(7) Pecuniary relationship directly or indirectly with the company, or relationship with the managerial personnel, if any : No

OTHER INFORMATION:

i) **Reasons of loss or inadequate profits** : The Economic slowdown continues to bear an impact on the overall business. IT organizations are working towards improving efficiencies through better business intelligence reducing the dependence on the manpower. While this is a positive move in terms of the overall Analytics/Business Intelligence business segment of Goldstone, the impact is seen on the managed services/staffing side of the business. There is a need to focus on diversifying the business beyond the key revenue generating segments that Goldstone has been catering to.

ii) **Steps taken or proposed to be taken for improvement:** Having ventured into the Business Intelligence segment 3 year ago, the company is in a respectable pool of major customers within the software sales segment (Tableau Analytics). We are

moving in the direction of developing our consulting segment by producing a high talent pool of certified analytics resources catering to the niche implementation and business analysis customers, which is the key area of growth for this period. The analytics consulting business has seen a steady growth quarter on quarter during the FY 2016-17. We are taking steps in the right direction to boost this growth further while focusing on consistent growth in the off-shore support, managed services and staffing segments.

iii) Expected increase in productivity and profits in measurable terms:

The Company will take the opportunity in the BI Analytics and off-shore IT support segments and expected to grow to the tune of 30 to 35 % in the FY 2017-18 resulting into considerable growth in Turnover and Profitability.

No stock options have been proposed or given to Mr. C. Sudhakar Reddy.

The above mentioned explanatory statement read together with the resolutions specified under SPECIAL BUSINESS as item no. 4 & 5 of the Notice convening the Annual General Meeting may be considered as an abstract, under Section 102 of the Companies Act, 2013.

Your Directors recommended the resolution for your approval.

MEMORANDUM OF INTEREST:

None of the Directors or Key Managerial Personnel of the Company or their relatives is concerned or interested in the resolution except to the extent of their shareholding in the Company, if any.

Industry Structure, Development and Outlook

Outlook for India in 2017

The National Association of Software and Services Companies (NASSCOM) today announced that the growth outlook for the IT industry in FY18 at 10-11% for domestic market and 7-8% for exports, citing improvements in financial services and high potential in digital businesses as key drivers.

This outlook comes on the back of political and economic uncertainties that impacted decision making and discretionary spend during the past year. NASSCOM also cited an increase in requirement for integrated digital capabilities and automation based projects from customers, which were key investment areas for the industry.

NASSCOM highlighted the industry's position as a net hirer with the demand for technology skilled professionals growing in the sector and across other sectors as well. The industry body stated that it was however imperative for new and existing talent to reskill themselves to prepare for emerging job roles which required new skillsets. The fiscal year will see growth driven by the modernization of operations for client firms and the adoption of new technologies such as SaaS applications, cloud platforms, BI, cognitive and embedded analytics as enterprise customers scale digital projects.

Business Intelligence (BI) and Analytics;

Global revenue in the business intelligence (BI) and analytics software market is forecast to reach \$18.3 billion in 2017, an increase of 7.3 percent from 2016, according to the latest

forecast from Gartner, Inc. By the end of 2020, the market is forecast to grow to \$22.8 billion.

According to Gartner, modern BI and analytics continues to expand more rapidly than the overall market, which is offsetting declines in traditional BI spending. The modern BI and analytics platform emerged in the last few years to meet new organizational requirements for accessibility, agility and deeper analytical insight, shifting the market from IT-led, system-of-record reporting to business-led, agile analytics including self-service.

The modern BI and analytics market is expected to decelerate, however, from 63.6 percent growth in 2015 to a projected 19 percent by 2020. Gartner believes this reflects data and analytics becoming mainstream. The market is growing in terms of seat expansion, but revenue will be dampened by pricing pressure.

Gartner believes the rapidly evolving modern BI and analytics market is being influenced by the following seven dynamics:

- 1. Modern BI at scale will dominate new buying** - While business users initially flocked to new modern tools because they could be used without IT assistance, the increased need for governance will serve as the catalyst for renewed IT engagement. Modern BI tools that support greater accessibility, agility and analytical insight at the enterprise level will dominate new purchases.
- 2. New innovative and established vendors will drive the next wave of market disruption** - The emergence of smart data discovery capabilities, machine learning and automation of the entire analytics work flow will drive a new flurry of buying because of its potential value to reduce time to insights from advanced analytics and deliver them to a broader set of people across the enterprise. While this "smart" wave is being driven by new innovative startups, traditional BI vendors that were slow to adjust to the current "modern" wave are driving it in some cases.

