Dear Sir/Madam

Subject: Notice of 44TH Annual General Meeting and the Annual Report for the FY 2022-23

With reference to the captioned subject, we wish to inform you that the 44TH Annual General Meeting (AGM) of the Company is scheduled to be held on Friday, the 22ND September 2023 at 10.15 am thru Video Conferencing (VC) / Other Audio-Visual Means (OAVM) to transact the businesses as set forth in the Notice of AGM.

In view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM/EGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM/EGM through VC/OAVM.

Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM/EGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the EGM/AGM will be provided by CDSL. Pursuant to the provisions of Regulation 30 and 34 of the SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015 (SEBI Listing Regulation), please find enclosed the Notice of the 44th AGM along with the Annual Report of the Company for the FY 2022-23.

In compliance with the aforesaid MCA Circulars the Notice of the 44th AGM along with the Annual Report for the FY 2022-23 are being sent only through electronic mode to those members whose e mail IDs are registered with the Company / Depositories.

Further, the Notice of the 44th AGM and Annual Report for the FY 2022-23 are also made available on the website of the Company at www.maris.co.in.

Kindly take the above intimation on record.

Thanking you.

Yours faithfully

This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM/EGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM/EGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM/EGM has been uploaded on the website of the Company at www.maris.co.in. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM/EGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM/EGM) i.e. www.evotingindia.com.
7. The AGM/EGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.

8. In continuation of this Ministry's **General Circular No. 20/2020**, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January 13, 2021.

THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- Step 1 :** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- Step 2 :** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
- (i) The voting period begins on 19.09.2023 at 9 am and ends on 21.09.2023 at 5 pm. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 15.09.2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- Step 1 :** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

5. ANALYSIS AND REVIEW

Industry conditions and Review of operations

India's \$200 billion textile and apparel industry is facing a crisis as consumers in the United States, Europe and other big markets have cut spending on clothing following a surge in inflation after the war in Ukraine.

While the overall economy is relatively strong and is outperforming major economies, the textile sector is a notable exception and orders suggest the downturn will continue well into 2023, raising the risk of layoffs in an industry that employs more than 45 million people.

Exports, which constitute about 22% of the industry, have fallen for five months in a row - declining over 15% year-on-year in November to \$3.1 billion. Domestic sales are sluggish despite strong growth in the overall economy because of high costs and cheap imported garments.

After bumper sales earlier this year, local textile factories are now cutting production - contributing to a 4.3% contraction in manufacturing output in July-September quarter that has raised concerns among policy makers.

After 18 months of robust growth through mid-2022, global retail sales of clothing have been dragged down by high inflation and depressed consumer sentiment, and prospects for 2023 look gloomy,

In India, the manufacturing sector, contributing 16% of GDP, has been hit by rising raw material costs and weak demand, despite bright growth elsewhere. Manufacturing showed no signs of growth in the first half of the current April-March fiscal year while the overall economy, helped by agriculture and services, expanded 6.3%.

Textile manufacturers, along with makers of footwear, furniture, electronic and electricals, have been hit as companies battle to pass on rising input costs, while consumers have cut expenditure on these products as they spend more on food and fuel.

In the textile industry, higher domestic cotton prices and other costs have hit profit margins, while overseas orders for next summer are down by about one-third and domestic demand remains weak.

"We see difficult times at least for the next six months as orders from major markets including the EU and the USA have come down substantially, as per the estimates of Apparel Export Promotion Council, citing inflation and global headwinds hitting domestic sales as well despite a fall in cotton prices by about 40% from record highs hit in 2022, profit margins were down due to lower sales in the domestic market.

Interest rates on bank loans have gone up along with labour costs, but sales are down and domestic cotton prices remained high compared to global prices, and manufacturers are unable to compete with cheap imports from Bangladesh.

Local cotton is at least 10% more expensive than global benchmarks, as per the reports of the Cotton Association of India (CAI).

The industry has sought duty free imports of cotton, an interest subsidy on bank loans and expansion of production linked incentives to face the crisis.

Company Outlook

The Company expects the cotton prices to remain less volatile.

The overall global economic outlook is not encouraging due to numerous factors viz., the ongoing Ukraine - Russia war, overall increase in commodity prices (cotton being no exception) and an un-

precedented double digit inflation as being experienced in western countries for the very first time in decades, The domestic demand for cotton products including apparels will take a huge hit due to high inflationary trend as currently being experienced in India.

The Company is making all efforts to reduce costs and rationalize operations to have a positive effect and give better operational results.

Opportunities and Risks

The Indian textile and apparel industry has been adversely impacted in the short to medium -term due to the ongoing Ukraine-Russia war, overall increase in commodity prices and un-precedented double digit inflation as being experienced in western countries, resulting in lower consumer spends on apparels and made ups. The sector is reeling under liquidity crisis due to cost pressure and related factors.

The cotton price is subject to climatic conditions and market volatility. The probable impact of climatic conditions in current year is expected to have a bearing on the cotton prices and yarn rates too.

Exports may get affected due to global sentiments, inflationary pressure and continued threat of COVID. Power shortage and Labour shortage (migration of labour force due to un-remitting threat of COVID) are major concerns, which could have major impact on operations of the industry.

Higher inflation, increase in borrowing cost, cost of Raw Material viz. cotton and price of finished product viz. yarn would have adverse impact on profit margin of the company.

6. FINANCE AND ACCOUNTS

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of the Companies Act, 2013, (the "Act") and other relevant provisions of the Act.

There is no auditor's qualification in the financial statements for the year under review.

7. EXPANSION OF PLANT CAPACITY AND INSTALLATION OF SOLAR POWER PLANT

Your Company added production capacity at their Unit I at Hunsur, Mysore District, Karnataka by 7488 spindles and the installed capacity has increased 28704 spindles to 36192 spindles (an increase of about 26.08%) at the cost of about Rs. 35.00 crores. New machinery was installed, and commercial production commenced from 1st October 2022.

Your company had installed 2.80 MW of Solar Power Plant at their Unit II at Manaparai, Trichy Dt., Tamilnadu. The Solar plant was commissioned on 23rd March 2023.

