Sub: Corrigendum to the Annual Report for the Financial Year 2024-25

Dear Sir,

This is to inform you that in reference to our letter dated September 5, 2025, wherein the Company submitted its Annual Report for the financial year 2024- 25, along with the Notice for the 40th Annual General Meeting (“AGM”), scheduled to be held on Saturday, 27th September 2025, at 04:00 P.M. We wish to inform that certain inadvertent typographical errors were identified in the Standalone & Consolidated Financial Statements, MGT-12, Mgt-11 & Attendance slip of the said Annual Report of the Company.

As a result, we are providing the revised Annual Report for the financial year 2024-25. We wish to clarify that these typographical errors do not impact the financial statements for the year ended 31st March 2025, and this corrigendum should be read in conjunction with the original Annual Report.

We have uploaded the corrected version of the Annual Report on the Company’s website at www.mefcom.in

Please note that, apart from the corrections mentioned above, there are no other changes to the Annual Report for FY 2024-25.

Kindly take the same on records.

Thanking You

Yours faithfully

For Mefcom Capital Markets Limited

6. CHANGE IN NATURE OF BUSINESS

There was no change in primary business activities of the company during the period under Review. However, there is substantial strategical revival of Merchant banking activities carried out during the year. In this regard, We are pleased to inform that our Company successfully resumed its merchant banking activities after a hiatus of over two decades. In May 2025, our Merchant Banking Division established a new office at Nariman Point, Mumbai, India's financial capital. This workspace enhances our capacity to foster enduring client partnerships and effectively support their growth trajectories. This strategic revival represents a significant milestone in our journey and underscores our renewed commitment to leveraging our expertise in capital markets activities comprised of IPO, FPO, Acquisitions & Takeovers, Right Issue and financial advisory services etc.

We are proud to report the successful completion of the Initial Public Offering (IPO) of Globe Civil Projects Limited in the first quarter of Fiscal Year 2025-26, which received an overwhelming response from investors across all categories and listed on the main board of the stock exchanges. Our role as a merchant banker in this IPO further reinforces our position as a trusted and capable partner in capital markets. In addition to the IPO, we have built a healthy pipeline of fund raise mandates and anticipate a more robust deal pipeline in the financial year 2025-26.

7. SUBSIDIARIES/JOINT VENTURES/ASSOCIATE COMPANIES

The Company has one Subsidiary Company namely M/s Mefcom Securities Limited. There has been no material change in the nature of the business of the subsidiary.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

INDUSTRY STRUCTURE & DEVELOPMENT

The relevant industry for the Company is financial service sector, which is considered as a touch stone of socio economic development of the country. FY 2024-25 witnessed a drop in indices with small & large caps led by key constituents of the NIFTY. However, the broader markets especially the small and mid-cap segment did not perform very well during financial year 2024-25. However in FY 2025-26 there is recovery in mid cap & small cap. India also emerged as one of the strongest economies in view of reforms by the present government. It has become 4th largest economy in the world leaving behind Japan & UK. India also emerged as one of the strongest economies amongst the emerging markets. India has a diversified financial sector, which is under going rapid expansion.

SEGMENT-WISE PERFORMANCE

The Company has one business segment as primary segment. The Segment has been identified taking into account the nature of activities, the differing risks and returns, the organization structure and internal reporting system. There are no reportable geographical segments.

The segment wise information can be viewed in the notes to accounts statement annexed with the financial statement for the year ended March 31, 2025.

OUTLOOK, OPPORTUNITIES AND THREATS

Your company being a Merchant banker seeks opportunities in Capital markets. The primary Markets business has seen a good growth during this financial year and fund raising from IPO market has been considerably high during financial year 2024-25.

India is expected to be major economy in years to come but it is facing major challenge of falling farm incomes and the lack of job opportunities for thousands of youth entering the labour force each month.

On the external front the on-going Trade war between US & China and rest of the world and also the happenings of EU are factors which could exert pressure on markets. The Company has a net Loss of Rs. 273.46 Lakhs as on 31st March, 2025 against a net profit of Rs. 672.38 Lakhs (As per Ind AS) in the previous year ended on 31st March, 2024.

The Company has various Main Board & SME issues in pipeline to be listed on NSE and BSE in the coming financial year. Further, it is expected that the Capital market will do better in the future, hence it is expected that it will enlighten the growth prospects of the Company.

RISK & CONCERNS

The Industry has witnessed intense competition and entry of several big players. The Capital market industry in which your company is operating is subject to extensive regulations. The Company evaluates the associated risks and works accordingly.

