Speaking on the results Mr. Srikar Reddy, Managing Director & CEO of the Company said,

Our overall strategy of building digital enterprises by creating platforms through our unique Platformation™ methodology has continued to drive our growth and differentiate ourselves. We continue to invest in creating a stronger organization with investments, in creating world class competencies aligned to Platformation™.

World class competency development focus has been on digital services like platform engineering, cloud transformation, data analytics and Microsoft digital platform

We see the demand situation across the board for digital services being very promising with growth in existing accounts and new deal pipeline. In view of super high demand for talent we are executing on a comprehensive talent plan for digital skills, including a range of initiatives on improving employee engagement and retention, creating capacity in advance and expanding our delivery centers with near shore delivery centers for US and Europe.

Our India business has continued to show robust growth with shift to cloud and digital infrastructure.

The new acquisitions Encore and GBW show great promise for the future. With continued clear visibility and business opportunity, we stay focused now on investing for long term growth, in talent acquisition and transformation, IP, competency development and sales and marketing.
