MANAGEMENT DISCUSSION AND ANALYSIS

Discussion on financial performance with respect to the operational performance, has been covered in the Board's Report.

Alankit Forex India Limited (Previously known as Alankit Life Care Limited) which is a wholly owned Subsidiary of the Company has received an approval from RBI for operation of Full Fledged Money Changers.

Full Fledged Money Changers (FFMCs) are authorised by the Reserve Bank to deal in foreign exchange for specified purposes, to widen the access of foreign exchange facilities to residents and tourists while ensuring efficient customer service through competition. FFMCs are authorised to purchase foreign exchange from residents and non-residents visiting India and to sell foreign exchange for certain approved purposes. The Company received name approval from Registrar of Companies, Ministry of Corporate Affairs on 03rd July, 2018 to change the name from existing name Alankit Life Care Limited to Alankit Forex India Limited, which will reflect the main objects of the Company.

The Alankit Limited has sold its 49% stake in Alankit Technologies Limited to GTID Solutions Development Private Limited. The said disposal would result into company falling into subsidiary category of Alankit Limited from wholly owned subsidiary category.

GTID is engaged in the business of development of Aadhaar enabled system, services, solutions and hardware (Includes Smart PoS, Smart Tab/Mobile which are integrated IRIS STQC-UIDAI compliance / certified) to enable its Fintech solutions to cater GST business requirement in India either its own or through its various associates. Company will be able to sell smart POS etc which will increase the business of the company.

During the year, Alankit Limited has made investment in Verasys Technologies Private Limited thus making it subsidiary of Alankit Limited. Verasys Technologies Private Limited got approval from Controller of Certifying Authority (CCA) on 23rd July, 2018 to act as Certifying Authority under the Information Technology Act of India, 2000 licensed to issue digital signature certificates. Verasys will offer various solutions to Indian consumers, with a large user base among Individuals, Corporates, Banks, Government Organizations and several small and medium businesses. It will help in variety of other services including Tax filing Services, Digital Signing Solutions, Digital Certificate Authentication System and Trusted Time Stamping Services.

The another subsidiary of Alankit Limited i.e. Euro Global Brokers Limited has filed an application to RBI to obtain Certificate of Registration as a NBFC P2P Company which is still under process. P2P is an abbreviation for Peer to Peer Lending. It can be defined as a practice of lending money to individuals or businesses through online services that match lenders with borrowers. The overhead cost for these companies are generally low and the services provided by them are cheap as compared to Traditional Financial Institutions. These P2P companies are profitable for both the lender and the borrower as lenders can earn higher returns and borrowers can borrow at lower interest rates. All P2P

Lending will be regulated by Reserve Bank of India.

The Company has an adequate system of internal controls to ensure that transactions are properly authorised, recorded, and reported, apart from safeguarding its assets. STANDALONE INDEPENDENT AUDITORS' REPORT

To,
The members of
ALANKIT LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **ALANKIT LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2018, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'Standalone Financial Statements')

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order issued under section 143(11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

ANNEXURE “B” TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of ALANKIT Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **ALANKIT LIMITED** (“the Company”) as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of

the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes Forming part of the Financial Statements**1. COMPANY OVERVIEW**

Alankit Ltd. ('the Company') is primarily engaged in e-Governance services and e-Governance products trading and ancillary services related to e-Governance business.

The Company is a public limited company incorporated and domiciled in India and has its registered office in New Delhi, India & previously known as "Euro Finmart Limited". The Company has its primary listings on the Bombay Stock Exchange Limited and National Stock Exchange of India Limited.

2. SIGNIFICANT ACCOUNTING POLICIES**i. Basis of Preparation of Financial Statements**

These financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 (To the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under section 133 of the Act read with rule 3 of the companies (Indian Accounting Standard) rules 2015 and relevant amendment rules issued thereafter.

Effective April 1, 2016, the company has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101 First-time adoption of Indian Accounting Standards, with April 1, 2015 as a transition date. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under section 133 of the act, read with rule 7 of the companies (accounts) rules, 2014 (IGAAP), which was the previous GAAP.

Accounting Policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policies hitherto in use.

