Subject: Submission of Annual Report for the Financial Year 2025-26

Dear Sir/Madam,

Pursuant to Regulations 34(1)(a) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'), we are enclosing herewith the Annual Report of the Company. The same is also being sent through electronic mode to those Members whose e-mail addresses are registered with the Company/Registrar & Share Transfer Agent ('RTA')/Depository Participant(s) ('DPs') in compliance of the Regulations 36(1)(a) of the SEBI Listing Regulations.

Further, in accordance with the Regulation 36(1)(b) of the SEBI Listing Regulations, the Company has initiated sending a letter to the Shareholders whose e-mail addresses are not registered with the Company/RTA/DPs, providing a web-link from where the Annual Report can be accessed on the website of the Company.

Kindly take the same on your records.

Thanking you,

For SUPERSHAKTI METALIKS LIMITED

therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their Demat Accounts.

9. The Notice of AGM along with Annual Report for 2025-26 is being sent by electronic mode to all the Members whose email IDs are registered with the Company/Depository Participant(s) unless any Member has requested for a physical copy of the same.
10. Non-resident Indian Members are requested to inform the Company or its RTA or to the concerned DPs, as the case may be, immediately the change in the residential status on return to India for permanent settlement.
11. Members are requested to make all correspondence in connection with shares held by them by addressing letters directly to the Company or its RTA quoting their Folio number or their Client ID number with DPID number, as the case may be.
12. **This Notice along with Annual Report for F.Y 2025-26 is being sent to all Members of the Company whose name appears in the Register of Members/list of beneficiaries received from the depositories at the end of 28th August, 2026.**
13. The entry to the Meeting venue will be regulated by means of attendance slips. For attending the Meeting, Members, proxies and authorized representatives of the Members, as the case may be, are requested to bring the enclosed attendance slip completed in all respects, including client ID and DP ID, and signed. Duplicate attendance slips will not be issued.
14. All Members are requested to support Green Initiative of the Ministry of Corporate Affairs, Government of India and register their E-mail addresses to receive all these documents electronically from the Company in accordance with Rule 18 of the Companies (Management & Administration) Rules 2014 and Rule 11 of the Companies (Accounts) Rules 2014. All the aforesaid documents have been uploaded on and are available for download from the Company's website, being www.supershaktimetaliks.com.
15. Rule 3 of the Companies (Management and Administration) Rules 2014 mandates that the register of Members of all Companies should include details pertaining to email address, permanent account number (PAN) or CIN, unique identification number, if any; father's/ mother's/ spouse's name, occupation, status, nationality; in case Member is a minor, name of guardian and the date of birth of the Member, and name and address of nominee. All Members are requested to update their details as aforesaid with their respective depository.
16. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them.
17. No gifts shall be provided to Members before, during or after the AGM.
18. Members may pursuant to Section 72 of the Companies Act 2013 read with Rule 19 of the Companies (Share Capital and Debentures) Rules 2014 file nomination in prescribed form SH-13 with the respective depository participant.

SUPERSHAKTI METALIKS LIMITED

Registered Office : 'Premlata', 39, Shakespeare Sarani, 2nd Floor, Kolkata - 700017, WB, India, Telefax : +91 33 2289 2734/35/36

19. In case of joint holders attending the AGM, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote.
20. Members seeking any information with regard to the accounts are requested to write to the Company at an early date, so as to enable the Management to keep the information ready at the AGM.
21. A route map showing direction to reach the venue of the 14th AGM is given at the end of this Notice as per the requirement of Secretarial Standards-2 on General Meeting.
22. Voting system:

Pursuant to the provisions of Section 108 of the Companies Act, 2013, rules 20 and 21 of the Companies (Management & Administration) Rules 2014 and sub Regulation (1) & (2) of Regulation 44 of Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 the Company is not required to provide mandatorily to its Members the electronic facility to exercise their right to vote at the AGM. Therefore, in terms the provisions of Section 108 of the Companies Act, 2013 at any General Meeting, a resolution put to the vote of the Meeting shall, unless a poll is demanded under Section 109, be decided on a show of hands and/or by poll. A declaration by the Chairman of the Meeting of the passing of a resolution or otherwise by show of hands and/or by poll subject to approval by the scrutinizer under Sub-Section (1) and an entry to that effect in the books containing the Minutes of the Meeting of the Company shall be conclusive evidence of the fact of passing of such resolution or otherwise.

- Every Member entitled to vote on a resolution and present in person shall, on a show of hands, have only one vote irrespective of the number of shares held by him.
- A Proxy cannot vote on a show of hands.
- A Member who is a Related Party is not entitled to vote on a resolution relating to approval of any contract or arrangement in which such Member is a Related Party.
- **The Members of the Company holding shares on the "cut-off date" of 28th August, 2026 are entitled to vote on the resolutions proposed. Cut-off date means the date on which the right of voting of the Members shall be reckoned and a person who is not a Member as on the cut-off date should treat this Notice for information purposes only.**
- Company has appointed M & A Associates, a firm of Company Secretaries as the Scrutinizer for the purpose of scrutinizing poll process in a fair and transparent manner.
- All the shares of the Company are in Demat form hence Company is not declaring any book closure.
- The results of the voting will be placed by the Company on its website www.supershaktimetaliks.com within 48 hours from the conclusion of the AGM and also communicated to the Stock Exchanges, where the Shares of the Company are listed.
- The resolutions proposed will be deemed to have been passed on the date of the AGM subject to the receipt of the requisite number of votes in favour of the resolutions.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

ITEM NO. 5

To Appoint Mrs. Ayushi Khaitan (DIN: 10171829) as an Independent Director of the Company:

Based on the recommendation of the Nomination and Remuneration Committee at its meeting held on 31st July, 2026 the Board of Directors of the Company at its meeting held on 31st July, 2026 appointed Mrs. Ayushi Khaitan (DIN: 10171829) as an Additional Director (Category: Non-Executive & Independent) of the Company w.e.f. that date i.e. 01st August, 2026.

Pursuant to the provisions of Regulation 17(1C) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the Company is required to obtain approval of shareholders for the appointment of an Independent Director at the next general meeting or within a time period of 3 (three) months from the date of appointment, whichever is earlier.

Accordingly, in compliance with above and pursuant to the provisions of Section 161(1) of the Companies Act, 2013 ("the Act"), Mrs. Ayushi Khaitan (DIN: 10171829) holds office as an Additional Director till the date of the ensuing 14th Annual General Meeting (AGM) to be held in the Year 2026.

Further, based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company at its meeting held on 31st July, 2026 also recommended the appointment of Mrs. Ayushi Khaitan (DIN: 10171829) as an Independent Director on the Board of the Company, not liable to retire by rotation, for a period of 5 Years commencing from the date of Board's approval i.e. 01st August, 2026 till 31st July, 2031.

Mrs. Ayushi Khaitan (DIN: 10171829) is not disqualified from being appointed as a Director in terms of Section 164 of the Act. The Company has received the consent and requisite declarations from Mrs. Ayushi Khaitan (DIN: 10171829) as per the provisions of the Act and SEBI Listing Regulations including the declaration that she meets the criteria of independence as provided under Section 149(6) of the Act and Regulation 16 of the SEBI Listing Regulations. Further, in terms of Regulation 25(8) of SEBI Listing Regulations, Mrs. Ayushi Khaitan (DIN: 10171829) has also confirmed that she is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge her duties. Further, Mrs. Ayushi Khaitan (DIN: 10171829) is not debarred from holding the office of Director pursuant to any Order issued by the Securities and Exchange Board of India (SEBI) or any other authority. Further, Mrs. Ayushi Khaitan (DIN: 10171829) is also registered with the Independent Director's databank maintained by the Indian Institute of Corporate Affairs (IICA), for 5 Years.

In the opinion of the Board, Mrs. Ayushi Khaitan (DIN: 10171829) fulfils the conditions for her appointment as an Independent Director, as specified in the Act and SEBI Listing Regulations and is independent of the management.

Mrs. Ayushi Khaitan (DIN: 10171829) possesses the required skills, knowledge, and experience as identified by the Board in the fields of Administration, Marketing, Banking and Finance. She possesses functional & leadership experience in the professional field and her induction on the Board will immensely benefit the Company.

Further, Mrs. Ayushi Khaitan (DIN: 10171829) possesses the integrity, expertise, experience for appointment as an Independent Director and is a person of high integrity and repute.

Considering her expertise and knowledge, the Board considers that the appointment of Mrs. Ayushi Khaitan (DIN: 10171829) as an Independent Director of the Company will be in the interest of the Company, and hence, it recommends appointment of Mrs. Ayushi Khaitan (DIN: 10171829) as an Independent Director of the Company, not liable to retire by rotation, for a term commencing from the date of Board's approval i.e. 01st August, 2026 till 31st July, 2031.

SUPERSHAKTI METALIKS LIMITED

Registered Office : 'Premiata', 39, Shakespeare Sarani, 2nd Floor, Kolkata - 700017, WB, India, Telefax : +91 33 2289 2734/35/36

Mrs. Ayushi Khaitan (DIN: 10171829) shall be paid sitting fees and reimbursement of expenses (if any) for attending the meetings of the Board of Directors or Committees thereof as approved by the Members of the Company and the Board of Directors from time to time.

Accordingly, the Board recommends the resolution as set out at Item No. 5 of this Notice for approval of the Members of the Company as a Special Resolution.

The copy of draft letter of appointment of Mrs. Ayushi Khaitan (DIN: 10171829) setting out the terms and conditions of her appointment is available for inspection at the registered office of the Company during office hours on all working days from the date of dispatch of the Notice till the date of AGM.

Pursuant to Regulation 36(3) of SEBI Listing Regulations and Para 1.2.5 of Secretarial Standard – 2 on General Meetings issued by The Institute of Company Secretaries of India (ICSI), requisite particulars of Mrs. Ayushi Khaitan (DIN: 10171829) including her profile and specific areas of expertise are given in this AGM Notice as "Annexure 1".

Save and except Mrs. Ayushi Khaitan (DIN: 10171829) and her relatives, none of the other Director(s) and Key Managerial Personnel(s) or their relatives, are in any way, concerned or interested, financially or otherwise, in this resolution.

POLICY ON DIRECTOR'S APPOINTMENT AND REMUNERATION

Pursuant to provisions of Section 178 of the Companies Act, 2013 and SEBI (LODR) Regulations, 2015 the Board of Directors of the Company, based on the recommendation of the Nomination and Remuneration Committee, has formulated a Remuneration Policy.

The remuneration policy of the Company, inter alia, includes the aims and objectives, principles of remuneration, guidelines for remuneration/ sitting fees to Executive Directors and Non-Executive Directors, fixed and variable components in the remuneration package, criteria for identification of the Board Members and appointment of senior management.. The Nomination and Remuneration Policy is available on the Company's website www.supershaktimetaliks.com.

CRITERIA FOR IDENTIFICATION OF THE BOARD MEMBERS

- The Board Member shall possess appropriate skills, qualification, characteristics and experience. The objective is to have a Board with diverse background and experience in business, government, academics, technology, human resources, social responsibilities, finance, law etc. and in such other areas as may be considered relevant or desirable to conduct the Company's business in a holistic manner.
- Independent Director shall be person of integrity and possess expertise and experience and/or someone who the Committee/Board believes could contribute to the growth/philosophy/strategy of the Company.
- In evaluating the suitability of individual Board Members, the Committee takes into account many factors, including general understanding of the Company's business dynamics, global business, social perspective, educational and professional background and personal achievements.
- Director should possess high level of personal and professional ethics, integrity and values. He should be able to balance the legitimate interest and concerns of all the Company's stakeholders in arriving at decisions, rather than advancing the interests of a particular section.
- Director must be willing to devote sufficient time and energy in carrying out their duties and responsibilities effectively. He must have the aptitude to critically evaluate management's working as part of a team in an environment of collegiality and trust.
- The Committee evaluates each individual with the objective of having a group that best enables the success of the Company's business and achieves its objectives.

BOARD EVALUATION

In accordance with the provisions of the Companies Act, 2013 ("the Act") and SEBI LODR Regulations, 2015, (SEBI LODR), the annual evaluation process of the individual Directors, the Board and Committees was conducted. The evaluation process inter alia considers attendance of Directors at Board and committee meetings, effectiveness of Board process, acquaintance with business, compliance with code of conduct, vision and strategy, which is in compliance with applicable laws, regulations and guidelines.

The Board evaluated its performance after seeking inputs from all the Directors. The performance of the Committees was evaluated by the Board after seeking inputs from the Committee Members on the basis of criteria such as the composition of Committees, effectiveness of Committee meetings, etc. The above criteria are broadly based on the Guidance Note on Board Evaluation issued by the SEBI. The performance evaluation of the Chairman and the Non-Independent Directors was carried out by Independent Directors. The performance evaluation of the Independent Directors was carried out by the entire Board. The Directors were satisfied with the evaluation results, which reflected the overall engagement of the Board and its Committees with the Company.

The details of the Policy are posted on the website of the Company www.supershaktimetaliks.com

AUDITORS AND AUDITORS REPORT

Statutory Auditor:

M/s Singhi & Co., Chartered Accountants, (ICAI Firm Registration Number: **302049E**) were appointed as the Statutory Auditors of the Company at the Annual General Meeting ("AGM") of the Company held on September 29, 2021, for second term of five consecutive years commencing from conclusion of the 09th AGM upto the conclusion of the 14th AGM to be held in the year 2026. M/s. Singhi & Co. has completed its existing tenure of ten years and gave their valuable input to the Company during their tenure. Further, the Company would like to recommend another Statutory Auditor for the term of five years from the financial year 2026-27. Accordingly, the Board of Directors of the Company at its Meeting held on July 31, 2026, based on the recommendation of the Audit Committee, approved the appointment of **M/s S K Agrawal and Co. Chartered Accountants LLP, Chartered Accountants (ICAI Firm Registration Number: 306033E/ E300272, Peer Reviewed Certificate No.:021382)** as the Statutory Auditors of the Company for the period of five years from the conclusion of this 14th AGM upto the conclusion of the 19th AGM to be held in the year 2031, subject to the approval of the Members of the Company. The Members of the Company may refer to the accompanying Notice of the 14th AGM of the Company. The Statutory Auditor's report for the year ended March 31, 2026 does not contain any qualifications, reservations, or adverse remarks or disclaimer.

Internal Auditor:

The Board, at its Meeting held on 05th August, 2022, has appointed **Mr. Krishna Kumar Gupta (Assistant Manager Audit)** for conducting Internal Audit of the Company for Financial Year 2022-23 and onwards till Financial Year 2025-26.

The Board, at its Meeting held on 11th March, 2026, has appointed **Mr. Asit Agarwalla** for conducting Internal Audit for the Financial Year 2026-27.

The Company's Internal Audit system has been continuously monitored and updated to ensure that assets are safeguarded, established regulations are complied with and pending issues are addressed promptly.

Adequacy of Internal Financial Controls

The Company has in place adequate internal financial controls with reference to financial statements and such internal financial controls are operating effectively. Your Company has adopted policies and procedures for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial disclosures.

The adequacy and effectiveness of the internal financial controls are demonstrated by following the procedures as set out below: -

- i. The internal controls have been designed to provide reasonable assurance with regard to recording and producing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorised use, executing transactions with proper authorisation and ensuring compliance with corporate policies. The Company has a well-

defined delegation of power with authority limits for approving revenue as-well-as expenditure. Processes for formulating and reviewing annual and long-term business plans have been laid down..

- ii. The Audit Committee periodically deliberates on the operations of the Company with the Members of the Management. It also sought the views of the Statutory Auditors, on the internal financial control systems.
- iii. The Audit Committee in consultation with the Internal Auditors formulates the audit plan, scope, functioning and methodology, which are reviewed every year, in a manner that they cover all areas of operation. The Internal Audit covers inter alia, monitoring and evaluating the efficacy and adequacy of internal control systems in the Company, its compliance with operating systems, accounting procedures and policies at all locations and adequacy of insurance coverage of all assets. Periodical Internal Audit Reports are submitted to the Audit Committee, to ensure complete independence, which are then extensively deliberated at every Audit Committee Meeting in the presence of the Internal and External Auditors. Based on the review by the Audit Committee, process owners undertake corrective actions in their respective areas and consider suggestions for improvement. The Internal Auditors have expressed that the internal control system in the Company is robust and effective.
- iv. The Board has also put in place requisite legal compliance framework to ensure compliance of all the applicable laws and that such systems are adequate and operating effectively.
- v. The Company's financial records are maintained on the ERP System which is effective and adequate in line with the size of its operations.

Secretarial Auditor:

Pursuant to the provisions of Section 204 of the Companies Act, 2013 requires every Listed Company to annex to its Board's report, a Secretarial Audit Report, given in the prescribed form, by a Company Secretary in practice. The Company had appointed **M & A Associates**, Kolkata a firm of Peer Reviewed Company Secretaries in Practice bearing Firm unique Code P2019WB076400, as the Secretarial Auditor to conduct Secretarial Audit of the Company for the Financial Year 2025-26 onwards and their Report is annexed to this report **Annexure-3**. There are no qualifications, observations, adverse remark or disclaimer in the said Report.

Cost Auditor:

Pursuant to Section 148 of the Companies Act, 2013 read together with the Companies (Cost Records and Audit) Rules, 2014 as amended from time to time, the Company is required to carry out audit of the cost accounting records of the Company for every Financial Year. The Cost Audit report of your Company for the Financial Year ended 31st March, 2025 was filled on 04th September 2025. The Auditors Report does not contain any qualification, reservation or adverse remark. Cost records as required to be maintained by the Company pursuant to an order of the Central Government are maintained.

The Board of Directors of the Company has on the recommendation of the Audit Committee, approved the appointment of **S Chhaparia & Associates**, Cost Accountants, (Firm Registration No. 101591) Kolkata, for the Financial Year ending 31st March, 2027 the remuneration proposed to be paid to them for the Financial Year 2026-27 requires ratification of the Shareholders of the Company. In view of this, the Board recommends the ratification for payment of remuneration to the Cost Auditor at the ensuing Annual General Meeting.

REPORTING OF FRAUD

During the year under review, the Statutory Auditors, Cost Auditors and Secretarial Auditors have not reported any instances of frauds committed in the Company by its officers or employees to the Audit Committee under Section 143(12) of the Act, details of which need to be mentioned in this Report.

