---	---

Dear Sir,

NOTICE OF FORTY THIRD ANNUAL GENERAL MEETING FOR FY 2019-20

This is to inform you that the Forty Third Annual General Meeting ("AGM") of the Company will be held on Thursday, September 24, 2020 at 11.00 a.m. (IST) through Video Conferencing (VC) / Other Audio-Visual Means (OAVM), in accordance with the relevant circulars issued by the Ministry of Corporate Affairs & Securities and Exchange Board of India in this regard.

Pursuant to Regulation 34(1) and Regulation 30(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are submitting herewith the Annual Report of the Company for the financial year 2019-20 including the Business Responsibility Report, together with the Notice of AGM, which is being sent through electronic mode to the Members whose e-mail ID's are available with the Company.

The Annual Report and Notice of AGM are also available on the website of the Company at www.harrisonsmalayalam.com

The Notice of AGM of the Company inter alia provides the process and manner of remote e-voting / e-voting at AGM and instructions for participation at the AGM through VC/OAVM.

You are requested to kindly take the above on record.

Yours faithfully,
for HARRISONS MALAYALAM LIMITED

By Order of the Board of Directors

Binu Thomas
Company Secretary

Place : Kochi
Date : August 21, 2020

Notes:

1. In view of the COVID-19 pandemic, the Ministry of Corporate Affairs (MCA) has, vide General Circular No. 14/2020 dated April 8, 2020, General Circular No. 17/2020 dated April 13, 2020 and General Circular No. 20/2020 dated May 5, 2020 (collectively "MCA Circulars"), permitted companies to conduct Annual General Meeting (AGM) through video conferencing (VC) or other audio visual means, subject to compliance of various conditions mentioned therein. In compliance with the MCA Circulars and applicable provisions of Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the 43rd AGM of the Company is being convened and conducted through VC.
2. **PURSUANT TO THE PROVISIONS OF THE ACT, A MEMBER ENTITLED TO ATTEND AND VOTE AT THE AGM IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON HIS/HER BEHALF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. SINCE THIS AGM IS BEING HELD PURSUANT TO THE MCA CIRCULARS THROUGH VC/OAVM, THE REQUIREMENT OF PHYSICAL ATTENDANCE OF MEMBERS HAS BEEN DISPENSED WITH. ACCORDINGLY, IN TERMS OF THE MCA CIRCULARS, THE FACILITY FOR APPOINTMENT OF PROXIES BY THE MEMBERS WILL NOT BE AVAILABLE FOR THIS AGM AND HENCE THE PROXY FORM, ATTENDANCE SLIP AND ROUTE MAP OF AGM ARE NOT ANNEXED TO THIS NOTICE.**
3. Institutional Investors, who are members of the Company, are encouraged to attend the AGM through VC/OAVM facility and vote thereat. Corporate Members intending to appoint their authorised representatives pursuant to Sections 112 and 113 of the Act, as the case may be, to attend the AGM through VC/OAVM or to vote through remote e-Voting are requested to send a certified copy of the Board Resolution to the Scrutinizer by e-mail at mds@mdsassociates.in
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act.
5. The explanatory statement pursuant to Section 102 of the Act setting out material facts concerning the business under Items No. 3 to 4 of the Notice is annexed hereto. The relevant details, pursuant to Regulations 26(4) and 36(3) of the Listing Regulations and Secretarial Standards on General Meetings issued by the Institute of Company Secretaries of India, in respect of a Director seeking re-appointment at this AGM are also annexed. All documents referred to in the accompanying Notice and the explanatory statement can be obtained for inspection by writing to the Company at its email agm@harrisonsmalayalam.com till the date of AGM.
6. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Companies Act, 2013 and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Companies Act, 2013, will be available for inspection. Members seeking to inspect such documents upto the date of AGM can send their request at the mail id agm@harrisonsmalayalam.com
7. The Members can join the AGM in the VC/OAVM mode 30 minutes before the scheduled time of the commencement of the Meeting by following the procedure mentioned in the notice. The members will be able to view the proceedings by logging into the <https://www.evotingindia.com> under shareholders/members login by using the remote e-voting credentials. The link for VC/OAVM will be available in shareholder/members login where the EVSN of Company will be displayed. The facility of participation at the AGM through VC/OAVM will be made available to at least 1,000 Members on a first come first served basis as per the MCA Circulars. However, this number does not include the large Shareholders i.e. Shareholders holding 2% or more shareholding, Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
8. Members are requested to express their views/send their queries in advance mentioning their name, DP ID and Client ID number /Folio No., email ID, mobile no. at agm@harrisonsmalayalam.com or write to the Company Secretary, so as to reach him at least 7 days before the meeting. The same will be replied by the Company suitably.
 - (i) Members who would like to ask questions during the Forty Third AGM of the Company need to register themselves as a speaker by sending their requests preferably along with their questions mentioning their name, DP ID and Client ID number/folio number, email id, mobile number, to the Company's email address at agm@harrisonsmalayalam.com latest by 4 p.m. (IST) on Tuesday, 22nd September, 2020.
 - (ii) When a pre-registered speaker is invited to speak at the meeting but he / she does not respond, the next speaker will be invited to speak. Accordingly, all speakers are requested to get connected to a device with a video/ camera along with good internet speed.
 - iii) The Company reserves the right to restrict the number of questions and number of speakers, as appropriate, for smooth conduct of the AGM.
9. In line with the MCA General Circular dated May 5, 2020, the Notice of the AGM along with the Annual Report 2019-20 is being sent only through electronic mode to those Members whose e-mail addresses are registered with the Company/Depositories. Members may note that physical copies of the Annual report will not be sent. The Notice convening the forty third AGM has

been uploaded on the website of the Company at harrisonsmalayalam.com under 'Investor Relations' section and may also be accessed on the websites of the Stock Exchanges i.e. BSE Limited and the National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The Notice is also available on the website of CDSL at <https://www.evotingindia.com>.

10. The Register of Members and the Share Transfer Books of the Company will be closed from Friday 18 September, 2020 to Thursday, 24 September, 2020, both days inclusive.
11. In terms of Section 124(5) of the Companies Act, 2013, dividend amount for the year ended March 31, 2013, remaining unclaimed for a period of 7 (seven) years shall become due for transfer in October 2020 to the Investor Education and Protection Fund ('IEPF') established by the Central Government. Further in terms of Section 124(6) of the Companies Act, 2013, in case of such Members whose dividends are unpaid for a continuous period of 7 (seven) years, the corresponding shares shall be transferred to the IEPF demat account. Members who have not claimed dividends in respect of the Financial Year 2012-13 and onwards are requested to approach the Company / Company's RTA for claiming the same as early as possible, to avoid the transfer of the relevant shares to the demat account of the IEPF authority.
12. Pursuant to the provisions of IEPF Rules, all shares in respect of which dividend has not been paid or claimed for seven consecutive years shall be transferred by the Company to the designated Demat Account of the IEPF Authority ('IEPF Account') within a period of thirty days of such shares becoming due to be transferred to the IEPF Account. Accordingly, the Company transferred 48930 Equity shares of the face value of 10/- each to the IEPF Account pertaining to the financial year 2010-11, on which the dividends remained unpaid or unclaimed for seven consecutive years after following the prescribed procedure. In this regard, the Company has individually informed the members concerned and also published notice in the newspapers as per the IEPF Rules. The details of such Members and shares transferred for the financial year -2010-11 are uploaded in the "Investors Relations" Section of the website of the Company viz. www.harrisonsmalayalam.com.
13. Dividend and corresponding shares, as stated in Points 11 and 12 above, once transferred to IEPF by the Company, may be claimed only from the IEPF Authority by following the procedure prescribed under the IEPF Rules. Mr. Binu Thomas, Company Secretary is the Nodal Officer of the Company for the purpose of verification of such claims
14. In view of the Regulation 40 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended with effect from April 1, 2019, securities of listed companies can now be transferred only in the dematerialized form, except in case of request received for transmission or transposition of securities. Members holding shares in physical form are therefore requested to convert their holdings into the dematerialized mode to avoid loss of shares and fraudulent transactions and better investor servicing.
15. SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are therefore requested to submit the PAN to their depository participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company's RTA.
16. Pursuant to Section 72 of the Companies Act, 2013, Members holding shares in physical form are advised to file nomination in the prescribed Form SH-13 with the Company's RTA. In respect of shares held in electronic form, the Members may please contact their respective DP.
17. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
18. Member may participate in the AGM even after exercising his right to vote through remote e-voting but shall not be allowed to vote again. At the end of remote e-voting period, the facility shall forthwith be blocked.
19. The Board vide its Resolution passed on August 21, 2020 has appointed Mr. M D Selvaraj Practicing Company Secretary (FCS 960 COP 411), as the Scrutinizer for conducting the e-voting process in accordance with the law and in a fair and transparent manner. The Scrutinizer shall immediately after the conclusion of voting at the AGM, unblock the votes cast through remote e-voting and e-voting on the date of the AGM, in the presence of at least two witnesses not in the employment of the Company and make, not later than 48 hours of the conclusion of the Meeting, a consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, forthwith to the Chairman of the Company or any person authorized by him in writing and the Results shall be declared by the Chairman or any person authorized by him thereafter. The Results declared along with the Scrutinizer's Report shall be placed on the website of the Company www.harrisonsmalayalam.com and on the website of CDSL immediately after the declaration of Result by the Chairman or any person authorized by him in writing. The results shall also be forwarded to the stock exchanges where the shares of Company are listed.

20. The voting rights of Members shall be in proportion to their shares in the paid up equity share capital of the Company as on the cut-off date of 17th September, 2020.
21. In case of joint holders, the Members whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.

In case of transmission / transposition, the members are requested to forward their requests and other communications directly to the Registrar and Share Transfer Agent (RTA) of the company, M/s. Link Intime India Private Limited, "Surya", 35, Mayflower Avenue, 2nd Floor, Behind Senthil Nagar, Sowripalayam Road, Coimbatore – 641028.

22. The instructions for shareholders for remote e-voting and joining the E-AGM are as under:

THE INTRUCTIONS FOR SHAREHOLDRES FOR REMOTE E-VOTING ARE AS UNDER:

- (i) The voting period begins on Monday 21 September 2020 at 9.00 AM (IST) and ends on Wednesday 23 September 2020 at 5.00 PM (IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 17 September 2020 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) The shareholders should log on to the e-voting website www.evotingindia.com.
- (iv) Click on "Shareholders" module.
- (v) Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- (vi) Next enter the Image Verification as displayed and Click on Login.
- (vii) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
- (viii) If you are a first time user follow the steps given below:

	For Shareholders holding shares in Demat Form and Physical Form
PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) <ul style="list-style-type: none"> • Shared to members by email.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. <ul style="list-style-type: none"> • If both the details are not recorded with the depository or company please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (v).

- (ix) After entering these details appropriately, click on "SUBMIT" tab.
- (x) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (xi) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (xii) Click on the EVSN for the relevant <Harrisons Malayalam Limited> on which you choose to vote.
- (xiii) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xiv) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- (xv) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.

- (xvi) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (xvii) You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.
- (xviii) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xix) Shareholders can also cast their vote using CDSL’s mobile app “m-Voting”. The m-Voting app can be downloaded from respective Store. Please follow the instructions as prompted by the mobile app while Remote Voting on your mobile.
- (xx) Any person, who acquires shares of the Company and become a member after dispatch of the notice and holding shares as on the cut-off date i.e., September 17, 2020 may follow the same procedure as mentioned above for e-Voting.

PROCESS FOR THOSE SHAREHOLDERS WHOSE EMAIL ADDRESSES ARE NOT REGISTERED WITH THE DEPOSITORIES FOR OBTAINING LOGIN CREDENTIALS FOR E-VOTING FOR THE RESOLUTIONS PROPOSED IN THIS NOTICE:

1. For Physical shareholders- In case the shareholder has not registered his/her/their email address with the Company/its RTA/Depositories and or not updated the Bank Account mandate, the following instructions to be followed:

OUR ENVIRONMENT SOCIETY GOVERNANCE COMMITMENT

In the Modern world respect is being increasingly derived through a commitment to ESG investment, compliance and disclosures. At HML we have made qualitative investments with the objective to enhance value for all stakeholders.

ENVIRONMENT

Conserving nature is the best gift we can provide to our future generations. With this vision company conducts all its operations in an environmental friendly manner. The Company's tea processing units and gardens are certified by a range of certification like Fairtrade, Rainforest Alliance, UTZ, and Ethical Tea Partnership taking care of environment & social concerns. Rubber estates are self- certified under the Rubber Sustainability program under IRSG. Refer Business Responsibility Report for more details

SOCIETY

The Company created an enabling environment for employees and contributed to society. The welfare and the well- being of Harrison's Malayalam's large workforce – about 10,000 employees and their families drawn largely from the weaker sections of the society is of paramount importance to the company. About half of our employees are women who are employed on the same terms and conditions as their male counterparts. The company also has a huge out grower network in Tea & Rubber where it works with thousands of small growers and their cooperatives across the state not only to procure raw materials but also to inculcate training in good practices and by incorporating transparent fair and reliability in its dealings to deliver maximum value. Refer Business Responsibility Report for more details

GOVERNANCE

The Company invested in governance centric initiatives comprising management leadership, accounting transparency, stakeholder rights and other credible business practices. The company's Board comprised four experienced independent Directors drawn from various fields. The company's policies were periodically uploaded on its website.

Particulars as required under Section 134(m) of the Companies Act, 2013 (Annexure 'A' to the Board Report)

Pursuant to Rule 8(3) of the Companies (Accounts) Rules, 2014, particulars of Conservation of Energy, Technology Absorption etc. for the year ended March 31, 2020 are given below.

A) Conservation of Energy

i) Steps taken or impact on conservation of energy:

The significant energy conservation measures undertaken by the Company during the year were Introduction of transparent roofing in factories to get day light to reduce lighting electricity consumption. This initiative started during the previous year and is being implemented in a phased manner across all factories. Three more factories have completely changed over to LED lighting during the year. Power factor improvement is another step taken in factories by addition of suitable capacitors. The factories have not incurred any penalty for low power factor during the period. AMC introduced for the heater units in factories to ensure the operational efficiency. Heater unit hot water line de-scaling is done as per the norms to have energy efficiency. All new motors procured in factories are EE type, which will contribute towards energy consumption reduction. Maintenance cost reduction initiatives are taken up in factories by standardization of spares and lubricants. All tea estate operations, factory operations and warehouse activities are sustainability certified & are certified from SAN Rainforest Alliance, UTZ and Trustea. Achoor factory is ISO9001-2015 certified. Soil conservation activities are initiated in all estates by means of green fencing and by planting Vettiver along the boundary hedges. 15% of every tea estate area get covered up with vettiver during each season. Tree planting is done extensively across estates to contribute towards low carbon footprint. Water conservation initiatives focus towards making of earthen buds and small check dams. These activities are supported by the local self-governments also. Water collection ponds are being made in open spaces to collect water. Trenches are made in fields with lock-and-spill arrangement to collect rain water. Old pipe lines are being replaced with new HDPE hoses to arrest wastage of water. Additional water storage tanks from natural, gravity sources have been installed for the estate employees and factory requirements. Utilizing fuel wood from sustainable sources within the estate to reduce dependency on fossil fuels

ii) Steps taken by the Company to utilize alternate sources of energy The Company uses environment friendly briquettes made from agri-waste in its factories. Trenching in tea fields is used for water harvesting; one field per estate is covered in phase one. Earthen dams are built in all tea estate for water harvesting. Usage of solar power is also being looked into depending on the economic feasibility

B) Technology Absorption

i) Efforts made towards technology absorption and benefits derived thereupon

Fuel saving is achieved by using hot water generator. Conventional steel chimneys in tea factories would be replaced with concrete chimneys in a phased manner. This would reduce the maintenance costs. Replacing the existing bulbs / lamps with energy efficient LED lamps across all factories, offices and bungalows in a phased manner would help reduce electricity consumption and thereby power cost.

ii) Expenditure incurred on R & D

We have initiated studies and are trying to move into the area of biotechnology away from chemistry and biochemistry which will entail a greener foot print. Trials are being conducted using enzymes and beneficial microbes to replace acids and other chemicals. We have achieved partial success in area of de-proteinisation chemistry and work is in this direction is going on.

C) Foreign Exchange earnings and Outgo

During the year 2019-20, the foreign exchange earned in terms of actual inflows was ₹ 5985.12 lakhs and foreign exchange outgo in terms of actual outflow was ₹ 43.30 lakhs.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

(ANNEXURE 'B' TO THE BOARD REPORT)

OVERVIEW

TEA

As per report of Press Trust Of India the country's tea exports declined marginally by 0.55 per cent to USD 826.32 million during 2019-20 from USD 831 million in the previous fiscal, according to the commerce ministry. The outbound shipments dipped significantly by 33.74 per cent in March this year to USD 49.36 million as compared to USD 74.5 million in the same month last year, the data showed. As per the latest available figures, in volume terms, the exports during the 10 months of 2019-20 too dipped to 205 million kg as compared to 214 million kg in the same period of 2018-19. Industry experts stated that if one compares the situation of the country's total exports, this sector has done reasonably well. The country's total exports plunged by a record low of 34.6 per cent in March and about 5 per cent in 2019-20.

The major export destinations for India are the CIS countries (Russia, Ukraine, Kazakhstan), Iran, the UK, Netherlands, Germany and Ireland. According to the Tea board, India is the second largest producer of tea in the world and accounts for the highest tea consumption globally. Around 80 per cent of the total tea produced in India is consumed by the domestic population. The major tea producers include Assam, West Bengal, Tamil Nadu, Kerala, and Karnataka.

Outlook

India tea production consist of both the crush tear curl (CTC) and the orthodox (ODX) varieties of tea, Orthodox Teas are mainly exported whereas more than 90 per cent of CTC is consumed in domestic market. Going forward, the outlook for ODX teas remains supportive, with export demand likely to remain firm. However, a further escalation in the volatile geopolitical situation in the Middle East could impact export demand. The production was impacted badly by the covid- 19 pandemic and recurring floods also have caused huge damage to the tea crop in Northern and Southern India. We expect prices of tea to rise due to huge vacuum created in the overall supply chain and also on account of good competition in the tea market.

OVERVIEW

Rubber

Natural rubber production in India recorded a growth of 9.4% to reach 7.12 lakh tonnes during 2019-20. Rubber consumption has declined from 12,11,940 tonne in 2018-19 to 11,34,120 tonne in 2019-20 and the production-consumption gap has declined to around 4, 22,000 tonne from 5,61,000 tonne. Natural rubber imports dropped by 20% in 2019-20; 70% of the imports were through the duty paid channel, while exports increased from 4,551 tonne in 2018-19 to 12,194 tonne in 2019-20

Outlook

Association of Natural rubber producing countries have stated that global production of natural rubber is likely to fall by nearly 5% this year as the coronavirus pandemic has depressed demand and put the industry in crisis, India is the fastest growing passenger car market.

The association, which at the beginning of this year forecast that both production and demand would rise in 2020, now sees output falling particularly in No. 2 producer Indonesia – due to the economic impact of the coronavirus and the hit to the car industry.

Demand from car tyre makers, has dwindled as car manufacturing slumped. While the association said there has been a spike in demand for rubber gloves and other protective equipment during the pandemic but it is offset by a plunge in demand from the car and other industries.

We expect outlook of rubber to improve after situation due to pandemic returns to normalcy. The policies being launched by various governments to bring the economies back to growth trajectory are expected to give a further boost. Besides contributing to the environment sector and thereby improving the demand outlook for natural rubber, this can help in boosting business confidence and positive market sentiment.

As per oil industry analyst, crude is expected to reach the supply demand equilibrium by June and a deficit is to follow thereafter. The improving demand and lower output are likely to help the oil market further. The uptrends in crude oil usually bolster commodity prices because crude oil enjoys dominance in baskets of various commodities indices. This is favourable to natural rubber because the natural rubber market usually tracks the general trend in commodities. The consumption sector of natural rubber is in process of returning to life. The improving outlook on the world consumption can contribute to positive sentiment.

OPPORTUNITIES AND THREATS

Tea and Rubber plantation is dependent on the vagaries of nature, to combat this we continuously improve our methods in harvesting methodology. It is also labour intensive and subject to stringent labour laws. High labour cost, social cost, high infrastructure cost

and rising energy and other input costs remain its major problems. Shortage of labour during peak season in some pockets and rising labour cost is also a cause for concern. These problems will be addressed by improving labour productivity through mechanisation and various other initiatives, such as mechanisation which your Company has embarked upon.

Your Company's strategy, keeping in mind the macro trends, is to continually better its performance by driving innovation to deliver differentiation through existing and new products and by moving up the value chain and reducing cost. With the expected stabilisation of rubber prices and HML achieving better volumes in both tea and rubber through, own and bought operations, the Company should be able to further improve its performance.

INTERNAL CONTROL SYSTEM

HML has in place an adequate Internal Control system commensurate to its size and nature of operations. These have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statutes, safe guarding the assets from unauthorized use or loss, extending transactions with proper operation and ensuring compliance of corporate policies. Internal Control is supplemented by regular management review, documented policies and procedures, as also internal audits. The Company has an Audit Committee, details of which have been provided in the Corporate Governance report. The Audit Committee reviews Audit Reports submitted by Internal Auditors. Suggestions for improvement are considered and the Audit Committee follows up implementation of corrective actions. The Committee also meets the Company's statutory auditors to ascertain their views on the adequacy of internal control systems in the Company and keeps the Board informed of its major observations from time to time.

HUMAN RESOURCES

HML employs over 10,000 (Approx) people at its tea and rubber plantations. Employee relations remained satisfactory during the period under review. The Company would like to record its appreciation to its employees and their whole hearted support and cooperation during these difficult periods.

Finance

The total income during the year stood at ₹ 39,342.82 Lakhs. EBITDA (Earnings Before Interest, Tax, and Depreciation) was at a profit of ₹ 2,949.30 Lakhs. The Profit Before Tax was at ₹ 928.66 Lakhs.

Key Financial Ratios	2019-20	2018-19
Debtors Turnover Ratio	43.60	29.74
Inventory Turnover Ratio	8.45	10.34
Interest Coverage Ratio	1.58	-0.75
Current Ratio	0.47	0.44
Debt Equity Ratio	1.44	1.54
Operating Profit Margin (%)	6.37%	-2.98%
Net Profit Margin (%)	2.58%	-6.69%
Return on Net Worth	11.75%	-30.63%

Significant changes in above ratios is on account of, the profits primarily on account of 9% higher production in Tea and 17% higher production in Rubber.

CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations are "forward looking statements" within the meaning of applicable securities laws and regulations. Actual result could defer materially from those expressed or implied. Significant factors that could make a difference to the Company's operations include domestic and internal economic conditions affecting demand and supply, commodity prices, changes in Government regulations, tax regimes and other statutes. Market data and product information contained in this Report have been based on information gathered from various published and unpublished reports and their accuracy, reliability and completeness cannot always be assured.

REPORT ON CORPORATE GOVERNANCE (Annexure 'C' to Board Report)

The Company's policy on Corporate Governance emphasises on conducting its operations effectively and meeting its obligations towards its various shareholders and to the society at large. The Company endeavours to produce quality products that consistently command respect, trust and loyalty by way of sustained efforts in the plantation and adoption of latest technologies. The Company also give due importance to its obligation towards the large work force that it employs in the plantation. The Company runs a business that has human face and values environment, people, product, plantations, practices, customers and shareholders. The company believes in achieving its goal which results in enhancement of shareholders value through transparency, professionalization and accountability.

HML is in compliance with the Corporate Governance guidelines as stipulated under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

BOARD OF DIRECTORS

Composition of the Board

As on 31 March, 2020, HML's Board of Directors consists of eight Directors, of which four are Independent Directors, including one Independent Woman Director. There is two non-executive non-independent directors and two Whole Time Directors. The composition of the Board satisfies the requirements of Section 149 of the Companies Act, 2013 ("the Act") and Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015.

Composition & Category of Directors

The Company has an optimum combination of executive and non-executive directors. As on March 31, 2020, the Company has 8 directors and the composition of the Board of Directors is as provided herein. In terms of Regulation 17 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), at least 50% of the Board should comprise of non-executive Independent Directors with at least one woman director. The non-executive Independent Directors constitute 50% of the Board as at March 31, 2020. None of the Directors are related to each other.

NUMBER OF BOARD MEETINGS

In 2019-20, the Board of the Company met five times, on 29.05.2019, 12.08.2019, 06.09.2019, 11.11.2019 and 11.02.2020. The maximum gap between any two Board meetings was less than one hundred and twenty days.

DIRECTORS' ATTENDANCE RECORD AND DIRECTORSHIPS

Table 1 details the composition and the attendance record of the Board of Directors. None of the Directors is a member of more than ten Board-level Committees of public companies in which they are Directors, nor is Chairman of more than five such Committees.

Table1: Composition of the Board of Directors as on 31 March 2020 is stated below

Name of Director	Category	No. of Directorships and Committee memberships / Chairmanships in Indian public companies including this Co.			Attendance particulars

CMG-Cherian M George, CVR-C Vinayaraghavan, Y -Yes

RELATED PARTY TRANSACTIONS

Details of transactions of a material nature with any of the related parties as specified in Indian Accounting Standard (AS) 24 issued by the Institute of Chartered Accountants of India are disclosed in Note no 38 to the financial statements for the year 2019-20. There has been no transaction of a material nature with any of the related parties which was in conflict with the interests of the Company. There has been no material pecuniary relationship or transaction between the Company and its non-executive Directors during the year. The Company's policy on dealing with Related Party Transactions is available at the Company's website www.harrisonsmalayalam.com

INFORMATION SUPPLIED TO THE BOARD

The Directors are presented with detailed notes along with the agenda papers well in advance of their meeting. Necessary information as required under the statute and in line with the guidelines on Corporate Governance are placed before and reviewed by the Board. The Board periodically reviews compliance reports prepared by the Company regarding all laws applicable to the Company, as well as steps taken to rectify instances of non-compliance, if any.

Important operational matters are brought to the notice of the Board at its meetings held from time to time.

CODE OF CONDUCT

The Code of Business Conduct and Ethics relating to matters concerning Board members and Senior Management Officers and their duties and responsibilities has been meticulously followed. All Directors and Senior Management Officers have affirmed compliance of the provisions of the Code during the year 2019-20 and a declaration from the Manager of the Company to that effect is given at the end of this report. The code is available on the Company's website www.harrisonsmalayalam.com

COMMITTEES OF THE BOARD

AUDIT COMMITTEE

As on 31st March 2020, Audit Committee of HML's Board of Directors consisted of Mr. Golam Momen, Mr. J.M. Kothary and Ms. Kusum Dadoo. Ms. Kusum Dadoo, Independent Director, is the Chairperson of the Committee. All members of the Audit Committee have accounting and financial management expertise.

The Committee met five times during the course of the financial year on 29.05.2019, 12.08.2019, 06.09.2019, 11.11.2019 and 11.02.2020.

Table 2: Attendance record of Audit Committee members for 2019-20

Name of Members	Status	Category	No. of Meetings	
			Held	Attended
Ms. Kusum Dadoo	Chairperson	Independent	5	5
Mr. G. Momen	Member	Independent	5	4
Mr. J.M. Kothary	Member	Independent	5	5

The chiefs of finance and representatives of the statutory auditors are invitees to the Audit Committee meetings. The Audit Committee also invites the cost auditor and internal auditor in case of necessity. The Company Secretary is the Secretary to the Committee.

The functions of the Audit Committee of the Company include the following:

1. Approval of payment to statutory auditors for any other services rendered by the statutory auditors.
2. Reviewing, with the management, the annual financial statements before submission to the Board for approval, with particular reference to:
 - a) Matters required to be included in the Director's Responsibility Statement to be included in the Board's report in terms of Section 134 of the Act.
 - b) Changes, if any, in accounting policies and practices and reason for the same.
 - c) Major accounting entries involving estimates based on the exercise of judgment by management.
 - d) Significant adjustments made in the financial statements arising out of audit findings.
 - e) Compliance with listing and other legal requirements relating to financial statements.
 - f) Disclosure of any related party transactions.
 - g) Qualifications in the draft audit report, if any.
3. Reviewing, with the management, the quarterly financial statements before submission to the Board for approval.
4. Reviewing, with the management, performance of statutory and internal auditors and adequacy of the internal control systems.
5. Reviewing the adequacy of internal audit function, if any, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit.
6. Discussion with internal auditors any significant findings and follow up thereon.
7. Investigating into any matter in relation to the items specified in the terms of reference and reviewing the findings of any internal investigations by the internal auditors into matters where there is suspected fraud or irregularity or a failure of internal control systems of a material nature and reporting the matter to the Board.
8. Discussion with statutory auditors before the audit commences, about the nature and scope of audit as well as post-audit discussion to ascertain any area of concern.
9. Reviewing the Company's risk management policies.
10. Look into the reasons for substantial defaults in the payment to the depositors, debenture holders, shareholders (in case of non-payment of declared dividends) and creditors.
11. Carrying out any other function as is mentioned in the terms of reference of the Audit Committee.

The auditors and the key managerial personnel have a right to be heard in the meetings of the Audit Committee when it considers the auditor's report.

The Audit Committee is empowered, pursuant to its terms of reference, to:

- Investigate any activity within its terms of reference and to seek any information it requires from any employee.
- Obtain professional advice from external sources to carry on any investigation and have full access to information contained in the records of the company.
- Discuss any related issues with the internal and statutory auditors and the management of the company.
- Review and monitor the auditor's independence and performance, and effectiveness of audit process.
- Approve subsequent modification of transactions of the Company with related parties.
- Scrutinize the inter-corporate loans and investments and evaluate internal financial controls and risk management systems.
- Oversee the vigil mechanism / whistle blower policy of the Company.

The Company has systems and procedures in place to ensure that the Audit Committee mandatorily reviews:

- Management discussion and analysis of financial condition and results of operations.
- Statement of significant related party transactions (as defined by the Audit Committee), submitted by management.
- Management letters / letters of internal control weaknesses issued by the statutory auditors.
- Internal audit reports relating to internal control weaknesses.
- The appointment, removal and terms of remuneration of the internal auditor.
- Whenever applicable, monitoring end use of funds raised through public issues, rights issues, and preferential issues by major category (capital expenditure, sales and marketing, working capital etc.) as part of the quarterly declaration of financial results.

In addition, the Audit Committee of the Board is also empowered to review the financial statements, in particular, the investments made by the unlisted subsidiary companies, in view of the requirements under Regulation 24 of SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015. No person has been denied access to the Committee.

STAKEHOLDERS RELATIONSHIP COMMITTEE

The Stakeholders Relationship Committee looks into redressal of grievances of shareholders and other security holders such as transfer of shares, issue of share certificates, non-receipt of Annual Report and non-receipt of declared dividends.

The Stakeholders Relationship Committee comprises of Mr.G. Momen, Ms.Kusum Dadoo, Mr JM Kothary and Mr. V. Venugopal. Mr. G. Momen is the Chairman of the Committee. The Committee met once during the year on 08.01.2020 Table 3 gives the details of attendance.

Table 3: Attendance record of Stakeholder Relationship Committee for 2019-20

Name of Members	Status	Category	No. of Meetings	
			Held	Attended
Mr. G. Momen	Chairman	Independent	1	1
Mr. J.M. Kothary	Member	Independent	1	0
Ms. Kusum Dadoo	Member	Independent	1	1
Mr.V. Venugopal	Member	Manager	1	1

For expediting the process of registration of transfers of the Company's securities, the Board has delegated the power of approving share transfers and for dealing with matters connected therewith to a committee comprising of Manager, Chief Financial Officers and the Company Secretary, who is also the Compliance Officer. The delegated authority attends to share transfer formalities at least once a fortnight.

NOMINATION & REMUNERATION COMMITTEE

The Nomination & Remuneration Committee is comprised of Ms. Kusum Dadoo, Mr.Golam Momen and Mr. J.M. Kothary. Ms. Kusum Dadoo is the Chairman of the Nomination & Remuneration Committee.

The role of the Committee, inter-alia, includes

- Identify persons qualified to become directors or hold senior management positions and advise the Board for such appointments/removals where necessary;

- Formulate criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy relating to the remuneration of directors, key managerial personnel and other employees;
- Evaluate the performance of every director;
- Devise a policy on Board diversity.

In accordance with the recommendation of the Committee, the Company has since formulated a Remuneration Policy for directors, key managerial personnel, senior management personnel and other employees of the Company. The Committee is responsible for recommending the fixation and periodic revision of remuneration of the Managing Director / Manager and Whole Time Director of the Company. The performance evaluation criteria for non-executive including Independent Directors laid down by the Committee and taken on record by the Board include:

- Attendance and participation in the Meetings
- Preparedness for the Meetings
- Understanding of the Company and the external environment in which it operates and contributes to strategic direction
- Raising of valid concerns to the Board and constructive contribution to issues and active participation at meetings.
- Engaging with and challenging the management team without being confrontational or obstructionist.

During the year, the Committee met on 29.05.2019 and 28.10.2019.

Shares held by Non-Executive Directors:

As on 31st March 2020, Mr. Golam Momen holds 560 shares and Mr. C. Vinayarahavan holds 350 shares. No other Director holds equity shares in HML. The Company has not issued any convertible instruments as on 31 March, 2020, no convertible instruments of the Company are outstanding.

RISK MANAGEMENT COMMITTEE

The Risk Management Committee of the Board is comprised of Mr. Cherian M. George, Mr. Venkitraman Anand, Mr. Ravi A. and Mr. Sajish George. The roles and responsibilities of the committee are as prescribed under Regulation 21 of SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 as amended from time to time, and includes monitoring and review of the risk management plan and reporting the same to the Board of Directors periodically as it may deem fit, in addition to any other terms as may be referred by the Board, from time to time.

CORPORATE SOCIAL RESPONSIBILITY COMMITTEE

A Corporate Social Responsibility (CSR) Committee of the Board was constituted on 25 March, 2015 to formulate and recommend to the Board a CSR Policy indicating the activities to be undertaken by the Company and to discharge such other responsibilities as required under the Act and the Rules made thereunder. The members of the Committee as on March 31, 2020 are Mr. Golam Momen, Mr. P. Rajagopalan and Mr. C. Vinayaraghavan and Ms. Kusum Dadoo. The CSR Policy can be accessed at the website of the Company at link https://www.harrisonsmalayalam.com/investor_info.htm

SUBSIDIARY COMPANIES

As on 31 March 2020, HML has two unlisted subsidiaries namely Enchanting Plantations Ltd., Harmony Plantations Ltd. and one step down subsidiary Malayalam Plantations Ltd. The Company does not have any material subsidiary, as defined under Regulation 16 of the Listing Regulations and as prescribed for the purpose of Regulation 24. The Company has however framed a Policy for determining Material Subsidiaries, as required pursuant to the said Regulation 16, which is available at www.harrisonsmalayalam.com. All provisions to the extent applicable as required under 24 of SEBI Listing Regulations, with reference to subsidiary companies, were duly complied with.

During the year under review, the Audit Committee reviewed the financial statements of the subsidiaries and in particular, the investments made by the unlisted subsidiaries, to the extent applicable. Minutes of the board meetings of unlisted subsidiaries as well as a statement of all significant transactions and arrangements entered into by the subsidiary, as applicable, were regularly placed before the Board.

MANAGEMENT

MANAGEMENT DISCUSSION AND ANALYSIS

This annual report has a detailed chapter on Management Discussion and Analysis.

DISCLOSURES BY MANAGEMENT TO THE BOARD

All disclosures relating to financial and commercial transactions where Directors may have a potential interest are provided to the Board and the interested Directors do not participate in the discussion nor do they vote on such matters.

DISCLOSURE OF ACCOUNTING CONVENTION IN PREPARATION OF FINANCIAL STATEMENTS

The financial statements have been prepared to comply in all material aspects with the applicable accounting principles in India, including accounting standards notified under Section 133 of the Act and the relevant provisions of the said Act. The financial statements have also been prepared in accordance with relevant presentational requirements of the Act.

CODE FOR PREVENTION OF INSIDER TRADING PRACTICES

Code of Fair Disclosure, Internal Procedures and Conduct for regulating, monitoring and reporting of trading by insiders – has been adopted by the Board, in accordance with SEBI (prohibition of Insider Trading) Regulations, 2015.

The code lays down guidelines, on procedures to be followed and disclosures to be made, while dealing with shares of the Company. The code clearly specifies, among other matters, that Directors and specified employees of the Company can trade in the shares of the Company only during “Trading Window Open Period”. The trading window is closed during the time of declaration of results, dividend and material events, as per the Code.

Mr.Binu Thomas, Company Secretary acts as the Compliance Officer to ensure compliance with the requisite approvals on pre-clearance of trade, monitoring of trades and implementation of the Code under the overall supervision of the Board.

WHISTLE BOWLER POLICY/VIGIL POLICY

As required under the Act and Regulation 22 & 46(2)(e) of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015, the Company has formulated a Whistle Blower Policy for its Directors and permanent employees. Under the Policy, instances of any irregularity, unethical practice and / or misconduct can be reported to the management for appropriate action and no personnel have been denied access to audit committee. Whistle Bowler Policy/Vigil Policy is posted at https://www.harrisonsmalayalam.com/investor_info.htm

ANTI SEXUAL HARASSMENT POLICY

The Company has in place an Anti-Sexual Harassment Policy in line with the requirements of the Sexual Harassment of Women at the Workplace (Prevention, Prohibition & Redressal) Act, 2013 covering all employees of the Company. Internal Complaints Committee set up for the purpose did not receive any complaint for redressal during the year.

WTD/CFO CERTIFICATION

The Whole Time Director/CFO certification on the financial statements for the year has been submitted to the Board of Directors, as required under Regulation 17(8) of SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015.

CERTIFICATE OF NON-DISQUALIFICATION OF DIRECTORS

Certificate from Practicing Company Secretary Mr. P Sivakumar Partner, M/s SEP & Associates confirming that none of the Directors on the Board of the Company have been debarred or disqualified from being appointed or continuing as directors of companies by SEBI/ Ministry of Corporate Affairs or any other statutory authority, is annexed to this Report.

FEES PAID ON A CONSOLIDATED BASIS TO THE STATUTORY AUDITOR

The total fees for all services paid by the Company and its subsidiaries, on a consolidated basis, to the statutory auditor and all entities in the network firm / network entity in which the statutory auditor is a part for the financial year 2019-20 is ₹ ₹ 25.81 lakhs.

ACCEPTANCE OF RECOMMENDATIONS OF ANY COMMITTEE OF THE BOARD

All the recommendations made by any Committee of the Board during the financial year 2019-2020 have been duly accepted and taken on record by the Board of Directors of the Company.

SHAREHOLDERS

COMMUNICATION TO SHAREHOLDERS

HML puts forth key information about the Company and its performance, including quarterly results, official news releases and presentations to analysts, on its website www.harrisonsmalayalam.com regularly for the benefit of its shareholders and the public at large.

The quarterly, half yearly and annual results are published in Business Standard (English) and Deshabhimani (Malayalam) newspapers in the form prescribed in Regulation 47 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 with the Stock Exchanges. These results are also displayed in the Company's website www.harrisonsmalayalam.com. Hence, they are not separately sent to the shareholders. However, the Company furnishes the quarterly results on receipt of a request from any shareholder.

INVESTOR GRIEVANCES & SHAREHOLDER REDRESSAL

The Company has appointed a Registrar and Share Transfer Agent, Link Intime India Private Ltd., which is fully equipped to carry out share transfer related activities and redress investor complaints. Mr. Binu Thomas, Company Secretary is the Compliance Officer overseeing the process of redressal of all shareholders' grievances.

DETAILS OF NON-COMPLIANCE BY THE COMPANY

HML has complied with all requirements of the regulatory authorities. No penalties / strictures were imposed on the Company by stock exchanges or SEBI or any statutory authority on any matter related to capital markets during the last three years.

SHARE TRANSFER AGENTS, SHARE TRANSFER AND DEMAT SYSTEM

The Company processes share transfers through its Share Transfer Agent whose address is as given below.

M/s. Link Intime India Pvt. Ltd.
Surya, 35, Mayflower Avenue, Behind Senthil Nagar
Sowripalayam Road, Coimbatore – 641028.
Ph. 0422-2314792
E-mail: coimbatore@linkintime.co.in

In compliance with the SEBI circular dated 27 December 2002, requiring share registry in terms of both physical and electronic mode to be maintained at a single point, HML has established direct connections with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL), the two depositories, through its share transfer agent.

Shares received in physical form are processed and the share certificates are returned within 10 to 15 days from the date of receipt, subject to the documents being complete and valid in all respects.

The Company's equity shares are under compulsory dematerialised trading. Shares held in the dematerialised form are electronically traded in the Depository. The Registrar and the Share Transfer Agent of the Company periodically receives data regarding the beneficiary holdings, so as to enable them to update their records and send all corporate communications, dividend warrants, etc.

As on March 31 2020, dematerialised shares accounted for 17863221 shares 96.79% of total equity. There is no subsisting court order in legal proceedings against HML in any share transfer matter.

COMPLIANCE OFFICER FOR INVESTOR REDRESSAL

Mr.Binu Thomas, Company Secretary is the Compliance Officer for investor related matters.

TRANSFER OF UNCLAIMED DIVIDEND TO INVESTOR EDUCATION AND PROTECTION FUND (IEPF)

The due dates on which unclaimed dividends lying in the unpaid dividend accounts of the Company would be credited to the IEPF are stated in the table below. Investors are requested to claim their unclaimed dividends before these due dates.

Table 6: The dates of payment, the due dates for credit to IEPF and the amounts

In ₹

Dividend for Year	Declared on	Dividend %	Amount lying unpaid / unclaimed as on 31 March 2020 (Rs)	Due date for credit to IEPF
2012-13	23.09.2013	7.5%	4,72,120.50	22.09.2020
2013-14	26.09.2014	10%	6,06,071	25.10.2021

In terms of Section 124(5) of the Companies Act, 2013, dividend amount for the year ended March 31, 2013, remaining unclaimed for a period of 7 (seven) years shall become due for transfer in October 2020 to the Investor Education and Protection Fund ('IEPF') established by the Central Government. Further in terms of Section 124(6) of the Companies Act, 2013, in case of such Members whose dividends are unpaid for a continuous period of 7 (seven) years, the corresponding shares shall be transferred to the IEPF demat account. Members who have not claimed dividends in respect of the Financial Year 2012-13 and onwards are requested to approach the Company / Company's RTA for claiming the same as early as possible, to avoid the transfer of the relevant shares to the demat account of the IEPF authority.

During the financial year ended March 31, 2020, the Company, after compliance with the due procedure laid down under Section 124(6) of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), the Company had transferred ₹ 8.86 lakhs in respect of which dividend has not been claimed for 7 (seven) consecutive years or more, to the Investor Education and Protection Fund ("IEPF Authority").

Pursuant to the provisions of IEPF Rules, all shares in respect of which dividend has not been paid or claimed for seven consecutive years shall be transferred by the Company to the designated Demat Account of the IEPF Authority ('IEPF Account') within a period of thirty days of such shares becoming due to be transferred to the IEPF Account. Accordingly, the Company transferred 48930 Equity shares of the face value of 10/- each to the IEPF Account pertaining to the Financial Year 2010-11 & prior to it, on which the dividends remained unpaid or unclaimed for seven consecutive years after following the prescribed procedure. In this regard, the Company has individually informed the Members concerned and also published notice in the newspapers as per the IEPF Rules. The details of such Members and shares transferred for the Financial Year -2010-11 are uploaded in the "Investors Relations" Section of the website of the Company viz. www.harrisonsmalayalam.com

Dividend and corresponding shares, as stated above, once transferred to IEPF by the Company, may be claimed only from the IEPF Authority by following the procedure prescribed under the IEPF Rules. Mr. Binu Thomas, Company Secretary is the Nodal Officer of the Company for the purpose of verification of such claims

The Company opened a demat account "Harrisons Malayalam Ltd – Unclaimed Suspense Account" with Stock Holding Corporation Ltd., Ernakulam in the month of March 2014 and 230776 unclaimed shares pertaining to 3346 shareholders have been transferred to this Demat Account. Members who have not claimed their share certificates are requested to immediately approach the Company's Registrars and Share Transfer Agent.

The details of shares in Unclaimed Suspense Account and transferred to shareholders those who have claimed the shares during the period April 1, 2019 to March 31, 2020 are as follows:

	No. of Shareholders	No. of Shares

COMPLIANCE OF CORPORATE GOVERNANCE

To

The Members,
Harrisons Malayalam Ltd
24/1624 Bristow Road
Willingdon Island
Cochin Ernakulam- 682003

We have examined the compliance of conditions of Corporate Governance by M/s. Harrisons Malayalam Ltd ('the Company'), for the financial year ended on March 31, 2020, as stipulated in Regulations 17 to 27, clauses (b) to (i) of Regulation 46(2) and paragraphs C, D and E of Schedule V to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred as the "Listing Regulations") as amended from time to time.

Management's Responsibility

The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure compliance with the conditions of the Corporate Governance stipulated in the Listing Regulations. Responsibility also includes collecting, collating and validating data and designing, implementing and monitoring of Corporate Governance process suitable for ensuring compliance with the above mentioned Listing Regulations.

