CORPORATE SOCIAL RESPONSIBILITY

THE JOURNEY SO FAR.....

Dear Shareholders,

We are pleased to announce the completion of 25 successful years of Cupid Limited. During the course of our journey, we touched new highs in terms of financial and operating performances and simultaneously prepared ourselves to capitalize on the future opportunities.

Before taking you through our future plans and strategy, I would like to give you a glimpse of some of our accomplishments and key highlights of our illustrious journey over the last 25 years. We began our journey on 17th Feb'93 with the name "Cupid Rubber Limited" and got listed on BSE in 1995. We initially started off producing male condoms and now have diversified in to female condoms and water-based lubricant jelly. We began commercial production of male condoms and received our first export order in 1998. We received our first order from Govt of India in 2002 and followed it up with new order awarded in 2005 and 2017. In 2003, the company's name changed from "Cupid Rubbers Limited" to "Cupid Condom Limited" and in 2006, the company's name changed once again from "Cupid Condom Limited" to "Cupid Limited". We imported machinery from Germany for expansion and technology update and expanded our capacity from 160 mn to 320 mn per annum which was increased to 400 mn in 2007. In 2010, Cupid's female condom ("FC-1") was successful in getting its first confirmed export order from South Africa. We received prequalification for female condoms by UNFPA / WHO in 2012 and received order worth \$16.3 mn (₹ 1032.2 mn equivalent) for female condoms from National department of Health(NDOH) through our distributors in South Africa in 2015. We also started production of new product water based lubricant jelly in 2015. We got listed on NSE in 2016. We also featured in Forbes Asia's 200 best under a billion list which was again a rare achievement for an Indian Company. We delivered male condoms along with lubricants packed together for the first time to South Africa in 2017 against an international tender and exported water based Lubricant Jelly packed in tubes to a Central American country for the first time, through an international tender. We launched Cupid Angel female Condom in the same year. We received the contract worth INR 40.09 Cr during August, 2018 from South African Treasury Department through our agents situated in South Africa for supply of Male condoms (worth ₹ 23.80 Cr) and Female condoms (worth ₹ 16.29 Cr) during the period from October 2018 to September 2019.

Going forward, we plan to add Hand Sanitizer, different types of wipes and Vaginal wash and related Hygiene products to our product portfolio and adopt digital marketing extensively to support sales and promotional activities for our branded products.

I would like to take this opportunity to thank you all for showing your trust and support to the company. I would also like to thank all our employees who have made this journey possible.

Best regards,

Omprakash Garg
Chairman & Managing Director

Chairman Speech

Dear Shareholders,

It gives me great pleasure to present the developments and financial performance of fiscal 2018. The year was a mixed bag as we started off on a bright note but experienced a bit of slowdown in the second half due to macro and a Female Condom orders related issues. Nonetheless, this year was also a good one in terms of your Company using this mild downturn to focus on developing new products as well as enhancing capacities.

On the financial front, we ended the year with a Total Operating income of ₹ 806.0 million (mn) for FY18 as compared to ₹ 836.4 mn in the corresponding period of the previous year reflecting a decrease of 3.6 %. EBITDA stood at 283.3 mn as compared to 346.3 mn during the fourth quarter of previous year translating to a margin of 34.6%. Net profit was thereby impacted, and we closed the year with a net profit of ₹ 170.9 mn for FY18 as compared to ₹ 205.5 mn in the corresponding period of the previous year which is a decrease of 16.8 %.

Let me take you through the reasons for the dip in revenue and profitability for the year. The revenue of the Company, particularly in the second half of the year, was impacted by the political upheaval in South Africa which resulted in a drastic cut back in the health department's budget. This was compounded by the shifting of dispatches of the Government of India order for male condoms from the fourth quarter of FY17. The decline in revenue along with an unfavorable product mix between male and female condoms impacted the margins and hence the profitability at the net level. We expect the above to be a temporary phenomenon and hence would see some of these orders come back to the Company in the current fiscal.

On the positive side, in addition to fulfilling several repeat orders from our existing customers from various countries, the Company received new orders from WHO/UNFPA covering new geographies and two new contract manufacturing orders from the Domestic market. Despite the significant cut backs in the South African demand for Female Condoms, we increased our sales into new Geographies like Central African Republic, Guatemala, Honduras, Jordan, Tajikistan, Morocco, Tanzania & Uzbekistan. As on Mar 31st, 2018, we have confirmed and repeat order worth 630 mn to be executed during this year. This does not include any potential orders Cupid may get from the South African and the Government of India tenders.

Further, we initiated a process to increase our capacities by about 40% despite the tepid order inflow in the second half and this was a well thought out strategy to address future opportunities that your Company envisages. The other interesting development on the capacity augmentation side is that in addition to continuing to import female and male condoms and lubricants, the Government of South Africa has decided to offer some incentives for manufacturers like Cupid to set up a local manufacturing unit in South Africa and Cupid has joined hands with a local partner to set up a domestic local manufacturing unit and submitted a bid to the Treasury as a part of the tender bid document, which is under review. We believe this will further entrench our presence in the market which has the largest population of HIV positive and STIs in the world.

We made significant strides on the R & D front too. We launched a patented male condom which is unique in design and offers extra sexual satisfaction while the second product, a water-based lubricant jelly in form of sachet, tubes and bottles was launched in the third quarter of this year. The demand for the water based lubricant jelly looks encouraging. We are also in a process to launch a specialized and innovative hand sanitizer which would also be sold in the form of sachet, tube and bottle and we are hoping that with time these new products would add to our revenue streams.

Another important development during this year is that we have completed all the modules for the premarket application service for the USFDA registration. We have written to the FDA to guide us in terms of the protocol for the clinical trial to be done in US under US regulations. We are still awaiting the guidelines from USFDA on this issue. A related development in this respect is that the USFDA is considering downgrading the classification of female condoms from Class III to Class II, which is just like male condom. If that happens, we believe that clinical trial requirements may also be eased out which will help your Company to accelerate its entry into the US market.

One key area where the Company is making rather slow progress is brand promotion. This is a very challenging task and we have taken small steps in the last six months to improve our visibility and reach in the country. We do believe that we have great products in our portfolio and a better brand awareness would further enhance the performance of the Company. We have set ourselves a target of approximately 100 mn in the next 3 years from retail sales in India. One small step in this direction was an extensive Digital marketing strategy which was done to spread awareness about Cupid Male & Female Condoms.

Training and educating users and influencers of our products is an important part of our strategy. To this end, Cupid developed a comprehensive training program related to the HIV and Cupid Female Condoms with the cooperation of Department of Health, South Africa. The training program is in the process of being presented to Health personnel and the users of Female Condoms covering all the 9 provinces of South Africa.

The outlook for FY19 looks promising with the recent contract received from South African Treasury Department through our agents situated in South Africa worth ₹ 40.09 Cr for supply of Male and Female condoms and we are confident that we will put the struggles of fiscal 2018 behind us and embark on the orbit of growth. At this juncture, I would like to thank all our employees, customers and more importantly our shareholders who have fully supported us in this journey.

As I close, I would like to remind you that your Company had paid ₹ 2 per share as an interim dividend after the second quarter results and we had proposed ₹ 2 per share as a final dividend and ₹ 0.50 per share as a special dividend, bringing the total for the FY'17-18 to ₹ 4.5 per share which is the highest dividend your company has paid to the shareholders as of date. We are hoping that we will continue in the same trajectory and maximize shareholders wealth as we move ahead.

Best regards,

Omprakash Garg

DIRECTORS' REPORT

To,
The Members,

The Board of Directors is pleased to present herewith the 25th Annual Report of your Company together with the Audited financial statements for the year ended 31st March, 2018. The Management Discussion and Analysis has been annexed to the Directors Report.

