CHAIRPERSON'S MESSAGE

"Governance built on transparency is the truest ornament a Company can wear."

Dear Shareholders,

It is my privilege to present to you the Annual Report of Vivid Mercantile Limited for the financial year ended 31st March, 2026 — a year in which your Company delivered a strong all-round performance and further strengthened the governance framework that underpins everything we do.

The gems and jewellery sector in India continues to be a vital contributor to the national economy, and the industry is undergoing a meaningful transformation — greater formalisation, evolving consumer preferences, and supportive government policy on customs duty and GST have together created a more transparent and competitive marketplace. Your Company, with its integrated approach to sourcing, trading and distribution of gold, diamond and jewellery products, is well placed to participate in this growth.

During the year, the Board continued to place emphasis on strengthening internal controls, board oversight and stakeholder communication. The Company's proposed Rights Issue, for which the Board has approved a Draft Letter of Offer, reflects our commitment to funding the Company's growth in a manner that is equitable to all Eligible Equity Shareholders.

On behalf of the Board of Directors, I extend my sincere gratitude to our shareholders, customers, bankers, regulators and employees for their continued trust and support. We remain committed to building an institution that stands the test of time — one rooted in integrity, prudence and sustainable value creation.

With warm regards,

Umeshbhai Rasiklal Gor

Chairperson & Non-Executive Independent Director

MANAGING DIRECTOR'S MESSAGE

"Every milestone we cross is a promise kept to those who placed their trust in us."

Dear Members,

I am pleased to share that Vivid Mercantile Limited has recorded a landmark year of growth. Revenue from operations grew from ₹1,370.99 lakhs in FY 2024-25 to ₹4,691.06 lakhs in FY 2025-26 — an increase of over 242% — while Profit After Tax grew nearly eight-fold, from ₹137.70 lakhs to ₹1,078.80 lakhs. Earnings per share improved correspondingly from ₹0.14 to ₹1.08.

This performance was driven by disciplined execution of our core trading business. Our balance sheet also strengthened meaningfully during the year — total borrowings reduced substantially, and the Company is now placed on a near debt-free footing as at 31st March, 2026, even as total equity grew to ₹5,620.35 lakhs.

Looking ahead, your Company has initiated a Rights Issue of up to 5,01,28,200 Equity Shares to raise resources for augmenting long-term working capital requirements and general corporate purposes, in the ratio of 1 Rights Equity Share for every 2 fully paid-up Equity Shares held by Eligible Equity Shareholders. We believe this will further strengthen our capital base as we pursue the next phase of growth.

None of this would be possible without the trust of our shareholders, the dedication of our employees, and the confidence of our customers, suppliers and bankers. I thank each of you for being part of this journey and look forward to your continued support as we build a stronger, more resilient Vivid Mercantile.

With best regards,

Satishkumar Ramanlal Gajjar

Managing Director & Chief Financial Officer

3. Information pertaining to the appointment/re-appointment of Directors, to be considered in accordance with Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the revised Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI), in respect of the individuals proposed for appointment at this AGM, is also annexed herewith. The necessary declarations have been received from the Directors proposed for appointment.
4. Pursuant to the provisions of the Companies Act, 2013 ("Act"), a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf, and such proxy need not be a Member of the Company. However, as this AGM is being conducted in accordance with the MCA Circulars and SEBI Circulars through Video Conferencing/Other Audio-Visual Means (VC/OAVM), physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by Members is not available for this AGM. Consequently, the Proxy Form, Attendance Slip, and route map of the AGM have not been annexed to this Notice.
5. Institutional/Corporate shareholders (i.e., other than individuals, HUFs, NRIs, etc.) are required to send a scanned copy (PDF/JPG format) of their Board Resolution or other governing body authorization, authorising their representative to attend the AGM through VC/OAVM on their behalf and to cast vote through remote e-voting. The same shall be forwarded to M/s. KFin Technologies Limited, the Registrar and Share Transfer Agent, via email from their registered email address at einward.ris@karvy.com or complianceviel@gmail.com
6. Copies of the Balance Sheet, Statement of Profit and Loss, Directors' Report, Auditor's Report, and all other documents required to be annexed or attached to the Balance Sheet under the applicable provisions for the financial year ended March 31, 2026, have been duly annexed and/or attached.

7. Members may join the AGM through VC/OAVM mode 15 minutes prior to and up to 30 minutes after the scheduled commencement time of the Meeting, by following the procedure outlined in this Notice. The facility for participation at the AGM through VC/OAVM will be available for up to 1,000 Members on a first come first served basis. This restriction shall not apply to large shareholders (holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors, etc., who may attend the AGM without being subject to the first come first served basis.
8. Attendance of Members participating in the AGM through VC/OAVM shall be counted for the purpose of quorum under Section 103 of the Companies Act, 2013.
9. In case of joint holders, the Member whose name appears first in the Register of Members of the Company shall be entitled to vote at the Meeting.
10. In compliance with the aforesaid MCA and SEBI Circulars, the Notice of the AGM along with the Integrated Annual Report 2025–26 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories. The Notice convening the AGM along with the Integrated Report & Annual Accounts 2025–26 will also be available on the website of the Company at www.vividmercantile.com, on the website of the Stock Exchange i.e. BSE Limited at www.bseindia.com, and on the NSDL e-voting website at www.evoting.nsdl.com. Printed copies of the Annual Report (including the Notice) are not being dispatched to Members in view of the applicable e-AGM circulars.
11. Members are requested to notify any changes, if any, relating to their name, address with PIN code, email address, telephone/mobile numbers, Permanent Account Number (PAN), bank mandates, nominations, power of attorney, etc., to their respective Depository Participants (DPs), in case the shares are held in electronic form. In support of the Green Initiative, Members are also requested to register their email addresses with their respective DPs for electronic holdings and with the Registrar and Transfer Agent (RTA) for physical holdings. Members who have already registered their email addresses are requested to ensure that the same are kept updated/validated with their DPs/RTA for all future communications.
12. SEBI, vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2021/655 dated November 3, 2021, and subsequent circulars issued in this regard, has mandated submission of PAN, KYC details (including full address with PIN code, mobile number, email ID, bank details) and nomination details by holders of physical securities through Form ISR-1. Further, to mitigate unintended hardship due to freezing of folios, SEBI, vide Circular dated November 17, 2023, has withdrawn the requirement relating to freezing of folios not complying with PAN, KYC and nomination requirements.
13. In accordance with Regulation 40 of the SEBI Listing Regulations, as amended, the Company has discontinued acceptance of requests for transfer of securities held in physical form. Members holding shares in physical form are requested to convert their holdings into dematerialised/electronic form to avail the benefits of dematerialisation. Further, Members may note that SEBI has mandated listed companies to process securities only in dematerialised form for service requests such as issuance of duplicate share certificates, claims from Unclaimed Suspense Account, renewal/exchange of certificates, endorsement, sub-division/splitting, consolidation of folios/certificates, transmission, and transposition. Accordingly, Members are requested to submit service requests using the prescribed Form ISR-4/ISR-5. It is further noted that any service request or complaint can be processed only if the folio is KYC compliant.

14. Pursuant to the provisions of Section 72 of the Companies Act, 2013, Members are entitled to make nominations in respect of the shares held by them. Members who have not yet registered their nomination are requested to do so by submitting Form SH-13. In case a Member wishes to opt out of an existing nomination or make a fresh nomination, Form ISR-3 or SH-14, as applicable, may be submitted. The said forms should be submitted to the respective DP in case of dematerialised holdings and to the RTA in case of physical holdings, if any.
15. To prevent fraudulent transactions, Members are advised to exercise due diligence and promptly inform the Company of any change in address or the demise of any Member, as and when applicable. Members are further advised not to keep their demat account(s) inactive for prolonged periods. They should regularly obtain statements of holdings from their respective Depository Participants (DPs) and verify their holdings from time to time.
16. Members are requested to direct all communications to the Registrar and Share Transfer Agent, M/s KFin Technologies Limited, Karvy Selenium Tower B, Plot No. 31–32, Gachibowli, Financial District, Nanakramguda, Hyderabad, Telangana – 500032, or to the Registered Office of the Company at Office No. G/19, Hemkut Owners Association, Opp. Capital Comm Centre, Ashram Road, Ahmedabad, Gujarat, 380009. For any correspondence, shareholders may also write to the Company's investor email ID at complianceviel@gmail.com
17. The Board of Directors has appointed M/s. M/s Madhav Upadhyay and Associates, Practicing Company Secretaries (Certificate of Practice No. 25760), as the Scrutinizer to conduct the e-voting process in a fair and transparent manner. The Scrutinizer shall submit their report to the Chairman of the Company ("the Chairman") or any other person authorised by the Chairman, after completion of scrutiny of remote e-voting and e-voting at the AGM, within two working days from the conclusion of the e-voting process. The results, along with the Scrutinizer's report, shall be communicated to the Stock Exchange, NSDL, and the RTA, and shall also be placed on the Company's website at www.vividmercantile.com
18. An electronic copy of the Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Companies Act, 2013, and the Register of Contracts or Arrangements in which Directors are interested, maintained under Section 189 of the Act, shall be available for inspection by Members during the AGM. Further, all relevant documents referred to in the Notice of the AGM and the explanatory statement shall also be made available electronically for inspection by Members up to the date of the AGM.
19. SEBI has established a common Online Dispute Resolution (ODR) Portal for resolution of disputes arising in the Indian securities market. Accordingly, after exhausting the option of resolving grievances with the Company/RTA directly and through the SCORES platform, investors may initiate dispute resolution through the ODR Portal at <https://smartodr.in/login>.

The meetings of the Board were duly convened in accordance with the applicable provisions of the Companies Act, 2013, the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and other applicable statutory and regulatory requirements. The requisite notices and agenda papers were circulated to the Directors in accordance with the applicable provisions.

The Directors actively participated in the deliberations of the Board and considered various matters relating to the Company's financial performance, business operations, investments, corporate actions, statutory and regulatory compliances and other matters placed before the Board from time to time.

