# Journey of Swastika

# From the desk of **Chairman & MD**

Dear Stakeholders,  
Swastika Investmart Ltd. has been on the journey of making a valuable difference in the world of finance and has completed 30 years of its upward and ongoing journey. Together we have put a strong foot in this revolutionizing industry and contributed with utmost excellence.

## Industry Overview

The world has now entered in post covid era. This new age of post covid life has emerged with some new opportunities and has transformed the way of doing business. Going big has become going digital, thereby rise of the fintech industry. Increasing number of fintech startups, exponential rise in market participants in equity markets as compared to FY 2020-21 in which around 1.58 crore new Demat accounts were opened, in the current financial year 2021-22 the industry witnessed a record opening of 3.5 crore new Demat accounts, more than 100 new IPO's and many more in pipeline, indices soaring to their all-time highs collectively kept the outlook towards the financial markets remain positive and full of future growth.

## Financials

Your company in the past year has demonstrated its true capabilities via its growth, expansion and technological upgradations. These are reflected in the financial performance of the company. Your company has earned the consolidated revenue of Rs.8313.80 Lakhs for the F.Y. 2021-2022, this is around 7.93 % growth from last financial year. Net Profit is Rs.1007.01 Lakhs. Further your company's operating profit margin for F.Y. 2021-2022 is 15.86% and net profit margin is 16.27%. Earnings per share of the company for F.Y. 2021-2022 is Rs.34.02.

## Growth and Expansion

Our footsteps towards growth have led us to acquire 'Safal Capital Ltd.' to strengthen and expand our online stock broking business and client base. This acquisition added around 16000 new retail clients and 120 new authorized persons.

In the merchant banking segment, your company is registered as category- I with SEBI, in which apart from SME IPOs, we have successfully completed more than 125 valuation assignments, till date.

Our team has developed a robust mechanism & strategy to

generate profits for our clients and help them in their financial journey.

## Technological Transformation and Automation

Gaining a technological edge has become a major focus area for the company. We have been at the forefront of technological adoption and intervention, which has helped us improve customer experience and their convenience resulting in customer growth.

'Tradingo' is your company's door in the world of new age finance where digitization and technology has become the dominant driving force. Tradingo, our fintech startup has successfully completed its 2 years. It has shown its visibility with a commendable 26.88% client growth and its discrete and unique technology for smooth trading & investing for its clients via its trading app. Our robust R&D and seamless backend integration have enabled us to stay ahead of the curve.

## Employees at Swastika

Employees are the essence of any organisation. Time and again it has been proven that a happy employee ultimately leads happy customers which leads to a successful company.

Your company has generated employment over the past years. We believe in our employees and their contribution; hence we never laid off the workforce, instead we have been working rigorously on team building. Further the company has been rewarding and incentivizing employees based on their performance.

We are committed to providing a positive work environment with a healthy and growth driven work culture where ideas and efforts of employees are rewarded and recognised. Investing in strengthening the skills of our people and aligning them with our vision has been our topmost focus in the past years. For this we have been conducting various training programs and workshops.

## Corporate Social Responsibility

Your company firmly believes in the value of contributing towards the society. We believe in a healthy and happy world. Over the past many years, the company has been running many initiatives and campaigns for the betterment of the society.

Recently we launched a project 'Taare Zameen Par', with an intention to support the creativity, art and productivity of specially-abled children. Under this project we have opened various retail shops for the sale of hand-made items by these children.

Further we have also initiated various animal protection projects and human health benefit projects.

#### The Road Ahead

The vision of a company is a reflection of its actions. Time and again we have proved our growth, resilience and future existence with our current performance. Our strength lies in our team, our visions, our values, our capability to innovate and most importantly our clients.

Our company has ventured its journey on the path of success by building an inhouse CRM, JARVIS, to acquire new clients and serve them better. The company has been continuously working towards adding more features to our trading application 'Justrade 2.0' for world class trading and investing experience.

With a well-structured and trained team, we aim at building customer excellence. Our goal is to transform customer service in the industry. With our technology-driven approach and our team we are empowered to meet customers' needs faster and more efficiently.

Investment Banking, NBFC and Insurance division have been restructured with improved teams and strategic approach. Services such as startup mentoring, M&A, funding through private equity and venture capital, ESOP consultancy for start-ups and IPOs on main board of exchanges are a some on which the company is working to upscale the value of these its businesses.

Last but not the least I would like to thank all the stakeholders for believing in the company and its vision and values. Wish you all a happy and healthy life ahead.

Thank You!

### MANAGEMENT DISCUSSION AND ANALYSIS REPORT

#### GLOBAL FINANCIAL MARKET

As per OECD Economic Outlook report - March 2022, global economic growth may reduce by over 1 percentage point in 2022 on account of Russia-Ukraine conflict. In December 2021- OECD projected global growth of 4.5 per cent in 2022 and 3.2 per cent in 2023. As per the report, the war in Ukraine has created a new negative supply shock for the world economy, at the time when the pandemic led supply-chain challenges started fading down in 2022. The impact of the shocks emanating from the conflict differs across regions, with the European economies being the hardest hit, while advanced economies in the Asia-Pacific region and the Americas having weaker trade and investment links with Russia, are hit by weaker global demand and higher commodity prices. Considering the war in Ukraine and economic sanctions on Russia, Fitch Ratings has cut its world GDP growth forecast for 2022 by 0.7 percentage to 3.5 per cent, while for Eurozone growth is reduced by 1.5 percentage to 3.0 per cent.

#### INDIAN ECONOMY AT A GLANCE

The last two years have been difficult for the world economy on account of the COVID-19 pandemic. Repeated waves of infection, supply-chain disruptions and, more recently, inflation have created. Faced with these challenges, the Government of India's immediate response was a bouquet of safety-nets to cushion the impact on vulnerable sections of society and the business sector. It next pushed through a significant increase in capital expenditure on infrastructure to build back medium-term demand as well as aggressively implemented supply-side measures to prepare the economy for a sustained long-term expansion.

With the vaccination programme having covered the bulk of the population, economic momentum building back and the likely long-term benefits of supply-side reforms in the pipeline, the Indian economy is in a good position to witness GDP growth of 8.0-8.5 per cent in 2022-23.

#### MARKET SEGMENT INSIGHTS

- Technological innovations is a significant driver for the increasing participation of investors in equity markets. The pandemic resulted in a significant meltdown in the stock market. Improved financial awareness led to a 130% growth in Demat account openings. fintech companies have played a significant role in the growth of the brokerage market, backed by increased smartphone users and high internet speed with low data costs. Retail investors use mobile-based trading as they primarily invest in convenient and user-friendly apps with secure platforms below is some statistics that shows the month on month data of demat accounts open at NSDL and CDSL.

- Large established entities with a strong presence in online broking have increased their market share in the current environment. Many small brokers and sub-brokers have merged their operations with well-established players, given the increased regulatory oversight and the cost of implementing the processes. Going forward, larger and well-established brokerage companies are expected to garner market share. The trend of consolidation is expected to continue with smaller broking players ceding market share to more established broking entities.

## INDUSTRIAL OUTLOOK

Retail participation in the Indian equity market has soared significantly over the past two years, as more and more first-time investors ventured into the market for better returns at a time when the benchmark rates (repo) were kept at a record low. The pandemic-led lockdown and subsequent work-from-home with high internet penetration further augmented their enthusiasm.

### Trends in the Secondary Market

- During March 2022, Nifty 50 touched high of 17560 on March 31, 2022 and closed at 17,465 registering a rise of 4.0 per cent over February-end 2022. Similarly, BSE Sensex touched high of 58,891 on March 31, 2022 and closed at 58,569 rising by 4.1 per cent over end of February 2022. The P/E ratios of S&P BSE Sensex and Nifty 50 were 24.8 and 21.7 respectively, at the end of March 2022.
- Reflecting the rise in indices, the market capitalisation of BSE and NSE rose by 4.6 per cent and 4.5 per cent respectively, at the end of March 2022, over the previous month-end.

### OPPORTUNITIES AND THREATS RELATING TO BUSINESS OPERATIONS

While many economies around the globe continue to reel under the aftershocks of Covid, India's journey of economic recovery is a testament of the timely and well-coordinated efforts of the Government and Regulators, ably supported by the relentless spirit of her citizens. Market Infrastructure Institutions and intermediaries ensured that the capital market performed at no less level than its best during the turbulent times.

This is the new age of retail investors, Individual investor participation in equity cash segment has seen a sharp rise, with the share of individual investors in the total turnover at NSE increasing from 33.0% in FY16 to 40.7% in FY22. Individual investors shareholding in Nifty 50, Nifty 500 and Nifty listed companies expanded by 21bps, 29bps and 36bps in December 2021 over September 2021, to near 14 year highs of 8.3%, 9.0% and 9.7% respectively. The holding of individual investors in NSE listed companies increased by 130bps since December 2019. All this data shows the high scope of opportunities in stock market.

Behind the substantial growth of retail individuals into the stock market has so many factors like advancement of technology, it makes the investor independent to invest into the stock market very quickly and efficiently. From investors' perspective, long-term wealth creation through portfolio allocation to equity stocks is being availed of by as many investors.

The Company operates in an industry that is influenced by various macro parameters i.e. both global and domestic. The Members of the Company who have not yet encashed their dividend warrant(s) for the F.Y. 2014-15 and onwards, may write to the Company/Registrar & Share Transfer Agent immediately. Pursuant to Section 124(5) of the Companies Act, 2013, the unpaid dividends that are due for transfer to the Investor Education and Protection Fund are as follows:

Financial Year	Date of Declaration	Due date of transfer unpaid dividend to IEPF
2014-15	22.09.2015	28.10.2022
2015-16	20.09.2016	26.10.2023
2016-17	19.09.2017	25.10.2024
2017-18	26.09.2018	01.11.2025
2018-19	29.08.2019	04.10.2026
2019-20(Interim & Final Dividend)	14.03.2020	19.04.2027
2020-21(Interim & Final Dividend)	15.03.2021	20.04.2028

Members who have not encashed their dividend warrants pertaining to the aforesaid years may approach the Company/Registrar, for obtaining payments thereof at least 15 days before they are due for transfer to the said fund.

The Company has uploaded the details of unpaid and unclaimed amounts lying with the Company as on 31<sup>st</sup> March, 2022 on the Company's at <https://bit.ly/3HPen4O> and on the website of the Ministry of Corporate Affairs at [www.iepf.gov.in](http://www.iepf.gov.in).

