NOTICE

Notice is hereby given that the 35th Annual General Meeting of the members of **TUNI TEXTILE MILLS LIMITED** will be held on Thursday, the 29th day of September, 2022 at 2.00 P.M. through Video Conferencing (VC)/Other Audio Visual Means (OAVM) to transact the following businesses as:

ORDINARY BUSINESS:

1. To consider and adopt the audited financial statements of the Company for the financial year ended March 31, 2022 along with the reports of the Board of Directors and the Auditors thereon.
2. To appoint Director in place of Mrs. Urmila Devi Sureka (DIN: 02344028), who retires by rotation and being eligible offers herself for re-appointment.

Explanation: Based on the terms of appointment, office of Executive Directors and the Non-Executive & Non Independent Chairman are subject to retirement by rotation. Mrs. Urmila Devi Sureka, who was appointed on March 23, 2015, whose office is liable to retire at the ensuing AGM, being eligible, seeks re-appointment. Based on performance evaluation and the recommendation of the Nomination and Remuneration Committee, the Board recommends his re-appointment.

Therefore, members are requested to consider and if thought fit, to pass the following resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of Section 152 and other applicable provisions of the Companies Act, 2013, Mrs. Urmila Devi Sureka (DIN: 02344028), who retires by rotation, be and is hereby re-appointed as a Director liable to retire by rotation."

SPECIAL BUSINESS:**3. Appointment of Mr. Narendra Kumar Sureka as Managing Director for the period of 5 years**

To consider and if thought fit, to pass the following resolution with or without modification as a Special Resolution:

"RESOLVED THAT pursuant to the provisions of Sections 196, 197 & 203 read with Schedule V and other applicable provisions, if any, of the Companies Act, 2013 ("the Act"), The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modifications or re-enactment(s) thereof for the time being in force), approval of the members be and is hereby accorded for appointment of Mr. Narendra Kumar Sureka (DIN : 01963265) as Chairman & Managing Director of the Company, for a period of 5 years commencing from April 1, 2023 up to March 31, 2028 upon the terms and conditions as set out in the Explanatory Statement and the Agreement submitted to this meeting, which Agreement is hereby specifically sanctioned with liberty to the Board of Directors (hereinafter referred to as "the Board" which term shall deemed to include any Committee of Directors for the time being authorized by the Board of Directors) to alter and vary the terms and conditions of the said appointment and/or Agreement in such manner as may be agreed to between the Board and Mr. Narendra Kumar Sureka and is liable to retire by rotation."

"RESOLVED FURTHER THAT the Board be and is hereby authorized to do all such acts, deeds and things as may be necessary to give effect to this resolution."

Note:

The Company's Statutory Auditor, M/s DBS & Associates, Chartered Accountants, Mumbai (FRN – 081627N) was appointed as Statutory Auditor's for a period of five consecutive years at the 32nd AGM of the Company held on 27th September 2019 on remuneration to be determined by the Board of Directors.

Pursuant to the amendments made to Section 139 of the Companies Act, 2013 by the Companies (Amendment) Act, 2017, which came into effect from 7th May 2018, the requirement of seeking ratification of the Members for the appointment of the Statutory Auditor has been withdrawn from the Statute.

In view of the above, ratification of the Members for continuance of their appointment at this AGM is not being sought. The Statutory Auditors have given a confirmation to the effect that they are eligible to continue with their appointment and have not been disqualified in any manner from continuing as Statutory Auditor. The remuneration payable to the Statutory Auditor shall be determined by the Board of Directors based on the recommendation of the Audit Committee.

5. Password details for shareholders other than Individual shareholders are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered**
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "**Forgot User Details/Password?**"(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.

- b) **Physical User Reset Password?"** (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
 8. Now, you will have to click on "Login" button.
 9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and who's voting cycle and General Meeting is in active status.
2. Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join General Meeting".
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

1. that in the preparation of the Annual Accounts for the year ended March 31, 2022, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;
2. the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at March 31, 2022 and of the profit/(loss) of the Company for the year ended on that date;
3. that the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
4. the annual accounts have been prepared on a going concern basis;
5. that the Directors had laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively; and
6. that the Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

BUSINESS RISK MANAGEMENT

Business risks and mitigation plans are reviewed and the internal audit processes include evaluation of all critical and high risk areas. Critical functions are rigorously reviewed and the reports are shared with the Management for timely corrective actions, if any. The main focus of internal audit is to review business risks, test and review controls, assess business processes besides benchmarking controls with best practices in the industry.

The Audit Committee of the Board of Directors, Statutory Auditors and Business Heads are periodically apprised of the internal audit findings and corrective actions.

The Audit Committee of the Board of Directors actively reviews the adequacy and effectiveness of the internal control systems and evaluates the recommendations of the Board. The Audit Committee suggests improvements and utilizes the reports generated from a Management Information System integral to the control mechanism.

However the Company is not required to constitute Risk Management Committee under Listing Regulations, 2015.

INTERNAL AUDIT AND INTERNAL FINANCIAL CONTROL AND ITS ADEQUACY

Based on the framework of internal financial controls and compliance systems established and maintained by the Company, the work performed by the internal, statutory and secretarial auditors and external consultants, including the audit of internal financial controls over financial reporting by the statutory auditors and the reviews performed by management and the relevant board committees, including the audit committee, the Board is of the opinion that the Company's internal financial controls were adequate and effective during FY 2022.

NOMINATION, REMUNERATION AND BOARD DIVERSITY POLICY

The Board of Directors has framed a policy which lays down a framework in relation to remuneration of Directors, Key Managerial Personnel and Senior Management of the Company. The Policy broadly lays down the guiding principles, philosophy and the basis for payment of remuneration to Executive and Non-executive Directors (by way of sitting fees and commission), Key Managerial Personnel, Senior Management and other employees. The policy also provides the criteria for determining qualifications, positive attributes and Independence of Director and criteria for appointment of Key Managerial Personnel/Senior Management and performance evaluation which are considered by the Nomination and Remuneration Committee and the Board of Directors while making selection of the candidates. The above policy has been posted on the website of the Company.

