TOGETHER WE SOAR

WOMEN EMPOWERMENT

Women's empowerment and achieving gender equality helps society ensure the sustainable development of a country. Many world leaders and scholars have argued that sustainable development is impossible without gender equality and women's empowerment. Sustainable development accepts environmental protection, social and economic development, including women's empowerment. In the context of women and development, empowerment must include more choices for women to make on their own

(Factory Images of Bari Mandi , Dhampur)

Over the years, we have embarked on the journey of social change through empowering many women with financial freedom and self-worth & that has come to them from mastering the valuable skill.

The proceedings of the AGM will be deemed to be conducted at the Registered Office of the Company which shall be the deemed Venue of the AGM.
2. A statement giving relevant details of the directors seeking appointment/ reappointment under Item No. 2 of the accompanying notice, as required under SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 is annexed herewith as Annexure-I.
3. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. In terms of MCA Circulars, since physical attendance of Members has been dispensed with, there is no requirement of appointment of proxies. Accordingly, the facility for appointment of proxies by the Members under Section 105 of the Act, will not be available for the AGM and, hence, the Proxy Form and Attendance Slip are not annexed to this Notice. The Board of Directors has appointed Smt. Uma Verma, Practicing Company Secretary (ACS No. 41116, CP No. 18283) as the Scrutinizer to scrutinize the voting and remote e-voting process in a fair and transparent manner.
4. Corporate/Institutional members (i.e. other than individuals, HUF, NRI, etc) are required to send scanned copy of its Board or governing body resolution/authorization etc., authorizing its representative to attend AGM through VC/OAVM on its behalf and to vote through remote e-voting. The said Resolution/ Authorization be sent to the Scrutinizer by email through its registered email address to cs.umaverma@gmail.com with a copy marked to evoting@nsdl.co.in
5. Members attending the AGM through VC / OAVM shall be counted for the purpose of

reckoning the quorum under Section 103 of the Act.

6. Members can login and join the AGM 30 minutes prior to the scheduled time to start the AGM and the window for joining shall be kept open till the expiry of 15 minutes after the scheduled time to start the AGM. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members, on first-come-first-served basis. However, the participation of large members (members holding 2% or more shareholding), promoters, institutional investors, directors, key managerial personnel, the Chairpersons of the Audit Committee, Nomination & Remuneration Committee, Stakeholders Relationship Committee and Auditors can attend the AGM without restriction of first-come-first served basis. Instructions and other information for members for attending the AGM through VC/OAVM are given in this Notice.
7. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
8. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the aforesaid MCA and SEBI Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as venue voting on the date of the AGM will be provided by NSDL.
9. For ease of conduct, members who would like to ask questions/express their views on the items of the business to be transacted at the meeting can send in their questions/ comments in advance mentioning their name, demat account number/ folio number, email id, mobile number at cs@dhampurgreen.com . The same will be replied by the Company suitably. Those Members who have registered themselves as a speaker will only be allowed to express their views/ask questions during the AGM. Limited.

Demat Holding

Please contact your Depository Participant (DP) and register your email address as per the process advised by DP.

18. In compliance with the aforesaid MCA Circulars and SEBI Circulars, Notice of the AGM along with the Annual Report 2021-22 is being sent by electronic mode to those Members whose e-mail addresses are registered with the Company / Depositories. Further, those members who have not registered their e-mail addresses and mobile nos. and in consequence could not be served the Notice of the AGM and Annual Report may temporarily get themselves registered with RTA by emailing for obtaining the same. Members are requested to support our commitment to environmental protection by choosing to receive the Company's communications through e-mail going forward.

Members may note that the Notice and Annual Report 2021-22 will also be available on the Company's website www.dhampurgreen.com, websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com and on the website of NSDL <https://www.evoting.nsdl.com>.

19. In case a person has become a member of the Company after dispatch of the AGM Notice, but on or before the cur-off date for e-voting i.e. **Wednesday, September, 21, 2022**, such person may obtain the User ID and Password from RTA by e-mail request on investor@masserv.com
20. With a view to helping us serve the members better, members who hold shares in identical names and in the same order of names in more than one folio are requested to write to the Company to consolidate their holdings in one folio.
21. In terms of Section 72 of the Companies Act, 2013 and the applicable provisions, the shareholders of the Company may nominate a person in whose name the shares held by him/them shall vest in the event of his/their death. Shareholders desirous of availing this facility may submit the requisite nomination form.
22. In terms of SEBI Circular dated 09/12/2020, the depository shall send SMS/email alerts regarding the details of the upcoming AGM to the demat holders at least 2 days prior to the date of commencement of e-voting. Hence members are requested to update the mobile no./email ID with their respective depository participants.
23. SEBI has made it mandatory for all Companies to use the bank account details furnished by the Depositories and the bank account details maintained by the RTA for payment of

dividend to Members electronically. The Company has extended the facility of electronic credit of dividend directly to the respective bank accounts of the Member(s) through Electronic Clearing Service (ECS)/National Electronic Clearing Service (NECS)/ Real Time Gross Settlement (RTGS)/ Direct Credit/NEFT etc. In the absence of ECS facilities, the Company will print the bank account details if available, on the payment instrument for distribution of dividend.

