Forward-looking statement

In this Annual Report we have disclosed forward-looking information to enable investors to comprehend our prospects and take informed investment decisions. This report and other statements - written and oral - that we periodically make contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipates', 'estimates', 'expects', 'projects', 'intends', 'plans', 'believes' and words of similar substance in connection with any discussion of future performance.

We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Readers should bear this in mind.

We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

3. Management discussion and analysis/outlook

a) Industry structure, development, opportunities, threats, outlook and risk and concerns

The rapid economic growth in infrastructure in India has witnessed noticeable and prominent growth in the power sector. However, there is still a substantial gap between the targets and achievements, primarily due to implementation issues. The Eleventh Plan power generation achievement in 2010-11 was 12.2 GW which was approximately 60% of the target. In order to improve the achievement in future years, a number of strategic measures are being taken up – Ultra Mega Power Projects (UMPP), unbundling of state utilities, power trading exchanges, etc. To facilitate greater private sector participation in transmission segment through the competitive route, the Central Electricity Regulatory Commission has issued regulations for grant of transmission licenses through competitive bidding. Power Grid Corporation, the country’s central transmission utility, has planned for Rs. 81000 crore in 2010 that will be laid over the next eight years to set up transmission networks, including the evacuation of power from upcoming projects in some neighboring countries. This is in addition to the Rs. 55,000 crore that it would be investing in the current five-year plan, ending 2012, to set up a national grid of 37000 MW.

The Company’s Transformer Oil & Conductors divisions are amongst the leaders in their respective fields, and are expected to benefit significantly from the investments that are being planned in the power sector.

Margins from the manufacturing activities during FY 2010-11

were increased to Rs 1,701.65 million from Rs 1,385.11 million in the previous year. The segment-wise operations were as under:

i) Transformer oil and specialty oils segment

This division contributed 51.2% of the Company's revenue. Details of Sales revenue and segment profit (standalone basis) are:

	2010-11	2009-10	Variation
Turnover			
KL	# 2,59,344	# 2,47,709	(+) 11,635 (4.7%)
Rs/million	13,950.77	10,251.52	(+) 3,699.25 (36.1%)
Segment profit-			
Rs/million	1,360.07	879.54	(+) 480.53 (54.6%)

Includes conversion by the company on customers' account.

The Oil business had a good performance during 2010-11 primarily on account of improved product mix. As the demand for products with higher quality standards are gaining popularity in the markets in which the company is operating, it has been able to avail of the opportunities on the strength of its technical expertise. The profitability has increased by about 55%.

The Company continues to exercise prudence in its choice of business & inventory control in order to mitigate the risks experienced in 2008-09. The Company has been concentrating on higher value-added products and applications rather than focus just on volume growth. As a result, growth in terms of volume has been modest at approximately 5%.

The Company expects to sustain its leadership position in the market for Transformer Oils, and increase its penetration in the other segments. While the profitability in 2011-12 may be reasonably good, it may not be as strong as the previous year because of the expected volatility in the commodity markets.

The Net sales turnover of the "Agip" brand Automotive Lubricants produced by the Company with License and Technical Know-how of ENI-S.p.A of Italy and marketed by Apar ChemateK Lubricants Ltd, (50:50 Joint Venture Company with ChemateK SpA) (ACL) stood at Rs. 1,212.08 Million for FY 11. ACL has earned a Profit of Rs. 44.61 Million during FY 2010-11 as against Profit of Rs. 49.98 Million in the previous year. The sale of Agip brand products grew by 34.7% in volume over the previous year.

Risk and concerns

The company is exposed to the volatility in the prices of its raw materials & in foreign exchange rate. However, in order to

mitigate its risks, the Company continues to exercise prudence in its inventory control & hedging strategies.

ii) Conductor division

Sales revenue in FY11 increased by 34.5% from Rs 9,857.98 million to Rs. 13,258.17 million on account of increase in volume by 29.3% from 79510 MT to 102793 MT.

Segment Level profit for the year down from Rs. 601.03 Million to Rs. 467.63 Million.

During the year, Power Grid finalised much lower tenders for conductors as compared to the past. The absence of this very significant part of the market created intensified competition in the rest of the business. Hence, margins were under pressure for the Company, and the profits were reduced. The increase in volumes helped in mitigating the impact of the margins' reduction.

During the end of the year, Power Grid has started to finalise a number of tenders, and the company has received some orders for execution in the second half of FY 12.

The order book as of April 1, for FY12 was Rs. 12,598.10 million in confirmed orders and Rs. 5,607.50 million in the pipeline. The Company will continue to experience reduced margins for the first half of FY 12.

We expect total volume to grow by over 15% in FY12 over FY11 with a corresponding increase in profitability for this segment.

The Company followed a conservative hedging strategy both on foreign exchange and metal front. All fixed price contracts were hedged on a back to back basis. The mark to market losses (MTM) on such contracts as of March 31, 2011 in accordance with announcement dated March 28, 2008, issued by the Institute of Chartered Accountants of India, amounting to Rs 280.40 million have not been provided in the accounts, as it is notional in nature and said loss would get extinguished on execution of firm sale price orders corresponding to these commodity contracts.