FINANCIAL RESULTS

The highlights of financial results of the company are as follows: -

Particulars	(₹ In lacs)	
	For the financial year 2018 (FY18)	For the financial year 2017 (FY17)
Operating Revenues / Turnover	8178.21	8443.89
Profit before Depreciation & Amortization, Finance charges	2832.81	3463.21
Depreciation & Amortization	217.85	209.80
Finance Charges	5.72	11.68
Profit / (Loss) before tax	2609.24	3241.73
Provision for taxation (incl. deferred tax)	900.22	1186.88
Profit / (Loss) after tax	1709.02	2054.85

During the period under review, the Company registered an operating revenues from ₹ 8,443.89 lacs in FY17 to ₹ 8,178.21 lacs in FY18. The revenue was impacted by the political upheaval in South Africa which resulted in a drastic cut back in the health department's budget. This was compounded by the shifting of dispatches of the Government of India order for male condoms from the fourth quarter. The decline in revenue along with an unfavourable product mix between male and female condoms impacted the margins and hence the profitability at the net level. In the total operating revenues, the male condoms contributed about 47% in value terms as against 49% for the female condoms and the newly launched water based lubricant jelly contributed around 4% as well.

From the margins standpoint, our EBITDA margins stood at 35% in FY18, however on absolute basis, the margins decreased at 18% from ₹ 3,463.21 lac in FY17 to ₹ 2832.81 lac in FY18. At the net profit level, we closed this financial year with a net profit of ₹ 1709.02 lac as against ₹ 2,054.85 lac in the previous year which is a decrease of 17%.

DIVIDEND

Your Board of Directors' had declared 1st interim dividend of ₹ 2 (i. e. 20%) per equity share at their meeting held on 8th November, 2017. Further, Board also recommended final dividend of ₹ 2 (i.e. 20%) per equity share and special dividend of ₹ 0.50 (i.e. 5%) per equity share for FY 2017-18 at their meeting held on 14th May, 2018 which is subject to approval of shareholders in the ensuing AGM. Hence, during the year, the Company will pay a total dividend of ₹ 4.50 (i.e. 45%) per equity share if the final and special dividend will approved by shareholders.

RESERVES

The whole of profit after tax has been transferred to Profit & Loss account. Interim Dividends are paid and Final and Special Dividend provision along with Dividend Distribution Taxes are adjusted in the Profit & Loss account. There is no other amount that has been proposed to be carried to any other reserves.

CHANGE IN NATURE OF BUSINESS

The Company manufactures Male and Female Rubber Contraceptives & Lubricant Jelly. There is no any change in the business carried on by the Company during the year under review.

SHARE CAPITAL

ANNEXURE 1

FORM NO. MR-3

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2018

[Pursuant to section 204(1) of the Companies Act, 2013
and rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
CUPID LIMITED, NASHIK.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Cupid Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31 March, 2018 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31 March, 2018 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; **(Not applicable to the Company during the Audit Period)**;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable to the Company: —
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009. **(Not applicable to the Company during the Audit Period)**
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; **(Not applicable to the Company during the Audit Period)**
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations 2008; **(Not applicable to the Company during the Audit Period)**;
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 **(Not applicable to the Company during the Audit Period)**; and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 **(Not applicable to the Company during the Audit Period)**.

Laws Specifically Applicable:-

- a. Drugs & Cosmetics Act, 1940 & Rules 1945. (Under Food & Drugs Administration, Maharashtra)
- b. Drugs (Price Controls) Order 2013 (Under Food & Drugs Administration, Maharashtra)

- c. Drugs & Magic Remedies (objectionable Advertisement) Act, 1954 & Rules 1955. (Under Food & Drugs Administration, Maharashtra). I have relied on the representation made by the Company and its officers for systems and mechanism formed by the Company for compliances under other applicable Acts, Laws and Regulations to the Company.
- d. The list of major head / groups of Acts, Laws and Regulations as applicable to the Company is given in "Annexure A".
I have also examined compliance with the applicable clauses of the following: -
 - a. Secretarial Standards issued by The Institute of Company Secretaries of India.
 - b. Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, as mentioned above.

I further report that:-

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There is no any change in the composition of the Board of Directors during the period under review.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, the Company has passed following Special Resolutions in pursuance of the above referred Laws, Rules, Regulations, Guidelines, Standards.

1. Reappointment of Mr. Pradeep Kumar Jain as an Independent Director of the company.

ANNUAL REPORT ON CSR INITIATIVES

(Particulars required as per Companies (Corporate Social Responsibility Policy) Rules, 2014 as amended from time to time)

1. Brief outline of the Company's CSR Policy, including overview of the projects or programs proposed to be undertaken:-

The Company had proposed to undertake activities relating to Promotion of Preventive Healthcare by way of Donation to FPAI to carry out IEC i.e. informational, educational and counseling activities for communities across 40 branches and Contribution to Yuva Mitra to carry out the health awareness program named as "SUKANYA" for adolescent girls in village areas. The activities and funding are monitored internally by the Company.

2. The Composition of the CSR Committee:-

Mr. Pradeep Kumar Jain, Chairman

Mr. Omprakash Garg, Member

Mr. Jandhyala L. Sharma, Member

3. Average net profit of the Company for last three Financial Years:-

(Average Net Profit calculated in accordance with the provisions of the Section 198 of the Companies Act, 2013)

The average net profit for the last three years is ₹ 2,327.02 lacs.

4. Prescribed CSR Expenditure (two percent of the amount as in item 3 above).

The Company was required to spend ₹ 46.54 lacs towards CSR for the Financial Year 2017-18.

5. Details of CSR spent during the Financial Year.

a. Total amount to be spent for the financial year: ₹ 46.54 lacs.

b. Amount unspent, if any: ₹ 31.54 lacs

c. Manner in which the amount spent during the financial year detailed below:

In accordance with the Company's CSR policy and in compliance with the Companies (Corporate Social Responsibility Policy) Rules, 2014, Cupid Limited have undertaken CSR project. During the year under review the CSR Committee identified the area of Promotion of Preventive Healthcare for doing CSR under which Donation is given to FPAI to carry out IEC i.e. informational, educational and counseling activities for communities across 40 branches and Contribution made to Yuva Mitra to carry out the health awareness program named as "SUKANYA" for adolescent girls in village areas.

The details are as under:-

(₹ In lacs)						
Sr. No.	CSR project or activity identified	Sector in which the project is covered	Projects or programs (1) Local area or other (2) Specify the State and district where projects or programs were undertaken	Amount outlay (budget) project or programs wise	Amount spent on the projects or programs	Amount spent: Direct or through implementing agency
1.	Donation to FPAI to carry out IEC i.e. informational, educational and counseling activities for communities across 40 branches.	Promotion of Preventive Healthcare	Maharashtra	5.00	5.00	5.00
2.	Contribution to Yuva Mitra to carry out the health awareness program named as "SUKANYA" for adolescent girls in village areas.	Promotion of Preventive Healthcare	Sinnar, Nashik (Maharashtra)	10.00	10.00	10.00
	TOTAL			15.00	15.00	15.00

- 6. In case the Company has failed to spend the two percent of the average net profit of the last three financial years or any part thereof, the Company shall provide the reasons for not spending the amount in its Board report.**

The company has not spent the remaining amount of ₹ 31.54 lacs during the year due to occurrence of financial slowdown in a company because of which it was uneasy to spend the whole amount of ₹ 46.54 Lacs towards CSR activities in FY 2017-18.