In order to receive the dividend without loss of time, the Members holding shares in physical form are requested to submit particulars of their bank accounts along with the original cancelled cheque bearing the name of the Member to the RTA, MAS Services Limited/Company to update their bank account details and all the eligible shareholders holding shares in demat mode are requested to update with their respective DPs, their correct Bank Account Number, including 9 Digit MICR Code and 11 digit IFSC Code, e-mail ID and Mobile No(s).

Members holding shares in physical form may communicate these details to the RTA viz. MAS Services Limited having address at RTA i.e. MAS Services Limited, having address at T-34 2nd Floor, Okhla Industrial Area, Phase-II, New Delhi 110020, by quoting the reference folio number and attaching photocopy of the cheque leaf of their active bank account and a self-attested copy of their Permanent Account Number ('PAN') card.

This will facilitate the remittance of the dividend amount as directed by SEBI in the bank account electronically. Updation of e-mail IDs and Mobile No(s) will enable the Company in sending communication relating to credit of dividend, un-encashed dividend, etc.

The Company or RTA cannot act on any request received directly from the Members holding shares in demat form for any change of bank particulars. Such changes are to be intimated only to the DPs of the Members.

24. Pursuant to Finance Act, 2020, dividend income will be taxable at the hands of shareholders w.e.f. 1st April, 2020 and the Company is required to deduct tax at source from dividend paid to members at prescribed rates. For the prescribed rates for various categories the members are requested to refer to the Finance Act, 2020 and amendments thereto. The members are requested to update their PAN with Registrar and Transfer Agents (in case of shares held in physical mode) and depository participants (in case shares held in demat mode). However, no tax shall be deducted on the dividend payable to a resident individual shareholder if the total dividend to be received during FY 21-22 does not exceed Rs.5,000/-.

A resident individual shareholder with PAN who is not liable to pay income tax submit a yearly declaration in Form 15G/15H, to avail the benefit of non-deduction of tax at Company's RTA at investor@masserv.com. Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%.

25. The documents referred to in the proposed resolutions are available for inspection at its Registered Office of the Company during normal business hours on any working day except Saturdays, upto the date of meeting.
26. Instructions for e-voting and joining the AGM are as follows:

Management Discussion and Analysis Report

Global Economic Review

The global economy staged an attractive rebound in 2021 with an estimated 5.9% growth compared to a de- growth of 3.3% in 2020. This recovery was attributed to a vaccine rollout that extends across 4.4 billion people. This growth could have been better but affected by a sharp increase in freight rates, dearth of shipping containers and semiconductor chips, inflation(highest since 2011) and sustained high oil prices. The global economy is projected to grow at a modest 2.6% in 2022.

Performance of Major Economies

United States

The Country reportedly GDP growth of 5.7% in 2021 compared to a de-growth of 3.4% in 2020.

China

The country's GDP grew 8.1% in 2021 compared 2.3% in 2020 despite it being the noval corona virus epicenter.

United Kingdom

The country's GDP grew 7.5% in 2021 compared to 9.9% de-growth in 2020.

Japan

The country reported growth of 1.7% in 2021 following a contraction in the previous year.

Germany

The country reported a GDP growth of 2.9% in 2021 compared to a decline of 4.9% in 2020.

Indian economic review

The Indian GDP recovered from a de-growth of 7.3% in 2020-21 to a growth of 8.7% in 2021-22.

India's fiscal deficit was estimated at -15.86 trillion for the year ending 31st March, 2022 or 99.7% of the Revised Estimates (RE) of Rs.15.91 trillion. As a percentage of GDP, fiscal deficit stood at 6.7% compared with RE of 6.9%.

India's 2021 monsoon was 99.32% of normal, marginally lower than in the previous year. The production of rice and pulses was a record 127.93 million tones and 26.96 million tones respectively;

Oilseeds production was 371.47 million tones. India's manufacturing sector grew around 12.5%, the agriculture sector grew 3.9%, mining and quarrying grew 14.3%, construction grew 10.7% and electricity, gas and water supply grew 8.5% during the year under review.

India's exports were 40% higher at a record USD 417.8 billion in 2021-22, surpassing the official target by 5% an indicative of a competitive under-current.

India received the highest annual FDI inflow of USD 83.57 billion in F.Y. 2021-22 catalyzed by the government approving 100% FDI for insurance intermediaries and increased FDI limit in the insurance sector from 49% to 74% in Union budget 2021-22. There was an outperformance also in the area of asset monetization when India mobilized more than rs.97000 cr.

