Procedure for E-voting:-

THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on **27th day of September, 2022 (09:00 A.M)** and ends on **29th day of September, 2022 (05:00 P.M.)** During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of **23rd day of September, 2022** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

The following Statement sets out all material facts relating to Item Nos. 4 to 7 mentioned in the accompanying Notice.

ITEM NO. 4

Mr. Vishnu Prasad Goyal is one of the promoters and founder of the Company. He is associated with the Company from the year 2009. Currently, he is acting as a Managing Director and Chairman of the Company.

The Board of Directors, based on the recommendation of the NRC Committee, at its meeting held on September 05th, 2022 and taking into account the contributions made by Mr. Goyal, including his vast experience and knowledge, has approved the re-appointment of Mr. Vishnu Prasad Goyal as Managing Director of the Company with effect from October 01, 2022 for a period of 5 (five) years, subject to the approval of the Members. He will also continue to be a Key Managerial Personnel of the Company. The Nomination and Remuneration Committee of the Company has also approved the terms of appointment, including remuneration.

A brief profile of Mr. Goyal is given below:

Mr. Vishnu Prasad Goyal, Managing Director and Chairman of your Company, has an experience of more than 30 years in entrepreneurship. His exceptional and distinguished mission and vision have brought up his ventures to new heights and untapped potential. He is eminent personality managing the whole company in best effective manner. He has been exceptional in his networking and relationship building skills with customers and other stakeholders and has built a strong network for the business. He is a capable team builder and has strong people skills.

In compliance with the provisions of Sections 196, 197, 203 and other applicable provisions of the Act, read with Schedule V to the Act (as amended), and based on the recommendation of the Board and the NRC, the approval of the Members is sought for the re-appointment and terms of remuneration of Mr. Vishnu Prasad Goyal as Managing Director as set out in the resolution.

Except Mr. Vishnu Prasad Goyal, to whom the resolution relates, none of the promoters, directors, key managerial personnel and their relatives is considered to be concerned or interested financially or otherwise in the resolution set out at Item No. 4 of the notice.

The Board accordingly recommends the Special Resolution set out at Item No. 4 of the Notice for approval of the Members of the Company.

ITEM NO.5:-

Mr. Ravi Goyal has been appointed as a Chief Financial Officer of the Company w.e.f. March 16, 2017. And he was also appointed as a Non- executive Non-Independent Director of the Company with effect from September 28, 2017.

Considering his outstanding performance and dedication towards the company, the Board at its meeting held on September 05, 2022 has, subject to the approval of members, appointed Mr. Ravi Goyal as Whole-time Director for a period of 5 (five) years w.e.f. September 25, 2022 to September 24, 2027, on the terms and Conditions including remuneration as recommended by the Nomination and Remuneration Committee of the Board and approved by the Board.

It is proposed to seek members' approval for the appointment of and remuneration payable to Mr. Ravi Goyal as Whole-time Director in terms of the applicable provisions of the Act.

Broad particulars of the terms of appointment of and remuneration payable to Mr. Ravi Goyal are as under:

1. Remuneration: Mr. Ravi Goyal shall be paid remuneration of Rs. 5,00,000 /- month (Rupees Five Lacs) per month subject to the provisions of the Companies Act, 2013, which includes salary, perquisites and allowances.
2. Reimbursement of Expenses: Mr. Ravi Goyal shall be entitled to be reimbursed from the Company all the expenses incurred by him on behalf of the Company.
4. General: (i) Mr. Ravi Goyal will perform his duties as such with regard to all work of the Company and will manage and attend to such business and carry out the orders and directions given by the Board from time to time. (ii) Mr. Ravi Goyal shall act in accordance with the Articles of Association of the Company and shall abide by the provisions contained in the Companies Act, 2013 with regard to duties of directors. (iii) Office of the Whole-time Director may be terminated by the Company or the Whole-time Director, by giving 3 (three) months' prior notice in writing.

Except Mr. Ravi Goyal, to whom the resolution relates, none of the promoters, directors, key managerial personnel and their relatives is considered to be concerned or interested financially or otherwise in the resolution set out at Item No. 5 of the notice.

