4. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the company. Since this AGM is being held pursuant to the MCA Circulars through VC or OAVM, the requirement of physical attendance of members has been dispensed with. Accordingly, in terms of the MCA Circulars, the facility for appointment of proxies by the members will not be available for this AGM and hence the proxy form, attendance slip and route map of AGM are not annexed to this notice.
5. Institutional / Corporate Shareholders (i.e., other than Individuals, HUF, NRI, etc.) are required to send a scanned copy (PDF / JPG Format) of their respective Board or Governing Body Resolution / Authorization etc., authorizing their representative to attend the AGM through VC / OAVM on their behalf and to vote through remote e-Voting. The said Resolution / Authorization shall be sent to the Scrutinizer by e-mail on its registered e-mail address to bluechipindialimited@gmail.com with a copy marked to helpdesk.evoting@cdslindia.com.

6. The Members can join the 41st AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the 41st AGM without restriction on account of first come first served basis.
7. The attendance of the Members attending the 41st AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
8. All the members whose names are recorded in the Register of Members or in the Register of Beneficial Owners maintained by the depositories as on Friday, 28th August, 2026, have been considered for the purpose of sending the Notice of 41st AGM and the Annual Report.
9. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the 41st AGM. For this purpose, the Company has entered into an agreement with **Central Depository Services (India) Limited (CDSL)** for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as e-voting on the date of the AGM will be provided by CDSL.

12. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrar and Transfer Agent M/s. Maheshwari Datamatics Private Limited at compliance@mdplcorporate.com for assistance in this regard.
13. Members are requested to intimate changes, if any, about their name, postal address, email address, telephone/mobile numbers, PAN, power of attorney registration, Bank Mandate details, etc., to their Depository Participant ("DP") in case the shares are held in electronic form and to the Registrar in case the shares are held in physical form, in prescribed Form No. ISR-1, quoting their folio number and enclosing the self-attested supporting document. Further, Members may note that SEBI has mandated the submission of PAN by every participant in the securities market.
14. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are

therefore, requested to submit their PAN to the Depository Participant with whom they are maintaining their demat account. Members holding shares in physical form can submit their PAN details to the Registrar and Transfer Agent **M/s. Maheshwari Datamatics Private Limited**.

15. As per the provisions of Section 72 of the Companies Act, 2013 (the "Act") the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. Members are requested to submit the said details to their Depository Participants ("DPs") in case the shares are held by them in electronic form and to M/s. Maheshwari Datamatics Private Limited; in case the shares are held by them in physical form.
16. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them in electronic form and to the Company's Registrars and Transfer Agents, M/s. Maheshwari Datamatics Private Limited for shares held in physical form, with relevant documents that may be required.
17. **REMOTE E-VOTING:** The remote E-voting period will be available during the following period:
 - **Day, Date and Time of commencement of remote e-Voting:** Thursday, 24th September, 2026 at 9:00 a.m. (IST)
 - **Day, Date and Time of end of remote e-Voting:** Sunday, 27th September, 2026 at 5:00 P.M. (IST)
18. The Company has fixed **Monday, 21st September, 2026** as the "Cut-off date" for identifying the Members who shall be eligible for participation in the 41st AGM through VC/ OAVM facility and voting either through remote e-Voting or through e-Voting during the AGM. A person whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the depositories as on the Cut-off date shall be entitled to attend the AGM and to vote on the Resolutions as set-forth in the Notice. The voting rights of the Members, in respect of remote e-Voting or e-Voting during the AGM, shall be reckoned in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date. A person who is not a Member as on the cut-off date should treat Notice of this AGM for information purposes only.
19. The Board of Directors have appointed Mr. Suprabhat Chakraborty from M/s. Suprabhat & Co. Practicing Company Secretaries, Kolkata (Membership No.: A41030, Certificate of Practice No.: 15878) as the Scrutinizer for conducting the e-voting process in a fair and transparent manner and has communicated their willingness to be appointed. The Scrutinizer, after scrutinizing the votes cast during the AGM and through remote e-voting, will not later than two working days of conclusion of the Meeting, make a consolidated scrutinizer's report and submit the same to the Chairman. The results declared along with the consolidated scrutinizer's report shall be placed on the website of the Company at www.bluechipind.com and CDSL website. The results shall simultaneously be communicated to the BSE Limited

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- Step 1** : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- Step 2** : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Thursday, 24th September, 2026 at 09:00 A.M. (IST) and ends on Sunday, 27th September, 2026 at 5:00 P.M. (IST). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Monday, September 21, 2026 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

ANNEXURE 'II'

MANAGEMENT DISCUSSION AND ANALYSIS REPORT**INTRODUCTION**

Management Discussion and Analysis mainly comprises of the statements which, inter-alia, involve predictions based on perceptions and may, therefore, be prone to uncertainties. It is the sum total of the Company's expectations, beliefs, estimates and projections which are forward looking within the meaning of applicable laws and regulations. The actual results could differ materially from those expressed herein specifically or impliedly.

