CHAIRMAN SPEECH

Dear Shareholders,

I would like to take this opportunity to thank you for your continuous support and for reposing your faith in the Company. It gives me immense pleasure to take you through the key developments and financial performance for the fiscal year 2019.

On the financial front, we ended the year with a Total Operating Income of ₹ 854.7 million (mn) for FY19 as compared to ₹ 806.0 mn in the corresponding period of the previous year reflecting an increase of 6.0 %. EBITDA stood at ₹230.4 mn as compared to ₹283.3 mn during the corresponding period of previous year resulting in decline in margin by 27.0%. Net profit was thereby impacted, and we closed the year with a net profit of ₹152.1 mn for FY19 as compared to ₹170.9 mn in the corresponding period of the previous year which is a decrease of 11.0 %.

Let me highlight the reason for the tepid growth in revenue and decline in the margins and profitability. The revenue of the Company was impacted due to continuing slowdown in Female Condom orders from South Africa. Business development expenses and lower proportion of higher margin Female Condoms in the total revenue impacted the margins and profitability. However, we expect improvement in the top line and bottom line in the coming fiscal year on the back of improved demand scenario.

This year has been a landmark year for us in many ways. Your company celebrated its Silver Jubilee, having completed 25 years and announced Bonus Share offer, 1 share for 5 shares to all its shareholders at the AGM. We added yet another feather in our cap by getting Female Condom registration with Government of Brazil which has put us in favourable position to win sizable order for Female Condoms from the region. During the year, we successfully executed our first shipment of Female Condoms to Brazil. It is heartening to mention that UNFPA has renewed Cupid's Pre-Qualification status for its Female Condom Version 1 & 2 and Male Condom for a period of 3 years. Also, we are immensely satisfied to have successfully completed our three years contract of Female Condom worth Rs. 104 Cr to supply to the South African Government and are hopeful to win many more contracts in the future.

We are delighted to inform that "Cupid Angel" Trademark has been finally registered with the United States Patent and Trademark Office which would help us to promote and market our Cupid Female Condoms in USA. We continue to diversify across new geographies and exported to Central American countries like Guatemala, Honduras besides Dominican Republic and Haiti through United Nation Population Fund (UNFPA) for the first time and are continuously on the lookout for newer target markets.

During the year, we launched Cupid range of Male and Female Condoms, Hand Sanitizers and Water Based Lubricant Jelly and started to export the products. We are pleased to announce the completion of capacity expansion from 400 to 560 million pieces of Male Condoms per year which would permit us to participate in large sized tenders from Brazil, South Africa, Zambia and India. Cupid shall continue to explore possibility of enhancing business prospects in South Africa and other Sub Saharan continents.

The outlook for FY20 looks promising. We expect to see increase in demand for condoms on the back of more international donor funding, higher consumption in lower- and middle-income countries and more funding from National Governments for the prevention of spread of STIs including HIV and unintended pregnancies.

As I close, I would like to thank all our customers, shareholders and employees once again for supporting us during this journey.

Best Regards,
Omprakash Garg
Chairman & Managing Director

DIRECTORS' REPORT

To,
The Members,

The Board of Directors is pleased to present herewith the 26th Annual Report of your Company together with the Audited financial statements for the year ended 31st March, 2019. The Management Discussion and Analysis has been annexed to the Directors Report.

FINANCIAL RESULTS

The highlights of financial results of the company are as follows: -

		(₹ In lacs)
Particulars	For the financial year 2019 (FY19)	For the financial year 2018 (FY18)
Operating Revenues / Turnover	8,793.81	8,178.21
Profit before Depreciation & Amortization, Finance charges	2,303.52	2,832.81
Depreciation & Amortization	201.45	217.85
Finance Charges	10.73	5.72
Profit / (Loss) before tax	2,091.34	2,609.24
Provision for taxation (incl. deferred tax)	570.43	900.22
Profit / (Loss) after tax	1,520.91	1,709.02

During the year under review, the Company registered slight improvement in operating revenues from ₹ 8,178.21 lac in FY18 to ₹ 8,793.81 lac in FY19. The revenue of the Company was impacted due to continuing slowdown in female condom orders from South Africa. Moreover, margins were impacted due to higher share of low margin male condom in overall sales, one-time inventory write-off and business development expenses. In the total operating revenues, the male condoms contributed about 59% in value terms as against 40% for the female condoms and water based lubricant jelly contributed around 1% as well.

