## Benefits of E-Learning for Businesses

### Lower Training Costs

With eLearning, you don't have to spend a fortune hosting seminars, renting hotel rooms, and covering travel expenses. You can simply develop an online course and share it with your employees.

### Wider Coverage

Distance learning has no barriers. You can train hundreds of employees in dozens of offices across the world in a uniform fashion. Employees don't need to spend time attending classroom lectures. All they need is a digital device and Internet access.

### Single Knowledge Base

All the learning material is stored in one place, i.e., an LMS. Employees can log in to the LMS

at a convenient time from any device, find the course they need, and refresh their memory.

### Faster Employee Development

Traditional training can be rather slow because it depends on the business trainers' working hours. An LMS is available anytime, making it possible for your employees to study whenever they feel like; when commuting, during their lunch break, or at home.

### Business Adaptability

E-Learning helps employees keep up with the company's rhythm and solve problems in real time. Need to introduce a new product to the sales team? Create a course and deliver it instantly to thousands of employees.

E-Learning continues to gain ground in the corporate sector. Businesses implement it to develop their staff, streamline their processes, and extend their reach.

## Marketplace aggregation of B2B goods and services

In the business-to-business model, businesses and organizations exchange goods and services for bulk purchases.

- 
- The background of the lower half of the page is a grayscale image of two hands shaking. Overlaid on this image are various digital graphics: a network of white dots connected by lines, a line graph with upward-trending peaks, and several candlestick charts. The overall theme is digital commerce and business networking.
1. Business buying is a complicated process
  2. Rational buying
  3. Complexity of products
  4. Less number of buyers and probably more sellers
  5. Fewer segmentation and needs
  6. Building personal relationships
  7. Long-term buying
  8. Business-to-business (B2B) marketers need to focus on innovation
  9. Looks & packaging do not matter
  10. Branding and sub-branding

B2B (business-to-business), a type of electronic commerce (e-commerce), is the exchange of products, services or information between businesses, rather than between businesses and consumers (B2C). A B2B transaction is conducted between two companies, such as wholesalers and online retailers.

## Aggregation of Unorganised Retail

E-commerce is a Strategic lever that helps you to speed up your sales Cycle and Enhance your Customer Experience.

E-commerce is now an expected channel for consumers and businesses, and if it's correctly implemented, it can increase revenue, cut costs and improve efficiency. However, developing your online store is not a simple undertaking. There are many actors to take into account to ensure that your E-commerce portal doesn't just sell, but sells well.

### Organic Growth

Optimising your E-commerce product pages for search engine visibility drives leads to your website without costing you a cent. Improve your keyword-optimised page titles, headings, image alt text and web copy.

### Analyse and optimize

You can collect much more information about your customers online than you would in a physical store. Your sales and marketing teams can use this valuable data to measure the effectiveness of their strategies and determine the areas of improvement.

### Sell quicker

The more information you make available about your products on your E-commerce site, the easier it will be for a lead to make up

their mind and the quicker they will buy. You can also remain top of mind by remarketing to leads who have already visited your website through social platforms.

### Create opportunities to upsell

Online shopping makes it easier to upsell to existing customers. You already have their details and can provide them with value after they've checked out by staying in touch with newsletters, special promotions and exclusive subscriber discounts.

### Word of mouth

Turn satisfied customers into brand ambassadors by allowing reviews and ratings of your products or services on your E-commerce site. You can also use positive customer feedback on your social channels to attract leads.

We build solutions that are E-commerce-optimised to enhance Efficiency and increase order size and frequency.

# Content Management System

A content management system (CMS) is an application that is used to manage content, allowing multiple contributors to create, edit and publish. Content in a CMS is typically stored in a database and displayed in a presentation layer based on a set of templates like a website.

The following are common features of a CMS:

- **Content creation**, allows users to easily create and format content
- **Content storage**, stores content in one place, in a consistent fashion
- **Workflows**, assigns permissions for managing content based on roles such as authors, editors and admins
- **Publishing**, organizes and pushes content live

## Benefits of a content management system

One major advantage of a CMS is its collaborative nature. Multiple users can log on and contribute, schedule or manage content to be published. Because the interface is usually browser-based, a CMS can be accessed from anywhere by any number of users. The second major advantage of a CMS is that it allows non-technical people who don't know programming languages to easily create and manage their own web content. The drag-and-drop editors of a typical content management platform allows users to enter text and upload images without needing to know any HTML or CSS (programming languages). When a company uses a CMS to publish its web pages, it reduces its reliance on front-end developers to make changes to the website, making it quicker and easier to publish new web pages.

## Message from The Chairman & Managing Director

### Dear Members,

As we reflect on the fiscal year 2023-24, I am pleased to report that our company has demonstrated remarkable resilience amidst challenging environment. This year has been a testament to our unwavering commitment to excellence, innovation, and sustainability.

### Performance Highlights

Our financial performance has been robust in terms of profitability, which increased remarkably by 94 %, though there was a significant decrease in revenue by 44 %. We could not achieve a revenue growth due to

slower market conditions. Our net profit also saw an impressive rise reflecting our focus on operational efficiency and cost management.

### Challenges Faced

The year was not without its challenges. These challenges were particularly due to increasing manpower costs and availability of skilled manpower, which tested our agility and resilience. However, through strategic planning and decisive action, we were able to mitigate their impact and continue our growth trajectory. Our ability to adapt quickly and effectively to these challenges has strengthened our foundation for future success.

### People and Culture

Our people are our greatest asset, and their dedication and hard work have been instrumental in our success. We have continued to invest in our employees' development and well-being, fostering a culture of inclusivity, collaboration, and continuous learning. I am proud of the diverse and talented team we have built, and I am confident that they will continue to drive our growth in the years to come.

**Future Goals**

Looking ahead, we are committed to building on our successes and exploring new avenues for growth. Our strategic goals for the upcoming year include:

**Expanding Market Presence:**

We aim to enter new markets and strengthen our position in existing ones, leveraging our competitive advantages and innovative offerings.

**Enhancing Digital Capabilities:**

We will continue to invest in digital transformation initiatives to improve operational efficiency, customer experience, and data-driven decision-making.

**Fostering Innovation:**

We will prioritize research and development to bring new and improved platforms and services to market, ensuring we stay ahead of industry trends and meet customer needs.

**Investing in Our People:**

We will continue to support the growth and development of our employees, fostering a culture of innovation, collaboration, and inclusivity.

In closing, I would like to express my gratitude to our shareholders, customers, partners, and employees for their unwavering support and trust. Together, we have achieved remarkable milestones, and I am excited about the opportunities that lie ahead.

Thank you for your continued confidence in the company.

With warm regards & best wishes

P. Chandra Sekhar  
Chairman & Managing Director

### Remuneration Policy

The Remuneration Policy of the Company is designed in a way that attracts talent, motivate in order to retain manpower and to improve productivity by creating a cohesive work force, encouraging initiatives, personal growth and teamwork, and inculcating a sense of belongingness and nurtures the willingness to involve in the providing the best of their abilities, besides offering appropriate remuneration packages and superannuation benefits. The policy reflects the Company's objectives for good corporate governance as well as sustained long-term value creation for shareholders.

The Nomination & Remuneration Committee (NRC) determines individual remuneration packages for Directors, KMPs and senior Officials of the Company taking into account, factors it deems relevant, including but not limited to market, business performance and practices in comparable Companies, having due regard to financial and commercial health of the Company as well as prevailing laws and government/other guidelines. NRC consults the Chairman of the Board as it deems appropriate. Remuneration of the Chairman is recommended by NRC to the Board of the Company.

[38]

**Applicable:**

This Remuneration Policy applies to the whole of the Company including directors, senior management including its Key Managerial Personnel (KMP) and other employees of the Company.

**Guiding principle:**

The guiding principle is that the remuneration and the other terms of employment should effectively help in attracting and retaining committed and competent personnel. While designing remuneration packages, industry practices and cost of living are also taken into consideration.