Y-O-Y growth of the Indian economy

	FY 2018-19	FY2019-20	FY2020-21	FY2021-22
Real GDP growth(%)	6.1	4.2	(7.3)	8.7

Growth of the Indian economy 2021-22

	Q1, FY 2021-22	Q2, FY 2021-22	Q3, FY2021-22	Q4, 2021-22
Real GDP growth(%)	20.1	8.4	5.4	4.1

Outlook

The Indian economy is projected to grow by a little over 7% in FY 2022-23, lower than initially expected on account of higher inflation. However, the scenario is optimistic across three years: capital expenditure in cement, metal, oil refining and power should be about Rs.5 trillion while the government's production linked incentive-led capex should generate Rs1.4 trillion more by way of revenue across the consumer durables, pharmaceuticals and automobile sectors.

Overview of global sugar production

In the marketing year 2021-22, global sugar production was pegged at 17.35 million tones, registering a growth of mere 4.5 million tones as against 169 million tones in the previous season.

Higher sugar production in nations like India, Russia, Thailand and European Union is expected to counterbalance the drop of Brazil's sugar output.

Global sugar consumption was valued at 172.4 million tones, growing by -2% compared to 171 million tons in FY 2020-21 due to a sharp growth in china India and Russia.

Sugar exports are expected to remain unchanged as the sharp growth in Thailand trade is counter balanced by the reduced shipments from Brazil.

Stocks are estimated at a low level due to reduction in China, Indonesia and Thailand.

Key Sugar producing nations

U.S.A

Sugar production in the United States was expected to grow marginally to reach 8.4 million tones, as gains from beet sugar are anticipated to offset cane sugar production in Louisiana. Sugar imports have reduced by 16% to 2.4 million tones depending on projected quota programs. Sugar consumption is expected to remain unchanged while stocks.

Australia

Australia's sugar production was expected to increase by 65,000 tonnes to 4.4 million tonnes owing to increased yields. Sugar consumption and exports have increased due to surge in production, while closing stocks are expected to remain lower. Australia exports nearly three-quarters of its sugar production with Indonesia, Japan, and South Korea being its major export destinations.

Brazil

Sugar production in Brazil dropped by 6.4 million tonnes to 32.1 million tonnes due to dry weather conditions and frosts. This drop is anticipated to have a major influence on world sugar supply and prices as Brazil is the major producer and exporter of sugar. About 46% of the sugarcane crop is anticipated to be utilized for sugar and 54% is to be derived for ethanol as sugar prices remain rigid and comparatively more appealing compared to ethanol prices. Sugar consumption is anticipated to reduce marginally with stocks unchanged. Sugar exports in Brazil have reduced compared to last year's level, still representing the second-highest export level.

China

Sugar production in China is expected to drop by 1 million tonne to reach 9.6 million tonnes on account of lower sugar beet production due to reduced cultivation area. Consumption is expected to enhance by 2% as economic development steers changing consumption patterns like eating out more. Imports are lowered as stocks are expected to moderate to serve growing consumption needs.

European Union & UK

During 2021-22, sugar production is expected to increase by about 1.8 million tonnes to 17.5 million tonnes in owing to increased area under cultivation in Russia and yield recovery in the European Union. The area under cultivation is expected to moderate further in the new season. This at present is anticipated to be more than offset by a yield recovery as the major producers France and Germany have now joined the league of countries that have granted emergency

authorizations for beet seeds treated with neonics. This will reduce disease pressure in the new season and is anticipated to lead to a recovery of sugar output to 17.5 million tonnes.

Thailand

Sugar production is expected to bounce back by 2.3 million tonnes to 10.1 million tonnes due to increased sugarcane yields, rising harvested area and favourable weather. Sugar consumption is expected to grow driven by robust demand for direct sugar consumption and food-processing. Sugar exports are anticipated to record ~10.4 million tonnes owing to favourable supplies and robust global demand. Stocks are anticipated to reduce with growing exports.

Indian sugar industry overview

India has become the largest producer and consumer of sugar in the world. The government's role in sugarcane pricing to safeguard farmer's interests, as well as fixing the minimum domestic sugar prices, played a key role in the development of this sector. Sugar production in India is pegged at 35.5million tones after the diversion of 34Lakh tones for ethanol production. Around 85% of India's total sugar production is contributed by Uttar Pradesh, Maharashtra and Karnataka. India's sugar exports were pegged at ~9.2million tones driven by reduced global supplies and stable sugar prices.

Total acreage under sugarcane in the country stood at 54.55 Lakh hectares in2021-22 Sugar Season compared to 52.88 Lakh hectares of cane area in the previous season, registering a growth of 3%. With the opening up of the economy and rolling out of vaccines, sugar demand has considerably bounced back with growing sales of sugar byproducts along with growing demand from hotel, restaurant and institutional sectors. The country's catering segment, which is predominantly unorganised,bounced back with the growing number of marriages and events post the second wave. Despite the pandemic shocks, the unorganized grocery channel remained largely strong in the year under review. Only 4% of the overall sugar sales is contributed by the packaged sugar. Factors like rowing sales in modern retail and e-commerce along with changing consumer demographics is expected to drive growth in the packaged sugar segment.