8. LISTING

The Equity Shares of your Company are listed at BSE Limited, Mumbai (BSE). The listing fees to the Stock Exchange and custodian fees to depositories viz. NDSL and CDSL have been paid within time by the Company.

9. CORPORATE GOVERNANCE

12. DIRECTORS

During the year Mr. Raghuraman [DIN: DIN 01722570] and Mr. Adithya Raghuraman [DIN 08172745] retire by rotation at the forthcoming Annual General Meeting and being eligible offer themselves for re-appointment.

13. BOARD EVALUATION

During the year, a formal process for annual evaluation of performance of Board, its committees and directors was carried out as per the criteria laid down by the Nomination and Remuneration Committee, pursuant to the provisions of the Companies Act, 2013 (C A 2013) and Clause 49 of the Listing Agreement as applicable at that time.

The criteria of evaluation of Board and its Committees were founded on the structure, composition, Board Management relationship, effectiveness in terms of roles and responsibilities and processes encompassing the information flow and functioning. The guiding standards for the assessment of performance of Directors (including the independent Directors) their attendance and participation at Board Meetings, sharing of their relevant domain expertise and networkings in other forums, the strategic inputs and demonstration towards governance compliances.

For evaluation of performance of the Chairman additional aspects like Institutional image buildings, proving guidance on strategy and performance, maintaining an effective and healthy relationship between the Board and the Management were taken into consideration. The evaluation was carried out through a structured methodology approved by the Nomination and Remuneration Committee after ensuring that the aspects under each of the laid down criteria are comprehensive and commensurate with the size of the Board and the Committee.

NOMINATION AND REMUNERATION POLICY

This Nomination and Remuneration Policy is being formulated in compliance with Section 178 of the Companies Act, 2013 read along with the applicable rules thereto and in accordance with LODR 2015, as amended from time to time. This policy on Nomination and Remuneration of Directors, Key Managerial Personnel and Senior Management has been formulated by the Nomination and Remuneration Committee (NRC or the Committee) and has been approved by the Board of Directors.

Definitions:

“Remuneration” means any money or its equivalent given or passed to any person for services rendered by him and includes perquisites as defined under the Income tax Act, 1961;

“Key Managerial Personnel” means:

- I. Managing Director, or Chief Executive Officer or Manager and in their absence, a Wholetime Director;
- II. Chief Financial Officer;
- III. Company Secretary; and
- IV. Such other officer as may be prescribed.

“Senior Managerial Personnel” mean the personnel of the company who are members of its core management team excluding Board of Directors. Normally, this would comprise all members of management, of rank equivalent to General Manager and above, including all functional heads.

Objective:

The objective of the policy is to ensure

- that the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the company successfully;
- relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- remuneration to Directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

Constitution of the Committee

The Board has constituted the “Nomination and Remuneration Committee” of the Board

The Board has authority to reconstitute this Committee from time to time.

Role of the Committee:

The role of the NRC will be the following:

- To formulate criteria for determining qualifications, positive attributes and independence of a Director.

INDEPENDENT AUDITORS' REPORT

To the Members of

M/s **MARIS SPINNERS LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion:

We have audited the accompanying standalone financial statements of Maris Spinners Limited ("the Company"), having its registered office at No 11, Cathedral Road, Chennai - 600 086, Tamil Nadu which comprise the Balance Sheet as at 31st March 2023, the Statement of Profit and Loss, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs of the Company as at 31st March 2023, and its loss, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in *the Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in Annual Report to the Shareholders but does not include the standalone financial statements and our auditor's report thereon. The Annual Report to the Shareholders is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those charged with governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance) changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

MARIS SPINNERS LIMITED

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance, a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter, or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order

2. As required by section 143(3) of the Act, we report that:

- (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act;
- (e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of section 164(2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

- (i) The Company does not have any pending litigation which would impact its financial position except as detailed in Note No. 27.m.
- (ii) The company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses as at 31 March 2023
- (iii) There has been no delay in transferring amounts, required to be transferred, the Investor Education and Protection Fund by the Company.
- (iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- (v) The Company has not declared any dividend for the year.
- (vi) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

MARIS SPINNERS LIMITED

Annexure-'A' to the Independent Auditors' Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Maris Spinners Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i. In respect of the Company's Property, Plant and Equipment, right-of-use assets and Intangible Assets:
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
(B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) The Property, Plant and Equipment and right-of-use assets have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of verification of the fixed assets is reasonable having regard to the size of the Company and the nature of its assets.
 - (c) Based on our examination of the property tax receipts and lease agreement for land on which building is constructed, registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title in respect of self-constructed buildings and title deeds of all other immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the standalone financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
 - (d) The Company has not revalued any of its Property, Plant and Equipment (including right- of-use assets) and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii.
 - (a) The management has conducted physical verification of inventory at reasonable intervals during the year and no material discrepancies have been noticed on such verification. In our opinion the coverage and the procedure of such verification by the management is appropriate.
 - (b) The Company has been sanctioned working capital limits in excess of Rs. 5 crore during the year, from banks on the basis of security of current assets and in our opinion, the quarterly returns or statements filed by the company are in agreement with the books of accounts.
- iii. The Company has made investments in companies during the year in respect of which:
 - (a) The Company has not provided any loans or advances in the nature of loans or stood guarantee, or provided security to any other entity during the year, and hence reporting under clause 3(iii)(a) of the Order is not applicable;
 - (b) In our opinion, the investments made and guarantee given during the year are, prima facie, not prejudicial to the Company's interest.
 - (c) The company has not granted any loans or advances in the nature of loans hence reporting under clause 3(iii)(c) of the Order is not applicable.
 - (d) The company has not granted any loan or advances in the nature of loans hence reporting under clause 3(iii)(d) of the Order is not applicable.
 - (e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties.
 - (f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.

The Company has made investments in Limited Liability Partnerships during the year and not made investments in the Firms during the year. Further the Company has not provided any security, guarantee or granted any advances in the nature of loans, secured or unsecured, to Companies, Firms, Limited Liability Partnerships or any other parties.