**Statutory Requirements:**

- Section 197(1) of the Companies Act, 2013 provides for the total managerial remuneration payable by the Company to its directors, including managing director and whole-time director, and its manager in respect of any financial year shall not exceed eleven percent (11%) of the net profits of the Company.
- Section 197(5) of the Companies Act, 2013 provides for remuneration by way of sitting fee to a director for attending meetings of the Board of Directors and Committee meetings or for any other purpose as may be decided by the Board.
- The Company with the approval of the Shareholders and Central Government may authorise the payment of remuneration exceeding eleven percent of the net profits of the Company, subject to the provisions of **Schedule V** of the Companies Act, 2013.
- The Company may with the approval of the shareholders authorise the payment of remuneration up to five percent (5%) of the net profits of the Company to its anyone Managing Director/Whole Time Director/Manager and ten percent (10%) in case of more than one such official.
- The Company may pay remuneration to its part-time directors, other than Managing Director and Whole Time Director up to one percent (1%) of the net profits of the Company, if there is a managing director or whole-time director or manager and three percent (3%) of the net profits in any other case.
- The net profits for the purpose of the above remuneration shall be computed in the manner referred to in Section 198 of the Companies Act, 2013.

**Directors:**

As per the policy followed by the Company since inception, the non-executive directors are paid remuneration in the form of sitting fees for attending Board and Committee meetings as fixed by the Board of Directors from time to time subject to statutory provisions. Presently, sitting fee is Rs. 2,500/- per Board meeting and per Committee meeting per Independent and Non-Executive Director on Board of the Company.

Remuneration of Whole Time Directors including Managing Director reflects the overall remuneration philosophy and guiding principle of the Company. At the time of considering the appointment and remuneration of Whole Time Directors, the members

of the Nomination & Remuneration Committee (NRC) consider the pay and employment conditions in the industry, merit, seniority of the person and the payment capacity of the Company.

The NRC while designing the remuneration package, considers the level and composition of remuneration to be reasonable and sufficient to attract, retain and motivate the person to ensure the quality required to run the Company successfully.

The NRC while considering a remuneration package must ensure a balance between fixed and performance linked variable pay reflecting short and long term performance objectives appropriate to the working of the company and its goals.

The NRC considers that a successful Remuneration Policy must ensure that some part of the remuneration package be linked to the achievement of corporate performance targets and a strong alignment of interest with stakeholders.

The term of office and remuneration of Whole Time Directors are subject to the approval of the Board of Directors, shareholders and the limits laid down under the present applicable sections read with relevant rules of Companies Act, 2013 and as modified from time to time.

The Independent Directors shall not be entitled to any stock option and may receive sitting fees for attending meetings of the Board or Committee thereof or for any other purpose as may be decided by the Board and profit related commission as may be approved by the members. The sitting fee to the Independent Directors shall not be less than the sitting fee payable to other directors.

**Reward principles and objectives:**

The Company's Remuneration Policy is guided by a reward framework and set of principles and objectives as more fully and particularly envisaged under section 178 of the Companies Act 2013, inter alia principles pertaining to determining qualifications, positive attributes, integrity and independence etc.

**Reward policies:**

Remuneration packages for Whole Time Directors are designed subject to the limits laid down under the Companies Act, 2013, to remunerate them fairly and responsibly.

The Whole Time Directors' remuneration comprises of salary, perquisites and performance-based commission/ reward apart from retirement benefits like P.F., Superannuation, Gratuity, etc. as per Rules of the Company.

Remuneration also aims to motivate personnel to deliver Company's key business strategies, create a strong performance-oriented environment and reward achievement of meaningful targets over the short and long term.

The Whole Time Directors are entitled to customary non-monetary benefits such as company cars, furnished accommodation, health care benefits, leave travel, communication facilities, etc. Their terms of

appointment provide for severance payments as laid down under relevant sections of the Companies Act, 2013.

### **Key Managerial Personnel [KMP] Senior Management:**

Appointment of KMP & senior management and cessation of their service are subject to the approval of NRC and the Board of Directors. Remuneration of KMP and other senior management personnel is decided by the Managing Director (MD) on the recommendation of the Whole Time Director concerned, wherever applicable, broadly based on the Remuneration Policy in respect of Whole Time Directors. Total remuneration comprises of:

1. A fixed base salary - set at a level aimed at attracting and retaining executives with professional and personal competence, showing good performance towards achieving Company goals.
2. Perquisites - in the form of house rent allowance/ accommodation, furnishing allowance, reimbursement of medical expenses, conveyance, telephone, leave travel, etc.
3. Retirement benefits - contribution to PF, superannuation, gratuity, etc. as governed by respective acts and rules prevailing in the Company from time to time.
4. Motivation /Reward - A performance appraisal is carried out annually and promotions/ increments/ rewards are decided by the Managing Director based on the appraisal and recommendation of the concerned Whole Time Director, wherever applicable.
5. Severance payments - in accordance with terms of employment, and applicable statutory requirements, if any.

### **Other employees:**

The remuneration of other employees is fixed from time to time as per the guiding principles outlined above and considering industry standards and cost of living. In addition to basic salary, they are also provided perquisites and retirement benefits as per schemes of the Company and statutory requirements, wherever applicable.

Policies of motivation / reward / severance payments are applicable to this category of personnel as in the case of those in the management cadre.

### **Removal:**

The Committee may recommend, to the Board, removal of a Director, KMP or Senior Management Personnel due to following reasons:

- Any disqualification
- Misconduct
- Breach of Contract or trust

- Conflict in interest
- Such recommendation to the Board shall be with reasons recorded in writing.

### **Disclosure of information:**

Information on the total remuneration of members of the Company's Board of Directors, Whole Time Directors and KMP/ senior management personnel may be disclosed in the Company's annual financial statements as per statutory requirements.

### **Application of the Remuneration Policy:**

This Remuneration Policy shall continue to guide all future employment of Directors, Senior Management including Key Managerial Personnel and other employees. Any departure from the policy can be undertaken only with the approval of the Board of Directors.

#### Cloud Enablement

As a cloud-first attitude becomes pervasive, and not just popular, companies must ensure that every cloud enablement box is selected. Gartner predicts that more than 95% of all new digital workloads will be deployed on cloud-native platforms by 2025. In addition, 85% of companies will adopt the cloud-first principle within the same timeframe, increasing the integration of cloud-native architectures and technologies. However, their plans to explore new revenue streams, reduce

operational costs, and increase agility and scalability will not succeed without leveraging disruptive cloud patterns and benefits to deliver new-age resilient services and systems.

For those that are yet to start their cloud journey, the challenge is less about letting go of legacy infrastructure and processes, and more about making the digital experiences that cloud creates the primary focus.

The ubiquitous nature of the cloud means that companies need to be aware of what needs to be done and when. Simply migrating to the cloud won't solve the business need. Ensuring that the cloud solution is resilient, optimized, automated, and compatible with other cloud environments will be equally important.

Orchasp offers a comprehensive set of cloud-enablement services ranging from strategy, design and testing, to migration, integration, deployment and ongoing support. These services are tailored to address the needs of different organizations, their industry, and their level of cloud maturity.

## Cyber Security

The cyber threat landscape is constantly evolving and increasingly complex, and most companies don't have the cyber security tools and capacity in-house to keep security measures up-to-date. Because it's easier than ever for hackers to initiate an attack, organizations now experience increased risk and higher levels of uncertainty. Subsequently, breaches and successful attacks can cost companies millions — not to mention the harm to your brand's reputation.

Our portfolio of cyber security solutions consists of a variety of services designed to meet all of your company's needs. They're also customizable to your specific requirements and provide detailed notifications, reporting, and dashboards. We help you choose the best solution, tailored specifically for the cyber security threats your organization faces.

## Data Analytics, AI&ML

Every organization faces the challenge of prioritizing use cases and realizing tangible business value from Data Analytics, AI & ML initiatives.

Our solutions ensure successful business outcomes from your Data Analytics, AI & ML investments through a framework that helps prioritize use cases, define platform architecture, scale model development, and operationalize models across the enterprise.

We have helped clients across industries accelerate development to operationalization of Data Analytics, AI & ML solutions with our expertise.

## Blockchain in Healthcare

The most important thing to understand when it comes to using blockchains in healthcare is the scope

of the opportunities. Several inherent advantages of blockchain technology, including its cost-effectiveness, security, and transparency, provide significant benefits when applied to the healthcare sector.

Probably the most important blockchain use case in healthcare is in securing patient data. Currently, most patient data exists in silos that aren't connected to each other. For example, your primary care physician has access to some of your medical data but not to data that specialists such as a cardiologist or an OB-GYN can access and vice versa.

Using blockchain technology could help solve this issue. A blockchain-based application might enable connecting to existing electronic medical record (EMR) systems at different healthcare providers. Anytime new information is put into any of these EMR systems, encrypted data about the information would be put into the blockchain. Other healthcare providers could access this information only when the patient consents, with the entire process managed by the blockchain app.

