Chairman's Message:

Dear Shareholders,

It gives me immense pleasure to address you through the Annual Report of Deco Mica Limited and to share with you the Company's performance and progress during the financial year 2025-26.

Over the years, Deco Mica Limited has built a strong reputation for quality, innovation, and customer-centricity in the laminates industry. Since our establishment in 1988, we have consistently adapted to changing market dynamics while remaining committed to our core values of excellence, integrity, and sustainable growth.

The financial year under review presented both opportunities and challenges. Despite a dynamic business environment, your Company remained focused on operational efficiency, product quality, and customer satisfaction. Our continued emphasis on innovation, process improvement, and market expansion has enabled us to strengthen our position in the industry and create long-term value for all stakeholders.

At Deco Mica Limited, we believe that laminates are more than just decorative surfaces—they are an integral part of modern living spaces. Our commitment to delivering aesthetically appealing, durable, and high-quality products continues to inspire us to push the boundaries of design and craftsmanship. We remain dedicated to understanding the evolving needs of our customers and offering solutions that enhance their lifestyles and experiences.

Looking ahead, we are optimistic about the growth prospects of the laminates and building materials sector. With a strong foundation, experienced leadership, and a dedicated workforce, your Company is well-positioned to capitalize on emerging opportunities. We will continue to focus on innovation, operational excellence, sustainability, and responsible business practices to drive sustainable growth in the years to come.

On behalf of the Board of Directors, I would like to express my sincere gratitude to our customers, business partners, bankers, suppliers, regulatory authorities, and shareholders for their continued trust and support. I also extend my heartfelt appreciation to our employees whose dedication and commitment remain the cornerstone of our success.

Together, we will continue to build a stronger Deco Mica Limited and create enduring value for all our stakeholders.

Annexure-A to the Director's Report
Information required under section 197 of the Companies Act, 2013 read with Companies (Appointment and Remuneration of Managerial Personnel) Rule, 2014

- A. Ratio of Remuneration of each Director to the median remuneration of all the employees of your Company for the financial year 2025-26 is as follows:**

Name of Director	Total Remuneration	Ratio of remuneration of Director to the median remuneration
Mr. Vijay Agarwal	75,52,647	245.52:1
Mr. Vishal Agarwal	76,88,702	249.95:1

Notes: No remuneration is being paid to any other director. The median remuneration for all employees of the company has been calculated only for employees working with the company as on March 31, 2026.

- B. Details of percentage increase/(decrease) in the remuneration of Director and CFO for the financial year 2025-26:**

Sr. No.	Name of Directors	Category	% increase/(decrease) in remuneration in the financial year
1	Vijaykumar Agarwal	Managing Director	-0.03%
2	Vishal Agarwal	CFO	-2.95%

- C. Percentage increase in the median remuneration of all employees in the FY 2025-26:**

It is not practical to ascertain the above as the type and number of employees at different levels has changed between FY 2024-25 and 2023-24.

- D. Number of permanent employees on the rolls of the Company as on 31.03.26: 105**

- E. Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration:**

The increase in remuneration is linked to the performance of Company as a Whole, the concerned division, the employees and other factors like industry trends and economic environment.

As per the Company's policy of rewarding the employees, including Key Managerial Personnel, the increase in remuneration and variable pay is based on an individual performance rating and business unit performance and the bench mark study is also factored. Considering the performance of the KMPs in the year, they were appropriately compensated.

- F. Key Parameters of the variable Component of remuneration paid to the director:**

The remuneration payable to the Director for the year 2025-26 does not include any variable component.

- G. There are no employees of the Company who receive remuneration in excess of the highest paid Director of the Company**

- i. Secretarial Standards issued by The Institute of Company Secretaries of India.
- ii. The Listing Agreements entered into by the Company with Stock Exchange(s),
- iii. Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

Observations and Qualifications:

I further report that

i. Vacation of Office of Directors under Section 167(1)(b) of the Companies Act, 2013

It was observed that the offices of **Gunjan Yogesh Pandya (DIN: 08493307)** and **Nupur Bipinchandra Modi (DIN: 08261303)** stood vacated by operation of law under **Section 167(1)(b) of the Companies Act, 2013**, on account of their continuous non-attendance at the meetings of the Board of Directors.

The Company subsequently filed **Form DIR-12 with the Ministry of Corporate Affairs on 20TH June 2026** in respect of the aforesaid vacation of office. As on the date of this Report, the said e-form is under process with the Ministry of Corporate Affairs.

The detailed facts in respect of the aforesaid vacation of office have been separately disclosed in the relevant certificate i.e. Corporate Governance Certificate forming part of the Company's Annual Report.

ii. Delay in submission of Annual Secretarial Compliance Report – Regulation 24A (2) of the SEBI LODR Regulations

It was observed that the Annual Secretarial Compliance Report for the financial year 2024-25 was submitted with delay in the prescribed XBRL format, pursuant to Regulation 24A(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Consequently, the Stock Exchange levied a fine in respect of the said delay.

The Company subsequently submitted the Annual Secretarial Compliance Report and paid the applicable fine on 31st March 2026. The Company had also made a request to the Stock Exchange for waiver of the said fine. The details relating to the aforesaid delay, payment of the fine and the request for waiver have been appropriately disclosed in the Corporate Governance Certificate forming part of the Annual Report.

iii. Related Party Transactions – Regulation 23

During the financial year under review, instances of non-compliance with the applicable requirements of **Regulation 23 of the SEBI LODR Regulations** were observed, including deficiencies in the Policy on Materiality of Related Party Transactions, transactions exceeding the prescribed materiality threshold, and non-adherence to the requirements relating to **approval and disclosure of Related Party Transactions under Regulations 23(2), 23(4) and 23(9)**. The detailed particulars are disclosed in the Corporate Governance Certificate forming part of the Annual Report.

iv. Payment of outstanding fines pertaining to earlier periods

During the financial year under review, the Company paid certain outstanding fines pertaining to non-compliances relating to **earlier periods, namely 2017 and 2021**. The requisite fines were duly paid during the financial year under review.

The details relating to the aforesaid fines and their payment have been appropriately disclosed in the **Corporate Governance Certificate forming part of the Annual Report**.

Further Adequate notice of Board Meetings was given to all Directors. Agendas and supporting notes were circulated in compliance with law, and a system exists for seeking clarifications to ensure meaningful participation. The decisions of the Board were taken by majority while considering dissenting views, ensuring balanced deliberations.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that the compliance by the Company of applicable finance laws like Direct and Indirect tax laws has not been reviewed in this audit since the same have been subject to review by Statutory Financial Auditor and other designated professionals engaged by the Company.

