unit” (CGU) at the end of each reporting period to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the Cash Generating Unit to which the asset belongs.

Recoverable Amount is determined:

- i) In case of individual asset, at higher of the fair value less cost of disposal and value in use; and
- ii) In case of cash generating unit (a company of assets that generates identified, independent cash flows), at the higher of the cash generating unit's fair value less cost to disposal and the value in use. If the recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the profit or loss.

(v) Financial Instruments :

1. Financial Assets:

i. Initial recognition and measurement:

All financial assets and financial liabilities except trade receivables are initially measured at fair value. Fair value is adjusted for transaction costs if the financial asset or financial liability is not classified as subsequently measured at fair value through profit or loss. Trade receivables are initially measured at transaction price.

ii. Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in following categories:

- i) Financial assets measured at amortised cost and
- ii) Financial assets at fair value through profit or loss (FVTPL)

The Company classifies its financial assets in the above mentioned categories based on:

- a) The Company's business model for managing the financial assets, and
- b) The contractual cash flows characteristics of the financial asset.

i) Financial assets measured at amortised cost :

A financial asset is measured at amortised cost if both of the following conditions are met:

- a) A financial asset is measured at amortised cost if the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the Contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.
- b) Financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

ii) Financial assets at fair value through profit or loss (FVTPL):

Financial assets are measured at fair value through profit and loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in profit or loss. In addition, The Company may elect to designate a financial asset, which otherwise meets amortised cost criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch')

Trade receivables, Advances, Security Deposits, Cash and Cash Equivalents etc. are classified for measurement at amortised cost.

iii. Derecognition:

The Company derecognizes a financial asset when contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset in its entirety, the difference between the assets's carrying amount and the sum of the consideration received and receivable is recognized in the profit or loss.

iv. Impairment of financial assets:

The company assesses at the end of each reporting period whether a financial assets or group of financial assets is impaired. In accordance with Ind AS 109, the company applies expected credit loss (ECL) model for recognition and measurement of impairment loss.

In case of trade receivables, the Company follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognised as loss allowance. As a practical expedient, the company uses a provision matrix to determine impairment loss on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of trade receivables. ECL impairment loss allowances (or reversal) recognized during the period is recognized as an expense / income respectively in the statement of profit and loss. Provision for ECL is presented as deduction from carrying amount of trade receivables.

For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to lifetime expected losses, if the credit risk on the financial asset has increased significantly since initial recognition.

Subsequently, if the credit quality of the financial asset improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognizing impairment loss allowance based on 12 month ECL.

2. Financial Liabilities:**i. Initial recognition and measurement:**

All financial liabilities are recognised initially at fair value and subsequently carried at amortised cost using the effective interest method.

The company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

ii. Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

i) Financial liabilities measured at amortised cost.

ii) Financial liabilities at fair value through profit or loss.

i) Financial liabilities measured at amortised cost :

All financial liabilities are measured subsequently at amortised cost. Any discount or premium on redemption/ settlement is recognised in the profit or loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet.

ii) Financial assets at fair value through profit or loss (FVTPL):

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the profit or loss.

iii. Derecognition:

Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the profit or loss.

(vi) Off-setting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the standalone balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

(vii) Inventories:

Inventories are valued at lower of cost and net realizable value. Cost in respect of raw materials and stock in trade are determined on FIFO basis. Costs in respect of all other Inventories are computed on weighted average basis method. Finished goods and process stock include cost of conversion and other costs incurred in acquiring the inventory and bringing them to their present location and condition. Spares (not meeting the definition of property, plant and equipment) are accounted as inventory and expensed to the profit or loss when issued for consumption.

Inventories are written down to net realizable value item by item except where it is appropriate to group similar or related items. When a decline in the price of materials, indicates that the cost of the finished products exceeds net realizable value, the materials are written down to their replacement cost. When the circumstances that previously caused inventories to be written down below cost no longer exist or when there is clear evidence of an increase in net realizable value because of changed economic circumstances, the amount of the write-down is reversed so that the new carrying amount is the lower of the cost and the revised net realizable value. Inventories are recognised as expense in the period in which the related revenue is recognised.

(viii) Income recognition :**Revenue from Contracts with Customers**

Revenue from Contracts with Customers are recognised on satisfaction of performance obligation and

measured at the transaction price for each separate performance obligation, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The transaction price is net of estimated customer returns, rebates and other similar allowances.

