Chairman's Message

Dear Shareholder(s),

It gives me immense pleasure to put forth the Annual Report of your Company for the financial year 2019-20. At the onset, I wish to express my gratitude to all our shareholders, employees and partners for their continued support. This support is critical in our journey towards long-term sustainable growth and success.

Since its incorporation in 2009, your Company has grown into becoming a leading Indian Listed Public Cloud Provider. We strive to facilitate the adoption of cloud by SMEs through our solutions to meet the niche workload requirements and ensuring our products provide compelling business value. While delivering existing capabilities to our customers and prospective customers we continue to invest in building tools that will drive newer compute workloads to our Cloud Platform in the medium term.

STRATEGY FOR A NEW CASH CULTURE

The end of FY 19-20 has been challenging for most organisations due to COVID-19 outbreak and subsequent lock down in many parts of the world. Your company has prioritized the health and safety of its employees and also kept customers' mission-critical systems running under these difficult circumstances.

The COVID-19 pandemic has disrupted demand and supply chains across industries, negatively impacting the business of companies and driving the global economy towards a recession. Governments in several countries have imposed stringent lockdown in a bid to contain the spread of the disease. This in turn has forced companies to reconfigure how their employees work and how their core business processes are supported and delivered. These events are causing organizations to build a new cash culture as a response to COVID-19 with a view to survive similar Black Swan events. We have started to have a lot of conversations and PoCs around the renewed focus of organizations in conserving cash flows. The savings that need to be delivered to our existing customer base has to be immediate by helping them re-architect their cloud deployments. However, the repatriation of compute workloads from HyperScalers does have a bit of time lag to convert to revenues.

Against this background, your Company's strategy of enhancing the capabilities of its public cloud, building new features and solutions and delivering them at a very competitive pricing is expected to pay off well.

However, FY 19-20 has been a challenging year from growth perspective mostly due to decline of revenue from few key customers as compared to last year and as focus remained on investment in people and technology to be able to capture the opportunity lying ahead of us.

COMPUTING WORKLOADS IN A DATA DRIVEN WORLD

Data is the new Oil. Organizations are increasingly focussing on being able to dynamically allocate compute resources including CPUs and GPU acceleration to process streaming data in real-time that can be used for accelerated data analytics and deep learning using latest innovations in storage and GPU driven compute acceleration technology. There is an increasing trend in Open Source software to support compute acceleration using GPU e.g. PostgreSQL, Apache Spark 3.0 and so on. Your Company is an early adopter in India of this new paradigm of computing apart from the HyperScalers.

OPPORTUNITY: BETTING BIG ON THE FUTURE

The technology adoption in today's world happens in waves. Your Company continues to focus on building server-side infrastructure for operating web and mobile driven applications. We are very excited about the newer compute workloads with an ever-growing total addressable market. Augmented data analytics, machine learning including deep learning, AI inference workloads are the wave of the futuristic compute workloads. We are working to make them accessible on our cloud platform.

Overall, the Cloud Computing market remains one of the fastest growing technology segments in India. However, from an economic perspective, we expect 2020 to continue to be challenging and volatile. As we navigate these uncertain times together with our customers, we look forward to your continued support. We are committed to creating value and delivering long-term growth for all our stakeholders.

Your trust is what drives us. I thank you for the confidence you have placed in the company as we look forward to the next stage of our shared success.

Warm Regards,
Sd/-
Tarun Dua
Chairman & Managing Director

Annual Report 2019-20

Directors' Report

Dear Members,

Your Directors have immense pleasure in presenting the 11th Annual Report on the business and operations of your Company, along with the Audited Financial Statements for the financial year ended on March 31, 2020.

The Revenue from operations of the Company for the year ended March 31, 2020 was INR 2509.61 lakhs as compared to INR 3375.40 lakhs during the previous year ended March 31, 2019.

The loss for the year under review was INR 935.34 lakhs as compared to profit of INR 173.32 lakhs for the previous year.