### **Transfer of amount/shares to Investor Education and Protection Fund:**

Pursuant to the provisions of Sections 124 and 125 of the Companies Act, 2013 read with the IEPF (Accounting, Audit, Transfer and Refund) Amendment Rules, 2017, dividend / interest / refund of applications which remains unclaimed/unpaid for a period of 7 years is required to be transferred to IEPF. Further, the IEPF Rules mandate the companies to transfer all shares on which dividend remains unclaimed/unpaid for a period of 7 consecutive years to the demat account of the IEPF Authority.

Accordingly during the Financial Year 2021-22 unpaid/unclaimed dividends of ₹ 69,874.00/- relating to financial year 2013-14 were transferred to the Investor Education and Protection Fund and 1400 unclaimed equity shares pertaining to 7 folios in respect of which dividend from financial year 2013-14 had not been paid or claimed for seven consecutive years or more by shareholders, had been transferred to the designated demat account of the IEPF Authority.

The Members/claimants whose shares or unclaimed dividends get transferred to IEPF may claim the shares or apply for refund from the IEPF Authority by following the refund procedure as detailed on the website of IEPF Authority at [www.iepf.gov.in/IEPF/refund.html](http://www.iepf.gov.in/IEPF/refund.html).

## Independent Auditor's Report

### Report on the Audit of the Standalone Financial Statements

To,  
The Members of  
Swastika Investmart Limited

### Opinion

We have audited the standalone financial statements of Swastika Investmart Limited ("the Company"), which comprise the balance sheet as at 31 March 2022, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022, its profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the standalone financial statement in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current year. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
<p>1. Business combination arising pursuant to the scheme of arrangements</p> <p>Accounting for business combination from the appointed date 1st April, 2021, where the scheme of arrangement became effective from 28th March, 2022 between Swastika Commodities Private Limited (Transferor Company) and Swastika Investmart Limited (Transferee Company). The Company accounted for the merger as per Appendix C of Ind AS 103 under the principles of common control. We have determined this to be a key audit matter in view of the nature of the transaction, Company involved in the scheme of arrangement, complexity involved in merging the businesses operations between the Company and its subsidiary Company,</p>	<p>Our audit procedures included but were not limited to the following:</p> <ul style="list-style-type: none"> <li>Read the scheme of arrangement.</li> <li>Evaluated the appropriateness of 'Pooling of interest' method of accounting adopted by the management to account for the business combination.</li> <li>Corroborated management's alignment of accounting policies and estimates by comparing the significant accounting policies and estimates of the Company which was part of the scheme of arrangement and comparing with the Company's accounting policies and estimates.</li> <li>Verified that the assets and liabilities of the Transferor Company is recognised at the carrying value (as appearing in their respective books immediately prior to the appointed date) in the transferee Company.</li> <li>Examined the disclosures in respect of this transaction of business combination including those disclosures related to significant accounting judgements and estimates.</li> <li>Verified that the reserves of the transferor Company are aggregated with the respective reserves of the transferee Company and the identity of the reserves are maintained.</li> </ul>

significant management judgment involved with respect to identification of uniform accounting policies and estimates of the transferor company.

2. Information Technology (IT) Systems and Controls The Company's key financial accounting and reporting processes are highly dependent on the automated controls over the Company's information systems, such that there exists a risk that gaps in the IT general control environment could result in a misstatement of the financial accounting and reporting records. Accordingly, we have considered user access management, segregation of duties and controls over system change over key financial accounting and reporting systems, as a key audit matter.

#### Our Audit Approach:

Our audit approach was a combination of test of internal controls and substantive procedures which included the following:

General IT controls design, observation and operation:

- Tested key controls operating over the information technology in relation to financial accounting and reporting systems, including system access and system change management, program development and computer operations.

#### User access controls operation:

- Obtained management's evaluation of the access rights granted to applications relevant to financial accounting and reporting systems and tested resolution of a sample of expectations.
- Further, we assessed the operating effectiveness of controls over granting, removal and appropriateness of access rights.

#### Application controls:

- We tested the design and operating effectiveness of automated controls critical to financial accounting and reporting.
- For any identified deficiencies, tested the design and operating effectiveness of compensating controls and, where necessary, extended the scope of our substantive audit procedure.

We also tested key automated and manual controls and logic for system generated reports relevant to the audit that would materially impact the financial statements.

- 3) Provisions and Contingent liabilities in respect of certain litigations of Assessment of Direct and Indirect Taxes not acknowledged as debt. (Note No. 33 to the standalone financial statements):

The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes. The Company's assessment is supported by the facts of matter, their own judgment and past experience. Accordingly, unexpected adverse outcomes may significantly impact the Company's reported Loss and the Balance Sheet.

We determined the above area as a Key Audit Matter in view of associated uncertainty relating to the outcome of these matters.

#### Our audit approach involved :-

- a. Understanding the current status of the litigations/tax assessments;
- b. Examining communication received from various Tax Authorities/Judicial forums and follow up action thereon;
- c. Evaluating the merit of the subject matter under consideration with reference to available independent legal advice; and
- d. Review and analysis of evaluation of the contentions of the Company through discussions, collection of details of the subject matter under consideration and the likely outcome.

## Other Information

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with [the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the Audit of the standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism through out the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended 31 March, 2022 and is therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Other Matter

The comparative financial information of the Company for the year ended March 31, 2021 included in the financial statements, have been restated to give effect to the Scheme of Amalgamation ("the Scheme") of Swastika Commodities Private Limited with the Swastika Investmart Limited, as explained in Note 44 to the financial statements.

The financial information of erstwhile Swastika Commodities Private Limited included in the restated comparative financial information have been audited by the other auditors. The adjustment made to the previously issued financial information to give effect of the scheme have been audited by us.

Our report is not modified in this regard.

## Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

## Annexure 2 to the Independent Auditor's Report of even date on the standalone financial statements of Swastika Investmart Limited for the year ended March 31, 2022

### Report on the Internal Financial Controls under clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of Swastika Investmart Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by The Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by The Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and

perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to standalone financial statements.

### Meaning of Internal Financial Controls with reference to standalone financial statements

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

### Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2022, based on the internal control criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting, issued by The Institute of Chartered Accountants of India.

## Notes to Financial Statements

### Note- 1: Company Overview, Basis of Preparation and Significant Accounting Policies

#### (A) Company Overview

"Swastika Investmart Limited" ("Swastika" or "the Company") was incorporated in 1992, as a public limited company under the provisions of the Companies Act, 1956. The Company is domiciled in India having Registered Office at Flat No. 18, North Wing, Madhaveswar Co-op. Hsg. Society Ltd. Madhav Nagar 11/12, S.V. Road, Andheri(W), Mumbai - 400058 and listed on the BSE Limited.

The Company is engaged in rendering services pertaining to Stock Broking, DP, Merchant Banking and Other Third Party Products Distribution Activities.

#### (B) Basis of Preparation of Financial Statements

(i) **Statement of Compliance :** The Financial Statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the "Act") [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

(ii) **Basis of Preparation :**

##### 1) Compliance with Ind AS

These Financial Statements comprising of Balance Sheet, Statement of Profit and Loss including other comprehensive income, Statement of Changes in Equity and Statement of Cash Flows as at March 31, 2022 have been prepared in accordance with Ind AS as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and companies (Indian Accounting Standards) Amendment Rules, 2016.

These Financial Statements have been approved for issue by the Company's Board of Directors at their meeting held on 10 May, 2022. These Financial Statements are presented in Indian Rupees (INR), and all values are rounded to the nearest lakhs, which is also the functional and presentation currency.

##### 2) Historical Cost Convention

The Company follows the mercantile system of accounting and recognizes income and expenditure on an accrual basis. The Financial Statements are prepared under the historical cost convention, except in case of significant uncertainties and except for the following:

- Certain Financial Assets and Liabilities that are measured at fair value;
- Defined benefit plans where plan assets are measured at fair value;
- Investments are measured at fair value.

##### 3) Preparation of Financial Statements

The Company is covered in the definition of Non-Banking Financial Company as defined in Companies (Indian Accounting Standards) (Amendment) Rules, 2016. As per the format prescribed under Division III of Schedule III to the Companies Act, 2013, the Company presents the Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the order of liquidity. A maturity analysis of recovery or settlement of assets and liabilities within 12 months after the reporting date and more than 12 months after the reporting date is presented in Note 41.

#### (C) Significant Accounting Policies

##### (i) Fair Value Measurement

The Company measures financial instruments at fair value at each Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the Financial Statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- **Level 1** – Quoted (unadjusted) market prices in active market for identical assets or liabilities.
- **Level 2** – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- **Level 3** – Valuation techniques for which the lowest level input that is significant to the fair value measurement. For assets and liabilities that are recognised in the Financial Statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

## (ii) Revenue Recognition

The Company recognises revenue from contracts with customers based on a five step model as set out in Ind AS 115, Revenue from Contracts with Customers, to determine when to recognize revenue and at what amount. Revenue is measured based on the consideration specified in the contract with a customer. Revenue from contracts with customers is recognised when services are provided and it is highly probable that a significant reversal of revenue is not expected to occur. Revenue is measured at fair value of the consideration received or receivable. Revenue is recognised when (or as) the Company satisfies a performance obligation by transferring a promised service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset. When (or as) a performance obligation is satisfied, the Company recognizes as revenue the amount of the transaction price (excluding estimates of variable consideration) that is allocated to that performance obligation.

- a) Income from broking activities is recognized as per contracted rates on the execution of transactions on behalf of the clients on the trade date and is exclusive of Goods and Service Tax (GST) and Securities Transaction Tax (STT) wherever applicable.
- b) Income from sales of Shares and Securities are recognized on the date of the relevant transactions.
- c) Income from Depository Operations is accounted on accrual basis.
- d) Income from Merchant Banking Income is accounted on accrual basis.
- e) Equity Index / Stock Futures / Currency Futures:
  - 1) Equity Index / Stock Futures/ Currency Futures are marked to market on a daily basis. Debit or Credit balance disclosed under Loans and Advances or Financial Liabilities, respectively, in the Mark to Market Margin Equity Index / Stock Futures/Currency Account, represents the net amount payable or receivable on the basis of movement in the process of Index / Stock futures /Currency Futures on the Balance Sheet date.
  - 2) As on the Balance Sheet date, Profit / Loss on open position in Equity Index /Stock Futures/Currency Futures is accounted as follows:
    - Credit balance in the Mark-to-Market Margin Equity Index/ Stock Futures /Currency Futures Account, being the anticipated Profit, is ignored and no credit for the same is taken in the Statement of Profit and Loss.
    - Debit balance in the Mark-to-Market Margin Equity Index/ Stock Futures/Currency Futures Account, being the anticipated loss, is provided in the Statement of Profit and Loss.
- f) Option Contracts
  - 1) At the time of final settlement Premium paid/ received is recognized as an expense/ income on exercise of Option .Further, difference between the final settlement price as on the exercise/ expiry date and the strike price is recognized as Income/ Loss.
  - 2) At the time of squaring off difference between the premium paid and received on squared off transaction is treated as Profit or Loss.
- g) Income from Delay Pay in Charges and Interest is recognized on a time proportion basis.
- h) Dividend income is recognized only when the right to receive is established.
- i) Advisory fees, merchant banking fees and other income are accounted on accrual basis, net of service tax/ Goods and Service Tax.