Economic Overview and Outlook**Global Economy**

In 2025-26, the global economy continued to show resilience amid mixed conditions. Growth remained uneven, with some regions advancing steadily while others facing slowdowns. Trade tensions, geopolitical risks, and supply chain challenges persist, sustaining inflationary pressures in several sectors. Central banks are carefully adjusting policies to balance growth support with inflation control. Meanwhile, climate action and technological progress are reshaping industries, creating both obstacles and new opportunities for investment and employment.

Indian Economy

India remains one of the fastest-growing major economies, supported by strong domestic demand, government infrastructure initiatives, and expanding private sector activity. The manufacturing sector is gaining momentum, aided by policy incentives and rising foreign investments. Inflation pressures have eased somewhat, helped by stable commodity prices and improved supply chains, though vigilance is necessary amid global uncertainties. Continued focus on digitalization, renewable energy and financial inclusion strengthens India's growth outlook. However, external risks such as geopolitical tensions and commodity price volatility require coordinated efforts to ensure sustainable and inclusive development.

Industry Structure and Development – Overview :

Investment business is the professional business of various securities (shares, bonds, etc.) and other assets (e.g., real estate), to meet specified investment goals for the benefit of investors. Investors may be institutions (insurance companies, pension funds, corporations etc.) or private investors (both directly via investment contracts and more commonly via collective investment schemes e.g., mutual funds).

Opportunities And Threats Opportunities:

Investing in a securities market, also called investing in stocks and bonds, is one of the primary ways to build wealth through capital appreciation - an increase in the securities' value over time.

Investing is challenging, can be exciting and is a learning experience. Selecting stocks to invest in doesn't require an advanced degree in finance, but it does require careful research and keeping up with current economic trends.

It's a great thrill to participate in a bull market - one in which stocks go up in price - and watch the value of your investments climb week by week. Your Directors believe that there are tremendous long-term growth opportunities in emerging markets.

Threats:

Finally, we need to consider threats to the company. Again, threats can be internal as well as external. In fact, the internal threats usually come first, which opens the door to external threats. Therefore, it's important to do a good threat analysis. Any internal problem is a threat to the company's well-being and should be evaluated alongside the external threats.

Some possible threats are :

- Internal obstacles the company is facing.
- Cash flow problems.
- The relative position of the company's largest competitors.
- Technological advances in the industry (if the company isn't keeping pace).

Future Outlook :

Your Company intends to invest in businesses related to infrastructure, telecommunication, soft ware etc. and wide variety of products and services in the coming years since it sees good prospect in these areas. It would definitely try to establish itself and remain as a strong player in the finance industry. With the Capital market expected to be in a better mode than the previous few years and with our efforts we can look forward to a prosperous year for the company.

Internal Control Systems and their adequacy :

The Company has in place adequate internal control systems and procedures commensurate with the size and nature of its business. These procedures are designed to ensure :

- ☐ That all assets and resources are used efficiently and are adequately protected;
- ☐ That all internal policies and statutory guidelines are complied within letter & spirit;
- ☐ The accuracy and timing of financial reports and management information.

Material Development in Human Resources/industrial relations front number of people employed :

The Company believes that people are the key ingredient to the success of an organization. Looking after people makes good business sense because, if people are motivated, service excellence will follow. The relations remain cordial throughout the year between employees and the management. The

Company recognizes the importance and contribution of its Human resources for its growth and development and is committed to the development of its people.

Financial and Operational Performance :

Please refer Directors' Report for performance review.

Cautionary Statement :

Statement in the Management's Discussion and Analysis describing the Company's projections estimates, expectations or predictions may be forward looking predictions within the meaning of applicable securities laws and regulations. These forward-looking statements are based on certain assumptions and expectations of future events over which the Company exercises no control. The Company cannot guarantee that these assumptions and expectations are accurate or will be realized. Actual results may differ materially from such estimates, projections, etc. whether expressed or implied.

INDEPENDENT AUDITOR'S REPORT

To
The Members of,
BLUE CHIP INDIA LIMITED

Report on the Audit of Financial Statements**Opinion**

We have audited the accompanying Ind AS financial statements of **BLUE CHIP INDIA LIMITED** (*"the Company"*) which comprises the Balance Sheet as at **March 31, 2026**, the Statement of Profit and Loss (including Other Comprehensive Loss), Statement of changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information of the company.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (India Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its loss (Including Other Comprehensive income), Statement of Changes in Equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on Ind AS Financial Statement.

