NOTICE OF 29TH ANNUAL GENERAL MEETING

Notice is hereby given that the 29th Annual General Meeting of the Members of Ladderup Finance Limited will be held on Tuesday, 27th September, 2022 at 3.00 p.m. through Video Conferencing ("VC")/other Audio-Visual means ("OAVM") to transact the following business

ORDINARY BUSINESS

1. To consider and adopt a) the Audited Standalone Financial Statements of the Company for the financial year ended March 31st, 2022, together with the reports of the Board of Directors and the Auditors thereon and b) the Audited Consolidated Financial Statements of the Company for the financial year ended March 31st, 2022, together with the Report of Auditors thereon and, in this regard, to consider and pass the following resolution as Ordinary Resolution:

RESOLVED THAT the audited financial statements of the Company for the financial year ended 31st March, 2022 and the reports of the Board of Directors and the Auditors thereon, as circulated to the members, be and are hereby considered and adopted.

RESOLVED FURTHER THAT the audited consolidated financial statements of the Company for the financial year ended 31st March, 2022 and the report of the Auditors thereon, as circulated to the members, be and are hereby considered and adopted.

2. To re-appoint Mr. Saurabh Sarayan (DIN: 07969125), Non-Executive Director, who retires by rotation in the terms of section 152 (6) of the Companies Act, 2013 and, being eligible, offers himself for re- appointment and in this regard pass the following resolution as an Ordinary Resolution:

RESOLVED THAT pursuant to the provisions of Section 152 and any other applicable provisions, if any, Mr. Saurabh Sarayan (DIN: 07969125), who retires by rotation and being eligible for re-appointment, be and is hereby re-appointed as a Director of the Company, liable to retire by rotation.

3. To re-appoint M/s. Shah Gupta & Co., Chartered Accountant, Mumbai (Firm Registration Number 109574W), Statutory Auditor of the company for its second term of 5 consecutive years from the conclusion of this 29th Annual General Meeting till the conclusion of 34th Annual General Meeting of the Company and to authorise Board of Directors of the Company to fix their remuneration and in this regard pass the following resolution as an Ordinary Resolution:

RESOLVED THAT pursuant to the provisions of Sections 139 and 142 of the Companies Act. 2013 and read with the Companies (Audit and Auditors) Rules, 2014 and RBI Circulars and Guidelines and any other applicable provision, if any (including any statutory modification(s) or re-enactment thereof for the time being in force) M/s. Shah Gupta & Co. Chartered Accountant, Mumbai (Firm Registration Number 109574W) having offered themselves for re-appointment, be and are hereby re-appointed as Statutory Auditor of the Company for their second term of 5 (five) consecutive years from the conclusion of this 29th Annual General Meeting till the conclusion of 34th Annual General Meeting of the Company to be held in F.Y. 2027-28, at such remuneration as shall be fixed by the Board of Directors of the Company in addition to the reimbursement of Goods and Service Tax and actual out-of-pocket expenses, if any.

RESOLVED FURTHER THAT any Director or Company Secretary of the Company, be and is hereby authorized to sign and submit the necessary application and forms with appropriate authorities and to perform all such acts, deeds, and things as he may in his absolute discretion deem necessary or desirable for and on behalf of the Company for the purpose of giving effect to aforesaid resolution.

SPECIAL BUSINESS

4. To consider, and if thought fit, to pass the following resolution as a Special Resolution:

Re-appointment of Mr. Mohan Vasant Tanksale (DIN:02971181), as an Independent Director of the Company.

"RESOLVED THAT pursuant to the provisions of Sections 149, 150, 152 and any other applicable provisions of the Companies Act, 2013 ("Act") and the Companies (Appointment and Qualification of Directors) Rules, 2014 (including any statutory modification(s) or re-enactment(s) thereof for the time being in force) read with Schedule IV of the Act and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and based on the recommendation of the Nomination and Remuneration Committee and the Board of Directors of the Company, the consent of members of the Company be and is hereby accorded to re-appoint Mr. Mohan Vasant Tanksale (DIN:02971181), Independent Director of the Company, who has submitted a declaration that he meets the criteria for independence and who is eligible for reappointment and in respect of whom Notice has been received from a Members of the Company under Section 160 of the Act proposing his re-appointment as an Independent Director, for his second term of 3 (Three) consecutive years with effect from 14th November 2022.

: 9th August, 2022 Date By Order of the Board Ladderup Finance Ltd

Place : Mumbai

Regd. Office : 102-A, 1st Floor, Hallmark Business Plaza, Sant Dyaneshwar Marg,

Sd/-Opposite Guru Nanak Hospital Road. Dhirai Gupta Bandra (East), Mumbai-400 051 (Company Secretary & Compliance Officer)

NOTES TO NOTICE

- In view of the massive outbreak of the COVID-19 pandemic, social distancing is a norm to be followed and pursuant to the Circular No. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 issued by the Ministry of Corporate Affairs followed by Circular No. 20/2020 dated May 05, 2020, Circular No. 02/2021 dated January 13, 2021 and dated 05th May 2022 and all other relevant circulars issued from time to time, physical attendance of the Members to the EGM/ AGM venue is not required and general meeting be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing EGM/AGM through VC/OAVM.
- Pursuant to the Circular No. 14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint
 proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled
 to appoint authorised representatives to attend the AGM through VC/OAVM and participate there at and cast their votes
 through e-voting.
- 3. The Members can join the EGM/AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- 4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
- 5. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by NSDL.
- 6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.ladderup.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com and it is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.
- 7. AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 08, 2020 and MCA Circular No. 17/2020 dated April 13, 2020, MCA Circular No. 20/2020 dated May 05, 2020, MCA Circular No. 2/2021 dated January 13, 2021 and Dated 05th May, 2022.
- 8. The Registers of Members and Share Transfer Books of the Company shall remain closed from 20th September, 2022 till 27th September, 2022 (both days inclusive).
- 9. It is mandatory vide SEBI Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2021/655 dated 03rd November 2021 to update KYC (PAN, Address, E-mail id, Bank Account) and Nomination details of Shareholder, who have not updated the same with RTA, in case of physical shareholding and Depository Participant (DP), in case of Demat Shareholding. Henceforth, RTA will attend to all service requests of the shareholders with respect to duplicate, transmission, dividend etc. only after updating the above details in the records.

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER:-

The remote e-voting period begins on Saturday, 24th September, 2022 at 9:00 A.M. and ends on Monday, 26th September, 2022 at 5:00 P.M. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. Tuesday, 20th September, 2022 may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being Tuesday, 20th September, 2022.

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1: Access to NSDL e-Voting system

A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual Shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Login method for Individual shareholders holding securities in demat mode is given below:

Type of shareholders		Login Method
Individual Shareholders holding securities in demat mode with NSDL.	1.	Existing IDeAS user can visit the e-Services website of NSDL Viz. https://eservices.nsdl.com either on a Personal Computer or on a mobile. On the e-Services home page click on the "Beneficial Owner" icon under "Login" which is available under 'IDeAS' section, this will prompt you to enter your existing User ID and Password. After successful authentication, you will be able to see e-Voting services under Value added services. Click on "Access to e-Voting" under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider i.e. NSDL and you will be re-directed to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.
	2.	If you are not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com . Select "Register Online for IDeAS Portal" or click at https://eservices.nsdl.com/ . SecureWeb/IdeasDirectReg.jsp
	3.	Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/ Member' section. A new screen will open. You will have to enter your User ID (i.e. your sixteen digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.
	4.	Shareholders/Members can also download NSDL Mobile App "NSDL Speede" facility by scanning the QR code mentioned below for seamless voting experience.
		NSD1. Mobile App is available on
		≰ App Store
Individual Shareholders holding securities in demat mode with CDSL	1.	Existing users who have opted for Easi / Easiest, they can login through their user id and password. Option will be made available to reach e-Voting page without any further authentication. The URL for users to login to Easi / Easiest are https://web.cdslindia.com/myeasi/home/login or www.cdslindia.com and click on New System Myeasi.
	2.	After successful login of Easi/Easiest the user will be also able to see the E Voting Menu. The menu will have links of e-Voting service provider i.e. NSDL . Click on NSDL to cast your vote.
	3.	If the user is not registered for Easi/Easiest, option to register is available at https://web.cdslindia.com/myeasi/Registration/EasiRegistration
	4.	Alternatively, the user can directly access e-Voting page by providing demat Account Number and PAN No. from a link in www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the demat Account. After successful authentication, user will be provided links for the respective ESP i.e.

Individual Shareholders (holding securities in demat mode) login through their depository participants

You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. upon logging in, you will be able to see e-Voting option. Click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login type	Helpdesk details
Individual Shareholders holding	Members facing any technical issue in login can contact NSDL helpdesk by sending a request
securities in demat mode with NSDL	at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30
Individual Shareholders holding	Members facing any technical issue in login can contact CDSL helpdesk by sending a request
securities in demat mode with CDSL	at helpdesk.evoting@cdslindia.com or contact at 022- 23058738 or 022-23058542-43

B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

- 1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile.
- Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section.
- 3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at https://eservices.nsdl.com/ with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below:

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical		Your User ID is:
a)	For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b)	For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12********** then your user ID is 12************************************
c)	For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

- 5. Password details for shareholders other than Individual shareholders are given below:
 - a) If you are already registered for e-Voting, then you can user your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the

- email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
- ii) If your email ID is not registered, please follow steps mentioned below in process for those shareholders whose email ids are not registered.
- 6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "Forgot User Details/Password?" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) Physical User Reset Password?" (If you are holding shares in physical mode) option available on www.evoting.nsdl. com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
- 7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
- 8. Now, you will have to click on "Login" button.
- 9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

- 1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
- 2. Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join General Meeting".
- 3. Now you are ready for e-Voting as the Voting page opens.
- 4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
- 5. Upon confirmation, the message "Vote cast successfully" will be displayed.
- 6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
- 7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

- Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of
 the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies)
 who are authorized to vote, to the Scrutinizer by e-mail to jajodiaassociate@gmail.com with a copy marked to evoting@
 nsdl.co.in.
- 2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
- In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800 1020 990 and 1800 22 44 30 or send a request to Mr.Tejas Chaturvedi at evoting@nsdl.co.in

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

- 1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to investor@ladderup.com
- 2. In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAR (self

attested scanned copy of Aadhar Card) to investor@ladderup.com. If you are an Individual shareholders holding securities in demat mode, you are requested to refer to the login method explained at step 1 (A) i.e. Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.

- 3. Alternatively shareholder/members may send a request to evoting@nsdl.co.in for procuring user id and password for e-voting by providing above mentioned documents.
- 4. In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.

THE INSTRUCTIONS FOR MEMBERS FOR e-VOTING ON THE DAY OF THE EGM/AGM ARE AS UNDER:-

- 1. The procedure for e-Voting on the day of the AGM is same as the instructions mentioned above for remote e-voting.
- 2. Only those Members/ shareholders, who will be present in the AGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system in the EGM/AGM.
- 3. Members who have voted through Remote e-Voting will be eligible to attend the AGM. However, they will not be eligible to vote at the AGM.
- 4. The details of the person who may be contacted for any grievances connected with the facility for e-Voting on the day of the EGM/AGM shall be the same person mentioned for Remote e-voting.

INSTRUCTIONS FOR MEMBERS FOR ATTENDING THE EGM/AGM THROUGH VC/OAVM ARE AS UNDER:

- Member will be provided with a facility to attend the AGM through VC/OAVM through the NSDL e-Voting system. Members may access by following the steps mentioned above for Access to NSDL e-Voting system. After successful login, you can see link of "VC/OAVM link" placed under "Join General meeting" menu against company name. You are requested to click on VC/OAVM link placed under Join General Meeting menu. The link for VC/OAVM will be available in Shareholder/Member login where the EVEN of Company will be displayed. Please note that the members who do not have the User ID and Password for e-Voting or have forgotten the User ID and Password may retrieve the same by following the remote e-Voting instructions mentioned in the notice to avoid last minute rush.
- 2. Members are encouraged to join the Meeting through Laptops for better experience.
- Further Members will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
- 4. Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to Fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
- 5. Shareholders who would like to express their views/have questions may send their questions in advance mentioning their name demat account number/folio number, email id, mobile number at investor@ladderup.com. The same will be replied by the Company suitably. The Company reserves the right to restrict the number of questions and number of speakers, depending upon availability of time, for smooth conduct of the AGM. Only those Members who have registered themselves as speaker on or before 10.30 a.m. Friday, 23rd September, 2022 will be able to speak at the meeting.

	4. Credit Committee- Member
No. of Shares held in the Company as on 31st March, 2022	Nil
No. of meetings of the Board attended during the year	3 out of 4
Inter-se relationship with other Directors and Key Managerial Personnel	Not related with any director or Key Managerial Personnel.

2) PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 AND LISTING REGULATIONS

In conformity with the provisions of Section 102 of the Companies Act, 2013 the following Explanatory Statement sets out all the material facts relating to the item No. 3 of Ordinary Business of the Notice and the same should be taken as forming part of the notice.

Item No. 3:

M/s. Shah Gupta & Co. Chartered Accountant, Mumbai (Firm Registration Number 109574W) the Statutory Auditor of the Company have offered themselves to be re-appointed as Statutory Auditor of the Company for their second term of 5 (five) consecutive years.

The RBI Unique Code of the firm is 060553 and it is also empaneled with CAG bearing Registration No. BO 0158 and with SEBI vide Serial No. 244 of SEBI Empaneled Auditors List.

Pursuant to Section 139(2) of the Companies Act, 2013, the Statutory Auditor can be re-appointed for second term of five years. Hence, the Audit Committee and the Board have recommended their re-appointment as the Statutory Auditor of the Company for the second term of five years from the conclusion of 29th Annual General Meeting till the conclusion of 34th Annual General Meeting of the Company. It is proposed to authorize the Board of Directors to fix and pay the statutory fee and other charges.

