However, this number does not include the large Shareholders i.e. Shareholders holding 2% or more shareholding, Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The Members attending the AGM through VC or OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated 08th April, 2020, 13th April, 2020 and 05th May, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an

agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by NSDL.

6. Since the AGM would be held through VC/OAVC, the venue route map is not annexed to this Notice.
7. The Notice calling the AGM has been uploaded on the website of the Company in the Investor Relations Section under Annual Reports tab. The complete Annual Report is also available in the same section. The Notice can also be accessed from the website of the Stock Exchange i.e. BSE Limited at www.bseindia.com and the AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. <https://www.evoting.nsdl.com>
8. This AGM has been convened through VC/ OAVM in compliance with applicable provisions of the Companies Act, 2013 read with the MCA Circular No. 14/2020 dated 8th April, 2020 and MCA Circular No. 17/2020 dated 13th April, 2020, MCA Circular No. 20/2020 dated 5th May, 2020 and MCA Circular No. 2/2021 dated 13th January, 2021 and MCA Circular No.
9. The recorded transcript of the forthcoming AGM on 23rd September, 2022 shall also be made available on the website of the Company www.bhatiacoalindia.com in the Investor Relations Section, as soon as possible after the Meeting is over.
10. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, and the relevant documents referred to in the Notice will be available electronically for inspection by the members during the AGM.
11. The register of members and Share Transfer Books of the Company will remain closed from 15th September, 2022 to 23rd September, 2022 (both days inclusive).
12. The Members who are holding equity shares in physical form are advised to submit particulars of their bank account, viz. name and address of the branch of the bank, MICR code of the branch, type of account and account number to our Registrar and Share Transfer Agent Link Intime India Private Limited, C-101, 247 Park, L.B.S. Marg, Vikhroli (West), Mumbai – 400083, E-mail ID: rnt.helpdesk@linkintime.co.in.
13. The Members who are holding shares in demat mode are requested to notify any change in their residential address, Bank A/c details and/ or email address immediately to their respective Depository Participants.

14. In terms of circulars issued by Securities and Exchange Board of India (SEBI), it is now mandatory to furnish a copy of PAN card to the Company or its RTA in the following cases viz. deletion of name, transmission of shares and transposition of shares.
15. In case of Joint-holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote during the AGM.
16. Pursuant to Section 72 of the Companies Act, 2013 read with Rule 19(1) of the Rules made thereunder, Shareholders are entitled to make nomination in respect of shares held by them in physical form. Shareholders desirous of making nominations are requested to send their requests in Form SH.13, which is available on the website of the Company.
17. The Members seeking any information with regard to the accounts or any matter to be placed at the AGM, are requested to write to the Company at least 14 days before the meeting (i.e. on or before 9th September, 2022) through email on cs@bhatiacoalindia.com. The same will be replied by the Company suitably.
18. Corporate members are encouraged to attend through their authorized representatives by submitting board resolution/power of attorney/appropriate authorization letter together with attested specimen signature(s) of the duly authorized signatory(ies) who are authorized to vote, to the scrutinizer through email at ajitjain84@gmail.com with a copy marked to evoting@nsdl.co.in to attend the AGM through VC/ OAVM and participate there at and cast their votes through e-voting.
19. Pursuant to the requirements of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 on Corporate Governance and secretarial standard on general meetings, the information about the Directors proposed to be appointed/re-appointed at the Annual General Meeting is given in the Annexure to the Notice.
20. All documents referred to in the Notice will also be available electronically for inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send an email to cs@bhatiacoalindia.com.

MDA

MANAGEMENT
DISCUSSION
AND ANALYSIS
REPORT

1. INDUSTRY STRUCTURE AND DEVELOPMENTS:

COAL INDUSTRY

In India's energy sector, coal accounts for the majority of primary commercial energy supply. India is endowed with large quantum of coal reserves (315 BT) have been estimated by the Geological Survey of India, of which around 90% comprises non-coking coal. India is the world's fourth largest producer of coal, after China, the United States and Australia. Coal remains the predominant indigenous energy sources in the country. The energy security of the country and its prosperity are integrally linked to efficient and effective use of this abundant, affordable and dependent fuel, coal.