3. **Need for complex datasets drives investments in data preparation** —

Business users want to analyze a diverse, often large and more complex combinations of data sources and data models, faster than ever before. The ability to rapidly prepare, clean, enrich and find trusted datasets in a more automated way becomes an important enabler of expanded use.

4. **Extensibility and embeddability will be key drivers of expanded use and value** —

Both internal users and customers will either use more automated tools or will embed analytics in the applications they use in their context, or a combination of both. The ability to embed and extend analytics content will be a key enabler of more pervasive adoption and value from analytics.

5. **Support for real-time events and streaming data will expand use** —

Organizations will increasingly leverage streaming data generated by devices, sensors and people to make faster decisions. Vendors need to invest in similar capabilities to offer buyers a single platform that combines real-time events and streaming data with other types of source data.

6. **Interest in cloud deployments will continue to grow** - Cloud deployments of BI and analytics platforms have the potential to reduce cost of ownership and speed time to deployment. However, data gravity that still tilts to the majority of enterprise data residing on-premises continues to be a major inhibitor to adoption. That reticence is abating and Gartner expects the majority of new licensing buying likely to be for cloud deployments by 2020.

7. **Marketplaces will create new opportunities for organizations to buy and sell analytic capabilities and speed time to insight** - The availability of an active marketplace where buyers and sellers converge to exchange analytic applications, aggregated data sources, custom visualizations and algorithms is

likely to generate increased interest in the BI and analytics space and fuel its future growth.

Opportunities, Threats, Risks and Concerns:

Goldstone Technologies continues to focus on rapid growth opportunities in the technology sector. The business and analytics domain remains our core priority area for the next few years. We are keen on transitioning to the next level of BI solutions by integrating our services and offering a complete package of analytics.

With the digital boom, it is predicted that 80 per cent of incremental expenditures over the next decade may be driven by digital technologies. Goldstone Technologies excited to dive into the digital revolution and be a part of this enormous digital change. We are exploiting opportunities within the digital domain that add value to our existing portfolio of services.

We have forged meaningful partnerships with our peers and customers to provide effective solutions to businesses. Our relentless focus on superior customer engagement has helped us become the partner of choice.

Our association and experience with business intelligence has given us an added advantage in becoming a successful implementation partner for Tableau. We continue to be one of the premium partners with Tableau, rated as the top visualization tool by Gartner in their latest release.

Few challenges that we will need to overcome during this growth phase

- Increasing shift of the adoption towards 'subscription' and 'term' models against the earlier 'perpetual' models – while this is the right direction of shift, might cause a short term dip in the business revenues
- Taking on a more customer centric approach with focus on customization
- Many competing products and solutions in the market - more choices for customers

- Retention of customers by providing continuing value additions
- Reinvent and optimize traditional offerings along with integrating new services

INDEPENDENT AUDITOR'S REPORT

To the Members of

GOLDSTONE TECHNOLOGIES LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of M/s GOLDSTONE TECHNOLOGIES LIMITED ("the Company"), which comprises the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 7 of Companies (Accounts) Rules, 2014. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements:

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view

in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March 2017, its loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters Specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we further report that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c) the Balance Sheet, Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d) in our opinion, the aforesaid standalone financial statements comply with the applicable Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014.
 - e) On the basis of written representations received from the directors as on March 31, 2017, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017, from being appointed as a director in terms of Section 164(2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B'; and
- g) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact on its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the company during the year ended 31st March 2017.
 - iv. The Company has provided requisite disclosures in its Financial Statements (Note No. 22) as to holdings as well as dealings in Specified Bank Notes during the period from 8th November, 2016 to 30th December, 2016 and these are in accordance with the books maintained by the Company.