Emphasis of Matter

1. Attention is drawn to Note No 26(a) of the Financial Statements. Inventory of unquoted shares valuing Rs 0.63 lacs are carried in the Balance sheet at cost instead of lower of cost or fair value. In absence of adequate information for determining the fair market value of inventories of unquoted shares, impact thereof on Financial Statements are not ascertainable.
2. Attention is drawn to Note No 26(b) of the Financial Statements. Inventory of Unquoted shares, valuing Rs 0.63 lacs, held in physical form and physical share certificates were not available for verification. Management has represented that these are misplaced and tracing the same. Necessary steps will be taken to recover the share certificates.

Our opinion is not modified in respect of above matters.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the current period. These matters were addressed and communicated with management in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in the report.

No	Key Audit Matter	How our audit addressed the Key Audit Matter
1.	Valuation of Unquoted Equity Investments held as Inventory- Inventory in Unquoted equity shares are measured at Cost. The Fair value of these assets involved management's judgment because these securities are not traded in an active market. Since this valuation is a Level 3 type of valuation in accordance with Ind AS 113 Fair Value Measurement where one or more significant inputs to the fair value measurement is unobservable. Accordingly, this item is considered to be a Key Audit Matter due to significant judgments associated with estimating the fair value of investment.	The management could not provide adequate information for determining the fair market value of inventories of unquoted shares. We have drawn attention to the fact in emphasis of matter paragraph.
2.	Inventory of Unquoted shares, held in physical form.	Inventory of Unquoted shares, held in physical form were not available for verification Management has represented that these are misplaced and tracing the same. Necessary steps will be taken to recover the share certificates We have drawn attention to the matter in the emphasis of matter paragraph.

Information Other than the Ind AS Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Directors Report including Annexures to Directors' Report, Report on Corporate Governance but does not include the Ind AS Financial Statements and our auditors' report thereon. The Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report and Report on Corporate Governance are expected to be made available to us after the date of this auditor's report.

Our opinion on the Ind AS financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations. We have nothing to report in this regard.

Responsibility of Management and Those charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive loss (changes in equity) and cash flows of the Company in accordance with the Ind AS and accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act, 2013 read with relevant rules issued thereunder and other Accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind-AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Annexure B to the Auditors' Report**Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of **BLUE CHIP INDIA LIMITED** ('the Company') as on 31st March, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safe guarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operative effectiveness. Our audit of internal Financial Controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion of the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in responsible detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are records as necessary to permit preparation of financial statements in accordance with authorizations of the

Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future period are subject to the risk that the internal financial control over financial reporting may become inadequate because of change in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Notes on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

The Company prepares its financial statements on a going concern.

2.3 Accrual basis of accounting

The Financial Statements have been prepared under the historical cost convention on accrual basis, except for Certain financial assets and liabilities that are measured at fair values at the end of each reporting period

2.4 Materiality and aggregation

The Company presents separately each material class of similar items. It presents separately items of a dissimilar nature or function unless they are immaterial except when required by law.

2.5 Offsetting

The Company do not offset assets and liabilities or income and expenses, unless required or permitted by an IND AS.

2.6 Minimum comparative information

Except when IND ASs permit or require otherwise, the company presents comparative information in respect of the preceding period for all amounts reported in the current period's financial statements. It also includes comparative information for narrative and descriptive information if it is relevant to understanding the current period's financial statements.

2.7 Other comprehensive income

Other Comprehensive Income comprises items of income and expenses (including reclassification adjustments) that are not recognised in profit or loss as required or permitted by other IND AS. The components of other comprehensive income include: (a) changes in revaluation surplus; (b) reameasurements of defined benefit plans; gains and losses from investments in equity instruments designated at fair value.

2.8 Accounting Policies, Changes in Accounting Estimates and Errors

In the absence of an IND AS that specifically applies to a transaction, other event or condition, management shall use its judgement in developing and applying an accounting policy that results in information that is: (a) relevant to the economic decision-making needs of users; and (b) reliable, in that the financial statements: (i) represent faithfully the financial position, financial performance and cash flows of the entity; (ii) reflect the economic substance of transactions, other events and conditions, and not merely the legal form; (iii) are neutral, i.e. free from bias; (iv) are prudent; and (v) are complete in all material respects.

(i) Changes in accounting policies

The Company will change an accounting policy only if the change: (a) is required by an IND AS; or (b) results in the financial statements providing reliable and more relevant information about the effects of transactions, other events or conditions on the entity's financial position, financial performance or cash flows.

The Company has corrected all material prior period errors retrospectively in the first set of financial statements approved for issue after their discovery by: (a) restating the comparative amounts for the prior period(s) presented in which the error occurred; or (b) if the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and equity for the earliest prior period presented.

