CDSL e-Voting System - For e-voting.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING:

- **Step 1** : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- **Step 2** : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
- (i) The voting period begins on Tuesday, 27th September, 2022 (9.00AM IST) and ends on Thrusday, 29th September, 2022 (5.00PM IST).. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 23rd September, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities

in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- **Step 1** : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email ld in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A) BUSINESS REVIEW:

STEEL INDUSTRY - GLOBAL PERSPECTIVE

The world economy has experienced subdued growth for another year in 2022. Underperformance in the world economy was observed across almost all regions and major economic groups. Most developed economies continued struggling against the lingering effects of the financial crisis, grappling in particular with the challenges of taking appropriate fiscal and monetary policy actions. A number of emerging economies, which had already experienced a notable slowdown in the past two years, encountered new headwinds during 2022 on both international and domestic fronts.

INDIAN OUTLOOK

Slow growth has been observed in the demand for steel products in India primarily due to near stagnant growth in steel consuming sectors like Infrastructure, housing, auto and consumer goods.

Overall, the future outlook for the steel sector could be positive .The steel prices will be competitive as the demand is likely to pick up depending upon revival in economic growth and the government measures to ease infrastructure investment rules. The demand for value added products like bright bar, spherodised annealing steel, normalized steel etc.will boost the demand in engineering and auto sector.

COMPANY'S BUSINESS STRATEGY

Due to increased capacities among steel mills and slowdown in auto sector and other steel consuming sectors this year will also difficult .As a result of overall down scenario we face squeeze in margins. This Situation is likely to continue at least for the first half of year.

Company's future outlook

Your Company, however, believes in the future of high quality products. As the country is witnessing the slowdown in growth, the steel industry has slowed down. This is having a serious impact on business sentiments for steel industry, as a result this year the volume will be under stress and also margins for the first half of the year.

B) INTERNAL CONTROL & SYSTEMS

The company has adequate internal control procedures commensurate with its size and nature of its business. These internal policies ensure efficient use and Protection of assets and resources. Compliance with policies, ensure reliability of financial and operational reports.

C) RISK AND CONCERNS

The Steel Industry witnesses cyclical price movements. The fortunes of the industry move up and down in time with the market trend of prices. This phenomenon has become more uncertain and unpredictable with the increased integration of domestic and global markets. The company has taken the cost cutting initiatives, enriching the product mix and strengthened its marketing to cope with the business trend.

D) HUMAN RESOURCE DEVELOPMENT/INDUSTRIAL RELATION

During the year, the company has employed 74 persons. The Industrial Relations remain cordial during the year. The company is continuing its efforts for improvement in the work culture wherein employees can contribute to their fullest potential. The management acknowledges the contribution of all employees in achieving better performance.

To,

The Members,
Garg Furnace Limited
CIN: L99999PB1973PLC003385
Kanganwal Road, Ludhiana, Punjab, 141120

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Garg Furnace Limited** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the **Garg Furnace Limited** books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on **31**st **March**, **2022** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance- mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by **Garg Furnace Limited** for the financial year ended on **31**st **March, 2022** according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF GARG FURNACE LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Garg Furnace Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

<u>Information Other than Financial Statements and Auditor's Report Thereon</u>

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Financial Statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and describe actions applicable in the applicable laws and regulations.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of our audit procedures in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
 detecting a material misstatement resulting from fraud is higher than for one resulting from error, as
 fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of
 internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to

the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by Companies (Auditor's Report) Order, 2020 ('the Order') issued by Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2. As required by Section 143(3) of the Act, based on our audit, we report that:

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

a) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- b) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- c) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- d) On the basis of the written representations received from the directors as on 31st March 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- e) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- f) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
 - In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Garg Furnace Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- 1. (a) (i) The Company is maintaining proper records showing full particulars including quantitative details and situation of Property Plant and Equipment.
- (ii) The Company does not have any intangible assets.
- (b) The Company has a regular programme of physical verification of the Property Plant and Equipment at reasonable intervals. In accordance with this programme, certain Property Plant and Equipment were verified during the year, and no material discrepancies were noticed on such verification.
- (c) The Company has all the original title deeds of immovable properties in its own name.
- (d) The Company has not revalued any of its Property, Plant and Equipment or intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- 2. (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable, and, the coverage and procedure of such verification is appropriate having regard to the size of the Company and the nature of its operation. No discrepancies of 10% or more in the aggregate for each class of inventory were noticed between the physical stock of inventory and the books of accounts.
- (b) The Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- 3. The Company, during the year, has not, made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited

Liability Partnerships or any other parties and hence reporting under clause 3(iii) is not applicable.

- 4. The Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of loans granted and investments made. The company has not given any guarantee and any security to any person.
- 5. The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Hence, reporting under Clause 3(v) of the order is not applicable.
- 6. We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of Cost records under section 148 of the Companies Act, 2013 and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of such records with a view to determine whether they are accurate or complete.
- 7. (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable except the following: -

Sr. No	Name of the Statute	Nature of the Dues	Amount (in Rs.)	Period to which amount relates
1.	The Punjab Labour Welfare Fund Act, 1965	Punjab Labour Welfare Fund	192824/-	Up to Financial year 2021-22
2.	Punjab State Development Tax Act, 2018	Professional Tax	3000/-	FY 2019-20

- (b) There are no statutory dues referred to in sub clause(a) above which have not been deposited on account of a dispute.
- 8. There were no transactions relating to previously unrecorded income that have been surrendered or

disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

- 9. (a) The company has not defaulted in any repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) The company has not been declared as a willful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) The Company does not have any subsidiary, joint venture or associate companies, hence reporting under clause 3(ix)(e) is not applicable.
- (f) The Company does not have any subsidiary, joint venture or associate companies, hence reporting under clause 3(ix)(f) is not applicable.
- 10. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- 11. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) No whistle-blower complaints were received during the year by the Company.
- 12. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- 13. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- 14. a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- 15. In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- 16. In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi) of the Order is not applicable.
- 17. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- 18. There has been no resignation of the statutory auditors of the Company during the year.
- 19. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge

of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

20. The Company is not liable for Corporate Social Responsibility (CSR) as per the provisions of section 135(5) of the Companies Act, hence reporting under clause 3(xx) of the Order is not applicable.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(e) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Garg Furnace Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of Garg Furnace Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for

external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Financial Statements are approved for issue by Companies Board of Directors on 30.05.2022.

2. A. Significant accounting policies

I. Statement of Compliance

The financial statements of the company have been prepared in accordance with the Indian Accounting Standards ("IND AS") specified under section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standard) Rules, 2015, as amended from time to time. The financial statements have been prepared on going concern basis and all the applicable Ind AS effective as on the reporting date have been complied with.

II. Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

III. Functional and presentation currency

The functional currency of the company is Indian rupee (INR). The financial statements are presented in Indian rupees (INR) and all values are rounded to nearest lakh up to two decimals, unless otherwise stated.

Use of estimates and judgements IV.

The preparation of financial statements, in conformity with Ind AS requires management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgements and use of assumptions in these financial statements have been disclosed in notes. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management become aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made, and if material, their effects are disclosed in the notes to the financial statements.

Current versus Non- current classification

The company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

Expected to be realized or intended to be sold or consumed in normal operating cycle.

- a. Held primarily for the purpose of trading.
- b.Expected to be realized within twelve months after the reporting period, or
- c. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A Liability is treated as current when:

- a. It is expected to be settled in normal operating cycle.
- b.It is held primarily for the purpose of trading.
- c. It is due to be settled within twelve months after the reporting period, or
- d. There is no unconditional right to defer the settlement of the liability for at least twelve reporting period.

The company classifies all other liabilities as non-current.

Notes to Financial Statements for the year ended 31st March 2022

VI. Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (i) In the principal market for the asset or liability, or
- (ii) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 —Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period or each case.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarizes accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Disclosures for valuation methods, significant estimates and assumptions
- Quantitative disclosures of fair value measurement hierarchy
- Investment in unquoted equity shares financial instruments

Property, plant and equipment VII.