- iv. In our opinion and according to the information and explanations given to us, there are no loans, investments, guarantees and security granted by the company which attracts provisions of section 185 and 186 of the Companies Act, 2013;
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. The maintenance of cost records has been specified by the Central Government under Section 148(1) of the Companies Act, 2013 in respect of the products manufactured by the Company. We have broadly reviewed the books of account maintained by the Company pursuant to the rules prescribed by the Central Government for maintenance of cost records under section 148(1) of the Companies Act, 2013 in respect of manufacture of products and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete;
- vii. In respect of statutory dues:

- (a) The Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, Goods and service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, to the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they become payable;

There are no dues in respect of income-tax, sales-tax, Goods and service tax, duty of customs, duty of excise and value added tax that have not been deposited with the appropriate authorities on account of any dispute except the following:

The gross disputed statutory dues of value added tax amounts to Rs.1,68,68,603 in aggregate as on 31st March, 2023, out of which Rs.11,06,000 has been deposited under protest/adjusted by tax authorities and the balance has not been deposited on account of matters pending before appropriate authorities as detailed below:

Nature of disputed statutory dues	Name of the Statute	Period	Forum where dispute is pending	Amount Involved	Amount Deposited under Protest

				1,68,68,603	11,06,000

MARIS SPINNERS LIMITED

The company has disputed and filed appeal against the assessment order u/s 143(3) passed by the Deputy Commissioner of Income Tax/Income Tax Authority, National e-Assessment Centre, Delhi for making addition of Rs.37,64,463/- as disallowance of common expenditure attributable to Windmill undertaking out of the total expenditure of two manufacturing units for the Assessment Years from 2018-19 and is confident of obtaining complete relief in the matter, hence no provision has been made in the accounts for the said claims.

- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (Section 43 of 1961);
- ix.
 - (a) The Company has not defaulted in repayment of loans or borrowings to any lender during the year;
 - (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority;
 - (c) In our opinion and according to the information and explanations given to us, the company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained;
 - (d) On an overall examination of the standalone financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company;
 - (e) On an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries and hence reporting on clause 3(ix)(e) of the order is not applicable;
 - (f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies and hence reporting on clause 3(ix)(f) of the Order is not applicable;
- x.
 - (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable;
 - (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable;
- xi.
 - (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year;
 - (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report;
 - (c) As represented to us by the management, there are no whistle blower complaints received by the company during the year;
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable;
- xiii. In our opinion, all transactions with the related parties are in compliance with Section 188 of the Act, where applicable, and the requisite details have been disclosed in the standalone financial statements, as required by the applicable Ind AS;
- xiv.
 - (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
 - (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures;
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company;
- xvi.
 - (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable;

- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable;
- xvii. The Company has incurred cash losses amounting to Rs. 543.69 Lakhs during the financial year covered by our audit and Company has not incurred cash losses in the immediately preceding financial year;
- xviii. There has been resignation of the statutory auditors of the Company during the year and we have taken into consideration the issues, objections or concerns raised by the outgoing auditor;
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due;
- xx. (a) According to the information and explanations given to us in respect of other than ongoing projects, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Companies Act (the Act), in compliance with second proviso to sub section 5 of section 135 of the Act.
- (b) According to the information and explanations given to us and based on the records, there are no unspent amounts in respect of ongoing projects that are required to be transferred to a special account in compliance of provision of sub section (6) of section 135 of Companies Act.

MARIS SPINNERS LIMITED

Annexure 'B' to the Independent Auditors' Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Maris Spinners Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of subsection 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls over financial reporting of Maris Spinners Limited (the "Company") as of March 31, 2023 in conjunction with our audit of the Ind AS standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures

of the company are being made only in accordance with authorizations of management and directors of the company; and

- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

MANAGEMENT DISCUSSION AND ANALYSIS

1. INDUSTRY STRUCTURE, DEVELOPMENT AND PRODUCT WISE PERFORMANCE

The Company is in the business of manufacturing 100% Cotton Yarns, having its units at Hunsur, Mysore Dt., Karnataka and Manapparai, Trichy District, Tamilnadu. The unit supplies its produce to the domestic markets.

2. INDIAN TEXTILE INDUSTRY

India's textiles sector is one of the oldest industries in the Indian economy, dating back to several centuries. The industry is extremely varied, with hand-spun and hand-woven textiles sectors at one end of the spectrum, with the capital-intensive sophisticated mills sector at the other end. The fundamental strength of the textile industry in India is its strong production base of a wide range of fibre/yarns from natural fibres like cotton, jute, silk and wool, to synthetic/man-made fibres like polyester, viscose, nylon and acrylic.

The decentralized power looms/ hosiery and knitting sector form the largest component of the textiles sector. The close linkage of textiles industry to agriculture (for raw materials such as cotton) and the ancient culture and traditions of the country in terms of textiles makes it unique in comparison to other industries in the country. India's textiles industry has a capacity to produce a wide variety of products suitable for different market segments, both within India and across the world.

In order to attract private equity and employee more people, the government introduced various schemes such as the Scheme for Integrated Textile Parks (SITP), Technology Upgradation Fund Scheme (TUFS) and Mega Integrated Textile Region and Apparel (MITRA) Park scheme.

The Indian textile and apparel industry is expected to grow at 10% CAGR from 2019-20 to reach US\$ 190 billion by 2025-26. India has a 4% share of the global trade in textiles and apparel.

India is the world's largest producer of cotton. Estimated production stood at 362.18 lakh bales during cotton season 2021-22. Domestic consumption for the 2021-22 cotton season is estimated to be at 338 lakh bales. Cotton production in India is projected to reach 7.2 million tonnes (~43 million bales of 170 kg each) by 2030, driven by increasing demand from consumers. In FY23, exports of readymade garments (RMG) cotton including accessories stood at US\$ 7.68 billion till January 2023. It is expected to surpass US\$ 30 billion by 2027, with an estimated 4.6-4.9% share globally.