None of the Directors/Key Managerial Personnel (KMP) of the Company/their relatives is, in any way, concerned or interested, financially or otherwise, in the resolution. The Board recommends their re-appointment and payment of remuneration for approval of the shareholders.

3) PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

In conformity with the provisions of Section 102 of the Companies Act, 2013 the following Explanatory Statement sets out all the material facts relating to the item 4 of Special Business of the Notice and the same should be taken as forming part of the notice.

Item No. 4:

Pursuant to the provisions of sections 149, 150, 152 and 160 and other applicable provisions, if any, of the Companies Act, 2013 ("Act") the Board of Directors based on recommendation of Nomination and Remuneration Committee has proposed to re-appoint Mr. Mohan Vasant Tanksale (DIN:02971181), as an Independent Director of the Company for his second term of three consecutive years w.e.f. from 14th November 2022.

In the opinion of the Board, the Independent Director proposed to be re-appointed, fulfils the conditions specified in the Act and rules made thereunder and he is independent of the management. The Board considers that his continued association would be immense benefit to the Company and it is desirable to continue to avail the services as an Independent Director.

The Directors had also evaluated the performance of the Mr. Mohan Vasant Tanksale and rated him fairly to re-appoint him.

The Board recommends the resolutions at item No. 4 for the approval of members of the Company by way of Special Resolution.

None of the Directors and Key Managerial Personnel of the Company and their relatives are interested either financially or otherwise, in the resolution set out at Item Nos. 4 of the Notice.

The details pertaining to appointment of the Director as required to be provided pursuant to Regulation 36(3) of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 are as follows:

MANAGEMENT'S DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENTS

NBFC sector has received wide ranging attention for past few years for various reasons. As an insubordinate part of the financial system, it holds immense potential with its ability to reach out to vast cross-section of the population and diverse geographies areas of the Country. This sector plays an extremely crucial role in the development of the country's core infrastructure, by offering quicker funds and credit to the Indian trade and commerce industry. It often takes a lead role in providing innovative financial services to MSME Sector, Infrastructural Projects such as transportation, employment generation, wealth creation, bank credit in rural segments, and aid financially weaker sections of the society. Hence, now it has become the alternate choice and at times the first choice for several customers, who need financing. In last few decades this sector is continuously growing, and many entities have grown and become systemically significant.

Hence, to align with the regulated framework for NBFCs and keeping in view their changing risk profile the Reserve Bank of India moved towards tighter norms for NBFCs, and it has issued various regulatory framework, master circular, general circular, and guidelines.

BUSINESS & FINANCIAL PERFORMANCE OF THE NBFC SECTOR

After weathering multiple challenges over past three fiscals, made worse by the Covid-19 pandemic the NBFC sector are expected to see their assets under management grow 8-10% next fiscal, compared with an estimated 6-8% in the current fiscal as per ASSOCHAM and CRISIL joint report.

NBFC have navigated the challenges in the past couple of years by focusing on higher liquidity, capital and provisioning buffers. These, combined with improving economic activity, have put the sector in a comfortable position to capitalize on growth opportunities.

Non-banking financial companies (NBFCs) showed resilience in 2021 despite the coronavirus pandemic woes and are expected to witness continued momentum in growth this year. This year, the growth will be driven by the uptick in the economy, stronger balance sheet, higher provisions and improved capital positions of NBFCs. According to various reports it is expected that this sector will show higher growth and it will help economy moving up.

BUSINESS & FINANCIAL PERFORMANCE OF THE COMPANY

LADDERUP FINANCE LIMITED

The Financial year 2021-2022 was finer than the previous couple of years, your company is continuously working according to its business strategy and taking all the necessary steps for further improvement in its business performance.

The Company is primarily engaged in the business of investing in securities of listed and unlisted companies, predominantly for medium to long term. The Company's investment portfolio is diversified across various sectors, such as financial services, healthcare, retail, packaging, QSR, information technology and real estate etc.

The diversified nature of the Company's investment, both strategic and financial investments have done reasonably well and it is expected to do even better in the following years.

We are confident on our long-term business strategies and our underlying investment are mostly long-term in nature and we believe that these investments shall gradually create value through realization of profit in the combination of dividends and capital gains over a period of time.

The details with respect to financial performance has been included in detail in financial statements of the Company and in the Boards' Report.

FINANCIAL PERFORMANCE OF LADDERUP WEALTH MANAGEMENT PRIVATE LIMITED (SUBSIDIARY COMPANY)

The continued bull run in the market in FY 2021-22 assisted Ladderup Wealth to deliver great returns during the year. The Asset under Management is growing consistently. With growth in mind and determination to deliver exemplary services, the Company is increasing its' team by hiring young and bright talent. Ladderup Wealth Management also got itself registered with Securities and Exchange Board of India under SEBI (Investment Advisors) Regulation, 2013 as Investment Advisors.

The Company has a niche business of advising clients on right investing across asset classes. The Company always focus on optimising return to the investors with minimum to moderate risk. On the financial front, during the year Company's profit after tax stood at INR 261.74 Lacs as against profit of INR 135.97 Lacs in the previous year. The Company continues to adopt the best practices while continuously evolving to improve the service delivery to clients through integrity, transparency and competence.

In order to tap the growing middle eastern market, the Company is in the process of setting up joint venture entity in Dubai International Financial Centre (DIFC). The said joint venture entity has been incorporated in DIFC and has also received in-principle approval conditions from Dubai Financial Services Authority (DFSA). The Company is in the process remitting the fund. The Joint Venture Company has taken Office space on lease and has also appointed certain employees.

FINANCIAL PERFORMANCE OF WATERPROOF CORPORATION PRIVATE LIMITED (WACO), JOINT VENTURE COMPANY

During the financial year 2021-22, the Business performance of WACO was fabulous, it has achieved 35.7 % growth in its revenue as compared to previous year. The Company has generated total revenue of ₹ 3521.44 Lacs as compared to ₹ 2597.39 Lacs in previous year. The profit before tax in the financial year 2021-22 ₹ 612.55 lacs as compared to ₹ 486.46 lacs in previous year.

29th Annual Report • 2021-22

MANAGEMENT'S DISCUSSION AND ANALYSIS REPORT

The Company is a pioneer in the Adhesive Tapes business in India and grown year on year to become the largest manufacturer and supplier of high-quality and superior-performance Gummed Paper Tapes and allied products in the country. With presence in over 50 countries, it has a global brand in Water Activated Gummed Paper Tapes segment. The brands 'WACO' & 'TACO' are synonymous with Trust – Quality - Fair Practices. The company manufactures products for various industries such as Packaging Industry, Plywood Industry, Gypsum Board Industry and has built rock-solid reputation for excellence in quality and services.

Waterproof Corporation has been in business for over 75 years and is the largest gummed paper tape manufacturer in India. The technology for manufacture of gummed paper tapes has been internally developed in the Company's 35,000 square foot manufacturing facility in central Mumbai, which has an in-house laboratory and engineering design & workshop facilities.

The Company was on the adhesive tapes sub-committee of the Indian Standard Institute and was instrumental in creating national standards for adhesive tapes.

FINANCIAL PERFORMANCE OF ANNAPURNA PET PRIVATE LIMITED. ASSOCIATE COMPANY

Financial Year 2021-22 was difficult year for the Company. During the year, prices of raw material, power, packaging, logistics etc. has been increased at regular interval and the government also changed the GST structure upon gas-based drinks, due to which the financial performance of the Company has remained subdued. On the financial front the Company has earned total revenue of INR 61.38 crores as compared to INR 57.13 crores. However, during the year, the Company incurred a loss of INR 1.39 Crore (provisional) as compared to the previous year loss of INR 3.32 Crores.

The Company has high class PET preform production plant at Umbergaon Gujrat. It manufactures and Markets comprehensive range of PET PREFORMS in variety of weights, color and sizes for the most diverse applications like Packaged Water, Carbonated Soft Drinks, Edible Oils, Juices etc. by employing latest fully automatic HUSKY & ENGEL Injection molding machines with 96 and 72 cavities as well as CSD CAPS with HUSKY injection Moulding Machine. The Plant has an installed capacity of approx. 1 BILLION preform per annum (15,500 Tonnes).

It is certified by GEO-TEK ISO 9001:2015, ISO 22000:2005, ISO 14001:2015 & OHSAS 18001:2007. Key clientele of the company is amongst the blue-chip companies, with the major concentration of customers in western region followed by south and central regions and exports to African countries.

GLOBAL OUTLOOK

The ongoing geopolitical crisis has heightened the uncertainty clouding the global macroeconomic and financial landscape even as the world economy struggles to recover from the pandemic as the conflict escalates between Russia and Ukraine, oil and other commodity prices are blazing to multi-year highs, and financial markets are on edge, driven by massive sell-offs. This is happening at a time when countries are still reeling under the pandemic. The escalation of geopolitical risk, surge in crude oil prices and intensified volatility across global financial markets may smother the embryonic global recovery. This shock has also hit at a time when inflation is elevated in many countries.

In the absence of an early solution to the ongoing conflict, the crisis can have adverse implications for the global recovery, necessitating downward revisions of global growth for 2022 and beyond.

The International Monetary Fund (IMF) had pointed out earlier that both Russia and Ukraine are major commodity producers and disruptions there have resulted in soaring global prices, especially that of oil and natural gas. With Ukraine and Russia accounting for upto 30% of Global exports for wheat, food prices, too, have jumped. The IMF added that the entire global economy would feel the effect with slower growth and faster inflation.

The World Bank also said in its Spring 2022 Economic Update for Europe and Central Asia that the conflict delivered a second major shock to the Global economy in two years and caused a humanitarian catastrophe. Even prior to the War, the Global recovery had already been decelerating alongside intensifying geopolitical tensions, continued COVID-19 flare-ups, diminishing macro-economic support, and lingering supply bottlenecks.

INDIAN ECONOMY

The last two years have been difficult for the Indian economy on account of the COVID-19 pandemic. Repeated waves of infection, supply-chain disruptions and, more recently, inflation have created particularly challenging times for policy-making. Faced with these challenges, the Government of India's immediate response was a bouquet of safety-nets to cushion the impact on vulnerable sections of society and the business sector.

The financial system is always a possible area of stress during turbulent times. However, India's capital markets, like many global markets, have done exceptionally well and have allowed record mobilization of risk capital for Indian companies.

Overall, macro-economic stability indicators suggest that the Indian economy is well placed to take on the challenges of 2022-23. One of the reasons that the Indian economy is in a good position is its unique response strategy.

LADDERUP FINANCE LIMITED | 13 | 29th Annual Report • 2021-22

MANAGEMENT'S DISCUSSION AND ANALYSIS REPORT

OPPORTUNITIES AND THREAT

Opportunities

- The sentiment in the Indian financial market has changed considering the revival of Indian economy from covid-19 it is likely
 to show positive momentum over the coming years.
- Size of the Indian capital market and favourable demographics like huge middle class, relatively large younger population with disposable income and investible surplus and risk-taking abilities of the youth.
- Improvement in fund raising activities through primary capital markets;
- Corporates looking at consolidation / acquisitions / restructuring opens out opportunities for the corporate advisory business.

THREATS

- Despite great opportunities, there are significant factors presenting threats to our businesses viz.
- Due to ongoing war between Russia and Ukraine the prices of the crude oil, edible oil, price of wheat, fertilizers have increased continuously, and it has also affected some of the investments of the Company.
- Increased intensity of competition from local and global players.
- Regulatory Changes.

FINANCIAL HIGHLIGHTS AND STATE OF COMPANY AFFAIRS

Consolidated Performance

Your Company has earned consolidated revenue of INR 1168.78 lakhs in FY 2021-22 as compared to INR 1650.29 lakhs in FY 2020-2021. However, the Consolidated Total Comprehensive Income for the FY 2021-2022 is INR 836.76 lakhs as compared to INR 377.94 lakhs in FY 2020-21. The variation is mainly on account of increase/decrease in fair values of FVTOCI Investments (net of deferred tax).

Standalone Performance

Your Company has earned total revenue of INR 137.86 lakhs in FY 2021-22 as compared to INR 164.51 lakhs in FY 2020-2021. However, the Total Comprehensive Income for the FY 2021-2022 is INR 436.22 lakhs as compared to INR 207.64 lakhs in FY 2020-21. The variation is mainly on account of increase/decrease in fair values of FVTOCI Investments (net of deferred tax).

The Financial year 2021-2022 was finer than the previous couple of years, your company is continuously working according to its business strategy and taking all the necessary steps for further improvement in its business performance.

The Company in the last few years continues to invest in asset-based transactions with good growth prospects.

There has been no change in the Business of the company during the financial year ended 31st March 2022.

AMOUNT TRANSFERRED TO RESERVE

Due to loss in the Financial Year 2021-22, the Company has not transferred any amount to Special Reserve Account in compliance with Section 45IC of the RBI Act.

DIVIDEND

The Board of Directors of your company, after considering holistically the relevant circumstances, has decided that it would be prudent, not to recommend any Dividend for the financial year 2021-22.

ANNUAL RETURN

In accordance with the provisions of section 92 read with section 134(3) (a) of the Companies Act, 2013, the Annual Return for financial year 2021-22 is available at https://www.ladderup.com.

MFFTINGS OF THE BOARD

During financial year 2021-22, four Meetings of the Board were held by the company on 23rd June 2021, 12th August 2021, 13th November 2021, and 12th February 2022. For further details of meetings of the Board or its committees, please refer to the Corporate Governance Report, which is a part of Annual Report.

DIRECTORS AND KEY MANAGERIAL PERSONNEL

During the year under review, changes were made in the composition of the Board of Directors of the Company as per the specified provision of the Companies Act, 2013 and SEBI (LODR) Regulation, 2015.

