YOUR GIFTING BUDDY

Dear Shareholders,

The Financial Year 2024-25 was yet another year where we faced challenges to increase our revenue and profit. Our Stationery Segment showed a slight Increase in sales by 0.11%.

Your Company continues its efforts to boost sales through different Archies online website/Market Places and Quick Commerce platforms and continued its effort to open potential retail outlets across India in Malls as well as on high Streets and shutting the non performing stores.

Your Company has launched New Archies Website to improve user experience, conversion rates, stay competitive, adapt to changing technologies and align with new brand identities.

Your Company has also gained social media attraction through Instagram and Facebook while putting continuous effort and making digital presence on such platforms through reels, posts, stories, live session, collaboration, giveaways and lot more.

Your Company has also got opportunities on offer from the trade deals with US parties. It presents a unique chance for us to establish the presence in international markets and attract more export orders.

Our team of experts and employees contributions is focusing on enhancing product quality, improving logistics, building global relationships, and complying with international standards.

Looking ahead, Archies is positioned to seize new opportunities in paper bags segments, Export orders, quick e-commerce and expected to reach a profitable year ahead.

Archies has been fortunate to have a strong support from all its stakeholders, be it its customers, suppliers, channel partners, banks, financial institutions, the shareholders, the Central and State governments and committed employees. With your continued support, I am confident that company would become a stronger and faster growing company in the years to come.

Your Truly,

Anil Moolchandani

FOR THE FINANCIAL YEAR ENDED 31st March 2025

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Archies Limited
191 F, Sector-4, IMT Manesar,
Gurgaon, Haryana-122050

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Archies Limited (hereinafter called the company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of Archies Limited's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2025 complied with the statutory provisions listed hereunder and also that the Company has proper board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by Archies Limited for the financial year ended on 31st March, 2025 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;

Subject however that the Company could not file some of the prescribed e-forms within the timelines prescribed under the Act.

- (ii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iii) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (iv) The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): -
- The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011
 - The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018
 - The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021
 - The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
 - The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993;
 - The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; (Not applicable to the Company during the audit period) and
 - The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; (Not applicable to the Company during the audit period)

We have also verified the compliances of the Company with the other statutes, which are specifically applicable to the Company, as reported by the management thereof, except to the extent the same were in the scope of work of the Statutory Auditors and / or Internal Auditors.

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Subject however that, the National Stock Exchange of India Limited levied a fine on the Company due to non-compliance with the provisions of Regulation 23(9) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 during the year under review. On representation, the Company was asked to pay a waiver processing fee which was duly paid by the Company.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

'ANNEXURE 'D' TO THE DIRECTORS' REPORT

NOMINATION AND REMUNERATION POLICY

Section 178 of the Companies Act, 2013 ("Act") requires the Nomination and Remuneration Committee (**Committee**) to recommend a policy for nomination of Directors, KMP, SM who report to the board of directors (**Board**) and remuneration of Directors, KMP, SM and other employees. This policy has been recommended by the Nomination and Remuneration Committee and adopted by the Board at its meeting held on 20th May, 2015. It will come into effect on 20th May, 2015 and supersedes the existing Compensation and Remuneration policy. The policy harmonises the requirements of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Company considers its human resources as its invaluable assets. This policy has been formulated so as to align the aspirations of the employees with the goals of the Company and with a view to provide an overall comprehensive framework to nominate Directors, KMP and SM and pay fair and equitable remuneration to its Directors, KMP, SM and other employees.

For the purposes of this policy, the following terms will have the meaning ascribed to them below:

1. **"Key Managerial Personnel or KMP"** shall mean – (i) the Chief Executive Officer or the Managing Director or the Manager; (ii) the Company Secretary; (iii) the Whole-time Director; (iv) the Chief Financial Officer; and (v) such other officer as may be prescribed in the Act.

2. “Senior Management or SM” shall mean those personnel of the Company who are members of its core management team excluding the Board, comprising all members of management one level below the Executive Directors, including the functional heads.

PART A - NOMINATION POLICY

1. Eligibility Criteria for Nomination of Directors

MANAGEMENT DISCUSSION & ANALYSIS REPORT

This report contains statements that the Company's beliefs may be considered to be "Forward Looking Statements" that describe our objective, plans or goals. All these forward looking statements are subject to certain risks and uncertainties, including, but not limited to, government action, local & global, political or economic developments, changes in legislation, technology risks, risk inherent in the Company's growth strategy, dependence on certain suppliers and other factors that could cause our actual results to differ materially from those contemplated by the relevant forward looking statements.

