MANAGEMENT DISCUSSION AND ANALYSIS

1. INDUSTRY STRUCTURE AND DEVELOPMENTS:

Ambica Agarbathies Aroma & Industries Limited manufactures and sells incense sticks in India. Operate hotels in Chennai and Vishakapatnam, It also involves in the film production and distribution activities; engages in wind power generation, the company was founded in 1946 and is based in Eluru, India.

2. OPPORTUNITIES AND THREATS:

AS PER SEGMENT WISE

Agarbathies Division

Agarbathies are used by all communities in India, Sri Lanka, Burma and by Indians residing abroad. As on today about 90 foreign countries are using our Agarbathies. Agarbathies industry is one of the labour intensive cottage types of traditional industries in India Karnataka state leads in this industry. The main centers of manufacture are Mysore and Bangalore. As on today about 150 units exist in Andhra Pradesh. Owing to the low level of technology involved in this industry, this can be taken to rural areas without much difficulty, thus implementing the rural industrialization policy of the government of India to a greater extent

Hotel Divisions

Hotel and hospitality industries are the biggest employment generators in the country. Towards helping its growth, the government should confer infrastructure status to the hotel industries, several taxation issues also need to be rationalized the demand for travel and tourism in India is expected to grow by 8.2% between 2010 and 2019 according to the tourism satellite accounting (TSA) research. The tourism sector is expected to be the second largest employer in the world where India is expected to be place third position in the world. Capital investment in India's travel and tourism sector is expected to grow at 8.8 % between 2010 and 2019 the report forecasts India to get more capital investment in the travel and tourism sector and is projected to become the fifth fastest growing business travel destination from 2010 through 2020

Construction Division

The Indian economy has witnessed considerable progress in the past few decades. Most of the infrastructure development sectors moved forward, but not to the required extent of increasing growth rate up to the tune of 8 to 10 per cent. The Union Government has underlined the requirements of the construction industry. With the present emphasis on creating physical infrastructure, massive investment is planned in this sector. The Planning Commission has estimated that investment requirement in infrastructure to the tune of about 14,500 billion or US\$320 billion during the 11th Five Year Plan period. This is a requirement of an immense magnitude. Budgetary sources cannot raise this much resources. Public Private Partnerships (PPP) approach is best suited for finding the

resources. Better construction management is required for optimizing resources and maximizing productivity and efficiency.

AMBICA AGARBATHIES AROMA & INDUSTRIES LIMITED

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF AMBICA AGARBATHIES AROMA AND INDUSTRIES LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of Ambica Agarbathies Aroma & Industries Limited ("the Company") which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss, including other comprehensive income, Cash Flow Statement and Statement of changes in equity for the year then ended and a summary of significant accounting policies and other explanatory information. (herein after referred as financial statements)

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including Other comprehensive income, cash flows and the statement of changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian accounting Standards) Rules, 2015. As amended This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have

taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, its profit including Other comprehensive income, its Cash Flows and the statement of changes in equity for the year ended on that date.

“Annexure B” to the Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Ambica Agarbathies Aroma & Industries Limited (“the Company”) as of March 31, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the Financial Statements

Corporate information

Ambica Agarbathies & Aroma Industries Limited manufactures and sells incense sticks in India. The company owns a farm land with resort club house and health center. It also involves in the film production and distribution activities; engages in wind power generation; and operates hotels. The company was founded in 1946 and is based in Eluru, India. The Company was incorporated on 21st April, 1995 and listed on BSE.

The Financial statements for the year ended March 31, 2018 were approved by the Board of Directors and authorised for issue on 12th June, 2018.

1 Significant Accounting Policies

1.1 Basis of preparation of financial statements

These standalone financial statements have been prepared in accordance Indian Accounting Standards (Ind As) according to the notification issued by the Ministry of Corporate Affairs under section 133 of the Companies Act, 2013 ('the act') read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 with effect from April 1, 2017.

"Previous periods have been restated to Ind AS and In accordance with Ind AS 101-First-time Adoption of Indian Accounting Standards, the Company has presented a reconciliation from the presentation of financial statements under Accounting Standards For the year ended March 31, 2017, the Company had earlier prepared and presented its financial statements in accordance with accounting standards notified under section 133 of the Companies Act, 2013 (Indian GAAP).

Reconciliations and description of the effect of the transition to Ind AS from Indian GAAP is given in Note 21."