The intervening gap between any two consecutive meetings of the Board was within the period prescribed under the applicable provisions of the Companies Act, 2013 and the SEBI (LODR) Regulations, 2015, as applicable.

The details of the Board Meetings held during the financial year, including the number of meetings held and the attendance of the Directors, are provided in the Corporate Governance Report forming part of this Annual Report.

11. DETAILS OF COMMITTEES OF THE BOARD

The Board of Directors has constituted various Committees to assist the Board in discharging its responsibilities and to ensure effective corporate governance in accordance with the applicable provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

As on March 31, 2026, the Board has constituted the following statutory Committees:

- a) Audit Committee
- b) Nomination and Remuneration Committee
- c) Stakeholders' Relationship Committee
- d) Sexual Harassment Committee

The composition of the aforesaid Committees, their terms of reference, the number of meetings held during the financial year under review and the attendance of the Members at such meetings are disclosed in detail in the Corporate Governance Report, which forms an integral part of this Annual Report.

The meetings of the Committees are generally scheduled in conjunction with the meetings of the Board of Directors or as and when considered necessary.

All recommendations made by the Audit Committee during the financial year under review were accepted by the Board without any modification.

12. Directors and Key Managerial Personnel

The Board of Directors of the Company comprises a balanced mix of Executive, Non-Executive and Independent Directors, providing an appropriate combination of management experience, professional expertise and independent oversight. As at 31st March, 2026, the Board consisted of six Directors, comprising two Executive Directors, one Non-Executive Non-Independent Director and three Non-Executive Independent Directors. The Board is chaired by a Non-Executive Independent Director.

The composition of the Board as at the end of the financial year was as follows:

13. Policy on Directors' Appointment and Remuneration

The Company has, on the recommendation of the Nomination and Remuneration Committee, adopted a comprehensive Policy on Selection, Appointment and Remuneration of Directors, Senior Management and other employees, in accordance with the applicable provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Policy lays down the framework and criteria for the selection, appointment and re-appointment of Directors and Senior Management, including the qualifications, experience, expertise, skills, positive attributes and independence criteria to be considered while making such appointments.

The Policy also sets out the principles and parameters governing the remuneration of Directors, Key Managerial Personnel, Senior Management and other employees, with due consideration to their roles and responsibilities, qualifications, experience, performance and the Company's overall business objectives.

The Nomination and Remuneration Committee periodically reviews the Policy and makes appropriate recommendations to the Board wherever required, with a view to ensuring that the Company has an appropriate balance of skills, experience, knowledge and independence at the Board and senior management level.

A summary of the Policy and other relevant disclosures are provided in the Corporate Governance Report forming part of this Annual Report. The Policy is also available on the Company's website at www.vividmercantile.com.

14. Board and Director Performance Evaluation

Pursuant to the applicable provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board of Directors carried out an annual performance evaluation of the Board as a whole, its Committees

and individual Directors, including the Chairperson, for the financial year under review.

The evaluation was undertaken through a structured framework covering various parameters relevant to the effective functioning of the Board and its Committees, including Board composition and diversity, effectiveness of Board deliberations, quality and timeliness of information provided to the Board, strategic oversight, decision-making, corporate governance practices, participation and contribution of Directors and overall effectiveness of the Board and its Committees.

The performance evaluation of the Independent Directors was also carried out with regard to their fulfilment of the applicable responsibilities and duties, their contribution to Board deliberations, independent judgement and overall effectiveness in discharging their functions.

The Board also evaluated the performance of its Committees and individual Directors, including the Chairperson, taking into consideration their respective roles, responsibilities, participation, contribution and effectiveness.

The evaluation process provided an opportunity to assess the overall effectiveness of the Board and its Committees and to identify areas for continued improvement in Board functioning and governance practices.

The Board is satisfied with the outcome of the performance evaluation and the contribution made by the Directors during the year under review.

Further details regarding the performance evaluation process, criteria and outcome are provided in the Corporate Governance Report forming part of this Annual Report.

15. FAMILIARISATION PROGRAMME FOR DIRECTORS

The Company conducts familiarisation programmes for its Directors to enable them to understand the business, operations, industry dynamics, regulatory framework, roles and responsibilities of the Board and its Committees, and other relevant matters relating to the Company.

The familiarisation programme includes presentations and briefings on the Company's business and operations, financial performance, strategic initiatives, risk management framework, governance practices, applicable statutory and regulatory requirements, and any other matters as may be considered appropriate from time to time.

The Company also provides opportunities to the Directors to interact with the senior management and key managerial personnel to facilitate a better understanding of the business and operations of the Company and to enable them to effectively discharge their duties and responsibilities.

In accordance with the applicable provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, details of the familiarisation programme imparted to the Directors are available on the Company's

website.

16. POLICIES

The Company has adopted and implemented various policies and codes in accordance with the provisions of the Companies Act, 2013, the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and other applicable laws and regulations. These policies provide a framework for good corporate governance, ethical business conduct, transparency, accountability and compliance.

The policies are reviewed periodically by the Board of Directors and/or the respective Committees, as applicable, to ensure that they remain aligned with the Company's business requirements and the prevailing statutory and regulatory framework.

The Company's key policies and codes, as applicable, include the Code of Conduct for Directors and Senior Management Personnel, Policy on Related Party Transactions, Nomination and Remuneration Policy, Vigil Mechanism/Whistle Blower Policy, Policy for Determination of Materiality and other policies required under applicable laws and regulations.

The detailed policies of the Company are available on the Company's website www.vividmercantile.com.

17. AUDITORS

Statutory Auditors

M/s. Shah Karia & Associates, Chartered Accountants (Firm Registration No. 131546W), are the Statutory Auditors of the Company.

During the financial year under review, a casual vacancy arose in the office of the Statutory Auditor on account of the resignation of the previous Statutory Auditor. Pursuant to the provisions of Section 139(8) of the Companies Act, 2013, the Board of Directors appointed M/s. Shah Karia & Associates, Chartered Accountants (Firm Registration No. 131546W), to fill the said casual vacancy, subject to the approval of the Members.

However, after the closure of financial year the M/s. Shah Karia & Associates, Chartered Accountant has tendered their resignation from the position of Statutory Auditor due to personal reason and the Board of Directors in their meeting held on 2nd September, 2026 has considered and approved appointment of M/s. P H Shah and Co., Chartered

Accountants [FRN:0115464W] as the Statutory Auditors have confirmed their eligibility and consent to continue as Statutory Auditors of the Company for 1 term of 5 year commencing from FY 2026-2027 to 2030-2031, subject to the approval of the Members, is included in the Notice of the ensuing Annual General Meeting (“AGM”) for consideration and approval of the Members. and they have also confirmed that their appointment is in accordance with the applicable provisions of the Companies Act, 2013 and the rules made thereunder.

Statutory Audit Report

The Auditors’ Report on the financial statements of the Company for the financial year ended 31st March, 2026 does not contain any qualification, reservation, adverse remark or disclaimer

The observations, if any, made by the Statutory Auditors in their Report, together with the relevant disclosures forming part of the financial statements, are self-explanatory. Accordingly, pursuant to Section 134(3) of the Companies Act, 2013, no further explanation or comments by the Board are considered necessary in respect of the Auditors’ Report.

Secretarial Auditor

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and the rules made thereunder, the Company had appointed M/s. Neelam Somani & Associates, Company Secretaries, bearing Membership No. F10993, as the Secretarial Auditor of the Company.

The appointment of M/s. Neelam Somani & Associates was approved by the Members at the previous Annual General Meeting for a period of five consecutive years, commencing from the financial year 2025-26 to the financial year 2029-30, in accordance with the applicable provisions of the Companies Act, 2013.

The Secretarial Auditor conducted the secretarial audit of the Company for the financial year ended 31st March, 2026, and the Secretarial Audit Report in Form MR-3 forms part of this Annual Report and is annexed as Annexure B.

Subsequent to the closure of the financial year ended 31st March, 2026, M/s. Neelam Somani & Associates tendered their resignation as Secretarial Auditor of the Company due to personal reason. Accordingly, the Company has taken necessary steps for appointment of a new Secretarial Auditor in accordance with the applicable provisions of the Companies Act, 2013.

The Board of Director of the Company in their meeting held on 2nd September, 2026 has considered and approved appointment of M/s Madhav Upadhyay and Associates Practising Company Secretary, as the Secretarial Auditor of the Company for 1 term of 5 Years commencing from FY 2026-2027 to 2030-2031, subject to the approval of the Members, is included in the Notice of the ensuing Annual General Meeting (“AGM”) for

consideration and approval of the Members. and they have also confirmed that their appointment is in accordance with the applicable provisions of the Companies Act, 2013 and the rules made thereunder

Secretarial Audit Report

The Secretarial Audit Report for the financial year ended 31st March, 2026, in Form MR-3, is annexed to this Report as Annexure B.

The Secretarial Audit Report does not contain any qualification, reservation, adverse remark or disclaimer requiring any further explanation or comments from the Board. The observations made in the said Report are in the nature of factual and procedural disclosures relating to the various corporate actions undertaken by the Company during the year, including alteration of the Memorandum of Association and issuance of rights shares, and do not warrant any specific clarification or explanation from the Board.

Cost Records and Cost Audit

The provisions relating to maintenance of cost records under Section 148(1) of the Companies Act, 2013, read with the Companies (Cost Records and Audit) Rules, 2014, are not applicable to the Company, as the products/services of the Company do not fall within the categories of industries or activities prescribed under the said Rules.

Accordingly, the Company is not required to maintain cost records under Section 148(1) of the Companies Act, 2013 and the applicable rules made thereunder. Consequently, the requirement for appointment of a Cost Auditor and conduct of Cost Audit is also not applicable to the Company for the financial year under review.

The Company has complied with the applicable provisions relating to audit and assurance requirements during the year under review.