These forward looking statements included in this report are made only as on the date of this report and we undertake no obligation to publicly update these forward looking statements to reflect subsequent events or circumstances.

Industry Structure and Development

The Social Expressions Industry is still unorganized in India. There are number of small players whose operations are restricted in their respective regions. Besides them, there are very few serious players having nationwide presence. Greeting Cards are more of a fashion than culture in India and the Industry is driven by retailers and distributors rather than consumers.

The Company, which pioneered the concept in the Indian market, is the leader with more than 50% share of the organized sector.

Technology in the form of e-greeting, SMS and applications like facebook, Whatsapp had its toll on the growth of the greeting card business in general. However, this segment has the potential to bounce back.

The Company has developed into a gifting solution destination for the consumers and has enhanced its reach to come near to the Customers, with opening of retail outlets in various cities in India. As on 31.03.2024 the Company is having 94 company owned and operated retail outlets and is planning to open more stores.

This business is based on sentiments both at micro and macro level. There is visible growth across all sectors of the economy, which bodies very well for the resources sector.

Opportunities and Threats

Your Company has decided to reorient its business strategy by shifting its focus on other verticals such as online platform and alternate selling channel for its Stationery Products. Having said that your Company will continue to consolidate its Pan-India footprint. The Company is now more focused towards sales optimization by creating value proposition for consumer.

As realty sector continues to be under stress and organized retailing is mushrooming in different parts of the country; your Company's constant endeavor is to tap most of the locations for deeper penetration. Additionally, your Company will continue to explore overseas markets that offer vast opportunities.

The technological evolution has brought us today's well known, E- Commerce. This catalyst of online trading has offered a great help to the online marketing industry and has changed the face of purchasing products and services. With the great help and lucrative abilities of E-Commerce it is known as one of the most important aspect of the internet to emerge and will continue its progress in the future. The benefits of E-commerce like its around –the-clock availability, the wide opportunity of your products to customers, the speed and easy accessibility, plus the international reach will be on your hands.

Your Company understands that the business model that would run in future is by creating customer satisfaction and value creation for ensuring profitability and sustainability. Your Company is constantly endeavor is to serve the consumer better, faster and at less cost in ever changing environment.

Risks and Concerns

Macro-economic factors like a down turn in the economy, exchange rate fluctuation and, natural calamities are likely to affect the business industry at large and we are not untouched. Change in Government's fiscal policy also has a bearing on our performance. Large prevalence of unorganized players is another area of concern. High rental and shrinking store size is emerging as areas of concern. Change in fashion trends and consumer preference adversely affects the turnover of the Company. Intensifying competition in gifting segment also pose a probable risk to the Company.

Product Wise Performance

The Turnover of the gift segment was Rs. 2781.67 lakhs during the year under review as compared to Rs. 3638.60 lakhs last year, decreased by 23.55%. The Gifts segment contributed about 40.46% of the total turnover during the current year as compared to 46.16% in the previous year.

The Greeting Cards sale was Rs. 714.30 lakhs during the year under review as compared to Rs. 770.68 lakhs last year, down by 7.32%. The contribution of greeting cards sales to the total turnover now stands at 10.39% as compared to 9.78% in the previous year.

The stationery items sale was Rs. 3272.55 Lakhs during the year under review as compared to Rs. 3275.21 Lakhs during the Last Year, increased by 0.11%. The contribution of Stationery items sales to the total turnover stands about 47.58% as compared to 41.55% in the previous year.

Outlook

The Greeting Cards business during the year was again under pressure. But the company is working on various strategies to counter the negative effects. We are quite confident that greeting cards business should show positive signs in the coming years.

The turnover of the gift segment has been higher than the Greeting card and Stationery segment. Company is continuously making effort to add more products to perform better.

The stationary segment was increased by 0.11%.

The company's efforts to open company owned / managed stores will continue in the upcoming shopping malls and High Streets across the country on selective basis. Your company has opened 04 Archies stores during the year and the total no of Archies Stores opened by your Company in PAN India as on 31.03.2025 is 72.

The main concentration is on the core business of greeting cards, gifts and retail, and every effort of the Company is aimed at maximizing the profitability of the company by introducing new products and ideas which gel with the company's score business.