As the year end figures are taken from the source and rounded to the nearest digits, the figures reported for the previous quarters might not always add up to the year end figures reported in this statement.

ii. Use of Estimates and Judgments

The preparation of these financial statements in conformity with Ind AS and the recognition of measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets & liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income & expense for the periods presented.

Estimates and underlying assumptions are reviewed on the ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

Critical Accounting Estimates:**a) Impairment of Goodwill:-**

Goodwill is tested for impairment on an annual basis. The Company estimate the value in use of the cash generating unit (CGU) based on the future cash flows after considering current economic conditions and trends, estimated future operating results and growth rate and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts.

b) Useful lives of property, plant and equipment

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

c) Valuation of deferred tax assets:

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. The policy for the same has been explained under note 2(ix).

iii. Revenue Recognition

- a. The company derives revenue primarily from providing e-Governance services and from sale of e-

Governance products on accrual basis except otherwise stated herein below.

- b. Revenue from sale of goods/ products are recognized in accordance with Ind AS 18 viz, when the seller has transferred goods to the buyer, the property in the goods for a price and/or significant risk & rewards of ownership have been transferred to the buyer, and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sales of good and regarding its collection.
- c. Revenue from services is recognized on rendering of services to the customers based on contractual arrangements.
- d. Revenue from Aadhaar generation service is recognized at the time when enrollment process completed and significant certainty regarding amount of consideration and its collection has been ensured i.e. after reconciliation of Aadhaar generation data as per company records with the data provided by UIDAI.
- e. Revenue from Storage of few e-governance physical documents is recognized when reasonable and significant certainty exists regarding the amount of the consideration and its collection.
- f. Dividend Income is recognized when the right to receive dividend is established by the reporting date.
- g. Interest Income is recognized using the effective interest method.
- h. The Company presents revenue net of value-added taxes and service tax in its Statement of Profit & Loss.

iv. Property plant and equipment

Property plant and equipment are stated at cost; less accumulate depreciation (other than freehold land) and impairment loss, if any.

Depreciation is provided for property, plant & equipment so as to expense the cost over their estimated useful lives based on a technical evaluation. The estimated useful lives and residual value are reviewed at the end of each reporting period, with the effects of any change in estimate accounted for on a prospective basis.

The estimated useful lives are as mentioned below:-

Type of asset	Rate of Depreciation	Useful life (Year)
Buildings Factory	9.50%	30
Office Building	9.50%	60
Plant & Machinery	18.10%	15
Office Equipment	45.07%	5
Furniture and Fixture	25.89%	10
Computers	63.16%	3
Vehicle	31.23%	8

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance Sheet date is classified as capital advances under other non-current assets and the cost of assets not ready to use before such date are disclosed under 'Capital work-in-progress'. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

v. Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on Straight Line Method basis, commencing from the date the asset is available to the company, further amortization is done on a pro rata basis i.e. from the date on which the intangible asset is acquired. Amortization methods and useful lives are reviewed periodically including at each financial year end.

vi. Impairment of Assets

The carrying amount of assets are reviewed at each balance sheet date, if there is any indication of impairment based on internal/external factors, an impairment loss is recognized wherever the carrying amount of assets exceeds its recoverable amount.

vii. Inventories

Inventories are valued at lower of Cost or Net realizable value as per the requirements of Ind AS- 2 "Valuation of Inventory"

viii. Income Taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Income tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case, it is recognized in other comprehensive income.

Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

Advance Taxes and provisions for current income taxes are presented in the Balance Sheet after off-setting advance tax paid and income tax provision arising in the same jurisdiction and where the relevant tax paying units intends to settle the asset and liability on a net basis.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and the carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that is no longer probable that the related tax benefit will be realized. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognised as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognised amounts and where it intends to settle on a net basis or to realize the asset and settle the liability simultaneously.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT recognized as deferred asset in the Balance Sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realized.

ix. Provision, Contingent Liabilities and Contingent Assets

Provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provision (excluding retirement benefits and compensated absences) are not discounted to its present value and are determined based on best estimates. Contingent liabilities are not recognized in the financial statements. Contingent assets neither recognized nor disclosed in financial statements.

x. Employee Benefits**i. Short Term employee benefits**

Short term employee benefits settled with in twelve months of receiving employee services such as salary/wages/bonus and exgratia are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered by employees.