- 7. A responsibility statement of the CSR committee that the implementation and monitoring of CSR Policy, is in compliance with CSR objectives and Policy of the company.**

Pursuant to the Companies (Corporate Social Responsibility Policy) Rules, 2014, we hereby confirm that the CSR Committee has implemented and monitored the CSR initiatives of Cupid in line with CSR Objectives and Policy of the Company.

Pradeep Kumar Jain

Chairman of CSR Committee

Omprakash Garg

Member of CSR Committee /
Chairman & Managing Director

Jandhyala L. Sharma

Member of CSR Committee

ANNEXURE – 4

MANAGEMENT DISCUSSION AND ANALYSIS

Economy Outlook

World GDP expanded to 3.8% in 2017 as per IMF estimates, led by recovery in advanced economies, strong growth in emerging markets including Asia & Europe and recovery in commodity exporting economies. Global growth is expected to continue its strong momentum and increase by 3.9% in 2018 owing to expansionary fiscal policy in the United States, improving business and consumer confidence and uptick in global trade. However, inflationary environment due to increasing fuel prices, increasing interest rate in the advanced economy and imposition of global trade barriers could act as major headwinds.

Indian economy is estimated to have expanded at its slowest pace in the last four years having grown by 6.7% in 2017-18 due to disruption in economic activity caused by structural reforms such as demonetisation and implementation related issues of Goods and Services Tax (GST). However, the economy is showing signs of revival which is evident from the pickup in consumption demand and increase in manufacturing activity. Revival in rural demand, increased infrastructure spending and surge in private consumption, investment and exports is likely to drive India's growth to 7.5% in 2018-19. As such, India will continue to retain the tag of fastest major economy in the world. However, rising trade protectionism, rising crude oil prices and volatile market conditions could hinder country's growth to some extent.

Industry Demand Scenario

Widespread increase in sexually transmitted diseases (STDs) and sexually transmitted infections (STIs) over the last few years has led to a growing awareness for sexual health and well-being leading to concerted efforts in preventing these diseases. This awareness will positively impact the demand and purchase of contraceptives, and in turn, the growth of the global condom market over the next few years. Condoms are used both for the prevention of unintended pregnancies & spread of STIs & STDs. Growing awareness and demand for contraceptives is expected to drive the condom market growth worldwide.

The government in most of the developing countries are taking initiatives for creating awareness about contraceptives by conducting programs and collaborating with NGOs and encouraging the use of condoms through free distribution and imparting knowledge to prevent the spread of STDs and restrict population growth. In urban areas, modern education and career aspirations have been crucial factors for the increasing use of contraceptives. Increasing number of women in the workforce and practices of seeking expert help for delayed pregnancy are resulting in increased use of condoms. According to Arizton Advisory & Intelligence, the global condom market is expected to cross \$11 billion in terms of revenue by 2023, growing at an unprecedented CAGR of 8.62% during 2017-23, with male and female condom sale expected to cross 48 billion units during the period.

Male condoms continue to dominate the worldwide condom market by volume. They are the cheapest contraceptive available in the market. Along with this, better availability combined with ease of usage and disposal are the factors driving the growth of male condoms. Introduction of female condoms has created a new market segment itself for the worldwide condom market. Female condom is the only women controlled device which provides dual protection against the spread of STIs including HIV and prevention of unintended pregnancy. Female condoms are being promoted by institutions like UNAIDS, USAID & UNFPA in several developing countries including Ghana, South Africa, and Brazil. The market in the developed countries is seeing an increase in the adoption of female condoms, especially in the US, France, Germany, UK, and few developing countries including Sub Sahara African countries. Highest consumption of Female condoms up to 75% of total consumption are from the countries of Sub Sahara region & Brazil. The growth forecast for Female Condom is @14.5% CAGR.

Factors that are going to drive the growth in the sale of condoms going forward are:

1. Growing number of STIs including HIV/AIDS

To control these deadly diseases, many Governments worldwide are taking affirmative action by promoting use of contraceptives, especially Female condoms. According to the UNAIDS, there were an estimated 36.7 million people globally living with HIV in 2016 while an estimated 35.0 million people have died from the illness since the start of the epidemic.

2. Preferred choice for family planning and birth control measures

There is a growing preference for condoms as preferred choice of contraception given the potential health hazards of using contraceptive pills. Moreover, with the increase in per-capita income and rise in dual income households owing to urbanization and more career-focused lifestyles in the developing countries, the use of these type of contraceptives are increasing, thereby giving a healthy push to the global condom market.

3. Initiatives by Government worldwide to create awareness

Governments across the world have formulated programs to spread awareness and encourage the use of condoms to

prevent unwanted pregnancy and to prevent the spread of sexually transmitted diseases.

4. Increased marketing and promotional activity along with innovative condom designs

Along with the urbanization, innovative packaging styles, increased marketing and promotional activities and introduction of innovative condom designs are expected to boost the market growth.

To summarize, factors such as increase in the incidence of unwanted pregnancies, unmet need for contraception in developing countries, growing awareness and initiatives taken by the governments to prevent unwanted pregnancies and exponential growth in Sexually Transmitted Diseases (STD) are expected to boost the demand for condoms with time. Factors such as an increase in per capita discretionary income of people globally and a rapid growing number of dual-income households in developing as well as developed markets are other major growth factors for the market.

Company Review

We started our journey in 1993 and currently we are a leading condom manufacturing company in India engaged in designing and manufacturing of male condoms, female condoms and lubricant jelly. In 2012, Cupid was the first company in India and only second in the world to have pre-qualified for Female Condom accredited by WHO (World Health Organization)/UNFPA (United Nations Population Fund) for worldwide public distribution. From a manufacturing standpoint, our facility at Nashik is mapped to global standards with best quality practices and accredited with various quality standards. As a testimony to our systems, we are WHO-GMP approved along with certifications from ISO standards such as 9001:2008, 13485:2003, 14001:2004, CE-0434, pre-qualification from UNFPA, SABS Mark, USFDA_510k for male condoms, Indian FDA amongst others. We have a strong focus on research and development initiatives which have enabled us to develop and improve our product portfolio. We have an active research and development centre in addition to our production facility at Nashik enabling us to innovate and enhance our product portfolio and remain ahead of the curve in meeting the emerging requirements of our customers.

Historically, we have operated predominantly in the B2B space, but we are now focusing equally in the B2C category. In the B2B segment, we primarily cater to governments and institutional buyers worldwide for prevention of AIDS, STIs, STDs and also prevention of unintended pregnancies. We are actively exploring the possibility of working with a distribution company to increase our B2C business. We are also engaged in contract manufacturing business, whereby we undertake contracts and manufacture products under other customers brands. We launched Cupid range of male and female condoms through well-designed promotional activities. On the branding and advertising side, extensive use of digital marketing technique was made to spread awareness and promotion about Cupid Male & Female Condoms. We continued expansion of our sales & distribution networks to market the branded products directly to the consumers.

Fiscal 2018 and in particular, the second half, was a challenging period for the Company. The revenue of the Company was impacted by the political upheaval in South Africa which resulted in a drastic cut back in the health department's budget. We registered a decline of 3.6% in the operating revenues from ₹ 836.4 mn in FY17 to ₹ 806.0 mn in FY18. Out of the total operating revenues, the male condoms contributed about 47% in value terms as against 49% for the female condoms, and water based lubricant jelly added around 4%. From a margins standpoint, our EBITDA margins stood at 34.6% in FY18. At the net profit level, we closed this financial year with a net profit of ₹ 170.9 mn (FY18) as against ₹ 205.5 mn in the previous year which is a decline of 16.8%.