MANAGEMENT DISCUSSIONS & ANALYSIS

COVID-19, ANNUAL OVERVIEW AND OUTLOOK

The Indian economy contracted by 6.6% during Fiscal Year 2020-21 (FY21), but witnessed steady recovery despite the COVID-19 related uncertainties. There were expectations of a strong double-digit recovery. But an intense second wave of COVID-19 pandemic, which resulted in localised lockdowns, derailed this growth and dampened consumer sentiment. The successful rollout of the world's largest vaccination drive, pick-up in government expenditure and better preparedness compared with the first wave limited the negative economic impact. The overall Consumer Price Index (CPI) inflation was at 6.0% in January 2022, and could remain elevated in the near future due to high input cost pressures, largely stemming from supply chain disruptions and upward pressure on crude oil. The Monetary Policy Committee (MPC) of the Reserve Bank of India (RBI) maintained its accommodative stance, retaining the repo rate at 4% and indicating that policy support to economic growth remains a priority. The Union Government plans to boost capital expenditure, with government spending taking the lead and attracting private investments in turn, but without derailing the fiscal deficit 'glide path' to 4.5% by FY26. The country's Gross Domestic Product ('GDP') is expected to rebound by 8.9% in FY22 based on current government estimates. For FY23 real GDP growth is expected to be near 8.0% and fiscal deficit is projected to be at 6.4% of GDP, lower than the fiscal deficit of 6.9% of GDP for FY22.

INDIAN TEXTILE INDUSTRY

Textile sector has continuously maintained trade surplus with exports manifold higher than imports. In FY 2020-21 there was a deceleration in textile exports due to pandemic disrupting the supply chain and demand.

However, signs of recovery are visible in 2021-22. During April-December, 2021 the total Textiles & Apparel including Handicrafts exports was US\$ 29.8 billion as compared to US\$ 21.2 billion for the same period last year. This implies robust growth of approximately 41% over last year. Growth signals an economic rebound.

Even compared to pre-pandemic year i.e. 2019-20 export for textile sector (Textiles & Apparel including Handicrafts) increased by 14.6% from April- December 2021 as compared to April-December 2019. Textiles exhibited an increase in export of 31%, Cotton Yarn/ Fabrics/ Made-ups, Handloom products etc. exhibited an increase of 43% and Jute products exhibited an increase of 33% from April- December 2021 as compared to April-December, 2019.

Government has set the target of \$44 billion for Textiles & Apparel including Handicrafts and approximately 68% of annual target has already been achieved. The last quarter of FY always has higher activity than the earlier quarters. Hence industry is hopeful that targets will be duly met.

OPPORTUNITIES & THREATS

Opportunities

The textile industry in India is very strong as it has a variety of natural and man-made fibres and yarns. India's textile industry plays a technological and capital-intensive role and is compared with industries like heavy machinery, automobile etc. Since the pattern of industrialisation in trade has become common in consumer goods industries and labour-intensive industries there is immense opportunity in the textile industry.

India is estimated to be the second most appealing market by the year 2025 contributing up to US \$121 billion where as China has been estimated to be the biggest appealing market contributor by adding US \$378 billion by the year 2025.

India has one of the fastest growing economies with the GDP increasing to 7.2% in the year 2017- 2018. This creates a boost in the purchasing power of the people while it also spurs the demand for products of the textile industry. This boost results in a wide range of capacity to manufacture different products that can be transported within India as well as across the world.

Apart from this, India has one of the most extremely varied textile sectors as it has hand woven textiles on one end while capital intensive mills on the other end which results in an enormous number of opportunities in the textile industry.

Threats

Though there are many opportunities and investment in the textile industry, like any other industry, the textile industry of India also undergoes certain challenges. The frequently changing policies stated by the government at the central and state levels create an immense pressure on the textile industry. The GST applied on the products makes the garments and clothes even more expensive.

Another challenge that the textile industry faces is the limitation to access the latest and best technology while also failing to meet the global standards in the competitive export market. Apart from these issues like child labour,

competition from neighboring countries regarding low-cost garments, personal safety norms are some of the challenges the Indian textile industry faces.

RISKS AND CONCERNS

Tuni Textile Mills Ltd. (TUNI) has exposures in the business of Textile Segment. TUNI are exposed to specific risks that are particular to their respective businesses and the environments within which they operate, including market risk, competition risk, credit risk, liquidity and interest rate risk, human resource risk, operational risk, information security risks, regulatory risk and macro-economic risks. The level and degree of each risk varies depending upon the nature of activity undertaken by them.

LIQUIDITY AND INTEREST RATE RISK

The Company is exposed to liquidity risk principally, because of lending and investment for periods which may differ from those of its funding sources. Management team actively manages asset liability positions in accordance with the overall guidelines laid down by various regulators. The Company may be impacted by volatility in interest rates in India which could cause its margins to decline and profitability to shrink. The success of the Company's business depends significantly on interest income from its operations. It is exposed to interest rate risk, both as a result of lending at fixed interest rates and for reset periods which may differ from those of its funding sources. Interest rates are highly sensitive to many factors beyond the Company's control, including the monetary policies of the RBI, deregulation of the financial sector in India, domestic and international economic and political conditions and, inflation. As a result, interest rates in India have historically experienced a relatively high degree of volatility.

The Company seeks to match its interest rate positions of assets and liabilities to minimize interest rate risk. However, there can be no assurance that significant interest rate movements will not have an adverse effect on its financial position.

HUMAN RESOURCES

The Company takes pride in the commitment, competence and dedication of its employees in all areas of the business. The Company has a structured induction process and management development programs to upgrade skills of managers.

Your Company believes in the potential of people to go beyond and be the game-changing force for business transformation and success. This potential is harnessed by fostering an open and inclusive work culture that enables breakthrough performance and comprehensive development of employees through the three pillars of Leading Self, Leading Teams and Leading Business.

CORPORATE SOCIAL RESPONSIBILITY INITIATIVES

The provision of the Companies Act, 2013 relating to CSR Initiatives are not applicable to the Company.

COMPLIANCE

The Compliance function of the Company is responsible for independently ensuring that operating and business units comply with regulatory and internal guidelines. The Compliance Department of the Company is continued to play a pivotal role in ensuring implementation of compliance functions in accordance with the directives issued by regulators, the Company's Board of Directors and the Company's Compliance Policy. The Audit Committee of the Board reviews the performance of the Compliance Department and the status of compliance with regulatory/internal guidelines on a periodic basis.