I further report that during the audit period the company there has been no material discrepancy in the business and no specific change in the nature of the Business.

[Note: The audit covers the period from 01/04/2025 to 31/03/2026. Any changes made subsequent to the date of this report are beyond the scope of audit responsibility.]

CERTIFICATE OF NON-DISQUALIFICATION OF DIRECTORS

(Pursuant to Regulation 34(3) and Schedule V Para C clause (10) (i) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)

To,
The Members,
Deco Mica Limited
(CIN: L20299GJ1988PLC010807)

I, **Govil Rathi**, Practicing Company Secretary, have examined the relevant registers, records, forms, returns and disclosures received from the Directors of Deco Mica Limited (hereinafter referred to as the "Company") (CIN: L20299GJ1988PLC010807) as required to be maintained under the Companies Act, 2013 (the Act) and the rules made thereunder for the financial year ended on **31st March, 2026** and produced before me by the Company for the purpose of issuing this Certificate, in accordance with **Regulation 34(3) read with Schedule V Para-C Clause 10 (i) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.**

Based on my examination of the relevant records, registers, documents and information made available to me by the Company, and the explanations and representations furnished to me by the Company, its Directors and officers, and based on the verification undertaken by me, I state as under:

Upon review of the records available on the website of the Ministry of Corporate Affairs ("MCA") (including Directors Identification Number (DIN) status at the portal www.mca.gov.in), **it has been confirmed that the Director Identification Numbers ("DINs") of Independent Directors: Diwakar Navalkishor Jha (DIN: 10900178), Anjali Shivsharan Upadhyay (DIN: 10758883) Dyuti Deepak Vyas (DIN: 10823189) and Gunjan Yogesh Pandya (DIN: 08493307) of the Company are presently active.**

Further, based on the records and information made available to me and the verification undertaken, **Nupur Bipinchandra Modi and Gunjan Yogesh Pandya have not completed the Online Proficiency Self-Assessment Test** prescribed under the applicable provisions relating to Independent Directors and are not covered by the applicable exemption from appearing for such test, as verified from the information available to me as on the date of this Certificate.

Further, pursuant to the provisions of Section 167(1)(b) of the Companies Act, 2013, the office of a Director becomes vacant where he/she absents himself/herself from all the meetings of the Board of Directors held during a period of twelve months, with or without seeking leave of absence from the Board.

Based on the records and minutes of the meetings of the Board of Directors made available to me, it was observed that Nupur Bipinchandra Modi and Gunjan Yogesh Pandya had been absent from all the meetings of the Board of Directors held during the relevant period of twelve months. Accordingly, their offices as Directors stood vacated pursuant to Section 167(1)(b) of the Companies Act, 2013.

The Company filed Form DIR-12 with the Ministry of Corporate Affairs on 20th June, 2026, intimating the aforesaid vacation of office pursuant to Section 167(1)(b) of the Companies Act, 2013.

As on the date of this Certificate, the aforesaid Form DIR-12 is under process with the Ministry of Corporate Affairs.

Accordingly, based on the records and information verified by me, **Nupur Bipinchandra Modi and Gunjan Yogesh Pandya cannot be considered as continuing Directors of the Company**, their offices having stood vacated pursuant to Section 167(1)(b) of the Companies Act, 2013.

Further, based on the records and documents made available to me, the other three Independent Directors of the Company, namely **Diwakar Navalkishor Jha, Anjali Shivsharan Upadhyay and Dyuti Deepak Vyas**, have successfully completed the applicable **Online Proficiency Self-Assessment Test conducted by the IICA** and hold valid documentary evidence/certificates in support thereof.

I further state that, based on the records and documents verified by me, and the information and explanations furnished to me, I have not come across any information indicating that the other Directors of the Company are disqualified from being appointed or continuing as Directors under the applicable provisions of the Companies Act, 2013.

Further, based on the searches and verification undertaken by me and the records and information made available to me, I have not come across any information indicating that any of the Directors of the Company has been debarred or disqualified from being appointed or continuing as a Director of any

company by the **Securities and Exchange Board of India (“SEBI”), Ministry of Corporate Affairs (“MCA”) or any other statutory or regulatory authority**, as applicable.

The status of the Directors, based on the records and verification undertaken by me, is set out below:

Sr. No.	Name of Director	DIN	Date of appointment	DIN Status as per MCA	Status as per IICA/ Online Proficiency Test
1.	Vishal Vijay Bhai Agarwal	01763739	08/11/2008	Approved	NA
2.	Vikas Vijay Bhai Agarwal	01763769	13/02/2018	Approved	NA
3.	Vijay Kumar Dindayal Agarwal	01869337	01/01/1997	Approved	NA
4.	Nupur Bipinchandra Modi	08261303	03/10/2018	Deactivated	IICA/Online Proficiency Test status as verified – Test not completed
5.	Gunjan Yogesh Pandya	08493307	27/09/2019	Approved	
6.	Diwakar Navalkishor Jha	10900178	28/01/2025	Approved	Valid Registration – Test Completed
7.	Anjali Shivsharan Upadhyay	10758883	14/10/2024	Approved	Valid Registration – Test Completed
8.	Dyuti Deepak Vyas	10823189	13/11/2024	Approved	Valid Registration – Test Completed

Note: The IICA status and Online Proficiency Self-Assessment Test status stated above are based on the information and records verified as on the date of issuance of this Certificate.

Ensuring the eligibility for appointment and/or continuity of every Director on the Board is the responsibility of the management of the Company. My responsibility is limited to expressing my observations based on the records, documents, information and explanations made available to me and the verification undertaken by me.

This Certificate is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

CORPORATE GOVERNANCE COMPLIANCE CERTIFICATE**FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2026**

[Pursuant to Regulation 34(3) read with Schedule V Para E of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015]

To,
The Members,
DECO MICA LIMITED
(CIN: L20299GJ1988PLC010807)

I have examined the relevant records, registers, documents, minutes and other information made available to me by DECO MICA LIMITED (hereinafter referred to as the "Company"), for the purpose of certifying compliance by the Company with the conditions of Corporate Governance as stipulated under **Chapter IV of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015**, as amended from time to time ("SEBI LODR Regulations"), for the financial year ended **31st March, 2026**.