During the year, the company received new export orders from WHO/UNFPA covering new geographies and two new contract manufacturing orders for the Domestic market. A joint venture to set up a local manufacturing facility in South Africa has been submitted to the Treasury as a part of the tender bid document to the Department of Health, Government of South Africa, which is under review. We delivered Male Condoms along with Lubricants packed together for the first time to South Africa against an international tender. Moreover, Cupid also exported its water based Lubricant Jelly packed in tubes to a Central American country for the first time, through an international tender. During the year, Cupid factory was audited by WHO/UNFPA for the renewal of its Pre-Qualification status for a period of further three years to supply both Male & Female Condoms for World Wide distribution. Cupid has developed a comprehensive training program on the use of Cupid Female Condoms for the HIV prevention project with the cooperation of Department of Health, South Africa. The training program will be presented to Health personnel and the users of Female Condoms covering all the 9 provinces in South Africa.

Outlook

We remain optimistic about the future growth of business considering three large tender results from South Africa, Brazil & Indian Government, which are expected to be announced during the first half of FY 19. In order to prepare the company to be ready for these opportunities, Cupid has decided to go for at least 40% increase in production capacity.

We plan to expand our sales by offering different types of Male Condoms with variables related to size, texture, colours and flavours. Further, Female Condoms in two different sizes, with different colours and flavours will be promoted through both

online and offline channels. We believe, by offering a wide variety of products to meet customers' needs will impact positively on both top & bottom line. We have initiated the process to register Cupid Angel Female Condom trade mark in the 28 Eurozone countries. Some of the key initiatives planned for coming year are:

- A. Launch the newly developed products including Hand Sanitizer, different types of wipes and Vaginal wash through online sales.
- B. Appoint a distribution company to increase our B2C business.
- C. Adopting the digital marketing medium to sell Cupid's products through already established ecommerce portals.
- D. Strengthen our distribution network and foray into newer geographies both for the institutional as well the retail business.

REPORT ON CORPORATE GOVERNANCE

The Directors present the Company's Report on Corporate Governance for the year ended on 31st March 2018:

COMPANY'S PHILOSOPHY: -

Cupid Limited governance philosophy is based on trusteeship and transparency. As a corporate player, our business follows a tradition of ethical behavior and disclosures aimed at constructing trust of our stakeholders. The Company's Code of Business Conduct and Ethics and Internal Code of Conduct for Regulating, Monitoring and Reporting of Trades by Insiders reflects our commitment to ethical business practices, integrity and regulatory compliances.

The Company's governance framework is based on the following principles:

1. Proper conduct of business by the Board, Senior Management and Employees;
2. Timely disclosure of necessary information to the stakeholders;
3. Effective composition of the Board, with each member bringing in expertise in their respective domains;
4. Systems are in place for effective internal control; and
5. Access of information to the members of the Board to enable them to perform their duties in efficient manner.

The Company has adopted Code of Conduct & Ethics ("the Code") which is applicable to the Board of directors and Senior Management Team (one level below the Board) of the Company. The Board of Directors and the members of Senior Management Team are required to affirm annual Compliance of this Code. The Code requires Directors and Employees to act honestly, fairly, ethically and with integrity, conduct themselves in professional, courteous and respectful manner. The Code of Conduct is available on the website of the Company viz. http://www.cupidlimited.com/wp-content/uploads/2015/06/01_001_CG_Code_of_Conduct.pdf

Conflict of Interest

Each Director informs the Company on an annual basis about the board and the Committee positions they occupies in the other companies including Chairmanships and notifies changes during the year. Members of the Board while discharging their duties, avoid conflict of Interest in the decision making process. The members of the Board restrict themselves from any discussions and voting in transactions that they have concern or interest.

During the year under review, there were no transactions of any material, financial and commercial transactions, which had personal interest of the management that had a potential conflict with the interest of the Company at large.

Insider Trading Code

The Company has adopted a Code of Conduct for Prevention of Insider Trading ("The Code") in accordance with the requirements of Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015.

The Code is applicable to Promoters and Promoters' Group, all Directors and such Designated Employees who are expected to have access to unpublished price sensitive information in relation to the Company. Shri. Saurabh V. Karmase is the Compliance officer for monitoring adherence to the said Regulations.

AUDIT COMMITTEE:

Composition of the Audit Committee is as follows:-

Mr. Pradeep Kumar Jain – Chairman

Mr. Jandhyala L. Sharma – Member

Mr. Omprakash Garg – Member

The Audit Committee met 4 times during the financial year 2017 – 18. The Company is in full compliance with the provisions of the regulation 18 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 on gaps between any two Audit Committee meetings. The Committee met on 23rd May, 2017; 20th July, 2017; 8th November, 2017 and 6th February, 2018. The necessary quorum was present for all meetings.

The Attendance of the Audit Committee Members as per below: -

Name of Committee Member	No. of Meetings for year 2017 – 2018	
	Held	Attended
Mr. Pradeep Jain	4	3
Mr. Jandhyala L. Sharma	4	3
Mr. Omprakash Garg	4	4

Mr. Pradeep Jain, Chairman of the Audit Committee was present at the 24th Annual General Meeting of the Company held on 7th September, 2017 to answer the shareholders queries.

The Committee is empowered to deal with all such matters as required by Section 177(4) of the Companies Act, 2013 and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. In addition to other business, reviews the quarterly financial results, annual financial statements, before submitting to the Board of Directors, review internal control systems, related party transactions, and appointment and matter related to appointment of auditors and to examine disclosure aspect of significant transactions of the Company.

Terms of Reference - :

The Audit Committee inter alia performs the functions of approving Annual Internal Audit Plan, review of financial reporting system, internal controls systems, discussion on quarterly, and annual financial results, interaction with Statutory and Internal Auditors, one-on-one meeting with Statutory and Internal Auditors, recommendation for the appointment of Statutory and Cost Auditors and their remuneration, recommendation for the appointment and remuneration of Internal Auditors, review of Business Risk Management Plan, review of Forex policy, Management Discussions & Analysis, review of Internal Audit Reports, significant related party transactions. The Board has framed the Audit Committee for the purpose of effective compliance of provisions of Section 177 of the Companies Act, 2013 and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. In fulfilling the above role, the Audit Committee has powers to investigate any activity within its terms of reference, to seek information from employees and to obtain outside legal and professional advice.

Functions of Audit Committee - :

The Audit Committee, while reviewing the Annual Financial Statements also review the applicability of various Accounting Standards (AS) referred to in Section 133 of the Companies Act, 2013. Compliance of the Accounting Standards as applicable to the Company has been ensured in the preparation of the Financial Statements for the year ended 31st March, 2018.

The Audit Committee bridges the gap between the Internal Auditors and the Statutory Auditors. The Statutory Auditors are responsible for performing Independent audit of the Company's financial statements in accordance with the generally accepted auditing practices and issuing reports based on such audits, while the Internal Auditors are responsible for the internal risk controls.

The Audit Committee also oversees and reviews the functioning of a vigil mechanism (implemented in the Company as Whistle Blower Policy) and reviews the finding of investigation into cases of material nature and the actions taken in respect thereof.

Besides the above, Chairman and Directors, Business heads of the Company, the representatives of the Statutory Auditors and the Internal Auditors are permanent invitees to Audit Committee meetings.

The Company follows best practice in financial reporting. The Company has been reporting on quarterly basis the Un-audited financial result as required by the regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Company's quarterly un-audited financial results are made available on the website of the company i.e. www.cupidlimited.com and are also sent to the BSE Limited and National Stock Exchange of India Limited (stock exchanges) where the Company's equity shares are listed.