Risk and concerns

There is continued volatility in the raw material prices and in other input costs. The Company hedges the main raw materials on the London Metal Exchange & the foreign exchange exposure, in order to mitigate the risks of its operation.

b) Operations of subsidiary Uniflex Cables Ltd. (UCL) and its wholly-owned subsidiary Marine Cables & Wires Private Limited (MCWPL)

The Profitability of the Cable business continued to be poor because of the intensified competition in the industry. The margins were at historically un-remunerative levels. The various initiatives taken by the Company has enabled it to grow its volume substantially relative to the general growth in the Industry. This helped the Company to keep the losses at the similar levels as the previous year.

Net sales for the financial year 2010-11 stood at Rs. 3,112.73 million as against Rs. 1,806.18 million in the previous financial year 2009-10; increased by Rs. 1,306.55 Million (72.34%) Net loss for the financial year 2010-11 stood at Rs. 282.53 Million (standalone) as against the loss in the previous financial year 2009-10 of Rs. 274.58 Million.

The company has grown its higher margin business of special rubber and communication cables from Rs. 521 Million to Rs. 841 Million. However, the gain from this has been offset with a drop in margins in the high volume Power Cables segment, and from higher interest cost of Rs. 154.49 Million compared to Rs. 122.04 Million in the previous year.

In the FY 12, the Cable business is expected to improve in its profitability on account of better product mix, and initiatives to reduce its costs and further increase in volumes.

c) Amalgamation of Uniflex Cables Ltd. (UCL) and Marine Cables & Wires Pvt. Ltd. (MCWPL) with the Company with transfer date 1st April, 2010.

Pursuant to the reference made in accordance with the provisions of Sick Industrial Companies (Special Provisions) Act, 1985 (SICA) to the Board for Industrial & Financial Reconstruction (BIFR) by UCL, it has been declared as Sick Industrial Company by BIFR vide its' order dated October 26, 2010 and directed UCL to file a fully tied up Draft Rehabilitation Scheme (DRS) u/s 17(3) of SICA for it's revival to Syndicate Bank who has been appointed as Operating Agency (OA) to examine the DRS. After having preliminary discussion with the management of the Company, UCL has submitted DRS to OA which include amalgamation of the UCL with the company with cut off date as 31st March, 2010 for expeditious revival. The Scheme also provides for exchange of one equity share of the face value of Rs. 10 each of the Company for ten equity shares of Rs 10 each of UCL.

After holding Joint Meeting of all the concerned parties by OA, it has submitted its' report on above DRS to BIFR on March 18, 2011. The shareholders of the Company have approved the above DRS and also the exchange ratio subject to the final approval of the BIFR which is awaited.

During the year ended March 31, 2011, MCWPL incurred loss of Rs. 10.91 million (after tax) as against profit of Rs. 6.03 million in the previous year. As directed by BIFR, MCWPL has submitted Draft Rehabilitation Scheme (DRS) which include amalgamation of the MCWPL with the company with cut off date as 31st March, 2010 to BIFR in July, 10. BIFR has appointed Syndicate Bank as Operating Agency (OA) to examine the DRS and submit its' report to BIFR. The OA report in this regard is awaited.

d) Cautionary statement

The statements made in the management discussion & analysis section, describing the Company's goals, expectations, or predictions etc. do contain some forward looking views of the management. The actual performance of the Company is dependent on several external factors many of which, are beyond the control of the management viz. growth of Indian economy, continuation of industrial reforms, fluctuations in value of Rupee in foreign exchange market, volatility in commodity prices, applicable laws/ regulations, tax structure, domestic/international industry scenario, movement in international prices of raw materials and economic developments within the country etc.

e) Internal control systems (ICS) and their adequacy

The Company established adequate ICS in respect of all the divisions of the Company. The ICS are aimed at promoting operational efficiencies and achieving saving in cost and overheads in all business operations. The System Application and Product (SAP), a world class business process integration software solution which was implemented by the Company at all business units has been operating successfully.

For tightening and more effective internal control systems and risk management the Company continued the engagement of M/s. KPMG India Pvt. Ltd., Chartered Accountants as internal auditors of the Company.

The system cum internal audit reports of the internal auditors are discussed at the Audit Committee meetings and appropriate corrective steps have been taken.

Further, all business segment prepare their annual budget, which are reviewed along with performance at regular interval.

f) Development of human resources

The Company promotes open and transparent working environment to enhance teamwork and build business focus. The Company equally gives importance to the development of human resource (HR). It updates its HR policy in line with the

changing HR culture in the industry as a whole. In order to foster excellence and reward those employees who perform well, the Company practices performance/production linked incentive schemes and introduced Employees Stock Option Scheme referred to in para 8 (a)(i) and as detailed in an attachment to this report. The main object of the Scheme is to create and maintain optimum performance level and profit driven culture and improve productivity.

The Company also takes adequate steps for in-house training of employees and maintaining safety and healthy environment for workers working within the factory premises.

4. Issue of Further Shares

Conductor Division:

- i) Installation of some variable speed drives on machines.
- ii) Replacement of DC Tension System for take up to A.C. Tension system on machines.
- iii) Installation of energy efficient MHT light fixtures.
- iv) Replaced 20 numbers CFL Energy Efficient Lights 45 watt in place of 150 watt HPSV & 125 watt HPMV Lights.

