Limited review report on unaudited quarterly standalone financial results and standalone year-to-date results under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Siemens Limited

1. We have reviewed the accompanying Statement of unaudited standalone financial results of Siemens Limited ("the Company") for the quarter ended 31 March 2020 and year to date results for the period from 1 October 2019 to 31 March 2020 ("the Statement").
2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "*Interim Financial Reporting*" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Limited review report on unaudited quarterly consolidated financial results and consolidated year-to-date results under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Siemens Limited

1. We have reviewed the accompanying Statement of unaudited consolidated financial results of Siemens Limited ("the Parent") and its subsidiary (the Parent and its subsidiary together referred to as "the Group") for the quarter ended 31 March 2020 and year to date results for the period from 1 October 2019 to 31 March 2020 ("the Statement"), being submitted by the Parent pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations'). Attention is drawn to the fact that the consolidated figures for the corresponding quarter ended 31 March 2019 and the corresponding period from 1 October 2018 to 31 March 2019, as reported in these financial results have been approved by the Parent's Board of Directors, but have not been subjected to review since the requirement of submission of quarterly consolidated financial results has become mandatory only from 1 April 2019.
2. This Statement, which is the responsibility of the Parent's management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "*Interim Financial Reporting*" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the following entities:
Siemens Limited
Siemens Rail Automation Private Limited

Siemens Limited

Limited review report on unaudited quarterly consolidated financial results and consolidated year-to-date results under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review report of the other auditor referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Ind AS 34 and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We did not review the interim financial results of the subsidiary included in the Statement, whose interim financial results reflect total assets (before consolidation adjustments) of Rs 1,973 million as at 31 March 2020, total revenues (before consolidation adjustments) of Rs 262 million and Rs 445 million, total net profit after tax (before consolidation adjustments) of Rs 35 million and Rs 67 million and total comprehensive income (before consolidation adjustments) of Rs 35 million and Rs 66 million, for the quarter ended 31 March 2020 and for the period from 1 October 2019 to 31 March 2020, respectively and cash flows (net) (before consolidation adjustments) of Rs 247 million for the period from 1 October 2019 to 31 March 2020, as considered in the consolidated unaudited financial results. These interim financial results have been reviewed by other auditor whose report has been furnished to us by the management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, is based solely on the report of the other auditor and the procedures performed by us as stated in paragraph 3 above.

Our conclusion on the Statement is not modified in respect of this matter.

Notes :

- 1 The Group has adopted Ind AS 116 'Leases' (Ind AS 116) as at 1 October 2019, using modified retrospective approach. The above approach has resulted in a recognition of a Lease liability of Rs.2,065 million and a Right-of-Use asset amounting to Rs.2,011 million on the date of initial application. Right-of-use assets includes:
 - a) Reclassification of finance lease assets under erstwhile lease standard, amounting to Rs.167 million earlier reported under property, plant and equipment,
 - b) Reduction relating to accrued lease payments amounting to Rs.124 million,
 - c) Reduction in respect of certain Right-of-Use assets where IND AS 116 has been applied since the lease commencement date and the difference between Right-of-Use assets and Lease liability amounting to Rs.73 million (net of deferred tax asset Rs.24 million) has been reduced from retained earnings.
- 2 In view of the outbreak of Coronavirus (COVID-19), the factories were shut down since last week of March 2020, as per Government Order. The total expenses of Rs.200 million incurred during this period in respect of the factories were as under:
 - i) Employee benefits expense amounting to Rs.90 million
 - ii) Depreciation and amortization expense amounting to Rs.32 million
 - iii) Other expenses amounting to Rs.78 million.
- 3 The Board of Directors of the Holding Company, at their meeting held on 13 May 2020, has agreed in-principle, subject to terms and conditions to be determined, to sell the Holding Company's Mechanical Drives business (included in Portfolio Companies Segment of the Company) to a subsidiary of Siemens AG, Germany. Consequent to such in-principle approval, the Committee of Directors will determine the consideration, terms and conditions and such other matters as may be considered expedient with respect to the aforesaid proposed transactions and make recommendations thereon to the Board of Directors for its consideration.
- 4 Siemens Limited ("The Holding Company") has entered into definitive agreements for the acquisition of 99.22% (approximately) of the paid-up equity share capital of C&S Electric Limited from its promoters for an estimated value of Rs.21,200 million subject to adjustments and receipt of requisite regulatory approvals and fulfilment of condition precedents as agreed between the parties.
- 5 Pursuant to rationalisation of operations in Digital Industries and Portfolio Companies segments of the Group, Employee benefits expense for (a) the quarter ended 31 March 2019 and (b) for the six months ended 31 March 2019 and year ended 30 September 2019 include a charge of Rs.157 million and Rs.753 million respectively.
- 6 During the year ended 30 September 2019, the Holding Company had transferred and assigned its leasehold interest in the property located at Halol Industrial Area, Phase III (Plot I-B and Plot I-C), Gujarat for a consideration of Rs.1,935 million to LM Wind Power Blades (India) Private Limited. Accordingly, profit on the transaction amounting to Rs.473 million is included under "Other income" for the year ended 30 September 2019.
- 7 The Group had opted for lower corporate tax rate available under section 115BAA of the Income-tax Act, 1961 as introduced by Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Group had re-measured its deferred tax assets and a charge of Rs.741 million had been provided during the year ended 30 September 2019.
- 8 Previous period figures have been regrouped / reclassified wherever necessary, to conform to current period classification.
- 9 The above Consolidated financial results were reviewed and approved by the Audit Committee and Board of Directors at their meeting held on 13 May 2020.

Siemens Limited announces Q2 FY 2020 results; Revenue at Rs. 2,738 crore and Profit after Tax at Rs.172 crore

Siemens Limited reported a **Revenue at Rs. 2,738 crore**, 20.9% decline as compared to the corresponding quarter of the previous year, with a Profit after Tax at Rs. 172 crore, a 38.6% decline, for the second quarter of Financial Year 2020 as compared to the corresponding quarter of the previous year. **The Company's Order Backlog stands at Rs. 12,547 crore.**

The decline in Revenues across the businesses is primarily due to deferred offtake by customers and slow-down in short-cycle business related to COVID-19 as well as continued weaker demand in large infrastructure projects.

Sunil Mathur, Managing Director and Chief Executive Officer, Siemens Limited, said, "With the slowdown in the economy being accelerated and accentuated by the sudden impact of the Covid-19 crisis, Capex spending reduced dramatically in the current quarter. A gradual slowdown in the operations of our customers and supply chain was already visible from February. With the announcement of the lockdown, all our factories, project sites and offices were shut since the last week of March, resulting in a steep drop in revenue for the quarter. Currently six of our factories have reopened with limited operations and a further two are expected to be opened this week."

"While we continue to optimize our operations to meet the rapid changes in the economic environment, our performance in the coming quarters will be influenced greatly by a lifting of the lockdown. We are delighted with the recent announcement of the Honorable Prime Minister of a Rs. 20 lakh crore stimulus package and now await further details, in particular with regard to Government spending in infrastructure and a revival of demand in the economy. In the meantime, we have seen a heightened interest from our Customers to find Digitalization solutions to enable them to reduce their Capex requirements, save cash and increase their productivity," added Sunil Mathur.