The Board accordingly recommends the Special Resolution set out at Item No. 5 of the Notice for approval of the Members of the Company.

ITEM NO. 6:-

Due to the increasing business operations and future growth plans of the Company would necessitate borrowing from bank, financial institutions or any other lending institutions, firms, bodies corporate or persons, in the national markets, as may be considered suitable by the Board. However as per the provisions of section 180(1)(c) of the Companies Act, 2013, the Board of Directors of the Company cannot, apart from temporary loans obtained or to be obtained from the Company's banker in the ordinary course of business except with the consent of the Shareholders in General Meeting by way of special resolution, borrow monies in excess of the aggregate of the paid-up capital and free reserves of the Company.

The Members of the Company at their Meeting held on January 29, 2022 had authorizing the Board to borrow monies, from time to time, upto Rs. 250.00 Crores apart from temporary loans obtained or to be obtained from the Company's banker in the ordinary course of business. The Board is of the view that the company is planning some expansion activities due to which the company may require additional long term / short term funds by way of borrowings therefore, it would be appropriate and in the best interest of the Company to increase the borrowing powers by the members to the Board of Director or committee thereof or the person as may be authorized by the Board or Committee thereof from time to time to borrow monies, whether secured or otherwise (apart from temporary loans obtained or to be obtained from the Company's bankers in the ordinary course of business), from time to time on behalf of the company upto a maximum of Rs. 1000 crores (Rs. Thousand Crores).

As explained above consequent to the proposed increase in the borrowing limits of the Company it would be necessary to revise the approval for creation of charge on properties of the Company given by the members in their General Meeting held for creation of security and charge on the assets of the Company which may mean or include whole or substantially the whole of undertaking of the Company which inter - alia provides powers

to the secured lenders to dispose of the securities for realization of their loan amount, therefore it is required to seek consent of shareholders by way of special resolution.

None of the Directors and Key Managerial Personal and their relatives is either directly or indirectly concerned or interested, in the proposed resolutions. However, the directors and their relatives may be considered as financially interested to the extent of the interest as may be received by them on the unsecured loan, if any, as may be provided by them to the Company from time to time.

The Board accordingly recommends the Special Resolution set out at Item No. 6 of the Notice for approval of the Members of the Company.

ITEM NO.7:-

The Company is expected to render support for the business requirements of other companies in the group, from time to time. However, owing to certain restrictive provisions contained in the Section 185 of the Companies Act, 2013, the Company was unable to extend financial assistance by way of loan, guarantee or security. In the light of amendments notified effective May 7, 2018, inter-alia replacing the provisions Section 185 of Companies Act, 2013, the Company with the approval of members by way of special resolution, would be in a position to provide financial assistance by way of loan to other entities in the group or give guarantee or provide security in respect of loans taken by such entities, for their principal business activities. The members may note that board of directors would carefully evaluate proposals and provide such loan, guarantee or security proposals through deployment of funds out of internal resources / accruals and / or any other appropriate sources, from time to time, only for principal business activities of the entities. Hence, in order to enable the company to advance loan to Managing Director/Whole Time Director/Subsidiaries/ Joint Ventures /associates/ other Companies/ Firms in which Directors are interested directly or indirectly under section 185 of the Companies Act, 2013 requires approval of members by a Special Resolution.

Directors, Key Managerial Personnel and their relatives who are members of the Company, may be deemed to be concerned or interested in the Item No. 7 of the accompanying notice to the extent of their respective shareholding in the Company.

The Board accordingly recommends the Special Resolution set out at Item No. 7 of the Notice for approval of the Members of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT.

INDUSTRY STRUCTURE.

Our Company is engaged in the business of Cotton Trading and cultivation and herbal medicine, this industry is growing day by day. Also the cotton industry has been showing signs of increasing production and the long term outlook and growth prospects of the industry are also encouraging. The company expects that specialization in Cotton Yarn will provide further opportunities to increase the customer base. But as per the records available it has been noticed that as an industry cotton yarn's production in India has been decreasing from the financial year, 1995-1996 up to 2003-2004. After last year's record cotton production, the U.S is forecasted at the second highest production on record at 22.7 while India's cotton production forecast is equal to last year's record: Thus, the company looks forward to increase the capacity utilization.