PARTICULARS OF EMPLOYEES

Your Directors place on record their deep appreciation for the contribution made by the Employees of the Company at all levels. FORM NO. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED MARCH 31, 2026

[Pursuant to the Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and pursuant to the Regulation 24A of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015]

To,

The Members,

Supershakti Metaliks Limited

Premlata, 39 Shakespeare Sarani, 2nd Floor

Kolkata – 700017, West Bengal

1. We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices, under the Companies Act, 2013, by **SUPERSHAKTI MET-ALIKS LIMITED** bearing CIN: **L28910WB2012PLC189128** (hereinafter to be referred as “the Company”) for the financial year ended March 31, 2026. The Secretarial Audit was conducted on test check basis, in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.
2. Based on our verification of the Company’s statutory registers, books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, the explanations and clarifications given to us and the representations made by the Management, we hereby report that in our opinion, the Company has during the audit period covering the financial year ended on March 31, 2026, has complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms, and returns filed, and other records made available to us and maintained by the Company for the financial year ended on March 31, 2026, according to the applicable provisions of:

- i. The Companies Act, 2013 (‘the Act’) and the rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings, wherever applicable;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’);

- (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 and amendments from time to time; **(Not Applicable as the Company has not issued any shares during the Financial Year under review);**
- (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 (erstwhile The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; **(Not Applicable as the Company has not issued any equity shares to its existing employees during the Financial Year under review);**
- (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 (erstwhile The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (repealed w.e.f. August 9, 2021); **(Not Applicable as the Company has not issued and listed debt securities during the Financial Year under review);**
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **(Not Applicable as the Company is not registered as Registrar to Issue and Share Transfer Agent during the Financial Year under review);**
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 and the Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; **(Not Applicable to the Company during the Financial Year under review);**
- (h) The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018; **(Not Applicable as the Company has not bought back/ has proposed to buy back any of its securities during the Financial Year under review);**
- (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

vi. Other than fiscal, labour and environmental laws which are generally applicable to all manufacturing/ trading companies, the following laws/acts are also inter alia applicable to the Company:

1. The Air (Prevention & Control of Pollution) Act, 1981 read with Air (Prevention & Control of Pollution) Rules, 1982
2. The Water (Prevention & Control of Pollution) Act, 1974 read with Water (Prevention & Control of Pollution) Rules, 1975;
3. Environment (Protection) Act, 1986 read with the Environment (Protection) Rules, 1986;

4. Factories Act, 1948 & the Central Rules, or Concerned State Rules, made thereunder and allied State Laws
5. The Employees' State Insurance Act, 1948 & its Central Rules/ State Rules.
6. The Minimum Wages Act, 1948 & its Central Rules/ State Rules/ Notification of Minimum Wages applicable to various class of industries/ trade.
7. The Payment of Wages Act, 1936 & its Central Rules/ State Rules if any.
8. The Payment of Bonus Act, 1965 & its Central Rules/ State Rules if any.
9. The Payment of Gratuity Act & its Central Rules/ State Rules if any.
10. The Maternity Benefit Act, 1961 & its Rules.
11. Information Technology Act, 2000 and the rules made thereunder
12. The Indian Copyright Act, 1957
13. The Patents Act, 1970
14. The Trade Marks Act, 1999

4. **We have also examined compliance with the applicable clauses of the following:**

- i. Secretarial Standards issued by The Institute of Company Secretaries of India under Section 118(10) of the Companies Act, 2013 with respect to Board Meeting (SS-1) and General Meeting (SS-2) and to the best of our knowledge, belief and understanding, we are of the view that the Company has complied with the provisions of Section 118(10) of the Companies Act, 2013 during the aforementioned audit period.
- ii. The Listing Agreements entered into by the Company with ~~National Stock Exchange of India Limited (NSE)~~ and Bombay Stock Exchange Limited (BSE) read with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable during the audit period and to the best of our knowledge, belief and understanding, we are of the view that the Company has complied with the secretarial functions and board processes to comply with the applicable provisions thereof, during the aforementioned audit period. **(To the extent applicable to SME listed company).**

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

5. **We further report that**

- a. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors including Independent Woman Director. Changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Following were the changes in the position of the Key Managerial Personnel/Directors during the year:

i) Mr. Dilip Agarwal (DIN: 00343856), who was liable to retire by rotation, was reappointed as the Director of the Company in the Annual General Meeting of the Company held on September 25, 2025.

b. Following were the changes in the Appointment & Re-Appointment of Auditors during the year:

M/s. M&A Associates, A Firm of Company Secretaries, Kolkata, were appointed as the Secretarial Auditors of the Company, for conducting Secretarial Audit of the Company for the Financial Year 2025-26 to 2029-30 in the Board Meeting of the Company held on May 26, 2025, and were approved by the shareholder on 25th September, 2025

i. M/s. S Chhaparia & Associates, Cost Accountants, Kolkata were reappointed as the Cost Auditors of the Company to carry out the Cost Audit of the Company for the Financial Year 2025-26 in the Board Meeting of the Company held on May 26, 2025.

c. Adequate notice was given to all Directors to schedule the Board Meetings and Committee Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, except where consent of directors was received through resolutions by circulations at various point of time. Further, a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

d. None of the directors in any meeting dissented on any resolution and hence there was no instance of recording any dissenting member's view in the minutes.

e. We further report that based on review of compliance mechanism established by the Company and on the basis of the Compliance Certificate(s) issued by the Company Secretary and taken on record by the Board of Directors at their meeting(s), we are of the opinion that the management has adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with all applicable laws, rules, regulations and guidelines.

f. We further report that during the audit period, the Company has not undertaken any specific event/action that can have a major bearing on the Company's compliance responsibility in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc., **except** as follows:

- I. The Company at its Annual General Meeting held on September 25, 2025, declared dividend of INR 0.50/- per fully paid-up equity share of INR 10/- each for the financial year ended March 31, 2025, as the final dividend which was duly credited in the respective shareholders' accounts by October 25, 2025.
- II. The company had participated in the Right Issue offer of Giridhan Metal Private Limited (GMPL) thereby increasing its investment in GMPL and making GMPL its Associate Company.

‘Annexure A’
(To the Secretarial Audit Report of M/s. Supershakti Metaliks Limited
for the financial year ended March 31, 2026)

To,
The Members,
Supershakti Metaliks Limited
Premlata, 39 Shakespeare Sarani, 2nd Floor
Kolkata – 700017, West Bengal

Our Secretarial Audit Report for the financial year ended 31st March 2026 of even date is to be read along with this letter.

Management’s Responsibility

1. It is the responsibility of the Management of the Company to maintain secretarial record, devise proper systems to ensure compliance with the provisions of all applicable laws and regulations and to ensure that the systems are adequate and operate effectively.

Auditor’s Responsibility

2. Our responsibility is to express an opinion on these secretarial records, standards and procedures followed by the Company with respect to secretarial compliances.
3. We have conducted the Audit as per the applicable Auditing Standards issued by the Institute of Company Secretaries of India.
4. We have followed the audit practices and process as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
5. Wherever required, we have obtained the Management Representation about the Compliance of laws, rules and regulations and happening of events etc.
6. The Compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedures on test basis.

Disclaimer

7. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

8. We have not verified the correctness and appropriateness of financial records and books of accounts of the Company.
9. We further report that, based on the information provided by the Company, its officers, authorised representatives during the conduct of the audit and also on the review of quarterly compliance report by the respective departmental heads/Company Secretary/ Director taken on record by the Board of the Company, in our opinion adequate systems and process and control mechanism exist in the Company to monitor compliance with applicable general laws like labour laws & Environment laws.
10. We further report that the compliance by the Company of applicable financial laws like Direct & Indirect tax laws have not been reviewed in this audit since the same has been subject to review by the statutory financial audit and other designated professionals.

Place: Kolkata
Date: 25.05.2026

Annexure-4

The information relating to remuneration of Directors and details of the ratio of the remuneration of each Director to the Median Employees Remuneration and other details as required pursuant to Section 197(12) of the Act read along with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 are as under:

Disclosure Pursuant to Section 197(12) of the Companies Act, 2013 and the Rules made thereunder:

- I. The ratio of the remuneration of Whole-Time Director to the Median Remuneration of the Employees of the Company for the Financial Year: 2.41
- II. The percentage increase in Remuneration of each Director including Whole Time Director 1.62%, Chief Financial Officer (CFO) N.A., Company Secretary: 1.73%
- III. The percentage increase in the Median Remuneration of Employees in the Financial Year is 2.38% (The figure is calculated by comparing Median Remuneration of Financial Year 2025-26 with Median Remuneration of 2024-25). Ratio to the Median Remuneration is calculated on Employees getting remuneration of ₹ 3,00,000 Lakh and above during both the FY.
- IV. The number of permanent Employees on the rolls of Company.
The total number of Employees including Whole-Time Director as on 31st March, 2026 is 434.
- V. Average percentile increase already made in the salaries of Employees other than the Managerial Personnel in the last Financial Year is in line with management policy.
- VI. The Company has a remuneration policy as per provisions of Companies Act, 2013 during the Financial Year 2025-26 and the remuneration is in accordance with such policy.

Employee name	Age	Qualification	Designation	DOJ	Remuneration (₹)*	Experience	Last Employment*	Relation with MGT	Share holding
Mr. Shyam S. Somani	44	B.Com (H) FCA	CFO	01.04.2018	51,54,838	20	Super Smelters Limited	N.A.	Nil

Annexure-5

Management Discussion and Analysis

I. Overview

The objective of this report is to convey the Management's perspective on the external environment and steel industry, as well as strategy, operating and financial performance, material developments in human resources and industrial relations, risks and opportunities and internal control systems and their adequacy in the Company during the F.Y.2025-26. This Report should be read in conjunction with the Company's financial statements, the schedules and notes thereto and other information included elsewhere in the Annual Accounts 2025-26. The Company's financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') complying with the requirements of the Companies Act, 2013, as amended and regulations issued by the Securities and Exchange Board of India ('SEBI') from time to time.

II. Industry Structure and developments

1. Global Economy

In 2025, the global economy grew at an estimated rate of 3.4% despite significant turbulence. The year was marked by record increases in U.S. tariffs and heightened trade policy uncertainty, a raft of trade deals the impact of which is yet to play out, and a surge in AI linked investments. Key factors impacting economic activity included the weaponization of trade, and the ongoing transition towards technology-driven growth, particularly in North America and Asia. Geopolitical risks intensified during the year, with escalating conflict in the Middle East. These developments heightened uncertainty across energy markets and global trade corridors, increasing volatility in commodity prices and disrupting cross-border logistics. These challenges and uncertainties are continuing into F.Y. 2026-27.

Economic Outlook

Global economic growth is projected to slow down with a growth rate of 3.1% in 2026 before recovering to 3.2% in 2027. Advanced economies are expected to grow by 1.8% in 2026, while growth in emerging market and developing economies is projected at 3.9%. Global trade volume growth is projected to reach to 2.8% in 2026 and 3.8% in 2027, reflecting adjustments in trade linkages.

2. Indian Economy

India remained one of the fastest-growing major economies, with a growth rate of 7.5% in FY2025-26. For FY2026-27, real GDP is projected to expand by 6.7%. Headline CPI inflation is projected to rise to the RBI's target of 4% in FY2026-27 from a record low of 2.2% in FY2025-26. Despite this rise, the RBI is expected to maintain current policy with the repo rate settling at 5.0%.

Public capex remains high at over 5% of GDP, focusing on infrastructure and defence. The sustained investment in steel-intensive projects, such as those under the National Infrastructure Pipeline (NIP 2.0), ensures positive steel demand.

Continued blockades at the Strait of Hormuz, shortages of fuel and elevated energy costs are a key risk to the Indian economy. Given its import reliance, India risks a widening current account deficit, pressure on public finances, consequent tightening in fiscal spend, higher than anticipated consumer inflation and eventual demand erosion, if the blockade continues.

3. Global Steel Industry

Steel demand remained subdued across major developed markets, particularly due to prolonged weakness in housing construction in China, Europe, Japan and parts of North America. The automotive sector also experienced uneven momentum amid cost pressures and cautious consumer spending. At the same time, sustained public infrastructure spending across several major economies provided some support to steel demand, partly offsetting weakness in traditional consumption segments. Significant divergence persists across regions. Emerging regions such as parts of ASEAN, MENA and Africa are witnessing renewed

momentum in steel consumption. Meanwhile, elevated excess capacity and high exports from China have intensified competitive pressures in global markets, resulting in rising trade protection measures across geographies. Overall, while medium term demand prospects show early sign of stabilisation, the global steel industry continues to be marked by structural imbalances, trade tensions and uneven regional recovery.

Steel Demand Outlook

Total global crude steel production for 2025 amounted to 1.8 billion tonnes, decreasing by 2.0% year-on-year. Once again, growth in India partially offset losses in other Asian and European countries. India's growth in steel production accelerated, with total crude steel production rising by 10.4% to 165 MT; while the EU contracted 2.6% to 126 MT. According to the World Steel Association, global steel demand in 2025 was at around 1,749 MT, reflecting a balance between continuing structural headwinds and supportive demand drivers. A modest recovery of 1.3% is anticipated in 2026, with demand rising to approximately 1,773 MT, supported by easing financing conditions, resilient public infrastructure spending and a gradual improvement in investment sentiment. The outlook remains shaped by divergent regional trends.

4. Indian Steel Industry

India continues to be a global leader in steel demand growth, with consumption expected to grow at a healthy rate of 7-8% in FY2026-27. Apparent Steel Use is projected to reach 176-178 MT in FY2026-27, driven by the National Infrastructure Pipeline and emerging segments like data centres, defence, and renewable energy. Government commitment remains strong, with public infrastructure spending remaining robust. While production is expected to outpace demand growth due to massive capacity, India is transitioning toward becoming a sizeable net exporter. This growth trajectory is underpinned by several powerful domestic factors like Infrastructure Investment, Urbanisation, Manufacturing Expansion.

III. SWOT Analysis

Strengths	Weaknesses	Threats	Opportunities
• High availability of coal and iron ore, and other minerals • Skilled manpower and low per unit labour cost • Growing infrastructure demands and growth of the industry	• High cost of capital • Low labour productivity • High input costs and social expenses	• More Competitors • Technological advancement • Switch from aluminium and plastics	• Low per capita consumption • Expanding rural market • Governments initiatives and affordable entry to overseas

IV. Government Policies

Steel is a de-regulated sector, Government acts as a facilitator, by creating conclusive policy environment for development of the steel sector. The Government of India has notified National Steel Policy, 2017 which envisages development of a technologically advanced and globally competitive steel industry that provides environment for attaining self-sufficiency in steel production by providing policy support and guidance to steel producers. National Steel Policy covers all aspects of the steel sector such as steel demand, steel capacity, raw material security, infrastructure and logistics, Research & Development (R&D) and energy efficiency.

Production Linked Incentive (PLI) Scheme: The third round of the Production-Linked Incentive (PLI) Scheme for Specialty Steel (PLI 1.2) was launched on 4 November 2025 to attract fresh investments in advanced and emerging categories such as super alloys, CRGO steel, stainless steel (long and flat products), titanium alloys, etc.

Steel Quality Control Order (QCO): Ministry of Steel has introduced Steel Quality Control Order

(QCO) thereby banning sub-standard/ defective steel products both from domestic & imports to ensure the availability of quality steel to the industry, users and public at large. As per the Order, it is ensured that only quality steel conforming to the relevant BIS standards are made available to the end users. Suspension of 55 standards from Quality Control Order (QCO) Order date 20/11/2025: Ministry of Steel, after consultations with the Bureau of Indian Standards (BIS) and has issued the Steel and Steel Products (Quality Control) Amendment Order, 2025, thereby adopting a calibrated approach and suspending QCO enforcement for 55 standards (42 standards for three years and 13 standards relating to specialty steel under PLI 1.2 for one year). The remaining standards have been retained on grounds of unfair trade practices, national security, adequate domestic capacity, and the need to protect small steel producers.

Research & Development (R&D): The Ministry of Steel is operating an R&D Scheme viz. "Promotion of Research & Development in Iron & Steel Sector". Through this scheme, Ministry is providing financial assistance for Research & Development (R&D) by supporting collaborative projects with academic institutions, research laboratories, and steel companies to address technological challenges in the iron and steel sector. The thrust areas for providing financial assistance under the R&D Scheme, are development of new alternate processes & technologies to address the burning issues faced by the Iron & Steel Sector such as climate change (low emission steel production, H2 based iron & steel production, CCUS etc.), waste utilization, energy & resource efficiency etc.

V. Threats

Global Scenario involving Russia -Ukraine war, With rising tensions in south China Sea, slowdown in US Economy and European markets may impact demand and results in supply chain disruptions.

VI. Segment-Wise Performance

Our Companies main products are Billets, Wire Rods and HB Wire. Billets are mainly used as intermediary products and our products basically caters to the B2B segment and has good market for its products.

VII. Risk and Concerns

Risk is a crucial aspect of all businesses and must be managed to minimize its impact. The Company has identified, estimated and controlled risks across all its business verticals and activities, such as operations, finance and HR, leveraging its knowledge of the industry trends, competitors and policies. However, there are unpredictable challenges that may affect the industry's performance, such as inflation, liquidity crunch, slower industrial growth, depreciating rupee, political instability and volatile commodity prices. Despite the Company's risk mitigation measures, these challenges can still have an impact. During FY 2025-26, the Company focused on value chain excellence, operational excellence, customer centricity, sustainable initiatives, employee engagement, synergy and integration and digital to sustain the most critical situation during the pandemic. The Company's priority is to implement long-term initiatives to manage liquidity robustly and optimize working capital while considering all risk parameters.

VIII. Financial and Operational Performance

Your Company has achieved total revenue ₹ 71,279.74 Lakhs as compared to ₹ 74,466.30 Lakhs in the previous year, but the EBITDA margins took a hit due to subdued demand & lower realization of finished goods post March 2026 realizations have significantly improved and your Company expect to generate better margins going forward.

Some of the Financial Indicators are:

Indicator's	Ratio
-------------	-------

Trade Receivable Turnover Ratio	140.75
Current Ratio	3.80
Debt Equity Ratio	0.00
Net Profit Ratio	1.22
Return on Equity Ratio	3.13
Inventory Turnover Ratio	28.43

IX. Internal Control Systems and their Adequacy

The Company's Board of Directors operates an extensive system of internal control. It includes the organization's plans and policies to ensure orderly and efficient business conduct. The Board has also set-up appropriate processes to monitor the relevant external and internal risks. The Company follows a well-defined model of internal control system to deal efficiently and effectively with all the five components of Internal Control System, namely:

- Risk assessment.
- Control environment.
- Control activities.
- Information and communication.
- Monitoring the activities of the different levels of the organization.

The Company's internal audit is carried out effectively, leading to an independent and systematic assessment of its data, records and performances and so on with a pre-determined objective. It has the potential to be one of the most influential and value-added services available to the Board. It emphasizes on:

- Operational effectiveness and efficiency.
- Resource protection.
- Reliability of internal and external reporting.
- Compliance with applicable laws, regulations and internal policies.

Internal audit works as a catalyst for improving an organization's effectiveness, thus providing insight and recommendations based on analysis and assessments of data and business processes. With its commitment to integrity and accountability, internal audit provides value to governing bodies and senior management as an objective source of independent advice.

The organization promotes independent examination of its plans and the policies, subject to the overall control environment supervision by the Board Level Audit Committee. This leads to accountability and transparency of operations and promotes independent examination. During the year, the Company focused on encouraging independent decision making, documentation of shortcomings of the various processes and departments and correction of the work processes. It is supplemented by well-documented policies, guidelines, procedures and regular reviews, which are carried out by the Independent Chartered Accountant to conduct internal audit. The reports containing significant audit findings if any are submitted to the Company's management and its Audit Committee.

X. Human Resource

The Company values its human resources as its most important asset and focuses on their training, development and wellbeing in the workplace. The Management believes that business cannot expand without utilizing the potential of its workforce. As of 31st March, 2026 the Company had 434 employees and it maintains a positive relationship with its staff. The safety of employees is of great importance to the Company and it ensures that safe work practices are followed. The Board of Directors and the Management acknowledge the contributions of all employees towards the growth of the Company.

Cautionary Statement

This statement made in this section describes the Company's objectives, projections, expectation and estimations which may be 'forward looking statements' within the meaning of applicable securities laws and regulations. Forward- looking statements are based on certain assumptions and expectations of future events. The Company cannot guarantee that these assumptions and expectations are accurate or will be realized by the Company. Actual result could differ materially from those expressed in the statement or implied due to the influence of external factors which are beyond the control of the Company. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements on the basis of any subsequent developments.

ANNEXURE-6

Form AOC-1

(Pursuant to first proviso to sub-section (3) of section 129 read with rule 5 of Companies (Accounts) Rules, 2014)

Statement containing salient features of the financial statement of subsidiaries or associate companies or joint ventures.

Part A – Subsidiaries

(Information in respect of each subsidiary to be presented with amounts in Rs.)

Sl. No.	Particulars	Name of the Subsidiary
1.	The date since when subsidiary was acquired	Not Applicable as Company does not have any Subsidiary Company till date.
2.	Reporting period for the subsidiary concerned, if different from the holding company's reporting period.	
3.	Reporting currency and Exchange rate as on the last date of the relevant Financial year in the case of foreign subsidiaries.	
4.	Share capital	
5.	Reserves and surplus	
6.	Total assets	
7.	Total Liabilities	
8.	Investments	
9.	Turnover	
10.	Profit before taxation	
11.	Provision for taxation	
12.	Profit after taxation	
13.	Proposed Dividend	
14.	Extent of shareholding (in percentage)	

Notes: The following information shall be furnished at the end of the statement:

- Names of subsidiaries which are yet to commence operations
- Names of subsidiaries which have been liquidated or sold during the year.

Part B – Associates and Joint Ventures

Statement pursuant to Section 129 (3) of the Companies Act, 2013 related to Associate Companies and Joint Ventures:

(₹ in Lakh)

Name of Associate	Giridhan Metal Private Limited
1. Latest audited Balance Sheet Date	31 st March, 2026
2. Date on which the Associate or Joint Venture was associated or acquired	22-03-2025
3. Shares of Associate or Joint Ventures held by the company on the year end	
(a) No. of Shares held	34,00,000
(b) Amount of Investment in Associate/Joint Venture (At Cost)	5839.12
(c) Extent of holding %	21.05%
4. Description of how there is significant influence	Controls more than 20% of the total share capital and has significant influence over operational and financial decision-making
5. Reason why the associate/joint venture is not consolidated	It is Consolidated
6. Net worth attributable to shareholding as per latest audited Balance Sheet	21507.00
7. Profit or Loss for the year	
i. Considered in Consolidation	1914.22
ii. Not Considered in Consolidation	N.A.

