NOTES:

In compliance with the MCA Circulars and applicable provisions of Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the 29th AGM of the Company is being convened and conducted through VC, details of circulars are given herein below at SHAREHOLDER INSTRUCTIONS FOR E-VOTING

- 1. Pursuant to provisions of the Companies Act, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself and the proxy need not be a member of the Company. Since this AGM is being held through VC / OAVM pursuant to the MCA Circulars, the requirements of physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for this AGM and hence the Proxy Form is not annexed hereto.
- 2.As the AGM will be held through VC/OAVM, the route map of the venue of the Meeting and attendance slip is not annexed hereto.
- 3. Participation of members through VC will be reckoned for the purpose of quorum for the AGM as per section 103 of the Companies Act, 2013 ("the Act").
- 4.The Register of Members and Share Transfer Books of the Company will remain closed from 23rd September, 2023 to 30th September, 2023 (both days inclusive).
- 5.All documents referred to in the above Notice and the accompanying Explanatory Statements are open for inspection at the Registered Office of the Company during the business hours on any working day (except Sunday and holidays) between 10:00 a.m. and 12:30 p.m. up to the date of the preceding date of Annual General Meeting.
- 6.A member desirous of getting any information on the accounts or operations of the Company is required to forward his/her queries to the Company at least 7 days prior to the Meeting so that the required information can be made available at the Meeting.
- 7.In compliance with the regulatory provisions, the Annual Report of the Company for FY 2022 along with the AGM Notice has been sent electronically only to those shareholders who have registered their e-mail addresses with their DPs/RTA/ the Company. The same is also hosted on the Company's website www.shukrabullions.in and also on the website of the www.bseindia.com. The relevant details are also hosted on the website of the remote e-voting service provider viz. www.evoting.nsdl.com.

- 8.Members are requested to intimate if shares are held in the same name or in the same order and names, but in more than one account to enable the company to club said accounts into one account.
- 9.In order to comply with Ministry of Corporate Affairs circular on "Green Initiative in the Corporate Governance" members are requested to intimate their email address to the company.
- 10.Trading/Transfer in shares of the Company shall compulsorily be done in Dematerialization from only w.e.f. 1st April, 2019 Pursuant to SEBI press Release No. 12/2019 dated 27th March, 2019, SEBI had clarified that the investors may continue to hold such shares in physical form even after the 1st April, 2019 subject to condition that investor who is desirous of transferring shares (which are held in physical form) after 1st April, 2019 can do so only after the shares are dematerialized. The shareholders/members of the company, who are having equity shares in physical form, are advised to get dematerialized of their equity shares by way of surrendering to their physical share certificates to the Registrar and Transfer Agents (RTA) of the company (i.e. Bigshare Services Pvt. Ltd) through their respective Depository Participants.
- 11. Pursuant to SEBI Circular No. SEBI/HO/MIRSD/MIRSD/RTAMB/P/CIR/2021/655 dated 3rd November, 2021, The Company through its Registrar and Transfer Agent i.e. Bigshare India Pvt. Ltd has sent individual letters to all the members holding shares of the company in physical form for furnishing their PAN, KYC Details and bank details in form ISR-1. Further it is stated that folios wherein any one of the cited document/details including linking of PAN with Aadhar are not furnished or made available on or after 1st April, 2023, the relevant folio(s) shall be frozen by the RTA of the company. After 31st December, 2025, the frozen folios shall be referred by the RTA/Company to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and/or Prevention of Money Laundering Act, 2002. The Requisite forms are available on the website of the company under the 'Investor Info' tab. Members are requested to get in touch with RTA in this regard.
- 12.Members please note that its SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated all listed companies to issue securities in demat form only while processing service request viz. issue of duplicate securities certificate; claim from unclaimed suspense account; Renewal/Exchange of securities certificates; Sub-division/Splitting of securities certificate; Consolidation of securities certificates/folios; Transmission and Transposition. Accordingly members are requested to make service request by submitting a duly filled and signed form ISR-4, the format of which is available on the website of the company www.shukrabullions.in under the 'Investor Info' tab. It may be noted that any service request can be processed only after the folio is KYC compliant. SEBI vide its notification dated January 24, 2022 has mandated that all request for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. In view of the same and eliminate all risk associated with physical shares and avail various benefits of dematerialization, Members are advised to dematerialize the shares held by them in physical form. Members can contact the Company or RTA for further assistance in this regard.
- 13. The relative Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ("Act") setting out material facts concerning the business under Item No. 2 of the Notice, is annexed hereto. The relevant details as required under Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), of the person seeking appointment/re-appointment as Director under Item No. 2 of the Notice, are also annexed.
- 14.In compliance with the provisions of Section 108 of the Act and the Rules framed there under, as amended from time to time, and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Members are being provided with the facility to cast their vote electronically, through the e-voting services provided by www.evoting.nsdl.com on all the resolutions set forth in this Notice. The e-voting period commences on Wednesday, 27th September, 2023 at 09:00 AM (IST) and ends on Friday, 29th September, 2023 at 05:00 PM (IST). During this period, Members of the Company, holding shares either in physical form or in dematerialized form, as on 23rd September (cut off date), may cast their vote electronically. Thereafter the e-voting module shall be disabled. Once the

- vote on a resolution is cast by a Member, he/she shall not be allowed to change it subsequently.
- 15. Voting through Electronics Means- A detailed instructions and related write ups, on Electronic Voting Process, which forms part of this notice.
- 16.The results declared along with the Scrutinizer's Report shall be placed on the Company's website www.shukrabullions.in and on the website of www.evoting.nsdl.com within two days of passing of the resolutions at the 29th Annual General Meeting of the Company and communicated to the BSE Limited and, where the shares of the Company are listed.
- 17. Members are requested to quote Folio number/DPid in all their correspondences.
- 18.Members are requested to inform the company immediately the changes, if any, in their address specifying full address in Block Capital with Pin code of the post office.