From the margins standpoint, our EBITDA margins stood at 27% in FY19. On an absolute basis, EBITDA decreased by 19% from ₹ 2,832.81 lac in FY18 to ₹ 2,303.52 lac in FY19. At the net profit level, we closed this financial year with a net profit of ₹ 1,520.91 lac as against ₹ 1,709.02 lac in the previous year which is a decrease of 11%.

DIVIDEND

Your Board of Directors' had declared 1st interim dividend of Re. 1 (i. e. 10%) per equity share at their meeting held on 6th November, 2018. MANAGEMENT DISCUSSION AND ANALYSIS

Economy Outlook

Despite strong growth momentum during the first half of the year, the growth rate in world economy softened during the second half resulting in a growth of 3.6% in 2018 as per IMF estimates against a backdrop of weakening financial market sentiment, trade policy uncertainty, and concerns about China's outlook. Global growth is expected to slow down further to 3.3% in 2019 owing to increasing trade tension between the US and China, financial tightening and slowdown in Europe and uncertainty surrounding Brexit. However, global economic growth is expected to recover in the second half of this year on the back of decision by Federal Reserve to put interest-rate hikes on hold and encouraging data from China's manufacturing sector and the U.S. job market.

Indian economy growth in the last quarter of FY19 fell to a 20-quarter low dragging the overall growth to a five-year low of 6.8% in 2018-19. The slowdown was led by stress in nonbanking financial company (NBFC) sector which have been under liquidity pressure after the shock default by Infrastructure Leasing & Financial Services (IL&FS). Range-bound oil prices, softening interest rates, growth in exports, fiscal spending on infrastructure and the rural economy is likely to revive growth momentum going forward. However, escalating trade tensions, financial tightening, rise in crude prices, slowdown in global economy and increasing geo political tensions could act as major headwinds for growth prospects.

Industry Demand Scenario

Sexually transmitted diseases (STDs) and sexually transmitted infections (STIs) continue to be widespread. As such, condoms will continue to play its essential role in preventing STI and HIV transmissions and unintended pregnancy. Growing awareness through government initiatives and comprehensive sex education programs to reduce the prevalence of sexually transmitted diseases is driving the market growth of condoms across the globe. Rising efforts toward family planning and birth control measures are also supporting the market growth. Additionally, rising influence of internet and development and innovation in product designs is likely to fuel the market growth further in the upcoming years. Developing countries are witnessing significant growth in sales of condoms owing to rising popularity of Female Condom and growing expenditure towards contraceptive products. The advent of innovative designs, increased impact of internet on consumers' purchasing behaviour, and popularity of Male and Female Condom are the latest trends that are going to shape the market positively.

Globally, government across many countries have launched various sexual health campaigns to encourage condom use by young adults to reduce the rates of sexually transmitted infections (STIs) and as a part of family planning training. Introduction of sex education in curriculum, awareness programs including advertisements and local campaigns to make the rural population understand the need for contraceptives and the risks associated with STDs and initiatives by governments such as installation of vending machines that can freely dispense condoms have helped in increased usage of condoms worldwide. According to Mordor Intelligence, the global condom market is expected to grow at an unprecedented CAGR of 9.8% during 2018-23.

Historically, the Male Condom segment has dominated the market both in terms of revenue and volume and is expected to continue its dominance. However, the Female Condom segment is witnessing significant growth in various countries. For instance, according to National South African Female Condom Program, around 80% of female prefers Female Condom over other female contraceptives which is driving the sales of Female Condoms in the country. Rising awareness in schools, colleges, mass media campaigns, workshops, etc will have significant impact on the sales of Female Condoms in both developed and developing countries. Although Female Condoms have been introduced in many countries, their penetration remains low owing to lack of awareness, limited advertisement & promotion and due to financial and regulatory barriers. However, the potential market for Female Condoms is expanding in various regions, including North America, Russia, Eastern Europe, and in Sub Saharan African countries.