Sugar Balance Sheet 2021-22 (in million tonnes)

Opening stock	8.2
Estimated production during sugar season 2021-22	35.5
Sugar availability	43.7
2021-22 9.2	
Estimated domestic consumption	27.8
Targeted exports during sugar season	9.8
Closing stock	6.7

Sugar exports and imports

Indian sugar exports are expected to touch a record high of ~9.2 million tonnes in the current marketing year 2021-22. Increase in the amount of sugar diverted to ethanol production has resulted in a shortage globally which Indian exports are stuffing. In the marketing year 2021-22, Indian mills signed contracts to export more than 8.7 million tonnes of sugar without government subsidies. Around 6.7 million tonnes had been dispatched since the start of the marketing year. Increased transportation cost on account of higher fuel prices in the current season will increase India's sugar export prices. On December, 2021 the WTO panel recommended India to pull back its alleged prohibited subsidies under the production assistance, buffer stock, marketing and transportation schemes within 120 days from the adoption of the report.

Swot Analysis of Indian Sugar Industry**Strengths**

Sugar cane is among the most profitable cash crops in India. India is ranked as the largest sugar consumer and second largest sugar producer globally. The sugar industry strengthens downstream sectors and the vast rural economy of the country. The Indian sugar industry is regarded as a local economy driver by the government. The Indian sugar sector enriches the livelihood of around 50 million sugarcane farmers and provides direct employment to 5 Lakh workers.

Weaknesses

Cane prices are considerably high as against global benchmarks. Use of obsolete technology is still prevalent in many companies across the sector. Poor economic condition of most mills.

Opportunities

India's per capita sugar consumption stood at 19 Kgs compared to the global average of 23 Kgs. Merchandised farming practices can lead to remarkable growth in yield and recovery. Compulsory ethanol blending program of the government is driving ethanol production. Technological advancements can lead to greater by-product use.

Threats

Cropping and yields are impacted due to climate change. The sector is repeatedly affected by a political agenda. The sector is increasingly dependable on monsoon. Lack of substantial infrastructure makes cane farming dependable on climatic fluctuations.

INDEPENDENT AUDITOR'S REPORT

To the Members of

Dhampur Speciality Sugars Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **DHAMPURE SPECIALITY SUGARS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the statement of Profit and Loss and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "the standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 as amended in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies. (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit and total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on Standalone Financial Statements.

Information Other than the Financial Statements and Auditor's Report Thereon.

The Company's Board of Directors is responsible for preparation of the other information. The other information comprises the information included in Board's Report including Annexure to the Board's Report and Shareholder's information but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Financial Statements

The Company's management and Board of Directors is responsible for the matters stated in Section 134(5) of Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of these standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (i) Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform Audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (ii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (iv) Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial

Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key matters. We describe the matters in our auditor's report unless law or regulation precludes public disclosure about the matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

- 1) As required by section 143(3) of the Act, based on our audit we report, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account;
 - (d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of the written representations received from the directors as on March 31, 2022, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022, from being appointed as a director in terms of sub-section (2) of section 164 of the Act;

(f) With respect to the adequacy of internal financial controls over financial reporting of the Company and the operative effectiveness of such controls, refer to our separate report in 'Annexure A'. Our report expresses an unmodified opinion on

(g) The adequacy and operating effectiveness of the company internal financial controls over financial reporting.

(h) With respect to the matters to be included in the Auditor's Report under section 197(16), we report that; In our opinion and according to explanation given to us, the remuneration paid by the company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

(i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

a. The company does not have any pending litigations which would impact its financial position.

b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as required under the applicable law or accounting standards.

c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

d. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.

- v) Since the company has not declared or paid any dividend during the year, the question of commenting on whether dividend declared or paid is in accordance with the provisions of section 123 of the Companies Act, 2013 does not arise.
- i. As required by the **Companies (Auditor's Report) Order, 2020 ("the Order")** issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in 'Annexure B' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF DHAMPURE SPECIALITY SUGARS LIMITED**Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **DHAMPURE SPECIALITY SUGARS LIMITED** ('the Company') as of 31-March-2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the company based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by the Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (a) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31-March-2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

DHAMPURE SPECIALITY SUGARS LIMITED

Notes to the Standalone Financial Statements

1. Company Overview and Significant Accounting Policies

Company overview

Dhampure Speciality Sugars Limited ('the Company') is a leading manufacturer, processor, dealers, sellers, importers and exporters of sugar product of every kind and description including inverted sugar, raw sugar, gur, khandsari, processed or manufactured by use of any of the products, bye products wastes or scraps of sugar mills either with or without conjunction or mixture of any other material, article or thing.

The Company is a public limited company incorporated and domiciled in India and has its registered office at Village Pallawala , Uttar Pradesh, India. The company has its primary listings on the BSE Limited.

The financial statements are approved for issue by the Company's Board of Directors on MAY, 30, 2022.