The Company has complied with all requirements of regulatory authorities. No penalties/strictures were imposed on the Company by stock exchanges or SEBI or any statutory authority on any matter related to capital market during the last three years.

Corporate Governance is modus operandi of governing a corporate entity which includes a set of systems, procedures and practices which ensure that the Company is managed in the best interest of all corporate stakeholders i.e. shareholders, employees, suppliers, customers and society in general. Fundamentals of Corporate Governance include transparency, accountability, reporting and independence. For accomplishment of the objectives of ensuring fair Corporate Governance, the Government of India has put in place a framework based on the stipulations contained under the Companies Act, SEBI Regulations, Accounting Standards, Secretarial Standards, etc. Corporate Governance has become a buzzword in the corporate world. Globalizations, widespread of shareholders, changing ownership structure, greater expectations, etc. have made a good Corporate Governance sin-quo-nun of modern management.

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

The Company's governance philosophy is based on trusteeship, transparency and accountability. As a corporate citizen, our business fosters a culture of ethical behaviour and disclosures aimed at building trust of our stakeholders. The Company's Code of Business Conduct and Ethics, Internal Code of Conduct for Regulating, Monitoring and Reporting of Trades by Insiders and the Charter-Business for Peace are an extension of our values and reflect our commitment to ethical business practices, integrity and regulatory compliances.

The Company's governance framework is based on the following principles:

- ✓ Appropriate composition and size of the Board, with each member bringing in expertise in their respective domains;
- ✓ Timely disclosure of material operational and financial information to the stakeholders;
- ✓ Availability of Information to the members of the Board and Board Committees to enable them to discharge their fiduciary duties;
- ✓ Systems and processes in place for internal control; and
- ✓ Proper business conduct by the Board, Senior Management and Employees.

COMMITTEES OF THE BOARD

In terms of the Companies Act 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board of Directors has constituted Board Committees to deal with specific areas and activities which concern the Company and requires a closer review. The Board Committees are formed with approval of the Board and function under their respective Charters. These Committees play an important role in the overall Management of day-to-day affairs and governance of the Company. The Board Committees meet at regular intervals and take necessary steps to perform its duties entrusted by the Board. The Minutes of the Committee Meetings are placed before the Board for noting.

The Company has three Board Level Committees:

- Audit Committee
- Nomination & Remuneration Committee
- Stakeholders' Relationship Committee

AUDIT COMMITTEE

Audit Committee of the Board of Directors ("the Audit Committee") is entrusted with the responsibility to supervise the Company's internal controls and financial reporting process. The composition, quorum, powers, role and scope are in accordance with Section 177 of the Companies Act, 2013 and the provisions of Regulation 18 of the Listing Regulations. All members of the Audit Committee are financially literate and bring in expertise in the fields of Finance, Taxation, Economics, Risk and International Finance. It functions in accordance with its terms of reference that defines its authority, responsibility and reporting function.

In view of the amendments to the Listing Regulations and SEBI PIT Regulations, the Board amended the terms of reference of the Committee, effective from 1 April 2019.

These broadly include oversight of the Company's financial reporting process and disclosure of its financial information, review of financial statements, review of compliances and review of systems and controls, approval or any subsequent modification of transactions of the Company with related parties, review compliance with regulation 9A of the SEBI PIT Regulations, etc.

TERMS OF REFERENCE

The Board has framed the Audit Committee Charter for the purpose of effective compliance of provisions of Section 177 of the Act and Regulation 18 of the Listing Regulations. The Audit Committee inter alia performs the functions to:

1. Review with the Company's Chief Financial Officer ('CFO'), the preparation, execution and results of the Company's annual internal audit work program;
2. Review the Company's financial reporting process and the disclosure of its financial information to ensure that the financial statements are correct, sufficient and credible;
3. Review with the management, performance of statutory and internal auditors and review of adequacy of the internal control systems;
4. Discussion with statutory auditors before audit commences, about the nature and scope of audit as well as post-audit discussion to ascertain any area of concern;
5. Discussion with internal auditors on any significant findings and follow up thereon;
6. Recommend appointment of Statutory, Internal and Cost Auditors and their remuneration;
7. Look after the risk assessment including fraud risk and risk guidelines governing the risk management process;
8. Review the management discussion and analysis of financial condition and results of operations;
9. Review statement of significant related party transactions (as defined by the Audit Committee), submitted by management;
10. Review the internal audit reports relating to internal control weaknesses;
11. Scrutinize inter-corporate loans and investments;
12. Review the functioning of the Whistle blower mechanism; and
13. Review compliance with the provisions of SEBI (Prohibition of Insider Trading) Regulations, 2015 with reference to events which were regarded as UPSI, whether such UPSI were shared in the manner expected, instances of leaks, if any, instance of breaches of the Code, efficiency of sensitization process, etc. at least once in a financial year and shall verify that the systems for internal control are adequate and are operating effectively.

In fulfilling the above role, the Audit Committee has powers to investigate any activity within its terms of reference, to seek information from employees and to obtain outside legal and professional advice.

FUNCTIONS OF AUDIT COMMITTEE

The Audit Committee, while reviewing the Annual Financial Statements also reviews the applicability of various Accounting Standards (AS) referred to in Section 133 of the Companies Act, 2013. Compliance of the Accounting Standards as applicable to the Company has been ensured in the preparation of the Financial Statements for the year ended March 31, 2022.

The Audit Committee bridges the gap between the Internal Auditors and the Statutory Auditors. To ensure good Governance, the Company has been rotating Partners of Statutory Auditors. The Statutory Auditors are responsible for

performing Independent audit of the Company's financial statements in accordance with the generally accepted auditing practices and issuing reports based on such audits, while the Internal Auditors are responsible for the internal risk controls.

Besides the above, Chairman and Managing Director, Chief Financial Officer, the representatives of the Statutory Auditors and the Internal Auditors are permanent invitees to the Audit Committee Meetings. The Company Secretary acts as a Secretary to the Committee as required by Regulation 18(1)(e) of the Listing Regulations.

The Company follows best practices in financial reporting. The Company has been reporting on quarterly basis, the Un-audited Financial Results as required by the Regulation 33 of the Listing Regulations. The Company's quarterly Un-audited Standalone Financial Results are made available on the website www.tunitextiles.com and are also sent to the Stock Exchanges where the Company's equity shares are listed for display at their respective websites.

