Dear Stakeholders,

It gives me immense pleasure to interact with you once again in the Annual General Meeting through the foreword to the 21st Annual Report of your Company for the year ended 31st March, 2016.

During the year, the Scheme of Amalgamation and Arrangement involving the Company, its subsidiaries and its group Companies has been approved by the Hon'ble High Court of Bombay on 21st November, 2015 and the Scheme became effective from 15th January, 2016 on filing the court order with Registrar of Companies (ROC). Pursuant to the Scheme, the Broadcasting business and the Publication business have been demerged from the Company into TV Vision Ltd. (TVL) and SAB Events and Governance Now Media Ltd. (SAB Events) respectively.

It gives me immense pleasure to say that as on record date i.e. 23rd March, 2016, the shareholders of the Company have now became shareholders of three companies upon allotment of shares by TVL and SAB Events. TVL and SAB Events are in process of getting listed on Bombay Stock Exchange and National Stock Exchange. The completion of the Scheme made a clear demarcation in the three business verticals which are Content, Broadcasting and Publication. The management of all three companies is committed to work harder to enhance the value of stakeholders further.

The Indian Media and Entertainment Industry size is estimated at ₹ 1,157 billion in 2015 with a growth of 12.8% over previous year and is expected to grow at a CAGR of 14.30% to reach ₹ 2,260 billion in 2020. The Media and Entertainment Industry is going through a phase of rapid and sustained technological innovations which are changing the consumer behaviour. The consumption of contents through the screens other than the television sets is increasing very rapidly. This transformation is giving rise to the demand of quality contents as well as to the healthy competition. Media companies are in the process of evolving to new practices and positioning themselves to capture this growth.

Increasing digitisation across sub sectors of the Media & Entertainment Industry, Innovative strategies to monetise digital content, rapid growth of new Media powered by increasing smart phone penetration are the key drivers of growth for Indian Media & Entertainment Industry in 2015. With digitisation there is an increase in localisation of content as well as an increase in the offering of channels in the niche genre.

Your Company has been closely monitoring the developments and is taking strategic steps to respond positively to the changing environments. The Company is evaluating various opportunities to leverage its vast content library to take the revenue growth at a new high. The team is working on various innovative ideas to leverage its existing contents as well as create/acquire new contents which are to be consumed through new age media platforms or through various satellite and digital channels and/or through various digital distribution platforms.

Taking its production business a step further, your Company has also forayed into movie production segment. Your Company is in advance stage of negotiation for co-producing series of two super hit films with limited investment exposure in association with leading directors and producers of the industry. In the previous year your Company has also distributed the hit film Pyaar ka Punchnama - 2. Your Company sees the movie business model as a forward integration and aim to create a profitable model out of it.

Company's another revenue segment of VFX and Post-production is also growing at a rapid pace. During the previous year, your Company has served to various clients in the segment and to say a few, it worked for feature film Tere Bin Laden-2 and produced ad-film for a reputed brands.

Our digital division is working towards a revenue generation model by launching channels on various digital platforms. Your Company has initiated to create the network of channels on YouTube. Apart from showcasing the rich content base, the group's digital division will also produce original content targeted at the new age viewers with a view to understand the patterns and create a robust business model out of it. Digital media has opened up new avenues of revenue generation of already expensed out content.

Your Company with a clear cut road map is suitably poised to capitalize on the opportunities being presented. We will always continue our quest for reaching leadership positions in each of the Genre or region we represent.

I would like to convey my appreciation for the support and the patience you, as shareholders, have extended to the Company over the years. ANNEXURE A TO INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Sri Adhikari Brothers Television Network Limited ("the Company") as of 31st March, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk

21ST ANNUAL REPORT 2015-2016

that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2016, we have audited the internal financial controls over financial reporting of Sri Adhikari Brothers Television Network Limited (hereinafter referred to as "the Holding Company") and its subsidiary companies and its associate companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary companies and its associate companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).] These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary companies and its associate companies which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.