1.1 Basis of preparation of financial statements

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act , 2013 ('Act') (to the extent notified) and guidelines issued by the Securities and

Exchange Board of India (SEBI).The Ind AS are prescribed under Section133 of the Act read with Rule 3of the Companies (Indian Accounting Standards) Rules,2015and Companies (Indian Accounting Standards) AmendmentRules,2016.

The Financial statements for the year ended March 31, 2022 are the companies first Ind AS Financial Statements. The Company has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP. Reconciliations and descriptions of the effect of the transition has been summarized in note 2.1.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Functional and Presentation Currency

Financial Statements are presented in Indian Rupees, which is functional currency of the company and the currency of the primary economic environment in which the company operates.

Basis of Measurement

These financial statements are prepared under the historical cost convention unless otherwise indicated.

Operating Cycle

Based on the nature of product/activities of the company and normal time between acquisition of assets and their realisation in cash or cash equivalents, the company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non current.

1.2 Use of estimates and Judgements

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

1.3 Property Plant and Equipment (PPE)

The company has elected to continue with the carrying value of all its properties, plant and equipment as recognized in the financial statements as at the date of transactions to Ind AS, measured as per the previous GAAP and use that as the deemed cost as at the transition date pursuant to the exemption under Ind AS 101

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of company's assets are determined by management at the time the asset is acquired And reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

1.4 Intangible Assets and Amortization

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known

technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial yearend.

1.5 Depreciation

Depreciation is the systematic allocation of the depreciable amount PPE over its useful life and is provided on a straight line basis over the useful lives as prescribed in schedule II of the Act or as per technical assessment.

a) Depreciation on fixed assets is provided on straight line method at the rates prescribed by the schedule II of the companies act, 2013 and in the manner as prescribed by it except assets costing less than Rupees 5000 on which depreciation is charged in full during the year.

b) Intangible assets are amortized over their respective individual estimated useful life on straight line basis, commencing from the date the assets is available to the company for its use. The estimated useful life of an identifiable intangible assets is based on a number of factors including the effects of obsolescence etc. The amortization method and useful lives are reviewed periodically at end of each financial year.

1.6 Valuation of inventories

Inventories have been valued on First In First Out (FIFO) basis, at cost or net realizable whichever is less. Goods in transit are carried at cost.

1.7 Foreign currency Transactions / Translations

i. Transactions denominated in foreign currency are recorded at exchange rates prevailing at the date of transaction or at rates that closely approximate the rate at the date of the transaction.

ii. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the exchange rate at the reporting date. Non—monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

iii. Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings.

iv. Foreign exchange differences recorded as an adjustment to borrowing costs are presented in the statement of profit and loss, as a part of finance cost. All other foreign exchange gains and losses are presented in the statement of profit and loss on net basis.

v. In case of long term monetary items outstanding as at the end of year. Exchange differences arising on settlement / restatement there of are capitalised as part of the depreciable fixed assets to which the monetary item relates and depreciated over the remaining useful life of such assets.

If such monetary items do not relate to acquisition of depreciable fixed assets, the exchange difference is amortised over the maturity period / up to the date of settlement of such monetary items, whichever is earlier, and charged to the Statement of Profit and loss.

1.8 Dividends

The company has not declared any type of interim and final dividends during the year.

1.9 Leases

Leases under which the company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of minimum lease payments at the inception of lease, whichever is lower. Lease under which the risks and rewards incidental to ownership are not transferred to lessee, is classified as operating lease. Lease payments under operating leases are recognized as an expense on a straight line basis in net profit in the statement of profit and loss over the lease term

2.0 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

i) Initial Recognition and measurement

On initial recognition all the financial assets and liabilities are recognized at its fair value plus or minus transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability except financial asset or financial liability measured at fair value through profit or loss ("FVTPL"). Transaction costs of financial assets and liabilities carried at fair value through the Profit and Loss are immediately recognized in the Statement of Profit and Loss.

ii) Subsequent measurement

a) Financial assets carried at amortized cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cashflows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income

(FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cashflows and selling financial assets and the contractual terms of the financial asset give rise on

specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss (FVTPL)

A financial asset is measured at fair value through profit and loss unless it is measured at amortized cost or at fair value through other comprehensive income.

d) Investments in subsidiaries, joint ventures and associates

The Company has adopted to measure investments in subsidiaries. Joint ventures and associates at cost in accordance with Ind AS 27 and carrying amount as per previous GAAP at the date of transition has been considered as deemed cost in accordance with Ind AS 101.

e) Financial liabilities

Financial liabilities are classified as either financial liabilities at FVTPL or other financial liabilities, Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL. Gains or Losses on liabilities held/or trading are recognised in the Statement of Profit and Loss.

Other Financial liabilities

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

For trade and other payables maturing within one year from the balance sheet date. the carrying amounts approximate fair value due to the short maturity of these instruments.

iii) Derecognition of financial instruments

A financial asset is derecognized when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability is (derecognized when the obligation specified in the contract is discharged or cancelled or expired

iv) Fair value measurement of financial instruments

The fair value of financial instruments is determined using the valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

Based on the three level fair value hierarchy, the methods used to determine the fair value of financial assets and liabilities include quoted market price, discounted cashflow analysis and valuation certified by the external valuer.

