Management Discussion and Analysis Report

1. OUTLOOK:

The current year seems to be bright in terms of market capitalization. The Board of Directors are hopeful to deliver good business in the current financial year.

2. INDUSTRY STRUCTURE AND DEVELOPMENTS:

NBFCs are emerging as an alternative to mainstream banking. They are also emerging as an integral part of Indian Financial System and are contributing commendably towards Government's agenda of financial inclusion. NBFCs in India have recorded marked growth in recent years.

The success of NBFCs has been driven by factors like their ability to control risks, to adapt to changes and create demand in markets that are likely to remain unexplored by bigger players. Thus the need for uniform practices and level playing field for NBFCs in India is crucial. NBFCs, in India, are today operating in a very dynamic scenario especially after the revised regulatory framework by the RBI launched with the objective of harmonizing working of NBFCs with banks and financial institutions and address regulatory gaps and arbitrage.

Non Banking Financial Institutions (NBFIs) is a heterogeneous group of institutions that caters to a wide range of financial requirements and can broadly be divided into Financial Institutions (FIs) and Non Bank Financial Companies (NBFCs). With the growing importance assigned to financial inclusion, NBFCs have been regarded as important financial intermediaries particular for the small scale and retail sectors. There are two broad categories of NBFCs based on whether they accept public deposit, namely deposit taking NBFCs (NBFC-D) and non-deposit taking NBFCs (NBFC-ND).

3. SEGMENT WISE AND PRODUCT WISE PERFORMANCE:

The Company's business activity falls within a single business segment i.e. Non-Banking Services. The performance of the business is as below:

(Rs. in Lakhs)

Particulars	2021-22	2020-21
TOTAL INCOME	97.48	90.57
EBDITA	75.46	65.92
PBT	75.46	65.86
PAT	34.93	47.74
EPS	0.81	1.11

4. OPPORTUNITIES & THREATS:

NBFCs have been playing a very important role both from macroeconomic prospective and the structure of the Indian Financial System. NBFCs are the perfect or even better alternatives to the conventional Banks for meeting various financial requirements of a business enterprise. They offer quick and efficient services without making one to go through the complex rigmarole of conventional banking formalities. However to survive and to constantly grow, NBFCs have to focus on their core strengths while improving on weaknesses. They will have to be very dynamic and constantly endeavor to search for new products and services in order to survive in this ever competitive financial market.

Although NBFC enjoy considerably lower regulatory overheads, they experience challenges in raising debt, as all NBFCs can't accept public deposits and hence

- NBFCs rely heavily on Commercial Banks and promoters equity for growth.
- Due to high reliance on bank financing the costs of funds for NBFCs tends to be higher. As a result, NBFCs loans carry higher interest than those offered by banks.

5. RISK AND CONCERNS:

Company is exposed to specific risks that are particular to its business and the environment within which it operates including economic cycle, market risk and credit risks. Managing risk effectively also helps in achieving the desired outcome, while fixing responsibility and accountability. The Company is especially focuses on improving sensitivity to assessment of risks and improving methods of computation of risk weights and capital charges. The risk assessment and mitigation procedure are reviewed by the Board periodically.

6. INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

The Company has an effective internal control system, commensurate with its size and nature to ensure smooth business operation to provide reasonable assurance that all assets are safeguarded and protected from any kind of loss or misuse, transactions are authorized, recorded and reported properly and that all applicable statutes and corporate policies are duly complied with.

7. DISCUSSION ON FINACIAL PERFORMANCE WITHRESPECT TO OPERATIONAL PERFORMANCE:

Total income for the financial year ended on March 31, 2022 stood at Rs. 97.48 Lakhs as against 90.57 Lakhs for the financial year ended on March 31, 2021. The EPS for the financial year ended on March 31, 2022 stood at Rs. 0.81 as against Rs. 1.11 for the financial year ended on March 31, 2021.

The Management of the Company foresees the future opportunities in respect to the growth of the Company.

8. HUMAN RESOURCES:

The Company believes that employees are the key to achievement of Company's objectives and strategies. The Company provides to the employees a fair and equitable work environment and support from their peers with a view to develop their capabilities leaving them with the freedom to act and to take responsibilities for the task assigned. We provide our employees outstanding career development opportunities and reward to the staff for their good performance and loyalty to the organization.