The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. Saturday, 23rd September, 2023 may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being 23rd September, 2023.

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1: Access to NSDL e-Voting system

A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed

Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Login method for Individual shareholders holding securities in demat mode is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in demat mode with NSDL.	1.Existing IDeAS user can visit the e-Services website of NSDL Viz. https://eservices.nsdl.com either on a Personal Computer or on a mobile. On the e-Services home page click on the "Beneficial Owner" icon under "Login" which is available under 'IDeAS' section, this will prompt you to enter your existing User ID and Password. After successful authentication, you will be able to see e-Voting services under Value added services. Click on "Access to e-Voting" under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider i.e. NSDL and you will be re-directed to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. 2.If you are not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com . Select "Register Online for IDeAS Portal" or click at https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp 3. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section. A new screen will open. You will have to enter your User ID (i.e. your sixteen digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period or

	joining virtual meeting & voting during the meeting.
	 Shareholders/Members can also download NSDI Mobile App "NSDL Speede" facility by scanning the QR code mentioned below for seamless voting experience.
	NSDL Mobile App is available on App Store Google Play
Individual Shareholders holding securities in demat mode with CDSL	 Existing users who have opted for Easi / Easiest, they can login through their user id and password. Option will be made available to reach e-Voting page without any further authentication. The URL for users to login to Easi / Easiest are https://web.cdslindia.com/myeasi/home/login or www.cdslindia.com and click on New System Myeasi. After successful login of Easi/Easiest the user will be also able to see the E Voting Menu. The Menu will have links of e-Voting service provider i.e NSDL. Click on NSDL to cast your vote.
	 If the user is not registered for Easi/Easiest, option to register is available at https://web.cdslindia.com/myeasi/Registration/EasiRegistration Alternatively, the user can directly access e-Voting page by providing demarkacount Number and PAN No. from a link in www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the demat Account. After successful authentication, user will be provided links for the respective ESP i.e. NSDI where the e-Voting is in progress.
Individual Shareholders (holding securities in demat mode) login through their depository participants	You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. upor logging in, you will be able to see e-Voting option. Click on e-Voting option, you wil be redirected to NSDL/CDSL Depository site after successful authentication wherein you can see e-Voting feature. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting 8 voting during the meeting.

B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

- 1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile.
- 2.Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section.
- 3.A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at https://eservices.nsdl.com/ with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below:

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12************* then your user ID is 12************************************
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

- 5. Password details for shareholders other than Individual shareholders are given below:
 - a)If you are already registered for e-Voting, then you can user your existing password to login and cast your vote.
 - b)If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c)How to retrieve your 'initial password'?
 - (i)If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii)If your email ID is not registered, please follow steps mentioned below in **process** for those shareholders whose email ids are not registered.
- 6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "Forgot User Details/Password?" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) **Physical User Reset Password?**" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c)If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d)Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.

- 7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
- 8. Now, you will have to click on "Login" button.
- 9. After you click on the "Login" button, Home page of e-Voting will open.

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login type	Helpdesk details
Individual Shareholders holding securities in demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30

MANAGEMENT DISCUSSION AND ANALYSIS:

1. MANAGEMENT DISCUSSION

A. INDUSTRY STRUCTURE AND DEVELOPMENTS AND OUTLOOK:

India's gem and Jewellery industry has shown remarkable resilience and perseverance in the face of global challenges. Despite inflation in the USA, the Russia-Ukraine war, and the lockdown in China for almost 6 months, a key market, the industry has managed to put up a commendable performance.

As per Report from GEM & JEWELLERY EXPORT PROMOTION COUNCIL

- For FY 2022-23, the overall gem & Jewellery exports grew 2.48% to Rs 3,00,462.52 crores as compared Rs 2,93,193.19 crores for the same period previous year. In terms of US dollars, the overall gem & Jewellery exports accounted for \$37,468.66 million as compared to \$39,331.71 million for the same period last year.
- In the month of March 2023, the overall gross exports of Gems & Jewellery at Rs. 21501.96 crores (US\$ 2612.65 million), declined 23.75% (declined 29.39% in terms of US dollars) compared to the same period in the previous year, which amounted to Rs. 28198.36 crores (US\$ 3699.90 million).
- For the period of April 2022 March 2023, provisional gross export of all kinds of Studded Gold jewellery at Rs. 42457.87 crores (US\$ 5294.74 million) grew 6.79% (declined 0.72% in terms of US dollars) over the comparative figure of Rs. 39759.04 crores (US\$ 5333.01 million) for previous year.