(a) Sale of Goods

Revenue from the sale of goods is recognized at a point in time when the control of the products has transferred which generally coincides with dispatch of products to customers in case of domestic sales and on the basis of bill of lading in the case of export sales.

At that Point in time, the customer has the ability to direct the use of, and obtain substantially all of the remaining benefits from, the asset or to restrict the access of other entities to those benefits.

(b) Rendering of Services

Revenue from Job work service contracts:

Job Work service contracts are recognised at point in time as control is transferred to the customer only on dispatch.

When the consideration is received, before the Company transfers goods to the customer, the Company shall present the consideration as a contract liability and when the services rendered by the Company exceed the payment, a contract asset is recognised excluding any amount presented as receivable.

Export Incentives

Export entitlements are recognized in the profit or loss when the right to receive credit as per the terms of scheme is established in respect of the exports made and where there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

Interest Income

Interest income is calculated by applying the effective interest rate to the gross carrying amount of the financial assets except when the financial asset is credit-impaired in which case the effective interest rate is applied to the amortised cost of the financial asset. Effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's gross carrying amount on initial recognition.

(ix) Dividend:

The Company recognises a liability for dividends to equity holders of the Company when the dividend is authorized and the dividend is no longer at the discretion of the Company. As per the corporate laws in India, dividend is authorized when it is approved by the shareholders. A corresponding amount is recognized directly in equity.

(x) Good & Service Tax (GST):

GST credit on materials purchased for production / service availed for production / input service are taken into account at the time of purchase. GST credit on purchase of capital items wherever applicable are taken into account as and when the assets are acquired and said credit are reduced from the cost of the assets acquired.

The GST credits so taken are utilized for payment of GST liability on goods sold. The unutilized GST credit is carried forward in the books.

(xi) Employee Benefits:

i. Short term employee benefits:

Short Term benefits are recognised as an expense at the undiscounted amounts in the profit or loss of the year in which the related service is rendered.

ii. Post employment benefits:

a) Defined contribution plan:

The Employee and Company make monthly fixed Contribution to Government of India Employee's Provident Fund equal to a specified percentage of the employee's salary, Provision for the same is made in the year in which service are rendered by employee.

b) Defined benefit plans:

The Liability for Gratuity to employees, which is a defined benefit plan, as at Balance Sheet

date determined on the basis of actuarial Valuation based on Projected Unit Credit method is funded to a Gratuity fund administered by the trustees and managed by Life Insurance Corporation of India and the contribution thereof paid/payable is absorbed in the accounts.

The present value of the defined benefit obligations is determined by discounting the estimated future cash flows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expenses in the profit or loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in balance sheet. Changes in present value of the defined benefit obligation resulting from plan amendment or curtailments are recognized immediately in profit or loss as past service cost.

iii. Other long term employee benefits:

Other long term employee benefits comprises of leave encashment towards un-availed leave and compensated absences, these are recognized based on the present value of defined obligation which is computed using the project unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.

Remeasurement of leave encashment towards un-availed leave and compensated absences are recognized in the profit or loss except those included in cost of assets as permitted in the period which they occur.

(xii) Earnings per Share

Basic earnings per share is calculated by dividing net profit after tax for the year attributable to Equity Shareholders of the company by the weighted average number of Equity Shares issued during the year. Diluted earnings per share is calculated by dividing net profit attributable to equity Shareholders (after adjustment for diluted earnings) by average number of weighted equity shares outstanding including the effect of all dilutive potential ordinary shares.

(xiii) Taxes on Income :

a) Current tax:

Current tax is determined on income for the year chargeable to tax on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Current tax items are recognised in correlation to the underlying transaction either in profit or loss or OCI or directly in equity. The Company has provided for the tax liability based on the significant judgment that the taxation authority will accept the tax treatment.

b) Deferred tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with asset will be realised.

Deferred tax relating to items recognised outside profit or loss is recognised either in other comprehensive income or in equity.

(xiv) Leases :

As a Lessee

The Company's leased assets consist of leases for Land. At inception of a contract, the company assesses whether a contract is, or contains, a lease. A contract is or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the company assesses whether: (i) the contract involves the use of an identified asset (ii) the company has the right to obtain substantially all of the economic benefits from use of the asset throughout the period of use; and (iii) the company has the right to direct the use of the asset.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of Property, Plant and Equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

The lease liability is subsequently measured as given below:

- (a) increasing the carrying amount to reflect interest on the lease liability;
- (b) reducing the carrying amount to reflect the lease payments made; and
- (c) remeasuring the carrying amount to reflect any reassessment or lease modifications.