Internal Control Systems and their Adequacy

The Company has adequate Internal Control systems for business processes including components, packing material, trading goods, plants and machinery, equipment and other assets and with regard to the sale of goods. The internal control system is supplemented by an extensive internal audit, which is conducted by independent firm of Chartered Accountants. Internal audits are undertaken on a continuous basis covering various areas across the chain like manufacturing, operation, sales and distribution, marketing and value finance etc in all the branches of the Company. The Management and Audit Committee regularly review reports of the internal auditors, and corrective action initiated to strengthen the controls and enhance the effectiveness of the existing systems.

Financial performance with respect to operating performance

The Company recorded Revenue from Operations of Rs. 6970.54 Lakhs for the financial year 2024-25 as compared to Rs. 8007.66 Lakhs in the previous year decreased by 12.95%. INDEPENDENT AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

To The Members of
ARCHIES LIMITED

1. This certificate is issued in accordance with the terms of our engagement dated 08 August, 2025.
2. We have examined the compliance of conditions of Corporate Governance by **Archies Limited** ("the Company"), for the year ended on 31 March, 2025, as stipulated in regulations 17 to 27, and Clauses (b) to (i) of regulation 46(2) and paragraph C and D of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations").

Management's Responsibility

3. The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance as stipulated in the Listing Regulations.

Auditors' Responsibility

4. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
5. We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.
6. We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of Chartered Accountants of India (the "ICAI"), the Standards on Auditing specified under Section 143(10) of the Companies Act 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for the Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by ICAI.
7. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Controls for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

8. Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and paragraph C and D of Schedule V of the Listing Regulations during the year ended 31 March, 2025.
9. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Other Matters

10. We draw attention to the matters reported by the Secretarial Auditor in their report for the year under review, which include:
 - (a) Instances of delay in filing certain e-Forms within the timelines prescribed under The Companies Act, 2013; and

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Financial Statements for the financial year ended 31 March 2024. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

Key Audit Matter	Auditors' Response
Leases Accuracy of recognition, measurement, presentation and disclosures of Right of Use Assets and Lease Liabilities (IND AS 116 "LEASES"). The application of the lease accounting standard involves key assumptions relating to determination of lease period, more specifically described in Note 2.19 of the Financial Statements. It also requires determination of whether a contract contains a lease at inception of every lease by assessing whether (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.	<p>We assessed the Company's process to identify the application of the lease accounting standard. Our audit approach consisted testing of design and operating effectiveness of internal controls and substantive testing as follows:</p> <p>Testing of Controls</p> <ol style="list-style-type: none"> (1) Evaluated the design of internal controls for the implementation of the lease accounting standard relating to lease contracts. (2) Evaluated the design of internal controls relating to capturing of new contract data including terms of new lease contracts. (3) Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control relating to identification of whether a contract is / or contains a lease and determination of its lease period. <p>Substantive Testing</p> <p>Selected a sample of continuing and new contracts and performed the following procedure:</p> <ol style="list-style-type: none"> (1) Read and analysed the contracts to check whether these are lease contracts and covered under Ind AS 116. (2) Considered the terms of the contract to determine the lease period and total lease commitments. (3) Compared this information with that identified and recorded by the company. (4) Check the interest rate used to determine the lease liability with that of the company's incremental borrowings.

	<p>(5) Checked the arithmetical accuracy of working of the lease liability and Right of Use Assets recognised.</p> <p>(6) Checked the disclosures of leases in the financial statements and compared them with the disclosure requirements of Ind AS 116.</p>

Information Other than the Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon. The Annual Report is expected to be made available to us after the date of the auditors' report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Management's Responsibilities for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in

- planning the scope of our audit work and in evaluating the results of our work; and
- to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. We are unable to comment upon the value of inventory and the book balance has been relied upon (Refer Note 8 to the financial statements).