Real estate segment is improving in India. Particularly Government spending is increasing in infrastructure and public utility sector. Due to enactment of RERA, a better transparency will lead to higher investment in real estate sector.

In the Union Budget 2023-24, a commitment of Rs. 79,000 crore (US\$ 9.64 billion) for PM Awas Yojana has been announced, which represents a 66% increase compared to the last year.

B. OPPORTUNITIES AND THREATS:

India is deemed to be the hub of the global jewellery market because of its low costs and availability of high-skilled labour. India is the world's largest cutting and polishing center for diamonds, with the cutting and polishing industry being well supported by government policies. Moreover, India exports 75 per cent of the world's polished diamonds, as per statistics from the Gems and Jewellery Export promotion Council (GJEPC). India's Gems and Jewellery sector has been contributing in a big way to the country's foreign exchange earnings (FEEs). The Government of India has viewed the sector as a thrust area for export promotion. The Indian government presently allows 100 per cent Foreign Direct Investment (FDI) in the sector through the automatic route.

In the coming years, growth in Gems and Jewellery sector would be largely contributed by the development of large retailers/brands. Established brands are guiding the organized market and are opening opportunities to grow. Increasing penetration of organized players provides variety in terms of products and designs. Online sales are expected to account for 1-2 per cent

of the fine Jewellery segment by 2022-23. Also, the relaxation of restrictions of gold import is likely to provide a fillip to the industry. The improvement in availability along with the reintroduction of low cost gold metal loans and likely stabilization of gold prices at lower levels is expected to drive volume growth for jewellers over short to medium term. The demand for Jewellery is expected to be significantly supported by the recent positive developments in the industry.

Real Estate Sector will have tremendous growth opportunity and company intend to take initiative in the field of real estate and infrastructure sector.

c. SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

Company is operating single segment hence clause is not applicable to the company.

D. INITIATIVES

The initiatives are being taken by the Company for improving the quality standards and reduction of costs at appropriate level. New machineries are imported to provide better result and to cope up with changing requirement of the industry. The employees at all levels are being made aware of the changing conditions and the challenges of the open market conditions and to train the personnel to tackle the difficult situations which will improve the overall productivity, profitability.

The Company is planning to participate/visit various jewellery shows domestic and aboard. Being unforeseen circumstance the management is hopeful of achieving higher turnover during the year.

Company is negotiating for export orders with international buyers and management is hopeful to achieve higher export turnover during the year. Company has entered in to Real Estate business along with existing business. Company is negotiating for land at Ahmedabad for development.

E. RISKS AND CONCERNS:

Company is in the Gems and Jewellery business and real estate Business and fluctuation in price of commodity in international markets as well as fluctuation of dollar price may impact the entire industry. The unavailability of fund is also affecting India's position in the international market. Government has restricted import and now days most government of policies are demotivating import of Gold. Today people have more faith in gold than government bonds. Future unfavorable government policies may have impact on business of the company.

While rising interest rates are a cause for concern, the desire for larger, more luxurious homes will also see a surge. The popularity of WFH and hybrid working arrangements has increased the Demand for vacation houses. We anticipate that these trends will continue in 2023-24. To mitigate risk at all level company have experienced management and staff.

F. INTERNAL CONTROL SYSTEM:

The Company has an Internal Control System, commensurate with the size, scale and complexity of its operations. The scope and authority of the Internal Audit function is defined by the Audit Committee. To maintain its objectivity and independence, the Internal Audit function reports to the Chairperson of the Audit Committee of the Board/and to the Chairperson.

The Internal Audit Department monitor and evaluates the efficacy and adequacy of internal control system in the Company, its compliance with operating systems, accounting procedures and policies of the Company.

Based on the report of internal audit function, the company undertakes corrective action in their respective areas and thereby strengthen the controls Significant audit observations and recommendation along with corrective actions thereon are presented to the Audit Committee of the Board.

G.DISCUSSIONON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

During the year under review revenue of a company Revenue from operation has been decreased to 60.71(Rs. in lakhs) as compared to previous year's Revenue i.e. 1656.88 (Rs. in lakhs) Company has managed its operations on a same level and profit after tax increased proportionately. Company is working hard to achieve good result in upcoming years.

H.MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED.

The Company believes investing in people though creating an environment where people are valued as individuals and are given equal opportunities for achieving professional and personal goal.

Employee's relations continue to be cordial. Training and development activities are identified, organizes and progress monitored as part of human resource development activities.

FORM NO: MR - 3 SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2023

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To, The Members, Shukra Bullions Limited CIN: L67120MH1995PLC284363 232, 2nd Floor, Panchratna, M. P. Marg, Opera House, Girgoan Mumbai MH 400004 In

DUD

CP No.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Shukra Bullions Limited (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on my verification of the Shukra Bullions Limited books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2023, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records made available to us and maintained by the Company for the financial year ended on March 31, 2023 according to the applicable provisions of:

- The Companies Act, 2013 ('the Act') and the rules made there under;
- The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made there under; (ii)
- The Depositories Act, 1996 and the Regulations and Bye-laws framed there under. (iii)
- Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and (iv) External Commercial Borrowings;
- The following Regulations and Guidelines prescribed under the Securities and Exchange (v) Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 and amendments from time to time;