Factors that are going to drive the growth in the sale of condoms going forward are:

1. Increasing prevalence of STDs/STIs including HIV

Since the first cases of HIV were reported more than 35 years ago, 78 million people have become infected with HIV and 35 million have died from AIDS-related illnesses. According to UNAIDS, in 2017, there were 36.9 million people living with HIV.

2. Preferred choice for family planning and birth control measures

Condoms have been promoted as a family planning method through social marketing. Reason for choosing condoms over other spacing family planning methods includes the fear of side effects of other modern spacing methods.

3. Initiatives by Government worldwide to create awareness

Governments across the world have formulated programs to spread awareness and encourage the use of condoms to prevent unwanted pregnancy and to prevent the spread of sexually transmitted diseases.

4. Increased availability and affordability

Both the online and offline platform are witnessing increased marketing and promotional activities resulting in easy availability of affordable condoms worldwide.

The acceptability of condoms depends on the awareness levels, knowledge, easy availability and affordability. Various strategies have been adopted to create awareness and spread correct use of condoms. Going forward, increase in demand for condoms is expected due to increase in international donor funding, higher consumption in lower- and middle-income countries and more funding from National Governments for the prevention of spread of HIV and unintended pregnancies.

Company Review

We started our journey in 1993 and currently we are a leading condom manufacturing company in India engaged in designing and manufacturing of Male Condoms, Female Condoms and Lubricant Jelly. In 2012, Cupid was the first company in India and only second in the world to have pre-qualified for Female Condoms accredited by WHO (World Health Organization)/UNFPA (United Nations Population Fund) for worldwide public distribution. From a manufacturing standpoint, our facility at Nashik is mapped to global standards with best quality practices and accredited with various quality standards. As a testimony to our systems, we are WHO-GMP approved along with certifications from ISO standards such as 9001:2008, 13485:2003, 14001:2004, CE-0434, pre-qualification from UNFPA, SABS Mark, USFDA_510k for Male Condoms and Indian FDA amongst others. We have a strong focus on research and development initiatives which have enabled us to develop and improve our product portfolio. We have an active research and development centre in addition to our production facility at Nashik enabling us to innovate and enhance our product portfolio and remain ahead of the curve in meeting the emerging requirements of our customers.

Historically, we have operated predominantly in the B2B space, but we are now focusing also in the B2C category. In the B2B segment, we primarily cater to governments and institutional buyers worldwide for prevention of AIDS, STIs, STDs and prevention of unintended pregnancies. We are also engaged in contract manufacturing business, whereby we undertake contracts and manufacture products under other customers brands. During the year, we launched Cupid range of Male and Female Condoms, Hand Sanitizers and Water Based Lubricant Jelly and started to export the products. The Company started work on expanding production capacity by about 40% during the year which would permit Cupid to participate in large sized tenders from Brazil, South Africa, Zambia and India.

The Company witnessed muted performance in Fiscal Year 2019 owing to slowdown in Female Condom orders from South Africa and higher share of low margin Male Condom in overall sales. The revenue of the Company was impacted due to continuing slowdown in Female Condom orders and declined from ₹ 806.0 mn in FY18 to ₹ 854.7 mn in FY19. Out of the total operating revenues, the Male Condoms contributed about 59% in value terms as against 40% for the Female Condoms, and Water Based Lubricant Jelly added around 1%. From a margin standpoint, our EBITDA margins stood at 27% in FY19. At the net profit level, we closed this financial year with a net profit of ₹ 152.1 mn (FY19) as against ₹ 170.9 mn in the previous year.

During the year, Cupid celebrated its 25th Anniversary (1993 to 2018) and announced Bonus Share offer, 1 share for 5 shares to all its shareholders at the AGM. Your Company successfully completed its three years contract of Female Condom supply to the South African Government. Cupid shall continue to explore possibility of enhancing business prospects in South Africa and other sub-continent. Based on Female Condom brand registration in Brazil, the Company expects to garner sizable order for Female Condom. UNFPA renewed Cupid's Pre-Qualification status for its Female Condom Version 1 & 2 and Male Condom. Cupid continued to dispatch Male Condoms to Govt. of India and for the first time started to export to Central American countries like Guatemala, Honduras besides Dominican Republic and Haiti through United Nation Population Fund (UNFPA).