Notes:

- Names of associates or joint ventures which are yet to commence operations- N.A
- Names of associates or joint ventures which have been liquidated or sold during the year- N.A

INDEPENDENT AUDITOR'S REPORT

To the Members of Supershakti Metaliks Limited

Report on the Audit of the Standalone Financial Statements

OPINION

1. We have audited the accompanying standalone financial statements of **Supershakti Metaliks Limited** ("the Company"), which comprise the standalone balance sheet as at March 31, 2026, the standalone Statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules 2015, as amended (Ind AS) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

3. We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SAs"), specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the standalone financial statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

KEY AUDIT MATTERS

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report:

Sl.No.	Key Audit Matter	Auditor's Response
1.	Valuation of Inventory Refer to Note 15 to the standalone financial statements. As described in the accounting policies in Note 3.5 to the standalone financial statements, inventories are carried at lower of cost or net realizable value. As a result, the management applies judgment in determining the appropriate provisions for obsolete stock based upon a detailed analysis of old inventory, net realizable value below cost based upon future plans for sale of inventory. The total amount of Inventory as on the reporting date stood at Rs. 1,550.42 lakhs. We determined this to be a matter of significance to our audit due to quantum of the amount, estimation involved.	We have obtained assurance over the appropriateness of the management's assumptions applied in calculating the value of the inventories and related provisions by: - Conducting a walkthrough of the inventory valuation process and assessed the design and implementation of the key controls addressing the risk; - Verifying for a sample of individual products that costs have been correctly recorded. - Comparing the net realizable value to the cost price of inventories to check for completeness of the associated provision, if any. - Reviewing the historical accuracy of inventory provisioning and the level of inventory write-offs during the year, if any. - Re-computing provisions recorded to verify that they are in line with the Company policy. - Also, we have reviewed the inventory valuation calculations and compared the cost with the subsequent realization value to confirm whether item is required to be shown at cost or net realizable value. Based on the above procedures performed, we concluded that measurement and valuation of the inventory at year end is appropriate.

INFORMATION OTHER THAN THE STANDALONE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's Annual report, but does not include the standalone financial statements and our auditor's report thereon. The above-referred information is expected to be made available to us after the date of this audit report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions necessitated by the circumstances and the applicable laws and regulations.

RESPONSIBILITIES OF MANAGEMENT AND BOARD OF DIRECTORS FOR THE STANDALONE FINANCIAL STATEMENTS

6. The Company's Management and the Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the standalone financial statements, the Management and the Board of Directors of the Company are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Management and Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

8. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls in place with reference to the standalone financial statements and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
 - Conclude on the appropriateness of the Management's and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

14. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
15. As required by Section 143(3) of the Act, based on our audit, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 15(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);
 - (c) The standalone Balance Sheet, the standalone Statement of Profit and Loss (including Other Comprehensive Income), the standalone Statement of Changes in Equity and the standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time;
 - (e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act;
 - (f) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 15(b) above on reporting under section 143(3)(b) of the Act and paragraph 15(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);
 - (g) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B";

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirement of section 197(16) of the Act. In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/ provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.
- (i) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations as on March 31, 2026, on its financial position in its standalone financial statements- Refer Note 39 to the standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts as on March 31, 2026 for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.
 - iv. (a) The management has represented to us that, to the best of its knowledge and belief, no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries;

(b) The management has represented to us that, to the best of its knowledge and belief, no funds (which are material either individually or in aggregate) have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

(c) Based on our audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under paragraph 15(i) (iv)(a) and (b) above, contain any material misstatement.
 - v. The dividend paid by the Company during the year in respect of the same declared for the previous year, is in accordance with section 123 of the Act to the extent it applies to payment of dividend.

b. As stated in Note 19(e) to the standalone financial statements; the Board of Directors of the Company have proposed dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend proposed is in accordance with section 123 of the Act, as applicable.
 - vi. Based on our examination, which included test checks, the Company has used accounting software including Payroll accounting software for maintaining its books of accounts for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the accounting software except in respect of Accounting software, where the audit trail feature was not enabled at the database level as described in Note 52 to the standalone financial statements.

Further, during the course of our audit, we did not come across any instances of audit trail features being tampered with, where such functionality was enabled and logs were maintained.

Additionally, the audit trail has been preserved by the company as per the statutory requirements for the record retention to the extent it was enabled and recorded in the respective years.

ANNEXURE-A TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 14 under 'Report on Other Legal and Regulatory Requirements' section of the Independent Auditor's Report of even date to the Members of Supershakti Metaliks Limited on the standalone financial statements as of and for the year ended March 31, 2026, we report that:

- i. In respect of its Property, Plant and Equipment:
 - a. (i) The Company is maintaining proper records showing full particulars including quantitative details and situation of the Property, Plant and Equipment.

(ii) The Company is maintaining proper records showing full particulars of intangibles assets.
 - b. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of all Property, Plant & Equipment, over a period of one year which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - c. According to the information and explanations given, and on the basis of our examination of the records of the Company, the title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) as disclosed in the standalone financial statements are held in the name of the Company.
 - d. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) during the year.
 - e. Based on the information and explanations furnished to us, no proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder.
- ii. In the respect of matters specified in clause (ii) of paragraph 3 of the Order:
 - a. The inventory, except goods-in-transit, has been physically verified by the management, along with independent party, during the year. For goods-in-transit subsequent evidence of receipts has been linked with inventory records. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate for each class of inventory.
 - b. During the year, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets. The Company has filed quarterly returns or statements with such banks, which are not in agreement with the books of account. However, such differences between the amounts disclosed to the banks and those as per the books of accounts as given in the table below have been reconciled. (Also refer Note 42 to the standalone financial statements).

Name of bank / Financial Institution	Quarter ended	Aggregate working capital limit sanctioned (Rs. in lakhs)	Nature of current Assets / Liabilities	Amount as per books of account (Rs. in lakhs)	Amount as reported in the quarterly return/ statement (Rs. in lakhs)	Amount of difference (Rs. in lakhs)	Reason for Material difference

Figures mention in quarterly return/ statement represents the details taken from books of accounts dated March 25, 2026.

Note 1: Impact of sales reversal/ adjustments arising out of provision for debit and credit notes/ expected credit loss provision/ debtors beyond 120 days not considered in returns/ statements submitted to the banks.

Note 2: Adjustments pertaining to cut offs, goods in transit, overhead allocation on work-in-progress and finished goods, etc. are done only on finalization of books of accounts/standalone financial statements. Same has not been considered in returns/statements submitted to the banks.

Note 3: Impact of provision for operational expenses not considered in returns/statements submitted to the banks.

iii. In the respect of matters specified in clause (iii) of paragraphs 3 of the Order:

- a. The Company has made investments during the year in mutual funds, Alternate Investment Funds (AIFs) and through Portfolio Management Services (PMS). Based on the information and explanations provided to us and on our examination of the books and records of the Company, the Company has not granted any secured loans, unsecured loans or advances in the nature of loans to any company, firm, limited liability partnership or other party during the year, except for unsecured loans granted to its associate companies and a related party. Further, the Company has not provided any security in connection with loans to any company, firm, limited liability partnership or other party during the year. However, the Company has provided a guarantee in favour of an associate company. The aggregate amount of loans granted during the year and the balance outstanding as at the balance sheet date in respect of such loans and guarantee provided are as follows:

Particulars	Guarantee (Rs. in Lakhs)	Loans (Rs. in Lakhs)
<u>Aggregate amount granted during the year:</u>		
Associate	NIL	2,900.00
Others (Related Party)	NIL	1,250.00
<u>Balance outstanding as at Balance Sheet date in respect of above cases:</u>		
Associate	4,930.06	NIL
Others (Related Party)	NIL	NIL

- b. According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion, the terms and conditions under which such loans were granted are, prima facie, not prejudicial to the Company's interest.
- c. In our opinion and according to the information and explanation given to us, in respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are generally been regular as per stipulation.
- d. In respect of the aforesaid loans given by the company, there is no amount which is overdue for more than ninety days.
- e. No loan or advance in the nature of loan granted by the Company which had fallen due during the year, has been renewed or extended or fresh loans granted to settle the over dues of existing loans given to the same parties.
- f. The Company has not granted loan or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) of the Order is not applicable to the company.
- iv. In our opinion, the Company has complied with the provisions of Sections 186 of the Act, in respect of the investments made and loans and guarantees given by it. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 of the Act. Therefore, the reporting under clause 3(iv) of the Order to that extent is not applicable to the Company.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits from the public within the meaning of Sections 73 to 76 of the Act read with the Companies (Acceptance of Deposits) Rules, 2014 (as amended), during the year. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.

- vi. We have broadly reviewed the cost records maintained by the company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub section (1) of section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and on the basis of our examination of the records of the company, the Company is generally regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Goods & Services Tax, Duty of Customs, Duty of Excise, Cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed dues as above were outstanding as at March 31, 2026 for a period of more than six months from the date they became payable.
- (b) Details of Statutory dues referred to in clause (a) above that have not been deposited on account of any dispute are given below:

Name of Statute	Nature of Dues	Amount (in Rs in lakhs)	Period to which it relates (FY)	Forum where dispute is pending
The Central Excise Act, 1944	Excise Duty	2,641.83	2005-06 to 2014-15	The Central Excise & Service Tax Appellate Tribunal
The Central Goods & Services Tax, 2017	Goods and Service Tax	1,397.82	2017-18	Superintendent, CGST & Central Excise
The Central Goods & Services Tax, 2017	Goods and Service Tax	241.49	2016-17	Commissioner
The Central Excise Act, 1944	Excise Duty	1,576.04	2013-14 to 2017-18	Assistant Commissioner
The Central Goods & Services Tax, 2017	Goods and Service Tax	2,115.47	2018-19 to 2019-20	Superintendent, CGST & Central Excise
The Central Goods & Services Tax, 2017	Goods and Service Tax	44.57	2020-21 to 2022-23	Superintendent, CGST & Central Excise
Income Tax Act, 1961	Income Tax	1.30	2018-19	CIT (Appeals)
Income Tax Act, 1961	Income Tax	5.11	2020-21	CIT (Appeals)

- viii. According to the information and explanations given to us, the Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 (43 of 1961) as income during the year.
- ix. a. According to the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- b. According to the information and explanations given to us and on the basis of our audit procedures, the Company has not been declared willful defaulter by any bank or financial institution or government or government authority.
- c. The Company has not raised any term loans outstanding during the year hence, the requirement to report on the clause 3(ix)(c) of the order is not applicable to the company.
- d. According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company as at year end i.e., March 31, 2026, we report that no funds raised on short-term basis have been used for long-term purposes by the company.

- e. According to the information and explanations given to us and on an overall examination of the standalone financial statements the Company has not taken any funds from any entity or person on account of or to meet the obligations of its associate.
- f. According to the information and explanations given to us and procedures performed by us, we report the Company has not raised loans during the year on the pledge of securities held in its associate.
- x. a. The company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the requirement to report under clause 3(x)(a) of the Order is not applicable to the company.
- b. According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debenture (fully, partly or optionally) during the year and hence requirement of reporting under clause 3(x)(b) of the Order is not applicable to Company.
- xi. a. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit, nor have we been informed of any such case by the management
- b. According to the information and explanations given to us, during the year, no report under sub section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- c. As represented to us by the management, there are no whistle blower complaints received by the company during the year.
- xii. In our opinion and according to the information and explanation provided to us, the company is not a Nidhi Company, therefore, the requirement of reporting under clause 3(xii)(a), (b) & (c) of the Order is not applicable.
- xiii. In our opinion and according to the information and explanations given by the management, all transactions during the year with the related parties are in compliance with section 177 and 188 of the Act, where applicable and the details have been disclosed in the standalone financial statements, as required by the applicable accounting standards.
- xiv. a. In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
- b. We have considered, the internal audit reports of the Company issued till date of the Audit Report, for the period under audit.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. Accordingly, the requirement to report under clause 3(xv) of the Order is not applicable to the company.
- xvi. a. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934). Accordingly, the requirement of reporting under clause 3(xvi)(a) of the Order is not applicable to the company.
- b. The Company has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement of reporting under clause 3(xvi) (b) of the Order is not applicable to the Company.
- c. The Company is not a Core Investment Company (CIC) as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi)(c) of the Order is not applicable to the Company.
- d. As represented by the management, the Group has more than one Core Investment Company (CIC) as part of the Group as per the definition of Group contained in the Reserve Bank of India (Core Investment Companies) Directions, 2025. There are 3 CICs forming part of the Group.

- xvii. According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not incurred any cash losses during the current financial year 2025-26 or immediately preceding financial year 2024-25.
- xviii. There has been no resignation of the statutory auditors during the year. Accordingly, the requirement to report on clause 3(xviii) of the Order is not applicable to the company.
- xix. On the basis of the financial ratios disclosed in Note. 49 to the standalone financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there are no unspent CSR amounts for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, the requirement to report under clause 3(xx)(a) & (b) of the Order is not applicable for the year.
- xxi. The reporting under Clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 15(g) under 'Report on Other Legal and Regulatory Requirements' section of the Independent Auditor's Report of even date to the members of Supershakti Metaliks Limited on the standalone financial statements as of and for the year ended March 31, 2026)

Report on the Internal Financial Controls with reference to standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls with reference to standalone financial statements of Supershakti Metaliks Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

2. The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITOR'S RESPONSIBILITY

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to standalone financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO STANDALONE FINANCIAL STATEMENTS

6. A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO STANDALONE FINANCIAL STATEMENTS

7. Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as on March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Balance with Banks		720.30		-
Total		729.42		8.60

Notes :

(a) 'The above Cash Flow Statements has been prepared under the "Indirect Method" as set out in the Indian Accounting Standard (IND AS) -7 Statement of Cash Flow .

(b) Amendment to Ind AS 7

The amendments to Ind AS 7 Cash Flow Statements requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financial activities, including both changes arising from cash flows and non-cash charges, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosures requirement. This amendment has become effective from 1st April, 2017 and the required disclosure is made below. There is no other impact on the financial statements due to this amendment.

Reconciliation between the opening and closing balances for liabilities arising from financing activities :-

Dated: 25th May 2026

1. CORPORATE AND GENERAL INFORMATION

Supershakti Metaliks Limited (the Company), was incorporated in India in the year 2012. The Company is domiciled in India, and has its registered office at 39, Shakespeare Sarani, Premlata Building, 2nd Floor, Kolkata-700 017.

The Company is a Public Limited Company incorporated as per the provision of Companies Act applicable in India.

The Company is engaged in business of Iron and steel manufacturing and allied activities. The Company is having its integrated steel plant at Durgapur, West Bengal. The shares of the Company are listed on Bombay Stock Exchange, SME Platform.

These Standalone financial statements have been approved by the Board of Directors of the Company in their meeting held on 25th May, 2026.

2. BASIS OF ACCOUNTING**2.1 Statement of Compliance**

The Standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, read with Section 133 of the Companies Act, 2013 ("the Act") and presentation requirements of Division II of Schedule III of the Act and other relevant provisions of the Act as applicable. The Company has uniformly applied the Accounting Policy during the period presented.

For all the periods up to, and including 31st March, 2021, the company had prepared its Financial Statements in accordance with Generally Accepted Accounting Principles (GAAP) in India, which includes, Accounting Standards prescribed under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies Act, 2013 (collectively referred to as "Indian GAAP"). The Company followed the provisions of IND AS 101 in preparing its opening IND AS Balance Sheet as of the date of transition, 1st April, 2020.

2.2 Basis of Preparation

The Standalone financial statements are prepared on a historical cost basis except for the following assets and liabilities which have been measured at fair value:

- certain financial assets and liabilities which are classified as fair value through Statement of profit and loss or fair value through other comprehensive income;
- defined benefit plans and plan assets.

2.3 Functional and Presentation Currency

The Standalone Financial Statements have been presented in Indian National Rupees (INR), which is the Company's functional currency.

2.4 Use of Estimates and Accounting Judgements

The preparation of Standalone financial statements requires management to make judgements, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgements based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Any revision to such estimates is recognised in the period in which the same is determined.

2.5 Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle or
- Held primarily for the purpose of trading or
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months.

All other assets are classified as non-current

A liability is current when:

- It is expected to be settled in normal operating cycle or
- It is held primarily for the purpose of trading or
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

2.6 Recent Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025.

The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

- (a) Ministry of Corporate Affairs ("MCA") has notified amendments to the existing standards Ind AS 1 – Presentation of financial statements relating to classification of liabilities as current or non-current subject to covenants, Ind AS 12 – Income Taxes relating to international tax reforms – Pillar Two Model Rules, Ind AS 21 – the effect of changes in foreign exchange rates and Ind AS 107 – Financial Instruments: Disclosures and Ind AS 7 – Statement of Cashflows relating to disclosure of supplier financing arrangements, applicable from April 1, 2025.

The Company has assessed that there is no significant impact on its standalone financial statements with respect to the amendments made in above respective Ind AS.

3. MATERIAL ACCOUNTING POLICIES

A summary of the material accounting policies applied in the preparation of the Standalone financial statements are as given below. These accounting policies have been applied consistently to all the periods presented in the financial statements.

3.1 Property, Plant and Equipment**3.1.1 Recognition and Measurement****Tangible Assets**

Property, plant and equipment held for use in the production or/and supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost, less any subsequent accumulated depreciation and impairment losses. The initial cost at cash price equivalence of property, plant and equipment acquired comprises its purchase price, including import duties and non-refundable purchase taxes, any directly attributable costs of bringing the assets to its working condition and location and present value of any obligatory decommissioning costs for its intended use, if any.

In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, allocation of overheads, directly attributable borrowing costs including trial run expenses (net of revenue).

Any material Spares having useful life of more than one year are capitalised under the respective heads as and when available for use.

Profit or loss arising on the disposal of property, plant and equipment is recognised in the Statement of Profit and Loss.

3.1.2 Subsequent Cost

Subsequent expenditure is recognised as an increase in the carrying amount of the asset or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits derived from the cost incurred will flow to the Company and the cost of the item can be measured reliably. The carrying amount of replaced item(s) is derecognised.

Any material repairs of property, plant and equipment are recognised in the carrying amount of the item if it is probable that the future economic benefits of the costs incurred will flow to the Company. The carrying amount of the replaced item(s) is derecognised.

3.1.3 Capital Work-in-Progress

Capital work-in-progress is stated at cost which includes expenses incurred during construction period, interest on amount borrowed for acquisition of qualifying assets and other expenses incurred in connection with project implementation in so far as such expenses relate to the period prior to the commencement of commercial production.

3.1.4 Depreciation and Amortisation

Depreciation on tangible assets is provided on straight line method, considering residual value of 5% of the cost of the asset, over the useful lives of the assets, as specified in Schedule II of the Companies Act, 2013 except in case of Plant and Machinery and components thereof, where useful life is determined by technical experts. The useful life assumed by the technical experts is as under:

Asset category	Estimated useful life (in years)
Factory Building & Shed	30 - 60
Plant & Machinery	5 - 30
Furniture & Fixture	10
Vehicles	8 - 10
Office Equipments & Computers	3 - 6

For these classes of assets, based on technical evaluation carried out by external technical experts, the Company believes that the useful lives as given above best represent the period over which Company expects to use these assets. Hence, the useful lives for these assets are different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

The estimated useful lives and residual values of depreciable/amortisable assets are reviewed at each year end, with the effect of any changes in estimate accounted for on a prospective basis.

Where the historical cost of a depreciable asset undergoes a change, the depreciation on the revised unamortised depreciable amount is provided over the residual useful life of the asset. Depreciation on addition/deletion during the year is provided on pro-rata basis with reference to the month of addition/deletion. Assets costing up to ₹ 0.05 Lakhs are fully depreciated after retaining five percent residual value of acquisition cost of asset in the year in which they are put to use.

Depreciation on capital spares is provided over the useful life of the spare or remaining useful life of the mother asset, as reassessed, whichever is lower.

3.1.5 Derecognition

The carrying amount of an item of Property Plant and Equipment is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the derecognition of an item of PPE is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognised in the Statement of Profit and Loss when the item is derecognised.

3.2 Intangible assets**3.2.1 Recognition and measurement**

Intangible assets are stated at cost less accumulated amortization. Cost includes directly attributable expenditure for making the assets for its intended use.

3.2.2 Subsequent Cost

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognised in the Statement of Profit and Loss.

3.3 Impairment of Non-Financial Assets

The Company reviews the carrying amount of its assets on each Balance Sheet date for the purpose of ascertaining impairment indicators if any, by considering assets of entire Plant as Cash Generating Unit (CGU). If any such indication exists, the assets' recoverable amount is estimated, as higher of the Net Selling Price and the Value in Use. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss.