The Audit Committee also oversees and reviews the functioning of a vigil mechanism (implemented in the Company as a Whistle Blower Policy) and reviews the finding of investigation into cases of material nature and the actions taken in respect thereof.

INTERNAL CONTROLS AND GOVERNANCE PROCESSES

The Company continuously invests in strengthening its internal control and processes. The Audit Committee along with the CFO formulates a detailed plan to the Internal Auditors for the year, which is reviewed at the Audit Committee Meetings. The Internal Auditors attend the meetings of Audit Committee at regular intervals and submit their recommendations to the Audit Committee and provide a road map for the future.

CONSTITUTION AND MEETINGS OF AUDIT COMMITTEE

During the FY 2021-22, there was no change in the composition of Audit Committee.

The members of Audit Committee met five times on dated 29th June, 13th August, 3rd November and on 26th November in year 2021 and on 10th February in the year 2022 during the financial year ended on 31st March 2022.

PREVENTION OF INSIDER TRADING

The Company has adopted an 'Internal Code of Conduct for Regulating, Monitoring and Reporting of Trades by Designated Persons ("the Code")' in accordance with the SEBI (Prohibition of Insider Trading) Regulations, 2015 as amended from time to time ("the PIT Regulations").

The Code is applicable to Promoters, Member of Promoter's Group, all Directors and such Designated Persons who are expected to have access to unpublished price sensitive information relating to the Company. The Company Secretary is the Compliance Officer for monitoring adherence to the said PIT Regulations.

The Company has put in place adequate and effective system of internal controls to ensure compliance with the requirements of the PIT Regulations. A structured digital database is being maintained by the Company, which contains the names and other particulars as prescribed of the persons covered under the Codes drawn up pursuant to the PIT Regulations.

The Company has formulated the 'Policy on Procedure of Inquiry in case of leak / suspected leak of Unpublished Price Sensitive Information' ('UPSI'). The policy is formulated to maintain ethical standards in dealing with sensitive information of the Company by persons who have access to UPSI. The rationale of the policy is to strengthen the internal control systems to ensure that the UPSI is not communicated to any person except in accordance with the Insider Trading Regulations. The Policy also provides an investigation procedure in case of leak/suspected leak of UPSI.

The Company has also formulated a Policy for determination of 'legitimate purposes' as a part of the Code of Practices and Procedures for Fair Disclosure of UPSI as per the requirements of the Insider Trading Regulations. The Company Secretary has been appointed as the Compliance Officer for ensuring implementation of the codes for fair disclosure and conduct. The Board, designated persons and other connected persons have affirmed compliance with the Code. This Code is displayed on the Company's website.

CREDIT RATINGS

The members of Board restrict themselves from any discussions and voting in transactions that they have concern or interest.

VIGIL MECHANISM / WHISTLE BLOWER POLICY

The Company has a whistle blower policy encompassing vigil mechanism pursuant to the requirements of the section 177(9) of the Act and regulation 22 of the Listing Regulations. The Board of Directors, at its meeting held on 14th February 2019, revised whistle blower policy containing, inter alia, leak or suspected leak of unpublished price sensitive information in view of SEBI (Prohibition of Insider Trading) Regulations, 2015, as amended, (SEBI PIT Regulations). The policy/vigil mechanism enables directors and employees to report to the Management their concerns about unethical behaviors, actual or suspected fraud or violation of the Company's code of conduct or ethics policy and leak or suspected leak of unpublished price sensitive information.

This mechanism provides safeguards against victimization of directors/employees who avail of the mechanism and provides for direct access to the Chairman of the Audit Committee in exceptional cases. The policy has been appropriately communicated to the employees within the Organisation and has also been hosted on the Company's website viz. www.tunitextiles.com

COMPLIANCES REGARDING INSIDER TRADING

Pursuant to the SEBI (Prohibition of Insider Trading) Regulations, 2015, the Company has a Board approved code of conduct to regulate, monitor and report trading by insiders ('code of conduct') and a Code of Practices and Procedures for Fair Disclosure of unpublished price sensitive information ('code of fair disclosure').

During the year under review, SEBI amended the SEBI PIT Regulations. In view of the amendments to the said Regulations, the Board of Directors, at its meeting held on 14th February 2019, inter alia approved the following, with effect from 1 April 2019:

- a. Revised code of conduct to regulate, monitor and report trading by Designated Persons;
- b. Revised code of practices and procedures for fair disclosure of unpublished price sensitive information;
- c. Revised whistle blower policy;
- d. Institutional mechanism for prevention of insider trading; and
- e. Amendment to the terms of reference of the Audit Committee.

The code of conduct and code of fair disclosure framed by the Company have helped in ensuring compliance with the requirements.

- d) DP will submit the DRF and original share certificates to the Registrar and Transfer Agents (RTA), which is Purva Sharegistry (India) Private Limited.
- e) RTA will process the DRF and confirm or reject the request to DP/ depositories
- f) Upon confirmation of request, the shareholder will get credit of the equivalent number of shares in his demat account maintained with the DP

y. Important Points

Investors should hold securities in dematerialized form, as transfer of shares in physical form is no longer permissible.

As mandated by SEBI, w.e.f. April 1, 2019, request for effecting transfer of securities shall not be processed unless the securities are held in dematerialized form with a depository except for transmission and transposition of securities.

Members are advised to dematerialize securities in the Company to facilitate transfer of securities.

Holding securities in dematerialized form is beneficial to the investors in the following manner:

- A safe and convenient way to hold securities;
- Elimination of risk(s) associated with physical certificates such as bad delivery, fake securities, delays, thefts, etc.;
- Immediate transfer of securities;
- No stamp duty on electronic transfer of securities;
- Reduction in transaction cost;
- Reduction in paperwork involved in transfer of securities;
- No odd lot problem, even one share can be traded;
- Availability of nomination facility;
- Ease in effecting change of address / bank account details as change with Depository Participants (DPs) gets registered with all companies in which investor holds securities electronically;
- Easier transmission of securities as the same is done by DPs for all securities in demat account;
- Automatic credit in to demat account of shares, arising out of bonus / split / consolidation / merger / etc.;
- Convenient method of consolidation of folios/accounts;
- Holding investments in Equity, Debt Instruments, Government securities, Mutual Fund Units etc. in a single account;
- Ease of pledging of securities; and
- Ease in monitoring of portfolio.