## Internet of Things

Companies around the world are constantly seeking new opportunities for innovation and growth. And businesses have been able to seize exponential growth through the adoption of Internet of Things (IoT) technologies.

Large enterprises have been reaping benefits from IoT solutions (even during a year marred by the global pandemic) as they were early adopters of the technology. It is now time for small and medium businesses to take advantage of IoT.

We specialize in full-stack IoT development for Industry 4.0 & Enterprises and the implementation of embedded technologies for Connected Vehicles. Leveraging our experience in Artificial Intelligence (AI) and Machine Learning (ML), we have developed the infrastructure for Predictive Maintenance in industries and intuitive Driver Monitoring Apps.

## Business Process Services

We partner with enterprises, fuelling their growth by our focus on delivering exceptional business process services. We bring together the best in people, process and technology with an extreme focus on delivering value and best in class customer experience. Our methodology involves a holistic view from experts across all possible avenues of business process transformation. This involves bringing forth our operational expertise, domain knowledge and business process automation by harnessing Robotic Process Automation (RPA), Machine Learning (ML) and Artificial Intelligence (AI).

## Client Acquisition

The Company has put in place a strong sales team in India and US and our sales pipeline has been consistently improving. We believe that we will be able to improve on our strong track record and have long term relationships with our domestic and international customers.

Our sales team is in place across major cities in India and we have sales in presence in UAE & USA as well. The twin engines for growth in this business will come from both domestic and international customers. We are also focussing on providing more end-to-end services to existing customers.

## Quality

The Company has a robust Quality Management and Information Security Management system in place to identify potential risks, areas for improvement and further to have smooth business operations. Periodic Management Review meetings are conducted to review these.

## Attrition

While attrition is an industry wide concern, the Company recognises the need to take proactive measures to ensure that we have an uninterrupted supply of right talent and have increased focus and rigor on retaining them through active engagement measures.

In order to maintain a seamless pipeline of talent, the Company has tied up with several skill development institutes. This ensures a steady supply of skilled talent with a good language mix, especially for the consulting business.

Our recruitment team conducted virtual campus drives at various colleges across the country for our internal hiring. Employee engagement during a period when most of the employees are working remote is an area that the Company has focused. Multiple virtual

events were conducted on occasions to bring together the employees on a virtual platform. We also moved our entire training online and integrated with our HRM.

This helped ensure employees did not miss key training events that would help them develop in their career.

## Global IT Services Market Size

The global IT professional services market size was valued at USD 777.28 billion in 2021 and is expected to register a compound annual growth rate (CAGR) of 11.2% from 2022 to 2030. The rise of automation to eliminate mundane tasks and radical shifts in customer demand such as customized pricing and enhanced customer experience are pushing enterprises to implement IT services across the globe. Additionally, the COVID-19 pandemic tested the professional services industry by forcing them to implement remote working at a large scale and adjust their business strategies to the rapidly changing market conditions. Additionally, the COVID-19 outbreak also accelerated several technological changes across industries, where firms survived the pandemic with the help of technology by focusing on resource management and talent acquisition.

## [60]

In the current scenario, firms are preparing for possible challenges ahead, they are redesigning their business models to make sure they have the required skillsets, funds, and tools to gain an advantage in the long run. IT professional services help organizations in identifying the areas for cost-saving and offer multiple other benefits, such as Business Intelligence (BI), accurate forecasting, improved business operations, and reduced wastage of resources. Several firms are expected to utilize IT professional services to streamline their business post-pandemic further boosting the business growth.

Professional service firms can offer a combination of services such as consultation, audit & accounting, implementation support, and immunity from financial risk. They offer analytic capabilities and a basis for managing business information. In today's competitive market it is hard to survive with silos of data & legacy tools, so organizations depend on IT professional services to use advanced tools. These tools facilitate sharing of resources, automate the delivery process and provide accurate insights, which will further drive the industry growth.

Implementation of IT professional services can be found in various private and public sectors; some businesses may use professional services as the primary line of business, whereas for some businesses, it works as a value driver to the core offering. As businesses grow, firms need more robust tools to work efficiently, in such cases it is extremely helpful to deploy professional services as it oversees projects, track time and bill, manage resources and automate mundane back-end tasks. IT professional services utilize several advanced technologies such as Robotic Process Automation (RPA), Artificial Intelligence (AI), Machine Learning (ML), Internet of Things (IoT), chatbots, blockchain, and big data analytics to create new business models and consequently map their business strategies to enhance their returns.

Increased competition and digitalization is pushing organizations to engage with professional service providers. These service providers primarily focus on helping organizations to improve their operational efficiency by addressing issues related to poor service infrastructure and improper staffing. The IT professional service providers offer a streamlined and standardized approach to the organization's administrative processes which help in the digital transformation of the organization's operations. Based on the strategy, firms can categorize the usage of professional services into two sections. First, business-centric which offers value-driven revenue models, and second, employee-centric that can be utilized for the recruitment of hybrid talent and fill the skill gap.

### Type Insights

The project-oriented services segment dominated the IT professional services market in 2021 and accounted for a revenue share of over 35%. These services are related to installation, modernization, timely maintenance, and decommissioning of a project. These services are often custom-built to meet the specific client needs, assisting them to optimize operational efficiency and deliver projects on time within the allocated budget. Organizations can be benefitted in multiple ways as project-oriented services help in resource management, scope management, revenue management, preparing improved quotations, and effective delivery of the project. These are the major factors fuelling the demand for the segment.

Information Technology Outsourcing (ITO) service segment is expected to witness the fastest CAGR of 12.0% during the forecast period due to its ability to help organizations across various industries to respond to changing business needs allowing organizations to focus on innovation instead of IT infrastructure. Organizations utilize ITO services to gain access to deep technical expertise, deliver automation, and bring down costs by choosing an appropriate delivery model. Additionally, ITO services offer a deep pool of resources to create an effective Return on Investment (ROI), and it bridges the gap between legacy IT systems and innovation. High-performance computing, adherence to compliance, security, and scalability are a few advantages that are expected to boost the growth of this segment.

### 7. Market Size

**Software Development and Services, Platforms B2C, IoT and Staff Augmentation 2020-2030**

## Risks and Concerns

### 1. Rising Costs of IT

IT spending is expected to grow due to an increased demand for digital transformation, cloud services, cybersecurity, remote work, artificial intelligence, and data analytics. However, this often means that IT costs are rising faster than revenues for many businesses. As

such, CIOs and CFOs need to optimize their IT spending and ensure that they get the best value and return on their technology investments. They need to adopt a strategic approach to IT budgeting, planning, and governance. They also need to leverage technologies such as automation, artificial intelligence (AI), machine learning (ML), and cloud computing in an affordable way, to reduce IT costs and improve efficiency.

### 2. Opportunity Cost of Lost Business

IT downtime can have a significant impact on business performance and customer satisfaction. According to a 2022 report, the average cost of IT downtime per hour for businesses worldwide is \$300,000. This number can vary depending on the industry, the size of the business, and the severity of the outage. For example, a small business may experience a cost of \$10,000 per hour of downtime, while a large enterprise may experience a cost of \$1 million per hour. This includes direct costs such as lost revenue, productivity, and recovery expenses, as well as indirect costs such as reputation damage, customer churn, and regulatory fines.

CIOs and CFOs need to ensure that their IT systems are reliable, resilient, and secure. They need to implement proactive measures to prevent, detect, and resolve IT issues before they affect business operations. They also need to invest in backup, disaster recovery, and business continuity solutions to minimize the impact of IT downtime.

### 3. Lack of affordable skilled Artificial Intelligence and Machine Learning staff

Artificial intelligence and machine learning offer significant benefits to businesses, such as increased efficiency, the creation of new streams of business value, market decision insight, and improved decision-making. ChatGPT, a version of AI, has taken the business world by storm but businesses lack expertise in this technology, in order to leverage its significant benefits. AI technologies require skilled staff to implement them, so that biases, data security, and ethical concerns are not a risk to the business.

### 4. Rising Cost of Outsourced Contract Providers

Outsourcing is a common practice among businesses that want to reduce their costs and focus on their core competencies. Outsourcing involves contracting out certain business functions or processes to external providers who can perform them more efficiently or effectively. Outsourcing can help businesses access specialized skills and expertise, improve the quality and speed of service delivery, increase flexibility and scalability of operations, and mitigate risks.