Internal Controls and Governance Processes - :

The Company has appointed a firm of Chartered Accountant as Internal Auditors to review and report on internal controls system. The report of the Internal Auditors is reviewed by the Audit Committee. The Audit Committee formulates a detailed plan to the Internal Auditors for the year and the same is reviewed at the Audit Committee meetings. The Internal Auditors submit their recommendations to the Audit Committee and provides a road map for future actions.

NOMINATION AND REMUNERATION COMMITTEE:

Composition of the Nomination and Remuneration Committee is as follows:-

Mr. Pradeep Jain	Chairman
Mr. Jandhyala L. Sharma	Member

AUDITORS' CERTIFICATE REGARDING COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

To,
The Member of Cupid Limited,

We have examined the compliance of conditions of Corporate Governance by **CUPID LIMITED** ("The Company"), for the year ended 31st March, 2018, as stipulated in Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The compliance of conditions of Corporate Governance is the responsibility of the Company's Management. Our examination was carried out in accordance with the Guidance Note on Certification of Corporate Governance, issued by the Institute of Chartered Accountants of India and was limited to procedures and implementation thereof, adopted by the company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and the representations made by the Directors and the management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of
CUPID LIMITED

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of Cupid Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS Financial Statements.

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of state of affairs (financial position), profit (financial performance including other comprehensive income), cashflows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with relevant rules thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Ind AS specified under Section 133 of the Act, of the state of affairs of the Company as at 31st March, 2018 and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Other matter

The audited standalone financial statements for the year ended 31 March 2017, was carried out and reported by Bhatte & Company, vide their unmodified audit report dated 23 May 2017, whose report has been furnished to us by the management and which has been relied upon by us for the purpose of our audit of the standalone financial statements. Our audit report is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India, in terms of sub-section (11) of Section 143 of the Act, we give in the "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid Ind AS financial statements comply with the Ind AS specified under section 133 of the Act read with relevant rules thereunder;
 - e) On the basis of the written representations received from the directors as on 31st March, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in

"Annexure B";

- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014(as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - (a) The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statement as referred to in Note no. 31to the Ind AS financial statements.
 - (b) The Company does not have long term contracts including derivative contracts for which there were any material foreseeable losses.
 - (c) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company;
 - (d) The disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016 which are not relevant to these standalone financial statements. Hence, reporting under this clause is not applicable

“Annexure A” to the Independent Auditor’s Report of even date on the Financial Statements of CUPID LIMITED

Referred to in paragraph 1 under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the financial statements of the Company for the year ended March 31, 2018:

- 1) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;
- (b) The Fixed Assets have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the fixed asset has been physically verified by the management during the year and no material discrepancies between the books records and the physical fixed assets have been noticed.
- (c) The title deeds of immovable properties (which are included under the Note 2 - ‘Property, plant and equipment’) are held in the name of the Company.
- 2) In our opinion, the management has conducted physical verification of inventory at reasonable intervals during the year, except for goods-in-transit. No material discrepancies were noticed on the aforesaid verification.
- 3) The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the Register maintained under section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a) to (C) of the Order are not applicable to the Company and hence not commented upon.
- 4) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 In respect of loans, investments, guarantees, and security.
- 5) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- 6) In pursuant to the rules made by the Central Government of India the company is requested to maintain cost records as specified under section 148(1) of the act in respect of its products. We have broadly reviewed the same and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not however made a detailed examination of the records with a view to determine whether they are accurate or complete.
- 7) (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Sales tax, Service Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2018 for a period of more than six months from the date on when they become payable.
- b) According to the information and explanation given to us, the dues in respect of income tax, sales tax, service tax, duty of customs, duty of excise, value added tax outstanding on account of any dispute.
- 8) According to the records of the company examined by us and the information and explanation given to us, the company has not defaulted in repayment of loans or borrowings to any financial institution or bank as at balance sheet date.
- 9) Based upon the audit procedures performed and the information and explanations given by the management, the company has not raised moneys by way of initial public offer or further public offer including debt instruments and term Loans. Accordingly, the provisions of clause 3 (ix) of the Order are not applicable to the Company and hence not commented upon.
- 10) Based upon the audit procedures performed and the information and explanations given by the management, we report that no fraud by the Company or on the company by its officers or employees has been noticed or reported during the year.
- 11) Based upon the audit procedures performed and the information and explanations given by the management, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act;
- 12) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 4 (xii) of the Order are not applicable to the Company.
- 13) In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.

- 14) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence reporting under clause 3 (xiv) of the Order is not applicable to the Company.
- 15) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.
- 16) In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company and hence not commented upon.

“Annexure B” to the Independent Auditor’s Report of even date on the Financial Statements of CUPID LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2018 we have audited the internal financial controls over financial reporting of CUPID LIMITED. (“the Company”) which is a Company incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Accompanying notes to the financial statements for the Year Ended 31st March, 2017

SIGNIFICANT ACCOUNTING POLICIES

I. Company Overview

Cupid Limited ('the Company') is a public company domiciled and incorporated in name of Cupid Rubber Limited in the state of Maharashtra on 17th February, 1993. The name was subsequently changed to Cupid Condom Limited with effect from 8th December, 2003 and further change to Cupid Limited with effect from 2nd January, 2006 as per permission affirmation by Central Government. The Company received the Certificate of Commencement of Business on 20th February, 1993.

The main object of Company on incorporation was to carry on business of dealing, marketing and manufacture of rubber contraceptives and allied prophylactic products. Later on main object of Company have been appended with obligatory permissions to entered into Diamonds, Gold, Silver and other allied precious products international or domestic trading/manufacturing/connected business segments.

II. Significant accounting policies:

i) Basis of Preparation and Presentation:

The Financial Statements are prepared in accordance with Indian Accounting Standards (IndAS) notified under Section 133 of the Companies Act, 2013 ("Act") read with Companies (Indian Accounting Standards) Rules, 2015; and the other relevant provisions of the Act and Rules thereunder.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. The Financial Statements have been prepared under historical cost convention basis except for certain financial assets and financial liabilities measured at fair value

Authorisation of Financial Statements: The Financial Statements were authorized for issue in accordance with a resolution of the directors on 14th May 2018.

ii) Use of Estimates and Judgments:

The preparation of the financial statements of the Company in accordance with Indian Accounting Standards (Ind-AS) requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets, liabilities and the accompanying disclosures along with contingent liabilities at the date of the financial statements. These estimates are based upon management's best knowledge of current events and actions; however uncertainty about these assumptions and estimates could result in outcomes that may require adjustment to the carrying amounts of assets or liabilities in future periods. Appropriate revisions in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Revisions in estimates are recognized prospectively in the financial statements in the period in which the estimates are revised in any future periods affected.

iii) Fair Value Measurement:

The Company measures certain financial instruments at fair value at each reporting date.

Certain accounting policies and disclosures require the measurement of fair values, for both financial and non-financial asset and liabilities.

The Company used valuation techniques, which were appropriate in circumstances and for which sufficient data were available considering the expected loss/ profit in case of financial assets or liabilities.

iv) Revenue Recognition

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment.

Revenue in respect of export sales is recognised on dispatch of goods from factory.

Interest income is recognized using Effective Interest Rate (EIR) method.

Dividend Income on Investments is accounted for when the right to receive the payment is established.

v) Inventories

Inventories of Raw Materials, Finished Goods, Semi-Finished Goods, Accessories & Packing Materials are valued at cost or net realizable value, whichever is lower. Goods in transit are valued at cost or net realizable value, whichever is lower. Cost comprises of all cost of purchases, cost of conversion and other costs incurred in bringing the inventory to their present location and conditions. Cost is arrived at on Weighted Average basis.

vi) Property, plant and equipment

Property, plant and equipment is stated at cost, net of accumulated depreciation and/or accumulated impairment losses, if any.

