SAFE HARBOUR STATEMENT

This presentation may include statements, which may constitute forward-looking statements. All statements that address expectations or projections about the future, including, but not limited to, statements about the strategy for growth, business development, market position, expenditures, and financial results, are forward looking statements. Forward-looking statements are based on certain assumptions and expectations of future events. The company cannot guarantee that these assumptions and expectations are accurate or will be realized. The actual results, performance or achievements, could thus differ materially from those projected in any such forward-looking statements.

The company assumes no responsibility to publicly amend, modify or revise any forward-looking statements, on the basis of any subsequent developments, information or events, or otherwise. While every effort is made to ensure that this presentation conforms with all applicable legal requirements, the company does not warrant that it is complete, comprehensive or accurate, or commit to its being updated. No part of the information provided herein is to be construed as a solicitation to make any financial investment and is provided for information only.

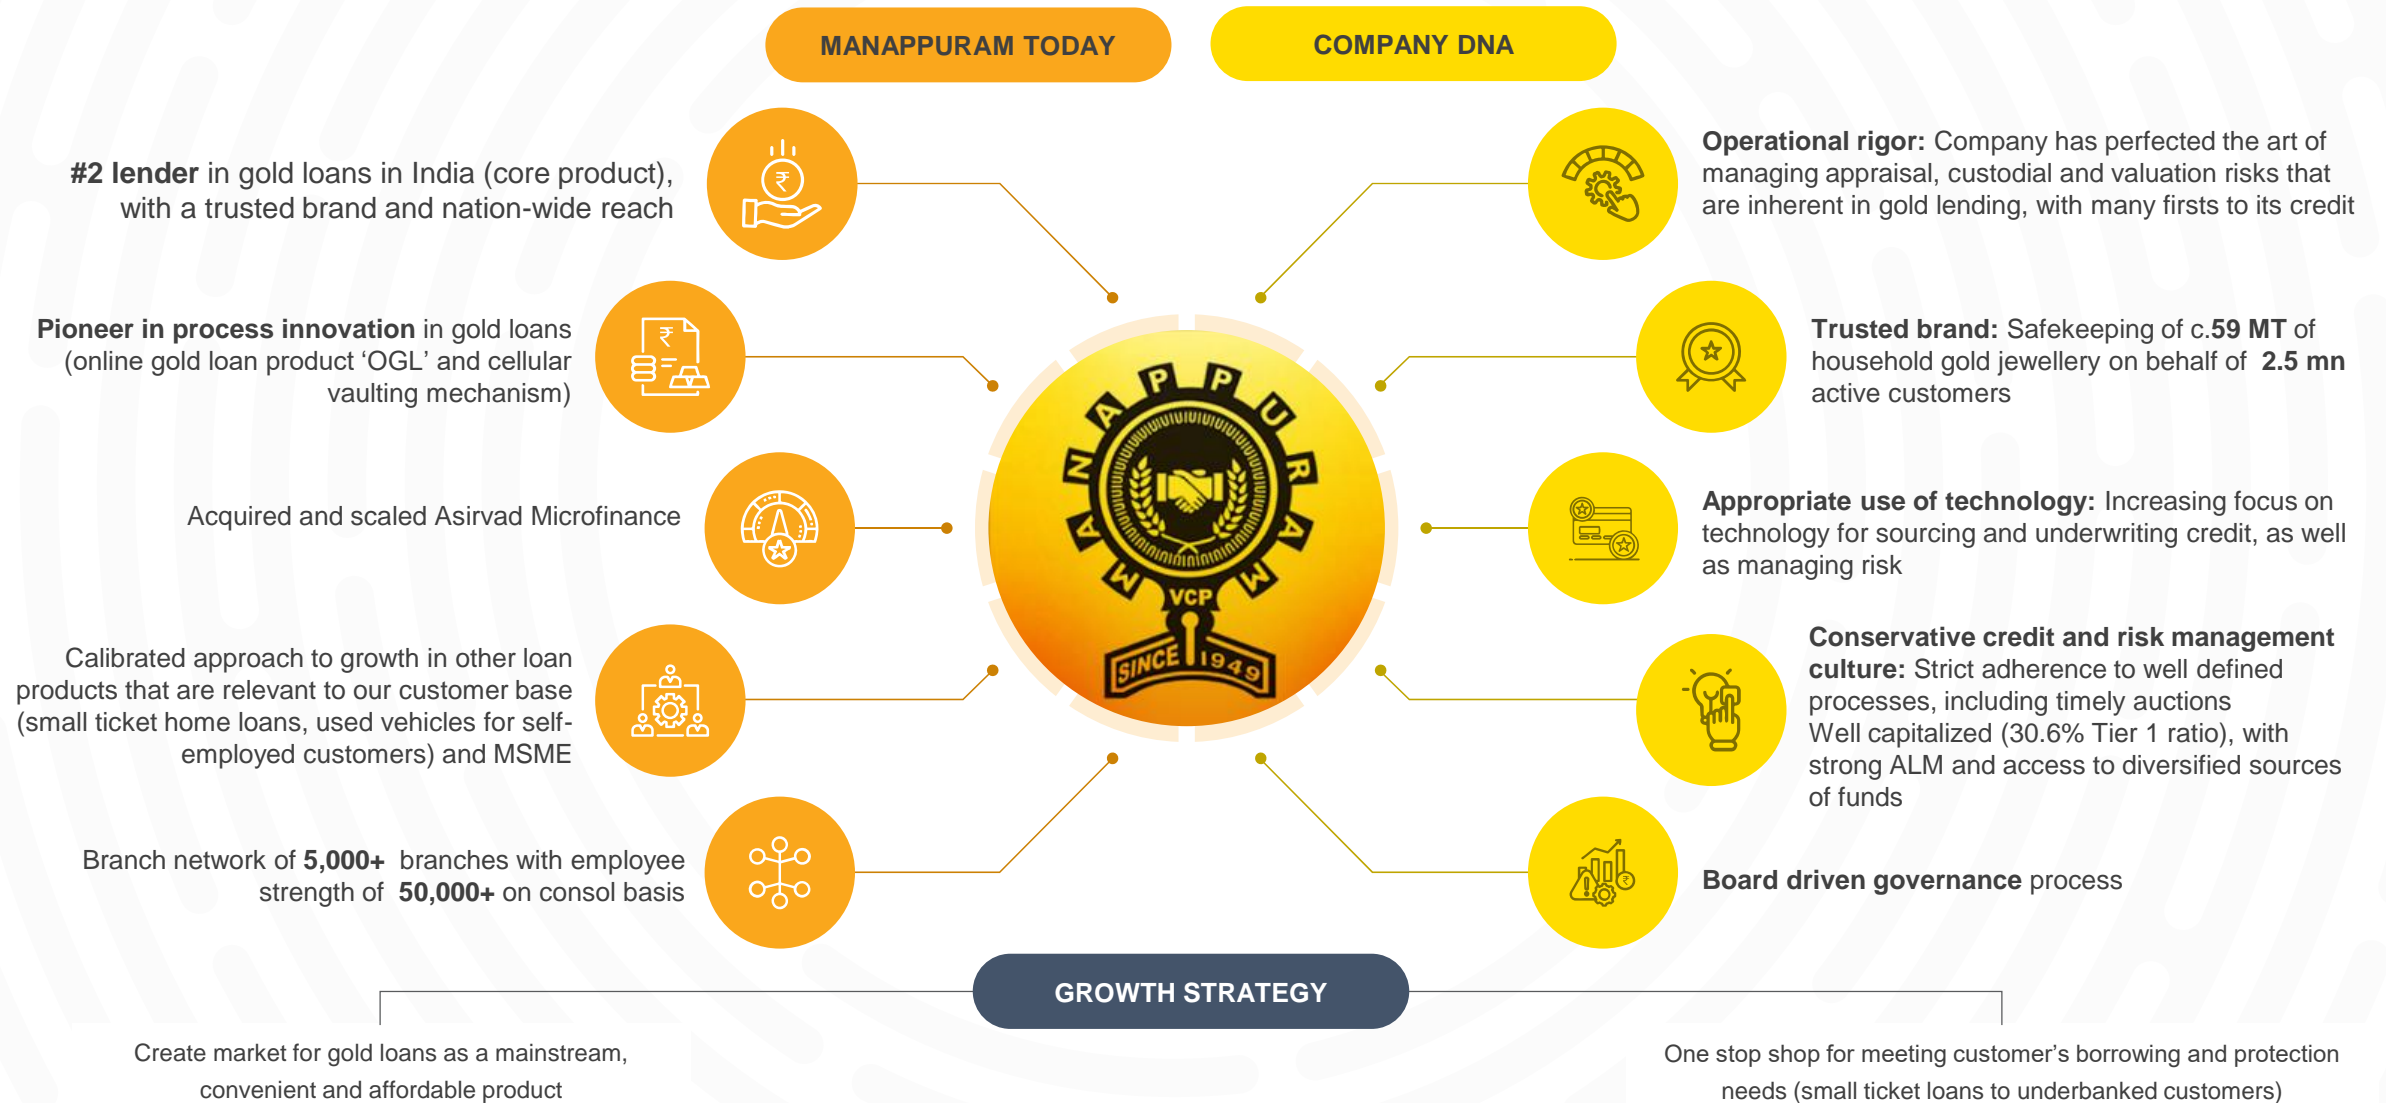

Any person/ party intending to provide finance / invest in the shares/businesses of the Company shall do so after seeking their own professional advice and after carrying out their own due diligence procedure to ensure that they are making an informed decision. In no event shall the company be liable for any damages whatsoever, whether direct, incidental, indirect, consequential or special damages of any kind or including, without limitation, those resulting from loss of profit, loss of contracts, goodwill, data, information, income, expected savings or business relationships arising out of or in connection with the use of this presentation.

Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the company's operations include global and Indian demand supply conditions, finished goods prices, feed stock availability and prices, cyclical demand and pricing in the company's principal markets, changes in Government regulations, tax regimes, economic developments within India and the countries within which the company conducts business and other factors such as litigation and labour negotiations.

VISION: TO BECOME FINANCIAL PARTNER OF CHOICE FOR UNDER-BANKED CUSTOMERS ACROSS THEIR LIFECYCLE