All items of property, plant and equipment are stated at cost less accumulated depreciation and impairment if any. Freehold land is stated at cost and not depreciated. The Cost of an item of Property, Plant and Equipment cost and stated at cost and not depreciated.

> Its purchase price net of recoverable taxes wherever applicable and any attributable expension (directly FRN: 00049) indirectly) for bringing the asset to its working condition for its intended use.

Notes to Financial Statements for the year ended 31st March 2022

- > Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.
- > Initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, if any, the obligation for which an entity incurs either where the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.

Depreciation on property, plant and equipment has been provided on the straight line method as per the useful life prescribed in Schedule II to the Companies Act, 2013

Depreciation is calculated on pro-rata basis from the date of installation till the date the asset is sold or discarded.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under Capital work-in-progress. The depreciation method, useful lives and residual value are reviewed periodically and at the end of each reporting period.

VIII. Intangible Assets

Intangible assets are stated at cost less accumulated amount of amortisation and impairment if any. Intangible assets are amortised over their respective individual estimated useful lives on a straight line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence etc. The amortization method, estimated useful lives are reviewed periodically and at end of each reporting period.

Impairment of Non-financial assets IX.

The impairment assessment for all assets is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss.

Inventories X.

Raw materials and stores, work in progress, traded and finished goods are stated at the lower of cost and net realisable value. Cost of raw materials and stores is computed on FIFO basis plus direct expenditure, Cost of work in progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Borrowing costs XI.

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expense in the period in which they are incurred.

XII. Provisions, Contingent liabilities and Contingent Assets

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past event it is probable that an outflow of resources will be required to settle the obligation and the amount ERN HOOF estimated. Provisions are not recognised for future operating losses.

Notes to Financial Statements for the year ended 31st March 2022

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. A present obligation that arises from past events where it is neither probable that an outflow of resources will be required to settle nor a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

XIII. Foreign currency translation

Items included in the financial statements of each of the Company's entities are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is Garg Furnace Limited functional and presentation currency.

Foreign currency translations are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in profit or loss.

XIV. Revenue recognition

The Company has adopted Indian Accounting Standard 115 (Ind AS 115) - Revenue from contracts with customers'.

Revenue from sale of products is recognized upon transfer of control to customers. Revenue is measured at the amount of consideration which the Company expects to be entitled to in exchange for transferring distinct goods to a customer as specified in a contract, excluding amounts collected on behalf of third parties (for example, taxes and duties collected on behalf of the Government). A receivable is recognized upon satisfaction of performance obligations as per the Contracts.

"To determine whether to recognise revenue, the Company follows a 5-step process:

- Identifying the contract with a customer
- 2. Identifying the performance obligations
- 3. Determining the transaction price
- 4. Allocating the transaction price to the performance obligations
- 5. Recognising revenue when/as performance obligation(s) are satisfied."

Use of significant Judgements in Revenue Recognition

Judgement is required to determine the transaction price for the contract. The transaction price could be either a fixed amount of consideration or variable consideration with elements such as volume discounts, price concessions, incentives etc. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur and is reassessed at the end of each reporting period.

The Company assesses its revenue arrangements against specific recognition criterias like exposure to the significant risks and rewards associated with the sale of goods. When deciding the most appropriate basis for presenting revenue or costs of revenue, both the legal form and substance of the agreement between the Company and its customers are reviewed to determine each party's respective role in the transaction.

Other Operating Revenue

Dividend income is recognized when the right to receive payment is established.

Interest income is recognized on a time proportion basis taking into account the amount oustanding and the interest rate applicable. FRN:000497N

Notes to Financial Statements for the year ended 31st March 2022

Claims receivables on account of insurance are accounted for to the extent the Company is reasonably certain of their ultimate collection.