- a) Mr. Harsha Saksena (DIN: 01736469) had tendered his resignation from the post of Independent Director of the company w.e.f. 12th August 2021. The Board has taken on record the Appreciation for his all the efforts & contributions made to the growth and success of the company.
- b) Mr. Venkateshwara Rao Thallapaka (DIN: 05273533) had been re-appointed as Independent Director of the company for his second term of three years up to 10th August 2024 or up to the conclusion of the Annual General Meeting of the Company to be held in the calendar year 2024, whichever is earlier.
- c) Mrs. Mangala R. Prabhu (DIN: 06450659) was designated as Independent Director of the Company, with effect from 10th February 2021.
- d) In accordance with the provisions of Section 152 of the Companies Act 2013, and that of Articles of Association of the Company, Mr. Saurabh Sarayan, (DIN: 07969125) Director of the Company retires by rotation at ensuing Annual General Meeting of the Company and being eligible, has offered himself for re-appointment.
- e) It is recommended to reappoint Mr. Mohan Tanksale (DIN: 02971181) as an Independent Director for his Second term of three years w.e.f. 14th November, 2022.

SEPARATE MEETING OF INDEPENDENT DIRECTORS

Pursuant to Schedule IV of the Companies Act, 2013 and the Rules made thereunder and Regulation 25 (3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, all the Independent Directors of the Company met on 9th March 2022, without the attendance of Non-Independent Directors and Members of the Management.

The Independent Directors reviewed performance of Non-Independent Directors, Chairman of the Company and the performance of the Board as a whole. The Independent Directors also discussed the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform their duties. The feedback of the Meeting was shared with the Chairman of the Company.

PERFORMANCE EVALUATION

Pursuant to the provisions of the Companies Act, 2013 and provisions of SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015, a separate exercise was carried out to evaluate the performance of individual Directors including the Chairman of the Board who were evaluated on parameters such as level of engagement and contribution and independence of judgment thereby safeguarding the interest of the Company. The performance evaluation of the Independent Directors was carried out by the entire Board, except the director being evaluated, the performance evaluation of the Chairman and the Non-Independent Directors was carried out by the Independent Directors. The Board also carried out annual performance evaluation of the working of its Audit, Nomination and Remuneration as well as stakeholder relationship committee. The Directors expressed their satisfaction with the evaluation process.

DECLARATION OF INDEPENDENCE FROM INDEPENDENT DIRECTORS

The Company has received declarations from all the Independent Directors confirming that they meet with the criteria of independence as laid down under Section 149 (6) of the Companies Act, 2013 and Regulation 16(1)(b) of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015.

DIRECTORS RESPONSIBILITY STATEMENT

Pursuant to the requirement under Section 134(3)(c) and 134(5) of the Act, with respect to Directors Responsibility Statement, your Directors confirm that :

- a. In the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures.
- b. The directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period.

- c. The directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities.
- d. The directors had prepared the annual accounts on a going concern basis; and
- e. The directors, had laid down internal financial controls to be followed by the company and that such internal financial controls are adequate and were operating effectively.

Explanation. —

For the purposes of this clause, the term "internal financial controls" means the policies and procedures adopted by the company for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information.

f. The directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

CORPORATE SOCIAL RESPONSIBILITY

The brief outline of the Corporate Social Responsibility (CSR) Policy of the Company as adopted by the Board and the initiatives undertaken by the Company on CSR activities during the year under review are set out in "Annexure I" of this report in the format prescribed in the Companies (Corporate Social Responsibility Policy) Rules, 2014.

For other details regarding the CSR Committee, please refer to the Corporate Governance Report, which is a part of this report. The CSR policy is available on website www.ladderup.com.

Form No. MR-3 SECRETARIAL AUDIT REPORT

For The Financial Year Ended March 31, 2022

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To.

The Members.

LADDERUP FINANCE LIMITED,

A/102, Hall Mark Business Plaza, Sant Dyaneshwar Marg, Opposite Gurunanak Hospital, Bandra East, Mumbai- 400051.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Ladderup Finance Limited** (hereinafter called "The Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, Minutes books, forms and returns filed and other records maintained by the Company and provided either as hard copies or scanned copies by email or through permitted access to the Company's in-house portal and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2022 ("hereinafter called "Audit Period"), complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the Books, Papers, Minutes Books, Forms and Returns filed and other records maintained by the Company and produced before us for the financial year ended on March 31, 2022, according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the rules made there under;
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws Framed there under;
- IV. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial borrowings; (Not Applicable to the Company during the Audit Period)
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act')
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; (Not Applicable to the Company during the Audit Period)
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (Not Applicable to the Company during the Audit Period)
 - (e) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client.
 - (f) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021. (Not Applicable to the Company during the Audit Period);
 - (g) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 (Not Applicable to the Company during the Audit Period);
 - (h) The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirement) Regulations, 2015 (herein after "Listing Regulations") and
 - (i) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018;

We further report that:

We have also examined compliance with the applicable clauses of the following:

- i) Secretarial Standards, issued by The Institute of Company Secretaries of India.
- ii) The Listing Agreements entered into by the Company with Bombay Stock Exchange.

We further report that having regard to the compliance system prevailing in the Company and on the examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with the Reserve Bank of India Act, 1934; and all the Rules, Regulations, Guidelines and Circulars applicable to Non Systematically non-deposit taking Non-Banking Financial Companies under the RBI Act, 1934, which is specifically applicable to the Company.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, and Independent Directors.

The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions made at Board Meetings and Committee Meetings have unanimous consent as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that:

During the audit period the Company has done the following transactions in due compliance with the applicable provisions of the Act-

- a) The Company has transferred ₹ 71,250/- unclaimed dividend amount remained unclaimed and un-unpaid for Seven Years or more to IEPF Account.
- b) The Company has also transferred 65,700 shares held by 32 Shareholders to IEPF Account as dividend with respect to the said the shares was unclaimed and unpaid for continuous period of Seven Years.
- c) Mr. Harsha Saksena (DIN: 01736469) had tendered his resignation from the post of Independent Director of the Company w.e.f. 12th August 2021.
- d) Mr. T V Rao Independent Director of the Company was re-appointed for his second term of three years w.e.f. 11th August, 2021.
- e) The Remuneration of Mr. Sunil Goyal, Chairman and Managing Director of the Company was revised to ₹78 Lakhs p.a. from ₹96 Lakhs p.a.

We further report that:

There are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

REPORT ON CORPORATE GOVERNANCE

[Pursuant to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015]

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Corporate governance is about commitment to values and ethical business conduct, timely and accurate disclosure of information regarding the financial situation, performance, ownership, and governance of the Company is an important part of corporate governance. It encompasses a set of systems and practices to ensure that the Company's affairs are being managed in a manner which ensures accountability, transparency, and fairness in all transactions in the widest sense.

Ladderup Group continues to be guided by a good corporate governance practice and is committed to follow the spirit of the law and not just letter of the Law. All employees are guided by the vision of the management of the Company to work towards attaining highest levels of transparency, fairness, accountability, and integrity in dealings with all the constituents of the business. It is the endeavor of the management to achieve the highest standards of governance by adopting the best emerging practices and not only adhere to the prescribed corporate governance practices in terms of the regulatory requirements.

2. BOARD OF DIRECTORS

The Board of Directors ("the Board") of your Company is responsible for and is committed to sound principles of the corporate governance in the Company and this belief is reflected in our governance practice, under which we strive to maintain an effective, informed and Independent Board to ensure best practice.

During the year under review, the Board comprised of Six Directors consisting of an Executive Chairman and Managing Director, three Non-Executive Independent Directors (including an Independent Women Director), and two non-Executive non-independent Directors.

The Composition and category of the Board of Directors during the FY 2021-22 was as follows:

Sr. No.	Name of the Directors	Director Identification Number	Category
1.	Mr. Sunil Goyal	00503570	Chairman, Managing Director and Promoter

5.	Mrs. Mangala Prabhu	06450659	Independent Women Director
6.	Mr. T. V. Rao	05273533	Independent Director
7.	*Mr. Harsha Saksena	01736469	Independent Director

^{*}Mr. Harsha Saksena (DIN: 01736469) demitted office as an Independent Director of the Company w.e.f. closing hours of 12th August 2021 due to other prior commitments.

Meetings and Attendance

The Company's Governance Policy, which is in pursuance with the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, is strictly followed by the Board. The Board meets at regular intervals to discuss and decide on Company's business policy along with the other Board business. However, in case of a special and urgent business need, the Board approval is taken by passing resolution by circulation, as permitted by law, which is then confirmed in the ensuing Board Meeting.

During the financial year ended 31st March 2022, 4 (Four) Board Meetings were held on 23rd June 2021, 12th August 2021, 13th November 2021, and 12th February 2022. The maximum time interval between any two meetings was within the maximum time allowed pursuant to the Companies Act,2013 and SEBI Regulations.

The Board was provided with all the required information wherever applicable and materially significant. The information is submitted either as a part of agenda papers or is tabled during the meeting for enabling them to give their valuable inputs.

The following were tabled for the Board's periodic review/information/approval:

- Annual Operating Plans of business and any updates thereon.
- Quarterly Results of the Company and its Subsidiaries along with the operating divisions or business segments.

REPORT ON CORPORATE GOVERNANCE

- Statement of significant and other arrangements entered by the Company or its Subsidiaries.
- Status of compliances.
- Formation/Re-constitution of the Board Committees.
- Minutes of Unlisted Subsidiaries and audit committee and other committees of the Board.
- Inter-Corporate Investment, Loans and Guarantees.
- Appointment/Re-appointment/Resignation of Directors/Senior Managerial Personnel/ Key Managerial Personnel.
- Recommendation to the shareholder to approve the remuneration of Managing Director of the Company.
- Approval of the Remuneration of the Key Managerial Personnel of the Company.
- Approval of Statutory Policy(ies) as required under the Companies Act, 2013, SEBI (Listing Obligation Disclosure Requirement) Regulation 2015,RBI Regulation, etc.
- Re-appointment of the Internal Auditor and Secretarial Auditor of the Company.
- Scope of Internal Auditor.
- Transfer of shares to Investor Education and Protection Fund (IEPF) account.
- General Notice of Interest of Directors.
- All other matters required to be placed before the Board for its review/information/approval under the statutes
 including Regulations 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Post-Meeting follow-up mechanism

An effective post meeting follow-up, review and reporting process for the decisions taken by the Board or its Committees are promptly communicated to all those concerned in the Company. Action Taken Report on the progress of the Company is placed at the succeeding Meeting of the Board/ Committee for noting.

LADDERUP FINANCE LIMITED 43 | 29th Annual Report • 2021-22

CORPORATE GOVERNANCE COMPLIANCE CERTIFICATE

To,

The Members of Ladderup Finance Limited

We, Jajodia & Associates, Practicing Company Secretaries, have examined the compliance of conditions of Corporate Governance by Ladderup Finance Limited (hereinafter referred as the Company), for the financial year ended on 31st March 2022, as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para—C and D of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations).

Management's Responsibility

The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design/implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in the Listing Regulations and as required by the provisions of the Companies Act, 2013 and rules framed thereunder.

Opinion

Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para—C and D of Schedule V of the Listing Regulations during the Financial Year ended on 31st March 2022.

We state that compliance is an assurance as to the future viability of the Company and the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

Tο

To, the Members of LADDERUP FINANCE LIMITED Report on the Standalone IND AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of **LADDERUP FINANCE LIMITED** ("the Company"), which comprise the balance sheet as at March 31, 2022, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing, as specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of the most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there is no key audit matter to communicate in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the annual report, but does not include the standalone financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, statement of changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REPORT

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design
 and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a
 basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from
 error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures
 made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence
 obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's
 ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our
 auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify
 our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future
 events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'ANNEXURE A' a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2. As required by Section 143 (3) of the Act, we report that:
 - We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

INDEPENDENT AUDITOR'S REPORT

- (c) The balance sheet, statement of profit and loss including other comprehensive income, the statement of cash flows and statement of changes in equity dealt with by this report are in agreement with the books of account;
- (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) On the basis of the written representations received from the directors as on March 31, 2022 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act;
- (f) With respect to the adequacy of the Internal Financial Controls over financial reporting of the Company with reference to these standalone financial statements and the operating effectiveness of such controls, refer to our separate report in "ANNEXURE B". Our report expresses an unmodified opinion on adequacy and operative effectiveness of the Company's internal financial controls over financial reporting;
- (g) With respect to the other matters to be included in the Auditor's report in accordance with the requirements of the subsection 16 of Section 197 of the Act, as amended;
 - In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements Refer Note 30 to the standalone financial statements:
 - The Company did not have any long-term contracts including derivative contracts on which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company;
 - iv. A) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 41 to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediaries shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - B) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 41 no funds have been received by the company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - C) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representation under sub-clause (A) and (B) contain any material misstatement.
- No dividend has been declared or paid during the year by the Company.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

The Annexure referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
 - (B) According to the information and explanations given to us and the records of the Company examined by us, the Company does not have intangible assets. Accordingly, clause 3(i)(a)(B) is not applicable to the Company.
 - (b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this programme, certain fixed assets were verified during the year by the Management. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and on the basis of an examination of the records of the Company, the title deeds, of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company as at the balance sheet date.
 - (d) According to the information and explanations given to us and the records examined by us, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
 - (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 and Rules made thereunder.
- (ii) (a) Since the Company does not have inventory. Accordingly, clause 3(ii)(a) of the Order is not applicable to the Company.
 - (b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks or financial institutions on the basis of security of current assets. Accordingly, clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) (a) Since the Company's principal business is to give loans, the provisions of clause 3(iii)(a) of the Order are not applicable it.
 - (b) The investments made by the Company, during the year, are not prejudicial to its interest. During the year the Company has not provided guarantees, security and advances in the nature of loans. The terms and conditions of the grant of all loans, prima facie, not prejudicial to the Company's interest.
 - (c) In our opinion and according to the information and explanations given to us, in respect of loans, the schedule of repayment of principal and payment of interest has been stipulated and the repayments or receipts are regular during the year.
 - (d) In our opinion and according to the information and explanations given to us, no amount is overdue in respect of loans.
 - (e) Since the Company's principal business is to give loans, the provisions of clause 3(iii)(e) of the Order are not applicable to it.
 - (f) Based on our audit procedures, according to the information and explanation made available to us, the company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year.
- (iv) In our opinion, and according to information and explanations given to us, the Company has complied with provisions of Section 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit from the public hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable. Further, according to the information and explanations given to us, by the Management that no order has been passed by the Company Law Board, National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal on the Company in respect of the aforesaid deposits.
- (vi) To the best of our knowledge and as explained, the Central Government has not prescribed maintenance of cost records under sub-section (1) of Section 148 of the Act, for the services rendered by the Company.
- (vii) (a)

 i. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has generally been regular in depositing undisputed statutory dues including provident fund, Income-Tax, Cess, Goods and Service Tax and other material statutory dues applicable to it to the appropriate authorities.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, undisputed statutory dues including provident fund, Income-Tax, Cess, Goods and Service Tax and other material statutory dues, in arrears as at March 31, 2022 for a period of more than six months from the date they became payable are as follows:

Name of statute	Nature of dues	₹ In Lakh	Period to which amount relates	Date of payment
Income Tax Act, 1961	Tax	0.21	AY 2010-11	Not paid

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are dues of Income tax which have not been deposited as at March 31, 2022 on account of any disputes, are as follows:

Name of the statute	Nature of dues	₹ In Lakh	Period to which amount relates	Forum where dispute is pending
Income Tax Act, 1961	Tax	5.75#	A.Y. 2017-18	CIT Appeals
Income Tax Act, 1961	Tax	0.35	A.Y. 2013-14	ITAT
# Net of deposit ₹ 1.44 Lakh.				

- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961, as income during the year. Accordingly, clause 3(viii) of the Order is not applicable to the Company.
- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in the repayment of loans or borrowings or in the payment of interest thereon due to any lender during the year.
 - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
 - (c) The Company did not have any term loans outstanding during the year. Accordingly, clause 3(ix)(c) of the Order is not applicable to the Company.
 - (d) On an overall examination of the standalone financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company. Accordingly, clause 3(ix)(d) of the Order is not applicable to the Company.
 - (e) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures (as defined under the Act).
 - (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies (as defined under the Act). Accordingly, clause 3(ix)(f) of the Order is not applicable to the Company.
- (x) (a) The company has not raised moneys by way of initial public offer or further public offer including debt instruments. Accordingly, clause 3(x)(a) of the Order is not applicable to the Company.
 - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
 - (b) During the year, no report under sub-section (12) of Section 143 of the Act has been filed by us in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
 - (c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT

- (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable to the Company.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- (xiv) (a) Based on the information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
 - (b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into non-cash transactions with its directors or persons connected to its directors. Accordingly, clause 3(xv) of the Order is not applicable to the Company.
- (xvi) (a) The Company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and it has obtained the registration.
 - (b) The Company has conducted the non-banking financial activities with a valid certificate of registration [CoR] from the Reserve Bank of India [RBI] as per the Reserve Bank of India Act, 1934. The Company has not conducted any Housing Finance activities and is not required to obtain CoR for such activities from the RBI.
 - (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable to the Company.
 - (d) According to the information and explanations provided to us during the course of audit, the Group does not have any CICs. Accordingly, clause 3(xvi)(d) of the Order is not applicable to the Company.
- (xvii) The Company has incurred cash losses amounting to ₹ 28.07 Lakh during the current financial year covered by our audit and ₹ 43.89 Lakh in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable to the Company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios (Also refer Note 39 to the standalone financial statements), ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.
- (xx) (a) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there is no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, clause 3(xx)(a) of the Order is not applicable for the year.
 - (b) In respect of ongoing projects, the Company does not have any unspent Corporate Social Responsibility (CSR) amount as at the end of the previous financial year and also at the end of the current financial year. Accordingly, clause 3(xx)(b) of order is not applicable for the year.
- (xxi) The reporting under clause 3(xxi) is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

The Annexure referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date

We have audited the internal financial controls over financial reporting of LADDERUP FINANCE LIMITED ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (The "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to standalone financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to standalone financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

LADDERUP FINANCE LIMITED | 52 | 29th Annual Report • 2021-22

Opinion

In our opinion, to the best our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

Note 1.1 Corporate information

Ladderup Finance Limited (CIN L67120MH1993PLC074278) ("the Company") is domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The Company is listed in Bombay Stock Exchange and is a registered Non Banking Financial Company (NBFC).

Note 1.2 Significant accounting policies

i Basis of preparation

"The standalone financial statements ("financial statements") of the Company have been prepared to comply in all material respects with the Indian Accounting Standards ("Ind AS") notified under the Companies (Accounting Standards) Rules, 2015 (as amended from time to time).

The financial statements have been prepared under the historical cost convention with the exception of certain financial assets and liabilities which have been measured at fair value, on an accrual basis of accounting and defined benefit plans where assets are measured at fair value.

The Company is covered in the definition of Non-Banking Financial Company as defined in Companies (Indian Accounting Standards) (Amendment) Rules, 2016. As per the format prescribed under Division III of Schedule III to the Companies Act, 2013 on 11 October 2018, the Company presents the Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the order of liquidity. A maturity analysis of recovery or settlement of assets and liabilities within 12 months after the reporting date and more than 12 months after the reporting date is presented in the financials.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency.

ii Accounting estimates

The preparation of the financial statements, in conformity with the Ind AS, requires the management to make estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognized in the period in which they are determined.

iii Historical cost convention

These financial statements have been prepared on the historical cost basis except for certain financial assets and liabilities which are measured at fair value (refer accounting poilicy regarding financial instruments).

- 1. Financial instruments measured at fair value through profit or loss, if applicable
- 2. Financial instruments measured at fair value through other comprehensive income, if applicable

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Deferred tax assets

In assessing the realizability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Company will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

Provision and contingent liability

On an ongoing basis, Company reviews pending cases, claims by third parties and other contingencies. For contingent losses that are considered probable, an estimated loss is recorded as an accrual in financial statements. Loss contingencies that are considered possible are not provided for but disclosed as Contingent liabilities in the financial statements. Contingencies,

the likelihood of which is remote are not disclosed in the financial statements. Gain contingencies are not recognized until the contingency has been resolved and amounts are received or receivable.

Allowance for impairment of financial asset

The Company applies expected credit loss model (ECL) for measurement and recognition of impairment loss. The Company recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. At each reporting date, the Company assesses whether the loans have been impaired. The Company is exposed to credit risk when the customer defaults on his contractual obligations. For the computation of ECL, the loan receivables are classified into three stages based on the default and the aging outstanding. The Company recognises life time expected credit loss for trade receivables and has adopted simplified method of computation as per Ind AS 109.

Property, plant and equipment and intangible assets

Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation to be recorded during any reporting period. The useful lives and residual values as per schedule II of the Companies Act, 2013 or are based on the Company's historical experience with similar assets and taking into account anticipated technological changes, whichever is more appropriate.

Defined benefit plans

The cost of defined benefit plans and the present value of the defined benefit obligations are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long - term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Determining whether an arrangement contains a lease

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option.

iv Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognized in the Statement of Profit and Loss.

v Depreciation/ amortization

Depreciation on property, plant and equipments is provided on 'Straight Line Method' considering their useful lives and residual value as provided in Schedule II of Companies Act, 2013.

vi Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial assets

"A financial asset is

- a contractual right to receive cash or another financial asset; to exchange financial assets or financial liabilities under potentially favourable conditions;
- (ii) or a contract that will or may be settled in the entity's own equity instruments and a non-derivative for which the entity is or may be obliged to receive a variable number of the entity's own equity instruments; or a derivative that will or may be settled other than by the exchange of a fixed amount of cash or another financial asset for a fixed number of the entity's own equity instruments."

Initial recognition

In the case of financial assets, not recorded at fair value through profit or loss (FVTPL), financial assets are recognized initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

Financial assets measured at amortized cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the Effective Interest Rate (EIR) method. Impairment gains or losses arising on these assets are recognized in the Statement of Profit and Loss.

Financial assets measured at fair value

Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in the Statement of Profit and Loss.

Financial asset not measured at amortized cost or at fair value through OCI is carried at FVTPL.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies the Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on financial assets and credit risk exposures.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss.

De-recognition of financial assets

The Company de-recognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

b) Equity instruments and financial liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

Financial liabilities

A financial liability is

- (i) a contractual obligation to deliver cash or another financial asset to another entity; or to exchange financial instruments under potentially unfavourable conditions;
- (ii) or a contract that will or may be settled in the entity's own equity instruments and is a non-derivative for which the entity is or may be obliged to deliver a variable number of its own equity instruments; or a derivative that will or may be settled other than by the exchange of a fixed amount of cash or another financial asset for a fixed number of the entity's own equity instruments.

Initial recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVTPL, loans and borrowings and payables as appropriate. All financial liabilities are recognized initially at fair value and in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below

Financial liabilities at FVTPL

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization. Amortization is recognized as finance income in the Statement of Profit and Loss.

Financial liabilities at amortized cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognized over the term of the borrowings in the Statement of Profit and Loss.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

De-recognition of financial liabilities

Financial liabilities are de-recognized when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

c) Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis to realize the assets and settle the liabilities simultaneously.

vii Employee benefits

a Defined benefit plan

The company provides for retirement benefits in the form of Gratuity. Benefits payable to eligible employees of the company with respect to gratuity is accounted for on the basis of an actuarial valuation as at the Balance Sheet date. The present value of such obligation is determined by the projected unit credit method and adjusted for past service cost and fair value of plan assets as at the balance sheet date through which the obligations are to be settled.

Remeasurements, comprising of actuarial gains and losses and the return on plan assets (excluding net interest) is reflected immediately in the balance sheet with a charge/credit recognised in Other Comprehensive Income (""OCI"") in the period in which they occur.

Remeasurements recognised in OCI is reflected immediately in retained earnings and is not reclassified to profit or loss in subsequent periods.

b Leave entitlement and compensated absences

Accumulated leave which is expected to be utilized within next twelve months, is treated as short-term employee benefit. Leave entitlement, other than short term compensated absences, are provided based on a actuarial valuation, similar to that of gratuity benefit. Re-measurement, comprising of actuarial gains and losses, in respect of leave entitlement are recognized in the Statement of Profit and Loss in the period in which they occur.

c Short-term benefits

Short-term employee benefits such as salaries, wages, performance incentives etc. are recognized as expenses at the undiscounted amounts in the Statement of Profit and Loss of the period in which the related service is rendered. Expenses on non-accumulating compensated absences is recognized in the period in which the absences occur.

viii Cash and cash equivalents

Cash and cash equivalents include cash in hand and at bank and term deposits with bank, with original maturities of 3 months or less.

ix Revenue recognition

The Company recognises revenue from contracts with customers based on a five step model as set out in Ind AS 115, Revenue from Contracts with Customers, to determine when to recognize revenue and at what amount. Revenue is measured based on the consideration specified in the contract with a customer. Revenue from contracts with customers is recognised when services are provided and it is highly probable that a significant reversal of revenue is not expected to occur. Revenue is measured at fair value of the consideration received or receivable. Revenue is recognised when (or as) the Company satisfies a performance obligation by transferring a promised service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset. When (or as) a performance obligation is satisfied, the Company recognizes as revenue the amount of the transaction price (excluding estimates of variable consideration) that is allocated to that performance obligation.

The Company recognizes revenue from contracts with customers based on a five step model as set out in Ind AS 115:

Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognize revenue when (or as) the Company satisfies a performance obligation.

x Income tax

Income tax comprises of current and deferred income tax. Income tax is recognized as an expense or income in the Statement of Profit and Loss, except to the extent it relates to items directly recognized in equity or in OCI.

a Current income tax

Current income tax is recognized based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

b Deferred income tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognized for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the period that includes the enactment date. Deferred tax assets are only recognized to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilized. Such assets are reviewed at each Balance Sheet date to reassess realization.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Minimum Alternative Tax (MAT)

Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent it is probable that the Company will pay normal income tax during the specified period. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as 'MAT Credit Entitlement'. The Company reviews the 'MAT Credit Entitlement' asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will be able to utilize the MAT Credit Entitlement within the period specified under the Income-tax Act, 1961.

xi Leases

The company has adopted Ind AS 116-Leases effective 1 April 2019, using the modified retrospective method. The company has applied the standard to its leases with the cumulative impact recognised on the date of initial application (1 April, 2019).

"The company's lease asset classes primarily consist of leases for Premises. The company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the company has the right to direct the use of the asset.

At the date of commencement of the lease, the company recognises a right-to-use asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and leases of low value assets. For these short term and leases of low value assets, the company recognises the lease payments as an operating expense on a straight line basis over the term of the lease."

The right-to-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any.

Right-to-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability and reducing the carrying amount to reflect the lease payments made.

A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The remeasurement normally also adjusts the leased assets. Lease liability and right-to-use asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

xii Impairment of non-financial assets

As at each Balance Sheet date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognized in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

- In case of an individual asset, at the higher of the assets' fair value less cost to sell and value in use; and
- In case of cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of
 cash generating unit's fair value less cost to sell and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specified to the asset. In determining fair value less cost to sell, recent market transaction are taken into account. If no such transaction can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognized in the Statement of Profit and Loss, except for properties previously revalued with the revaluation taken to OCI. For such properties, the impairment is recognized in OCI up to the amount of any previous revaluation.

When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognized, then the previously recognized impairment loss is reversed through the Statement of Profit and Loss.