ii. Post-employment benefits**a. Provident and family pension fund**

The eligible employees of the Company are entitled to receive post-employment benefits in respect of provident and family fund in which both the employee and the Company make monthly contributions at a specified percentage of the covered employee's salary. Both employee's and Company's contributions are made to Regional Provident Fund Commissioner (RPFC) and the

employer's contributions are charged to the Statement of profit and loss as incurred.

b. Gratuity

The Company has an obligation towards gratuity, a defined retirement plan, covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death, and incapacitation or on termination of employment of an amount based on the respective employees' salary and the tenure of employment with the Company. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date using the projected unit credit method. Actuarial gains and losses for the gratuity liability are recognized full in the period in which they occur through other comprehensive income.

xi. Earning per Equity Share

Basic earnings per equity share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculation of Diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted number of equity shares outstanding during the period are adjusted for the effects of all potentially dilutive equity shares.

xii. Foreign Currency Transactions

The functional currency of the company is Indian rupee.

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchanges rate prevailing on the balance sheet date and exchange gains and losses arising on settlement and restatement are recognised in the statement of profit and loss.

Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not retranslated.

xiii. Dividend

The final dividend on shares is recorded as a liability on the date of approval by the shareholders and interim dividend are recorded as a liability on the date of declaration by the company's board of directors.

The company declares and pays dividends in Indian rupees.

xiv. Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non cash nature, any deferrals or accruals of past or future operating cash receipt or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

xv. Financial instruments

a. Initial recognition

Financial assets and liabilities are recognized when the company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial asset and financial liabilities (other than financial asset and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

b. Subsequent measurement

Financial Assets carried at amortised cost

Financial asset are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flow that are solely payments of principal amount outstanding.

Financial Assets at fair value through other comprehensive income

Financial assets are subsequently measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, the company has made an irrevocable selection based on business model, for its investments which are classified as equity instruments, subsequent changes in the fair value of equity investments are recognized in other comprehensive income.

Financial Assets at fair value through profit & Loss

Financial assets are measured at fair value through profit & loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial asset and liabilities at fair value through profit & loss are immediately recognized in profit & loss.

Financial Liabilities

Financial liabilities are measured at amortized cost using the effective interest method.

Investment in Subsidiaries

Investments in subsidiaries are measured at cost shown separately in the financial statements.

INDEPENDENT AUDITORS' REPORT (CONSOLIDATED)

To the members of
ALANKIT LIMITED

Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated financial statements of **ALANKIT LIMITED** (hereinafter referred to as 'the Company') and its subsidiaries (the Company and its subsidiaries together referred to as 'the Group'), comprising the Consolidated Balance Sheet as at March 31, 2018, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity, the Consolidated Statement of Cash Flows for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'Consolidated Ind As financial statements').

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as 'the Act') that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Ind AS and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2018, and its consolidated profit, consolidated total comprehensive income, consolidated statement of changes in equity and its consolidated cash flows for the year ended on that date.

Other Matter

We did not audit the financial statements/ financial information of 5 subsidiaries included in the consolidated financial results, whose financial statements/ financial information reflect total assets of Rs. 2,359 Lacs as at 31 March 2018, total revenues of Rs.159 Lacs and total net profit after tax of Rs.26.31 Lacs for the year ended on that date, as considered in the consolidated financial results. These financial statements/financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial results, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the reports of the other auditors.

Our opinion on the Statement is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act.
- (e) On the basis of the written representations received from the Directors of the Holding Company as on March 31, 2018 taken on record by the Board of Directors of the Holding Company and its subsidiaries incorporated in India and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate report in 'Annexure A' which is based on the auditor's reports of the Company and its subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over financial reporting of those companies, for the reasons stated therein.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group.
 - ii. The Company has made provision, as required, under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

- iii. There was no amount which is required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies incorporated in India.

Annexure A to the Independent Auditors' Report

(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Alankit Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of **Alankit Limited** ("the Company") and its subsidiary companies incorporated in India as at March 31, 2018 in conjunction with our audit of the consolidated Ind As financial statements of the Company for the year ended and as at March 31, 2018.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 and the rules made thereunder.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by other auditors of subsidiary companies in India is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable

detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

Notes Forming part of the Financial Statements

1. COMPANY OVERVIEW

Alankit Ltd. ('the Company') is primarily engaged in e-Governance services and e-Governance products trading and ancillary services related to e-Governance business.