- (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; (Not applicable to the Company during the audit period)
- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 and The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; (Not applicable to the Company during the audit period)
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; [Not applicable to the Company during the audit period]
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 and The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; (Not applicable to the Company during the audit period)
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; (Not applicable to the Company during the audit period)
- (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- (f) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018: (Not applicable to the Company during the audit period)

We have also examined compliance with the applicable clauses of the following:

- Secretarial Standards issued by The Institute of Company Secretaries of India with respect to board and general meetings.
- (ii) The Listing Agreements entered into by the Company with BSE Limited read with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

On account of pandemic "COVID 2019" and nationwide lockdown imposed by governments, the audit process has been modified, wherein certain documents /records etc. were verified in electronic mode, and have relied on the representations received from the Company for its accuracy and authenticity.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

	Compliance Requirement (Regulations/ circulars / guidelines including	Deviations	Observations/ Remarks of the Practicing Company Secretary			
specific clause) 1 Regulation 6(1)	Compliance Officer and his obligation	*Company has failed to appoint Compa Secretary as Compliance officer for a quarter ended on March 2022 till Quar ended on March 2023 after resignation Miss. Anjali Samani on 31.12.202 However, company received an email day 22.11.2022 and 22.02.2023 at 22.05.2023 from BSE for the payment fine of Rs. 1,06,200/-				

2	Regulation 47	ADVERTISEMENT	Company has not made Any newspaper advertisement of financial statement for the quarter ended 31.03.2022, 30.06.2022, 30.09.2022, 31.12.2022 31.03.2023.
---	---------------	---------------	--

* Company has appointed Mr. Monil Rajeshbhai Shah as compliance officer and company secretary of company with effect from 14.04.2023.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. and Company has filed forms and returns as per annexure - B with the Registrar of Companies, Regional Director, Central Government, the Tribunal, Court or other authorities within/beyond the prescribed time.

I further report that there were no events/actions in pursuance of: -

- The status of the Company during the financial year has been that of a Listed Public Company. The Company has not been a holding or subsidiary of another company.
- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors except not appoint Key Managerial Personnel as per the section 203(1)(i) of the companies act, 2013 i.e. managing director, or Chief Executive Officer or manager and in their absence, a whole-time director of the company. There were no changes in the composition of the Board of Directors that took place during the period under review apart from appointment of company secretary.
- According information and explanation given to us adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent adequately in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

I further report that, the compliance of applicable financial laws like direct and indirect tax laws and maintenance of financial records and books of accounts has not been reviewed in this Audit since the same have been subject to review by statutory financial auditors and other designated professionals.

I further report that, based on the information provided and the representation made by the company and also on the review of the compliance reports of Company Secretary/ Chief Executive Officer taken on record by the Board of Directors of the Company, in my opinion, adequate systems and processes exist in the company to monitor and ensure compliance with provisions of applicable general laws like labour laws and environmental laws.

I further report that as represented by the Company and relied upon by us there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

As informed by the company, the Company has received inquiry under section 206 of Companies Act, 2013 for violation of section 211, Section 227(2), Section 227(3)(d), Section 159 of Companies Act, 1956 and Section 139(1), Section 149(4) and Section 203 of Companies Act, 2013. As informed by company has responded to notices and initiated actions for corrective measures, wherever necessary and till date no proceedings are pending.

B- 314 Gopal Palace, Nr. Shiromani Complex, Opp. Ocean Park, Shivranjani Nehrunagar Road, Ahmedabad- 380 015 Ph: 079 - 40041451 Mob.: 9825012960

E-Mail: ksdudhatra@yahoo.com

As informed, the Company has responded to notices for demands, claims, penalties etc levied by various statutory/ regulatory authorities and initiated actions for corrective measures, wherever necessary.

J. S. SHAH & CO. Chartered Accountants

Independent Auditor's Report

To The Members of Shukra Bullion Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Shukra Bullion Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information. (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act ("SAs"). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us in terms of report referred to in the Other Matters section below, is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters.

There are no Key Audit Matters Reportable as per SA 701 issued by ICAI.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Business Responsibility Report, Board's Report and Corporate Governance Report, but does not include the consolidated financial statements, the financial statements and our audit reports thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, methods omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the financial statements that, individually or
 in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable
 user of the financial statements may be influenced. We consider quantitative materiality and
 qualitative factors in (i) planning the scope of our audit work and in evaluating the results of
 our work; and (ii) to evaluate the effect of any identified misstatements in the financial
 statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and regulatory Requirements

- 1. As required by section 143(3) of the Act, based on our audit we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this report are in agreement with the books of account.

- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. As inform to us the Company does not have any pending litigations which would impact its financial statement.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditor) Rules, 2014 is not applicable for the financial year ended March 31, 2023.
- 2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Date :30.05.2023 Place : Ahmedabad Annexure "A" to the Independent Auditor's Report (Referred to in paragraph 1(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls over Financial Reporting Under Clause (i) of subsection 3 of section 143 of companies Act 2013 (the "Act")

We have audited the internal financial controls over financial reporting of Shukra Bullion Limited as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning Of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with general vehicles accounting principles. A company's internal financial control over financial reporting sincludes those policies and procedures

that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations Of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31,2023, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

UDIN: 23138488BGSXRQ5357

Date: .30.05.2023 Place: Ahmedabad Annexure "B" to the Independent Auditor's Report
(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements'
section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment, capital work-in progress and relevant details of right-of-use assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (i) (b) Some of the Property, Plant and Equipment, capital work-in-progress and right-of-use assets were physically verified during the year by the Management in accordance with a programme of verification, which in our opinion provides for physical verification of all the Property, Plant and Equipment, capital work-in-progress and right of-use assets at reasonable intervals having regard to the size of the Company and the nature of its activities. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (i) (c) With respect to immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in property, plant and equipment and capital work-in progress, according to the information and explanations given to us and based on the examination of the registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title deeds of such immovable properties are held in the name of the Company as at the balance sheet date.
- (i) (d) The Company has not revalued any of its property, plant and equipment (including Right of Use assets) and intangible assets during the year.
- (i) (e) According to the information and explanations given to us, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) There were no inventories at the end of the year, hence no physical verification o the inventories required. During the year management has made physical verification of inventories at specified intervals and found no discrepancies.
- (ii) (b) According to the information and explanations given to us, the Company has not availed any finance during the year, from banks on the basis of security of current assets. Hence this clause is not applicable.
- (iii) The Company has made investments in, provided guarantee and granted loans, secured or unsecured, to companies, firms and Limited Liability Partnerships during the year, in respect of which:
- (a) The Company has not provided any loans or advances in nature of loans or stood guarantee, or provided security to any other entity during the year.

- (b) The investments made, guarantees provided and the terms and conditions of the grant of all the above-mentioned loans and guarantees provided, during the year are, in our opinion, prima facie, not prejudicial to the Company's interest.
- (c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are regular as per stipulation.
- (d) According to information and explanations given to us and based on the audit procedures performed, in respect of loans granted and advances in the nature of loans provided by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- (e) No loan granted by the company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
- (f) According to information and explanations given to us and based on the audit procedures performed, the Company has not granted any loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause (iii)(f) is not applicable.
- (iv) The Company has complied with the provisions of sections 185 and 186 of the Act in respect of loans granted, investments made and guarantees and securities provided, as applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposits from the public to which the directives issued by the Reserve Bank of India and the provisions of section 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2014, as amended, would apply. Accordingly, clause (v) of paragraph 3 of the Order is not applicable to company.
- (vi) The maintenance of cost records has not been specified by the Central Government under subsection (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause(vi) of the order is not applicable to the Company.
- (vii) In respect of statutory dues:
 - (a) The company has generally been regular in depositing undisputed statutory dues, including Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, cess and other material statutory dues applicable to it with appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Income-tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, cess and other material statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable.
- (viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- (ix) Company has not availed any finances or working capital

Rangs from Banks or NBFCs .

- (x)(a)The Company has not raised monies by way of initial public offer or further offer (including debt instruments) during the year and hence reporting under clause(x)(a) of the Order is not applicable.
- (x)(b) The Company has not made preferential allotment of shares during the year. The Company has not made any preferential allotment or private placement of (fully or partly or optionally) convertible debentures during the year.
- (xi) (a) To the best of our knowledge and according to the information & explanation given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year and up to the date of this report.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with sections 177 and 188 of the Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion, and according to the information & explanation given to us, during the year, the Company has not entered into any non-cash transactions with any of its directors or directors of its subsidiaries or persons connected with such directors and hence provisions of section 192 of the Act, are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group(as defined in the core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause (xvi)(d) of the oder is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been resignation of the statutory auditors of the Company during the year. No issues, objections or concerns were raised by the outgoing Auditors

(xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) There is no liability of the Company under the provisions of section 135 of The Companies Act, 2013 in relation to Corporate Social responsibility. Therefore, the provisions of clause (xx) of the paragraph 3 of the order are not applicable to the Company.

Notes to the Ind AS financial statements for the year ended 31st March, 2023 (All amounts are in INR Actual, unless otherwise stated)

1. COMPANY OVERVIEW

Shukra Bullions Limited was incorporated as a public limited company on February 14, 1995. The Company is engaged in the manufacturing of diamond studded gold jewellery and trading of cut and polished diamond and real estate business. Earlier known as Shukra Capitals Limited, it acquired its present Name on September 09, 1997. Company is having well developed land, building, plant and machinery at the Special Economic Zone (SEZ) near Surat in Gujarat for the manufacturing project. Polished diamonds and gold jewellery are sold in the domestic as well as the export markets.

2. BASIS OF PREPARTAION OF FINANCIAL STATEMENTS

a) Basis of preparation and compliance with Ind AS

i. These financial statements as and for the year ended March 31, 2023 (the "Ind AS Financial Statements") are prepared in accordance with Ind AS.

In accordance with the notification dated February 16, 2015, issued by the Ministry of Corporate Affairs, the Company had adopted Indian Accounting Standards (Ind AS) notified under Section 133 read with Rule 4A of Companies (Indian Accounting Standards) Rules, 2015, as amended, and the relevant provisions of the Companies Act, 2013 (collectively, "Ind ASs") with effect from April 1, 2017.

ii. These financial statements were approved by the Board of Directors on June 30, 2021.

b) Basis of measurement

The Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities, including equity Shares financial instruments which have been measured at fair value as described below.