## (iii) Property, Plant and Equipment (PPE)

PPE is recognized when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any. Cost includes professional fees related to the acquisition of PPE and for qualifying assets, borrowing costs capitalized in accordance with the company's accounting policy.

Own manufactured PPE is capitalized at cost including an appropriate share of overheads. Administrative and other general overhead expenses that are specifically attributable to construction or acquisition of PPE or bringing the PPE to working condition are allocated and capitalized as a part of the cost of the PPE.

PPE not ready for the intended use on the date of the Balance Sheet are disclosed as “capital work-in-progress”. Depreciation is recognized using straight line method so as to write off the cost of the assets (other than freehold land and properties under construction) less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013, or in the case of assets where the useful life was determined by technical evaluation, over the useful life so determined. Depreciation method is reviewed at each financial year end to reflect the expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and residual values are also reviewed at each financial year end and the effect of any change in the estimates of useful life/residual value is accounted on prospective basis.

Where cost of a part of the asset (“asset component”) is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and such asset component is depreciated over its separate useful life.

Depreciation on additions to/deductions from, owned assets is calculated pro rata to the period of use.

Assets acquired under finance leases are depreciated on a straight line basis over the lease term. Where there is reasonable certainty that the company shall obtain ownership of the assets at the end of the lease term, such assets are depreciated based on the useful life prescribed under Schedule II to the Companies Act, 2013 or based on the useful life adopted by the company for similar assets.

Freehold land is not depreciated.

The estimated useful life of Property, Plant and Equipment is mentioned below:

Asset Class	Estimated Useful Life (Years)
Furniture	10
Vehicles	10
Office Equipment	10
Computer	3
V-Sat	13

#### (iv) Intangible Assets

An intangible asset shall be recognized if, and only if:

- (a) it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company; and
- (b) the cost of the asset can be measured reliably. All other expenditure is expensed as incurred.

Computer software is capitalized where it is expected to provide future enduring economic benefits. Capitalization costs include license fees and costs of implementation/ system integration services. The costs are capitalized in the year in which the relevant software is implemented for use. The same is amortized over a period of its estimated useful life on straight-line method.

Other Intangible assets are measured at cost less any accumulated amortization and impairment losses, if any and are amortized over their respective individual estimated useful life on straight-line method. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period and adjusted prospectively, if appropriate.

#### (v) Valuation of Inventories

Stock-in-trade of shares and securities are valued at lower of the cost or market value on individual script by script basis.

#### (vi) Borrowings

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortized over the period of the facility to which it relates.

#### (vii) Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalization.

Other borrowing costs are expensed in the period in which they are incurred.

## (viii) Employee Benefits

### a) Short term obligations:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

### b) Post-employment obligations

The Company operates the following post-employment schemes.

#### 1. Defined benefit plans (Gratuity)

The Company has taken Group Gratuity Cash Accumulation Policy issued by the Life Insurance Corporation of India (LIC). The cost of providing defined benefits is determined using the Projected Unit Credit method with actuarial valuations being carried out at each reporting date. The defined benefit obligations recognized in the Balance Sheet represent the present value of the defined benefit obligations.

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability/ (asset) are recognized in the Statement of Profit and Loss. Re-measurements of the net defined benefit liability/ (asset) comprising actuarial gains and losses are recognized in Other Comprehensive Income. Such re-measurements are not reclassified to the Statement of Profit and Loss in the subsequent periods.

#### 2. Defined Contribution Plans such as Provident Fund

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expenses when they are due.

## (ix) Leases

Ind AS 116 'Leases' has been introduced effective from 1st April, 2019. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model similar to the accounting for finance leases under Ind AS 17. The standard includes two recognition exemptions for lessees – leases of 'low-value' assets (e.g., personal computers) and short-term leases (i.e., leases with a lease term of 12 months or less). At the commencement date of a lease, a lessee will recognise a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). Lessees will be required to separately recognise the interest expense on the lease liability and the depreciation expense on the right-of-use asset.

Lessees will also be required to remeasure the lease liability upon the occurrence of certain events (e.g., a change in the lease term, a change in future lease payments resulting from a change in an index or rate used to determine those payments). The lessee will generally recognise the amount of the remeasurement of the lease liability as an adjustment to the right-of-use asset. Lessor accounting under Ind AS 116 is substantially unchanged from today's accounting under Ind AS 17. Lessors will continue to classify all leases using the same classification principle as in Ind AS 17 and distinguish between two types of leases operating and finance lease.

## (x) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share, is the net profit for the period. The weighted average number equity shares outstanding during the period and all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

## (xi) Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for the jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences, to unused tax losses and unabsorbed depreciation.

Current and deferred tax is recognized in the Statement of Profit and Loss except to the extent it relates to items recognized directly in equity or other comprehensive income, in which case it is recognized in equity or other comprehensive income."

Provision for Income tax is made on the basis of the estimated taxable income for the current accounting period in accordance with the Income- tax Act, 1961 and Revised Income Computation and Disclosure Standards (ICDS) of the Income-tax Act, 1961.

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax is provided using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Financial Statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or

substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled. The carrying amount of deferred tax assets is reviewed at each reporting date and adjusted to reflect changes in probability that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

## (xii) Impairment of Assets

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the management estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the assets belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

## (xiii) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Contingent liability is disclosed in the case of:

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from past events, when no reliable estimate is possible;
- a possible obligation arising from past events, unless the probability of outflow of resources is remote.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

## (xiv) Financial Instruments

A Financial Instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### Financial Assets

#### 1. Initial Recognition and Measurement

At initial recognition, all financial assets are measured at fair value. Such financial assets are subsequently classified under following three categories according to the purpose for which they are held. The classification is reviewed at the end of each reporting period.

##### (a) Financial Assets at Amortized Cost

At the date of initial recognition, are held to collect contractual cash flows of principal and interest on principal amount outstanding on specified dates. These financial assets are intended to be held until maturity. Therefore, they are subsequently measured at amortized cost by applying the Effective Interest Rate (EIR) Method to the gross carrying amount of the financial asset. The EIR amortization is included as interest income in the profit or loss. The losses arising from impairment are recognized in the profit or loss.

##### (b) Financial Assets at Fair value through Other Comprehensive Income

At the date of initial recognition, are held to collect contractual cash flows of principal and interest on principal amount outstanding on specified dates, as well as held for selling. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognized in Other Comprehensive Income (OCI). Interest income calculated using the effective interest rate (EIR) method, impairment gain or loss and foreign exchange gain or loss, if any, are recognized in the Statement of Profit and Loss. On de-recognition of the asset, cumulative gain or loss previously recognized in Other Comprehensive Income is reclassified from the OCI to Statement of Profit and Loss.

##### (c) Financial Assets at Fair value through Profit or Loss

At the date of initial recognition, financial assets are held for trading, or which are measured neither at Amortized Cost nor at Fair Value through OCI. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognized in the Statement of Profit and Loss.

#### 2. Trade Receivables

A Receivable is classified as a 'Trade Receivable' if it is in respect to the amount due from customers in the ordinary course of business. Trade

receivables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment.

Impairment is made on the expected credit losses, which are the present value of the cash shortfalls over the expected life of financial assets. The estimated impairment losses are recognized in a separate provision for impairment and the impairment losses are recognized in the Statement of Profit and Loss within other expenses.

Subsequent changes in assessment of impairment are recognized in provision for impairment and the change in impairment losses are recognized in the Statement of Profit and Loss within other expenses.

### 3. Investment in Equity Shares

Investments in Equity Securities are initially measured at cost. Any subsequent fair value gain or loss is recognized through Other Comprehensive Income.

### 4. Investment in Subsidiaries

The Company has accounted for its investment in subsidiaries at cost.

### 5. Investments in Mutual Funds

Investments in Mutual Funds are accounted for at cost. Any subsequent fair value gain or loss is recognized through Profit or Loss Account.

### 6. Impairment of Financial Assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at Fair value through Profit and Loss (FVTPL).

### 7. Expected Credit Losses are measured through a loss allowance at an amount equal to:

- (a) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- (b) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For Trade Receivables Company applies 'Simplified Approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

### 8. De-recognition of Financial Asset

**Financial Asset is primarily derecognized when:**

- (i) The right to receive cash flows from asset has expired, or
- (ii) The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a " Pass-Through " arrangement and either:
  - a) The Company has transferred substantially all the risks and rewards of the asset, or
  - b) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its right to receive cash flows from an asset or has entered into a pass through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

## Financial Liabilities

### 1. Initial Recognition and Measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and derivative financial instruments.

### 2. Subsequent Measurement

Financial Liabilities are classified as either Financial Liabilities at FVTPL or 'Other Financial Liabilities':

**(a) Financial Liabilities at FVTPL:**

Financial Liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL. Financial Liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

**(b) Other Financial Liabilities:**

Other Financial Liabilities (including borrowings and trade and other payables) are subsequently measured at amortized cost using the effective interest method.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

**3. De-Recognition of Financial Liability**

A Financial Liability is derecognized when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in profit or loss as other income or finance costs.

**4. Offsetting of Financial Instruments**

Financial Assets and Financial Liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

**5. Derivative Financial Instruments**

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in profit or loss immediately.

**(xv) Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

**(xvi) Business Combination under Common Control**

Business combinations under common control are accounted for using the pooling of interest method as at the date of the acquisition, which is the date at which control is transferred to the Company. The consideration transferred in the acquisition and the identifiable assets acquired and liabilities assumed are recognised at carrying value on their acquisition date. Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognised for net identifiable assets acquired and liabilities assumed.

**(xvii) Significant Accounting Judgments, Estimates and Assumptions**

In the process of applying the Company's accounting policies, management has made the following estimates, assumptions and judgments which have significant effect on the amounts recognized in the financial statement:

**a. Income Taxes**

Judgment of the Management is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The company reviews at each Balance Sheet date the carrying amount of deferred tax assets and liabilities. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the Financial Statements.

**b. Contingencies**

Judgment of the Management is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the company as it is not possible to predict the outcome of pending matters with accuracy.

