mix of projects

**Higher Billing Projects**

## GROWTH DRIVERS

01

### Increased Utilization

Increased utilization percentage and gradual billing rate revisions for legacy clients will help in improving the operating profit margin.

02

### Smart Investments

Heavy investments in building top - class teams via lateral hiring in key focus areas of IT services and Onshore presence of Sales and Client Management Teams will continue.

04

### Tech Partnerships

Continued focus on building on the technology partnership programme as quality assurance frameworks. Such partnerships add to the Company's credentials in front of existing and prospective clients.

03

### Client Relationships

Clients appreciate the company's accountability culture and treat Ksolves as their development partner instead of just being a vendor, and that also gets reflected in relatively high CSAT across engagements.