The FY 19-20 has been a challenging year from growth perspective mostly due to decline of revenue from few key customers as compared to last year and as focus remained on investment in people and technology to be able to capture the opportunity lying ahead of us. However, Your Company's strategy of enhancing the capabilities of its public cloud, building new features and solutions and delivering them at a very competitive pricing is expected to pay off well.

A Detailed analysis of the financial results is given in the Management Discussion and Analysis Report, which forms a part of this report.

FUTURE PROSPECTS:-

The trends in digital transformation, Artificial Intelligence, Machine Learning and Deep Learning are very encouraging for the growth of cloud infrastructure in India. For instance, the speed necessary for machine learning systems can be accomplished with modern GPUs built for AI/ML workloads that offer a compelling alternative to traditional general purpose processors. Cloud-based GPUs are a great option to run machine learning workloads, where pay as you go pricing is very attractive. We are very excited about the newer compute workloads with an ever growing total addressable market. Further, the Company intends to add some features to its Cloud Offerings (expected date of Launch FY 20-21 or beyond) like Block Storage, RDS, WordPress Cloud Service. The Company is well positioned to deliver in the major growth areas of the Public Cloud Infrastructure services in the coming years in India.

BRIEF DESCRIPTION OF THE STATE OF THE COMPANY'S AFFAIRS

The Company offers a superior public cloud platform with great value to its customers. The company continues to innovate to enable usage for niche workloads of the emerging digital and smaller enterprises in India. Our public cloud is a High-Performance Cloud with amongst the best availability, high reliability and advanced technical stacks. The Company has built its own cloud platform based on open source technologies to avoid any vendor lock-in.

Our Company offers Cloud Infrastructure with different system Configuration, Operating System and Services based on the different needs and objectives of the clients like CPU Intensive Cloud, C2 Series with Red Hat, High Memory Cloud, Windows Cloud, Smart Dedicated Servers, Smart Dedicated GPU amongst other Cloud Infrastructure services. Recently, the Company has added some enhanced features to its Services like Auto Scaling, Reserved IP, E2E Object Storage, E2E CDN Service, 1-Click Deployment amongst others.

IMPACT OF COVID-19 PANDEMIC ON OPERATIONS OF THE COMPANY

Amidst this COVID-19 pandemic, we are in an era of world-wide economic slowdown and consequent regulatory reforms as this pandemic has affected almost all individuals and businesses. Accordingly, the Company has evaluated the impact of this pandemic on its business operations and financial position and based on its review of current indicators of future economic conditions. As of now, the Board believes that there is no material significant negative impact on its operations and financial position. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of this report. The Company will continue to monitor any material changes to future economic conditions and would keep the investors updated on material impacts due to this pandemic.

As per the current impact assessment done by the Company, following can be considered as the changes undergone due to this pandemic situation:-

- i) Hardware Supply chain was impacted due to general shut down in logistics due to lockdowns. There were ongoing delays in Procurement, Delivery of Servers & Equipment's and there has been generally more price volatility. Recent easing of the situation has allowed us to service most of the customer needs by offering suitable alternatives or increased allowance in delivery timelines.
- ii) Most Teams including sales are working from home currently and using online meetings to interact with each other and customers.
- iii) New products/features launches are impacted as priority is to service existing needs fully.
- iv) Existing Customers and Prospective Customers have a cost savings focus, this results in revenue contraction of existing customers, some logo churn and increased traction in new customer acquisition.
- v) In order to control cash outflows, the salary of Leadership team, Sales/Marketing and few Manager level employees has been restructured with some portion of their fixed salary converted into variable pay.

Your Company has a sound internal financial reporting and control mechanism and wherever applicable additional controls are being added to address the current situation.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Management Discussion and Analysis Report for the year under review as stipulated under Regulation 34 of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 is presented in a separate section forming part of this Annual Report and shall be considered as an integral part of this report.