**c. Allowance for uncollected accounts receivable and advances**

Trade receivables are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when management deems them not collectible. Impairment is made on ECL, which are the present value of the cash shortfall over the expected life of the financial assets.

**d. Defined Benefit Plans**

The present value of the cost of the defined benefit plan and other post-employment benefits are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in future. These Includes the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

**37.** There are no amounts due and outstanding to be credited to Investor Education & Protection Fund as at March 31, 2022.

### 38. Lease

The Company has obtained premises for its business operations under lease. Such leases are generally have a lease term of 12 months or less with the option of premature cancellation of agreement on mutual consent of both the parties without having any purchase option. Lease payments are recognized in the Statement of Profit and Loss under "Rent" in Note no. 29.

### 39. Financial Risk Management

The Board provides guiding principles for overall risk management, as well as policies covering specific areas such as credit risk, liquidity risk, price risk, investment of surplus liquidity and other business risks effecting business operation. The Company's risk management is carried out by the management as per guidelines and policies approved by the Board of Directors.

#### (A) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses the direct risk of default, risk of deterioration of creditworthiness as well as concentration risks. The Company is exposed to credit risk from its operating activities (primarily trade receivables), deposits with banks and loans given.

#### Credit Risk Management

For financial assets the Company has an investment policy which allows the Company to invest only with counterparties having high credit ratings or with higher credentials. The Company reviews the creditworthiness of these counterparties on an ongoing basis. Another source of credit risk at the reporting date is from trade receivables as the company having collateral against the receivables in normal course. This credit risk has always been managed through credit approvals, establishing credit limits and continuous monitoring the creditworthiness of customers to whom credit is extended in the normal course of business. The Company estimates the expected credit loss based on past data, available information on public domain and experience. Expected credit losses of financial assets receivable are estimated based on historical data of the Company. The Company has provisioning policy for expected credit losses. There is no credit risk in bank deposits which are demand deposits.

The maximum exposure to credit risk as at 31 March, 2022 and 31 March, 2021 is the carrying value of such trade receivables as shown in Note No. 4 of the financials.

#### The Credit Loss allowances are provided in the case of trade receivables as under: ₹ in lakhs

Loss allowance as on 31 March, 2021	14.97
Change in loss allowance	11.46
Loss allowance as on 31 March, 2022	26.43

#### Loan- Margin Trading facilities

Margin trading facilities are secured by collaterals. As per policy of the Group, margin trading facilities to the extent covered by collateral and servicing interest on a regular basis is not considered as due/default. As per policy any account become due/default will be fully written off

as bad debt against respective receivables and the amount of loss will be recognised in the Statement of Profit and Loss. Subsequent recoveries of amounts previously written off will be credited to the Statement of Profit and Loss as bad debts recovered. However there is no account of margin trading facility written off or recovered during the year.

As per Ind AS 109, the maximum period to consider when measuring expected credit losses is the maximum contractual period (including extension options) over which the group is exposed to credit risk and not a longer period, even if that longer period is consistent with business practice. Therefore, the maximum period to consider when measuring expected credit losses for these margin trading facilities is the maximum contractual period (i.e. on demand/one day). For the computation of ECL, the margin trading facilities are classified into three stages as follows:

<b>Stages as per Ind AS 109</b>	<b>Receivable including Interest</b>
Stage 1	0 to 30 days past due
Stage 2	31 to 90 days past due
Stage 3	More than 90 days past due

Company does not have any margin trading facilities which may fall under stage 2 or stage 3.

## **(B) Liquidity Risk**

Liquidity risk is defined as the risk that the company will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash, other bank balances and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The company's treasury team is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the company's liquidity position through rolling forecasts on the basis of expected cash flows.

Refer Note no. 41 for analysis of maturities of financial assets and financial liabilities.

## **(C) Interest Risk**

The Company is exposed to various types of borrowings as stated in Note No. 14

**The Company's exposure to interest rate risks at the end of the reporting period is as follows:** ₹ in lakhs

<b>Particulars</b>	<b>As at March 31, 2022</b>	<b>As at March 31, 2021</b>
Variable Rate Borrowings	782.80	1,310.69

### **Sensitivity Analysis on Rate Borrowings**

The Company is exposed to various types of borrowings as stated in Note No. 14, respectively. The sensitivity analysis demonstrates a reasonably possible change in the interest rates, with all other variables held constant. For the year ended March 31, 2022 and March 31, 2021, every 0.25% increase in the interest rate would decrease the companies profit approximately by ₹ 1.89 lakhs and ₹ 3.16 lakhs respectively. A 0.25% decrease in the interest rate would lead to an equal but opposite effect.

## **(D) Market Risk**

Market risk is the risk that the fair value of future cash flows of the company will fluctuate because of movement in stock market. The company's nature of business and operations exposed to the market risks namely stock market movement risks, competition risks and technology risks. These risks may affect the company's income and expenses or the value equity investments. Nevertheless, the company believes that it has competitive advantage in terms of high quality services and by continuously upgrading its technology for front and back office softwares to meet the needs of its customers.

**44. Scheme of merger between Swastika Investmart Limited and Swastika Commodities Pvt. Ltd.**

**a.** The Board of Directors of the Company at their meeting held on July 25, 2019 had approved the amalgamation of Swastika Commodities Private Limited (a wholly owned subsidiary of the Company) ["SCPL" or the "subsidiary"] into the Company. The Scheme of Amalgamation ('the Scheme') of the Company with the Subsidiary was approved by Hon'ble National Company Law Tribunal, Mumbai Bench vide its order dated December 24, 2021 ('the NCLT Order'). The certified copy of the NCLT Order was filed with Registrar of Companies on March 28, 2022. Consequently, the Scheme has become operative from March 28, 2022. ('Effective Date') and effective from April 1, 2021 ('Appointed Date'). Under the scheme of amalgamation, in lieu of consideration no shares will be issued and allotted by the Company to the subsidiary and the entire issued, subscribed and paid up capital of the subsidiary company will be cancelled and extinguished.

**b. Name and nature of amalgamating Company:-**

Swastika Commodities Private Limited

The subsidiary is engaged in providing services pertaining to Commodity broking and related activities.

**c. Combination of authorised capital**

Pursuant to the aforesaid scheme of amalgamation, the authorised share capital of the Company stands increased by the authorised share capital of the subsidiary. Accordingly, the authorised capital of the Company stands at ₹ 600 lakhs w.e.f. April 1, 2020.

**d. Accounting treatment**

The Company has followed the accounting treatment prescribed in the said approved Scheme of Amalgamation, as follows:

Since the amalgamating entity Swastika Commodities Pvt. Ltd. is a wholly owned subsidiary of the Company, the transaction has been accounted for in accordance with the Appendix C to Ind AS 103 "Common Control Business Combination", which requires retrospective accounting of the amalgamation from the date common control was established. Accordingly, financial information as on April 1, 2020, being the earliest period presented in the annual standalone financial statements of the Company, and all periods thereafter, were restated to give effect of the amalgamation.

Accordingly, the Company has recorded all the assets and liabilities and reserves of SCPL at their respective book values as appearing in the books of SCPL as at April 1, 2020, the details of which are as follows:

## INDEPENDENT AUDITOR'S REPORT

### Report on the Audit of the Consolidated Financial Statements

To,  
The Members of  
Swastika Investmart Limited

#### Opinion

We have audited the accompanying consolidated financial statements of SWASTIKA INVESTMART LIMITED (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") comprising of the consolidated Balance Sheet as at 31 March, 2022, the consolidated Statement of Profit and Loss, including other comprehensive income, the consolidated Cash Flow Statement and the consolidated statement of Changes in Equity for the year the ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31, March, 2022, their consolidated profit including other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

#### Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matter	Auditor's Response
1) Information Technology (IT) Systems and Controls The Company's key financial accounting and reporting processes are highly dependent on the automated controls over the Company's information systems, such that there exists a risk that gaps in the IT general control environment could result in a misstatement of the financial accounting and reporting records. Accordingly, we have considered user access management, segregation of duties and controls over system change over key financial accounting and reporting systems, as a key audit matter.	<p><b>Our Audit Approach:</b></p> <p>Our audit approach was a combination of test of internal controls and substantive procedures which included the following:</p> <p><b>General IT controls design, observation and operation:</b></p> <ul style="list-style-type: none"> <li>Tested key controls operating over the information technology in relation to financial accounting and reporting systems, including system access and system change management, program development and computer operations.</li> </ul> <p><b>User access controls operation:</b></p> <ul style="list-style-type: none"> <li>Obtained management's evaluation of the access rights granted to applications relevant to financial accounting and reporting systems and tested resolution of a sample of expectations.</li> <li>Further, we assessed the operating effectiveness of controls over granting, removal and appropriateness of access rights.</li> </ul> <p><b>Application controls:</b></p> <ul style="list-style-type: none"> <li>We tested the design and operating effectiveness of automated controls critical to financial accounting and reporting.</li> <li>For any identified deficiencies, tested the design and operating effectiveness of compensating controls and, where necessary, extended the scope of our substantive audit procedure.</li> </ul> <p>We also tested key automated and manual controls and logic for system generated reports relevant to the audit that would materially impact the financial statements.</p>

- 2) Provisions and Contingent liabilities in respect of certain litigations of Assessment of Direct and Indirect Taxes not acknowledged as debt. (Note No. 35 to the consolidated financial statements):

The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes. The Company's assessment is supported by the facts of matter, their own judgment and past experience. Accordingly, unexpected adverse outcomes may significantly impact the Company's reported Loss and the Balance Sheet.

We determined the above area as a Key Audit Matter in view of associated uncertainty relating to the outcome of these matters.

**Our audit approach involved :-**

- Understanding the current status of the litigations/tax assessments;
- Examining communication received from various Tax Authorities/Judicial forums and follow up action thereon;
- Evaluating the merit of the subject matter under consideration with reference to available independent legal advice; and
- Review and analysis of evaluation of the contentions of the Company through discussions, collection of details of the subject matter under consideration and the likely outcome.

## Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibility of Management for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those respective Boards of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

## Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the of which we are the independent auditors, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended 31 March, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Other Matter

(a) We did not audit the financial statements and other financial information, in respect of three subsidiaries, whose financial statements include total assets of ₹ 3029.62 lakhs as at 31 March, 2022, and total revenues of ₹ 659.49 lakhs and net cash outflows of ₹ 23.86 lakhs for the year ended on that date. These financial statement and other financial information have been audited by other auditors, which financial statements, other financial information and auditor's reports have been furnished to us by the management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of such other auditors. Our opinion above on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

## Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of the subsidiary companies, as noted in the 'Other Matter' paragraph we give in the "Annexure 1" a statement on the matters specified in paragraph 3(xxi) of the Order.