9. INDUSTRIAL RELATIONS:

During the year under review, your company was engaged in the business of bill discounting and other finance related activities and hence, the Company has not established any relationship with workers, but is having a cordial relationship with its employees.

10. CAUTIONARY STATEMENT:

Statement in Management Discussion and Analysis may be forward looking within the meaning of applicable securities laws and regulations. Many factors may affect the actual results, which could be different from what the Directors envisage in terms of future performance and outlook. The Company assumes no responsibilities in respect of the forward looking statements herein, which may undergo changes in future on the basis of subsequent developments, information or events.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of,
Adinath Exim Resources Limited

Report on the Audit of Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of Adinath Exim Resources Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and total comprehensive income, its cash flows and the changes in equity of the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In our opinion, there are no reportable Key Audit Matters for the standalone financial statements of the Company.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Management and the Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act read with relevant Rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to the financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

ANNUAL REPORT 2021-22
ADINATH EXIM RESOURCES LIMITED

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in Annexure 'A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by section 143(3) of the Act, we report, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Cash Flow and the Statement of Changes in Equity dealt with by this report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to the standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure 'B'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- g) With respect to other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us, we further report that:
 - i. The Company has disclosed the impact of pending litigations as at 31st March, 2022 on its financial position in its financial statements – Refer Note No. 26 to the financial statements.
 - ii. According to the information and explanations provided to us, the Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Company's Management and the Board of Directors have represented that, to the best of

ADINATH EXIM RESOURCES LIMITED

their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

The Company's Management and the Board of Directors have represented, that, to the best of their knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above, contain any material misstatement.

- v. The Company has neither declared nor paid any dividend during the year.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' Section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that

- I. a) A. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
B. The Company does not have any intangible assets hence reporting under this clause is not applicable.
- b) The Company has a program of physical verification of Property, Plant and Equipment so to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- c) The Company does not have any immovable property hence reporting in respect of the title in self-constructed buildings and other immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), is not applicable.
- d) The Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.
- e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- II. a) The Company does not have any inventory and hence reporting under clause 3(ii)(a) of the Order is not applicable.
- b) The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- III. a) Since the Company's principal business is to give loans. Accordingly, the provision of clause 3(iii)(a) of the Order is not applicable to it.
- b) The Company, being a Non-Banking Financial Company ('NBFC'), registered under provisions of RBI Act, 1934. In our opinion and according to the information and explanations given to us, the investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees, provided during the year are, prima facie, not prejudicial to the Company's interest.
- c) The Company, being a Non-Banking Financial Company ('NBFC'), registered under provisions of RBI Act, 1934 and rules made thereunder, in pursuance of its compliance with provisions of the said Act/Rules, particularly, the Income Recognition, Asset Classification and Provisioning Norms, monitors repayments of principal and payment of interest by its customers as stipulated. In our opinion and according to the information and explanations given to us, in respect of loans and advances in the nature of loans, the schedule of repayment of principal and payment of interest has been stipulated and in cases where repayment of principal and payment of interest is not received as stipulated, the cognizance thereof is taken by the Company in course of its periodic regulatory reporting. Refer notes 12 and 13 to the Standalone Financial Statements for summarized details of such loans/advances which are not repaid by borrowers as per stipulations. According to the information and explanation made available to us, reasonable steps are taken by the Company for recovery thereof.
- d) Since the Company's principal business is to give loans. Accordingly, the provision of clause 3(iii)(e) of the Order is not applicable to it.
- e) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting

ANNUAL REPORT 2021-22
ADINATH EXIM RESOURCES LIMITED

- under clause 3(iii)(f) is not applicable.
- IV. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013.
- V. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- VI. The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.
- VII. In respect of statutory dues:
- a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.
- There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable.
- b) On the basis of our examination of documents and records there are no disputed statutory dues outstanding of income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, GST etc. with the appropriate authorities.
- VIII. According to the information and explanations given to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- IX. a) In our opinion, the Company has not taken any loans or borrowings from banks and financial institutions and have also not issued debentures during the year hence reporting to that extent is not applicable.
- b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- c) According to the information and explanations given to us, term loans raised during the year were applied for the purpose for which the loans were obtained.
- d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- e) The Company does not have any subsidiary, associate or joint ventures hence reporting under clause 3(ix)(e) of the Order is not applicable.
- f) The Company does not have any subsidiary, associate or joint ventures hence term loans cannot be raised by pledging shares. Accordingly, reporting under clause 3(ix)(f) of the Order not applicable.
- X. a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- XI. a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year
- b) In our opinion and according to the information and explanations given to us, no report under sub-section (12) of section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government up to the date of this report.
- c) According to the information and explanations given to us, there were no whistle blower complaints received during the year by the Company (up to the date of audit report)
- XII. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
-