Such cost includes the cost of replacing part of the property, plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company recognises such parts as individual assets with specific useful lives and depreciation, respectively. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied and the carrying amount of old part is written off. All other repair and maintenance costs are recognised in the statement of comprehensive income as incurred.

vii) Intangible Assets

Intangible assets acquired are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

Intangible Assets are amortized on a systematic basis over its useful life on straight line basis and the amortization for each period will be recognized as an expense.

i) Computer Software is amortised on Straight Line Method over a period of three years.

viii) Depreciation

Depreciation on Plant, Property and Equipment has been provided on the Written down Value method based on the useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

Depreciation methods, useful lives and residual values are reviewed at each reporting date.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of profit and loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or disposition of the asset and the resultant gains or losses are recognized in the statement of profit and loss.

ix) Borrowing costs

Borrowing costs consist of interest and other costs incurred in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a substantial period of time to get ready for its intended use) are capitalized as a part of the cost of such assets. All other borrowing costs are charged to the Statement of Profit & Loss.

x) Taxes on Income

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognized in the statement of profit and loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

a) Current Income Tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for that period. The tax rates and tax laws used to

compute the amount are those that are enacted or substantively enacted by the balance sheet date.

Current tax assets and liabilities are offset only if, the Company:

- has a legally enforceable right to set off the recognized amounts; and
- intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

b) Deferred Income Tax

Deferred tax is recognized for the future tax consequences of deductible temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date, using the tax rates and laws that are enacted or substantively enacted as on reporting date.

Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses and credits can be utilized.

Deferred tax assets and liabilities are offset only if:

- Entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- Deferred tax assets and the deferred tax liabilities relate to the income taxes levied by the same taxation authority.

xi) Leases

Lease payments under operating leases are recognized as an expense on a straight line basis in the statement of profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

For arrangements entered into prior to 1 April 2015, the Company has determined whether the arrangement contain lease on the basis of facts and circumstances existing on the date of transition.

xii) Financial Assets

a) Initial recognition and measurement

All financial assets (not measured subsequently at fair value through profit or loss) are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

b) Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial assets. The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

(i) Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit & Loss. The losses arising from impairment are recognised in the Statement of Profit & Loss.

(ii) Debt instruments at Fair value through Other Comprehensive Income (FVOCI)

A 'debt instrument' is measured at the fair value through other comprehensive income if both the following conditions are met:

- The asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, these assets are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment are recognised in the Statement of Profit & Loss. Other net gains and losses are recognised in other comprehensive Income.

(iii) Debt instruments at Fair value through profit or loss (FVTPL)

Fair value through profit or loss is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation as at amortised cost or as FVOCI, is classified as at FVTPL.

(iv) Equity investments

All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

For equity instruments classified as FVOCI, all fair value changes on the instrument, excluding dividends, are recognized in other comprehensive income (OCI).

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit & Loss.

c) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's Balance Sheet) when.

The rights to receive cash flows from the asset have expired, or

The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:

- The Company has transferred substantially all the risks and rewards of the asset, or
- The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On de-recognition, any gains or losses on all debt instruments and equity instruments (measured at FVTPL) are recognised in the Statement of Profit & Loss. Accumulated gains or losses on equity instruments measured at FVOCI are never reclassified to the Statement of Profit & Loss.

d) Impairment of financial assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss ("ECL") model for measurement and recognition of impairment loss on the financial assets measured at amortised cost

Loss allowances on trade receivables are measured following the 'simplified approach' at an amount equal to the lifetime ECL at each reporting date. In respect of other financial assets measured at amortised cost, the loss allowance is measured at 12 month ECL for financial assets with low credit risk at the reporting date and there is a significant deterioration in the credit risk since initial recognition of the asset.

xiii) Financial Liabilities

a) Initial recognition and measurement

All financial liabilities are recognised initially at fair value net of transaction costs that are attributable to the respective liabilities.

b) Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial liabilities.

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss.

(i) Financial Liabilities at fair value through profit or loss (FVTPL)

A financial liability is classified as at fair value through profit or loss if it is classified as held-for-trading or is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and changes therein, including any interest expense, are recognised in Statement of Profit & Loss.

(ii) Financial Liabilities measured at amortised cost

After initial recognition, financial liabilities other than those which are classified as fair value through profit or loss are subsequently measured at amortised cost using the effective interest rate method ("EIR").

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit & Loss.

c) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit & Loss.

xiv) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

xv) Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses following hierarchy and assumptions that are based on market conditions and risks existing at each reporting date.

Fair value hierarchy:

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

xvi) Financial guarantees

Financial guarantee contracts issued by the Corporation are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of the debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the fair value initially recognised less cumulative amortisation.

**xvii) Cash & Cash Equivalents**

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

Cash and cash equivalents comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

xviii) Employee Benefits

Short term employee benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include short term compensated absences such as paid annual leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized as an expense during the period. Benefits such as salaries and wages, etc. and the paid or expected cost of the incentives / miscellaneous welfare compensations / bonus / ex-gratia are recognised in the period in which the employee renders the related service.

Long term employee benefits:

Defined Contribution plans:

Company's periodical makes contribution to several vital funds and employee benefits insurances schemes its cost has been charged to the Statement of Profit and Loss of the year where such contributions to the respective funds are due or on accrual basis.

Such contribution are to the Employee's Provident fund Scheme, 1952 govern by regional provident funds commissioner, Maharashtra whereby Company's employee are obligation towards pension and retirement benefits are covered

Defined benefit plans:

Gratuity, which is a defined benefit plan, is accrued based on an independent actuarial valuation, which is done based on project unit credit method as at the balance sheet date. The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability/(asset) are recognized in other comprehensive income. In accordance with Ind AS, re-measurement gains and losses on defined benefit plans recognised in OCI are not be to be subsequently reclassified to statement of profit and loss. As required under Ind AS compliant Schedule III, the Company transfers it immediately to retained earnings.

xix) Events after Reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

xx) Foreign Currency Transactions:**a) Functional and Presentation Currency:**

The Financial Statements are presented in Indian rupees which is the functional currency for the Company. All amounts have been rounded off to the nearest lakh, unless otherwise indicated. Hence, the figures already reported for all the quarters during the year might not add up to the year figures reported in this statement.

b) Transactions and Balances

- Transactions denominated in foreign currency are normally accounted for at the exchange rate prevailing at the time of transaction.
- Monetary assets and Liabilities in foreign currency transactions remaining unsettled at the end of the year are translated at the year-end rates and the corresponding effect is given to the statement of profit and loss.
- Exchange differences arising on account of fluctuations in the rate of exchange is recognized in the statement of Profit & Loss.

- Exchange rate difference arising on account of conversion/translation of liabilities incurred for acquisition of Fixed Assets is recognized in the Statement of Profit & Loss.
- Non-monetary items are reported at the exchange rate at the date of transaction.

xxi) Impairment of Assets:

At each balance sheet date, the Company assesses whether there is any indication that any property, plant and equipment and intangible assets with finite life may be impaired. If any such impairment exists, the recoverable amount of an asset is estimated to determine the extent of impairment, if any. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

xxii) Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Provisions are not discounted to present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

xxiii) Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the condensed standalone financial statements.

xxiv) Earnings per Share

The basic earnings per share is computed by dividing the net profit attributable to equity shareholders for the period by the weighted average number of equity shares outstanding during the period.

The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of equity shares which could be issued on the conversion of all dilutive potential equity shares

xxv) Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current or non-current as per the Corporation's normal operating cycle (determined at 12 months) and other criteria set out in Schedule III of the Act

xxvi) Cash Flows

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

xxvii) Operating Segments

Operating segments are reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker (CODM).