INTERNAL CONTROL SYSTEMS

The Company has built adequate systems on Internal Financial Controls towards achieving efficiency and effectiveness in operations, optimum utilization of resources, and effective monitoring thereof as well as compliance with all applicable laws. The internal control mechanism comprises a well-defined organization structure, documented policy guidelines, predetermined authority levels and processes commensurate with the level of responsibility and that same are adequate and operating effectively. The Audit Committee reviews the reports of the Internal Auditors and monitors the effectiveness and operational efficiency of these internal control systems. The Audit Committee gives valuable suggestions from time to time for improvement of the Company's business processes, systems and internal controls.

FINANCIAL PERFORMANCE

During the year under review, the company has booked loss as compared to previous year profit; the management is in the process of better utilization of available resources and proper implementation of business strategies and remains optimistic about improving performance and turnover in the coming years. The small and medium enterprises have now got a separate SME platform to list their shares so now even small companies can now go for IPO which will enhance the profitability and market share of your Company.

However, the Company started the Merchant banking activities in the month of September 2024, Despite a favorable IPO market in FY 2024-25, we were unable to capitalize on this opportunity but we look forward to leveraging this initiative moving forward.

It is expected that the Company is having good future prospects and will give better results as the capital market is also expected an upward trend in future.

HUMAN RESOURCES MANAGEMENT

The Company's belief in trust, transparency and teamwork improved employee efficiency at all levels. The Company's commitment to harmonious industrial relations resulted in enhancing effectiveness of operations and enabled the achievement of international benchmarks in financial business. The company's ongoing objective is to create an inspirational work climate where talented employees engaged in creating sustained value for the stakeholders. Training and orientation programs are being arranged periodically, to update the employees in the work techniques. The overall human resources are positive and we would be able to effectively achieve the desired objectives. The Company has developed an environment of harmonious and cordial relations with its employees.

CAUTIONARY STATEMENT

Statements in foregoing paragraphs of this report describing the current industry structure, outlook, opportunities, etc., may be construed as "forward looking statements", based on certain assumptions of future events over which the Company exercises no control. Therefore, there can be no guarantee as to their accuracy. These statements involve a number of risks, uncertainties and other factors that could cause actual results to differ materially from those that may be implied by these forward looking statements. Such risks and uncertainties include, but are not limited to growth, competition, domestic & international economic conditions affecting demand, supply & price conditions, changes in Government regulations, tax regimes and other statutes.

INDEPENDENT AUDITOR'S REPORT

To the Members of

MEFCOM CAPITAL MARKETS LIMITED.

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of MEFCOM CAPITAL MARKETS LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss including other comprehensive income, the statement of changes in Equity and Cash Flow Statement for the year then ended, and Notes to the standalone financial statement including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Company Act 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its total comprehensive income (comprising of profit and other comprehensive income), its changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have not found any higher risk at audit planning stage, challenges in forming an opinion on financial statements, related party transaction and other complex transaction.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If based on work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we

conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure, and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

A As required by Section 143(3) of the Act, we report that:

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- In our opinion, the aforesaid Ind AS standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

Annexure - B to the Auditors' Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of MEFCOM CAPITAL MARKETS Limited ("the Company") as of 31st March 2025 in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes Forming Part Of The Standalone Financial Statements For The Year Ended March 31, 2025

1) Company Overview

Mefcom Capital Markets Limited is company incorporated under the Companies Act, 1956 and is engaged in capital market operations and merchant banking activities.

2) Significant Accounting Policies**a) Basis of preparation**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b) Use of estimates and judgements

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made. Differences between actual results and estimates are recognised in the period in which the results are known/ materialised.

c) Revenue recognition

- (i) Income from trading in securities and derivatives comprises profit/ loss on sale of securities held as inventories and profit/ loss on equity and derivatives instruments. Profit/ loss on sale of securities are determined on FIFO basis.
- (ii) On settlement or squaring-up of contracts for Equity Index/ Stock Futures, the profit or loss is calculated as the difference between settlement/ squaring-up price and contract price. Accordingly, debit or credit balance pertaining to the settled/ squared-up contract in 'Mark-to-Market Margin-Equity Index/ Stock Futures Account' is recognized in the Statement of Profit and Loss.
- (iii) Income from Merchant Banking Operations is accounted on accrual basis, when the right to receive is established in terms of the agreements with respective clients.
- (iv) Dividend income is recognised when the right to receive payment is established.
- (v) Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on, time basis, by Reference to the principal outstanding and at the effective Interest rate applicable, which is the rate that exactly Discounts estimated future cash receipts through the Expected life of the financial asset to that asset's net Carrying amount on initial recognition

d) Employee benefits**(i) Short-term employee benefits**

Short-term employee benefits are recognized as an expense on an undiscounted basis in the statement of profit and loss of the year in which the related service is rendered.