XV. Income Tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the period. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profits. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences and incurred tax losses to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the period

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the income taxes are also recognised in other comprehensive income or directly in equity respectively.

Minimum Alternate Tax

Minimum Alternate Tax (MAT) paid in the year is charged to the Statement of Profit and Loss as current tax. The Company recognises MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which Company recognises MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternate Tax under the Income Tax Act, 1961, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "MAT Credit Entitlement ". The Company reviews the "MAT Credit Entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

In accordance with Ind AS 12 Company is grouping MAT credit entitlement with Deferred Tax Assets / Liability (Net).

XVI. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include wash in Shand demand deposits held with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of charge LUDHIANA in value, and bank overdrafts.

Notes to Financial Statements for the year ended 31st March 2022

XVII. Financial instruments

Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments.

Initial Recognition:

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in Statement of Profit and Loss.

Classification and Subsequent Measurement: Financial Assets

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- The entity's business model for managing the financial assets and
- The contractual cash flow characteristics of the financial asset.

Amortised Cost:

A financial asset shall be classified and measured at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair Value through OCI:

A financial asset shall be classified and measured at fair value through OCI if both of the following conditions are met:

- The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair Value through Profit or Loss:

A financial asset shall be classified and measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through OCI.

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

Classification and Subsequent Measurement; Financial liabilities:

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities'.

Financial Liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL:

Gains or Losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

Impairment of financial assets:

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period. The Company assesses on a forward looking basis the expected credit losses associated with resussers The impairment methodology applied depends on whether there has been a significant increase in credit

In case of trade receivables, the Company follows the simplified approach permitted by Ind A Instruments for recognition of impairment loss allowance. The application of simplified approach

Notes to Financial Statements for the year ended 31st March 2022

the Company to track changes in credit risk. The Company calculates the expected credit losses on trade receivables using a provision matrix on the basis of its historical credit loss experience.

Derecognition of financial instruments:

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognizes a collateralized borrowing for the proceeds received.

A financial liability is derecognized when the obligation specified in the contract is discharged or cancelled or expires.

XVIII. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

XIX. Employee benefits

(i) Short term obligations

Liabilities for wages and salaries, short term compensated absence and ex-gratia including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefits obligations in the balance sheet.

(ii) Post-employment obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligations at the end of the reporting period less the fair value of plan assets (if any). The defined benefit obligation is calculated annually as per Valuation report given by Actuary on the basis of Guidance issued by The Acturial Society of India.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expenses in the statement of profit or loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

(iii) Defined contribution plans

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has not further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

XX. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker [CODM]. The managing committee is considered to be the 'Chief Operating Decision Maker' (CODM) as defined in IND AS 108. The Operating Segment is the level at which discrete financial information is available. The CODM allocates resources and assess performance at this level. In the context of AS 108 of 'Segment Reporting', the results are considered to constitute a single reportable entity/ business segment to which the operating results are regularly reviewed by the company's Chief Operating Decision Maker.

Notes to Financial Statements for the year ended 31st March 2022

XXI. Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

XXII. Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing: The profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take

- The after income tax effect of interest and other financing costs associated with dilutive potential equity
- The weighted average number of additional equity shares that would been outstanding assuming the conversion of all dilutive potential equity shares.

Assets Held for Sale; XXIII.

Non-current assets or disposal groups comprising of assets and liabilities are classified as 'held for sale' when all of the following criteria's are met: (i) decision has been made to sell. (ii) the assets are available for immediate sale in its present condition. (iii) the assets are being actively marketed and (iv) sale has been agreed or is expected to be concluded within 12 months of the Balance Sheet date.

Subsequently, such non-current assets and disposal groups classified as held for sale are measured at the lower of its carrying value and fair value less costs to sell. Non-current assets held for sale are not depreciated or amortised.

In view of the management, the current assets (financial & other) have a value on realization in the ordinary course of business at least equal to the amount at which they are stated in the balance sheet.

Events occurring after balance sheet date XXIV.