The Company is a public limited company incorporated and domiciled in India and has its registered office in New Delhi, India & previously known as "Euro Finmart Limited". The Company has its primary listings on the Bombay Stock Exchange Limited and National Stock Exchange of India Limited.

2. SIGNIFICANT ACCOUNTING POLICIES

i. Basis of Preparation of Financial Statements

These financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 (To the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under section 133 of the Act read with rule 3 of the companies (Indian Accounting Standard) rules 2015 and relevant amendment rules issued thereafter.

Effective April 1, 2016, the Group has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101 First-time adoption of Indian Accounting Standards, with April 1, 2015 as a transition date. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under section 133 of the act, read with rule 7 of the companies (accounts) rules, 2014 (IGAAP), which was the previous GAAP.

Accounting Policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policies hitherto in use.

As the year end figures are taken from the source and rounded to the nearest digits, the figures reported for the previous quarters might not always add up to the year end figures reported in this statement.

ii. Basis of consolidation

Alankit consolidates entities which it owns or controls. The consolidated financial statements comprise the financial statements of the Company, its controlled trusts, its subsidiaries and associate, as disclosed in Note no.31. Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases. The financial statements of the Group Companies are consolidated on a line-by-line basis and intra-group balances and transactions including unrealized gain / loss from such transactions are eliminated upon consolidation. These financial statements are prepared by applying uniform accounting policies in use at the Group. No controlling interests which represent part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly, owned or controlled by the Company, are excluded. Associates are entities over which the Group has significant influence but not control. Investments in associates are accounted for using the equity method of accounting. The investment is initially recognized at cost, and the carrying amount is increased or decreased to recognize the investor's share of the profit or loss of the investee after the acquisition date.

iii. Use of Estimates and Judgments

The preparation of these financial statements in conformity with Ind AS and the recognition of measurement principles of Ind AS requires the management of the Group to make estimates and assumptions that affect the reported balances of assets & liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income & expense for the periods presented.

Estimates and underlying assumptions are reviewed on the ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

Critical Accounting Estimates:

a) Impairment of Goodwill:-

The Group estimate the value in use of the cash generating unit (CGU) based on the future cashflows after considering current economic conditions and trends, estimated future operating results and growth rate and anticipated future economic and regulatory conditions. The estimated cashflows are developed using internal forecasts.

b) Useful lives of property, plant and equipment

The Group reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

c) Valuation of deferred tax assets:

The Group reviews the carrying amount of deferred tax assets at the end of each reporting period. The policy for the same has been explained under note 2(ix).

iv. Revenue Recognition

- The company derives revenue primarily from providing e-Governance services and from sale of e-Governance products on accrual basis except otherwise stated herein below.
- Revenue from sale of goods/ products are recognized in accordance with Ind AS 18 viz, when the seller has transferred goods to the buyer, the property in the goods for a price and/or significant risk & rewards of ownership have been transferred to the buyer, and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sales of good and regarding its collection.
- Revenue from services is recognized on rendering of services to the customers based on contractual arrangements.
- Revenue from Aadhaar generation service is recognized at the time when enrollment process completed and significant certainty regarding amount of consideration and its collection has been ensured i.e. after reconciliation of Aadhaar generation data as per company records with the data provided by UIDAI.
- Revenue from Storage of few e-governance physical documents is recognized when reasonable and significant certainty exists regarding the amount of the consideration and its collection.
- Dividend Income is recognized when the right to receive dividend is established by the reporting date.
- Interest Income is recognized using the effective interest method.
- The group presents revenue net of value-added taxes and service tax in its Statement of Profit & Loss.

v. Property plant and equipment

Property plant and equipment are stated at cost; less accumulate depreciation (other than freehold land) and impairment loss, if any.

Depreciation is provided for property, plant & equipment so as to expense the cost over their estimated useful lives based on a technical evaluation. The estimated useful lives and residual value are reviewed at the end of each reporting period, with the effects of any change in estimate accounted for on a prospective basis.