3.4 Borrowing costs

Borrowing Costs consists of interest and other costs that an entity incurs in connection with the borrowings of funds. Borrowing costs also includes exchange difference to the extent regarded as an adjustment to the borrowing costs. Borrowing costs directly attributable to the acquisition or construction of a qualifying asset are capitalized as a part of the cost of that asset that necessarily takes a substantial period of time to complete and prepare the asset for its intended use or sale. The Company considers a period of twelve months or more as a substantial period of time. Transaction costs in respect of long term borrowing are amortized over the tenure of respective loans using Effective Interest Rate (EIR) method. All other borrowing costs are recognized in the statement of profit and loss in the period in which they are incurred.

If any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalisation rate on general borrowings.

3.5 Inventories

Inventories of stores and spare parts are valued at or below cost after providing for cost of obsolescence and other anticipated losses wherever considered necessary.

Cost of inventory comprises all costs of purchase, non-refundable duties and taxes, cost of conversion including an appropriate share of fixed and variable production overheads and all other costs incurred in bringing the inventory to their present location and condition.

Inventories of items other than those stated above are valued at cost or net realizable value whichever is lower.

Cost in respect of:

a) Raw Materials, Consumables, Stores & Spares and Traded Goods are computed under weighted average basis.

b) Work-in-Progress and Finished Goods are computed under weighted average basis.

c) By- Products are valued at net realisable value.

Net Realizable Value is the estimated selling price in the ordinary course less the estimated cost of completion and the estimated costs necessary to make the sale.

Materials and other supplies held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

The Company considers factors like estimated shelf life, ageing of inventory etc in determining the provision for slow moving, obsolete and other non-saleable inventory and adjusts the inventory provisions to reflect the recoverable value of inventory.

3.6 Government Grants

Government grants are recognised when there is reasonable assurance that the Company will comply with the conditions attaching to them and that the grants will be received.

Government grants are recognised in Statement of Profit and Loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate. Where the Grant relates to an asset value, it is recognised as deferred income, and amortised over the expected useful life of the asset. Other grants are recognised in the statement of Profit & Loss concurrent to the expenses to which such grants relate/ are intended to cover.

Where the Company receives non-monetary grants, the asset and the grant are recorded gross at fair amounts and released to the income statement over the expected useful life and pattern of consumption of the benefit of the underlying asset.

3.7 Foreign Currency Transactions

Foreign Currency Transactions are translated into the functional currency using the spot rates of exchanges at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rate of exchanges at the reporting date.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities are generally recognised in profit or loss in the year in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those qualifying assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings, the balance is presented in the Statement of Profit and Loss within finance costs.

Non monetary items are not retranslated at period end and are measured at historical cost (translated using the exchange rate at the transaction date).

3.8 Employee Benefits**Short Term Benefits**

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as the related services are provided. Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period.

Other Long Term Employee Benefits

The liabilities for leave encashment that are not expected to be settled wholly within twelve months are measured as the present value of the expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation.

Remeasurement as the result of experience adjustment and changes in actuarial assumptions are recognized in statement of profit and loss.

Post Employment Benefits

The Company operates the following post employment schemes:

— Defined Benefit Plans

The liability or asset recognized in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods.

The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The liability recognized for defined benefit plans is the present value of the defined benefit obligation at the reporting date less the fair value of plan assets, together with adjustments for unrecognized actuarial gains or losses and past service costs. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. The benefits are discounted using the government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation.

Remeasurement of the net defined benefit obligation, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling, are recognized in other comprehensive income. Remeasurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

— Defined Contribution Plan

Defined contribution plans such as provident fund etc. are charged to the statement of profit and loss as and when incurred. Contribution to Superannuation fund, a defined contribution plan is made in accordance with the company's policy and is recognised in the Statement of profit and loss.

3.9 Leases

The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

1. the contract involves the use of an identified asset
2. the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
3. the Company has the right to direct the use of the asset.

Company as a lessee

The Company assesses whether a contract is or contains a lease, at inception of the contract.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases), variable lease and low value leases. For these short-term, variable lease and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Right-of-use assets

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment. Refer to the accounting policies in Note 3.3 Impairment of non-financial assets.

Extension and termination options are included in many of the leases. In determining the lease term the management considers all facts and circumstances that create an economic incentive to exercise an extension option, or not exercise a termination option.

Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

Lease hold Land for 60 years

Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. Lease payments included in the measurement of the lease liability comprise:

- Fixed lease payments (including in-substance fixed payments) payable during the lease term and under reasonably certain extension options, less any lease incentives;
- Variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date;
- The amount expected to be payable by the lessee under residual value guarantees;
- The exercise price of purchase options, if the lessee is reasonably certain to exercise the options; and
- Payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease.

The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases.

After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is re-measured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment of whether it will exercise an extension or a termination option.

Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows. Lease liabilities have been classified as current and non current under the head financial liabilities. The Company has used a single discount rate to a portfolio of leases with similar characteristics.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of Property, Plant & Equipment (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

On transition to IND AS dated April 1, 2020, the adoption of new standard resulted in recognition of Right-of-Use asset (ROU) of ₹ 137.57 lakh, being leasehold land recognised as ROU Assets transferred from property, plant & equipment.

On application of Ind AS 116, the nature of expenses has changed from lease rent in previous periods to depreciation cost for the right-to-use asset, and finance cost for interest accrued on lease liability.

Others

The following is the summary of practical expedients elected on initial application:

- (a) Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.
- (b) Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application, variable lease and low value asset.
- (c) Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.
- (d) The effective interest rate for lease liabilities is 8.5% p.a.

3.10 Provisions, Contingent Liabilities and Contingent Assets**Provisions and Contingent Liabilities**

A Provision is recognised when the Company has present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are discounted to their present value, where the time value of money is material.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as a separate asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liability is a possible obligation arising from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events but is not recognised because it is not possible that an outflow of resources embodying economic benefit will be required to settle the obligations or reliable estimate of the amount of the obligations cannot be made. The Company discloses the existence of contingent liabilities in Other Notes to Financial Statements.

In cases where the possible outflow of economic resources as a result of present obligation is considered improbable or remote, no Provision is recognised or disclosure is made.

Contingent Assets

Contingent assets usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits. Contingent Assets are not recognised though are disclosed, where an inflow of economic benefits is probable.

3.11 Equity and Reserves

Share Capital represents the nominal value of shares that have been issued. Securities premium includes any premium received on issue of Share Capital.

Other components of equity include the following:

- Re-measurement of defined benefit liability comprises the actuarial gain or loss from changes in demographic and financial assumptions and return on plan assets.
- Change in fair value of investment in equity instrument designated as Fair Value through Other Comprehensive Income (FVTOCI).
- General Reserve is created mainly on the account of amalgamation.
- Retained earnings include all current and prior period retained profits.

3.12 Financial Instruments

A Standalone financial instrument is a contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Recognition, initial measurement and de-recognition:

Financial assets and financial liabilities are recognised and are measured initially at fair value adjusted by transactions costs, except for those financial assets which are classified at Fair Value through Profit & Loss (FVTPL) at inception.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognized when it is extinguished, discharged, cancelled or expires.

Classification and subsequent measurement of financial assets:

For the purpose of subsequent measurement, financial assets are classified into the following categories upon initial recognition:

- amortised cost
- financial assets at fair value through profit or loss (FVTPL)
- financial assets at fair value through other comprehensive income (FVOCI)

All financial assets except for those at FVTPL are subject to review for impairment at least at each reporting date.

Amortised cost

A financial asset is measured at amortised cost using effective interest rates if both of the following conditions are met:

- a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at FVTPL

Financial assets at FVTPL include financial assets that are either do not meet the criteria for amortised cost classification or that are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. All derivative financial instruments also fall into this category. Assets in this category are measured at fair value with gains or losses recognized in profit or loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

Financial assets at FVOCI

FVOCI financial assets are either debt instruments that are managed under hold to collect and sell business model or are non-trading equity instruments that are irrevocable designated to this category at inception.

FVOCI financial assets are measured at fair value. Gains and losses are recognized in other comprehensive income, except for interest and dividend income, impairment losses and foreign exchange differences on monetary assets, which are recognized in statement of profit or loss.

Classification and subsequent measurement of financial liabilities:

Financial liabilities are measured subsequently at amortized cost using the effective interest method, except for financial liabilities held for trading or designated at FVTPL, that are carried subsequently at fair value with gains or losses recognized in profit or loss. All derivative financial instruments are accounted for at FVTPL.

Embedded Derivatives

Derivatives embedded in non-derivative host contracts are treated as separate derivatives when they meet the definition of a derivative, their risks and characteristics are not closely related to those of the host contracts and the contracts are not measured at FVTPL.

Impairment of Financial Assets

In accordance with IndAS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss for financial assets.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive.

Trade Receivables

The Company applies approach as specified in Indian Accounting Standards (Ind AS) 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of receivables.

Other Financial Assets

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition.

Financial guarantee contracts

Financial guarantee contracts are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified party fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized as a financial liability at the time the guarantee is issued at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of expected loss allowance determined as per impairment requirements of Ind AS 109 'Financial Instruments' and the amount recognized less cumulative amortization.

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty.

3.13 Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

3.14 Income Taxes

Income Tax comprises current and deferred tax. It is recognized in The Statement of Profit and Loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income.

3.15.1 Current Tax

Current tax liabilities (or assets) for the current and prior periods are measured at the amount expected to be paid to (recovered from) the taxation authorities using the tax rates (and tax laws) that have been enacted or substantively enacted, at the end of the reporting period.

3.15.2 Deferred Tax

Deferred Tax assets and liabilities shall be measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes (i.e., tax base). Deferred tax is also recognized for carry forward of unused tax losses and the unused tax credits.

Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period. The Company reduces the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit or part or that entire deferred tax asset to be utilized. Any such reduction is reversed to the extent that it becomes probable that sufficient taxable profit will be available.

Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized either in other comprehensive income or in equity. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

3.16 Investment

i) Investments which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. The portion of long-term term investments expected to be realized within twelve months after the reporting date are disclosed under current investments.

ii) On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees & duties.

iii) Long-Term Investments designated as equity instrument being non trading in nature are measured at Fair Value through Other Comprehensive Income (FVTOCI).

iv) Short Term Investments being classified as current / non current investment designated as equity instrument / Debt instrument being trading in nature are measured at Fair Value through Profit & Loss (FVTPL).

v) Investments in Mutual Fund

Investments in mutual fund units are recognized initially at fair value. Subsequent to initial recognition, such investments are measured at Fair Value Through Profit or Loss (FVTPL) in accordance with the requirements of Ind AS 109.

The investments are classified as current or non-current based on the Company's intention and expected period of realization. Changes in the fair value of investments, including realized gains or losses on redemption and unrealized gains or losses arising from fair value remeasurement at the reporting date, are recognized in the Statement of Profit and Loss in the period in which they arise.

vi) Investments in Gold

Gold held as a long-term investment is recognized initially at cost, including directly attributable acquisition costs. Subsequent measurement is based on the classification of the asset under the applicable Ind AS. Physical gold that does not meet the definition of a financial asset is generally measured at cost less impairment, unless another Ind AS requires measurement at fair value. The asset is classified as a non-current asset when the Company intends to hold it for more than twelve months from the reporting date. The carrying amount is reviewed at each reporting date for indicators of impairment and, where necessary, impairment losses are recognized in accordance with the applicable Ind AS.

vii) Investments in associate

An associate is an entity over which the Company is in a position to exercise significant influence over operating and financial policies. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not control or joint control over those policies. Goodwill arising on the acquisition of associates is included in the carrying value of investments in associates. The Company's investments in its associate is accounted for using the equity method. Under the equity method, the investment in an associate is initially recognised at cost.

The Company's Investments in its associate is recognised at cost less impairment loss (if any). Upon loss of significant influence over the associate, the Company measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate upon loss of significant influence and the fair value of the retained investment and or proceeds from disposal is recognised in profit or loss.

3.17 Revenue Recognition

The Company is primarily engaged in the manufacturing of Iron & Steel products and generate revenue from the sale of the product.

Revenue from sale of product is recognised at the point in time when control of the goods is transferred to the customer, generally on delivery of the product.

At contract inception, the Company assess the goods promised in a contract with a customer and identifies as a performance obligation of each promise to transfer to the customer. Revenue from contracts with customers is recognized when control of goods is transferred to customers and the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold.

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration and excluding taxes or duties collected on behalf of the Government.

a) Sale of Goods

Sale of goods is recognised at the point in time when control of the goods is transferred to the customer. The revenue is measured on the basis of the consideration defined in the contract with a customer, including variable consideration, such as discounts, volume rebates, or other contractual reductions. As the period between the date on which the Company transfers the promised goods to the customer and the date on which the customer pays for these goods is generally one year or less, no financing components are taken into account.

Certain contracts provide a customer with a right to return the goods within a specified period. The company uses the expected value method to estimate the goods that will not be returned because this method best predicts the amount of variable consideration to which the company will be entitled. The requirements in Ind AS 115 on constraining estimates of variable consideration are also applied in order to determine the amount of variable consideration that can be included in the transaction price for goods that are expected to be returned instead of revenue the Company recognises a refund liability. A right of return asset and corresponding adjustment to change in inventory is also recognised for the right to recover products from a customer.

b) Other Operating Revenue

Export incentive and subsidies are recognised when there is reasonable assurance that the Company will comply with the conditions and the incentive will be received. Insurance & other claims, where quantum of accruals cannot be ascertained with reasonable certainty are recognised as income only when revenue is virtually certain which generally coincides with receipt/acceptance.

c) Interest Income

For all financial instruments measured at amortised cost, Interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset.

Contract Balances**Contract assets**

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. Contract liabilities are recognised as revenue when the Company performs obligations under the contract.

3.18 Earnings Per Share

Basic Earnings Per Share (EPS) is computed by dividing the net profit or loss for the year attributable to Equity Shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss for the year attributable to Equity Shareholders by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, except where the result are anti-dilutive.

3.19 Cash Flow Statement

Cash Flow Statement presents the Cash Flows by operating, investing and financing activities of the Company. Cash and Cash equivalents presented in the Cash Flow Statement consist of cash on hand, cash at bank, and short - term investments with an original maturity of three months or less.

3.20 Proposed Dividend

Dividend recommended/declared after the Balance Sheet Date but before the Financial Statements are approved by Shareholders in the General Meeting are not recognized as a liability at the Balance Sheet Date because no obligation exists at the Balance Sheet Date. Such Dividend is disclosed in the Notes.

3.21 Events after reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the Financial Statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

3.22 Measurement of Fair Values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

In the principal market for the asset or liability, or

In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2- Inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3- Inputs which are unobservable inputs for the asset or liability.

External valuers are involved for valuation of significant assets & liabilities. Involvement of external valuers is decided by the management of the company considering the requirements of Ind AS and selection criteria include market knowledge, reputation, independence and whether professional standards are maintained.

4. KEY ACCOUNTING ESTIMATES AND JUDGEMENTS

Information about Significant judgements and Key sources of estimation made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the following notes:

Depreciation / Amortization and Impairment on Property, Plant and Equipment / Intangible Assets:

Property, plant and equipment and intangible assets are depreciated/ amortized on straight-line /written down value basis over the estimated useful lives (or lease term if shorter) in accordance with Schedule II of the Companies Act, 2013, taking into account the estimated residual value, wherever applicable.

The company reviews its carrying value of its Tangible and Intangible Assets whenever there is objective evidence that the assets are impaired. In such situation assets recoverable amount is estimated which is higher than assets or cash generating units (CGU), fair value less cost of disposal and its value in use. In assessing value in use the estimated future cash flows are discounted using pre-tax discount rate which reflect the current assessment of time value of money. In determining fair value less cost of disposal, recent market realisations are considered or otherwise in absence of such transactions appropriate valuations are adopted. The Company reviews the estimated useful lives of the assets regularly in order to determine the amount of depreciation / amortization and amount of impairment expense to be recorded during any reporting period. This reassessment may result in change estimated in future periods.

Income taxes :

Significant judgment is required in determination of taxability of certain income and deductibility of certain expenses during the estimation of the provision for income taxes.

Recognition of Deferred Tax Assets :

The extent to which deferred tax assets can be recognised is based on a assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits.

Defined Benefit Obligation (DBO) :

Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, medical cost trends, anticipation of future salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate. However, any changes in these assumptions may have a material impact on the resulting calculations.

Provisions and Contingencies :

The assessments undertaken in recognising provisions and contingencies have been made in accordance with Indian Accounting Standards (Ind AS) 37 , 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events is applied best judgement by management regarding the probability of exposure to potential loss.

Impairment of Financial Assets :

The Company reviews its carrying value of investments carried at amortized cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.

Allowances for Doubtful Debts :

The Company makes allowances for doubtful debts through appropriate estimations of irrecoverable amount. The identification of doubtful debts requires use of judgement and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

Fair value measurement of Financial Instruments :

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The input to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

Right-of-use assets and lease liability :

The Company has exercised judgement in determining the lease term as the non-cancellable term of the lease, together with the impact of options to extend or terminate the lease if it is reasonably certain to be exercised. Where the rate implicit in the lease is not readily available, an incremental borrowing rate is applied. This incremental borrowing rate reflects the rate of interest that the lessee would have to pay to borrow over a similar term, with a similar security, the funds necessary to obtain an asset of a similar nature and value to the right-of-use asset in a similar economic environment. Determination of the incremental borrowing rate requires estimation.

	Less: Allowance for credit losses	-	41.51					
	Total	317.84	684.08					
16.1	In determining allowance for credit losses of trade receivables, the Company has used the practical expedient by computing the expected credit loss allowance based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on ageing of the receivables and rates used in the provision matrix.							
16.2	The Company considers its maximum exposure to credit risk with respect to customers as at March 31, 2026 to be ₹ 317.84 lakhs (March 31, 2025: ₹ 684.08 lakhs), which is the carrying value of trade receivables after allowance for credit losses. The Company's exposure to customers is diversified and only two customer contributes more than 10% of the outstanding receivables for an amount ₹. 102.06 lakhs as at March 31, 2026. (₹ 443.56 lakhs as at March 31, 2025)							
16.3	Trade Receivables are generally on terms of 0 to 90 days credit period.							
16.4	No trade or other receivables are due from Directors or other officers of the Company either severally or jointly with any other person.							
	For trade receivable outstanding, the ageing schedule is given below: As at March 31, 2025

	Nature and purpose of other reserves		
a)	Securities premium reserve Securities premium reserve represents premium received on issue of shares. The reserve is utilised in accordance with the provisions of the Companies Act.		
b)	General Reserve Under the erstwhile Indian Companies Act 1956, a general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. Consequent to introduction of Companies Act 2013, the requirement of mandatory transfer of a specified percentage of the net profit to general reserve has been withdrawn. General Reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.		
c)	Retained Earnings Retained Earnings are created from the profit / loss of the company, as adjusted for distributors to owners, transfer to other reserves etc.		
d)	Equity investment through Other Comprehensive Income The Company has elected to recognise changes in the fair value of certain investments in equity instruments in Other Comprehensive Income. These changes are accumulated within the "Equity investment through Other Comprehensive Income" reserve within equity. The Company transfers amounts from this reserve to Retained Earnings when the relevant equity shares are derecognised.

Notes.				
(i) Deferred tax assets and deferred tax liabilities have been offset wherever the company has a legally enforceable right to set off current tax assets against current tax liabilities and where the deferred tax assets and deferred tax liabilities relate to income tax levied by the same taxation authority.				
(ii) The Finance Act, 2024 introduced amendments to the long-term capital gains (LTCG) tax regime. The applicable tax rate changed from 20% with indexation to 12.5% without indexation, which resulted in a further reversal of net deferred tax liability of ₹484.43 lakhs in previous financial year 2024-2025.				
(iii) During the previous financial year 2024-2025, investment has been reclassified as an investment in associates due to an increase in the holding of equity shares (Refer Note No. 9).

# Figures mention in quarterly return/ statement represents the details taken from books of accounts dated 25th March, 2026 and P.Y. 25th March 2025.							
Notes							
Note 1: Impact of sales reversal/ adjustments arising out of provision for debit and credit notes/ expected credit loss provision/ debtors beyond 120 days not considered in returns/ statements submitted to the banks.							
Note 2: Adjustments pertaining to cut offs, goods in transit, overhead allocation on work-in-progress and finished goods, etc. are done only on finalisation of books of accounts/financial statements. Same has not been considered in returns/statements submitted to the banks.							
Note 3: Impact of provision for operational expenses not considered in returns/statements submitted to the banks.							