(ii) Post-employment benefits**Defined benefit plans (Gratuity)**

Liabilities with regard to the gratuity plan are determined on estimation basis at each balance sheet date using the projected unit credit method. The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Remeasurements comprising of actuarial gains and losses, on the net defined benefit liability are recognised in Other Comprehensive Income which are not reclassified to profit or loss in subsequent periods.

e) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation / impairment loss, if any. Cost includes freight, duties, taxes, and other incidental expenses.

f) Intangible assets

Intangible assets are stated at cost less accumulated amount of amortization. Cost includes freight, duties, taxes, and other incidental expenses.

g) Depreciation and amortisation expenses

Depreciation on property, plant and equipment is provided on Written down value method at the rate and in the manner prescribed in Schedule II of the Companies Act, 2013.

Amount spent on renovation including extensions on office premises, taken on rent, is capitalised under the head 'Leased hold improvements' and amortised on straight line basis during the lease term on pro-rata basis.

The Company has applied for the one-time transition exemption of considering the carrying cost on the transition date i.e. April 1, 2016 as the deemed cost under IND AS and hence regarded thereafter as historical cost.

h) Stock-in-trade

Securities acquired with the intention to trade are classified as stock-in-trade. Stock-in-trade is valued at market/ fair value. The profit or loss on sale of securities is recognised on trade date in the Statement of Profit and Loss.

i) Leases

Effective April 1, 2019, the Company adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method on the date of initial application. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the right of use asset at its carrying amount.

The Company's lease asset classes primarily consist of leases for building. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

The Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

j) Income tax

Income tax expense represents the sum of current and deferred tax (including MAT). Tax is recognised in the Statement of Profit and

Loss, except to the extent that it relates to items recognised directly in equity or other comprehensive income, in such cases the tax is also recognised directly in equity or in other comprehensive income.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit and are accounted for using the liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognized for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilised. Deferred tax assets and liabilities are measured at the applicable tax rates. Deferred tax assets and deferred tax liabilities are off set and presented as net.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised.

Credit of MAT is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the profit and loss account and shown as MAT credit entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.

k) Earnings per Share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value.

l) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Initial Recognition and measurement

On initial recognition, all the financial assets and liabilities are

recognized at its fair value plus or minus transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability except financial asset or financial liability measured at fair value through profit or loss. Transaction costs of financial assets and liabilities carried at fair value through the Profit and Loss are immediately recognized in the Statement of Profit and Loss.

(ii) Subsequent measurement

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset is measured at fair value through profit and loss unless it is measured at amortized cost or at fair value through other comprehensive income.

Financial liabilities

The financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

m) Provisions and Contingencies

A provision is recognized when there is a present obligation as a result of past event and it is probable that there will be an outflow of resources in respect of which a reliable estimate can be made. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognised.

34 Financial risk management objectives**Financial risk factors**

The Company's activities expose it to a variety of financial risks: market risk(equity price risk), credit risk and liquidity risk. The Company's primary focus is to foresee the unpredictability of capital markets and seek to minimize potential adverse effects on its financial performance. The risk management policies are established to ensure timely identification and evaluation of risks, setting acceptable risk thresholds, identifying and mapping controls against these risks, monitor the risks and their limits, improve risk awareness and transparency.

I. Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Company is exposed in the ordinary course of its business to risks related to equity price fluctuations and interest rates.

(a) Equity price risk

Equity Price Risk is related to the change in market reference price of the investments in equity securities. The fair value of some of the Company's investments measured at fair value through other comprehensive income exposes the Company to equity price risks. These investments are subject to changes in the market price of securities.

The following details the Company's sensitivity to a 5% movement in the fair value of such equity instruments as at the end of the reporting period(s): -

(Amount in ₹ Lakhs)

Particulars	As at March 31, 2025	As at March 31, 2024
Effect of Increase in fair value of equity instruments	18.76	25.27
Effect of Decrease in fair value of equity instruments	(18.76)	(25.27)

II. Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks. Currently company is not exposed to credit risk as it has zero trade receivables.

Trade receivables	19.92	58.28

III. Liquidity risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company generates sufficient cash flow for operations, which together with the available cash and cash equivalents and short term investments provide liquidity in the short-term and long-term.