PERFORMANCE EVALUATION OF BOARD, ITS COMMITTEES AND INDIVIDUAL DIRECTORS

In terms of the provisions of the Companies Act, 2013 and Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015, a formal annual performance evaluation has been done by the Board of its own performance, the Directors individually as well as the evaluation of its Committees.

The Chairperson of Nomination and Remuneration Committee has facilitated the performance evaluation process and the performance evaluation forms were circulated to all Directors of the Company.

Based on the criteria mentioned in the Evaluation Form, the exercise of evaluation was carried out through a structured process covering various aspects of the Board functioning such as composition of the Board and committees, experience & expertise, performance of specific duties & obligations, attendance, contribution at meetings etc. The performance evaluation of the Chairman was also carried out. The performance Evaluation of the Directors was carried out by the entire Board (excluding the Director being evaluated). The Directors expressed their satisfaction with the evaluation process.

The performance of the committees was evaluated by the Board after seeking feedback from members on the basis of parameters/criteria such as degree of fulfilment of key responsibilities, adequacy of committee composition, effectiveness of meetings, etc

Independent Directors of the Company in their separate meeting held on March 11, 2020 reviewed the performance of the non-independent directors and the Board as a whole. They also reviewed the performance of the Chairperson of the Company.

Management Discussion And Analysis Report

INDUSTRY STRUCTURE AND DEVELOPMENTS

Infrastructure as a service or IaaS is the basic layer in cloud computing model. Cloud infrastructure refers to the backend components (servers, storage, virtualization and provisioning software) that supports cloud computing services. Businesses across all industries are leveraging the benefits of cloud infrastructure to enhance efficiency, reduce server and storage costs, and incorporate flexible work practices.

Cloud Infrastructure users use these services provided by the cloud providers and build their applications on the internet and thus deliver them to their end users.

According to a report on "Indian Cloud Infrastructure Services Market 2019-2025" published by Orion Market Research Private Limited in Feb 2020(<https://www.omrglobal.com/industry-reports/indian-cloud-infrastructure-service-market>), the Indian cloud infrastructure services market is anticipated to grow at a CAGR 15.3% during the forecast period. India has huge potential for the growth of the cloud infrastructure services market. Verticals such as banking, education, healthcare, manufacturing, retail, and railway have started moving their on-premise applications to cloud based platforms to optimized reach and performance as well as scalability and elasticity. Increasing trend of smart phones in India is one of the major factors that are driving the growth of cloud infrastructure services. Moreover, the increasing trend of social media and decrease in the price of smart phones is one of the major factors augmenting the growth of the smart phone users in India

OUR BUSINESS, OUTLOOK AND STRATEGY

Your Company is engaged in providing Infrastructure as a Service (IaaS). In our cloud infrastructure business, we provide Infrastructure to handle workloads related to compute needs of our clients. This infrastructure includes hardware and software components such as servers, storage, networking, virtualization and pre-configured open source software. Our Public Cloud Infrastructure service can be accessed via a self-service portal with enhanced features and flexibility. Our instances are available from Indian datacenters ensuring data locality for the critical India centered data.

The Company strives to continuously invest in its people and technology in order to enhance customer satisfaction. Recently, the Company has added some enhanced features to its Services like Auto Scaling, Reserved IP, E2E Object Storage, E2E CDN Service, 1- Click Deployment, Bitninja Integration, Kubernetes amongst others. Further, the Company intends to add some features to its Cloud Offerings (expected date of Launch FY 20-21 or beyond) like Block Storage, RDS, WordPress Cloud Service.

Initiatives taken by your Company for reducing overheads and fixed costs, building a strong relationship with all our customers, vendors and employees, facilitating a transparent working system, focusing on improving the Services by adding new features, improving operating parameters and optimizing operating costs will enable your Company to face challenges in coming times.

OPPORTUNITIES AND THREATS

OPPORTUNITIES

Apart from the focus on SME segment for Cloud Computing adoption your Company is focussing on the increasing trend of accelerated computing using GPU hardware and newer generation of CPUs for Augmented Data Analytics, Computer Vision, Video Analytics, Natural Language Processing and GPU accelerated workstations for engineering, media and graphics personnel.

