5. Brief resume of Director proposed to be appointed/re- appointed at the ensuing Annual General Meeting in terms of Regulation 15 and 27 under (Listing obligations and disclosure requirements) Regulations, 2015 is annexed to the Notice. The Company is in receipt of relevant disclosure / consents from the Directors pertaining to their appointment / re-appointment.
6. Pursuant to Regulation 42 of the LODR Regulations, 2015, Register of Members and Share Transfer Books of the Company will remain closed from Friday, 24th September,2021 to Thursday, 30th September, 2021 (both days inclusive) for the purpose of Annual General Meeting.
7. Members whose shareholding is in physical form are requested to notify immediately any change in their address or bank mandates to the Company/ Registrar & Share Transfer Agents quoting their Folio Number and Bank Account details along with self-attested documentary proof. Members holding shares in electronic form may update such details with their respective Depository Participants(s). Members are encouraged to utilise the Electronic Clearing (ECS) for receiving dividends.
8. The Board of Directors of the Company at their meeting held on June 29, 2021 have recommended a dividend of Rs. 1/- per equity shares of Rs. 10/- each dividend for the

financial year 2020-21. Dividend, if declared will be credited / dispatched after 30th September but within the time limit to those members whose names shall appear on the Company's Register of Members on 23rd September, 2021 and in respect of the shares held in dematerialized form, the dividend will be paid to members whose names are furnished by National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) as beneficial owners as on that date.

9. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, and the relevant documents referred to in the Notice will be available electronically for inspection by the members during the AGM. All documents referred to in the Notice will also be available electronically for inspection without any fee by the members from the date of circulation of this notice up to the date of AGM. Members seeking to inspect such documents can send an email to cs@tycheindustries.net.
10. The Securities and Exchange Board of India has made it mandatory for all companies to use the bank account details furnished by the depositories for depositing dividend through National Electronic Clearing Service (NECS) to investors wherever NECS and bank details are available if the Company proposes to avail NECS Facility. The Company will be availing the NECS facility for the payment of dividend of financial year 2020-21. The bank details are required to be updated for the members who will be availing this facility. In the absence of NECS required details, the Company will print the bank account details, as available, on the Payment Instrument for distribution of dividend, if payment of dividend is approved by the members in the ensuing Annual General Meeting.
11. Members are requested to note that dividends not encashed or remaining unclaimed for a period of 7 (seven) years for the date of transfer to the Company's Unpaid Dividend Account, shall be transferred to the Investor Education and Protection Fund ("IEPF") established by the Central Government. Further pursuant to the provisions of Section 124 of the Act read with the Investor Education and Protection Fund authority (Accounting, audit, Transfer and Refund) Rules, 2016 ("IEPF Rules") as amended to date, all shares on which dividend has not been paid or claimed for seven consecutive years or more shall be transferred to IEPF Authority as notified by the Ministry of Corporate Affairs.

The Members/claimants whose shares, unclaimed dividend IEPF may claim the shares or apply for refund by making an application to IEPF Authority in form IEPF 5 (available on www.iepf.gov.in) along with requisite fees as decided by it from time to time. The Members/claimant can file only one consolidated claim in financial years as per IEPF Rules.

It is in Members' interest to claim any un-encashed dividends and for future, opt for Electronic Clearing Services, so that dividends paid by the Company are credited to the Members' account on time.

Members who have not yet encashed the dividend warrants, from the financial year ended 31st March, 2014 and onwards are requested to forward their claims to the Company's Registrar and Share Transfer Agent. It may be noted that once the unclaimed dividend is transferred to IEPF as above, no claim shall rest with the Company in respect of such amount. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM is being uploaded on the website of the Company at www.tycheindustries.net. The Notice can also be accessed from the websites of the Stock Exchange i.e., BSE Limited at www.bseindia.com. The AGM Notice is also hosted on the website of CDSL (agency for providing the e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
7. The AGM is being convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020, MCA Circular No. 20/2020 dated May 05, 2020 and January 13, 2021.
8. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January, 13, 2021.

THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The voting period begins on Monday 27th September 2021 (9.00 a.m.) and ends on Wednesday, 29th September 2021 (5.00 p.m.). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 23rd September 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been

observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode is given below:

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members,
M/s. Tyche Industries Limited
Hyderabad

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. Tyche Industries Limited (hereinafter called "the Company") Secretarial Audit was conducted in a manner that provided to me on a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2021 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under; (Not Applicable to the Company during the Audit Period);
- (iii) The Depositories Act, 1996 and the Regulations and Byelaws framed thereunder;
- (iv) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; Complied with yearly and event-based disclosures
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - c) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008.(Not Applicable to the Company during the Audit Period);
 - d) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents Regulations, 1993 regarding the Companies Act and dealing with client;

- e) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not Applicable to the Company during the Audit Period) ;
- f) The Securities and Exchange Board of India (Depositories Participate) Regulations 2018- Complied with event based disclosures, and
- g) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015

I further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with the following laws applicable specifically to the Company:

- Drugs and Cosmetics Act, 1940.
- Food and Drug Administration licensing terms and conditions etc.
- The Air (Prevention & Control of Pollution) Act, 1981;
- The Environment (Protection) Act, 1986;

I have also examined compliance with the applicable clauses of the following:

- I) Secretarial Standards issued by The Institute of Company Secretaries of India with respect to Board meetings and general meetings;
- II) The Listing Agreements entered into by the Company with the BSE Limited, Mumbai.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except in respect of matters specified below.

The Company has received notice from the Stock Exchange Mumbai for the Non-compliance with the requirements pertaining to the composition of the Board under Regulation 17(1) of the SEBI (LODR) Regulations, 2015. The company has complied with the provisions and disclosed the same to the exchange and in this matter Company's representation was made for waiver of fine and in reply on 23.06.2021 Stock Exchange Mumbai waived the same.

I further report that

the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings. Agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

The minutes of the Board meetings have not identified any dissent by members of the Board; hence I have no reason to believe that the decisions by the Board were not approved by all the directors present.

It is to be noted that for the Audit period, the following Acts are not applicable.

- a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; (Not Applicable to the Company during the Audit Period)
- b) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999. (Not Applicable to the Company during the Audit Period);
- c) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; (Not Applicable to the Company during the Audit Period)
- d) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; ;(Not Applicable to the Company during the Audit Period)

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

The compliance by the Company of applicable financial laws like Direct and Indirect tax laws has not been reviewed thoroughly in this audit since the same have been subject to review by statutory financial audit and other designated professionals.

**MANAGEMENT DISCUSSION AND ANALYSIS REPORT****GLOBAL PHARMACEUTICAL SCENARIO**

Global pharmaceutical market is expected to grow in the coming years despite recent slowdown in key markets across the globe. The primary reasons include aging, growing population, rising income levels, emerging medical conditions and emergence of new diseases. The global pharmaceutical industry is expected to touch USD 1.57 trillion by 2023. The growth in this market is predicted on the basis of various factors like market drivers, current & upcoming trends, current growth pattern and market challenges. North America is expected to retain its leading position in the global pharmaceuticals market with market share of 45.33% in 2023. Europe on the contrary is expected to see a decline in its market share and be worth 20.24% of global pharma industry by 2023. Asia Pacific pharmaceuticals market is expected to retain its second position with a market share of 24.07% in 2023. Latin America and Middle East and Africa (MEA) are expected to retain 7.53% and 2.96% market share of global pharmaceuticals market in 2023. This growth is fuelled by the growing and ageing population in key markets. As per World Population Prospects by United Nations, the worldwide population is likely to cross 9.3 billion by 2050 and around 21% of this population is expected to be aged 60 and above. Apart from ageing and rising population, the improvements in purchasing power and access to quality healthcare and pharmaceuticals to poor and middle-class families worldwide also is driving the growth of global pharma industry. Another aspect which is leading this growth is rising focus of pharmaceuticals companies to tap the rare and specialty diseases market. Innovations in advanced biologics, nucleic acid therapeutics, cell therapies and bioelectronics & implantable has attracted investments in the industry by even non-pharma companies like Facebook, Qualcomm etc. which is also driving the global pharmaceuticals industry growth. On the other hand, adoption of cost control policies along with tightening of rules by governments in key markets are expected to impact the growth prospect of the global pharmaceuticals industry. Pharmaceuticals companies are forced to reduce their research and development (R&D) spending due to slowdown of growth in last few years which is also expected to hamper growth of the global pharma market as new drugs revenue form large part of pharma firm's revenue due to exclusivity of the drug. Apart from these generics pharma market is facing decreasing return on investment due to price erosion in key markets which is forcing many firms to look for other avenues and markets to sustain growth

