- (n) THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:**
 - (i) The voting period begins on, Wednesday, 23rd September 2026 at 09.00 hrs. and ends on Friday, 25th September, 2026 at 17:00 hrs. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the

cut-off date i.e., Saturday, 19th September, 2026 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholder's/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

(v) Corporate Governance Voluntary Guidelines - 2009 issued by the Ministry of Corporate Affairs, Government of India : NA

(vi) The Reserve Bank of India Act.

I have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards issued by The Institute of Company Secretaries of India.

(ii) SEBI-Listing Obligations and Disclosure Requirements (LODR), Regulations, 2015,

During the period under review the Company has complied with the provisions of the Co. Act, Rules, Regulations, Guidelines, Standards, etc.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

INDUSTRIAL STRUCTURE AND DEVELOPMENT

Non-Banking Financial Companies (NBFCs) continue to play a pivotal role in India's financial ecosystem by extending credit to underserved segments such as MSMEs, rural borrowers, and informal households. They complement banks by offering innovative lending models, digital-first origination, and niche services like gold loans, vehicle finance, and microfinance. NBFCs are crucial for employment generation, wealth creation, and financial inclusion, particularly in semi-urban and rural areas.

NBFCs act as intermediaries by channelizing funds into productive capital formation. Their activities include loans and advances, acquisition of securities, leasing, hire-purchase, and insurance-related services. While they cannot accept demand deposits, they remain regulated under RBI's Scale-Based Regulation (SBR) framework, ensuring systemic stability.

INDUSTRY OVERVIEW:

India's NBFC sector has undergone a significant structural transformation in the aftermath of the IL&FS crisis and pandemic disruptions, emerging with stronger balance sheets, diversified liabilities, and enhanced governance frameworks. By FY26, NBFCs' assets under management (AUM) stood at Rs. 48-50 trillion (USD 510-530 billion), contributing nearly 19% of systemic credit, with projections indicating that the sector will cross Rs. 50 trillion by FY27. Growth is being driven primarily by retail-focused NBFCs, which are expected to require incremental funding of ₹4.1-4.3 trillion in FY27. Within the segmental landscape, housing finance companies (HFCs) are competing on product mix and underwriting quality, gold loan NBFCs remain the fastest-growing though margins are stabilizing, microfinance NBFCs are diversifying beyond pure-play models, and fintech-partnered NBFCs are expanding reach through digital lending frameworks. This sectoral momentum is supported by a robust macroeconomic backdrop, with India's GDP growing 7.7% in FY26, underpinned by strong private consumption and double-digit growth in manufacturing.

Source: "<https://www.bqprime.com/economy-finance/heres-why-icra-upwardly-revised-nbfc-2025-26-growth-outlook>"

OPPORTUNITY & THREATS:

The opportunities and threats for India's NBFC sector highlight both the growth potential and the challenges ahead. On the opportunity side, NBFCs are well-positioned to expand into digital lending, strengthen fintech partnerships, and tap rural credit markets, which align with rising demand for small-ticket personal loans and MSME financing. Government initiatives supporting financial inclusion and infrastructure financing further provide a strong policy tailwind. However, the sector also faces notable threats: global recessionary pressures could impact capital inflows, while volatility in equity markets and rising funding costs may strain margins. Currency risks from offshore borrowing exposure add another layer of vulnerability, and regulatory tightening under RBI's Upper Layer classification for large NBFCs will demand stricter compliance and governance standards. Together, these dynamics create a landscape of high growth potential tempered by external and regulatory risks.

SEGMENT WISE OR PRODUCT WISE PERFORMANCE:

The company's principal business continues to be lending operations, with financial performance showing notable improvement in FY26. Interest income rose to Rs. 62.45 lakhs compared to Rs. 44.38 lakhs in FY25, reflecting growth driven by retail loan expansion and better asset quality. Profit after tax (PAT) losses narrowed to Rs. 18.72 lakhs in FY26 from Rs. 31.07 lakhs in FY25, indicating progress toward profitability despite margins remaining under pressure. Overall, the company's trajectory demonstrates strengthening fundamentals, supported by retail-focused lending and disciplined asset management, though sustaining margin improvement will be a key challenge going forward.

