Management Comments

Commenting on the Company's performance for FY17, Mr. Omprakash Garg, CMD said "We are happy to report a very exciting performance in the year gone past. Historically, this has been the best financial performance for your Company, and we are glad to have set the stage for the next ladder of growth. Our female and male condoms business continues to make inroads to newer geographies, and we are also very satisfied to note considerable acceptance of our newly launched water based lubricant jellies. As we consolidate the institutional pie of our model, we also have had initial success in the retail business which is currently limited to few states. **He further added-** We firmly believe that the business climate is positive and the future promises an expanding opportunity for our business. As we enter into the new financial year, we remain confident of our blended business model for driving profitable growth for Cupid Limited"

Business Review

- Exports in Q4FY17 were 84% (72% in Q4FY16) of the total revenue while balance 16% (28% in Q4FY16) was domestic. For the FY17, the exports were 80% versus 77% in FY16.
- The product mix in Q4FY17 was led by female condoms with 59% (42% in Q4FY16) contribution to revenues, followed by male condoms (38% in Q4FY17 vs 58% in Q4FY16) and water- based lubricant

jellies (3% in Q4FY17). For the FY17, the split was 52% for female condoms, 43% for male condoms and 5% for water based lubricant jellies

- The Water based lubricant jellies continue to find traction amongst the end users and the potential business going forward looks promising
- Cupid shipped its products to over 200 cities through online channel, which is first of its kind development for the Company

Outlook

As on 31st March 2017, we have confirmed orders worth **₹580 mn** and repeat orders of **₹310 mn** both executable in the coming period.

The Company remains confident of its growth over the foreseeable period as it continues to take key strategic initiatives for the scale up. Amongst the current business setup, the Company:

- a. Plans to add new value-added variants to its female and male condom range and therefore add more varieties in the market. These new variants will not only contribute to the business volumes, but would also expand our target market.
- b. Intends to bolster sales through online channel and use digital marketing to boost our brand recognition, target to distribute products in 1,000+ cities
- c. Strengthen our distribution network and foray into newer geographies both for the institutional as well the retail business.

This apart, the Company would continue its efforts in evaluating new growth opportunities both through organic and inorganic route. Some of the key organic initiatives planned for the next couple of years are:

- a. Launch unique patented male condom that gives extra pleasure to the user during intercourse
- b. Develop second generation hi-tech version of Cupid Female Condom
- c. Foray into hand sanitizers
- d. Develop and launch vaginal creams
- e. Develop wipe that is used to slow down premature ejaculation.
