Brilliant White

White projects purity, cleanliness, and neutrality. Doctors don white coats, brides traditionally wear white gowns and a white picket fence surrounds a safe and happy home.

Brilliant Orange

Orange, a close relative of red, sparks more controversy than any other hue. There is usually strong positive or negative association to orange and true orange generally elicits a stronger "love it" or "hate it" response than other colors. Fun and flamboyant orange radiates warmth and energy. Interestingly, some of the tones of orange such as terra cotta, peach or rust have very broad appeal.

Brilliant Pink

Brighter pinks are youthful, fun, and exciting, while vibrant pinks have the same high energy as red; they are sensual and passionate without being too aggressive. Toning down the passion of red with the purity of white results in the softer pinks that are associated with romance and the blush of a young woman's cheeks. It's not surprising that when giving or receiving flowers, pink blossoms are a favorite. Pink is the color of happiness and is sometimes seen as lighthearted. For women who are often overworked and overburdened, an attraction to pink may speak of a desire for the more carefree days of childhood.

- Bright pinks, like the color red, stimulate energy and can increase the blood pressure, respiration, heartbeat, and pulse rate. They also encourage action and confidence.
- Pink has been used in prison holding cells to effectively reduce erratic behavior.

Brilliant Blue

Blue is the overwhelming "favorite color." Blue is seen as trustworthy, dependable and committed. The color of sky and the ocean, blue is perceived as a constant in our lives. As the collective color of the spirit, it invokes rest and can cause the body to produce chemicals that are calming; however not all blues are serene and sedate. Electric or brilliant blues become dynamic and dramatic, an engaging color that expresses exhilaration.

Some shades or the overuse of blue may come across as cold or uncaring. Blue is the least "gender specific" color, having equal appeal to both men and women.

Brilliant Red Violet

Purple embodies the balance of red stimulation and blue calm. This dichotomy can cause unrest or uneasiness unless the undertone is clearly defined at which point the purple takes on the characteristics of its undertone. A sense of mystic and royal qualities, purple is a color often well liked by very creative or eccentric types and is the favorite color of adolescent girls.

- **Clarity of Thought** It enhances the ability to focus and concentrate, assisting with clear thinking and decision - making and the development of good organizational skills.
- **Calming** It is calming yet invigorating, restoring depleted energies.
- **Non-emotional** A negative effect of turquoise is that it can cause people to be too aloof and to hide their emotional reactions.

Brilliant Green

Green occupies more space in the spectrum visible to the human eye and is second only to blue as a favorite color. Green is the pervasive color in the natural world that is an ideal backdrop in interior design because we are so used to seeing it everywhere.

The natural greens, from forest to lime, are seen as tranquil and refreshing, with a natural balance of cool and warm (blue and yellow) undertones. Green is considered the color of peace and ecology. However, there is an "institutional" side to green, associated with illness or Government-issued that conjure up negative emotions as do the "slimy" or bilious greens.

The industry growth exceeds that of the manufacturing sector, despite the challenges of escalating crude oil prices and demanding international environmental protection standards which are now adopted globally. Pharmaceuticals and petrochemicals are the two biggest segments in chemicals that account for approximately 26 per cent and 35 per cent respectively of the overall industry size. Europe, is the largest consumer of chemicals in the world, accounting for approximately half the global chemical consumption, USA consumes approximately one-fifth. The global chemicals industry is being shaped by the following trends that are impacting business models, processes and product segments of multinational players.

- A 2034 vision for the chemicals and petrochemicals sector has been set up by the government to explore opportunities to improve domestic production, reduce imports and attract investments in the sector. The government plans to implement production-link incentive system with 10-20% output incentives for the agrochemical sector; to create an end-to-end manufacturing ecosystem through the growth of clusters.
- In October 2020, the government urged players in the agrochemicals industry to come out with new molecules of global standards for the farmers' benefit, while CropLife India, the industry body, pitched for stable policies and regulatory regimes to boost growth in the sector.

We have audited the standalone financial statements of Hindprakash Industries Limited ("the Company"), which comprise the standalone balance sheet as at 31st March 2022, the standalone statement of profit and loss and the standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.
- 2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2022, and profit and its cash flows for the year ended on that date.

Basis for Opinion

- 3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.
- 4. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

- 5. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matter	How the matter was address in our audit
Revenue Recognition: Revenue of the Company mainly comprises of sale of goods to its customers. Revenue from sale of goods is recognized when control is transferred to the customer and there is no other unfulfilled obligation. This requires detailed analysis of each contract/ customer purchase order regarding timing of revenue recognition. Inappropriate assessment could lead to a risk of revenue being recognized on sale of goods before the control in the goods is transferred to the customer. Accordingly, timing of recognition of revenue is a key audit matter.	In view of the significance of the matter, we applied the following audit procedures in this area, among others to obtain sufficient appropriate audit evidence: <ul style="list-style-type: none">- Assessing the Company's accounting policies for revenue recognition by comparing with the applicable accounting standards;- Testing the design, implementation and operating effectiveness of key internal controls over timing of recognition of revenue from sale of goods;- Performed testing on selected samples of customer contracts/ customer purchase orders. Checked terms and conditions related to acceptance of goods, acknowledged delivery receipts and tested the transit time to deliver the goods and its revenue recognition. Our tests of details focused on cut-off samples to verify only revenue pertaining to current year is recognized based on delivery documents along with terms and conditions set out in customer contracts/ customer purchase orders.

Information Other than the Standalone Financial Statements and Auditors' Report thereon

6. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexure to Board's Report (but does not include the standalone financial statements and our auditor's report thereon) and the rest of the Annual Report (the "Other Information"). The Other Information is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibility of Management and for the Standalone Financial Statements

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
8. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
11. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
12. Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.
13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