India has a balanced energy basket and coal sector is an important contributor in fulfilling nation's energy needs. The sector is not only committed to meet coal demand in the country but also sensitive towards building a sustainable ecosystem. Coal is a critical input for power, fertilizer, iron & steel and cement sector. Coal imports, which had reached a peak of 248 Million Ton (MT) in 2019-20, declined continuously during the next two years to 215 MT in 2020-21 and further to 209 MT in 2021-22.

Despite steep rise in actual demand of coal from 956 MT in 2019-20 to 1027 MT in 2021-22, coal imports have not increased. Coal import grew at a compound annual growth rate (CAGR) of 22.86% during the period 2009-10 to 2013-14. At this CAGR, coal imports would have reached 705 MT in 2020-21 and further to 866 MT in 2021-22. The import of coal could be checked only by sustaining increased domestic supply over the years. All India coal production has increased from 716 MT in 2020-21 to 777 MT in 2021-22 resulting in an increase of 61 MT. Therefore, despite a steep rise in actual demand for coal from 906 MT in 2020-21 to 1027 MT in 2021-22, coal imports could be contained due to increased domestic dispatch from 691 MT in 2020-21 to 818 MT in 2021-22.

Domestic dispatch has not only increased to the power sector but also to non-power sector by 101 MT in 2020-21 to 104 MT in 2021-22.

Coking Coal import was 57 MT with a growth of 11.65% during 2021-22 which is largely used in the Steel Sector. However, as compared to pre-covid year of 2019-20, the growth in coking coal import is around 10 %. Coal imported by Non-regulated Sector (Cement, Sponge Iron & Paper etc) increased to 125 MT in 2021-22 from 119 MT in 2020-21 an increase of 5.23 %. Compared to the pre covid year of 2019-22, when imports by non-regulated sector was 127 MT, imports by this sector has actually declined in 2021-22. Thus, increase in import of coal by non-power sector during 2021-22 is largely on account of growth in import of coking coal and import of coal by non-regulated sector which largely import high grade thermal coal. Supply of both these categories of coal are limited in the country.

In order to satisfy the coal demand, the Indian coal industry needs more investment and private players to raise their production level. The Government has taken initiatives by making Statutory Acts, with an objective of ensuring continuity in mining activities and production of coal and to promote optimum utilization of coal resources consistent with the requirement of the Industry. Steps as to develop better infrastructure of roadways and railways, augment infrastructure for logistics, smooth land acquisition, easy availability of water, develop coal washeries, capacity building and skill development, etc., are getting better by various projects and actions undertaken by the Government.

REAL ESTATE INDUSTRY

In India, the real estate sector is the second-highest employment generator, after the agriculture sector. Real estate sector in India is expected to reach US\$ 1 trillion in market size by 2030, up from US\$ 200 billion in 2021. By 2025, it will contribute 13% to country's GDP. Emergence of nuclear families, rapid urbanisation and rising household income are likely to remain the key drivers for growth in all spheres of real estate, including residential, commercial, and retail. Rapid urbanisation in the country is pushing the growth of real estate. Around 40 million square feet were delivered in India in 2021. It is expected that the country will have a 40% market share in the next 2-3 years. India is expected to deliver 46 million square feet in 2022.

The Government of India has been supportive towards the real estate sector. In August 2015, the Union Cabinet approved 100 Smart City Projects in India. The Government has also raised FDI (Foreign Direct Investment) limits for townships and settlements development projects to 100%. Real estate projects within Special Economic Zones (SEZ) are also permitted for 100% FDI. Construction is the third-largest sector in terms of FDI inflow.

OPPORTUNITIES & THREATS:

The Company's business comprises of two segment viz. **Coal Trading and Infrastructure** and the opportunities and threats on the company's business are summaries below.

Opportunities & Threats in Coal Trading Sector:

Opportunities	Threats
<ul style="list-style-type: none"> • Increase in demand due to rapid growth in Power Sector • Government support to boost coal production • Coal to remain the key primary energy source in India. • Large scale rural electrification and power for all under UDAY scheme. 	<ul style="list-style-type: none"> • Resistance to part with land, creating problems in possession of land and rehabilitation. • Rapid appreciation in land cost. • Decrease in coal demand and Increase in proportion of renewables in the energy mix. • Energy storage solutions.

