Notes:

1. An Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, ('the Act') relating to the Special Business to be transacted at the Annual General Meeting ('AGM') which is considered to be unavoidable by the Board of Directors of the Company, is annexed hereto. Also, relevant details in respect of Directors seeking re-appointment at the AGM, in terms of Regulations 26(4) and 36(3) of the SEBI Listing Regulations and Clause 1.2.5 of Secretarial Standard - 2 on General Meetings are also annexed to this notice.
2. Pursuant to the provisions of Section 91 of the Companies Act, 2013 the Register of Members and share transfer books of the Company shall remain closed from Wednesday, 21st September, 2022 to Tuesday, 27th September, 2022 (both days inclusive).
3. The Ministry of Corporate Affairs ("MCA") has vide General Circular No. 14/2020 dated April 8, 2020, General Circular No.17/2020 dated April 13, 2020, General Circular No.20/2020 dated May 5, 2020, General Circular No.02/2021 dated January 13, 2021 and General Circular No.02/2022 dated May 05, 2022 (collectively referred to as "MCA Circulars") and Securities and Exchange Board of India ("SEBI") has vide circular no. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, circular no. SEBI/HO/CFD/CMD2/ CIR/P/2021/11 dated January 15, 2021 and circular no. SEBI/HO/DDHS/DDHS_Div2/P/CIR/2022/079 dated June 03, 2022 (collectively referred to as "SEBI Circulars") permitted companies to conduct Annual General Meeting ("AGM") through Video Conference (VC) or Other Audio Visual Means (OAVM), subject to compliance of conditions mentioned therein. In compliance with the MCA Circulars and SEBI Circulars, the 38th AGM of the members of the Company is being conducted through VC / OAVM. The deemed venue for the AGM shall be the Registered office of the Company. In this Notice, the connotation of "Members" and "Shareholders" is the same.
4. In compliance with the aforesaid MCA Circulars and SEBI Circulars Notice of the AGM along with the Annual Report 2021-22 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories /Registrar and Share Transfer Agent of the Company. Members may note that the Notice and Annual Report 2021-22 will also be

OSWAL OVERSEAS LIMITED

Registered Office: 98A, Second Floor, Namberdar Estate, Taimoor Nagar, New Delhi – 110065

Phone: (011) 41064256, Fax: (011)26332465, Email: cs@oswaloverseasltd.com, Website: www.oswaloverseasltd.com

available on the Company's website www.oswaloverseasltd.com, website of the Stock Exchange i.e. BSE Limited at www.bseindia.com, and on the website of CDSL i.e. www.evotingindia.com.

5. The relevant details, pursuant to Regulations 26(4) and 36(3) of the SEBI Listing Regulations and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Director seeking re-appointment/ appointment at this AGM is annexed.
6. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. However, since this AGM is being held through VC/ OAVM, whereby physical attendance of Shareholders has been dispensed with and in line with the said Circulars read with Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12th May, 2020 ("said SEBI Circular") issued by the Securities and Exchange Board of India ("SEBI"), THE FACILITY TO APPOINT A PROXY TO ATTEND AND CAST VOTE FOR THE SHAREHOLDER IS NOT MADE AVAILABLE FOR THIS AGM and hence the Proxy Form and Attendance Slip including Route Map are not annexed to this Notice. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
7. Pursuant to Section 113 of the Act, Institutional / Corporate Members are requested to send a scanned copy (PDF /JPEG format) of the Board Resolution/ Power of Attorney from its governing body, as the case may be, authorising their representative(s) to attend this AGM through VC / OAVM and vote on their behalf through remote e-voting or at the AGM, by email from their registered email address to the Company at cs@oswaloverseasltd.com mentioning the name of the Company in the subject line.
8. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
9. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
10. **As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents, M/s Beetal Financial & Computer Services (P) Limited for assistance in this regard.**
11. SEBI vide its Circular dated 3rd November, 2021, has reiterated that it is mandatory for all holders of physical securities to furnish their PAN as well as KYC to the RTA (Registrar and Share Transfer Agent) of the Company in respect of all concerned Folios and the Folios wherein even any one of the PAN, Address with PIN Code, Email address, Mobile Number, Bank Account details, Specimen Signature and Nomination by holders of physical securities are not available on or after April 01, 2023, shall be frozen by the RTA. SEBI has introduced Form ISR - 1 alongwith other relevant forms to lodge any request for registering PAN, KYC details or any change/ updation thereof. In terms of the aforesaid SEBI Circular, effective from 1st January 2022, any service requests or complaints received from the member, are not processed by RTA till the aforesaid details/ documents are provided to RTA.

OSWAL OVERSEAS LIMITED

Phone: (011) 41064256, Fax: (011)26332465, Email: cs@oswaloverseasltd.com, Website: www.oswaloverseasltd.com

Members may also note that SEBI vide its Circular dated January 25, 2022 has mandated listed companies to issue securities in dematerialized form only while processing service requests viz. Issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/ exchange of securities certificate; endorsement; sub-division/ splitting of securities certificate; consolidation of securities certificates/folios; transmission and transposition. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialisation, Members are advised to dematerialise the shares held by them in physical form. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR – 4.

Relevant details and forms prescribed by SEBI in this regard is available on the website of the Company at <https://www.oswaloverseasltd.com>, for information and use by the Shareholders. Members can send the documents by any one of the following modes –

- Sending hard copy of the said forms along with required documents to our RTA, M/s Beetal Financial & Computer Services Private Limited, 3rd Floor, Beetal House, 99, behind Local Shopping Centre, Madangir Village, Madangir, New Delhi, Delhi 110062 Phone: 011 – 29961281 Email: beetalrta@gmail.com or
- In Person Verification (IPV) of the said forms and required documents at the office of our RTA, or
- Through electronic mode, by downloading the said forms and filling the same through electronic mode with e-signature. The required documents should be emailed to the RTA of the Company at beetalrta@gmail.com

You are requested to kindly take note of the same and update your particulars timely.

Members who are holding shares in demat mode are requested to notify any change in their residential address, Bank A/c details and/ or email address immediately to their respective Depository Participants.

12. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or RTA, the details of such folios together with the share certificates along with the requisite KYC Documents for consolidating their holdings in one folio. Requests for consolidation of share certificates shall be processed in dematerialized form.
13. It will be desirable that queries, if any, on the accounts and operation of the Company are sent to the Company 7 days in advance of the meeting so that the answers may be made readily available, which would be appreciable. Please note that the shareholders' questions will be answered only if the shareholder continues to hold the shares as of cut-off date i.e. Tuesday, September 20, 2022.
14. The shares of the Company are being compulsorily traded in dematerialized (i.e. electronic form only) in the Bombay Stock Exchange. SEBI vide its notification dated January 24, 2022 has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialisation, Members are advised to dematerialise the shares held by them in physical form. Members can contact the Company or RTA, for assistance in this regard. For your information ISIN No. of the company is

15. **Nomination:** Pursuant to Section 72 of the Companies Act, 2013 read with Rule 19(1) of the Rules made there under, Shareholders are entitled to make nomination in respect of shares held by them in physical form. Shareholders desirous of making nominations are requested to send their requests in Form SH-13. Further, SEBI vide its Circular dated 3rd November, 2021 has mandated to furnish Form ISR-3 or SH-14 for opting out of Nomination by physical shareholders in case the shareholder do not wish to register for the Nomination.
16. All documents referred to in the accompanying Notice and the Explanatory Statement can be obtained for inspection by writing to the Company at its email ID cs@oswaloverseasltd.com till the date of AGM.
17. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
18. **In compliance with the provisions of Clause 14 of Secretarial Standards on General Meetings no gifts, gift coupons, or cash in lieu of gifts shall be distributed to Members at or in connection with the Meeting.**
19. **Voting:**
 - (i) Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 followed by MCA Circular No 2/2022 dated 5th May, 2022, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
 - (ii) The Members can join the AGM in the VC/OAVM mode 30 minutes before and 15 minutes after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice.
 - (iii) The Board of Directors of the Company has appointed Mr. Anuj Kumar Malik, a Company Secretary in practice, (Membership no. A42273, CP NO. 16061) to act as the Scrutinizer to scrutinize the voting during the AGM and remote e-voting process in a fair and transparent manner.
 - (iv) The Scrutinizer shall immediately after the conclusion of voting at the AGM, unblock the votes cast through remote e-voting and e-voting on the date of the AGM, in the presence of at least two witnesses not in the employment of the Company and make, not later than 48 hours of the conclusion of the Meeting, a consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, forthwith to the Chairman of the Company or any person authorized by him in writing and the Results shall be declared by the Chairman or any person authorized by him thereafter.

EXPLANATORY STATEMENT AS REQUIRED UNDER SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 4

Pursuant to Section 148 of the Companies Act, 2013 the Company has to audit of its cost records conducted by a Cost Accountant in Practice. The Board of Directors of the Company has on the recommendation of the Audit Committee, approved the appointment and remuneration of M K Singhal & Co., Cost Accountants (Firm's Registration No. 00074) of the Company to conduct audit of cost records of the Company for products covered under the Companies (Cost Records and Audit) Rules, 2014 for the Financial Year ending 31st March, 2023, at a remuneration of Rs. 50,000/- (Rupees Fifty Thousand Only) plus reimbursement of out-of-pocket expenses.