INDEPENDENT AUDITOR'S REPORT

To the Members of

MEFCOM CAPITAL MARKETS LIMITED.

Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated financial statements of **MEFCOM CAPITAL MARKETS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss including other comprehensive income, the statement of changes in Equity and Cash Flow Statement for the year then ended, and Notes to the Consolidated financial statement including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Company Act 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its total comprehensive income (comprising of profit and other comprehensive income), its changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have not found any higher risk at the audit planning stage, challenges in forming an opinion on financial statements, related party transactions and other complex transactions.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We are also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has an adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention to our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure- A to the Independent Auditors' Report

Referred to in paragraph 1 under 'Report on other Legal and Regulatory Requirements' section of our report of even date. We report that:

- (i). (a) The company has maintained proper records showing full particulars including quantitative details and situation of its fixed assets.
- (b) As explained to us, fixed assets have been physically verified by the management at reasonable intervals; no material discrepancies were noticed on such verification. In our opinion the frequency of verification is reasonable having regard to the size of the company and nature of its assets. The discrepancies reported in such verification were not material and have been properly dealt with in the books of accounts.
- (c) based on our audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to information and explanations given by the management, the title deeds of immovable properties included in investment are held in the name of the company

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with in this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Ind AS Consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure - B to the Auditors' Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of MEFCOM CAPITAL MARKETS Limited ("the Company") as of 31st March 2025 in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes Forming Part Of The Consolidated Financial Statements For The Year Ended March 31, 2025

1) Company Overview

MEFCOM CAPITAL MARKETS LIMITED is company incorporated under the Companies Act, 1956 and is engaged in capital market operations and merchant banking activities.

2) Basis of Preparation and Presentation

a) Statement of compliance

The financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b) Principles of Consolidation

The Consolidated Financial Statements relate to Mefcom Capital Markets Limited and its subsidiary (hereinafter collectively referred to as "the Group"). The consolidated financial statements have been prepared on the following basis:

- i) The Consolidated Financial Statements of the Group have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating material intra-group balances and intra-group transactions and resulting in unrealised profits or losses, unless cost cannot be recovered.
- ii) The Financial Statements of the Subsidiary in the Consolidation are drawn up to the same reporting date as that of the Company i.e., March 31, 2024.
- iii) The difference between the cost of investment in the subsidiary, over the net assets at the time of acquisition of shares in the subsidiary is recognized in the financial statements as Goodwill or Capital Reserve as the case may be.
- iv) Non-controlling Interest in the Net Assets of the Consolidated Subsidiary consists of:
 - a) The amount of equity attributable to Non-controlling interest at the date on which the investment in the Subsidiary is made; and
 - b) The Non-controlling's share of movements in Equity since the date the Parent Subsidiary relationship came into existence.
 - v) Non-controlling Interest share in the Net Loss for the year of the Consolidated Subsidiary is identified and adjusted against the Profit After Tax of the Group.

c) Particulars of Consolidation

The financial statements of the following subsidiary has been considered for the purpose of consolidation: -

Name of the Company	Country of Incorporation	% Shareholding		
		31-Mar-25	31-Mar-24	31-Mar-23
Mefcom Securities Limited (MSL)	India	59.998%	59.998%	59.998%

1. Significant Accounting Policies

a. Use of estimates and judgements

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made. Differences between actual results and estimates are recognised in

the period in which the results are known/ materialised.

b. Revenue recognition

- (i) Income from trading in securities and derivatives comprises profit/ loss on sale of securities held as inventories and profit/ loss on equity and derivatives instruments. Profit/ loss on sale of securities are determined on FIFO basis.
- (ii) On settlement or squaring-up of contracts for Equity Index/ Stock Futures, the profit or loss is calculated as the difference between settlement/ squaring-up price and contract price. Accordingly, debit or credit balance pertaining to the settled/ squared-up contract in 'Mark-to-Market Margin-Equity Index/ Stock Futures Account' is recognized in the Statement of Profit and Loss.
- (iii) Income from Merchant Banking Operations is accounted on accrual basis, when the right to receive is established in terms of the agreements with respective clients.
- (iv) Dividend income is recognised when the right to receive payment is established.
- (v) Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably.

c. Employee benefits

(i) Short-term employee benefits

Short-term employee benefits are recognized as an expense on an undiscounted basis in the statement of profit and loss of the year in which the related service is rendered.

