15. Since the AGM will be held through VC/ OAVM, the Route Map is not annexed in this Notice.
16. Voting through electronic means:
Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

The remote e-voting period commences on Sunday, 27th September, 2026 (9.00 a.m. IST) and ends on Tuesday, 29th September, 2026 (5:00 p.m. IST). CDSL shall disable the e-voting module for voting thereafter. During this period, Members holding shares either in physical form or in dematerialised form, as on Wednesday, 23rd September 2026 i.e. Cut-off Date, may cast their vote electronically. A person who is not a Member as on the Cut-off Date should treat this Notice for informational purpose only. Those Members who will be present at the 32nd AGM through VC/OAVM facility and have not cast at their vote on the resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e-voting system at the 32nd AGM.

**THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:**

Step 1 : Access through Depositories CDSL/NSDL e-voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on 27th September, 2026 at 9:00 AM and ends on 29th September, 2026 at 5:00 PM. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 23rd September, 2026 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-voting facility.

- 6) If you are a first-time user follow the steps given below:

	For Physical shareholders and other than individual shareholders holding shares in Demat.
PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field.

- (vi) After entering these details appropriately, click on "SUBMIT" tab.
- (vii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

- (viii) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (ix) Click on the EVSN for the relevant **ABHINAV CAPITAL SERVICES LIMITED** on which you choose to vote.
- (x) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xi) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- (xii) After selecting the resolution, you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- (xiii) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (xiv) You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.
- (xv) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xvi) There is also an optional provision to upload BR/POA if any uploaded, which will be made available to scrutinizer for verification.

INSTRUCTIONS FOR SHAREHOLDERS ATTENDING THE AGM THROUGH VC/OAVM & E-VOTING DURING MEETING ARE AS UNDER:

1. The procedure for attending meeting & e-Voting on the day of the AGM is same as the instructions mentioned above for e-voting.
2. The link for VC/OAVM to attend meeting will be available where the EVSN of Company will be displayed after successful login as per the instructions mentioned above for e-voting.
3. Shareholders who have voted through Remote e-Voting will be eligible to attend the meeting. However, they will not be eligible to vote at the AGM.
4. Shareholders are encouraged to join the Meeting through Laptops/ IPads for better experience.
5. Further shareholders will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
6. Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to Fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
7. Shareholders who would like to express their views/ask questions during the meeting may register themselves as a speaker by sending their request in advance atleast **5 days prior to meeting** mentioning their name, demat account number/folio number, email id, mobile number at (info@abhinavcapital.com). The shareholders who do not wish to speak during the AGM but have queries may send their queries in advance **5 days prior to meeting** mentioning their name, demat account number/folio number, email id, mobile number at (info@abhinavcapital.com). These queries will be replied to by the company suitably by email.
8. If the number of speaker's shareholders registering is considerably more, the Chairman should put a cut-off as it may not be feasible to allow all the registered speakers due to time constraints. For e.g., giving 3 minutes each to 50 registered speakers in a meeting held through VC or OAVM will prolong the meeting with 150 minutes. Therefore, it is at the discretion of Chairman to decide the order (first come first serve, etc.) and the cut-off depending on the situation and time availability.
9. Those shareholders who have registered themselves as a speaker will only be allowed to express their views/ask questions during the meeting.
10. Only those shareholders, who are present in the AGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system available during the EGM/AGM.
11. If any Votes are cast by the shareholders through the e-voting available during the AGM and if the same shareholders have not participated in the meeting through VC/OAVM facility, then the votes cast by such shareholders may be considered invalid as the facility of e-voting during the meeting is available only to the shareholders attending the meeting.
12. The e-voting period commences on September 27, 2026 (9:00 am) and ends on September 29, 2026 (5:00 pm). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cutoff date of September 23, 2026, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter. Once the vote on a resolution is cast by the shareholder, the shareholder shall not be allowed to change it subsequently.
13. The voting rights of shareholders shall be in proportion to their shares of the paid-up equity share capital of the Company as on the cut-off date of September 23, 2026.

14. Abhishek Walwaikar, Mumbai (Membership No. MAH/4147/2012) has been appointed as the Scrutinizer to scrutinize the e-voting process in a fair and transparent manner.
15. The Scrutinizer will submit his report to the Chairman of the Company or to any other person authorized by the Chairman after the completion of the scrutiny of the e-voting (votes casted during the AGM and votes casted through remote e-voting), not later than 48 hours from the conclusion of the AGM. The result declared along with the Scrutinizer's report shall be communicated to the Stock Exchanges, CDSL and RTA and will also be displayed on the Company's website.
16. The members are requested to:
 - i. Intimate to the registrars / Company, changes if any, in their registered address at an early date along with the pin code number.
 - ii. Quote Registered Folio / Client ID & DP ID in all their correspondence.
 - iii. Dematerialize the shares held in physical form at the earliest as trading in the Equity Shares of the Company shall be only in dematerialized form for all the investors.
 - iv. Avail of the facility of nomination by nominating in the prescribed "NOMINATION FORM" a person to whom his/her shares in the Company shall vest in the event of his/her death.

20.	Any Other relevant information	All material information relevant to the proposed transactions has been disclosed herein.