DOMESTIC PHARMACEUTICAL MARKET

With a population of about 1.35 billion, India is home to 1/6th of the world's population. This population density and factors like sustained economic growth, higher disposable income, improved access to quality healthcare, rise in chronic diseases due to sedentary lifestyles, and deeper insurance penetration make India one of the most promising pharmaceutical markets in the world. As per secondary sales data by IQVIA, the domestic pharma market is valued at about ₹ 1.56 lakh crore or about US\$ 21 billion. Over the past 5 years, the domestic pharmaceutical market has grown at 9.5% CAGR and has been one of the fastest growing pharmaceutical markets in the world. However, the growth was impacted in 2020 owing to COVID-19- related lockdowns, which resulted in lower patient footfalls at clinics / OPDs and deferment of non-emergency surgeries and procedures. Going forward, the India pharma market is expected to grow at 7.5-10.5% CAGR through 2020 to 2025 and feature among the top 10 pharmaceutical markets in the world with sales of about US\$ 32 billion by 2025. In response to the pandemic, the Government of India has also stepped up its efforts to make the country's healthcare infrastructure more

robust. In the Union Budget 2021-22, the Government increased the spending on healthcare from 1.2% of the GDP to 2.5% of the GDP. The Government has also taken measures to develop capacities of primary, secondary, and tertiary healthcare systems, strengthen existing national institutions, and create new institutions, to cater to detection and cure of new and emerging diseases. Various performance-linked incentive schemes (PLI schemes) have been rolled out to make the Indian pharmaceutical industry more self-reliant through indigenous production of key raw materials and intermediates.

Investments and Recent Developments

The Union Cabinet has given its nod for the amendment of the existing Foreign Direct Investment (FDI) policy in the pharmaceutical sector in order to allow FDI up to 100 per cent under the automatic route for manufacturing of medical devices subject to certain conditions. The drugs and pharmaceuticals sector attracted cumulative FDI inflows worth US\$ 15.93 billion between April 2000 and December 2019, according to data released by the Department for Promotion of Industry and Internal Trade (DPIIT).

Some of the recent developments/investments in the Indian pharmaceutical sector are as follows:

- In February 2020, the Indian pharmaceutical market grew by 10 per cent year-on-year.
- Between Jul-Sep 2019, Indian pharma sector witnessed 39 PE investment deals worth US\$ 217 million.
- Investment (as % of sales) in research & development by Indian pharma companies* increased from 5.3 per cent in FY12 to 8.5 per cent in FY18.
- In 2017, Indian pharmaceutical sector witnessed 46 merger & acquisition (M&A) deals worth US\$ 1.47 billion
- The exports of Indian pharmaceutical industry to the US will get a boost, as branded drugs worth US\$ 55 billion will become off-patent during 2017-2020.

Government Initiatives

Some of the initiatives taken by the government to promote the pharmaceutical sector in India are as follows:

- The allocation to the Ministry of Health and Family Welfare has increased by 13.1 per cent to Rs 61,398 crore (US\$ 8.98 billion) in Union Budget 2020-20.
- In October 2019, the Uttar Pradesh Government announced that it will set up six pharma parks in the state and has received investment commitments of more than Rs 5,000-6,000 crore (US\$ 712-855 million) for the same.
- The National Health Protection Scheme is largest government funded healthcare programme in the world, which is expected to benefit 100 million poor families in the country by providing a cover of up to Rs 5 lakh (US\$ 7,723.2) per family per year for secondary and tertiary care hospitalisation. The programme was announced in Union Budget 2019-19.
- In March 2019, the Drug Controller General of India (DCGI) announced its plans to start a single-window facility to provide consents, approvals and other information. The move is aimed at giving a push to the Make in India initiative.

- The Government of India is planning to set up an electronic platform to regulate online pharmacies under a new policy, in order to stop any misuse due to easy availability.
- The Government of India unveiled 'Pharma Vision 2020' aimed at making India a global leader in end-to-end drug manufacture. Approval time for new facilities has been reduced to boost investments.
- The government introduced mechanisms such as the Drug Price Control Order and the National Pharmaceutical Pricing Authority to deal with the issue of affordability and availability of medicines.

ICRA has given a stable outlook on the Indian pharmaceutical industry. The headwinds from pricing pressure in large regulated markets, especially USA, increased cost related to regulatory compliances but are largely offset by growing scale of business, increased focus on specialty/ niche segments and comfortable balance sheet structure. The domestic pharmaceutical industry has gained adequate scale and generic drug development capabilities over a decade of growth which will keep them in good stead to capture bigger opportunities in the regulated market. The FY2019-2021 CAGR is expected to be around 8-10% for domestic Pharmaceutical companies. The credit metrics of leading pharma companies are likely to remain stable in view of steady growth prospects in regulated markets and limited dependence of Indian pharmaceutical companies on bank borrowings. The OPBITDA/Interest and TD/OPBITDA for ICRA set of 21 entities in Indian pharmaceutical industry has been healthy at 10.2x and 2.3x for FY2019. They are expected to remain in similar range in medium term despite some pressure on profitability and marginal rise in debt levels, given inorganic investments. The key sensitivity to our outlook remains productivity of R&D expenditure, increasing competition in the U.S. generics space and operational risk related to increased level of due diligence by regulatory agencies.