Outlook

We are currently seeing robust demand for Male and Female Condoms from UNFPA, NGO as well as from tender businesses. In order to prepare the company to be ready for these opportunities, Cupid has decided to go for around 40% increase in production capacity. The Company has decided to market condoms in India through wholesalers in a cost-efficient manner. "Cupid Angel" Trademark has been finally registered with the United States Patent and Trademark Office which would help us to promote and market our Cupid Female Condoms in USA.

Some of the key initiatives planned for coming years are:

- A. Launch the newly developed products including different types of wipes, second generation Female Condoms and Vaginal Wash through online sales.
- B. Capitalizing on the digital marketing medium to sell Cupid's products through already established ecommerce portals.
- C. Strengthen our distribution network and foray into newer geographies both for the institutional as well the retail business.

INDEPENDENT AUDITOR'S REPORT

To the Members of
CUPID LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Cupid Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2019, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How our audit addressed the key audit matter

Key Audit Matters	How our audit addressed the key audit matter
	<ul style="list-style-type: none">Assessed cash flow forecasts to ensure consistency with current operations of the Company and performed sensitivity analysis on key assumptions used in management's calculated recoverable value.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, Management discussion & Analysis and Business responsibility report, but does not include the financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the IND AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India, in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as Amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

Annual Report 2018-19

- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i). As per information and explanation given to us Company does not have any pending litigations which would impact its financial position.
 - ii). The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii). There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

“ANNEXURE A” to the Independent Auditor’s Report of even date on the Financial Statement of Cupid Limited

Referred to in paragraph 1 under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the financial statements of the Company for the year ended March 31st, 2019:

- 1) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of all fixed assets.
- (b) The Fixed Assets have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the fixed asset has been physically verified by the management during the year and no material discrepancies between the books records and the physical fixed assets have been noticed.
- (c) The title deeds of immovable properties (which are included under the Note 2 - ‘Property, plant and equipment’) are held in the name of the Company.
- 2) In our opinion, the management has conducted physical verification of inventory at reasonable intervals during the year, except for goods-in-transit. No material discrepancies were noticed on the aforesaid verification.
- 3) The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the Register maintained under section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a) to (C) of the Order are not applicable to the Company and hence not commented upon.
- 4) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 In respect of loans, investments, guarantees, and security.
- 5) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- 6) In pursuant to the rules made by the Central Government of India the company is requested to maintain cost records as specified under section 148(1) of the act in respect of its products. We have broadly reviewed the same and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not however made a detailed examination of the records with a view to determine whether they are accurate or complete.
- 7) a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Sales tax, Service Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2019 for a period of more than six months from the date on when they become payable.
- b) According to the information and explanation given to us, the dues in respect of income tax, sales tax, service tax, duty of customs, duty of excise, value added tax outstanding on account of any dispute.
- 8) According to the records of the company examined by us and the information and explanation given to us, the company has not defaulted in repayment of loans or borrowings to any financial institution or bank as at balance sheet date.
- 9) Based upon the audit procedures performed and the information and explanations given by the management, the company has not raised moneys by way of initial public offer or further public offer including debt instruments and term Loans. Accordingly, the provisions of clause 3 (ix) of the Order are not applicable to the Company and hence not commented upon.
- 10) Based upon the audit procedures performed and the information and explanations given by the management, we report that no fraud by the Company or on the company by its officers or employees has been noticed or reported during the year.
- 11) Based upon the audit procedures performed and the information and explanations given by the management, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act;
- 12) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 4 (xii) of the Order are not applicable to the Company.

Annual Report 2018-19

- 13) In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.
- 14) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence reporting under clause 3 (xiv) of the Order is not applicable to the Company.
- 15) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.
- 16) In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company and hence not commented upon.

“ANNEXURE B” to the Independent Auditor’s Report of even date on the Financial Statements of CUPID LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2019 we have audited the internal financial controls over financial reporting of CUPID LIMITED. (“the Company”) which is a Company incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that;

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Annual Report 2018-19

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India..