Our Responsibility

Pursuant to the Listing Regulations, it is our responsibility to provide a reasonable assurance whether the Company has complied with the conditions of Corporate Governance as stipulated in Listing Regulations for the year ended March 31, 2020.

We have examined the compliance of conditions of Corporate Governance by the Company for the period April 1, 2019 to March 31, 2020 as per the Listing Regulations. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance for the period April 01, 2019 to March 31, 2020. It is neither an audit nor an expression of opinion on the financial statements of the Company.

Opinion

Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Regulation 17 to 27 and clauses (b) to (i) of Regulation 46(2) and para C and D of Schedule V to the Listing Regulations during the financial year ended March 31, 2020.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Restriction on use

The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the Listing Regulations, and it should not be used by any other person or for any other purpose.

NOMINATION & REMUNERATION POLICY (ANNEXURE 'E' TO THE BOARD REPORT)

In accordance with the provisions of Section 178 of the Companies Act, 2013, the Board of Directors of the Company at its meeting held on May 30, 2014 re-constituted the existing Remuneration Committee by changing its nomenclature as Nomination and Remuneration Committee of the Board of Directors (Committee) and also stipulated additional terms of reference in line with the Companies Act, 2013.

The Board has delegated the responsibility to the Committee to formulate the criteria for identification and selection of the suitable candidates for the various positions in senior management and also candidates who are qualified to be appointed as director on the Board of Directors of the Company. The Committee is also to recommend a policy, relating to the remuneration for the directors, key managerial personnel and other senior management personnel and a process by which the performance of the directors could be

This policy formulated by the Nomination and Remuneration Committee was adopted on August 8, 2014 by the Board of Directors of Harrissons Malayalam Limited.

The Committee shall be guided by the broad principles as laid down below in respect of nominating persons to hold office of director, senior management including key managerial personnel and recommending the remuneration payable.

1. Criteria for selection of members on the board of directors and candidates for senior management.

The Committee has adopted the following criteria for selection of member on the Board of Directors of the Company and also candidates eligible to be appointed in the senior management of the Company.

A) Criteria for Selection of Directors

Before making any recommendation to the Board for appointment of any director, the Committee shall ensure that:

- a. the candidate possesses positive attributes / qualities such as Leadership, Industrialist, Business Advisor or such other attributes which in the opinion of the Committee the candidate possess, and are in the interest of the Company;
- b. the candidate shall be free from any disqualifications as provided under Sections 164 and 167 of the Companies Act, 2013;
- c. the candidate meet the conditions of being independent as stipulated under the Companies Act, 2013 and Listing Agreement entered into with Stock Exchanges in case of appointment of an independent director;
- d. the candidate possesses appropriate skills, experience and knowledge in one or more fields of finance, law, management, sales, marketing, administration, research, corporate governance, technical operations, infrastructure, or such other areas or disciplines which are relevant for the Company's business.

B) Criteria for Selection of Senior Management Personnel

The term Senior Management shall have the same meaning as provided under the explanation to Section 178 of the Companies Act, 2013.

The Committee shall, before making any recommendation to the Board for appointment, should ensure that the candidate has the attributes set for the below:

- a. The candidate should have a minimum experience of 10 years in any of the areas viz. banking, infrastructure, financial management, legal, sales, marketing, administration, research, corporate governance, technical operations, or such other areas or disciplines which in the opinion of the management and Committee are relevant for the Company's business;
- b. The candidate should possess qualities that demonstrate leadership skills, decision making skills, effective communication, hard work, commitment and such other attributes which in the opinion of the Committee the candidate possess and are in the interest of the Company

If the Committee thought fit and in its opinion finds that the candidate meets the above criteria for appointment (as director on the Board or in senior management), the Committee shall make its recommendation to the Board.

Any amendment to the above criteria for directors and senior management shall be subject to the prior approval of the Committee and any such amendment shall be informed to the Board of Directors.

2. Remuneration policy for directors, senior management and key managerial personnel

A) Remuneration of Managing Director, Whole Time Director and Manager:

The Committee while considering the remuneration of the Managing Director, the Whole Time Director and Manager (wherein there is no Managing Director), may take into consideration the performance of the Company, the experience of the person, his background, job-profile and suitability, his past remuneration, the comparative remuneration profile

in the industry, size of the Company, responsibilities shouldered by the Managing Director / Whole Time Director etc., provided that any remuneration considered by the Committee shall be in accordance and within the limits stipulated under the Companies Act, 2013.

B) Remuneration of Non-Executive Director (NED)

- a) The remuneration to the NEDs may be restricted to the sitting fees being paid for attendance of the meeting of the Board of the Directors and the Committees of the Board, currently only for Audit Committee.
- b) The Independent Directors of the Company shall be entitled to remuneration restricted to the sitting fees being paid for attendance of the meeting of the Board of the Directors and Committees of the Board, currently only for Audit Committee, provided that any sitting fees paid to the Independent Director shall not be less than the sitting fees paid to non-executive directors.
- c) Independent Directors shall not be eligible for stock options of the Company, if any.

C) Remuneration of Senior Management Personnel and KMPs

The Remuneration of the Senior Management Personnel and KMPs shall be in accordance with the Policy of the Company which is applicable to the employees. The Committee may consider the remuneration of a Senior Management Personnel keeping in view the performance of the Business /Function under his control and also the contribution of the Business /Function under his control towards the overall performance of the Company.

3. Evaluation of performance of directors

A) Evaluation of the performance of Managing Director / Whole Time Director

The performance of the Managing Director / Whole Time Director of the Company may be carried out taking into consideration the performance of the Company vis-à-vis the budgets as well as performance of its competitors. Emphasis on achieving top line and bottom line targets, with no adverse qualification by the auditors in the accounts, may be made.

B) Evaluation of the performance of Non-Executive Directors and Independent Directors (NEDs and IDs)

The Committee while evaluating the performance of the NEDs and IDs may take into consideration various factors as mentioned below:

- a) Attendance at Meetings - attendance at Board Meetings, AGMs, Committee meetings.
- b) Other Directorships held by the NED – in listed or unlisted companies
- c) Other companies in which NED is a Chairperson
- d) Participation at Board/Committee meetings
- e) Input in strategy decisions
- f) Review of Financial Statements, risks and business performance
- g) Time devoted towards discussion with Management
- h) Review of Minutes – Board Minutes, Committee meeting minutes and AGM Minutes

Marks may be assigned for each of the above criteria and based on the score achieved, the Committee may evaluate the performance of each non-executive director and independent director.

Further provided that, any amendment to any of the clauses in the aforesaid policy shall be subject to the prior approval of the Committee and such amendment shall be informed to the Board of Directors of the Company.

SECRETARIAL AUDIT REPORT - Annexure F

Form No. MR-3

FOR THE FINANCIAL YEAR ENDED 31.03.2020

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members
HARRISONS MALAYALAM LTD.
24/1624, Bristow Road
Willingdon Island, Cochin
Ernakulam-682003
Kerala

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **HARRISONS MALAYALAM LTD** (CIN: L01119KL1978PLC002947) (hereinafter called the "Company"). Secretarial Audit was conducted for the financial year ended on 31st March 2020 in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, Company has, during the audit period covering the financial year ended on 31st March 2020, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2020, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992:-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (d) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
 - (e) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018;
- (vi) As informed to us, the following other laws are specifically applicable to the Company:
 - 1. The Tea Act, 1953 and the Rules made thereunder
 - 2. The Tea Waste (Control) Order, 1959
 - 3. The Tea Warehouse (Licensing) Order, 1989
 - 4. The Tea (Marketing) Control Order, 2003
 - 5. Tea (Distribution and Export) Control Order, 2005
 - 6. The Coffee Act, 1942 and the Rules made thereunder;
 - 7. The Food Safety and Standards Act, 2006 and Food Safety and Standards Rules, 2011;
 - 8. The Plantations Labour Act, 1951 and the Rules made thereunder;
 - 9. Kerala Plantation Labour Rules, 1959;

10. The Prevention of Food Adulteration Act, 1954 and Rules made thereunder;

11. Legal Metrology Act, 2009 and Legal Metrology (Packaged Commodities) Rules, 2011;

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards 1 and 2 issued by The Institute of Company Secretaries of India;
- (ii) The Listing Agreements entered into by the Company with Bombay Stock Exchange and National Stock Exchange of India Limited;

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

During the period under review, provisions of the following regulations were not applicable to the Company:

- (i) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009

CORPORATE SOCIAL RESPONSIBILITY

Harrisons Malayalam Ltd (HML), a major plantation Company in South India has its presence in both tea and rubber crops besides minor crops like pineapple, cardamom, pepper and other spices. HML provides employment to around 10,000 numbers of people, supporting their families and dependents, by providing them with free housing, electricity, water and health care. HML is the state's largest employer, only next to the Kerala Government.

A lot of importance is attached to social responsibilities and HML as a responsible corporate has been successful in integrating the social and environmental concerns into its business operations. The company leadership has evolved a strategy to encompass social dimension in all the activities namely, health, safety, education and environment.

The Company gives importance to product safety as also safety at work place and follows the guidelines on plant protection residue, besides conforming to the FSSAI standards. The major activities carried out by HML in the field of health, environment and education; provide benefits to the state's backward class people. Some of these are detailed below:

Health

HML extends medical support to the local population in and around its estates. It also provides medical support to tribal colonies / old age homes for their comprehensive medical and health care. The services of the Company's hospitals have also been made affordable for the local public on payment of nominal fees.

Environment and Education

In a small way HML has also established an organization which is providing service in the form of education and health care for mentally challenged children. HML plantations also run schools of varying capacities. The Company also gives importance to preservation of natural habitats of the plantations and engages in self-development programs and initiatives to preserve biodiversities in surrounding areas. The company also has a soil preservation and water management program. Various programs on education, environment and education have been conducted during the year, the details of which are mentioned below:

COVID -19 RESPONSE REPORT – HARRISONS MALAYALAM LTD.

The coronavirus pandemic of 2020 took the world by storm, impacting economies globally. The countries struggled to keep up with the rapid spread of the infectious virus. The pandemic has posed a threat to public health systems across globe and the ensuing lock downs and containment measures have led to various socio economic consequences in various parts of the world, including India.

At, HML we give utmost priority and paramount importance to safety and well-being of our customers, employees and the communities in the vicinity of our plantations. Unlike any other industry, the main peculiarity of plantation industry is the community living. Majority of our employees are resident in the estates and we have a large population apart from the workers who are dependent on the estate and its operations.

Company in all aspects have hard-pressed the need of following the protocols laid down for the safety and health of all stake holders and aligned all its actions and initiatives so as to mitigate the risk of spread of virus. Below mentioned are few of the engagements which HML undertook:-

COMMUNITY OUTREACH

- **Corona Sample Collection Booths:-** HML in association with the RPG Foundation has donated 15 nos of Corona Sample Collection Booths to the District Administration of Wayanad, Idukki, Pathanamthitta and Kollam.
- **Community Kitchen Initiative:-** Harrisons Malayalam Limited and RPG Foundation had initiated Food distribution for communities in Wayanad & Pathanamthitta for around 21 days. In Wayanad HML has associated with Kudumbashree District Mission to provide and supply around 800 meals per day and In Pathanamthitta, we have associated with Ranni-Perunnad Grama Panchayath for the supply of the 200 meals per day totalling to around 21,000 meals.
- **Supply of Ventilators:** Company supplied 6 Nos of Ventilators to the district administration of Wayanad and Pathanamthitta with the support of RPG Foundation. This was used in the Government Hospitals which act as the Covid Critical Treatment Centers in respective districts.
- **Support in Smart Class Initiatives for underprivileged in the nearby community:-** HML undertook a project to support the under privileged schools/communities (Tribes & Backward class) in the vicinity of our estates for the smart class initiatives as their schools were shut down due to Corona threat. All employees of Harrisons Malayalam Ltd voluntarily donated one day salary to this noble cause and 20 Nos of Smart Televisions were distributed to the needy societies.
- **HML Supported Adivasi Samithi,** a tribal society in the vicinity of Palapilly estate in Thrissur for distribution of organics sanitization kits to Covid volunteers.
- **Donation of Mattresses:-** Shayya, the zero waste mattresses is a lightweight bedroll which is made from the scrap material used to make Personal Protective Equipment (PPE) gowns. HML supplied 200 mattresses to Collector, Ernakulam & Collector Wayanad for First Line Covid Treatment Centers.
- **Donation of Face Masks :-** Company has supported the medical care professionals and police officials who were on duty to contain the pandemic with the supply of face masks at various locations.

EMPLOYEE WELL BEING & ENGAGEMENT

- **Covid Kavach Insurance Policy:-** Considering the increasing trend and in order to protect our employees and also to insulate employees from financial burden in case of an outbreak, the Management has decided to cover all employees with an Insurance Policy from Oriental Insurance Company. A coverage of ₹50,000/- for all employees for a period of 9.5 months has been organized.
- **Hand Sanitisation & Social Distancing in plantations:-** Employees were not allowed to gather in large numbers (above 5) at a single point in time especially in Musters & Factories. This is very important especially during weighment & overlap of shifts. Weighment and factory shift reporting to be staggered to ensure the same. Before entering office, factories or Fields, provided with liquid soaps/soaps to all employees. Potassium permanganate solution to dip their feet in factories was arranged.

- Temperature scanning in all facilities: - Digital Infrared Thermometers were widely used to detect any fever symptoms before the employee enters the workplace. Workers/dependants who are showing symptoms like Cough, Sore Throat, Cold, fever etc through the Volunteers identified for each Line Unit. The Managers need to get feedback on possibly affected people on a daily basis through Staff Nurses/Welfare officers location wise and such details were intimated to the Local PHC/Health Inspectors.
- Medical & HR Team spear heading the Covid prevention Initiatives: - Medical teams were supplied with PPE kits and additional safety gears as they go around the plantations and communities to create awareness and responsiveness to the Pandemic situation. Outsiders were restricted at the boundaries and expats from various countries were also strictly monitored on the Covid quarantine protocols by the Estate Medical Team.
- Training & Development:- Online modules of Training contents were delivered to all employees. Lock down learning series named #knowledgeXchange was conducted during the lock down days with 12 programs over a period of One month was conducted.
- Covid Warriors:- A social media campaign called the covid warriors was run in various channels. It portrayed the Unsung heroes of HML, who has gone an extra mile to get their job done or who ever demonstrated the RPG values were felicitated.
- Health Check up for all employees:- Medical examination of all workers, staff and executives was done and only those employees who do not show any symptoms of Cough, Cold, Fever, Diarrhea, Breathlessness were employed. Documents of medical examinations are kept in office for ready reference.
- Face Masks for all employees:- A high quality – high safety specially designed masks were arranged for all employees. It carried the HML brand and all the employees were using the same while they are at work.
- Work From Home option:- Employees were provided with flexible working schedules to be preventive enough to take care of them against the pandemic risk.

ANNEXURE G TO THE BOARD REPORT

Form MGT-9

EXTRACT OF ANNUAL RETURN

As on the financial year ended on March 31, 2020

[Pursuant to section 92(3) of the Companies Act, 2013 and rule 12(1) of the Companies (Management and Administration) Rules, 2014]

I. REGISTRATION AND OTHER DETAILS

i.	CIN	L01119KL1978PLC002947
ii.	Registration Date	7th January 1978
iii.	Name of the Company	HARRISONS MALAYALAM LIMITED
iv.	Category/Sub-Category of the Company	Public Company
v.	Address of the Registered office and contact details	24/1624 Bristow Road Willingdon Island Cochin 682 023 Tel No.0484 2668023 Fax: 0484 2668024 Email:hmlcorp@harrisonsmalayalam.com Web site: www.harrisonsmalayalam.com
vi.	Whether listed Company	Yes, BSE and NSE
vii.	Name Address and Contact details of Registrar and Transfer Agent, if any	Link Intime India Pvt. Ltd Surya, 35 Mayflower Avenue Behind Senthil Nagar, Sowripalayam Road Coimbatore 641028 Tel: 0422 2314792 Email: Coimbatore@linkintime.co.in

II. PRINCIPAL BUSINESS ACTIVITIES OF THE COMPANY

All the Business activities contributing 10% or more of the total turnover of the Company shall be stated:-

S I . No.	Name and Description of main products/services	NIC Code of the Product/service	% to total turnover of the Company
1	PLANTATIONS - TEA	1271	40.87
2	PLANTATIONS - RUBBER	1291	56.87

III. PARTICULARS OF HOLDING, SUBSIDIARY AND ASSOCIATE COMPANIES –

Sr. No	Name and address of the Company	CIN/GLN	Holding /Subsidiary /Associate	% of shares held	Applicable Section

Section E [Principle-wise Performance]:

Principle 1: [Businesses should conduct and govern themselves with Ethics, Transparency and Accountability]

The Board of Directors has approved a Code of Conduct, which is applicable to all Board Members, Key Managerial Personnel and senior management personnel of the Company. This is reviewed and reported annually. The Company also has a Whistle Blower Policy approved by the Board and is applicable to all employees of the Company, which serves as mechanism for its Directors and Employees to report any genuine concerns or suspected fraud without fear of reprisal and thus ensures the Company to uphold its high standard. The Code of Business Conduct and Whistler blower policy is posted on the Company's website. The Company also have strong laws on sexual discrimination, treatment and harassment and has a mechanism to address issues if any.

The details of shareholders complaints received and resolved during the financial year are given in the Corporate Governance report of this Annual Report.

Principle 2:[Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle.]

Three of the Products of the Company are produced designed considering environment concerns, risks and opportunities.

TEA
Rubber
Spices

The Company is committed to attainment of environmental and economic benefits from efficient use of energy, water, chemicals and waste reduction. The Company ensures fulfillment of all compliance obligations (legal requirements and other requirements) that relate to products, environmental aspects and occupational health & safety. The company maintains state of art effluent treatment plants at its various locations and this has been time and again recognised by the Kerala pollution control board. The company has been a regular winner of EHS awards instituted by the CII.

Company's Rubber factories are certified with ISO 9000 and 14000 Certifications. The Company has tea and rubber Plantations spread over 24 Estates in Kerala & Tamil Nadu. All tea processing units and gardens are certified by a range of certification like Fairtrade, Rainforest Alliance, UTZ, and Ethical Tea Partnership, which ensures that environmental and social standards are taken care of Rubber estates are self certified under the Rubber Sustainability program under IRSG. FSSAI licenses for factories have also been obtained.

The company is committed to environment sustainability. It constantly works towards reduction and optimal utilization of energy, water, raw material, logistics etc. by incorporating new techniques and innovative ideas. The company is actively involved in designing and producing products which are eco- friendly and with significant reduction of carbon foot print. The Company has identified approved vendors for procuring materials and a Standard Operating Procedure is in place for sourcing raw materials. This includes sample approvals, performance trials, plant audit and regulatory clearances. Majority procurement of materials is from the approved manufacturers.

The company has a huge out grower network in Tea & Rubber where it works with thousands of small growers and their cooperatives in across the state not only to procure raw materials but also to inculcate training in good practices and by incorporating transparent, fair and reliability in its dealings to deliver maximum value.

The Company procures goods and services from the local and small producers for its manufacturing premises and offices. It improves operational efficiency and helps save on transportation costs, inventory management and helps in risk mitigation. Adequate guidance and counseling are also provided to them about system and procedures for regulated markets.

Principle 3 [Businesses should promote the well-being of all employees.]:

During the year under review Harrisons Malayalam Ltd ranked 4 in India's Best companies to work for by Great Place To Work Institute and Economic Times. The welfare and the well- being of Harrisons Malayalam's large workforce – about 10,000 employees and their families drawn largely from the weaker sections of the society is of paramount importance to the company. About half of our employees are women who are employed on the same terms and conditions as their male counterparts. Our ability to provide work to both has resulted in families that have two and at times more earning members – yet again contributing to higher standard of living than industrial workers in modern towns. The complete workforce is housed on the estates, and the company provides practically all the amenities, thereby making workers on the company's estates the best unskilled agricultural worker in the country enjoying all the facilities that a normal industrial worker has and more. For a few decades now, HML has been operating a Comprehensive Labour Welfare Scheme (CLWS) on all its estates. The thrust of the CLWS programme has been: Childcare and development, nutrition support and education maternal child healthcare and family planning, health and social education environmental hygiene and sanitation planning of leisure. Over the years the CLWS programme has succeeded in achieving wonderful results Reducing birth and infant mortality rates. Bringing down nutritional anemia, and vitamin A deficiency, preventing recurrence of communicable and water-borne diseases. The Federation of Indian Chambers of Commerce (FICCI) has, in recognition of efforts in the welfare of workers, given HML the Award for Corporate Initiative in the field of Family Welfare in 1990-91, 1996-97 and 2000-01.

1. Please indicate the Total number of employees - 8704

2	Sexual harassment	Nil	Nil
3	Discriminatory Employment	Nil	Nil

8. What percentage of your under mentioned employees were given safety and skill up-gradation training in the last year?
- Permanent Employees -100%
 - Permanent Women Employees -100%
 - Casual/Temporary/Contractual Employees-Contractual employees are given training-75%
 - Employees with Disabilities -100%
 - Skill development is not only undertaken in house but through extensive training programs organized by Skill development council, Government of India through various agencies like RSIDC and Rubber Board.
9. Please indicate the Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year.

Sr. No.	Category	No. of Complaints filed during the Financial year	No. of Complaints pending
1	Child Labour/ Forced labour/ Involuntary Labour	Nil	Nil
2	Sexual harassment	Nil	Nil
3	Discriminatory Employment	Nil	Nil

Principle 4 [Businesses should respect the interests of, and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalized]:

The Company has mapped its key internal and external stakeholders. The Company recognize employees, business associates, supplier, vendors, shareholders, investors, regulatory authorities and other government bodies as our key stakeholders.

The Company engages with its stake holders on an ongoing basis. It is committed to the welfare of marginalized and vulnerable sections of the society and endeavours to meet the expectations of the said stakeholders.

The Company approach focuses on the development of communities around the vicinity of Company's Estates. We have also developed innovative programmes to enhance livelihood of communities through education and skill development through CSR Activities, details of which are annexed to the Board's Report.

Plantation being a labour intensive industry, the Company is a largest employer in Kerala next to government of Kerala. The company invests in the skill development and up-gradation, health check-ups and ensures other quality of life parameters of its employees in the estate and also of public living in the vicinity of the estates by providing medical care through its hospitals and health clinic's functioning in the estates. We have processes in place to ensure upholding of the rights of our employees and protect them against any form of discrimination.