It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Short-term leases and leases of low-value assets

The Company has elected not to recognise right-of-use assets and lease liabilities for short term lease that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases on straight line basis as per the terms of the lease.

(xv) Statement of Cash flows:

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Note:2B**Standards issued but not yet effective**

- (a)** Ministry of Corporate Affairs ("MCA") had notified IND AS 117, Insurance Contracts vide notification no. G.S.R 492(E) dated 12/08/2024 subject to further notification by IRDAI. IRDAI has mandated the adoption of Ind AS for insurance companies from 1 April 2026. The company is not in the business of issuing insurance contracts and none of the contracts that the company has issued fall within the scope of Ind AS 117. Accordingly, Ind AS 117, Insurance Contracts, does not have any impact on the financial statements of the company.
- (b)** MCA notified amendments to Ind AS 1 vide notification no. G.S.R.549(E) dated 13 August 2025 applicable from 1 April 2026. The amendment removes the carve out for classification of liabilities as current or non-current. The said amendment does not have material impact on the financial statements of the company as the company has met with all the covenants in the contract for borrowings.

The above fair value hierarchy explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost for which fair values are disclosed in the financial statements. To provide the indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments in to three levels prescribed is as under:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

There were no transfers between the levels during the year

Valuation process

The finance department of the Company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. The fair valuation of level 1 and level 2 classified assets and liabilities are readily available from the quoted prices in the open market and rates available in secondary market respectively. The valuation method applied for various financial assets and liabilities are as follows -

1. Quoted price in the primary market (NAV) considered for the fair valuation of the current investment i.e Mutual fund. Gain / (loss) on fair valuation is recognised in profit and loss.
2. The carrying amount of trade receivable, trade payable, cash and bank balances, other financial assets, Other financial liability, lease liability, borrowing, employee dues are considered to be the same as their fair value due to their short-term nature.

44 Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- I Credit Risk
- II Liquidity Risk
- III Market Risk

Risk Management Framework

The Company's risk management is governed by policies and approved by the board of directors. Company identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The company has policies for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments.

The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

I Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The Company maintain its cash and cash equivalents and bank deposits with banks having good reputation, good past track record and high quality credit rating and also reviews their credit-worthiness on an on-going basis.

The maximum exposure to credit risk at the reporting date is primarily from trade receivables. Credit risk has always been managed by the company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the company grants credit terms in the normal course of business.

On account of the adoption of Ind AS 109, the company uses ECL model to assess the impairment loss or gain. The company uses a provision matrix to compute the ECL allowance for trade receivables and unbilled revenues. The provision matrix takes into account available external and internal credit risk factors and the company's experience for customers.

The Company reviews trade receivables on periodic basis and makes provision for doubtful debts if collection is doubtful. The Company also calculates the expected credit loss (ECL) for non-collection of receivables. The company has assessed that credit risk on loans given, Investments, Other Financial Assets, Cash & Cash Equivalents and Other bank Balance are insignificant based on the empirical data.

The provision for doubtful debts including ECL allowances for non-collection of receivables and delay in collection, on a combined basis, was Rs.467.54 Lakhs as at March 31, 2026 and Rs.254.95 Lakhs as at March 31, 2025. The movement in allowances for doubtful accounts comprising provision for both non-collection of receivables and delay in collection is as follows:

(Rs. in Lakhs)

Movement in allowance for Expected Credit Loss	As at 31/03/2026	As at 31/03/2025
Balance at the beginning of the year	254.94	301.19
Less : Provision transfer on demerger of Aromatic Chemical unit	0.00	25.48
Net Amount of allowance for Expected Credit Loss after demerger	254.94	275.71
Add : Allowance made during the year	281.30	54.55
Less : Reversal of allowance made during the year	68.70	75.32
Balance at the end of the year	467.54	254.94

II Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Management regularly monitors the position of cash and cash equivalents vis-à-vis projections. Assessment of maturity profiles of financial assets and liabilities including debt financing plans and maintenance of balance sheet liquidity ratios are considered while reviewing the liquidity position. The company has undrawn borrowing facilities to the extent of Rs.1500.00 Lakhs as at March 31, 2026 (PY.Rs 1331.38 Lakhs as at March 31, 2025).

b) Interest Risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

According to the Company interest rate risk exposure is only for floating rate borrowings. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.