(ii) Post-employment benefits

Defined benefit plans (Gratuity)

Liabilities with regard to the gratuity plan are determined on estimation basis at each balance sheet date using the projected unit credit method. The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Remeasurements comprising of actuarial gains and losses, on the net defined benefit liability are recognised in Other Comprehensive Income which are not reclassified to profit or loss in subsequent periods.

d. Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation / impairment loss, if any. Cost includes freight, duties, taxes, and other incidental expenses.

e. Intangible assets

Intangible assets are stated at cost less accumulated amount of amortization. Cost includes freight, duties, taxes, and other incidental expenses.

f. Depreciation and amortisation expenses

Depreciation on property, plant and equipment is provided on Written down value method at the rate and in the manner prescribed in Schedule II of the Companies Act, 2013.

Amount spent on renovation including extensions on office premises, taken on rent, is capitalised under the head 'Leased hold improvements' and amortised on straight line basis during the lease term on pro-rata basis.

The Company has applied for the one-time transition exemption of considering the carrying cost on the transition date i.e. April 1, 2016 as the deemed cost under IND AS and hence regarded thereafter as historical cost.

g. Stock-in-trade

Securities acquired with the intention to trade are classified as stock-in-trade. Stock-in-trade is valued at market/ fair value. The profit or loss on sale of securities is recognised on trade date in the Statement of Profit and Loss.

h. Leases

Lease under which the risks and rewards incidental to ownership

are not transferred to lessee is classified as operating lease. Lease payments under operating leases are recognized as an expense on a straight-line basis in net profit in the statement of profit and loss over the lease term. Effective April 1, 2019, the Company adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method on the date of initial application. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the right of use asset at its carrying amount.

The Company's lease asset classes primarily consist of leases for building. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

The Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

i. Income tax

Income tax expense represents the sum of current and deferred tax (including MAT). Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in equity or other comprehensive income, in such cases the tax is also recognised directly in equity or in other comprehensive income.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit and are accounted for using the liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognized for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilised. Deferred tax assets and liabilities are measured at the applicable tax rates. Deferred tax assets and deferred tax liabilities are off set and presented as net.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised.

Credit of MAT is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the profit and loss account and shown as MAT credit entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.

j. Earnings per Share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for

deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value.

k. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Initial Recognition and measurement

On initial recognition, all the financial assets and liabilities are recognized at its fair value plus or minus transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability except financial asset or financial liability measured at fair value through profit or loss. Transaction costs of financial assets and liabilities carried at fair value through the Profit and Loss are immediately recognized in the Statement of Profit and Loss.

(ii) Subsequent measurement

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset is measured at fair value through profit and loss unless it is measured at amortized cost or at fair value through other comprehensive income.

Financial liabilities

The financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

l. Provisions and Contingencies

A provision is recognized when there is a present obligation as a result of past event and it is probable that there will be an outflow of resources in respect of which a reliable estimate can be made. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognised.

35 Financial risk management objectives**Financial risk factors**

The Group's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Group's primary focus is to foresee the unpredictability of capital markets and seek to minimize potential adverse effects on its financial performance. The risk management policies are established to ensure timely identification and evaluation of risks, setting acceptable risk thresholds, identifying and mapping controls against these risks, monitor the risks and their limits, improve risk awareness and transparency.

I. Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Group is exposed in the ordinary course of its business to risks related to equity price fluctuations and interest rates.

(a) Equity price risk

Equity Price Risk is related to the change in market reference price of the investments in equity securities. The fair value of some of the Company's investments measured at fair value through other comprehensive income exposes the Company to equity price risks. These investments are subject to changes in the market price of securities.

The following table details the sensitivity to a 5% movement in the fair value of such quoted equity instruments as at the end of the reporting period(s): -

(Amount in ₹ lakhs)

Particulars	As at March 31, 2025	As at March 31, 2024
Effect of Increase in fair value of equity instruments	18.76	25.27
Effect of Decrease in fair value of equity instruments	(18.76)	(25.27)

(b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The inter- corporate deposits and advances given are primarily fixed rate bearing loans and advances. Therefore, the Group is not significantly exposed to interest rate risk.

II. Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Group. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks.

Trade receivables

Customer credit risk is managed centrally by the Group and subject to established policy, procedures and control relating to customer credit risk management. The outstanding trade receivables are regularly monitored and appropriate action is taken for collection of overdue receivables.

Total	52.67	91.02

Other financial assets

Credit risks from balances with banks and financial institutions and other miscellaneous financial assets are managed in accordance with the Group policy.

III. Liquidity risk

Liquidity risk refers to the risk that the Group cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Group generates sufficient cash flow for operations, which together with the available cash and cash equivalents and short term investments provide liquidity in the short-term and long-term.