In case of financial instruments where the carrying amount approximates fair value due to the short maturity of those instruments, carrying amount is considered as fair value.

2.1 Impairment of Assets

i) Financial Assets

In accordance with 1st AS 109, the company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss.

Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised as a gain or loss in statement of profit or loss.

ii) Non-Financial Assets

The carrying amounts of the Company's tangible and intangible assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated in order to determine the extent of the impairment loss, if any.

The impairment loss is recognised as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cashflows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss. In case of revalued assets, such reversal is not recognised.

2.2 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the amount can be reliably measured.

(a) Revenue is recognised at the fair value of the consideration received or receivable. The amount disclosed as revenue is net of returns, trade discounts, value added tax, Goods and Services Tax (GST).

Provisions/or rebates discount and return are estimated and provided for in the year of sales and recorded as reduction of revenue.

b) Dividend income is accounted for when the right to receive the income establish.

2.3 Interest

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

Income from interest is recognized using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to

the gross carrying amount of the financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

2.4 Income Taxes

Income tax expense comprises current tax and deferred tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity or other comprehensive income, in which case it is also recognized in equity or other comprehensive income respectively.

Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction. Deferred tax assets and liabilities are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

2.5 Borrowing Costs

Borrowing costs that are directly attributable to title acquisition, construction or production of a qualifying asset are capitalized as part of the cost of the asset. Other borrowing costs are recognized as an expense in the period in which they are incurred. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.6 Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of

money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be continued only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Claims against the Company where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

2.7 Earning per share

Basic earning per share is calculated by dividing the net profit or loss for the year attributable to the equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating the diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares. The dilutive potential equity shares are deemed converted as at beginning of the period, unless they have been issued at a later date.

2.8 Employee Retirement benefits

i) Short term employee benefits

All employee benefits payable/available within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages and bonus etc., are recognised in the statement of profit and loss in the period employee renders the related service.

ii) Post employment benefits

Defined contribution plans —

Retirement benefits in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. Payments to defined contribution plans are recognised as an expense when employees have rendered service entitling them to the contributions.

Defined benefit plans

Gratuity

The company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The Gratuity payment plan provides for a lump sum payment to the vested employees at retirement, death, incapacitation while in employment or on termination of employment of an amount based on the respective employee's salary and tenure of employment. Vesting occurs upon completion of five years of service.

Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date using the projected unit credit method. Re-measurements comprising of actual gains and losses, are recognised in other comprehensive income which are not reclassified to profit or loss in the subsequent periods.

iii) Long Term Employee Benefits

Leave Encashment

The liability of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using projected unit credit method.

2. 9 Segment Reporting

The company operates in one reportable business segment i.e. " Manufacturing and trading of sugars and allied activities

3.0 Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank and in hand and short-term deposits with banks that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments,

4.0 Provisions

A provision is recognized if, as a result of a past event, the company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

a. Post sales client support

The Company provides its clients with a fixed-period post sales support for corrections of errors and support on all its fixed-price, fixed-timeframe contracts. Costs associated with such support services are accrued at the time related revenues are recorded in the Statement of Profit and Loss. The company estimates such costs based on historical experience and estimates are reviewed on a periodic basis for any material changes in assumptions and likelihood of occurrence.

b. Onerous contracts

Provisions for onerous contracts are recognized when the expected benefits to be derived by the company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established the company recognizes any impairment loss on the assets associated with that contract.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Dhampur Speciality Sugars Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated financial statements of **DHAMPURE SPECIALITY SUGARS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the statement of Profit and Loss and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 as amended in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies. (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit and total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on Consolidated Financial Statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for preparation of the other information. The other information comprises the information included in Board's Report including Annexures to the Board's Report and Shareholder's information but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Consolidated Financial Statements

The Company's management and Board of Directors is responsible for the matters stated in Section 134(5) of Act with respect to the preparation and presentation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of these Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- (i) Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (ii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (v) Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key matters. We describe the matters in our auditor's report unless law or regulation precludes public disclosure about the matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1) As required by section 143(3) of the Act, based on our audit we report, that:

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF DHAMPURE SPECIALITY SUGARS LIMITED

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **DHAMPURE SPECIALITY SUGARS LIMITED** ('the Company') as of 31-March-2022 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the company based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by the Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (a) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31-March-2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF DHAMPURE SPECIALITY SUGARS LIMITED

Report on the Companies (Auditor's Report) Order, 2020, issued in terms of section 143(11) of the companies Act, 2013 ("the Act") of the Dhampur Speciality Sugars Limited ("the Company")

1. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
2. (a) Physical verification of inventories have been conducted by the management during the year which, in our opinion, is at reasonable intervals; and, in our opinion, the coverage and procedure of such verification by the management is appropriate. The discrepancies noticed on verification between physical stock and book records were not 10% or more in aggregate for each class of inventories.
- (b) In our opinion, the procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business
- (c) On the basis of our examination of the inventory records, in our opinion, the company is maintaining proper records of inventory. The discrepancies noticed on physical verification of inventory as compared to books records were not material.
3. According to the information and explanations given to us the terms and conditions of the loans granted, secured or unsecured, to companies, firms, Limited Liability Partnership or other parties covered in the register maintained under section 189 of the Companies Act, 2013 are not prima facie prejudicial to the interest of the company and the payment of the principal amount and interest are also regular wherever contractually payable or recoverable. There are no overdue amounts as the loans are repayable on demand.
4. In our opinion and according to the information and explanations given to us ,the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans, investments, guarantees, and security made.

5. The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2022 and therefore the provisions of the clause 3 (v) of the order are not applicable to the Company.

DHAMPUR SPECIALITY SUGARS LIMITED

Notes to the Consolidated Financial Statements

1. Company Overview and Significant Accounting Policies

Company overview

Dhampur Speciality Sugars Limited ('the Company') is a leading manufacturer, processor, dealers, sellers, importers and exporters of sugar product of every kind and description including inverted sugar, raw sugar, gur, khandsari, processed or manufactured by use of any of the products, by products wastes or scraps of sugar mills either with or without conjunction or mixture of any other material, article or thing.

The Company is a public limited company incorporated and domiciled in India and has its registered office at Village Pallawala, Uttar Pradesh, India. The company has its primary listings on the BSE Limited.

The financial statements are approved for issue by the Company's Board of Directors on MAY, 30, 2022.

1.1 Basis of preparation of financial statements

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The Financial statements for the year ended March 31, 2021 are the company's first Ind AS Financial Statements. The Company has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP. Reconciliations and descriptions of the effect of the transition has been summarized in note 2.1.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Functional and Presentation Currency

Financial Statements are presented in Indian Rupees, which is functional currency of the company and the currency of the primary economic environment in which the company operates.

Basis of Measurement

These financial statements are prepared under the historical cost convention unless otherwise indicated.

Operating Cycle

Based on the nature of product/activities of the company and normal time between acquisition of assets and their realisation in cash or cash equivalents, the company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non current.

1.2 Use of estimates and Judgements

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

1.3 Property Plant and Equipment (PPE)

The company has elected to continue with the carrying value of all its properties, plant and equipment as recognized in the financial statements as at the date of transactions to Ind AS, measured as per the previous GAAP and use that as the deemed cost as at the transaction date pursuant to the exemption under Ind AS 101

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of company's assets are determined by management at the time the asset is acquired And reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

1.4 Intangible Assets and Amortization

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible

asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

1.5 Depreciation

Depreciation is the system allocation of the depreciable amount PPE over its useful life and is provided on a straight line basis over the useful lives as prescribed in schedule II of the Act or as per technical assessment.

a) Depreciation on fixed assets is provided on straight line method at the rates prescribed by the schedule II of the companies act, 2013 and in the manner as prescribed by it except assets costing less than Rupees 5000 on which depreciation is charged in full during the year.

b) Intangible assets are amortized over their respective individual estimated useful life on straight line basis, commencing from the date the assets is available to the company for its use. The estimated useful life's of an identifiable intangible assets is based on a number of factors including the effects of obsolescence etc. The amortization method and useful lives are reviewed periodically at end of each financial year.

1.6 Valuation of inventories

Inventories have been valued on First In First Out (FIFO) basis, at cost or net realizable whichever is less. Goods in transit are carried at cost.

1.7 Foreign currency Transactions / Translations

i. Transactions denominated in foreign currency are recorded at exchange rates prevailing at the date of transaction or at rates that closely approximate the rate at the date of the transaction.

ii. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the exchange rate at the reporting date. Non—monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

iii. Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings.

iv. Foreign exchange differences recorded as an adjustment to borrowing costs are presented in the statement of profit and loss, as a part of finance cost. All other foreign exchange gains and losses are presented in the statement of profit and loss on net basis.

v. In case of long term monetary items outstanding as at the end of year. Exchange differences arising on settlement / restatement there of are capitalised as part of the depreciable fixed assets to which the monetary item relates and depreciated over the remaining useful life of such assets. If such monetary items do not relate to acquisition of depreciable fixed assets, the exchange difference is amortised over the maturity period / up to the date of settlement of such monetary items, whichever is earlier, and charged to the Statement of Profit and loss.

1.8 Dividends

The company has not declared any type of interim and final dividends during the year.