## Annexure 2 to the Independent Auditor's Report of even date on the Consolidated financial statements of Swastika Investmart Limited for the year ended March 31, 2022

### Report on the Internal Financial Controls under clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of SWASTIKA INVESTMART LIMITED (hereinafter referred to as the “Holding Company”) as of and for the year ended 31 March, 2022, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”), as of that date.

### Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the companies included in the Group, are responsible for establishing and maintaining internal financial controls based on the internal control over

financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by The Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial

statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to consolidated financial statements.

### Meaning of Internal Financial Controls with reference to consolidated financial statements

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

### Inherent Limitations of Internal Financial Controls with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2022, based on the internal control criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting, issued by The Institute of chartered Accountants of India.

### OTHER MATTER

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements of the Holding Company, in so far as it relates to these three subsidiaries, is based on the corresponding reports of the auditors of such subsidiaries.

## Notes to Financial Statements

### Note- 1: Group Overview, Basis of preparation and Significant Accounting Policies

#### (A) Company Overview

"Swastika Investmart Limited" ("Swastika" or "the Company") was incorporated in 1992, as a public limited company under the provisions of the Companies Act, 1956. The Company is domiciled in India having registered office at Flat No. 18, 2nd Floor, North Wing, Madhaveshwar Co-op. Hsg. Society Ltd., Madhav Nagar 11/12, S.V. Road, Andheri(W), Mumbai - 400058 and listed on the BSE Limited.

Swastika Investmart Limited ("the Parent") and its subsidiaries (together called as "Group" or "Swastika Group") is engaged in rendering services pertaining to Stock Brokerage, Merchant Banking, IPO and other third party product distribution activities, NBFC, Commodities broking, and Insurance Broking.

#### (B) Basis of Preparation of Financial Statements

(i) **Statement of Compliance :** These consolidated financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the "Act") [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

#### (ii) Basis of Preparation:

a) **Compliance with Ind AS :** These Consolidated Financial Statements comprising of Balance Sheet, Statement of Profit and Loss including other comprehensive income, Statement of Changes in Equity and Statement of Cash Flows as at March 31, 2022 have been prepared in accordance with Ind AS as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and companies (Indian Accounting Standards) Amendment Rules, 2016.

These financial statements have been approved for issue by the Company's Board of Directors at their meeting held on 10 May, 2022. These financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest lakhs, which is also the functional and presentation currency of the Group.

#### b) Historical cost convention

The Group follows the mercantile system of accounting and recognizes income and expenditure on an accrual basis. The financial statements are prepared under the historical cost convention, except in case of significant uncertainties and except for the following:

- Certain financial assets and liabilities that are measured at fair value;
- Defined benefit plans where plan assets are measured at fair value;
- Investments are measured at fair value.

(iii) **Basis of Consolidation :** "The consolidated financial statements relate to the Swastika Investmart Limited and its subsidiary companies. The consolidated financial statements have been prepared on the following basis: "The consolidated financial statements of the Group and its subsidiaries are combined on a line-by-line basis by adding together the book values of the like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions in accordance with Ind - AS 110 "Consolidated Financial Statements".

a) The Holding Company is covered in the definition of Non-Banking Financial Company as defined in Companies (Indian Accounting Standards) (Amendment) Rules, 2016. As per the format prescribed under Division III of Schedule III to the Companies Act, 2013, the Holding Company presents the Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the order of liquidity. A maturity analysis of recovery or settlement of assets and liabilities within 12 months after the reporting date and more than 12 months after the reporting date is presented in Note 43.

b) **Subsidiaries:** Subsidiaries are entities controlled by the Group. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the consolidated financial statements from the date on which control commences until the date on which control ceases.

c) **Non-controlling interest (NCI):** NCI are measured at their proportionate share of the acquiree's net identifiable assets at the date of acquisition. Changes in the Group's equity interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions.

d) **Loss of control:** When the Group loses control over a subsidiary, it derecognizes the assets and liabilities of the subsidiary, and any related NCI and other components of equity. Any interest retained in the former subsidiary is measured at fair value at the date the control is lost. Any resulting gain or loss is recognized in profit or loss.

e) **Transactions eliminated on consolidation:** The financial statements of the Parent Company and its Subsidiaries used in the consolidation procedure are drawn upto the same reporting date i.e. March 31, 2022. The financial statements of the Parent Company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and

expenses. Intra-group balances and transactions, and any unrealized income and expenses arising from intra-group transactions, are eliminated. Unrealized losses are eliminated in the same way as unrealized gains, but only to the extent that there is no evidence of impairment.

- f) The Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's separate financial statements. Accounting policies of subsidiaries have been changed wherever necessary to ensure consistency with the policies adopted by the Group.

## (C) Significant Accounting Policies

### (i) Fair value measurement

The Group measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- **Level 1** – Quoted (unadjusted) market prices in active market for identical assets or liabilities.
- **Level 2** – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- **Level 3** – Valuation techniques for which the lowest level input that is significant to the fair value measurement.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

### (ii) Revenue Recognition

The Group recognises revenue from contracts with customers based on a five step model as set out in Ind AS 115, Revenue from Contracts with Customers, to determine when to recognize revenue and at what amount. Revenue is measured based on the consideration specified in the contract with a customer. Revenue from contracts with customers is recognised when services are provided and it is highly probable that a significant reversal of revenue is not expected to occur.

Revenue is measured at fair value of the consideration received or receivable. Revenue is recognized when (or as) the Group satisfies a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset.

When (or as) a performance obligation is satisfied, the Group recognizes as revenue the amount of the transaction price (excluding estimates of variable consideration) that is allocated to that performance obligation.

- a) Income from broking activities is recognized as per contracted rates on the execution of transactions on behalf of the clients on the trade date and is exclusive of GST and Securities Transaction Tax (STT)/ Commodity Transaction Tax (CTT) wherever applicable.
- b) Income from sales of Shares and Securities are recognized on the date of billing of the relevant transactions.
- c) Income from Depository Operations is accounted on accrual basis.
- d) Equity Index / Stock Futures / Currency Futures/commodity futures:

- 1) Equity Index/ Stock Futures/ Currency/ commodity Futures are marked to market on a daily basis. Debit or Credit balance disclosed under Loans and Advances or Financial Liabilities respectively, in the Mark to Market Margin Equity Index/ Stock Futures/ Currency Account, represents the net amount payable or receivable on the basis of movement in the process of Index/ Stock futures /Currency/ commodity Futures till the Balance Sheet date.
- 2) As on the Balance Sheet date, Profit/ Loss on open position in Equity Index/ Stock Futures/ Currency / commodity Futures is accounted as follows:
  - Credit balance in the Mark-to-Market Margin Equity Index/ Stock Futures/ Currency / commodity Futures Account, being the anticipated Profit, is ignored and no credit for the same is taken in the Statement of Profit and Loss.
  - Debit balance in the Mark-to-Market Margin Equity Index/ Stock Futures/ Currency / commodity Futures Account, being the anticipated loss, is provided in the Statement of Profit and Loss.
- e) Option Contracts
  - 1) At the time of final settlement Premium paid/ received is recognized as an expense/ income on exercise of Option .Further, difference between the final settlement price as on the exercise/ expiry date and the strike price is recognized as Income/ Loss.
  - 2) At the time of squaring off difference between the premium paid and received on squared off transaction is treated as Profit or Loss.
- f) Income from Delay Pay in Charges and Interest is recognized on a time proportion basis.
- g) Dividend income is recognized only when the right to receive is established.
- h) Advisory fees, merchant banking fees and other income are accounted on accrual basis, net of GST.
- i) Interest income is recognized in the Statement of Profit and Loss on an accrual basis. In case of Non Performing Assets (NPA), interest income is recognized upon realization as per the RBI Guidelines for NBFCs.

### (iii) Property, plant and equipment (PPE)

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any. Cost includes professional fees related to the acquisition of PPE and for qualifying assets, borrowing costs capitalised in accordance with the Group's accounting policy.

Own manufactured PPE is capitalised at cost including an appropriate share of overheads. Administrative and other general overhead expenses that are specifically attributable to construction or acquisition of PPE or bringing the PPE to working condition are allocated and capitalised as a part of the cost of the PPE.

PPE not ready for the intended use on the date of the Balance Sheet are disclosed as "capital work-in-progress".

Depreciation is recognised using straight line method so as to write off the cost of the assets (other than freehold land and properties under construction) less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013, or in the case of assets where the useful life was determined by technical evaluation, over the useful life so determined. Depreciation method is reviewed at each financial year end to reflect the expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and residual values are also reviewed at each financial year end and the effect of any change in the estimates of useful life/ residual value is accounted on prospective basis.

Where cost of a part of the asset ("asset component") is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and such asset component is depreciated over its separate useful life.

Depreciation on additions to/ deductions from, owned assets is calculated pro rata to the period of use.

Freehold land is not depreciated.

#### The estimated useful life of Property, Plant and Equipment is mentioned below:

Asset Class	Estimated Useful Life (Years)
Furniture	10
Vehicles	10
Office Equipment	10
Computer	3
V-Sat	13

#### (iv) Intangible assets

An intangible asset shall be recognised if, and only if:

- (a) It is probable that the expected future economic benefits that are attributable to the asset will flow to the Group; and
- (b) The cost of the asset can be measured reliably. All other expenditure is expensed as incurred.

Computer software is capitalised where it is expected to provide future enduring economic benefits. Capitalisation costs include licence fees and costs of implementation/ system integration services. The costs are capitalised in the year in which the relevant software is implemented for use. The same is amortised over a period of its estimated useful life on straight-line method.

Other Intangible assets are measured at cost less any accumulated amortisation and impairment losses, if any and are amortised over their respective individual estimated useful life on straight-line method. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period and adjusted prospectively, if appropriate.

#### (v) Inventories

Stock-in-trade of shares and securities are valued at lower of the cost or market value on individual script by script basis.

#### (vi) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

#### (vii) Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalization.

Other borrowing costs are expensed in the period in which they are incurred.

#### (viii) Employee Benefits

- a) **Short term obligations:** All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. The Group recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.
- b) **Post-employment obligations**

The Group operates the following post-employment schemes:

1. **Defined benefit plans (gratuity) :** The Group has taken Group Gratuity Cash Accumulation Policy issued by the Life Insurance Corporation of India (LIC). The cost of providing defined benefits is determined using the Projected Unit Credit method with actuarial valuations being carried out at each reporting date. The defined benefit obligations recognized in the Balance Sheet represent the present value of the defined benefit obligations.  
  