Annexure B to the Independent Auditor's Report

Report on the Internal Financial Controls under clause (i) of the Sub-section 3 of the Section 143 of the Companies Act, 2013 ('The Act')

We have audited the internal financial controls over financial reporting of GOLDSTONE TECHNOLOGIES LIMITED ('the company') as of 31st march 2017 in conjunction with our audit of standalone financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our Audit. We conducted our audit in accordance with the Guidance note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the standards on Auditing deed to be prescribed under section 143(10) of the Act to the extent applicable to an Audit of Internal Financial Controls, both applicable to an audit of Internal

Financial Controls and both issued by the ICAI. These standards and guidance note require that we comply with ethical requirements and plan and performed the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our Audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's Judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion and the company's internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes these policies and procedures that (1) pertain to the maintenance of records that, in reasonable detailed, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted principles,

and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be deducted. Also, Projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2017, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute Of Chartered Accountants of India.

23. SIGNIFICANT ACCOUNTING POLICIES & NOTES ON ACCOUNTS

A) Statement on Significant Accounting Policies

i) Basis of Accounting

The Financial Statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost conversion on accrual basis, except certain tangible assets which are being carried at revalued amounts. Pursuant to section 133 of the Companies Act 2013 read with the Rule 7 of the Companies (Accounts) Rules 2014, till the standards of accounting or any addendum thereto are prescribed by the Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing accounting standards notified under the Companies Act 1956, shall continue to apply. Consequently these financial statements have been prepared to comply in all material respects with the accounting standards notified under Section 211(3C) of the Companies Act, 1956 (Companies Accounting Standards Rules, 2006 as amended) and the relevant provisions of the Companies Act, 2013 ('the Act'). The accounting policies have been consistently applied with those used in the previous year.

ii) Method of Accounting

The Company follows mercantile system of accounting and recognizes income and expenditure on accrual basis.

iii) Revenue Recognition:

- a) All incomes and expenditure are accounted on accrual basis
- b) Revenue from Information Technology Software Support Service contracts, priced on time and material basis, is

recognised on the basis of billable time spent by employees working on the project, at the contracted rate.

- c) Revenue from fixed price contracts is recognized on milestones achieved as per the terms of specific contracts.

iv) Fixed Assets:

- a) Fixed Assets are stated at cost less depreciation. Project expenses/Pre-operative expenses are capitalized to the respective asset heads on a proportionate basis. Any capital grant or subsidy received is reduced from the cost of eligible assets.
- b) During the year the Company has provided Depreciation on Fixed Assets based on the estimated life in the manner prescribed in Schedule II Part C to the Companies Act, 2013.

v) Depreciation:

- a) Depreciation on Fixed Assets is provided on straight-line method.
- b) Effective from 1st April 2014, the Company depreciates its fixed assets over the useful life as prescribed in Schedule II of the Companies Act 2013, as against the earlier practice of depreciating at the rates prescribed in the Schedule XIV of the Companies Act, 1956.

vi) Investments:

Investments are classified into current Investments and long-term investments. Current Investments are carried at the lower of cost or market value. Any reduction in carrying amount and any reversals of such reductions are charged or credited to the profit and loss account. Long term investments are carried at cost less provision made to recognize any permanent diminution in the value of such investments.

vii) Foreign Currency Transactions:

Transactions in foreign currency are recorded at the exchange rate prevailing on the date of transaction. In respect of foreign subsidiaries, all revenue and expense transactions during the year are translated at average rate. Monetary assets and liabilities are translated at the rate prevailing on the balance sheet date whereas non-monetary assets and liabilities are translated at the rate prevailing on the date of the transaction. The resultant gain on account of foreign currency translation to be shown as foreign currency translation reserve and loss to be charged off after adjusting the reserve.

viii) Retirement Benefits to Employees

Contributions to defined Schemes such as Provident Fund, Employees State Insurance Scheme are charged to the profit and loss account as incurred on accrual basis. The Company provides the retirement benefits in the form of Gratuity and Leave Encashment on the basis of actuarial valuation made by Independent actuary as at balance sheet date.

ix) Provision for Current and Deferred Tax

Provision for current Tax is made after taking into consideration benefits admissible under the provisions of the Income Tax Act, 1961. Deferred Tax resulting from timing differences between book and taxable profits is accounted by using the tax rates and laws that have been enacted as on the Balance Sheet date. The Deferred Tax Asset is recognized only to the extent there is reasonable certainty that the Asset is realized in future.

x) Impairment of assets

An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value. An impairment loss is charged to the Profit and Loss account in the year in which an asset is identified as impaired.

xi) Contingent Liabilities and Contingent Assets

Liabilities, which are contingent in nature, are not recognized in the books of account but are disclosed separately in the Notes. Contingent Assets are neither recognized nor disclosed in the books of account.