Principle 5 [Businesses should respect and promote human rights]:

The Company remains committed to respect and protect human rights. The Company's Code of Conduct and the human resource practices cover most of these aspects. The Company does not hire child labour, forced labour or involuntary labour. The Company never discriminates between its employees. It is an equal wage employer and is a strict complier of all statutory provisions. This extends to all areas of business operations and various stakeholder groups.

No stakeholder complaints, relating to human rights, have been received in the past financial year.

Principle 6: [Business should respect, protect, and make efforts to restore environment]:

The Company is committed towards conservation of the environment and compliance with the requirements related to Environment, Health and Safety. The Company has been engaging and involving every stakeholder across the Company in creating a unique culture in Environment, Health and Safety.

The Company's all tea estate operations, factory operations and warehouse activities are sustainability certified and are certified from SAN Rainforest Alliance, UTZ and Trustea and lots of measures have been taken to arrest wastage in solid, liquid and gaseous forms as well as electricity at different stages of production as a continuous program. Necessary infrastructure has also been created to continue the activities in future. Clear Sops and Work intructions for handling materials at sites are provided.

A clear record of waste water, effluent treatment, water usage, emissions etc is maintained and

All efforts made to reduce consumption as well as reduce emissions /discharge by recycling /reuse. These also form a part of KPAs of key personal. Water harvesting in-situ, reuse and recycling of water has been institutionalized in its establishments. We are working towards use of more non conventional energy like solar energy etc in our process and systems

The Company's policy requires conduct of operations in such a manner, so as to ensure safety of all concerned, compliances of environmental regulations and preservation of natural resources. In line with the Company's commitment towards conservation of energy, all its units continue with their efforts aimed at improving energy efficiency through innovative measures, to reduce wastage and optimise consumption.

The company has put in an emergency response plan for all its industrial establishments this year and all the employees are being imparted training to deal with emergency situations if any.

The Company always strive towards growth with sustainable development and without caring for nature this is not possible.

The Company's Rubber factories are ISO 9000 and 14000 Certified.

Initiatives taken by the Company towards technology and energy efficiency are mentioned in Board's Report annexure A of Conservation of Energy, Technology Absorption, Foreign Exchange earnings & outgo.

The Company is committed to achieve all the norms within the limits foremission and discharge of air and water, as may be laid down by the regulators. The Company complies with pollution and environmental laws.

No showcause/legal notices received from CPCB/SPCB during the Financial Year 2019-20.

Principle 7: [Businesses, when engaged in influencing public and regulatory policy, should do so in a responsible manner]

The Company is a member of

- a. United Planters' Association of Southern India
- b. Association Of Planters Of Kerala
- c. The Tea Trade Association of Cochin
- d. Confederation of Indian Industry (CII)
- e. Association of latex processors of south India
- f. Consortium of Rubber Growers Of South India
- g. Confederation of Indian Industry
- h. FICCI

From time to time the Company has been raising various issues relating to Plantations Sector through above mentioned association.

The Company also works closely with influencers and their associations like Growers Forums, The Cochin Chamber of Commerce & Industry Kerala Management Association, Coimbatore Tea Trade Association etc.

The Company's R&D Team/ executives are active participants in meetings with statutory agencies and help evolving new standards for agricultural products for human safety and environmental protection.

Principle 8: [Businesses should support inclusive growth and equitable development]:

The Company has taken various CSR initiatives for support and development of society. The CSR activities carried by the Company is annexed as Annexure II of the Director's Report.

The Company has always strived to provide better health, education and vocational skills to the people in or around its estates. The Company after annexed to extends its social responsibility by engaging its strategic and trust based community development interventions.

The Company continues to invest in training and development of its employee and has been organising various training programmes from time to time.

The list of various CSR activities is mentioned in the Annual Report.

The internal teams reviews and ensure the implementation of the projects undertaken.

Principle 9 [Businesses should engage with and provide value to their customers and consumers in a responsible manner]:

Most of the customer complaints are appropriately addressed and resolved. As on the end of the financial year, there was negligible percentage of unresolved complaints.

There are no cases in relation to unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as on end of financial year.

The Company displays all product information on the product label, which is mandatory and as may be required by law for the use of the products by the consumers.

Consumer Satisfaction Surveys are being conducted periodically to assess the consumer satisfaction levels and consumer's trends.

Note:-

1. Certain areas of fuel and reserve land remain vested with the State Government as private forest, but the extent which would finally vest has not yet been determined as the litigation involved is not over.
2. Fuel & Other planting include Cardamom, Cocoa, Roads & Buildings etc.

INDEPENDENT AUDITOR'S REPORT

To the Members of Harrissons Malayalam Limited

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of Harrissons Malayalam Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs of the Company as at 31 March 2020, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matters	How our audit addressed the key audit matter
<p>1. Land Litigations</p> <p>The Plantation Companies holds significant land for their operations as disclosed in note 3 to the standalone financial statements. The significant land holding are inherently prone to litigation risk.</p> <p>As disclosed in Note No.44(A) of the Standalone financial statements, the Company has pending litigations with various courts, involving 5,912.45 hectares of land, which is significant considering the total area of cultivable land. The land litigations involve interpretation of various land laws applicable in the State of Kerala and Tamil Nadu.</p> <p>We focused on this area as the eventual outcome of the litigations is uncertain and the positions taken by the management are based on the application of the material judgement and reliance on legal opinions obtained. Accordingly, unexpected adverse outcomes may significantly impact the operations of the Company and hence it has been considered as a key audit matter.</p>	<p>Our audit procedures included, but were not limited to, the following:</p> <ul style="list-style-type: none"> • We obtained an understanding of the management process for ascertaining the outcome of the land litigations and process performed by the management for its assessment. • Evaluated and tested controls around management's assessment of the outcome of the land litigations. • Obtained an understanding of the nature of litigations pending against the company and discussed the key developments during the year for key litigations with the management and respective legal counsels handling such cases on behalf of the Company. Tested the independence, objectivity and competence of such management experts involved. • We also monitored and considered the external information sources to conform our understanding of litigations. • On a sample basis, obtained and reviewed the necessary evidence which includes correspondence with the external legal counsels and where necessary, inspected minutes of case proceedings available, to support the decisions and rationale of such litigation selected for testing.

	<ul style="list-style-type: none"> Reviewed each attorney response obtained as above to ensure that the conclusions reached are supported by sufficient legal rationale and adequate information is included for the management to determine the appropriate accounting treatment of such cases in the financial statements. Evaluated the disclosures made relating to provisions and contingent liabilities for their appropriateness and adequacy.
<p>2. Existence and Valuation of Inventory</p> <p>Refer to note 2(k) of Summary of significant accounting policies and other explanatory information for accounting policy for valuation of Inventory and significant accounting judgements, estimates and assumptions related thereto and the note 8 of the standalone financial statements of the Company for the year ended 31 March 2020</p> <p>At the balance sheet date 31 March 2020, the Company held ₹ 4,054.33 lakhs of Inventories. Inventories mainly consists of finished goods, which is valued at lower of cost or net realizable value.</p> <p>The Company values its Finished goods inventory of tea and rubber at lower of cost and net realizable value (estimated selling price less estimated cost to sell). Considering that there is always a volatility in the selling price of tea and rubber, which is dependent upon various market conditions, and the possible impact of COVID- 19, determination of the net realizable value for these commodities involves significant management judgement. Moreover, the selling price fetched by tea produced at different estates are different.</p> <p>Further, due to COVID-19 outbreak, there has been a lockdown enforced in the country near the year end and several restrictions were imposed by the respective state government across India on travel as public health and safety measures, which resulted into complexities for us to observe the physical verification of inventory conducted by the management subsequent to year end. Considering this we have reassessed our audit approach with respect to assessing the existence and condition of physical inventory as at year end and necessitated using adopted alternate audit procedures techniques as further described in our audit procedures.</p> <p>Owing to the significance of the inventories, its carrying value, above-mentioned alternative audit procedures, the complexities discussed above and the fact that any changes in the management's judgement or assumptions is likely to have a significant impact on the ascertainment of carrying values of inventories, we have considered this area as a key audit matter.</p>	<p>Our audit procedures in relation to existence and valuation of inventory included, but were not limited to, the following:</p> <p>Valuation:</p> <ul style="list-style-type: none"> Obtained an understanding of the management process for valuation of Finished goods and inventory physical verification performed subsequent to the year end and ensured that the same is consistently applied. Tested the design and operating effectiveness of the internal controls relating to the existence and valuation of Inventories. Obtained an understanding on the computation of the net realizable values of the finished goods and tested the reasonableness of the significant judgements applied by the management. Compared the estate wise actual realization subsequent to reporting date and assessed the reasonableness of the net realizable value that was estimated and considered by the management. Verified the actual costs incurred to sell after the year end and assessed the reasonableness of the cost to sell that was estimated and considered by the management. Compared the cost of the finished goods with the estimated net realizable value and checked if the finished goods were recorded at net realizable value where the cost was higher than the net realizable value. <p>Existence:</p> <ul style="list-style-type: none"> Reviewed the instructions given by senior management to stock count teams, including ensuring proper segregation of stock, use of calibration scales/charts, identification of damaged inventory, if any; Obtained inventory records and documents that detailed the results of management conducted count; Reviewed reconciliation of differences, between management physical count and inventory records, and tested the necessary adjustments made in the inventory records by the management; Observed physical count carried out by the management subsequent to year end; Recounted inventory on sample basis to match with inventory records and results of management conducted count;

	<ul style="list-style-type: none"> Performed rollback procedures on sample basis by verifying the supporting documents to substantiate the existence of inventory as at the reporting date and tested completeness, arithmetical accuracy and validity of the data used for this procedures. Assessed the appropriateness and adequacy of disclosures related to inventory in accordance with the applicable accounting standards.

Information other than the Financial Statements and Auditor's Report thereon

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

7. The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
8. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. Those Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
11. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether

the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

15. As required by section 197(16) of the Act, based on our audit, we report that the Company has paid and provided for remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
16. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure I, a statement on the matters specified in paragraphs 3 and 4 of the Order.
17. Further to our comments in Annexure I, as required by section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books ;
 - c) the standalone financial statements dealt with by this report are in agreement with the books of account;
 - d) in our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act;
 - e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2020 from being appointed as a director in terms of section 164(2) of the Act;
 - f) we have also audited the internal financial controls with reference to financial statements of the Company as on 31 March 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date and our report dated 26 June 2020 as per Annexure II expressed unmodified opinion; and
 - g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company, as detailed in notes 35 and 44 to the standalone financial statements, has disclosed the impact of pending litigations on its financial position as at 31 March 2020;

- ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2020;
- iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31 March 2020;
- iv. the disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these standalone financial statements. Hence, reporting under this clause is not applicable.

Annexure I to the Independent Auditor's Report of even date to the members of Harrisons Malayalam Limited, on the standalone financial statements for the year ended 31 March 2020

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular program of physical verification of its fixed assets under which fixed assets are verified in a phased manner over a period of three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification.
- (c) According to the information and explanations provided by the Company and the records of the Company produced to us, the title deed of immovable properties, as disclosed in Note 3 on Property, plant and equipment to the standalone financial statements, are held in the name of the Malayalam Plantations Limited/Harrisons & Crossfield Limited other than as set out below which are in the name of the Company:

	Gross Block	Net Block
Land and Building	₹ 136.72 Lakhs	₹ 26.14 Lakhs

- (ii) In our opinion, the management has conducted physical verification of inventory at reasonable intervals during the year and no material discrepancies between physical inventory and book records were noticed on physical verification.
- (iii) The Company has not granted any loan, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clauses 3(iii)(a), 3(iii)(b) and 3(iii)(c) of the Order are not applicable.
- (iv) In our opinion, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of loans, investments, guarantees and security.
- (v) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's product and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, duty of customs, goods and service tax, cess and other material statutory dues, as applicable, have generally been regularly deposited to the appropriate authorities, though there has been a slight delay in a few cases except the payment of provident fund contribution for certain estates and income tax dues for the month of March 2020 is not yet deposited as on the date of our report. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable (other than arrears of ₹ 259.46 Lakhs relating to plantation tax (under the Kerala Plantations (Additional Tax) Act, 1960), arrears of ₹ 352.51 lakhs relating to land tax (under the Kerala Land Tax Act, 1961) which are outstanding for a period of more than six months as on the Balance Sheet date).
- (b) There are no dues in respect of income-tax, sales-tax, service tax, duty of customs, duty of excise and value added tax that have not been deposited with the appropriate authorities on account of any dispute other than those disclosed below:

Statement of Disputed Dues

Name of the statute	Nature of dues	Amount in (₹ Lakhs)	Period to which the amount relates to	Forum where dispute is pending
Income – tax Act, 1961	Income tax and interest thereon	61.71	Year 2006 to 2009	Income tax Appellate Tribunal
		2,407.35	Year 2003 to 2015	Assessing Officer, Commissioner of Income Tax (Appeals), Income tax Appellate Tribunal, High Court of Kerala and Supreme Court

Name of the statute	Nature of dues	Amount in (₹ Lakhs)	Period to which the amount relates to	Forum where dispute is pending
Kerala Agricultural Income Tax Act, 1950/1991	Tax on Agricultural income, interest and penalty thereon	595.17	Year 1980 to 1999	Assessing Officer
		6.03	Year 1995 to 1996	Inspecting Assistant Commissioner, Department of Commercial Taxes
Tamil Nadu Agricultural Income Tax Act, 1955	Tax on Agricultural Income	2.47	Year 1988 to 2000	Assessing Officer
Kerala Value Added Tax Act, 2003	KVAT with Interest	2,776.41	Year 2012 to 2015	Assessing Officer/Assistant Commissioner (Assessment), VAT Special Circle(Produce)

- (viii) The Company has not defaulted in repayment of loans or borrowings to any bank or financial institution during the year. The Company did not have any borrowings from government and did not have any outstanding debentures during the year.
- (ix) The Company did not raise moneys by way of initial public offer or further public offer (including debt instruments). In our opinion the term loans were applied for the purposes for which the loans were obtained.
- (x) No fraud by the Company or on the company by its officers or employees has been noticed or reported during the period covered by our audit.
- (xi) Managerial remuneration has been paid / provided by the company in accordance with the requisite approvals mandated by the provisions of Section 197 of the Act read with Schedule V to the Act.
- (xii) In our opinion, the Company is not a Nidhi Company. Accordingly, provisions of clause 3(xii) of the Order are not applicable.
- (xiii) In our opinion all transactions with the related parties are in compliance with Sections 177 and 188 of Act, where applicable, and the requisite details have been disclosed in the standalone financial statements etc., as required by the applicable Ind AS.
- (xiv) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures.
- (xv) In our opinion, the Company has not entered into any non-cash transactions with the directors or persons connected with them covered under Section 192 of the Act.
- (xvi) The company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

Annexure II to the Independent Auditor's Report of even date to the members of Harrisons Malayalam Limited on the standalone financial statements for the year ended 31 March 2020

Independent Auditor's Report on the internal financial controls with reference to the standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the standalone financial statements of Harrisons Malayalam Limited ('the Company') as at and for the year ended 31 March 2020, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(All amounts in ₹ lakhs, unless otherwise stated)

1. Background

Harrisons Malayalam Limited ("the Company") is a Public Company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. It's shares are listed in two recognised stock exchanges in India (NSE and BSE). The registered office of the Company is located at 24/1624, Bristow Road, Willingdon Island, Cochin. The Company is principally engaged in plantations having tea and rubber estates in Kerala and Tamil Nadu.

2. Summary of significant accounting policies

a) Basis of preparation and presentation of financial statements

i) Statement of compliance with Indian Accounting Standards (Ind AS)

The standalone financial statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and as amended. The aforesaid financial statements have been approved by the Board of Directors in the meeting held on 26 June 2020.

ii) Basis of accounting and measurement

The Company has prepared these financial statements which comprise the Balance Sheet as at 31 March 2020, the Statement of Profit and Loss, the Statements of Cash Flows and the Statement of Changes in Equity for the year ended 31 March 2020, and accounting policies and other explanatory information (together hereinafter referred to as "standalone financial statements").

The financial Statements have been prepared using the significant accounting policies and measurement bases summarized below. These accounting policies have been used throughout all periods presented in these financial statements except for the changes below.

The financial statements have been prepared on an accrual basis and in accordance with the historical cost convention, unless otherwise stated. All amounts included in the financial statements are reported in Indian Rupees (₹) lakhs and have been rounded off to nearest decimal of ₹ lakhs.

b) Change in accounting policies and disclosures

Effective 1 April 2019, the Company has adopted Ind AS 116 "Leases", as notified by the Ministry of Corporate Affairs (MCA) in the Companies (Indian Accounting Standards) Amendment Rules, 2019 using modified retrospective method. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model similar to the accounting for finance leases under Ind AS 17.

c) Use of estimates

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The Company bases its estimates and assumptions on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Significant management judgements

The following are significant management judgements in applying the accounting policies of the Company that have the most significant effect on the amounts recognised in the financial statements or that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Classification of leases

The Company enters into leasing arrangements for various assets. The classification of the leasing arrangement as a finance lease or operating lease is based on an assessment of several factors, including, but not limited to, transfer of ownership of leased asset at the end of lease term, lessee's option to purchase and estimated certainty of exercise of such option, proportion of lease term to the asset's economic life, proportion of present value of minimum lease payments to fair value of leased asset and extent of specialised nature of the leased asset. Further, refer note no. 45, for effect of transition to Ind AS 116 and other disclosures relating to leases.

Recognition of deferred tax assets

The extent to which deferred tax assets can be recognised is based on an assessment of the probability that future taxable income will be available against which the deductible temporary differences and tax loss carry forward can be utilised. In addition, significant judgement is required in assessing the impact of any legal or economic limits or uncertainties in various tax jurisdictions.

Capitalisation of internally developed intangible assets

Distinguishing the research and development phases of a new customised project and determining whether the recognition requirements for the capitalisation of development costs are met requires judgement. After capitalisation, management monitors whether the recognition requirements continue to be met and whether there any indicators that capitalised costs may be impaired.

Evaluation of indicators for impairment of assets

The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets. In assessing impairment, management estimates the recoverable amount of each asset or cash generating units based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future operating results and the determination of a suitable discount rate.

Recoverability of advances / receivables

At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

Useful lives of depreciable / amortisable assets

Management reviews its estimate of the useful lives of depreciable / amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of certain items of property, plant and equipment.

Contingent liability

Management reviews its estimate of the financial impact of the contingent liability at each reporting date, based on the demands received from various Departmental authorities.

Litigations

Management reviews its estimate of the impact of the litigations liability at each reporting date, based on the land matters pending with various Courts.

Defined benefit obligation (DBO)

Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Fair value measurements

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management bases its assumptions on observable data as far as possible but this is not always available. In that case management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

d) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has evaluated and considered its operating cycle as 12 months.

e) **Property, plant and equipment**

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalised until the property, plant and equipment are ready for use, as intended by management.

Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Cost includes inward freight, non refundable duties/ taxes and expenses incidental to acquisition/installation.

Expenses relating to new planting and further expenditure incurred at the replanted fields are capitalised.

Property, plant and equipment [other than freehold land and lease hold land (perpetual lease)] are depreciated under the written down value method [other than bearer plants (rubber trees and tea bushes) which are depreciated using straight line method] over the estimated useful lives of the assets, which are different from the lives prescribed under Schedule II to the Companies Act, 2013.

Freehold land and leasehold land (perpetual lease) are not depreciated.

Useful life adopted by the Company for various class of assets is as follows:

Asset category	Useful lives (in years)
Factory buildings	30
Non factory buildings	60
Plant and machinery (including agricultural assets)	3/ 20
Furniture and fittings	6
Water supply	20/ 30/ 60
Vehicles	10
Bearer plants - Rubber trees	28
Bearer plants - Tea bushes	80

f) **Bearer Plants**

All the expenses incurred on replanting of rubber and new plantings in tea have been identified and capitalized

g) **Intangible assets**

Computer software is capitalised in the period in which the software is implemented for use, where it is expected to provide future enduring economic benefits; such capitalisation costs include license fees and cost of implementation/ system integration services.

Computer software capitalised are amortised on a straight line basis over a period of five years from the date of capitalisation. License Fees is amortised at lower of the license period and five years.

h) **Impairment of property, plant and equipment and intangible assets**

The carrying amounts of fixed assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of fixed assets of cash generating unit exceeds the recoverable amount (i.e. higher of net selling price and value in use). In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital. After impairment, depreciation is provided on the revised carrying amounts of the assets over their remaining useful lives.

i) **Assets held for sale**

Items of Property, Plant and Equipment that have been retired from active use and are held for disposal are stated at the lower of their net carrying amount and net realisable value and are shown separately in the financial statements under the head 'Assets classified as held for sale'. Any write-down in this regard is recognised immediately in the Statement of Profit and Loss.

j) Revenue recognition

Revenue from contracts with customers is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment.

The specific recognition criteria described below must also be met before revenue is recognised.

Revenue from sale of goods

Revenue from sale of tea at auction is recognized on receipt of the sale note from the brokers. Revenue from sale of tea other than at auction and sale of rubber is recognized on transfer of significant risks and rewards of ownership in goods in accordance with the terms of sale.

Revenue from contract with customers

The Company recognizes the amount as revenue from contracts with customers, which is received for the transfer of promised goods to customers in exchange for those goods. The relevant point in time or period of time is the transfer of control of the goods. Revenue is reduced for customer returns, taxes on sales, estimated rebates and other similar allowances. The transaction price is determined and allocated to the performance obligations according to the requirements of Ind AS 115. Performance obligations are deemed to have been met when the control of goods is transferred to the customer.

Interest income

Interest income is reported on an accrual basis using the effective interest method and is included under the head "Other income" in the Statement of Profit and Loss.

Export Incentive

Income from Export incentives are recognised when right to receive credit as per the terms of the scheme is established and when there is certainty of realisation.

k) Inventories

Valuation of inventory of finished products of tea and rubber have been done as per Ind AS 2 'Inventories'. Inventories are stated at lower of cost and net realizable value. Cost is determined on weighted average basis and includes expenditure incurred in the normal course of business in bringing inventories to its location and condition, labour and overhead, where applicable. Inventories are written down for obsolete/slow moving/non moving items wherever necessary.

Ind AS 41 'Agriculture' deals with the recognition and valuation of agricultural produce viz. standing crop of tea and rubber as biological assets. The Company has valued its standing crops for tea and rubber at every reporting date and the movement in valuation are routed through the Statement of Profit and Loss

l) Employee benefits

Expenses and liabilities in respect of employee benefits are recorded in accordance with Ind AS 19, Employee Benefits.

Defined contribution plan

(i) Provident fund

This is a defined contribution plan where contributions are remitted to provident fund authorities in accordance with the relevant statute and charged to the Statement of Profit and Loss in the period in which the related employee services are rendered. The Company has no further obligations for future provident fund benefits in respect of these employees other than its monthly contributions.