The Company has identified its Managing Director as CODM which assesses the operational performance and position of the Company and makes strategic decisions.

Note 30 : Earnings per equity share

In accordance with Indian Accounting Standard 33 - Earning Per Share, the computation of earning per share is set below:

Particulars	Year ended 31.03.2018	Year ended 31.03.2017
i) Weighted average number of Equity Shares of ₹10 each (In Lacs)		
a) Number of shares at the beginning of the year	111.15	111.15
b) Number of shares at the end of the period	111.15	111.15
c) Weighted average number of shares outstanding during the year	111.15	111.15
ii) Net Profit after tax available for equity shareholders (in ₹)	1,709.02	2,054.86
iii) Basic Earning Per Share (in ₹) (ii/i)	15.38	18.49
iv) Diluted Earning Per Share (in ₹) (ii/i)	15.38	18.49

Note:

The Company does not have any dilutive potential equity shares. Consequently the basic and diluted earning per share of the Company remain the same.

Note 31 : Contingent Liabilities

Contingent Liabilities not provided for :	(₹ In Lacs)		
	As at 31st March, 2018	As at 31st March, 2017	As at 31st March, 2016
a) Guarantee given by Banks on behalf of the Company	58.62	73.24	57.18
b) Estimated amount of contracts remaining to be executed on capital account	98.74	103.38	60.00
c) Claims against the Company, not acknowledged as debt Company has made out of court settlement in respect of Trademark dispute, which were pending at different Courts in India. The said Legal cases were filled by the Company and counter cases were also cases filled by the litigant. Withdrawals of cases from courts are in process.	-	-	-

**Note 32 Operating leases****A. Leases as lessee**

The Corporation enters into cancellable operating lease arrangements with one party. The lease rentals paid/ received for the same are charged to the Statement of Profit and Loss.

i. Amounts recognised in profit or loss

Particulars	(₹ In Lacs)	
	Year ended 31.03.2018	Year ended 31.03.2017
Lease expense	18.22	-
Total	18.22	-

Initial direct costs incurred on these leasing transactions have been recognised in the Profit and Loss Account.

Note 33 : Segment Reporting

- (i) Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM") of the Company. The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Managing Director Officer of the Company. The Company operates only in one Business Segment i.e. "Manufacturing of Contraceptives", hence does not have any reportable Segments as per Ind AS 108 "Operating Segments". (ii) The amount of the company's revenue from external customers (Outside India) broken down by each product and service is as shown in the table below :-

Revenue from external customers :-

Nature of product or service	(₹ In Lacs)	
	2017-18	2016-17
a. Male Condoms	1,587.47	1,883.09
b. Female Condoms	3,853.22	4,327.85
c. Jelly	277.76	418.51
Total	5,718.45	6,629.46

- (iii) A total of 4 external customers contribute more than 10% of company's total revenue. The amount of the company's revenue from external customers broken down into revenue from single major customer is as shown in the table below.

Information about major customer :-

Location of Customer	(₹ In Lacs)	
	2017-18	2016-17
(i) South Africa	3,476.70	3,457.05
(ii) Other Countries	2,241.75	3,172.41
Total Revenue	5,718.45	6,629.46

Note 34 : Disclosures on Related party transactions**List of Related Parties and Relationships:****a) Key Management Personnel / Promoter Directors**

Note 35 : Employee benefit expenses

Post Employment Benefit Plans:

Defined Contribution Scheme

(₹ In Lacs)		
Amount recognised in the Statement of Profit and Loss	2017-18	2016-17
Contribution to Provident fund and others	39.80	26.37

Defined Benefit Plans

The Company has the following Defined Benefit Plans:

Gratuity: In accordance with the applicable laws, the Company provides for gratuity, a defined benefit retirement plan ("The Gratuity Plan") covering eligible employees. The Gratuity Plan provides for a lump sum payment to vested employees on retirement (subject to completion of five years of continuous employment), death, incapacitation or termination of employment that are based on last drawn salary and tenure of employment. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation on the reporting date and the Company makes annual contribution to the gratuity fund administered by life Insurance Companies under their respective Group Gratuity Schemes.

The disclosure in respect of the defined Gratuity Plan are given below:

(₹ In Lacs)		
Particulars	Defined Benefit Plans	
	As at 31.03.2018	As at 31.03.2017

Policy of insurance/Insurer Managed funds	100%	100%
Bank Balance	0%	0%
Other Investments	0%	0%
Total	100%	100%

Assumptions

With the objective of presenting the plan assets and plan liabilities of the defined benefits plans at their fair value on the balance sheet, assumptions under Ind AS 19 are set by reference to market conditions at the valuation date.

The significant actuarial assumptions were as follows:

Category of Asset	As at 31.03.2018	As at 31.03.2017
Discount rate	8.00%	8.00%
Salary growth rate	4.00%	4.00%
Expected Rate of Return	4.00%	7.55%
Withdrawal Rates	1 to 3% depends on ages	1 to 3% depends on ages

Demographic Assumptions

Mortality in service : Indian Assured Lives Mortality (2006-08)

Sensitivity

The sensitivity of the overall plan liabilities to changes in the weighted key assumptions are:

Particulars	(₹ In Lacs)
	As at 31.03.2018 Increase/ Decrease in liability
Discount rate varied by 1%	
1%	77.32
-1%	94.09
Salary growth rate varied by 1%	
1%	93.53
-1%	77.00

The sensitivity analyses above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period and may not be representative of the actual change. It is based on a change in the key assumption while holding all other assumptions constant. When calculating the sensitivity to the assumption, the same method used to calculate the liability recognised in the balance sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared with the previous period.

The expected future cash flows as at 31st March 2018 were as follows:

Expected contribution	(₹ In Lacs)
	Cashflow
Projected benefits payable in future years from the date of reporting	
2019	1.88
2020	2.17
2021	5.02
2022	6.24
2023	3.33
2024-2027	74.94

Note 36 : Financial instruments – Fair values and risk management

A. Accounting classification and fair values

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

(₹ In Lacs)

B. Measurement of fair values

Valuation techniques and significant unobservable inputs

The Fair Value of the Financial Assets & Liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following tables show the valuation techniques used in measuring Level 2 and Level 3 fair values, for financial instruments measured at fair value in the statement of financial position, as well as the significant unobservable inputs used.

Financial instruments measured at fair value

Type	Valuation technique
Non current financial assets and liabilities measured at amortised cost	Discounted cash flows: The valuation model considers the present value of expected receipt/payment discounted using appropriate discounting rates.

Market risk

Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

Currency risk

The Company is exposed to currency risk on account of its operating and financing activities. The functional currency of the Company is Indian Rupee. Our exposure are mainly denominated in U.S. dollars. The USD exchange rate has changed substantially in recent periods and may continue to fluctuate substantially in the future. The Company's business model incorporates assumptions on currency risks and ensures any exposure is covered through the normal business operations. This intent has been achieved in all years presented. The Company has put in place a Financial Risk Management Policy to Identify the most effective and efficient ways of managing the currency risks.