- v) Replaced 5 numbers 250 watt flood lights with 150 watt flood lights in dispatch area with same lumens.

Oil Division:

- i) Installed six numbers power saving device for Air Conditioners.
- ii) Replaced the inefficient higher capacity motors with high efficient motors in the plant.
- iii) Replaced the inefficient 250 watt HPSV light fittings by 96 watt/72 watt CFL light fittings in the plant with same lumens output.

- iv) Commissioned process air header in front of boiler house with different lines to different plants also provided 3H.P. motor with air-compressor in ETP plant separately. This is done to reduce the running of 60H.P. motors.
 - v) Maintained power factor above 0.95 throughout the year, and received incentives in MSEDCL bill.
 - vi) Recovered steam condensate.
- 2) Additional Investment proposals, if any, being implemented for reduction of consumption of energy:**
- i) Investment proposed for power conservation through VFD panel installations.
 - ii) 20 numbers of solar street light to be provided along the boundary wall where light consumption is more.
 - iii) Dusk to dawn controller to be provided for indoor plant lighting for its automatic operation under controlled settings.
 - iv) Installation of 5 numbers power saving devices for Air conditioners.
 - v) 1 number Eddy current motor 11KW in heavy rewinding to be replaced by VFD.
 - vi) 6 numbers wind turbines ventilator to be installed in the Silvassa Oil Plant.
 - vii) Replacement of 250 watt HPSV Light fitting by 4x 24 watt (96 watt) T5 Light fitting to reduce the lighting load by 3.0KW.
 - viii) Installation of 12 numbers power saving device for the Air conditioners, which would save electricity by 40,435KWH/year & annual savings will be Rs. 1,81,950/- approximately.
- 3) Impact of measures at (1) and (2) above:**
- i Electrical energy savings.
 - ii Less failure of equipments/motors.
 - iii. More up time resulting into more productivity.

4) Total Energy Consumption and Energy Consumption per unit of production:

(A) Power and Fuel Consumption

Auditors' Certificate

regarding compliance of conditions of Corporate Governance

To,
The Members
Apar Industries Limited
301, Panorama Complex,
R.C. Dutt Road,
Vadodara-390 007

Dear Sirs,

We have examined the compliance of conditions of Corporate Governance by Apar Industries Limited, for the year ended 31st March, 2011, as stipulated in Clause 49 of the Listing Agreement entered into by the Company with the Stock Exchanges.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to a review of the procedures and implementations thereof, adopted by the Company for ensuring compliance with the conditions of Corporate Governance as stipulated in the said clauses. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and the representations made by the Directors and the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Clause 49 of the above mentioned Listing Agreement.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

FINANCIAL SECTION

Auditors' Report

To the Shareholders of
Apar Industries Limited

We have audited the attached Balance Sheet of Apar Industries Limited as at 31st March, 2011, the Profit and Loss Account and also the Cash Flow Statement for the year ended on that date, annexed thereto. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In accordance with provisions of Section 227 of the Companies Act 1956, we report that:

1. As required by the Companies (Auditor's Report) Order, 2003 and as amended by the Companies (Auditor's Report) (Amendment) Order, 2004 (the 'Order') issued by the Central Government of India in terms of Section 227 (4A) of the Companies Act, 1956, we enclose in the Annexure, a statement on the matters specified in paragraphs 4 and 5 of the said Order.
2. Further to our comments in the Annexure referred to above, we report that:
 - (a) we have obtained all information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) in our opinion, proper books of account as required by law have been kept by the Company, so far as appears from our examination of those books;
 - (c) the Balance Sheet, the Profit and Loss Account and the Cash Flow Statement dealt with by this report are in agreement with the books of account;
 - (d) in our opinion, the Balance Sheet, the Profit and Loss Account and the Cash Flow Statement dealt with by this report comply with the accounting standards referred to in Section 211 (3C) of the Companies Act, 1956; and
 - (e) on the basis of the written representations received from directors of the Company as on 31st March, 2011, and taken on record by the Board of Directors, we report that none of the directors is disqualified as on 31st March, 2011, from being appointed as a director in terms of Section 274 (1)(g) of the Companies Act, 1956.

- (f) *The Company has not provided for mark-to-market losses on commodity forward contracts aggregating to Rs.280,401,393 as at 31st March, 2011. Consequently, after considering the deferred tax effect, the profit for the year is lower by Rs.79,889,117, the Current Liabilities and Provisions as at 31st March, 2011 have been understated by Rs. 280,401,393, the closing Reserves as at 31st March, 2011 are overstated by Rs.187,259,060 and the opening Reserves as at 1st April, 2010 are overstated by Rs.264,057,967. Had the observation made by us been considered, the profit after tax for the year would have been Rs.1,138,420,534 (as against the reported profit after tax of Rs.1,058,531,417), the Current Liabilities and Provisions would have been Rs.14,465,091,895 (as against the reported Current Liabilities and Provisions of Rs.14,184,690,502), the closing Reserves would have been Rs.3,236,668,688 (as against the reported closing Reserves of Rs.3,423,927,748) and the opening Reserves as at 1st April, 2010 would have been Rs.2,342,420,335 (as against the reported opening Reserves of Rs.2,606,478,302). (Refer Note 5 of Schedule 22)*