India's textile and apparel exports (including handicrafts) stood at US\$ 44.4 billion in FY22, a 41% increase YoY. During April-October in FY23, the total exports of textiles stood at US\$ 21.15 billion. India's textile and apparel exports to the US, its single largest market, stood at 27% of the total export value in FY22. Exports of readymade garments including cotton accessories stood at US\$ 6.19 billion in FY22.

India's textiles industry has around 4.5 crore employed workers including 35.22 lakh handloom workers across the country.

Investment

The industry (including dyed and printed) attracted foreign direct investment (FDI) worth US\$ 4.067 billion from April 2000-December 2022. The textiles sector has witnessed a spurt in investment during the last five years.

GOVERNMENT INITIATIVES

The Indian government has come up with several export promotion policies for the textiles sector. It has also allowed 100% FDI in the sector under the automatic route.

MARIS SPINNERS LIMITED

1. Strengths:

a) Basic raw materials:

The strong point of India is that, it is very self-sufficient in raw materials, especially when it comes to natural fibers. It is seen that, the third-largest cotton crop in the world is grown in India. The speciality of Indian textile industry is that, all types of fibres are produced and handled here.

b) Labour:

The Indian apparel and textile industry has long been supported by low-cost labour and strong entrepreneurial abilities.

c) Adaptability:

The garment industry's predominately small-scale manufacturing gives for more flexibility in handling more specific and smaller orders.

The textile sector in India offers a number of advantages. The first is the accessibility of inexpensive labour. According to facts, the country has highly skilled labour available for very little money, which lowers the cost of production. India has a lot of raw materials available, which helps to minimise costs and shorten lead times. Resources including jute, cotton, silk, and cotton yarn, as well as man-made fibres, are particularly abundant in India. Another highlight area of India is its large diversity of cotton fibres that stands India apart from other nations. They go on to say that the textile as well as garment sector in India is very self-reliant one. From the acquisition of raw materials through the creation of completed items, it has a whole value chain.

2. Weaknesses:

a) Increased reliance on cotton:

Due to over-concentration on cotton, the majority of the global market is ignored, synthetic products are expensive in India, and the fabric needed for items like swimwear, skywear, and industrial gear is comparatively scarce.

b) The Spinning Sector:

The spinning industry has to adopt new technologies because it is not modernized.

c) The Weaving Sector:

India has a comparatively small number of looms without shuttles.

d) Processing of Fabrics:

The weakest link in the Indian textile value chain is processing, which has a negative impact on the country's capacity to compete in export markets.

e) Deficient Infrastructure:

India's export competitiveness is being harmed along the entire textile supply chain by high electricity prices and lengthy export lead times.

f) Low Labour Productivity:

In India, productivity levels for producing different types of clothing are much lower.

3. Opportunities:

a) Increased Industry:

By 2030, the global textile market would increase at a rate of 7.60%, reaching \$1695 billion.

b) Market entry via bilateral negotiations:

Due to bilateral agreements between participating nations, trade between regional trade blocs is expanding.

c) Information technology integration:

In the production of clothing, "Supply Chain Management" and "Information Technology" are essential. The availability of EDI (Electronic Data Interchange) facilitates quick, simple, transparent communication and minimizes duplication.

d) The Possibility of High-Value Items:

India has the chance to raise its UVRs (Unit Value Realization) through rising up the value chain, creating value-added goods, and developing a steadily growing number of technologically advanced goods.

Technical textiles, product development and diversification, FDI, and brand awareness are just a few of the prospects available to the Indian textile sector. The Indian textile sector can maintain its current expansion and prosper in the near future thanks to technical fabrics. Additionally, it will aid in the development of the sector (Rakshit, Hira, and Gangopadhyay, 2007). India uses relatively little technological textiles. In the upcoming years, both woven and nonwoven technology textiles will prosper in India.

4. Threats:

a) Decline in the fashion cycle:

The number of seasons per year has increased, shortening the cycle of fashion as a result.

b) Formation of Trading Blocks:

The world trade environment has changed as a result of trading blocs like NAFTA, SAPTA, etc. If there were bilateral agreements, Indian exports would suffer significantly.

It is clearly found that, China shows the greatest and big challenge to the Indian textile industry on and around the international market. India is also threatened because of the low-cost producers such as Pakistan and Bangladesh, which can decrease India's demand for exports in the future. The another point of threat is India's geographic distance from the US, Europe, and Japan's three largest markets, as opposed to rivals Mexico, China, etc., which are geographically closer. Long lead times and high transportation costs are the results of great distance.

Conclusion:

The global textile market is currently worth \$400 billion. According to data and the facts it is forecasted that, the output of textiles will rise by 25% globally, with Asia playing a major role. As per as the Indian textile and apparel sector is considered as one of the largest in the world, plays a vital role in the Indian economy, and is very old. The scale, scope, depth, and competitiveness of the Indian textile and apparel sector is incomparable by any other country, exception of China. India now has the chance to work on its inherent strengths and become the top sourcing and investment place.

6. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has an adequate internal control system commensurate with the size and complexity of the organization. The Company has undertaken a comprehensive review of all internal control systems to take care of the needs of the expanding size of the Company and also upgraded the IT support systems. A system of internal audit to meet the statutory requirement as well as to ensure proper implementation of management and accounting controls is in place. The Audit Committee periodically reviews the adequacy of the internal audit functions.

MARIS SPINNERS LIMITED

7. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED:

There are no material developments in the Human Resources area. The industrial relations have been generally satisfactory. The Company constantly reviews the man power requirements and has a properly equipped Department to take care of the requirements. The total number of people employed by the Company as on 31.03.2023 was 317.

8. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The total Revenue for the year 2022-23 was Rs. 14995.12 lakh with a loss of Rs. 1569.09 lakh.

9. DISCLOSURE OF ACCOUNTING TREATMENT

In the preparation of financial statements, no treatment different from that prescribed in Accounting Standard has been followed.

MARIS SPINNERS LIMITED

Summary of significant account policies and other explanatory information

Note - 1: Significant Accounting Policies

1. Corporate Information

Maris Spinners Limited is a Company which is registered under the Companies Act, 2013 and is domiciled in India. The Registered Office of the Company is situated at No. 11, Cathedral Road, Chennai - 600086. The Company is engaged in the business of manufacture and sale of 100% Cotton Yarn. The Company's factories are situated at Kattemalalavadi Village, Hunsur Taluk, Mysore Dt, Karnataka and Mannaparai, Trichy District, Tamilnadu.