The recent experience with the requirements of pandemic prevention and preparedness requires increasing reliance on Computer Vision training to recognize compliance with facial masks and social distancing requirements for organizations planning to unlock.

Maturing technology practices related to Cloud Platforms in the Indian market is expected to yield significant number of self service customers who have ability to consume your Company's Cloud Platform via MyAccount Control Panel (<https://myaccount.e2enetworks.com>) or via the API for accessing the services.

In the current pandemic environment, the potential customers are increasingly relying on advice from our Inside Sales team instead of relying on face to face meetings. This behaviour is expected to continue even after the current pandemic situation is overcome. This is expected to have the impact of lower customer acquisition cost due to higher number customers touched during the course of a work week per inside sales team member.

Cash preservation culture is expected to make organisations prefer lower cost Cloud Platforms like the one provided by your Company as compared to the Hyperscale Cloud Computing Players.

THREATS

- i) General risks due to change in the regulatory environment can impact the Company's business adversely. For instance, the lockdown due to Covid-19 outbreak has impacted the hardware Supply Chain and resulted in delay in the launch of new products/features, etc. The ongoing restrictions on movement of people and things placed by several governments in various parts of the world may continue to impact our hardware Supply chain and may result in further delay in launch of new products/features.

Further, the business impact of the upcoming Personal Data Protection Bill and Non-Personal Data related regulatory changes and their impact on your Company have not been fully appreciated.

- ii) Competition from multinational Public Cloud Computing players: India is a very attractive large market for both US headquartered Cloud Players who have set up local availability zones as well as China headquartered Cloud Players. E2E Networks faces tough competition in its home market from these players and other Indian origin players.
- iii) Speed of Execution: As technology continues to evolve at a rapid pace to avoid the risk of being outdated the Company needs to continuously innovate its Cloud products. Even so there is always the threat of faster moving competition making our technology obsolete.
- iv) General Technology related risks like Disclosures of vulnerabilities in CPUs, Risks of becoming victims of Cyber Crime, accidental data disclosure etc.
- v) Access to and retention of talent remains a significant challenge for smaller technology company's like us.

SEGMENT WISE OR PRODUCT WISE PERFORMANCE

The Company's business activities fall within a single primary business segment. Accordingly, disclosures under Accounting Standard 17, Segment Reporting, as mandated under Section 133 of Companies Act, 2013 read with rules framed thereunder are not required to be made.

RISKS AND CONCERNS

The Company understands that it operates in a competitive and challenging environment and its business and operations are subject to a variety of risks and uncertainties like operational risks, financial risks, hazard related risks, market-related risks and strategic risks amongst others.

The Company has a well-defined system in place to reduce its operational risks and has a Risk Management Policy in place that helps in the identification, assessment and monitoring of risks and also helps to mitigate and manage the identified risks.

The Company strives to promote a proactive approach in risks reporting and management. This involves reviewing operations of the organization, identifying potential threats to the organization and the likelihood of their occurrence and then taking appropriate actions to address the most likely threats.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has the internal control systems in place, adequate for the size of the Company and the nature of its business. The primary function of our internal control systems is to ensure efficiency in business operations, safeguarding of company's assets, adherence to policies and procedures, protecting and detecting errors and frauds, strict compliance with applicable laws and ensuring the reliability of financial statements and reporting.

The Company has in place the internal financial controls for the various processes of the Company such as Revenue reporting and recognition, Fixed assets, Finance and accounts, Taxation, Treasury, HR & Payroll and Procurement etc. The internal control systems adopted by the Company ensures that all transactions are executed with proper authorisation, are recorded and reported correctly, and assets are safeguarded and protected against loss from unauthorised use. In addition, the compliance of corporate policies is duly monitored.

The internal audits carried out by the Internal Auditor of the Company and management reviews supplements the process of internal financial control framework. Internal Audits are conducted at regular intervals to assure the management of fair transactions, as per set policies and processes. Efficacy of internal control systems are tested periodically by Internal Auditors and internal control over financial reporting is tested and certified by Statutory Auditors.