**B. Cumulative Aggregate Transaction Value and Outstanding Exposure**

The proposed approval is structured on the basis that the **cumulative aggregate transaction value** and the **maximum outstanding exposure** are separate and distinct limits.

The cumulative aggregate transaction value of up to **₹300 crore** represents the cumulative value of transactions undertaken during the validity period, including fresh drawdowns, disbursements, renewals, rollovers and re-drawals, as applicable.

The maximum outstanding exposure, on the other hand, represents the maximum amount outstanding at any one point in time.

Accordingly, where an amount of ₹200 crore is drawn, subsequently repaid and thereafter re-drawn, the repayment shall reduce the outstanding exposure, whereas the subsequent re-drawal shall form part of the cumulative aggregate transaction value during the validity period.

Notwithstanding the aggregate transaction value of ₹300 crore, the Company shall ensure that:

- the maximum outstanding exposure in respect of ICDs does not exceed **₹200 crore at any point in time**; and
- the maximum cumulative aggregate outstanding exposure under all transactions covered by this Resolution does not exceed **300 crore**.

C. Rationale and Justification

The proposed transactions are intended to provide the Company with flexibility to efficiently manage its short-term liquidity, treasury and funding requirements and to facilitate smooth conduct of its business operations.

The revolving nature of the proposed transactions may result in repeated drawdowns, repayments, renewals, rollovers and re-drawals during the validity period. Accordingly, the aggregate transaction value may exceed the maximum outstanding exposure at any particular point in time.

The proposed limits have therefore been structured separately to ensure that the Company can undertake the required transactions while maintaining the maximum outstanding exposure within the limits approved by the Members.

The Company shall undertake the transactions only in accordance with applicable law, its RPT Policy and the terms approved by the Audit Committee and the Board.

D. Validity of Approval

The approval sought from the Members shall be valid from the date of approval at the 32nd AGM scheduled to be held on 30th September 2026 until the date of the next AGM held within the timelines prescribed under Section 96 of the Act, subject to applicable provisions of the SEBI Listing Regulations.

The approval shall apply only to prospective transactions proposed to be entered into during the aforesaid validity period.

E. Voting Restriction

In accordance with Regulation 23 of the SEBI Listing Regulations, no Related Party of the Company shall vote to approve this Resolution, whether or not such Related Party is a Related Party to the particular transaction for which approval is being sought, subject to applicable law.

The Board recommends the Ordinary Resolution set out at Item No. 3 for approval by the Members. Except for the persons identified above, none of the other Directors, Key Managerial Personnel or their respective relatives is concerned or interested, financially or otherwise, in the Resolution.

Item No. 4

The Company proposes to enter into and/or continue to enter into Related Party Transactions with **Asian Markets Securities Private Limited**, a Related Party of the Company, during the validity period of the approval sought from the Members.

The proposed transactions may include Loans given to and/or taken from Asian Markets Securities Private Limited and interest & reimbursement related transactions, as may be applicable to the Company's business requirements.

The proposed transactions are expected to be undertaken on mutually agreed terms and conditions and in accordance with the Company's Policy on Related Party Transactions and applicable provisions of the Act and the SEBI Listing Regulations.

The Audit Committee has reviewed the proposed transactions and recommended the same to the Board. The Board has, accordingly, approved the proposal and recommends the same for approval of the Members.

A. Particulars of the proposed transactions:

Sr.No.	Particulars	Details of Transaction
1.	Name of the Related Party	Asian Markets Securities Private Limited
2.	Nature of Relationship	Promoter's Entity
3.	Nature & Material terms of Transaction	Loan, Interest & Reimbursements. Transactions shall be undertaken within the approved limits & on terms approved by Audit Committee & Board.
4.	Validity/ Transaction period	Contracts/ arrangements with a duration from the date of approval at the AGM until the date of next AGM held within the time limit as per Companies Act, 2013.
5.	Nature of Concern & Interest	Financial
6.	Tenure	Short term transactions/ Loans & Other Transactions as applicable involving repayment/ renewal/ re-withdrawal.
7.	Interest Rate/ Charges	At rates/ charges mutually agreed between the parties & in accordance with applicable law/ RPT policy.
8.	Security	Unsecured unless otherwise agreed & permitted under applicable law.
9.	Repayment	As per the terms of the respective transaction, agreement or arrangement.
10.	Commercial Terms	To be determined based on prevailing market condition & as per applicable law & RPT policy.
11.	Maximum aggregate outstanding exposure at any point of time	Upto Rs. 150 Crore
12.	Cumulative Aggregate Transaction Value	Rs. 300 Crore
13.	Percentage of the Company's annual consolidated turnover for the immediately preceding financial year, that is represented by the value of the proposed transaction is more than 10%	Yes
14.	Purpose	Meeting working capital, treasury, liquidity, margin & other legitimate business requirements of the company.
15.	Source of Funds	Internal accruals & other sources available to the company.
16.	Applicable terms, including covenants, interest rate and repayment schedule, whether secured or unsecured; if secured, the nature of security.	Loan, Interest aggregating to Rs. 150 crore at any point of time:
17.	Weather in ordinary course of business?	Yes. To the extent applicable to the nature of Company's Business

Review of Operations

During FY 2025-26, the Company continued to focus on strengthening its core lending business and prudent deployment of its financial resources. The Company is registered with the Reserve Bank of India (RBI) as a Non-Banking Financial Company and is classified as an NBFC-Base Layer (NBFC-BL) under the Scale Based Regulation framework.