ANNUAL REPORT 2021-22
ADINATH EXIM RESOURCES LIMITED

- XIII. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- XIV. a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
b) We have considered, during the course of our audit, the reports of the Internal Auditor(s) for the period under audit, issued to the Company during the year till date, in determining the nature, timing and extent of our audit procedures in accordance with the guidance provided in SA 610 "Using the work of Internal Auditors".
- XV. In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- XVI. a) The Company is required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and the Company has obtained the required registration.
b) According to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities without obtaining a valid CoR from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
c) According to the information and explanations given to us, the Company is not a Core Investment Company ('CIC') as defined under the Regulations by the Reserve Bank of India.
d) As per information provided in course of our audit, the Group to which the Company belongs does not have any CIC as defined in the Core Investment Companies (Reserve Bank) Directions, 2016.
- XVII. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- XVIII. There has been no resignation of the statutory auditors of the Company during the year.
- XIX. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- XX. As per the applicability provisions of Section 135(5) of the Companies Act, 2013, the company is not required to spend any amount towards Corporate Social Responsibility (CSR) hence reporting under Clause 3(xx)(a) and Clause 3(xx)(b) is not applicable.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

The Annexure referred to in clause (f) under 'Report on Other Legal and Regulatory Requirements' of our Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended March 31, 2022:

Report on the Internal Financial Controls with reference to standalone financial statements under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to the standalone financial statements of Adinath Exim Resources Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these standalone financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to these standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of these standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these standalone financial statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A Company's internal financial control with reference to these standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance

ANNUAL REPORT 2021-22
ADINATH EXIM RESOURCES LIMITED

with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to these standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to these standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to these standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to these standalone financial statements and such internal financial controls were operating effectively as at March 31, 2022, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

1) Background Information

Adinath Exim Resources Limited referred to as ("The Company" or "AERL") is a non-banking financial company (NBFC) registered with the Reserve Bank of India. The company's activities primarily comprise of financing, investing in listed shares, debt instruments of companies in a wide range of industries and in mutual funds. The shares of company are listed on the BSE.

2) Basis of Preparation of Financial Statements

The financial statements have been prepared on accrual basis under the historical cost convention except for certain financial instruments measured at fair value at the end of each reporting period as explained in accounting policies below.

The financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest lacs, unless otherwise indicated.

3) Statement of Compliance and and basis for preparation and presentation of financial statements

These standalone financial statements of the Company have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules 2015 as amended and notified under section 133 of the Companies Act, 2013 ("the Act"), and in conformity with the accounting principles generally accepted in India and other relevant provisions of the Act. Further, the Company has complied with all the directions related to Implementation of Indian Accounting Standards prescribed for Non-Banking Financial Companies (NBFCs) in accordance with the RBI notification no. RBI/2019-20/170 DOR NBFC).CC.PD.No.109/22.10.106/2019-20 dated 13 March 2020.

4) Use of estimates

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires management of the Company to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures including disclosures of contingent assets and contingent liabilities as at the date of financial statements and the reported amounts of revenues and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods which are affected.

Key sources of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of: fair valuation of unquoted equity investments, impairment of financial instruments, impairment of property, plant & equipment, useful lives of property, plant & equipment, provisions and contingent liabilities and long term retirement benefits.

5) a) Significant Accounting policies

1. Financial Instruments

Classification

A Financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instruments of another entity.

Financial assets, other than equity, are classified into, Financial assets at fair value through other comprehensive income (FVOCI) or fair value through profit and loss account (FVTPL) or at amortised cost. Financial assets that are equity instruments are classified as FVTPL or FVOCI. Financial liabilities are classified as amortised cost category and FVTPL.

Business Model assessment and Solely payments of principal and interest (SPPI) test:

Classification and measurement of financial assets depends on the business model and results of SPPI test. The Company determines the business model at a level that reflects how

groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including;

- How the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel
- The risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way those risks are managed
- How managers of the business are compensated (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected)
- The expected frequency, value and timing of sales are also important aspects of the Company's assessment

If cash flows after initial recognition are realised in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

Initial recognition

The classification of financial instruments at initial recognition depends on their contractual terms and the business model for managing the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in the Statement of profit or loss.