The compliance with the conditions of Corporate Governance is the responsibility of the management of the Company. My examination was limited to the procedures adopted and the implementation thereof by the Company for ensuring compliance with the applicable provisions of the SEBI LODR Regulations. My examination does not constitute an audit or an expression of opinion on the financial statements of the Company, nor does it provide any assurance as to the future viability of the Company or the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Qualification / Observation:

Based on my examination and according to the information, explanations and representations furnished to me, I report the following instances of non-compliance / observations in respect of the applicable provisions of the SEBI LODR Regulations and the Companies Act, 2013:

1. Related Party Transactions – Regulation 23

During the financial year under review, certain instances relating to compliance with **Regulation 23 of the SEBI LODR Regulations** were observed, as under:

a. Policy on Materiality of Related Party Transactions

The Policy on Materiality of Related Party Transactions available on the website of the Company did not prescribe clear, company-specific threshold limits for determining materiality of Related Party Transactions and the thresholds for determining "material modification", as required under the applicable provisions of **Regulation 23(1)** of the SEBI LODR Regulations.

b. Material Related Party Transactions

The value of Related Party Transactions undertaken by the Company during the financial year exceeded the materiality threshold prescribed under **Regulation 23(1)** of the SEBI LODR Regulations.

c. Approval and Disclosure of Related Party Transactions

Based on the records, documents and explanations made available to me for examination, instances of non-compliance / non-adherence with the applicable requirements of **Regulation 23(2), Regulation 23(4) and Regulation 23(9)** of the SEBI LODR Regulations were observed during the relevant period.

Accordingly, the aforesaid matters constitute observations relating to the Company's compliance with the provisions governing Related Party Transactions under Regulation 23 of the SEBI LODR Regulations.

2. Delay in Submission of Annual Secretarial Compliance Report – Regulation 24A

The Company had delayed the submission of the **Annual Secretarial Compliance Report for the financial year 2024-25** in the prescribed XBRL format in accordance with **Regulation 24A of the SEBI LODR Regulations**.

In respect of the aforesaid delay, the Stock Exchange had initially levied a fine of **Rs. 54,000/- (Rupees Fifty-Four Thousand only), exclusive of applicable GST**.

The Company had made a representation / request to the Stock Exchange seeking **waiver of the aforesaid fine**. However, the request for waiver was not accepted / approved by the Stock Exchange.

Subsequently, the Stock Exchange communicated that the outstanding amount of **Rs. 54,000/- (Rupees Fifty-Four Thousand only), together with applicable GST**, remained payable by the Company pursuant to the non-approval of the waiver request.

Accordingly, the Company paid the outstanding amount of **Rs. 54,000/- plus applicable GST on 31st March, 2026**, thereby settling the aforesaid outstanding fine communicated by the Stock Exchange.

3. Payment of Outstanding SOP Fines Relating to Earlier Periods

During the financial year under review, the Company also paid certain outstanding fines levied by **BSE Limited** in respect of non-compliances pertaining to earlier periods, including:

- i. Fine of **Rs. 30,000/- (Rupees Thirty Thousand only), exclusive of applicable GST**, in relation to delayed submission under **Regulation 27(2)** for the quarter ended **September 2017**; and
- ii. Fine of **Rs. 10,000/- (Rupees Ten Thousand only), exclusive of applicable GST**, in relation to **Regulation 17(2)** for the quarter ended **September 2021**.

The aforesaid amounts were paid by the Company on **31st March, 2026**, pursuant to communications received from the Stock Exchange in relation to clearance of the outstanding SOP dues.

The aforesaid instances pertain to earlier periods and are reported herein only to the extent that the corresponding outstanding dues were settled by the Company during the financial year under review.

4. Vacation of Office of Independent Directors – Section 167(1)(b) of the Companies Act, 2013

It was noted that during the financial year **2024-25**, two Independent Directors of the Company, namely:

Mr. Gunjan Yogesh Pandya (DIN: 08493307) and

Ms. Nupur Bipinchandra Modi (DIN: 08261303),

had failed to attend any of the meetings of the Board of Directors held during the relevant period of twelve months.

Accordingly, the provisions of **Section 167(1)(b) of the Companies Act, 2013** were attracted and their offices as Directors stood vacated in accordance with the said provision.

The aforesaid vacation of office had already been **noted and reported in certificate with respect of the financial year 2024-25**.

Further, during the financial year **2025-26**, based on the records and minutes of the meetings of the Board of Directors made available to me, it was observed that **Mr. Gunjan Yogesh Pandya and Ms. Nupur Bipinchandra Modi continued not to attend any meeting of the Board of Directors held during the relevant period**.

Since their offices had already stood vacated pursuant to Section 167(1)(b) of the Companies Act, 2013, they could not be considered as continuing Directors of the Company during the financial year under review. **Their continued non-attendance during FY 2025-26 has accordingly been noted as part of the Company's compliance status.**

The Company subsequently filed **Form DIR-12 with the Ministry of Corporate Affairs on 20th June, 2026**, intimating the vacation of office of the aforesaid Directors pursuant to Section 167(1)(b) of the Companies Act, 2013.

As on the date of this Certificate, the aforesaid Form DIR-12 is under process with the Ministry of Corporate Affairs.

Based on the records and information made available to me, the offices of **Mr. Gunjan Yogesh Pandya and Ms. Nupur Bipinchandra Modi stood vacated by operation of law pursuant to Section 167(1)(b) of the Companies Act, 2013**, and they cannot be considered as continuing Directors of the Company thereafter.

The filing of Form DIR-12 constitutes an intimation of such vacation of office and does not, by itself, constitute the event giving rise to such vacation.

CERTIFICATE

Based on my examination of the relevant records and according to the information, explanations and representations furnished to me by the management of the Company, **subject to the qualifications / observations stated hereinabove**, I certify that the Company has, in all material respects, complied with the applicable conditions of Corporate Governance prescribed under **Chapter IV and Schedule V of the SEBI LODR Regulations** for the financial year ended **31st March, 2026**, except for the instances of non-compliance / observations specifically reported above.

The aforesaid qualifications / observations should be read together with this Certificate and form an integral part thereof.

This Certificate is issued pursuant to **Regulation 34(3) read with Schedule V, Para E of the SEBI LODR Regulations** and is intended to form part of the Annual Report of the Company for the financial year ended **31st March, 2026**.

RESTRICTION ON USE

This Certificate is issued solely for the purpose of compliance with the requirements of the SEBI LODR Regulations and for inclusion in the Annual Report of the Company for the financial year ended **31st March, 2026**. It should not be used for any other purpose or distributed to any other party without my prior written consent.