18. DISCLOSURE UNDER SECTION 164(2) OF THE COMPANIES ACT, 2013

The Company has received declarations from all the Directors in the prescribed Form DIR-8, confirming that they are not disqualified from being appointed or continuing as Directors of the Company pursuant to the provisions of Section 164(2) of the Companies Act, 2013, read with Rule 14(1) of the Companies (Appointment and Qualification of Directors) Rules, 2014.

Based on the declarations received from the Directors, the Board of Directors confirms that none of the Directors of the Company is disqualified from being appointed or continuing as a Director under the applicable provisions of the Companies Act, 2013.

19. Internal Financial Controls

The Company has established and maintained adequate internal financial controls commensurate with the size, scale and nature of its business and the complexity of its

operations. These controls are designed to provide reasonable assurance regarding the reliability of financial reporting, safeguarding of assets, prevention and detection of frauds and errors, accuracy and completeness of accounting records, and compliance with applicable laws and regulations.

The internal financial control framework of the Company is supported by appropriate policies, procedures, processes and control mechanisms, which are periodically reviewed and strengthened, wherever considered necessary, in line with the changing business environment and operational requirements.

The management is responsible for establishing and maintaining adequate internal financial controls over financial reporting. The effectiveness of such controls is reviewed periodically by the management and the Statutory Auditors as part of their audit and other procedures.

The Statutory Auditors, in their Report under Section 143(3)(i) of the Companies Act, 2013, have expressed an unmodified/unqualified opinion and confirmed that the Company has, in all material respects, adequate internal financial controls over financial reporting and that such controls were operating effectively as at 31st March, 2026.

Accordingly, the Board is of the opinion that the Company has an adequate and effective internal financial control framework commensurate with its requirements.

20. Risk Management

The Company recognises that effective risk management is an integral part of achieving its business objectives and sustaining long-term growth. The Board of Directors periodically reviews the key business and financial risks faced by the Company and monitors the measures adopted by the management for identifying, assessing, mitigating and managing such risks.

The principal risks considered by the Company include price risk, credit risk and liquidity risk, along with other operational and financial risks that may arise in the normal course of business. The Company seeks to manage these risks through appropriate internal processes, regular monitoring, prudent financial management and timely decision-making.

The Board periodically evaluates the risk environment and reviews the adequacy of the measures adopted to mitigate identified risks. The management remains responsible for monitoring the identified risks and taking appropriate corrective and preventive measures, wherever required.

Based on the assessment undertaken during the year under review, the Board is of the opinion that there are no elements of risk which may threaten the existence of the Company.

The Company has not constituted a separate Risk Management Committee, as constitution of such a committee is not mandatory for the Company under the applicable provisions of the SEBI (LODR) Regulations, 2015, considering that the

Company does not fall within the category of the top 1,000 listed entities by market capitalisation.

Further details regarding the risk profile of the Company, key risks and the measures undertaken for their mitigation are provided in the Management Discussion & Analysis forming part of this Annual Report.

21. Corporate Social Responsibility (CSR)

The provisions relating to Corporate Social Responsibility under Section 135 of the Companies Act, 2013, read with the applicable rules made thereunder, are not applicable to the Company for the financial year under review.

The Company does not meet the prescribed net worth, turnover or net profit thresholds specified under Section 135 of the Companies Act, 2013, for applicability of the CSR provisions.

Accordingly, the requirement to constitute a Corporate Social Responsibility Committee, formulate and implement a CSR Policy, incur expenditure towards CSR activities and make the disclosures prescribed under Section 135 of the Companies Act, 2013 is not applicable to the Company for the financial year ended 31st March, 2026.

The Company will continue to monitor the applicability of the CSR provisions based on the prescribed statutory thresholds and shall undertake the necessary compliances if and when the provisions become applicable.

22. Business Responsibility and Sustainability Reporting (BRSR)

The provisions relating to Business Responsibility and Sustainability Reporting (BRSR) under Regulation 34(2)(f) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 are applicable to the specified listed entities based on the prescribed criteria, including the threshold relating to the top 1,000 listed entities by market capitalisation.

As the Company does not fall within the prescribed category of the top 1,000 listed entities by market capitalisation, the requirement to provide BRSR disclosures for the financial year under review is not applicable to the Company.

Accordingly, the Company has not prepared a separate BRSR Report for the financial year ended 31st March, 2026.

The Company remains committed to conducting its business responsibly and in accordance with applicable legal, regulatory and governance requirements.

23. VIGIL MECHANISM / WHISTLE BLOWER POLICY

The Company has established a Vigil Mechanism / Whistle Blower Policy in accordance with the provisions of Section 177(9) of the Companies Act, 2013 and Regulation 22 of

the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Vigil Mechanism provides a formal framework for Directors and employees to report genuine concerns relating to any suspected misconduct, unethical behavior, irregularities, violation of applicable laws, policies or other matters requiring appropriate attention. The mechanism is intended to promote a culture of transparency, accountability and ethical conduct within the organisation.

The Policy provides adequate safeguards against victimisation of persons who make disclosures in good faith and also provides for appropriate channels for reporting and addressing concerns. In exceptional cases, the Policy provides for direct access to the Chairperson of the Audit Committee.

During the financial year under review, no complaints or disclosures were received under the Vigil Mechanism / Whistle Blower Policy.

The Vigil Mechanism / Whistle Blower Policy is available on the Company's website and the details thereof are also provided in the Corporate Governance Report forming part of this Annual Report.

24. PREVENTION OF SEXUAL HARASSMENT (POSH) AND MATERNITY BENEFIT

The Company is committed to providing a safe, respectful and inclusive working environment for all its employees and has adopted appropriate measures in accordance with the provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

In compliance with the applicable provisions of the said Act, the Company has constituted an Internal Complaints Committee to consider and address complaints relating to sexual harassment at the workplace and to ensure appropriate redressal in accordance with the prescribed procedure.

The Company continues to create awareness regarding the prevention of sexual harassment and expects all employees to maintain appropriate standards of professional conduct and workplace behavior.

During the financial year 2025-26, the Company did not receive any complaint of sexual harassment. Accordingly, there were no complaints pending at the beginning or at the end of the financial year and no complaint was disposed of during the year.

Maternity Benefit

The Company complies with the applicable provisions of the Maternity Benefit Act, 1961, as amended from time to time, and is committed to providing eligible women employees with the maternity benefits and related protections prescribed under the applicable law.

The Company ensures that eligible women employees are provided maternity leave and other applicable benefits in accordance with the provisions of the Act and the Company's applicable policies. The Company also strives to maintain a supportive and inclusive work environment for women employees and to ensure compliance with all applicable

statutory requirements relating to maternity benefits.

Further details relating to the Internal Complaints Committee and compliance with the applicable provisions are provided in the Corporate Governance Report forming part of this Annual Report.

25. CODE OF CONDUCT

The Company has adopted a Code of Conduct for the Board of Directors and Senior Management Personnel in accordance with the applicable provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Code is designed to promote ethical conduct, integrity, transparency, accountability and responsible corporate behaviour among the Directors and Senior Management Personnel of the Company.

All the Directors and Senior Management Personnel have affirmed compliance with the Code of Conduct for the financial year under review. The declaration regarding compliance with the Code forms part of the Corporate Governance Report.

The Code of Conduct is available on the Company's website www.vividmercantile.com

MANAGEMENT DISCUSSION AND ANALYSIS

The Management Discussion and Analysis (“MDA”) should be read together with the audited financial statements of Vivid Mercantile Limited (“Vivid” or “the Company”) for the financial year ended 31st March, 2026, the accompanying notes to accounts and other disclosures forming part of the Annual Report.

The financial information discussed below is presented in ₹ lakhs, unless otherwise stated. The discussion focuses on the Company’s operating performance, financial position, business environment, opportunities, risks and outlook.

1. INDUSTRY STRUCTURE AND DEVELOPMENTS

(a) Industry Structure and Developments

1. The Macroeconomic Environment

Global Economy

Global economic activity demonstrated resilience through calendar year 2025 and into the early part of 2026, notwithstanding an environment marked by episodic trade policy shifts, elevated geopolitical uncertainty and a gradual normalisation of monetary policy across major economies. As per the International Monetary Fund's (“IMF”) World Economic Outlook Update of January 2026, global output is estimated to have grown by approximately 3.3% in calendar year 2025, with growth projected to remain resilient at 3.3% in 2026 and 3.2% in 2027. This marks a modest upward revision from the IMF's October 2025 assessment, supported by continued technology-led investment, accommodative financial conditions, fiscal and monetary support in several major jurisdictions, and the adaptability of the private sector to evolving trade conditions.

Growth across advanced economies is projected at approximately 1.8% for 2026, with the United States expected to expand by around 2.4%, aided by fiscal policy support, a lower policy rate environment, and the gradually diminishing impact of elevated trade tariffs introduced earlier in the cycle. The Euro area continues to face more subdued conditions, weighed down by structural headwinds in manufacturing and the lingering effects of elevated energy costs, while emerging market and developing economies, led by India, continue to outpace advanced economy growth rates by a wide margin. Global headline inflation has continued its gradual descent, though the pace of disinflation has varied meaningfully across geographies, with inflation in the United States remaining comparatively sticky relative to other major economies.

Key downside risks to the global outlook identified by multilateral agencies include a possible re-evaluation of technology-sector valuations and investment expectations, renewed escalation of geopolitical tensions in the Middle East and Eastern Europe, and the possibility of further trade policy shifts that could disrupt global supply chains, capital flows and commodity markets — developments of direct relevance to a gold and jewellery-linked business such as ours, given gold's role as both a global commodity and a safe-haven investment asset.

Global vs. Indian Economic Growth

Global and Indian GDP growth (Source: IMF World Economic Outlook, January 2026; Reserve Bank of India, February 2026 Monetary Policy Statement). India figures on a fiscal-year basis.