2. Accounting Convention:

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of the Companies Act, 2013, (the "Act") and other relevant provisions of the Act.

The financial statements for the year ended 31st March, 2023 were prepared in accordance with the Companies (Accounting Standards) Rules 2015, notified under section 133 of the Act and other provisions of the Act.

3. Statement of Compliance

The Financial Statements comprising Balance Sheet, Statement of Profit and Loss, Statement of changes in Equity, Cash Flow statement, together with notes for the year ended March 31st, 2023 have been prepared in accordance with Ind AS notified.

4. Functional and presentation currency:

These financial statements are presented in Indian Rupees (In Lakhs), which is also the Company's functional currency. All the amounts have been rounded- off to the nearest rupees, unless otherwise indicated.

5. Basis of measurement

The financial statements have been prepared on the historical cost basis except for certain financial assets and financial liabilities to the extent applicable are measured at fair values.

6. Measurement of Fair Values:

A number of Company's accounting policies and disclosures require a measurement of their fair value, for both financial and non-financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. This includes periodic review of all significant fair value measurement, including level 3 fair values.

The management regularly reviews significant unobservable inputs and valuation adjustments.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the changes has occurred.

7. Use of estimates and judgements:

"In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively."

a) Judgements

Information about judgements in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are disclosed in financial statement wherever necessary:

b) Assumptions and estimations uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the financial year ending 31st March, 2023 are disclosed in financial statement wherever necessary:

8. Significant accounting policies:

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

i. Property Plant & Equipment

a. Initial recognition and measurement

An item of property, plant and equipment recognized as an asset if and only if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Items of Property, Plant and Equipment are measured at cost less accumulated depreciation/amortization and accumulated impairment losses.

Cost includes expenditure that is directly attributable to bringing the asset, inclusive of non-refundable taxes & duties, to the location and condition necessary for it to be capable of operating in the manner intended by management. When parts of an item of property, plant and equipment have different useful lives, they are recognized separately. Items of spare parts, stand-by equipment and servicing equipment which meet the definition of Property, Plant and Equipment are capitalized.

b. Subsequent costs

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably. The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is derecognized. The costs of the day-to-day servicing of Property, Plant and Equipment are recognized in Statement of Profit or Loss A/c as incurred.

c. De recognition

Property, Plant and Equipment are derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of Property, Plant and Equipment, and are recognized in the statement of profit and loss.

d. Depreciation

Assets are depreciated using straight line method over the estimated useful life of the asset as specified in Part "C" of Schedule II of Companies Act, 2013. Assets residual values and useful lives are reviewed at each financial year end considering the physical condition of the assets. Depreciation on additions to/deductions from fixed assets during the year is charged on pro-rata basis from/up to the date on which the asset is available for use/disposed. Where it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably, subsequent expenditure on a PPE along-with its unamortized depreciable amount is charged off prospectively over the revised useful life determined by technical assessment. In circumstance, where a property is abandoned, the cumulative capitalized costs relating to the property are written off in the same period.

ii. Capital work-in-progress

The cost of self-constructed assets includes the cost of materials & direct labour, any other costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by management and borrowing costs. Expenses directly attributable to construction of Property, Plant and Equipment incurred till they are ready for their intended use are identified and allocated on a systematic basis on the cost of related assets.

iii. Borrowing Cost

The cost of self-constructed assets includes the cost of materials & direct labour, any other costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by management and borrowing costs. Expenses directly attributable to construction of Property, Plant and Equipment incurred till they are ready for their intended use are identified and allocated on a systematic basis on the cost of related assets.

- (a) Interest expense calculated using the effective interest method as described in Ind AS 109 - 'Financial Instruments',
- (b) Finance charges in respect of finance leases recognized in accordance with Ind AS 116 - 'Leases',
- (c) Exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs and,
- (d) Other costs that an entity incurs in connection with the borrowing of funds.

Income earned on temporary investment of the borrowings pending their expenditure on the qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are charged to revenue as and when incurred.

iv. Cash and Cash Equivalent

Cash and cash equivalent in the balance sheet comprises cash at banks, cash on hand and short-term deposits with an original maturity of three months or less and Balances with banks in Unpaid Dividend Accounts which are subject to insignificant risk of change in value.

v. Foreign currency transactions and translation

Transactions in foreign currencies are initially recorded at the functional currency rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognized in Statement of Profit and Loss A/c in the year in which it arises. Non-monetary items are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction.

vi. Impairment of Assets:

a. Impairment of financial instruments

"The Company recognizes loss allowances for expected credit losses on financial assets are measured at amortized cost;"

At each reporting date, the Company assesses whether financial assets carried at amortized cost and debt investments at FVCOI are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

"Evidence that a financial asset is credit - impaired includes the following observable data:

- Significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or being past due for 365 days or more;
- The restructuring of a loan or advance by the Company on terms that the Company would not consider otherwise;

- It is probable that the borrower will enter bankruptcy or the other financial reorganization; or
- the disappearance of an active market for a security because of financial difficulties"

"The Company measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- Debt securities that are determined to have low credit risk at the reporting date; and
- other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition."

"Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-months expected credit losses are the portion of expected credit loss that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company is exposed to credit risk."

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward-looking information.

"The Company assumes that the credit risk on a financial asset has increased significantly if it is more than 180 days past due.

The Company considers a financial asset to be in default when:

- The borrower is unlikely to pay its credit obligations to the Company in full, without recourse by the Company to actions such as realising security (if any is held); or
- the financial asset is 365 days or past due."

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e., the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Presentation of allowance for expected credit losses in the balance sheet.