The Company's loan portfolio witnessed significant growth during the year, increasing from ₹818.06 lakh as at March 31, 2025 to ₹4,835.36 lakh as at March 31, 2026. The investment portfolio stood at ₹2,970.39 lakh as at March 31, 2026, as against ₹4,323.11 lakh in the previous year, reflecting a shift in the Company's asset mix towards its lending operations.

Revenue from operations during the year stood at ₹428.45 lakh as compared to ₹548.58 lakh in FY 2024-25. Despite the reduction in revenue from operations, the Company's profit before tax increased to ₹322.78 lakh from ₹205.74 lakh in the previous year, while profit after tax increased significantly to ₹258.69 lakh from ₹120.79 lakh.

**Annexure B****MANAGEMENT DISCUSSION AND ANALYSIS**

FOR THE FINANCIAL YEAR ENDED 31 MARCH 2026

1. ECONOMIC OVERVIEW**Global Economy**

The global economy remained resilient during 2025 despite geopolitical tensions, trade uncertainties and inflationary pressures. According to the International Monetary Fund (IMF), global GDP growth is estimated at around 3.0% in 2025, supported by easing inflation and the gradual normalisation of monetary policy. While advanced economies experienced moderate growth, emerging economies continued to outperform due to stronger domestic demand and investment.

Central banks in several major economies adopted accommodative policy measures as inflation moderated. However, geopolitical conflicts, volatile commodity prices and supply chain disruptions continued to pose risks to global growth.

Indian Economy

India remained one of the fastest-growing major economies during FY 2025–26, supported by robust domestic consumption, government capital expenditure and a resilient financial sector.

According to the National Statistics Office (NSO), India's real GDP is estimated to have grown by approximately 6.5% during FY 2025–26.

Key economic indicators are summarised below:

Particulars	FY 2025–26
Real GDP Growth	6.5%
CPI Inflation	4–5%
RBI Repo Rate (March 2026)	5.50%
Foreign Exchange Reserves	Above US\$700 Billion

Government initiatives such as PM Gati Shakti, Digital India, Make in India, Startup India, and the Production Linked Incentive (PLI) schemes continued to support investment, infrastructure development, and the formalisation of the economy.

The Indian banking sector remained well capitalised with improved asset quality and healthy credit growth, providing a favourable environment for financial institutions.

2. NBFC INDUSTRY OVERVIEW

The NBFC sector continues to play an important role in providing credit to retail customers, MSMEs and other underserved sectors, complementing the banking system.

During FY 2025–26, the sector remained stable, supported by healthy credit demand and improved asset quality.

Industry Highlights

Particulars	FY 2025–26
NBFC Credit Growth	14–16%
Bank Credit Growth	11–12%
NBFC Capital Adequacy Ratio	Above 25%
Banking Sector Gross NPA	Around 2.3%

The Reserve Bank of India continued implementation of the Scale-Based Regulatory (SBR) Framework, strengthening governance, capital adequacy, liquidity management, risk management and digital lending practices.

Increasing adoption of digital lending platforms, artificial intelligence and data analytics is improving operational efficiency and customer experience across the industry. The medium-term outlook for the NBFC sector remains positive, supported by rising credit demand, financial inclusion initiatives and economic growth.

3. COMPANY OVERVIEW

Abhinav Capital Services Limited is a listed Non-Banking Financial Company (NBFC–Base Layer) registered with the Reserve Bank of India and primarily engaged in lending and investment activities.

During FY 2025–26, the Company continued to focus on:

- prudent lending and credit quality;
- optimisation of the investment portfolio;
- efficient capital deployment;
- regulatory compliance; and
- strengthening governance and risk management.

The Company's business strategy is centred on sustainable growth, disciplined risk management and long-term value creation for stakeholders.

4. FINANCIAL PERFORMANCE

**INDEPENDENT AUDITOR'S REPORT**

To
The Members of
Abhinav Capital Services Limited

Report On the Audit of the Financial Statements**Opinion**

We have audited the financial statements of **Abhinav Capital Services Limited** ("the Company"), which comprise the balance sheet as at 31st March 2026, and the statement of Profit and Loss (including Other Comprehensive Income), Statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its profit, and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matter described below to be key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis of our audit opinion on the accompanying financial statements.