OUTLOOK:

The company anticipates steady growth in FY27, underpinned by expansion in loans and advances, alongside strategic investments in risk management, technology, and human capital. A key focus will be on digital origination and cross-selling to underserved borrowers, which is expected to enhance reach and improve customer engagement. Management remains optimistic about sustaining growth momentum while carefully balancing risk exposure, positioning the company to strengthen its competitive edge in the evolving NBFC landscape.

RISK AND CONCERNS:

Key risks for the company remain centered around credit, market, and operational exposures. Rising unsecured loan exposure heightens credit risk, while liquidity constraints and price volatility contribute to market risk. Operational vulnerabilities, particularly in the areas of cybersecurity and digital fraud, add further complexity in an increasingly digital lending environment. To mitigate these challenges, the company emphasizes prudent underwriting practices, maintains diversified funding sources, and ensures strict compliance with RBI norms, thereby strengthening resilience against potential disruptions.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

The company maintains robust internal controls designed to safeguard operations and ensure compliance. Automated monitoring of loan portfolios enables early detection of stress and enhances oversight of asset performance. Compliance frameworks are aligned with RBI's Scale-Based Regulation (SBR) guidelines, ensuring adherence to evolving regulatory standards. In addition, regular internal audits are conducted to verify the accuracy of financial reporting and optimize asset utilization. Together, these measures strengthen governance, improve transparency, and reinforce stakeholder confidence in the company's risk management practices.

INDEPENDENT AUDITORS' REPORT

To
The Members,
Golechha Global Finance Limited,

Report on the Standalone Financial Statements

Opinion

We have audited standalone financial statements of **Golechha Global Finance Limited** ("the Company"), which comprise of the balance sheet as at March 31, 2026, the statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by The Companies Act, 2013 ("The Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, Loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independent requirement that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In our opinion there are no key audit matters to communicate in our report.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure (**'Annexure A'**) a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e. On the basis of written representations received from the Directors as on March 31, 2026, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act.
 - f. The Company has not declared or paid any dividend during the year ended 31 March 2026. Accordingly, the question of compliance with Section 123 of the Companies Act, 2013 does not arise.

- g. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"
- h. with respect to the other matters to be included in the Auditor's Report under section 197(16) of the Act.: In our opinion and as per the information and explanations provides to us, the Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by provision of section 197 read with schedule V to the Act.
- i. with respect to the matters to be included in the Auditors Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:-
- i. The Company has disclosed the impact of pending litigation on its financial position in its financial statement to the financial statements.
- ii. The company has made provision, as required under the applicable law or IND AS, for material foreseeable losses, if any, on long term contracts including derivative contracts.
- iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. As per the management representation we report,
- I. no funds have been advanced or loaned or invested by the company to or in any other person(s) or entities, including foreign entities ("Intermediaries"), with the understanding that the intermediary shall whether directly or indirectly lend or invest in other persons or entities identified in any manner by or on behalf of the company (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of ultimate beneficiaries.
- II. no funds have been received by the company from any person(s) or entities including foreign entities ("Funding Parties") with the understanding that such company shall whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or provide guarantee, security or the like on behalf of the Ultimate beneficiaries.
- III. Based on the audit procedures performed, we report that nothing has come to our notice that has caused us to believe that the representations given under sub-clause (i) and (ii) by the management contain any material mis-statement.
- v. Based on our examination, which included test checks, the company has used accounting software for maintaining books of account which has a feature of recording audit trail (Edit Log) facility and that has operated throughout the financial year for all relevant transactions recorded in the said software. During the course of performing our procedures, we did not notice any instance of audit trail feature being tampered with for the period the audit trail was enabled and that audit trail has been preserved by the company as per the statutory requirements for record retention."

Annexure B referred to in paragraph 2(f) under the heading 'Report on other legal and regulatory requirements' of our report of even date Report on Internal Financial Controls under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 (the 'Act')

We have audited the internal financial controls over financial reporting of **Golechha Global Finance Ltd.** (the 'Company') as of 31 March 2026 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements.