Loss allowances for the financial assets measured at amortized cost are deducted from the gross carrying amount of assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of the amounts due.

b. Impairment of non-financial assets

The Company's non-financial assets and deferred tax asset, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

MARIS SPINNERS LIMITED

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents smallest group of assets that generates cash inflows that are largely independent of the cash inflows or other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use or its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

"The Company's corporate assets do not generate independent cash inflows. To determine impairment of a corporate asset, recoverable amount is determined for the CGUs to which the corporate asset belongs.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment losses recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

In respect of assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss has been recognised.

vii. Revenue recognition

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

a) Sale of Products:

Revenue from sale of products is recognised when significant risk and rewards of ownership pass to the customers, as per the terms of the contract and it is probable that the economic benefits associated with the transaction will flow to the Company.

b) Revenue from Services:

Revenue from Services is recognised in the accounting period in which the services are rendered and when invoices are raised.

c) Dividend income:

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established and it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of dividend can be reliably measured.

d) Other Income

Other income is recognized in the Statement of Profit and Loss when an increase in future economic benefits related to an increase in an asset or a decrease of a liability has arisen that can be measured reliably.

viii. Financial Instruments

I. Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial assets or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

II. Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at,

- amortised cost
- Fair value through other comprehensive income (FVOCI) - debt investment;
- Fair value through other comprehensive income (FVOCI) - equity investment; or
- Fair value through profit & loss - (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specific dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

A debt instrument is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held in a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specific dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrecoverably elect to present subsequent changes in investment's fair value in OCI (designated as FVOCI - equity investment). The election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL.

This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Company makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to the management.

The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular

MARIS SPINNERS LIMITED

interest rate profile, matching the duration of the financial asset to the duration of any related liabilities or expected cash outflows or realising cash flows through the sale of the assets;

- how the performance of the portfolio is evaluated and reported to the Company's management;
- The risk that effects the performance of the business model (and the financial asset held within that business model) and how those risks are managed;
- how managers of the business are compensated - e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- the frequency, volume and timing of sales of the financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for de-recognition are not considered sales for this purpose, consistent with the Company's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest.

For the purpose of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g., liquidity risk and administrative costs), as well as profit margin.

To assess whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- Contingent events that would change the amount or timing of cash flows;
- Terms that may adjust the contractual coupon rate, including variable interest rate futures;
- Prepayments and extension features; and
- Terms that limits the Company's claim to cash flows from specified assets (e.g. non-recourse feature)

A prepayment feature is consistent with the solely payment of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Financial assets: Subsequent measurement and gains and losses

"Financial assets at FVTPL:

These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss."

"Financial assets at amortised cost:

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on de-recognition is recognised in profit or loss."

Financial liabilities: Classification, subsequent measurement and gains and losses.

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains or losses are recognised in profit or loss. Any gain or loss on de-recognition is also recognised in profit and loss.

III. De-recognition

Financial Assets

The Company de-recognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of the ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all the risks and rewards of the transferred assets, the transferred assets are not de-recognised.

Financial Liabilities

The Company de-recognises a financial liability when the contractual obligations are discharged or cancelled, or expire.

The Company de-recognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the extinguished liability and the new financial liability with modified terms is recognised in profit and loss.

IV. Offsetting

Financial assets and liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

ix. Employee Benefits

a. Short Term Benefit

Short term obligations are those that are expected to be settled fully within 12 months after the end of the reporting period. Short-term employee benefit obligations are measured on an undiscounted basis and are booked as an expense as the related service is provided. A liability is recognized for the amount expected to be paid under performance related pay if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

b. Post-Employment benefits

Employee benefit that are payable after the completion of employment are Post Employment Benefit (other than termination benefit). These are of two types:

1. Defined contribution plans

Defined contribution plans are those plans in which an entity pays fixed contribution into separate entities and will have no legal or constructive obligation to pay further amounts. Provident Fund and Family Pension Funds are Defined Contribution Plans in which Company pays a fixed contribution and will have no further obligation.

2. Defined benefit plans

A defined benefit plan is a post employment benefit plan other than a defined contribution plan. Company pays Gratuity as per provisions of the Gratuity Act, 1972. The Company's net obligation in respect of defined

benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service costs and the fair value of any plan assets are deducted.

The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have maturity dates approximating the terms of the Company's obligations and that are denominated in the same currency in which the benefits are expected to be paid. The calculation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a liability to the Company, the present value of liability is recognized as provision for employee benefit. Any actuarial gains or losses in respect of gratuity are recognized in OCI in the period in which they arise.

c. Other long-term employee benefits

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are, therefore, recognized and provided for at the present value of the expected future payments to be made in respect of services provided by employee upto the end of reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in Other Comprehensive Income.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

x. Taxes

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

1. Current tax

"Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantially enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously."

2. Minimum Alternate Tax (MAT)

MAT paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognises MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as 'MAT Credit Entitlement'. The Company reviews the 'MAT credit entitlement' asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

3. Deferred tax

Deferred tax is recognized using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously. Deferred tax is recognized in Statement of Profit and Loss A/c except to the extent that it relates to items recognized directly in OCI or equity, in which case it is recognized in OCI or equity. A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Minimum Alternate Tax credit is recognized as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

xi. Leases:

a. Recognition:

At inception of an arrangement, the Company determines whether such an arrangement is or contains a lease. A specific asset is subject of a lease if fulfillment of the arrangement is dependent on the use of that specified asset. An arrangement conveys the right to use the asset if the arrangement conveys to the customer the right to control the use of the underlying asset. Arrangements that do not take the legal form of a lease but convey rights to customers/suppliers to use an asset in return for a payment or a series of payments are identified as either finance leases or operating leases.

b. Accounting for Operating Leases

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating lease. Payments made under operating leases are recognized as an expense over the lease term.

xii. Provisions

A provision is recorded when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated. The estimated liability for product warranties is accounted based on technical evaluation, when the products are sold. Provisions are evaluated at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expenses.

xiii. Earnings per share

"The basic Earnings / (loss) per share is computed by dividing the net profit/ (loss) attributable to owners of the Company for the year by the weighted average number of equity shares outstanding during the reporting period.