The planting period of cotton normally is from March to September, while the harvesting period is from October to February. There are mainly three cotton-producing zones in India, such as:

* Northern zone (Hirsutum and Arboreum Zones), comprising Punjab, Haryana and Rajasthan.

* **Central Zone** (Hirsutum, Arboreum, Herbaceum and Hybrid Zones), comprising Maharashtra, Madhya Pradesh and Gujarat.

* Southern zone (Hirsutum, Arboreum, Herbaceum, Barbadense and Hybrid Zones) comprising Andhra Pradesh, Karnataka and Tamil Nadu.

Since the Company is running business in The **Central Zone** which offers a huge scope for the Ginning and Trading Activities of Cotton in this area.

The demand of herbal medicinal products has been increased in domestic and international market, and so exports of herbal medicine have reached a value of 100 million dollars a year. Company is having enough land and for the purpose of making proper use of that land, management is planning to cultivate herbal plants over that land, as the demand of herbal product increased drastically in international as well as domestic market. Cultivation of plants over unused land benefited the company. Company will develop such plants with scientific techniques in order to maximize yield. Company is also planning to undertake integrated project for farming, processing and storage of herbal crops on large scale. Besides the company is also embarking upon trading activities on large scale to maximize its margins.

MARKET SIZE

India's textiles industry contributed 7% to the industry output (by value) in 2018-19. The Indian textiles and apparel industry contributed 2% to the GDP, 12% to export earnings and held 5% of the global trade in textiles and apparel in 2018-19. Accordingly to the report, cotton spinning and clothing exports might rise by 15% to 20% in 2022. The year 2022 was successful; the industry had healthy margins, the whole textile value chain prospered, and Indian textile industries received a significant boost.

The share of the India's textiles and apparel exports in mercantile shipments was 11% in 2019-20. Textiles industry has around 4.5 crore employed workers including 35.22 lakh handloom workers -across the country. Cotton production is expected to reach 36.0 million bales and consumption is expected to reach 114 million bales in FY21—13% growth over the previous year. The domestic textiles and apparel market stood at an estimated US\$ 100 billion in FY19. The production of raw cotton in India is estimated to have reached 35.4 million bales in FY2019. During FY19, production of fibre in India stood at 1.44 million tonnes (MT) and reached 1.60 MT in FY20 (till January 2020), while that for yarn, the production stood at 4,762 million kgs during same period.

Exports of textiles (RMG of all textiles, cotton yarn/fabs./made-ups/handloom products, man-made yarn/fabs./made-ups, handicrafts excl. handmade carpets, carpets and jute mfg. including floor coverings) stood at US\$ 2.94 billion, as of May 2021. The Indian textile industry is aiming to export products worth \$ 40 to \$ 100 billion within 2027.

OPPORTUNITIES

India is working on major initiatives, to boost its technical textile industry. Owing to the pandemic, the demand for technical textiles in the form of PPE suits and equipment is on rise. Government is supporting the sector through funding and machinery sponsoring.

Top players in the sector are attaining sustainability in their products by manufacturing textiles that use natural recyclable materials.

The future for the Indian textiles industry looks promising, buoyed by strong domestic consumption as well as export demand. With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the past decade with the entry of several international players like Marks & Spencer, Guess and Next into the Indian market.

High economic growth has resulted in higher disposable income. This has led to rise in demand for products creating a huge domestic market.

BUSINESS STRATEGY

Our company had always endeavored to optimize shareholder value. The company is planning to increase the Trade of Cotton as after considering the Location and resources of the company, there is a huge scope available for the company to Trade in Cotton at a Large scale. The Company has also developed the land by using scientific technology as per the requirement of agriculture product. Company has made plans to cultivate safedmusli and horticultural products over the land developed by the company.