Functional currency and foreign currency transactions

(a) Functional and presentation currency

The financial statements are presented in Indian rupee (INR/₹), which is the firm's functional and presentation currency. Foreign currency transactions are recorded and presented in the functional currency by applying the exchange rate between the functional currency and the foreign currency prevailing at the dates of the transactions.

(b) Translations

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction.

All monetary items in foreign currencies are restated at the end of each reporting period at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

Foreign exchange differences arising between the transaction date and the settlement/reporting date are recognised in the Statement of Profit and Loss.

xiii Earnings per share

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

xiv Provisions, contingent liabilities and contingent assets

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the

liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A contingent liability also arises, in rare cases, where a liability cannot be recognized because it cannot be measured reliably.

Contingent assets are disclosed in the financial statements.

xv Borrowing costs

Borrowing costs consist of interest and other ancillary costs that an entity incurs in connection with the borrowing of funds. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs.

borrowing costs are charged to the Statement of Profit and Loss except:

- a) Borrowing costs directly attributable to the acquisition or construction of assets that necessarily takes a substantial period of time to get ready for its intended use are capitalised as part of the cost of such assets.
- b) Expenses incurred on raising long term borrowings are amortised using effective interest rate method over the period of borrowings.

Investment Income earned on the temporary investment of funds of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

xvi Income

(i) Interest income

The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost or fair value through other comprehensive income (FVOCI). EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

The Company recognises interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. In case of credit-impaired financial assets regarded as 'stage 3', the Company recognises interest income on the amortised cost net of impairment loss of the financial asset at EIR. If the financial asset is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis.

Delayed payment interest (penal interest) levied on customers for delay in repayments/non payment of contractual cash flows is recognised on realisation.

Interest on financial assets subsequently measured at fair value through profit or loss (FVTPL) is recognised at the contractual rate of interest.

(ii) Dividend income

Dividend income on equity shares is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

(iii) Rental income

Lease income from operating leases where the Company is a lessor is recognized in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

(iv) Other revenue from operations

The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

(a) Fees and commission

The Company recognises service and administration charges towards rendering of additional services to its loan customers on satisfactory completion of service delivery.

Fees on value added services and products are recognised on rendering of services and products to the customer.

Distribution income is earned by selling of services and products of other entities under distribution arrangements. The income so earned is recognised on successful sales on behalf of other entities subject to there being no significant uncertainty of its recovery.

Foreclosure charges are collected from loan customers for early payment/closure of loan and are recognised on realisation.

(b) Net gain on fair value changes

Financial assets are subsequently measured at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI), as applicable. The Company recognises gains/losses on fair value change of financial assets measured as FVTPL and realised gains/losses on derecognition of financial asset measured at FVTPL and FVOCI.

(c) Recoveries of financial assets written off

The Company recognises income on recoveries of financial assets written off on realisation or when the right to receive the same without any uncertainties of recovery is established.

(v) Taxes

Incomes are recognised net of the Goods and Services Tax, wherever applicable.

xvii Expenditures

(i) Finance costs

Borrowing costs on financial liabilities are recognised using the EIR.

(ii) Fees and commission expenses

Fees and commission expenses which are not directly linked to the sourcing of financial assets, such as commission/incentive incurred on value added services and products distribution, recovery charges and fees payable for management of portfolio etc., are recognised in the Statement of Profit and Loss on an accrual basis.

(iii) Taxes

Expenses are recognised net of the Goods and Services Tax, except where credit for the input tax is not statutorily permitted.

xviii Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM"). The Company's operating businesses are organized and managed separately according to the nature of services provided, with each segment representing a strategic business unit that offers different markets. The Company has identified three business segments - Investment & Trading in Shares & Securities, Finance activities & Unallocable. Unallocable item include income, expenses, assets and liabilities which are not allowed to any reportable business segment. The segment revenues, results, assets and liabilities include the respective amounts identifiable to each of the segment and amounts allocated on a reasonable basis. Accordingly, these financial statements are reflective of the information required by the Ind AS 108 "Operating segments".

xix Provision for standard assets and non-performing assets

The Company makes provision for standard assets and non-performing assets as per Non-Banking Financial Company – Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016. Provision for standard assets in excess of the prudential norms, as estimated by the management, is categorised under Provision for Standard Assets, as General provisions and/or as Gold Price Fluctuation Risk provisions.

Note 1.3 Recent accounting pronouncements which are not yet effective

Ministry of Corporate Affairs (MCA) notified Companies (Indian Accounting Standards) Amendment Rules, 2022 vide Notification dated 23 March 2022. Following amendments and annual improvements to Ind AS are applicable from 1 April 2022.

Ind AS - 103 Business Combination -

The amendment specifies that for identified assets and liabilities to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired, and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered

Accountants of India at the acquisition date.

Ind AS - 16 Property Plant and Equipment -

The amendment clarifies that sale proceeds of items produced in the process of making PPE available for its intended use cannot be deducted from the cost of PPE. Instead, such proceeds shall be recognized in the statement of profit or loss. The Company has evaluated the amendment and there is no impact on its standalone financial statements.

Ind AS - 37 Provisions, Contingent Liabilities and Contingent Assets -

The amendment clarifies that that the 'costs to fulfil' a contract include both incremental costs (direct labour and material) and an allocation of other direct costs (e.g. depreciation charge for an item of PPE used in fulfilling the contract). The Company has evaluated the amendment and there is no impact on its standalone financial statements.

Annual improvements to Ind AS 109 - Financial instruments

The amendment clarifies while performing the '10 percent test' for derecognition of financial liabilities, borrower includes only fees paid or received between borrower and lender directly or on behalf of the other's behalf. The Company does not expect the above amendments / improvements to have any significant impact on its standalone financial statements.

Nature and purpose of reserves:

Capital reserve

The company recognises profit and loss on purchase, sale, issue or cancellation of the its own equity instruments to capital reserve.

Securities premium reserve

Securities premium reserve is used to record the premium on issue of shares. The reserve is utilised in accordance with the provision of the Companies Act, 2013.

General reserve

The general reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to the statement of profit and loss.

Statutory reserve

No amount is transferred to statutory reserve fund pursuant to sec 45-IC of the Reserve Bank of India Act, 1934, as company has incurred loss during the current year.

Basic earning per share (in ₹)	(0.29)	(0.06)
Diluted earning per share (in ₹)	(0.29)	(0.06)

[&]quot;A reconciliation of profit for the year and equity shares used in the computation of basic and diluted earnings per equity share is set out below:

Note 29: Disclosure relating to employee benefits as per Ind AS 19 'Employee Benefits' Defined benefit obligation

Gratuity

The company provides for the gratuity, a defined benefit retirement plan covering qualifying employees . The plan provides for lump sum payments to employees upon death while in employment or on separation from employment after serving for the stipulated period mentioned under The payment of gratuity Act, 1972.

The present value of obligation is determined based on actuarial valuation using the projected unit credit method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

Details of defined benefit plans as per actuarial valuation are as follows:

Particulars -	Unfunded Plan	
	31 March 2022 31 March 202	31 March 2021
Expenses recognized in the statement of profit and loss		
Current service cost	2.66	2.78
Net interest cost	0.85	0.76
Components of defined benefit costs recognized in profit or loss	3.51	3.54

Included in other comprehensive income	31 March 2022	31 March 2021
Components of actuarial gain/losses on obligations:		
- financial assumptions	(0.04)	0.14
- demographic assumptions	_	_
- experience adjustments	(1.49)	(1.78)
Actuarial (gain) / loss recognized in OCI	(1.53)	(1.64)

Changes in the defined benefit obligation	31 March 2022	31 March 2021
Opening defined benefit obligation	14.20	12.30
Transfer in/(out) obligation		
Current service cost	2.66	2.78
Interest expense	0.85	0.76
Components of actuarial gain/losses on obligations:		
- financial assumptions	(0.04)	0.14
- demographic assumptions	_	-
- experience adjustments	(1.49)	(1.78)
Benefits paid	_	_
Present value of obligation as at the end of the year	16.18	14.20

Recognized in balance sheet	31 March 2022	31 March 2021
Present value of obligation as at the end of the year	16.18	14.20
Net liability	16.18	14.20

Bifurcation of liability as per schedule III	31 March 2022	31 March 2021
Current liability*	0.33	0.32
Non-current liability	15.86	13.88
Net liability	16.18	14.20

^{*}The current liability is calculated as expected benefits for the next 12 months.

Reconciliation of net defined benefit liability	31 March 2022	31 March 2021
Net opening provision in books of accounts	14.20	12.30

Maturity analysis of defined benefit obligation

Particulars	31 March 2022	31 March 2021
Expected benefits for year 1	0.33	0.32
Distribution (%)	1.50%	1.60%
Expected benefits for year 2	0.35	0.34
Distribution (%)	1.60%	1.70%
Expected benefits for year 3	14.94	0.36
Distribution (%)	67.30%	1.80%
Expected benefits for year 4	0.09	14.07
Distribution (%)	0.40%	71.30%
Expected benefits for year 5	0.09	0.06
Distribution (%)	0.40%	0.30%
Sum of Year 6 to 10 Year	0.50	0.33
Distribution (%)	2.20%	1.70%

Expected contribution to fund in the next year

Particulars	31 March 2022	31 March 2021
Expected contribution to fund in the next year	0.33	0.32

The following table summarizes the principal assumptions used for defined benefit obligation :

Particulars	31 March 2022	31 March 2021
Actuarial assumptions		
Discount Rate (p.a.)	6.10%	6.05%
Withdrawal Rates	5.00% p.a at	5.00% p.a at
	younger ages	younger ages
	reducing to 1.00%	reducing to 1.00%p.a
	p.a % at older ages	% at older ages
Rate of Salary increase (p.a.)	6.00%	6.00%

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Sensitivity to key assumptions

Particulars	Gratuity	
	31 March 2022	31 March 2021
	0.5% increase	
i. Discount rate	15.82	13.85
ii. Salary escalation rate - over a long-term	16.55	14.34
	10% in	crease

Double Lieu	Gratuity	
Particulars	31 March 2022	31 March 2021
iii. Withdrawal rate (W.R.)	16.19	14.22
	0.5% decrease	
i. Discount rate	16.56	14.57
ii. Salary escalation rate - over a long-term	15.83	14.07
	10% decrease	
iii. Withdrawal rate (W.R.)	16.17	14.19

Sensitivity for significant actuarial assumptions is computed by varying one actuarial assumption used for the valuation of the defined benefit obligation, keeping all other actuarial assumptions constant.

Note 30: Contingent liabilities disclosures as required under Ind AS 37, "provisions, contingent liabilities and contingent assets" are given below:

Particulars	31 March 2022	31 March 2021
Claims not acknowledged as debts :		
Disputed liability in respect of income-tax	7.76	16.72

Note 31 : Leases

The company has entered into long term lease agreements for premises. The company does not have an option to purchase the leased asset at the expiry of the lease period. These are generally cancellable and are renewable by mutual consent on mutually agreed terms. Future lease rentals are determined on the basis of agreed terms. There are no restrictions imposed by lease arrangements. There are no subleases.

Note 33: Segment Reporting

The Company is primarily engaged in the business of financing. All the activities of the company revolve around the main business. Further, the company does not have any separate geographic segments other than India.

During the year ending 31 March 2022, for management purposes, the company has been organised into two operating segments based on products and services.

In computing the segment information, certain estimates and assumptions have been made by the management, which have been relied upon.

The Chief Operating Decision Maker (CODM) monitors the operating results of its business units separately for making decisions about resource allocation and performance assessment. Segment performance is evaluated based on operating profits or losses and is measured consistently with operating profits or losses in the financial statements. However, income taxes are managed on a entity as whole basis and are not allocated to operating segments.

Particulars	Year ended 31 March 2022	Year ended 31 March 2021

Note 35: Financial risk management framework

In the course of its business, the company is exposed to certain financial risks namely credit risk, interest risk, currency risk & liquidity risk. The company's primary focus is to achieve better predictability of financial markets and seek to minimize potential adverse effects on its financial performance.

The financial risks are managed in accordance with the company's risk management policy which has been approved by its board of directors

Market risk

Market risk is the risk that the fair value of future cash flow of financial instruments will fluctuate due to changes in the market variables such as interest rates, foreign exchange rates and equity prices. The company do not have any exposure to foreign exchange rate.

Interest rate risk

The company uses a mix of cash and borrowings to manage the liquidity & fund requirements of its day-to-day operations. Further, certain interest bearing liabilities carry variable interest rates.

The interest rate profile of the company's interest-bearing financial instruments as reported to the management of the company is as follows:

(₹ in Lakh)

Particulars	As at 31 March 2022	As at 31 March 2021
Variable-rate instruments:		
Financial liabilities (Borrowings)	(208.01)	(90.00)

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the company's loss before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	As at 31 March 2022	As at 31 March 2021	
Increase in basis points	50 basis		
Effect on loss before tax, increase by	1.04	0.45	
Decrease in basis points	50 basis points		
Effect on loss before tax, decrease by	1.04	0.45	

Currency risk:

Currently company does not have transaction in foreign currencies and hence the company is not exposed to currency risk.

Price risk:

The Company is exposed to equity price risk arising from investments held by the company and classified in the balance sheet either as fair value through OCI or at fair value through profit or loss. To manage its price risk arising from investment in equity securities, the company diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the company. The majority of the company's equity investments are listed on the Bombay Stock Exchange (BSE) or the National Stock Exchange (NSE) in India.