Our opinion is not modified in respect of these matters.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branches not visited by us.
 - The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this report are in agreement with the books of account and with the returns received from the branches not visited by us.
 - In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - On the basis of the written representations received from the directors as on 31 March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - With respect to the adequacy of the internal financial controls with reference to financial statement of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

- With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements– Refer Note 27 to the financial statements;
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

- (iii) There has been no delay in transferring amounts required to be transferred, to the Investor Education and Protection Fund by the Company.
- (iv) (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 36(x), no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The management has represented, that, to the best of its knowledge and belief, as disclosed in Note 36(x), no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e), as provided under (a) and (b) above, contain any material misstatement.
- (v) The Company has not declared or paid dividend during the year.
- (vi) Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended March 31, 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the management has represented that the audit trail feature cannot be disabled. The audit trail has been preserved by the company as per the statutory requirements for record retention.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of **Archies Limited** of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i. (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
(B) The Company does not have any intangible assets, hence reporting under clause 3(i)(a)(B) of the Order is not applicable.
- (b) All the Property, Plant and Equipment and right-of-use assets have been physically verified by the Management during the year. There is a regular program of verification, which, in our opinion, is reasonable, having regard to the size of the Company and the nature of its Property, Plant and Equipment and right-of-use assets. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) We report that, the title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
- (d) The company has revalued a class of its Property, Plant and Equipment i.e. Land during the year. Revaluation is carried out by a Registered Valuer. Based on the revaluation carried out, the amount of change is ₹ 4,214.14 Lakhs (Refer Note 3.1 to the financial statements) which is more than 10% in aggregate of the net carrying value of land.
Further, no other class of Property, Plant and Equipment or Intangible asset or both has been revalued during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at 31 March 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. (a) The inventory has been physically verified by the management at reasonable intervals. In our opinion, the coverage and procedure of such verification by the management is appropriate. No discrepancies of 10% or more between the physical stocks and book records in the aggregate for each class of inventory were noticed on such verification.
- (b) During the year, the Company has been sanctioned working capital limits in excess of ₹ 500 Lakhs, in aggregate, from banks on the basis of security of current assets, the quarterly returns or statements filed by the Company with such banks are in agreement with the books of account of the Company. The Company has not been sanctioned any working capital limit by financial institution during the year.
- iii. The Company has not made any investment, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties, during the year, and hence reporting under clause 3(iii) of the Order is not applicable.
- iv. The Company has not entered into any transaction in respect of loans, investments, guarantees and security to which the provisions of Section 185 and 186 of the Act would apply.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. The maintenance of cost records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act for the business activities carried out by the Company. Hence, reporting under clause 3(vi) of the Order is not applicable to the Company.
- vii. (a) According to the records of the Company, undisputed statutory dues including Goods and Services Tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and any other statutory dues applicable to it, have not been regularly deposited by the company with the appropriate authorities and there have been serious delays in a large number of cases.

According to the information and explanations given to us, no undisputed amounts payable in respect of Goods and Services Tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service tax, duty of Customs, duty of Excise, Value Added Tax, Cess and any other statutory dues applicable to it were outstanding, as at 31 March 2025 for a period of more than six months from the date they became payable.

- (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as at 31 March 2025 on account of disputes are given below:

Nature of the Statutory Dues	Amount (INR in Lakhs)	Period to which the amount relates	Forum where the dispute is pending
Tax Deducted at Source	9.02	2011-12	Commissioner of Income Tax (Appeals)

- (viii) There were no transactions related to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) (a) The Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest to banks and directors. According to the information and explanations given to us, loans from directors, which are repayable on demand and outstanding as at the year end, have not been demanded for repayment during the financial year ended 31 March 2025. The Company has not taken any loans or other borrowings from government, financial institution or any other lender.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority during the year.
- (c) The Company has not taken any term loan during the year and hence reporting under clause 3(ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) The Company does not have any subsidiary, associate or joint venture Company and hence reporting under clause 3(ix)(e) and clause(ix)(f) of the Order are not applicable.
- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- (xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company or any fraud on the Company, noticed or reported during the year, nor have we been informed of such case by the Management.
- (b) No report under sub-section (12) of section 143 of the Act has been filed in Form ADT- 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year.
- (c) According to the information and explanations given to us, the Company has not received any whistle-blower complaints during the year.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) All transactions with the related parties are in compliance with Sections 177 and 188 of the Act and the details have been disclosed in Note 28 of the financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year.
- (xv) In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Act are not applicable to the Company.
- (xvi) (a) In our opinion, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a) to (c) of the Order are not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation by the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- x. The provisions of Section 135 the Act relating to Corporate Social Responsibility are not applicable to the Company, and hence reporting under clause 3(xx)(a) and clause 3(xx)(b) of the Order are not applicable.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of **ARCHIES LIMITED** of even date)

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls with reference to financial statements of the Company as of 31 March 2025 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting (the "Guidance Note") issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls With reference to financial statement

A company's internal financial control with reference to financial statement is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statement includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With reference to financial statement

Because of the inherent limitations of internal financial controls with reference to financial statement, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statement to future periods are subject to the risk that the internal financial control with reference to financial statement may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statement and such internal financial controls with reference to financial statement were operating effectively as at 31 March 2025, based on the criteria for internal financial control with reference to financial statement established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting issued by the ICAI.