1.	Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015	23	Policy on materiality of Related Party Transactions on the website does not prescribe the clear threshold limits duly approved by the board of directors as per regulation 23(1). The value of Related Party Transactions during the financial year exceeded the materiality threshold prescribed under Regulation 23(1) of SEBI (LODR) Regulations, 2015. Further, based on the records and explanations made available, instances of non-compliance/ non-adherence with the provisions of Regulations 23(2), 23(4) and 23(9) of the SEBI (LODR) Regulations, 2015 were observed during the review period	-	-	-	-	Though the Company has adopted a Policy on Materiality of Related Party Transactions, The Policy on Materiality of Related Party Transactions available on the website does not prescribe company specific threshold limits or material modification thresholds duly approved by the Board as contemplated under Regulation 23(1) of SEBI (LODR) Regulations, 2015. We acknowledge the observations regarding lapses in compliance with the regulatory provisions governing Related Party Transactions (RPTs) under the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.	We are committed to ensuring full compliance with both the letter and spirit of the law. All transactions going forward will be subject to stringent internal checks and real-time monitoring to avoid recurrence of such lapses.	Policy on Materiality of Related Party Transactions available on the website does not prescribe clear threshold limits duly approved by the Board of Directors as required under Regulation 23(1) of SEBI (LODR) Regulations, 2015. The policy merely reproduces the statutory thresholds without specifying company-specific/ material modification thresholds or internal approval limits.

ANNEXURE-B

INDEPENDENT AUDITORS' REPORT

To,
The Members of
DECO-MICA LIMITED
Ahmedabad

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying Standalone Financial Statements of **DECO-MICA LIMITED** ("the Company") which comprise the Balance Sheet as at **31st March 2026**, the Statement of Profit and Loss (including other Comprehensive Income), the Statement of Changes in Equity, the Statement of Cash Flow for the year then ended and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its Profit, Other Comprehensive Income, its Cash Flows and Changes in Equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SA's) specified under section 143(10) of the Act. Our responsibilities under those Standards are further, described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statement.

Key Audit Matters

4. Key audit matters are those matters that, in our professional, judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit, of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion, on these matters.

Key audit matter identified in our audit in respect of **Measurement of Expected Credit Loss on Trade Receivables** as follows:

[Refer Para 2 (vii)(1) for the accounting policy and Note 9, 45 (I) for the related disclosures]

Measurement of Expected Credit Loss on Trade Receivables

Key Audit Matter	How our audit addressed the key audit matter
The company has trade receivables (net) outstanding of Rs. 3957.89 Lakhs after deducting the provision for impairment of Rs. 99.55 Lakhs at the end of reporting period. This represents 48.28% of the total assets of the company. The measurement of the ECL allowance is considered a Key Audit Matter under SA 701 due to the high degree of management	Our audit procedures to evaluate the measurement of Expected Credit Loss (ECL) on Trade Receivables included, but were not limited to, the following core testing protocols: • We assessed the appropriateness of the Company's accounting policy for impairment in accordance with Ind AS 109. • Evaluating the design & implementation of internal controls in relation to recovery of Trade receivables, calculation of allowance for impaired

judgment and estimation uncertainty involved. Under Ind AS 109, the impairment allowance is determined using a simplified approach via an asset-aging matrix, which incorporates: 1. Historical credit loss and default experience across different customer segments. 2. Forward-looking macroeconomic indicators (e.g., industry trends, regulatory changes, and liquidity shifts) affecting borrowers' repayment capabilities. 3. Specific risk assessments of long-outstanding, disputed, or legally contested debtor accounts.	trade receivable along with testing its operating effectiveness on sample basis. • We tested the mathematical accuracy of the historical default and verified the integrity of the underlying data utilized in the aging matrix. • Obtaining the external balance confirmations on samples basis to ascertain the existence & completeness of trade receivables. • Verified the subsequent receipts of trade receivables for selected samples to ascertain its existence as on balance sheet date. • Evaluating the reconciliations prepared by the management with respect to the balance confirmations received. • Obtaining an understanding of the processes for evaluating the recoverability of the trade receivables including the collection process & allowances for impaired trade receivables. • Verifying the ageing analysis of Trade receivables, long outstanding & overdue balances, latest correspondences with customers for recovery of dues & evaluating its impact on provisioning & impairment. • We assessed the appropriateness and completeness of the disclosures made in the Notes to the Financial Statements with respect to credit risk concentrations and aging schedules in accordance with Ind AS 107 and Schedule III requirements.

Information other than the Financial Statements and Auditor's Report thereon

- 5.** The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information and other information in the Company's annual report, but does not include the standalone financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and as may be legally advised.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

- 6.** The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statement that give a true and fair view of the financial position, financial performance including other Comprehensive Income, cash flows

and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of the appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

7. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
8. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

14. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
15. Further to our comments in Annexure A, as required by Section 143(3) of the Act, based on our audit, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The standalone financial statements dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with accounting standards as specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone Financial Statement.
 - g) In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act read with Schedule V to the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in the standalone financial statements; (Refer Note 39 to the standalone financial statements).
 - ii. The Company did not have any long-term contracts, including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (i) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries") with the understanding, whether recorded in writing

or otherwise, that the Intermediaries shall, whether, directly or indirectly lend or invest in the other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (ii) The management has represented, that to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether directly or indirectly lend or invest in the other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (i) and (ii) of Rule 11(e) of the Companies (Audit and Auditors) Rules, 2014, as mentioned at para (iv)(i) and (iv)(ii) above, contain any material mis-statement.
- v. The company has not declared or paid any dividend during the year as prescribed under Section 123 of the Act.
- vi. The company has used an accounting software for maintaining its books of account which does not have a feature of recording audit trail (edit log) facility. Consequently, we are unable to report whether the audit trail facility has been operated and maintained throughout the year for all transactions recorded in the software, or if the audit trail feature has been tampered with, or if the audit trail has been preserved by the company as per the statutory requirements for record retention.

ANNEXURE "A" TO INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 14 of our report of even date to the Members of **DECO-MICA LIMITED** for the year ended **31st March, 2026**.

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

1. In respect of Property, Plant and Equipment :

- (a) (i) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant & Equipments.
- (ii) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The property, plant and equipments were physically verified by the Management according to a phased programme at regular interval which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. Pursuant to the programme, property, plant and equipments have been physically verified by the management during the year and no material discrepancies have been noticed on such verification.

- (c) The title deeds of all the immovable properties disclosed in the financial statements are held in the name of the company.
- (d) The company has not revalued its Property, Plant & Equipments or intangible assets during the year.
- (e) No proceedings have been initiated or pending against the company for holding any Benami property under the Benami Transaction (Prohibition) Act, 1988 and rules made there under.