Members holding Shares in Physical mode:

- a) are required to submit their Permanent Account Number (PAN) and bank account details to the Company / RTA, if not registered with the Company as mandated by SEBI.
- b) are advised to register the nomination in respect of their shareholding in the Company. Nomination Form SH-13 ([Pursuant to section 72 of the Companies Act, 2013 and rule 19(1) of the Companies (Share Capital and Debentures) Rules 2014] can be obtained from the Company's Registrar and Share Transfer Agent. The Securities and Exchange Board of India vide its circular no. SEBI / HO / MIRSD / DOS3 / CIR / P / 2019 / 30 dated February 11, 2019, with a view to address the difficulties in transfer of shares, faced by non-residents and foreign nationals, has

decided to grant relaxations to non-residents from the requirement to furnish PAN and permit them to transfer equity shares held by them in listed entities to their immediate relatives subject to the following conditions:

- a) The relaxation shall only be available for transfers executed after January 1, 2016.
- b) The relaxation shall only be available to non-commercial transactions, i.e. transfer by way of gift among immediate relatives.
- c) The non-resident shall provide copy of an alternate valid document to ascertain identity as well as the non-resident status.
- d) Non-Resident Indian members are requested to inform Purva Sharegistry (India) Private Limited, Company's Registrar and Transfer Agent immediately on the change in the residential status on return to India for permanent settlement.

z. Electronic Payment Services

Investors should avail the Electronic Payment Services for payment of dividend as the same reduces risk attached to physical dividend warrants. Some of the advantages of payment through electronic credit services are as under:

- Avoidance of frequent visits to banks for depositing the physical instruments;
- Prompt credit to the bank account of the investor through electronic clearing;
- Fraudulent encashment of warrants is avoided;
- Exposure to delays / loss in postal service avoided; and
- As there can be no loss in transit of warrants, issue of duplicate warrants is avoided.

Printing of bank account numbers, names and addresses of bank branches on dividend warrants provide protection against fraudulent encashment of dividend warrants. Members are requested to provide the same to the Company's Registrar and Transfer Agent (RTA) for incorporation on their dividend warrants.

aa. Register for SMS alert facility

bb. Intimate Mobile Number

Shareholders are requested to intimate their mobile number and changes therein, if any, to Company's RTA viz. Purva Sharegistry (India) Private Limited to their dedicated e-mail id i.e., "support@purvashare.com", if shares are held in physical form or to their DP if the holding is in electronic form, to receive communications on corporate actions and other information of the Company.

cc. Submit Nomination Form and avoid Transmission hassle

Nomination helps nominees to get the shares transmitted in their favour without any hassles. Investors should get the nomination registered with the Company in case of physical holding and with their Depository Participants in case shares are held in dematerialised form.

Form may be downloaded from the Company's website, under the section 'Investor Relations'. However, if shares are held in dematerialised form, nomination has to be registered with the concerned Depository Participants directly, as per the form prescribed by the Depository Participants.

dd. Deal only with SEBI registered intermediaries

Investors should deal only with SEBI registered intermediaries so that in case of deficiency of services, investor may take up the matter with SEBI.

ee. Corporate benefits in electronic form

Investor holding shares in physical form should opt for corporate benefits like bonus / split / consolidation / merger / etc. in electronic form by providing their demat account details to the Company's RTA.

ff. Register e-mail address

Investors should register their e-mail address with the RTA / Depository Participants. This will help them in receiving all communication from the Company electronically at their e-mail address. This also avoids delay in receiving

communications from the Company. Prescribed form for registration may please be downloaded from the Company's website.

gg. Facility for a Basic Services Demat Account (BSDA)

SEBI has stated that all the depository participants shall make available a BSDA for the shareholders unless otherwise opted for regular demat account with (a) No Annual Maintenance charges if the value of holding is upto ₹ 50,000; and (b) Annual Maintenance charges not exceeding ₹ 100 for value of holding from ₹ 50,001 to ₹ 2,00,000. (Refer circular CIR/MRD/ DP/22/2012 dated August 27, 2012 and circular CIR/MRD/ DP/20/2015 dated December 11, 2015).

TUNI TEXTILE MILLS LIMITED

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying financial statements of **Tuni Textile Mills Limited** ("the Company"), which comprise the Balance Sheet as at 31 March 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit including other comprehensive income, its changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matters

We draw your attention to the following matters:

- i. As stated in note 45 to the financial statements, some of the balances of Trade Receivables, Trade payable etc. are subject to confirmation from the respective parties and consequential reconciliation/adjustment arising there from, if any.
- ii. We were unable to observe physical verification of Inventory carried out by the Management subsequent to the year-end, we have relied upon the details which have been provided by the management.

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matter described below the key audit matters to be communicated in our report

Key Audit Matters	How our Audit addressed the key Audit Matters
<p>Appropriateness of revenue recognition on sale of goods.</p> <p>Refer note 2.2 and Note 26 of the financial statements.</p> <p>The Company has revenue from sale of goods and sale of services.</p>	<p>Our audit procedures relating to revenue recognition include the following:</p> <ol style="list-style-type: none"> a. Understood and performed procedures to assess the design and test the operating effectiveness of relevant controls related to recording of revenue. b. Assessed whether the policy of recognizing revenue was in line with Ind AS - 115.