Indian Economy

India has continued to consolidate its position as the world's fastest-growing major economy during FY 2025–26. The Reserve Bank of India ("RBI"), in its February 2026 monetary policy review, revised its GDP growth estimate for FY 2025–26 upward to 7.4%, from an earlier estimate of 7.3%, reflecting broad-based momentum across consumption, services and industrial activity. India's real GDP grew by 8.2% in the September 2025 quarter — the sharpest quarterly growth rate in six quarters — following growth of 7.8% in the June 2025 quarter, underpinned by resilient rural and urban demand, softer crude oil prices, front-loaded government capital expenditure, and the consumption boost from GST rate rationalisation announced during the year. The IMF has similarly raised its FY 2025–26 growth forecast for India to 7.3%, while cautioning that growth is likely to moderate towards a more sustainable 6.4% range over the following two fiscal years as these cyclical tailwinds fade.

Retail inflation remained benign through much of FY 2025–26, with CPI inflation tracking to historic lows of around 0.25% in October 2025 before edging up to approximately 1.33% by December 2025, comfortably within the RBI's tolerance band of 2–6%. This benign inflation environment, together with the RBI's rate cut in December 2025, has supported consumer sentiment and discretionary spending — a favourable backdrop for a consumption-linked, urban-centric business such as ours. The Union Budget for FY 2025–26 also introduced income tax rationalisation measures that placed additional disposable income in the hands of the middle-class consumer, a segment that forms a core part of the customer base for organised jewellery retail in India.

II. The Gems and Jewellery Industry

Global Jewellery and Gold Market

Calendar year 2025 was a landmark year for the global gold market, with total gold demand (including OTC transactions) surpassing 5,000 tonnes for the first time, against a backdrop of 53 separate record highs registered in the gold price during the year. This unprecedented demand was overwhelmingly investment-led, with central banks continuing robust net purchases and exceptional inflows into gold-backed exchange-traded funds and physical bar and coin investment, as investors globally sought safe-haven and portfolio-diversification exposure amid elevated geopolitical risk and currency volatility.

Jewellery fabrication demand, in contrast, came under pressure through 2025 and into the first half of calendar 2026, as sustained record-high gold prices weighed on affordability and prompted a shift towards lighter-weight, lower-carat and studded jewellery formats across most major consuming markets, including China and India.

Notwithstanding softer volumes, the value of global jewellery demand has generally held up well, reflecting the extent of the price appreciation in gold during the year. Gold supply, meanwhile, touched a six-year low, with ample above-ground inventories and a marked increase in recycling activity helping to balance the market as higher prices encouraged the return of old gold into the supply chain — a dynamic that is also increasingly visible in the Indian market through exchange/buyback transactions.

Indian Gems and Jewellery Industry

India remains the world's second-largest consumer market for gold jewellery and has now emerged as the world's second-largest diamond jewellery market by value, commanding an approximately 12% global share as of early 2026, having overtaken both China and Japan on the strength of rising incomes, a large and growing base of organised retail, and enduring cultural demand for jewellery as both adornment and investment. India's gems and jewellery market was valued at approximately ₹7,31,255 crore (US\$ 85 billion) as of January 2026 and is projected to expand to approximately ₹11,18,390 crore (US\$ 130 billion) by FY 2030, implying a healthy forward compound annual growth rate.

India's gems & jewellery market size, current and projected (Source: India Brand Equity Foundation, January 2026; industry estimates).

The Indian gold jewellery market experienced a divergence between volume and value through FY 2025–26, mirroring the global trend. Domestic gold prices (MCX spot) rose sharply during the year — up approximately 81% year-on-year in the March 2026 quarter alone, touching a record quarterly average of over ₹1,51,000 per 10 grams — which weighed on jewellery purchase volumes even as overall consumer spending on gold reached record levels in value terms. Industry data for the quarters comprising FY 2025–26 indicate that while jewellery demand volumes softened year-on-year (reflecting affordability pressures at elevated price points), overall spending on jewellery rose sharply, supported by wedding-related and festive purchases as well as continued demand from higher-income consumers. Retailers across the industry, including our Company, responded to this environment through a greater emphasis

on lighter-weight and studded designs, increased exchange/buyback volumes, and continued customer engagement around occasion-led buying (weddings, festivals and Akshaya Tritiya).

On the policy front, the Union Budget 2025–26 reduced customs duty on jewellery (HSN 7113) from 25% to 20% and on platinum findings from 25% to 5%, improving affordability and supporting domestic demand for the sector as a whole. The Government's continued push on mandatory BIS hallmarking has strengthened consumer confidence in purity standards across the organised trade, a development that structurally benefits compliant, BIS-registered jewellers such as our Company relative to unorganised participants.

The Indian gems and jewellery sector remains highly fragmented, with the organised trade — comprising an estimated 450-plus organised manufacturers, importers and exporters together with a growing base of BIS-hallmarked retail jewellers — continuing to gain share from the unorganised segment, a trend that plays to the structural advantage of listed, governance-compliant entities operating in the sector.

OVERVIEW OF THE COMPANY AND ITS BUSINESS:

Vivid Mercantile Limited has evolved over a period of several decades in response to changing market conditions and business opportunities. The Company commenced operations in 1994 in graphic designing and printing, subsequently diversified into infrastructure and real estate-related activities and, in line with its business strategy, has progressively transitioned towards trading activities. Its current business focus is on the buying, selling, reselling, transporting, storing, marketing and trading of commodities, principally gold, silver, jewellery and related products, on both retail and wholesale basis in India.

The Company's jewellery portfolio comprises gold and silver jewellery, including products with precious and semi-precious stones. The business caters to traditional, modern and Indo-Western preferences and serves customers across value, mid-market and premium categories. The Company sources gold and silver through established bullion markets and procures gemstones and other materials from suppliers considered reliable for quality and authenticity.

The Indian gems and jewellery industry remains an important component of the domestic consumption and manufacturing ecosystem. India is among the world's largest consumers of gold jewellery and that long-term demand is influenced by economic growth, income levels, wealth distribution and urbanisation. It also notes the significant size of the Indian gems and jewellery market and the continued importance of India in global jewellery trade.

The industry is, however, characterised by substantial sensitivity to gold and other precious-metal prices, consumer purchasing power, seasonal demand, competition, availability of skilled labour and regulatory developments. These factors have a direct bearing on procurement costs, inventory values, pricing, margins, liquidity and customer demand.

The Management also identifies various government and industry initiatives affecting the sector, including changes in customs duties, GST treatment and measures intended to support domestic jewellery demand and the development of the gems and jewellery ecosystem.

For Vivid, the operating environment therefore presents a combination of opportunities arising from the depth of the domestic jewellery market and challenges arising from price volatility, competition and the working-capital-intensive nature of the business.

BUSINESS OVERVIEW

Vivid presently operates as a trading-oriented enterprise with a focus on gold, silver, and Commodity related products. The Company's business model is based on sourcing products, maintaining appropriate availability for customers and undertaking retail and wholesale transactions.

The nature of the Company's business requires careful management of inventory, procurement, customer credit, pricing and cash flows.

The Company's operating model is closely linked to:

- prevailing prices of gold, silver and other precious materials;
- customer demand and purchasing power;
- inventory availability and turnover;
- procurement relationships;
- pricing and gross margin management;
- working-capital availability;; and
- the competitive environment.

OPPORTUNITIES AND THREATS

The Company's business is influenced by developments in the gold, diamond and Commodity markets, gold prices, macroeconomic conditions, regulatory developments and the competitive environment. The management continuously evaluates emerging opportunities and potential threats and seeks to align its business strategy with changing market conditions.

Opportunities

1. Growing Demand for Gold and Jewellery

- Gold continues to have significant cultural, social and financial importance in India and remains an important component of household wealth and jewellery consumption. Demand for gold jewellery is supported by weddings, festivals, social occasions, gifting and investment-related considerations.
- The Company's presence in the gold, diamond and jewellery business provides an opportunity to participate in the long-term. Continued urbanisation, increasing disposable income and evolving consumer preferences may provide opportunities for organised players to expand their customer base and strengthen their market presence.

2. Expansion of Organised Jewellery Market

- The Indian jewellery market continues to evolve towards greater organisation, transparency, quality assurance and customer-centric retailing. Increasing consumer awareness regarding purity, hallmarking, pricing transparency and product quality provides an opportunity for organised businesses to differentiate themselves from less organised market participants.
- The Company may benefit from this structural shift by strengthening its systems, product quality, customer service and transparency in transactions.

3. Opportunity from Product and Design Diversification

- Changing customer preferences are creating demand for a wider range of jewellery designs, lightweight jewellery, contemporary designs, traditional jewellery, customised products and products catering to different price points.
- The Company can leverage these changing preferences by maintaining an appropriate product portfolio and introducing products that address different customer requirements. Greater emphasis on design, quality, customisation and customer experience may provide opportunities to improve customer engagement and strengthen revenues.

4. Digitalisation and Technology Adoption

- The increasing use of digital platforms, technology-enabled inventory management, customer relationship management, digital marketing and online engagement is changing the way customers discover and evaluate jewellery products.
- Adoption of appropriate technology may provide opportunities to improve inventory visibility, customer engagement, operational efficiency and decision-making. Digital channels may also enable the Company to expand its customer reach beyond its traditional geographical markets, subject to the Company's business model and strategic priorities.

5. Strengthening Supply and Procurement Capabilities

- Efficient procurement and inventory management are particularly important in the gold and jewellery business because gold represents a high-value inventory item and changes in gold prices can significantly affect working capital requirements.
- The Company has an opportunity to strengthen supplier relationships, procurement processes, inventory controls and sourcing arrangements to improve operational efficiency and manage its exposure to market price volatility.