Key Audit Matter	How our audit addressed the key audit matter
1) Impairment of financial assets (expected credit losses) :- <i>Ind AS 109 requires the Company to recognize impairment loss allowance towards its financial assets (designated at amortised cost and fair value through other comprehensive income) using the expected credit loss (ECL) approach. Such ECL allowance is required to be measured considering the guiding principles of Ind AS 109 including :-</i> <i>Unbiased , probability weighted outcome under various scenarios;</i> <i>Time value of money;</i> <i>Impact arising from forward looking macro-economic factors and;</i> <i>Availability of reasonable and supportable information without undue costs;</i> <i>Applying these principles involves significant estimation in various aspects , such as;</i> <i>Grouping of borrowers based on homogeneity by using appropriate statistical techniques;</i> <i>Staging of loans and estimation of behavioural life;</i> <i>Determining macro-economic factors impacting credit quality of receivables;</i> <i>Estimation of losses for loan products with no/minimal historical defaults.</i> <i>Considering the significance of such allowance to the overall financial statements and the degree of estimation involved in computation of expected credit losses, this area is considered as a key audit matter.</i>	<i>We read and assessed the Company's accounting policies for impairment of financial assets and their compliance with Ind AS 109</i> <i>We tested the criteria for staging of loans on their past due status to check compliance with requirements of Ind AS 109. Tested a sample of performing (stage 1) loans to assess whether any loss indicators were present requiring them to be classified under stage 2 or 3 and vice versa.</i> <i>We have evaluated the reasonableness of the Management estimates by understanding the process of ECL estimation and tested the controls around data extraction and validation</i> <i>Tested the ECL model, including assumptions and underlying computation</i> <i>Assessed the floor/minimum rates of provisioning applied by the Company for loan products with inadequate historical defaults</i> <i>Audited disclosure included in the Ind AS financial statements in respect of expected credit losses.</i>

Information other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexure (1) to Board's Report but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact.

Responsibilities of Board of Directors for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the board of directors.
- Conclude on the appropriateness of board of directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial statements of the Company to express an opinion on the financial statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income Statement, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations as at 31st march 2026 which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv.

- a. The Management has represented that, to the best of its knowledge and belief, as disclosed on note 36 to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ('Intermediaries'), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.
- b. The Management has represented, that, to the best of its knowledge and belief, as disclosed on note 36 to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.
- c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our attention that causes us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.

v. The company has not declared or paid any dividend during the year and has not proposed any dividend for the year under audit and hence clause (f) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014 is not applicable

vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of accounts for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year from the beginning of the financial year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention where such audit trail have been maintained.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure – B** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Re: Abhinav Capital Services Limited (“the company”)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Abhinav Capital Services Limited** (“the Company”) as of 31st March 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls:

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility:

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting:

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

- a. In our opinion and according to the information and explanation provided by the management and the records examined by us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- b. According to the information and explanation provided by the management and the records examined by us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or any other lender.
- c. According to the information and explanation provided by the management and the records examined by us, the Company has not obtained any term loans during the year. Hence, reporting under clause 3(ix)(c) of the said Order is not applicable to the Company.
- d. According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.

- e. According to the information and explanation provided by the management and the records examined by us, the Company does not have any subsidiaries, associates or joint ventures. Hence reporting under clause 3(ix)(e) of the said Order pertaining to meeting the obligations of the subsidiaries, joint ventures and associate companies is not applicable to the Company.
- f. According to the information and explanation provided by the management and the records examined by us, the Company does not have any subsidiaries, associates or joint ventures. Hence reporting under clause 3(ix)(f) of the said Order pertaining to raising of loans on the pledge of securities held in its subsidiaries, joint ventures and associate companies is not applicable to the Company

(x)

- a. The Company has not raised money by way of an initial public offer or further public offer (including debt instruments) during the year and hence reporting under paragraph 3(x)(a) of the Order is not applicable.
- b. The Company has not made preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) during the year under review and hence reporting under paragraph 3(x)(b) of the Order is not applicable to the Company

(xi)

- a. To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- b. No report under section 143(12) of the Companies Act, 2013, has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- c. We have taken into consideration the whistle blower complaints received by the Company during the year (and up to the date of this report), while determining the nature, timing and extent of our audit procedures.

(xii) According to the records of the company, the company is not covered under the category of Nidhi Company, therefore provision of clause (xii) of the order is not applicable to the company and hence not commented upon.

(xiii) According to the information and explanations given to us, the company has complied with Section 177 and 188 of Companies Act, 2013 in respect of transactions with related parties and details have been disclosed in the financial statements as required by the applicable accounting standards.

(xiv)

- (a) To the best of our knowledge and belief and according to information and explanations given to us the company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit report issued to the company during the year and till the period under audit.

(xv) To the best of our knowledge and belief and according to the information and explanations given to us, the company has wherever applicable complied with the provisions of Section 192 of the Companies Act, 2013 in respect of any non-cash transactions entered with directors or persons connected with him.

(xvi)

- (a) The Company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and such registration has been obtained by the Company.
- (b) The Company holds a Valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934 for operating as a Non-Banking Financial Company. The Company has not conducted any Housing Finance activities during the year and is not required to

obtain CoR for such activities from the RBI. Accordingly, reporting under clause 3(xvi)(b) of the Order is not applicable to the company.

(c) According to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the RBI. Accordingly, reporting under clause 3(xvi)(c) of the Order is not applicable to the Company

(d) Based on the information and explanations given to us and as represented by the management of the Company, the Group does not have any CICs. We have not, however, separately evaluated whether the information provided by the management is accurate and complete

(xvii) The Company has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year

(xviii) There has been no resignation of the statutory auditors of the Company during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.

(xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report, that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due

(xx)

a. There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of section 135 of the said Act. Accordingly, reporting under paragraph 3(xx)(a) of the Order is not applicable for the year.

b. The company does not have any obligation to transfer any unspent amount in respect of any "ongoing projects", to a special account within a period of thirty days from the end of the financial year in compliance with the provision of sub-section (6) of section 135 of the Act. So, reporting under Clause 3(xx)(b) is not applicable to the company

(xxi) The reporting under clause 3(xxi) is not applicable in respect of audit of financial statements of the Company. Accordingly, no comment has been included in respect of the said clause under this report.

Notes to Financial Statements for the Year Ended 31st March 2026.

ABHINAV CAPITAL SERVICES LIMITED
CIN: L65990MH1994PLC083603

Notes to Financial Statements for the Year Ended 31st March 2026.

1. Corporate information

ABHINAV CAPITAL SERVICES LIMITED is a company limited by shares, listed public company, incorporated on 8th December 1994 and domiciled in India. The shares of the company are listed on the Bombay Stock Exchange (BSE). The Company is engaged in the business of lending and is a “Base Layer” Non-Banking Finance Company (NBFC) registered with the Reserve Bank of India (RBI) with effect 20th April 1998 from, with Registration No.13.00685 and having registered office at B 709, Express zone, Western Express Highway Opp. Adani Electricity, Malad (East) Mumbai 400097

The Company is classified as “**NBFC-BL (Base Layer)**” by the Reserve Bank of India (RBI) as a part of its Scaled Based Regulation.

The audited financial statements were subject to review and recommendation of Audit Committee and approval of Board of Directors. On **14th May 2026** the Board of Directors of the Company approved and recommended the audited financial statements for consideration and adoption by the shareholders in its annual general meeting.

2. Basis of preparation

2.1 Statement of Compliance

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) (as amended) along with other relevant provisions of the Act and guidelines issued by the Reserve Bank of India as applicable to NBFCs (as amended). Any application of any guidance / clarifications / directions issued by RBI or other regulators are implemented as and when they are issued / applicable, the guidance notes/ announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations require a different treatment. The Company uses accrual basis of accounting except in case of significant uncertainties.

The financial statements have been prepared on a historical cost basis, except for certain financial instruments that are measured at fair value. Material accounting policy information has been consistently applied except where a newly issued Ind AS is initially adopted or a revision to an existing Ind AS required a change in the material accounting policy information hitherto in use.

The financial statements have been prepared on a historical cost basis, except for certain financial instruments that are measured at fair value

The financial statements are prepared on a going concern basis as the Management is satisfied that the Company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption. In making this assessment, the Management has considered a wide range of information relating to present and future conditions, including future projections of profitability, cash flows and capital resources.

2.2 Functional and Presentation Currency

The financial statements are presented in Indian Rupee (INR), which is also the functional currency of the Company, in denomination of lakh's with rounding off to two decimals as permitted by Schedule III to the Companies Act, 2013 except where otherwise indicated.

2.3 Presentation of financial statements

The Company presents its Balance Sheet in order of liquidity.

The Company prepares and presents its Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the format prescribed by Division III of Schedule III to the Companies Act, 2013. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 'Statement of Cash Flows'.

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognized amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS specifically unless they are material in nature.

2.4 Critical accounting estimates and judgments

In the application of accounting policy, the management is required to make judgment, estimates and assumptions about the carrying amount of assets and liabilities, income and expenses, contingent liabilities and the accompanying disclosures that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant and are prudent and reasonable. Actual/Future results may differ from these estimates. The estimates and underlying assumptions are reviewed on ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised if revision affects only that period or in the period of revision and future periods if the revision affects both current and future periods.

The few critical estimations and judgments made in applying accounting policies are:

i. Property, Plant and Equipment:

Useful life of Property, Plant and Equipment and Intangible Assets are as specified in Schedule II to the Companies Act, 2013.

ii. Income Taxes:

Significant judgment is required in determining the amount for income tax expenses. There are many transactions and positions for which the ultimate tax determination is uncertain during the ordinary course of business. Where the final tax outcome is different from the amount that were initially recorded, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made.

iii. Impairment of Non-financial Assets:

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An assets recoverable amount is higher of assets or CGU's fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other asset or group of assets. Where carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered as impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flow are discounted to their present value using pre-tax discount rate that reflects current market assessment of the time value of money and the risks specific asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples or other available fair value indicators.

iv. Impairment of Financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

v. Fair Value Measurement of Financial Instruments

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

3. A Summary of Material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

3.1 Revenue Recognition**(i) Interest income**

The Company recognizes interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortized cost or fair value through other profit & loss account (FVTPL). EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortized cost of a financial liability.

The Company recognizes interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. In case of credit-impaired financial assets regarded as 'stage 3', the Company recognizes interest income on the amortized cost net of impairment loss of the financial asset at EIR. If the financial asset is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis. Delayed payment interest (penal interest) levied on customers for delay in repayments/nonpayment of contractual cash flows is recognized on realization.

Interest on financial assets subsequently measured at fair value through profit or loss (FVTPL) is recognized at the contractual rate of interest.