However, outsourcing also has some drawbacks such as loss of control over quality and standards, communication and coordination issues, and legal and regulatory challenges. Moreover, outsourcing costs may also increase over time due to factors such as rising cost of living, inflation, currency fluctuations, and demand and supply dynamics in the outsourcing market.

[62]

CIOs and CFOs need to evaluate the benefits and costs of outsourcing their business functions or processes to external providers. They need to select the right outsourcing partner who can meet their quality, security, and compliance standards. They also need to negotiate the best terms and conditions for their outsourcing contracts and monitor their outsourcing performance and outcomes.

## 5. Cybersecurity Threats and Breaches

Cybersecurity is one of the top priorities and challenges for CIOs and CFOs in the digital era. Covid exacerbated this threat with many businesses rushing to digitally transform at breakneck speed, but not considering Cyber protection. Cyberattacks are becoming more frequent, sophisticated, and damaging, targeting businesses of all sizes and sectors. The global average cost of a data breach in 2022 was \$4.35 million, according to the 2022 Cost of a Data Breach Report by IBM and the Ponemon Institute. This is an increase of 2.6% from the previous year.

Cybersecurity threats and breaches can have severe consequences for businesses such as financial losses, reputational damage, legal liabilities, regulatory penalties, operational disruptions, customer dissatisfaction, and competitive disadvantage. Cybersecurity threats and breaches can also compromise the confidentiality, integrity, and availability of business data and systems, which are essential for business performance and decision-making.

CIOs and CFOs need to implement a comprehensive and proactive cybersecurity strategy that covers people, processes, and technology. They need to invest in cybersecurity tools and solutions that can prevent, detect, and respond to cyberattacks. They also need to educate and train their employees on cybersecurity best practices and policies. They also need to collaborate with other stakeholders such as customers, suppliers, regulators, and law enforcement agencies to enhance their cybersecurity resilience.

## 6. Digital Transformation Failure

Digital transformation is the process of using digital technologies to create new or modify existing business processes, products, or services to meet changing customer expectations and business requirements. Digital transformation can help businesses improve their efficiency, effectiveness, innovation, competitiveness, and profitability.

However, digital transformation is not easy or straightforward. According to a report by McKinsey, only 16% of respondents said that their business's digital transformations have successfully improved performance and also equipped them to sustain changes in the long term. The report also found that 45% of respondents said that less than half of their business's digital transformation initiatives met their initial targets.

Digital transformation failure can result from various factors such as lack of clear vision and strategy, misalignment of stakeholders, insufficient resources,

inadequate change management, poor execution, and lack of measurement.

To successfully digitally transform, CIOs and CFOs need to drive their business's digital transformation initiatives. They need to do so with a clear vision and strategy; a strong business case; a cross-functional team; a customer-centric approach; a culture of innovation and agility; a robust governance and risk management framework; and a continuous improvement and learning mindset.

## Exchange Fluctuations

Movements in exchange rates continue to be a major threat. There has been volatility in the exchange rate between INR and USD in the recent years and these currencies may continue to fluctuate significantly in future as well. During the year there have been significant volatility in the rupee with a low of INR 81.55 and a high of INR 83.73.

Our results of operation will be affected if the rupee-dollar rates continue to behave in a volatile manner in future or rupee appreciates significantly against dollar and other currencies.

### IV. Opportunities and Threats

#### Our Strengths

We have positioned ourselves as a custom-built application development company suiting the requirements of mid and emerging companies.

#### Our strengths include:

**Product development** – We have invested time and effort in enhancing our domain expertise in health care, telecom, engineering, energy, logistics and retail segments. We have been able to quickly adopt to the emerging developments in trade practices and enabling new features to our products to keep our customers ahead of their expectations.

**End to End Offerings** – Our end-to-end business solutions include transaction processing, data management, integration with third party tools and applications, independent testing and validation, network and surveillance, IT Support and Analytics.

**Relationships:** We have long standing relationships with midsized companies and Government Business Units and are quite seasoned in their processes which enable us to seek repeat business. Our track record delivering quality solutions help us strengthen these relationships over time.

**Quality and Process Execution:** Our clients have always been appreciative of our process implementation procedures and documentation which helps us maintain a healthy relationship and achieve business value.

#### Our Strategy

**Platforms:** The emergence of digital platforms for day-to-day merchandise across domains has created a new business space for technology companies as service aggregators.

The company has adopted the aggregation of service model and has conceptualised platforms viz.

- (a) electronic health records repository : [www.indusayush.in](http://www.indusayush.in)
- (b) Arts & Crafts ecommerce of niche arts and crafts : [www.induscrafts.in](http://www.induscrafts.in)
- (c) Corporate Information System: [www.indusnetworkx.in](http://www.indusnetworkx.in)
- (d) Job Profile : [www.indusprofile.com](http://www.indusprofile.com)
- (e) Cargo/Logistics services of small fleet operators : [www.induscargo.in](http://www.induscargo.in)
- (f) Retail ecommerce aggregation of unorganised retail : [www.indusretail.in](http://www.indusretail.in)
- (g) Healthcare aggregation of health emergency services : [www.induskare.in](http://www.induskare.in)
- (h) E Learning aggregation of informal learning : [www.indusmaster.in](http://www.indusmaster.in)
- (i) content management : [www.indusmatter.in](http://www.indusmatter.in)

These platforms work on enrolling service providers with technology support.

On the other hand, the service receivers(customers) register by paying a subscription fee in some cases or simply registering and availing services.

The success of the platforms depends entirely on the marketing campaign and the customer base created.

#### Our Competition

We compete with small and midsized companies in Government and large corporations in application development, maintenance, and business process outsourcing segments.

### V. Outlook, Risks & Concerns

- Our revenue and expenses are difficult to predict and can vary significantly from period to period.
- Our success largely depends upon retaining skilled technology professionals and our ability to hire, motivate and retain them.
- We are a company in mid segment space and may not be providing adequate confidence to companies / customers for long term contracts.
- We may not be able to sustain the working capital cycles.
- Our liquidity may not keep us comfortable to stay in the race in case of long sale cycles.

- We may be unable to recoup investments made in developing our software products.
- Our success depends on our management team and key personnel and our ability to attract and retain them.
- Our failures to complete fixed price and fixed time frame contracts or transaction-based pricing contracts within budget and on time may adversely affect our profitability.

We may not be able to provide end to end business solutions for our clients which could lead to clients discontinuing their work with us which in turn could impact our business.

## VI. Internal Control Systems and their adequacies

3. The Trade Receivables are due from more than 6 months. In the absence of confirmations of Trade payables, Trade Receivables and various advances/loans, we are unable to comment on the extent to which such balances are payable/recoverable.

[72]

We conducted our audit of the Standalone Ind AS Financial Statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Ind AS Financial Statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Ind AS Financial Statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in

our audit of the Standalone financial statements for the year ended March 31, 2024. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Standalone Financial Statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Standalone Financial Statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Standalone Financial Statements.

Key Audit Matter	How the Key Audit Matter was addressed in our audit
<b>1. Issue of Foreign Currency Convertible Bonds (FCCB)</b> <p>The company has issued FCCB of US\$ 1,05,00,000 (Rs.68,25,00,000/-), 1% coupon Foreign Currency Convertible Bonds due upon completion of five years from the date of issue. Interest is payable at the time of maturity only. The bonds will bear interest at the rate 1% per annum, from the interest commencement date up to the date prior to the date of maturity.</p>	<p>The recognition of FCCB in Books of Accounts as per "Ind AS 109- Financial Instruments" and "Ind AS 32- Financial Instruments". Presentation involves professional judgement relating to determination of repayment and convertible obligations over the tenure of FCCB's. The FCCB's converted into equity as on 31-03-2024 is for an amount of Rs. 6,50,00,000/- Refer Note No.33 in Notes to Standalone Ind AS Financial Statements.</p>
<b>2. Evaluation of uncertain tax positions</b> <p>The Company has material uncertain tax positions including matters under dispute which involves significant judgement to determine the possible outcome of these disputes.</p>	<p>Obtained details of completed tax assessments and demands for the year ended March 31, 2024 from management. We involved our internal experts to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of uncertain Tax Positions as at April 1st 2024 to evaluate whether any change was required to management's position on these uncertainties.</p>

### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report, but does not include the Standalone Ind AS Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of Standalone Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Standalone Ind AS Financial Statements or with our

knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard

### **Responsibilities of Management and those charged with governance for the Standalone Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Ind AS Financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that is appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists; we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS Financial Statements, including the disclosures, and whether the Standalone Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Ind AS Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Ind AS Financial Statements.