Subject to our observations referred to in paragraph 2(f) above and its consequential effects on the financial statements, in our opinion, and to the best of our information and according to the explanations given to us, the said financial statements, read together with the Significant Accounting Policies in Schedule '21' and the Notes to the Financial Statements in Schedule '22', give the information required by the Companies Act, 1956, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (i) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2011;
- (ii) in the case of the Profit and Loss Account, of the profit for the year ended on that date; and
- (iii) in case of the Cash Flow Statement, of the cash flows for the year ended on that date.

		1,967,274	22,611,692

Schedules forming part of the Financial Statements: 31st March, 2011

Schedule 21 SIGNIFICANT ACCOUNTING POLICIES

1. Basis of preparation of financial statements:-

The financial statements are prepared on accrual basis under the historical cost convention and comply in all material aspects with the generally accepted accounting principles in India, the Accounting Standards prescribed under section 211(3C) of the Companies Act, 1956 and the applicable provisions thereof.

2. Use of estimates:-

The preparation of financial statements is in conformity with generally accepted accounting principles ("GAAP") which requires the management of the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

3. Fixed assets, depreciation and amortisation:-

(i) Fixed assets are stated at cost of acquisition/construction (net of CENVAT) less accumulated depreciation. Cost includes purchase price and other costs attributable to acquisition/construction of fixed assets.

(ii) Depreciation on assets is provided at the rates and in the manner prescribed under Schedule XIV of the Companies Act, 1956 (except as stated in (iii) below):

(a) On written down value method except in respect of building and plant and machinery purchased after 30.04.1987, which are depreciated on straight line method.

(b) Capital expenditure in respect of which ownership does not vest with the Company is amortised over a period of five years. Leasehold land is amortised over the period of lease.

(c) Certain items of plant and machinery which have been considered to be continuous process plant by the management are depreciated at the prescribed rates.

(iii) In cases where the estimated useful life of the asset is less as compared to useful life estimated in Schedule XIV of the Companies Act, 1956, such assets are depreciated at rates higher than those prescribed under Schedule XIV of the Companies Act, 1956.

Asset	Rate
Factory building at Nalagarh	Over the lease period of 8 years

(iv) In respect of assets costing less than Rs. 5,000 each and temporary structures, 100% depreciation is provided in the year of addition.

(v) Borrowing costs attributable to acquisition/construction of qualifying assets within the meaning of the Accounting Standard 16 on "borrowing costs" are capitalised as a part of the cost of fixed assets.

(vi) Pre-operation expenses including trial run expenses (net of revenue) are capitalised.

4. Impairment of assets: -

The Company assesses, at each balance sheet date, whether there is any indication of impairment of the carrying amount of the Company's assets. An impairment loss is recognised in the profit and loss account wherever the carrying amount of the assets exceeds its estimated recoverable amount. The recoverable amount is greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value, based on an appropriate discounting factor. Impairment losses are recognised in the profit and loss account. The impairment loss recognised in prior accounting period is reversed if there has been change in recoverable amount.

5. Investments: -

All long term investments are stated at cost. Provision for diminution in value of long term investments is made if it is other than temporary in nature. Current investments are valued at lower of cost and market value.

6. Inventories :-

Inventories are valued at lower of standard cost or net realisable value. Cost includes material cost, cost of labour and attributable manufacturing overheads. Cost of materials is arrived at on weighted average basis. Inventory of scrap is valued at estimated realisable value. Inventories of finished goods include excise duty as applicable.

7. Government grants: -

(i) Government grants are recognised in the financial statements when they are received and there is reasonable assurance that the Company will comply with the conditions attached to them.

(ii) Government grants, which are in the nature of refundable interest free loans received from government/semi-government authorities, are credited to secured/unsecured loans.

Schedules forming part of the Financial Statements: 31st March, 2011

Schedule 21 SIGNIFICANT ACCOUNTING POLICIES (Contd...)

(iii) Government grants which are in the nature of subsidies received from government/semi-government authorities and which are non-refundable are credited to reserves.

8. Employee stock options:-

In respect of the employee stock options, the excess of fair price on the date of grant over the exercise price is recognised as deferred compensation cost amortised over vesting period.

9. Voluntary retirement schemes:-

Compensations paid under voluntary retirement schemes are amortised over a period not exceeding 5 years, up to March 31, 2010.

10. Enterprise resource planning cost:

Cost of implementation of ERP software, including all related direct expenditure is amortised over a period of 5 years on successful implementation.

11. Share issue expenses:

Share issue expenses are written off against share premium account, if any, or amortised over a period of 5 years.

12. Revenue recognition: -

(i) Sale of goods is recognised on despatch to customers and on date of shipment in case of exports. Sales exclude amounts recovered towards sales tax and excise duty and is net of returns.

(ii) Price variation claims are accounted in accordance with the terms of contract and/or upon admittance by customers.

(iii) Dividend income on investment is recognised when the right to receive payment is established.