Meaning of internal financial controls over financial reporting with reference to these Standalone Ind AS Financial Statements

A Company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial

control over financial reporting with reference to these standalone Ind AS financial statements includes those policies and procedures that:

- i. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- ii. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and Directors of the Company; and
- iii. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these standalone Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and such internal financial controls over financial reporting with reference to these standalone Ind AS financial statements were operating effectively as at 31 March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to standalone financial statements for the year ended 31 March 2026**1 Corporate information**

Golechha Global Finance Ltd. ('the Company', 'GGFL') is a company limited by shares, incorporated on 18th April, 1991 and domiciled in India. The Company is engaged in the business of lending. The Company has its registered office at 522, Tobacco House, (5th floor) No. 1, Old Court House Corner Kolkata Kolkata-700 001, West Bengal, India and its principal place of business at the same address.

The Company is a Non deposit taking non-banking financial company (NBFC) registered with the Reserve Bank of India (RBI), with Registration No. 07.00107. RBI, vide the circular - 'Harmonisation of different categories of NBFCs' issued on 22 February 2019, with a view to provide NBFCs with greater operational flexibility and harmonisation of different categories of NBFCs into fewer categories based on the principle of regulation by activity, merged the three categories of NBFCs viz. Asset Finance Companies (AFC), Loan Companies (LCs) and Investment Companies (ICs) into a new category called NBFC - Investment and Credit Company (NBFC-ICC). Accordingly, the Company has been reclassified as NBFC Investment and Credit Company (NBFC-ICC). The audited financial statements were subject to review and recommendation of Audit Committee and approval of Board of Directors.

2 Basis of preparation

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act and the Master Direction - Non-Banking Financial Company- Non Systemically Important Non-Deposit taking Company (Reserve Bank) Directions, 2016 ('the NBFC Master Directions') issued by RBI. The financial statements have been prepared on a going concern basis. The Company uses accrual basis of accounting except in case of significant uncertainties.

2.1 Presentation of financial statements

The Company presents its Balance Sheet in order of liquidity. The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS specifically unless they are material in nature.

2.2 Critical accounting estimates and judgments

The preparation of the Company's financial statements requires Management to make use of estimates and judgments. In view of the inherent uncertainties and a level of subjectivity involved in measurement of items, it is possible that the outcomes in the subsequent financial years could differ from those on which the Management's estimates are based. Accounting estimates and judgments are used in various line items in the financial statements.

3 Summary of Material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

3.1 Revenue Recognition**(i) Interest income**

Interest income is calculated by applying effective interest rate.

3.2 Expenditures**(i) Finance costs**

Borrowing costs on financial liabilities are recognised using the Effective interest rate.

**(ii) Other Expenses**

Other expenses which are not directly linked to the sourcing of financial assets are recognised in the Statement of Profit and Loss on an accrual basis.

3.3 Cash and cash equivalents

Cash and cash equivalents include cash on hand, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.4 Inventories:- Since inventory of shares and securities acquired for trading are financial instruments, they are recognised at fair value through statement of profit and loss account (FVTPL) as per IND AS 109

3.5 Financial instruments

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments. All the financial instruments are recognised on the date when the Company becomes party to the contractual provisions of the financial instruments. For tradable securities, the Company recognises the financial instruments on settlement date.

3.6 Financial assets

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.

3.6.1 Classification and subsequent measurement.

The Company has applied Ind AS 109 and classifies its financial assets in the following measurement categories: - Fair value through profit or loss (FVTPL)

- Fair value through other comprehensive income (FVOCI); or
- Amortised cost

Fair value through profit or loss; Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss; A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in statement of profit and loss in the period in which it arises, unless it arises from debt instruments that were designated at fair value or which are not held for trading. Interest income from these financial assets is included in 'interest income' using the effective interest rate method.

Fair value option for financial assets; The Company may also irrevocably designate financial assets at fair value through profit or loss if doing so significantly reduces or eliminates an accounting mismatch created by assets and liabilities being measured on different bases.

Amortised Cost; Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest ('SPPI'), and that are not designated at FVTPL, are measured at amortised cost. The carrying amount of these assets

Is adjusted by any expected credit loss allowance recognised and measured. Interest income from these financial assets is recognised using the effective interest rate method.

However, the loans granted by the company are in the nature of repayable on demand and has no fixed repayment term as a result, amortised cost of loans has not been taken.

3.6.2 Interest Income

Interest income is calculated by applying the effective interest rate to the gross carrying amount of financial assets, except for:

- a) Purchased or originated credit impaired (POCI) financial assets, for which the original credit -adjusted effective interest rate is applied to the amortised cost of that financial assets.
- b) Financial assets that are not 'POCI' but have subsequently become credit-impaired (or 'stage 3'), for which interest revenue is calculated by applying the effective interest rate to their amortised cost (i.e net of the expected credit loss provision).