43 Disclosure pursuant to Indian Accounting Standard - 19 'Employee Benefits' as notified u/s 133 of the Companies Act, 2013.**a) Defined Contribution Plan**

₹ in Lakhs

The amount recognized as an expense for the Defined Contribution Plans are as under:

Particulars	For the year ended 31 March, 2026	For the year ended 31 March, 2025
Employer's Contribution to Provident Fund	48.36	48.85
Employer's Contribution to Employees' State Insurance Corporation	15.02	16.36

b) Defined Benefit Plan

The following are the types of defined benefit plans:

(i) Gratuity Plan

Every employee who has completed five years or more of service is entitled to gratuity on terms not less favourable than the provisions of the Payment of Gratuity Act, 1972. The present value of defined obligation and related current cost are measured using the Projected Unit Credit Method with actuarial valuation being carried out at Balance Sheet date.

(ii) Provident Fund

Provident Fund (other than government administered) as per the provisions of the Employees Provident Funds and Miscellaneous Provisions Act, 1952.

(iii) Leave obligations

The Obligation for Leave encashment is determined and recognised in the same manner as gratuity.

c) Risk Exposure

Through its defined benefit plans, the company is exposed to a number of risks, the most significant of which are detailed below:

a) Interest rate risk: The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements).

b) Salary escalation risk: The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

c) Demographic risk: The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

d) Liquidity Risk: This is the risk that the Company is not able to meet the short-term gratuity pay-outs. This may arise due to non availability of enough cash/ cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

e) Regulatory Risk: Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (e.g. Increase in the maximum limit on gratuity of ₹ 20 Lakhs).

f) Asset Liability Mismatching or Market Risk: The duration of the liability is longer compared to duration of assets, exposing the Company to market risk for volatilities/fall in interest rate.

g) Investment Risk: The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

d) Details of Defined Benefit Obligations :

₹ in Lakhs

The following table shows a reconciliation from the opening balances to the closing balances for the net defined benefit Obligations:

Particulars	Gratuity (Funded)		Gratuity (Unfunded)		Leave Encashment	
	2025-26	2024-25	2025-26	2024-25	2025-26	2024-25
Balance at the beginning of the year	178.19	178.64	83.14	63.45	12.46	9.17
Current Service Cost	9.57	8.44	14.98	12.69	4.38	3.33
Interest Expense or Cost	12.76	12.85	6.58	4.56	0.84	0.66
Re-measurement (or Actuarial) (gain) / loss arising from:						
Changes in demographic assumptions	-	-	-	-	-	-
Changes in financial assumptions	(8.90)	5.82	(8.55)	4.59	(0.77)	0.57
Experience variance (i.e. Actual experience vs assumptions)	(27.08)	(27.56)	10.44	21.46	0.22	(1.04)

Benefits Paid	-	-	(23.87)	(23.61)	(3.10)	(0.23)
Balance at the end of the year	212.66	178.19	123.17	83.14	14.03	12.46

e) Change in Plan Assets:

The following table shows a reconciliation from the opening balances to the closing balances for the Plan Assets and its components:

Particulars	Gratuity (Funded)	
	2025-26	2024-25
Balance at the beginning of the year	1.03	0.96
Investment Income	0.07	0.07
Benefits Paid	-	-
Return on plan assets, excluding amount recognised in net interest expense	0.01	-
Balance at the end of the year	1.11	1.03

f) Reconciliation of Fair Value of Assets & Obligation - Net Defined Benefit Assets / (Liability) recognised in financial statements:

Particulars	Gratuity (Funded)		Gratuity (Unfunded)		Leave Encashment	
	2025-26	2024-25	2025-26	2024-25	2025-26	2024-25
Present value of Defined Benefit Obligation	212.66	178.19	123.17	83.14	14.03	12.46
Fair Value of Plan Assets	1.11	1.03	-	-	-	-
Surplus / (Deficit)	(211.55)	(177.16)	(123.17)	(83.14)	(14.03)	(12.46)
Effects of Assets Ceiling, if any	-	-	-	-	-	-
Net Assets/ (Liability) recognised in the Balance Sheet	(211.55)	(177.16)	(123.17)	(83.14)	(14.03)	(12.46)

g) Expenses recognized in profit or loss

Particulars	Gratuity (Funded)		Gratuity (Unfunded)		Leave Encashment	
	2025-26	2024-25	2025-26	2024-25	2025-26	2024-25
Current Service Cost	9.57	8.44	14.98	12.69	4.38	3.33
Past Service Cost	48.12	-	40.45	-	-	-
Net Interest Cost / (Income) on the Net Defined Benefit Liability / (Asset)	12.69	12.78	6.58	4.56	0.84	0.66
Re-measurement (or Actuarial) (gain) / loss arising from:						
Changes in demographic assumptions	-	-	-	-	-	-
Changes in financial assumptions	-	-	-	-	(0.77)	0.57
Experience variance (i.e. Actual experience vs assumptions)	-	-	-	-	0.22	(1.04)
Total	70.38	21.22	62.01	17.25	4.67	3.52

h) Remeasurements recognized in other comprehensive income

₹ in Lakhs

Particulars	Gratuity (Funded)		Gratuity (Unfunded)	
	2025-26	2024-25	2025-26	2024-25
Remeasurements:				
(Gain)/loss from change in demographic assumptions	-	-	-	-
(Gain)/loss from change in financial assumptions	(8.90)	5.82	(8.55)	4.59
Experience variance (i.e. Actual Experience vs assumptions)	(27.08)	(27.56)	10.44	21.46
Return on plan assets, excluding amount recognised in net interest expense	(0.01)	-	-	-
Components of defined benefit costs recognised in other comprehensive income	(35.99)	(21.74)	1.89	26.05

Major Categories of Plan Assets

Particulars	Gratuity (Funded)	
	2025-26	2024-25
Insurer Managed Funds	100%	100%

(i) The Gratuity Scheme is invested in a Group Gratuity - Cum - Life Assurance Cash accumulation policy offered by Life Insurance Corporation (LIC) of India. The information on the allocation of the fund into major asset classes and expected return on each major class are not readily available. The expected rate of return on plan assets is based on the assumed rate of return provided by the company.

(i) Asset Liability Matching Strategies

The Company has purchased insurance policy, which is basically a year-on-year cash accumulation plan in which the interest rate is declared on yearly basis and is guaranteed for a period of one year. The insurance Company, as part of the policy rules, makes payment of all gratuity outgoes happening during the year (subject to sufficiency of funds under the policy). The policy, thus, mitigates the liquidity risk. However, being a cash accumulation plan, the duration of assets is shorter compared to the duration of liabilities. Thus, the Company is exposed to movement in interest rate (in particular, the significant fall in interest rates, which should result in a increase in liability without corresponding increase in the asset). The scheme is managed on unfunded basis.

j) Actuarial Assumptions

Particulars	Gratuity (Funded)		Gratuity (Unfunded)		Leave Encashment (Unfunded)	
	2025-26	2024-25	2025-26	2024-25	2025-26	2024-25
Financial Assumptions						
Discount Rate (per annum)	7.40%	6.75%	7.40%	6.75%	7.40%	6.75%
Salary Escalation Rate (per annum)	7.80%	7.80%	7.80%	7.80%	7.00%	7.00%
Demographic Assumptions						
Mortality Rate	100% of IALM 2012-2014	100% of IALM 2012-2014	100% of IALM 2012-2014	100% of IALM 2012-2014	100% of IALM 2012-2014	100% of IALM 2012-2014
Normal retirement age	58 Years	58 Years	58 Years	58 Years	58 Years	58 Years
Attrition / Withdrawal Rates						
Upto 44 years	2.00%	2.00%	2.00%	2.00%	2.00%	2.00%
Above 44 years	1.00%	1.00%	1.00%	1.00%	1.00%	1.00%

k) The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion, past experience and other relevant factors such as supply and demand in the employment market.

l) Maturity Analysis

The distribution of the timing of benefits payment i.e., the maturity analysis of the benefit payments is as follows:

Expected cash flows over the next (Valued on undiscounted basis):	Gratuity (Funded)		Gratuity (Unfunded)		Leave Encashment (Unfunded)	
	2025-26	2024-25	2025-26	2024-25	2025-26	2024-25
1 Year	32.87	27.24	8.77	6.21	2.50	1.70
2 to 5 Years	69.94	47.37	17.75	9.95	2.34	1.09
6 to 10 Years	135.94	99.17	49.81	29.41	6.25	5.76
More than 10 Years	139.91	141.25	276.01	185.83	18.33	20.36
Weighted average duration of defined benefit obligation (based on discounted cashflows)	7 years	7 years	12 years	13 years	8 years	12 years

m) Sensitivity Analysis

The sensitivity analysis below have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period. Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

Gratuity (Funded)

Variable	Sensitivity Level	Effect on Defined Benefit Obligations			
		Gratuity (Funded)		Leave Encashment (Unfunded)	
		31 March, 2026	31 March, 2025	31 March, 2026	31 March, 2025
		Increase	Decrease	Increase	Decrease
Discount Rate	+/- 1%	198.98	227.89	165.75	192.15
Salary Escalation Rate	+/- 1%	227.69	198.91	191.87	165.76
Attrition rate	+/- 50%	212.56	212.78	177.83	178.57
Mortality rate	+/- 10%	212.66	212.68	178.16	178.22

Gratuity (Unfunded)

45 Financial Instrument by Category

This section gives an overview of the significance of financial instruments for the Company and provides additional information on balance sheet items that contain financial instruments.

The details of significant accounting policies, including the criteria for recognition, basis of measurement and the basis on which income and expenses are recognised in respect of each class of financial asset, financial liability and equity instrument are disclosed in note 3.12 to the financial statements.

i) Fair Valuation of Financial Assets and Financial Liabilities

The following table presents carrying amount and fair value of each category of financial assets and liabilities as at March 31, 2026 ; March 31, 2025

₹ in Lakh

Particulars	31st March, 2026			31st March, 2025		
	Fair Value through Profit & loss	Fair Value through OCI	Amortised Cost	Fair Value through Profit & loss	Fair Value through OCI	Amortised Cost
Financial Assets						
'Equity Investment in Unquoted share	-	-	-	-	-	-
Mutual Funds	3,122.76	-	-	-	-	-
Portfolio Management Services	1,470.87	-	-	-	-	-

Cash and Cash Equivalents	-	-	729.42	-	-	8.60
Other Bank Balances	-	-	396.74	-	-	515.16
Loans	-	-	-	-	-	10,193.77
Other Financial Assets	-	-	198.06	-	-	52.93
Total Financial Assets	7,192.25	-	1,642.06	-	-	11,454.54
Financial Liabilities						
Borrowings	-	-	3.20	-	-	1,924.12
Trade Payables	-	-	1,324.17	-	-	3,170.21
Other Financial Liabilities	-	-	166.47	8.22	-	220.16
Total Financial Liabilities	-	-	1,493.84	8.22	-	5,314.49

The following is the comparison by class of the carrying amounts and fair value of the Company's financial instruments that are measured at Amortized cost:

Particulars	31st March, 2026		31st March, 2025	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial Assets				
Trade Receivables	317.84	317.84	684.08	684.08
Cash and Cash Equivalents	729.42	729.42	8.60	8.60
Other Bank Balances	396.74	396.74	515.16	515.16
Loans	-	-	10,193.77	10,193.77
Other Financial Assets	198.06	198.06	52.93	52.93
Total Financial Assets	1,642.06	1,642.06	11,454.54	11,454.54
Financial Liabilities				
Borrowings	3.20	3.20	1,924.12	1,924.12
Trade Payables	1,324.17	1,324.17	3,170.21	3,170.21
Other Financial Liabilities	166.47	166.47	220.16	220.16
Total Financial Liabilities	1,493.84	1,493.84	5,314.49	5,314.49

The management has assessed that the fair values of cash and cash equivalents, trade receivables, other financial assets, trade payables, short term borrowings, and other current financial liabilities approximates their carrying amounts largely due to the short-term maturities of these instruments. The management has assessed that the fair value of floating rate instruments approximates their carrying value.

(ii) Fair value measurement

The fair values of financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent with all previous reporting year.

46 Fair Value Hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the IND AS. An explanation of each level follows below.

Quoted prices in an active market (Level 1):

This level of hierarchy includes financial instruments that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. This category consists of mutual fund investments.

Valuation techniques with observable inputs (Level 2):

This level of hierarchy includes financial instruments, measured using inputs other than quoted prices included within Level 1 that are observable for the instruments, either directly (i.e., as prices) or indirectly (i.e., derived from prices) and rely as little as possible on entity specific estimates. If all significant inputs required to fair value or instrument are observable, the instrument is included in Level 2.

Valuation techniques with significant unobservable inputs (Level 3):

This level of hierarchy includes financial instruments measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. This category consists of investment in unquoted equity instrument.

46.1 The following methods and assumptions were used to estimate the fair values:

The fair values for loans, security deposits were calculated based on cash flows discounted using a current lending rate. They are classified as Level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risks, which has been assessed to be insignificant.

The fair values of non-current borrowings are based on the discounted cash flows using a current borrowing rate. They are classified as Level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including own credit risks, which was assessed as on the balance sheet date to be insignificant.

46.1.1 Assets and Liabilities measured at Fair Value - recurring fair value measurements

As at 31st March 2026 and 31st March 2025

Particulars	31st March, 2026			31st March, 2025		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
Financial Assets						
Investment in Equity Instruments	-	-	-	-	-	-
Investment in Mutual Fund	3,122.76	-	-	-	-	-
Portfolio Management Services	1,470.87	-	-	-	-	-
Alternative Investment Fund	-	-	2,598.62	-	-	-

Other Financial Liabilities	-	-	166.47	-	-	220.16
Total Financial Liabilities	-	-	1,493.84	-	-	5,314.49

Notes:

(i) Management uses its best judgment in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of all the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of the financial instruments subsequent to the respective reporting dates may be different from the amounts reported at each year end.

(ii) The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period. There have been no transfers between Level 1, Level 2 and Level 3 from March 31, 2025 to March 31, 2026.

(iii) Reconciliation of level 3 fair value measurement is as below:

Particulars	As at March 31, 2026	As at March 31, 2025
Balance at the beginning of the year	-	-
Additions during the year	2,586.81	-
Fair value changes during the year	11.81	-
Balance at the end of the year	2,598.62	-

47 Financial Risk Management

The Company has a Risk Management Policy which covers risk associated with the financial assets and liabilities. The Risk Management Policy is approved by the director. The different types of risk impacting the fair value of financial instruments are as below:

47.1 Credit Risk

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks.

Financial instruments that are subject to concentrations of credit risk, principally consist of investments, trade receivables and balances with banks. None of the financial instruments of the Company result in material concentrations of credit risks.

Trade receivables

Trade receivables are typically unsecured, considered good and are derived from revenue earned from customers. Customer credit risk is managed as per Company's policy and procedures which involve credit approvals, establishing credit limits and continually monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. Outstanding customer receivables are regularly monitored. Refer below for the credit risks arising out of outstanding trade receivables.

As at 31st March, 2026								₹ in Lakh

Reconciliation of loss allowance provision	Trade Receivable
Loss allowance on 1 April, 2025	41.51
Changes in loss allowance	(41.51)
Loss allowance on 31 March, 2026	-

47.2 Liquidity Risk

Liquidity risk refers to the risk that the Company may not meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements.

The Company has obtained fund and non-fund based working capital lines from various banks. The Company invests its surplus funds in bank fixed deposit and in liquid schemes of mutual funds, which carry no/low market risk.

(i) Maturity Analysis for financial liabilities

The table below provides details regarding the contractual maturities of financial liabilities including estimated interest payments, if any as at March 31, 2026 and March 31, 2025

The following are the remaining contractual maturities of financial liabilities as at 31st March, 2026						₹ in Lakh
Particulars	Carrying Amount	Contractual cash flows	Less than 1 year	Between 1 - 5 years	More than 5 years	
Borrowings	3.20	3.20	3.20	-	-	
Trade Payables	1,324.17	1,324.17	1,324.17	-	-	
Other Financial Liabilities	166.47	166.47	166.47	-	-	
Total	1,493.84	1,493.84	1,493.84	-	-	

The following are the remaining contractual maturities of financial liabilities as at 31st March, 2025						₹ in Lakh
Particulars	Carrying Amount	Contractual cash flows	Less than 1 year	Between 1 - 5 years	More than 5 years	
Borrowings	1,924.12	1,924.12	1,922.89	1.23	-	
Trade Payables	3,170.21	3,170.21	3,170.21	-	-	
Other Financial Liabilities	220.16	220.16	220.16	-	-	
Total	5,314.49	5,314.49	5,313.26	1.23	-	

- (ii) The Company has certain undrawn credit facilities which can be accessed as and when required; such credit facilities are reviewed at regular intervals. Thus, no liquidity risk is perceived at present.

The Company has access to following financing facilities which were undrawn as at the end of the year:

Undrawn financing facility	As at March 31, 2026	As at March 31, 2025
Secured working capital facilities:		
Amount used	3.20	1,722.89
Amount unused	1,677.39	577.58

Secured working facilities has been compared based on drawing power of the previous month of the respective reporting date

- (iii) The amounts are gross and undiscounted, and include contractual interest payments and exclude the impact of netting agreements (if any). The interest payments on variable interest rate loans in the tables above reflect market forward interest rates at the respective reporting dates and these amounts may change as market interest rates change. The future cash flows on derivative instruments may be different from the amount in the above tables as exchange rates change. Except for these financial liabilities, it is not expected that cash flows included in the maturity analysis could occur significantly earlier, or at significantly different amounts. When the amount payable is not fixed, the amount disclosed has been determined with reference to conditions existing at the reporting date.

47.3 Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises four type of risks: Commodity Price Risk, Foreign Exchange Risk, Interest Rate Risk and Other Price Risk. Future specific market movements cannot be normally predicted with reasonable accuracy.

Commodity Price Risk

The Company primarily imports Coal, Scrap, Manganese Ore and Copper Mould Tube. It is exposed to commodity price risk arising out of movement in prices of such commodities. Such risks are monitored by tracking of the prices and are managed by entering into fixed price contracts, where considered necessary.

Price Risk

The Company's exposure to equity securities price risk arises from investments held by the Company and classified in the balance sheet either at fair value through profit and loss. Having regard to the nature of securities, intrinsic worth, intent and long term nature of securities held by the Company, fluctuation in their prices are considered acceptable and do not warrant any management.

₹ in Lakhs

Exposure to other market price risk

Particulars	As at 31st March 2026	As at 31st March 2025
Investment in Mutual Funds	3,122.76	-
Investment in Portfolio Management Services	1,470.87	-
Investments in Alternate Investment Fund	2,598.62	-
	7,192.25	-

Sensitivity

The table below summarizes the impact of increases/decreases of the market prices of the Company's investment:

₹ in Lakhs

Particulars	31st March, 2026				31st March, 2025			
	Sensitivity Analysis	Impact On		Sensitivity Analysis	Impact On			
		Profit before tax	Impact on Other Equity		Profit before tax	Impact on Other Equity		
Increased by 5%	5%	359.61	272.67	5%	-	-		
Decreased by 5%	5%	(359.61)	(272.67)	5%	-	-		

Foreign Currency Exchange Rate Risk

Foreign Currency risk is the risk that fair value of the future cash flows of a financial instrument will fluctuate because of changes in the foreign exchange rates. The company undertake transactions in foreign currencies, consequently, exposures to exchange rate fluctuations arise. Any weakening of the functional currency may impact the Company's cost of imports. The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks. Exchange rate exposure are managed with in approved policy parameters utilizing foreign exchange forward contracts. The Company, as per its risk management policy, uses such forward contract derivative instruments primarily to hedge foreign exchange fluctuations.

a) Exposure to currency risk

The Company's exposure to foreign currency risk at the end of the reporting period are as follows:

i) Unhedge Foreign Currency Exposure

₹ in Lakhs

Particulars	31st March, 2026		31st March, 2025	
	USD	INR	USD	INR
Financial Assets (A)				
Other Receivables	-	-	-	-
Financial Liabilities (B)				
Import Creditors	-	-	1.95	166.97
Net Exposure in foreign currency (B-A)	-	-	1.95	166.97

ii) Hedge Foreign Currency Exposure

₹ in Lakhs

Particulars	31st March, 2026		31st March, 2025	
	USD	INR	USD	INR
Derivative Assets (A)				
Trade Receivable	-	-	1.23	105.23
Other Receivables	-	-	-	-
Derivative Liabilities (B)				
Import SBLC/Suppliers Credit	-	-	14.74	1,261.53
Interest on Import SBLC/Suppliers Credit	-	-	0.25	21.19
Net Exposure in foreign currency (B-A)	-	-	13.76	1,177.49

III Derivative Financial Instruments and Risk Management

The Company has entered into variety of foreign currency forward contracts to manage its exposure to fluctuations in foreign exchange rates. These financial exposures are managed in accordance with the Company's risk management policies and procedures.