On investments- sensitivity analysis

As at 31 March 2022 (₹ in Lakh)

Particulars	Councing value	Fair value	Sensitivity t	o fair value
Particulars	Carrying value	rair value	1% increase	1% decrease
Investment at FVTPL	307.61	307.61	310.69	304.53
Investment at FVOCI	2,412.44	2,412.44	2,436.57	2,388.32
	2,720.05	2,720.05	2,747.25	2,692.85

As at 31 March, 2021 (Amount in ₹)

Particulars	Comming value	Fair value	Sensitivity t	o fair value
Particulars	Carrying value	rair value	1% increase	1% decrease
Investment at FVTPL	264.31	264.31	266.96	261.67

	2,075.25	2,075.25	2,096.00	2,054.49

Profit for the period would increase/decrease as a result of gains/losses on exchange traded funds equity securities classified as fair value through profit or loss, if any. Other components of equity would increase/decrease as a result of gain/losses on equity securities classified as fair value through other comprehensive income.

Credit risk

Credit risk is the risk of financial loss arising out of a customer or counterparty failing to meet their repayment obligations to the company. The company assesses the credit quality of all financial instruments that are subject to credit risk.

Classification of financial assets under various stages:

"The company classifies its financial assets in three stages having the following characteristics:

Stage 1: unimpaired and without significant increase in credit risk since initial recognition on which a 12 month allowance for ECL is recognised;

Stage 2: a significant increase in credit risk since initial recognition on which a lifetime ECL is recognised;

Stage 3: objective evidence of impairment, and are therefore considered to be in default or otherwise credit impaired on which a lifetime ECL is recognised."

Financial instruments were not subjected to simplified ECL approach under Ind AS 109 'Financial Instruments' and accordingly were not subject to sensitivity of future economic conditions.

Liquidity risk

Liquidity is defined as the risk that the company will not be able to settle or meet its obligations on time or at a reasonable price. The company's management is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the company's net liquidity position through rolling forecasts on the basis of expected cash flows.

Maturity profile of non-derivative financial liabilities

The following tables detail the company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the company can be required to pay. The tables include both interest and principal cash flows.

Particulars	Less than 1 year	1 years to 3 years	3 years to 5 years	5 years and above

Borrowings (other than debt securities)	90.00	_	_	_
Other financial liabilities	72.29		_	_
Total	162.43	_	_	_

Note 35: Financial risk management framework (continued)

The company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company has not disclosed the fair values for financial instruments for other financial assets, loans, trade receivables, cash and cash equivalents, bank balances other than cash & cash equivalents, Trade payables, borrowings and financial liabilities because their carrying amounts are reasonable approximation of their fair values.

(ii) Fair value hierarchy

Fair value hierarchy explains the judgement and estimates made in determining the fair values of the financial instruments that are -

- a) recognized and measured at fair value
- b) measured at amortized cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the accounting standard.

- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- Level 3 Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities

Assets and liabilities that are disclosed at fair values through other comprehensive income

Note 36: Capital management

The company's objectives when managing capital are to safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and maintain an optimal capital structure to reduce the cost of capital.

The capital structure of the company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets in order to maintain or adjust the capital structure.

The company determines the amount of capital required on the basis of operations, capital expenditure and strategic investment plans. The capital structure is monitored on the basis of net debt to equity and maturity profile of overall debt portfolio.

INDEPENDENT AUDITOR'S REPORT

To.

The Members of LADDERUP FINANCE LIMITED

Report on the Audit of the Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying consolidated Ind AS financial statements of **LADDERUP FINANCE LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group"), which includes the Group's share of profit in its associate and its joint venture, which comprise the consolidated balance sheet as at March 31, 2022, the consolidated statement of profit and loss (including other comprehensive income), consolidated statement of changes in equity and the consolidated cash flows statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS') and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associate and its joint venture as at March 31, 2022, and their consolidated profit, their consolidated total comprehensive income, their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing, as specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the consolidated financial statements section of our report. We are independent of the Group and its associate and joint venture in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there is no key audit matter to communicate in our report.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors are responsible for the other information. The other information comprises the information included in the annual report, but does not include the consolidated financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management Responsibilities for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group and its associate and its joint venture in accordance with Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and its associate and its joint venture

are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associate and its joint venture for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company's, as aforesaid. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and its associate and its joint venture are responsible for assessing the ability of the Group and its associate and its joint venture to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the companies included in the Group and its associate and its joint venture is also responsible for overseeing the financial reporting process of the Group and its associate and its joint venture.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on
 whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of
 such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group, its associate and its joint venture to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate and its joint venture to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate and its joint venture to express an opinion on the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements. We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to

bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The statement also includes the Group's share of net profit after tax of ₹ 139.26 Lakh and total comprehensive income of ₹ 141.20 Lakh for the year ended March 31, 2022, in respect of one joint venture and one associate, in respect of the associate, whose financial information have not been audited by us. These unaudited financial statements/financial information have been approved and furnished to us by the management and our opinion on the statement, in so far as it relates to the amount and disclosures included in respect of associate, is based solely on such unaudited financial statements/financial information. Our opinion on the consolidated financial statements and our Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to the financial statements / financial information certified by the management.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "ANNEXURE A" a statement on the matters specified in paragraph 3(xxi) of the Order, to the extent applicable.
- 2. As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books;
 - (c) The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements:
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2022 and taken on record by the Board of Directors of the Holding Company and none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and joint venture covered under the Act, and the operating effectiveness of such controls, refer to our separate report in 'ANNEXURE B';
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion the managerial remuneration for the year ended March 31, 2022 has been paid/provided by the Holding Company to their directors in accordance with the provisions of section 197 read with Schedule V of the Act;
 - In respect of subsidiary, associate and joint venture included in the consolidated financial statements the provisions of Section 197 read with schedule 5 to the Act are not applicable to the Company and hence reporting under Section 197 (16) is not required.
 - (h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and its associate and its joint venture - Refer Note 37 to the consolidated financial statements;
 - ii. The Group and its associate and its joint venture did not have any material foreseeable losses on long-term contracts including derivative contracts.; and

- iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Group and associate and joint venture.
- iv. A) The respective management of the Holding Company and its subsidiary and its joint venture which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and, to the best of its knowledge and belief, as disclosed in the Note 49 to the consolidated financial statements, no funds have been advances or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of subsidiary and joint venture to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediaries shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or any such subsidiary and joint venture ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - B) The respective management of the Holding Company and its subsidiary and its joint venture which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and, to the best of its knowledge and belief, as disclosed in the Note 49 to the consolidated financial statements, no funds have been received by the Holding Company or any of such subsidiary and joint venture from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiary and joint venture shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - C) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and those performed by the auditor of the subsidiary and associate which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representation under sub-clause (A) and (B) contain any material misstatement.
- v. The Group and its joint venture have neither declared nor paid any dividend during the financial year.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the internal financial controls under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended March 31, 2022, we have audited the internal financial controls over financial reporting of **LADDERUP FINANCE LIMITED** ("the Company" or "the Holding Company") and its subsidiary, joint venture, which are incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary and its joint venture which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company and its subsidiary and its joint venture, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company and its subsidiary and its joint venture which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

Opinion

In our opinion, to the best of our information and according to the explanations given to us the Holding Company and its subsidiary and its joint venture, which are companies incorporated in India, have, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the criteria for internal control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note: 1. The Cash flow statement has been prepared under the indirect method as set out in Indian Accounting Standard - 7 ('Ind AS 7') on Cash Flow Statement prescribed in Companies (Indian Accounting Standard) Rules, 2015, notified under section 133 of the Companies Act, 2013.

^{2.} Previous year's figures have been regrouped wherever necessary.

Note 1.1 Corporate Information

Ladderup Finance Limited (CIN L67120MH1993PLC074278) and its Subsidiary (referred collectively as "the Group") are domiciled in India and incorporated under the provisions of the Companies Act applicable in India. The Company is listed in Bombay Stock Exchange and is a registered Non Banking Financial Company (NBFC). These consolidated financial statements of the Group also include the Group's interest in associate and joint venture.

Note 1.2 Significant accounting policies

i Statement of compliance and basis for preparation and presentation of financial statements

The consolidated financial statements of Ladderup Finance Limited and its Subsidiary ('the Group') and its associate and joint venture have been prepared in accordance with the Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules 2015 as amended and notified under Section 133 of the Companies Act, 2013 ("the Act"), in conformity with the accounting principles generally accepted in India and other relevant provisions of the Act.

Any application guidance/ clarifications/ directions/ expectations issued by RBI or other regulators are implemented as and when they are issued/ applicable.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

ii Principles of consolidation

The consolidated financial statements incorporate the financial statements of the Company and entity controlled by the company i.e. its subsidiary. It also includes the Group's share of profits, net assets and retained post acquisition reserves of associate and joint venture that are consolidated using the equity method of consolidation. Control is achieved when the Company is exposed to, or has rights to the variable returns of the entity and the ability to affect those returns through its power over the entity.

Subsidiary company

Subsidiary is an entity over which the Group has control. Subsidiary is consolidated on a line-by-line basis from the date the control is transferred to the Group. They are deconsolidated from the date that control ceases. Changes in the Group's interest in subsidiary that do not result in a loss of control are accounted as equity transactions. The carrying amount of the Company's interests and the non-controlling interests (""NCI"") are adjusted to reflect the changes in their relative interests in the subsidiary. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company. Inter-company transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. These financial statements are prepared by applying uniform accounting policies in use at the Group.

Associate company

Associate is the entity over which the Group has significant influence. Investment in associate is accounted for using the equity method of accounting, after initially being recognised at cost.

Joint venture company

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have the rights to the net assets of the arrangement. Investment in joint venture is accounted for using the equity method of accounting, after initially being recognised at cost.

Information on subsidiary and associate / joint venture companies

Sr No.	Name of the company	Relationship	Country of incorporation	% Holding as on 31 March 2022	% Holding as on 31 March 2021
1	Ladderup Wealth Management Private Limited	Subsidiary company	India	51%	51%
2	Waterproof Corporation Limited	Joint venture	India	50.00%	50.00%
3	Annapurna Pet Private Limited	Associate company	India	49.18%	49.18%

iii Accounting estimates

The preparation of the financial statements, in conformity with the Ind AS, requires the management to make estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognized in the period in which they are determined.

Historical cost convention

These financial statements have been prepared on the historical cost basis except for certain financial assets and liabilities which are measured at fair value (refer accounting policy regarding financial instruments).

- 1. Financial instruments measured at fair value through profit or loss, if applicable
- 2. Financial instruments measured at fair value through other comprehensive income, if applicable

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Deferred tax assets

In assessing the realizability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Group will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

Provision and contingent liability

On an ongoing basis, Group reviews pending cases, claims by third parties and other contingencies. For contingent losses that are considered probable, an estimated loss is recorded as an accrual in financial statements. Loss contingencies that are considered possible are not provided for but disclosed as contingent liabilities in the financial statements. Contingencies the likelihood of which is remote are not disclosed in the financial statements. Gain contingencies are not recognized until the contingency has been resolved and amounts are received or receivable.

Allowance for impairment of financial asset:

The Group applies expected credit loss model (ECL) for measurement and recognition of impairment loss. The Group recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. At each reporting date, the Group assesses whether the loans have been impaired. The Group is exposed to credit risk when the customer defaults on his contractual obligations. For the computation of ECL, the loan receivables are classified into three stages based on the default and the aging outstanding. The Group recognises life time expected credit loss for trade receivables and has adopted simplified method of computation as per Ind AS 109.

Property, plant and equipment and Intangible Assets

Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation to be recorded during any reporting period. The useful lives and residual values as per schedule II of the Companies Act, 2013 or are based on the Group's historical experience with similar assets and taking into account anticipated technological changes, whichever is more appropriate.

Defined benefit plans:

The cost of defined benefit plans and the present value of the defined benefit obligations are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long - term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Determining whether an arrangement contains a lease

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Group uses significant judgment in assessing the lease term (including anticipated renewals) and the applicable discount rate. The group determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the group is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the group is reasonably certain not to exercise that option.

Defined benefit plans

The cost and present value of the gratuity obligation and compensated absences are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

iv Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the statement of profit and loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognized in the statement of profit and loss.

Intangible assets

Intangible assets are stated at cost less accumulated amortization and net of impairment if any. An intangible asset is recognized if it is probable that future expected future economic benefits that are attributable to the asset will flow to the group and its cost can be measured reliably. Intangible assets having finite useful life are amortized over the estimated useful life

Goodwill arising out of consolidation of financial statements of subsidiaries and associates is not amortised. However the same is tested for impairment at each balance sheet date.

v Depreciation/amortization

Depreciation on property plant and equipments is provided on 'Straight Line Method' considering their useful lives and residual value as provided in schedule II of Companies Act, 2013.

vi Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial assets

A financial asset is

- a contractual right to receive cash or another financial asset; to exchange financial assets or financial liabilities under potentially favourable conditions;
- (ii) or a contract that will or may be settled in the entity's own equity instruments and a non-derivative for which the entity is or may be obliged to receive a variable number of the entity's own equity instruments; or a derivative that will or may be settled other than by the exchange of a fixed amount of cash or another financial asset for a fixed number of the entity's own equity instruments."

Initial recognition

In the case of financial assets, not recorded at fair value through profit or loss (FVTPL), financial assets are recognized initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

Financial assets at amortized cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the Effective Interest Rate (EIR) method. Impairment gains or losses arising on these assets are recognized in the statement of profit and loss.

Financial assets measured at fair value

Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in the statement of profit and loss. Financial asset not measured at amortized cost or at fair value through OCI is carried at FVTPL.

Impairment of financial assets

In accordance with Ind AS 109, the Group applies the Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on financial assets and credit risk exposures. The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Group to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL. ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss.

De-recognition of financial assets

The Group de-recognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the group recognizes its retained interest in the assets and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the group continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

b) Equity instruments and financial liabilities

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

Financial liabilities

A financial liability is:

- a contractual obligation to deliver cash or another financial asset to another entity; or to exchange financial instruments under potentially unfavourable conditions;
- (ii) or a contract that will or may be settled in the entity's own equity instruments and is a non-derivative for which the entity is or may be obliged to deliver a variable number of its own equity instruments; or a derivative that will or may be settled other than by the exchange of a fixed amount of cash or another financial asset for a fixed number of the entity's own equity instruments.