(ii) Events after the Reporting Period

The Company will adjust the amounts recognised in its financial statements to reflect adjusting events after the reporting period. The Company will not adjust the amounts recognised in its financial statements to reflect non-adjusting events after the reporting period. If the company declares dividends to holders of equity instruments after the reporting period, it will not recognise those dividends as a liability at the end of the reporting period. If the company receives information after the reporting period about conditions that existed at the end of the reporting period, it shall update disclosures that relate to those conditions, in the light of the new information. If non-adjusting events after the reporting period are material, non-disclosure could influence the economic decisions that users make on the basis of the financial statements. Accordingly, it will disclose the following for each material category of non-adjusting event after the reporting period: (a) the nature of the event; and (b) an estimate of its financial effect, or a statement that such an estimate cannot be made.

(iii) Measurement of Fair Values.

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Disclosure is given for assets and liabilities that are measured at fair value on a recurring or non-recurring basis in the balance sheet after initial recognition, the valuation techniques and inputs used to develop those measurements and for recurring fair value measurements using significant unobservable inputs, the effect of the measurements on profit or loss or other comprehensive income for the period.

(iv) Inventories

Inventories shall be measured at the lower of cost and net realisable value. The cost of inventories shall comprise all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

The cost of inventories shall be assigned by using the first-in, first-out (FIFO) or weighted average cost formula. Same cost formula for all inventories having a similar nature and use to the entity has been used.

When inventories are sold, the carrying amount of those inventories is recognised as an expense in the period in which the related revenue is recognised. The amount of any write-down of inventories to net realisable value and all losses of inventories is recognised as an expense in the period the write-down or loss occurs. The amount of any reversal of any write-down of inventories, arising from an increase in net realisable value, is recognised as a reduction in the amount of inventories recognised as an expense in the period in which the reversal occurs.

(v) Revenue Recognition.

Revenue will be recognised when the parties to the contract have approved the contract (in writing, orally or in accordance with other customary business practices) and are committed to perform their respective obligations; each party's rights regarding the goods or services to be transferred is identified; payment terms for the goods or services to be transferred is identified; the contract has commercial substance; and it is probable that the company will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer. In evaluating whether collectability of an amount of consideration is probable, company shall consider only the customer's ability and intention to pay that amount of consideration when it is due. The amount of consideration to which company will be entitled may be less than the price stated in the contract if the consideration is variable because the company may offer the customer a price concession.

The company shall recognise revenue when it satisfies a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when the customer obtains control of that asset.

When a performance obligation is satisfied, company shall recognise as revenue the amount of the transaction price that is allocated to that performance obligation.

A gain or loss on a financial asset or financial liability that is measured at fair value shall be recognised in profit or loss.

Dividends are recognised in profit or loss only when : (a) the company's right to receive payment of the dividend is established; (b) it is probable that the economic benefits associated with the dividend will flow to the company; and (c) The amount of the dividend can be measured reliably.

(vi) Property, Plant and Equipment (PPE)

The cost of an item of property, plant and equipment shall be recognised as an asset if, and only if: (a) it is probable that future economic benefits associated with the item will flow to the company; and (b) the cost of the item can be measured reliably. Under the recognition principle, an entity recognises in the carrying amount of an item of property, plant and equipment the cost of replacing part of such an item when that cost is incurred if the recognition criteria are met.

The carrying amount of an item of property, plant and equipment is derecognised : (a) on disposal; or (b) when no future economic benefits are expected from its use or disposal. The gain or losses arising from derecognition of an item of property, plant and equipment shall be included in profit or loss when the item is derecognised.

Depreciation is recognised to write off the cost of assets less their residual values over their useful lives, using the Straight Line method.

(vii) Impairment of Assets

Company shall assess at the end of each reporting period whether there is any indication that an asset may be impaired. If any such indication exists, the company shall estimate the recoverable amount of the asset. If, and only if, the recoverable amount of an asset is less than its carrying amount, the carrying amount of the asset shall be reduced to its recoverable amount. That reduction is an impairment loss. After the recognition of an impairment loss, the depreciation (amortisation) charge for the asset is adjusted in future periods to allocate the asset's revised carrying amount, less its residual value (if any), on a systematic basis over its remaining useful life.

(viii) Financial Instrument
Recognition and derecognition

The Company recognises a financial asset or a financial liability in its balance sheet when, and only when, it becomes party to the contractual provisions of the instrument. A regular way purchase or sale of financial assets shall be recognised and derecognised, as applicable, using trade date accounting or settlement date accounting.

The company will derecognise a financial asset when and only when: (a) the contractual rights to the cash flows from the financial asset expire, or (b) it transfers the financial asset as set out below and the transfer qualifies for derecognition.

(i) An entity transfers a financial asset if, and only if, it either: (a) transfers the contractual rights to receive the cash flows of the financial asset, or (b) retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients in an arrangement that meets the conditions.