6. Opportunity from Rights Issue and Strengthening of Capital Base

- During FY 2025-26, the Company initiated the process of raising funds through a rights issue. The Board approved a rights issue of up to approximately 5.01 crore Equity Shares at an issue price of ₹5 per Equity Share, aggregating to approximately ₹25.06 crore, with an entitlement ratio of 1 Equity Share for every 2 Equity Shares held, subject to the applicable terms, approvals and completion of the issue process.
- The proposed fund raising provides an opportunity to strengthen the Company's capital base and provide additional financial resources. Effective utilisation of the proceeds may support the Company's working capital requirements, business initiatives and overall financial flexibility, subject to the final utilisation and implementation of the stated objects.

7. Increasing Consumer Preference for Transparency and Quality

- Increasing consumer awareness regarding purity, hallmarking, certification, product authenticity and transparent pricing is creating an environment in which businesses with robust quality and compliance systems can strengthen customer trust.
- The Company can leverage this opportunity through continued focus on product quality, appropriate certification and hallmarking requirements, transparent customer practices and effective grievance redressal mechanisms.

8. Opportunities from Changing Gold Investment Behaviour

- Gold continues to be viewed by Indian consumers not only as jewellery but also as a store of value and a traditional form of wealth preservation. Periods of economic uncertainty, inflationary concerns and market volatility can influence consumer interest in gold.
- The Company's exposure to the gold and jewellery ecosystem provides an opportunity to benefit from sustained long-term interest in gold, subject to the impact of gold prices and consumer affordability.

Threats

1. Gold Price Volatility

- The Company's business is inherently exposed to fluctuations in gold prices. Gold prices are affected by international economic conditions, inflation, interest rates, currency movements, geopolitical developments, central bank policies, investment demand and other factors beyond the Company's control.
- A sharp increase in gold prices may affect affordability and consumer demand, while a decline in gold prices may affect the value of inventory held by the Company. Significant volatility may also increase working capital requirements and create challenges in inventory and procurement management.

2. Highly Competitive Market

- The gold and jewellery industry is highly competitive and includes organized jewellery retailers, established regional players, local jewellers and other unorganised market participants.
- Increased competition may result in pricing pressure, higher customer acquisition costs, reduced margins and difficulty in retaining or expanding market share.
- The Company's ability to compete effectively will depend upon its product quality, pricing, design, customer service, supplier relationships, operational efficiency and ability to respond to changing customer preferences.

3. Changing Consumer Preferences

- Consumer preferences in the jewellery market are continuously evolving. Demand may shift towards lightweight jewellery, contemporary designs, customised products, branded products, alternative investment avenues or digital forms of gold.
- Failure to anticipate and respond effectively to changing customer preferences may result in slower sales growth, excess inventory or loss of customer relevance.

4. Regulatory and Policy Changes

- The gold and jewellery industry is subject to various regulatory requirements relating to taxation, import duties, hallmarking, purity standards, customer identification, anti-money laundering requirements and other applicable laws.
- Changes in import duties, taxation, hallmarking requirements or other government policies may affect gold prices, consumer demand, procurement costs, margins and the Company's operating model.
- The Company is required to continuously monitor regulatory developments and adapt its systems and processes accordingly.

5. Inventory and Working Capital Risk

- Gold and jewellery are high-value inventory items. Maintaining adequate inventory is necessary to meet customer requirements, while excessive inventory may result in significant working capital being blocked.
- Changes in gold prices, slower inventory movement, changes in product preferences and inventory ageing may affect working capital efficiency and profitability.
- The Company therefore needs to maintain a balance between product availability, customer requirements and efficient utilisation of capital.

6. Security, Theft and Pilferage

- Gold and jewellery inventory has a high intrinsic value and therefore the Company is exposed to risks relating to theft, burglary, pilferage, misappropriation, fraud and unauthorised movement of inventory.
- Any material loss of inventory may adversely affect the Company's financial performance and reputation and may also result in operational disruption and potential legal or regulatory consequences.

7. Purity and Quality Risk

- Customer confidence in the jewellery business depends substantially on the purity, authenticity and quality of products.
- Any failure to maintain appropriate quality standards, errors in purity assessment, non-compliance with applicable hallmarking requirements or customer complaints regarding product quality may adversely affect the Company's reputation and business.

8. Supplier and Procurement Risk

- The Company depends on the timely availability of gold, diamonds and other materials from appropriate suppliers. Disruptions in supply, changes in supplier terms, quality issues, concentration of procurement or adverse movements in procurement costs may affect the Company's operations and margins.
- The Company needs to maintain reliable supplier relationships and appropriate procurement controls to minimise such risks.

9. Liquidity and Interest Rate Risk

- The gold and jewellery business can require substantial working capital because of the high value of inventory. Any significant increase in gold prices may increase the amount of capital required to maintain inventory.
- Higher interest rates or restricted availability of working capital finance may increase finance costs and adversely affect profitability.
- Effective cash-flow forecasting, inventory management and liquidity planning are therefore important for maintaining financial flexibility.

10. Foreign Exchange Risk

- International gold prices are generally influenced by movements in global markets and currency exchange rates. To the extent that the Company's procurement or transactions have direct or indirect foreign currency exposure, fluctuations in exchange rates may affect procurement costs and margins.
- The Company therefore needs to monitor foreign exchange movements and associated exposures on an ongoing basis.

11. Technology and Cybersecurity Risk

- Increasing reliance on technology for accounting, inventory management, billing, customer information, business communication and other operational activities exposes the Company to risks relating to system failure, cyberattacks, unauthorised access and data breaches.
- Any significant technology disruption or cybersecurity incident may affect business continuity, customer confidence and financial performance.

12. Reputational Risk

- Trust and reputation are critical to the gold and jewellery business. Any adverse incident relating to product quality, purity, customer service, regulatory compliance, pricing, employee conduct, theft or other business practices may negatively affect customer confidence.
- Loss of customer trust may have a longer-term impact on the Company's ability to retain existing customers and attract new customers.

13. Economic and Consumer Spending Risk

- Gold jewellery is partly discretionary in nature and demand may be influenced by disposable income, inflation, interest rates, employment conditions, consumer confidence and broader economic conditions.
- An economic slowdown or reduction in discretionary spending may adversely affect jewellery demand and consequently the Company's revenues and profitability.

14. Strategic and Execution Risk

- The Company's future growth depends on its ability to execute its business strategy effectively, manage its capital efficiently and respond to changing market conditions.
- The proposed strengthening of the Company's capital base through the rights issue provides additional financial resources; however, the benefits of such fund raising will depend upon effective deployment of the proceeds, implementation of the proposed business initiatives and the Company's ability to achieve the intended operational outcomes.
- Any delay in implementation, ineffective utilisation of resources or inability to achieve the intended objectives may affect the expected benefits from the Company's strategic initiatives.

Risk Management Approach

- The Company recognises that risks are an inherent part of its business environment and that certain risks, particularly those relating to gold prices, consumer demand, macroeconomic conditions and regulatory developments, are beyond its direct control.
- The management therefore continuously monitors the Company's operating environment and assesses financial, market, operational, regulatory, security, technology and strategic risks. Appropriate internal controls, inventory management systems, compliance mechanisms, liquidity planning, supplier management and operational processes are implemented to minimise the potential impact of identified risks.
- The Company remains focused on strengthening its risk management framework, improving operational and financial controls, monitoring market developments and responding proactively to emerging risks and opportunities.
- The above risks are not exhaustive and may arise from circumstances not presently known to the Company or which may become material in the future. The Company continues to review and monitor its risk profile and take appropriate measures to mitigate identified risks.

Segment-Wise / Product-Wise Performance

The Company operates as a single reportable business segment, comprising the wholesale, retail and trading of gold and silver, commodities and related articles, in accordance with Ind AS 108 – Operating Segments. Revenue is predominantly derived from the sale of gold, silver, commodities and other allied articles such as utensils. As the Company's operations, resources and performance are reviewed by the Chief Operating Decision Maker on a consolidated, single-segment basis, no separate segment-wise financial disclosures have been made in the financial statements for the year under review. Accordingly, no segment-wise or product-wise performance disclosure is required beyond the financial statements presented elsewhere in this Annual Report.

Outlook

The Company's immediate strategic priority is to consolidate its position in its current trading activities while improving the efficiency with which working capital is deployed.

The outlook remains dependent on customer demand, commodity-price movements, competitive intensity, economic conditions and the Company's ability to execute its business plans effectively. Management intends to focus on sustainable revenue growth, disciplined working-capital deployment, customer relationships and prudent financial management.

The Company does not represent that the growth opportunities discussed above will necessarily result in a particular level of future revenue or profitability.

Risk & Concerns

The Company operates in the gold, diamond and jewellery business and is exposed to various risks arising from fluctuations in gold prices, changes in consumer demand, competitive intensity, regulatory developments, inventory management, liquidity requirements and operational factors. The Company also remains exposed to broader economic and financial market conditions that may affect its business and financial performance.

The management continuously evaluates the risks associated with the Company's business and monitors developments in the industry, regulatory environment and financial markets. Appropriate systems, processes and internal controls are implemented to identify, assess and mitigate risks to the extent practicable.

I. Gold Price and Market Risk

The Company's business is inherently exposed to fluctuations in the price of gold. Gold prices are influenced by several factors, including global economic conditions, inflation, interest rates, geopolitical developments, movements in international commodity and currency markets, central bank policies and investment and consumer demand. Such factors are largely outside the Company's control.

Significant volatility in gold prices may affect the Company's inventory value, working capital requirements, procurement costs, selling prices and margins. A substantial increase in gold prices may also affect consumer affordability and demand, while a decline in prices may adversely affect the value of gold inventory held by the Company.

The Company seeks to mitigate this risk through close monitoring of gold price movements, disciplined inventory management, appropriate procurement planning and regular review of its working capital requirements.

Key mitigation strategies include:

- Continuous monitoring of domestic and international gold price movements;
- Prudent inventory and procurement management;
- Regular review of inventory levels and ageing;
- Aligning procurement with business requirements and anticipated demand;
- Maintaining appropriate liquidity and working capital planning; and

- Periodic review of pricing and margin strategies.