[74]

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters Specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and except for the effects of the matters described in the Basis for Qualified opinion paragraphs, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) Except for the effects of the matters described in the Basis for Qualified opinion paragraphs above, in our opinion, proper books of accounts as required by law have been kept by the Company
  - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
  - d) Except for the effects of the matters described in the Basis for Qualified opinion paragraphs above, in our opinion, the aforesaid Standalone Ind AS Financial Statements comply with the Ind AS specified under Section 133 of the Act, read with relevant rules issued there under.
  - e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses a qualified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
 

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
  - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Ind AS Financial Statements. (Refer Note No: 25 of Notes to Standalone Financial Statements)
    - ii. The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
    - iv. (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
    - (b) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to accounts, no funds have been received

by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations in sub-clause (i) and (ii) of Rule 11(e), as provided under (iv) and (v) above contain any material misstatement.

v. The company has not declared or paid any dividend during the year.

## ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls over Financial Reporting under clause (i) of the Sub-section 3 of the Section 143 of the Companies Act, 2013 ('The Act')

We have audited the internal financial controls over financial reporting of Orchasp Limited ('the company') as of 31st March 2024 in conjunction with our audit of Financial Statements of the company for the year ended on that date

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our Audit. We conducted our audit in accordance with the Guidance note on Audit of Internal Financial Controls Over Financial Reporting ( the "Guidance Note") and the standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an Audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. These standards and guidance note require that we comply with ethical requirements and plan and performed the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our Audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's Judgement, including the assessment of the risk of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion and the company's internal financial control system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes these policies and procedures that (1) pertain to the maintenance of records that, in reasonable detailed, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted principles, and that receipts and expenditures are being made only in accordance with authorization of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

### Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, Projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Qualified Opinion

In our opinion, except for the possible effects of the matter described in the basis for qualified opinion, the company has in all material respects reasonable internal financial controls system over financial reporting but not adequate and such internal financial controls over financial reporting were operating effectively as at March 31st

[80]

2024 based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

## Note 1: Significant Accounting Policies

### 1. Corporate information

Orchasp Limited is Public limited company incorporated in India with its registered and corporate office at 19 & 20, Moti Valley, Trimulgherry, Secunderabad. India. The Company is listed on the BSE Limited. The company is engaged in providing IT Services, solutions, platforms and has been providing services to Health Care, Telecom, Manufacturing, Engineering, Energy, Retail and Railways.

The financial statements for the year ended 31st March 2024 were approved by the Board of Directors on the 02nd May 2024.

### a. Basis Of Preparation Of Financial Statements:

#### Compliance with Ind AS

The Company has adopted Indian Accounting Standards (the "Ind AS") notified under Section-133 of the Companies Act, 2013 (the "Act"), read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act as applicable. The Standalone Financial Statements provide comparative information in respect of previous year.

#### i. Historical Cost Convention

These Financial Statements have been prepared under the historical cost convention on the accrual basis except for certain financial assets and liabilities (including derivative instruments) which are measured at fair value.

#### ii. Current versus Non-Current Classification:

All assets and liabilities have been classified as current or non-current as per the company's operating cycle and other criteria set out in the schedule III to the Companies Act 2013. Based on the nature of products and services and their realisation in cash and cash equivalents the company has ascertained its operating cycle as 12 months for the purpose of current - noncurrent classification of assets and liabilities.

#### iii. Functional and Presentation Currency :

The Financial Statements are presented in Indian Rupees (\*) which is the Company's functional and presentation currency, and all amounts are rounded to the nearest rupees in lakhs.

### 2. Summary of Significant Accounting Policies

#### a. Property, Plant & Equipment:

##### i. Recognition and measurement

Property, Plant & Equipment are stated at cost less accumulated depreciation and impairment losses, if any.

Costs include costs of acquisitions or constructions including incidental expenses thereto, borrowing costs and other attributable costs of bringing the asset to its working condition for its intended use and are net of available duty/tax credits.

Subsequent expenditure relating to Property, Plant & Equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in Statement of Profit & Loss as incurred.

Gains or losses arising from discard/sale of Property, Plant & Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of Profit & Loss when the asset is discarded/sold.

#### ii. Depreciation

The company depreciates property plant and equipment on straight-line-method (SLM) as per the useful life of assets, as estimated by the management/ independent professional, which are generally in line with Schedule-II to the Companies Act, 2013

#### b. Intangible assets:

##### i. Recognition and measurement

Intangible assets acquired separately are measured on initial recognition at cost.

Subsequent to initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. In case of internally generated intangible asset arising from development activity is recognised at cost only if its probable that the asset would generate future economic benefit and the expenditure attributable to said assets during its development can be measured reliably. Capital expenditure on purchase and development of identifiable on monetary assets without physical substance is recognised as Intangible Assets when:

It is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and the cost of the asset can be measure reliably.

##### ii. Depreciation

The company Amortises/Depreciates Intangible Assets on the basis of estimated useful lives of Intangible assets are as follows:

Software acquired.

Particulars	Useful life
Software License	2 Years

Software internally developed

Particulars	Useful life
Product/Platform	4 Years

[88]

**c. Impairment:**

The carrying amount of Property, Plant & Equipment, Intangible Assets and Investment Property are reviewed at each Balance Sheet date to assess impairment, if any based on internal/external factors. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is recognised as an expense in the Statement of Profit & Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed, if there has been an improvement in recoverable amount.

**d. Foreign Currency Transactions:****i. Functional and Presentation Currency:**

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ("functional Currency"). The financial Statements are presented in Indian rupee (INR), which is the company's functional and presentation currency.

**ii. Transactions and Balances:**

Transactions in foreign currencies are translated into functional currency of the Company at rates prevailing at the date of the transaction. Foreign exchange gain or losses resulting from the settlement of such transactions and from translation of monetary assets and liabilities denominated in foreign currencies at the year-end exchange rates are generally recognised in Profit & Loss and reported with in Foreign exchange gain/(losses), except when deferred in other comprehensive income as qualifying cashflow hedges.

Non-monetary items that are measured in times of historical cost in a foreign currency are translated using the exchange rates at the dates of the transaction. Non-monetary items (other than investment in shares of Subsidiaries, Joint Ventures, and Associates) carried at Fair Value that are denominated in foreign currencies are translated at the exchange rates prevailing at the date when the Fair Value was determined. Exchange component of the gain or loss arising on fair valuation of non-monetary items is recognised in line with the gain or loss of the item that gave rise to such exchange difference.

**e. Revenue Recognition:**

The Company derives revenue primarily from software development, maintenance of software/hardware and allied services, sale of software licenses, subscriptions for services and ecommerce.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold, and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

The Company recognised revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities as described below.

The Company computes its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

**i. Time and Material Contracts**

Revenues and costs relating to time and materials contracts are recognized as the related services are rendered.

**ii. Fixed- Price Contracts:**

Revenues from fixed-price contracts, including IT Infrastructure development and integration contracts are recognized using the "percentage of completion" method. Percentage of completion is determined based on efforts or costs incurred to date as a percentage of total estimated efforts or costs required to complete the project. The efforts or cost expended are used to measure progress towards completion as there is a direct relationship between input and productivity. If the Company does not have a sufficient basis to measure the progress of completion or to estimate the total contract revenues and costs, revenue is recognized only to the extent of contract cost incurred for which recoverability is probable.

When total cost estimates exceed revenues in an arrangement, the estimated losses are recognized in the statement of income in the period in which such losses become probable based on the current contract estimates.

Advance payments received from customers for which no services have been rendered are presented as 'Advance from customers'.

**iii. Services Contracts:**

Revenue from services contracts is recognized ratably over the period of the contract using the percentage of completion method. When services are performed through an indefinite number of repetitive acts over a specified period of time, revenue is recognized on a straight-line basis over the specified period unless some other method better represents the stage of completion. In certain projects, a fixed quantum of service or output units is agreed at a fixed price for a fixed term. In such contracts, revenue is recognized with respect to the actual output achieved till date as a percentage of total contractual output. Any residual service unutilized by the customer is recognized as revenue on completion of the term.