Accompanying notes to the financial statements for the Year Ended 31st March, 2019

SIGNIFICANT ACCOUNTING POLICIES

I. Company Overview

Cupid Limited ('the Company') is a public company domiciled and incorporated in name of Cupid Rubber Limited in the state of Maharashtra on 17th February, 1993. The name was subsequently changed to Cupid Condom Limited with effect from 8th December, 2003 and further change to Cupid Limited with effect from 2nd January, 2006 as per permission affirmation by Central Government. The Company received the Certificate of Commencement of Business on 20th February, 1993.

The main object of Company on incorporation was to carry on business of dealing, marketing and manufacture of rubber contraceptives and allied prophylactic products. Later on main object of Company have been appended with obligatory permissions to entered into Diamonds, Gold, Silver and other allied precious products international or domestic trading/manufacturing/connected business segments.

II. Significant accounting policies:

i) Basis of Preparation and Presentation:

The Financial Statements are prepared in accordance with Indian Accounting Standards (IndAS) notified under Section 133 of the Companies Act, 2013 ("Act") read with Companies (Indian Accounting Standards) Rules, 2015; and the other relevant provisions of the Act and Rules thereunder.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. The Financial Statements have been prepared under historical cost convention basis except for certain financial assets and financial liabilities measured at fair value

Authorisation of Financial Statements: The Financial Statements were authorized for issue in accordance with a resolution of the directors on 29th May 2019.

ii) Use of Estimates and Judgments:

The preparation of the financial statements of the Company in accordance with Indian Accounting Standards (Ind-AS) requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets, liabilities and the accompanying disclosures along with contingent liabilities at the date of the financial statements. These estimates are based upon management's best knowledge of current events and actions; however uncertainty about these assumptions and estimates could result in outcomes that may require adjustment to the carrying amounts of assets or liabilities in future periods. Appropriate revisions in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Revisions in estimates are recognized prospectively in the financial statements in the period in which the estimates are revised in any future periods affected.

iii) Fair Value Measurement:

The Company measures certain financial instruments at fair value at each reporting date.

Certain accounting policies and disclosures require the measurement of fair values, for both financial and non-financial asset and liabilities.

The Company used valuation techniques, which were appropriate in circumstances and for which sufficient data were available considering the expected loss/ profit in case of financial assets or liabilities.

iv) Revenue Recognition

The Company derives revenues primarily from sale of manufactured goods. Effective April 1, 2018, the Company has applied Ind AS 115: Revenue from Contracts with Customers which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue. The impact of the adoption of the standard on the financial statements of the Company is insignificant. Revenue is recognised on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services. The performance obligations in our contracts are fulfilled at the time of shipment of products, delivery or upon formal customer acceptance depending on customer terms.

Revenue in respect of export sales is recognised on shipment of products.

Interest income is recognized using Effective Interest Rate (EIR) method.

Dividend Income on Investments is accounted for when the right to receive the payment is established.

v) Inventories

Inventories of Raw Materials, Finished Goods, Semi-Finished Goods, Accessories & Packing Materials are valued at cost or net realizable value, whichever is lower. Goods in transit are valued at cost or net realizable value, whichever is lower. Cost comprises of all cost of purchases, cost of conversion and other costs incurred in bringing the inventory to their present location and conditions. Cost is arrived at on Weighted Average basis.

vi) Property, plant and equipment

Property, plant and equipment is stated at cost, net of accumulated depreciation and/or accumulated impairment losses, if any.

Such cost includes the cost of replacing part of the property, plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company recognises such parts as individual assets with specific useful lives and depreciation, respectively. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied and the carrying amount of old part is written off. All other repair and maintenance costs are recognised in the statement of comprehensive income as incurred.

vii) Intangible Assets

Intangible assets acquired are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

Intangible Assets are amortized on a systematic basis over its useful life on straight line basis and the amortization for each period will be recognized as an expense.

i) Computer Software is amortised on Straight Line Method over a period of three years.

viii) Depreciation

Depreciation on Plant, Property and Equipment has been provided on the Written down Value method based on the useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

Depreciation methods, useful lives and residual values are reviewed at each reporting date.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of profit and loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or disposition of the asset and the resultant gains or losses are recognized in the statement of profit and loss.

ix) Borrowing costs

Borrowing costs consist of interest and other costs incurred in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a substantial period of time to get ready for its intended use) are capitalized as a part of the cost of such assets. All other borrowing costs are charged to the Statement of Profit & Loss.

x) Taxes on Income

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognized in the statement of profit and loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

a) Current Income Tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for that period. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the balance sheet date.