OUTLOOK

Our company is trading in Cotton and is planning to expand the trading at a large scale. Company is taking many steps to increase the Sales Turnover, Quantity and Quality as well as the Profit Margins and expects to achieve the optimums in near future.

Also, our Company has adequate area of land at Bhopal which is suitable for Mega Agro activities like Cultivation of medicinal plants organic manure, farming and also development of green

dense resorts for entertaining citizens. Your company is exploring the various possibilities of developing the said land.

RISK AND CONCERNS

The competition in global market of herbal products affects the business activities of the Company. The loss of such types of specific jadibhutties in nature, lack of processing method also affects the profitability of the Company and also business of cotton and cotton fabric trading carries no major risk on the rates and prices. Demand and supply of such products are more or less stable.

- (i) Positive economic environment
- (ii) Government policies.
- (iii) Stability in Raw cotton prices.
- (iv) Evacuation of 100% Wind energy generated to State Grid and favourable wind season.

INTERNAL CONTROL AND ADEQUACY

The company has proper and adequate system of internal controls to ensure that all activities are monitored against any unauthorized use or disposition of assets. The company also ensure adherence to all internal control policies and procedure as well as compliance with all regulatory guidelines. The effectiveness of internal control was reviewed during internal audits carried by the audit committee of the company. An independent review of the internal control system is also carried out by statutory auditors.

PREVENTION OF INSIDER TRADING

In view of the SEBI (Prohibition of Insider Trading) Regulation, 2015 the Company has adopted a Code of Conduct for Prevention of Insider Trading with a view to regulate trading in securities by the Directors and designated employees of the Company and amended Code/Policy were also hosted on the website of Company. The Code requires Trading Plan, pre-clearance for dealing in the Company's shares and prohibits the purchase or sale of Company shares by the Directors and the designated employees while in possession of unpublished price sensitive information in relation to the Company and during the period when the Trading Window is closed.

MATERIAL DEVELOPMENT IN HUMAN RESOURCES/INDUSTRIAL RELATION

INDEPENDENT AUDITOR'S REPORT

To,
The Members of
ALFAVISION OVERSEAS (INDIA) LIMITED

Report on the Audit of the Standalone Financial Statements**Opinion**

We have audited the standalone financial statements of **ALFAVISION OVERSEAS (INDIA) LIMITED** ("the Company"), which comprise the balance sheet as at 31 March 2022, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022, its profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statement in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) other Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended 31 March, 2022. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matter described below to be the key audit matter to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone financial statements section of our report, including in relation to these matters. Accordingly our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone financial statements.

Key Audit Matter	Auditor's Response
<p>Existence and completeness of Trade Receivables and Other Advances</p> <p>We discussed in basis of unqualified opinion, the company has to get confirmation and made reconciliation with all respective parties on periodic basis.</p>	<p>Principal Audit Procedures</p> <p>Our audit procedures related to confirmation and reconciliation included the following, among others:</p> <p>We tested the effectiveness of controls relating to (1) recording of revenue and estimation of price and application controls pertaining to revenue recording.</p> <p>We selected a sample of revenue recognized during the year and verified with the necessary documents.</p> <p>We have verified the subsequent payment received and trace to the bank statements.</p>
<p>Allowance for credit losses</p> <p>The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Company considered current and anticipated future economic conditions relating to industries the Company deals with and the countries where it operates. In calculating expected credit loss, the Company has also considered credit reports and other related credit information for its customers to estimate the probability of default in future and has taken into account estimates of possible effect from the pandemic relating to COVID-19.</p> <p>We identified allowance for credit losses as a key audit matter because the Company exercises Significant judgment in calculating the expected credit losses.</p>	<p>Principal Audit Procedures</p> <p>Our audit procedures related to the allowance for credit losses for trade receivables and unbilled revenue included the following, among others:</p> <p>We tested the effectiveness of controls over the (1) development of the methodology for the allowance for credit losses, including consideration of the current and estimated future economic conditions (2) completeness and accuracy of information used in the estimation of probability of default and (3)</p> <p>Computation of the allowance for credit losses.</p> <p>For a sample of customers: We tested the input data such as credit reports and other credit related information used in estimating the probability of default by comparing them to external and internal sources of information.</p> <p>We tested the mathematical accuracy and computation of the allowances by using the same input data used by the Company.</p>