**iv. Sale of Licenses & Subscriptions**

Revenue from sale of licenses and support are recognized when the significant risks and rewards of ownership have been transferred to the buyer, continuing managerial involvement usually associated with ownership and effective control have ceased, the amount of revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Revenues from Sale of Subscriptions shall be recognized linear to the period of the contract.

**v. Ecommerce/Retail**

Revenue from Ecommerce transactions i.e., sale of third-party products/applications/services shall be recognized on realization of the merchandise.

**vi Other Income**

Profit on Sale of investments is recorded on transfer of title from the company and is determined as the difference between the sale price and the carrying amount of the investment.

Dividend income is recognized when the company's right to receive dividends is established.

Interest income on time deposits is recognized using time proportion basis taking into account the amount outstanding and applicable interest rates.

**f. Income Tax:**

Income Tax comprises current and deferred tax.

**Current tax** is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India and tax laws, prevailing in the respective tax, jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

The company offsets current tax assets and current tax liabilities, where it has legally enforceable right to set off the recognised amounts and where it intends to settle on net basis, or to realise the asset and liability simultaneously.

**Deferred tax** is provided on temporary difference arising between the tax bases of assets & liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax is measured using the tax rate that are expected to apply in the year when the asset is realized, or the liability is settled based on the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized directly in equity/other comprehensive income (OCI) is recognised in equity/ other comprehensive income (OCI) and not in the statement of Profit & Loss. Deferred tax asset is recognised to the extent that it is probable that sufficient future taxable profit will be available against which the deductible temporary differences and the carry forward unused tax credits and unused tax losses can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

**Minimum Alternate Tax (MAT)** credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period.

**g. Provisions, Contingent Liabilities, Commitments and Contingent Assets:**

Provisions are recognised for present obligations of uncertain timing or amount arising as a result of a past event where a reliable estimate can be made, and it is probable that an outflow of resources

embodying economic benefits will be required to settle the obligation.

Where it is not probable that an outflow of resources embodying economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability and commitments, unless the probability of outflow of resources embodying economic benefits is remote. Contingent assets are not recognised but disclosed in the Financial Statements when an inflow of economic benefits is probable.

**h. Earnings per Share:**

Basic earnings per share is computed using the net profit/(loss) for the year (without taking impact of OCI) attributable to the equity shareholders and weighted average number of shares outstanding during the year. The weighted average numbers of shares also include fixed number of equity shares that are issuable on conversion of compulsorily convertible preference shares, debentures, or any other instrument, from the date consideration is received (generally the date of their issue) of such instruments. The diluted EPS is calculated on the same basis as basic EPS after adjusting for the effect of potential dilutive equity shares unless impact is anti-dilutive.

**i. Segment Reporting:**

In accordance with the requirement of AS-108 on Segment reporting, the company has determined its business segment as Computer Programming Consultancy and related services. There are no other primary reportable segments. Thus, the segment revenue, segment result, total carrying amount of segment liabilities, total cost incurred to acquire segment assets, the total amount of charge for depreciation during the year are all reflected in the financial statement of the company for the year ended **31st March 2024**.

There are no secondary reportable segments (Geographical Segments).

**j. Financial Assets**

**Initial Recognition and Measurement:** All financial assets are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTP L), transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price. "

**"Revenue Recognition:** Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold, and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

**Financial asset at fair value through other comprehensive income:**

A financial asset is subsequently measured at fair value through other comprehensive income which is held with objective to achieve both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give

[90]

rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an election for its investments which are classified as equity instruments (other than investment in shares of Subsidiaries, Joint Ventures, and Associates) to present the subsequent changes in fair value through profit and loss account.

#### **Financial assets at fair value through profit or loss:**

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. The Company has elected to measure its investments, which are classified as equity instruments (other than investment in shares of Subsidiaries, Joint Ventures, and Associates) at fair value through profit and loss account.

#### **(iii) Impairment of financial assets:**

The company assesses at each balance sheet date whether a financial asset is impaired. The company recognises the loss if any on such impairment in accordance with IND AS 109.

#### **(iv) Financial Liabilities:**

Financial liabilities are subsequently carried at amortized cost using the effective interest method. Financial liabilities at fair value through profit and loss includes financial liability held for trading and financial liability designated upon initial recognition as at fair value through profit and loss.

#### **k. Investment in Subsidiaries, Associates and Joint Ventures:**

Investment in equity shares of subsidiaries, associates and joint ventures is carried at cost in the standalone financial statements.

#### **l. Earnings per share:**

The basic earnings per share is computed by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share and also the weighted average number of equity shares which would have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period unless they have been issued at a later date.

#### **m. Employee Benefits:**

Contributions to Provident and Employee State Insurance etc. accruing during the accounting period are charged to the statement of Profit and Loss. Provision for liabilities in respect of gratuity are accrued and provided at the end of each accounting period. Gratuity liability towards existing eligible employees will be met by the fund administered by LIC.

### **3. Critical Accounting - Estimates, Assumptions and Judgements:**

The preparation of Financial Statements in conformity with Indian Accounting Standards (Ind AS) requires management to make judgements,

estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures at the date of the Financial Statements. The judgements, estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years and if material, their effects are disclosed in the notes to the Financial Statements. Actual results could vary from these estimates.

The company has given due consideration of the possible effects that may result from the pandemic related to covid-19 on the carrying number of receivables and unbilled revenues.

Estimates and underlying assumptions are reviewed on a regular basis. The following areas of revenues, expenses, assets, and liabilities are likely to be impacted by events which give rise to revision of estimates made.

#### **(i) Revenue**

The company uses estimates for computation of costs and efforts as a proportion of total costs and efforts made. These estimates are then used to derive the progress made towards completion of the contract.

#### **(ii) Provisions/Expenses**

Provision for future expenses, liabilities are made on some occasions on the basis of pending effort for completion.

#### **(iii) Property, Plant & Equipment:**

External advisor and/or internal technical team assesses the remaining useful life and residual value of property, plant & equipment. Management believes that the assigned useful lives and residual values are reasonable.

#### **(iv) Intangibles:**

Internal technical and user team assess the remaining useful lives of intangible assets. Management believes that assigned useful lives are reasonable. All intangibles are carried at net book value on transition.

#### **(v) Income taxes**

The provision for income tax at the end of each period is made on the basis of estimates on revenues and the receivables.

#### **(vi) Other Estimates:**

The Company estimates the un-collectability of accounts receivables by analysing historical payment patterns, customer concentrations, customer creditworthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

## Independent Auditor's Report

### To the Members of Orchasp Limited

### Report on the Audit of Consolidated Ind AS Financial Statements Qualified Opinion

We have audited the accompanying Consolidated Ind AS Financial Statements of Orchasp Limited (previously known as Cybermate Infotek Limited) (hereinafter referred to as Holding Company) which includes its two foreign subsidiaries (the Holding company and its Subsidiaries together referred to as "The Group") which comprise the Consolidated Balance Sheet as at March 31, 2024, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Consolidated Ind AS Financial Statements").

The Consolidated Financial statements includes the following entities

- 1) Cybermate Infotek Limited Inc, USA
- 2) Cybermate International, Unipessoal, LDA

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the "Basis for Qualified Opinion" section of our report, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting standards and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March 31, 2024, its consolidated loss including consolidated total comprehensive income, their consolidated changes in equity and its consolidated cash flows for the year ended on that date.

### Basis for Qualified Opinion

1. We refer to the carrying value of investments of Rs 6825 lakhs held in Wholly Owned Subsidiary at Portugal in Cybermate International, Unipessoal, LDA which has been non-operational for over two years. The Company has defaulted in statutory filings for the period and the Portuguese Authorities have issued a notice of cancellation of Certificate of Incorporation. We are unable to comment upon the carrying value of investments whether any provision for impairment in the value of investments is required.
2. The Company has not paid the Statutory Dues for a period of more than 6 Months from the date they became payable. The details are as given below:

S. No	Name of the Statute	Nature of Dues	Due amount (Rs. in Lakhs)
1	Income Tax Act, 1961	Tax Deducted at Source	38.68
2	Employees Provident Fund & Misc Provisions Act, 1952	Provident Fund	18.25
3	Telangana Professional tax Act, 1987	Professional Tax	0.59
4	Employee State Insurance Act, 1948	Employees State Insurance	0.07
5	Income Tax Act, 1961	Income Tax for AY 2009-10	643.94
6	Income Tax Act, 1961	Income Tax for AY 2011-12	66.78
7	Income Tax Act, 1961	Income Tax for AY 2012-13	392.38
8	Income Tax Act, 1961	Income Tax for AY 2013-14	383.56
9	Income Tax Act, 1961	Income Tax for AY 2013-14	118.26
10	Income Tax Act, 1961	Income Tax for AY 2014-15	224.09
11	Income Tax Act, 1961	Income Tax for AY 2019-20	142.78

3. The Trade Receivables are due from more than 6 months. In the absence of confirmations of Trade payables, Trade Receivables and various advances/loans, we are unable to comment on the extent to which such balances are payable/recoverable.