There are no major events which have occurred after the balance sheet date requiring disclosure in the financial statements.

These assumptions were developed by management with the assistance of independent actuarial appraisers. Discount factors are determined close to each yearend by reference to government bonds of relevant economic markets and that have terms to maturity approximating to the terms of the related obligation. Other assumptions are based on management's historical experience.

(viii) Actuarial risks exposures and Sensitivity cum Scenario Testing

Acturarial Valuations are based on assumptions which are dynamic in nature and vary over time. As such entity is exposed to various risks as follows:

- a) Salary increases Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
- b) Imputed Rate of Return (IROR) Reduction in discount rate in subsequent valuations can increase the plan's liability.
- c) Mortality Actual deaths proving lower or higher than assumed in the valuation can impact liabilities
- d) Withdrawals Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawals rates at subsequent valuations can impact Plan's liability.

SENSITIVITY CUM SCENARIO TESTING TABLE (GRATUITY)

The table reflects change in liabilities that will result from change in assumption in respect of salary rise, imputed rate of return and attrition rates. Deviation in expected mortality is of less significance and thus not included in analysis

Notes to the financial statements for the year ended 31 March, 2022 (All amounts ? in Lakhs, unless otherwise stated)

43 Financial Risk Management

The financial assets of the company include investments, loans, trade and other receivables, and cash and bank balances that derive directly from its operations. The financial liabilities of the company include loans and borrowings, trade payables, and other payables, and the main purpose of these financial liabilities is to finance the day to day operations of the company.

The company is mainly exposed to the following risks that arise from financial instruments:

- (ii) Liquidity risk
- (iii) Credit risk

The Company's senior management oversees the management of these risks and that advises on financial risks and the appropriate financial risk governance framework for the Company.

This note explains the risks which the company is exposed to and policies and framework adopted by the company to manage these risks:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise two types of risk: foreign

(a) Foreign currency risk

The company during the year is not exposed to any foreign currency risk as there is no dealings in foreign exchange

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates. The Company's total long-term debt obligations (including current naturities) as at March 31, 2022 is ₹ 1026.86 Lakhs (previous year ₹ 776.99 Lakhs) out of which are borrowings amounting to ₹ 176.07 Lakhs (previous year ₹ 287.19 Lakhs) is interest bearing and with variable rate of interest. The balance horsest provides of the provided of the provi and with variable rate of interest. The balance borrowings amounting to ₹ 850.79 Lakhs (previous year ₹ 489.80 Lakhs) is interest free loan repayable on demand.

At the reporting date the interest rate profile of the Company's interest bearing financial instrument is at its fair value

Variable rate instruments	Carrying amount		
	Financial Year	Financial Year	
Long term borrowings	2021-22	2020-2	
Current maturities of long term deba	53.36	177.0	
Short term borrowings	122.71	110.13	
Short term borrowings	122.71		

Cash flow sensitivity analysis for variable rate instruments

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. A change of 100 basis points in interest rates for variable rate instruments at the reporting date would have increased/(decreased) profit or loss for the below years by the amounts shown below. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Variable rate instruments	Financial Year	Financial Year
Increase/ (decrease) in 100 basis point	2021-22	2020-21
(Too basis point	1.76	2.87

(ii) Liquidity Risk

The financial liabilities of the company include loans and borrowings, trade and other payables. The company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations.

The company monitors its risk of shortage of funds to meet the financial liabilities using a liquidity planning tool. The company plans to maintain sufficient cash to meet the obligations as and

49 The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables, inventories, property, plant and equipment and intangible assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions, the Company has, as at the date of approval of these financial results, used internal and external sources of information, including economic forecasts and estimates from market sources, on the expected future performance of the Company. On the basis of evaluation and current indicators of future economic conditions, the Company expects to recover the carrying amounts of these assets and does not anticipate any impairment to these financial and non-financial assets. However, the impact assessment of COVID-19 is a continuing process, given the uncertainties associated with its nature and duration. The Company will continue to monitor any material changes to future economic conditions.