The Company uses forward exchange contracts to hedge its exposures in foreign currency arising from firm commitments and highly probable forecast transactions. Forward exchange contracts that were outstanding on respective reporting dates are as follows:

₹ in Lakhs

Currency	Cross Currency	31st March, 2026					
		Buy			Sell		
		In USD	In EURO	In INR	In USD	In EURO	In INR
US Dollar	INR	-	-	-	-	-	-

Currency	Cross Currency	31st March, 2025					
		Buy			Sell		
		In USD	In EURO	In INR	In USD	In EURO	In INR
US Dollar	INR	15.06	-	1,291.10	1.24	-	106.22

The aforesaid hedges have a maturity of less than 1 year from the year end.

b. Sensitivity Analysis

The Analysis is based on assumption that the increase/decrease in foreign currency by 5% with all other variables held constant, on the unhedged foreign currency exposure.

Particulars	31st March, 2026			31st March, 2025		
	Sensitivity Analysis	Impact On		Sensitivity Analysis	Impact On	
		Profit before tax	Impact on Post Tax - Equity		Profit before tax	Impact on Post Tax - Equity
USD Sensitivity Increase	5%	-	-	5%	(8.35)	(6.25)
USD Sensitivity (Decrease)	5%	-	-	5%	8.35	6.25

The movement in the profit before tax and post tax equity is a result of a change in the fair value of derivative financial instruments not designated in a hedge relationship and monetary assets and liabilities.

47.4 Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group exposure to the risk of changes in market interest rates relates primarily to the Group's long term and short term borrowing with floating interest rates. The Company constantly monitors the credit markets and rebalances its financing strategies to achieve an optimal maturity profile and financing cost.

a. Exposure to interest rate risk

Particulars		31st March, 2026	31st March, 2025
Fixed Rate Instruments			
Financial Assets	(A)	638.74	10,755.45
Financial Liabilities#	(B)	-	1,536.18
	(C) = (B) - (A)	(638.74)	(9,219.27)
Variable Rate Instruments			
Financial Assets	(A)	-	-
Financial Liabilities	(B)	3.20	387.95
	(C) = (B) - (A)	3.20	387.95

Fixed rate financial liability instrument includes Vehicle Loans.

A Change in 50 bps in interest rate would have following impact on Profit before Tax and Other Equity.

Particulars	31st March, 2026			31st March, 2025		
	Sensitivity Analysis	Impact on		Sensitivity Analysis	Impact on	
		Profit before tax	Other Equity		Profit before tax	Other Equity
Interest Rate Increase by	0.50%	(0.02)	(0.01)	0.50%	(1.94)	(1.45)
Interest Rate Decrease by	0.50%	0.02	0.01	0.50%	1.94	1.45

48 Capital Risk management

The Company's objective to manage its capital is to ensure continuity of business while at the same time provide reasonable returns to its various stakeholders but keep associated costs under control. In order to achieve this, requirement of capital is reviewed periodically with reference to operating and business plans that take into account capital expenditure and strategic investments. Apart from internal accrual, sourcing of capital is done through judicious combination of equity and borrowing, both short term and long term. Net debt (total borrowings less cash & cash equivalents and Other bank balance) to equity ratio is used to monitor capital.

Particulars	March 31, 2026	March 31, 2025
Short term debt (Refer Note - 21)	3.20	1,922.89
Long term debt (Refer Note - 21)	-	1.23
Total Borrowings	3.20	1,924.12
Less: Cash & Cash Equivalents (Refer Note - 17)	(729.42)	(8.60)
Less : Bank Balance other than cash and cash equivalent (Refer Note - 18)	(396.74)	(515.16)
Less : Current Investment	(4,593.63)	-
Net Debt / (Net Cash Surplus) (A)	(5,716.59)	1,400.36
Equity Share Capital (Refer Note - 19)	1,152.53	1,152.53
Other Equity (Refer Note - 20)	26,600.07	25,775.26
Total Equity (B)	27,752.60	26,927.79
Gearing Ratio	*	5.20%

* The Company has net cash surplus as on 31st March 2026.

INDEPENDENT AUDITOR'S REPORT

To the Members of Supershakti Metaliks Limited

Report on the Audit of the Consolidated Financial Statements

OPINION

1. We have audited the accompanying consolidated financial statements of **Supershakti Metaliks Limited** (hereinafter referred to as the "Company") and its associate, which comprise the consolidated balance sheet as at March 31, 2026, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "consolidated financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company and its associate as at March 31, 2026, their consolidated profit and total comprehensive income, their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

BASIS FOR OPINION

3. We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing ("SAs"), specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the consolidated financial statements' section of our report. We are independent of the Company and its associate in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

KEY AUDIT MATTERS

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report:

Sl.No.	Key Audit Matter	Auditor's Response
1.	Valuation of Inventory Refer to Note 15 to the consolidated financial statements. As described in the accounting policies in Note 3.5 to the consolidated financial statements, inventories are carried at lower of cost or net realizable value. As a result, the management applies judgment in determining the appropriate provisions for obsolete stock based upon a detailed analysis of old inventory, net realizable value below cost based upon future plans for sale of inventory. The total amount of Inventory as on the reporting date stood at Rs. 1,550.42 lakhs. We determined this to be a matter of significance to our audit due to quantum of the amount, estimation involved.	We have obtained assurance over the appropriateness of the management's assumptions applied in calculating the value of the inventories and related provisions by: - Conducting a walkthrough of the inventory valuation process and assessed the design and implementation of the key controls addressing the risk; - Verifying for a sample of individual products that costs have been correctly recorded. - Comparing the net realizable value to the cost price of inventories to check for completeness of the associated provision, if any. - Reviewing the historical accuracy of inventory provisioning and the level of inventory write-offs during the year, if any. - Re-computing provisions recorded to verify that they are in line with the Company policy. - Also, we have reviewed the inventory valuation calculations and compared the cost with the subsequent realization value to confirm whether item is required to be shown at cost or net realizable value. Based on the above procedures performed, we concluded that measurement and valuation of the inventory at year end is appropriate.

INFORMATION OTHER THAN THE CONSOLIDATED FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the consolidated financial statements and our auditor's report thereon. The above-referred information is expected to be made available to us after the date of this audit report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions necessitated by the circumstances and the applicable laws and regulations.

RESPONSIBILITIES OF MANAGEMENT AND BOARD OF DIRECTORS FOR THE CONSOLIDATED FINANCIAL STATEMENTS

6. The Company's Management and the Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Company and its associate in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Management and the Board of Directors of the Company and its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and its associate and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the consolidated financial statements, the respective Management and the respective Board of Directors of the companies included in the Company and its associate are responsible for assessing the ability of the Company and its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or its associate or to cease operations, or has no realistic alternative but to do so.

The respective Management and the respective Board of Directors of the Companies of the Company and its associate are also responsible for overseeing the financial reporting process of each company.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

8. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its associate has adequate internal financial controls in place with reference to the consolidated financial statements and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.

- Conclude on the appropriateness of the Management's and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its associate to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities of the Company and its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. We remain solely responsible for our audit opinion.
10. Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.
11. We communicate with those charged with governance of the Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

14. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
15. As required by Section 143(3) of the Act, based on our audit, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books except for the matters stated in the paragraph 16(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);

- (c) The consolidated Balance Sheet, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time;
- (e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 16(b) above on reporting under section 143(3)(b) of the Act and paragraph 16(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);
- (g) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the company and its associate and the operating effectiveness of such controls, refer to our separate Report in "Annexure B";
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirement of section 197(16) of the Act. In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/ provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.
- (i) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations as on March 31, 2026, on the consolidated financial position of the company and its associate- Refer Note 40 to the consolidated financial statements;
 - ii. The Company and its associate did not have any long-term contracts including derivative contracts as on March 31, 2026 for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company and its associate during the year ended March 31, 2026.
 - iv. (a) The respective management of the company and its associate have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company or its associate to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company or its associate ("Ultimate Beneficiaries") or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries;

(b) The respective management of the company and its associate have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in aggregate) have been received by the company or its associate from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company or its associate shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

(c) Based on our audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under paragraph 16(i) (iv)(a) and (b) above, contain any material misstatement.

v. a. The dividend declared and paid by the Company during the year in respect of the prior year ended March 31, 2025, is in accordance with section 123 of the Act to the extent it applies to declaration and payment of dividend.

b. As stated in Note 19(e) to the consolidated financial statements; the Board of Directors of the Company have proposed dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend proposed is in accordance with section 123 of the Act, as applicable.

vi. Based on our examination, which included test checks, the Company and its associate have used accounting software including Payroll accounting software and additionally the associate has used weighment software for maintaining its books of accounts for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software.

However, in respect of accounting software of the company, the audit trail feature is not enabled at the database level in respect of accounting software whereas, for its associate, audit trail feature was not enabled at the database level in respect of accounting software up to June 10, 2025 and was not enabled at the database level in the weighment software throughout the year.

Further, during the course of our audit, we did not come across any instances of audit trail feature being tampered with, where such functionality was enabled and logs were maintained.

Additionally, the audit trail has been preserved by the Company and its associate as per the statutory requirements for record retention to the extent it was enabled and recorded in the respective years.

ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 16(g) under 'Report on Other Legal and Regulatory Requirements' section of the Independent Auditor's Report of even date to the members of Supershakti Metaliks Limited on the consolidated financial statements as of and for the year ended March 31, 2026)

Report on the Internal Financial Controls with reference to consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls with reference to consolidated financial statements of Supershakti Metaliks Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the consolidated financial statements of the Company and its associate for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

2. The Management and the Board of Directors of the Company and its associate are responsible for establishing and maintaining internal financial controls based on the internal control criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITOR'S RESPONSIBILITY

3. Our responsibility is to express an opinion on the internal financial controls of the company and its associate with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system of the company with reference to consolidated financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO CONSOLIDATED FINANCIAL STATEMENTS

6. A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO CONSOLIDATED FINANCIAL STATEMENTS

7. Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

8. In our opinion, to the best of our information and according to the explanations given to us, the Company and its associate has, in all material respects, an adequate internal financial controls system with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as on March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes :

(a) "The above Cash Flow Statements has been prepared under the "Indirect Method" as set out in the Indian Accounting Standard (IND AS) -7 Statement of Cash Flow .

(b) Amendment to Ind AS 7

The amendments to Ind AS 7 Cash Flow Statements requires the entities to provide disclosures that enable users of consolidated financial statements to evaluate changes in liabilities arising from financial activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosures requirement. This amendment has become effective from 1st April, 2017 and the required disclosure is made below. There is no other impact on the Consolidated financial statements due to this amendment.

Reconciliation between the opening and closing balances for liabilities arising from financing activities :-

Particulars	Long-term borrowings	Short-term borrowings	Non-current lease liability	Current lease liability
March 31, 2024 including current maturities of long term borrowings	75.34	1,904.66	-	-

4. KEY ACCOUNTING ESTIMATES AND JUDGEMENTS

Information about Significant judgements and Key sources of estimation made in applying accounting policies that have the most significant effects on the amounts recognized in the consolidated financial statements is included in the following notes:

Depreciation / Amortization and Impairment on Property, Plant and Equipment / Intangible Assets:

Property, plant and equipment and intangible assets are depreciated/ amortized on straight-line /written down value basis over the estimated useful lives (or lease term if shorter) in accordance with Schedule II of the Companies Act, 2013, taking into account the estimated residual value, wherever applicable.

The company reviews its carrying value of its Tangible and Intangible Assets whenever there is objective evidence that the assets are impaired. In such situation assets recoverable amount is estimated which is higher than assets or cash generating units (CGU), fair value less cost of disposal and its value in use. In assessing value in use the estimated future cash flows are discounted using pre-tax discount rate which reflect the current assessment of time value of money. In determining fair value less cost of disposal, recent market realisations are considered or otherwise in absence of such transactions appropriate valuations are adopted. The Company reviews the estimated useful lives of the assets regularly in order to determine the amount of depreciation / amortization and amount of impairment expense to be recorded during any reporting period. This reassessment may result in change estimated in future periods.

Income taxes :

Significant judgment is required in determination of taxability of certain income and deductibility of certain expenses during the estimation of the provision for income taxes.

Recognition of Deferred Tax Assets :

The extent to which deferred tax assets can be recognised is based on a assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits.

Defined Benefit Obligation (DBO) :

Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, medical cost trends, anticipation of future salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate. However, any changes in these assumptions may have a material impact on the resulting calculations.

Provisions and Contingencies :

The assessments undertaken in recognising provisions and contingencies have been made in accordance with Indian Accounting Standards (Ind AS) 37 , 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events is applied best judgement by management regarding the probability of exposure to potential loss.

Impairment of Financial Assets :

The Company reviews its carrying value of investments carried at amortized cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.

Allowances for Doubtful Debts :

The Company makes allowances for doubtful debts through appropriate estimations of irrecoverable amount. The identification of doubtful debts requires use of judgement and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

Fair value measurement of Financial Instruments :

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The input to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

Right-of-use assets and lease liability :

The Company has exercised judgement in determining the lease term as the non-cancellable term of the lease, together with the impact of options to extend or terminate the lease if it is reasonably certain to be exercised. Where the rate implicit in the lease is not readily available, an incremental borrowing rate is applied. This incremental borrowing rate reflects the rate of interest that the lessee would have to pay to borrow over a similar term, with a similar security, the funds necessary to obtain an asset of a similar nature and value to the right-of-use asset in a similar economic environment. Determination of the incremental borrowing rate requires estimation.

1. CORPORATE AND GENERAL INFORMATION

Supershakti Metaliks Limited (the Company), was incorporated in India in the year 2012. The Company is domiciled in India, and has its registered office at 39, Shakespeare Sarani, Premlata Building, 2nd Floor, Kolkata-700 017.

The Company is a Public Limited Company incorporated as per the provision of Companies Act applicable in India.

The Company is engaged in business of Iron and steel manufacturing and allied activities. The Company is having its integrated steel plant at Durgapur, West Bengal. The shares of the Company are listed on Bombay Stock Exchange, SME Platform.

These consolidated financial statements have been approved by the Board of Directors of the Company in their meeting held on 25th May, 2026.

2. BASIS OF ACCOUNTING**2.1 Statement of Compliance**

The consolidated financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, read with Section 133 of the Companies Act, 2013 ("the Act") and presentation requirements of Division II of Schedule III of the Act and other relevant provisions of the Act as applicable. The Company has uniformly applied the Accounting Policy during the period presented.

2.2 Basis of Preparation

The consolidated financial statements are prepared on a historical cost basis except for the following assets and liabilities which have been measured at fair value:

- certain financial assets and liabilities which are classified as fair value through Statement of profit and loss or fair value through other comprehensive income;
- defined benefit plans and plan assets.

2.3 Functional and Presentation Currency

The consolidated financial statements have been presented in Indian National Rupees (INR), which is the Company's functional currency.

2.4 Use of Estimates and Accounting Judgements

The preparation of consolidated financial statements requires management to make judgements, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgements based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Any revision to such estimates is recognised in the period in which the same is determined.

2.5 Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle or
- Held primarily for the purpose of trading or
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle or
- It is held primarily for the purpose of trading or
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

2.6 Basis of Consolidation

The consolidated financial statements include the company's share of profits or loss and other comprehensive income of its associates that are consolidated using the equity method.

2.7 Investment in associates

An associate is an entity over which the company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies. Under the equity method, an investment in an associate is initially recognised in the consolidated statement of financial position at cost and adjusted thereafter to recognise the company's share of the profit or loss and other comprehensive income of the associates.

An investment in an associate is accounted for using the equity method from the date on which the investee becomes an associate. On acquisition of the investment in an associate any excess of the cost of the investment over the company's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill, which is included within the carrying amount of the investment and is not tested for impairment separately.

After application of the equity method, the Company determines whether it is necessary to recognise an impairment loss on its investment in its associate. At each reporting date, the Company determines whether there is objective evidence that the investment in the associate is impaired. If there is such evidence, the Company calculates the amount of impairment as the difference between the recoverable amount of the associate and its carrying value, and then recognises the loss as 'Share of profit of an associate' in the Statement of Profit and Loss.

Upon loss of significant influence over the associate, the Company measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate upon loss of significant influence and the fair value of the retained investment and proceeds from disposal is recognised in profit or loss.

2.8 Recent Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025.

The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its consolidated financial statements.

In August 2025, MCA notified the following amendments to:

- Ministry of Corporate Affairs ("MCA") has notified amendments to the existing standards Ind AS 1 – Presentation of financial statements relating to classification of liabilities as current or non-current subject to covenants, Ind AS 12 – Income Taxes relating to international tax reforms – Pillar Two Model Rules, Ind AS 21 – the effect of changes in foreign exchange rates and Ind AS 107 – Financial Instruments: Disclosures and Ind AS 7 - Statement of Cashflows relating to disclosure of supplier financing arrangements, applicable from April 1, 2025.

The Company has assessed that there is no significant impact on its consolidated financial statements with respect to the amendments made in above respective Ind AS.

3. MATERIAL ACCOUNTING POLICIES

A summary of the material accounting policies applied in the preparation of the consolidated financial statements are as given below. These accounting policies have been applied consistently to all the periods presented in the consolidated financial statements.

3.1 Property, Plant and Equipment**3.1.1 Recognition and Measurement****Tangible Assets**

Property, plant and equipment held for use in the production or/and supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost, less any subsequent accumulated depreciation and impairment losses. The initial cost at cash price equivalence of property, plant and equipment acquired comprises its purchase price, including import duties and non-refundable purchase taxes, any directly attributable costs of bringing the assets to its working condition and location and present value of any obligatory decommissioning costs for its intended use, if any.

In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, allocation of overheads, directly attributable borrowing costs including trial run expenses (net of revenue).

Any material Spares having useful life of more than one year are capitalised under the respective heads as and when available for use.

Profit or loss arising on the disposal of property, plant and equipment is recognised in the Statement of Profit and Loss.

3.1.2 Subsequent Cost

Subsequent expenditure is recognised as an increase in the carrying amount of the asset or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits derived from the cost incurred will flow to the Company and the cost of the item can be measured reliably. The carrying amount of replaced item(s) is derecognised.

Any material repairs of property, plant and equipment are recognised in the carrying amount of the item if it is probable that the future economic benefits of the costs incurred will flow to the Company. The carrying amount of the replaced item(s) is derecognised.

3.1.3 Capital Work-in-Progress

Capital work-in-progress is stated at cost which includes expenses incurred during construction period, interest on amount borrowed for acquisition of qualifying assets and other expenses incurred in connection with project implementation in so far as such expenses relate to the period prior to the commencement of commercial production.

3.1.4 Depreciation and Amortisation

Depreciation on tangible assets is provided on straight line method, considering residual value of 5% of the cost of the asset, over the useful lives of the assets, as specified in Schedule II of the Companies Act, 2013 except in case of Plant and Machinery and components thereof, where useful life is determined by technical experts. The useful life assumed by the technical experts is as under:

Asset category	Estimated useful life (in years)
Factory Building & Shed	30 - 60
Plant & Machinery	5 - 30
Furniture & Fixture	10
Vehicles	8 - 10
Office Equipments & Computers	3 - 6

For these classes of assets, based on technical evaluation carried out by external technical experts, the Company believes that the useful lives as given above best represent the period over which Company expects to use these assets. Hence, the useful lives for these assets are different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

The estimated useful lives and residual values of depreciable/amortisable assets are reviewed at each year end, with the effect of any changes in estimate accounted for on a prospective basis.

Where the historical cost of a depreciable asset undergoes a change, the depreciation on the revised unamortised depreciable amount is provided over the residual useful life of the asset. Depreciation on addition/deletion during the year is provided on pro-rata basis with reference to the month of addition/deletion. Assets costing up to ₹ 0.05 Lakhs are fully depreciated after retaining five percent residual value of acquisition cost of asset in the year in which they are put to use.

Depreciation on capital spares is provided over the useful life of the spare or remaining useful life of the mother asset, as reassessed, whichever is lower.

3.1.5 Derecognition

The carrying amount of an item of Property Plant and Equipment is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the derecognition of an item of PPE is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognised in the Statement of Profit and Loss when the item is derecognised.

3.2 Intangible assets**3.2.1 Recognition and measurement**

Intangible assets are stated at cost less accumulated amortization. Cost includes directly attributable expenditure for making the assets for its intended use.

3.2.2 Subsequent Cost

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognised in the Statement of Profit and Loss.

3.3 Impairment of Non-Financial Assets

The Company reviews the carrying amount of its assets on each Balance Sheet date for the purpose of ascertaining impairment indicators if any, by considering assets of entire Plant as Cash Generating Unit (CGU). If any such indication exists, the assets' recoverable amount is estimated, as higher of the Net Selling Price and the Value in Use. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss.