The Company also has an Audit Committee to interact with the Statutory Auditors, Internal Auditors and Management in dealing with matters within its terms of reference including the matters relating to financial reporting and internal controls.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The Human Resource Management function in your company is an equal strategic partner in achieving the goals set for the organization.

Our Company values its relationship with its employees and ensures that each employee feels connected to the Company's objectives and shares the Company's broader vision to create stakeholders' value. Our Human Resource Team, guided by the Top Management relentlessly undertakes various people-centric activities to keep all our employees engaged and provide them with suitable opportunities. E2E believes in inspiring the employees to their highest potential and engaging them in cultural and festive activities. In FY 19-20, there were countless engagement activities on occasions of Diwali, Independence Day, Navratri, Women's day and Christmas Celebration, Month End Celebrations to name a few.

Recognition and appreciation at the workplace go a long way in motivating the employees to work even harder and better. Therefore, we have an appreciation system in place whereby employees are given monthly and/or quarterly appreciation Certificates along with gifts based on employees' performances. Our performance appraisal systems have been designed to recognise and reward exceptional performers.

E2E continues to emphasize on capability building, keeping the future in mind. The Company has made rigorous efforts to ensure that employees can handle challenges of the future, while staying abreast with the knowledge in relation to their respective functional domain. It also focuses on providing opportunities to each employee to grow and utilise their complete potential.

As on March 31, 2020, 92 employees are on the rolls of the company.

The industrial relations have remained harmonious throughout the year.

FINANCIAL PERFORMANCE AND HIGHLIGHTS

The financial performance during the financial year 2019-20 has been summarized below

Particulars	(Amount in INR Lakhs)	
	Standalone FY 19-20	FY 18-19
Revenue from operations	2509.61	3375.40
Total Expenditure other than finance cost and depreciation	2630.15	2282.63
Earnings before Interest, Tax and Depreciation (EBITDA)	(120.54)	1092.77
Other Income	221.47	45.07
Depreciation	1014.09	882.88
Finance Costs	18.24	12.78
Profit/(Loss) before tax (PBT)	(931.40)	242.18
Current Tax	-	113.06
Deferred Tax	-	(44.20)
Adjustment related to previous year	3.94	-
Net Profit/(Loss) for the Year(PAT)	(935.34)	173.32
Basic EPS (in INR)	(6.54)	1.24
Diluted EPS (in INR)	(6.54)	1.23

The Company has reported total revenue from operations of INR 2,509.61 lakhs during the FY 2019-20 as against revenue of INR 3,375.40 lakhs during the FY 2018-19. The Company has incurred Net Loss after tax amounting to INR 935.34 lakhs during the FY 2019-20 as against Net Profit after tax of INR 173.32 lakhs for the FY 2018-19.

The loss in FY 19-20 is mainly due to churn among few key customers as well as continued investments in building our capabilities and broadly fixed overheads. However, with increased focus on self-service sign ups the Company has reduced its revenue concentration from top clients significantly.

BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the Company have been prepared to comply in all material respects with accounting standards notified under Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India. The Management accepts the responsibility for the integrity and objectivity of these financial statements, as well as for various estimates and judgements used therein. The estimates and judgements relating to the financial statements have been made on a prudent and reasonable basis, so that the financial statements reflect in a true and fair manner the form and substance of transactions, and reasonably present the state of affairs, profit/loss and cash flows for the year.

RATIO ANALYSIS

	FY 2019-20	FY 2018-19	% Change as compared to previous FY	Remarks/Reason for change where change is + 25% or more as compared to Previous FY
Debtors Turnover	32.32	18.41	+75.56	The Debtors Turnover ratio has improved further in FY 19-20 due to improved collections and increase in prepaid Customers during FY19-20.
Inventory Turnover	N.A	N.A	N.A	Since the Company does not have any inventory, the Inventory Turnover Ratio is not applicable.
Interest Coverage Ratio	N.A	N.A	N.A	The interest coverage ratio is used to determine how easily a company can pay their interest expenses on outstanding debt. Since our Company is debt free, the Interest Coverage Ratio is not applicable.
Current Ratio	5.52	7.44	-25.81	The Current Ratio of the Company has decreased slightly due to utilisation of IPO funds which were invested in Liquid Mutual Funds as on March 31, 2019 leading to higher current assets in previous FY.