In accordance with the provisions of Section 148 of the Act read with Companies (Cost Records and Audit) Rules, 2014, the remuneration payable to the Cost Auditors as recommended by the Audit Committee and approved by the Board of Directors has to be ratified by the members of the Company.

Accordingly, the consent of the members is sought for passing an Ordinary Resolution as set out at Item No. 4 of the Notice for ratification of the remuneration payable to the Cost Auditors for the Financial Year ending 31 March, 2023.

None of the Directors and Key Managerial Personnel of the Company or their respective relatives are concerned or interested in the Resolution mentioned at Item No. 4 of the Notice.

The Board recommends the resolution set forth in Item No. 4 for the approval of the Members.

Item No. 5

In accordance with Section 149(10) and (11) of the Companies Act, 2013 ('the Act'), an Independent Director shall hold office for a term up to five years on the Board of the Company, but shall be eligible for re-appointment on passing of a special resolution by the Company and disclosure of such re-appointment in the Boards' Report.

Ms. Priyanka Pal (DIN: 09389404) was appointed as Women Independent Director of the Company by the Board of Directors of the Company on 08th November, 2021 for a term of one year and approved by the shareholders by way of postal ballot on 17th December, 2021.

Based on her skills, experience, knowledge and performance evaluation and recommendation of the Nomination and Remuneration Committee at its meeting held on August 12, 2022, the Board, in line with the Company's policy on Director's appointment and remuneration has proposed the re-appointment of Ms. Priyanka Pal as an Woman Independent Director for a second and final term of two (2) consecutive years w.e.f. November 08, 2022 to November 07, 2024".

The Company has received a notice in writing pursuant to Section 160 of the Act, from a Member signifying his intention to propose the candidature of Ms. Priyanka Pal (DIN: 09389404) as an Independent Director, to be re-appointed under the provisions of Section 149(10) of the Act.

The Company has received requisite consent/declarations for appointment of Ms. Priyanka Pal as an Independent Director as required under the Act and rules made there under.

OSWAL OVERSEAS LIMITED

CIN: L74899DL1984PLC018268

Registered Office: 98A, Second Floor, Namberdar Estate, Taimoor Nagar, New Delhi – 110065

Phone: (011) 41064256, Fax: (011)26332465, Email: cs@oswaloverseasltd.com, Website: www.oswaloverseasltd.com

In the opinion of the Board and based on the Board's evaluation, Mr. Priyanka Pal fulfils the conditions specified in the SEBI Listing Regulations, the Act and the Rules framed there under for her re-appointment as an Independent Director from the Company and she is independent of the Management.

A copy of the draft letter for the re-appointment of Ms. Priyanka Pal as an Independent Director setting out the terms and conditions would be available for inspection without any fee by the Members at the Registered Office of the Company during normal business hours on all working days except Saturdays and Sundays up to the date of ensuing AGM.

The Board considers that her continued association would be of immense benefit to the Company and it is desirable to continue to avail the services of Ms. Priyanka Pal as an Independent Director, the Board recommends the resolution set forth in Item No. 5 relating to the re-appointment of Ms. Priyanka Pal as an Independent Director of the Company, who shall be not liable to retire by rotation, by way of Special Resolution. In compliance with the general circular number 20/2020 dated May 5, 2020 issued by the MCA, this item is considered unavoidable and forms part of this Notice.

A brief profile and other information as required under Regulation 36 of SEBI Listing Regulations and Secretarial Standard-2 issued by ICSI is provided as Annexure to this Notice.

Except Ms. Priyanka Pal, no other director(s) and Key Managerial Personnel(s) or their relatives, is in any way, concerned or interested, financially or otherwise, in this resolution.

The Board recommends the resolution set forth in Item No. 5 for the approval of the Members.

Production (Qtls)		
White Sugar (Qtls)	446830	456620
BISS Sugar (Qtls)	1887	1500
Molasses (Qtls)	235930	202032

3. Operations:

Total Income of the Company has decreased from Rs. 18271.22 Lakh (2020-21) to Rs.16959.67 Lakh (2021-22). This year your company gets the net profit after tax of Rs. 8.60 Lakh against a Net profit after tax of Rs. 152.05 Lakh in the previous year.

4. Response to Covid-19

The Covid-19 pandemic and the consequent lockdown restrictions imposed by the Central and State Government have impacted business in general. However, since the Company is engaged in the manufacture of sugar, generation of power which falls under the category of essential commodities, there

was no material impact on the business of the Company. The operations of the Company are being carried out in the normal course in accordance with the directives issued by the central and State Government.

Company's sugar plant in the state of Uttar Pradesh had completed their crushing season and hence, there was no impact on the same.

At this time the Company does not foresee any significant impact on the operational results and the financial health as sugar which the Company is manufacturing is essential commodity. The consumption of sugar may be lower as there are curbs on social gathering and outings and also facing reduced off-take from beverage and other FMCG companies amid the lockdown, however this led to fall the price of the sugar in domestic and international market.

Details of impact of Covid-19 on listed entities:

- a. **Capital and financial resources:** Company's capital and financial resources are well placed and have not been impacted because of the Covid-19.
- b. **Ability to service debt and other financing arrangements:** All the debts/ installments/ interests/ dues as per repayment schedule have been made except the installment for which moratorium application filed to the bank for extensions and the Company does not foresee any difficulty in meeting its future financial commitments as well.
- c. **Assets:** The Company does not foresee any challenge in realizing its assets.
- d. **Internal financial reporting and control:** There was no major impact as the Company has robust internal financial controls in place and even during lockdown, the IT/ reporting systems worked seamlessly.
- e. **Demand for its products/ services:** Owing to the lock-down demand for sugar, was impacted to some extent. With the opening of lockdown the demand of sugar is gradually coming to its normal level.

The Company is well positioned to fulfill its obligations under the contracts and also does not foresee any problem in respect of its agreements, sale of power where the non-fulfillment of obligations by any party would lead to any material impact on the business of the Company.

5. Dividend

During the year under review, your directors have not recommended any dividend for the financial year ended 31st March 2022.

6. Significant and Material orders passed by the regulators or courts or tribunals impacting the going concern of the company

There are no significant material orders passed by the Regulators / Courts which would impact the going concern status of the Company and its future operations.

7. Indian Accounting Standards (IND AS), 2015

The annexed financial statements comply in all material aspects with Indian Accounting Standards (Ind-AS) notified under Section 133 of the Act [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

8. Internal controls system and their adequacy

The Company has adequate system of internal control to safeguard and protect from loss, unauthorized use or disposition of its assets. All the transactions are properly authorized, recorded and reported to the Management. The Company is following all the applicable Accounting Standards for properly maintaining the books of accounts and reporting financial statements. The internal auditor of the company checks and verifies the internal control and monitors them in accordance with policy adopted by the company. The Company continues to ensure proper and adequate systems and procedures commensurate with its size and nature of its business.

Based on the deliberations with Statutory Auditors to ascertain their views on the financial statements including the Financial Reporting System and Compliance to Accounting Policies & Procedures, the Audit Committee was satisfied with the adequacy and effectiveness of the Internal Control and Systems followed by the Company.

9. Management Discussion and Analysis Report:

In terms of the provisions of Regulation 34(2)(e) of the SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015, the Management Discussion and Analysis Report forms part of this report and annexed thereto.

10. Deposits

During the year under review, your Company has not accepted any deposits from public within the meaning of Sections 73 and 74 of the Companies Act, 2013 (the "Act") and the Companies (Acceptance of Deposits) Rules, 2014.

11. Particulars of Loans, Guarantee or investments

During the year under review, your Company has not made any loan, or given any guarantee or provided any security and/or made investments and thus the compliance of Section 186 of the Companies Act, 2013 is not applicable.

12. Auditors

Statutory Auditor

The tenure of 5 years of the Statutory Auditor M/s. Kansal Jain & Associates (Formerly known as N J & Associates), Chartered Accountants, (Firm Registration No. 023083N), is going to be completed on ensuing AGM of the company to be held on September 27, 2022.

The report given by the Auditors on the financial statements of the Company is part of the Annual Report. There has been no qualification, reservation, adverse remark or disclaimer given by the Auditors in their Report.

Further under section 139 and 142 of the Companies Act, 2013 and the Rules made there under, it is mandatory to rotate the statutory auditors on completion on the maximum term permitted under the said section. The Audit Committee of the Company has proposed and on 12th August, 2022 the board of Directors of the company has recommended the appointment of M/s. DSRV and Co. LLP, Chartered Accountants, (Firm Registration No. 006993N) as the statutory Auditors of the Company. M/s. DSRV and Co. LLP will hold office for a period of five consecutive years from the conclusion of the 38th Annual General Meeting of the Company scheduled to be held on September 27, 2022, till the conclusion of 43rd Annual General Meeting to be held in the year 2027, subject to the approval of the shareholders of the Company. The first year of the Audit will be of the financial statements for the year ending March 31, 2023.

Secretarial Auditors

Pursuant to the provision of Section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company had appointed M/s Malik Anuj & Company, Company Secretaries (C. P. No. 16061) to undertake the secretarial audit of the Company for the financial year 2021-22. The Secretarial Audit Report is annexed herewith as "Annexure – 1".

Internal Auditor

M/s P.D. Ramanand & Co., Chartered Accountants (FRN No. 001104C), having office at Panchvati, opp. M.M. College, Modinagar – 201204 were appointed as Internal Auditor of the Company for the Financial Year 2022-23.

