Press Release
For Immediate dissemination

Amara Raja Energy & Mobility reports 10.2% growth in revenue over previous year in FY25; Board recommends a final dividend of ₹ 5.20 per share

Hyderabad/Tirupati, 29 May 2025: Amara Raja Energy and Mobility Limited (ARE&M), a comprehensive solutions provider in the Energy & Mobility space, (BSE: 500008 & NSE Code: ARE&M) today, reported profit before tax of **Rs. 1,299 Cr** for the financial year 2024-25.

The Revenue for FY25 stood at **Rs. 12,405 Cr** as compared to **Rs. 11,260 Cr** during FY24. The Earnings per Share (EPS) for FY25 was at **Rs. 52.66**. The Company reported revenue of **Rs. 2,974 Cr** and profit before tax (PBT) of **Rs. 224 Cr** for the Q4 of FY25.

For the quarter and year ended March 31, 2025.

Rs. in crores

Particulars	Quarter ended		Year ended	
	March 31, 2025	March 31, 2024	March 31, 2025	March 31, 2024
Revenue from operations	2,974	2,797	12,405	11,260
Profit before Tax	224	305	1,299	1,211

Amara Raja Energy & Mobility Ltd recorded an impressive revenue growth in the last FY, on the back of strong volume growth in both automotive and UPS Applications. The margins are adversely impacted due to surge in alloy prices and power cost due to regulatory changes in solar power settlements and fuel surcharges.

Speaking on the results, **Mr. Harshavardhana Gourineni, Executive Director- Automotive and Industrial, said,** “Amara Raja Energy and Mobility continues to deliver consistent and responsible growth. In FY25, we witnessed strong performance across all product categories in the automotive segment, with volumes showing a healthy increase. While the telecom segment experienced a decline, this was effectively offset by robust growth in the UPS business within the industrial segment. Meanwhile, our allied businesses, such as lubricants, maintained their momentum and continued to deliver steady growth. We remain committed to operational excellence and have implemented several efficiency-enhancing initiatives this year. These efforts will strengthen our competitive position and support our journey toward sustained market leadership.”

Mr. Vikramadithya Gourineni, Executive Director - New Energy Business informed, “The New Energy Business continues to maintain strong momentum with a strong focus on infrastructure rollout. This year we have commenced the construction of Giga Factory-1 at our industrial park in Telangana, while the Customer Qualification Plant (CQP) and R&D facility are fast nearing completion. Our pack and charger installations continue delivering us real world feedback which have helped us in improving our ability to cater to unique customer needs.”

Mr. Jayadev Galla, Chairman and Managing Director said, “Amara Raja continues to record consistent growth across product segments. While the Lead Acid Business continues to deliver strong results, we are seeing good traction in allied businesses as well. The New Energy Business witnessed groundbreaking of Giga Factory this year and continues to grow as per our projections. In another few quarters we will have the R&D facility and Customer Qualification Plant (CQP) operational which will add to our capabilities. The teams are committed to deliver excellence even as the global economic scenario continues to remain uncertain.”

About Amara Raja Energy & Mobility Limited

Amara Raja Energy & Mobility Limited (ARE&M) encompasses a diverse range of solutions and products, which includes energy storage solutions, Lithium-ion cell manufacturing, wide range of EV chargers, Li-ion battery pack assembly, automotive and industrial lubricants, and exploration of new chemistries, among others. ARE&M is also one of the largest manufacturers of energy storage products for both industrial and automotive applications in India. Amara Raja is the preferred supplier to major telecom service providers, telecom equipment manufacturers, the UPS sector (OEM & Replacement), Indian Railways, and the Power, Oil & Gas industry segments. Amara Raja’s industrial battery brands comprise of PowerStack®, AmaronVolt® and Quanta®. The company also manufactures India’s leading automotive battery brands Amaron® and Powerzone, which are distributed through a large pan-India sales & service retail network. The company supplies automotive batteries under OE relationships to Ashok Leyland, Ford India, Honda, Hyundai, Mahindra & Mahindra, Maruti Suzuki, and Tata Motors amongst others. Amara Raja’s Industrial and Automotive Batteries are exported to over 50 countries around the world.