(ii) When the company retains the contractual rights to receive the cash flows of a financial asset (the 'original asset'), but assumes a contractual obligation to pay those cash flows to one or more entities (the 'eventual recipients'), the company treats the transaction as a transfer of a financial asset if, and only if, all of the conditions are met like: (a) The entity has no obligation to pay amounts to the eventual recipients unless it collects equivalent amounts from the original asset. Short-term advances by the company with the right of full recovery of the amount lent plus accrued interest at market rates do not violate this condition. (b) The company is prohibited by the terms of the transfer contract from selling or pledging the original asset other than as security to the eventual recipients for the obligation to pay them cash flows. (c) The company has an obligation to remit any cash flows it collects on behalf of the eventual recipients without material delay. In addition, the entity is not entitled to reinvest such cash flows, except for investments in cash or cash equivalents during the short settlement period from the collection date to the date of required remittance to the eventual recipients, and interest earned on such investments is passed to the eventual recipients.

(iii) Whenever the company transfers a financial asset it evaluates the extent to which it retains the risks and rewards of ownership of the financial asset. In this case: (a) if the company transfers substantially all the risks and rewards of ownership of the financial asset, the company derecognises the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer. (b) If the company retains substantially all the risks and rewards of ownership of the financial asset, it will continue to recognise the financial asset. (c) If the company neither transfers nor retains substantially all the risks and rewards of ownership of the financial asset, the company determines whether it has retained control of the financial asset.

In this case : (i) If the company has not retained control, it shall derecognise the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer. (ii) If the company has retained control, it shall continue to recognise the financial asset to the extent of its continuing involvement in the financial asset.

Transfers that qualify for derecognition

(i) When the company transfers a financial asset in a transfer that qualifies for derecognition in its entirety and retains the right to service the financial asset for a fee, it recognises either a servicing asset or a servicing liability for that servicing contract. If the fee to be received is not expected to compensate the company adequately for performing the servicing, a servicing liability for the servicing obligation is recognised at its fair value. If the fee to be received is expected to be more than adequate compensation for the servicing, a servicing asset shall be recognised for the servicing right at an amount determined on the basis of an allocation of the carrying amount of the larger financial asset as stated in (iv) below.

(ii) If, as a result of a transfer, a financial asset is derecognised in its entirety but the transfer results in the entity obtaining a new financial asset or assuming a new financial liability, or a servicing liability, the company recognises the new financial asset, financial liability or servicing liability at fair value.

(iii) On derecognition of a financial asset in its entirety, the difference between: (a) the carrying amount (measured at the date of derecognition) and (b) the consideration received (including any new asset obtained less any new liability assumed) is recognised in profit or loss.

(iv) If the transferred asset is part of a larger financial asset (e.g. when the company transfers interest cash flows that are part of a debt instrument, and the part transferred qualifies for derecognition in its entirety, the previous carrying amount of the larger financial asset shall be allocated between the part that continues to be recognised and the part that is derecognised, on the basis of the relative fair values of those parts on the date of the transfer. For this purpose, a retained servicing asset shall be treated as a part that continues to be recognised. The difference between: (a) the carrying amount (measured at the date of derecognition) allocated to the part derecognised and (b) the consideration received for the part derecognised (including any new asset obtained less any new liability assumed) shall be recognised in profit or loss.

Transfers that do not qualify for derecognition

If a transfer does not result in derecognition because the entity has retained substantially all the risks and rewards of ownership of the transferred asset, the entity shall continue to recognise the transferred asset in its entirety and shall recognise a financial liability for the consideration received. In subsequent periods, the entity shall recognise any income on the transferred asset and any expense incurred on the financial liability.

Continuing involvement in transferred assets

When the company neither transfers nor retains substantially all the risks and rewards of ownership of a transferred asset, and retains control of the transferred asset, the company continues to recognise the transferred asset to the extent of its continuing involvement.

Derecognition of financial liabilities

An entity shall remove a financial liability (or a part of a financial liability) from its balance sheet when, and only when, it is extinguished—i.e. when the obligation specified in the contract is discharged or cancelled or expires.

Classification of financial assets

The Company will classify financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both: (a) the entity's business model for managing the financial assets and (b) the contractual cash flow characteristics of the financial asset.

A financial asset shall be measured at amortised cost if both of the following conditions are met: (a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Classification of financial liabilities

An entity shall classify all financial liabilities as subsequently measured at amortised cost.

(ix) Measurement of expected credit losses

The company has measured expected credit losses of a financial instrument in a way that reflects : (a) an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes; (b) the time value of money; and (c) reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

(x) Investments in equity instruments

At initial recognition, the company makes an irrevocable election to present in other comprehensive income subsequent changes in the fair value of an investment in an equity instrument within the scope of this Standard that is neither held for trading nor contingent consideration recognised by an acquirer in a business combination to which IND AS103 applies. Once it makes this election, it shall recognise in profit or loss dividends from that investment.