3.4 Borrowing costs

Borrowing Costs consists of interest and other costs that an entity incurs in connection with the borrowings of funds. Borrowing costs also includes exchange difference to the extent regarded as an adjustment to the borrowing costs. Borrowing costs directly attributable to the acquisition or construction of a qualifying asset are capitalized as a part of the cost of that asset that necessarily takes a substantial period of time to complete and prepare the asset for its intended use or sale. The Company considers a period of twelve months or more as a substantial period of time. Transaction costs in respect of long term borrowing are amortized over the tenure of respective loans using Effective Interest Rate (EIR) method. All other borrowing costs are recognized in the statement of profit and loss in the period in which they are incurred.

If any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalisation rate on general borrowings.

3.5 Inventories

Inventories of stores and spare parts are valued at or below cost after providing for cost of obsolescence and other anticipated losses wherever considered necessary.

Cost of inventory comprises all costs of purchase, non-refundable duties and taxes, cost of conversion including an appropriate share of fixed and variable production overheads and all other costs incurred in bringing the inventory to their present location and condition.

Inventories of items other than those stated above are valued at cost or net realizable value whichever is lower.

Cost in respect of:

- a) Raw Materials, Consumables, Stores & Spares and Traded Goods are computed under weighted average basis.
- b) Work-in-Progress and Finished Goods are computed under weighted average basis.
- c) By- Products are valued at net realisable value.

Net Realizable Value is the estimated selling price in the ordinary course less the estimated cost of completion and the estimated costs necessary to make the sale.

Materials and other supplies held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

The Company considers factors like estimated shelf life, ageing of inventory etc in determining the provision for slow moving, obsolete and other non-saleable inventory and adjusts the inventory provisions to reflect the recoverable value of inventory.

3.6 Government Grants

Government grants are recognised when there is reasonable assurance that the Company will comply with the conditions attaching to them and that the grants will be received.

Government grants are recognised in Statement of Profit and Loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate. Where the Grant relates to an asset value, it is recognised as deferred income, and amortised over the expected useful life of the asset. Other grants are recognised in the statement of Profit & Loss concurrent to the expenses to which such grants relate/ are intended to cover.

Where the Company receives non-monetary grants, the asset and the grant are recorded gross at fair amounts and released to the income statement over the expected useful life and pattern of consumption of the benefit of the underlying asset.

3.7 Foreign Currency Transactions

Foreign Currency Transactions are translated into the functional currency using the spot rates of exchanges at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rate of exchanges at the reporting date.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities are generally recognised in profit or loss in the year in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those qualifying assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings, the balance is presented in the Statement of Profit and Loss within finance costs.

Non monetary items are not retranslated at period end and are measured at historical cost (translated using the exchange rate at the transaction date).

3.8 Employee Benefits**Short Term Benefits**

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as the related services are provided. Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period.

Other Long Term Employee Benefits

The liabilities for leave encashment that are not expected to be settled wholly within twelve months are measured as the present value of the expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation. Remeasurement as the result of experience adjustment and changes in actuarial assumptions are recognized in statement of profit and loss.

Post Employment Benefits

The Company operates the following post employment schemes:

— Defined Benefit Plans

The liability or asset recognized in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods.

The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The liability recognized for defined benefit plans is the present value of the defined benefit obligation at the reporting date less the fair value of plan assets, together with adjustments for unrecognized actuarial gains or losses and past service costs. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. The benefits are discounted using the government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation.

Remeasurement of the net defined benefit obligation, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling, are recognized in other comprehensive income. Remeasurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

— Defined Contribution Plan

Defined contribution plans such as provident fund etc, are charged to the statement of profit and loss as and when incurred. Contribution to Superannuation fund, a defined contribution plan is made in accordance with the company's policy and is recognised in the Statement of profit and loss.

3.9 Leases

The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

1. the contract involves the use of an identified asset
2. the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
3. the Company has the right to direct the use of the asset.

Company as a lessee

The Company assesses whether a contract is or contains a lease, at inception of the contract.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases), variable lease and low value leases. For these short-term, variable lease and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Right-of-use assets

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment. Refer to the accounting policies in Note 3.3 Impairment of non-financial assets.

Extension and termination options are included in many of the leases. In determining the lease term the management considers all facts and circumstances that create an economic incentive to exercise an extension option, or not exercise a termination option.

Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

Lease hold Land for 60 years

Office Premises for 3 years

Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. Lease payments included in the measurement of the lease liability comprise:

- Fixed lease payments (including in-substance fixed payments) payable during the lease term and under reasonably certain extension options, less any lease incentives;
- Variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date;
- The amount expected to be payable by the lessee under residual value guarantees;
- The exercise price of purchase options, if the lessee is reasonably certain to exercise the options; and
- Payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease.

The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases.

After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is re-measured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment of whether it will exercise an extension or a termination option.

Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows. Lease liabilities have been classified as current and non current under the head financial liabilities. The Company has used a single discount rate to a portfolio of leases with similar characteristics.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of Property, Plant & Equipment (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

On transition to IND AS dated April 1, 2020, the adoption of new standard resulted in recognition of Right-of-Use asset (ROU) of ₹ 137.57 lakh, being leasehold land recognised as ROU Assets transferred from property, plant & equipment.

On application of Ind AS 116, the nature of expenses has changed from lease rent in previous periods to depreciation cost for the right-to-use asset, and finance cost for interest accrued on lease liability.

Others

The following is the summary of practical expedients elected on initial application:

- (a) Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.
- (b) Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application, variable lease and low value asset.
- (c) Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.
- (d) The effective interest rate for lease liabilities is 8.5% p.a.

3.10 Provisions, Contingent Liabilities and Contingent Assets**Provisions and Contingent Liabilities**

A Provision is recognised when the Company has present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are discounted to their present value, where the time value of money is material.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as a separate asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liability is a possible obligation arising from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events but is not recognised because it is not possible that an outflow of resources embodying economic benefit will be required to settle the obligations or reliable estimate of the amount of the obligations cannot be made. The Company discloses the existence of contingent liabilities in Other Notes to consolidated financial statements.

In cases where the possible outflow of economic resources as a result of present obligation is considered improbable or remote, no Provision is recognised or disclosure is made.

Contingent Assets

Contingent assets usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits. Contingent Assets are not recognised though are disclosed, where an inflow of economic benefits is probable.

3.11 Equity and Reserves

Share Capital represents the nominal value of shares that have been issued. Securities premium includes any premium received on issue of Share Capital.

Other components of equity include the following:

- Re-measurement of defined benefit liability comprises the actuarial gain or loss from changes in demographic and financial assumptions and return on plan assets.
- Change in fair value of investment in equity instrument designated as Fair Value through Other Comprehensive Income (FVTOCI).
- General Reserve is created mainly on the account of amalgamation.
- Retained earnings include all current and prior period retained profits.

3.12 Financial Instruments

A financial instrument is a contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Recognition, initial measurement and de-recognition:

Financial assets and financial liabilities are recognised and are measured initially at fair value adjusted by transactions costs, except for those financial assets which are classified at Fair Value through Profit & Loss (FVTPL) at inception.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognized when it is extinguished, discharged, cancelled or expires.

Classification and subsequent measurement of financial assets:

For the purpose of subsequent measurement, financial assets are classified into the following categories upon initial recognition:

- amortised cost
- financial assets at fair value through profit or loss (FVTPL)
- financial assets at fair value through other comprehensive income (FVOCI)

All financial assets except for those at FVTPL are subject to review for impairment at least at each reporting date.

Amortised cost

A financial asset is measured at amortised cost using effective interest rates if both of the following conditions are met:

- a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at FVTPL

Financial assets at FVTPL include financial assets that are either do not meet the criteria for amortised cost classification or that are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. All derivative financial instruments also fall into this category. Assets in this category are measured at fair value with gains or losses recognized in profit or loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

Financial assets at FVOCI

FVOCI financial assets are either debt instruments that are managed under hold to collect and sell business model or are non-trading equity instruments that are irrevocable designated to this category at inception.

FVOCI financial assets are measured at fair value. Gains and losses are recognized in other comprehensive income, except for interest and dividend income, impairment losses and foreign exchange differences on monetary assets, which are recognized in statement of profit or loss.

Classification and subsequent measurement of financial liabilities:

Financial liabilities are measured subsequently at amortized cost using the effective interest method, except for financial liabilities held for trading or designated at FVTPL, that are carried subsequently at fair value with gains or losses recognized in profit or loss. All derivative financial instruments are accounted for at FVTPL.

Embedded Derivatives

Derivatives embedded in non-derivative host contracts are treated as separate derivatives when they meet the definition of a derivative, their risks and characteristics are not closely related to those of the host contracts and the contracts are not measured at FVTPL.

Impairment of Financial Assets

In accordance with IndAS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss for financial assets.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive.

Trade Receivables

The Company applies approach as specified in Indian Accounting Standards (Ind AS) 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of receivables.

Other Financial Assets

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition.

Financial guarantee contracts

Financial guarantee contracts are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified party fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized as a financial liability at the time the guarantee is issued at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of expected loss allowance determined as per impairment requirements of Ind AS 109 'Financial Instruments' and the amount recognized less cumulative amortization.

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty.

3.13 Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

3.14 Income Taxes

Income Tax comprises current and deferred tax. It is recognized in The Statement of Profit and Loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income.

3.15.1 Current Tax

Current tax liabilities (or assets) for the current and prior periods are measured at the amount expected to be paid to (recovered from) the taxation authorities using the tax rates (and tax laws) that have been enacted or substantively enacted, at the end of the reporting period.

3.15.2 Deferred Tax

Deferred Tax assets and liabilities shall be measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes (i.e., tax base). Deferred tax is also recognized for carry forward of unused tax losses and the unused tax credits.

Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period. The Company reduces the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit or part or that entire deferred tax asset to be utilized. Any such reduction is reversed to the extent that it becomes probable that sufficient taxable profit will be available.

Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized either in other comprehensive income or in equity. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

- i) Investments which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. The portion of long-term term investments expected to be realized within twelve months after the reporting date are disclosed under current investments.
- ii) On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees & duties.
- iii) Long-Term Investments designated as equity instrument being non trading in nature are measured at Fair Value through Other Comprehensive Income (FVTOCI).
- iv) Short Term Investments being classified as current investment designated as equity instrument / Debt instrument being trading in nature are measured at Fair Value through Profit & Loss (FVTPL).

Investments in mutual fund units are recognized initially at fair value. Subsequent to initial recognition, such investments are measured at Fair Value Through Profit or Loss (FVTPL) in accordance with the requirements of Ind AS 109.

vi) Investments in Gold

Gold held as a long-term investment is recognized initially at cost, including directly attributable acquisition costs. Subsequent measurement is based on the classification of the asset under the applicable Ind AS. Physical gold that does not meet the definition of a financial asset is generally measured at cost less impairment, unless another Ind AS requires measurement at fair value. The asset is classified as a non-current asset when the Company intends to hold it for more than twelve months from the reporting date. The carrying amount is reviewed at each reporting date for indicators of impairment and, where necessary, impairment losses are recognized in accordance with the applicable Ind AS.

Revenue Recognition

The Company is primarily engaged in the manufacturing of Iron & Steel products and generate revenue from the sale of the product.

Revenue from sale of product is recognised at the point in time when control of the goods is transferred to the customer, generally on delivery of the product.

At contract inception, the Company assesses the goods promised in a contract with a customer and identifies as a performance obligation of each promise to transfer to the customer. Revenue from contracts with customers is recognized when control of goods is transferred to customers and the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold.

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration and excluding taxes or duties collected on behalf of the Government.

a) Sale of Goods

Sale of goods is recognised at the point in time when control of the goods is transferred to the customer. The revenue is measured on the basis of the consideration defined in the contract with a customer, including variable consideration, such as discounts, volume rebates, or other contractual reductions. As the period between the date on which the Company transfers the promised goods to the customer and the date on which the customer pays for these goods is generally one year or less, no financing components are taken into account.

Certain contracts provide a customer with a right to return the goods within a specified period. The company uses the expected value method to estimate the goods that will not be returned because this method best predicts the amount of variable consideration to which the company will be entitled. The requirements in Ind AS 115 on constraining estimates of variable consideration are also applied in order to determine the amount of variable consideration that can be included in the transaction price for goods that are expected to be returned instead of revenue the Company recognises a refund liability. A right of return asset and corresponding adjustment to change in inventory is also recognised for the right to recover products from a customer.

b) Other Operating Revenue

Export incentive and subsidies are recognised when there is reasonable assurance that the Company will comply with the conditions and the incentive will be received. Insurance & other claims, where quantum of accruals cannot be ascertained with reasonable certainty are recognised as income only when revenue is virtually certain which generally coincides with receipt/acceptance.

c) Interest Income

For all financial instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated

future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset.

Contract Balances

Contract assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. Contract liabilities are recognised as revenue when the Company performs obligations under the contract.

3.18 Earnings Per Share

Basic Earnings Per Share (EPS) is computed by dividing the net profit or loss for the year attributable to Equity Shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss for the year attributable to Equity Shareholders by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, except where the result are anti-dilutive.

3.19 Cash Flow Statement

Cash Flow Statement presents the Cash Flows by operating, investing and financing activities of the Company. Cash and Cash equivalents presented in the Cash Flow Statement consist of cash on hand, cash at bank, and short - term investments with an original maturity of three months or less.

3.20 Proposed Dividend

Dividend recommended/declared after the Balance Sheet Date but before the consolidated financial statements are approved by Shareholders in the General Meeting are not recognized as a liability at the Balance Sheet Date because no obligation exists at the Balance Sheet Date. Such Dividend is disclosed in the Notes.

3.21 Events after reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the consolidated financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

3.22 Measurement of Fair Values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

In the principal market for the asset or liability, or

In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorised within the fair value hierarchy, described as follows, based on the input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 - Inputs which are unobservable inputs for the asset or liability.

External valuers are involved for valuation of significant assets & liabilities. Involvement of external valuers is decided by the management of the company considering the requirements of Ind AS and selection criteria include market knowledge, reputation, independence and whether professional standards are maintained.

16.1	In determining allowance for credit losses of trade receivables, the Company has used the practical expedient by computing the expected credit loss allowance based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on ageing of the receivables and rates used in the provision matrix.							
16.2	The Company considers its maximum exposure to credit risk with respect to customers as at March 31, 2026 to be ₹ 317.84 lakhs (March 31, 2025: ₹ 684.08 lakhs), which is the carrying value of trade receivables after allowance for credit losses. The Company's exposure to customers is diversified and only two customer contributes more than 10% of the outstanding receivables for an amount ₹. 102.06 lakhs as at March 31, 2026. (₹ 443.56 lakhs as at March 31, 2025)							
16.3	Trade Receivables are generally on terms of 0 to 90 days credit period.							
16.4	No trade or other receivables are due from Directors or other officers of the Company either severally or jointly with any other person.							
	For trade receivable outstanding, the ageing schedule is given below: As at March 31, 2026

	Nature and purpose of other reserves		
a)	Securities premium reserve Securities premium reserve represents premium received on issue of shares. The reserve is utilised in accordance with the provisions of the Companies Act.		
b)	General Reserve Under the erstwhile Indian Companies Act 1956, a general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. Consequent to introduction of Companies Act 2013, the requirement of mandatory transfer of a specified percentage of the net profit to general reserve has been withdrawn. General Reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.		
c)	Retained Earnings Retained Earnings are created from the profit / loss of the company, as adjusted for distributors to owners, transfer to other reserves etc.		
d)	Equity investment through Other Comprehensive Income The Company has elected to recognise changes in the fair value of certain investments in equity instruments in Other Comprehensive Income. These changes are accumulated within the "Equity investment through Other Comprehensive Income" reserve within equity. The Company transfers amounts from this reserve to Retained Earnings when the relevant equity shares are derecognised.

Notes.				
(i) Deferred tax assets and deferred tax liabilities have been offset wherever the company has a legally enforceable right to set off current tax assets against current tax liabilities and where the deferred tax assets and deferred tax liabilities relate to income tax levied by the same taxation authority.				
(ii) The Finance Act, 2024 introduced amendments to the long-term capital gains (LTCG) tax regime. The applicable tax rate changed from 20% with indexation to 12.5% without indexation, which resulted in a further reversal of net deferred tax liability of ₹484.43 lakhs in previous financial year 2024-2025.				
(iii) During the previous financial year 2024-2025, investment has been reclassified as an investment in associates due to an increase in the holding of equity shares (Refer Note No. 9).

Consequent to the implementation of the New Labour Codes, the Company has reassessed its employee benefit obligations in accordance with the revised definition of wages prescribed under the New Labour Codes. Accordingly, an incremental liability of ₹ 88.57 lakhs arising from past service cost and recognised in accordance with Ind AS 19 — Employee Benefits, has been presented as an Exceptional Item for the year ended March 31, 2026. The Company continues to monitor developments relating to the implementation of the New Labour Codes and will review its estimates and assumptions on an ongoing basis.

Figures mention in quarterly return/ statement represents the details taken from books of accounts dated 25th March, 2026 and P.Y. 25th March 2025.

Notes

Note 1: Impact of sales reversal/ adjustments arising out of provision for debit and credit notes/ expected credit loss provision/ debtors beyond 120 days not considered in returns/ statements submitted to the banks.

Note 2: Adjustments pertaining to cut offs, goods in transit, overhead allocation on work-in-progress and finished goods, etc. are done only on finalisation of books of accounts/financial statements. Same has not been considered in returns/statements submitted to the banks.

Note 3: Impact of provision for operational expenses not considered in returns/statements submitted to the banks.

44 Disclosure pursuant to Indian Accounting Standard - 19 'Employee Benefits' as notified u/s 133 of the Companies Act, 2013.**a) Defined Contribution Plan**

The amount recognized as an expense for the Defined Contribution Plans are as under:

₹ in Lakhs

Particulars	For the year ended 31 March, 2026	For the year ended 31 March, 2025
Employer's Contribution to Provident Fund	48.36	48.85
Employer's Contribution to Employees' State Insurance Corporation	16.07	16.36

b) Defined Benefit Plan

The following are the types of defined benefit plans:

(i) Gratuity Plan

Every employee who has completed five years or more of service is entitled to gratuity on terms not less favourable than the provisions of the Payment of Gratuity Act, 1972. The present value of defined obligation and related current cost are measured using the Projected Unit Credit Method with actuarial valuation being carried out at Balance Sheet date.

(ii) Provident Fund

Provident Fund (other than government administered) as per the provisions of the Employees Provident Funds and Miscellaneous Provisions Act, 1952.