Cost Auditor

The Board of Directors, on the recommendation of the Audit Committee, has appointed M/s. M. K. Singhal & Co., Cost Accountants, Firm's Registration No. 00074, Modinagar, Uttar Pradesh, as the Cost Auditor to audit the cost records for the financial year ending 31st March 2023. Remuneration payable to the Cost Auditor is subject to ratification by the members of the Company. Accordingly, a resolution seeking members' ratification for the remuneration payable to M/s. M. K. Singhal & Co., Cost Accountants, forms part of Notice convening 38th AGM of the Company, along with relevant details, including the proposed remuneration.

In terms of Section 148 of the Act, read with Rule 8 of the Companies (Accounts) Rules, 2014, it is stated that the cost accounts and records are maintained by the Company as specified by the Central Government under sub-section (1) of Section 148 of the Act.

Certificate on Corporate Governance

As required by SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015, the certificate on Corporate Governance is annexed herewith as "Annexure – 3". The certificate for the financial year 2021-22 does not contain any qualification, reservation or adverse remark.

13. Share Capital

Authorised share capital of the company is Rs. 360,000,000/- divided into 2,20,00,000 equity shares of Rs. 5/- each only and 25,00,000 preferences share of Rs. 10/- each only as on 31st March, 2022. 24. Declaration by Independent Directors

The company has received necessary declaration from independent directors under section 149(7) of the Companies Act, 2013, that he/ she meet the criteria of independence as laid down in section 149(6) of the Companies Act, 2013 and Regulation 25 of the SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015.

25. Board Evaluation

SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015, mandates that the Board shall monitor and review the Board evaluation framework. The framework includes the evaluation of directors on various parameters such as:

- Board Dynamics and relationships
- Information flows
- Decision-making
- Relationship with stakeholders
- Company performance and strategy
- Tracking board and committee's effectiveness
- Peer evaluation

The Companies Act, 2013 states that a formal evaluation needs to be made by the Board of its own performance and that of its committee and individual directors. Schedule IV of the Companies Act, 2013 states that the performance evaluation of independent directors shall be done by the entire Board of Directors, excluding the director being evaluated.

The evaluation process has been explained in the Corporate Governance Report.

26. Familiarization Programme of Independent Directors

All new independent director inducted in to the Board attain an orientation program. The details of training and familiarization program are provided in the Corporate Governance Report and are also available on our website (www.oswaloverseasltd.com).

27. Code of Conduct for the prevention of Insider Trading

The Board of Directors has adopted the Insider Trading Policy in accordance with the provision of the requirements of SEBI (Prohibition of Insider Trading) Regulation, 2015. The Insider Trading Policy of the company lays down guidelines and procedures to be followed, and disclosure to be made while dealing in the shares of the company, as well as consequences of the violation.

The Insider Trading Policy of the Company covering code of Practice and procedure of fair disclosure of unpublished price sensitive information and code of conduct for the prevention of insider trading is available on our website (www.oswaloverseasltd.com).

28. Vigil Mechanism/ whistle blower policy

In order to ensure that the activities of the Company and its employees are conducted in a fair and transparent manner by adoption of highest standards of professionalism, honesty, integrity and ethical behavior the company has adopted a vigil mechanism policy. This policy is explained in corporate governance report and also posted on the website (www.oswaloverseasltd.com) of the company. There has been no change to the Whistle Blower Policy of the company during the financial year 2021-22.

29. Managerial Remuneration & Particulars of employees:

- A. Due to financial constraints being faced by the company no one director receiving any remuneration from the company.
- B. No increase in the remuneration of director in the financial year
- C. Increase in remuneration of chief financial officer, chief executive officer, company secretary of the company in the financial year is as follow –

Designation	Remuneration in 2021-22	Remuneration in 2020-21	Increase in remuneration %
Chief Executive Officer	11,78,780	10,61,400	11.06%
Chief Financial Officer	6,45,150	6,13,400	5.18%
Company Secretary	6,18,068	5,57,300	10.90%

- D. Total no. of permanent employees of the company is 46 and seasonal employees are 89 as on 31st March, 2022.
- E. The remuneration paid to all the Key Managerial Personal was in accordance with remuneration policy adopted by the company.
- F. The particulars of employee who are covered by the provision contained in Rule 5(2) and 5(3) of the companies (Appointment and Remuneration of Managerial Personal) Rules, 2014 are:
- i). Employed throughout the year Nil
 - ii). Employed for part of the year Nil

30. Corporate Governance

Corporate Governance refers to, but not limited to, a set of laws, regulations and good practices and systems that enable an organization to perform efficiently and ethically to generate long term wealth and create value for all its stakeholders. Corporate governance requires everyone to raise their competency and capability levels to meet the expectations in managing the enterprise and its resources optimally with the sound & prudent ethical standard. The Company recognizes that good corporate governance is a continuous exercise.

Adherence to transparency, accountability, fairness and ethical standard are integral part of the company's function. Your Company's structure, business dealings, administration and disclosure practices have aligned to good corporate governance philosophy. Your Company has an adequate system of control in place to ensure that the executive decisions taken should result in optimum growth and development which benefits all the stakeholders. The Company aims to increase and sustain its corporate value through growth and innovation.

Our Corporate Governance Report for the financial year 2021-22 form parts of this Annual Report.

31. Directors' Responsibility Statement

To the best of their knowledge and belief and according to the information and explanations obtained by them, your Directors make the following statements in terms of Section 134(3)(c) of the Companies Act, 2013:

- a) that in the preparation of the annual financial statements for the year ended March 31, 2022, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;
- b) that such accounting policies as mentioned in Notes to the Financial Statements have been selected and applied consistently and judgment and estimates have been made that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at March 31, 2022 and of the profit of the Company for the year ended on that date;
- c) that proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) that the annual financial statements have been prepared on a going concern basis;
- e) that proper internal financial controls were in place and that the financial controls were adequate and were operating effectively.
- f) that systems to ensure compliance with the provisions of all applicable laws were in place and were adequate and operating effectively.

32. Related Party Transaction

There are no materially significant related party transactions made by the Company with Promoters, Directors, Key Managerial Personnel or other designated persons which may have a potential conflict with the interest of the Company at large.

33. Risk Management Policy

The Company has been addressing various risks impacting the Company provided elsewhere in this Annual Report in Management Discussion and Analysis. The policy on risk management is not applicable on our company.

34. Acknowledgements

The company has been very well supported from all stakeholders and therefore your directors wish to place on record their sincere appreciation for the support and co-operation received from Employees, Dealers, Suppliers, Central and State Governments, Bankers and others associated with the Company. Your Directors wish to thank the banks, financial institutions, shareholders and business associates for their continued support and cooperation.

We also thank all employees of the Company for their whole-hearted support during this difficult time. We look forward to receiving the continued patronage from all quarters to become a better and stronger company.

MANAGEMENT'S DISCUSSION & ANALYSIS REPORT**1. Over view:****Global Sugar Production**

In the marketing year 2021-22, global sugar production was pegged at 173.5 million tonnes, registering a growth of mere 4.5 million tonnes as against 169 million tonnes in the previous season. Higher sugar production in nations like India, Russia, Thailand and European Union is expected to counter balance the drop in Brazil's sugar output. Global sugar consumption was valued at 172.4 million tonnes, growing by 2% Y-o-Y compared to 171 million tonnes in FY 2020- 21 due to a sharp growth in China, India and Russia. Sugar exports are expected to remain unchanged as the sharp growth in Thailand trade is counter balanced by the reduced shipments from Brazil. Stocks are estimated at a low level due to reduction in China, Indonesia and Thailand.

Indian sugar industry overview

India has become the largest producer and consumer of sugar in the world. The government's role in sugarcane pricing to safeguard farmer's interests, as well as fixing the minimum domestic sugar prices, played a key role in the development of this sector. Sugar production in India is pegged at 35.5 million tonnes after the diversion of 34 Lakh tonnes for ethanol production. Around 85% of India's total sugar production is contributed by Uttar Pradesh, Maharashtra and Karnataka. India's sugar exports were pegged at 9.2 million tonnes driven by reduced global supplies and stable sugar prices.

Total acreage under sugarcane in the country stood at 54.55 Lakh hectares in 2021-22 Sugar Season (SS) compared to 52.88 Lakh hectares of cane area in the previous season, registering a growth of 3%. With the opening up of the economy and rolling out of vaccines, sugar demand has considerably bounced back with growing sales of sugar by products along with growing demand from hotel, restaurant and institutional sectors. The country's catering segment, which is predominantly unorganised, bounced back with the growing number of marriages and events post the second wave. Despite the pandemic shocks, the unorganised grocery channel remained largely strong in the year under review. Only 4% of the overall sugar sales is contributed by the packaged sugar. Factors like growing sales in modern retail and e-commerce along with changing consumer demographics is expected to drive growth in the packaged sugar segment.

Performance of key sugar producing states in 2021-22**Uttar Pradesh**

Sugarcane area in Uttar Pradesh is estimated to witness a flat growth to reach 23.12 Lakh hectares in 2021-22 SS as against 23.07 Lakh hectares in 2020-21 SS. Sugar production is expected to be 10.2 million tonnes post diversion to ethanol as compared to 11.1 million tonnes in the last season.