Fair value measurement

The Company measures financial instruments, such as, Equity Shares at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

In the principal market for the asset or liability, or

 In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

Notes to the Ind AS financial statements for the year ended 31st March, 2023 (All amounts are in INR Actual, unless otherwise stated)

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

For other fair value related disclosures refer note no 20.

c) Functional and Presentation Currency

The financial statements are presented in Indian Rupees, the currency of the primary economic environment in which the Company operates.

3. SIGNIFICANT ACCOUNTING POLICIES

The company has applied following accounting policies to all periods presented in the Ind AS Financial Statement.

a) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable, net of discounts, volume rebates, outgoing sales taxes and other indirect taxes excluding excise duty.

Revenue from sale of diamond & jewellery is recognized when all significant risks and rewards of ownership of the commodity sold are transferred to the customer who generally coincides with delivery.

Dividend Income is recognized when the right to receive payment is established.

Interest Income is recognized on time basis using the effective interest method.

b) Property, Plant and Equipment

i. Property, Plant and Equipment

The initial cost of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, attributable borrowing cost and any other

380028

Notes to the Ind AS financial statements for the year ended 31st March, 2023 (All amounts are in INR Actual, unless otherwise stated)

directly attributable costs of bringing an asset to working condition and location for its intended use.

Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charged to the statements of profit and loss in the period in which the costs are incurred. Major inspection and overhaul expenditure is capitalized if the recognition criteria are met.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred.

Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized net within other income/other expenses in statement of profit and loss.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss, when the asset is derecognized.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

ii. Depreciation

Property, plant and equipment are stated at cost less accumulated depreciation and any provision for impairment. Depreciation commences when the assets are ready for their intended use.

Depreciation is calculated on the depreciable amount, which is the cost of an asset less its residual value. Depreciation is provided at rates calculated to write off the cost, less estimated residual value, of each asset on a written down value basis.

Depreciation methods, useful lives and residual values are reviewed at each financial year end and changes in estimates, if any, are accounted for prospectively.

c) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through statement of profit and loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the

Notes to the Ind AS financial statements for the year ended 31st March, 2023 (All amounts are in INR Actual, unless otherwise stated)

market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement

Subsequent measurement of financial assets is described below -

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the statement of profit and loss. The losses arising from impairment are recognized in the statement of profit and loss. This category generally applies to trade and other receivables.

However, reporting entity does not have such financial assets to be measured at amortized cost using EIR method.

Financial Assets - Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

The rights to receive cash flows from the asset have expired, or

 The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'passthrough' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instruments, and are measured at amortized cost e.g., loans, debt securities, deposits and trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Financial liabilities - Recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through statement of profit and loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate

Notes to the Ind AS financial statements for the year ended 31st March, 2023 (All amounts are in INR Actual, unless otherwise stated)

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings.

The measurement of financial liabilities depends on their classification, as described below:

• Financial liabilities at fair value through statement of profit and loss:

Financial liabilities at fair value through statement of profit and loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through statement of profit and loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Loans and Borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the effective interest rate (hereinafter referred as EIR) method. Gains and losses are recognized in statement of profit and loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

Financial liabilities - Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

For more information on financial instruments Refer note no 24.

d) Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of twelve months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

e) Impairment of Non-financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual ampairment testing for an asset is

Notes to the Ind AS financial statements for the year ended 31st March, 2023 (All amounts are in INR Actual, unless otherwise stated)

required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a post-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account.

f) Inventories

Inventories of Diamond and Jewellery are valued at the lower of cost and net realizable value.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

In case of Real Estate Business, Cost includes cost of land, construction, development cost, borrowing cost and other related overheads as the case may be. Net realizable value is the estimated selling price in the ordinary course of business less estimated cost of completion and estimated costs necessary to make the sale.

g) Taxation

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognized for all taxable temporary differences, except when it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all

Notes to the Ind AS financial statements for the year ended 31st March, 2023 (All amounts are in INR Actual, unless otherwise stated)

or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are reassessed at each reporting dateand are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year whenthe asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (eitherin other comprehensive income or in equity). Deferred tax items are recognized in correlation to theunderlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set offcurrent tax assets against current tax liabilities and the deferred taxes relate to the same taxable entityand the same taxation authority.

h) Employee Benefit Schemes

i. Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, performance incentives and compensated absences which are expected to occur in next twelve months. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognized as an expense as the related service is rendered by employees.

ii. Post-employment benefits

Defined benefit plans - Provident fund

Provisions of EPF are not applicable to the company as it does not fall under the implication requirements of the act i.e. number of employees does not exceed the ceiling limit. Thus, there is no contribution by the company towards post employment benefits.

i) Foreign Currency Transactions

In the financial statements of the Company, transactions in currencies other than the functional currency are translated into the functional currency at the exchange rates ruling at the date of the transaction. Monetary assets and liabilities denominated in other currencies are translated into the functional currency at exchange rates prevailing on the reporting date.

All exchange differences are included in the statement of profit and loss.

j) Earnings Per Share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares constanting for the effects of all dilutive potential equity shares.

k) Segment Reporting

Notes to the Ind AS financial statements for the year ended 31st March, 2023 (All amounts are in INR Actual, unless otherwise stated)

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. Revenue and expenses are identified to segments on the basis of their relationship to the operating activities of the segment. Inter segment revenue are accounted for based on the cost price. Revenue, expenses, assets and liabilities which are not allocable to segments on a reasonable basis, are included under "Unallocated revenue/ expenses/ assets/ liabilities".

l) Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

m) Use of Estimates and Judgments

The preparation of the financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates under different assumptions and conditions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected.