All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability/ (asset) are recognized in the Statement of Profit and Loss. Re-measurements of the net defined benefit liability/ (asset) comprising actuarial gains and losses are recognized in Other Comprehensive Income. Such re-measurements are not reclassified to the Statement of Profit and Loss in the subsequent periods.
2. **Defined contribution plans such as provident fund :** The Group pays provident fund contributions to publicly administered provident funds as per local regulations. The Group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expenses when they are due.

#### (ix) Leases

Ind AS 116 'Leases' has been introduced effective from 1st April, 2019. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model similar to the

accounting for finance leases under Ind AS 17. The standard includes two recognition exemptions for lessees – leases of 'low-value' assets (e.g., personal computers) and short-term leases (i.e., leases with a lease term of 12 months or less). At the commencement date of a lease, a lessee will recognise a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). Lessees will be required to separately recognise the interest expense on the lease liability and the depreciation expense on the right-of-use asset.

Lessees will be also required to remeasure the lease liability upon the occurrence of certain events (e.g., a change in the lease term, a change in future lease payments resulting from a change in an index or rate used to determine those payments). The lessee will generally recognise the amount of the remeasurement of the lease liability as an adjustment to the right-of-use asset. Lessor accounting under Ind AS 116 is substantially unchanged from today's accounting under Ind AS 17. Lessors will continue to classify all leases using the same classification principle as in Ind AS 17 and distinguish between two types of leases operating and finance lease.

### **(x) Earnings Per Share**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Group's earnings per share, is the net profit for the period. The weighted average number equity shares outstanding during the period and all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

### **(xi) Income Tax**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for the jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences, to unused tax losses and unabsorbed depreciation.

Current and deferred tax is recognized in the Statement of Profit and Loss except to the extent it relates to items recognized directly in equity or other comprehensive income, in which case it is recognized in equity or other comprehensive income.

Provision for Income tax is made on the basis of the estimated taxable income for the current accounting period in accordance with the Income- tax Act, 1961 and Revised Income Computation and Disclosure Standards (ICDS) of the Income-tax Act, 1961.

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax is provided using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled. The carrying amount of deferred tax assets is reviewed at each reporting date and adjusted to reflect changes in probability that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

### **(xii) Impairment of Assets**

The Group assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the management estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the assets belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

### **(xiii) Provisions, Contingent liabilities and Contingent assets**

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Group expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Contingent liability is disclosed in the case of:

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from past events, when no reliable estimate is possible;
- a possible obligation arising from past events, unless the probability of outflow of resources is remote.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

## (xiv) Financial Instruments

A Financial Instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### Financial Assets

#### Initial Recognition and Measurement

At initial recognition, all financial assets are measured at fair value. Such financial assets are subsequently classified under following three categories according to the purpose for which they are held. The classification is reviewed at the end of each reporting period.

- Financial Assets at Amortised Cost:** At the date of initial recognition, are held to collect contractual cash flows of principal and interest on principal amount outstanding on specified dates. These financial assets are intended to be held until maturity. Therefore, they are subsequently measured at amortised cost by applying the Effective Interest Rate (EIR) method to the gross carrying amount of the financial asset. The EIR amortisation is included as interest income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.
- Financial Assets at Fair value through Other Comprehensive Income :** At the date of initial recognition, are held to collect contractual cash flows of principal and interest on principal amount outstanding on specified dates, as well as held for selling. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognised in Other Comprehensive Income (OCI). Interest income calculated using the effective interest rate (EIR) method, impairment gain or loss and foreign exchange gain or loss, if any, are recognised in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in Other Comprehensive Income is reclassified from the OCI to Statement of Profit and Loss.
- Financial Assets at Fair value through Profit or Loss :** At the date of initial recognition, financial assets are held for trading, or which are measured neither at Amortised Cost nor at Fair Value through OCI. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognised in the Statement of Profit and Loss.

#### Trade Receivables

A Receivable is classified as a 'Trade Receivable' if it is in respect to the amount due from customers in the ordinary course of business. Trade receivables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment.

Impairment is made on the expected credit losses, which are the present value of the cash shortfalls over the expected life of financial assets. The estimated impairment losses are recognised in a separate provision for impairment and the impairment losses are recognised in the Statement of Profit and Loss within other expenses.

Subsequent changes in assessment of impairment are recognised in provision for impairment and the change in impairment losses are recognised in the Statement of Profit and Loss within other expenses.

#### Investment in Equity Shares

Investments in Equity Securities are initially measured at cost. Any subsequent fair value gain or loss is recognized through Other Comprehensive Income.

#### Investments in Mutual Funds

Investments in Mutual Funds are accounted for at cost. Any subsequent fair value gain or loss is recognized through Profit or Loss Account.

#### Impairment of Financial Assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

- (b) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables Group applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Group uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Group uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

### De-recognition of Financial Asset

Financial Asset is primarily derecognised when:

- (i) The right to receive cash flows from asset has expired, or
- (ii) The Group has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement and either:
  - a) The Group has transferred substantially all the risks and rewards of the asset, or
  - b) The Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its right to receive cash flows from an asset or has entered into a pass through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

## Financial Liabilities

### Initial Recognition and Measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and derivative financial instruments.

### Subsequent Measurement

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities':

- (a) **Financial Liabilities at FVTPL:** Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL. Financial Liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.
- (b) **Other Financial Liabilities:** Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

### De-recognition of Financial Liability

A Financial Liability is derecognised when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other income or finance costs.

### Derivative Financial Instruments

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in profit or loss immediately.

## (xv) Cash Flow Statement

- A) **Cash and Cash Equivalent :** For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.
- B) Statement of Cash Flows is prepared in accordance with the Indirect Method prescribed in the relevant Accounting

### (xvi) Proposed Dividends

Proposed dividend is recognised as liability in the period in which it is declared (on approval of shareholders in a general meeting) or paid.

### (xvii) Capital Reserve on Consolidation

Capital reserve is mainly the reserve created during business combination for the gain on bargain purchase.

### (xviii) Goodwill on Consolidation

Goodwill represents the difference between the Company's share in the net worth of subsidiaries and the cost of acquisition at each point of time of making the investment in the subsidiaries. For this purpose, the Company's share of net worth is determined on the basis of the latest financial statements prior to the acquisition after making necessary adjustments for material events between the date of such financial statements and the date of respective acquisition. Goodwill arising out of Consolidation of financial statements of subsidiaries and jointly controlled entities is tested for impairment at each reporting date.

### (xix) Segment Reporting

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's chief operating decision maker to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the chief operating decision maker evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments.

### (xx) Significant Accounting Judgments, Estimates and Assumptions

In the process of applying the Group's accounting policies, management has made the following estimates, assumptions and judgements which have significant effect on the amounts recognized in the financial statement:

- a. **Income taxes :** Judgment of the Management is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The company reviews at each balance sheet date the carrying amount of deferred tax assets and liabilities. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the financial statements.
- b. **Contingencies :** Judgment of the Management is required for estimating the possible outflow of resources, if any, in respect of contingencies/ claim/ litigations against the Group as it is not possible to predict the outcome of pending matters with accuracy.
- c. **Allowance for uncollected accounts receivable and advances :** Trade receivables are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when management deems them not collectible. Impairment is made on ECL, which are the present value of the cash shortfall over the expected life of the financial assets.
- d. **Provision :** Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.
- e. **Defined Benefit Plans :** The present value of the cost of the defined benefit plan and other post-employment benefits are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in future. These Includes the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Lease payments are recognized in the Statement of Profit and Loss under "Rent" in Note no. 31.

## 41. Financial Risk Management

The Company has obtained premises for its business operations under lease. Such leases are generally have a lease term of 12 months or less with the option of premature cancellation of agreement on mutual consent of both the parties without having any purchase option. Lease payments are recognized in the Statement of Profit and Loss under "Rent" in Note no. 31.

### (A) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses the direct risk of default, risk of deterioration of creditworthiness as well as concentration risks. The Company is exposed to credit risk from its operating activities (primarily trade receivables), deposits with banks and loans given.

#### Credit Risk Management

For financial assets the Company has an investment policy which allows the Company to invest only with counterparties having high credit ratings or with higher credentials. The Company reviews the creditworthiness of these counterparties on an ongoing basis. Another source of credit risk at the reporting date is from trade receivables as the company having collateral against the receivables in normal course. This credit risk has always been managed through credit approvals, establishing credit limits and continuous monitoring the creditworthiness of customers to whom credit is extended in the normal course of business. The Company estimates the expected credit loss based on past data, available information on public domain and experience. Expected credit losses of financial assets receivable are estimated based on historical data of the Company. The Company has provisioning policy for expected credit losses. There is no credit risk in bank deposits which are demand deposits.

The maximum exposure to credit risk as at 31 March, 2022 and 31 March, 2021 is the carrying value of such trade receivables as shown in Note No. 4 of the financials.

The Credit Loss allowances are provided in the case of trade receivables as under:

₹ in lakhs

<b>Loss allowance as on 31 March, 2021</b>	<b>14.97</b>
Change in loss allowance	11.46
<b>Loss allowance as on 31 March, 2022</b>	<b>26.43</b>

### Loan-Margin Trading facilities

Margin trading facilities are secured by collaterals. As per policy of the Group, margin trading facilities to the extent covered by collateral and servicing interest on a regular basis is not considered as due/default. As per policy any account become due/default will be fully written off as bad debt against respective receivables and the amount of loss will be recognised in the Statement of Profit and Loss. Subsequent recoveries of amounts previously written off will be credited to the Statement of Profit and Loss as bad debts recovered. However there is no account of margin trading facility written off or recovered during the year.

As per Ind AS 109, the maximum period to consider when measuring expected credit losses is the maximum contractual period (including extension options) over which the group is exposed to credit risk and not a longer period, even if that longer period is consistent with business practice. Therefore, the maximum period to consider when measuring expected credit losses for these margin trading facilities is the maximum contractual period (i.e. on demand/one day). For the computation of ECL, the margin trading facilities are classified into three stages as follows:

Stages as per Ind AS 109	Receivable including Interest
Stage 1	0 to 30 days past due
Stage 2	31 to 90 days past due
Stage 3	More than 90 days past due

Company does not have any margin trading facilities which may fall under stage 2 or stage 3.

### Loan Against Securities

Group has large number of customer base with shared credit risk characteristics. Loans against securities are repayable by customer unconditionally in full on demand at the absolute discretion of the Group. Loan against securities are secured by collaterals. For the computation of ECL, the loans against securities are classified into three stages same as above.