Accounting for Provisions, Contingent Liabilities and Contingent Assets:

Provisions have been recognized by the Company for all present obligations arising from past events, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made by using a substantial degree of estimation. This is as per the provisions of AS-28 issued by ICAI.

Contingent Liabilities are recognized only when there is a possible obligation arising from past events due to occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an on-going basis and only those having a largely probable outflow of resources are provided for.

Contingent Assets have not been recognized in the financial statements.

xii) Claims

Claims made by the Company are recognized to the extent the Company deems them recoverable. Claims against the Company, including liquidated damages, are recognized only on acceptance basis.

xiii) Inventories

Inventories are valued at cost or net realizable value, whichever is less. Cost comprises of expenditure incurred in the normal course of business in bringing such inventories to its their location. Finished goods at the factory are valued at cost in all applicable cases. Obsolete, non-moving and defective

inventories are identified at the time of physical verification of inventories and adequate provision, wherever necessary, is made for such inventories.

xiv) Intangible Assets

Intangible Assets are recognized in the Balance Sheet at cost, net of any accumulated amortization / impairment. Preliminary expenses are amortized over a period of 5 years.

xv) Borrowing Costs

Borrowing costs that are directly attributable to the acquisition or construction of a qualifying asset are capitalized as part of cost of such asset. Other borrowing costs are treated as a period cost and are expensed in the year of occurrence.

Annexure A to the Independent Auditor's Report

Report on the Internal Financial Controls under clause (i) of the Sub-section 3 of the Section 143 of the Companies Act, 2013 ('The Act')

In conjunction with our Audit of the consolidated financial statements of the company as of and for the year ended 31st March 2017, we have audited the internal financial controls over financial reporting of GOLDSTONE TECHNOLOGIES LIMITED ('the Holding company') and its subsidiary company companies which are incorporated in India, as of the date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary company, which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our Audit. We conducted our audit in accordance with the Guidance note on Audit of Internal Financial

Controls Over Financial Reporting (the "Guidance Note") and the standards on Auditing deed to be prescribed under section 143(10) of the Act to the extent applicable to an Audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. These standards and guidance note require that we comply with ethical requirements and plan and performed the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our Audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's Judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion and the company's internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes these policies and procedures that (1) pertain to the maintenance of records that, in reasonable detailed, accurately and fairly reflect

the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted principles, and that receipts and expenditures of the Company are being made only in accordance with authorization of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be deducted. Also, Projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, The Holding Company and its subsidiary company, which are incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2017, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute Of Chartered Accountants of India.

23. SIGNIFICANT ACCOUNTING POLICIES & NOTES ON ACCOUNTS

A) Statement on Significant Accounting Policies

i) a) Basis of Accounting

The Financial Statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost conversion on accrual basis, except certain tangible assets which are being carried at revalued amounts. Pursuant to section 133 of the Companies Act 2013 read with the Rule 7 of the Companies (Accounts) Rules 2014, till the standards of accounting or any addendum thereto are prescribed by the Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing accounting standards notified under the Companies Act 1956, shall continue to apply. Consequently these financial statements have been prepared to comply in all material respects with the accounting standards notified under Section 211(3C) of the Companies Act, 1956 (Companies Accounting Standards Rules, 2006 as amended) and the relevant provisions of the Companies Act, 2013 ('the Act'). The accounting policies have been consistently applied with those used in the previous year.

b) Basis of Consolidation

The group financial statements are prepared in accordance with the principles and procedures required for the preparation and presentation of consolidated financial statements as laid down under the accounting standard on Consolidated Financial