Initial recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVTPL, loans and borrowings and payables as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below

Financial liabilities at FVTPL

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

Financial guarantee contracts issued by the Group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization. Amortization is recognized as finance income in the statement of profit and loss.

Financial liabilities at amortized cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognized over the term of the borrowings in the Statement of Profit and Loss. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

De-recognition of financial liabilities

Financial liabilities are de-recognized when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

c) Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis to realize the assets and settle the liabilities simultaneously.

vii Employee benefits

a Defined contribution plan

Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Group has no further obligations beyond the monthly contributions.

b Defined benefit plan

The group provides for retirement benefits in the form of gratuity. Benefits payable to eligible employees of the Group with respect to gratuity is accounted for on the basis of an actuarial valuation as at the balance sheet date. The present value of such obligation is determined by the projected unit credit method and adjusted for past service cost and fair value of plan assets as at the balance sheet date through which the obligations are to be settled.

Remeasurements, comprising of actuarial gains and losses and the return on plan assets (excluding net interest) is reflected immediately in the balance sheet with a charge/credit recognised in Other Comprehensive Income ("OCI") in the period in which they occur. Remeasurements recognised in OCI is reflected immediately in retained earnings and is not reclassified to profit or loss in subsequent periods.

c Leave entitlement and compensated absences

Accumulated leave which is expected to be utilized within next twelve months, is treated as short-term employee benefit. Leave entitlement, other than short term compensated absences, are provided based on a actuarial valuation, similar to that of gratuity benefit. Re-measurement, comprising of actuarial gains and losses, in respect of leave entitlement are recognized in the Statement of Profit and Loss in the period in which they occur.

d Short-term benefits

Short-term employee benefits such as salaries, wages, performance incentives etc. are recognized as expenses at the undiscounted amounts in the statement of profit and loss of the period in which the related service is rendered. Expenses on non-accumulating compensated absences is recognized in the period in which the absences occur.

e Termination benefits

Termination benefits are recognized as an expense as and when incurred.

viii Cash and cash equivalents

Cash and cash equivalents include cash in hand and at bank and term deposits with bank, with original maturities of 3 months or less.

ix Revenue recognition

The Group recognises revenue from contracts with customers based on a five step model as set out in Ind AS 115, revenue from contracts with customers, to determine when to recognize revenue and at what amount. Revenue is measured based on the consideration specified in the contract with a customer. Revenue from contracts with customers is recognised when services are provided and it is highly probable that a significant reversal of revenue is not expected to occur. Revenue is measured at fair value of the consideration received or receivable. Revenue is recognised when (or as) the Group satisfies a performance obligation by transferring a promised service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset. When (or as) a performance obligation is satisfied, the group recognizes as revenue the amount of the transaction price (excluding estimates of variable consideration) that is allocated to that performance obligation.

The Group recognizes revenue from contracts with customers based on a five step model as set out in Ind AS 115:

Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the group expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the group allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the group expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognize revenue when (or as) the group satisfies a performance obligation.

x Income tax:

Income tax comprises of current and deferred income tax. Income tax is recognized as an expense or income in the Statement of Profit and Loss, except to the extent it relates to items directly recognized in equity or in OCI.

a Current income tax

Current income tax is recognized based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at

the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

b Deferred income tax

Deferred tax is determined by applying the balance sheet approach. Deferred tax assets and liabilities are recognized for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the balance sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the period that includes the enactment date. Deferred tax assets are only recognized to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilized. Such assets are reviewed at each balance sheet date to reassess realization.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Minimum Alternative Tax (MAT)

Minimum Alternative Tax ("MAT") credit is recognised as an asset only when and to the extent it is probable that the group will pay normal income tax during the specified period.

Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent it is probable that the group will pay normal income tax during the specified period. In the year in which the group recognizes MAT credit as an asset in accordance with the Guidance Note on accounting for credit available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as 'MAT Credit Entitlement'. The group reviews the 'MAT credit entitlement' asset at each reporting date and writes down the asset to the extent the Group does not have convincing evidence that it will be able to utilize the MAT credit entitlement within the period specified under the Income-tax Act, 1961.

xi Leases

The Group has adopted Ind AS 116-Leases effective 1st April, 2019, using the modified retrospective method. The group has applied the standard to its leases with the cumulative impact recognised on the date of initial application (1st April, 2019).

The Group's lease asset classes primarily consist of leases for premises. The group assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the group has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the group has the right to direct the use of the asset.

At the date of commencement of the lease, the group recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and leases of low value assets. For these short term and leases of low value assets, the group recognises the lease payments as an operating expense on a straight line basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made. A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The remeasurement normally also adjusts the leased assets. Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

xii Impairment of non-financial assets

As at each balance sheet date, the group assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognized in the previous periods. If any indication

exists, or when annual impairment testing for an asset is required, the group determines the recoverable amount and impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

- In case of an individual asset, at the higher of the assets' fair value less cost to sell and value in use; and
- In case of cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of
 cash generating unit's fair value less cost to sell and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specified to the asset. In determining fair value less cost to sell, recent market transaction are taken into account. If no such transaction can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognized in the statement of profit and loss, except for properties previously revalued with the revaluation taken to OCI. For such properties, the impairment is recognized in OCI up to the amount of any previous revaluation. When the group considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognized, then the previously recognized impairment loss is reversed through the statement of profit and loss.

Functional currency and foreign currency transactions

(a) Functional and presentation currency

The financial statements are presented in Indian rupee (INR/₹), which is the firm's functional and presentation currency. Foreign currency transactions are recorded and presented in the functional currency by applying the exchange rate between the functional currency and the foreign currency prevailing at the dates of the transactions.

(b) Translations

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction.

All monetary items in foreign currencies are restated at the end of each reporting period at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

Foreign exchange differences arising between the transaction date and the settlement/reporting date are recognised in the statement of profit and loss."

xiii Earnings per share

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the group by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Group and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

xiv Provisions, contingent liabilities and contingent assets

A provision is recognized when the group has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the balance sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group. A contingent liability also arises, in rare cases, where a liability cannot be recognized because it cannot be measured reliably.

Contingent assets are disclosed in the financial statements.

xv Borrowing costs

Borrowing costs consist of interest and other ancillary costs that an entity incurs in connection with the borrowing of funds. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs.

All borrowing costs are charged to the statement of profit and loss except:

- a) Borrowing costs directly attributable to the acquisition or construction of assets that necessarily takes a substantial period of time to get ready for its intended use are capitalised as part of the cost of such assets.
- b) Expenses incurred on raising long term borrowings are amortised using effective interest rate method over the period of borrowings.

Investment Income earned on the temporary investment of funds of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation."

xix Business combinations

Business combinations are accounted for using the acquisition method. At the acquisition date, identifiable assets acquired and liabilities assumed are measured at fair value. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition date fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. The consideration transferred is measured at fair value at acquisition date and includes the fair value of any contingent consideration. However, deferred tax asset or liability and any liability or asset relating to employee benefit arrangements arising from a business combination are measured and recognized in accordance with the requirements of Ind AS 12, Income Taxes and Ind AS 19, Employee Benefits, respectively.

Where the consideration transferred exceeds the fair value of the net identifiable assets acquired and liabilities assumed, the excess is recorded as goodwill. Alternatively, in case of a bargain purchase wherein the consideration transferred is lower than the fair value of the net identifiable assets acquired and liabilities assumed, the Group after assessing fair value of all identified assets and liabilities, record the difference as a gain in other comprehensive income and accumulate the gain in equity as capital reserve. The costs of acquisition excluding those relating to issue of equity or debt securities are charged to the Statement of Profit and Loss in the period in which they are incurred.

In case of business combinations involving entities under common control, the above policy does not apply. Business combinations involving entities under common control are accounted for using the pooling of interests method. The net assets of the transferor entity or business are accounted at their carrying amounts on the date of the acquisition subject to necessary adjustments required to harmonies accounting policies. Any excess or shortfall of the consideration paid over the share capital of transferor entity or business is recognized as capital reserve under equity."

xvi Income

(i) Interest income

The group recognises interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost or fair value through other comprehensive income (FVOCI). EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

The group recognises interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. In case of credit-impaired financial assets regarded as 'stage 3', the group recognises interest income on the amortised cost net of impairment loss of the financial asset at EIR. If the financial asset is no longer credit-impaired, the group reverts to calculating interest income on a gross basis.

Delayed payment interest (penal interest) levied on customers for delay in repayments/non payment of contractual cashflows is recognised on realisation.

Interest on financial assets subsequently measured at fair value through profit or loss (FVTPL) is recognised at the contractual rate of interest.

(ii) Dividend income

Dividend income on equity shares is recognised when the group's right to receive the payment is established, which is generally when shareholders approve the dividend.

(iii) Rental income

Lease income from operating leases where the group is a lessor is recognized in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

(iv) Other revenue from operations

The group recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The group identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

(a) Fees and commission

The group recognises service and administration charges towards rendering of additional services to its loan customers on satisfactory completion of service delivery.

Fees on value added services and products are recognised on rendering of services and products to the customer.

Distribution income is earned by selling of services and products of other entities under distribution arrangements. The income so earned is recognised on successful sales on behalf of other entities subject to there being no significant uncertainty of its recovery.

Foreclosure charges are collected from loan customers for early payment/closure of loan and are recognised on realisation.

(b) Net gain on fair value changes

Financial assets are subsequently measured at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI), as applicable. The Group recognises gains/losses on fair value change of financial assets measured as FVTPL and realised gains/losses on derecognition of financial asset measured at FVTPL and FVOCI.

(c) Recoveries of financial assets written off

The group recognises income on recoveries of financial assets written off on realisation or when the right to receive the same without any uncertainties of recovery is established.

(v) Taxes

Incomes are recognised net of the Goods and Services Tax, wherever applicable.

xvii Expenditures

(i) Finance costs

Borrowing costs on financial liabilities are recognised using the EIR.

(ii) Fees and commission expenses

Fees and commission expenses which are not directly linked to the sourcing of financial assets, such as commission/incentive incurred on value added services and products distribution, recovery charges and fees payable for management of portfolio etc., are recognised in the Statement of Profit and Loss on an accrual basis.

(iii) Taxes

Expenses are recognised net of the Goods and Services Tax, except where credit for the input tax is not statutorily permitted

xviii Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker ("CODM"). The Group's operating businesses are organized and managed separately according to the nature of services provided, with each segment representing a strategic business unit that offers different markets. The Group has identified three business segments - Investment & Trading in Shares & Securities, Finance activities & Unallocable. Unallocable item include income, expenses, assets and liabilities which are not allowed to any reportable business segment. The segment

revenues, results, assets and liabilities include the respective amounts identifiable to each of the segment and amounts allocated on a reasonable basis. Accordingly, these financial statements are reflective of the information required by the Ind AS 108 "Operating segments".

Note 1.3 Recent accounting pronouncements which are not yet effective

Ministry of Corporate Affairs (MCA) notified Companies (Indian Accounting Standards) Amendment Rules, 2022 vide Notification dated 23 March 2022. Following amendments and annual improvements to Ind AS are applicable from 1 April 2022

Ind AS - 103 Business Combination -

The amendment specifies that for identified assets and liabilities to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired, and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date.

Ind AS - 16 Property Plant and Equipment -

The amendment clarifies that sale proceeds of items produced in the process of making PPE available for its intended use cannot be deducted from the cost of PPE. Instead, such proceeds shall be recognized in the statement of profit or loss. The Company has evaluated the amendment and there is no impact on its standalone financial statements.

Ind AS - 37 Provisions, Contingent Liabilities and Contingent Assets -

The amendment clarifies that that the 'costs to fulfil' a contract include both incremental costs (direct labour and material) and an allocation of other direct costs (e.g. depreciation charge for an item of PPE used in fulfilling the contract). The Company has evaluated the amendment and there is no impact on its standalone financial statements.

Annual improvements to Ind AS 109 - Financial instruments

The amendment clarifies while performing the '10 percent test' for derecognition of financial liabilities, borrower includes only fees paid or received between borrower and lender directly or on behalf of the other's behalf. The Company does not expect the above amendments / improvements to have any significant impact on its standalone financial statements.

Nature & purpose of reserve:

Capital reserve

The Group recognises profit and loss on purchase, sale, issue or cancellation of the its own equity instruments to capital reserve.

Securities premium reserve

Securities premium reserve is used to record the premium on issue of shares. The reserve is utilised in accordance with the provision of the Companies Act, 2013.

General reserve

The general reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to the statement of profit and loss.

Capital redemption reserve

This reserve is created during buy back of equity shares and is not a free reserve.

Statutory reserve

No amount is transferred to statutory reserve fund pursuant to sec 45-IC of the Reserve Bank of India Act, 1934, as Company has incurred loss during the current year.

Note 35 : Earnings per equity share (face value ₹ 10 each)

"A reconciliation of profit for the year and equity shares used in the computation of basic and diluted earnings per equity share is set out below:

Basic: Basic earnings per share is calculated by dividing the profit attributable to equity shareholders of the Group by the weighted average number of equity shares outstanding during the year, excluding equity shares purchased by the Group and held as treasury shares.

Diluted: Diluted earnings per share is calculated by adjusting the weighted average number of equity shares outstanding during the year for assumed conversion of all dilutive potential equity shares. Employee share options are dilutive potential equity shares for the company."