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone

financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with [the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Going Concern

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our

opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended 31 March, 2022 and is therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure 2 to the Independent Auditor's Report of even date on the standalone financial statements of ALFAVISION OVERSEAS (INDIA) LIMITED for the year ended March 31, 2022**Report on the Internal Financial Controls under clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to standalone financial statements of **ALFAVISION OVERSEAS (INDIA) LIMITED** ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by The Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by The Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone

financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2022, based on the internal control criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting, issued by The Institute of Chartered Accountants of India.

ALFAVISION OVERSEAS (INDIA) LTD.

Notes to the financial statements for the year ended March, 31 2022

1 Corporate Information

ALFAVISION OVERSEAS (INDIA) LTD. ('the Company'), is a public limited company domiciled in India, and listed on Bombay Stock Exchange. The Company is primarily engaged in the business of Agriculture activity and trading of cotton seeds, having head office in Indore.

2 Significant accounting policies

- a Statement of compliance and Basis of preparation and presentation** The standalone financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the Ind AS) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 (the Act) read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policy below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

b Revenue

Revenue from trading of cotton seeds and agriculture activities is recognised upon transfer of control of promised products to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products. Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, performance bonuses, price concessions and incentives, if any. Revenue from subsidiaries is recognised based on transaction price which is at arm's length. Revenue is recognised when it is earned and it is probable that economic benefit will flow to the Company. Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is recorded using the applicable Effective Interest Rate (EIR), which is the rate that exactly discounts estimated future cash receipts over the expected life of the financial asset to that asset's net carrying amount on initial recognition.

- c** The Company's financial statements are presented in INR, which is also the Company's functional currency. Foreign currency transactions are accounted at the exchange rate prevailing on the date of such transactions. Foreign currency monetary items are translated using the exchange rate prevailing at the reporting date. Exchange differences arising on settlement of monetary items or on reporting such monetary items at rates different from those at which they were initially recorded during the period, or reported in previous financial statements are recognised as income or as expenses in the period in which they arise. Non-monetary foreign currency items are measured in terms of historical cost in the foreign currency and are not retranslated.

- d** Borrowing costs Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use of sale. All other borrowing costs are recognised in profit or loss in the period in which they are incurred. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognized in profit or loss in the period in which they are incurred.

- e** Employee benefits(i) Retirement benefit costs and termination benefits Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions. For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual

reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense.' Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans. A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of termination benefit and when the entity recognises any related restructuring costs.

- (ii) Short-term and other long-term employee benefits A liability is recognised for benefits accruing to employees in respect of wages and salaries and annual leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service. Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service. Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.
- (iii) Contributions from employees or third parties to defined benefit plans Discretionary contributions made by employees or third parties reduce service cost upon payment of these contributions to the plan. When the formal terms of the plans specify that there will be contributions from employees or third parties, the accounting depends on whether the contributions are linked to service, as follows:

- If the contributions are not linked to services (e.g. contributions are required to reduce a deficit arising from losses on plan assets or from actuarial losses), they are reflected in the remeasurement of the net defined benefit liability (asset).
- If contributions are linked to services, they reduce service costs. For the amount of contribution that is dependent on the number of years of service, the Company reduces service cost by attributing the contributions to periods of service using the attribution method required by Ind AS 19.70 for the gross benefits. For the amount of contribution that is independent of the number of years of service, the Company reduces service cost in the period in which the related service is rendered/reduces service cost by attributing contributions to the employees' periods of service in accordance with Ind AS 19.70.

f Taxation Income tax expense represents the sum of the tax currently payable and deferred tax.