Financial assets and financial liabilities, with the exception of loans, debt securities and deposits are recognised on the trade date i.e. when a Company becomes a party to the contractual provisions of the instruments. Loans, debt securities and deposits are recognised when the funds are transferred to the customer's account. Trade receivables are measured at the transaction price.

Subsequent measurement

Financial assets at amortised cost

Financial assets having contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding and that are held within a business model whose objective is to hold such assets in order to collect such contractual cash flows are classified in this category. Subsequently these are measured at amortised cost using effective interest method less any impairment losses.

Debt Instruments at FVOCI

Debt instruments that are measured at FVOCI have contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on principal outstanding and that are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets. These instruments largely comprise long-term investments made by the Company. FVOCI debt instruments are subsequently measured at fair value with gains and losses arising due to changes in fair value recognised in OCI. Interest income and gains and losses are recognised in

profit or loss in the same manner as for financial assets measured at amortised cost. On derecognition, cumulative gains or losses previously recognised in OCI are reclassified from OCI to profit or loss.

Equity Instruments at FVOCI

These include financial assets that are equity instruments as defined in Ind AS 32 “Financial Instruments: Presentation” and are not held for trading and where the Company’s management has elected to irrevocably designated the same as Equity instruments at FVOCI upon initial recognition. Subsequently, these are measured at fair value and changes therein are recognised directly in other comprehensive income, net of applicable income taxes.

Gains and losses on these equity instruments are never recycled to profit or loss.

Dividends from these equity investments are recognised in the statement of profit and loss when the right to receive the payment has been established.

Fair value through Profit and loss account

Financial assets are measured at FVTPL unless it is measured at amortised cost or at FVOCI on initial recognition. The transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are immediately recognised in profit or loss.

Financial Liabilities and equity instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Other Financial Liabilities

These are measured at amortised cost using effective interest rate.

De-recognition of Financial assets and financial liabilities

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires.

Impairment of financial assets

The Company recognizes a loss allowance for expected credit losses on a financial asset that is at amortized cost or fair value through OCI. Loss allowance in respect of financial assets is measured at an amount equal to life time expected credit losses and is calculated as the difference between their carrying amount and the present value of the expected future cash flows discounted at the original effective interest rate.

Reclassification of Financial assets

The company does not re-classify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances when the company changes its business model for managing such financial assets. The company does not re-classify its financial liabilities.

2. Determination of fair value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value of a financial instrument on initial recognition is normally the transaction price (fair value of the consideration given or received). Subsequent to initial recognition, the Company determines the fair value of financial instruments that are quoted in active markets using the quoted bid prices (financial assets held) or quoted ask prices (financial liabilities held) and using valuation techniques for other instruments. Valuation techniques include discounted cash flow method and other valuation models.

3. Investment in subsidiaries and associates

The company does not have any investments in associates and subsidiaries.

4. Foreign currency transactions and translation

The financial statements of the Company are presented in Indian rupees ('₹'), which is the functional currency of the Company and the presentation currency for the financial statements.

In preparing the financial statements, Company has no transactions in currencies other than the company's functional currencies.

5. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, as they are considered an integral part of the Company's cash management.

6. Property Plant and Equipment and Intangible Assets

Property, plant and equipment and intangible assets are stated at cost of acquisition less accumulated depreciation / amortisation. Cost includes all expenses incidental to the acquisition of the Property, plant and equipment and intangible assets and any attributable cost of bringing the asset to its working condition for its intended use.

7. Capital work in progress and Capital advances

Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. Advances given towards acquisition of property, plant and equipment outstanding at each Balance Sheet date are disclosed in Other Non-Financial Assets.

8. Depreciation and amortisation of property, plant and equipment and intangible assets

Depreciation on following tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Sr No	Tangible Asset	Useful life in Year
1	Office Equipment	5
2	Computers and data processing units	3
3	Furniture and fixture	10
4	Leasehold improvements are amortised equitably over the remaining period of the lease	

The residual values, useful lives and method of Depreciation of property, plant and equipment are reviewed at each financial year end. Changes in the expected useful life are accounted by changing the amortisation period or methodology, as appropriate, and treated as changes in accounting estimates.