(ii) Superannuation

This is a defined contribution plan. The Company contributes as per the scheme to superannuation fund administered by Life Insurance Corporation of India (LIC). The Company has no further obligations for future superannuation benefits other than its annual contributions and recognises such contributions as expense in the period in which the related employee services are rendered.

Defined benefit plan

(i) Gratuity

This is a defined benefit plan. Provision is based on year-end actuarial valuation using projected unit credit method. Actuarial gains / losses are recognised immediately in the Statement of Profit and Loss as income or expense.

(ii) *Compensated absences*

This is a defined benefit plan. Provision is based on year-end actuarial valuation using projected unit credit method. Actuarial gains/ losses are recognised immediately in the Statement of Profit and Loss as income or expense.

The present value of the defined benefit obligation denominated in ₹ is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

Service cost on the Company's defined benefit plan is included in employee benefits expense. Employee contributions, all of which are independent of the number of years of service, are treated as a reduction of service cost.

Gains and losses through re-measurements of the defined benefit plans are recognised in other comprehensive income, which are not reclassified to profit or loss in a subsequent period.

Further, as required under Ind AS compliant Schedule III, the Company transfers those amounts recognised in other comprehensive income to retained earnings in the statement of changes in equity and balance sheet."

Short-term employee benefits

Short-term employee benefits comprise of employee costs such as salaries, bonus etc. is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

m) Foreign currency transactions

Functional and presentation currency

The functional currency of the Company is the Indian Rupee. These financial statements are presented in Indian Rupees (₹).

Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in Statement of Profit or Loss.

n) Investments in subsidiaries

The Company's investment in equity instruments in subsidiaries are accounted for at cost. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is transferred to the Statement of Profit and Loss.

o) Government Grants

Revenue subsidy receivable from Tea Board towards manufacture of orthodox tea is accrued on production of orthodox tea. Revenue subsidy receivable from Tea Board towards replanting activities undertaken is accounted on sanction of such subsidy by the Tea Board. Capital subsidy from Tea Board and Rubber Board is adjusted against the cost of specific depreciable assets on receipt of such subsidy.

p) Income taxes

Income tax expense comprises current and deferred income tax. Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Current income tax for current and prior periods is recognised at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred income tax assets are recognised for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognised as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to setoff the recognised amounts and where it intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

q) Provisions and contingencies

Provisions

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense."

Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation or it cannot be measured with sufficient reliability. The Company does not recognise a contingent liability but discloses its existence in the financial statements.

r) Financial instruments

Financial assets

Initial recognition and measurement

Financial assets (other than trade receivables) are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through statement of profit and loss which are measured initially at fair value. Subsequent measurement of financial assets is described below. Trade receivables are recognised at their transaction price as the same do not contain significant financing component.

Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified and measured based on the entity's business model for managing the financial asset and the contractual cash flow characteristics of the financial asset at:

- a. Amortised cost
- b. Fair Value Through Other Comprehensive Income (FVTOCI) or
- c. Fair Value Through Profit or Loss (FVTPL)"

All financial assets are reviewed for impairment at least at each reporting date to identify whether there is any objective evidence that a financial asset or a group of financial assets is impaired. Different criteria to determine impairment are applied for each category of financial assets, which are described below.

(i) Financial asset at amortised cost

Includes assets that are held within a business model where the objective is to hold the financial assets to collect contractual cash flows and the contractual terms gives rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

These assets are measured subsequently at amortised cost using the effective interest method. The loss allowance at each reporting period is evaluated based on the expected credit losses for next 12 months and credit risk exposure. The Company shall also measure the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition.

(ii) Financial assets at Fair Value Through Other Comprehensive Income (FVTOCI)

Includes assets that are held within a business model where the objective is both collecting contractual cash flows and selling financial assets along with the contractual terms giving rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. At initial recognition, the Company, based on its assessment, makes an irrevocable election to present in other comprehensive income the changes

in the fair value of an investment in an equity instrument that is not held for trading. These elections are made on an instrument-by instrument (i.e., share-by-share) basis. If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, impairment gains or losses and foreign exchange gains and losses, are recognised in other comprehensive income. There is no recycling of the amounts from OCI to profit or loss, even on sale of investment. The dividends from such instruments are recognised in statement of profit and loss.

The fair value of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

The loss allowance at each reporting period is evaluated based on the expected credit losses for next 12 months and credit risk exposure. The Company shall also measure the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. The loss allowance shall be recognised in other comprehensive income and shall not reduce the carrying amount of the financial asset in the balance sheet.

(iii) *Financial assets at Fair Value Through Profit or Loss (FVTPL)*

Financial assets at FVTPL include financial assets that are designated at FVTPL upon initial recognition and financial assets that are not measured at amortised cost or at fair value through other comprehensive income. All derivative financial instruments fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements apply. Assets in this category are measured at fair value with gains or losses recognised in statement of profit and loss. The fair value of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

The loss allowance at each reporting period is evaluated based on the expected credit losses for next 12 months and credit risk exposure. The Company shall also measure the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. The loss allowance shall be recognised in the statement of profit and loss.

De-recognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's standalone balance sheet) when:

- a. The rights to receive cash flows from the asset have expired, or
- b. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (i) the Company has transferred substantially all the risks and rewards of the asset, or (ii) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109 Financial Instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognised in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to borrowings.

Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Derivative financial instruments

Initial recognition and subsequent measurement

The Company uses derivative financial instruments, such as forward currency contracts to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss, except for the effective portion of cash flow hedges, which is recognised in OCI and later reclassified to profit or loss when the hedge item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial asset or non-financial liability.

s) Impairment of financial assets

In accordance with Ind AS 109 Financial Instruments, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets.

The Company tracks credit risk and changes thereon for each customer. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- All contractual terms of the financial instrument over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity uses the remaining contractual term of the financial instrument.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

The Company uses default rate for credit risk to determine impairment loss allowance on portfolio of its trade receivables.

Trade receivables

The Company applies approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of receivables.

Other financial assets

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

t) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

u) Segment reporting

The Company is engaged in plantations having tea and rubber estates. The business segments identified for segment reporting are Tea, Rubber and Others.

v) Earnings/ (loss) per share (EPS)

Basic EPS are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the Company (after adjusting for interest on the convertible preference shares, if any) by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares. Dilutive potential equity shares are deemed converted as of the beginning of

the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

w) Leases

Effective from 1st April 2019, the Company adopted Ind AS 116 – Leases and applied the standard to all lease contracts existing as on 1st April 2019 using the modified retrospective method on the date of initial application i.e. 1st April 2019.

At inception of a contract, the Company assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

i. As a lessee

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate. Subsequently, the lease liability is measured at amortised cost using the effective interest method.

It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Short-term leases and leases of low-value assets

The Company has elected not to recognise right-of-use assets and lease liabilities for short term leases of real estate properties that have a lease term of 12 months. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Under Ind AS 17

Finance Lease

In the comparative period, leases are classified as Finance Lease whenever the terms of the lease transfer substantially all the risks and rewards of ownership of the lease. All other leases are classified as Operating lease.

Operating Lease

In the comparative period, leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

ii. As a lessor

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

x) Recent accounting pronouncements

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards. There is no such notification which would have been applicable from 1 April 2020.

(All amounts in ₹ lakhs, unless otherwise stated)

Notes

- Land and development includes certain leasehold land the value of which is not separately ascertainable. Also refer Note 44 to the standalone financial statements.
- Title deeds of the immovable properties set out in the above table are in the name of Malayalam Plantations Limited (MPL)/Harrisons Crossfield Limited (HCL) except as set out below which are in the name of the Company. Inter alia, the immovable properties of MPL got transferred to and vested in Malayalam Plantations (India) Limited (MPIL) vide a Scheme of Arrangement and Amalgamation in 1978. Further, inter alia the immovable properties of Harrisons Crossfield (India) Limited got transferred and vested in MPIL vide a Scheme of Arrangement and Amalgamation in 1984. The name of MPIL a Company incorporated in 1978 got changed to Harrisons Malayalam Limited in 1984.

Title deeds of the immovable properties set out in the above table, which are in the name of the Company as at 31 March 2020 are:

	Gross block	Net block
Land and building	136.72	26.14

3 Property, plant and equipment pledged as security

Details of properties pledged are as per Note 40.

4 Capital work in progress

Capital work in progress mainly represents the immature bearer plants awaiting capitalisation. The capitalised portion of the same is disclosed separately in the above table.

Vayu Udaan Aircraft LLP	37,90,985	20.54%	34,48,100	18.68%
Swallow Associates LLP	10,10,722	5.48%	10,10,722	5.48%

iv) There were no shares issued pursuant to contract without payment being received in cash, allotted as fully paid up by way of bonus issues and buy back of shares during the last 5 years immediately preceding 31 March 2020.

(All amounts in ₹ lakhs, unless otherwise stated)

	As at 31 March 2020	As at 31 March 2019
15(b) Other equity		
General reserve	1,687.82	1,687.82
Securities premium account	5,002.91	5,002.91
Reserve arising from amalgamation	291.33	291.33
Housing subsidy reserve	5.26	5.26
Retained earnings	(930.77)	(966.91)
	6,056.55	6,020.41

Description of nature and purpose of each reserve

a. General reserve

General reserve was created from time to time by way of transfer of profits from retained earnings for appropriation purposes.

b. Securities premium

The amount received in excess of face value of the equity shares was recognised in securities premium. The reserve is utilised in accordance with the provisions of the Act.

c. Reserve arising from Amalgamation

Pertains to reserve created on account of amalgamation effected between erstwhile companies during 1978-79 ₹ 4.43 Lakhs and 2009-10 ₹ 286.90 Lakhs

d. Retained earnings

Retained earnings are the profits/(loss) that the Company has earned till date, less any transfers to general reserve, dividends or other distributions paid to shareholders.

– Lease Liability		341.95	–	–	–	–	–
– Security deposits		561.74	–	–	673.49	–	–
Total		21,433.73	9.24	–	19,518.61	0.38	–

(All amounts in ₹ lakhs, unless otherwise stated)

The management assessed that the fair value of cash and cash equivalents, trade receivables, loans, other financial assets, trade payables and working capital loans approximate the carrying amount largely due to short-term maturity of this instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

(ii) Fair value of financial assets and liabilities measured at amortised cost

The management assessed that for amortised cost instruments, fair value approximate largely to the carrying amount.

(iii) Fair value hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

a) Assets and liabilities measured at fair value - recurring fair value measurement

As at 31 March 2020	Note	Level 1	Level 2	Level 3	Total
Derivatives measured at fair value					
Foreign exchange forward contracts	20	—	9.24	—	9.24
As at 31 March 2019	Notes	Level 1	Level 2	Level 3	Total
Derivatives measured at fair value					
Foreign exchange forward contracts	20	—	0.38	—	0.38

(iv) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the fair value of foreign exchange forward contracts is determined using market observable inputs, including prevalent forward rates for the maturities of the respective contracts and interest rate curves as indicated by banks and third parties.

34 Scheme of Amalgamation ('Scheme')

The composite scheme of arrangement and amalgamation amongst Harrisons Malayalam Limited (HML) and Enchanting Plantations Limited (100% subsidiary of HML) and Malayalam Plantations Limited (100% subsidiary of Enchanting Plantations Limited) and Harmony Plantations Limited (100% subsidiary of HML) and their respective shareholders and their creditors ("the Scheme"), pending before the National Company Law Tribunal from 9 March 2017, were dismissed by the Tribunal during the year without prejudice to the Company's right to file any fresh application.

35 Contingent liabilities and commitments

	As at March 31, 2020	As at March 31, 2019
a) Contingent liabilities		
1 Claims against the Company not acknowledged as debt		
i) Employee related	418.02	505.04

39 Deferred/Current tax

- The Company has not recognised any deferred tax asset in respect of unabsorbed depreciation/ brought forward losses and other temporary differences in accordance with Ind AS 12 "Income Taxes" in the absence of reasonable certainty that probable taxable profit will be available against which the deductible temporary difference can be utilised.
- The Company elected to exercise the option permitted under section 115BAA of the Income Tax Act, 1961, as introduced by the Taxation Laws (Amendment) ordinance 2019. hence the Company has not accounted for MAT liability.

Unused tax losses for which no deferred tax asset has been recognised:

The Company has unabsorbed business loss of ₹ 1,523.92 Lakhs under the provisions of Income-tax Act, 1961 and ₹ 12,073.13 Lakhs under the provisions of Kerala Agricultural Income Tax Act, 1991 which expires on the 8th year from the end of the relevant assessment year.

The Company has unabsorbed depreciation loss under the provisions of Income-tax Act, 1961 amounting to ₹ 2,408.54 Lakhs, which has no limit for expiry.

40 Details of security, repayment terms, applicable interest rates

Term loan from banks

- Loan availed of ₹ 4,000.00 Lakhs during the 2013 - 14 is repayable in 24 quarterly instalments repayable as 6 quarterly instalments of ₹ 50.00 Lakhs commencing from June 2015 upto September 2016, 4 quarterly instalments of ₹ 100.00 Lakhs from December 2016 to September 2017, 8 quarterly instalment of ₹ 200.00 Lakhs from December 2017 to September 2019, 4 quarterly instalments of ₹ 250.00 Lakhs from December 2019 to September 2020 and 2 quarterly final instalments of ₹ 350.00 Lakhs from December 2020 to March 2021, is secured by equitable mortgage of immovable properties of the Company situated in Kumbazha estate. The loan carries an interest rate of MCLR plus applicable spread payable on a monthly basis from disbursement of the loan. Year end balance is ₹ 1,200.00 Lakhs (as at 31 March 2019 ₹ 2,100.00 Lakhs).
- Loan availed of ₹ 1,223.48 Lakhs during 2017-18 and ₹ 1776.52 Lakhs during 2018 - 19 is repayable in 24 equal quarterly instalments commencing from June 2019, is secured by equitable mortgage created on immovable properties of the Company situated in Kollam, Fort Kochi and Coimbatore. The loan carries an interest rate of MCLR plus applicable spread payable on a monthly basis from disbursement of the loan. Year end balance of the loan is ₹ 2,466.08 Lakhs net of processing fees (As at 31 March 2019 ₹ 2953.08 Lakhs)
- Loan availed of ₹ 3,000.00 Lakhs during 2018 - 19 is repayable in 20 quarterly instalments repayable as 8 quarterly instalments of ₹ 25.00 Lakhs commencing from September 2019 upto June 2021, 8 quarterly instalments of ₹ 225.00 Lakhs from September 2021 upto June 2023 and 4 quarterly final installments of ₹ 250.00 Lakhs from September 2023 upto June 2024, is secured by a charge created on immovable property of the Company situated at Kumbazha rubber estate, Kerala. The loan carries an interest of MCLR plus applicable spread payable on a monthly from the disbursement of the loan. Year end balance of the loan is ₹ 2,892.62 Lakhs net of processing fee (As at 31 March 2019 ₹ 2,960.00 Lakhs)
- Interest rate on term loan range between 10.5% to 12%

Term loan from others

Term loan from others are secured by hypothecation of assets acquired out of these loans which are repayable in equated monthly instalments (ranging between 3 to 5 years) along with the applicable interest rates (ranging between 10.75% to 13.00%).

(All amounts in ₹ lakhs, unless otherwise stated)

Particulars	As at 31 March 2020	As at 31 March 2019
Repayment terms for term loans from others		
Payable in 0-1 year	91.24	124.13
Payable in 1-2 years	23.10	88.41
Payable in 2-3 years	5.45	20.27
Payable in 3-4 years	0.34	4.98
Payable in 4-5 years	–	0.18
	120.13	237.97

41 Capital management

The capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

Particulars	As at 31 March 2020	As at 31 March 2019
Long term borrowings	5,787.59	6,651.92
Current maturities of long-term debt	891.24	1,599.13
Short term borrowings	4,698.39	3,855.29
Less: Cash and cash equivalents	(205.12)	(107.51)
Less: Bank balances other than cash and cash equivalents	(156.04)	(129.86)
Net debt (A)	11,016.06	11,868.97
Equity	1,845.43	1,845.43
Other equity (excluding revaluation reserve)	6,056.55	6,020.41
Equity (B)	7,901.98	7,865.84
Capital and net debt (A + B)	18,918.04	19,734.81
Gearing ratio (A/(A + B))	58%	60%

42 Financial risk management

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimise potential adverse effects on its financial performance. The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer.

The risk management activity focuses on actively securing the Company's short to medium-term cash flows by minimising the exposure to volatile financial markets.

The Company does not actively engage in the trading of financial assets for speculative purposes nor does it write options. The most significant financial risks to which the Company is exposed are described below.

(A) Credit risk

Credit risk refers to the risk of default on its obligation by the counter party resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables as summarised below:

Assets under credit risk	As at 31 March 2020	As at 31 March 2019
Investments	16.01	16.01
Bank balances	1.73	1.73
Trade receivables	823.25	981.41
Cash and cash equivalents	205.12	107.51
Bank balances other than cash and cash equivalents	156.04	129.86
Other financial assets	2,203.90	1,171.19
Total	3,406.05	2,407.71

(All amounts in ₹ lakhs, unless otherwise stated)

A1 Trade receivables

Trade receivables are typically unsecured and are derived from revenue earned from customers located in India and outside India. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, 'Financial Instruments', the Company uses expected credit loss model to assess the impairment loss or gain. The provision for expected credit loss takes into account available external and internal credit risk factors including the credit ratings of the various customers and Company's historical experience for customers.

Particulars	As at 31 March 2020	As at 31 March 2019
Loss allowance as at the beginning of the year	509.75	509.75
Provision made for expected credit loss	36.20	—
Loss allowance as at the end of the year	545.95	509.75

Financial assets that are neither past due nor impaired

Cash and cash equivalents, loans and advances to employees and other financial assets are neither past due nor impaired.

Financial assets that are past due but not impaired

There are no other classes of financial assets that is past due but not impaired.

(B) Liquidity risk

Liquidity risk is that the Company might be unable to meet its obligations. The Company manages its liquidity needs by monitoring scheduled debt servicing payments for long-term financial liabilities as well as forecast cash inflows and outflows on a day-to-day business. The data used for analyzing these cash flows is consistent with that used in the contractual maturity analysis below. Liquidity needs are monitored in various time bands, on a day-to-day and week-to-week basis, as well as on a monthly, quarterly, and yearly basis depending on the business needs. Net cash requirements are compared to available borrowing facilities in order to determine headroom or any shortfalls. This analysis shows that available borrowing facilities are expected to be sufficient over the lookout period.

Maturities of financial liabilities

As at 31 March 2020	Less than 1 year	1 year to 5 years	More than 5 years	Total
Borrowings	5,576.93	5,558.78	241.52	11,377.22
Trade Payables	4,815.99	—	—	4,815.99
Other financial liabilities	4,942.95	134.05	172.76	5,249.76
Total	15,335.87	5,692.83	414.28	21,442.97
As at 31 March 2019	Less than 1 year	1 year to 5 years	More than 5 years	Total
Borrowings	5,440.11	5,931.55	734.68	12,106.34
Trade Payables	3,385.31	—	—	3,385.31
Other financial liabilities	4,027.34	—	—	4,027.34
Total	12,852.76	5,931.55	734.68	19,518.99

(C) Market risk

The Company is exposed to market risk through its use of financial instruments and specifically to currency risk, interest rate risk and certain other price risk, which result from both its operating and investing activities.

(i) Foreign currency sensitivity

The Company operates internationally and has transactions in USD and Euro currency and consequently the Company is exposed to foreign exchange risk through its sales to overseas customers. The exchange rate between the rupee and foreign currencies may fluctuate substantially in the future. Consequently, the results of the Company's operations are adversely affected as the rupee appreciates/depreciates against these currencies.

Foreign currency denominated financial assets which expose the Company to currency risk are fully hedged by derivative cover.

(All amounts in ₹ lakhs, unless otherwise stated)

Derivative financial instruments

The Company holds derivative financial instruments such as foreign currency forward contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank or a financial institution. These derivative financial instruments are valued based on quoted prices for similar assets and liabilities in active markets or inputs that are directly or indirectly observable in the marketplace.

The following table gives details in respect of outstanding foreign exchange forward contracts:

Particulars	As at 31 March 2020	As at 31 March 2019
Forward contracts (Denominated in foreign currency, value presented in ₹)		
In USD	434.62	262.82
In EURO	143.12	68.07

The foreign exchange forward contracts mature within twelve months. The table below analyses the derivative financial instruments into relevant maturity groupings based on the remaining period as of the Balance Sheet date:

USD		
Particulars	As at 31 March 2020	As at 31 March 2019
(Denominated in foreign currency, value presented in ₹)		
Not later than one month	406.84	127.29
Later than one month and not later than three months	27.78	135.53
Later than three months and not later a year	—	—
EURO		
Particulars	As at 31 March 2020	As at 31 March 2019
(Denominated in foreign currency, value presented in ₹)		
Not later than one month	118.04	29.41
Later than one month and not later than three months	25.08	38.66
Later than three months and not later a year	—	—

(ii) Interest rate risk

The Company's fixed rate borrowings are carried at amortized cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, 'Financial Instruments' - Disclosures. As neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

43 Employee benefit obligations

The company has provided for the gratuity liability and leave encashment liability (defined benefit plan), as per actuarial valuation carried out by an independent actuary on the Balance Sheet date.

a) Defined contribution Plan

The company makes contribution to statutory provident fund as per Employees Provident Fund and Miscellaneous Provision Act, 1952 for its employees. Also the company makes contribution to superannuation fund for its employees. This is a defined contribution plan as per Ind AS 19, Employee benefits. Total contribution made during the year ₹ 1,325.94 Lakhs (31 March 2019: ₹1,352.31 Lakhs).

b) Defined benefit plans

The company has provided for gratuity and leave encashment liability, for its employees as per actuarial valuation carried out by an independent actuary on the Balance Sheet date. The valuation has been carried out using the Project Unit Credit Method as per Ind AS 19 to determine the present value of Defined Benefit Obligations and the related current service cost. This is a defined benefit plan as per Ind AS 19.

The gratuity plan is governed by the provisions of the Payment of Gratuity Act, 1972 (as amended from time to time). Employees are entitled to all the benefits enlisted under this Act.

c) Sensitivity analysis

Valuations are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary overtime. Thus, the company is exposed to various risks in providing the above benefit which are as follows:

(All amounts in ₹ lakhs, unless otherwise stated)

i) Interest rate risk

The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability as shown in financial statements.

ii) Liquidity risk

This is the risk when the Company is not able to meet the short-term gratuity payouts. This may arise due to non availability of enough cash/cash equivalents to meet the liabilities or holding of illiquid assets not being sold in time.

iii) Salary escalation risk

The present value of the defined benefit plan is calculated with the assumption of salary increase rate of employees in future. Deviation in the rate of interest in future for employees from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

iv) Demographic risk

The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

v) Regulatory risk

Gratuity benefits are paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts.