<p>Revenue from sale of goods is recognised under Ind AS 115- 'Revenue from Contracts with Customers' at a point in time when the control has been transferred, which generally coincides with dispatch of products to customers in case of domestic sales and on the basis of bill of lading in the case of export sales.</p> <p>Revenue from services is recognized by measuring progress towards satisfaction of performance obligation for the services rendered</p> <p>We determined this to be a key audit matter due to significant time and effort involved in assessing the appropriateness of revenue recognition and covering the aspects of completeness, accuracy, occurrence and cut off.</p>	<ul style="list-style-type: none"> c. Tested the reconciliation of the amounts as per the sales register to the general ledger. d. Performed tests, on sample basis by validating the amounts recorded with the underlying documents which inter - alia includes invoices, dispatch documents, customer orders/ contracts, receipt of consideration from customers, where applicable. e. Performed cut off testing, on sample basis and ensured that the revenue from sale of goods is recognised in the appropriate period. <p>Based on the above procedures performed, we did not identify any exceptions in revenue recognition on sale of goods.</p>

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards prescribed under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. A. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;

- e) on the basis of written representations received from the directors as on 31 March 2022, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2022, from being appointed as a director in terms of Section 164 (2) of the Act;
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; and
- B. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules 2014, in our opinion and to our best of our information and according to the explanations given to us:
- a) The Company has disclosed the impact of pending litigations on its financial position in its financial statements—Refer Note 35 to the financial statements;
- b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- c) There were no amounts which were required to be transferred to the Investor Education and protection Fund by the Company; and
- d) i. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- ii. The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
- iii. Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (d) (i) and (d) (ii) contain any material mis-statement.
- e) The Company has not declared or paid any dividend during the year therefore, the provisions of Section 123 of the Act are not applicable.
- C. With respect to the matter to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 read with schedule V of the Act.

Annexure B to the Independent Auditor's Report

Referred to in paragraph 2A(f) under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date

Report on the Internal Financial Controls over financial reporting under section 143(3)(i) of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Tuni Textile Mills Limited** ("the Company") as of 31st March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note")

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the Internal Control over Financial Reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls over Financial Reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls System over Financial Reporting and their operating effectiveness. Our audit of Internal Financial Controls over Financial Reporting included obtaining an understanding of Internal Financial Controls over Financial Reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls system over Financial Reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's Internal Financial Control over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's Internal Financial Control over Financial Reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with

authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of Internal Financial Controls over Financial Reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls over Financial Reporting to future periods are subject to the risk that the Internal Financial Control over Financial Reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

TUNI TEXTILE MILLS LIMITED**Notes to the financial statements for the year ended 31st March 2022****Note 1: CORPORATE INFORMATION**

Tuni Textile Mills Limited ("the Company") is a public limited Company domiciled in India with its registered office at Suite 267, Bldg. 5B, 2nd Floor, Mittal Industrial Estate, Andheri Kurla Road, Andheri (E), Mumbai 400 059. The Company is listed on the BSE Limited (BSE). The Company is manufacturer of Grey fabrics.

Note 2: SIGNIFICANT ACCOUNTING POLICIES**2.1) BASIS OF PREPARATION****A) Statement of Compliance**

- a) These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.
- b) The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.
- c) The financial statements of the Company for the year ended 31st March, 2022 were approved for issue in accordance with the resolution of the Board of Directors on 27th May, 2022.

B) Basis of Measurement

These financial statements are prepared under the historical cost convention, except for the following:

- a) Certain financial assets and liabilities that are measured at fair value (refer- Accounting policy regarding financial instruments).
- b) Defined benefit plans –present value of defined benefit obligation unless otherwise indicated.

C) Functional and Presentation Currency

These financial statements are presented in Indian Rupees, the functional currency of the Company. Items included in the financial statements of the Company are recorded using the currency of the primary economic environment in which the Company operates (the 'functional currency').

D) Use of Estimates

- a) The preparation of financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities prospectively.
- b) Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:
 - i) Measurement of defined benefit obligations - Note 19.
 - ii) Measurement and likelihood of occurrence of provisions and contingencies - Note 19 & 25 and 35.
 - iii) Recognition of deferred tax liabilities - Note 8.

E) Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values for, both financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

Further information about the assumptions made in measuring fair values is included in the note 40.

2.2) REVENUE RECOGNITION

The Company derives revenues primarily from sale of manufactured goods.

Effective April 1, 2018, the Company has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts. The Company has adopted Ind AS 115 using the retrospective effect method. The adoption of the new standard did not have a material impact on the Company.

Sale of Goods

Revenue from sale of products is recognised when control of the products has transferred, being when the products are delivered to the customer. Delivery occurs when the products have been shipped or delivered to the specific location as the case may be, the risks of loss has been transferred, and either the customer has accepted the products in accordance with the sales contract, or the Company has objective evidence that all criteria for acceptance have been satisfied. Sale of products includes related ancillary services, if any.

The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.

Sale of Services

Revenue from services is recognized by measuring progress towards satisfaction of performance obligation for the services rendered.

Other operating revenue - Export incentives

The benefits, on account of entitlement to import duty free raw material under the Advance License Scheme in respect of goods already exported, are not valued and brought into the books in the year of export. The raw materials are recorded at cost at which they are procured in the year of import.

The benefits under FMS/FPS/Incremental Export Incentivisation Scheme and Duty Drawback Scheme are recognized when the exports are made.

2.3) EMPLOYEE BENEFITS

a) Short term employee benefits

All employee benefits payable wholly within twelve months of rendering services are classified as short-term employee benefits. Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Short-term benefits such as salaries, wages, bonus, ex gratia, short-term compensation absences, etc., are determined on an undiscounted basis and recognized in the period in which the employee renders the related service.

b) Post-Employment Benefits**Defined Contribution Plans**

Obligations for contributions to defined contribution plans such as Provident Fund maintained with Regional Provident Fund Office and Employees State Insurance Corporation ('ESIC') are expensed as the related service is provided.

Defined Benefit Plans

The following post – employment benefit plans are covered under the defined benefit plans:

- Gratuity Fund

The Company provides for gratuity, a defined benefit retirement plan covering eligible employees. The Gratuity Plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Company. The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income.

c) Other Long-Term Employee Benefits**Compensated Absences**

The Company does not have any leave encashment policy. Further any unutilized leave at the end of the year is lapsed and not eligible for carry forward.

2.4) FOREIGN CURRENCY TRANSACTIONS AND TRANSLATION

Transactions in foreign currencies are recorded in the functional currency, by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Foreign currency monetary items (assets and liabilities) are restated using the exchange rate prevailing at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to finance costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or Statement of Profit and Loss are also recognised in OCI or Statement of Profit and Loss, respectively).

2.5) ACCOUNTING FOR TAXES ON INCOME

Income tax expense for the period comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognized directly in equity or in other comprehensive income.

Current tax is the expected tax payable on the taxable income for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of previous years.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves. Unrecognized deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

MAT credit entitlement is recognized and carried forward only if there is a reasonable certainty of it being set off against regular tax payable within the stipulated statutory period.