- (i) Current tax Current tax is the amount of income taxes payable in respect of taxable profit for a period. Current tax for current period is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.
- (ii) Deferred tax Deferred tax is recognised on temporary differences between the carrying amounts of assets and

liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities. (iii) Current and deferred tax for the year Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

- g Property, plant and equipment Property, plant and equipment are stated at cost, less accumulated depreciation and impairment loss, if any. The cost comprises purchase price and related expenses and for qualifying assets, borrowing costs are capitalised based on the Company's accounting policy. Capital work-in-progress comprises cost of property, plant and equipment and related expenses that are not yet ready for their intended use at the reporting date. Depreciation is recognised so as to write off the cost of assets (other than free hold land) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at each reporting period, with the effect of changes in estimate accounted for on a prospective basis. Gains and losses arising from retirement or disposal of property, plant and equipment are determined as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in profit or loss on the date of retirement or disposal. Estimated useful lives of the assets are as follows:

Useful life (in years)		
Particulars	As per Company	As per Schedule II
Office equipments	5	5
Furniture and fixtures	10	10
Vehicles	8	8
Computers	5	3 to 6

- h Intangible assets Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over the estimated useful lives whereas during the year under review company has not been amortize their Intangible assets. The estimated useful life for intangible assets is 3 to 5 years. The estimated useful and amortisation method are reviewed at each reporting period, with the effect of any changes in the estimate being accounted for on a prospective basis. Intangible assets with indenfinite useful lives that are acquired separately are carried at cost less accumulated impairment loss.
- i Impairment of tangible and intangible assets The carrying amounts of the Company's property, plant and

equipment and intangible assets are reviewed at each reporting date to determine whether there is any indication that those assets have suffered any impairment loss. If there are indicators of impairment, an assessment is made to determine whether the asset's carrying value exceeds its recoverable amount. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs. An impairment loss is recognised in statement of profit and loss whenever the carrying amount of an asset or a cash generating unit exceeds its recoverable amount. The recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing the value in use, the estimated future cash flows are discounted to the present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the assets for which the estimates of future cash flows have not been adjusted. Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. Reversal of an impairment loss is recognised immediately in profit or loss.

- j Inventories Inventories are valued at the lower of cost and net realizable value. Cost is determined on a weighted average basis and includes all applicable overheads in bringing the inventories to their present location and condition. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs to make the sale.
- k Provisions, contingent liabilities and contingent assets The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flow estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that the outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements. Contingent assets are not recognised in the financial statements, however they are disclosed where the inflow of economic benefits is probable. When the realisation of income is virtually certain, then the related asset is no longer a contingent asset and is recognised as an asset. Present obligations arising under onerous contracts are recognized and measured as provisions. An onerous contract is considered to exist where the Company has a contract under which the unavoidable costs of meeting the obligations under the contract exceed the economic benefits to be received from the contracts.
- l Financial instruments Financial instruments is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.
 - (i) Initial recognition Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit and loss are recognised immediately in the statement of profit and loss.

- (ii) Financial assets(I) Classification of financial assets Financial assets are classified into the following specified categories: amortised cost, financial assets 'at fair value through profit and loss' (FVTPL), 'Fair value through other comprehensive income' (FVTOCI). The classification depends on the Company's business model for managing the financial assets and the contractual terms of cash flows.
- (II) Subsequent measurement- Debt Instrument - amortised cost Debt instruments that meet the following conditions are subsequently measured at amortised cost:
- (a) if the asset is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and
 - (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. - Fair value through other comprehensive income (FVTOCI)A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:
 - (a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets.
 - (b) The asset's contractual cash flows represent solely payments of principal and interest. Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses and reversals and foreign exchange gain or loss in the statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to statement of profit and loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the effective interest rate method.- Fair value through Profit and Loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is considered only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.(III) Derecognition of financial assetsA financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's statement of financial position) when:
 - The rights to receive cash flows from the asset have expired, or
 - The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
 - (a) the Company has transferred substantially all the risks and rewards of the asset, or
 - (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained. Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.(IV) Effective interest method The effective interest method is a method of calculating the amortized cost of a debt instrument and of allocating interest

income over the relevant period. The effective interest rate is the rate that exactly discounts estimating future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premium or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition. Income is recognized on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognized in profit or loss and is included in the "Other income" line item. (V) Impairment of financial assets The Company assesses impairment based on expected credit losses (ECL) model to the following:

- Financial assets measured at amortised cost;
- Financial assets measured at fair value through other comprehensive income (FVTOCI) Expected credit losses are measured through a loss allowance at an amount equal to:
 - the 12-month expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
 - full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument). The Company follows 'simplified approach' for recognition of impairment loss allowance on:
 - Trade receivables or contract revenue receivables; and
 - All lease receivables

Under the simplified approach, the Company does not track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the Company reverts to recognising impairment loss allowance based on 12-month ECL. For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

(iii) Financial liabilities and equity instruments

(I) Classification of debt or equity

Debt or equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

- Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the

Company are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised on the purchase, sale, issue or cancellation of the Company's own equity instruments.

(II) Subsequent measurement

Financial liabilities measured at amortised cost:

Financial liabilities are subsequently measured at amortized cost using the effective interest rate (EIR) method. Gains and losses are recognized in statement of profit and loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or

premium on acquisition and fee or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the statement of profit and loss.

- Financial liabilities measured at fair value through profit and loss (FVTPL):

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

(III) Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

(IV) Fair value measurement

The Company measures financial instruments such as debts and certain investments, at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value

measurement is unobservable.

For assets and liabilities that are recognised in the balance sheet on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

- m Cash and cash equivalents Cash and cash equivalents in the balance sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.
- n Leases Company as a lessee The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset. At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.. The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recover ability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs. The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option. Company as a lessor Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.
- o Earnings per share Basic earnings per share is computed and disclosed using the weighted average number of equity shares outstanding during the period. Dilutive earnings per share is computed and disclosed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the period, except

when the results are anti-dilutive.

- 3 Key accounting judgements and estimates The preparation of the Company's financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below: (i) Useful lives of property, plant and equipment The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods. (ii) Allowance for uncollectible trade receivables Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowances for estimated irrecoverable amounts. Estimated irrecoverable amounts are based on the ageing of the receivable balances and historical experience. Additionally, a large number of minor receivables is grouped into homogeneous groups and assessed for impairment collectively. Individual trade receivables are written off when management deems them not to be collectible.

Note No. : 9.2 Credit Risk Management

In case of trade receivables, the Company does not hold any collateral or other credit enhancements to cover its credit risks. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain.

Footnote :

1) The average credit period is 30-90 days from the date of invoice. No interest is recovered on trade receivables for payments received after due date..

2) The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates as given in the provision matrix.

Further explanation shall be provided for any change in the ratio by more than 25% as compared to the preceding year

Inventory turnover ratio- FY 19-20 was affected by Lockdown due to COVID - 19 and as a result there was operations of unit for 255 days only in the FY 20 against which FY 21 has operating days of 314 days. This is the major reason due to which a major variation of about 49% is there in the Inventory turnover ratio. Further the company has also tried to manage the stock at optimum level.

Trade Receivables turnover ratio- Due to Covid restrictions in FY 20 company has also restricted its credit to the debtors as a result the ratio was lower in FY 20. In FY 21 restriction slightly get opened and to secure the maximum business company had started again credit to its customer and as a result the debtors turnover ratio increased as compared to previous year.

Trade Payables turnover ratio- Due to increased volume of sales and debtors the working capital requirement of the company also goes up which has been fulfilled through increased creditors period. This is the reason for increase in creditors period.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended 31 March, 2022. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For the matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matter described below to be the key audit matter to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of audit procedures performed by us and by other auditors of components not audited by us, as reported by them in their audit reports furnished to us by the management, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