1.9 Leases

Leases under which the company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of minimum lease payments at the inception of lease, whichever is lower. Lease under which the risks and rewards incidental to ownership are not transferred to lessee, is classified as operating lease. Lease payments under operating leases are recognized as an expense on a straight line basis in net profit in the statement of profit and loss over the lease term

2.0 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

i) Initial Recognition and measurement

On initial recognition all the financial assets and liabilities are recognized at its fair value plus or minus transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability except financial asset or financial liability measured at fair value through profit or loss ("FVTPL"). Transaction costs of financial assets and liabilities carried at fair value through the Profit and Loss are immediately recognized in the Statement of Profit and Loss.

ii) Subsequent measurement

a) Financial assets carried at amortized cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cashflows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cashflows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss (FVTPL)

A financial asset is measured at fair value through profit and loss unless it is measured at amortized cost or at fair value through other comprehensive income.

d) Investments in subsidiaries, joint ventures and associates

The Company has adopted to measure investments in subsidiaries. Joint ventures and associates at cost in accordance with Ind AS 27 and carrying amount as per previous GAAP at the date of transition has been considered as deemed cost in accordance with Ind AS 101.

e) Financial liabilities

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities,

Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL. Gains or Losses on liabilities held/or trading are recognised in the Statement of Profit and Loss.

Other Financial liabilities

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

For trade and other payables maturing within one year from the balance sheet date. the carrying amounts approximate fair value due to the short maturity of these instruments.

iii) Derecognition of financial instruments

A financial asset is derecognized when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability is (derecognized when the obligation specified in the contract is discharged or cancelled or expired

iv) Fair value measurement of financial instruments

The fair value of financial instruments is determined using the valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

Based on the three level fair value hierarchy, the methods used to determine the fair value of financial assets and liabilities include quoted market price, discounted cashflow analysis and valuation certified by the external valuer.

In case of financial instruments where the carrying amount approximates fair value due to the short maturity of those instruments, carrying amount is considered as fair value.

2.1 Impairment of Assets

i) Financial Assets

In accordance with 1st AS 109, the company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss.

Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as a gain or loss in statement of profit or loss.

ii) Non-Financial Assets

The carrying amounts of the Company's tangible and intangible assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated in order to determine the extent of the impairment loss, if any.

The impairment loss is recognised as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cashflows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss. In case of revalued assets, such reversal is not recognised.

2.2 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the amount can be reliably measured.

(a) Revenue is recognised at the fair value of the consideration received or receivable. The amount disclosed as revenue is net of returns, trade discounts, value added tax, Goods and Services Tax (GST).

Provisions/or rebates discount and return are estimated and provided for in the year of sales and recorded as reduction of revenue.

b) Dividend income is accounted for when the right to receive the income establish.

2.3 Interest

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

Income from interest is recognized using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

2.4 Income Taxes

Income tax expense comprises current tax and deferred tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity or other comprehensive income, in which case it is also recognized in equity or other comprehensive income respectively.

Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction. Deferred tax assets and liabilities are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit

will be available against which the deductible temporary differences and tax losses can be utilized. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

2.5 Borrowing Costs

Borrowing costs that are directly attributable to title acquisition, construction or production of a qualifying asset are capitalized as part of the cost of the asset. Other borrowing costs are recognized as an expense in the period in which they are incurred. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.6 Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resource will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be continued only by the occurrence or non -occurrence of one or more uncertain future events not wholly within the control of the Company.

Claims against the Company where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

2.7 Earning per share

Basic earning per share is calculated by dividing the net profit or loss for the year attributable to the equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating the diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares. The dilutive potential equity shares are deemed converted as at beginning of the period, unless they have been issued at a later date.

2.8 Employee Retirement benefits

i) Short term employee benefits

All employee benefits payable/available within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages and bonus etc., are recognised in the statement of profit and loss in the period employee renders the related service.

ii) Post employment benefits

Defined contribution plans —

Retirement benefits in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. Payments to defined contribution plans are recognised as an expense when employees have rendered service entitling them to the contributions.

Defined benefit plans

Gratuity

The company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The Gratuity payment plan provides for a lump sum payment to the vested employees at retirement, death, incapacitation while in employment or on termination of employment of an amount based on the respective employee's salary and tenure of employment. Vesting occurs upon completion of five years of service.

Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date using the projected unit credit method. Re-

measurements comprising of actuarial gains and losses. are recognised in other comprehensive income which are not reclassified to profit or loss in the subsequent periods.

iii) Long Term Employee Benefits

Leave Encashment

The liability of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using projected unit credit method.

2. 9 Segment Reporting

The company operates in one reportable business segment i.e. " Manufacturing and trading of sugars and allied activities

3.0 Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank and in hand and short-term deposits with banks that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments,

4.0 Provisions

A provision is recognized if, as a result of a past event, the company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

a. Post sales client support

The Company provides its clients with a fixed-period post sales support for corrections of errors and support on all its fixed-price, fixed-timeframe contracts. Costs associated with such support services are accrued at the time related revenues are recorded in the Statement of Profit and Loss. The company estimates such costs based on historical experience and estimates are reviewed on a periodic basis for any material changes in assumptions and likelihood of occurrence.

b. Onerous contracts

Provisions for onerous contracts are recognized when the expected benefits to be derived by the company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established the company recognizes any impairment loss on the assets associated with that contract.