Statements issued by the Institute of Chartered Accountants of India. The Group financial statements incorporate the financial information of Goldstone Technologies Enterprises Limited, its Subsidiaries are those entities that are controlled by the Company. Control exists when the Company has the power, directly or indirectly, to govern the financial and operating policies of the enterprise so as to obtain benefits from the date on which control is acquired by the Group and no longer consolidated from the date such control ceases. The financial statements of the parent company and subsidiaries have been combined on a line by line basis by adding together the book values of like items of assets, liabilities, income and expenses after eliminating intra-group balances and transactions and any resulting unrealized gain / loss arising from intra group transactions. Unrealized losses resulting from intra group transactions of Subsidiaries have been adjusted, where necessary, to ensure consistency with the accounting policies adopted by the Group. The companies which were taken into consolidation are as follows:

- 1) Staytop Systems Inc.
- 2) Staytop Systems and Software Pvt. Ltd.

c) Method of Accounting

The Company follows mercantile system of accounting and recognizes income and expenditure on accrual basis.

- c) Revenue from fixed price contracts is recognized on milestones achieved as per the terms of specific contracts.

iii) Fixed Assets:

- a) Fixed Assets are stated at cost less depreciation. Project expenses/Pre-operative expenses are capitalized to the respective asset heads on a proportionate basis. Any capital grant or subsidy received is reduced from the cost of eligible assets.
- b) Depreciation on Fixed Assets is provided Depreciation on Fixed Assets based on the estimated life in the manner specified in Schedule II, Part C to the Companies Act, 2013.

iv) Depreciation:

- a) Depreciation on Fixed Assets is provided on straight -line method.
- b) Effective from 1st April 2014, the Company depreciates its fixed assets over the useful life as prescribed in Schedule II of the Companies Act 2013, as against the earlier practice of depreciating at the rates prescribed in the Schedule XIV of the Companies Act, 1956.

v) Investments:

Investments are classified into current Investments and long-term investments. Current Investments are carried at the lower of cost or market value. Any reduction in carrying amount and any reversals of such reductions are charged or credited to the profit and loss account. Long term

investments are carried at cost less provision made to recognize any permanent diminution in the value of such investments.

vi) Foreign Currency Transactions:

Transactions in foreign currency are recorded at the exchange rate prevailing on the date of transaction. In respect of foreign subsidiaries, all revenue and expense transactions during the year are translated at average rate. Monetary assets and liabilities are translated at the rate prevailing on the balance sheet date whereas non-monetary assets and liabilities are translated at the rate prevailing on the date of the transaction. The resultant gain on account of foreign currency translation to be shown as foreign currency translation reserve and loss to be charged off after adjusting the reserve.

vii) Retirement Benefits to Employees

Contributions to defined Schemes such as Provident Fund, Employees State Insurance Scheme are charged to the profit and loss account as incurred on accrual basis. The Company provides the retirement benefits in the form of Gratuity and Leave Encashment on the basis of actuarial valuation made by Independent actuary as at balance sheet date.

viii) Provision for Current and Deferred Tax

Provision for current Tax is made after taking into consideration benefits admissible under the provisions of the Income Tax Act, 1961. Deferred Tax resulting from timing differences between book and taxable profits is accounted by using the tax rates and laws that have been enacted as on the Balance Sheet date. The Deferred Tax Asset is recognized only to the extent there is reasonable certainty that the Asset is realized in future.

ix) Impairment of assets

An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value. An impairment loss is charged to the Profit and Loss account in the year in which an asset is identified as impaired.

x) Contingent Liabilities and Contingent Assets

Liabilities, which are contingent in nature, are not recognized in the books of account but are disclosed separately in the Notes. Contingent Assets are neither recognized nor disclosed in the books of account.

xi) Claims

Claims made by the Company are recognized to the extent the Company deems them recoverable. Claims against the Company, including liquidated damages, are recognized only on acceptance basis.

xii) Inventories

Inventories are valued at cost or net realizable

value, whichever is less. Cost comprises of expenditure incurred in the normal course of business in bringing such inventories to its their location. Finished goods at the factory are valued at cost in all applicable cases. Obsolete, non-moving and defective inventories are identified at the time of physical verification of inventories and adequate provision, wherever necessary, is made for such inventories.

xiii) Intangible Assets

Intangible Assets are recognized in the Balance Sheet at cost, net of any accumulated amortization / impairment. Preliminary expenses are amortized over a period of 5 years.