(iv) In respect of service activities, income is recognised as and when services are rendered.

(v) Lease rental on operating lease is accounted on accrual basis.

13. Post-employment benefits:

Defined contribution plans: In respect of the Company's provident fund scheme, the Company makes specified monthly contributions towards employee provident fund directly to the government under the Employees Provident Fund Act, 1952 and is not obliged to bear the shortfall, if any, between the return on investments made by the Government from the contributions and the notified interest rate. In respect of the Company's approved superannuation scheme, the Company makes specified contributions to the superannuation fund administered by the Company and the return on investments is adequate to cover the commitments under the scheme. The Company's contribution paid/payable under these schemes is recognised as expense in the profit and loss account during the period in which the employee renders the related service.

Defined benefit plans: In respect of the Company's gratuity and leave wages schemes, the present value of the obligation under such scheme is determined based on actuarial valuation using the Projected Unit Credit Method. The discount rates used for determining the present value of the obligation is based on the market yields on government securities as at the balance sheet date. Actuarial gains and losses are recognised immediately in the profit and loss account. Long-term compensated absences are provided for based on actuarial valuation, made at the year end, by independent actuaries.

14. Translation of foreign currency :-

(i) The Company translates foreign currency transactions during the year, at the conversion rates prevailing on transaction dates.

(ii) Monetary items remaining unsettled at the year end are translated/reported at the year end rate. Exchange differences arising on such revaluation are recognised in the profit and loss account.

(iii) Non-monetary items (other than fixed assets) are reported at the exchange rate at which they are accounted.

(iv) In case of forward contracts, premium on the forward contracts is recognised as income or expense over the life of the contract.

15. Hedging transactions (metals):-

All gains or losses in respect of hedging transactions are recognised in the financial statements on settlement/squaring off. Commission etc. in respect of such transactions is accounted on accrual basis.

16. Export benefits/incentives: -

The Company accounts for excise duty rebate on deemed and physical exports, duty entitlements and focus benefits on physical exports on accrual basis. Premium on special import licence is credited in the accounts as and when realised. The benefits in the form of entitlements to advance licenses for duty free import of raw materials in respect of exports made are accounted when such imports are made.

Schedules forming part of the Financial Statements: 31st March, 2011

Schedule 21 SIGNIFICANT ACCOUNTING POLICIES (Contd...)

17. Claims against the Company not acknowledged as debts: -

The demands under disputed showcause notices/orders of statutory authorities are provided in the accounts on the basis of management's estimate and the balance, if any, are included in contingent liability.

18. Taxes on income:-

- Tax on income for the current period is determined on the basis of estimated taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961 and based on the expected outcome of assessments/appeals.
- Deferred tax is recognised on timing differences between the accounted income and the taxable income for the year, and quantified using the tax rates and laws enacted or substantively enacted as on the balance sheet date.
- Deferred tax assets relating to unabsorbed depreciation/business losses are recognised and carried forward to the extent there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.
- Other deferred tax assets are recognised and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

19. Provision for contingencies:-

A provision is recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation and in respect of which reliable estimates can be made. Disclosure of contingent liability is made when there is a possible obligation or a present obligation that may but probably will not require an outflow of resources. When likelihood of such outflow is remote, no provision or disclosure is made. Provision arising from litigations, assessments by statutory authorities etc., is made when the Company based on legal advice wherever necessary, estimates that the liability has been incurred and the amount can be reasonably estimated.

20. Accounting for interest in joint ventures

Interest in joint ventures (i.e., jointly controlled entity) are accounted for as follows:

- Income on investment in incorporated jointly controlled entity is recognised when the right to receive the same is established.
- Investment in such joint venture is carried at cost after providing for any permanent diminution in value.

3. The Company has issued and allotted 3,636,363 Equity shares (10.11% post allotment) of Rs. 10 each at a premium of Rs. 210 per share on preferential allotment basis on 4th May, 2011 to Templeton Strategic Emerging Markets Fund III, L.D.C. Post allotment, the paid-up capital, of the Company has been increased to Rs. 35,97,23,940 consisting of 3,59,72,394 Equity shares of Rs. 10 each fully paid.
4. During the year, the Company has closed operations of Poweroil Speciality Products FZE, Sharjah, a wholly-owned subsidiary, as there was no likelihood of the said subsidiary reaching break-even. Consequent to closure, the Company has written-off advances and investment of Rs.3,972,864 and Rs.1,967,274 respectively.
5. The Company has entered into non-speculative commodity forward contract in order to hedge its exposure to fluctuations in the metal prices against requisite firm price sales contracts (received / to be received) for its conductor segment. The mark - to - market losses on such contracts, in accordance with the Announcement dated 28th March, 2008, issued by the Institute of Chartered Accountants of India, amounting to Rs. 280,401,393 as at 31st March, 2011 (Rs. 400,027,218 as at 31st March, 2010), has not been provided in the financial statements, as in the opinion of the management, such loss is notional in nature and the said loss would get extinguished on execution of firm sale price orders corresponding to these commodity forward contracts.
6. The Company has an equity investment of Rs. 278,833,569 (net of impairment provision of Rs. 555,538,198) in Uniflex Cables Limited ('UCL'), a subsidiary company. UCL has taken various steps to improve its productivity, debottlenecking of manufacturing facility, expansion of production line and markets, strengthening of managerial resources etc. and losses incurred by the UCL are reducing gradually. The equity investment of Rs. 278,833,569, loans and advances and debtors aggregating to Rs.1,880,541,637, (Previous year Rs. 800,240,013) are considered good.
7. The compensation committee of directors (CCD) of the Company, at its meeting held on 27th May, 2008 have granted 175,150 options at an exercise price of Rs. 207.05 per option to eligible employees/directors. The above options will vest in three installments (1/3rd each) on 27th May, 2009, 27th May, 2010 and 27th May, 2011 respectively. As of date, no employee has exercised any options. The Company has obtained in-principle approval for the listing of the entire 1,616,802 equity shares to be issued and allotted on exercise of options, as and when exercised, under the Scheme.
8. The exchange rate differences arising on purchases/vendor balances and those on account of sales/receivables have been grouped under 'Raw materials consumed' and 'Sales' respectively. Similarly, exchange rate differences on other transactions have been shown under 'Other expenses' or 'Other income', as the case may be. The net exchange difference gain so grouped, for the year is Rs. 57,610,176; (Previous year Rs. 187,456,828).