The effective interest rate is the exactly discounts estimated future cash payments or receipts through the expected life of the financial assets or liability to the gross carrying amount of a financial assets (i.e, its amortised cost before any impairment allowance) or to the amortised cost of a financial liability. The calculation does not consider expected credit losses and includes transaction cost, premiums or discounts and fees and points paid or received that are integral to the effective interest rate, such as origination fees. For FVOCI financial assets -assets that are credit impaired at initial recognition- the company calculates the credit-adjusted effective interest rate, which is calculated based on the amortised cost of the financial assets instead of its gross carrying amount and incorporates the impact of expected credit losses in estimated future cash flows.

3.6.3 Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective; that is, instruments that do not contain a contractual obligation to pay and that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets. The Company subsequently measures all equity investments at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair values gains and losses to profit or loss following the derecognition of the investment. Changes in the fair value of financial assets at fair value through profit or loss are recognised in net gain/loss on fair value changes in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Gains and losses on equity investments at FVTPL are included in the statement of Profit and Loss.

3.6.4 Impairment

The Company assesses on a forward looking basis the expected credit losses (ECL) associated with its debit instruments carried at amortised cost and FVOCI and with the exposure arising from loan commitments and financial guarantee contracts. The Company recognizes a loss allowance for such losses at each reporting date.

The measurements of ECL reflects:

- An unbiased probability-weighted amount that is determined by evaluating a range of possible outcome;
- The time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

The measurement of the ECL allowance is an area that requires the use of complex models and significant assumptions about future economic condition and credit behaviour (e.g. the likelihood of customers defaulting and the resulting losses.)

3.6.5 Write-off policy

The Company writes off financial assets, in whole or in part, when it has exhausted all practical recovery efforts and has concluded there is no reasonable expectation of recovery. Indicators that there is no reasonable expectation of recovery include (i) ceasing enforcement activity and (ii) where the company's recovery method is foreclosing on collateral and the value of the collateral is such that there is no reasonable expectation of recovering in full.

3.6.6 Derecognition other than on a modification

Financial assets, or a portion thereof, are derecognised when the contractual rights to receive the cash flows from the assets have expired, or when they have been transferred and either (i) the Company transfers substantially all the risk and rewards of ownership, or (ii) the Company neither transfer nor retains substantially all the risks and rewards of ownership and the company has not retained control. The company directly reduces the gross carrying amount of a financial assets when there is no reasonable expectation of recovering a financial assets in its entirety or a portion thereof.

3.7 Borrowing costs

Borrowing costs, which are directly attributable to the acquisition/ construction of property plant and equipment, till the time such assets are ready for intended use, are capitalised as part of the assets. Other borrowing costs are recognised as an expenses in the year in which they are incurred. Brokerage costs directly attributable to a borrowing are expensed over the tenure of the borrowing.

3.8 Financial liabilities

Financial liabilities include liabilities that represent a contractual obligation to deliver cash or another financial asset to another entity, or a contract that may or will be settled in the entities own equity instruments. Few examples of financial liabilities are trade payables, debt securities and other borrowings and subordinated debts.

3.9.1 Initial measurement

All financial liabilities are recognised initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade payables, other payables, debt securities and other borrowings.

3.9.2 Subsequent measurement

After initial recognition, all financial liabilities are subsequently measured at amortised cost using the EIR [Refer note no. 3.1(i)]. Any gains or losses arising on derecognition of liabilities are recognised in the Statement of Profit and Loss.

3.9.3 Derecognition

The Company derecognises a financial liability when the obligation under the liability is discharged, cancelled or expired.

3.10 Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet only if there is an enforceable legal right to offset the recognised amounts with an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

3.10.1 Taxes

(i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current tax relating to items recognised outside profit or loss is recognised in correlation to the underlying transaction either in OCI or directly in other equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

3.10.2 Deferred tax

Deferred tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for deductible temporary differences to the extent that it is probable that taxable profits

will be available against which the deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets, if any, are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised either in OCI or in other equity. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

3.11 Impairment of non-financial assets

An assessment is done at each Balance Sheet date to ascertain whether there is any indication that an asset may be impaired. If any such indication exists, an estimate of the recoverable amount of asset is determined. If the carrying value of relevant asset is higher than the recoverable amount, the carrying value is written down accordingly.