The estimated useful lives are as mentioned below:-

Type of asset	Rate of Depreciation	Useful life (Year)
Buildings Factory	9.50%	30
Office Building	9.50%	60
Plant & Machinery	18.10%	15
Office Equipment	45.07%	5
Furniture and Fixture	25.89%	10
Computers	63.16%	3
Vehicle	31.23%	8

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance Sheet date is classified as capital advances under other non-current assets and the cost of assets not ready to use before such date are disclosed under 'Capital work-in-progress'. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

vi. Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on Straight Line Method basis, commencing from the date the asset is available to the company, further amortization is done on a pro rata basis i.e. from the date on which the intangible asset is acquired. Amortization methods and useful lives are reviewed periodically including at each financial year end.

vii. Impairment of Assets

The carrying amount of assets are reviewed at each balance sheet date, if there is any indication of impairment based on internal/external factors, an impairment loss is recognized wherever the carrying amount of assets exceeds its recoverable amount.

viii. Inventories

Inventories are valued at lower of Cost or Net realizable value as per the requirements of Ind AS- 2 "Valuation of Inventory"

ix. Income Taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Income tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case, it is recognized in other comprehensive income.

Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

Advance Taxes and provisions for current income taxes are presented in the Balance Sheet after off-setting advance tax paid and income tax provision arising in the same jurisdiction and where the relevant tax paying units intends to settle the asset and liability on a net basis.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and the carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that is no longer probable that the related tax benefit will be realized. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognised as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognised amounts and where it intends to settle on a net basis or to realize the asset and settle the liability simultaneously.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT recognized as deferred asset in the Balance Sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realized.

x. Provision, Contingent Liabilities and Contingent Assets

Provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provision (excluding retirement benefits and compensated absences) are not discounted to its present value and are determined based on best estimates. Contingent liabilities are not recognized in the financial statements. Contingent assets neither recognized nor disclosed in financial statements.

xi. Employee Benefits

i. Short Term employee benefits

Short term employee benefits settled within twelve months of receiving employee services such as salary/wages/bonus and exgratia are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered by employees.

ii. Post-employment benefits

a. Provident and family pension fund

The eligible employees of the Company are entitled to receive post-employment benefits in respect of provident and family fund in which both the employee and the Company make monthly contributions at a specified percentage of the covered employee's salary. Both employee's and Company's contributions are made to Regional Provident Fund Commissioner (RPFC) and the employer's contributions are charged to the Statement of profit and loss as incurred.

b. Gratuity

The Company has an obligation towards gratuity, a defined retirement plan, covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death, and incapacitation or on termination of employment of an amount based on the respective employees' salary and the tenure of employment with the Company. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date using the projected unit credit method. Actuarial gains and losses for the gratuity liability are recognized full in the period in which they occur through other comprehensive income.

xii. Earning per Equity Share

Basic earnings per equity share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculation of Diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted number of equity shares outstanding during the period are adjusted for the effects of all potentially dilutive equity shares.

xiii. Foreign Currency Transactions

The functional currency of the company is Indian rupee.

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses arising on settlement and restatement are recognised in the statement of profit and loss.

Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not retranslated.

xiv. Dividend

The final dividend on shares is recorded as a liability on the date of approval by the shareholders and interim dividend are recorded as a liability on the date of declaration by the company's board of directors.

The company declares and pays dividends in Indian rupees.

xv. Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of

transactions of a non cash nature, any deferrals or accruals of past or future operating cash receipt or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

xvi. Financial instruments

a. Initial recognition

Financial assets and liabilities are recognized when the company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial asset and financial liabilities (other than financial asset and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

b. Subsequent measurement

Financial Assets carried at amortised cost

Financial asset are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flow that are solely payments of principal amount outstanding.

Financial Assets at fair value through other comprehensive income

Financial assets are subsequently measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, the company has made an irrevocable selection based on business model, for its investments which are classified as equity instruments, subsequent changes in the fair value of equity investments are recognized in other comprehensive income.

Financial Assets at fair value through profit & Loss

Financial assets are measured at fair value through profit & loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial asset and liabilities at fair value through profit & loss are immediately recognized in profit & loss.

Financial Liabilities

Financial liabilities are measured at amortized cost using the effective interest method.

Investment in Subsidiaries

Investments in subsidiaries are measured at cost shown separately in the financial statements.