2. In respect of its Inventories :

- (a) The physical verification of inventories has been conducted at reasonable intervals by the management. In our opinion, the coverage and procedure of such verification by management is appropriate and no material discrepancies of 10% or more in aggregate for each class of inventory were noticed on such physical verification.
- (b) The company has been sanctioned working capital limit in excess of Rs. 5 Crore rupees, in aggregate from Banks on the basis of security of current assets. Copies of quarterly statement and return, furnished to bank have also been made available for our verification. We have verified the same on sampling basis and found the same in agreement with books of accounts. Discrepancies noticed during the verification, were reasonably explained by the management.

3. In respect of Loans and Advances granted during the year:

The company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties covered in the register maintained under section 189 of the Companies Act, 2013 and therefore, the Clauses 3(iii) (a) to (f) of the Companies (Auditor's Report) Order, 2020 (the Order) are not applicable to the company.

4. Loans, Investments and Guarantees:

The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.

5. In respect of Deposits:

The company has not accepted any deposits or amount which are deemed to be deposits and hence the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act and the rules framed there under are not applicable to the company. Accordingly, clause 3(v) of the Order is not applicable.

6. In Respect of Cost Records:

Pursuant to the rules made by the central government of India, the Company is required to maintain cost records as specified under section 148(1) of the Act.

We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

7. In respect of Statutory Dues :

- (a) The Company is by and large regular in depositing with appropriate authorities undisputed statutory dues including Goods and Service Tax (GST), Provident Fund, Employees State Insurance, Income Tax, Duty of Customs, cess and any other material statutory dues with the appropriate authorities except there were delay in payment GST, Professional Tax of Employees, Tax Deducted at Source (TDS) and Income Tax.

No undisputed amounts payable in respect of statutory dues were outstanding as at 31st March, 2026 for a period of more than six months from the date they became payable except there is an undisputed amount of Rs. 34.50 lacs in respect of Advance Tax of current financial year & TDS payable of Rs. 32.71 Lacs which has remained unpaid for a period exceeding six months from the date it became payable.

- (b) There were no dues of Goods and Service Tax, Provident Fund, Employees State Insurance, Income Tax, Duty of Customs, cess and any other statutory dues which have not been deposited on account of any dispute.

8. In Respect of Undisclosed Income Discovered in Income tax Assessment:

There were no transactions that were not recorded in books of accounts and have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961. Hence, clause 3(viii) of the Order is not applicable to the company.

9. In respect of Repayment of Loans:

- (a) The Company has not defaulted on repayment of loans or other borrowings or in the payment of interest thereon to any lenders.
- (b) The company is not declared as willful defaulter by any bank or financial institution or other lenders.
- (c) In our opinion, the term loans taken during the year were applied for the purpose for which they were obtained.
- (d) The company has not utilized any funds raised on short term basis for long-term purposes. Hence, clause 3 (ix)(d) of the Order is not applicable to the Company.
- (e) The company has not taken any funds from any entity or person to meet obligations of its subsidiaries, associates or joint ventures. Hence reporting under clause 3 (ix) (e) of the Order, is not applicable to the Company.
- (f) The company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies. Hence, clause 3 (ix)(f) of the Order is not applicable to the Company.

10. In Respect of Public Offerings:

- (a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3 (x)(a) of the Order is not applicable to the Company.
- (b) The company has not made any preferential allotment or private placement of shares or convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable to the Company.

- 11.** (a) To the Best of our knowledge and according to the information and explanation given to us ,no fraud by the Company or no material on the company has been noticed or reported during the year.
- (b) No report under sub-Section (12) of Section 143 of the Companies Act,2013 has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Auditor and Auditor) Rules 2014 with the Central Government.
- (c) No whistle-blower complaints were received during the year by the company.

- 12.** As the company is not a Nidhi Company, the Nidhi Rules, 2014 are not applicable to it. Accordingly, provisions of clause (xii) (a) to (c) of the Order are not applicable to the Company.

- 13.** The company is in compliance with section 177 and 188 of the Companies Act 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required under Indian Accounting Standard (Ind AS) 24 "Related Party Disclosure" specified under section 133 of the act.

14. In Respect of Internal Audit:

- (a) In our opinion and according to the information and explanations given to us, the company has an internal audit system commensurate with the size and nature of its business of the company.
- (b) During the course of our audit, we have considered, the reports of Internal Audit for the period under audit, issued to the Company during the year till date of this report.

- 15.** The Company has not entered in to any non-cash transactions with its directors or persons connected with him. Accordingly, clause 3(xv) of the Order is not applicable to the Company.

16. In Respect to the Provisions of Reserve Bank Of India Act 1934:

- (a) The company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause (xvi)(a) of the Order is not applicable to the company.
 - (b) The company has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, clause (xvi)(b) of the Order is not applicable to the company.
 - (c) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Hence, clause (xvi)(c) & (d) of the Order are not applicable to the company.
- 17.** The Company has not incurred any cash losses in the financial year under review and immediately preceding financial year. Accordingly, clause (xvii) of the Order is not applicable to the company.
- 18.** There has been no resignation of the statutory auditors of the Company during the year. Accordingly, clause 3(xviii) of the Order is not applicable to the Company.
- 19.** On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- 20.** There was no unspent amount required to be transferred to special account as required by Section 135 of the Companies Act, 2013. Accordingly, provisions of sub clause (a) and (b) of clause (xx) of the Order are not applicable to the company.

ANNEXURE "B" TO INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 15 (f) of our Report of even date to the Members of **DECO-MICA LIMITED** for the year ended **31st March, 2026**.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls over financial reporting of **DECO-MICA LIMITED** ("the Company") as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the

essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

The company has its registered office at 306, 3rd Floor, Iscon Mall, Above Star Bazar, Near Jodhpur Cross Road, Satellite, Ahmedabad-380015.

2. A. MATERIAL ACCOUNTING POLICIES INFORMATIONS
(i) a) Statement of Compliance:

The financial statements have been prepared with all material aspect complied with Indian Accounting Standards (Ind As) notified under section 133 of the Companies Act, 2013 (the Act) read with the Companies (Indian Accounting Standards) Rules, 2015.

b) Basis of Preparation:

These individual financial statements are prepared in accordance with the Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis, except for certain financial instruments which are measured at fair values. The Ind AS is prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and amendments thereto.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The Company retains the presentation and classification of items in the financial statements from one period to the next.

(ii) Basis of preparation and presentation :

The financial statements have been prepared with all material aspect complied with Indian Accounting Standards (Ind As) notified under section 133 of the Companies Act, 2013 (the Act) read with the Companies (Indian Accounting Standards) Rules, 2015.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The Company retains the presentation and classification of items in the financial statements from one period to the next.