II. Competition and Market Position Risk

The gold and jewellery industry in India is highly competitive and comprises organised jewellery retailers, regional players and a large number of local and unorganised market participants. The Company may face competition in terms of product range, quality, pricing, design, customer service, distribution and brand recognition.

Increased competition may result in pressure on selling prices and margins and may affect the Company's ability to retain existing customers or attract new customers. The Company's future performance will depend, among other factors, on its ability to respond effectively to changing market conditions and customer preferences.

The Company seeks to address competitive risks through continued focus on pricing discipline and operational efficiency.

III. Consumer Demand and Changing Preferences

Demand for gold and jewellery is influenced by consumer confidence, disposable income, gold prices, economic conditions, wedding and festive demand and prevailing consumer preferences.

The jewellery market is also witnessing changes in customer preferences, including demand for contemporary designs, lightweight jewellery, customised products, quality assurance and greater transparency in pricing and purity.

Any inability to anticipate or respond to changing customer preferences may adversely affect the Company's sales and profitability.

The Company seeks to mitigate this risk by monitoring market trends, customer preferences and competitive developments and by maintaining an appropriate product and customer strategy.

IV. Inventory and Working Capital Risk

Gold and jewellery constitute high-value inventory and consequently require significant working capital. The Company's ability to maintain adequate inventory while ensuring efficient utilisation of funds is important for its operations.

Excessive inventory may result in higher working capital requirements and increased exposure to gold price movements, while inadequate inventory may affect the Company's ability to meet customer requirements.

The Company therefore places emphasis on inventory monitoring, physical verification, reconciliation and efficient working capital management.

Key mitigation strategies include:

- Regular monitoring of inventory levels and movement;
- Periodic physical verification and reconciliation;
- Monitoring of slow-moving and ageing inventory;
- Prudent procurement planning;
- Regular working capital and cash-flow reviews; and
- Strengthening internal controls over inventory.

V. Gold Inventory Security, Theft and Pilferage Risk

Gold and jewellery are high-value commodities and therefore the Company is exposed to risks relating to theft, burglary, pilferage, fraud, misappropriation and unauthorised movement of inventory.

Any significant loss of inventory could have an adverse impact on the Company's financial performance and may also affect its reputation and customer confidence.

The Company seeks to mitigate such risks through appropriate physical security measures, controlled access, inventory verification, segregation of duties, surveillance systems and internal controls.

VI. Regulatory and Compliance Risk

The gold and jewellery business is subject to various laws and regulations relating to taxation, hallmarking, purity standards, import and trade requirements, customer identification, anti-money laundering, financial reporting and other applicable matters.

Changes in government policies, taxation, customs duties, hallmarking requirements or other regulatory provisions may affect the Company's procurement costs, selling prices, working capital requirements, customer demand and profitability.

Non-compliance with applicable laws and regulations may expose the Company to penalties, regulatory action and reputational risk.

The Company seeks to mitigate regulatory risks through continuous monitoring of applicable laws and regulations, timely statutory compliance, internal review mechanisms and professional advice wherever required.

VII. Anti-Money Laundering and Customer Due Diligence Risk

The high-value nature of gold and jewellery transactions exposes businesses operating in the sector to increased regulatory expectations relating to customer identification, transaction monitoring, record keeping and anti-money laundering requirements.

Failure to comply with applicable requirements could result in regulatory action, financial penalties and reputational damage.

The Company seeks to mitigate this risk through appropriate customer identification and verification procedures, maintenance of transaction records, monitoring of transactions and employee awareness regarding applicable compliance requirements.

VIII. Supplier and Procurement Risk

The Company's business depends on the availability of gold, diamonds and other materials from appropriate suppliers. Any disruption in supply, deterioration in supplier relationships, quality issues, delays in procurement or significant changes in procurement costs may adversely affect the Company's operations and margins.

The Company seeks to mitigate this risk through appropriate supplier evaluation, procurement planning, monitoring of market conditions and development of reliable sourcing relationships.

IX. Liquidity and Financial Risk

The Company's business requires adequate liquidity, particularly because gold and jewellery are high-value inventory items. Significant increases in gold prices may increase the amount of working capital required to maintain inventory.

Any inability to obtain adequate working capital or other financing on commercially reasonable terms could affect the Company's ability to maintain inventory and conduct its business efficiently.

The Company therefore continuously monitors its cash flows, working capital requirements, funding position and financial commitments.

X. Human Resource Risk

The Company's ability to effectively conduct its business depends upon the availability and retention of competent personnel. Loss of key personnel, employee attrition or inability to attract appropriately skilled employees may affect operational efficiency and business continuity.

The Company seeks to mitigate such risks through employee engagement, training and development, appropriate allocation of responsibilities and continuous strengthening of its human resource capabilities.

Overall Risk Management

The Company recognises that risks are an inherent part of its business and that certain risks, particularly those relating to gold prices, market conditions, consumer demand and regulatory developments, cannot be completely eliminated.

The management continuously identifies, evaluates and monitors material risks affecting the Company's business and financial performance. Appropriate internal controls, inventory management systems, compliance mechanisms, financial controls and operational procedures are implemented to reduce the potential impact of identified risks.

The Company remains focused on strengthening its risk management framework and continuously reviewing its risk profile in light of changes in the gold market, consumer behaviour, regulatory environment, financial conditions and the Company's business strategy.

The risks described above are not exhaustive and additional risks and uncertainties, including those that are presently unknown or considered immaterial, may adversely affect the Company's business, financial condition, results of operations and prospects.

F. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has established internal financial and operational controls commensurate with the nature and scale of its business.

The control environment is particularly relevant to the Company's business because of its exposure to inventory, procurement, sales, customer collections, cash management and financial reporting.

The Company's internal control framework is intended to provide reasonable assurance regarding:

- safeguarding of assets;
- accuracy and reliability of financial reporting;
- proper authorisation of transactions;
- prevention and detection of errors and irregularities;
- appropriate inventory management;
- compliance with applicable laws and regulations; and
- timely preparation and review of financial information.

The Company's internal control framework is subject to periodic review and is intended to evolve with the Company's scale of operations.

The Statutory Auditors, in their report on internal financial controls over financial reporting under Section 143(3)(i) of the Companies Act, 2013, have expressed an unqualified opinion that the Company had adequate internal financial controls over financial reporting and that such controls were operating effectively as at 31st March, 2026.

The Board and management remain focused on strengthening controls as the scale and complexity of the Company's operations develop

FINANCIAL PERFORMANCE

The financial performance of the Company for FY 2025-26, compared with FY 2024-25, is summarised below:

Particulars	FY 2025-26	FY 2024-25	Absolute Change	% Change
Revenue from Operations	4,691.06	1,370.99	3,320.07	242.17%
Other Income	172.90	304.27	(131.37)	(43.18%)
Total Income	4,863.96	1,675.26	3,188.70	190.34%
Total Expenses	3,562.58	1,515.82	2,046.76	135.03%
Profit Before Tax	1,301.38	159.44	1,141.94	716.22%
Tax Expense	222.58	21.74	200.84	923.83%
Profit After Tax	1,078.80	137.70	941.10	683.44%
Other Comprehensive Income	151.74	981.97	(830.23)	(84.55%)

Total Comprehensive Income	1,230.54	1,119.67	110.87	9.90%
EPS – Basic & Diluted (₹)	1.08	0.14	0.94	671.43%

Revenue from Operations

Revenue from operations increased by ₹3,320.07 lakhs, representing a growth of 242.17%, from ₹1,370.99 lakhs in FY 2024-25 to ₹4,691.06 lakhs in FY 2025-26.

The increase represents a substantial expansion in the Company's operating revenue base. The movement is particularly significant in the context of the Company's transition towards and increasing focus on trading activities in gold, silver, jewellery and related commodities.

The scale of growth in operating revenue also indicates a significantly larger working-capital requirement because the Company's trading model requires adequate inventory to service customer demand. The Company's proposed fund raising is accordingly substantially directed towards working capital.

Other Income

Other income declined by ₹131.37 lakhs, or 43.18%, from ₹304.27 lakhs in FY 2024-25 to ₹172.90 lakhs in FY 2025-26.

The reduction in other income did not prevent the Company from achieving strong growth in total income because the decline was more than offset by the substantial increase in revenue from operations. The composition of income consequently shifted further towards operating revenue, which is a significant feature of the year's performance.

Total Income

Total income increased by ₹3,188.70 lakhs, or 190.34%, from ₹1,675.26 lakhs to ₹4,863.96 lakhs.

The growth in total income was overwhelmingly driven by the Company's operating business rather than other income. Revenue from operations represented approximately 96.44% of total income in FY 2025-26, compared with approximately 81.84% in FY 2024-25.

This indicates a substantial increase in the contribution of the Company's core operating activities to its overall income profile.

Total Expenses

Total expenses increased by ₹2,046.76 lakhs, or 135.03%, from ₹1,515.82 lakhs in FY 2024-25 to ₹3,562.58 lakhs in FY 2025-26.

Despite the substantial increase in expenses, the rate of increase in total expenses was lower than the 242.17% growth in revenue from operations. This operating relationship contributed materially to the significant improvement in profitability during the year.

Profit Before Tax

Profit Before Tax increased by ₹1,141.94 lakhs, from ₹159.44 lakhs in FY 2024-25 to ₹1,301.38 lakhs in FY 2025-26, representing an increase of 716.22%.

PBT margin increased from approximately 9.52% of total income in FY 2024-25 to approximately 26.76% in FY 2025-26.

The improvement in PBT was considerably higher than the growth in total income, indicating a significant improvement in the conversion of income into pre-tax earnings. The principal drivers should be read together with the detailed expense notes forming part of the audited financial statements.

Profit After Tax

Profit After Tax increased by ₹941.10 lakhs, from ₹137.70 lakhs in FY 2024-25 to ₹1,078.80 lakhs in FY 2025-26, representing growth of 683.44%.

PAT margin based on revenue from operations increased from approximately 10.04% in FY 2024-25 to approximately 23.00% in FY 2025-26.