(ii) Dividend income

Dividend income on equity shares is recognized when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

(iii) Other revenue from operations (other than Interest and Dividend Income)

The Company recognizes revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognizes revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

(a) Fees and commission

The Company recognizes service and administration charges towards rendering of additional services to its loan customers on satisfactory completion of service delivery. Fees on value added services and products are recognized on rendering services and products to the customer. Distribution income is earned by selling of services and products of other entities under distribution arrangements. The income so earned is recognized on successful sales on behalf of other entities subject to there being no significant uncertainty of its recovery. Foreclosure charges are collected from loan customers for early payment/closure of loan and are recognized on realization.

(b) Net gain on fair value changes

Financial assets are subsequently measured at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI), as applicable. The Company recognizes gains/losses on fair value change of financial assets measured as FVTPL and realized gains/losses on recognition of financial asset measured at FVTPL and FVOCI.

(c) Sale of services

The Company, on de-recognition of financial assets where a right to service the derecognized financial assets for a fee is retained, recognizes the fair value of future service fee income over service obligations cost on net basis as service fee income in the statement of profit or loss and correspondingly creates a service asset in Balance Sheet. Any subsequent increase in the fair value of service assets is recognized as service income and any decrease is recognized as an expense in the period in which it occurs. The embedded interest component in the service asset is recognized as interest income in line with Ind AS 109 'Financial instruments'.

Other revenues on sale of services are recognized as per Ind AS 115 'Revenue from Contracts with Customers' as articulated above in 'other revenue from operations'.

(d) Recoveries of financial assets written off.

The Company recognizes income on recoveries of financial assets written off on realization or when the right to receive the same without any uncertainties of recovery is established.

(iv) Taxes

Incomes are recognized net of the Goods and Services Tax (GST) wherever applicable.

3.2 Expenditures**(i) Finance costs**

Borrowing costs on financial liabilities are recognized using the EIR method as set out in Ind AS 109 'Financial Instruments'.

(ii) Fees and commission expenses

Fees and commission expenses which are not directly linked to the sourcing of financial assets, such as commission/incentive incurred on value added services and products distribution, recovery charges and fees payable for management of portfolio etc., are recognized in the Statement of Profit and Loss on an accrual basis.

(iii) Taxes

Expenses are recognized net of the Goods and Services Tax/Service Tax, except where credit for the input tax is not statutorily permitted.

3.3 Financial instruments

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments.

All the financial instruments are recognized on the date when the Company becomes party to the contractual provisions of the financial instruments. For tradable securities, the Company recognizes the financial instruments on trade date.

(I) Financial assets

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.

Initial recognition and measurement

All financial assets are recognized initially at fair value including transaction costs that are attributable to the acquisition of financial assets except in the case of financial assets recorded at FVTPL where the transaction costs are charged to profit or loss.

Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified into four categories:

- (a) Debt instruments at amortized cost
- (b) Debt instruments at FVOCI
- (c) Debt instruments at FVTPL
- (d) Equity instruments designated at FVOCI

(a) Debt instruments at amortized cost:

The Company measures its financial assets at amortized cost if both the following conditions are met:

The asset is held within a business model of collecting contractual cash flows; and Contractual terms of the asset give rise on specified dates to cash flows that are Sole Payments of Principal and Interest (SPPI) on the principal amount outstanding. To make the SPPI assessment, the Company applies judgment and considers relevant factors such as the nature of portfolio and the period for which the interest rate is set.

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios. If cash flows after initial recognition are realized in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model but incorporates such information when assessing newly originated financial assets going forward.

The business model of the Company for assets subsequently measured at amortized cost category is to hold and collect contractual cash flows. However, considering the economic viability of carrying the delinquent portfolios in the books of the Company, it may sell these portfolios to banks and/or asset reconstruction companies.

After initial measurement, such financial assets are subsequently measured at amortized cost on effective interest rate (EIR). The expected credit loss (ECL) calculation for debt instruments at amortized cost is explained in subsequent notes in this section.

(b) Debt instruments at FVOCI

The Company subsequently classifies its financial assets as FVOCI, only if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

Debt instruments included within the FVOCI category are measured at each reporting date at fair value with such changes being recognized in other comprehensive income (OCI). The interest income on these assets is recognized in profit or loss. The ECL calculation for debt instruments at FVOCI is explained in subsequent notes in this section.

Debt instruments such as long-term investments in Government securities to meet regulatory liquid asset. Requirement of the Company's deposit program and mortgage loans portfolio where the Company periodically resorts to partially selling the loans by way of assignment to willing buyers are classified as FVOCI.

On De-recognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified to profit or loss.

(c) Debt instruments at FVTPL

The Company classifies financial assets which are held for trading under FVTPL category. Held for trading assets are recorded and measured in the Balance Sheet at fair value. Interest and dividend incomes are recorded in interest income and dividend income, respectively according to the terms of the contract, or when the right to receive the same has been established. Gain and losses on changes in fair value of debt instruments are recognized on net basis through profit or loss.

The Company's investments into mutual funds, Government securities (trading portfolio) and certificate of deposits for trading and short-term cash flow management have been classified under this category.