(iii) Use of Estimates:

The preparation and presentation of financial statements are in conformity with the Ind As which required management to make estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities) on the date of the financial statements and the reported amount of revenues and expenses during the reporting year. Significant estimates also include fair value measurements and impairment assessments.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Future results could differ due to these estimates and differences between the actual results and estimates are recognized in the year in which the results are known / materialized.

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year are included in the following notes:

Note 21 - Current / Deferred tax liabilities

Note 32 - Measurement of defined benefit obligations

Note 10 - Expected credit loss for receivables

Note 45 - Fair Value Measurement of Financial Instruments

(iv) Critical Accounting Estimates and Judgement used in application of Accounting Policies
a. Income Taxes

Significant judgements are involved in determining the provision for Income Taxes, including amount expected to be paid / recovered for uncertain tax positions. (Also refer Note 27 and 36.)

b. Property, Plant and Equipment

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful life and residual values of the Company's assets are determined by the Management at the time the asset is acquired and reviewed periodically, including at each financial year end. The life is based on historical experience with similar assets as well as anticipation of future events, which may impact their life such as changes in technology. (Refer Note 3)

c. Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation based on empirical evidence available without undue cost or effort, existing market conditions as well as forward looking estimates at the end of each reporting period. (Refer Note 46).

d. Defined Benefit Plan

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligations is determined using actuarial valuation. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. (Refer Note 32.1).

e. Fair Value Measurement of Financial Instruments

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets, where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include consideration of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair values of financial instruments. (Refer Note 45).

(v) Property, Plant and Equipment & Depreciation:
a) Property Plant and Equipment:

Property, plant and equipment are tangible items that are held for use in the production or supply of goods and services, rental to others or for administrative purposes and are expected to be used during more than one period. The cost of an item of property, plant and equipment is recognised as an asset if and only, if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Freehold land is carried at cost less accumulated impairment losses. All other items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

Cost of an item of property, plant and equipment comprises:

- Its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates. All costs including financial costs till Assets

are ready for use are capitalized to the cost of qualifying assets. Tax credit, if any, are accounted for by reducing the cost of capital goods;

- Any other costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

b) Capital work in progress:

Capital work in progress is stated at cost and net of accumulated impairment losses, if any. All the direct expenditure related to implementation including incidental expenditure incurred during the period of implementation of a project, till it is ready for use, is accounted as Capital work in progress (CWIP). When ready for use, the same is transferred / allocated to the respective item of property, plant and equipment. Pre-operating costs, being indirect in nature, are expensed to the profit and loss as and when incurred.

c) Depreciation methods, estimated useful life and residual value:

Depreciation is provided for property, plant and equipment so as to expense the cost over their estimated useful lives based on evaluation. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Depreciation on fixed assets has been provided on straight-line method based on the their useful lives, which are in line with as those specified under schedule II of the Act and management assessment. However, land is not depreciated.

The useful lives are mentioned below:

Asset Class	Useful life(years)
Office Building	60
Factory Building	30
Plant and Equipment	15
Electric Installation	10
Laboratory Equipments	10
Office Equipment	5
Computers	3
Furniture & Fixtures	10
Motor Vehicle & Tempo	8
Motor Cycle & Scooter	10

Depreciation is calculated on pro rata basis with reference to the date of addition/ disposal. The residual values are not more than 5% of the original cost of asset.

d) Derecognition of Property, Plant and Equipment

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss from the derecognition of an item of property, plant and equipment is recognised in profit or loss when the item is derecognized.

(vi) Impairment of non – financial assets

The Company reviews the carrying amount of its Property, Plant and Equipment, including Capital Work in progress of a “Cash Generating Unit” (CGU) at the end of each reporting period to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the Cash Generating Unit to which the asset belongs.

Recoverable Amount is determined:

- i) In case of individual asset, at higher of the fair value less cost to sell and value in use; and
- ii) In case of cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of the cash generating unit's fair value less cost to sell and the value in use.

If the recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the Statement of Profit and Loss.

(vii) Financial Instruments :

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The Company classifies financial instruments issued into financial liability and equity based on the substance of the arrangement and the contractual terms. Significant judgement is required to assess whether a particular asset is a financial instrument or otherwise. An asset that represents a contractual right to receive cash that is subject to other than only passage of time or cannot be sold independently of other operating rights have not been presented as financial assets. Such assets are mainly in the nature of security deposits and investments in equity shares for receiving services from third parties including government-controlled organisations.

1. Financial Assets:

i. Initial recognition and measurement:

At initial recognition, the Company measures a financial asset (which are not measured at fair value through profit or loss) at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial asset.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortised cost, based on the business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

ii. Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in following categories:

- i) Financial assets measured at amortised cost;
- ii) Financial assets at fair value through profit or loss (FVTPL) and
- iii) Financial assets at fair value through other comprehensive income (FVOCI)

The Company classifies its financial assets in the above mentioned categories based on:

- a) The Company's business model for managing the financial assets, and
- b) The contractual cash flows characteristics of the financial asset.

i) Financial assets measured at amortised cost :

A financial asset is measured at amortised cost if both of the following conditions are met:

- a) The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- b) the Contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

ii) Financial assets at fair value through profit or loss (FVTPL):

Financial assets are measured at fair value through profit and loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in profit or loss.

iii) Financial assets at fair value through other comprehensive income (FVOCI):

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is achieved by collecting both contractual cash flows that gives rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

The Company may elect to designate a financial asset, which otherwise meets amortised cost or FVOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch')

Trade receivables, Advances, Security Deposits, Non-Current Investments, Cash, and Cash Equivalents, etc., are classified for measurement at amortised cost as they typically meet the SPPI criterion and are held within a business model to collect contractual cash flows.

iii. De recognition:

The Company derecognizes a financial asset when contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset in its entirety, the difference between the assets's carrying amount and the sum of the consideration received and receivable is recognized in the Statement of Profit and Loss.

iv. Impairment of financial assets:

At each reporting date the company assesses, whether a financial assets or group of financial assets is impaired. In accordance of Ind AS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss. As a practical expedient, the company uses a provision matrix to determine impairment loss on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of trade receivables. ECL impairment loss allowances (or reversal) recognized during the period is recognized as an expense / income respectively in the statement of profit and loss. Provision for ECL is presented as deduction from carrying amount of trade receivables. For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to lifetime expected losses, if the credit risk on the financial asset has increased significantly since initial recognition.

2. Financial Liabilities:

i. Initial recognition and measurement:

All financial liabilities are recognised initially at fair value and subsequently carried at amortised cost using the effective interest method.