The significant improvement in PAT reflects the substantial increase in pre-tax profitability. Tax expense also increased materially during the year, broadly in line with the higher taxable profit.

Other Comprehensive Income

Other Comprehensive Income declined by ₹830.23 lakhs, from ₹981.97 lakhs in FY 2024-25 to ₹151.74 lakhs in FY 2025-26, a decline of 84.55%.

The movement in OCI was substantial and largely offset the growth in PAT when viewed at the Total Comprehensive Income level. As a result, Total Comprehensive Income increased by only ₹110.87 lakhs, or 9.90%, from ₹1,119.67 lakhs to ₹1,230.54 lakhs.

The specific components responsible for the movement in OCI should be referred to in the Statement of Other Comprehensive Income and the relevant notes to accounts.

Earnings Per Share

Basic and diluted EPS increased from ₹0.14 in FY 2024-25 to ₹1.08 in FY 2025-26.

The increase in EPS is consistent with the substantial increase in profit attributable to shareholders. However, the EPS movement should be considered together with changes in the Company's equity capital and weighted average number of shares during the year.

Financial Performance at a Glance

The key message emerging from the FY 2025-26 financial performance is the substantial strengthening of the Company's operating revenue and profitability.

Revenue from Operations: ₹1,370.99 lakhs → ₹4,691.06 lakhs

Profit Before Tax: ₹159.44 lakhs → ₹1,301.38 lakhs

Profit After Tax: ₹137.70 lakhs → ₹1,078.80 lakhs

Total Comprehensive Income: ₹1,119.67 lakhs → ₹1,230.54 lakhs

HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The Company recognises that human resources are important to maintaining effective customer service, operational discipline and compliance.

The Company operates with a relatively lean organisational structure appropriate to its present business model. Its human-resource requirements are influenced by the nature of its trading activities, customer service requirements, compliance responsibilities and financial-control environment.

During FY 2025-26, industrial relations remained cordial.

The Company's future growth will require continued attention to employee capability, product knowledge, customer service, compliance awareness and financial and operational controls.

The Company also recognises the importance of maintaining appropriate workplace standards and ensuring that employees operate in accordance with applicable policies and statutory requirements.

KEY FINANCIAL RATIOS AND ANALYSIS

In accordance with the applicable SEBI disclosure requirements, the Company is required to disclose significant changes in key financial ratios, generally being changes of 25% or more compared with the immediately preceding financial year, together with explanations for such changes.

Based on the financial information presently available, Net Profit Margin can be calculated. However, the remaining prescribed ratios require specific balance sheet and detailed profit and loss components that have not been made available in the source information currently accessible for this MDA.

Ratio	FY 2025-26	FY 2024-25	Change	Explanation
Debtors Turnover	7.93	2.14	271%	Trade Receivable Turnover ratio improved significantly mainly due to a substantial increase in revenue from operations coupled with a relatively stable average trade receivables, driven by higher sales during the year resulting in faster collection cycle.

Inventory Turnover	2.85	0.77	270%	Inventory Turnover ratio increased sharply as cost of goods sold grew at a much faster pace compared to the average inventory held during the year, on account of higher sales volume relative to the stock levels maintained, as closing inventory reduced significantly from previous year.
Interest Coverage Ratio	-	-	-	The same is not applicable to the company.
Current Ratio	5.16	13.51	-62%	Current ratio declined significantly mainly due to a substantial increase in current liabilities coupled with a relatively moderate increase in current assets, driven by higher trade payables and short-term obligations during the year.

Debt Equity Ratio	0.001	0.05	-98%	Debt-Equity ratio declined significantly mainly due to a substantial reduction in total borrowings coupled with a relatively stable total equity, driven by repayment of borrowings during the year resulting in the company becoming nearly debt-free as at 31st March, 2026.
Operating Profit Margin	27.74	11.63	139%	Operating Profit Margin ratio improved significantly mainly due to a substantial increase in profit before tax growing at a much faster pace compared to the increase in revenue from operations, driven by improved operational efficiency and better cost management during the year.

Net Profit Margin	0.23	0.10	+130%	Net Profit ratio improved significantly mainly due to a substantial increase in net profit after tax growing at a much faster pace compared to the increase in revenue from operations, driven by improved operational efficiency and better cost management during the year.
Return on Net Worth	0.20	0.03	567%	Return on Equity ratio improved significantly mainly due to a substantial increase in net profit after tax coupled with a relatively stable average shareholder's equity, driven by higher revenue from operations and improved profitability during the year.

ACCOUNTING TREATMENT

The financial statements of the Company for the financial year 2025-26 have been prepared in accordance with the applicable Indian Accounting Standards (Ind AS) and the relevant provisions of the Companies Act, 2013. The accounting policies and other significant accounting principles followed by the Company are set out in the Notes to the Financial Statements forming part of this Annual Report.

CAUTIONARY STATEMENT

Certain statements made in this Report relating to the Company's outlook, estimates, predictions etc. may constitute "forward looking statements" within the meaning of applicable laws and regulations. Actual results may differ from such estimates, whether express or implied. Several factors that could make a difference to Company's operations include climatic conditions and economic conditions affecting demand and supply, changes in Government regulation tax regimes, natural calamities, etc. over which the Company does not have any direct control.

13. Compliance with Corporate Governance Requirements — Regulations 17 to 27

The Company has complied with the corporate governance requirements specified in Regulations 17 to 27 and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of the Listing Regulations, as applicable to the Company, during FY 2025-26. A certificate to this effect from the M/s. Madhav Upadhyay and Associates, Practising Company Secretary, as required under Regulation 34(3) read with Schedule V(E) of the Listing Regulations, is annexed to this Report and marked as Annexure B

14. CEO/CFO Certification

The Managing Director & CFO has certified to the Board on matters specified under Regulation 17(8) of the SEBI (LODR) Regulations, 2015, for the financial year ended 31st March, 2026. The certificate is enclosed to this report and marked as Annexure C.

15. Code of Conduct

The Company has adopted a Code of Conduct for Directors and Senior Management Personnel, which is available on the Company's website. All Board Members and Senior Management have affirmed compliance with the Code for the year ended 31st March, 2026. Corporate Governance Compliance Certificate

Madhav Upadhyay & Associates
Company Secretaries

TO THE MEMBERS OF VIVID MERCANTILE LIMITED

We have examined the compliance of Corporate Governance by Vivid Mercantile Limited ("the Company") for the year ended on March 31, 2026, as stipulated in Regulation 17 to 27 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The compliance of conditions of the Corporate Governance is the responsibility of the Management. Our examination was limited to a review of the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have examined the relevant records of the Company in accordance with the Generally Accepted Auditing Standards in India, to the extent relevant and as per the Guidance Note on Certification of Corporate Governance issued by the Institute of Chartered Accountants of India.

In our opinion and to the best of our information and according to our examination of the relevant records and the explanations given to us and the representation made by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Regulation 17 to 27 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, during the year ended March 31, 2026.

We state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF VIVID MERCANTILE LIMITED

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of **VIVID MERCANTILE LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2026 and the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its profit including other comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors report, but does not include the Financial Statements and our Auditor's Report thereon. Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (IND AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF VIVID MERCANTILE LIMITED

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

There has been a casual vacancy due to the resignation of the statutory auditors during the year. We have taken into consideration the issues, objections, or concerns, if any, raised by the outgoing auditors, and have addressed the same appropriately while planning and performing our audit.

(xix) Material Uncertainty on Meeting Liabilities

On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the board of directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that company is incapable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF VIVID MERCANTILE LIMITED

ANNEXURE B TO THE AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause Section 143(3)(i) of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over the financial reporting of **Vivid Mercantile Limited** ('the Company') as of **31st March 2026** in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records; and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of

the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorizations of the management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **31st March 2026**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

e)	Inventory Turnover ratio	Cost of goods sold + Manufacturing expenses	Average inventories of goods	2.85	0.77	270%
f)	Trade Receivable Turnover ratio	Revenue from operations	Average trade receivables	7.93	2.14	271%
g)	Trade Payable Turnover ratio	Total purchases including purchase of raw material and purchase of traded goods	Average Trade Payables	11.41	79.19	-86%
h)	Net Capital Turnover ratio	Revenue from operations	Working capital = Current assets – Current liabilities	0.82	0.25	228%
i)	Net Profit ratio	Net Profit	Revenue from operations	0.23	0.10	130%
j)	Return on Capital Employed	Earnings before interest and taxes	Capital Employed = Net Worth + Borrowings	0.23	0.03	667%
k)	Return on Investments	Net gain on Investments	Average Investment	0.02	0.04	-50%

Explanation for ratios where the variance is beyond 25% compared to previous year:

a) Current Ratio — -62% Current ratio declined significantly mainly due to a substantial increase in current liabilities coupled with a relatively moderate increase in current assets, driven by higher trade payables and short-term obligations during the year.
b) Debt-Equity Ratio — -98% Debt-Equity ratio declined significantly mainly due to a substantial reduction in total borrowings coupled with a relatively stable total equity, driven by repayment of borrowings during the year resulting in the company becoming nearly debt-free as at 31st March, 2026.
d) Return on Equity ratio — 567% Return on Equity ratio improved significantly mainly due to a substantial increase in net profit after tax coupled with a relatively stable average shareholder's equity, driven by higher revenue from operations and improved profitability during the year.
e) Inventory Turnover ratio — 270% Inventory Turnover ratio increased sharply as cost of goods sold grew at a much faster pace compared to the average inventory held during the year, on account of higher sales volume relative to the stock levels maintained, as closing inventory reduced significantly from previous year.
f) Trade Receivable Turnover ratio — 271% Trade Receivable Turnover ratio improved significantly mainly due to a substantial increase in revenue from operations coupled with a relatively stable average trade receivables, driven by higher sales during the year resulting in faster collection cycle.
g) Trade Payable Turnover ratio — -86% Trade Payable Turnover ratio declined substantially as average trade payables increased considerably relative to total purchases, on account of higher closing trade payable balance during the year as compared to previous year, indicating a longer payment cycle to suppliers.
h) Net Capital Turnover ratio — 228% Net Capital Turnover ratio improved significantly as revenue from operations grew at a substantially higher rate relative to the increase in net working capital, driven by a significant increase in sales volume during the year.
i) Net Profit ratio — 130% Net Profit ratio improved significantly mainly due to a substantial increase in net profit after tax growing at a much faster pace compared to the increase in revenue from operations, driven by improved operational efficiency and better cost management during the year.
j) Return on Capital Employed — 667% Return on Capital Employed improved significantly mainly due to a substantial increase in earnings before interest and taxes coupled with a relatively stable capital employed base, driven by significant improvement in operational profitability during the year.
k) Return on Investments — -50% Return on Investments declined as gain on investments did not grow proportionately with the increase in average investments during the year, on account of lower returns generated relative to the significantly higher investment base maintained during the year.