(d) Equity investments designated under FVOCI

All equity investments in the scope of Ind AS 109 'Financial Instruments' are measured at fair value. The Company has strategic investments in equity for which it has elected to present subsequent changes in the fair value in other comprehensive income. The classification is made on initial recognition and is irrevocable.

All fair value changes of the equity instruments, excluding dividends, are recognized in OCI and not available for reclassification to profit or loss, even on sale of investments. Equity instruments at FVOCI are not subject to an impairment assessment.

De-recognition of Financial Assets

The Company derecognizes a financial asset (or, where applicable, a part of a financial asset) when:

- The right to receive cash flows from the asset have expired; or
- The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under an assignment arrangement and the Company has transferred substantially all the risks and rewards of the asset. Once the asset is derecognized, the Company does not have any continuing involvement in the same.

Impairment of financial assets

Expected Credit Loss (ECL) are recognized for financial assets held under amortized cost, debt instruments measured at FVOCI, and certain loan commitments.

The company follows a staging methodology for ECL Computation. Financial assets where no significant increase in credit risk has been observed are considered to be in 'stage 1' and for which a 12-month ECL is recognized. Financial assets that are considered to have significant increase in credit risk are considered to be in 'stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'stage 3'. Lifetime ECL is recognized for stage 2 and stage 3 financial assets.

At initial recognition, allowance (or provision in the case of loan commitments) is required for ECL towards default events that are possible in the next 12 months, or less, where the remaining life is less than 12 months.

In the event of a significant increase in credit risk, allowance (or provision) is required for ECL towards all possible default events over the expected life of the financial instrument ('lifetime ECL').

Financial assets (and the related impairment loss allowances) are written off in full, when there is no realistic Prospect of recovery.

Treatment of the different stages of financial assets and the methodology of determination of ECL**(a) Credit impaired (stage 3)**

The Company recognizes a financial asset to be credit impaired and in stage 3 by considering relevant objective evidence, primarily whether:

- Contractual payments of either principal or interest are past due for more than 90 days.
- The loan is otherwise considered to be in default.

Restructured loans, where repayment terms are renegotiated as compared to the original contracted terms due to significant credit distress of the borrower, are classified as credit impaired. Such loans continue to be in stage 3 until they exhibit regular payment of renegotiated principal and interest over a minimum observation period, typically 12 months– post renegotiation, and there are no other indicators of impairment. Having satisfied the conditions of timely payment over the observation period these loans could be transferred to stage 1 or 2 and a fresh assessment of the risk of default is done for such loans.

Interest income is recognized by applying the EIR to the net amortized cost amount i.e., gross carrying amount less ECL allowance.

b) Significant increase in credit risk (stage 2)

An assessment of whether credit risk has increased significantly since initial recognition is performed at each reporting period by considering the change in the risk of default of the loan exposure. However, unless identified at an earlier stage, 30 days past due is considered as an indication of financial assets to have suffered a significant increase in credit risk. Based on other indications such as borrower's frequently delaying payments beyond due dates though not 30 days past due are included in stage 2 for mortgage loans.

The measurement of risk of defaults under stage 2 is computed on homogenous portfolios, generally by nature of loans, tenors, underlying collateral, geographies and borrower profiles. The default risk is assessed using PD (probability of default) derived from past behavioral trends of default across the identified homogenous portfolios. These past trends factor in the past customer behavioral trends, credit transition probabilities and macroeconomic conditions. The assessed PDs are then aligned considering future economic conditions that are determined to have a bearing on ECL.

(c) Without significant increase in credit risk since initial recognition (stage 1)

ECL resulting from default events that are possible in the next 12 months are recognized for financial instruments in stage 1. The Company has ascertained default possibilities on past behavioral trends witnessed for each homogenous portfolio using application/behavioral score cards and other performance indicators, determined statistically.

(d) Measurement of ECL

The assessment of credit risk and estimation of ECL are unbiased and probability weighted. It incorporates all information that is relevant including information about past events, current conditions and reasonable forecasts of future events and economic conditions at the reporting date. In addition, the estimation of ECL takes into account the time value of money. Forward looking economic scenarios determined with reference to external forecasts of economic parameters that have demonstrated a linkage to the performance of our portfolios over a period of time have been applied to determine impact of macro-economic factors.

The Company has calculated ECL using three main components: Exposure at Default (EAD), Probability of Default (PD), Loss Given Default (LGD)

(ii) Financial liabilities

Financial liabilities include liabilities that represent a contractual obligation to deliver cash or another financial asset to another entity, or a contract that may or will be settled in the entities own equity instruments. Few examples of financial liabilities are trade payables, debt securities and other borrowings and subordinated debts.

Initial measurement

All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade payables, other payables, debt securities and other borrowings.

Subsequent measurement

After initial recognition, all financial liabilities are subsequently measured at amortized cost using the EIR.

De-recognition

The Company derecognizes a financial liability when the obligation under the liability is discharged, cancelled or expired. Any gains or losses arising on DE recognition of liabilities are recognized in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and liabilities are offset and net amount is reported if there is currently enforceable legal right to offset the recognized amounts and there is intention to settle on a net basis, to realize assets and settle the liabilities simultaneously.