The company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

ii. Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

- i) Financial liabilities measured at amortised cost.
- ii) Financial liabilities at fair value through profit or loss.

i) Financial liabilities measured at amortised cost :

Subsequently, all financial liabilities are measured at amortised cost. Any discount or premium on redemption/ settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet.

ii) Financial assets at fair value through profit or loss (FVTPL):

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the profit and loss.

iii. Derecognition:

Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the profit and loss.

3. Off-setting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the standalone balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

(viii) Inventories:

Inventories are valued at the lower of cost and net realizable value. Cost in respect of raw materials are determined on First-In-First-Out(FIFO) basis. Net realizable value is the estimated selling price in the ordinary course of business less estimated cost of completion and the estimated cost necessary to make sale.

Costs in respect of process and finished goods are computed on weighted average cost method. Finished goods and process stock include cost of conversion and other costs incurred in acquiring the inventory and bringing them to their present location and condition including fixed and variable overheads allocated on a systematic basis.

Spares (not meeting the definition of property, plant and equipment) are accounted as inventory and expensed to the statement of profit and loss when issued for consumption.

(ix) Borrowing Cost :

Interest and other costs that the Company incurs in connection with the borrowing of funds are identified as borrowing costs. The Company capitalises borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which it is incurred.

A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. The Company identifies the borrowings into specific borrowings and general borrowings. Specific borrowings are borrowings that are specifically taken for the purpose of obtaining a qualifying asset. General borrowings include all other borrowings except the amount outstanding as on the balance sheet date of specific borrowings. Borrowing cost incurred actually on specific borrowings are capitalised to the cost of the qualifying asset. For general borrowings, the Company determines the amount of borrowing costs eligible for capitalisation by applying a capitalisation rate to the expenditures on the qualifying asset based on the weighted average of the borrowing costs applicable to general borrowings. The capitalisation on borrowing costs commences when the Company incurs expenditure for the asset, incurs borrowing cost and undertakes activities that are necessary to prepare the asset for its intended use or sale. The capitalisation of borrowing costs is suspended during extended periods in which active development of a qualifying asset is suspended. The capitalisation of borrowing costs ceases when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are complete.

(x) Statement of Cash flows:

Cash flows are reported using the indirect method as prescribed in Ind AS 7, "Statement of Cash Flows", whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

(xi) Income Recognition Policy:-

Revenue from Contracts with Customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the company expects to be entitled in exchange for those goods or services in accordance with Ind AS 115, "Revenue from Contracts with Customers."

The revenue towards satisfaction of performance obligations is measured at the amount of the transaction price (net of variable consideration) allocated to those performance obligations. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts offered by the Company as part of the contract. These variable considerations are estimated based on the expected value or the most likely amount, depending on which method better predicts the amount of consideration to which the Company will be entitled. Revenue (net of variable consideration) is recognised only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur when the uncertainty relating to the variable consideration is subsequently resolved.

Sale of Product:

The performance obligation in case of sale of product is satisfied at a point in time i.e. when the material is shipped to the customer or on delivery to the customers as may be specified in the contract.

Other Operating Revenue- Export Incentives

Export entitlements are recognized in the Statement of Profit and Loss when the right to receive credit as per the terms of scheme is established in respect of the exports made and

where there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

Other Income

Other income is recognized on accrual basis except when realization of such income is uncertain.

(xii) Foreign Currency Transactions:

The functional currency of the Company is the Indian rupee. The financial statements have been presented in its functional currency. Any transaction that is denominated in a currency other than the functional currency is regarded as a foreign currency transaction, as per Ind AS 21, "The Effects of Changes in Foreign Exchange Rates." All foreign currency transactions are recorded, on initial recognition in the functional currency, by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction. In the case of consideration received or paid in advance, the exchange rate prevailing on the date of receipt or payment of the advance is used to translate the subsequent recognition of the related asset, expense, or income.

At the end of the reporting period:

1. foreign currency monetary items are translated using the exchange rate for immediate delivery at the end of the reporting period;
2. non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction; and
3. non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured.

Exchange difference arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognised in profit or loss in the period in which they arise.

(xiii) Employee Benefits:

Employee benefits are accounted for in accordance with Ind AS 19, "Employee Benefits."

i. Short term employee benefits:

Short Term benefits are recognised as an expense at the undiscounted amounts in the Statement of Profit and Loss of the year in which the related service is rendered. In case of Leave Encashment, the company does not allow carry forward of unavailed leave and hence unavailed leaves are encashed in the current year itself.

ii. Post-employment benefits:

Post-employment benefits are benefits (other than termination benefits and short-term employee benefits) that are payable after the completion of employment. Post-employment benefits are identified under defined contribution plans and defined benefit plans.

a) Defined contribution plan:

The Employee and Company make monthly fixed Contribution to Government of India Employee's Provident Fund equal to a specified percentage of the Cover employee's salary, Provision for the same is made in the year in which service are render by employee.

b) Defined benefit plans:

Post-employment benefits in the form of Gratuity are considered as defined benefit plan and determined on actuarial valuation using the projected unit credit method at the balance sheet date. Actuarial Gains or Losses through re-measurement of the net obligation of a defined benefit liability or asset is recognised in Other Comprehensive Income. Such re-measurements are not reclassified to Statement of Profit and Loss in subsequent periods.

Gratuity is funded through a trust for which a policy with SBI Life Insurance company Limited has been taken.

iii. Other long-term employment benefits

Employee Benefits that are neither short-term employee benefit nor post-employment benefit nor termination benefits are other long-term employee benefits. The Company does not allow carry forward of un-availed leave and hence un-availed leaves are encashed in the current year itself.

(xiv) Earnings per Share

Basic earnings per share are calculated by dividing the profit or loss for the period attributable to the equity holders of the Company by the weighted average number of ordinary shares outstanding during the year, in accordance with Ind AS 33, "Earnings per Share." For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(xv) Provisions, Contingent Liabilities and Contingent Assets :

Provisions are recognised only when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation, in accordance with Ind AS 37, "Provisions, Contingent Liabilities and Contingent Assets." Contingent liabilities are disclosed for (i) possible obligations whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or (ii) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are not recognised in the financial statements but are disclosed when an inflow of economic benefits is probable.