Maharashtra

Maharashtra's cane area has gone up by about 11% in 2021-22 SS from 11.48 Lakh hectares in 2020-21 SS to 12.78 Lakh hectares in 2021-22. South west monsoon rainfall in the State has been good, accompanied by sufficient water availability in the reservoirs in almost all the regions in the State. Ratoon cane availability is higher than plant cane and hence yield per hectare is expected to be slightly lower as compared to last year. The estimated sugar production is expected to be 13.8 million tonnes in 2021-22 SS as compared to 10.6 million tonnes in the last season.

Karnataka

Karnataka's sugarcane area is estimated to be increased marginally to 5.22 Lakh hectares in 2021-22 SS compared to 5.01 Lakh hectares in 2020-21 SS. Therefore, sugar production is expected to be 6.1 million tonnes following a diversion into ethanol compared to 4.5 million tonnes in the previous season.

Sugar exports and imports

Indian sugar exports are expected to touch a record high of 9.2 million tonnes in the current marketing year 2021-22. Increase in the amount of sugar diverted to ethanol production has resulted in a shortage globally which Indian exports are stuffing. In the marketing year 2021-22, Indian mills

signed contracts to export more than 8.7 million tonnes of sugar without government subsidies. Around 6.7 million tonnes had been dispatched since the start of the marketing year. Increased transportation cost on account of higher fuel prices in the current season will increase India's sugar export prices. On December, 2021 the WTO panel recommended India to pull back its alleged prohibited subsidies under the production assistance, buffer stock, marketing and transportation schemes within 120 days from the adoption of the report.

Fair and remunerative price (FRP)

The Indian Government approved the increase in Fair and Remunerative Price (FRP) of sugarcane for 2021-22 SS at Rs. 290 as against Rs. 285 for 2020-21. The new FRP is applicable for sugar purchase in 2021-22 SS. The government fixed farmers earning at Rs. 275.50 per quintal for sugarcane in 2021-22 SS for recovery rate less than 9.5% compared to Rs. 270.75 per quintal in 2020-21 SS.

In the 2021-22 SS, the production cost of sugarcane stood at Rs. 155 per quintal. The FRP of Rs. 290 per quintal at a recovery rate of 10% is higher by 87.1% compared to the production cost, offering the farmers a handsome return of 50% over their cost.

Co-generation

Sugar cane crushing produces bagasse, which is utilised in power co-generation. The judicious use of bagasse along with moderate transmission and distribution losses, zero carbon emissions, reduced fuel cost, fuel diversity and energy security illustrates a cleaner alternative energy source.

2. SWOT analysis:

Strength:

- ❖ It is an established player in the sugar industry with an installed capacity of 3500 TCD at its plant situated at Aurangabad, Nawabganj, Bareilly.
- ❖ The company has Power Purchase Agreement with the UP Government and supplying power to UP government.
- ❖ The Company possesses an experience of more than 2 decades in sugar manufacturing.
- ❖ The unit is strategically situated in cane rich belt of central Uttar Pradesh.
- ❖ Abundant Land at the existing plant site which may be used for the Company's future expansion and diversification programmes
- ❖ The unit is empowered with experienced, skilled and young Human Assets
- ❖ Presence of temporary labor force during peak period ensures maximum profits.

Weaknesses:

- ❖ Being the Seasonal Industry, OOL's growth plan & profitability depends on various cyclic constraints.
- ❖ Cane price is administered by State Government which may affect profitability and cash flow of Company.
- ❖ Quality of raw material largely depends upon natural and seasonal factors.

Opportunities:

- ❖ Co-gen Power Plant capacity can be increased.
- ❖ OOL is planning to expand its Sugar Capacities and setting-up ethanol plant by consuming the by-product bagasse and through external resources. This will give opportunity to make use of capital resources during the off season even when sugar production remains stopped.
- ❖ Production of value added products such as refined sugar, small packs, sugar cubes etc. that shall bring in higher contribution.
- ❖ White sugar has the maximum market share in India and OOL will produce maximum white sugar in future also.

Threats:

- ❖ OOL has only one manufacturing plant which increases its risk in case of a plant failure or maintenance issues.
- ❖ OOL has to face tough competition with the existing competitors.

- ❖ Sugar & Alcohol/Ethanol Industries are always poised to threat because of continuous monitoring by Government policies in the form of Regularization or De-regularization & infrastructure changes.
- ❖ Sugar industry is very volatile as many factors including rainfall, cultivated area and transportation cost affects sugarcane prices and hence make this industry unpredictable.

3. **Strategy:**

The demand & supply gap of the Sugar across the Country may affect the small units like OOL. Hence the Company's near term strategy is to focus on higher cane recovery and higher cane crushing by improving internal efficiencies and higher production of sugar.

4. **Human Resources/ Industrial Relations:**

The objective of your company is to create a workplace where every person can achieve his or her full potential. The employees are encouraged to put in their best. OOL recognizes that a large part of its success is attributable to the excellent human resources base created over the years. This intellectual capital reflects in the quality of our business strategy, our customer's relationship, strong project management and commercialization skills and our development capabilities.

5. **Internal Control Systems & Their Adequacy:**

The efficiency of the internal control system has been improved with implementation of high level of system-based checks and controls through core business process in materials, operations, accounting & HR. Regular internal audits and checks are carried out to ensure that responsibilities are executed effectively and that adequate systems are in place to maintain authenticity and correctness of recorded transactions.

6. **Financial Transaction:**

The financial statements have been prepared in compliance with the requirements of the Companies Act, 2013, and The Indian Accounting Standards (Ind AS). Our management accepts the responsibility for the integrity and objectivity of these financial statements as well as for various estimates and judgment used therein. The estimates and judgments relating to the financial statements have been made on a prudent & reasonable basis, in order that the financial statements reflect in a true and fair manner the form and substance of transaction and reasonably present out state of affairs and profits of the year.

7. **Business Highlights**

Operational

- In 2021-22, we crushed 45,53,969 Quintals of sugarcane, a 5.46% increase from 43,17,883 Quintals crushed during the previous year.
- Total recoverable sugar (yield) per Quintals of sugarcane was 9.85% in FY 2021-22 as compare to 10.61% in FY 2020-21.
- The total sugar produced in 2021-22 was 4,48,717 Quintals as compared to 4,58,120 Quintals in 2020-21.
- Total power generation increased to **21553900** Kwh units in 2021-22 from **18103718** Kwh units in 2020-21.
- In 2021-22, your company Supplied **6273513** Kwh units Co-Gen Energy to UPPCL as compare to 4001295 Kwh units in 2020-21.

Revenue analysis

- Gross revenues in financial year 2021-22 has decreased (4.485%) to Rs.1,69,59,67,010/- from Previous Year 2020-21 Rs. 1,82,71,21,787/- while the net profit after tax were at Rs.8,60,482/- in F.Y. 2021-22 in comparison of Net Profit Rs.1,52,04,543/- in the F.Y. 2020-21.

8. **Capital Structure:**

The paid-up capital of the company is Rs. 21,46,10,500/- as on 31st March, 2022 divided into equity share capital of Rs. 6,46,10,500/- and Preference share capital of Rs.15,00,00,000/-.

9. **Reserve:**

Company's Free Reserves was Rs. -15,91,23,101/- in Financial Year 2021-22 in comparison to Financial Year 2020-21 Rs. -16,04,81,222/-.

10. Financial Objectivity, Initiative and Achievements:

Your Company is taking proactive measures to ensure all financial costs are effectively reduced to positively impact the bottom line:

- (i) **Finance Cost:** The outflow on account of Finance Cost charges decrease from Rs. 4,55,33,169/- in financial year 2020-21 to Rs. 3,98,97,622/- in financial year 2021-22, representing a decrease of 12.376%.
- (ii) **Inventories:** In Financial Year 2020-21 the inventory value was at Rs. 79,89,65,140/- while in financial year 2021-22 is at Rs.84,38,50,581 /-.
- (iii) **Depreciation and Amortization Exp.:** Depreciation and Amortization Exp. Increase from Rs. 2,94,33,964/- in financial year 2020-21 to Rs. 3,26,59,553/- in financial year 2021-22.
- (iv) **Property Plant & Equipment:** Property Plant & Equipment in 2021-22 is of Rs. 86,77,09,758/- while in 2020-21 was Rs. 75,96,11,003/-.
- (v) **Loans & Advances:** In Financial Year 2021-22, loans & advances stood at Rs.1,42,02,297/- compared to Rs. 4,04,95,599/- in Financial Year 2020-21.

11. Significant Accounting Policies: (As mentioned in the Auditors Report)

Revenue Recognition, Inventories Valuation, Fixed Assets, Depreciation, Research & Development, Expenditure on new projects & substantial expansions, Goods and Service Tax, Borrowing Cost, Earning Per Share, Taxes on Income, Segment Reporting Policy, Intangible Assets, Impairment of Assets, Provisions, Cash & Cash equivalent.

12. Details of Significant Changes: (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios along with detailed explanation therefore, including:

Key Financial Ratios	FY 2021-22	FY 2020-21	Change	Change %
Inventory Turnover Ratio	0.43	0.40	0.03	7.50%
Interest Coverage Ratio	1.10	1.32	-0.22	-16.67%
Current Ratio	0.75	0.82	-0.07	-8.54%
Debt Equity Ratio	26.11	24.27	1.84	7.58%
Operating Profit Margin (%)	2.60	3.28	-0.68	-20.73%
Net Profit Margin (%)	0.10	0.84	-0.74	-88.09%
Return on Net Worth	0.01	0.09	-0.08	-88.89%

13. Risk Management:

As a Company poised to take on the mantle of industry mainstream, OOL is exposed to various risks. The Company is engaged in the business of manufacturing Sugar. Some of these risks are external and result from the business environment we operate in, while some are internal to the Company. We have developed a risk reporting management process to manage potential risks in an informed manner.