ARCHIES LIMITED

Notes to financial statements as at 31 March 2025

1. GENERAL INFORMATION

Archies Limited ("the Company") is a public limited company, domiciled in India and its shares are listed on N.S.E. and B.S.E. The Company is a leader in the social expression industry in India and deals in Greeting Cards, Gifts and Stationery Products under the Brand name "Archies". The Company has 20 branches spread all over India and head office in Delhi and performs its operations through a systematic distribution network comprising of company owned Stores, Franchisee, Distributors and Retailers. It also exports its products.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 Statement of Compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act.

Basis of preparation and presentation

These financial statements have been prepared on historical cost basis except for following assets and liabilities which have been measured at fair value amount or amortised cost at the end of each reporting period

- i) Certain Financial Assets and Liabilities
- ii) Defined Benefit Plans – Plan Assets and
- iii) Freehold Land

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Accounting Policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

The statement of cash flows has been prepared under indirect method, whereby profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value to be cash equivalents. The financial statements are approved for issue by the Company's Board of Directors on 30 May 2025.

2.2 Use of Estimates and Judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements. Actual results may differ from those estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. Their effects, if material, are disclosed in the notes to the financial statements.

Critical accounting estimates

i) Income taxes

The Company's tax jurisdiction is India. Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

ii) Property, plant and equipment

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

iii) Leases

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the

ARCHIES LIMITED

Notes to financial statements as at 31 March 2025

expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Archies' operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. After considering current and future economic conditions, the Company has concluded that no changes are required to lease period relating to the existing lease contracts (Refer to Note 2.19).

iv) Recoverability of Trade Receivables

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

v) Provisions

The timing of recognition and quantification of the liability (including litigations) requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

vi) Recognition of Deferred Tax Assets and Liabilities

Deferred tax assets and liabilities are recognised for deductible temporary differences and unused tax losses for which there is probability of utilisation against the future taxable profit. The Company uses judgement to determine the amount of deferred tax that can be recognised, based upon the likely timing and the level of future taxable profits and business developments.

vii) Global Health Pandemic COVID-19

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 in the preparation of these financial statements including the recoverability of carrying amounts of financial and non-financial assets.

In assessing the recoverability of Company's assets such as, Inventories, receivables, Security deposits etc. the Company has considered internal and external information. The Company expects to recover the carrying amount of the assets.

2.3 Property, Plant and Equipment

i) Recognition

The cost of an item of property, plant and equipment shall be recognised as an asset only when it is probable that the future economic benefits associated with the item will flow to the Company and cost of the item can be measured reliably.

ii) Measurement

a) Freehold Land

Freehold land is initially recorded at cost and is subsequently stated at fair value based on periodic, but at least triennial, valuations by external independent valuer, less accumulated impairment losses (if any).

Increase in the carrying amount arising on revaluation is recognised, net of tax, in other comprehensive income and accumulated in other equity under the heading of revaluation surplus. To the extent that the increase reverses a decrease previously recognised in profit or loss, the increase is first recognised in profit or loss. Decrease that reverse previous increases are first recognised in other comprehensive income to the extent of the remaining surplus attributable to it; all other decreases are charged to profit or loss.

b) Other Property, Plant and Equipment

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing cost, less accumulated depreciation, accumulated impairment losses, if any and tax credit wherever claimed.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not available for use before such date are disclosed under 'Capital work-in-progress'.

iii) Subsequent expenditure

Subsequent expenditure is capitalised only when it is probable that the future economic benefits associated with the item will flow to the Company and cost of the item can be measured reliably.

ARCHIES LIMITED

Notes to financial statements as at 31 March 2025

iv) Depreciation

Depreciation is calculated on the depreciable amount, which is the cost of an asset or other amount substituted for costs, less its residual value.