Employer's Contribution to Superannuation Fund	5,525,095	4,891,430

Defined Benefit Plan

The employees' gratuity fund scheme managed by a Trust is a defined benefit plan. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation for leave encashment is recognised in the same manner as gratuity.

Auditors’ Report

To the Board of Directors on the Consolidated Financial Statements of Apar Industries Limited and its Subsidiaries

1. We have audited the attached Consolidated Balance Sheet of **Apar Industries Limited** and its subsidiaries and jointly controlled entity (‘the Apar Group’) as at 31st March, 2011, the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement for the year ended on that date, annexed thereto. These financial statements are the responsibility of the Company’s management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are prepared, in all material respects, in accordance with an identified financial reporting framework and are free of material misstatements. An audit includes examining, on test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements. We believe that our audit provides a reasonable basis for our opinion.
3. In respect of the financial statements of certain subsidiaries and jointly controlled entity, we did not carry out the audit.

These financial statements have been audited by other auditors whose reports have been furnished to us, and in our opinion, in so far as it relates to the amounts included in respect of the subsidiaries and jointly controlled entity are based solely on the reports of the other auditors. The details of total assets, total revenues and net cash flows in respect of these subsidiaries and the jointly controlled entity, to the extent to which they are reflected in the consolidated financial statements are given below:

Audited by other auditors:		Rupees	
	Total assets	Total revenues	Net cash flows
Subsidiaries	2,147,593,727	4,306,016,745	124,812,364
Jointly controlled entity	2,156,179	264,234	(2,048,765)

4. We report that, the consolidated financial statements have been prepared by the Company in accordance with the requirements of the Accounting Standard (AS) 21 Consolidated Financial Statements and (AS) 27 Financial Reporting of Interest in Joint Ventures, specified by the Companies (Accounting Standards) Rules, 2006 notified by the Central Government and on the basis of the separate audited financial statements of the Apar Group included in the consolidated financial statements.

5. *The Company has not provided for mark-to-market losses on commodity forward contracts aggregating to Rs.280,401,393 as at 31st March, 2011. Consequently, after considering the deferred tax effect, the profit for the year is lower by Rs.79,889,117, the Current Liabilities and Provisions as at 31st March, 2011 have been understated by Rs. 280,401,393, the closing Reserves as at 31st March, 2011 are overstated by Rs.187,259,060 and the opening Reserves as at 1st April, 2010 are overstated by Rs.264,057,967. Had the observation made by us been considered, the profit after tax for the year would have been Rs.1,033,147,107 (as against the reported profit after tax of Rs.953,257,990), the Current Liabilities and Provisions would have been Rs.14,957,898,026 (as against the reported Current Liabilities and Provisions of Rs. 14,677,496,633), the closing Reserves would have been Rs. 3,003,587,592 (as against the reported closing Reserves of Rs. 3,190,846,652) and the opening Reserves as at 1st April, 2010 would have been Rs. 2,246,278,422 (as against the reported opening Reserves of Rs. 2,510,336,388). (Refer Note 5 of Schedule 22)*
6. We report that on the basis of the information and according to the explanations given to us, and on the consideration of the separate audit report on individual audited financial statements of the Apar Group, we are of

the opinion that the said consolidated financial statements, subject to our observations referred to in paragraph 5 above and its consequential effects on the consolidated financial statements, read together with the Significant Accounting Policies in Schedule '21' and the Notes to the Financial Statements in Schedule '22' thereon, give a true and fair view in conformity with the accounting principles generally accepted in India:

- (i) in the case of the Consolidated Balance Sheet, of the state of affairs of the Apar Group as at 31st March, 2011;
- (ii) in the case of the Consolidated Profit and Loss Account, of the consolidated results of operations of the Apar Group for the year ended on that date; and
- (iii) in the case of the Consolidated Cash Flow Statement, of the consolidated cash flows of the Apar Group for the year ended on that date.