Current tax assets and liabilities are offset only if, the Company:

- has a legally enforceable right to set off the recognized amounts; and
- intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

b) Deferred Income Tax

Deferred tax is recognized for the future tax consequences of deductible temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date, using the tax rates and laws that are enacted or substantively enacted as on reporting date.

Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses and credits can be utilized.

Deferred tax assets and liabilities are offset only if:

- Entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- Deferred tax assets and the deferred tax liabilities relate to the income taxes levied by the same taxation authority.

xi) Leases

Lease payments under operating leases are recognized as an expense on a straight line basis in the statement of profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

For arrangements entered into prior to 1 April 2015, the Company has determined whether the arrangement contain lease on the basis of facts and circumstances existing on the date of transition.

Recent accounting pronouncements: Ind AS 116 Leases:

Re On March 30, 2019, the Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 will replace the existing leases standard, Ind AS 17, Leases, and related interpretations. The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires the lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the Statement of Profit and Loss. The standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The effective date for the adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019. The standard permits two possible methods of transition :

- Full retrospective – Retrospectively to each prior period presented applying Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors
- Modified retrospective – Retrospectively, with the cumulative effect of initially applying the standard recognized at the date of initial application

Under modified retrospective approach, the lessee records the lease liability as the present value of the remaining lease payments, discounted at the incremental borrowing rate and the right of use asset either as :

- Its carrying amount as if the standard had been applied since the commencement date, but discounted at the lessee's incremental borrowing rate at the date of initial application, or
- An amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments related to that lease recognized under Ind AS 17 immediately before the date of initial application.

Certain practical expedients are available under both the methods.

On completion of evaluation of the effect of adoption of Ind AS 116, the Company is proposing to use the 'Modified Retrospective Approach' for transitioning to Ind AS 116, and take the cumulative adjustment to retained earnings, on the date of initial application (April 1, 2019). Accordingly, comparatives for the year ended March 31, 2019 will not be retrospectively adjusted. The Company has elected certain available practical expedients on transition.

xii) Financial Assets

a) Initial recognition and measurement

All financial assets (not measured subsequently at fair value through profit or loss) are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

b) Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial assets. The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

(i) Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit & Loss. The losses arising from impairment are recognised in the Statement of Profit & Loss.

(ii) Debt instruments at Fair value through Other Comprehensive Income (FVOCI)

A 'debt instrument' is measured at the fair value through other comprehensive income if both the following conditions are met:

- The asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, these assets are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment are recognised in the Statement of Profit & Loss. Other net gains and losses are recognised in other comprehensive Income.

(iii) Debt instruments at Fair value through profit or loss (FVTPL)

Fair value through profit or loss is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation as at amortised cost or as FVOCI, is classified as at FVTPL.

(iv) Equity investments

All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

For equity instruments classified as FVOCI, all fair value changes on the instrument, excluding dividends, are recognized in other comprehensive income (OCI).

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit & Loss.

c) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's Balance Sheet) when.

The rights to receive cash flows from the asset have expired, or

The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either

- The Company has transferred substantially all the risks and rewards of the asset, or
- The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On de-recognition, any gains or losses on all debt instruments and equity instruments (measured at FVTPL) are recognised in the Statement of Profit & Loss. Accumulated gains or losses on equity instruments measured at FVOCI are never reclassified to the Statement of Profit & Loss.

d) Impairment of financial assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss ("ECL") model for measurement and recognition of impairment loss on the financial assets measured at amortised cost

Loss allowances on trade receivables are measured following the 'simplified approach' at an amount equal to the lifetime ECL at each reporting date. In respect of other financial assets measured at amortised cost, the loss allowance is measured at 12 month ECL for financial assets with low credit risk at the reporting date and there is a significant deterioration in the credit risk since initial recognition of the asset.

xiii) Financial Liabilities

a) Initial recognition and measurement

All financial liabilities are recognised initially at fair value net of transaction costs that are attributable to the respective liabilities.

b) Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial liabilities. The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss.