Key Audit Matter	Auditor's Response
<p>Existence and completeness of Trade Receivables and Other Advances</p> <p>We discussed in basis of unqualified opinion, the company has to get confirmation and made reconciliation with all respective parties on periodic basis.</p>	<p>Principal Audit Procedures</p> <p>Our audit procedures related to confirmation and reconciliation included the following ,among others:</p> <p>We tested the effectiveness of controls relating to (1) recording of revenue and estimation of price and application controls pertaining to revenue recording.</p> <p>We selected a sample of revenue recognized during the year and verified with the necessary documents.</p> <p>We have verified the subsequent payment received and trace to the bank statements.</p>
<p>Allowance for credit losses</p> <p>The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Company considered current and anticipated future economic conditions relating to industries the Company deals with and the countries where it operates. In calculating expected credit loss, the Company has also considered credit reports and other related credit information for its customers to estimate the probability of default in future and has taken into account estimates of possible effect from the pandemic relating to COVID-19.</p> <p>We identified allowance for credit losses as a key audit matter because the Company exercises significant judgment in calculating the expected credit losses.</p>	<p>Principal Audit Procedures</p> <p>Our audit procedures related to the allowance for credit losses for trade receivables and unbilled revenue included the following, among others:</p> <p>We tested the effectiveness of controls over the (1) development of the methodology for the allowance for credit losses, including consideration of the current and estimated future economic conditions (2) Completeness and accuracy of information used in the estimation of probability of default and (3) computation of the allowance for credit losses.</p> <p>For a sample of customers: We tested the input data such as credit reports and other credit related information used in estimating the probability of default by comparing them to external and internal sources of information.</p> <p>We tested the mathematical accuracy and computation of the allowances by using the same input data used by the Company.</p>

Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the

consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those respective Boards of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial

statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the of which we are the independent auditors, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended 31 March, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements and other financial information of the subsidiary, whose financial statements include total assets of Rs 9899.60 Lakhs as at 31 March, 2022, and total revenues of Rs 9812.96 Lakhs and net profit after tax amounting to of Rs 15.36 Lakhs for the year ended on that date. These financial statement and other financial information have been audited by other auditors, which financial statements, other financial information and auditor's reports have been furnished to us by the management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary, and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary,

is based solely on the reports of such other auditors. Our opinion above on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

Annexure 2 to the Independent Auditor's Report of even date on the Consolidated financial statements of Alfavision Overseas (India) Limited for the year ended March 31, 2022

Report on the Internal Financial Controls under clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Alfavision Overseas (India) Limited (hereinafter referred to as the "Holding Company") as of and for the year ended 31 March, 2022, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group"), as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the companies included in the Group, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by The Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to consolidated financial statements.

Meaning of Internal Financial Controls with reference to consolidated financial statements

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable

assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to Consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to Consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to Consolidated financial statements and such internal financial controls with reference to Consolidated financial statements were operating effectively as at March 31, 2022, based on the internal control criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting, issued by The Institute of Chartered Accountants of India.

OTHER MATTER

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements of the Holding Company, in so far as it relates to these subsidiary, is based on the corresponding reports of the auditors of such subsidiary.

Note No. : 9.2 Credit Risk Management

In case of trade receivables, the Company does not hold any collateral or other credit enhancements to cover its credit risks. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain.

Footnote :

1) The average credit period is 30-90 days from the date of invoice. No interest is recovered on trade receivables for payments received after due date..

2) The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates as given in the provision matrix.

Further explanation shall be provided for any change in the ratio by more than 25% as compared to the preceding year
Inventory turnover ratio- FY 19-20 was affected by Lockdown due to COVID - 19 and as a result there was operations of unit for 255 days only in the FY 20 against which FY 21 has operating days of 314 days. This is the major reason due to which a major variation of about 49% is there in the Inventory turnover ratio. Further the company has also tried to manage the stock at optimum level.

Trade Receivables turnover ratio- Due to Covid restrictions in FY 20 company has also restricted its credit to the debtors as a result the ratio was lower in FY 20. In FY 21 restriction slightly get opened and to secure the maximum business company had started again credit to its customer and as a result the debtors turnover ratio increased as compared to previous year.

Trade Payables turnover ratio- Due to increased volume of sales and debtors the working capital requirement of the company also goes up which has been fulfilled through increased creditors period. This is the reason for increase in creditors period.