2.6) PROPERTY, PLANT & EQUIPMENT

Property, plant and equipment are stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises of purchase price and any attributable cost such as duties, freight, borrowing costs, erection and commissioning expenses incurred in bringing the asset to its working condition for its intended use. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted and depreciated for as separate items (major components) of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of profit and loss during the period in which they are incurred.

Gains or losses arising on retirement or disposal of property, plant and equipment are recognised in the Statement of profit and loss.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress".

2.7) INTANGIBLE ASSETS

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortisation/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

2.8) INVESTMENT PROPERTIES

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured at its cost, including related transaction costs and where applicable borrowing costs less depreciation and impairment if any.

2.9) DEPRECIATION

Depreciation on Property, Plant & Equipment is provided on straight line method at the rates and in the manner specified in Schedule II to the Companies Act, 2013. In the case of revalued assets, depreciation is calculated on straight line method on the revalued amounts as determined by the valuer.

Depreciation on Property, Plant & Equipment added/disposed-off/discarded during the period has been provided on the pro-rata basis with reference to the date of addition/disposal/discarding.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

2.10) AMORTIZATION

Intangible assets (Application Software) acquired by the Company are amortised on a straight line basis over its useful life i.e. three years, as decided by the management.

Amortisation methods, useful lives and residual values are reviewed at each reporting date and adjusted prospectively, if appropriate.

2.11) BORROWING COSTS

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

2.12) LEASES

As a Lessee

The Company assesses whether a contract is, or contains a lease, at inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: i) the contract involves the use of an identified asset ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and iii) the Company has the right to direct the use of the asset.

At the commencement date of the lease, the Company recognises a right-of-use asset and a corresponding lease liability for all lease arrangements in which it is lessee, except for short-term leases (leases with a term of twelve months or less), leases of low value assets and, for contract where the lessee and lessor has right to terminate a lease without permission from the other party with no more than an insignificant penalty. The lease expense of such short-term leases, low value assets leases and cancellable leases, are recognised as an operating expense on a straight-line basis over the term of the lease.

At commencement date, lease liability is measured at the present value of the lease payments to be paid during non-cancellable period of the contract, discounted using the incremental borrowing rate. The right-of-use assets is initially recognised at the amount of the initial measurement of the corresponding lease liability, lease payments made at or before commencement date less any lease incentives received and any initial direct costs.

Subsequently the right-of-use asset is measured at cost less accumulated depreciation and any impairment losses. Lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using effective interest rate method) and reducing the carrying amount to reflect the lease payments made. The right-of-use asset and lease liability are also adjusted to reflect any lease modifications or revised in-substance fixed lease payments.

As a lessor:

Leases for which the Company is a lessor is classified as finance or operating leases. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease.

All other leases are classified as operating leases.

Income from operating leases where the Company is a lessor is recognised as income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the Standalone Balance Sheet based on their nature. Leases of property, plant and equipment where the Company as a lessor has substantially transferred all the risks and rewards are classified as finance lease. Finance leases are capitalised at the inception of the lease at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rent receivables, net of interest income, are included in other financial assets. Each lease receipt is allocated between the asset and interest income. The interest income is recognised in the Standalone Statement of Profit and Loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the asset for each period.

2.13) PROVISION, CONTINGENT LIABILITIES & CONTINGENT ASSETS

Provisions are recognized when the Company has a present obligation, as a result of past events, for which it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability is a possible obligation that arise from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognised because it is probable that an outflow of resources will not be required to settle the obligation. However, if the possibility of outflow of resources, arising out of present obligation, is remote, it is not even disclosed as contingent liability. The company does not recognize a contingent liability but discloses its existence in the financial statement.

Contingent assets are neither recognized nor disclosed in the financial statements.

2.14) IMPAIRMENT OF NON-FINANCIAL ASSETS

At each reporting date, the Company reviews the carrying amounts of its non-financial assets (other than deferred tax assets) to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or Cash generating units ("CGU"). The recoverable amount of an asset or CGU is the greater of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU. An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its recoverable amount. Impairment losses are recognised in profit or loss. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognized.

2.15) EARNINGS PER SHARE

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted-average number of equity shares outstanding during the period. The weighted-average number of equity shares outstanding during the period and for all years presented is adjusted for events such as bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted-average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.16) INVENTORIES

Inventories are valued at lower of cost and estimated net realisable value. Obsolete, defective and unserviceable stocks are provided for. Materials-in-process are valued at raw material cost and estimated cost of conversion. Cost of finished goods includes conversion and other costs incurred in bringing the inventories to their present location and condition

Cost of Inventories is computed on FIFO basis. Goods in transit, if any, are stated at actual cost incurred up to the date of balance sheet.

2.17) FINANCIAL INSTRUMENTS

I. FINANCIAL ASSETS

A) Initial Recognition And Measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction costs are attributed to the acquisition value of the financial asset. Trade receivables and debt securities are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

B) Classification And Subsequent Measurement

- a) **Amortised cost:** A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- b) **Fair value through other comprehensive income (FVOCI):** A financial asset is measured at FVOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- c) **Fair value through profit and loss (FVTPL):** A financial asset which is not classified in any of the above categories is measured at FVTPL.

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

C) Cash And Bank Balances

- i. **Cash and Cash Equivalents** which includes cash in hand, deposits held at call with banks and other short term deposits which are readily convertible into known amounts of cash, are subject to an insignificant risk of change in value and have maturities of 3 months or less from the date of such deposits. These balances with banks are unrestricted for withdrawal and usage.
- ii. **Other Bank Balances** which includes balances and deposits with banks that are restricted for withdrawal and usage.

D) Equity Instruments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

E) Trade Receivables and Loans

Trade receivables are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

F) Debt Instruments

Debt instruments are initially measured at amortised cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till de-recognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

G) Impairment of Financial Asset

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, security deposits, bank deposits and bank balance.
- b) Trade receivables

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

The impairment losses and reversals are recognised in Statement of Profit and Loss.

H) Income recognition

Interest Income

Interest income is accrued on a time proportion basis, by reference to the principal outstanding and effective interest rate applicable.

Dividend Income

Dividend income from investments is recognised when the right to receive payment has been established.