We have a three-pronged risk management process. Our comprehensive risk governance culture ensures that business decisions taken balance risk and reward. Consequently, our earnings-generating initiatives are consistent with our risk standards. Our risk-management revolves around corporate policies that outlined standards and provide measurement guidelines for each risk category. The Company proactively evaluates and puts in place risk-mitigation initiatives, sets prudent limits on quantum of risk undertaken and does risk evaluation of major policy decisions.

We manage the variables impacting business risk with a disciplined risk management process is keeping with established standards. The risk management strategies and processes are regularly reviewed in keeping with the changing environment.

14. Risk Environment:

A number of potential risks in the current environment might make the Sugar Industry mixed prospects over the coming years. These risks may stem from Central/ State Government Policies,

Cane availability, State administered Cane Price, Customer Concentration Risk and Geographical Risks amongst others. OOL is, however, well poised to manage and mitigate these risks.

15. Steps Taken to Mitigate Risks

OOL is planning to upgrade its existing plant through expansion and diversification on the basis of latest technology and human expertise. The objectives are:

- a) Ability to rapidly commercialize new expanded and diversified capabilities.
- b) Access to new opportunities through long-standing strategic partnerships.

16. Other Risks and Key Management Initiatives:

a) Industry Risk Management:

Indian Sugar Companies are prone to induced cyclicalities, with higher cane prices in spite of the falling sugar realization which are adversely affecting the profitability. OOL operates in an industry where demand & supply is restricted due to seasonality of operations & Government Policies, Administered Cane Prices which may jeopardize future growth of the medium sized group like ours.

b) Regulatory Risk:

The policies of the Government may not be conducive to the growth and development of the Indian Sugar Industry, particularly for a short span of time.

There are various favourable policies expected from the Government in the near future.

c) Working Capital Risk:

The sugar sector is working-capital intensive. The continued slump in the Industry may affect the Company's profitability to manage its working capital requirements.

The Company will manage the enhanced requirement of working capital by means of working capital limits by the banks, short-term loan or unsecured loan from the promoters and issue of share capital to the promoters & others.

d) Business Model Risk:

The Company's business model may not be effective in a year of sugar down turn.

To mitigate the risk our Company has adopted a diversified model comprising Sugar and co-gen to minimize the inherent risk of cyclicalities of the sugar business. OOL is exploring the business opportunities through expansions of existing infrastructure and diversification into Co-Gen.

e) People Risk Management:

High quality human resources are vital to the success of our business.

In order to retain talent, the Company promotes a sense of ownership and pride in association with strong HR initiatives, which have helped us keep attrition rates well in control.

f) Cash Flow Risk:

The Company operates in a cyclic growth-oriented industry, especially on account of changing Government Policies of administered prices, control/decontrol and cane availability. Hence, it is imperative to efficiently estimate and manage cash flows in this volatile environment. The Company's working capital arrangement is comparatively low against any uneven or seasonal factors. Hence the Company is trying to tie-up additional alternative financing or cost optimization/ funding the operations. Besides the Company monitors liquidity on a regular basis.

g) Security Risk Management:

Operations could be disrupted due to natural, political and economic disturbances.

As a part of its 'Disaster Recovery' plan, all related risks have been mapped by the Company and are monitored regularly.

17. Disclosure:

During the year under review, the Company has not entered into any transaction of the material nature with its Promoters, the Directors or the management, their subsidiaries or relatives, etc. that may have potential conflict with the interest of the Company at large.

18. Management's Responsibility Statement:

The management is responsible for preparing the Company's financial statements and related information that appears in this annual report. The management believes that these financial statements fairly reflect the form and substance of transactions and reasonably represent the Company's financial condition and results of operations in conformity with Indian Generally Accepted Accounting Principles.

19. Cautionary Statement:

Some of the statements in this report that are not historical facts are forward-looking statements. The forward-looking statements include our financial growth projections as well as statements concerning our plans strategies, intentions and beliefs concerning our business and the markets in which we operate. These statements are based on information currently available to us, and we assume no obligation to update these statements as circumstances change. These risks include uncertainties that could cause actual events to differ materially from these forward-looking statements. These risk include, but are not limited to, the level of market demand for our services, the highly-competitive market for the types of services that we offer, market conditions that could cause our customers to reduce their spending for our services, our ability to create, acquire and build new businesses and to grow our existing businesses, our ability to attract and retain qualified personnel, currency fluctuations and market conditions in India and elsewhere around the world and other risks not specifically mentioned.

Form No. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2022

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Oswal Overseas Limited
(CIN: L74899DL1984PLC018268)
98A, Second Floor, Namberdar Estate,
Taimoor Nagar, NFC New Delhi 110065

Sir,

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Oswal Overseas Limited (the Company)**. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts and statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on **31st March, 2022** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on **31st March, 2022** according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made hereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
(Not applicable as the Company does not have any Foreign Direct Investment, Overseas Direct Investment or External Commercial Borrowings)
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirement) Regulation, 2015;
 - d. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
(Not applicable as the Company has not issued any securities)
 - e. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (effective 28th October 2014);
(Not Applicable as the Company has not formulated any Employee Stock Option Scheme and Employee Stock Purchase Scheme)

- f. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
(Not applicable as the Company has not issued any debt securities which were listed)
 - g. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
(Not applicable as the Company is not registered as Registrar to an Issue and Share Transfer Agent during the financial year under review.)
 - h. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
(Not applicable as the company has not opted for any Delisting) and
 - i. The Securities and Exchange Board of India (Buy-Back of Securities) Regulations, 2018;
(Not applicable as the company has not done any Buyback of securities.)
- vi. Other laws as applicable specifically to the Company:
- a. Levy Sugar Price Equalisation Fund Act, 1976
 - b. Sugarcane (Control) Order, 1966
 - c. Food Safety and Standards Act, 2006
 - d. Sugar Development Fund Act, 1982
 - e. Essential Commodities Act, 1955

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India as notified by the Ministry of Corporate Affairs.
- (ii) The Listing Agreement entered into by the Company with the BSE Limited;

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance (Except in cases where the meeting is held on shorter notice), and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting member's views are captured and recorded as part of the Minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

Taimoor Nagar, NFC New Delhi 110065

Sir,

My report of even date is to be read along with this letter.

1. Maintenance of secretarial records is the responsibility of the management of the company. My responsibility is to express an opinion on these records based on my audit.
2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. I believe that the processes and practices, I followed, provide a reasonable basis for my opinion.
3. I have not verified the correctness and appropriateness of financial records and Books of Accounts of the company.
4. Where ever required, I have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of corporate and other applicable laws, rules, regulations, standards is the responsibility of management. My examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit Report is neither an assurance as to future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the company.

ANNEXURE – 3**Certificate on Corporate Governance**

To,
The Members of Oswal Overseas Limited
98A, Second Floor, Namberdar Estate,
Taimoor Nagar, NFC New Delhi 110065.

We have examined the Compliance conditions of Corporate Governance of Oswal Overseas Limited for the year ended on 31st March, 2022, as per Regulation 27 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015.

The compliance of conditions of Corporate Governance is the responsibility of the management. Our responsibility has been limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Corporate Governance Report

1. Company's Philosophy on Corporate Governance:

Corporate Governance refers to, but not limited to, a set of laws, regulations and good practices and systems that enable an organization to perform efficiently and ethically to generate long term wealth and create value for all its stakeholders. Corporate governance requires everyone to raise their competency and capability levels to meet the expectations in managing the enterprise and its resources optimally with the sound & prudent ethical standard. The Company recognizes that good corporate governance is a continuous exercise.

Adherence to transparency, accountability, fairness and ethical standard are integral part of the company's function. Your Company's structure, business dealings, administration and disclosure practices have aligned to good corporate governance philosophy. Your Company has an adequate system of control in place to ensure that the executive decisions taken should result in optimum growth and development which benefits all the stakeholders. The Company aims to increase and sustain its corporate value through growth and innovation.

The Company believes that transparency, empowerment, accountability and integrity are the fundamental principles of sound Corporate Governance. The cardinal principles such as accountability, independence, trust, responsibility, transparency and timely disclosures etc. serve as a means of implementing, the philosophy of Corporate Governance.

Implementation Modules:

- (i) The accountability of the Board of Directors to the Company and its stakeholders.
- (ii) Strategic guidance and effective monitoring by the Board of Directors.
- (iii) Timely and accurate Disclosures of relevant information.
- (iv) Compliance of the conditions of Corporate Governance & its full disclosures.

2. Board of Directors of the Company:

Size and Composition of the Board

The Company's policy is to maintain optimum combination of Independent, executive and non-executive Directors to maintains its independence and separates its function of governance and management. Listing Regulations mandate that for a company with an executive chairman, at least half of the Board should be Independent Directors. On March 31, 2022 our Board consists of 4(four) members, one of whom is executive, one is non-executive, while the remaining two are independent directors, consisting 50% of the Board Strength – as per the requirement of Companies Act, 2013 and SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015. One out of four Board members or 25% of the Board is woman. All Board members (100%) are Indians.