We conducted our audit of the Consolidated Ind AS Financial Statements in accordance with the Standards on Auditing ("SA"s) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS Financial Statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS Financial Statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our

audit of the Consolidated Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Consolidated Financial Statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Consolidated Financial Statements. The results of audit procedures performed by us, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Consolidated Financial Statements.

Key Audit Matter	How the Key Audit Matter was addressed in our audit
<p><b>1. Issue of Foreign Currency Convertible Bonds (FCCB)</b></p> <p>The company has issued FCCB of US\$ 1,05,00,000 (Rs.68,25,00,000/-), 1% coupon Foreign Currency Convertible Bonds due upon completion of five years from the date of issue. Interest is payable at the time of maturity only. The bonds will bear interest at the rate 1% per annum, from the interest commencement date up to the date prior to the date of maturity.</p>	<p>The recognition of FCCB in Books of Accounts as per "Ind AS 109- Financial Instruments" and "Ind AS 32- Financial Instruments". Presentation involves professional judgment relating to determination of repayment and convertible obligations over the tenure of FCCB's. The FCCB's converted into equity as on 31-03-2024 is for an amount of Rs. 6,50,00,000/- Refer Note No.33 in Notes to Consolidated Ind AS Financial Statements.</p>
<p><b>2. Evaluation of uncertain tax positions</b></p> <p>The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.</p>	<p>Obtained details of completed tax assessments and demands for the year ended March 31, 2024 from management. We involved our internal experts to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of uncertain Tax Positions as at April 1st 2024 to evaluate whether any change was required to management's position on these uncertainties.</p>

### Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Audit Report Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Ind AS Financial Statements, Standalone Ind AS Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS Financial Statements, our responsibility is to read the other information, consider whether the other information is materially inconsistent with the Consolidated Ind AS Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there

[114]

is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Consolidated Ind AS Financial Statements**

The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Ind AS Financial Statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Ind AS Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Boards of Directors of the companies included in "the Group" are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Boards of Directors either intend to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

Those respective Board of Directors of the companies included in "the Group" are also responsible for overseeing the financial reporting process of "the Group".

### **Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS Financial Statements, including the disclosures, and whether the Consolidated Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within "the Group" to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included

in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Ind AS Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Ind AS Financial Statements.

We communicate with those charged with governance of the Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Other Matters

We didn't audit the financial statements and other financial information, in respect of the two foreign subsidiaries, whose Ind AS Financial Statements include total Revenues Rs. Nil and total profit after tax Rs. Nil total comprehensive profit of Rs. Nil for the year ended 31st March 2024, as considered in financial statements of the Group. The Management of the Holding Company has prepared the financial statements and furnished to us and our conclusion on statement in terms of sub-sections (3) and (11) of section 143 of the Act, in so far as it relates to the amounts and disclosures in respect of these subsidiaries is based solely on the report of Management and procedures performed by us as stated above.

Our conclusion on the statement is not modified in respect of the above matter.

### Report on Other Legal and Regulatory Requirements

  - e) On the basis of written representations received from the directors of the Holding Company as on March 31, 2024, and taken on record by the Board of Directors and the reports of the Statutory auditor who are appointed under Section 139 of the Act, of its Subsidiary none of the directors of the Holding Company and its Group Companies is disqualified as on March 31, 2024, from being appointed as a director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the companies included in the group and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'.
  - g) In our opinion, the managerial remuneration for the year ended March 31, 2024 has been paid / provided by the Holding Company to their directors in accordance with the provisions of section 197 read with Schedule V to the Act. The provisions of section 197 read with Schedule V of the Act are not applicable to its subsidiaries incorporated in India for the year ended March 31, 2024;

[116]

- h) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Group has disclosed the impact of pending litigations on the consolidated financial position in its Consolidated Financial Statements – Refer note 25 to the Consolidated Financial Statements.
- ii. "The Group" did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company.
- iv. The management of the holding company has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the holding company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the holding company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- v. The management of the holding company has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to accounts, no funds have been received by the holding company from any persons or entities, including foreign entities ("Funding Parties"), with

the understanding, whether recorded in writing or otherwise, that the holding company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- vi. Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations in sub-clause (a) and (b) of Rule 11(e), as provided under (iv) and (v) above contain any material misstatement.
- vii. The group has not declared or paid any dividend during the year.

**ANNEXURE A****ANNEXURE TO INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE CONSOLIDATED IND AS FINANCIAL STATEMENTS OF ORCHASP LIMITED**

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Orchasp Limited of even date)

Report on the Internal Financial Controls over Financial Reporting under clause (i) of the Sub-section 3 of the Section 143 of the Companies Act, 2013 ('The Act')

We have audited the internal financial controls over financial reporting of M/s Orchasp Limited ('the company') as of 31st March 2024 in conjunction with our audit of Financial Statements of the company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our Audit. We conducted our audit in accordance with the Guidance note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an Audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. These standards and guidance note require that we comply with ethical requirements and plan and performed the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our Audit of internal financial controls over financial reporting included obtaining an

understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's Judgment, including the assessment of the risk of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion and the company's internal financial control system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes these policies and procedures that (1) pertain to the maintenance of records that, in reasonable detailed, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted principles, and that receipts and expenditures are being made only in accordance with authorization of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

[118]

**Inherent Limitation of Internal Financial Controls over Financial Reporting**

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, Projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Qualified Opinion**

In our opinion, except for the possible effects of the matter described in the basis for qualified opinion, the company has in all material respects reasonable internal financial controls system over financial reporting but not adequate and such internal financial controls over financial reporting were operating effectively as at March 31st 2024 based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

## 2. Summary of Significant Accounting Policies

### a. Property, Plant & Equipment:

#### i. Recognition and Measurement

Property, Plant & Equipment are stated at cost less accumulated depreciation and impairment losses, if any.

Costs include costs of acquisitions or constructions including incidental expenses thereto, borrowing costs and other attributable costs of bringing the asset to its working condition for its intended use and are net of available duty/tax credits.

Subsequent expenditure relating to Property, Plant & Equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in Statement of Profit & Loss as incurred.

Gains or losses arising from discard/sale of Property, Plant & Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of Profit & Loss when the asset is discarded/sold.

#### ii. Depreciation

The company depreciates property plant and equipment on straight-line-method (SLM) as per the useful life of assets, as estimated by the management/independent professional, which are generally in line with Schedule-II to the Companies Act, 2013.

[126]

**b. Intangible Assets:****i. Recognition and Measurement**

Intangible assets acquired separately are measured on initial recognition at cost. Subsequent to initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. In case of internally generated intangible asset arising from development activity is recognised at cost only if it is probable that the asset would generate future economic benefit and the expenditure attributable to said assets during its development can be measured reliably. Capital expenditure on purchase and development of identifiable on monetary assets without physical substance is recognised as Intangible Assets when:

It is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and the cost of the asset can be measure reliably..

**ii. Depreciation**

The company Amortises/Depreciates Intangible Assets on the basis of estimated useful lives of Intangible assets are as follows:

Software acquired.

Particulars	Useful life
Software License	2 Years

Software internally developed

Particulars	Useful life
Product/Platform	4 Years

**c. Impairment:**

The carrying amount of Property, Plant & Equipment, Intangible Assets, and Investment Property are reviewed at each Balance Sheet date to assess impairment, if any based on internal/external factors. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is recognised as an expense in the Statement of Profit & Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been an improvement in recoverable amount.

**d. Foreign Currency Transactions:****i. Functional and Presentation Currency:**

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ("functional Currency"). The financial Statements are presented in Indian rupee (INR), which is the company's functional and presentation currency

**iii. Transactions and Balances:**

Transactions in foreign currencies are translated into functional currency of the Company at rates prevailing at the date of the transaction. Foreign exchange gain or losses resulting from the settlement of such transactions and from translation of monetary assets and liabilities denominated in foreign currencies at the year-end exchange rates are generally recognised in Profit & Loss and reported with in Foreign exchange gain/(losses), except when deferred in other comprehensive income as qualifying cashflow hedges.

