#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for Audit of the Standalone Financial Results for the quarter and six months ended September 30, 2024, section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Results for the quarter and six months ended September 30, 2024 under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

#### Management's Responsibilities for the Standalone Financial Results

This Statement, which includes the Standalone Financial Results is the responsibility of the Company's Board of Directors and has been approved by them for the issuance. The Statement has been compiled from the related audited interim financial information for the quarter and six months ended September 30, 2024. This responsibility includes the preparation and presentation of the Statement that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with

the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Results that give a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the financial reporting process of the Company.

**Auditor's Responsibilities for Audit of the Standalone Financial Results for the quarter and six months ended September 30, 2024**

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Results, including the disclosures, and whether the Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Standalone Financial Results of the Company to express an opinion on the Standalone Financial Results.

Materiality is the magnitude of misstatements in the Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and communicate to them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Accordingly, we do not express an audit opinion.

### Highlights

- Decorative Business (India) registered volume decline of 0.5% with revenue decline of 6.7%
  - Weak consumer sentiments coupled with persistent rains through the quarter and floods in some parts of the country impacted consumption
  - Revenue was affected by price cuts taken last year, shift in mix and increased rebates. Impact of price increases implemented during Q2 are expected to flow through in the 2<sup>nd</sup> half of the year
- Industrial Business registered decent growth supported by the General Industrial, Protective Coatings and Refinish segments
- All categories in the Home Décor business benefited from synergies with our Beautiful Homes stores network, though at a lower clip than expectations. - International business registered a marginal value decline despite some challenging market conditions in Ethiopia and Bangladesh. Though on a constant currency basis, the international portfolio delivered revenue growth of 8.7% for the quarter
- Standalone PBDIT margin at 16.4%, down 530 bps over Q2 last year on lower revenue and price reduction. Consolidated PBDIT margin at 15.5%, down 480 bps over Q2 last year

**Mumbai, November 9, 2024:** Asian Paints today announced their financial results for the quarter ended September 30, 2024.

*"The paint industry faced a subdued demand environment during the quarter. Domestic Decorative coatings segment volumes declined marginally while overall domestic coatings revenue declined by 5.5% for the quarter impacted by muted consumer sentiments and extended rains and floods in some parts of the country. Operating margins were impacted by the price reductions taken last year, higher material prices and increased sales expenses. While we took price increases during the quarter, full impact of the same should flow through*

## PRESS RELEASE

*only in the second half of the year.*

*The Industrial Business did relatively better with single digit value growth supported by growth in the General Industrial, Protective Coatings and Refinish segments. We continued to register growth in our Home Décor categories across our Beautiful Homes Stores network, introducing new collections & product solutions. International Business portfolio registered a marginal decline in revenues for the quarter (8.7% growth in constant currency terms) despite unfavorable market conditions in certain key markets like Ethiopia and Bangladesh.*

*On the margin front, soft demand conditions, product mix and material price inflation affected margins in Q2. We expect margins to recover in the coming quarters on the back of anticipated softening in material prices coupled with price increases implemented in the last few months.*

*While demand conditions remain challenging, we continue to direct our efforts towards leveraging our brand strength, robust supply chain and distribution network to pursue growth" said Amit Syngle, Managing Director & CEO of Asian Paints Limited.*