<ul style="list-style-type: none"> • Enhanced demand of power due to increased use of electric vehicles. • Strong economic growth in India and resultant demand for energy, particularly coal as an energy source. • Being a cheaper source of energy compared to alternate sources available in India, demand to continue to remain strong. • Opportunity to adopt coal to liquid and coal to gas technology. 	<ul style="list-style-type: none"> • Non availability of proper infrastructure for transportation of coal
--	--

Opportunities & Threats in Real estate Sector:

Opportunities	Threats
<ul style="list-style-type: none"> • Government initiatives for implementing and amendments of Statutory regulations like RERA, GST • Relaxation of FDI funding in Real Estate Sectors • Relaxation in taxation and regulator aspects in real estate • Implementation of Pradhan Mantry Aawas Yojana • Reduction in interest rate on Home loans 	<ul style="list-style-type: none"> • Rapid increase in cost of material and labours post COVID • Non availability of appropriate labour • Rapid appreciation in land cost.

2. OUTLOOK

According to the Global Economic Prospect Report, June 2022, of The World Bank, the Indian economy is expected to grow by about 7.5% this year and by about 7.1 % in the next two years. As per the Bank, the Indian economy is robust and has the necessary potential to deliver the expected growth rate. The downward revision in India's prospects comes in the backdrop of a projected slowdown globally, with growth expected to slump from 5.7% in 2021 to 2.9% in 2022 – in January, the Bank had projected global growth this year to 4.1%. The slowdown is due to the lasting effects of the pandemic but the more immediate trigger is the Russian invasion of Ukraine. "The war in Ukraine, lockdowns in China, supply-chain disruptions, and the risk of stagflation are hammering growth. For many countries, recession will be hard to avoid," said World Bank Group president David Malpass.

India is undergoing structural shift in the inflationary process towards low inflation. The energy market is very different today than a few years ago in a way as renewables play an increasing influence.

COAL INDUSTRY

India is the world's third largest coal consumer behind China and the United States; and the share of coal in India's electricity mix has been rising. India's coal consumption was estimated at 790 million tonnes (or 516 million tonnes of coal equivalent (Mtce), around 10 per cent less than the United States (IEA 2014). Thermal coal accounts for around 85 per cent, or 665 million tonnes, of India's coal consumption. Metallurgical coal (80 million tonnes) and lignite (45 million tonnes) make up the balance.

The power sector accounts for more than 70 per cent of India's coal use and supported a five-fold increase in coal use in electricity generation over the past few decades. As such, the power sector is clearly central to the coal outlook in India. India's steel production has increased by around 25 per cent over the past five years to around 83 million tonnes in 2014. The cement industry, the second largest globally after China, is also a major coal user, accounting for around 5 per cent of total coal use. Other industrial sectors, including brick manufacture, Steel, Cement, Drugs and Textiles consume small quantities of coal.

Clean coal as an idea has huge potential in India because of the age and inefficiency of some of our plants. With government's efforts to push renewable energy due to international conventions on climate change, increase in carbon cess and other initiatives for lesser use of coal, there is a need for 'Vision 2030 for the coal sector', which takes into account the environmental factors such as reduction of carbon footprint, abatement of global warming. India's ambitious renewable energy goals have received a lot of international attention, but coal still provides half of India's commercial primary energy and is the dominant fuel for power generation. We expect coal to remain the dominant fuel in the power sector in India, through 2030 and beyond.

REAL ESTATE INDUSTRY

Real estate sector in India is expected to reach a market size of US\$ 1 trillion by 2030 from US\$ 120 billion in 2017 and contribute 13% to the country's GDP by 2025. Retail, hospitality, and commercial real estate are also growing significantly, providing the much-needed infrastructure for India's growing needs. The housing sector alone contributes 5-6 per cent to the country's gross domestic product (GDP). The Securities and Exchange Board of India (SEBI) has given its approval for the Real Estate Investment Trust (REIT) platform, which will allow all kind of investors to invest in the Indian real estate market. It would create an opportunity worth Rs. 1.25 trillion (US\$ 19.65 billion) in the Indian market in the coming years. Responding to an increasingly well-informed consumer base and bearing in mind the aspect of globalisation, Indian real estate developers have shifted gears and accepted fresh challenges.