The number of shares used in computing diluted earnings/ (loss) per share comprises of weighted average shares considered for deriving basic earnings/ (loss) per share and also the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the reporting date, unless they have been issued at a later date. In computing diluted earnings per share, only potential equity shares that are dilutive and which either reduces earnings per share or increase loss per share are included."

Note 27 - EPS

Earnings Per Share

Basic earnings per share (EPS) amounts are calculated by dividing the profit for the year attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year.

The following reflects the income and share data used in the basic EPS computations:

	March 31, 2023 Rs.	March 31, 2022 Rs.
Profit After Tax attributable to Equity Shareholders:	-1,120.09	1,546.25
	-1,120.09	1,546.25
Weighted Average Number of Equity Shares for Basic EPS (No. in lakhs)	79.25	79.25
	79.25	79.25
Earnings per share	-14.13	19.51

Note 28 - Capital Management

The Company's objectives of capital management is to maximize the shareholder value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants.

The Company monitors capital using a gearing ratio, which is net debt divided by total equity plus net debt as below.

Equity includes equity share capital and all other equity components attributable to the equity holders

Net debt includes borrowings (non-current and current), trade payables and other financial liabilities, less cash and cash equivalents (including bank balances other than cash and cash equivalents and margin money deposits with banks)

Particulars	March 31, 2023	March 31, 2022
Borrowings (Non-Current and Current, including Current Maturities of Non-Current Borrowings)	6,328.42	3,845.99
Less: Cash and Cash Equivalents	(25.87)	(28.85)
Net Debt (A)	6,302.55	3,817.14
Equity Share Capital	792.48	792.48
Other Equity	2,240.08	3,439.41
Equity (B)	3,032.56	4,231.89
Equity plus net Debt (C = A + B)	9,335.11	8,049.03
Gearing Ratio (D = A / C)	67.51%	47.42%

In order to achieve the objective of maximize shareholders value, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing borrowings that define capital structure requirements. Any significant breach in meeting the financial covenants would allow the bank to call borrowings. There have been no breaches in the financial covenants of above-mentioned interest-bearing borrowing.

No changes were made in the objectives, policies or processes for managing capital during the current and previous years.

Note 29 - Defined Benefit Plan - Gratuity

The Company operates defined gratuity plan for its employees. Under the plan, every employee who has completed atleast five years of service gets a gratuity on departure at 15 days of last drawn salary for each completed year of service. The scheme is funded with LIC in the form of qualifying insurance policy.

The following tables summarize the components of net benefit expense recognized in the statement of profit and loss and the funded status and amounts recognized in the balance sheet for gratuity.

(i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

(v) Valuation processes

Discount rates are determined using a capital asset pricing model to calculate a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the asset. Earnings growth factor of preference shares are based on cash flow projections of the Company and unlisted equity securities are estimated based on market information for similar type of companies. Risk adjustments have been derived based on the market risk premium adjusted for companies relevant financial data.

(ii) Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of trade receivables, trade payables, deposits, cash and cash equivalents, employee advances, claims receivables and other current financial liabilities are considered to be the same as their fair values, due to their short-term nature and insignificant change in interest rate.

FVTPL - Fair value through statement of Profit and Loss; FVOCI - Fair value through Other Comprehensive Income

MARIS SPINNERS LIMITED

Note - 31 - Financial risk management

The company's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial statements.

Risk	Exposure arising from	Risk Parameters and Mitigation
<u>Market Risk - Interest rate</u>	Variable interest rate borrowings	i) The Company's main interest rate risk arises from borrowings with variable rates, which expose the Company to cash flow risk. ii) Company's policy is to maintain most of its long term borrowings at fixed rate which are carried at amortised cost. However, the company has access to overdraft facilities at variable interest rates. iii) There are no foreign currency borrowings.
<u>Liquidity risk</u>	Borrowings	i) The company's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans. ii) The Company prepares a detailed annual operating plans to assess the fund requirements - both short term and long term. iii) Detailed monthwise cash flow forecast is also carried out along with required sensitivities. Based on these factors, adequate working capital credit limits are organised in advance. iv) Company has pre-approved credit lines with banks and these are constantly reviewed and approved by the Board. v) For long term fund requirements, Company targets options such as rupee term loan. vi) The Company obtains a credit rating for the various borrowing facilities on an annual basis. Company constantly monitors the free cashflow from operations to ensure that the borrowing is minimized.
<u>Credit Risk</u>	Rent deposits given, cash and cash equivalents, trade receivables, investments carried at amortized cost	i) Credit risk primarily arises from cash and cash equivalents, trade receivables and investments carried at amortised cost. ii) The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. iii) To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. iv) It considers available reasonable and supportive forward-looking information (more specifically described below). v) A default on a financial asset is when the counterparty fails to make contractual payments within 180 days of when they fall due. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.
	a. Cash and Cash Equivalents	Surplus cash is deposited only with banks / financial institutions with a high external credit rating.
	b. Trade Receivables	i) The Company extends credit to the customers and such extension of credit is based on customers' credit worthiness, ability to repay and past track record. ii) The Company has extensive reporting systems and review to constantly monitor the receivables.

(A) Credit Risk

Basis of recognition of expected credit loss & providing for such loss

Rating	Category	Description of category	Investments	Rental deposits & advances	Trade receivables
1	High Quality assets, negligible credit risk	Assets where the counter-party has strong capacity to meet the obligations and where the risk of default is negligible or nil.	12 month expected credit losses		Life time expected credit losses (simplified approach)
2	Quality assets, low credit risk	Assets where there is low risk of default and where the counter-party has sufficient capacity to meet the obligations and where there has been low frequency of defaults in the past.			
3	Standard Assets, moderate credit risk	Assets where the probability of default is considered moderate and where the counter-party's capacity to meet the obligations is not strong.			
4	Substandard Assets, relatively high credit risk	Assets where there has been a significant increase in credit risk since initial recognition.			
5	Low quality assets, very high credit risk	Assets where there is a high probability of default. Also includes assets where the credit risk of counter-party has increased significantly though payments may not be more than 180 days past due.	Life time expected credit losses		
6	Doubtful assets, credit impaired	Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in statement of profit and loss.	Asset is written off

k) Dividend:

Company has not declared any dividend for the year.

l) Letter of Credit

During the year, Maris Spinners Limited Unit I Hunsur has entered into a letter of credit limit with Indian Overseas Bank for Rs. 20.90 Lakhs towards purchase of Raw Cotton.

m) Contingent Liability:

a. An amount of Rs.8.02 Lakhs has been raised by The Superintending Engineer, Tamil Nadu Electricity Board Trichy (Metro) Circle dated 13.05.2010 towards Excess Demand and Energy charges for exceeding the demand quota and energy quota during the period November & December 2008 to July 2009. The company has remitted the amount demanded as deposit and the matter had been disputed before the Appellate Tribunal for Electricity (APTEL) New Delhi and the same has been decided in our favour and the Electricity Department has gone an appeal to the Supreme Court. The company is confident of obtaining complete relief thereby confident of getting refund of amount deposited under protest and hence no provision has been made in the books of account.

b. An amount of Rs.0.42 Lakhs towards difference in Stamp Duty for 14.78 acres Land purchased at Manapparai during 1995 has been claimed by The Special Deputy Collector (Stamps), which is still in dispute. The Management is confident that the differential stamp Duty is not payable and hence no provision has been made for the same.

c. The Company has been served with a notice of demand by the Assistant Commissioner, Woraiyur Assessment Circle, Trichy, for a sum of Rs.4.00 Lakhs under the Tamil Nadu VAT Act, 2006, (for the month of November, 2013 and December, 2013) pursuant to the orders passed in this regard, holding that the Company was not eligible to claim input tax credit in respect of interstate sales to the extent mentioned in the said order. The Company has filed an appeal against the said order and obtained a stay in the Madurai Bench of Madras High Court and the company is confident of obtaining complete relief in the matter and hence, no provision has been made in the books of accounts.

d. E-Tax on maximum demand charges which was levied in monthly CC Bill by Tamil Nadu Generation and Distribution Corporation (TANGEDCO) was paid by the Company till September' 2012. In view of an interim order passed by the Hon'ble Supreme Court staying the procedure of leaving E-Tax on maximum demand charges on 12/10/2012 responding to the SLP filed by SIMA (SLP (C) NO.31039 of 2012), the company has not been paying E-tax for the maximum demand charges since October'2012.

The accrued demand towards E-Tax amount till March 2023 was Rs.30.65 Lakhs. As the case has been pending before the Apex court and SIMA is confident of getting order in favor of its member mills, no provision has been made in the books of accounts towards the same.

e. TANGEDCO has issued a show cause notice dated 20/04/2017 on the Company, informing its intention to levy Cross Subsidy Surcharge on the Company for an amount of Rs.544.95 Lakhs in connection with non fulfilling of Captive Generating status for the Financial Year 2014-15, 2015-16 and 2016-17. The Company has filed its response to the show cause notice on 04.05.2017 where it as contested the claim of TANGEDCO.

As the move initiated by TANGEDCO on all H.T. Consumers as well as the Power Generating and Supplying Plants was not maintainable as per the Central Electricity Rules, 2005, the Hon'ble High Court of Madras has directed TNERC to ascertain the status on the above and also stayed TANGEDCO, taking any action from based on its correspondences issued to the consumers on the above matter. The Company is confident of obtaining complete relief in the matter and hence no provision is required to be made in the books of the Company.

f. The company has been served with notices of Demand by the Assistant Commissioner, Woraiyur Assessment Circle, Trichy, for a sum of Rs.21.46 Lakhs under the Tamil Nadu VAT Act, 2006 for reversal of input tax credit in respect of Invisible loss and Waste cotton % (for the Sales Tax Assessment Year 2008-09 to

MARIS SPINNERS LIMITED

2012-13) and for a sum of Rs.63.45 Lakhs (for the Sales Tax Assessment Year 2013-14 & 2014 -15) in respect of reversal of input tax credit for invisible loss, waste cotton % and deposits in to bank account, that did not tally with sales turnover, difference between these amounts, represents that the actual receipts of sale considered had been suppressed.

Against the above demand, the company has filed an appeal against the said order and obtained a stay in the Madurai Bench of Madras High court by depositing an amount of Rs.9.06 Lakhs being 25% of Tax amount of the demand and the company is confident of obtaining complete relief in the matter and hence no provision has been made in the books of accounts.

- g. The company has been served with a notice of Demand by the Assistant Commissioner, Woraiyur Assessment Circle, Trichy, for a sum of Rs.59.86 Lakhs under the Tamil Nadu VAT Act, 2006, towards deposits in to bank account, that did not tally with sales turnover (for the Sales Tax Assessment year 2015-16), difference between these amounts, represents that the actual receipts of sale considered had been suppressed. Against the above demand, the company has filed an appeal against the said order and obtained a stay in the Madurai Bench of Madras High court and the company is confident of obtaining complete relief in the matter and hence no provision has been made in the books of accounts.
- h. The company has been served with a notice of Demand by the Assistant Commissioner, Woraiyur Assessment Circle, Trichy, for a sum of Rs.19.91 Lakhs under the Tamil Nadu VAT Act, 2006, towards sales value of stock omission for 53,084.240 Kgs (for the Sales Tax Assessment Year 2016-17). The Inspecting officers had incorrectly arrived the process stock quantity and had failed to consider the stock of unpacked finished goods of 7779.240 kgs.

The company had disputed the same before the Appellate Deputy Commissioner (CT), Trichy by depositing an amount of Rs.2.00 Lakhs being 25% of Tax amount of the demand and the company is confident of obtaining complete relief in the matter and hence no provision has been made in the books of accounts.

- i. The company has received an assessment order u/s 143(3) along with notice of demand u/s 156 dated 18/03/2021 showing tax demand of Rs.17.54 Lakhs for the assessment year 2018-19 after making addition of Rs.37.64 Lakhs as disallowance of common expenditure attributable to Windmill undertaking out of the total expenditure of two manufacturing units. However, the Company has appealed against the same before the Relevant Authority and disputed these demands and is confident of obtaining complete relief in the matter and no provision has been made in the accounts for the said claims.