Non-monetary items that are measured in times of historical cost in a foreign currency are translated using the exchange rates at the dates of the transaction. Non-monetary items (other than investment in shares of Subsidiaries, Joint Ventures, and Associates) carried at Fair Value that are denominated in foreign currencies are translated at the exchange rates prevailing at the date when the Fair Value was determined. Exchange component of the gain or loss arising on fair valuation of non-monetary items is recognised in line with the gain or loss of the item that gave rise to such exchange difference.

**e. Revenue Recognition:**

The Company derives revenue primarily from software development, maintenance of software/hardware and allied services, sale of software licenses, subscriptions for services and ecommerce.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold, and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. The Company recognised revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities as described below.

The Company estimates its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

**i. Time and Material Contracts**

Revenues and costs relating to time and materials contracts are recognized as the related services are rendered.

**ii. Fixed- Price Contracts:**

Revenues from fixed-price contracts, including IT Infrastructure development and integration contracts are recognized using the "percentage of-completion" method. Percentage of completion is determined based

on efforts or costs incurred to date as a percentage of total estimated efforts or costs required to complete the project. The efforts or cost expended are used to measure progress towards completion as there is a direct relationship between input and productivity. If the Company does not have a sufficient basis to measure the progress of completion or to estimate the total contract revenues and costs, revenue is recognized only to the extent of contract cost incurred for which recoverability is probable.

When total cost estimates exceed revenues in an arrangement, the estimated losses are recognized in the statement of income in the period in which such losses become probable based on the current contract estimates.

Advance payments received from customers for which no services have been rendered are presented as Advance from customers.

### iii Services contracts:

Revenue from services contracts is recognized ratably over the period of the contract using the percentage of completion method. When services are performed through an indefinite number of repetitive acts over a specified period of time, revenue is recognized on a straight-line basis over the specified period unless some other method better represents the stage of completion. In certain projects, a fixed quantum of service or output units is agreed at a fixed price for a fixed term. In such contracts, revenue is recognized with respect to the actual output achieved till date as a percentage of total contractual output. Any residual service unutilized by the customer is recognized as revenue on completion of the term.

### (iv) Sale of licenses & Subscriptions

Revenue from sale of licenses and support are recognized when the significant risks and rewards of ownership have been transferred to the buyer, continuing managerial involvement usually associated with ownership and effective control have ceased, the amount of revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Revenues from Sale of Subscriptions shall be recognized linear to the period of the contract.

### v Ecommerce/Retail

Revenue from Ecommerce transactions i.e., sale of third-party products/applications/services shall be recognized on realization of the merchandise.

### vi Other Income

Profit on Sale of investments is recorded on transfer of title from the company and is determined as the difference between the sale price and the carrying amount of the investment.

Dividend income is recognized when the company's right to receive dividends is established.

Interest income on time deposits is recognized using time proportion basis taking into account the amount outstanding and applicable interest rates.

### f. Income Tax:

**Income Tax** comprises current and deferred tax.

**Current tax** is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India and tax laws, prevailing in the respective tax, jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

The company offsets current tax assets and current tax liabilities, where it has legally enforceable right to set off the recognised amounts and where it intends to settle on net basis, or to realise the asset and liability simultaneously.

**Deferred tax** is provided on temporary difference arising between the tax bases of assets & liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax is measured using the tax rate that are expected to apply in the year when the asset is realized, or the liability is settled based on the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized directly in equity/ other comprehensive income (OCI) is recognised in equity/ other comprehensive income (OCI) and not in the statement of Profit & Loss. Deferred tax asset is recognised to the extent that it is probable that sufficient future taxable profit will be available against which the deductible temporary differences and the carry forward unused tax credits and unused tax losses can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

**Minimum Alternate Tax (MAT)** credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period.

### g. Provisions, Contingent Liabilities, Commitments and Contingent Assets:

Provisions are recognised for present obligations of uncertain timing or amount arising as a result of a past event where a reliable estimate can be made, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation.

Where it is not probable that an outflow of resources embodying economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability and commitments,

[128]

unless the probability of outflow of resources embodying economic benefits is remote. Contingent assets are not recognised but disclosed in the Financial Statements when an inflow of economic benefits is probable.

#### **h. Earnings per Share:**

Basic earnings per share is computed using the net profit/(loss) for the year (without taking impact of OCI) attributable to the equity shareholders and weighted average number of shares outstanding during the year. The weighted average numbers of shares also include fixed number of equity shares that are issuable on conversion of compulsorily convertible preference shares, debentures, or any other instrument, from the date consideration is received (generally the date of their issue) of such instruments. The diluted EPS is calculated on the same basis as basic EPS after adjusting for the effect of potential dilutive equity shares unless impact is anti-dilutive.

#### **i. Segment Reporting:**

In accordance with the requirement of AS-108 on Segment reporting, the company has determined its business segment as Computer Programming Consultancy and related services. There are no other primary reportable segments. Thus, the segment revenue, segment result, total carrying amount of segment liabilities, total cost incurred to acquire segment assets, the total amount of charge for depreciation during the year are all reflected in the financial statement of the company for the year ended **31st March 2024**.

There are no secondary reportable segments (Geographical Segments).

#### **j. Financial Assets**

**Initial Recognition and Measurement:** All financial assets are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTP L), transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price. “

“Revenue Recognition: Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold, and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

#### **Financial asset at fair value through other comprehensive income:**

A financial asset is subsequently measured at fair value through other comprehensive income which is held with objective to achieve both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an election for its investments which are classified as equity instruments (other than investment in shares of Subsidiaries, Joint Ventures, and Associates) to present the subsequent changes in fair value through profit and loss account.

#### **Financial assets at fair value through profit or loss:**

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. The Company has elected to measure its investments, which are classified as equity instruments (other than investment in shares of Subsidiaries, Joint Ventures, and Associates) at fair value through profit and loss account.

#### **(iii) Impairment of financial assets:**

The company assesses at each balance sheet date whether a financial asset is impaired. The company recognises the loss if any on such impairment in accordance with IND AS 109.

#### **iv Financial Liabilities:**

Financial liabilities are subsequently carried at amortized cost using the effective interest method. Financial liabilities at fair value through profit and loss includes financial liability held for trading and financial liability designated upon initial recognition as at fair value through profit and loss.

#### **k. Investment in Subsidiaries, Associates and Joint Ventures:**

Investment in equity shares of subsidiaries, associates and joint ventures is carried at cost in the standalone financial statements.

#### **l. Earnings per share:**

The basic earnings per share is computed by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share and also the weighted average number of equity shares which would have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period unless they have been issued at a later date.

**m. Employee Benefits:**

Contributions to Provident and Employee State Insurance etc. accruing during the accounting period are charged to the statement of Profit and Loss. Provision for liabilities in respect of gratuity are accrued and provided at the end of each accounting period. Gratuity liability towards existing eligible employees will be met by the fund administered by LIC.

**3. Critical Accounting – Estimates, Assumptions and Judgements:**

The preparation of Financial Statements in conformity with Indian Accounting Standards (Ind AS) requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures at the date of the Financial Statements. The judgements, estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years and if material, their effects are disclosed in the notes to the Financial Statements. Actual results could vary from these estimates.

Estimates and underlying assumptions are reviewed on a regular basis. The following areas of revenues, expenses, assets, and liabilities are likely to be impacted by events which give rise to revision of estimates made.

**(i) Revenue**

The company uses estimates for computation of costs and efforts as a proportion of total costs and efforts made. These estimates are then used to derive the progress made towards completion of the contract.

**(ii) Provisions/Expenses**

Provision for future expenses, liabilities are made on some occasions on the basis of pending effort for completion.

**(iii) Property, Plant & Equipment:**

External advisor and/or internal technical team assesses the remaining useful life and residual value of property, plant & equipment. Management believes that the assigned useful lives and residual values are reasonable.

**(iv) Intangibles:**

Internal technical and user team assess the remaining useful lives of intangible assets. Management believes that assigned useful lives are reasonable. All intangibles are carried at net book value on transition.

**(v) Income taxes**

The provision for income tax at the end of each period is made on the basis of estimates on revenues and the receivables.

**(vi) Other Estimates:**

The Company estimates the un-collectability of accounts receivables by analysing historical payment patterns, customer concentrations, customer creditworthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.