Independent Auditors' Report

To the Members of **E2E Networks Limited**
(previously known as E2E Networks Private Limited)

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **E2E Networks Limited** ("the Company") (previously known as *E2E Networks Private Limited*), which comprise the balance sheet as at March 31, 2020, and the statement of profit and loss and statement of cash flows for the year ended March 31, 2020, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Accounting standards prescribed under section 133 of the Act read with Companies (Accounting Standards) Rules, 2006, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("Act"). Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Annual Financial statement section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the annual financial statements and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no key audit matters reportable as per SA 701 issued by ICAI.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates

that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

(A) As required by Section 143 (3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" and

(B) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:

- (i) The Company has no pending litigations as at March 31, 2020 that will have impact on its financial position in its financial statements.
- (ii) The Company did not have any long-term contracts, including derivative contracts as at March 31, 2020 for which there were material foreseeable losses.
- (iii) There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended March 31, 2020.

Annexure A to Independent Auditors' Report

Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of the Independent Auditors report of even date to the members of E2E Networks Limited (previously known as E2E Networks Private Limited).

- (i) (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.

(b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of 3 years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.

(c) The Company does not hold any immovable property (in the nature of 'fixed assets'). Accordingly, the provisions of clause 3(i)(c) of the order are not applicable to the Company.
- (ii) The Company is in the business of providing cloud computing services and does not have any physical inventories. Accordingly, reporting under clause 3 (ii) of the Order is not applicable to the Company.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii), (iii)(a), (iii)(b) and (iii)(c) of the Order are not applicable to the Company.
- (iv) In our opinion, the Company has not entered into any transaction covered under Section 185 and 186 of the Act. Accordingly, the provisions of clause 3(iv) of the order are not applicable to the Company.
- (v) The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2020 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
- (vi) The Central Government of India has not specified maintenance of cost records under Section 148(1) of the Act in respect of Company's services. Accordingly, the provisions of clause 3(vi) of the order are not applicable to the Company.
- (vii) (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.

(b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues in arrears as at March 31, 2020 for a period of more than six months from the date they became payable.

(c) Details of dues of Income Tax, Sales Tax, Service Tax, Excise Duty and Value Added Tax which have not been deposited as at March 31, 2020 on account of dispute are given below:

Nature of Statute	Nature of dues	Forum where dispute is pending	Period to which the amount relates	Amount (INR)
The Income Tax Act, 1961	Income Tax	Assessing officer	A.Y. 2014-15	1,476,708

- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to banks and has not issued any debentures. The Company did not have any outstanding loans or borrowings from financial institutions or government.

The Company has not raised money by way of initial public offer during the year. In our opinion and according to the information and explanations given to us, the company came with IPO in May 2018 of 38,58,000 equity shares of face value of Rs. 10/- each for cash at a price of Rs. 57/- per equity share including a share premium of Rs. 47/- per equity share aggregating Rs. 2,199.06 lakhs, comprising of fresh issue of 27,50,000 Equity Shares aggregating upto Rs 1,567.50 lakhs and offer for sale of 11,08,000 equity shares aggregating up to Rs. 631.56 Lakhs. The funds raised by IPO have been fully utilized as per objects mentioned in the Prospectus of the company.

- (x) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.
- (xi) In our opinion and according to the information and explanations given to us, the Company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- (xii) As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.
- (xiii) The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under applicable accounting standard.
- (xiv) During the year, the Company has allotted convertible warrants on preferential basis under the provisions of Chapter V of Securities Exchange and Board of India (Issue of Capital and Disclosure Requirements) Regulations 2018 (ICDR Regulations) and Section 62 and 42 of the Companies Act, 2013. The Company has completely utilised the funds raised through preferential issue for the purpose for which the funds were raised.
- (xv) According to information and explanation given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi) of the Order are not applicable to the Company.