3.12 Provisions and contingent liabilities

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

3.13 Retirement and other employee benefits

3.13.1 Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

3.13.2 Post - employment obligations : Defined benefit plans : These are not yet applicable because none of the employee qualify for those benefits as at 31st March, 2025

3.14 Fair value measurement

The Company measures its qualifying financial instruments at fair value on each Balance Sheet date. Fair value is the price that would be received against sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place in the accessible principal market or the most advantageous accessible market as applicable. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy into Level I, Level II and Level III based on the lowest level input that is significant to the fair value measurement as a whole.

**23. Earning Per Share (EPS):**

Basic EPS is calculated by dividing the profit for the year attributable to equity holders of the company by the weighted average number of equity shares outstanding during the year.

Diluted EPS is calculated by dividing the profit attributable to equity holders of the company by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares of the company.

The following reflects the income and share data used in the basic and diluted EPS computations:-

27. Fair Value hierarchy

The following table provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into Level 1 to Level 3 as described below:

Level 1: It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the balance sheet date like equity shares. The equity shares are valued using the closing market price as at the balance sheet date.

Level 2: It includes fair value of the financial instruments that are not traded in an active market like over-the-counter derivatives, which is valued by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on the company specific estimates. If all significant inputs required to fair value if instrument are observable then instrument is included in level 2.

Level 3: Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs). If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

The following table provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into Level 1 to Level 2 as described below:-

34. Risk Management Objectives and policies

A summary of the major risk faced by the company, its measurement monitoring and management are described as under:

Nature of Risk	Arising From	Executive Governance Structure	Measurement, monitoring and management of risk
Liquidity and funding risk	Liquidity risk arises from mismatches in the timing of cash flows. Funding risk arises. Funding risk arises: + when long term assets cannot be funded at the expected term resulting in cash flow mismatches; + Amidst volatile market conditions impacting sourcing of funds from banks and money markets.	Board appointed Asset Liability Committee (ALCO)	Liquidity and funding risk is: + measured by identifying gaps in the structural and dynamic liquidity statements. + monitored by - Assessment of the gap between visibility of funds and the near term liabilities given current liquidity conditions and evolving regulatory directions for NBFCs. - a constant calibration of sources of funds in line with emerging market conditions in banking and money markets. - periodic reviews by ALCO relating to the liquidity position and stress tests assuming varied 'what if' scenarios and comparing probable gaps with the liquidity buffers maintained by the Company.

Nature of Risk	Arising From	Executive Governance Structure	Measurement, monitoring and management of risk
Interest rate risk	Interest rate risk stems from movements in market factors, such as interest rates, credit spreads which impacts the investments, income and the value of portfolios	Board appointed Asset Liability Committee	Interest rate risk is: + measured using Valuation at Risk ('VaR'), and modified duration analysis and other measures, including the sensitivity of net interest income. + monitored by assessment of probable impacts of interest rate sensitivities under simulated stress test scenarios given range of probable interest rate movements on both fixed and floating assets and liabilities. + managed by the Company's treasury team under the guidance of ALCO.
Credit risk	Credit risk is the risk of financial loss arising out of a customer or counter party failing to meet their repayment obligations to the Company	Board appointed Risk Management Committee	Credit risk is: + measured as the amount at risk due to repayment default of a customer or counterparty to the Company. Various metrics such as EMI default rate, overdue position, collection efficiency, customers non performing loans etc. are used as leading indicators to assess credit risk. + monitored by Risk Management Committee using level of credit exposures, portfolio monitoring, repurchase rate, bureau data of portfolio performance and industry, geographic, customer and portfolio concentration risks. + managed by a robust control framework by the risk department which continuously align credit policies, obtaining external data from credit bureaus and reviews of portfolios and delinquencies by senior and middle Management team comprising of risk, analytics, collection and fraud containment along with business. The same is periodically reviewed by the Board appointed Risk Management committee.

**Liquidity and funding risk**

The company's ALCO monitors asset liability mismatches to ensure that there are no imbalances or excessive concentrations on either side of the Balance Sheet.

The company continuously monitors liquidity in the market; and as a part of its ALCO strategy, the company maintains a liquidity buffer to reduce the risk.