Following table provides information about exposure to credit risk and ECL on Loan

₹ in lakhs

Stages	As at March 31, 2022	As at March 31, 2021

Less: Provision for expected credit loss	(23.27)	(39.07)
<b>Total Carrying Value</b>	<b>3,276.13</b>	<b>2,696.21</b>

### (B) Liquidity Risk

Liquidity risk is defined as the risk that the company will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash, other bank balances and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The company's treasury team is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the company's liquidity position through rolling forecasts on the basis of expected cash flows.

Refer Note no. 43. for analysis of maturities of financial assets and financial liabilities.

## (C) Interest Risk

Interest Rate Risk Exposure

The Company is exposed to various types of borrowings as stated in Note No. 14

The Company's exposure to interest rate risks at the end of the reporting period is as follows:

₹ in lakhs

Particulars	As at March 31, 2022	As at March 31, 2021
Variable Rate Borrowings	1,410.31	2,535.85

## Sensitivity Analysis on Rate Borrowings

The Company is exposed to various types of borrowings as stated in Note No. 14, respectively. The sensitivity analysis demonstrates a reasonably possible change in the interest rates, with all other variables held constant. For the year ended March 31, 2022 and March 31, 2021, every 0.25% increase in the interest rate would decrease the companies profit approximately by ₹ 6.00 lakhs and ₹ 12.07 lakhs respectively. A 0.25% decrease in the interest rate would lead to an equal but opposite effect.

## (D) Market Risk

Market risk is the risk that the fair value of future cash flows of the company will fluctuate because of movement in stock market. The company's nature of business and operations exposed to the market risks namely stock market movement risks, competition risks and technology risks. These risks may affect the company's income and expenses or the value equity investments. Nevertheless, the company believes that it has competitive advantage in terms of high quality services and by continuously upgrading its technology for front and back office softwares to meet the needs of its customers.

In view of the ongoing COVID-19 pandemic, the Ministry of Corporate Affairs (MCA) vide its General Circular No. 14/2020 dated April 8, 2020, General Circular No. 17/2020 dated April 13, 2020, General Circular No. 20/2020 dated May 5, 2020, General Circular no. 02/2021 dated January 13, 2021, General Circular no. 19/2021 dated December 08, 2021, General Circular no. 21/2021 dated December 14, 2021 followed by Circular No. 02/2022 dated 5th May, 2022 (collectively "MCA Circulars") and Securities and Exchange Board of India ("SEBI") vide its circular no. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, circular no. SEBI/HO/CFD/CMD2/ CIR/P/2021/11 dated January 15, 2021 followed by SEBI circular no. SEBI/HO/CFD/ CMD2/CIR/P/2022/62 dated 13<sup>th</sup> May, 2022 (collectively "SEBI Circulars"), have permitted companies to conduct AGM through Video Conferencing (VC) or other audio-visual means (OAVM), subject to compliance of various conditions mentioned therein. In compliance with the aforesaid MCA Circulars and SEBI Circulars and the applicable provisions of Companies Act, 2013 and rules made there under, and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the 30<sup>th</sup> AGM of the Company is being convened and conducted through VC/OAVM Facility, which does not require physical presence of Members at a common venue. The Company has availed the facility of Central Depository Services (India) Limited (CDSL) for convening the 30<sup>th</sup> AGM through VC/OAVM, a detailed process in which the members can attend the AGM through VC/OAVM has been enumerated in Note number 34 of this Notice.
2. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013 (the Act).
3. **ELECTRONIC DISPATCH OF NOTICE AND ANNUAL REPORT:** In compliance with the aforesaid MCA and SEBI circulars physical copies of the financial statements (including Board's Report, Auditor's Report or other documents required to be attached therewith) for the Financial Year ended 31st March, 2022 pursuant to Section 136 of the Act and Notice calling the AGM pursuant to Section 101 of the Act read with the Rules framed thereunder are being sent only in electronic mode to those Members whose e-mail addresses are registered with the Company/R&STA or the Depositories. The Company will not be dispatching physical copies of such statements and Notice of AGM to any Member.  
  
To support the 'Green Initiative', Members who have not yet registered their email addresses are requested to register the same with their DPs in case the shares are held by them in electronic form and with the Company/R&STA in case the shares are held by them in physical form after complying due procedure.
4. Members who have not registered their e-mail address and those members who have become the member of the Company after 24<sup>th</sup> June, 2022 being the cut-off date for sending soft copy of the Notice of 30<sup>th</sup> AGM and Annual Report for the financial year 2021-22, may access the same from Company's website at [www.swastika.co.in](http://www.swastika.co.in), websites of the Stock Exchange i.e. BSE Limited at [www.bseindia.com](http://www.bseindia.com) and on the website of CDSL [www.evotingindia.com](http://www.evotingindia.com).
5. A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY/ PROXIES TO ATTEND AND VOTE INSTEAD OF HIMSELF/HERSELF. SUCH A PROXY/ PROXIES NEED NOT BE A MEMBER OF THE COMPANY.  
  
Since the 30<sup>th</sup> AGM of the Company will be convened through VC/ OAVM, where there will be no physical attendance of members, the requirement of appointment of proxies pursuant to the provisions of Section 105 of the Act has been dispensed with. Accordingly, attendance slip and proxy form will not be annexed to this Notice.
6. Pursuant to the provisions of Sections 112 and 113 of the Act, corporate/ Institutional member can authorize their representatives to attend the AGM through VC/OAVM and cast their votes through e-voting. Provided a scan copy (PDF) of the Board Resolution authorizing such representative to attend the AGM of the Company through VC/OAVM on its behalf and to vote through remote e-voting shall be sent to the Scrutinizer through the registered email address of the member(s) at [Injoshics@gmail.com](mailto:Injoshics@gmail.com) with a copy marked to the Company at [info@swastika.co.in](mailto:info@swastika.co.in).
7. Pursuant to Provision of Section 91 of the Companies Act, 2013, the Register of Members and Share Transfer Book of the Company will remain closed during the period from Wednesday, 20<sup>th</sup> Day of July, 2022 to Tuesday, 26<sup>th</sup> Day of July, 2022 (both days inclusive) for the purpose of 30<sup>th</sup> Annual General Meeting and for determining the entitlement of members to final dividend for the financial year ended March 31, 2022, if approved at the AGM.
8. The Statement as required under Section 102 of the Act setting out material facts concerning the business with respect to Item Nos. 5 & 6 forms part of this Notice is annexed hereto.  
  
As per the provisions of Clause 3.A.II of the General Circular No. 20/ 2020 dated May 5, 2020, the matters of Special Businesses as appearing at Item Nos. 5 & 6 of the accompanying Notice, are considered to be unavoidable by the Board and hence, forming part of this Notice.
9. The relevant details, pursuant to Regulations 36(3) of the Listing Regulations and Secretarial Standards -2 on General Meetings issued by the Institute of Company Secretaries of India, in respect of Directors seeking re-appointment/retire by rotation at the AGM are provided as an annexure to the Notice forms integral part of this notice. Requisite declarations have been received from Director/s for seeking re-appointment.

10. The Dividend, if any declared, shall be payable to those Shareholders whose name(s) stand registered:
- as Beneficial Owner as at the close of business hours on Tuesday 19<sup>th</sup> Day of July, 2022 as per the list of beneficial owners to be furnished by the National Securities Depository Limited and Central Depository Services (India) Limited in respect of the shares held in electronic form; and
  - as Members in respect of shares held in physical form after giving effect to valid transmission and transposition in respect of valid requests lodged with the Company as of the close of business hours on Tuesday 19<sup>th</sup> Day of July, 2022.

Members who are unable to receive the dividend directly in their bank accounts through Electronic Clearing Service or any other means, due to non-registration of the Electronic Bank Mandate, the Company shall dispatch the dividend warrant/ Bankers' cheque/ demand draft to such Members.

Further, please note that instructions, if any, already given by Members in respect of shares held in physical form, will not be automatically applied to the dividend paid on shares held in electronic form.

11. **TDS ON DIVIDEND:** Pursuant to the Income-tax Act, 1961, as amended by the Finance Act, 2020, dividend income has become taxable in the hands of shareholders with effect from 1st April, 2020 and therefore, the Company shall be required to deduct tax at source (TDS) from dividend paid to shareholders at the prescribed rates. For the prescribed rates for various categories, shareholders are requested to refer to the Finance Act, 2021 and amendments thereof. Shareholders are requested to update their Residential Status, PAN, and Category as per the IT Act with the Company/RTA (in case of shares held in physical mode) and depositories (in case of shares held in demat mode).
12. **IEPF:** Under the Act, dividends that are unclaimed/unpaid for a period of seven years are required to be transferred to the Investor Education and Protection Fund ("IEPF") administered by the Central Government. An amount of ₹ 69,874/- being unclaimed/unpaid dividend of the Company for the financial year ended 31st March, 2014 was transferred in 09<sup>th</sup> November, 2021 to IEPF.

Members who have not encashed the dividend warrants/demand drafts so far in respect of the unclaimed and unpaid dividends declared by the Company for the Financial Year 2014-15 and thereafter, are requested to make their claim to Registrar and Share Transfer Agent i.e. Ankit Consultancy Private Limited well in advance of the last dates for claiming such unclaimed and unpaid dividends as specified hereunder:

Financial Year ended	Date of Declaration of Dividend	Last date for Claiming unpaid/unclaimed

Pursuant to the provisions of Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), the Company has uploaded the details of unpaid and unclaimed amounts lying with the Company as on 31<sup>st</sup> March, 2022 on the website of the Company at [https:// www.swastika.co.in](https://www.swastika.co.in).

Shareholders are requested to note that, pursuant to the provisions of Section 124 of the Act read with IEPF Rules, all shares on which dividend has not been paid or claimed for seven consecutive years or more shall be transferred to IEPF Authority as notified by the MCA.

In accordance with the aforesaid IEPF Rules, the Company has sent individual communication to all Members whose shares are due for transfer to the IEPF Authority and whose email IDs are available, informing them to claim their unclaimed/unpaid dividend before due date to avoid such transfer of shares to IEPF Authority and has also published notice in this regard in Newspapers.

Members whose unclaimed dividends/shares are/will be transferred to the IEPF Authority can claim the same by making an online application to the IEPF Authority in the prescribed Web Form IEPF-5 by following the refund procedure as detailed on the website of IEPF Authority [http:// www.iepf.gov.in/IEPF/refund.html](http://www.iepf.gov.in/IEPF/refund.html)

13. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Further, as per SEBI Circular dated April 20, 2018 all securities holders holding securities in physical form should submit their PAN and Bank account details to the RTA.