(i) Financial Liabilities at fair value through profit or loss (FVTPL)

A financial liability is classified as at fair value through profit or loss if it is classified as held-for-trading or is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and changes therein, including any interest expense, are recognised in Statement of Profit & Loss.

(ii) Financial Liabilities measured at amortised cost

After initial recognition, financial liabilities other than those which are classified as fair value through profit or loss are subsequently measured at amortised cost using the effective interest rate method ("EIR").

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit & Loss.

c) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit & Loss.

xiv) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

xv) Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses following hierarchy and assumptions that are based on market conditions and risks existing at each reporting date

Fair value hierarchy:

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

xvi) Financial guarantees

Financial guarantee contracts issued by the Corporation are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of the debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the fair value initially recognised less cumulative amortisation.

xvii) Cash & Cash Equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

Cash and cash equivalents comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

xviii) Employee Benefits

Short term employee benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include short term compensated absences such as paid annual leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized as an expense during the period. Benefits such as salaries and wages, etc. and the paid or expected cost of the incentives / miscellaneous welfare compensations / bonus / ex-gratia are recognised in the period in which the employee renders the related service.

Long term employee benefits:

Defined Contribution plans:

Company's periodical makes contribution to several vital funds and employee benefits insurances schemes its cost has been charged to the Statement of Profit and Loss of the year where such contributions to the respective funds are due or on accrual basis.

Such contribution are to the Employee's Provident fund Scheme, 1952 govern by regional provident funds commissioner, Maharashtra whereby Company's employee are obligation towards pension and retirement benefits are covered

Defined benefit plans:

Gratuity, which is a defined benefit plan, is accrued based on an independent actuarial valuation, which is done based on project unit credit method as at the balance sheet date. The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability/(asset) are recognized in other comprehensive income. In accordance with Ind AS, re-measurement gains and losses on defined benefit plans recognised in OCI are not be to be subsequently reclassified to statement of profit and loss. As required under Ind AS compliant Schedule III, the Company transfers it immediately to retained earnings.

xix) Events after Reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

xx) Foreign Currency Transactions:

a) Functional and Presentation Currency:

The Financial Statements are presented in Indian rupees which is the functional currency for the Company. All amounts have been rounded off to the nearest lakh, unless otherwise indicated. Hence, the figures already reported for all the quarters during the year might not add up to the year figures reported in this statement.

b) Transactions and Balances

- Transactions denominated in foreign currency are normally accounted for at the exchange rate prevailing at the time of transaction.
- Monetary assets and Liabilities in foreign currency transactions remaining unsettled at the end of the year are translated at the year-end rates and the corresponding effect is given to the statement of profit and loss.
- Exchange differences arising on account of fluctuations in the rate of exchange is recognized in the statement of Profit & Loss.
- Exchange rate difference arising on account of conversion/translation of liabilities incurred for acquisition of Fixed Assets is recognized in the Statement of Profit & Loss.
- Non-monetary items are reported at the exchange rate at the date of transaction.

xxi) Impairment of Assets:

At each balance sheet date, the Company assesses whether there is any indication that any property, plant and equipment and intangible assets with finite life may be impaired. If any such impairment exists, the recoverable amount of an asset is estimated to determine the extent of impairment, if any. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

xxii) Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Provisions are not discounted to present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

xxiii)Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the condensed standalone financial statements.

xxiv)Earnings per Share

The basic earnings per share is computed by dividing the net profit attributable to equity shareholders for the period by the weighted average number of equity shares outstanding during the period.

The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of equity shares which could be issued on the conversion of all dilutive potential equity shares.

xxv)Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current or non-current as per the Corporation's normal operating cycle (determined at 12 months) and other criteria set out in Schedule III of the Act

xxvi)Cash Flows

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

xxvii)Operating Segments

Operating segments are reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker (CODM).

The Company has identified its Managing Director as CODM which assesses the operational performance and position of the Company and makes strategic decisions.