Depreciation is recognised in profit or loss on a straight-line basis over the estimated useful lives for each property, plant and equipment from the date the assets are available for use.

The estimated useful lives are as follows:

• Factory Building	30 years
• Plant and Machinery	15-25 years
• Furniture and Fixtures	10-30 years
• Office Equipment	5 years
• Vehicles	8-15 years
• Building (Other than Factory)	60 years
• Residential Building	60 years
• Computers	3-6 years
• Pollution Control Equipment	15 years

Depreciation methods, useful lives and residual values are reviewed at each financial year end with the effect of any changes in estimate accounted for on a prospective basis.

Individual assets costing up to ₹ 5,000/- are depreciated in the year of purchase.

Leasehold improvements are depreciated over the lease term or useful lives of the underlying asset, whichever is shorter.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (upto) the date on which asset is ready for use (disposed of).

Based on Management's estimate, it is believed that the useful life as given below best represents the period over which management expects to use these assets, hence, the useful lives for these assets are different from the useful lives as prescribed under part C of Schedule II of the Companies Act, 2013.

Particulars	Depreciation
Plant and Machinery (useful life 15-25 years)	Over its useful life as technically assessed
Furniture & Fixtures (useful life 10-30 years)	Over its useful life as technically assessed
Vehicles (useful life 8-15 years)	Over its useful life as technically assessed

v) Derecognition

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

2.4 Financial Instruments

i) Initial recognition

The Company recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognised at fair value on initial recognition, except for trade receivables that do not contain significant financing component, which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are added to the fair value on initial recognition.

ii) Subsequent Measurement

Financial Assets

a) Financial Assets measured at Amortised Cost (AC)

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that represents solely payments of principal and interest on the principal amount outstanding.

c) Financial Assets measured at Fair Value Through Profit or Loss (FVTPL)

Assets that do not meet the criteria for amortised cost or FVTOCI are measured at fair value through profit or loss.

ARCHIES LIMITED

Notes to financial statements as at 31 March 2025

Financial Liabilities

Financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss.

iii) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash equivalents include cash on hand, deposits held at call with financial institutions, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

iv) Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire. The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

v) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

2.5 Measurement of Fair Value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1– Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 – Input for the asset or liability that is not based on observable market data (unobservable inputs).

2.6 Impairment

i) Financial Assets

The Company recognises loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL as per simplified approach required by IND AS -109, Financial Instruments. For all other financial assets, ECLs are measured at an amount equal to the 12-month ECL, unless there has

ARCHIES LIMITED

Notes to financial statements as at 31 March 2025

been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of ECLs (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognised as an impairment gain or loss in profit or loss. The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions.

ii) Non-financial assets

The carrying amounts of the Company's non-financial assets, primarily property, plant and equipment, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

2.7 Inventories

i) Manufactured Goods, Work-in-Progress, Traded Goods and Raw Materials are valued at lower of cost and net realisable value.

ii) Other Misc. Inventories are valued at cost.

iii) The valuation of inventory is being done based on FIFO (First in First Out) method.

Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.

The finished goods, which are not saleable, are categorised as dead stock, which are taken and valued at net realisable value. The Company has consistently followed this method of valuation of inventory.

2.8 Branch Accounting

Stock is being transferred to the Branches at a Mark-up to the cost price and is valued accordingly by the Branch but at the time of consolidation, the same is valued at as per valuation basis adopted by the Company.

2.9 Employee Benefits

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange of services rendered by employees is recognised during the period when the employee renders the services. These benefits include salaries, wages, bonus and performance incentives.

Post-Employment Benefits

i) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts once the contribution has been paid. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

ii) Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets. The Company has taken the group gratuity policy under Cash Accumulated Scheme of Life Insurance Corporation of India (LIC). The contribution in respect of such scheme, based on the advices received from LIC, is made to the Gratuity Fund Trust. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each Balance Sheet date using the projected unit credit method.

