ATAM VALVES LIMITED ANNOUNCES Q3FY26 FINANCIAL PERFORMANCE

Jalandhar, 13th February 2026: Atam Valves Limited (NSE: ATAM, BSE: 543236) has announced financial performance for the quarter ended December 31, 2025 (Q3FY26).

Financial Performance (In ₹ Cr.):

Particulars (in ₹ Cr.)	Q3FY26	Q2FY26	YoY %	FY25
Revenue from Operations	10.41	11.41	(8.76)	60.50
Total Income	10.42	11.41	-	60.57
EBITDA	(0.35)	1.60	(122.01)	9.95
PAT	(0.57)	0.90	(163.33)	6.30

Speaking on the performance, Mr. Amit Jain, Managing Director at Atam Valves Ltd, commented, *“Q3 FY26 was a softer quarter for us, primarily on account of a temporary demand slowdown in our key markets. This moderation is driven by short-term factors and does not, in our view, reflect any structural weakness in our business model or the underlying opportunity in our segment. Over the last few months, we have continued to deepen relationships with our key customers, maintained our market share and preserved our pricing discipline, which gives us confidence that volumes will recover as demand normalises.”*

About Atam Valves Limited:

Atam Valves Limited, established in 1985, is a leading manufacturer of industrial and plumbing valves and fittings, catering to various industries such as oil and gas, chemicals, and HVAC. The company produces a wide range of valves, including Gate, Globe, and Ball, designed to withstand extreme temperatures (-192°C to 550°C) and high pressures (up to 10,000 psi). With a dedicated team of 500 and three specialized foundry shops, Atam Valves efficiently manages large and custom orders. Focused on innovation and quality, the company was listed on the BSE SME platform in October 2020 and migrated to the Mainboard of BSE and NSE in May 2023. Our website- www.atamvalves.in