Schedules forming part of the Consolidated Financial Statements As at 31st March, 2011

Schedule 21 SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Preparation of financial statements:

The financial statements are prepared on accrual basis under the historical cost convention and comply in all material aspects with the generally accepted accounting principles in India, the Accounting Standards prescribed under Section 211 (3C) of Companies Act, 1956 and the applicable provisions thereof.

2. Use of estimates:

The preparation of financial statements is in conformity with generally accepted accounting principles ("GAAP") which requires the management of the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

3. Basis of preparation and principles of consolidation:

The Consolidated Financial Statements relate to Apar Industries Limited (the Company) and its subsidiary companies, viz., Poweroil Speciality Products FZE, a company incorporated in Sharjah, Uniflex Cables Limited a company incorporated in India and its down-stream subsidiary Marine Cables & Wires Private Limited, Petroleum Specialities Pte. Ltd., a company incorporated in Singapore and its down-stream subsidiary, viz., Quantum Apar Speciality Oils Pty. Ltd., a company incorporated in Australia. It also includes 50% share in Apar Chematek Lubricants Ltd., a company incorporated in India, 50:50 Joint Venture with Chematek spa, Italy (hereinafter referred to as the "Group").

The Consolidated Financial Statements have been prepared on the following basis:

(i) Subsidiaries

The financial statements of the Company and its subsidiary companies have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, incomes and expenses, after eliminating intra group balances, intra group transactions and also resulting unrealised profits or losses. The consolidation procedures are in accordance with the requirements of Accounting Standard (AS) 21 'Consolidated Financial Statements', notified by the Companies (Accounting Standards) Rules, 2006.

The excess of the cost to the company of its investment in subsidiary / Associate companies over its share of the equity of the subsidiary companies at the dates on which the investments in the subsidiary companies are made, is recognised as 'Goodwill' being an asset in the consolidated financial statements. Alternatively, where the share of equity in the subsidiary / Associates companies as on the date of investment is in excess of cost of investment of the company, it is recognised as 'Capital Reserve' and shown under the head 'Reserve and Surplus', in the consolidated financial statements.

Minority interests in the net assets of consolidated subsidiaries consists of the amount of equity attributable to the minority shareholders at the dates on which investments are made by the Company in the subsidiary companies and further movements in their share in the equity, subsequent to the dates of investments.

In case of foreign subsidiaries, revenue items are consolidated at the average exchange rates that prevailed during each month of the year. All assets and liabilities are converted at the rates prevailing at the end of the year. Exchange gains and losses arising on conversion are recognised in the Exchange fluctuation reserve.

The financial statements of the subsidiary / Joint Venture considered for consolidation are drawn up to the same reporting date as that of the Company.

The Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's stand alone financial statements.

(ii) Joint Venture

Interest in a jointly controlled entity is accounted using proportionate consolidation method.

(iii) Investment in Associates

Investments in entities in which the parent company or any of its subsidiaries has significant influence but not a controlling interest, are reported according to the equity method i.e. investment is initially recorded at cost, identifying any goodwill arising at the time of acquisition. The carrying amount of investment is adjusted thereafter for the post acquisition change in the investor's share of net assets of the investee. The consolidated profit and loss account includes the investor's share of the results of the operations of the investee.

4. Fixed assets, Depreciation and Amortisation:

(i) Fixed assets are stated at cost of acquisition / construction (net of CENVAT) less accumulated depreciation. Cost includes purchase price and other costs attributable to acquisition / construction of fixed assets.

(ii) Depreciation on assets is provided at the rates and in the manner prescribed under Schedule XIV of the Companies Act, 1956 (except as stated in (iii) below):

Schedules forming part of the Consolidated Financial Statements As at 31st March, 2011

Schedule 21 SIGNIFICANT ACCOUNTING POLICIES (Contd...)

- (d) Certain items of plant and machinery which have been considered to be continuous process plant by the management are depreciated at the prescribed rates.
- (iii) In the cases where the estimated useful life of the asset is less as compared to useful life estimated in Schedule XIV of the Companies Act, 1956, such assets are depreciated at rates higher than those prescribed under Schedule XIV of the Companies Act, 1956. **Asset-** Factory building at Nalagarh **Rate-** Over the lease period
- (iv) In respect of assets costing less than Rs.5,000 each and temporary structures, 100% depreciation is provided in the year of addition.
- (v) Borrowing costs attributable to acquisition/construction of qualifying assets within the meaning of the Accounting Standard 16 on "borrowing costs" are capitalised as a part of the cost of fixed assets.
- (vi) Pre-operation expenses including trial run expenses (net of revenue) are capitalised.

5. Impairment of assets:

The Group assess, at each balance sheet date, whether there is any indication of impairment of the carrying amount of the Group's assets. An impairment loss is recognised in the profit and loss account wherever the carrying amount of the assets exceeds its estimated recoverable amount. The recoverable amount is greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value, based on an appropriate discounting factor. Impairment losses are recognised in the profit and loss account. The impairment loss recognised in prior accounting period is reversed if there has been change in recoverable amount.