VIVID MERCANTILE LIMITED

Notes Forming Integral Part of the Financial Statements for the year ended on 31st March, 31.03.2026

Note : 24

SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS:

1. CORPORATE INFORMATION:

VIVID MERCANTILE LIMITED ("the Company") is domiciled and incorporated as a public limited Company in India under the provisions of the Companies Act 2013 with its equity shares listed on BSE. The Company is primarily involved in the business of Gold, Diamond & Jewellery Ornaments.

The financial statements were authorized for issue in accordance with a resolution of the directors on 27th May 2026.

2. BASIS OF PREPARATION OF FINANCIAL STATEMENTS AND SIGNIFICANT ACCOUNTING POLICIES:

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 **Statement of Compliance:**

These financial statements have been prepared in accordance with Ind-AS as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 and other provisions of the Companies Act, 2013 as amended from time to time.

2.2 **Basis of preparation**

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015.

The financial statements have been prepared on the historical cost basis, except for certain financial instruments (including derivative instruments) which are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

The financial statements are presented in Indian rupees (INR) and all values are rounded to the nearest lacs, except otherwise indicated. All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle. Based on the nature of the products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities.

2.2.1 Current V/s Non-Current Classification-

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- i) Expected to be realized or intended to be sold or consumed in normal operating cycle
 - ii) Held primarily for the purpose of trading
 - iii) Expected to be realized within twelve months after the reporting period, or
 - iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- All other assets are classified as non-current.

VIVID MERCANTILE LIMITED

Notes Forming Integral Part of the Financial Statements for the year ended on 31st March, 31.03.2026

A liability is current when:

- i) It is expected to be settled in normal operating cycle
- ii) It is held primarily for the purpose of trading
- iii) It is due to be settled within twelve months after the reporting period, or
- iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively. The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its Operating Cycle.

2.2.2 Fair Value Measurement-

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) In the principal market for the asset or liability, or
- b) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- 1) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- 2) Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- 3) Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. The Company's Management determines the policies and

VIVID MERCANTILE LIMITED

Notes Forming Integral Part of the Financial Statements for the year ended on 31st March, 31.03.2026

procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value.

At each reporting date, the Company analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per The Company's accounting policies. For this analysis, the Company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

2.3 Accounting Estimates:

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that affect the reported balance of assets and liabilities, disclosure relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

2.4 Revenue Recognition:

Revenue is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment. The Company is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks. However, Goods and Services tax (GST) are not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

Sale of goods

Revenue from sales is recognized when the substantial risks and rewards of ownership of goods are transferred to the buyer and the collection of the resulting receivables is reasonably expected. This usually occurs upon dispatch, after the price has been determined and collection of the receivable is reasonably certain. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Sale of Services

The Company recognizes revenue when the significant terms of the arrangement are enforceable, services have been delivered and collectability is reasonably assured.

Interest income

For all debt instruments measured either at amortized cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the

financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

2.5 Property, Plant & Equipment's:

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred. Major shut-down and overhaul expenditure is capitalized as the activities undertaken improves the economic benefits expected to arise from the asset.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

Advances paid towards the acquisition of Property, Plant & Equipment outstanding at each reporting date is classified as Capital advances under Other Non –Current Assets and assets which are not ready for intended use as on the date of Balance sheet are disclosed as “Capital Work in Progress.”.

Depreciation/ Amortization-

Depreciation on Property, Plant & Equipment is charged on Straight Line Method. Depreciations are charged over the estimated useful lives of the assets as specified in Schedule II of the Companies Act, 2013. Depreciation in respect of additions to/and deletion from assets has been charged on pro-rata basis from/till the date they are put to commercial use.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at regular intervals and adjusted prospectively, if appropriate.

Depreciation on additions/deletions to Property plant and equipment during the year is provided for on a pro-rata basis with reference to the date of additions/deletions.

Depreciation on subsequent expenditure on Property plant and equipment arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life. Depreciation on refurbished/revamped Property plant and equipment which are capitalized separately is provide for over the reassessed useful life

The estimated useful lives of assets are as under:

Name of Asset	Useful life
Furniture & Fittings	10 Years
P&M	15 Years
Electric Installation & AC	10 Years
Motor Vehicles	10 Years

2.6 Impairment of Assets:

The Company assesses at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an assets or cash-generating units (CGU) fair value less costs of disposal and its value in use.

Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

2.7 Investments:

Investments are in equity shares of unlisted companies & listed companies being non-current in nature, are stated as per Ind AS-32,109 & 107 i.e. Financial Instruments.

2.8 Foreign Currency Transactions:

Foreign currency transactions, if any, are recorded at the exchange rates prevailing on the date of the transaction. Gains and losses arising out of subsequent fluctuations are accounted for on actual payment or realisation. Monetary items denominated in foreign currency as at the balance sheet date are converted at the exchange rates prevailing on that day. Exchange differences are recognised in the statement of profit and loss. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

2.9 Borrowing Cost:

Borrowing cost, if any, directly attributable to qualifying assets, which take substantial period to get ready for its intended use, are capitalized to the extent they relate to the period until such assets are ready to be put to use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

2.10 Inventories:

Stock and operating supplies are valued at lower cost and net realizable Value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition, Cost is determined on a first in first out basis. Net realizable value is the estimated selling price in the ordinary course of business less estimated cost of completion and estimated costs necessary to make sale.

2.11 Employees' Benefits:

Short-term Obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Post Employee Obligations – The Company do not have any post employment obligations.

Gratuity obligations

The Company had an obligation towards gratuity – a defined benefit retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death while in employment or on termination of an employment of an amount equivalent to 15 days salary payable for each completed years of service or part thereof in excess of six months. Vesting occurs upon completion of five years of service and is payable thereafter on occurrence of any of above events.

As per information provided by the Company, there are no employees who have served more than 5 years.

Defined contribution plans

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expense when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid.

2.12 Taxes on Income:

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

VIVID MERCANTILE LIMITED

Notes Forming Integral Part of the Financial Statements for the year ended on 31st March, 31.03.2026

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in Profit or Loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

2.13 Earnings Per Share (EPS):

Basic earnings per share are computed by dividing the profit/ (loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax by the weighted average number of equity shares considered for deriving basic earnings per share.

2.14 Contingencies and Provisions:

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Contingent liabilities are recognized only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of obligation cannot be made. Contingent assets are not recognized in the financial statements.

2.15 Statement of Cash Flow:

Cash flows are reported using the indirect method, whereby profit/(loss) before exceptional items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on available information.

2.16 Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

Initial recognition and measurement

All financial assets are initially recognized when the Company becomes a party to the contractual provisions of the instrument. All financial assets are initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

Classification

For the purpose of subsequent measurement, the Company classifies financial assets in following categories:

Financial assets at amortized cost

Financial assets at amortized cost are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses, if any. Interest income and impairment are recognized in the Statement of Profit and Loss.

Financial assets at fair value through other comprehensive income (FVTOCI)

These assets are subsequently measured at fair value through other comprehensive income (OCI). Changes in fair values are recognized in OCI and on derecognition, cumulative gain or loss previously recognized in OCI is reclassified to the Statement of Profit and Loss. Interest income calculated using EIR and impairment loss, if any, are recognized in the Statement of Profit and Loss.

Financial assets at fair value through profit or loss (FVTPL)

These assets are subsequently measured at fair value. Net gains and losses, including any interest income, are recognized in the Statement of Profit and Loss.

Financial assets are not reclassified subsequent to their recognition except if and in the period the Company changes its business model for managing for financial assets.

De-recognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset. If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized. Any gain or loss on derecognition is recognized in the Statement of Profit and Loss.

Impairment of financial assets

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, lease receivable, trade receivable other contractual rights to receive cash or other financial assets. For trade receivable, the Company measures the loss allowance at an amount equal to life time expected credit losses. Further, for the measuring life time expected credit losses allowance for trade receivable the Company has used a practical expedient as

VIVID MERCANTILE LIMITED

Notes Forming Integral Part of the Financial Statements for the year ended on 31st March, 31.03.2026

permitted under Indian AS 109. This expected credit loss allowance is computed based on provisions, matrix which takes into account historical credit loss experience and adjusted for forward looking information.

Financial Liabilities-

Initial recognition and measurement

All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial liabilities are initially measured at amortized cost unless at initial recognition, they are classified as fair value through profit or loss. In case of trade payables they are initially recognize at fair value and subsequently, these liabilities are held at amortized cost, using the Effective interest method.

Classification and subsequent measurement

Financial liabilities are classified as measured at amortised cost or FVTPL.

A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in the Statement of Profit and Loss.

Financial liabilities other than classified as FVTPL, are subsequently measured at amortized cost using the effective interest method. Interest expense is recognised in Statement of Profit and Loss. Any gain or loss on derecognition is also recognised in the Statement of Profit and Loss.

De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on subsequently different terms, or the terms of an existing liability are subsequently modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of the new liability. The difference in the respective carrying amount is recognize in the Statement of Profit & Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount presented in the financials.