Property plant and equipment is derecognised on disposal or when no future economic

benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in other income / expense in the statement of profit and loss in the year the asset is derecognised. The date of disposal of an item of property, plant and equipment is the date the recipient obtains control of that item in accordance with the requirements for determining when a performance obligation is satisfied in Ind AS 115.

9. Impairment of non - financial assets

The carrying amounts of the Company's property, plant & equipment and intangible assets are reviewed at each reporting period to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amounts are estimated in order to determine the extent of impairment loss, if any. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The impairment loss, if any, is recognised in the statement of profit and loss in the period in which impairment takes place.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, however subject to the increased carrying amount not exceeding the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior accounting periods. A reversal of an impairment loss is recognised immediately in profit or loss.

10. Employee benefits

Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, performance incentives, etc., are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the employee renders the related service.

11. Accounting for provisions, contingent liabilities and contingent assets

Provisions are recognised in the balance sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date. Where the time value of money is material, provisions are measured on a discounted basis. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.

Constructive obligation is an obligation that derives from an entity's actions where:

- a. by an established pattern of past practice, published policies or a sufficiently specific current statement, the entity has indicated to other parties that it will accept certain responsibilities, and
- b. as a result, the entity has created a valid expectation on the part of those other parties that it will discharge those responsibilities

Contingent liabilities are not recognised in the financial statements. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation

that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

12. Income tax

Income tax expense comprises both current and deferred tax. Current and deferred taxes are recognised in the statement of profit and loss, except when they relate to items credited or debited either in other comprehensive income or directly in equity, in which case the tax is also recognised in other comprehensive income or directly in equity.

Current income-tax is recognised at the amount expected to be paid to the tax authorities, using the tax rates and tax laws, enacted or substantially enacted as at the balance sheet date.

Taxable profit differs from net profit as reported in the Standalone statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible.

Deferred income tax assets and liabilities are recognised for temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements and is accounted for using the balance sheet liability method.

Deferred income tax assets are recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using tax rates and laws, enacted or substantially enacted as of the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognised as an income or expense in the period that includes the enactment or substantive enactment date.

Minimum Alternate Tax (MAT) paid in a previous years standing as the MAT credit on the asset side has now been written off and charged to the statement of profit and loss as the company has opted for Section 115BAA under Income Tax Act from Financial Year 2019-20. Accordingly, MAT is de-recognised from the Balance Sheet as there will be no future economic benefit associated with it to the Company.

Deferred tax assets and liabilities are offset to the extent that they relate to taxes levied by the same tax authority and they are in the same taxable entity, or a Group of taxable entities where the tax losses of one entity are used to offset the taxable profits of another and there are legally enforceable rights to set off current tax assets and current tax liabilities within that jurisdiction.

13. Recognition of Dividend and Interest income

Dividend income (including from FVOCI investments) is recognised when the Company's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably. This is generally when the shareholders or Board of Directors approve the dividend. Under Ind AS 109 interest income is recorded using the Effective Interest Rate (EIR) method for all financial instruments measured at amortised cost, debt instrument measured at FVOCI and debt instruments designated at FVTPL. The EIR is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument or, when appropriate, a shorter period, to the net carrying amount of the financial asset.

The EIR (and therefore, the amortised cost of the asset) is calculated by taking into account any discount or premium on acquisition, fees and costs that are an integral part of the EIR.

14. Dividends on ordinary shares

The Company has not declared the dividend during the financial year ended 31st March 2022.

15. Leases

Ind AS 116 Leases was notified on 30th March, 2019 and it replaces Ind AS 17 Leases, including appendices thereto. Ind AS 116 is effective for annual periods beginning on or after 1st April, 2019. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model similar to the accounting for finance leases under Ind AS 17. The standard includes two recognition exemptions for lessees – leases of 'low-value' assets (e.g., personal computers) and short-term leases (i.e., leases with a lease term of 12 months or less). At the commencement date of a lease, a lessee will recognise a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). Lessees will be required to separately recognise the interest expense on the lease liability and the depreciation expense on the right-of-use asset. During the audit period, the Company has discontinued its long term lease agreements and have replaced it with short term lease agreements, hence the Company reversed all the impacts related to Ind AS 116 already given in early financial years.

16. Segment reporting

The Company is primarily engaged in the business of investment in CompaniesAs such the Company's financial statements are largely reflective of the investment business and there is no separate reportable segment.

