The report contains expectations of the company's busine based on current environment. Many unforeseen and uncontrollable external factors could alter the expectations.

BUSINESS ORGANIZATION:

The company is dealing only in paper manufacture and sales. The Company is having a plant of an installed capacity of 7500 TPA at Elappully in Palakkad district of Kerala.

I. Industry Outlook

The demand for paper is shrinking with economic recession. Paper industry is under recession in line with everall industrial situation in the country. However we expect brighter years ahead for the industry a whole.

a) Paper policy

The company shall concentrate on launching value added products to increase turnover and profitable According to the experts, as against the paper industry's growth rate of 6 to 7 %, the market for product in the high-end segment is growing at 19 %. The domestic demand for paper products is now showing gradual healthy trend across segments. However a significant growth is expected in the high-end segments.

b) Opportunities and threats

Though the pulp and waste paper prices have gone up, the domestic market is not able to sell to products at reasonable prices. Frequent power failures cause loss of production due to shut down a restarting of the plant. However the company is hopeful of achieving the targets with better realizate from the high-end segment.

ANNEXURE TO THE AUDITORS' REPORT

(Referred to in paragraph 3 of our Report of even date)

- (a) The Company has not satisfactorily maintained records showing particulars including quantitative details and situation of fixed assets. The records are not updated for the past few years. In the absence of an updated fixed assets register and due to non-availability of records of physical verification we are unable to ascertain the appropriateness of the same.
 - (b) As explained to us most of the assets have been physically verified by the Management during the year in accordance with a phased programme of verification adopted by the company and no material discrepancies were noticed on such verification. However we are unable to verify the reasonableness of the same, as necessary documentary evidences were not made available for our verification.
 - (c) Major part of fixed assets has not been disposed off during the year. (a) As explained to us the company has conducted physical verification at reasonable intervals in respect
 - of inventory. However we have not received any documentary evidence to verify the same.
 - (b) In the absence of documentary evidence we are unable to ascertain whether the procedures of physical verification of stocks followed by the Management are reasonable and adequate or not in relation to the size of the company and the nature of its business.
 - (c) In our opinion the company is not maintaining proper records of inventory. In the absence of records we are unable to ascertain whether discrepancies if any were noticed on physical verification of stocks.