(iii) Leave obligations

The Obligation for Leave encashment is determined and recognised in the same manner as gratuity.

c) Risk Exposure

Through its defined benefit plans, the company is exposed to a number of risks, the most significant of which are detailed below:

a) Interest rate risk: The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements).

b) Salary escalation risk: The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

c) Demographic risk: The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

d) Liquidity Risk: This is the risk that the Company is not able to meet the short-term gratuity pay-outs. This may arise due to non availability of enough cash/ cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

e) Regulatory Risk: Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (e.g. Increase in the maximum limit on gratuity of ₹ 20 Lakhs).

f) Asset Liability Mismatching or Market Risk: The duration of the liability is longer compared to duration of assets, exposing the Company to market risk for volatilities/fall in interest rate.

g) Investment Risk: The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

d) Details of Defined Benefit Obligations :

₹ in Lakhs

The following table shows a reconciliation from the opening balances to the closing balances for the net defined benefit Obligations:

Particulars	Gratuity (Funded)		Gratuity (Unfunded)		Leave Encashment	
	2025-26	2024-25	2025-26	2024-25	2025-26	2024-25
Balance at the beginning of the year	178.19	178.64	83.14	63.45	12.46	9.17
Current Service Cost	9.57	8.44	14.98	12.69	4.38	3.33
Interest Expense or Cost	12.76	12.85	6.58	4.56	0.84	0.66

Changes in financial assumptions	-	-	-	-	(0.77)	0.57
Experience variance (i.e. Actual experience vs assumptions)	-	-	-	-	0.22	(1.04)
Total	70.38	21.22	62.01	17.25	4.67	3.52

SUPERSHAKTI METALIKS LIMITED

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2026

h) Remeasurements recognized in other comprehensive income

₹ in Lakhs

Particulars	Gratuity (Funded)		Gratuity (Unfunded)	
	2025-26	2024-25	2025-26	2024-25
Remeasurements:				
(Gain)/loss from change in demographic assumptions	-	-	-	-
(Gain)/loss from change in financial assumptions	(8.90)	5.82	(8.55)	4.59
Experience variance (i.e. Actual Experience vs assumptions)	(27.08)	(27.56)	10.44	21.46
Return on plan assets, excluding amount recognised in net interest expense	(0.01)	-	-	-
Components of defined benefit costs recognised in other comprehensive income	(35.99)	(21.74)	1.89	26.05

Major Categories of Plan Assets

Particulars	Gratuity (Funded)	
	2025-26	2024-25
Insurer Managed Funds	100%	100%

(i) The Gratuity Scheme is invested in a Group Gratuity - Cum - Life Assurance Cash accumulation policy offered by Life Insurance Corporation (LIC) of India. The information on the allocation of the fund into major asset classes and expected return on each major class are not readily available. The expected rate of return on plan assets is based on the assumed rate of return provided by the company.

ii) Asset Liability Matching Strategies

The Company has purchased insurance policy, which is basically a year-on-year cash accumulation plan in which the interest rate is declared on yearly basis and is guaranteed for a period of one year. The insurance Company, as part of the policy rules, makes payment of all gratuity outgoes happening during the year (subject to sufficiency of funds under the policy). The policy, thus, mitigates the liquidity risk. However, being a cash accumulation plan, the duration of assets is shorter compared to the duration of liabilities. Thus, the Company is exposed to movement in interest rate (in particular, the significant fall in interest rates, which should result in a increase in liability without corresponding increase in the asset). The scheme is managed on unfunded basis.

j) Actuarial Assumptions

Particulars	Gratuity (Funded)		Gratuity (Unfunded)		Leave Encashment (Unfunded)	
	2025-26	2024-25	2025-26	2024-25	2025-26	2024-25
Financial Assumptions						
Discount Rate (per annum)	7.40%	6.75%	7.40%	6.75%	7.40%	6.75%
Salary Escalation Rate (per annum)	7.80%	7.80%	7.80%	7.80%	7.00%	7.00%
Demographic Assumptions						
Mortality Rate	100% of IALM 2012-2014	100% of IALM 2012-2014	100% of IALM 2012-2014	100% of IALM 2012-2014	100% of IALM 2012-2014	100% of IALM 2012-2014
Normal retirement age	58 Years	58 Years	58 Years	58 Years	58 Years	58 Years
Attrition / Withdrawal Rates						
Upto 44 years	2.00%	2.00%	2.00%	2.00%	2.00%	2.00%
Above 44 years	1.00%	1.00%	1.00%	1.00%	1.00%	1.00%

k) The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion, past experience and other relevant factors such as supply and demand in the employment market.

l) Maturity Analysis

The distribution of the timing of benefits payment i.e., the maturity analysis of the benefit payments is as follows:

Expected cash flows over the next (Valued on undiscounted basis):	Gratuity (Funded)		Gratuity (Unfunded)		Leave Encashment (Unfunded)	
	2025-26	2024-25	2025-26	2024-25	2025-26	2024-25
1 Year	32.87	27.24	8.77	6.21	2.50	1.70
2 to 5 Years	69.94	47.37	17.75	9.95	2.34	1.09
6 to 10 Years	135.94	99.17	49.81	29.41	6.25	5.76
More than 10 Years	139.91	141.25	276.01	185.83	18.33	20.36
Weighted average duration of defined benefit obligation (based on discounted cashflows)	7 years	7 years	12 years	13 years	8 years	12 years

m) Sensitivity Analysis

The sensitivity analysis below have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period. Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

Gratuity (Funded)

Variable	Sensitivity Level	Effect on Defined Benefit Obligations			
		Gratuity (Funded)			
		31 March, 2026		31 March, 2025	
		Increase	Decrease	Increase	Decrease
Discount Rate	+/- 1%	198.98	227.89	165.75	192.15
Salary Escalation Rate	+/- 1%	227.69	198.91	191.87	165.76
Attrition rate	+/- 50%	212.56	212.78	177.83	178.57
Mortality rate	+/- 10%	212.66	212.68	178.16	178.22

Gratuity (Unfunded)

Variable	Sensitivity Level	Effect on Defined Benefit Obligations			
		Gratuity (Unfunded)			
		31 March, 2026		31 March, 2025	
		Increase	Decrease	Increase	Decrease
Discount Rate	+/- 1%	109.91	138.87	73.46	94.74
Salary Escalation Rate	+/- 1%	137.70	110.70	93.40	74.38
Attrition rate	+/- 50%	123.00	123.36	82.77	83.58

46 Financial Instrument by Category

This section gives an overview of the significance of financial instruments for the Company and provides additional information on balance sheet items that contain financial instruments.

The details of significant accounting policies, including the criteria for recognition, basis of measurement and the basis on which income and expenses are recognised in respect of each class of financial asset, financial liability and equity instrument are disclosed in note 3.12 to the financial statements.

i) Fair Valuation of Financial Assets and Financial Liabilities

The following table presents carrying amount and fair value of each category of financial assets and liabilities as at March 31, 2026 ; March 31, 2025

₹ in Lakh

Particulars	31st March, 2026			31st March, 2025		
	Fair Value through Profit & loss	Fair Value through OCI	Amortised Cost	Fair Value through Profit & loss	Fair Value through OCI	Amortised Cost

Alternative Investment Fund	2,598.62	-	-	-	-	-
Trade Receivables	-	-	317.84	-	-	684.08
Cash and Cash Equivalents	-	-	729.42	-	-	8.60
Other Bank Balances	-	-	396.74	-	-	515.16
Loans	-	-	-	-	-	10,193.77
Other Financial Assets	-	-	198.06	-	-	52.93
Total Financial Assets	7,192.25	-	1,642.06	-	-	11,454.54
Financial Liabilities						
Borrowings	-	-	3.20	-	-	1,924.12
Trade Payables	-	-	1,324.17	-	-	3,170.21
Other Financial Liabilities	-	-	166.47	8.22	-	220.16
Total Financial Liabilities	-	-	1,493.84	8.22	-	5,314.49

The following is the comparison by class of the carrying amounts and fair value of the Company's financial instruments that are measured at Amortized cost:

Particulars	31st March, 2026		31st March, 2025	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial Assets				
Trade Receivables	317.84	317.84	684.08	684.08
Cash and Cash Equivalents	729.42	729.42	8.60	8.60
Other Bank Balances	396.74	396.74	515.16	515.16
Loans	-	-	10,193.77	10,193.77
Other Financial Assets	198.06	198.06	52.93	52.93
Total Financial Assets	1,642.06	1,642.06	11,454.54	11,454.54
Financial Liabilities				
Borrowings	3.20	3.20	1,924.12	1,924.12
Trade Payables	1,324.17	1,324.17	3,170.21	3,170.21
Other Financial Liabilities	166.47	166.47	220.16	220.16
Total Financial Liabilities	1,493.84	1,493.84	5,314.49	5,314.49

The management has assessed that the fair values of cash and cash equivalents, trade receivables, trade payables, short term borrowings, and other current financial liabilities approximates their carrying amounts largely due to the short-term maturities of these instruments. The management has assessed that the fair value of floating rate instruments approximates their carrying value.

(ii) Fair value measurement

The fair values of financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent with all previous reporting year.

47 Fair Value Hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the IND AS. An explanation of each level follows below.

Quoted prices in an active market (Level 1):

This level of hierarchy includes financial instruments that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. This category consists of mutual fund investments.

Valuation techniques with observable inputs (Level 2):

This level of hierarchy includes financial instruments, measured using inputs other than quoted prices included within Level 1 that are observable for the instruments, either directly (i.e., as prices) or indirectly (i.e., derived from prices) and rely as little as possible on entity specific estimates. If all significant inputs required to fair value or instrument are observable, the instrument is included in Level 2.

Valuation techniques with significant unobservable inputs (Level 3):

This level of hierarchy includes financial instruments measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. This category consists of investment in unquoted equity instrument.

47.0 The following methods and assumptions were used to estimate the fair values:

The fair values for loans, security deposits were calculated based on cash flows discounted using a current lending rate. They are classified as Level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risks, which has been assessed to be insignificant.

The fair values of non-current borrowings are based on the discounted cash flows using a current borrowing rate. They are classified as Level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including own credit risks, which was assessed as on the balance sheet date to be insignificant.

47.1.1 Assets and Liabilities measured at Fair Value - recurring fair value measurements

As at 31st March 2026 and 31st March 2025

Particulars	31st March, 2026			31st March, 2025		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
Financial Assets						
Investment in Equity Instruments	-	-	-	-	-	-
Investment in Mutual Fund	3,122.76	-	-	-	-	-
Portfolio Management Services	1,470.87	-	-	-	-	-
Alternative Investment Fund	-	-	2,598.62	-	-	-
Other Financial Assets	-	-	-	-	-	-

Financial Liabilities						
Borrowings	-	-	3.20	-	-	1,924.12
Trade Payables	-	-	1,324.17	-	-	3,170.21
Other Financial Liabilities	-	-	166.47	-	-	220.16
Total Financial Liabilities	-	-	1,493.84	-	-	5,314.49

Notes:

(i) Management uses its best judgment in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of all the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of the financial instruments subsequent to the respective reporting dates may be different from the amounts reported at each year end.

(ii) The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period. There have been no transfers between Level 1, Level 2 and Level 3 from March 31, 2025 to March 31, 2026.

(iii) Reconciliation of level 3 fair value measurement is as below:

Particulars	As at March 31, 2026	As at March 31, 2025
Balance at the beginning of the year	-	-
Additions during the year	2,586.81	-
Fair value changes during the year	11.81	-
Balance at the end of the year	2,598.62	-

48 Financial Risk Management

The Company has a Risk Management Policy which covers risk associated with the financial assets and liabilities. The Risk Management Policy is approved by the director. The different types of risk impacting the fair value of financial instruments are as below:

48.1 Credit Risk

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks. Financial instruments that are subject to concentrations of credit risk, principally consist of investments, trade receivables and balances with banks. None of the financial instruments of the Company result in material concentrations of credit risks.

Trade receivables

Trade receivables are typically unsecured, considered good and are derived from revenue earned from customers. Customer credit risk is managed as per Company's policy and procedures which involve credit approvals, establishing credit limits and continually monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. Outstanding customer receivables are regularly monitored. Refer below for the credit risks arising out of outstanding trade receivables.

As at 31st March, 2026

Reconciliation of loss allowance provision	Trade Receivable
Loss allowance on 1 April, 2025	41.51
Changes in loss allowance	(41.51)
Loss allowance on 31 March, 2026	-

48.2 Liquidity Risk

Liquidity risk refers to the risk that the Company may not meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements.

The Company has obtained fund and non-fund based working capital lines from various banks. The Company invests its surplus funds in bank fixed deposit and in liquid schemes of mutual funds, which carry no/low market risk.

(i) Maturity Analysis for financial liabilities

The table below provides details regarding the contractual maturities of financial liabilities including estimated interest payments, if any as at March 31, 2026 and March 31, 2025

The following are the remaining contractual maturities of financial liabilities as at 31st March, 2026

₹ in Lakh

Particulars	Carrying Amount	Contractual cash flows	Less than 1 year	Between 1 - 5 years	More than 5 years
Borrowings	3.20	3.20	3.20	-	-
Trade Payables	1,324.17	1,324.17	1,324.17	-	-
Other Financial Liabilities	166.47	166.47	166.47	-	-
Total	1,493.84	1,493.84	1,493.84	-	-

The following are the remaining contractual maturities of financial liabilities as at 31st March, 2025

₹ in Lakh

Particulars	Carrying Amount	Contractual cash flows	Less than 1 year	Between 1 - 5 years	More than 5 years
Borrowings	1,924.12	1,924.12	1,922.89	1.23	-
Trade Payables	3,170.21	3,170.21	3,170.21	-	-
Other Financial Liabilities	220.16	220.16	220.16	-	-
Total	5,314.49	5,314.49	5,313.26	1.23	-

- (ii) The Company has certain undrawn credit facilities which can be accessed as and when required; such credit facilities are reviewed at regular intervals. Thus, no liquidity risk is perceived at present.

The Company has access to following financing facilities which were undrawn as at the end of the year:

Undrawn financing facility	As at March 31, 2026	As at March 31, 2025
Secured working capital facilities:		
Amount used	3.20	1,722.89
Amount unused	1,677.39	577.58

* Secured working facilities has been compared based on drawing power of the previous month of the respective reporting date

- (iii) The amounts are gross and undiscounted, and include contractual interest payments and exclude the impact of netting agreements (if any). The interest payments on variable interest rate loans in the tables above reflect market forward interest rates at the respective reporting dates and these amounts may change as market interest rates change. The future cash flows on derivative instruments may be different from the amount in the above tables as exchange rates change. Except for these financial liabilities, it is not expected that cash flows included in the maturity analysis could occur significantly earlier, or at significantly different amounts. When the amount payable is not fixed, the amount disclosed has been determined with reference to conditions existing at the reporting date.

48.3 Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises four type of risks: Commodity Price Risk, Foreign Exchange Risk, Interest Rate Risk and Other Price Risk. Future specific market movements cannot be normally predicted with reasonable accuracy.

Commodity Price Risk

The Company primarily imports Coal, Scrap, Manganese Ore and Copper Mould Tube. It is exposed to commodity price risk arising out of movement in prices of such commodities. Such risks are monitored by tracking of the prices and are managed by entering into fixed price contracts, where considered necessary.

Price Risk

The Company's exposure to equity securities price risk arises from investments held by the Company and classified in the balance sheet either at fair value through profit and loss. Having regard to the nature of securities, intrinsic worth, intent and long term nature of securities held by the Company, Fluctuation in their prices are considered acceptable and do not warrant any management.

Exposure to other market price risk

₹ in Lakhs

Particulars	As at 31st March 2026	As at 31st March 2025
Investment in Mutual Funds	3,122.76	-
Investment in Portfolio Management Services	1,470.87	-
Investments in Alternate Investment Fund	2,598.62	-
	7,192.25	-

Sensitivity

The table below summarizes the impact of increases/decreases of the market prices of the Company's investment:

₹ in Lakhs

Particulars	31st March, 2026			31st March, 2025		
	Sensitivity Analysis	Impact On		Sensitivity Analysis	Impact On	
		Profit before tax	Impact on Other Equity		Profit before tax	Impact on Other Equity
Increased by 5%	5%	359.61	272.67	5%	-	-
Decreased by 5%	5%	(359.61)	(272.67)	5%	-	-

Foreign Currency Exchange Rate Risk

Foreign Currency risk is the risk that fair value of the future cash flows of a financial instrument will fluctuate because of changes in the foreign exchange rates. The company undertake transactions in foreign currencies, consequently, exposures to exchange rate fluctuations arise. Any weakening of the functional currency may impact the Company's cost of imports. The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks. Exchange rate exposure are managed with in approved policy parameters utilizing foreign exchange forward contracts. The Company, as per its risk management policy, uses such forward contract derivative instruments primarily to hedge foreign exchange fluctuations.

a) Exposure to currency risk

The Company's exposure to foreign currency risk at the end of the reporting period are as follows:

i) Unhedge Foreign Currency Exposure

₹ in Lakhs

Particulars	31st March, 2026		31st March, 2025	
	USD	INR	USD	INR
Financial Assets (A)				
Other Receivables	-	-	-	-
Financial Liabilities (B)				
Import Creditors	-	-	1.95	166.97
Net Exposure in foreign currency (B-A)	-	-	1.95	166.97

ii) Hedge Foreign Currency Exposure

₹ in Lakhs

Particulars	31st March, 2026		31st March, 2025	
	USD	INR	USD	INR
Derivative Assets (A)				
Trade Receivable	-	-	1.23	105.23
Other Receivables	-	-	-	-
Derivative Liabilities (B)				
Import SBLC/Suppliers Credit	-	-	14.74	1,261.53
Interest on import SBLC/Suppliers Credit	-	-	0.25	21.19
Net Exposure in foreign currency (B-A)	-	-	13.76	1,177.49

III Derivative Financial Instruments and Risk Management

The Company has entered into variety of foreign currency forward contracts to manage its exposure to fluctuations in foreign exchange rates. These financial exposures are managed in accordance with the Company's risk management policies and procedures.

The Company uses forward exchange contracts to hedge its exposures in foreign currency arising from firm commitments and highly probable forecast transactions. Forward exchange contracts that were outstanding on respective reporting dates are as follows:

₹ in Lakhs

Currency	Cross Currency	31st March, 2026					
		Buy			Sell		
		In USD	In EURO	In INR	In USD	In EURO	In INR
US Dollar	INR		-	-		-	-
Currency	Cross Currency	31st March, 2025					
		Buy			Sell		
		In USD	In EURO	In INR	In USD	In EURO	In INR
US Dollar	INR	15.06		1,291.10	1.24	-	106.22

The aforesaid hedges have a maturity of less than 1 year from the year end.

b Sensitivity Analysis

The Analysis is based on assumption that the increase/decrease in foreign currency by 5% with all other variables held constant, on the unhedged foreign currency exposure.

Particulars	31st March, 2026			31st March, 2025		
	Sensitivity Analysis	Impact On		Sensitivity Analysis	Impact On	
		Profit before tax	Impact on Post Tax - Equity		Profit before tax	Impact on Post Tax - Equity
USD Sensitivity Increase	5%	-	-	5%	(8.35)	(6.25)
USD Sensitivity (Decrease)	5%	-	-	5%	8.35	6.25

The movement in the profit before tax and post tax equity is a result of a change in the fair value of derivative financial instruments not designated in a hedge relationship and monetary assets and liabilities.

48.4 Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group exposure to the risk of changes in market interest rates relates primarily to the Group's long term and short term borrowing with floating interest rates. The Company constantly monitors the credit markets and rebalances its financing strategies to achieve an optimal maturity profile and financing cost.

a. Exposure to interest rate risk

Particulars		31st March, 2026	31st March, 2025
Fixed Rate Instruments			
Financial Assets	(A)	638.74	10,755.45
Financial Liabilities#	(B)	-	1,536.18
	(C) = (B) - (A)	(638.74)	(9,219.27)
Variable Rate Instruments			
Financial Assets	(A)	-	-
Financial Liabilities	(B)	3.20	387.95
	(C) = (B) - (A)	3.20	387.95

Fixed rate Financial liability instrument includes Vehicle Loans.

A Change in 50 bps in interest rate would have following impact on Profit before Tax and Other Equity.

Particulars	31st March, 2026				31st March, 2025			
	Sensitivity Analysis	Impact on		Sensitivity Analysis	Impact on			
		Profit before tax	Other Equity		Profit before tax	Other Equity		
Interest Rate Increase by	0.50%	(0.02)	(0.01)	0.50%	(1.94)	(1.45)		
Interest Rate Decrease by	0.50%	0.02	0.01	0.50%	1.94	1.45		

49 Capital Risk management

The Company's objective to manage its capital is to ensure continuity of business while at the same time provide reasonable returns to its various stakeholders but keep associated costs under control. In order to achieve this, requirement of capital is reviewed periodically with reference to operating and business plans that take into account capital expenditure and strategic investments. Apart from internal accrual, sourcing of capital is done through judicious combination of equity and borrowing, both short term and long term. Net debt (total borrowings less cash & cash equivalents and Other bank balance) to equity ratio is used to monitor capital.

Particulars	March 31, 2026	March 31, 2025
Short term debt (Refer Note - 21)	3.20	1,922.89
Long term debt (Refer Note - 21)	-	1.23
Total Borrowings	3.20	1,924.12
Less: Cash & Cash Equivalents (Refer Note - 17)	(729.42)	(8.60)
Less : Bank Balance other than cash and cash equivalent (Refer Note - 18)	(396.74)	(515.16)
Less : Current Investment	(4,593.63)	-
Net Debt (Net Cash Surplus) (A)	(5,716.59)	1,400.36
Equity Share Capital (Refer Note - 19)	1,152.53	1,152.53
Other Equity (Refer Note - 20)	28,561.51	25,822.48
Total Equity (B)	29,714.04	26,975.01
Gearing Ratio	*	5.19%

* The Company has net cash surplus as on 31st March 2026.

50 The company and its associate use accounting software including payroll software and additionally the associate uses weighment software for maintaining its books of account for the financial year ended March 31, 2026, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software.

However, in respect of accounting software of the company, the audit trail feature is not enabled at the database level in respect of accounting software whereas, for its associate, audit trail feature was enabled at the database level in respect of accounting software from June 11, 2025 and was not enabled at the database level in the weighment software throughout the year.

Further, no audit trail feature was tampered with in respect to the accounting software including payroll and weighment software of the Company and its associate.

Additionally, the audit trail has been preserved by the Company and its associate as per the statutory requirements for record retention to the extent it was enabled and recorded in the respective years.

51 Events after the reporting period

No significant adjusting event occurred between the balance sheet date and date of the approval of these consolidated financial statements by the Board of Directors of the Company requiring adjustment or disclosure.