Particulars	Year ended 31 March 2022	Year ended 31 March 2021
Weighted average number of equity shares of ₹ 10 each		
Number of shares at the beginning and end of the year (in nos.)	12,852,600	12,852,600
Weighted average number of shares outstanding during the year (in nos.)	12,852,600	12,852,600
Weighted average number of potential equity shares outstanding during the year	_	-
Total number of potential equity share for calculating diluted earning per share (in nos.)	12,852,600	12,852,600
Net profit after tax available for equity shareholders (₹ in Lakh)	236.98	59.88
Basic earning per share (in ₹)	1.84	0.47
Diluted earning per share (in ₹)	1.84	0.47

Note 36: Disclosure relating to employee benefits as per Ind AS 19 'Employee Benefits'

Defined benefit obligation

Gratuity

The Group provides for the gratuity, a defined benefit retirement plan covering qualifying employees. The plan provides for lump sum payments to employees upon death while in employment or on separation from employment after serving for the stipulated period mentioned under The Payment of Gratuity Act, 1972.

The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

Details of defined benefit plans as per actuarial valuation are as follows:

(₹ in Lakh)

Particulars	Unfunded plan	
Expenses recognized in the statement of profit and loss	31 March 2022	31 March 2021
Current service cost	6.40	6.66

Interest expense	2.37	2.25
Components of actuarial gain/losses on obligations:		
- financial assumptions	2.12	0.14
- experience adjustments	(0.40)	(3.65)
Benefits paid	(1.25)	(1.11)
Present value of obligation as at the end of the year	48.03	38.79

(₹ in Lakh)

Recognized in balance sheet	31 March 2022	31 March 2021
Present value of obligation as at the end of the year	48.03	38.79
Net liability/(asset)	48.03	38.79

Reconciliation of net defined benefit liability	31 March 2022	31 March 2021
Net opening provision in books of accounts	38.79	34.50
Expense charged to statement of profit and loss	8.77	8.91
Amount recognised in other comprehensive income	1.72	(3.51)
Benefits paid	(1.25)	(1.11)
Closing provision in books of accounts	48.03	38.79

(₹ in Lakh)

Bifurcation of liability as per schedule III	31 March 2022	31 March 2021
Current liability*	5.82	5.00
Non-current liability	42.22	33.79
Net liability	48.03	38.79

^{*} The current liability is calculated as expected benefits for the next 12 months.

Maturity analysis of defined benefit obligation

(₹ in Lakh)

Particulars	31 March 2022	31 March 2021
Expected benefits for year 1	5.82	5.00
Expected benefits for year 2	1.51	1.24
Expected benefits for year 3	15.94	1.32
Expected benefits for year 4	1.12	14.94
Expected benefits for year 5	1.21	0.95
Sum of Year 6 to 10 Year	20.79	18.29

Expected contribution to fund in the next year

(₹ in Lakh)

Particulars	31 March 2022	31 March 2021
Expected contribution to fund in the next year	5.82	5.00

The following table summarizes the principal assumptions used for defined benefit obligation:

Particulars	31 March 2021	31 March 2020
Actuarial assumptions		
Discount rate (p.a.) #	6.10%	6.05%
Withdrawal rates	5.00% p.a at younger ages reducing to 1.00% p.a % at older ages	5.00% p.a at younger ages reducing to 1.00%p.a % at older ages
Rate of salary increase (p.a.)	6.00%	6.00%

[#] Ladderup Wealth Management Private Limited discount rate 6.10% for FY 2021-22

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Sensitivity to Key assumptions

Particulars	31 March 2022	31 March 2021
	0.5% increase	
i. Discount rate	46.20	37.33
ii. Salary escalation rate - over a long-term	49.17	39.38
	10% increase	
iii. Withdrawal rate (W.R.)	48.30	39.05
	0.5% decrease	
i. Discount rate	50.03	40.36
ii. Salary escalation rate - over a long-term	47.19	38.25
	10% decrease	
iii. Withdrawal rate (W.R.)	47.73	38.52

Sensitivity for significant actuarial assumptions is computed by varying one actuarial assumption used for the valuation of the defined benefit obligation, keeping all other actuarial assumptions constant.

Compensated absences (₹ in Lakh)

Note 40: Segment Reporting

The Group is primarily engaged in the business of financing. All the activities of the Group revolve around the main business. Further, the Group does not have any seperate geographic segments other than India.

During year ending 31 March 2022, for management purposes, the Group has been organised into two operating segments based on products and services.

In computing the segment information, certain estimates and assumptions have been made by the management, which have been relied upon.

The Chief Operating Decision Maker (CODM) monitors the operating results of its business units separately for making decisions about resource allocation and performance assessment. Segment performance is evaluated based on operating profits or losses and is measured consistently with operating profits or losses in the financial statements. However, income taxes are managed on a entity as whole basis and are not allocated to operating segments.

(₹ in Lakh)

Note 43: financial risk management framework

In the course of its business, the Company is exposed to certain financial risks namely credit risk, interest risk, currency risk & liquidity risk. The Company's primary focus is to achieve better predictability of financial markets and seek to minimize potential adverse effects on its financial performance.

The financial risks are managed in accordance with the Company's risk management policy which has been approved by its Board of Directors.

Market risk

Market risk is the risk that the fair value of future cash flow of financial instruments will fluctuate due to changes in the market variables such as interest rates, foreign exchange rates and equity prices.

Interest rate risk

"The Group uses a mix of cash and borrowings to manage the liquidity & fund requirements of its day-to-day operations. Further, certain interest bearing liabilities carry variable interest rates. The Group's exposure to market risk for changes in interest rates relates to fixed deposits and borrowings from banks."

Interest rate sensitivity

The sensitivity analysis below have been determined based on exposure to interest rate for non-derivative instruments at the end of reporting period.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of borrowings affected. With all other variables held constant, the company's profit before tax is affected through the impact on floating rate borrowings, as follows:

The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows:

(₹ in Lakh)

Particulars	31 March 2022	31 March 2021
Fixed-rate instruments:		
Financial asset (bank deposits)	3.06	0.82
Variable-rate instruments:		
Financial liabilities (borrowings)	(208.01)	(90.00)

Fair value sensitivity analysis for fixed-rate instruments

The Group's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in IND AS 107, since neither the carrying amount nor the future cash flow will fluctuate because of a change in market interest rates.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Group's profit before tax is affected through the impact on floating rate borrowings, as follows:

(₹ in Lakh)

Particulars	31 March 2022	31 March 2021
Increase in basis points	50 basis points	
Effect on loss before tax, increase by	(1.04)	(0.45)
Decrease in basis points	50 basis points	
Effect on loss before tax, decrease by	1.04	0.45

Foreign currency risk

The Group is exposed to currency risk on account of its operating and financing activities. The functional currency of the Group is Indian Rupee. Our exposure are mainly denominated in U.S. dollar. The USD exchange rate has changed substantially in recent periods and may continue to fluctuate substantially in the future. The Group's business model incorporates assumptions on currency risks and ensures any exposure is covered through the normal business operations. This intent has been achieved in all years presented. The Group has put in place a Financial Risk Management Policy to Identify the most effective and efficient ways of managing the currency risks.

Exposure to currency risk

Particulars	31 March 2022	31 March 2022	31 March 2021	31 March 2021
	₹ in Lakh	Amount in foreign currency	₹ in Lakh	Amount in foreign currency
Trade payable				
- In USD	4.42	0.06	6.71	0.09

A reasonably possible strengthening / (weakening) of the Indian Rupee against US dollars at 31st March would have affected the measurement of financial instruments denominated in US dollars and affected profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases. In cases where the related foreign exchange fluctuation is capitalized to fixed assets, the impact indicated below may affect the Group's income statement over the remaining life of the related fixed assets or the remaining tenure of the borrowing respectively.

Particulars	Year ended 3	1 March 2022	Year ended 31 March 2021	
	(₹ in Lakh) (₹ in Lakh)		(₹ in Lakh)	(₹ in Lakh)
	1% increase 1% decrease		1% increase	1% decrease
Trade payable				
- In USD	(0.04)	0.04	(0.07)	0.07

Price risk:

The Group is exposed to equity price risk arising from investments held by the Group and classified in the balance sheet either as fair value through OCI or at fair value through profit or loss. To manage its price risk arising from investment in equity securities, the Group diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the Group. The majority of the Group's equity investments are listed on the Bombay Stock Exchange (BSE) or the National Stock Exchange (NSE) in India.

On investments- sensitivity analysis

As at 31 March 2022 (₹ in Lakh)

Particulars	Carrying value	Fair value	Sensitivity to fair value	
			1% increase	1% decrease
Investment at FVTPL	697.31	697.31	704.28	690.33
Investment at FVOCI	2,422.49	2,422.49	2,446.72	2,398.27
	3,119.80	3,119.80	3,151.00	3,088.60

As at 31 March 2021 (₹ in Lakh)

Particulars	Carrying value	Fair value	Sensitivity to fair value	
			1% increase	1% decrease
Investment at FVTPL	323.50	323.50	326.73	320.26
Investment at FVOCI	1,810.93	1,810.93	1,829.04	1,792.82
	2,134.43	2,134.43	2,155.77	2,113.08

Profit for the period would increase/decrease as a result of gains/losses on exchange traded funds equity securities classified as fair value through profit or loss, if any. Other components of equity would increase/decrease as a result of gain/losses on equity securities classified as fair value through other comprehensive income.

Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers and investment securities. The Group assesses the credit quality of all financial instruments that are subject to credit risk. The carrying amounts of financial assets represent the maximum credit exposure.

Classification of financial assets under various stages :

"The Group classifies its financial assets in three stages having the following characteristics:

Stage 1: unimpaired and without significant increase in credit risk since initial recognition on which a 12 month allowance for ECL is recognised;

Stage 2: a significant increase in credit risk since initial recognition on which a lifetime ECL is recognised;

Stage 3: objective evidence of impairment, and are therefore considered to be in default or otherwise credit impaired on which a lifetime ECL is recognised."

Trade receivables

The Group extends credit to customers in normal course of business. The Group considers factors such as credit track record in the market and past dealings for extension of credit to customers. To manage credit risk, the Group periodically assesses the financial reliability of the customer, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivables. Outstanding customer receivables are regularly monitored to make an assessment of recoverability. Receivables are provided as doubtful / written off, when there is no reasonable expectation of recovery. Where receivables have been provided / written off, the Group continues regular follow up and any other remedies available with the objective of recovering these outstandings. The Group is not exposed to concentration of credit risk to any one single customer since services are provided to vast specturm.

Exposure to credit risk

The movement in the allowance for impairment in respect of trade receivables during the year was as follows.

Particulars	(₹ in Lakh)
Balance as at 1 April 2021	0.10
Impairment loss recognised	(0.10)
Balance as at 1 April 2022	_

Liquidity risk

Liquidity is defined as the risk that the Group will not be able to settle or meet its obligations on time or at a reasonable price. The Group's management is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Group's net liquidity position through rolling forecasts on the basis of expected cash flows.

Maturity profile of non-derivative financial liabilities

The following tables detail the Group's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Group can be required to pay. The tables include both interest and principal cash flows

Particulars	Less than 1 Year	1 year to 3 years	3 years to 5 years	5 years and above

Total	254.73	_	_	_

Note 43: Financial risk management framework (continued)

The Group measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

Total financial liabilities		_	_	397.13	_	_	254.73

The Group has not disclosed the fair values for financial instruments for other financial assets, loans, trade receivables, cash and cash equivalents, bank balances other than cash & cash equivalents, trade payables, borrowings and financial liabilities because their carrying amounts are reasonable approximation of their fair values.

(ii) Fair value hierarchy

Fair value hierarchy explains the judgement and estimates made in determining the fair values of the financial instruments that are -

- a) recognized and measured at fair value
- b) measured at amortized cost and for which fair values are disclosed in the financial statements."

To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the three levels prescribed under the accounting standard.

- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- Level 3 Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities

Assets and Liabilities that are disclosed at Fair values through other comprehensive income

Particulars	Refer	31 March 2022		31 March 2021	
	note	Carrying amount	Fair value	Carrying amount	Fair value
Financial assets:					
Investments	6	2,422.49	2,422.49	1,810.93	1,810.93

Туре	Valuation technique	Significant unobservable inputs	Inter-relationship between significant unobservable inputs and fair value measurement
Investments in equity shares	The fair values of investments in equity shares is based on the quotes of listed companies as stated on BSE/NSE website as at balance sheet date.	Not applicable	Not applicable

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

Assets and Liabilities that are disclosed at Fair values through Profit & Loss

(₹ in Lakh)

Particulars	Refer 31 March 2022		31 March 2021		
	note	Carrying amount	Fair value	Carrying amount	Fair value
Financial assets:					
Investments	6	697.31	697.31	323.50	323.50

Туре	Valuation technique	Significant unobservable inputs	Inter-relationship between significant unobservable inputs and fair value measurement
Investments in mutual funds	The fair values of investments in mutual fund units is based on the net asset value ("NAV") as stated by the issuer of these mutual fund units in the published statements as at balance sheet date. NAV represents the price at which the issuer will issue further units of mutual fund and the price at which the issuers will redeem such units from the investor.	Not applicable	Not applicable

Assets and liabilities that are disclosed at amortized cost for which fair values are disclosed are classified as Level 3.

If one or more of the significant inputs is not based on observable market data, the respective assets and liabilities are considered under Level 3.

(iii) Financial assets and liabilities measured at amortized cost

Note 44: Capital management

The Group's objectives when managing capital are to safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and maintain an optimal capital structure to reduce the cost of capital.

The capital structure of the Group is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets in order to maintain or adjust the capital structure.

The Group determines the amount of capital required on the basis of operations, capital expenditure and strategic investment plans. The capital structure is monitored on the basis of net debt to equity and maturity profile of overall debt portfolio.

(₹ in Lakh)

Particulars	31 March 2022	31 March 2021
Total debts	208.01	90.00
Less : Cash and cash equivalents	155.18	210.95
Less : Bank Balance other than Cash and cash equivalents	3.06	0.82