6. Investments:

Investments other than in subsidiaries, Joint Ventures and Associates have been accounted as per Accounting Standard (AS) 13 'Accounting for Investments'.

7. Inventories:

Inventories are valued at standard cost basis except of a subsidiary Uniflex Cables Limited where it is valued on FIFO basis. As on 31st March, 2011, Uniflex Cables Limited is carrying 11% of Group inventories. Inventories are valued at lower of cost and net realisable value (cost of finished goods includes material cost, cost of labour and attributable manufacturing overheads) on the basis of full absorption costing. Cost of materials is arrived at on weighted average basis. Inventory of scrap is valued at estimated realisable value. Inventories of finished goods include excise duty as applicable.

8. Government Grants:

- (i) Government grants are recognised in the financial statements when they are received and there is reasonable assurance that the Company will comply with the conditions attached to them.
- (ii) Government grants, which are in the nature of refundable interest free loans received from government/semi-government authorities, are credited to secured/unsecured loans.
- (iii) Government grants which are in the nature of subsidies received from government/semi-government authorities and which are non-refundable are credited to reserves.

9. Employee stock options:

In respect of the employee stock options, the excess of fair price on the date of grant over the exercise price is recognised as deferred compensation cost amortised over vesting period.

10. Voluntary Retirement Schemes:

Compensations paid under voluntary retirement schemes are amortised over a period not exceeding five years, up to 31st March, 2010.

11. Enterprise Resource Planning cost:

Cost of implementation of ERP Software including all related direct expenditure is amortised over a period of 5 years on successful implementation.

12. Share issue expenses:

Share issue expenses are written off against share premium account if any or amortised over a period of five years.

13. Revenue recognition:

- (i) Sale of goods is recognised on despatch to customers and on date of shipment in case of exports. Sales exclude amounts recovered towards sales tax and excise duty and is net of returns.

Schedules forming part of the Consolidated Financial Statements As at 31st March, 2011

Schedule 21 SIGNIFICANT ACCOUNTING POLICIES (Contd...)

- (ii) Price variation claims are accounted in accordance with the terms of contract and/or upon admittance by customers.
- (iii) Dividend income on investment is recognised when the right to receive payment is established.
- (iv) In respect of service activities, income is recognised as and when services are rendered.

14. Post-employment benefits:

Defined Contribution Plans: In respect of the Company's provident fund scheme, the Company makes specified monthly contributions towards employee provident fund directly to the Government under the Employees Provident Fund Act, 1952 and is not obliged to bear the shortfall, if any, between the return on investments made by the Government from the contributions and the return on notified interest rate. In respect of the Company's approved superannuation scheme, the Company makes specified contributions to the superannuation fund administered by the Company and the return on investments is adequate to cover the commitments under the scheme. The Company's contribution paid/payable under these schemes is recognised as expense in the profit and loss account during the period in which the employee renders the related service.

Defined Benefit Plans: In respect of the Company's gratuity and leave wages schemes, the present value of the obligation under such scheme is determined based on actuarial valuation using the Projected Unit Credit Method. The discount rates used for determining the present value of the obligation is based on the market yields on Government securities as at the balance sheet date. Actuarial gains and losses are recognised immediately in the Profit & Loss Account. Long term compensated absences are provided for based on actuarial valuation, made at the year end, by independent actuaries.

15. Translation of foreign currency:

- (i) The Group translates foreign currency transactions during the year, at the conversion rates prevailing on transaction dates.
- (ii) Monetary items remaining unsettled at the year end are translated/reported at the year end rate. Exchange differences arising on such revaluation are recognised in the Profit and Loss Account.
- (iii) Non-Monetary items (other than fixed assets) are reported at the exchange rate at which they are accounted.
- (iv) In case of forward contracts, premium on the forward contracts is recognised as income or expense over the life of the contract.

The Group accounts for excise duty rebate on deemed and physical exports and duty entitlements/focus benefits on physical exports on accrual basis. Premium on special import licence is credited in the accounts as and when realised. The benefits in the form of entitlements to Advance Licenses for duty free import of raw materials in respect of exports made are accounted when such imports are made.

18. Claims against the Group not acknowledged as debts:

The demands under disputed showcause notices / orders of statutory authorities are provided in the accounts on the basis of management's estimate and the balance, if any are included in contingent liability.

19. Taxes on income:

- (a) Tax on income for the current period is determined on the basis of estimated taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961 and based on the expected outcome of assessments / appeals.
- (b) Deferred tax is recognised on timing differences between the accounted income and the taxable income for the year, and quantified using the tax rates and laws enacted or substantively enacted as on the balance sheet date.
- (c) Deferred tax assets relating to unabsorbed depreciation / business losses are recognised and carried forward to the extent there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.
- (d) Other deferred tax assets are recognised and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised

20. Provision for contingencies:

A provision is recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation and in respect of which reliable estimates can be made. Disclosure of contingent liability is made when there is a possible obligation or a present obligation that may but probably will not require an outflow of resources. When likelihood of such outflow is remote, no provision or disclosure is made. Provision arising from litigations, assessments by statutory authorities, etc. is made when the Group based on legal advice wherever necessary estimates that the liability has been incurred and the amount can be reasonably estimated.
