The festive season added to the growth despite constraints in the Automotive sector due to the ongoing semiconductor shortage. Multi-modal logistics continued to gain strides especially our Coastal Shipping business performing exceptionally. TCI remains invested in Multi-modal business as it has a direct bearing on reduction in GHG emissions leading to a positive ESG compliance for all our clients.

We continue to witness an upward swing in demand for 3PL & Cold Supply Chain Solutions driven by technology enabled platform for fulfilment & customer service.