Pursuant to Ind AS 108 - Operating Segments, no segment disclosure has been made in these financial statements, as the Company has only one geographical segment and no other separate reportable business segment.

17. Onerous contracts

Provisions for onerous contracts are recognised when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Company recognises any impairment loss on the assets associated with that contract.

18. Earnings per share

Basic earnings per share have been computed by dividing net income attributable to ordinary equity holders by the weighted average number of shares outstanding during the year. Partly paid-up equity share is included as fully paid equivalent according to the fraction paid up. Diluted earnings per share have been computed using the weighted average number of shares and dilutive potential shares, except where the result would be anti-dilutive.

Nature and purpose of reserves:

Statutory Reserve

Statutory Reserve represents the reserve created pursuant to the Reserve Bank of India Act, 1934 (the "RBI Act") and related regulations applicable to those companies. Under the RBI Act, a non-banking finance company is required to transfer an amount not less than 20% of its net profit to a reserve fund before declaring any dividend. Appropriation from this reserve fund is permitted only for the purposes specified by the RBI.

Securities Premium Reserve

Securities Premium Reserve is used to record the premium on issue of shares. The reserve is utilised in accordance with the provision of the Companies Act, 2013.

Other Comprehensive Income

Other comprehensive income includes effective portion of cash flow hedges. Effective portion of cash flow hedges represents the cumulative effective portion of gains or losses arising on changes in fair value of hedging instruments entered into for cash flow hedges, which shall be reclassified to the statement of profit and loss only when the hedged transaction affects the statement of profit and loss, or included as a basis adjustment to the non-financial hedged item, consistent with the Company accounting policies.

B) Measurement of fair values

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, as described below:

Level I : quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level II : other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly. Level III: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

- i) The management assessed that fair value of cash and cash equivalents, trade receivables, trade payables, and other financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments
- ii) Financial assets and liabilities are stated at carrying value which is approximately equal to their fair value.
- iii) The fair values of the equity investment which are quoted, are derived from quoted market prices in active markets. The Investments measured at fair value and falling under fair value hierarchy Level 3 are valued on the basis of valuation reports provided by external valuers with the exception of certain investments, where cost has been considered as an appropriate estimate of fair value because of a wide range of possible fair value measurements and cost represents the

best estimate of fair values within that range.

- iv) The fair value of the financial instruments that are not traded in an active market is determined using valuation techniques. The Company uses its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period.
- v) There have been no transfers between Level I and Level II for the years ended March 31, 2019 and March 31, 2018.
- vi) Reconciliation of Level III fair value measurement is as below:

C) Derivative Financial Instruments

The Company has not entered into any derivative financial contracts during the current and previous financial years.

d) Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk
- Market

riskCredit

Risk:

Credit risk is the risk of financial loss to the company if a counter-party fails to meet its contractual obligations.

Trade receivables

Credit risk with respect to trade receivables is limited, since the trade receivables amount is immaterial.

Cash and cash equivalents

The company holds cash and cash equivalents of Rs. 36,35,565 at 31 March 2022 (31 March 2021: Rs. 74,200)

Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as equity price, interest rates etc.) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. The Company is exposed to market risk primarily related to the market value of its investments.

Interest rate risk:

Interest rate risk arises from effects of fluctuation in prevailing levels of market interest rates on the fair value of Bonds / Debentures.

Exposure to interest rate risk:

Since the Company does not have any financial assets or financial liabilities bearing floating interest rates, any change in interest rates at the reporting date would not have any significant impact on the financial statements of the Company.

Currency risk:

Currently company does not have transaction in foreign currencies and hence the company is not exposed to currency risk.

Price risk:

Exposure

The Company is exposed to equity price risk arising from investments held by the Company and classified in the balance sheet either as fair value through OCI.

To manage its price risk arising from investment in equity securities, the Company diversifies its portfolio.

All of the Company's equity investments are listed on the BSE or the National Stock Exchange (NSE) in India.

Sensitivity analysis - Equity price risk

The table below summarizes the impact of increases/decreases of the index on the Company's equity and profit for the period. The analysis is based on the assumption that the equity/index had

ANNUAL REPORT 2021-22
ADINATH EXIM RESOURCES LIMITED

increased by 2% or decreased by 2% with all other variables held constant, and that all the Company's equity instruments moved in line with the index.