Chairman of the Board

Mr. Paramjeet Singh was re-appointed as Managing Director as well as the chairman of the Board of the company w.e.f. 31.03.2020 for a period of 5 years till 30.03.2025. During this tenure Mr. Paramjeet Singh will attain the age of 70 years and as per the policy and requirement of the Companies Act, 2013 the term has been extended beyond the age of 70 years with shareholders' approval by passing a special resolution based on the explanatory statement through postal ballot on 20.12.2019.

Role of Board of Director

The primary role of the board is that trusteeship to protect and enhance share value through strategic direction to the company. As Trustee, the board has fiduciary responsibility to ensure that the company has clear goals aligned to shareholders value and its growth. The Board exercises its duties with care, skills and diligence and exercise independent judgment.

Independent Director

The Companies Act, 2013 and SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015 defines an “independent director” as a person who is not a promoter or employee or the key managerial personal of the company or its subsidiaries. The Laws also state the person should not have a material pecuniary relationship or transaction with the company or its subsidiaries apart from receiving remuneration as an independent director. The Company has also obtained declarations from all the Independent Directors pursuant to section 149(7) of the Companies Act, 2013.

Separate Meeting of Independent Directors

During the year under review, the Independent Directors met on March 28, 2022, inter alia to discuss:

- i. review the performance of non-independent directors and the Board as a whole;
- ii. review the performance of the Chairperson of the company, taking into account the views of executive directors and non-executive directors;
- iii. assess the quality, quantity and timeliness of flow of information between the company management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

Board Membership Criteria

The nomination and remuneration committee works with the entire Board to determine the appropriate characteristics, skills, and experience required for the Board as a whole and for individual members. Members are expected to possess the required qualification, integrity, expertise and experience for the position.

The age limit for a Managing Director, executive Director and Independent Director is 70 years. A Director's term may be extended beyond the age of 70 years with shareholders' approval by passing a special resolution based on the explanatory statement annexed to the Notice for such motion indicating the justification for extension of appointment beyond 70 years.

Selection of New Director

The Board is responsible for the selection of new directors. The Board delegates the screening and selection process to the Nomination and Remuneration Committee. The Nomination and Remuneration committee makes recommendations to the Board on the induction of new Directors.

Membership Term

The Companies Act, 2013 mandates the retirement of two-third of the non-independent directors (who are liable to retire by rotation) every year, and qualifies the retiring members for re-appointment upon completion of their term. An independent director may hold office for a term of up to 5 consecutive years on the Board of the Company and will be eligible for re-appointment on passing of a special resolution by the Company.

Performance Evaluation

Pursuant to the provisions of the Companies Act, 2013 and SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, a separate exercise was carried out to evaluate the performance of individual Directors including the Chairman of the Board who were evaluated on parameters such as level of engagement and contribution and independence of judgment thereby safeguarding the interest of the Company. The performance evaluation of the Independent Directors was carried out by the entire Board. The performance evaluation of the Chairman and the Non Independent Directors was carried out by the Independent Directors. The board also carried out annual performance evaluation of the working of its Audit, Nomination and Remuneration as well as stakeholder relationship committee. The Directors expressed their satisfaction with the evaluation process.

Remuneration Paid to Directors

No remuneration was paid to Executive & Non- Executive Directors for the year ended 31st March 2022.

Matrix Setting Out Skills/Competence/Expertise

The Board of Directors has identified the following skills/ expertise/competencies that are required for effective and efficient functioning of the Board in context with the Company's business and sector:

INDEPENDENT AUDITOR'S REPORT
UDIN: 22527267AJWUMV1963

To The Members of Oswal Overseas Limited

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Oswal Overseas Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit and loss, total comprehensive income, the changes in equity and its cash flows for the year ended on that date, read with **Annexure "A" and "B"** of our report.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report, and Shareholder Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise

appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.

- e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company and its subsidiary companies incorporated in India.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. There is no final and interim dividend paid or declared by the company during the year.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Oswal Overseas Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Oswal Overseas Limited** (“the Company”) as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and

dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Oswal Overseas Limited of even date)

- i. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - b) The Company has a program of verification to cover all the items of Property, Plant and Equipment. Pursuant to the program, fixed assets were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - c) According to the information and explanations given to us, the records examined by us and based on the examination of the deeds provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date.
 - d) The Company has not revalued any of its Property, Plant and Equipment during the year.
 - e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii.
 - (a) The Physical verification of inventory has been conducted at reasonable intervals by the management and in our opinion the coverage and procedure of such verification is appropriate and no material discrepancies of 10% or more in aggregate for each class of inventory were noticed.
 - (b) The Company has not been sanctioned working capital limits in excess of Rs.5 crores, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- iii. In our opinion and according to information and explanations given to us, the Company has not provided any loans or advances in the nature of loans or stood guarantee, or provided security to other entity during the year, and hence reporting under clause 3(iii)(a) of the Order is not applicable.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- v. The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2022 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
- vi. We have broadly reviewed the cost records maintained by the company pursuant to the rules made by the Central Government for the maintenance of the cost records under Section 148(1) of the Act and are of the opinion that prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of such records with a view to determine whether they are accurate or complete.
- vii. According to the information and explanations given to us, in respect of statutory dues:
 - a) The Company has generally been regular in depositing undisputed statutory dues, with certain delays, the dues including, Income Tax, Sales Tax, Goods and Service Tax, Value Added Tax and other material statutory dues applicable to it with the appropriate authorities.
 - b) Further, as at 31st March 2022, there are no such dues outstanding for a period of more than six months from the date they became payable.
 - c) Details of dues of Income Tax, Sales Tax, Service Tax, Excise Duty and Value Added Tax which have not been deposited as at March 31, 2022 on account of dispute are given below:

Name of the Statute	Nature of Dues	Total demand (Rs. in lacs)	Paid under protest (Rs. in lacs)	Balance amount (Rs. in lacs)	Financial year to which relates	Forum where dispute is pending
U.P. sales tax	Entry tax	10.00	0.41	9.59	2000-01	Hon'ble Supreme court
U.P. sales tax	Entry Tax	60.04	0.00	59.63	2000-01	Hon'ble Supreme court
U.P. sales tax	Entry Tax	35.05	17.53	17.52	2002-03	Hon'ble Supreme court

- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
 (b) The company has not been declared wilful defaulter by any bank or financial institution or other lender.
 (c) The company has taken a term loan during the year and also have outstanding term loans at the beginning of the year and all these loans were applied for the purpose for which the loans were obtained.
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause 3 (x)(a) of the Order is not applicable to the Company.
 (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.
 (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
 (c) We have taken into consideration the whistle blower complaints received by the Company during the year (and up to the date of this report), while determining the nature, timing and extent of our audit procedures.
- xii. The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.

- xiv. (a) In our opinion, the company has a adequate internal audit system commensurate with the size and nature of the business.
(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
(b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. The CSR provision under section 135(1) of The Companies Act, 2013, is not applicable to the company, hence reporting under clause (xx) of the Order is not applicable to the company.
- xxi. The reporting under clause (xxi) is not applicable to the company because company is not required to maintain any consolidated financial statements.

Notes to Accounts**1. Corporate Information:**

Oswal Overseas Limited (the Company) (CIN: L74899DL1984PLC01826) is a public Company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on a recognized stock exchange in India. The Registered office of the Company is located at 98-A, 2nd Floor, Namberdar Estate, Taimoor Nagar, New Delhi-110065.

The Company is having its operations in the State of Uttar Pradesh and is principally engaged in the manufacturing of Sugar which is mainly sold in the State of Uttar Pradesh.

The financial statements were authorized for issue in accordance with a resolution by the Board of Directors of the Company on 30th May 2022.

2. Significant Accounting Policies**2.1 Basis of Preparation**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time).

For all periods up to and including the year ended 31st March 2022, the Company prepared its financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

In respect of financial information for the year ended 31st March 2022, the Company followed the same accounting policies and accounting policy choices (both mandatory exceptions and optional exceptions availed as per Ind AS 101) as initially adopted on transition date i.e. 1st April 2016. Refer to Note 29 for information on how the Company adopted Ind AS.

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value:

- Plan assets under defined benefit plans.
- Certain financial assets and liabilities.

The financial information is presented in Indian Rupees (INR).

2.1 Summary of Significant Accounting Policies:**2.1.1 Property, Plant & Equipment:**

Property, Plant and equipment including capital work in progress are stated at cost, less accumulated depreciation and accumulated impairment losses, if any. The cost comprises of purchase price, taxes, duties, freight and other incidental expenses, directly attributable and related to acquisition and installation of the concerned assets and is further adjusted by the amount of GST credit availed wherever applicable. Cost includes borrowing cost for long term construction projects if recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their respective useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds

and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

The company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

Capital work- in- progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

In respect of others assets, depreciation is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management and in the manner prescribed in Schedule II of the Companies Act 2013. The useful life is as follows:

Sr. No.	Nature of Asset	Useful Life (Years)
1.	Buildings	30
2.	Plant & Machinery	25 & 40
3.	Other Equipments	5 to 10
4.	Vehicles	10
5.	Furniture/ Fittings	10

2.1.2 Current versus Non Current Classification:

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelvemonths after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets or liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

2.1.3 Taxes:

2.1.3.1 Current Income Tax:

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with the Income Tax Act, 1961 (as amended) and Income Computation and Disclosure Standards (ICDS) enacted in India by using the tax rates and tax laws that are enacted or substantively enacted, at the reporting date in India where the Company operates and generates taxable income.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

2.1.3.2 Deferred Tax:

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognized for all taxable temporary differences, except:

➤ When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss;

Deferred tax assets (including MAT credit, if any) are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized, except:

➤ When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Deferred tax including Minimum Alternate Tax (MAT) recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during specified period, i.e. the period for which MAT credit is allowed to be carried forward. The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

Goods & Service Tax (GST) paid on acquisition of assets or on incurring expenses:

- Expenses and assets are recognized net of the amount of GST/sales/ value added taxes paid, except:

- When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognized as part of the cost of acquisition of the asset or as part of the expense item, as applicable

When receivables and payables are stated with the amount of tax included

The net amount of tax recoverable from, or payable to, the taxation authority is included as part of other current assets or other current liabilities in the balance sheet.