Assumptions

With the objective of presenting the plan assets and plan liabilities of the defined benefits plans at their fair value on the balance sheet, assumptions under Ind AS 19 are set by reference to market conditions at the valuation date.

The significant actuarial assumptions were as follows:

Category of Asset	As at 31.03.2019	As at 31.03.2018
Discount rate	8.00%	8.00%
Salary growth rate	4.00%	4.00%

Sensitivity

The sensitivity of the overall plan liabilities to changes in the weighted key assumptions are:

Particulars	(₹ In lakhs)
	As at 31.03.2019 Increase/ Decrease in liability
Discount rate varied by 1%	
1.00%	89.47
-1.00%	107.88
Salary growth rate varied by 1%	
1.00%	107.30
-1.00%	89.33

The sensitivity analyses above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period and may not be representative of the actual change. It is based on a change in the key assumption while holding all other assumptions constant. When calculating the sensitivity to the assumption, the same method used to calculate the liability recognised in the balance sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared with the previous period.

The expected future cash flows as at 31st March 2019 were as follows:

Expected contribution	(₹ In lakhs)

Note 35 : Financial instruments – Fair values and risk management

A. Accounting classification and fair values

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

B. Measurement of fair values

Valuation techniques and significant unobservable inputs

The Fair Value of the Financial Assets & Liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following tables show the valuation techniques used in measuring Level 2 and Level 3 fair values, for financial instruments measured at fair value in the statement of financial position, as well as the significant unobservable inputs used.

Financial instruments measured at fair value

Type	Valuation technique
Non current financial assets and liabilities measured at amortised cost	Discounted cash flows: The valuation model considers the present value of expected receipt/payment discounted using appropriate discounting rates.

Market risk

Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

Currency risk

The Company is exposed to currency risk on account of its operating and financing activities. The functional currency of the Company is Indian Rupee. Our exposure are mainly denominated in U.S. dollars. The USD exchange rate has changed substantially in recent periods and may continue to fluctuate substantially in the future. The Company's business model incorporates assumptions on currency risks and ensures any exposure is covered through the normal business operations. This intent has been achieved in all years presented. The Company has put in place a Financial Risk Management Policy to identify the most effective and efficient ways of managing the currency risks.

Sensitivity analysis

A reasonably possible strengthening / (weakening) of the Indian Rupee against US dollars at 31st March would have affected the measurement of financial instruments denominated in US dollars and affected profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases. In cases where the related foreign exchange fluctuation is capitalised to fixed assets or recognised directly in reserves, the impact indicated below may affect the Company's income statement over the remaining life of the related fixed assets or the remaining tenure of the borrowing respectively.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk through the impact of rate changes on interest-bearing liabilities and assets. The Company manages its interest rate risk by monitoring the movements in the market interest rates closely.

Exposure to interest rate risk

Company's interest rate risk arises primarily from borrowings. The interest rate profile of the Company's interest-bearing financial instruments is as follows.

	(₹ In lakhs)	
	As at 31.03.2019	As at 31.03.2018
Borrowing bearing variable interest rate	229.25	214.21
Total of Variable Rate Financial Liabilities	229.25	214.21

Cash flow sensitivity analysis for variable-rate instruments

The sensitivity analysis below have been determined based on the exposure to interest rates for financial instruments at the end of the reporting year and the stipulated change taking place at the beginning of the financial year and held constant throughout the reporting period in the case of instruments that have floating rates. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates :

Cash flow sensitivity (net) INR	Profit or loss	
	50 bp increase	50 bp decrease
31st March 2019		
Variable-rate loan instruments	(1.15)	1.15
Cash flow sensitivity (net)	(1.15)	1.15
31st March 2018		
Variable-rate loan instruments	(1.07)	1.07
Cash flow sensitivity (net)	(1.07)	1.07

Other price risk

The Company invests its surplus funds in various Equity and debt instruments. These comprise of mainly liquid schemes of mutual funds (liquid investments), Equity shares, Debentures and fixed deposits. This investments are susceptible to market price risk, mainly arising from changes in the interest rates or market yields which may impact the return and value of such investments. However due to the very short tenor of the underlying portfolio in the liquid schemes, these do not pose any significant price risk.

Liquidity risk

Liquidity is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.