Annexure B to Independent Auditors' Report

Referred to in paragraph 1(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of the Independent Auditors' Report of even date to the members of E2E Networks Limited (previously known as E2E Networks Private Limited).

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of E2E Networks Limited ("the Company") (previously known as E2E Networks Private Limited) as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Board of Directors of the Company and its management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

4. A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that
 - 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
 - 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
 - 3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

- 5) Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate

Opinion

6. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to financial statements for the period ended March 31, 2020

(All amounts in INR unless otherwise stated)

1.1 Corporate information

E2E Networks Limited, earlier known as E2E Networks Private Limited ('the Company') was incorporated on August 20, 2009. The Company was converted into Public Company pursuant to Shareholders resolution passed at the Extra Ordinary General Meeting held on February 16, 2018 and name of Company was changed to "E2E Networks Limited" pursuant to issuance of Fresh Certification of Incorporation dated March 14, 2018 by Registrar of Companies, NCT of Delhi and Haryana. The Company is in the business of providing Cloud computing services. The Company is listed on the SME platform of National Stock Exchange (NSE).

1.2 Basis of preparation

The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the Companies (Accounting Standards) Rules, 2006 (as amended) notified under section 133 of the Companies Act 2013, read together with Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

2. Summary of significant accounting policies

2.1 Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

2.2 Property, Plant and Equipment

Property, plant and equipment, capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use and initial estimate of decommissioning, restoring and similar liabilities. Any trade discounts and rebates are deducted in arriving at the purchase price. Such cost includes the cost of replacing part of the plant and equipment. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred.

Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

2.3 Depreciation on property, plant and equipment

Depreciation on fixed assets is calculated on a written down value method using the rates arrived at based on the useful lives estimated by the management. The Company has used the following rates to provide depreciation on its fixed assets.

Categories	Useful Life (In Years)
Computer and computer equipment	3
Office equipment's	5
Furniture and fixtures	10
Building	5

Based on the utilization and expected useful life of these assets for the Company, the life of the certain assets has been taken less than the life as prescribed in schedule II of Companies Act, 2013. The life of Servers in schedule II is prescribed to be 6 years whereas the life of the same has been taken 3 years. This decision is supported by the advice of technical expert.

2.4 Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred.

Intangible assets are amortized on a straight line basis over the estimated useful economic life. The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern. Such changes are accounted for in accordance with AS 5 Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies.

2.5 Leases Company as a lessee Operating Leases

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

Finance Lease

Finance leases, which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the inception of the lease term at the lower of the fair value of the leased property and present value of minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized as finance costs in the statement of profit and loss.

A leased asset is depreciated on a straight-line basis over the useful life of the assets. However, if there is no reasonable certainty that the Company will obtain the ownership by the end of the lease term, the capitalized asset is depreciated on a straight-line basis over the shorter of the estimated useful life of the asset, the lease term.

2.6 Impairment of tangible and intangible assets

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the Company estimates the asset's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit and loss unless the asset is carried at a revalued amount, in which case the reversal is treated as a revaluation increase.

2.7 Borrowing costs

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

2.8 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Income from services

The Company's revenue from cloud computing services and managed hosting services are recognized when the said services are rendered to the customers over the period of the contracts or based on actual utilization of such services and when no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale / rendering of services and regarding its collection.

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

2.9 Foreign currency translation Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange differences

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

2.10 Retirement and other employee benefits

Expenses and liabilities in respect of employee benefits are recorded in accordance with the notified Accounting Standard 15, 'Employee Benefits (Revised 2005)' ('Revised AS 15').