	As at 31 March 2020	As at 31 March 2019
Changes in the present value of the defined benefit obligation are as follows:		
Projected benefit obligation at the beginning of the year	4,832.80	5,096.07
Interest cost	288.56	346.96
Current service cost	289.09	262.92
Benefits paid	(854.74)	(976.82)
Actuarial (gain)/loss	892.52	103.67
Projected benefit obligation at the end of the year	5,448.23	4,832.80
Unfunded	5,448.23	4,832.80
Components of net gratuity costs are:		
Current service cost	289.09	262.92
Interest cost	288.56	346.96
Net amount recognised in the income statement	577.65	609.88
Premeasurements		
Net actuarial (gain)/loss	892.52	103.67
Net amount recognised in other comprehensive income	892.52	103.67
Total gratuity cost recognised	1,470.16	713.55
Principal actuarial assumptions used:		
a) Discount rate	6.55%	7.53%
b) Long-term rate of compensation increase	5.00%	5.00%
c) Attrition rate	3.00%	3.00%
d) Mortality rate	Indian Assured Lives Mortality (2006-2008)	

The estimates of rate of escalation in salary considered in actuarial valuation takes into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary. The discount rate is based on the prevailing market yields of Indian government securities as at the balance sheet date for the estimated term of the obligations.

The significant actuarial assumptions for the determination of the defined benefit obligation are the attrition rate, discount rate and the long-term rate of compensation increase. The calculation of the net defined benefit liability

(All amounts in ₹ lakhs, unless otherwise stated)

is sensitive to these assumptions. The following table summarises the effects of changes in these actuarial assumptions on the defined benefit liability at 31 March 2020.

Gratuity

Particulars	Year ended 31 March 2020		Year ended 31 March 2019	
	Increase	Decrease	Increase	Decrease
Discount rate (- / + 0.5%)	5,294.72	5,609.83	4,698.96	4,973.51
Salary growth rate (- / + 0.5%)	5,611.85	5,291.02	4,977.77	4,693.90
Attrition rate (- / + 0.5%)	5,459.36	5,437.09	4,843.47	4,822.14
Mortality rate (- / + 10%)	5,473.28	5,423.18	4,856.26	4,809.35

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The method and type of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

44 No adjustment is required to be made in the accounts in respect of :

44 (A)

- An area of 807 hectares (approximately) [31 March 2019: 807 hectares (approximate)], which is on a leasehold tenure falls under the provisions of the Gudalur Jenmam Estate (Abolition and Conversion into Ryotwari) Act, 1969. Company's appeal challenging the Order of the Settlement Officer rejecting its application for Patta was allowed by the District Court, Ooty and the matter is now remanded for denovo enquiry. The Settlement Officer by its order dated 22.10.2019 once again rejected the application for Patta. An appeal has been filed before the District Court, Ooty challenging the said order and the same is pending. Meanwhile, Madras High Court held that out of this area, the notification of 335 Hectares (31 March 2020: 335 Hectares) as forest by the Settlement Officer is valid and has directed that in the event of patta being granted in respect of the notified areas the same will stand modified to that extent.
- An area of 2588 hectares (approximately) [31 March 2019: 2588 hectares (approximate)] liable to be surrendered to the Government of Kerala under the Kerala Private Forests (Vesting and Assignment) Act, 1971, as the appeals relating to this area are pending in the High Court of Kerala.
- An area of 535 hectares (approximate) [31 March 2019: 535 hectares (approximate)] in respect of which cases filed by Janmies (original owners) of Lahai Estate challenging the validity of the lease is pending before the Sub-Court, Pathanamthitta and High Court of Kerala.
- An area of 1982.45 hectares (31 March 2019: 1982.45 hectares) of Mooply Valley estates notified by the Government of Kerala for resumption alleging violation of lease conditions as proceedings has been stayed by the Sub Court, Irinjalakuda.

The above litigations are considered as Key audit matter.

44 (B)

- An area of 178 hectares (approximately) [31 March 2019: 178 hectares (approximate)] deemed to have been vested with the Government of Kerala pursuant to Kerala Private Forests (Vesting and Assignment) Act, 1971, as the Company's claim for the exclusion of the area from the purview of the Act is pending decision of the Forest Tribunal, Palghat and restoration by the Forest Department.
- The Vythiri Taluk Land Board's order directing the Company to surrender 707 hectares (approximately) [31 March 2019: 707 hectares (approximate)] as excess land under the Kerala Land Reforms Act, 1963 has been set aside by the High Court of Kerala on a revision petition filed by the Company and the matter has been remanded to the Vythiri Taluk Land Board for fresh consideration and disposal.
- An area of 415 hectares (approximately) [31 March 2019: 415 hectares (approximate)] held to be surplus under the Tamil Nadu Land Reforms (Fixation of Ceiling on Land) Act, 1961 as the Special Land Tribunal, Madras has remanded the matter for fresh consideration by the Authorised Officer, Coimbatore.
- An area of 1609.18 hectares (approximate) [31 March 2019: 1609.18 hectares (approximate)] in respect of which cases filed by Janmies (original owners) of Koney, Kaliyar and Arrapetta Estates challenging the validity of the lease is pending before the Sub-Court, Pathanamthitta, Sulthan Bathery, Thodupuzha and High Court of Kerala.

(All amounts in ₹ lakhs, unless otherwise stated)

- e. The Government of Kerala vide G.O dated 27.06.2018 waived the levy of Seigniorage on rubber trees cut and removed from the rubber plantations. A writ petition has been filed before the Hon'ble High Court of Kerala challenging the said Government Order and the Hon'ble Court by interim order dated 18.02.2019 has permitted felling of trees on condition that a bond undertaking to pay Seigniorage is furnished to the Government of Kerala, if ultimately the writ petition is allowed. The matter is pending consideration.
- f. The Government by order dated 04.01.2008 directed the Company to remit an amount ₹ 96.84 Lakhs alleging violation of lease condition in Mooply Valley Estates. The said order has been challenged before the Sub Court, Irinjalakuda and by order dated 08.04.2008 granted temporary prohibitory injunction restraining Government from taking any further action. On appeal filed by the Government, the Hon'ble High Court by judgment dated 04.08.2008 sustained the order of injunction and directed the Company to furnish security for ₹ 96.84 Lakhs and accordingly the company has furnished bank guarantee for the said amount and the suit is still pending.
- g. An extent of approximately 142 Hectares of rubber planted area in Kumbazha Estate has been encroached by the members of Sadhu Jana Vimochana Samyuktha Vedi in 2007 and the company filed a writ petition seeking eviction of the encroachers and Police protection to its property. By judgment dated 24.08.2007, the Hon'ble High Court directed the Government to evict the encroachers. However, the said direction was not complied with and a contempt case in this connection is still pending consideration before the Hon'ble High Court.
- h. The Special Officer appointed by the Government had issued a notice under the Kerala Land Conservancy Act, for inspecting the properties of the company in Wayanad District. The company challenged the notice before the Hon'ble High Court of Kerala and by judgment dated 11.04.2018 the said notice was set aside by the Hon'ble Court. The Government filed a review petition in the matter and by order dated 06.08.2018 the Hon'ble Court directed the company to file its objections to the inspection notice. Accordingly the company has filed its detailed objection with relevant documents and the same is pending with the Special Officer.
- i. An area of 301 hectares (approximately) [31 March 2019: 301 hectares (approximate)] re-notified as vested forests by the Government of Kerala in 2007. Writ Petition filed by the Company challenging the said notification was allowed by the Hon'ble High Court of Kerala and the notification has been set aside.

In the opinion of the management the outcome of above litigations will be in favour of the Company and there is no financial impact.

45 Lease

- a. The Company has adopted Ind AS 116 on "Leases" with effect from 1 April, 2019 by applying it to all applicable contracts of leases existing on 1 April, 2019 by using modified retrospective approach and accordingly, comparative information for the year ended 31 March, 2019 has not been restated.
- b. The effect of adoption of Ind AS 116 on financial statements and earnings per share for the year ended 31 March, 2020 are not material. Segment results have been arrived after considering interest expense on lease liabilities
- c. The Company has recognised and measured the Right-of-Use (ROU) asset and the lease liability over the remaining lease period and payments discounted using the incremental borrowing rate as at the date of initial application. This has resulted in recognising ROU asset of ₹ 320.70 Lakhs and a corresponding lease liability of ₹ 320.70 Lakhs as at 1 April, 2019. For financial year ended 31 March, 2020, the nature of expenses in respect of operating leases has changed from lease rent in previous periods to depreciation for the ROU asset of ₹ 11.22 Lakhs and finance costs for interest accrued on lease liability of ₹ 38.48 Lakhs
- d. Lease payments amounting to ₹ 45.92 Lakhs not recognised as a liability being short term or low value in nature and ₹ 31.57 Lakhs not recognised as a liability being the same pertains to perpetual lease agreement.
- e. Maturity Analysis of the discounted cash flow of the lease liabilities

Particulars	31 March 2020	
	Minimum lease payments	Present value of minimum lease payments
Not later than 1 year	35.14	35.13
Later than 1 and not later than 5 years	147.73	134.05
Later than 5 years	1,094.11	172.76
	1,276.98	341.95

(All amounts in ₹ lakhs, unless otherwise stated)

46 COVID-19 and its impact

During the month of March 2020, World Health Organisation declared COVID-19 to be a global pandemic. The spread of COVID-19 has impacted the normal operations of businesses in many countries, including India. The country has witnessed several disruptions in normal operations due to lockdowns imposed by the Government in the form of restrictions to movement of people, transportation and supply chain along with other stringent measures to contain COVID-19 spread.

While Tea is considered an essential commodity, Rubber is consumed by industries in the Health Sector for manufacture of surgical gloves, condoms, catdrels, and other health care products which is part of essential commodities and therefore the pandemic has so far had minimal impact on the business operations of the Company.

Management has made an assessment of the possible impact of COVID-19 on the business of the Company. The Management has taken due care in concluding on significant accounting judgments and estimates. Management noted that there is no impact on financial statements on carrying value of property plant and equipment, recoverability of receivables, realisability of inventory and other current assets. The Management believes that the Company will be able to discharge the committed liabilities on the due date. The Company will continue to monitor future material changes to economic conditions and impact thereon, on its operations.

47 Segment information

Management currently identifies the Company's three business lines as its operating segments: Tea, Rubber and others.

Other Segment comprise of Fruits, Spices and others and Wayanad Medical Fund.

Segment information for the reporting period is as follows:

	Year ended 31 March 2020			Year ended 31 March 2019		
	Tea	Rubber	Others	Tea	Rubber	Others
A Segment revenues and profits						
Revenue						
From external customers	17,716.57	20,682.49	330.98	17,696.20	17,329.33	349.31
Other income	451.95	37.66	108.80	373.99	54.29	124.83
Segment revenues	18,168.52	20,720.15	439.78	18,070.19	17,383.62	474.14
Cost of material consumed	2,698.31	5,589.56	–	2,870.89	6,462.85	–
Purchases of stock-in-trade	–	2,434.18	–	–	2,143.63	–
Changes in inventories	(869.58)	(408.20)		(54.53)	67.67	–
Employee benefits expense	10,259.00	6,154.17	67.62	9,303.62	5,871.90	51.29
Depreciation and amortization expense	277.28	83.83	69.02	258.13	94.47	63.11
Other expenses	7,607.15	2,761.53	99.78	6,872.49	2,892.80	101.67
Segment profits/(losses)	(1,803.64)	4,105.08	203.36	(1,180.41)	(149.70)	258.07
B Segment assets and liabilities	As at 31 March 2020					
	Tea	Rubber	Others	Unallocated		
Segment assets	28,637.32	10,848.48	346.55	497.09		
Segment liabilities	9,762.50	9,615.52	133.58	12,915.86		
	As at 31 March 2019					
	Tea	Rubber	Others	Unallocated		
Segment assets	27,413.87	9,380.71	256.97	254.98		
Segment liabilities	7,750.24	7,989.19	38.64	13,662.62		

Income/expenses of a financial nature, and the assets/liabilities they are attributable to, have not been allocated to any segment as they are managed on a company basis. Current taxes, deferred taxes and items of income and expense have not been allocated to any segment since these items are also managed on a company basis.

(All amounts in ₹ lakhs, unless otherwise stated)

C The totals presented for the Company's operating segments reconcile to the key financial figures as presented in its financial statements as follows:

C1 Reconciliation of profit	Year ended 31 March 2020	Year ended 31 March 2019
Segment profit	2,504.80	(1,072.04)
Add/(less):		
Interest Expense	(1,590.51)	(1,399.09)
Unallocable Income	14.37	62.18
Profit before tax	928.66	(2,408.95)
C2 Reconciliation of segment assets		
Total reportable segment assets	39,832.35	37,051.55
Cash and cash equivalents	205.12	107.51
Bank balances other than cash and cash equivalents	156.04	129.86
Current investments	15.00	15.00
Non-current investments	1.01	–
Non-current bank balances	1.73	1.73
Other-current assets	118	0.88
Total assets	40,329.44	37,306.53
C3 Reconciliation of segment liabilities		
Total reportable segment liabilities	19,511.60	15,778.07
Non-current borrowings including current maturities	6,678.83	8,251.05
Current borrowings	4,698.39	3,855.29
Provisions	122.64	122.64
Other current liabilities	1,416.00	1,433.64
Total liabilities	32,427.46	29,440.69

D The revenues from external customers are divided into the following geographical areas:

	Year ended 31 March 2020	Year ended 31 March 2019
India (country of domicile)	32,744.92	29,457.69
Outside India	5,985.12	5,917.15
	38,730.04	35,374.84

E Non-current assets are divided into the following geographical areas (Refer note below):

	As at 31 March 2020	As at 31 March 2019
India (country of domicile)	30,119.08	29,354.59
Outside India	–	–
	30,119.08	29,354.59

Reportable assets for the purpose of this note constitute non-current assets other than financial assets, deferred tax assets and other tax assets.

F Revenue from major customers

There are no customers contributing to 10 percent or more of Company's revenues from product sale.

(All amounts in ₹ lakhs, unless otherwise stated)

48 Prior year comparatives

The previous year's figures have been regrouped and reclassified, wherever necessary to conform to current year's presentation.

INDEPENDENT AUDITORS' REPORT

To the Members of Harrisons Malayalam Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying consolidated financial statements of Harrisons Malayalam Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), which comprise the Consolidated Balance Sheet as at 31 March 2020, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the consolidated state of affairs of the Group, as at 31 March 2020, and their consolidated profit (including other comprehensive income), consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 15 of the Other Matters section below, is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matters	How our audit addressed the key audit matter
<p>1. Land Litigations</p> <p>The Plantation Companies holds significant land for their operations as disclosed in note 3 to the Consolidated financial statements. The significant land holding are inherently prone to litigation risk.</p> <p>As disclosed in Note No.44(A) of the Consolidated financial statements, the Holding Company has pending litigations with various courts, involving 5,912.45 hectares of land, which is significant considering the total area of cultivable land. The land litigations involve interpretation of various land laws applicable in the State of Kerala and Tamil Nadu.</p> <p>We focused on this area as the eventual outcome of the litigations is uncertain and the positions taken by the management are based on the application of the material judgement and reliance on legal opinions obtained. Accordingly, unexpected adverse outcomes may significantly impact the operations of the Holding Company and hence it has been considered as a key audit matter.</p>	<p>Our audit procedures included, but were not limited to, the following:</p> <ul style="list-style-type: none"> • We obtained an understanding of the management process for ascertaining the outcome of the land litigations and process performed by the management for its assessment. • Evaluated and tested controls around management's assessment of the outcome of the land litigations. • Obtained an understanding of the nature of litigations pending against the company and discussed the key developments during the year for key litigations with the management and respective legal counsels handling such cases on behalf of the Company. Tested the independence, objectivity and competence of such management experts involved. • We also monitored and considered the external information sources to conform our understanding of litigations.

Key audit matters	How our audit addressed the key audit matter
	<ul style="list-style-type: none"> On a sample basis, obtained and reviewed the necessary evidence which includes correspondence with the external legal counsels and where necessary, inspected minutes of case proceedings available, to support the decisions and rationale of such litigation selected for testing. Reviewed each attorney response obtained as above to ensure that the conclusions reached are supported by sufficient legal rationale and adequate information is included for the management to determine the appropriate accounting treatment of such cases in the financial statements. Evaluated the disclosures made relating to provisions and contingent liabilities for their appropriateness and adequacy.
<p>2. Existence and Valuation of Inventory</p> <p>Refer to note 2(k) of Summary of significant accounting policies and other explanatory information for accounting policy for valuation of Inventory and significant accounting judgements, estimates and assumptions related thereto and the note 8 of the Consolidated financial statements of the Holding Company for the year ended 31 March 2020</p> <p>At the balance sheet date 31 March 2020, the Holding Company held ₹ 4,054.33 lakhs of Inventories. Inventories mainly consists of finished goods, which is valued at lower of cost or net realizable value.</p> <p>The Company values its Finished goods inventory of tea and rubber at lower of cost and net realizable value (estimated selling price less estimated cost to sell). Considering that there is always a volatility in the selling price of tea and rubber, which is dependent upon various market conditions, and the possible impact of COVID- 19, determination of the net realizable value for these commodities involves significant management judgement. Moreover, the selling price fetched by tea produced at different estates are different.</p> <p>Further, due to COVID-19 outbreak, there has been a lockdown enforced in the country near the year end and several restrictions were imposed by the respective state government across India on travel as public health and safety measures, which resulted into complexities for us to observe the physical verification of inventory conducted by the management subsequent to year end. Considering this we have reassessed our audit approach with respect to assessing the existence and condition of physical inventory as at year end and necessitated using adopted alternate audit procedures techniques as further described in our audit procedures.</p> <p>Owing to the significance of the inventories, its carrying value, above-mentioned alternative audit procedures, the complexities discussed above and the fact that any changes in the management's judgement or assumptions is likely to have a significant impact on the ascertainment of carrying values of inventories, we have considered this area as a key audit matter.</p>	<p>Our audit procedures in relation to existence and valuation of inventory included, but were not limited to, the following:</p> <p>Valuation:</p> <ul style="list-style-type: none"> Obtained an understanding of the management process for valuation of Finished goods and inventory physical verification performed subsequent to the year end and ensured that the same is consistently applied. Tested the design and operating effectiveness of the internal controls relating to the existence and valuation of Inventories. Obtained an understanding on the computation of the net realizable values of the finished goods and tested the reasonableness of the significant judgements applied by the management. Compared the estate wise actual realization subsequent to reporting date and assessed the reasonableness of the net realizable value that was estimated and considered by the management. Verified the actual costs incurred to sell after the year end and assessed the reasonableness of the cost to sell that was estimated and considered by the management. Compared the cost of the finished goods with the estimated net realizable value and checked if the finished goods were recorded at net realizable value where the cost was higher than the net realizable value. <p>Existence:</p> <ul style="list-style-type: none"> Reviewed the instructions given by senior management to stock count teams, including ensuring proper segregation of stock, use of calibration scales/charts, identification of damaged inventory, if any; Obtained inventory records and documents that detailed the results of management conducted count;

Key audit matters	How our audit addressed the key audit matter
	<ul style="list-style-type: none"> Reviewed reconciliation of differences, between management physical count and inventory records, and tested the necessary adjustments made in the inventory records by the management; Observed physical count carried out by the management subsequent to year end; Recounted inventory on sample basis to match with inventory records and results of management conducted count; Performed rollback procedures on sample basis by verifying the supporting documents to substantiate the existence of inventory as at the reporting date and tested completeness, arithmetical accuracy and validity of the data used for this procedures. Assessed the appropriateness and adequacy of disclosures related to inventory in accordance with the applicable accounting standards.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

6. The Holding Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

7. The accompanying consolidated financial statements have been approved by the Holding Company's Board of Directors. The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. The respective Board of Directors/management of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.
8. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
9. Those Board of Directors are also responsible for overseeing the financial reporting process of the companies included in the Group.

Auditor's Responsibilities for the Audit of the Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
11. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern;
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation; and
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group, to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the financial statements, of which we are the independent auditors. For the other entities included in the financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

15. We did not audit the financial statements of three subsidiaries, whose financial statements reflect total assets of ₹ 2.41 Lakhs and net assets of ₹ 1.65 Lakhs as at 31 March 2020, total revenues of ₹ NIL and net cash outflows amounting to ₹ 1.99 Lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, are based solely

on the reports of the other auditors.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors.

Report on Other Legal and Regulatory Requirement

As required by section 197(16) of the Act, based on our audit and on the consideration of the reports of the other auditors, referred to in paragraph 15, on separate financial statements of the subsidiaries, we report that the Holding Company, covered under the Act has paid and provided for remuneration to their respective directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act. Further, we report that subsidiary companies, covered under the Act have not paid or provided for any managerial remuneration during the year. Accordingly, reporting under section 197(16) of the Act is not applicable in respect of such subsidiary companies.

16. As required by Section 143 (3) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements and other financial information of the subsidiaries, we report, to the extent applicable, that:
- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
 - b) in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
 - c) the consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - d) in our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under section 133 of the Act;
 - e) on the basis of the written representations received from the directors of the Holding Company and taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies, none of the directors of the Group companies, covered under the Act, are disqualified as on 31 March 2020 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) with respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, and its subsidiary companies covered under the Act, and the operating effectiveness of such controls, refer to our separate report in "Annexure I"; and
 - g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries:
 - i. the consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, as detailed in Notes 35 and 44 to the consolidated financial statements;
 - ii. the Holding Company, and its subsidiaries did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2020
 - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, and its subsidiary companies, companies during the year ended 31 March 2020; and
 - iv. the disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these consolidated financial statements. Hence, reporting under this clause is not applicable.

Annexure I to the Independent Auditor's Report of even date to the members of Harrisons Malayalam Limited on the consolidated financial statements for the year ended 31 March 2020

Annexure I

Independent Auditor's Report on the internal financial controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the consolidated financial statements of Harrisons Malayalam Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), as at and for the year ended 31 March 2020, we have audited the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies, which are companies covered under the Act, as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The respective Board of Directors of the Holding Company and its subsidiary companies, which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies, as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies, as aforesaid.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be

detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion and based on the consideration of the reports of the other auditors on internal financial controls with reference to financial statements of the subsidiary companies, the Holding Company, and its subsidiary companies, which are companies covered under the Act, have in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').