II. FINANCIAL LIABILITIES

A) Initial Recognition And Measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

B) Classification And Subsequent Measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss; are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

C) De-Recognition of Financial Instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

III. Offsetting of Financial Assets and Financial Liabilities

Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Company has a legal right to offset the amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

Amounts are in ₹ in Lakh

19.a : The Disclosure required under Accounting Standard 15" Employee Benefits notified in the Companies (Accounting Standards) Rules, 2006 are given below:

i. Defined Contribution Plan:

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards Provident Fund, which is a defined contribution plan. The Company has no obligations other than to make the specified contributions. The contributions are charged to the Statement of Profit and Loss as they accrue.

Particulars	As at March 31, 2022	As at March 31, 2021
Employer's Contribution to Provident Fund	0.97	0.28

ii. Defined Benefit Plan:

Particulars	As at March 31, 2022	As at March 31, 2021
Leave Encashment	0.49	0.27

Gratuity:

The Company provides for gratuity for employees as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible to gratuity at the rate of fifteen days wages for every completed year of service or part thereof in excess of six months, based on the rate of wages last drawn by the employee.

The employee's gratuity scheme is non -fund based. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

Based on the actuarial valuation obtained in this respect, the following table sets out the details of the employee benefit obligation as at balance sheet date.

I. Reconciliation of Opening and closing balances of Defined Benefit Obligation:	Gratuity (Unfunded)

Rate of escalation in salary (per annum)	7.00%	7.00%

Sensitivity of the defined benefit obligation:

The following table summarizes the impact in percentage terms on the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 50 basis points.

Particulars	March 31, 2022		March 31, 2021	
	Increase	Decrease	Increase	Decrease
Discount rate (50 bps movement)	-4.58%	5.12%	-5.07%	5.68%
Rate of increase in salaries (50bps movement)	4.72%	-4.30%	5.28%	-4.85%

The above sensitivity analyses have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the reporting date. In practice, generally it does not occur. When we change one variable, it affects to others. In calculating the sensitivity, project unit credit method at the end of the reporting period has been applied.

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

The Company's philosophy is to not to externally fund these liabilities but instead create an accounting provisions in its books of accounts and pay the gratuity to its employees directly from its own resources as and when the employee leaves the Company.

The expected contribution payable to the plan next year is therefore Nil.

The expected maturity analysis of undiscounted gratuity is as follows:

Particulars	Up to 1 year	Between 1-2 years	Between 2-5 years	More than 5 years	Total
31 March 2022	13.11	7.53	2.81	80.09	103.54
31 March 2021	8.88	0.85	8.88	87.95	106.56

The weighted average duration to the payment of these cash flows is 9.68 years (31 March 2021 : 10.72 years)

Note 39: Capital Management

The Company's policy is to maintain a strong capital base so as to maintain creditor and market confidence and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to ordinary shareholders. The board of directors seeks to maintain a balance between the higher returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position.

The Company monitors capital using a ratio of 'net debt' to 'equity'. For this purpose, net debt is defined as total borrowings less cash & cash equivalents, bank deposit (including earmarked balances) and current investments.

The table below summarizes the capital, net debt and net debt to equity ratio of the Company.

Note 40: Financial Instruments and Risk Review**A. Financial Instrument****Fair value measurement hierarchy**

The fair values of financial instruments as below have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The categories used are as follows

Level 1: Quoted prices (unadjusted) in active markets: This level of hierarchy includes financial assets or liabilities that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. This category consists of mutual fund investments.

Level 2: Valuation techniques with observable inputs: This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: Valuation techniques with significant unobservable inputs: This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model did not based on assumptions that are supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The following tables presents the carrying value and Fair value measurement hierarchy of each category of financial assets and liabilities

	Amount (Rs. in Lakh)

Total	1575.63	-	1814.21	-

There have been no financial assets and financial liabilities which have been fair valued under level 1, 2 and 3 categories therefore no details for the same given in the table above.

Valuation

The fair values of the financial assets and liabilities are defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent.

Financial assets and liabilities measured at fair value as at Balance Sheet date:

- a) Short-term financial assets and liabilities are stated at carrying value which is approximately equal to their fair value.
- b) Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

B. Financial Risk Management Framework

The Company's business activities are exposed to a variety of financial risks, namely credit risk, liquidity risk and market risk (currency risk and interest rate risk). The Company's management and the Board of Directors have the overall responsibility for establishing and governing the Company's risk management framework. The Board of Directors which is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee and Board of Directors of the Company.

i) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations. Financial instruments that are subject to credit risk principally consist of trade receivables, investments, loans, cash and cash equivalents, other balances with banks and other financial assets. None of the financial instruments of the Company result in material credit risk.

Trade Receivable: The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country, in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company has established a credit policy under which each new customer is analyzed individually for creditworthiness before entering into contract.

Expected credit loss assessment

This Company makes provision for expected credit losses on trade receivable using provision matrix to mitigate the risk of default payment and make appropriate provision at each reporting period.

The movement in the allowance for impairment in respect of trade receivables during the year was as follows:

Particulars	31-03-2022	31-03-2021
Balance as at beginning of the year	13.29	11.75
Impairment loss recognised	7.63	1.54
Provisions written-back during the year	-	-
Balance as at end of the year	20.92	13.29

Management believes that the unimpaired amounts that are past due by more than 365 days are fully collectible, based on historical payment behavior and extensive analysis of customer credit risk, including underlying customers credit ratings, of that are available.

Credit risk on cash and cash equivalents, other bank balances with bank is limited as the Company generally invests in deposits with banks. Investments primarily include investment in liquid mutual fund units.

The Company's maximum exposure to credit risk as at 31st March, 2021 and 31st March 2018 is the carrying value of each class of financial assets.

ii) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both

normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The following table shows a maturity analysis of the anticipated cash flows including interest obligations for the Company's financial liabilities. Cash flows in foreign currencies are translated using the period end spot rates.

iii) Market Risk

Market risk is the risk that the changes in market prices such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long-term debt. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

a) Currency Risk

The Company is subject to the risk that changes in foreign currency values impact the Company's exports revenue. As at 31st March, 2022, the net unhedged exposure to the Company on holding assets (trade receivables) other than in their functional currency is as under:

The Company is exposed to foreign exchange risk arising from US Dollar.