(xvi) Taxes on Income :

Income taxes are accounted for in accordance with Ind AS 12, "Income Taxes."

a) Current Tax:

Current tax is determined on income for the year chargeable to tax in accordance on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Current tax items are recognised in correlation to the underlying transaction either in profit or loss or OCI or directly in equity. The Company has provided for the tax liability based on the significant judgment that the taxation authority will accept the tax treatment.

b) Deferred Tax:

Deferred tax is recognised for all the timing differences and is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax assets are recognised for all deductible temporary differences, unabsorbed losses and tax credits to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, unabsorbed losses and tax credits will be utilised. Other deferred tax assets are recognized if there is reasonable certainty that there will be sufficient future taxable profit available to realise such assets. Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

(xvii) Fair Value Measurement

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

- (a) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (b) Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability.
- (c) Level 3 inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants.

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

(xviii) Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a Lessee:

The Company applies a single recognition and measurement approach for all leases. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

a- Right-of-use Assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets. If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment.

b- Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase

the underlying asset. The Company's lease liabilities are included in Other non-current financial liabilities.

c- Short-term leases and leases of low-value assets

The Company has elected not to recognise right-of-use assets and lease liabilities for short term lease that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases on straight line basis as per the terms of the lease.

(xviii) Segment reporting:

The Chief Operational Decision Maker (CODM) monitors the operating results of its business Segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. Operating segments are reported in a manner consistent with the internal reporting to the CODM.

Accordingly, the Board of Directors of the Company is CODM for the purpose of segment reporting. Refer note 41 for segment information presented.

2B. Standards issued but not yet effective

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules from time to time. The "MCA" had notified IND AS 117, Insurance Contracts vide notification no. G.S.R 492(E) dated 12/08/2024 subject to further notification by IRDAI. IRDAI has mandated the adoption of Ind AS for insurance companies from 1 April 2026. The company is not in the business of issuing insurance contracts and none of the contracts that the company has issued fall within the scope of Ind AS 117. Accordingly, Ind AS 117, Insurance Contracts, does not have any impact on the financial statements of the company.

MCA notified amendments to Ind AS 1 vide notification no. G.S.R.549(E) dated 13 August 2025 applicable from 1 April 2026. The amendment removes the carve out for classification of liabilities as current or non-current. The said amendment does not have material impact on the financial statements of the company as the company has met with all the covenants in the contract for borrowings

The above fair value hierarchy explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost for which fair values are disclosed in the financial statements. To

provide the indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments in to three levels prescribed is as under:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

There were no transfers between the levels during the year

Valuation process

The finance department of the Company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. The fair valuation of level 1 and level 2 classified assets and liabilities are readily available from the quoted prices in the open market and rates available in secondary market respectively. The valuation method applied for various financial assets and liabilities are as follows -

1. Quoted price in the primary market (NAV) considered for the fair valuation of the current investment i.e Mutual fund. Gain / (loss) on fair valuation is recognised in profit and loss.
2. The carrying amount of trade receivable, trade payable, cash and bank balances, short term loans and advances, statutory/ receivable, short term borrowing, employee dues are considered to be the same as their fair value due to their short-term nature.

45 Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- I Credit Risk
- II Liquid Risk
- III Market Risk

Risk Management Framework

The Company's risk management is governed by policies and approved by the board of directors. Company's identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The company has policies for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments.

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Board of Directors. The activities of this department include management of cash resources, borrowing strategies, and ensuring compliance with market risk limits and policies.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

I Credit Risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company is exposed to credit risk from its operating activities (primarily trade receivables), cash and cash equivalents and other financial instruments.

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to the customer credit risk management. Outstanding customer receivables are regularly monitored and taken up on case to case basis. The Company has adopted a policy of dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults. The Company's exposure and the credit scores of its counterparties are continuously monitored. Credit exposure is controlled by counterparty limits that are reviewed and approved by the management team on a regular basis. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions representing large number of minor receivables operating in largely independent markets.

The credit risk on cash and bank balances and derivative financial instruments is limited because the counterparties are banks with high credit ratings assigned by international credit rating agencies.

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The Company maintain its cash and cash equivalents and bank deposits with banks having good reputation, good past track record and high quality credit rating and also reviews their credit-worthiness on an on-going basis. The maximum exposure to credit risk at the reporting date is primarily from trade receivables. Credit risk has always been managed by the company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the company grants credit terms in the normal course of business. On account of the adoption of Ind AS 109, the company uses ECL model to assess the impairment loss or gain. The company uses a provision matrix to compute the ECL allowance for trade receivables and unbilled revenues. The provision matrix takes into account available external and internal credit risk factors and the company's experience for customers.

The company has assessed that credit risk on loans given is insignificant based on the empirical data.

The Company reviews trade receivables on periodic basis and makes provision for doubtful debts if collection is doubtful. The Company also calculates the expected credit loss (ECL) for non-collection of receivables. The Company makes additional provision if the ECL amount is higher than the provision made for doubtful debts.

The company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on provision matrix, which takes into account historical credit loss experience as well as future risks based on current macro-economic indicators and trends. The expected credit loss (ECL) allowance is based on total receivables that are due and the rate given in provisional matrix. The company has revised the loss estimates based on DPD of trade receivables in its provision matrix in the current year. This change in estimate has resulted in an increase in the impairment loss of Rs. 27.51 Lakhs during the year.

The provision for doubtful debts including ECL allowances for non-collection of receivables and delay in collection, on a combined basis, was Rs. 99.55 lakhs as at March, 2026 and Rs. 72.03 lakhs as at March 31, 2025. The movement in allowances for doubtful accounts comprising provision for both non-collection of receivables and delay in collection is as follows:

i) Movement in expected credit loss allowance	(Rs. In Lakhs)	
	As at 31/03/2026	As at 31/03/2025
ECL %	2.52	1.84

Less : Reversal of allowance made during the year	(9.95)	(1.49)
Amount written off	Nil	Nil
Balance at the end of the year	99.55	72.03

II Liquid Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Management regularly monitors the position of cash and cash equivalents vis-à-vis projections. Assessment of maturity profiles of financial assets and liabilities including debt financing plans and maintenance of balance sheet liquidity ratios are considered while reviewing the liquidity position.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

III Market Risk

Market risk is the risk that the fair value or future cash flow of a financial instrument will fluctuate because of changes in market factors. Market risk comprises three type of risks:

- Currency Risk
- Interest Risk
- Price Risk
- Currency Risk

The functional currency of the Company is Indian Rupee. The Company is exposed to currency risk on account of payables and receivables in foreign currency. Company is exposed to currency risk on account of payables and receivables in foreign currency. Since the average exports account only for 31.52% of total sales this is not perceived to be a major risk. The average imports account for 28.72 % of total purchases.

b) Interest Risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

According to the Company interest rate risk exposure is only for floating rate borrowings. For floating rate liabilities, the analysis is prepared assuming the amount of the liability

outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.