The Company recognises the net obligation of a defined benefit plan in its Balance Sheet as an asset and liability. Gains and Losses through the measurements of the net defined benefit liability / (asset) are recognised in other comprehensive income. The actual return of portfolio of plan assets, in excess of the yields computed by applying the discount rate used to measure the defined benefit obligation is recognised in other comprehensive income. The effects of any plan amendments are recognised in the net profit in Statement of Profit and Loss.

iii) Other Long Term Employee Benefits

Leave encashment due to employees is covered by the New Group Leave Encashment Plan under Cash Accumulation Scheme of Life Insurance Corporation of India (LIC). The Company retains leave accumulation upto 30 days and liability is recognised in the Statement of Profit and Loss on the basis of actuarial valuation performed by an independent actuary, at each Balance Sheet date using the projected unit credit method.

ARCHIES LIMITED

Notes to financial statements as at 31 March 2025

2.10 Provisions

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows, if material, (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost. Expected future operating losses are not provided for.

2.11 Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2.12 Foreign Currency Transactions

The Company's financial statements are presented in Indian rupee (INR), which is also the Company's functional and presentation currency.

Transactions in foreign currencies are translated into the functional currency at the exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Exchange differences resulting from such transactions are recognised in profit or loss.

2.13 Revenue Recognition

Sale of Goods

Company's revenues arise from sale and trading of 'Greeting Cards', 'Stationery and paper bag items', 'Gifts and others'.

The Company recognises revenue when (or as) the performance obligation is satisfied, which typically occurs when control is transferred upon shipment of goods to the customer or when the goods is made available to customer, provided transfer of title to the customer occurs and the Company has not retained any significant risks of ownership or future obligations with respect to the goods shipped.

Revenue from sale of goods in the course of ordinary activities is measured at the amount of transaction price, net of returns, trade discounts, rebates which the Company expects to be entitled to in exchange for transferring distinct goods to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government).

The consideration is fixed and not variable and the credit period varies between 0-60 days from the shipment or delivery of goods or services as the case may be. There is no significant financing component involved in the sale of goods.

Royalties Income

Royalties accrue in accordance with the terms of the relevant agreement and are recognised on that basis.

Interest Income

For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR) method as set out in IND AS 109.

Dividend Income

Dividend Income from investment is recognised when the right to receive the same is established, i.e. when shareholders approve the dividend.

2.14 Income Tax

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

i) Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Minimum Alternate Tax (MAT) credit is recognised as an asset only to the extent and when there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount is written down to the extent there is no longer convincing evidence to the effect that the company will pay normal income tax during the specified period.

ARCHIES LIMITED

Notes to financial statements as at 31 March 2025

ii) Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the year when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

2.15 Segment Reporting

Segment Reporting are reported in the following manner as consistent with the internal reporting provided to the chairman and executive director as chief operating decision maker.

(i) Primary Segment

The Company operates in three primary business segments – Greeting cards, Stationery and Gifts.

(ii) Secondary Segment

The Company has operations within India as well as entities located in other countries. Its reportable segment is based on geographical location of its customers.

2.16 Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares, except where the results would be anti-dilutive.

2.17 Borrowing costs

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

2.18 Government Grants

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government Grants (Export Promotion Capital Goods License) relating to the purchase of capital goods are included in the Property, Plant and Equipment. Such Grants are also recognised under non-current liabilities and current liabilities as deferred income and recognised in the Statement of profit or loss as and when the export obligations are completed and presented within other income.

2.19 Leases

As a lessee

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, company's incremental borrowing rate. The Company uses its incremental borrowing rate as the discount rate.

ARCHIES LIMITED

Notes to financial statements as at 31 March 2025

Lease payments included in the measurement of the lease liability comprise the following:

- Fixed payments, including in-substance fixed payments;
- Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- Amounts expected to be payable under a residual value guarantee; and
- The exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the Company is reasonably certain not to terminate early.

The Company does not have leases of low value of assets.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company presents right-of-use assets that do not meet the definition of investment property in 'property, plant and equipment' and lease liabilities in 'Financial Liabilities' in the Balance Sheet.

All the leases are either for running Company store or for use as office. All the terms are as per normal lease agreements. In few cases there is a lock-in period for both parties. All leases are for a fixed tenure. In few cases the lease can be renewed by mutual consent by increasing the consideration.

Company can terminate the lease after expiry of lock-in period. The lessor can terminate the agreement in case of default on the part of lessee.

In cases where the lessor has the right to terminate the lease giving few months' notice has been covered under short term leases.

The cases where the Company has to pay consideration at some percentage of net sales have been considered as variable lease payments and covered under short term leases. The future cash outflows in such leases depend upon the future revenue of the Company and can't be determined in advance.