2.1.4 Inventory

Inventories are valued at the lower of cost and net realizable value.

Costs incurred in bringing each product to its present location and condition is accounted for as follows:

- **Raw materials/ Stores and Spares:** Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost of Spares is determined on first in, first out basis.
- **Finished goods and Work in Progress:** Cost includes cost of direct materials and labored a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on first in, first out basis.
- **By-Products:** Cost of By- Products includes costs incurred in bringing these products to their present location and condition. Cost is determined on first in, first out basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.1.5 Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a. Financial Assets:

The Company classified its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income or through profit & loss)
- Those measured at amortized cost

Initial recognition and measurement:

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in following categories:

- Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- i. Business model test : The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows (rather than to sell the instrument prior to its contractual maturity to released its fair value change), and
- ii. Cash flow characteristics test: Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate to the gross carrying amount of financial assets. When calculating the effective interest rate the Company estimates the expected cash flow by considering all contractual terms of the financial instruments. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

➤ Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)

FVTPL is a residual category for financial instruments. Any financial instrument, which does not meet the criteria for amortized cost or FVTOCI, is classified as at FVTPL. A gain or loss on a Debt instrument that is subsequently measured at FVTPL and is not a part of a hedging relationship is recognized in statement of profit or loss and presented net in the statement of profit and loss within other gains or losses in the period in which it arises. Interest income from these Debt instruments is included in other income.

Derecognition:

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognized (i.e., removed from the Company's statement of financial position) when:

1. the rights to receive cash flows from the asset have expired, or
2. the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass through" arrangement and either;
 - a. the Company has transferred the rights to receive cash flows from the financial assets or
 - b. The Company has retained the contractual right to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all the risks and rewards of the ownership of the financial assets. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all the risks and rewards of the ownership of the financial assets, the financial asset is not derecognized.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

Impairment of financial assets:

In accordance with IND AS 109, the Company applies expected credit losses (ECL) model for measurement and recognition of impairment loss on the following financial asset and credit risk exposure

Financial assets measured at amortized cost e.g. Loans, security deposits, trade receivable, bank balance.

The Company follows “simplified approach” for recognition of impairment loss allowance on trade receivables. Under the simplified approach, the Company does not track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward looking estimates are analyzed.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the Company reverts to recognizing impairment loss allowance based on 12- months ECL.

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward- looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward- looking estimates are analyzed.

Reclassification of financial assets:

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses (including impairment gains or losses) or interest.

b. Financial Liabilities:**Initial recognition and measurement:**

Financial liabilities are classified at initial recognition as financial liabilities at fair value through profit or loss, loans and borrowings, and payables, net of directly attributable transaction costs. The Company financial liabilities include loans and borrowings including bank overdraft, trade payable, trade deposits and other payables.

Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

Trade Payables:

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 0-12 months of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at fair value and subsequently measured at amortized cost using EIR method.

Financial Liabilities at fair value through profit & loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognized in the statement of profit and loss. Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in IND AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk is recognized in OCI. These gains/ loss are not subsequently transferred to profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss.

Loans & Borrowings:

Borrowings are initially recognized at fair value, net of transaction cost incurred. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

2.1.6 Cash & Cash Equivalents:

Cash and cash equivalents in the balance sheet comprise cash at banks, cash on hand, other short term deposits with original maturities of three months or less which are subject to an insignificant risk of changes in value.

2.1.7 Mandatorily Redeemable Preference Shares:

A mandatorily redeemable preference share with dividends paid at the issuer's discretion, which effectively comprises: a financial liability (the issuer's obligation to redeem the shares in cash); and an equity instrument (the holder's right to receive dividends if declared. Such preference shares are separated into liability and equity components based on the terms of the contract.

On issuance of the mandatorily redeemable preference shares with dividends declared at the issuer's discretion, the present value of the redeemable amount is calculated using a market rate for an equivalent non-convertible instrument. This amount is classified as a financial liability measured at amortized cost (net of transaction costs) until it is extinguished on redemption. The unwinding of the discount on this component is recognized in profit or loss and classified as interest expense.

The remainder of the proceeds is recognized and included in equity as per Ind AS 32. Transaction costs are deducted from equity, net of associated income tax. The carrying amount of the equity component is not premeasured in subsequent years.

Transaction costs are apportioned between the liability and equity components of such preference shares based on the allocation of proceeds to the liability and equity components when the instruments are initially recognized.

2.1.8 Provisions:

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of Profit and Loss net of any reimbursement.

Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the best estimate.

Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases, where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements unless the probability of outflow of resources is remote.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

2.1.9 Employee Benefits:

2.1.9.1 Short term obligations:

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employee's service up to the end of reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligation in the balance sheet.

2.1.9.2 Other Long term employee benefit obligations:

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured based on the actuarial valuation using projected unit credit method at the year end. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the term of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

2.1.9.3 Post-employment obligations: The Company operates the following post-employment schemes:

2.1.9.3.1 Defined benefit plans such as gratuity; and

2.1.9.3.2 Defined contribution plans such as provident fund.

Gratuity Obligations:

Gratuity liability is a defined benefit obligation and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit (liabilities/assets). The Company recognized the following changes in the net defined benefit obligation under employee benefit expenses in statement of profit and loss -

- Service cost comprising current service cost, past service cost, gain & loss on curtailments and non routine settlements.
- Net interest expenses or income.

2.1.10 Revenue Recognition:

The disclosures of significant accounting, judgments, estimates and assumptions relating to revenue from contracts with customers.

Revenue from contract with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has concluded that it is the principal in its revenue arrangements, because it typically controls the goods or services before transferring them to the customer.

Revenue from sale of goods is recognized at the point in time when control of the goods is transferred to the customer, on delivery of the goods. The normal credit term is 7 to 30 days upon delivery. The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price for the sale of goods, the Company considers the effects of variable consideration, the existence of significant financing components, non cash consideration, and consideration payable to the customer (if any).

If the consideration in a contract includes a variable amount, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognized will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

Contract balances***Contract Assets***

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognized for the earned consideration that is conditional.

Trade receivables

A receivable represents the Companies right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in section financial instruments – initial recognition and subsequent measurement.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognized when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognized as revenue when the Company performs under the contract.

Interest income

For all debt instruments measured either at amortized cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

2.1.11 Leases***Company, as a lessee***

The Company as a lessee, recognizes a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset.

The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any re-measurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

For short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the lease term.

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately.

The sublease is classified as a finance or operating lease by reference to the ROU asset arising from the head lease. For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

2.1.12 Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- i. In the principal market for the asset or liability, or
- ii. In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- a. **Level 1** - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- b. **Level 2** - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- c. **Level 3** - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's management determines the policies and procedures for both recurring and non-recurring fair value measurement, such as derivative instruments measured at fair value.

External values are involved for valuation of significant assets, such as properties and financial assets and significant liabilities. Involvement of external values is decided upon annually by the management. The management decided, after discussions with the Company's external values which valuation techniques and inputs to use for each case.

At each reporting date, the management analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Company's accounting policies.

The management in conjunction with the Company's external values, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

2.1.13 Significant accounting judgments, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Judgments

In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognized in the financial statements.

Operating lease commitments - Company as lessee

The Company has taken various properties on leases. The Company has determined, based on an evaluation of the terms and conditions of the arrangements, such as the lease term not constituting a substantial portion of the economic life of the commercial property, and that it does not retain all the significant risks and rewards of ownership of these properties and accounts for the contracts as operating leases.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

a. Taxes

Uncertainties exist with respect to the interpretation of complex tax regulations, changes in tax laws, and the amount and timing of future taxable income. Given the wide range of business relationships and the long term nature and complexity of existing contractual agreements, differences arising between the actual results and the assumptions made, or future changes to such assumptions, could necessitate future adjustments to tax income and expense already recorded. The Company establishes provisions, based on reasonable estimates. The amount of such provisions is based on various factors, such as experience of previous tax audits and differing interpretations of tax regulations by the taxable entity and the responsible tax authority. Such differences of interpretation may arise on a wide variety of issues depending on the conditions prevailing in the respective domicile of the companies.

b. Defined benefit plans

The cost of defined benefit plans (i.e. Gratuity benefit) is determined using actuarial valuations. An actuarial valuation involves making various assumptions which may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexity of the valuation, the underlying assumptions and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. In determining the appropriate discount rate, management considers the interest rates of long term government bonds with extrapolated maturity corresponding to the expected duration of the defined benefit obligation. The mortality rate is based on publicly available mortality tables for the specific countries. Future salary increases and pension increases are based on expected future inflation rates.

c. Fair value measurement of financial instrument

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

2.1.14 Borrowing Costs:

Borrowing cost includes interest expense as per effective interest rate [EIR]. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset until such time that the asset are substantially ready for their intended use. Where funds are borrowed specifically to finance a project, the amount capitalized represents the actual borrowing incurred. Where surplus funds are available out of money borrowed specifically to finance project, the income generated from such current investments is deducted from the total capitalized borrowing cost. Where funds used to finance a project form part of general borrowings, the amount capitalized is calculated using a weighted average of rate applicable to relevant general borrowing of the Company during the year. Capitalization of borrowing cost is suspended and charged to profit and loss during the extended periods when the active development on the qualifying project is interrupted. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to the borrowing costs.

