Notes :

1 The above standalone and consolidated financial results of the Company have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time.

2 The above standalone and consolidated financial results have been reviewed by the Audit Committee at its meeting held on August 12, 2024 and approved by the Board of Directors at its meeting held on August 13, 2024. The statutory auditors of the Company have carried out a 'limited review' of these results.

3 During the quarter ended September 30, 2022, the Company has received updated Demand Notice of ₹ 21,370 Crores from the Department of Telecommunications (DoT), Ministry of Communications, Government of India, Gujarat Telecom Circle, Ahmedabad, vide its letters dated July 15, 2022 towards the license fee (including interest and penalty computed till November 30, 2021) in respect of "Very Small Aperture Terminal" (V-SAT) License and "Category A - Internet Service Provider" (ISP) License for the financial years from FY 2005-06 to FY 2019-20. Earlier, the Company had also received an initial Demand Notice from DoT dated March 05, 2020 and December 23, 2019 for amounting to ₹ 16,359 Crores and ₹15,020 Crores, respectively (including interest and penalty). The Company has made representations to the DoT against the said demand notices.

The Company has evaluated the assessment made by DoT for raising the above demand notices based on the Adjusted Gross Revenue (AGR) judgement of Hon'ble Supreme Court of India on October 24, 2019. Aggrieved by the above demands, the Company had submitted various representations dated January 06, 2020, February 21, 2020, April 03, 2020 and March 04, 2022 to the DoT requesting reconsideration and withdrawal of the Demands raised by the DoT including the revenues of the Company from Fertilizers and Chemicals Business which is completely unconnected to VSAT and ISP Licenses.

Hon'ble Supreme Court vide its Order dated June 11, 2020 directed DoT to reconsider the demand raised on Public Sector Undertakings ("PSUs"), which are not in business of mobile services to the general public.

The Telecom Disputes Settlement & Appellate Tribunal (TDSAT), in its Order dated 28th February, 2022 in the case of Netmagic Solutions Pvt. Ltd., a private limited company, held that there is no scope to differentiate between two sets of licensees having same or similar Licenses only on the basis of their ownership, private or public and set aside the demand raised by the DoT.

Based on the legal assessment in consultation with Senior Advocates, the Company believes that it has strong grounds on merits to contest the demand raised by the DoT and defend itself in the matter, hence no provision is considered necessary in these financial results. As at reporting date, the Company has not received any further update from DoT regarding these demand notices.

4 Employee benefits expense for previous quarter and year ended March 31, 2024 includes ₹ 20.55 Crores (net) (including ₹ 21.48 Crores relating to earlier years and reversal of ₹ 0.93 Crores related to year ended March 31, 2024) being impact of change in the employee loan valuation modelling and data correction in the current financial year.

- 5 The Indian Parliament has approved & the President has accorded the assent to the Code on Social Security, 2020 ('Code') in September, 2020. The Code might impact the contributions by the Company towards Provident Fund, Gratuity and other employment and post-employment employee benefits. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and the final rules have not yet been issued. The Company will assess the impact of the Code when it comes into effect and will record the impact, if any, in the period in which the Code becomes effective.
- 6 Figures of the preceding quarter ended March 31, 2024 were the balancing figures between audited figures in respect of the full financial year ended March 31, 2024 and the unaudited published year to date figures upto December 31, 2023 being the date of the end of the third quarter of the financial year which were subjected to limited review.
- 7 Manufacturing facilities of the Company had undergone planned annual shutdown for the period of 31 days (i.e. from 24.03.2023 to 23.04.2023). Hence, figures of the corresponding quarter ended June 30, 2023 are not comparable with other reported quarterly figures to that extent.
- 8 The Consolidated Financial Results includes results of Associate Company – "M/s Gujarat Green Revolution Company Limited" in accordance with Ind AS – 110 "Consolidated Financial Statements" and Ind AS -28 "Investments in Associates and Joint Ventures".
- 9 Figures in the results are rounded off to the nearest ₹ Crore, except Earnings Per Share.
- 10 Previous period / year figures have been re-grouped / re-classified / re-casted wherever necessary to conform with current period presentation.

Explaining the results, Mr. Pankaj Joshi, IAS, Managing Director, GNFC mentioned:

During the Q-1 FY 24-25, industrial chemicals witnessed better margins in general which helped improve the EBITDA.

While the EBITDA is favourable, on Q-o-Q basis, the annual turn around at Dahej complex has limited the available volume having consequential impact on PBT.

Production at Dahej complex is expected to start in Aug-24 which will normalise the supply in domestic market. Of late the domestic share of TDI out of the total production has increased making relatively improved realisation as compared to exports.

- Fertilizer segment is contribution positive however due to fixed cost under recoveries, the segment is impacted.

Capex Plan:

I am happy to inform that Board in its meeting held on 13th August 2024 has cleared investment proposal for establishing 600 MTPD i.e. 2,00,000 MTPA of weak nitric acid. With this investment, GNFC will enhance capacity of weak nitric acid by ~57%.

Apart from this, decks are cleared for investment in Ammonium Nitrate as downstream.

The Board has also approved the appointment of Strategic Management Consultant (SMC) i.e. Kearney for setting strategic direction for the company. With the appointment of the SMC, measures for short, medium and long term will be laid out before Board for the future growth of company over next six months.

Union Budget:

The impact of capital gain on company's long held investment, both, quoted and unquoted is recorded as part of Other Comprehensive Income (OCI). Accordingly, an additional capital gains tax of ~₹8 crores is part of OCI.

Outlook:

With annual shutdown getting over at Dahej complex in August-24 coupled with stable Bharuch operations, the company is expected to have better performance in over next few quarters of FY 24-25.