In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are elaborated in note no. 24.

Notes to the Ind AS financial statements for the year ended 31st March, 2023 (All amounts are in INR Actual, unless otherwise stated)

1. COMPANY OVERVIEW

Shukra Bullions Limited was incorporated as a public limited company on February 14, 1995. The Company is engaged in the manufacturing of diamond studded gold jewellery and trading of cut and polished diamond and real estate business. Earlier known as Shukra Capitals Limited, it acquired its present Name on September 09, 1997. Company is having well developed land, building, plant and machinery at the Special Economic Zone (SEZ) near Surat in Gujarat for the manufacturing project. Polished diamonds and gold jewellery are sold in the domestic as well as the export markets.

2. BASIS OF PREPARTAION OF FINANCIAL STATEMENTS

a) Basis of preparation and compliance with Ind AS

i. These financial statements as and for the year ended March 31, 2023 (the "Ind AS Financial Statements") are prepared in accordance with Ind AS.

In accordance with the notification dated February 16, 2015, issued by the Ministry of Corporate Affairs, the Company had adopted Indian Accounting Standards (Ind AS) notified under Section 133 read with Rule 4A of Companies (Indian Accounting Standards) Rules, 2015, as amended, and the relevant provisions of the Companies Act, 2013 (collectively, "Ind ASs") with effect from April 1, 2017.

ii. These financial statements were approved by the Board of Directors on June 30, 2021.

b) Basis of measurement

The Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities, including equity Shares financial instruments which have been measured at fair value as described below.

Fair value measurement

The Company measures financial instruments, such as, Equity Shares at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

In the principal market for the asset or liability, or

 In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

Notes to the Ind AS financial statements for the year ended 31st March, 2023 (All amounts are in INR Actual, unless otherwise stated)

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

For other fair value related disclosures refer note no 20.

c) Functional and Presentation Currency

The financial statements are presented in Indian Rupees, the currency of the primary economic environment in which the Company operates.

3. SIGNIFICANT ACCOUNTING POLICIES

The company has applied following accounting policies to all periods presented in the Ind AS Financial Statement.

a) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable, net of discounts, volume rebates, outgoing sales taxes and other indirect taxes excluding excise duty.

Revenue from sale of diamond & jewellery is recognized when all significant risks and rewards of ownership of the commodity sold are transferred to the customer who generally coincides with delivery.

Dividend Income is recognized when the right to receive payment is established.

Interest Income is recognized on time basis using the effective interest method.

b) Property, Plant and Equipment

i. Property, Plant and Equipment

The initial cost of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, attributable borrowing cost and any other

380028

Notes to the Ind AS financial statements for the year ended 31st March, 2023 (All amounts are in INR Actual, unless otherwise stated)

directly attributable costs of bringing an asset to working condition and location for its intended use.

Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charged to the statements of profit and loss in the period in which the costs are incurred. Major inspection and overhaul expenditure is capitalized if the recognition criteria are met.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred.

Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized net within other income/other expenses in statement of profit and loss.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss, when the asset is derecognized.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

ii. Depreciation

Property, plant and equipment are stated at cost less accumulated depreciation and any provision for impairment. Depreciation commences when the assets are ready for their intended use.

Depreciation is calculated on the depreciable amount, which is the cost of an asset less its residual value. Depreciation is provided at rates calculated to write off the cost, less estimated residual value, of each asset on a written down value basis.

Depreciation methods, useful lives and residual values are reviewed at each financial year end and changes in estimates, if any, are accounted for prospectively.

c) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through statement of profit and loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the

Notes to the Ind AS financial statements for the year ended 31st March, 2023 (All amounts are in INR Actual, unless otherwise stated)

market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement

Subsequent measurement of financial assets is described below -

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the statement of profit and loss. The losses arising from impairment are recognized in the statement of profit and loss. This category generally applies to trade and other receivables.

However, reporting entity does not have such financial assets to be measured at amortized cost using EIR method.

Financial Assets - Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

The rights to receive cash flows from the asset have expired, or

 The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'passthrough' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instruments, and are measured at amortized cost e.g., loans, debt securities, deposits and trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Financial liabilities - Recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through statement of profit and loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate

Notes to the Ind AS financial statements for the year ended 31st March, 2023 (All amounts are in INR Actual, unless otherwise stated)

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings.