1.2 Use of Accounting Estimates

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of financial Statements, the reported amount of revenues and expenses during the reported period and disclosure of contingent liabilities. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

1.3 Revenue recognition

"Revenue is recognized only when it can be reliably measured and it is reasonable to expect ultimate collection.

Revenue from hotel sales (food and beverages) is recognized upon rendering of service to customers.

Interest Income is recognised on an accrual basis.

1.4 Property, plant and equipment & Capital work-in-progress

Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset.

Capital work-in-progress comprises the cost of the fixed assets that are not yet ready for their intended use at the balance sheet date.

1.5 Depreciation and Goodwill

Depreciation is provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

The useful lives of assets are periodically reviewed and re-determined and the unamortised depreciable amount is charged over the remaining useful life of such assets. Assets costing Rs. 5,000/-and below are depreciated over a period of one year

1.6 Intangible Assets

Intangible assets are stated at cost less accumulated amortization and impairment if any. Intangible assets are amortized over their respective estimated useful lives on a straight-line basis, from the date that they are available for use.

The estimated useful lives of intangible asset is as follows:

Type of Asset	Useful life
Intangible Asset	10 Years

1.7 Foreign Currency Transactions

"The company translates all foreign currency transactions at Exchange Rates prevailing on the date of transactions. Exchange rate differences resulting from foreign exchange transactions settled during the year are recognized as income or expenses in the period in which they arise.

Monetary current assets and monetary current liabilities that are denominated in foreign currency are translated at the exchange rate prevalent at the date of the balance sheet. The resulting difference is also recorded in the profit and loss account."

1.8 Taxes on Income

Income tax comprises current income tax and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

- a) **Current income tax:** Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the period. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.
- b) **Deferred tax:** Deferred tax asset and liabilities are measured at the tax rates that are expected to apply to the period when the asset / liability is realized, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date. Deferred Tax assets are recognized and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

1.9 Earning Per Share (EPS)

In determining earnings per share, the company considers the net profit after tax expense. The number of shares used in computing basic earnings per share is the weighted average shares used in outstanding during the period.

1.10 Investments

Long term unquoted investments are carried at amortised cost.

1.11 Impairment of non-financial assets

The Company assess at each reporting date whether there is any indication that the carrying amount from non financial assets may not be recoverable. If any such indication exists, then the asset's recoverable amount is estimated and an impairment loss is recognised if the carrying amount of an asset or Cash generating unit (CGU) exceeds its estimated recoverable amount in the statement of profit and loss.

1.12 Provisions and Contingent Liabilities

A Provision is recognized if, as a result of past event, the Company has a present legal obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the present obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as contingent liability. A disclosure for a contingent liability is also made when there is a possible obligation or a

present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.13 Financial Instruments

A financial instrument is any contract that give rise to a financial asset of one entity and a financial liability or equity of another entity.

Initial Recognition

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Subsequent Measurement

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved both by collection of contractual cash flows on specified dates to cash flows that are solely payments of principal and interest on the amount outstanding and selling financial assets.

Financial assets at fair value through Profit and Loss

Financial assets are measured at fair value through profit and loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs that are directly attributable to the acquisition of financial assets and liabilities at fair value through profit and loss are immediately recognised in statement of profit and loss.

Financial liabilities

Financial liabilities are classified as measured at amortised cost or Fair Value Through Profit and Loss Account (FVTPL). A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in statement of profit and loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in statement of profit and loss. Any gain or loss on derecognition is also recognised in statement of profit and loss.

De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition as per Ind AS 109. A financial liability (or a part of a financial liability) is derecognised from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

"Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above are considered an integral part of the Company's cash management."

1.14 Cash flow statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, investing and financing activities of the company are segregated.

1.15 First-time adoption of Indian Accounting Standard (Ind AS)

These standalone financial statements of the company for the year ended March 31, 2018 have been prepared in accordance with Ind AS. For the purpose of transition to Ind AS, the Company has followed the guidance prescribed in Ind AS 101-First time adoption of Indian Accounting Standards, with April 1, 2016 as the transition date and IGAAP as the previous GAAP.

The transition to Ind AS has resulted in changes in the presentation of the standalone financial statements, disclosures in the notes thereto and accounting policies and principles. The accounting policies set out in Note 1 have been applied in preparing the standalone financial statements for the year ended March 31, 2018 and the comparative information. An explanation of how the transition from previous GAAP to Ind AS has affected the standalone Balance Sheet and Statement of Profit and Loss, is set out in notes.

Reconciliations :

The following reconciliations provide the effect of transition to Ind AS from IGAAP in accordance with Ind AS 101