**Exposure to currency risk**

The currency profile of financial assets and financial liabilities as at March 31, 2018, March 31, 2017 and April 1, 2016 are as below:

	(in lacs)	
	In USD	In INR
31st March, 2018		
Financial assets		
Trade receivables	23.59	1,531.68
Net exposure for assets	23.59	1,531.68
Financial liabilities		
Foreign Currency Borrowings (Including Current Maturities)	1.15	74.68
Net exposure for liabilities	1.15	74.68
Net exposure (Assets - Liabilities)	22.44	1,457.00
		(in lacs)
31st March 2017	In USD	In INR
Financial assets		
Trade receivables	16.78	1,086.07
Net exposure for assets	16.78	1,086.07
Financial liabilities		
Foreign Currency Borrowings (Including Current Maturities)	-	-
Net exposure for liabilities	-	-
Net exposure (Assets - Liabilities)	16.78	1,086.07
		(in lacs)
1st April 2016	In USD	In INR
Financial assets		
Trade receivables	12.29	815
Net exposure for assets	12.29	815.13
Financial liabilities		
Foreign Currency Borrowings (Including Current Maturities)	1.05	69.31
Net exposure for liabilities	1.05	69.31
Net exposure (Assets - Liabilities)	11.25	746

Sensitivity analysis

A reasonably possible strengthening / (weakening) of the Indian Rupee against US dollars at 31st March would have affected the measurement of financial instruments denominated in US dollars and affected profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases. In cases where the related foreign exchange fluctuation is capitalised to fixed assets or recognised directly in reserves, the impact indicated below may affect the Company's income statement over the remaining life of the related fixed assets or the remaining tenure of the borrowing respectively.

Effect in INR (before tax)	Profit or loss	
	Strengthening	Weakening
For the year ended 31st March, 2018		
5% movement		
USD	72.70	(72.70)
INR	5,029.51	(5,029.51)
Total	5,102.21	(5,102.21)

Effect in INR (before tax)	Profit or loss	
	Strengthening	Weakening
For the year ended 31st March, 2017		
5% movement		
USD	55.57	(55.57)
Total	55.57	(55.57)

Financial Risk Management

Risk management framework

A wide range of risks may affect the Company's business and operational / financial performance. The risks that could have significant influence on the Company are market risk, credit risk and liquidity risk. The Company's Board of Directors reviews and sets out policies for managing these risks and monitors suitable actions taken by management to minimise potential adverse effects of such risks on the company's operational and financial performance.

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables, cash and cash equivalents and other bank balances. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of accounts receivable. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

(a) Trade receivables

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings with the Company for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets. The history of trade receivables shows a negligible provision for bad and doubtful debts. Therefore, the Company does not expect any material risk on account of non performance by any of the counterparties.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk through the impact of rate changes on interest-bearing liabilities and assets. The Company manages its interest rate risk by monitoring the movements in the market interest rates closely.

Exposure to interest rate risk

Company's interest rate risk arises primarily from borrowings. The interest rate profile of the Company's interest-bearing financial instruments is as follows.

	(₹ In Lacs)		
	As at 31.03.2018	As at 31.03.2017	As at 31.03.2016
Borrowing bearing variable interest rate	214.21	-	88.27
Total of Variable Rate Financial Liabilities	214.21	-	88.27

Cash flow sensitivity analysis for variable-rate instruments

The sensitivity analysis below have been determined based on the exposure to interest rates for financial instruments at the end of the reporting year and the stipulated change taking place at the beginning of the financial year and held constant throughout the reporting period in the case of instruments that have floating rates. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates :

Cash flow sensitivity (net)	Profit or loss	
	50 bp increase	50 bp decrease
INR		
31st March 2018		
Variable-rate loan instruments	(1.07)	1.07
Cash flow sensitivity (net)	(1.07)	1.07
31st March 2017		
Variable-rate loan instruments	(1.07)	-
Cash flow sensitivity (net)	(1.07)	-
31st March 2016		
Variable-rate loan instruments	(0.44)	0.44
Cash flow sensitivity (net)	(0.44)	0.44
Other price risk		

The Company invests its surplus funds in various Equity and debt instruments. These comprise of mainly liquid schemes of mutual funds (liquid investments), Equity shares, Debentures and fixed deposits. These investments are susceptible to market price risk, mainly arising from changes in the interest rates or market yields which may impact the return and value of such investments. However due to the very short tenor of the underlying portfolio in the liquid schemes, these do not pose any significant price risk.

Liquidity risk

Liquidity is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

The table below provides details regarding the contractual maturities of significant financial liabilities :

Maturity Analysis of Significant Financial Liabilities

	(₹ In Lacs)			
31st March 2018	Total	Upto 1 year	1-5 years	More than 5 years

**Note 42 : Capital Management**

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The Company strives to safeguard its ability to continue as a going concern so that they can maximise returns for the shareholders and benefits for other stake holders. The aim to maintain an optimal capital structure and minimise cost of capital.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may return capital to shareholders, issue new shares or adjust the dividend payment to shareholders (if permitted). Consistent with others in the industry, the Company monitors its capital using the gearing ratio which is total debt divided by total capital plus total debt.

Total debt to equity ratio (Gearing ratio)	0.03	-	0.02

Note 43 : Transition to Ind AS :

These are the Company's first financial statements prepared in accordance with Ind AS. The Company has adopted all the Ind AS and the adoption was carried out in accordance with Ind AS 101 First time adoption of Indian Accounting Standards. The transition was carried out from Generally Accepted Accounting Principles in India (Indian GAAP) as prescribed under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, which was the "Previous GAAP".

The Significant Accounting Policies set out in Note No.1 have been applied in preparing the financial statements for the year ended March 31, 2018, March 31, 2017 and the opening Ind As Balance sheet on the date of transition i.e. April 1, 2016.

In preparing its Ind AS Balance sheet as at April 1, 2016 and in presenting the comparative information for the year ended March 31, 2017, the Company has adjusted amounts previously reported in the financial statements prepared in accordance Previous GAAP. This note explains the principal adjustments made by the Company in restating its financial statements prepared in accordance with Previous GAAP, and how the transition from Previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows.

I) Explanation of transition to Ind AS

In preparing the financial statement, the Company has applied the below mentioned optional exemptions and mandatory exceptions.

Property, Plant and Equipment and Intangible Assets exemption:

The Company has elected to use the exemption available under Ind AS 101 to continue the carrying value for all of its property, **plant and equipment and intangible assets as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition (April 1, 2016).**

Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification of financial assets on the basis of facts and circumstances existing as on the date of transition. Further, the standard permits measurement of financial assets accounted at amortised cost based on facts and circumstances existing at the date of transition if retrospective application is impracticable.

Accordingly, the Company has determined the classification of financial assets based on facts and circumstances that exist on the date of transition. Measurement of financial assets accounted at amortised cost has been done retrospectively except where the same is impracticable.

Net Profit (as per Ind AS)			2,053.00
Other Comprehensive Income			
Actuarial gain or loss on defined benefit plan transferred from profit and loss	3,4	0.93	
Total Comprehensive Income / (Loss)			2,053.93

VII) Notes to reconciliations :-

Note 1: Proposed Dividend

Under the previous GAAP, proposed dividend including corporate dividend tax (CDT), are recognised as liability in the period to which they relate, irrespective of when they are declared. Under Ind AS, proposed dividend is recognised as liability in the period in which it is declared by the Company, usually when approved by the shareholders in a general meeting, or paid. Proposed Dividend, including corporate dividend (CDT) tax liability as on 31st March, 2017 amounting to ₹ 267.56 Lacs was derecognised on the transition date with corresponding increase in retained earning. The same has been recognised in retained earnings during the year ended March 31, 2018 as declared and paid.

Note 2: Remeasurements of defined benefit liabilities

Under Ind AS, actuarial gains and losses are recognised in the OCI as compared to being recognised in the Statement of Profit and Loss under the previous GAAP.

Note 3 : Deferred taxes

Deferred tax have been recognised on the adjustments made on transition to Ind AS as specified above.

Note 4 : Other comprehensive income

Under Indian GAAP, the Company has not presented other comprehensive income (OCI) separately. Hence, Indian GAAP statement of profit and loss is reconciled with statement of profit and loss as per Ind AS.