14. Members who hold shares in dematerialized form and want to provide/change/correct the bank account details should send the same immediately to their concerned Depository Participant(s) and not to the Company. Members are also requested to give the MICR Code of their bank to their Depository Participant(s). The Company will not entertain any direct request from such Members for change of address, transposition of names, deletion of name of deceased joint holder and change in the bank account details. While making payment of Dividend, the Registrar and Share Transfer Agent is obliged to use only the data provided by the Depositories, in case of such dematerialized shares.
15. Members who are holding shares in physical form are advised to submit particulars of their PAN details, e-mail address, Mobile Number, bank account, viz. name and address of the branch of the bank, MICR code of the branch, type of account and account number etc. to our Registrar and Share Transfer Agent in prescribed Form ISR-1 quoting their folio number and enclosing the self-attested supporting document and other forms pursuant to SEBI Circular No. SEBI/HO/MIRSD/MIRSD\_RTAMB/P/CIR/2021/655 dated November 3, 2021. Members holding shares in electronic form are requested to submit the details to their respective DP only and not to the Company or RTA.
16. Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD\_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the listed companies to issue securities in dematerialized form only while processing service requests viz. Issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/ exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/folios; transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR-4, the format of which is available on the Company's website [www.swastika.co.in](http://www.swastika.co.in) and on the website of the Company's Registrar and Transfer Agents <http://ankitonline.com>. It may be noted that any service request can be processed only after the folio is KYC Compliant.
17. SEBI vide its notification dated January 24, 2022 has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialisation, Members are advised to dematerialise the shares held by them in physical form. Members can contact the Company or RTA, for assistance in this regard.
18. As per the provisions of Section 72 of the Act, the facility for making a nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nominations are requested to register the same by submitting Form No. SH-13. If a Member desires to cancel the earlier nomination and record a fresh nomination, he may submit the same in Form SH-14. Members who are either not desiring to register Nomination or would want to opt out, are requested to fill and submit Form No. ISR-3. The said forms can be downloaded from the RTA website at <http://ankitonline.com>. Members are requested to submit the said form to their DP in case the shares are held in electronic form and to the RTA in case the shares are held in physical form, quoting their folio no.
19. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or RTA, the details of such folios together with the share certificates along with the requisite KYC Documents for consolidating their holdings in one folio. Requests for consolidation of share certificates shall be processed in dematerialized form.
20. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised to not leave their Demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified from time to time.
21. In case of joint holders attending the meeting, only such joint holder who is higher in the order of names will be entitled to vote.
22. Members desirous of obtaining any information concerning to the accounts and operations of the Company are requested to send their queries to the Company Secretary at least 7 (seven days) before the date of the meeting so that the required information can be made available at the meeting.
23. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act and Register of Contracts or arrangements in which directors are interested maintained under Section 189 of the Act and relevant documents referred to in this Notice of AGM and explanatory statement, will be available electronically for inspection by the Members during the AGM. 26. **Webcast:** Members who are entitled to participate in the AGM can view the proceedings of AGM by logging in the website of CDSL at [www.evotingindia.com](http://www.evotingindia.com) using the login credentials.
27. The Company has appointed Mr. L.N.Joshi, Practicing Company Secretary (Membership No. FCS-5201; CP No.4216) to act as the scrutinizer for conducting the remote e-voting process as well as the e-voting during AGM (insta poll), in a fair and transparent manner.

28. The voting rights of Shareholders shall be in proportion of shares held by them to the total paid up equity shares of the company as on Tuesday 19<sup>th</sup> July, 2022, being the cut-off date.
29. A person who is not a Member as on Tuesday 19<sup>th</sup> July, 2022 should treat this Notice for information purposes only.
30. A person who has acquired the shares and has become a member of the Company after dispatch of notice of AGM and prior to the Cut-off date i.e. Tuesday 19<sup>th</sup> July, 2022 shall be entitled to exercise his/her vote either electronically i.e. remote e-voting or e-voting during AGM (insta poll) following the procedure mentioned in this Notice.
31. The recorded transcript of the forthcoming AGM shall also be made available on the website of the Company - [www.swastika.co.in](http://www.swastika.co.in) as soon as possible after the Meeting is over.
32. The procedure for joining the AGM through VC/OAVM is mentioned in this Notice. Since the AGM will be held through VC/OAVM, the route map is not annexed in this Notice.
33. In compliance with the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 and any amendments thereto, Secretarial Standard on General Meetings ("SS-2"), Regulation 44 of the SEBI Listing Regulations and MCA Circulars, the facility for remote e-voting and e-voting in respect of the business to be transacted at the AGM is being provided by the Company through Central Depository Services (India) Limited ("CDSL"). Necessary arrangements have been made by the Company with CDSL to facilitate remote e-voting and e-voting during the AGM.

**34. THE INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING AND EVOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:**

- (i) The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- (ii) The voting period begins on Saturday 23<sup>rd</sup> July, 2022 from 9.00 A.M. and ends on Monday, 25<sup>th</sup> July, 2022 at 5.00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Tuesday 19<sup>th</sup> July, 2022, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (iii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iv) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

**Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.**

- (v) In terms of SEBI circular no. ## STATEMENT AS REQUIRED UNDER SECTION 102 OF THE COMPANIES ACT, 2013

### ITEM NO. 5 RE-APPOINTMENT OF MR. CHANDRASHEKHAR BOBRA (DIN: 00209498) AS A NON EXECUTIVE INDEPENDENT DIRECTOR OF THE COMPANY FOR A SECOND TERM OF FIVE YEARS:

The Board of Directors at its meeting held on 01<sup>st</sup> August, 2017 had appointed Mr. Chandrashekhar Bobra (DIN: 00209498) as an Additional Director of the Company to hold office till the next Annual General Meeting. Further, the Members in their 25<sup>th</sup> Annual General Meeting held on Tuesday, 19<sup>th</sup> September, 2017 confirmed the appointment of Mr. Chandrashekhar Bobra (DIN: 00209498) as an Independent Director to hold office for a term of 5 years w.e.f. 01<sup>st</sup> August, 2017 to 31<sup>st</sup> July, 2022. Accordingly, the tenure of Mr. Chandrashekhar Bobra (DIN: 00209498), as an Independent Director is due for expiry on 31<sup>st</sup> July, 2022.

The Nomination and Remuneration Committee of the Board of Directors, on the basis of the report of performance evaluation of independent directors, has recommended re-appointment of Mr. Chandrashekhar Bobra (DIN: 00209498) as an Independent Directors for a second term of 5 (five) consecutive years on the Board of the Company.

The Board, based on the performance evaluation and as per the recommendation of the Nomination and Remuneration Committee, considers that, given his background and experience and contributions made by him during his tenure, the continued association of Mr. Chandrashekhar Bobra (DIN: 00209498) would be beneficial for the Company and it is desirable to continue to avail his services as an Independent Director.

Accordingly, it is proposed to re-appoint Mr. Chandrashekhar Bobra (DIN: 00209498) as an Independent Director of the Company, not liable to retire by rotation, for a second term of 5 (five) consecutive years on the Board of the Company w.e.f. 01<sup>st</sup> August, 2022 to 31<sup>st</sup> July, 2027.

Mr. Chandrashekhar Bobra (DIN: 00209498) is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given his consent to act as a Director. The Company has also received declaration from him that he meets the criteria of independence as prescribed both under Section 149(6) of the Act and under regulation 16 (1) b and other applicable Regulation of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. In the opinion of the Board, he fulfills the conditions for appointment as an Independent Director as specified in the Companies Act, 2013 and The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015.

The brief profile of Mr. Chandrashekhar Bobra (DIN: 00209498) who is proposed to be re-appointed as an independent director is annexed herewith separately with this notice. The Board of the directors have evaluate the performance of the Mr Chandrashekhar Bobra and details of the same is given in Corporate governance report.

In compliance with the provisions of Section 149 read with Schedule IV to the Act, a copy of the draft appointment letter in relation to re-appointment of Mr Chandrashekhar Bobra as an Independent Non-executive Director setting out the terms and conditions of the re-appointment would be available for inspection by the Members, by writing an email to the Company at [info@swastika.co.in](mailto:info@swastika.co.in).

Mr. Chandrashekhar Bobra (DIN: 00209498) and his relative are interested and concerned in the Resolution mentioned at Item No. 5 of the Notice. None of the other Directors or Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the resolution.

Accordingly the Board recommends the Special Resolution set out in item no. 5 of this notice for approval of members.

### ITEM NO. 6 TO APPROVE REMUNERATION OF MR. PARTH NYATI, CHIEF TECHNOLOGY OFFICER, HOLDING OFFICE OR PLACE OF PROFIT:

Mr. Parth Nyati is an entrepreneur and an engineer with a desire for cultural and social development. An ardent learner, he completed his B.Tech from IIT Delhi. He started his career with a US-based software company Sum Total Systems as an engineer. He has over 8 years of in-depth experience in technology and finance. He later joined Swastika Investment Limited as a Chief Financial Officer from 12<sup>th</sup> August 2014 to 15<sup>th</sup> February, 2021 after this he has been holding the position of Chief Technology Officer of the Company.

At Swastika, he is responsible for leveraging technology to make trading an easy and intuitive experience for customers at one end and a scalable business at the other. Bringing an in-depth understanding of challenges faced by Indian broking houses, effectively serving customers, and certain things that go into trading for retail investors, he focuses on developing and implementing new trading technologies to make trading a seamless and rich experience. Looking to his total devotion and resultant progress made by the Company the Board of Directors of the Company at its meeting held on 29<sup>th</sup> Day of June, 2022, accorded its consent for payment of remuneration of ₹ 4,25,000/- per month, other reimbursements and benefits as mentioned in "Monetary Value" below which will be effective only after approval from the members in ensuing annual general meeting.

Mr. Parth Nyati, being Son of Mr. Sunil Nyati, Chairman & Managing Director and Mrs. Anita Nyati, Whole Time Director of the Company, is a related party. Pursuant to Section 188 of the Companies Act, 2013 read with Rules made there under, appointment of any related party to any office or place of profit in the Company, at a monthly remuneration exceeding threshold limit as prescribed in Rule 15 of the of the Companies (Meeting of the Board and its Powers) Rules, 2014, is subject to the approval of the members by way of an ordinary resolution. However, the provisions of Section 188(1) are not applicable for the transactions in the ordinary course of business and at arm's length basis. Though the said related party transaction,

specified in the resolution, is in the ordinary course of business and at arm's length basis, as a matter of abundant caution, the approval of the members of the Company is sought. Further as per quantum of the remuneration, the transaction shall not be a nature of material related party transaction as defined under Regulation 23(1) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Information required to be placed before the members pursuant to Rule 15 of the Companies (Meetings of the Board and its Powers) Rules, 2014 read with circular no.