Other Matter

9. We did not audit the internal financial controls with reference to financial statements in so far as it relates to three subsidiary companies, which are companies covered under the Act, whose financial statements reflect total assets of ₹ 2.41 lakhs and net assets of ₹ 1.65 lakhs as at 31 March 2020, total revenues of ₹ NIL and net cash outflows amounting to ₹ 1.99 lakhs for the year ended on that date, as considered in the consolidated financial statements. The internal financial controls with reference to financial statements in so far as it relates to such subsidiary companies, have been audited by other auditors whose reports have been furnished to us by the management and our report on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements for the Holding Company and its subsidiary companies, as aforesaid, under Section 143(3)(i) of the Act in so far as it relates to such subsidiary companies is based solely on the reports of the auditors of such companies. Our opinion is not modified in respect of this matter with respect to our reliance on the work done by and on the reports of the other auditors.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(All amounts in ₹ lakhs, unless otherwise stated)

1. Principles of Consolidation

The consolidated financial statements relate to Harrisons Malayalam Limited, the parent company and its subsidiary (the 'Group'). The Consolidated financial statements are in conformity with the Accounting Standards on "Consolidated financial Statements" (IndAS-110) prescribed under Section 133 of the Companies Act, 2013 of India (the 'Act') and are prepared as set out below:

- (i) The financial statements of the Company and its subsidiary are combined on a line-by-line basis by adding together the book values of items like assets, liabilities, income and expenses, after eliminating material intra-group balances and intra-group transactions and resulting unrealised profits or losses on intra-group transactions.
- (ii) The Consolidated financial statements are prepared by adopting uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent required and possible, in the same manner as the parent Company's separate financial statements.

Following Subsidiaries including (step down subsidiary) of the Parent Company have been considered in the preparation of these Consolidated financial Statements

Enchanting Plantations Limited	- Indian Entity
Harmony Plantations Limited	- Indian Entity
Malayalam Plantations Limited (Step down)	- Indian Entity (Subsidiary of Enchanting Plantations Limited)

Name of the Company	% of share holding and voting power	
	As at 31st March 2020	As at 31st March 2019
Subsidiary Company		
-Enchanting Plantations Limited - Indian Entity	100%	100%
-Harmony Plantations Limited - Indian Entity	100%	100%

Name of the Company	Net Assets (Total Assets- Total Liabilities)		Share in Profit/loss	
Parent	7,901.98	100%	928.66	100%
Subsidiary				
-Enchanting Plantations Limited		0%	(1.66)	0%
-Harmony Plantations Limited		0%	(0.75)	0%
	7,888.63		926.25	

2. Summary of significant accounting policies

a) Basis of preparation and presentation of financial statements

i) Statement of compliance with Indian Accounting Standards (Ind AS)

The consolidated financial statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and as amended. The aforesaid financial statements have been approved by the Board of Directors in the meeting held on 26 June 2020.

ii) Basis of accounting and measurement

In accordance with the notification issued by the Ministry of Corporate Affairs, the Group is required to prepare its financial statements as per the Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Accounting Standards) Amendment Rules, 2016 with effect from 1 April 2017. Accordingly, the Group has prepared these financial statements which comprise the Balance Sheet as at 31 March 2020, the Statement of Profit and Loss, the Statements of Cash Flows and the Statement of Changes in Equity for the year ended 31 March 2020, and accounting policies and other explanatory information (together hereinafter referred to as "consolidated financial statements").

The financial Statements have been prepared using the significant accounting policies and measurement bases summarized below. These accounting policies have been used throughout all periods presented in these financial statements except for the changes below.

The financial statements have been prepared on an accrual basis and in accordance with the historical cost convention, unless otherwise stated. All amounts included in the financial statements are reported in Indian Rupees (₹) lakhs and have been rounded off to nearest decimal of ₹ lakhs.

b) Change in accounting policies and disclosures

Effective 1 April 2019, the Group has adopted Ind AS 116 “Leases”, as notified by the Ministry of Corporate Affairs (MCA) in the Companies (Indian Accounting Standards) Amendment Rules, 2019 using modified retrospective method. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model similar to the accounting for finance leases under Ind AS 17.

c) Use of estimates

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The Group bases its estimates and assumptions on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

Significant management judgements

The following are significant management judgements in applying the accounting policies of the Group that have the most significant effect on the amounts recognised in the financial statements or that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Classification of leases

The Group enters into leasing arrangements for various assets. The classification of the leasing arrangement as a finance lease or operating lease is based on an assessment of several factors, including, but not limited to, transfer of ownership of leased asset at the end of lease term, lessee's option to purchase and estimated certainty of exercise of such option, proportion of lease term to the asset's economic life, proportion of present value of minimum lease payments to fair value of leased asset and extent of specialised nature of the leased asset. Further, refer note no. 45, for effect of transition to Ind AS 116 and other disclosures relating to leases.

Recognition of deferred tax assets

The extent to which deferred tax assets can be recognised is based on an assessment of the probability that future taxable income will be available against which the deductible temporary differences and tax loss carry forward can be utilised. In addition, significant judgement is required in assessing the impact of any legal or economic limits or uncertainties in various tax jurisdictions.

Capitalisation of internally developed intangible assets

Distinguishing the research and development phases of a new customised project and determining whether the recognition requirements for the capitalisation of development costs are met requires judgement. After capitalisation, management monitors whether the recognition requirements continue to be met and whether there any indicators that capitalised costs may be impaired.

Evaluation of indicators for impairment of assets

The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets. In assessing impairment, management estimates the recoverable amount of each asset or cash generating units based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future operating results and the determination of a suitable discount rate.

Recoverability of advances / receivables

At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

Useful lives of depreciable / amortisable assets

Management reviews its estimate of the useful lives of depreciable / amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of certain items of property, plant and equipment.

Contingent liability

Management reviews its estimate of the financial impact of the contingent liability at each reporting date, based on the demands received from various Departmental authorities.

Litigations

Management reviews its estimate of the impact of the litigations liability at each reporting date, based on the land matters pending with various Courts.

Defined benefit obligation (DBO)

Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Fair value measurements

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management bases its assumptions on observable data as far as possible but this is not always available. In that case management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

d) Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Group has evaluated and considered its operating cycle as 12 months.

e) Property, plant and equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalised until the property, plant and equipment are ready for use, as intended by management.

Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Cost includes inward freight, non refundable duties/ taxes and expenses incidental to acquisition/installation.

Expenses relating to new planting and further expenditure incurred at the replanted fields are capitalised.

Property, plant and equipment [other than freehold land and lease hold land (perpetual lease)] are depreciated under the written down value method [other than bearer plants (rubber trees and tea bushes) which are depreciated using straight line method] over the estimated useful lives of the assets, which are different from the lives prescribed under Schedule II to the Companies Act, 2013.

Freehold land and leasehold land (perpetual lease) are not depreciated.

Useful life adopted by the Group for various class of assets is as follows:

Asset category	Useful lives (in years)
Factory buildings	30
Non factory buildings	60
Plant and machinery (including agricultural assets)	3/ 20
Furniture and fittings	6
Water supply	20/ 30/ 60
Vehicles	10
Bearer plants - Rubber trees	28
Bearer plants - Tea bushes	80

f) Bearer Plants

All the expenses incurred on replanting of rubber and new plantings in tea have been identified and capitalized

g) Intangible assets

Computer software is capitalised in the period in which the software is implemented for use, where it is expected to provide future enduring economic benefits; such capitalisation costs include license fees and cost of implementation/ system integration services.

Computer software capitalised are amortised on a straight line basis over a period of five years from the date of capitalisation. License Fees is amortised at lower of the license period and five years.

h) Impairment of property, plant and equipment and intangible assets

The carrying amounts of fixed assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of fixed assets of cash generating unit exceeds the recoverable amount (i.e. higher of net selling price and value in use). In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital. After impairment, depreciation is provided on the revised carrying amounts of the assets over their remaining useful lives.

i) Assets held for sale

Items of Property, Plant and Equipment that have been retired from active use and are held for disposal are stated at the lower of their net carrying amount and net realisable value and are shown separately in the financial statements under the head 'Assets classified as held for sale'. Any write-down in this regard is recognised immediately in the Statement of Profit and Loss.

j) Revenue recognition

Revenue from contracts with customers is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment.

The specific recognition criteria described below must also be met before revenue is recognised.

Revenue from sale of goods

Revenue from sale of tea at auction is recognized on receipt of the sale note from the brokers. Revenue from sale of tea other than at auction and sale of rubber is recognized on transfer of significant risks and rewards of ownership in goods in accordance with the terms of sale.

Revenue from contract with customers

The Group recognizes the amount as revenue from contracts with customers, which is received for the transfer of promised goods to customers in exchange for those goods. The relevant point in time or period of time is the transfer of control of the goods. Revenue is reduced for customer returns, taxes on sales, estimated rebates and other similar allowances. The transaction price is determined and allocated to the performance obligations according to the requirements of Ind AS 115. Performance obligations are deemed to have been met when the control of goods is transferred to the customer.

Interest income

Interest income is reported on an accrual basis using the effective interest method and is included under the head "Other income" in the Statement of Profit and Loss.

Export Incentive

Income from Export incentives are recognised when right to receive credit as per the terms of the scheme is established and when there is certainty of realisation.

k) Inventories

Valuation of inventory of finished products of tea and rubber have been done as per Ind AS 2 'Inventories'. Inventories are stated at lower of cost and net realizable value. Cost is determined on weighted average basis and includes expenditure incurred in the normal course of business in bringing inventories to its location and condition, labour and overhead, where applicable. Inventories are written down for obsolete/slow moving/non moving items wherever necessary.

Ind AS 41 'Agriculture' deals with the recognition and valuation of agricultural produce viz. standing crop of tea and rubber as biological assets. The Group has valued its standing crops for tea and rubber at every reporting date and the movement in valuation are routed through the Statement of Profit and Loss

l) Employee benefits

Expenses and liabilities in respect of employee benefits are recorded in accordance with Ind AS 19, Employee Benefits.

Defined contribution plan

(i) Provident fund

This is a defined contribution plan where contributions are remitted to provident fund authorities in accordance with the relevant statute and charged to the Statement of Profit and Loss in the period in which the related employee services are rendered. The Group has no further obligations for future provident fund benefits in respect of these employees other than its monthly contributions.

(ii) Superannuation

This is a defined contribution plan. The Group contributes as per the scheme to superannuation fund administered by Life Insurance Corporation of India (LIC). The Group has no further obligations for future superannuation benefits other than its annual contributions and recognises such contributions as expense in the period in which the related employee services are rendered.

Defined benefit plan

(i) Gratuity

This is a defined benefit plan. Provision is based on year-end actuarial valuation using projected unit credit method. Actuarial gains / losses are recognised immediately in the Statement of Profit and Loss as income or expense."

(ii) Compensated absences

This is a defined benefit plan. Provision is based on year-end actuarial valuation using projected unit credit method. Actuarial gains/ losses are recognised immediately in the Statement of Profit and Loss as income or expense."

The present value of the defined benefit obligation denominated in ₹ is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

Service cost on the Group's defined benefit plan is included in employee benefits expense. Employee contributions, all of which are independent of the number of years of service, are treated as a reduction of service cost.

Gains and losses through re-measurements of the defined benefit plans are recognised in other comprehensive income, which are not reclassified to profit or loss in a subsequent period.

Further, as required under Ind AS compliant Schedule III, the Group transfers those amounts recognised in other comprehensive income to retained earnings in the statement of changes in equity and balance sheet.

Short-term employee benefits

Short-term employee benefits comprise of employee costs such as salaries, bonus etc. is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee."

m) Foreign currency transactions

Functional and presentation currency

The functional currency of the Group is the Indian Rupee. These financial statements are presented in Indian Rupees (₹).

Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the

translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in Statement of Profit or Loss.

n) Investments in subsidiaries

The Group's investment in equity instruments in subsidiaries are accounted for at cost. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is transferred to the Statement of Profit and Loss.

o) Government Grants

Revenue subsidy receivable from Tea Board towards manufacture of orthodox tea is accrued on production of orthodox tea. Revenue subsidy receivable from Tea Board towards replanting activities undertaken is accounted on sanction of such subsidy by the Tea Board. Capital subsidy from Tea Board and Rubber Board is adjusted against the cost of specific depreciable assets on receipt of such subsidy.

p) Income taxes

Income tax expense comprises current and deferred income tax. Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Current income tax for current and prior periods is recognised at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred income tax assets are recognised for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognised as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. The Group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to setoff the recognised amounts and where it intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

q) Provisions and contingencies

Provisions

A provision is recognised if, as a result of a past event, the Group has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation or it cannot be measured with sufficient reliability. The Group does not recognise a contingent liability but discloses its existence in the financial statements.

r) Financial instruments

Financial assets

Initial recognition and measurement

Financial assets (other than trade receivables) are recognised when the Group becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for

those carried at fair value through statement of profit and loss which are measured initially at fair value. Subsequent measurement of financial assets is described below. Trade receivables are recognised at their transaction price as the same do not contain significant financing component.

Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified and measured based on the entity's business model for managing the financial asset and the contractual cash flow characteristics of the financial asset at:

- a. Amortised cost
- b. Fair Value Through Other Comprehensive Income (FVTOCI) or
- c. Fair Value Through Profit or Loss (FVTPL)

All financial assets are reviewed for impairment at least at each reporting date to identify whether there is any objective evidence that a financial asset or a group of financial assets is impaired. Different criteria to determine impairment are applied for each category of financial assets, which are described below.

(i) Financial asset at amortised cost

Includes assets that are held within a business model where the objective is to hold the financial assets to collect contractual cash flows and the contractual terms gives rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

These assets are measured subsequently at amortised cost using the effective interest method. The loss allowance at each reporting period is evaluated based on the expected credit losses for next 12 months and credit risk exposure. The Group shall also measure the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition.

(ii) Financial assets at Fair Value Through Other Comprehensive Income (FVTOCI)

Includes assets that are held within a business model where the objective is both collecting contractual cash flows and selling financial assets along with the contractual terms giving rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. At initial recognition, the Group, based on its assessment, makes an irrevocable election to present in other comprehensive income the changes in the fair value of an investment in an equity instrument that is not held for trading. These elections are made on an instrument-by instrument (i.e., share-by-share) basis. If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, impairment gains or losses and foreign exchange gains and losses, are recognised in other comprehensive income. There is no recycling of the amounts from OCI to profit or loss, even on sale of investment. The dividends from such instruments are recognised in statement of profit and loss.

The fair value of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

The loss allowance at each reporting period is evaluated based on the expected credit losses for next 12 months and credit risk exposure. The Group shall also measure the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. The loss allowance shall be recognised in other comprehensive income and shall not reduce the carrying amount of the financial asset in the balance sheet.

(iii) Financial assets at Fair Value Through Profit or Loss (FVTPL)

Financial assets at FVTPL include financial assets that are designated at FVTPL upon initial recognition and financial assets that are not measured at amortised cost or at fair value through other comprehensive income. All derivative financial instruments fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements apply. Assets in this category are measured at fair value with gains or losses recognised in statement of profit and loss. The fair value of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

The loss allowance at each reporting period is evaluated based on the expected credit losses for next 12 months and credit risk exposure. The Group shall also measure the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. The loss allowance shall be recognised in the statement of profit and loss.

De-recognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group's consolidated balance sheet) when:

- a. The rights to receive cash flows from the asset have expired, or
- b. The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement, and either (i) the Group has transferred substantially all the risks and rewards of the asset, or (ii) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Group could be required to repay.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109 Financial Instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognised in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Group may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Group has not designated any financial liability as at fair value through profit and loss.

Loans and borrowings

This is the category most relevant to the Group. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to borrowings.

Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Derivative financial instruments

Initial recognition and subsequent measurement

The Group uses derivative financial instruments, such as forward currency contracts to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss, except for the effective portion of cash flow hedges, which is recognised in OCI and later reclassified to profit or loss when the hedge item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial asset or non-financial liability.

s) Impairment of financial assets

In accordance with Ind AS 109 Financial Instruments, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets.

The Group tracks credit risk and changes thereon for each customer. For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- All contractual terms of the financial instrument over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity uses the remaining contractual term of the financial instrument.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

The Group uses default rate for credit risk to determine impairment loss allowance on portfolio of its trade receivables.

Trade receivables

The Group applies approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of receivables.

Other financial assets

For recognition of impairment loss on other financial assets and risk exposure, the Group determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

t) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

u) Segment reporting

The Group is engaged in plantations having tea and rubber estates. The business segments identified for segment reporting are Tea, Rubber and Others.

v) Earnings/ (loss) per share (EPS)

Basic EPS are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the Group (after adjusting for interest on the convertible preference shares, if any) by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

w) Leases

Effective from 1st April 2019, the Group adopted Ind AS 116 – Leases and applied the standard to all lease contracts existing as on 1st April 2019 using the modified retrospective method on the date of initial application i.e. 1st April 2019.

At inception of a contract, the Group assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Group's incremental borrowing rate. Generally, the Group uses its incremental borrowing rate as the discount rate. Subsequently, the lease liability is measured at amortised cost using the effective interest method.

It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Group's estimate of the amount expected to be payable under a residual value guarantee, or if the Group changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Short-term leases and leases of low-value assets

The Group has elected not to recognise right-of-use assets and lease liabilities for short term leases of real estate properties that have a lease term of 12 months. The Group recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Under Ind AS 17

Finance Lease

In the comparative period, leases are classified as Finance Lease whenever the terms of the lease transfer substantially all the risks and rewards of ownership of the lease. All other leases are classified as Operating lease.

Operating Lease

In the comparative period, leases in which a significant portion of the risks and rewards of ownership are not transferred to the Group as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

ii. As a lessor

Lease income from operating leases where the Group is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

x) Recent accounting pronouncements

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards. There is no such notification which would have been applicable from 1 April 2020.

3 Property, plant and equipment, intangible assets and Capital Work in Progress

Notes

- Land and development includes certain leasehold land the value of which is not separately ascertainable. Also refer Note 44 to the standalone financial statements.
- Title deeds of the immovable properties set out in the above table are in the name of Malayalam Plantations Limited (MPL)/Harrisons Crossfield Limited (HCL) except as set out below which are in the name of the Company. Inter alia, the immovable properties of MPL got transferred to and vested in Malayalam Plantations (India) Limited (MPIL) vide a Scheme of Arrangement and Amalgamation in 1978. Further, inter alia the immovable properties of Harrisons Crossfield (India) Limited got transferred and vested in MPIL vide a Scheme of Arrangement and Amalgamation in 1984. The name of MPIL a Company incorporated in 1978 got changed to Harrisons Malayalam Limited in 1984.

(All amounts in ₹ lakhs, unless otherwise stated)

Title deeds of the immovable properties set out in the above table, which are in the name of the Company as at 31 March 2020 are:

	Gross block	Net block
Land and building	136.72	26.14

3 Property, plant and equipment pledged as security

Details of properties pledged are as per Note 40.

4 Capital work in progress

Capital work in progress mainly represents the immature bearer plants awaiting capitalisation. The capitalised portion of the same is disclosed separately in the above table.

i) Reconciliation of the number of shares and amount outstanding at the beginning and at the end of the reporting period:

Particulars	As at 31 March 2020		As at 31 March 2019	
	No. of shares	₹ lakhs	No. of shares	₹ lakhs
Equity share of ₹ 10 each				
Opening balance	1,84,55,405	1,845.43	1,84,55,405	1,845.43
Issue of shares during the year	—	—	—	—
Closing balance	1,84,55,405	1,845.43	1,84,55,405	1,845.43

ii) Terms/right attached to equity shares

The Group has issued only one class of equity shares having a face value of ₹ 10 per share. Each holder of equity shares is entitled to one vote per share held. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting except in case of interim dividend. In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Group, in proportion to their shareholding.

(All amounts in ₹ lakhs, unless otherwise stated)

iii) **Shareholders holding more than 5% of the aggregate shares in the Group**

	As at 31 March 2020		As at 31 March 2019	
	Nos.	% holding	Nos.	% holding
Equity Shares of ₹ 10 each				
Rainbow Investments Limited	46,60,222	25.25%	44,71,063	24.23%
Vayu Udaan Aircraft LLP	37,90,985	20.54%	34,48,100	18.68%
Swallow Associates LLP	10,10,722	5.48%	10,10,722	5.48%

iv) There were no shares issued pursuant to contract without payment being received in cash, allotted as fully paid up by way of bonus issues and buy back of shares during the last 5 years immediately preceding 31 March 2020.

	As at 31 March 2020	As at 31 March 2019
15(b) Other equity		
General reserve	1,687.82	1,687.82
Securities premium account	5,002.91	5,002.91
Reserve arising from amalgamation	291.33	291.33
Housing subsidy reserve	5.26	5.26
Retained earnings	(944.13)	(977.86)
	6,043.20	6,009.46

Description of nature and purpose of each reserve

a. General reserve

General reserve was created from time to time by way of transfer of profits from retained earnings for appropriation purposes.

b. Securities premium

The amount received in excess of face value of the equity shares was recognised in securities premium. The reserve is utilised in accordance with the provisions of the Act.

c. Reserve arising from Amalgamation

Pertains to reserve created on account of amalgamation effected between erstwhile companies during 1978-79 ₹ 4.43 Lakhs and 2009-10 ₹286.90 Lakhs

d. Retained earnings

Retained earnings are the profits/(loss) that the Group has earned till date, less any transfers to general reserve, dividends or other distributions paid to shareholders.

Total		21,433.73	9.24	—	19,518.61	0.38	—

The management assessed that the fair value of cash and cash equivalents, trade receivables, loans, other financial assets, trade payables and working capital loans approximate the carrying amount largely due to short-term maturity of this instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

(ii) Fair value of financial assets and liabilities measured at amortised cost

The management assessed that for amortised cost instruments, fair value approximate largely to the carrying amount.

(iii) Fair value hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

a) Assets and liabilities measured at fair value - recurring fair value measurement

As at 31 March 2020	Notes	Level 1	Level 2	Level 3	Total
Derivatives measured at fair value					
Foreign exchange forward contracts	20	—	9.24	—	9.24
As at 31 March 2019	Notes	Level 1	Level 2	Level 3	Total
Derivatives measured at fair value					
Foreign exchange forward contracts	20	—	0.38	—	0.38

(iv) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the fair value of foreign exchange forward contracts is determined using market observable inputs, including prevalent forward rates for the maturities of the respective contracts and interest rate curves as indicated by banks and third parties.

34 Scheme of Amalgamation ('Scheme')

The composite scheme of arrangement and amalgamation amongst Harrissons Malayalam Limited (HML) and Enchanting Plantations Limited (100% subsidiary of HML) and Malayalam Plantations Limited (100% subsidiary of Enchanting Plantations Limited) and Harmony Plantations Limited (100% subsidiary of HML) and their respective shareholders and their creditors ("the Scheme"), pending before the National Company Law Tribunal from 9 March 2017, were dismissed by the Tribunal during the year without prejudice to the Group's right to file any fresh application.