There is no case where Company has to give residual value guarantee.

Short-term leases

The Company has applied the practical expedient in for accounting of short term leases i.e. it recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

ARCHIES LIMITED

Notes to financial statements as at 31 March 2025

Fair Value Hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Financial Risk Management

Financial risk factors

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

Market Risk

The company is exposed to foreign currency risk through its sales and purchases from overseas suppliers in US Dollar. The exchange rate between the rupee and US Dollar has changed substantially and may fluctuate substantially in the future. Consequently, the results of the Company's operations are affected as the rupee appreciates / depreciates against US Dollar.

Foreign Currency Risk

The following table analyses foreign currency risk from financial instruments:

(₹ in Lakhs)

Particulars	31 March 2025 U.S.D. equivalent ₹ in lakhs	31 March 2024 U.S.D. equivalent ₹ in lakhs
Trade Receivables	39.42	28.32
Trade Payables	(2.57)	(0.94)
	36.85	27.38

For each of the years ended 31 March 2025 and 31 March 2024, every percentage point depreciation/appreciation in the exchange rate between the Indian rupee and US Dollar, has affected the Company's incremental operating margins by approximately 0.01% and 0.03% respectively.

Sensitivity analysis is computed based on the changes in the income and expenses in foreign currency upon conversion into functional currency, due to exchange rate fluctuations between the previous reporting year and the current reporting year.

Credit Risk

Credit risk, refers to the risk of default on its obligation by the customers resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to ₹ 790.45 lakhs and ₹ 797.96 lakhs as at 31 March 2025 and 31 March 2024, respectively. Trade receivables are typically unsecured and are derived from revenue earned from customers primarily located in India. Credit risk has always been managed by the Company through sale contract with customers and continuously monitoring the ageing of outstanding balance of customers to which the Company grants credit of 0-60 Days in the normal course of business. The Company uses the expected credit loss model as at each year end to assess the impairment loss or gain. No single customer accounted for more than 10% of the (a) Accounts receivable and (b) Revenues as at 31 March 2025 and 31 March 2024, respectively. There is no significant concentration of credit risk.

Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

Credit Risk Exposure

The reversal for life time ECL on customer balances for the year ended 31 March 2025 was ₹ 1.72 Lakhs (31 March 2024 ₹ 6.18 lakhs)

(₹ in Lakhs)

Particulars	Year ended 31 March 2025	Year ended 31 March 2024
Balance at the beginning	8.28	2.10
Impairment loss recognised/(reversed)	1.72	6.18
Balance at the end	10.00	8.28

(a) Financial assets for which loss allowance is measured using 12 month expected credit losses.

The company has assets where the counter-parties have sufficient capacity to meet the obligation and where the risk of default is very low. Accordingly, no loss allowance for impairment has been recognised.

(b) Financial assets for which loss allowance is measured using life-time expected credit losses as per simplified approach.

The company has customer with capacity to meet the obligations and therefore the risk of default is negligible or nil. Further, management believes that the unimpaired amounts that are past due by more than 60 days are still collectable in full, based on historical payment behavior and extensive analysis of customer credit risk. Impairment loss of ₹ 1.72 lakhs and ₹ 6.18 lakhs as at 31 March 2025 and 31 March 2024 has been recognised during the reporting periods in respect of trade receivables.

(c) Financial assets for which credit risk has increased significantly since initial recognition but that are not credit-impaired.

33. CAPITAL MANAGEMENT

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to equity holders of the company. The primary objective of the company's capital management is to maximise the shareholder value.

The company manages its capital structure and makes adjustments in lights of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the company may adjust the dividend payment to shareholders, return capital to Shareholders or issue of new shares. The company monitors Capital using a gearing ratio, which is net debt, divided by total capital plus net debt. Net Debt of the company includes total borrowings less cash and cash equivalents.

(₹ in Lakhs)

PARTICULARS	31 MARCH 2025	31 MARCH 2024
Borrowings	3,019.55	2,784.12
Less: Cash and Cash Equivalents	45.69	14.29

Equity	675.62	675.62
Other Equity	12,344.96	9,250.23
Total Capital	13,020.58	9,925.85
Total Capital and Net Debt (B)	15,994.44	12,695.68
Gearing Ratio (A/B*100)	18.59%	21.82%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the total borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any borrowing in the current year.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31 March 2025 and 31 March 2024.