(xi) Provisions, Contingent Liabilities and Contingent Assets

A provision shall be recognised when:

- (a) The company has a present obligation (legal or constructive) as a result of a past event;
- (b) It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- (c) A reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision shall be the best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The risks and uncertainties that inevitably surround many events and circumstances shall be taken into account in reaching the best estimate of a provision. Where the effect of the time value of money is material, the amount of a provision shall be the present value of the expenditures expected to be required to settle the obligation. Provisions is reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources embodying economic benefits will be required to settle the obligation, the provision is reversed.

Unless the possibility of any outflow in settlement is remote, the company will disclose for each class of contingent liability at the end of the reporting period a brief description of the nature of the contingent liability and, where practicable:

- (a) An estimate of its financial effect,
- (b) An indication of the uncertainties relating to the amount or timing of any outflow; and (c) the possibility of any reimbursement.

Where an inflow of economic benefits is probable, the company will disclose a brief description of the nature of the contingent assets at the end of the reporting period, and, where practicable, an estimate of their financial effect.

(xii) Earnings per Share

The company will calculate basic earnings per share amounts for profit or loss attributable to ordinary equity holders and, if presented, profit or loss from continuing operations attributable to those equity holders. Basic earnings per share shall be calculated by dividing profit or loss attributable to ordinary equity holders (the numerator) by the weighted average number of ordinary shares outstanding (the denominator) during the period. The objective of basic earnings per share information is to provide a measure of the interests of each ordinary share in the performance of the company over the reporting period.

If the number of ordinary or potential ordinary shares outstanding increases as a result of a capitalisation, bonus issue or share split, or decreases as a result of a reverse share split, the calculation of basic and diluted earnings per share for all periods presented shall be adjusted retrospectively. If these changes occur after the reporting period but before the financial statements are approved for issue, the per share calculations for those and any prior period financial statements presented shall be based on the new number of shares. The fact that per share calculations reflect such changes in the number of shares shall be disclosed. In addition, basic and diluted earnings per share of all periods presented shall be adjusted for the effects of errors and adjustments resulting from changes in accounting policies accounted for retrospectively.

(xiii) Employee Benefits.

Short-term employee benefits include items such as the following, if expected to be settled wholly before twelve months after the end of the annual reporting period in which the employees render the related services: (a) wages, salaries and social security contributions; (b) paid leave; (c) bonuses; and (d) non-monetary benefits if any for current employees. When an employee has rendered service to the company during an accounting period, it recognises the undiscounted amount of short-term employee benefits expected to be paid in exchange for that service: (a) as a liability (accrued expense), after deducting any amount already paid. If the amount already paid exceeds the undiscounted amount of the benefits, it recognises that excess as an asset (prepaid expense) to the extent that the prepayment will lead to, for example, a reduction in future payments or a cash refund.(b) as an expense. It will recognise the expected cost of bonus payments only when: (a) it has a present legal or constructive obligation to make such payments as a result of past events; and (b) a reliable estimate of the obligation can be made.

A present obligation exists when, and only when, the entity has no realistic alternative but to make the payments.

Post-employment benefits include items such as the following: (a) retirement benefits (lump sum payments on retirement i.e. gratuity); and (b) other post-employment benefits, such as leave encashment, terminal benefits. Arrangements whereby company provides post-employment benefits are post-employment benefit plans. It applies this Standard to all such arrangements whether or not they involve the establishment of a separate entity to receive contributions and to pay benefits.

Post-employment benefit plans are classified as either defined contribution plans or defined benefit plans, depending on the economic substance of the plan as derived from its principal terms and conditions.

Under defined contribution plans the company's legal or constructive obligation is limited to the amount that it agrees to contribute to the fund. Thus, the amount of the post-employment benefits received by the employee is determined by the amount of contributions paid by the company (and perhaps also the employee) to a post-employment benefit plan or to an insurance company, together with investment returns arising from the contributions. In consequence, actuarial risk (that benefits will be less than expected) and investment risk (that assets invested will be insufficient to meet expected benefits) fall, in substance, on the employee. The company may pay insurance premiums to fund a postemployment benefit plan. The entity shall treat such a plan as a defined contribution plan unless the entity will have (either directly, or indirectly through the plan) a legal or constructive obligation either: (a) to pay the employee benefits directly when they fall due; or (b) to pay further amounts if the insurer does not pay all future employee benefits relating to employee service in the current and prior periods. If it retains such a legal or constructive obligation, it shall treat the plan as a defined benefit plan.

When an employee has rendered service to the company during a period, it shall recognise the contribution payable to a defined contribution plan in exchange for that service: (a) as a liability (accrued expense), after deducting any contribution already paid. If the contribution already paid exceeds the contribution due for service before the end of the reporting period, an entity shall recognise that excess as an asset (prepaid expense) to the extent that the prepayment will lead to, for example, a reduction in future payments or cash refund. (b) as an expense. When contributions to a defined contribution plan are not expected to be settled wholly before twelve months after the end of the annual reporting period in which the employees render the related service, they shall be discounted using the discount rate.