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through statement of profit and loss:

Financial liabilities at fair value through statement of profit and loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through statement of profit and loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Loans and Borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the effective interest rate (hereinafter referred as EIR) method. Gains and losses are recognized in statement of profit and loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

Financial liabilities - Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

For more information on financial instruments Refer note no 24.

d) Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of twelve months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

e) Impairment of Non-financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual ampairment testing for an asset is

Notes to the Ind AS financial statements for the year ended 31st March, 2023 (All amounts are in INR Actual, unless otherwise stated)

required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a post-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account.

f) Inventories

Inventories of Diamond and Jewellery are valued at the lower of cost and net realizable value.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

In case of Real Estate Business, Cost includes cost of land, construction, development cost, borrowing cost and other related overheads as the case may be. Net realizable value is the estimated selling price in the ordinary course of business less estimated cost of completion and estimated costs necessary to make the sale.

g) Taxation

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognized for all taxable temporary differences, except when it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all

Notes to the Ind AS financial statements for the year ended 31st March, 2023 (All amounts are in INR Actual, unless otherwise stated)

or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are reassessed at each reporting dateand are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year whenthe asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (eitherin other comprehensive income or in equity). Deferred tax items are recognized in correlation to theunderlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set offcurrent tax assets against current tax liabilities and the deferred taxes relate to the same taxable entityand the same taxation authority.

h) Employee Benefit Schemes

i. Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, performance incentives and compensated absences which are expected to occur in next twelve months. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognized as an expense as the related service is rendered by employees.

ii. Post-employment benefits

Defined benefit plans - Provident fund

Provisions of EPF are not applicable to the company as it does not fall under the implication requirements of the act i.e. number of employees does not exceed the ceiling limit. Thus, there is no contribution by the company towards post employment benefits.

i) Foreign Currency Transactions

In the financial statements of the Company, transactions in currencies other than the functional currency are translated into the functional currency at the exchange rates ruling at the date of the transaction. Monetary assets and liabilities denominated in other currencies are translated into the functional currency at exchange rates prevailing on the reporting date.

All exchange differences are included in the statement of profit and loss.

j) Earnings Per Share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares constanting for the effects of all dilutive potential equity shares.

k) Segment Reporting

Notes to the Ind AS financial statements for the year ended 31" March, 2023 (All amounts are in INR Actual, unless otherwise stated)

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. Revenue and expenses are identified to segments on the basis of their relationship to the operating activities of the segment. Inter segment revenue are accounted for based on the cost price. Revenue, expenses, assets and liabilities which are not allocable to segments on a reasonable basis, are included under "Unallocated revenue/ expenses/assets/liabilities".

l) Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

m) Use of Estimates and Judgments

The preparation of the financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates under different assumptions and conditions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected.

In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are elaborated in note no. 24.

Shukra Builion Limited

27.4 Financial risk objective and policies

The Company's principal financial liabilities, comprise loans and borrowings and trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations/projects. The Company's principal financial assets include loans, security and other deposits trade and lease receivables, and cash and cash equivalents that derive directly

In the ordinary course of business, the Company is mainly exposed to interest rate risk, credit risk and liquidity risk.

The Company's risk management activities are subject to the management, direction and control of Central Treasury Team of the Adani group under the framework of Risk Management Policy for Currency and interest rate risk as approved by the Board of Directors of the Company. The Company's central treasury team ensures appropriate financial risk governance framework for the Company through appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken.

(i) Interest rate risk
The Company is exposed to changes in market interest rates due to financing, investing and cash management activities. Currently the Company's exposure to the risk of changes in market interest rates relates primarily to the Company's short-term debt obligations with fixed interest rates. As at March 31, 2023, all the borrowings are at fixed rate of interest.

(ii) Credit risk

(ii) Credit risk
Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and other financial assets), including deposits with banks and other financial instruments.

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive evaluation and individual credit limits are defined in accordance with this assessment.

An impairment analysis is performed at each reporting date on an individual basis for major clients, in addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on historical data;

Credit risk from balances with banks is managed by the Company's preasury department in accordance with the Company's policy.

(iii) Concentrations of Credit Risk form part of Credit Risk

(iii) Contemparation of State (the part of the part of the Company provides and on lease and related infrastructure facilities to various companies to develop Electronics Manufacturing Clusters at Mundra, the Company lessignificantly dependent on few customers. A loss of any of these customers could adversely affect the operating result of cash flow of the Company. contended injust

(iv) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or impoling financial asset. Liquidity risk may result from an inability to self a financial asset quickly at close to its fair value:

(Layer !)

The Company has accestablished liquidity risk management framework for managing its short term, medium term and long term funding and liquidity management requirements. The Company manages the liquidity risk by maintaining company's exposure to liquidity risk entrespond to the maturities of financial assets and liabilities. The Company manages the liquidity risk by maintaining company's exposure to liquidity risk entrespond to the maturities of financial assets and liabilities. The Company manages the liquidity risk by maintaining company is a second with banks to appure the them is sufficient cash to meet all its provise operation. adequate-funds in cash and cash equivalents. The Company also has adequate credit facilities agreed with banks to ensure that there is sufficient cash to meet all its normal operating commitments in a timely and cost-effective manner.

The table below analysis derivative and non-derivative financial liabilities of the Company into relevant maturity groupings based on the remaining period from the reporting date to the and quied gerow, analysis derivative and non-derivative mandal liabilities of the Company into relevant maturity groupings based on the remainder maturity date. The amounts disclosed in the table are the contractual undiscounted cash flows.

As the current Assets of compney has increased there is change in Current Ratio

As the revenue from operation has increased the trade receivabel tumover ratio has increased

As the operation expenses has increased the trade payable turnover ratio has increased

As the revenue from operation has increased the net capital turnover ratio has increased

As loss after tax reduced from last year net profit ratio is change