The residential sector is expected to grow significantly, with the central government aiming to build 20 million affordable houses in urban areas across the country by 2022. Expected growth in the number of housing units in urban areas will increase the demand for commercial and retail office space.

The growing flow of FDI in Indian real estate is encouraging increased transparency. Developers, in order to attract funding, have revamped their accounting and management systems to meet due diligence standards. Indian real estate is expected to attract a substantial amount of FDI in the next two years with US\$ 8 billion capital infusion by FY22.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **HEMANG RESOURCES LIMITED** ("the Company") as of 31 March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

- i. The Customs department has passed an order and demanded differential duty and Interest amounting to Rs. 63.61 lakhs on the ground of classification of Coal i.e. Lignite coal, whose GCV moist mineral matter free basis less than 4614Kcal/Kg for the financial year **2014-15**. The Company did not accepted the above orders and filed appeal before CESTAT, Bangalore. Against the said demand, the Company has paid a sum of Rs. 11.13 Lakhs being Pre-deposit of pending demand. The Management is of the opinion that no provision is required for such liability.
- j. An Execution Petition No. 240/2011 filed by Vitol against Asian Natural Resources India Ltd. (ANRIL) is pending before the Bombay High Court. During pendency of the said execution petition 54300 MT of coal was imported by Sharp Corp in the vessel named MV Vishva Ekta which was discharged at Tuticorin Port. Hemang Resources Ltd. (HRL) entered into two HSS agreement with Sharp Corp for purchase of 34300 MT coal. At the instance of Vitol, Bombay High Court vide Judges order no. 215/2014 issued precept to Tuticorin

Court for attachment of entire quantity of 54300 MT coal. Tuticorin Court vide order dated **22.12.2014** passed in EA No. 159/2014 attached the coal. Later on the Tuticorin court vide order dated **10.12.2015** released 20000 MT coal owned by Sharp Corp and the remaining quantity of 34300 MT coal remained attached.

On attachment of coal of HRL, HRL approached Bombay High Court for releasing the coal on the ground that, they are not party to the Execution Petition hence the coal owned by them cannot be attached. However the court dismissed their application against which they went in appeal. The Bombay High Court vide order dated 06.09.2016 passed in Appeal No. 794/2015 held that, “on account of various factors such as common directorships, interlocking shareholding HRL is not only part of ANRIL/BIL group, but are alter-egos” hence the attachment of coal was upheld.

That out of 34300 MT 17300 MT coal was auctioned to Global Coal Ventures Pvt. Ltd. in compliance to the order dated 16.11.2016 passed by Tuticorin Court and the balance coal of 17000 MT was also auctioned by the Court Receiver appointed by the Bombay High Court to Global Coal Ventures Pvt. Ltd. for a sum of Rs. 3,14,50,000/- which was deposited with the Court Receiver.

HRL had filed an application under Order 21 Rule 58 of Civil Procedure Code before Tuticorin Court claiming his title over the 34300 MT and also filed an application for transferring the said amount Rs. 3,14,50,000/- to Tuticorin Court. But both the said applications were returned back to HRL holding that the applications are not maintainable. Against this order the management is in the process of filing petition before the Madurai High Court. The Management is hopeful of favorable orders from the higher courts and hence no provision has been made.

Further there was an order received from High Court of Judicature at Bombay Ordinary and Original Civil Jurisdiction Chamber Summons No. 1364 of 2018 in Execution Application No.240 of 2011 dated 10.01.2019, Global Coal Ventures Pvt Ltd has taken out chamber summons seeking refund of Rs.78,63,758/- as Global Coal Ventures Pvt Ltd had paid for 17000 Mt but got delivery of only 12,749.32 Mt and therefore Global Coal Ventures has paid for 4250.680 MT coal which the coal was not received.

Global Coal Ventures states that they have paid excess of Rs.78,63,758/- to the court receiver and therefore the said amount to be refunded.

The court was satisfied that the actual available quantity was 12749.32 Mt only and certainly Global Coal Ventures Pvt Ltd has paid excess a sum of Rs.78,63,758/- and therefore they are entitled to be refunded. Court has refunded the excess sum to Global Coal Ventures Private Limited.