(All amounts in ₹ lakhs, unless otherwise stated)

35 Contingent liabilities and commitments

	As at 31 March 2020	As at 31 March 2019

Payable in 0-1 year	91.24	124.13
Payable in 1-2 years	23.10	88.41
Payable in 2-3 years	5.45	20.27
Payable in 3-4 years	0.34	4.98
Payable in 4-5 years	–	0.18
	120.13	237.97

41 Capital management

The capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Group. The primary objective of the Group's capital management is to maximise the shareholder value.

Particulars	As at 31 March 2020	As at 31 March 2019
Long term borrowings	5,787.59	6,651.92
Current maturities of long-term debt	891.24	1,599.13
Short term borrowings	4,698.39	3,855.29
Less: Cash and cash equivalents	(207.53)	(111.91)
Less: Bank balances other than cash and cash equivalents	(156.04)	(129.86)
Net debt (A)	11,013.65	11,864.57
Equity	1,845.43	1,845.43
Other equity (excluding revaluation reserve)	6,043.20	6,009.46
Equity (B)	7,888.63	7,854.89
Capital and net debt (A + B)	18,902.28	19,719.46
Gearing ratio (A/(A+B))	58%	60%

42 Financial risk management

The Group's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Group's focus is to foresee the unpredictability of financial markets and seek to minimise potential adverse effects on its financial performance. The Group's exposure to credit risk is influenced mainly by the individual characteristic of each customer.

The risk management activity focuses on actively securing the Group's short to medium-term cash flows by minimising the exposure to volatile financial markets.

The Group does not actively engage in the trading of financial assets for speculative purposes nor does it write options. The most significant financial risks to which the Group is exposed are described below.

(A) Credit risk

Credit risk refers to the risk of default on its obligation by the counter party resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables as summarised below:

Assets under credit risk	As at 31 March 2020	As at 31 March 2019
Investments	1.01	1.01
Bank balances	1.73	1.73
Trade receivables	823.25	981.41
Cash and cash equivalents	207.53	111.91
Bank balances other than cash and cash equivalents	156.04	129.86
Other financial assets	2,203.90	1,171.19
Total	3,393.46	2,397.11

(All amounts in ₹ lakhs, unless otherwise stated)

A1 Trade receivables

Trade receivables are typically unsecured and are derived from revenue earned from customers located in India and outside India. Credit risk has always been managed by the Group through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Group grants credit terms in the normal course of business. On account of adoption of Ind AS 109, 'Financial Instruments', the Group uses expected credit loss model to assess the impairment loss or gain. The provision for expected credit loss takes into account available external and internal credit risk factors including the credit ratings of the various customers and Group's historical experience for customers.

Particulars	As at 31 March 2020	As at 31 March 2019
Loss allowance as at the beginning of the year	509.75	509.75
Provision made for expected credit loss	36.20	–
Loss allowance as at the end of the year	545.95	509.75

Financial assets that are neither past due nor impaired

Cash and cash equivalents, loans and advances to employees and other financial assets are neither past due nor impaired.

Financial assets that are past due but not impaired

There are no other classes of financial assets that is past due but not impaired.

(B) Liquidity risk

Liquidity risk is that the Group might be unable to meet its obligations. The Group manages its liquidity needs by monitoring scheduled debt servicing payments for long-term financial liabilities as well as forecast cash inflows and outflows on a day-to-day business. The data used for analyzing these cash flows is consistent with that used in the contractual maturity analysis below. Liquidity needs are monitored in various time bands, on a day-to-day and week-to-week basis, as well as on a monthly, quarterly, and yearly basis depending on the business needs. Net cash requirements are compared to available borrowing facilities in order to determine headroom or any shortfalls. This analysis shows that available borrowing facilities are expected to be sufficient over the lookout period.

Maturities of financial liabilities

As at 31 March 2020	Less than 1 year	1 year to 5 years	More than 5 years	Total
Borrowings	5,576.93	5,558.78	241.52	11,377.22
Trade Payables	4,815.99	–	–	4,815.99
Other financial liabilities	4,942.95	134.05	172.76	5,249.76
Total	15,335.87	5,692.83	414.28	21,442.97
As at 31 March 2019	Less than 1 year	1 year to 5 years	More than 5 years	Total
Borrowings	5,440.11	5,931.55	734.68	12,106.34
Trade Payables	3,385.31	–	–	3,385.31
Other financial liabilities	4,027.34	–	–	4,027.34
Total	12,852.76	5,931.55	734.68	19,518.99

(C) Market risk

The Group is exposed to market risk through its use of financial instruments and specifically to currency risk, interest rate risk and certain other price risk, which result from both its operating and investing activities.

(i) Foreign currency sensitivity

The Group operates internationally and has transactions in USD and Euro currency and consequently the Group is exposed to foreign exchange risk through its sales to overseas customers. The exchange rate between the rupee and foreign currencies may fluctuate substantially in the future. Consequently, the results of the Group's operations are adversely affected as the rupee appreciates/depreciates against these currencies.

Foreign currency denominated financial assets which expose the Group to currency risk are fully hedged by derivative cover.

(All amounts in ₹ lakhs, unless otherwise stated)

Derivative financial instruments

The Group holds derivative financial instruments such as foreign currency forward contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank or a financial institution. These derivative financial instruments are valued based on quoted prices for similar assets and liabilities in active markets or inputs that are directly or indirectly observable in the marketplace.

The following table gives details in respect of outstanding foreign exchange forward contracts:

Particulars	As at 31 March 2020	As at 31 March 2019
Forward contracts (Denominated in foreign currency, value presented in ₹)		
In USD	434.62	262.82
In EURO	143.12	68.07

The foreign exchange forward contracts mature within twelve months. The table below analyses the derivative financial instruments into relevant maturity groupings based on the remaining period as of the Balance Sheet date:

USD

Particulars	As at 31 March 2020	As at 31 March 2019
(Denominated in foreign currency, value presented in ₹)		
Not later than one month	406.84	127.29
Later than one month and not later than three months	27.78	135.53
Later than three months and not later a year	—	—

EURO

Particulars	As at 31 March 2020	As at 31 March 2019
(Denominated in foreign currency, value presented in ₹)		
Not later than one month	118.04	29.41
Later than one month and not later than three months	25.08	38.66
Later than three months and not later a year	—	—

(ii) Interest rate risk

The Group's fixed rate borrowings are carried at amortized cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, 'Financial Instruments' - Disclosures. As neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

43 Employee benefit obligations

The Group has provided for the gratuity liability and leave encashment liability (defined benefit plan), as per actuarial valuation carried out by an independent actuary on the Balance Sheet date.

a) Defined contribution Plan

The Group makes contribution to statutory provident fund as per Employees Provident Fund and Miscellaneous Provision Act, 1952 for its employees. Also the Group makes contribution to superannuation fund for its employees. This is a defined contribution plan as per Ind AS 19, Employee benefits. Total contribution made during the year ₹ 1,325.94 Lakhs (31 March 2019: ₹1,352.31 Lakhs).

b) Defined benefit plans

The Group has provided for gratuity and leave encashment liability, for its employees as per actuarial valuation carried out by an independent actuary on the Balance Sheet date. The valuation has been carried out using the Project Unit Credit Method as per Ind AS 19 to determine the present value of Defined Benefit Obligations and the related current service cost. This is a defined benefit plan as per Ind AS 19.

The gratuity plan is governed by the provisions of the Payment of Gratuity Act, 1972 (as amended from time to time). Employees are entitled to all the benefits enlisted under this Act.

c) Sensitivity analysis

Valuations are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary overtime. Thus, the Group is exposed to various risks in providing the above benefit which are as follows:

(All amounts in ₹ lakhs, unless otherwise stated)

i) Interest rate risk

The plan exposes the group to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability as shown in financial statements.

ii) Liquidity risk

This is the risk when the Group is not able to meet the short-term gratuity payouts. This may arise due to non availability of enough cash/cash equivalents to meet the liabilities or holding of illiquid assets not being sold in time.

iii) Salary escalation risk

The present value of the defined benefit plan is calculated with the assumption of salary increase rate of employees in future. Deviation in the rate of interest in future for employees from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

iv) Demographic risk

The Group has used certain mortality and attrition assumptions in valuation of the liability. The Group is exposed to the risk of actual experience turning out to be worse compared to the assumption.

v) Regulatory risk

Gratuity benefits are paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts.

	As at 31 March 2020	As at 31 March 2019
Changes in the present value of the defined benefit obligation are as follows:		
Projected benefit obligation at the beginning of the year	4,832.80	5,096.07
Interest cost	288.56	346.96
Current service cost	289.09	262.92
Benefits paid	(854.74)	(976.82)
Actuarial (gain)/loss	892.52	103.67
Projected benefit obligation at the end of the year	5,448.23	4,832.80
Unfunded	5,448.23	4,832.80
Components of net gratuity costs are:		
Current service cost	289.09	262.92
Interest cost	288.56	346.96
Net amount recognised in the income statement	577.65	609.88
Premeasurements		
Net actuarial (gain)/loss	892.52	103.67
Net amount recognised in other comprehensive income	892.52	103.67
Total gratuity cost recognised	1,470.16	713.55
Principal actuarial assumptions used:		
a) Discount rate	6.55%	7.53%
b) Long-term rate of compensation increase	5.00%	5.00%
c) Attrition rate	3.00%	3.00%
d) Mortality rate	"Indian Assured Lives Mortality (2006-2008)"	

The estimates of rate of escalation in salary considered in actuarial valuation takes into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary. The discount rate is based on the prevailing market yields of Indian government securities as at the balance sheet date for the estimated term of the obligations.

(All amounts in ₹ lakhs, unless otherwise stated)

43 Employee benefit obligations (Continued)

The significant actuarial assumptions for the determination of the defined benefit obligation are the attrition rate, discount rate and the long-term rate of compensation increase. The calculation of the net defined benefit liability is sensitive to these assumptions. The following table summarises the effects of changes in these actuarial assumptions on the defined benefit liability at 31 March 2020.

Gratuity

Particulars	Year ended 31 March 2020		Year ended 31 March 2019	
	Increase	Decrease	Increase	Decrease
Discount rate (- / + 0.5%)	5,294.72	5,609.83	4,698.96	4,973.51
Salary growth rate (- / + 0.5%)	5,611.85	5,291.02	4,977.77	4,693.90
Attrition rate (- / + 0.5%)	5,459.36	5,437.09	4,843.47	4,822.14
Mortality rate (- / + 10%)	5,473.28	5,423.18	4,856.26	4,809.35

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The method and type of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

44 No adjustment is required to be made in the accounts in respect of :

44 (A)

- An area of 807 hectares (approximately) [31 March 2019: 807 hectares (approximate)], which is on a leasehold tenure falls under the provisions of the Gudalur Jenmam Estate (Abolition and Conversion into Ryotwari) Act, 1969. Group's appeal challenging the Order of the Settlement Officer rejecting its application for Patta was allowed by the District Court, Ooty and the matter is now remanded for denovo enquiry. The Settlement Officer by its order dated 22.10.2019 once again rejected the application for Patta. An appeal has been filed before the District Court, Ooty challenging the said order and the same is pending. Meanwhile, Madras High Court held that out of this area, the notification of 335 Hectares (31 March 2020: 335 Hectares) as forest by the Settlement Officer is valid and has directed that in the event of patta being granted in respect of the notified areas the same will stand modified to that extent.
- An area of 2588 hectares (approximately) [31 March 2019: 2588 hectares (approximate)] liable to be surrendered to the Government of Kerala under the Kerala Private Forests (Vesting and Assignment) Act, 1971, as the appeals relating to this area are pending in the High Court of Kerala.
- An area of 535 hectares (approximate) [31 March 2019: 535 hectares (approximate)] in respect of which cases filed by Janmies (original owners) of Lahai Estate challenging the validity of the lease is pending before the Sub-Court, Pathanamthitta and High Court of Kerala.
- An area of 1982.45 hectares (31 March 2019: 1982.45 hectares) of Mooly Valley estates notified by the Government of Kerala for resumption alleging violation of lease conditions as proceedings has been stayed by the Sub Court, Irinjalakuda.

The above litigations are considered as Key audit matter.

44 (B)

- An area of 178 hectares (approximately) [31 March 2019: 178 hectares (approximate)] deemed to have been vested with the Government of Kerala pursuant to Kerala Private Forests (Vesting and Assignment) Act, 1971, as the Group's claim for the exclusion of the area from the purview of the Act is pending decision of the Forest Tribunal, Palghat and restoration by the Forest Department.
- The Vythiri Taluk Land Board's order directing the Group to surrender 707 hectares (approximately) [31 March 2019: 707 hectares (approximate)] as excess land under the Kerala Land Reforms Act, 1963 has been set aside by the High Court of Kerala on a revision petition filed by the Group and the matter has been remanded to the Vythiri Taluk Land Board for fresh consideration and disposal.

(All amounts in ₹ lakhs, unless otherwise stated)

- c. An area of 415 hectares (approximately) [31 March 2019: 415 hectares (approximate)] held to be surplus under the Tamil Nadu Land Reforms (Fixation of Ceiling on Land) Act, 1961 as the Special Land Tribunal, Madras has remanded the matter for fresh consideration by the Authorised Officer, Coimbatore.
- d. An area of 1609.18 hectares (approximate) [31 March 2019: 1609.18 hectares (approximate)] in respect of which cases filed by Janmies (original owners) of Koney, Kaliyar and Arrapetta Estates challenging the validity of the lease is pending before the Sub-Court, Pathanamthitta, Sulthan Bathery, Thodupuzha and High Court of Kerala.
- e. The Government of Kerala vide G.O dated 27.06.2018 waived the levy of Seigniorage on rubber trees cut and removed from the rubber plantations. A writ petition has been filed before the Hon'ble High Court of Kerala challenging the said Government Order and the Hon'ble Court by interim order dated 18.02.2019 has permitted felling of trees on condition that a bond undertaking to pay Seigniorage is furnished to the Government of Kerala, if ultimately the writ petition is allowed. The matter is pending consideration.
- f. The Government by order dated 04.01.2008 directed the Group to remit an amount ₹ 96.84 lakhs alleging violation of lease condition in Mooply Valley Estates. The said order has been challenged before the Sub Court, Irinjalakuda and by order dated 08.04.2008 granted temporary prohibitory injunction restraining Government from taking any further action. On appeal filed by the Government, the Hon'ble High Court by judgment dated 04.08.2008 sustained the order of injunction and directed the Group to furnish security for ₹ 96.84 lakhs and accordingly the Group has furnished bank guarantee for the said amount and the suit is still pending.
- g. An extent of approximately 142 Hectares of rubber planted area in Kumbazha Estate has been encroached by the members of Sadhu Jana Vimochana Samyuktha Vedi in 2007 and the Group filed a writ petition seeking eviction of the encroachers and Police protection to its property. By judgment dated 24.08.2007, the Hon'ble High Court directed the Government to evict the encroachers. However, the said direction was not complied with and a contempt case in this connection is still pending consideration before the Hon'ble High Court.
- h. The Special Officer appointed by the Government had issued a notice under the Kerala Land Conservancy Act, for inspecting the properties of the Group in Wayanad District. The Group challenged the notice before the Hon'ble High Court of Kerala and by judgment dated 11.04.2018 the said notice was set aside by the Hon'ble Court. The Government filed a review petition in the matter and by order dated 06.08.2018 the Hon'ble Court directed the Group to file its objections to the inspection notice. Accordingly the Group has filed its detailed objection with relevant documents and the same is pending with the Special Officer.
- i. An area of 301 hectares (approximately) [31 March 2019: 301 hectares (approximate)] re-notified as vested forests by the Government of Kerala in 2007. Writ Petition filed by the Group challenging the said notification was allowed by the Hon'ble High Court of Kerala and the notification has been set aside.

In the opinion of management the outcome of above litigations will be in favour of the Group and there is no financial impact.

45 Lease

- a. The Group has adopted Ind AS 116 on "Leases" with effect from 1 April, 2019 by applying it to all applicable contracts of leases existing on 1 April, 2019 by using modified retrospective approach and accordingly, comparative information for the year ended 31 March, 2019 has not been restated.
- b. The effect of adoption of Ind AS 116 on financial statements and earnings per share for the year ended 31 March, 2020 are not material. Segment results have been arrived after considering interest expense on lease liabilities
- c. The Group has recognised and measured the Right-of-Use (ROU) asset and the lease liability over the remaining lease period and payments discounted using the incremental borrowing rate as at the date of initial application. This has resulted in recognising ROU asset of ₹ 320.70 Lakhs and a corresponding lease liability of ₹ 320.70 Lakhs as at 1 April, 2019. For financial year ended 31 March, 2020, the nature of expenses in respect of operating leases has changed from lease rent in previous periods to depreciation for the ROU asset of ₹ 11.22 Lakhs and finance costs for interest accrued on lease liability of ₹ 38.48 Lakhs
- d. Lease payments amounting to ₹ 45.92 Lakhs not recognised as a liability being short term or low value in nature and ₹ 31.57 Lakhs not recognised as a liability being the same pertains to perpetual lease agreement.

(All amounts in ₹ lakhs, unless otherwise stated)

e. Maturity Analysis of the discounted cash flow of the lease liabilities

Particulars	31 March 2020	
	Minimum lease payments	Present value of minimum lease payments
Not later than 1 year	35.14	34.13
Later than 1 and not later than 5 years	147.73	134.05
Later than 5 years	1,094.11	173.76
	1,276.98	341.95

46 COVID-19 and its impact

During the month of March 2020, World Health Organisation declared COVID-19 to be a global pandemic. The spread of COVID-19 has impacted the normal operations of businesses in many countries, including India. The country has witnessed several disruptions in normal operations due to lockdowns imposed by the Government in the form of restrictions to movement of people, transportation and supply chain along with other stringent measures to contain COVID-19 spread.

While Tea is considered an essential commodity, Rubber is consumed by industries in the Health Sector for manufacture of surgical gloves, condoms, catdrels, and other health care products which is part of essential commodities and therefore the pandemic has so far had minimal impact on the business operations of the Company.

Management has made an assessment of the possible impact of COVID-19 on the business of the Company. The Management has taken due care in concluding on significant accounting judgments and estimates. Management noted that there is no impact on financial statements on carrying value of property plant and equipment, recoverability of receivables, realisability of inventory and other current assets. The Management believes that the Company will be able to discharge the committed liabilities on the due date. The Company will continue to monitor future material changes to economic conditions and impact thereon, on its operations.

47 Segment information

Management currently identifies the Group's three business lines as its operating segments: Tea, Rubber and others.

Other Segment comprise of Fruits, Spices and others and Wayanad Medical Fund.

Segment information for the reporting period is as follows:

A	Segment revenues and profits	Year ended 31 March 2020			Year ended 31 March 2019		
		Tea	Rubber	Others	Tea	Rubber	Others
	Revenue						
	From external customers	17,716.57	20,682.49	330.98	17,696.20	17,329.33	349.31
	Other income	451.95	37.66	108.80	373.99	54.29	124.83
	Segment revenues	18,168.52	20,720.15	439.78	18,070.19	17,383.62	474.14
	Cost of material consumed	2,698.31	5,589.56	—	2,870.89	6,462.85	—
	Purchases of stock-in-trade	—	2,434.18	—	—	2,143.63	—
	Changes in inventories	(869.58)	(408.20)	(54.53)	67.67	—	—
	Employee benefits expense	10,259.00	6,154.17	67.62	9,303.62	5,871.90	51.29
	Depreciation and amortization expense	277.28	83.83	69.02	258.13	94.47	63.11
	Other expenses	7,607.15	2,761.53	102.19	6,872.49	2,892.80	102.31
	Segment profits/(losses)	(1,803.64)	4,105.08	200.95	(1,180.41)	(149.70)	257.43

(All amounts in ₹ lakhs, unless otherwise stated)

B Segment assets and liabilities	As at 31 March 2020			
	Tea	Rubber	Others	Unallocated
Segment assets	28,637.32	10,848.48	346.55	484.50
Segment liabilities	9,762.50	9,615.52	133.58	12,916.62

	As at 31 March 2019			
	Tea	Rubber	Others	Unallocated
Segment assets	27,413.87	9,380.71	256.97	244.38
Segment liabilities	7,750.24	7,989.19	38.64	13,662.97

Income/expenses of a financial nature, and the assets/liabilities they are attributable to, have not been allocated to any segment as they are managed on a Group basis. Current taxes, deferred taxes and items of income and expense have not been allocated to any segment since these items are also managed on a Group basis.

C The totals presented for the Group's operating segments reconcile to the key financial figures as presented in its financial statements as follows:

C1 Reconciliation of profit	Year ended 31 March 2020	Year ended 31 March 2019
Segment profit	2,502.39	(1,072.68)
Add/(less):		
Interest Expense	(1,590.51)	(1,399.09)
Unallocable Income	14.37	62.30
Profit before tax	926.25	(2,409.47)

C2 Reconciliation of segment assets	As at 31 March 2020	As at 31 March 2019
Total reportable segment assets	39,832.35	37,051.55
Cash and cash equivalents	207.53	111.91
Bank balances other than cash and cash equivalents	156.04	129.86
Non-current investments	1.01	–
Non-current bank balances	1.73	1.73
Other-current assets	118	0.88
Total assets	40,316.85	37,295.93

C3 Reconciliation of segment liabilities	As at 31 March 2020	As at 31 March 2019
Total reportable segment liabilities	19,511.60	15,778.07
Non-current borrowings including current maturities	6,678.83	8,251.05
Current borrowings	4,698.39	3,855.29
Provisions	122.64	122.64
Other current liabilities	1,416.76	1,433.99
Total liabilities	32,428.22	29,441.04

(All amounts in ₹ lakhs, unless otherwise stated)

D The revenues from external customers are divided into the following geographical areas:

	Year ended 31 March 2020	Year ended 31 March 2019
India (country of domicile)	32,744.92	29,457.69
Outside India	5,985.12	5,917.15
	38,730.04	35,374.84

E Non-current assets are divided into the following geographical areas (Refer note below):

	As at 31 March 2020	As at 31 March 2019
India (country of domicile)	30,119.08	29,354.59
Outside India	—	—
	30,119.08	29,354.59

Reportable assets for the purpose of this note constitute non-current assets other than financial assets, deferred tax assets and other tax assets.

F Revenue from major customers

There are no customers contributing to 10 percent or more of Group's revenues from product sale.

48 Prior year comparatives

The previous year's figures have been regrouped and reclassified, wherever necessary to conform to current year's presentation.