2.1.15 Impairment of Non Financial Assets:

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the assets recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating units (CGU) fair value less costs of disposal and its value in use.

Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Company extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the products, industries, or country or countries in which the entity operates, or for the market in which the asset is used.

Impairment losses of operations, including impairment on inventories, are recognized in the statement of profit and loss, except for properties previously revalued with the revaluation surplus taken to OCI. For such properties, the impairment is recognized in OCI up to the amount of any previous revaluation surplus.

After impairment depreciation is provided on the revised carrying amount of the asset over its remaining economic life.

An assessment is made in respect of assets at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

2.1.16 Government Grants:

Government grants are recognized where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognized as income on systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognized as income in equal amounts over the expected useful life of the related asset. However if any export obligation is attached to the grant related to an asset, it is recognized as income on the basis of accomplishment of the export obligation.

When the Company receives grants of non-monetary assets, the asset and the grant are recorded at fair value amounts and released to profit or loss over the expected useful life in a pattern of consumption of the benefit of the underlying asset i.e. by equal annual installments.

2.1.17 Earnings per share

Basic and diluted earnings per Equity Share are computed in accordance with Indian Accounting Standard 33 'Earnings per Share', notified accounting standard by the Companies (Indian Accounting Standards) Rules of 2015 (as amended). Basic earnings per share is calculated by dividing the net profit or loss attributable to equity holder of company (after deducting preference dividends and attributable taxes, if any) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average

number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period, attributable to equity shareholders of the company and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

	31-Mar-21	-	-	-	-	-

The amounts disclosed in the table relating to employee benefits are the amounts recognised as an expense during the reporting period related to key management personnel.

Terms and conditions of transactions with related parties

Outstanding balances of Unsecured Loan of the Directors at the year-end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. For the year ended 31st March 2022, the Company has not recorded any impairment of receivables relating to amounts owed by related parties (31st March 2017: INR Nil, 1st April 2016: Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

25. Deferred Tax

The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

The Company has tax losses (Business Loss) of INR 18,09,55,020 (pertaining to A.Y. 2018-2019) INR 5,09,23,546 (pertaining to A.Y. 2016-2017), INR 8,68,67,434 (pertaining to A.Y. 2015-16), INR 6,47,90,924 (pertaining to A.Y. 2014-15) that are available for offsetting for eight years against future taxable profits of the companies in which the losses arose. Majority of these losses will expire in March 2023.

Deferred tax assets have not been recognized in respect of these losses as they may not be used to offset taxable profits since they have arisen on account of recent losses incurred by the company for some time, and there are no other tax planning opportunities or other evidence of recoverability in the near future. If the Company were able to recognize all unrecognized deferred tax assets, the profit would increase by INR (10,59,82,928)

26. Employee Benefits:

A. Defined Contribution Plan

Contribution to defined contribution plan, recognized as expense for the year is as under:

(Amount in Rs.)

Particulars	2021-22	2020-21
Employer's contribution towards Provident Fund	8,08,344	9,27,143

B. Defined Benefit Plan

General description of the plan:

Gratuity	Leave Encashment
Unfunded	Unfunded

C. Method of valuation: Projected unit Credit Method

D. Reconciliation of opening and closing balance of defined benefit obligation:

(Amount in Rs.)

Item	Gratuity		Leave	
	2022	2021	2022	2021

27. Fair Value of Financial Instruments

The comparison of carrying value and fair value of financial instruments by categories that are not measured at fair value are as follows:

Category	Carrying value		Fair Value	
	31-Mar-22	31-Mar-21	31-Mar-22	31-Mar-21
Financial asset at amortized cost				
Loans (refer note no 4)	1,49,53,159	41,246,461	1,49,53,159	41,246,461
Other current financial assets (refer note no 7)	3,92,45,049	15,870,242	3,92,45,049	15,870,242
Financial liabilities at amortized cost				
Non-Current borrowings including current maturities (refer note no 12)	39,45,69,740	405,964,738	39,45,69,740	405,964,738
Current borrowings (refer note no 12)	(14,86,852)	4,17,628	(14,86,852)	4,17,628

The management assessed that trade receivables, cash and cash equivalents, other bank balances, loans and advances to related parties, interest receivable, trade payables, capital creditors, other current financial assets and liabilities are considered to be the same as their fair values, due to their short term nature.

The fair value of loans from banks and other financial liabilities are estimated by discounting future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities. The valuation requires management to use observable and unobservable inputs in the model, of which the significant observable and unobservable inputs are disclosed below. Management regularly assesses a range of reasonably possible alternatives for those significant observable and unobservable inputs and determines their impact on the total fair value.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

The Company enters into derivative financial instruments such as foreign exchange forward contracts being valued using valuation techniques, which employs the use of market observable inputs. The Company uses Mark to Market provided by Bank for valuation of these derivative contracts.

The fair values of the Company's interest-bearing borrowings are determined by using DCF method using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period. The own non-performance risk as at March 31, 2019 was assessed to be insignificant.

Fair value hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 2: other techniques for which all inputs that have a significant effect on the recorded fair value are observable, either directly or indirectly

Level 3: techniques that use inputs that have a significant effect on the recorded fair value that are not based on observable market data

- (i) Quantitative disclosure of fair value measurement hierarchy for financial assets as on March 31, 2022

Particulars	Carrying value	Fair value		
	March 31, 2022			
		Level 1	Level 2	Level 3
Loans (refer note no 4)	1,49,53,159	-	1,49,53,159	-

Current borrowings (refer note no 12)	4,17,628	-	4,17,628	-

28. Capital Management

For the purpose of the Company's capital management, capital includes issued equity attributable to the equity shareholders of the Company, Liability Component of compound financial instrument (CFI),

security premium and all other equity reserves. The primary objective of the Company's capital management is that it maintains an efficient capital structure and maximize the shareholder value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents, other bank balances.

(Rs. in Lakhs)

	As at March 31, 2022	As at March 31, 2021
Borrowings	28,05,10,025	29,50,10,893

Total			1,78,60,231.52

30. Finance Costs

Particulars	March 31, 2022 (in Rs.)	March 31, 2021 (in Rs.)
Interest on CC Limit, Vehicle Loan, etc	35,41,162.49	24,220,566
Interest on Debt Component of Pref. Shares	18,71,777.48	951,168
Interest on TL SAFASU 2018 (Fair Valuation)	31,267,642.32	20,106,455
Interest on Term Loan SBI	9,86,298.08	-
Other Borrowing Cost	22,30,741.36	2,54,980
TOTAL	39,897,621.73	4,55,33,169

The Preference shares amounting to Rs. 15,00,00,000 were issued on respective dates (15/01/2016: Rs.3,00,00,000, 11/02/2016: Rs.3,00,00,000, 31/12/2020: Rs.3,00,00,000, 20/03/2021: Rs 6,00,00,000). In accordance with IND AS-109, the equity and debt component of Preference shares were segregated in the year of their issue. Hence Interest amounting to Rs.18,71,777.48 relates to this debt component of Preference shares issued. Hence, these interest charged is a mere presentation requirement of IND AS-109. The relevant effects have also been provided in recording deferred tax liability/asset in accordance with IND AS-12.

The Company availed SAFASU Loan amounting Rs. 53,49,00,000 on 30/11/2018. The company was offered this loan at 5% rate of interest, which was less than the prevailing market rate at time of issue. Hence, the fair value of differential rate of interest was recorded as deferred income. The actual rate of interest charged by bank is Rs. 1,46,74,211. Remaining Rs.1,65,93,431 amount is mere presentation of IND AS-109. The same amount has been transferred from deferred income to other Non-operating income.

The Company availed GECL Loan amounting to Rs. 5,00,00,000 on 13/01/2022. The Company was offered this loan at 7.40% rate of interest, which was less than the prevailing market rate at time of issue. Hence, the fair value of differential rate of interest was recorded as deferred income. The actual rate of interest charged by bank is Rs. 7,73,596. Remaining Rs. 2,12,702 amount is mere presentation of IND AS-109. The same amount has been transferred from deferred income to other non-operating income.

31. Segment Information:

A. Description of the segments and principal activities:

The Company's executive committee examines the Company's performance from a product and geographic perspective and has identified two reportable segments of its business:

a. Sugar Manufacturing:

This part of the business manufactures and market Sugar and its by products (Molasses, baggase). The main raw material is Sugar cane. The Company has its Manufacturing Plant at Village Aurangabad, Tehsil Nawabganj, Distt. Bareilly (Uttar Pradesh).

b. Power Generation

Under this segment of the business the Company generates power and provide commercial Supply to UPPCL under power purchase agreement of 7-MW signed with UPPCL Lucknow (Uttar Pradesh).