3.4 Taxes**(i) Current tax**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current tax relating to items recognized outside profit or loss is recognized in correlation to the underlying transaction either in OCI or directly in other equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(ii) Deferred tax

Deferred tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized for deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets, if any, are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized either in OCI or in other equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

3.5 Property, plant and equipment

Property, plant and equipment are carried at historical cost of acquisition less accumulated depreciation and impairment losses, consistent with the criteria specified in Ind AS 16 'Property, Plant and Equipment'.

Depreciation on property, plant and equipment

- (a) Depreciation is provided on a pro-rata basis for all tangible assets on written down value method over the useful life of assets.
- (b) Depreciation is charged so as to allocate the cost of assets less their residual values, if any, over their estimated useful lives, using the written down value method except intangible assets. Depreciation on intangible assets is provided on straight line basis. The following useful lives are considered for the depreciation of property, plant and equipment:

Description of the Asset	Estimated Useful Life
Furniture & fixtures	10 Years
Vehicles	8 Years
Office Equipment	5 Years
Computers	3 Years

- (c) Useful lives of assets are determined by the Management by an internal technical assessment except where such assessment suggests a life significantly different from those prescribed by Schedule II – Part C of the Companies Act, 2013 where the useful life is as assessed and certified by a technical expert.
- (d) Depreciation on addition to assets and assets sold during the year is being provided for on a pro rata basis with reference to the month in which such asset is added or sold as the case may be.
- (e) An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized as income or expense when the asset is derecognized.
- (f) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

3.6 Employee benefits

Liabilities for salaries and wages, including non-monetary benefits if any, are recognized as liabilities (and expensed) and are measured at the amounts expected.

3.7 Fair value measurement

The Company measures its qualifying financial instruments at fair value on each Balance Sheet date.

Fair value is the price that would be received against sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place in the accessible principal market or the most advantageous accessible market as applicable.

In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy into Level I, Level II and Level III based on the lowest level input that is significant to the fair value measurement as a whole.

For assets and liabilities that are fair valued in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

Fair value for measurement and/or disclosure purposes for certain items in these financial statements is determined considering the following measurement methods:

ITEMS	MEASUREMENT BASIS
Equity Instruments (Financial Assets)	Fair Value (FVTOCI)
Post-Employment benefit obligation	Fair Value (FVTOCI)

3.8 Cash and Cash Equivalents

Cash and Cash Equivalents include cash on hand and other short-term highly liquid investments with original maturities of up to three months that are readily convertible to known amounts of cash, and which are subject to an insignificant risk of change in value.

4. Recent Accounting Pronouncements

Ministry of Corporate Affairs ('MCA') notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended 31 March 2026, the company has reviewed the new pronouncements and based on its evaluation the company has determined that it does not have any significant impact in its financial statements.

Notes Forming Integral Part of the Financial Statement

24. Contingent liabilities

Claims against the Company not acknowledged as debts-

Income-tax demands for the previous year have been raised by the income tax authority; the company is in the process of representing for the same with the authority. The liability is contingent to the extent of the outcome of the matter

(Rs in lakhs)

Particulars	As at 31 st March, 2026	As at 31 st March, 2025
Income Tax Demand AY 2007-08	-	4.37
Income Tax Demand AY 2011-12	-	4.78

- a) The Company has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required and disclosed as contingent liabilities where applicable, in its financial statements. The Company does not expect the outcome of these proceedings to have a materially adverse effect on its financial statements.
- b) It is not practical for the Company to estimate the timings of cash outflows, if any, in respect of the above pending resolution of the respective proceedings as it is determinable only on receipt of judgements/decisions pending with various forums/authorities.

25. Segment Information

The Company operates in a single reportable segment, i.e., financing, since the nature of the loans is exposed to similar risks and return profiles, hence, they are collectively operating under a single segment. The Company operates in a single geographical segment i.e. domestic.

27. Events after reporting date

There have been no events after the reporting date that requires adjustment/disclosure in these financial statements.

28. Fair values

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique.

To show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques.

This note describes the fair value measurement of both financial and non-financial instruments.

Valuation framework

The Company has an internal fair value assessment team which assesses the fair values for assets qualifying for fair value.

The Company's valuation framework includes:

- Benchmarking prices against observable market prices or other independent sources.
- Development and validation of fair valuation models using model logic, inputs, outputs, and adjustments.

These valuation models are subject to a process of due diligence and validation before they become operational and are continuously calibrated.

Valuation methodologies adopted.

Fair values of financial assets, other than those which are subsequently measured at amortized cost, have been arrived at as under:

- Fair values of investments held for trading under FVTOCI have been determined using quoted market prices of the underlying instruments.
- Fair values of strategic investments in equity instruments designated under FVTOCI have been measured.

The Company has determined that the carrying values of cash and cash equivalents, bank balances, trade receivables, short term loans, floating rate loans, investments in equity instruments designated at FVOCI, trade payables, short term debts, borrowings, bank overdrafts and other current liabilities are a reasonable approximation of their fair value and hence their carrying value are deemed to be fair value.