Accounting by an entity for defined benefit plans involves the following steps: (a) determining the deficit or surplus. (b) Determining the amount of the net defined benefit liability (asset). (c) Determining amounts to be recognised in profit or loss : (i) current service cost (ii) any past service cost and gain or loss on settlement (iii) net interest on the net defined benefit liability (asset). (d) Determining the reameasurements of the net defined benefit liability (asset), to be recognised in other comprehensive income, comprising: (i) actuarial gains and losses; (ii) return on plan assets, excluding amounts included in net interest on the net defined benefit liability (asset) ; and (iii) any change in the effect of the asset ceiling , excluding amounts included in net interest on the net defined benefit liability (asset).

The company will account not only for its legal obligation under the formal terms of a defined benefit plan, but also for any constructive obligation that arises from its informal practices. Informal practices give rise to a constructive obligation where it has no realistic alternative but to pay employee benefits.

The company recognises the net defined benefit liability (asset) in the balance sheet. When the company has a surplus in a defined benefit plan, it shall measure the net defined benefit asset at the lower of: (a) the surplus in the defined benefit plan; and (b) the asset ceiling, determined using the discount rate

The company uses the projected unit credit method to determine the present value of its defined benefit obligations and the related current service cost and, where applicable, past service cost.

(xiv) Income Taxes

Deferred tax assets are the amounts of income taxes recoverable in future periods in respect of: (a) deductible temporary differences; (b) the carry forward of unused tax losses; and (c) the carry forward of unused tax credits.

Current tax for current and prior periods shall, to the extent unpaid, be recognised as a liability. If the amount already paid in respect of current and prior periods exceeds the amount due for those periods, the excess shall be recognised as an asset.

Current and deferred tax is recognised as income or an expense and included in profit or loss for the period, except to the extent that the tax arises from a transaction or event which is recognised, in the same or a different period, outside profit or loss, either in other comprehensive income or directly in equity. Current tax and deferred tax shall be recognised outside profit or loss if the tax relates to items that are recognised, in the same or a different period, outside profit or loss. Therefore, current tax and deferred tax that relates to items that are recognised, in the same or a different period: (a) in other comprehensive income, shall be recognised in other comprehensive income (b) directly in equity, shall be recognised directly in equity.

(xv) Mandatory Exemptions adopted by the Company

i. De recognition of financial assets and financial liabilities

The Company shall apply the derecognition requirements in IND AS 109 prospectively for transactions occurring on or after the date of transition to IND ASs.

ii. Classification and measurement of financial assets

The Company shall assess whether a financial asset meets the conditions of IND AS 109 on the basis of the facts and circumstances that exist at the date of transition to IND AS.

iii. Impairment of financial assets

The Company shall apply the impairment requirements of IND AS 109 retrospectively subject to exemptions provided in IND AS 101.

(xvi) Optional Exemptions Availed by the Company

Deemed cost

The Company elects to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to IND ASs, measured as per the previous GAAP and use that as its deemed cost as at the date of transition. Hence, no further adjustments to the deemed cost of the property, plant and equipment so determined in the opening balance sheet shall be made for transition adjustments that might arise from the application of other IND ASs. This option is also be availed for intangible assets covered by IND AS 38, Intangible Assets and investment property covered by IND AS 40, Investment Property.

B. Financial Risk Management

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company continues to focus on a system-based approach to business risk management. The Company's financial risk management process seeks to enable the early identification, evaluation and effective management of key risks facing the business. Backed by strong internal control systems, the current Risk Management System rests on policies and procedures issued by appropriate authorities; process of regular reviews / audits to set appropriate risk limits and controls; monitoring of such risks and compliance confirmation for the same.

(i) Market Risk

Market risk is the risk of any loss in future earnings, in realisable fair values or in future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in interest rates, foreign currency exchange rates, equity price fluctuations, liquidity and other market changes. Future specific market movements cannot be normally predicted with reasonable accuracy.

Foreign currency risk

Foreign currency risk is the risk that the fair value of future cash flows of an exposure will fluctuate due to changes in foreign exchange rates. Currently the Company does not have any foreign currency exposure.

Interest rate risk

The main business of the Company is providing inter corporate deposits and investment in equity shares, preference shares, Mutual fund and Alternative investment fund. These activities expose to interest rate risk.

Equity Price Risk

Equity price risk is related to change in market reference price of investments in equity securities held by the Company.

The fair value of quoted investments held by the Company exposes the Company to equity price risks. In general, these investments are not held for trading purposes. The fair value of quoted investments in equity, classified as "fair value through other comprehensive income" as at March 31, 2026 and March 31, 2025 was Rs. 34.89 Lacs and Rs. 61.56 lacs, respectively.