Provident fund

Provident fund benefit is a defined contribution plan under which the Company pays fixed contributions into funds established under Employees Provident Fund and Miscellaneous Provisions Act, 1952. The Company has no legal or constructive obligations to pay further contributions after payment of the fixed contribution. The contributions recognised in respect of defined contribution plans are expensed as and when they accrue. Liabilities and assets may be recognised if underpayment or prepayment has occurred and are included in current liabilities or current assets, respectively, as they are normally of a short term nature.

Gratuity

Gratuity is a post employment defined benefit plan. The liability recognised in respect of gratuity is the present value of the defined benefit obligation at the balance sheet date together with adjustments for unrecognised actuarial gains or losses and past service costs. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. Actuarial gains and losses arising from experience, adjustments and changes in actuarial assumptions are recorded as expense or income in the statement of profit and loss in the year in which such gains or losses arise.

Compensated absences

The Company also provides benefit of compensated absences under which un-availed leaves are allowed to be accumulated to be availed in future. The scheme is considered as a long term benefit. The compensated absences comprises of vesting as well as non vesting benefit and the liability is determined in accordance with the rules of the Company and is based on actuarial valuations made using projected unit credit method at the Balance Sheet date.

Other short term benefits

Expenses relating to other short term benefits is recognised on the basis of amount paid or payable for the period during which services are rendered by the employee.

2.11 Taxation

Tax expense comprises of current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961. Current tax is determined as higher of the amount of tax payable calculated at the tax rates applicable to the relevant assessment year on the assessable income of the respective year or tax payable on book profit computed in accordance with the provisions of section 115JB of the Income-tax Act, 1961.

Deferred income-tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and tax laws enacted or substantively enacted at the balance sheet date.

Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

2.12 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.13 Provisions

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

2.14 Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

2.15 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short-term investments with an original maturity of twelve months or less.

2.16 Employee share based payments

The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model. The cost is recognised in employee benefits expenses together with a corresponding

Annual Report 2019-20

increase in employee stock option outstanding account, over the period in which the service conditions are fulfilled in accordance with the Guidance Note on 'Share Based Payments' issued by the Institute of Chartered Accountants of India.

2.17 Investments

Trade Investments are the investments made to enhance the company's business interests. Investments are classified into current and long term investments. Investments that are readily realizable and intended to be held for not more than an year from the date of acquisition are classified as current investments. All other investments are classified as long term investments. Current investments are stated at lower of cost or fair value. The comparison of cost and fair value is done separately in respect of each category of investments. Long term investments are stated at cost. A provision for diminution in the value of long term investments is made only if such a decline is other than temporary in the opinion of management. Investments other than in subsidiary and associates have been accounted as per Accounting Standard (AS) 13 on "Accounting for Investments".

Diluted EPS	(6.54)	1.23

There are potential equity shares in the form of share warrants and stock options issued and outstanding. As these are anti-dilutive, they are ignored in the calculation of diluted earning per share and accordingly the diluted earning per share is the same as basic earnings per share.

24. Segment Information

The primary reporting of the Company has been performed on the basis of business segment. The Company is solely engaged in providing cloud Computing services. All resources are predominantly used for providing cloud computing services and the entire activities are governed by the same set of risks and returns and hence have been considered as representing a single segment. The said treatment is in accordance with the guiding principles envisaged in the Accounting Standard -17 on Segment Reporting.

25. Employee benefits

- (a) The Company makes contributions, determined as a specified percentage of employees salaries, in respect of qualifying employees towards Provident Fund which is a defined contribution plan. The company has no obligations other than to make the specified contributions. The contributions are charged to the Statement of Profit and Loss as they accrue. The amount recognised as an expense toward contribution to Provident Fund for the year aggregated to INR 1,941,938 (previous year: INR 1,569,180).

(b) Defined benefit plan

(i) Gratuity

The Company has a defined benefit gratuity plan and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. The gratuity plan is governed by the Payment of Gratuity Act, 1972. The plan is unfunded.

The following table summarizes the components of net benefit expense recognised in the statement of profit and loss account and amounts recognised in the balance sheet for the gratuity.