A 10% change in equity prices of such securities held as at March 31, 2026 and March 31, 2025, would result in an impact of Rs. 3.48 lacs and Rs. 6.16 lacs respectively on equity before considering tax impact.

(ii) **Liquidity Risk**

Liquidity risk is the risk than an entity will encounter difficulty in meeting obligation associated with financial liabilities that are settled by delivering cash or other financial assets. The Company mitigates its liquidity risks by ensuring timely collections of its receivables and close monitoring of its credit cycle.

The table below provides details regarding the remaining contractual maturities of significant financial liabilities at the reporting date:

(Rs. in Lakhs)					
Particulars	Carrying value	On Demand	Less than 1 year	Beyond 1 year	Total
As at 31st March, 2026					
Other Financial Liabilities	421.57	135.04	286.53	-	421.57
As at 31st March, 2025					
Other Financial Liabilities	582.05	577.38	4.67	-	582.06

(iii) **Credit Risk**

Credit risk is the risk of financial loss arising from counter-party failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both the direct risk of default and the risk of deterioration of credit worthiness as well as concentration risks.

Financial instruments that are subject to credit risk and concentration thereof principally consist of rent receivables, loans receivables, investments in alternative investment fund, preference share and mutual funds and other financial assets. None of the financial instruments of the Company result in material concentration of credit risk except some loans made by the company and against which sufficient provision for expected credit loss has been made.

The carrying value of financial assets represents the credit risk. The exposure to credit risk was Rs. 179.38 lakhs and Rs. 340.88 lakhs, as at March 31, 2026 and March 31, 2025 respectively, being the total carrying value of rent receivables, income receivable from investments in alternative investment funds, and other financial assets.

(iv) **Capital Management Risk**

The Reserve Bank of India (RBI) sets and monitors capital adequacy requirements for the Company from time to time. The Company's policy is to maintain a strong capital base for future development of the business. For the purpose of Company's capital management, capital includes issued capital and all other equity attributable to equity shareholders of the Company. As at 31st March, 2024, the Company has only one class of equity shares and has no debt.

(v) **Expected Credit Loss**

Ind AS 109 outlines a 'three stages' model for impairment based on changes in credit quality since initial recognition as summarized below. The objective of the impairment requirements is to recognize life time expected credit loss (ECLs) on all financial instruments for which there have been significant increases in credit risk since initial recognition – whether assessed on an individual or collective basis.

At the reporting date, an allowance (or provision for loan and advances) is required on stage 1 assets at 12 month ECLs. If the credit risk has significantly increased since initial recognition (Stage 1), an allowance (or provision) should be recognised for the lifetime ECLs for financial instruments for which the credit risk has increased significantly since initial recognition (Stage 2) or which are credit impaired (Stage 3).

The measurement of ECL is calculated using three main components:

- (i) Probability of Default (PD)
- (ii) Loss Given Default (LGD) and
- (iii) the Exposure At Default (EAD).

The 12 month ECL is calculated by multiplying the 12 month PD, LGD and the EAD.

The 12 month and lifetime PDs represent the PD occurring over the next 12 months and the remaining maturity of the instrument respectively. The EAD represents the expected balance at default, taking into account the repayment of principal and interest from the balance sheet date to the default event together with any expected drawdowns of committed facilities.

The LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised and the time value of money.

Probability of default represents the likelihood of a borrower defaulting on its financial obligation either over the next 12 months (12M PD) or over the remaining lifetime (Lifetime PD) of the obligation.

Exposure at Default (EAD) is the total amount of an asset the entity is exposed to at the time of default. EAD is defined based on the characteristics of the assets. EAD is dependent on the outstanding exposure of an asset sanctioned amount of loan and credit conversion factor for non-funded exposure.

Loan Given Default (LGD) it is part of the assets which is lost provided the assets default. The recovery rate is derived as a ratio of discounted value of recovery cash flow (incorporating the recovery time) to total exposure of amount at the time of default.

The Company assesses when a significant increase in credit risk has occurred based on quantitative and qualitative assessments. Exposures are considered to have resulted in a significant increase in credit risk and are moved to Stage 2 when:

- i. Quantitative test: Rebuttable presumption for accounts that are 30 calendar days or more past due move to Stage 2 automatically. Also, rebuttable presumption for accounts that are 90 calendar days or more past due move to Stage 3 automatically.
- ii. Qualitative test: Accounts that meet the portfolio's 'high risk' criteria and are subject to closer credit monitoring. High risk customers may not be in arrears but either through an event or an observed behaviour exhibit credit distress.
- iii. Reversal in Stages: Exposures will move back to Stage 2 or Stage 1 respectively, once they no longer meet the quantitative criteria set out above. For exposures classified using the qualitative test, when they no longer meet the criteria for a significant increase in credit risk and when any cure criteria used for credit risk management are met.