The growth from US has come down sharply from 14.4% in FY2016, 4.0% in FY2017 to -13.1% in FY2019. Going forward the growth momentum would face continued headwinds given the relatively moderate proportion of large size drugs going off patent, increased competition, generic adoption reaching saturation levels in the US market along base effect catching up for Indian exporters. Further increased regulatory scrutiny as reflected in increased issuance of warning letters/import alerts and consolidation of supply chain in US market resulting in pricing pressures has impacted competitiveness of Indian pharmaceutical companies. The profitability for the industry, though expected to remain healthy, faces pressure from rising pricing pressures in US, increased regulatory compliance costs, rising R&D costs and other overheads and currency volatility related challenges in EMs. Overall, company specific factors would continue to play a pivotal role with quality of product pipeline (i.e. higher share of limited competition launches in the U.S.) being the single most differentiating factor. Companies with growing portfolio comprising of niche/complex products in regulated markets, diversified geographic-mix and established brands in EMs would be better placed to manage some of the headwinds.

Over the past few years, pharma companies have increased their R&D budgets significantly in view of their growing focus on regulated markets and complex molecules/therapy segments. With R&D optimization efforts underway, we expect aggregate R&D spend to maintain at current levels despite requirements arising from expanding presence in complex therapy segment such as injectables, inhalers, dermatology, controlled-release substances and even biosimilars.

INDUSTRY FUTURE

Medicine spending in India is projected to grow 9-12 per cent over the next five years, leading India to become one of the top 10 countries in terms of medicine spending. Going forward, better growth in domestic sales would also depend on the ability of companies to align their product portfolio towards chronic therapies for diseases such as cardiovascular, anti-diabetes, anti-depressants and anti-cancers that are on the rise. The Indian government has taken many steps to reduce costs and bring down healthcare expenses. Speedy introduction of generic drugs into the market has remained in focus and is expected to benefit the Indian pharmaceutical companies. In addition, the thrust on rural health programmes, lifesaving drugs and preventive vaccines also augurs well for the pharmaceutical companies.

COMPANY PERSPECTIVE:

TYCHE INDUSTRIES LTD (TIL) has developed good reputation as a quality and reliable manufacturer and exporter of API's, Intermediates and Nutraceuticals, the company expects to develop adequate revenues from these segments in future. TIL is one of the largest manufacturers in India of Glucosamine Hydrochloride and corresponding sodium and potassium salts which are mainly exported to USA and Europe.

The overseas Regulatory approvals facilitated entry of the Company into the overseas advanced regulatory markets. The company has obtained US FDA recognition for its facilities in Kakinada, and the company has already obtained EU- GMP certification. The company is in the process of filings for more ANDA's in the coming future.

SEGMENTWISE OR PRODUCTIONWISE PERFORMANCE

Company's operations are predominantly related to the manufacture of bulk drugs intermediates, as such there is only one primary reportable segment.

COMPANY'S FINANCIAL PERFORMANCE AND ANALYSIS

The Company's financial performance and analysis is already discussed in the Directors' Report which forms a part of the Annual Report.

FUTURE OUTLOOK

The company has been manufacturing its core products for several years and has built up a steady clientele. The company has plans to introduce newer products after careful market study. The management always strives to introduce new products which it hopes will contribute to the top line and bottom line in the ensuing years by expanding its marketing network to new areas countries in Africa, Europe, Israel, and Middle East.

RISKS AND CONCERNS

Any business activity is confronted with various risks and an efficient business concern would take cognizance of the various risks and arrange for taking corrective actions to mitigate the risks.

Some of the risks are listed below along with the suggested actions for mitigation.

1. COMPETITION:

The competition is mainly from some of the suppliers in India and more so from Global market including Chinese suppliers. To preserve its market share, the company has

embarked on aggressive programme to improve the cost efficiency of processes and production of key products vis- a- vis increase in input cost of raw materials, power, labour etc.

2. MARKETING:

Constant efforts are being made to expand the product portfolio and diversify the market into new countries in Africa and Europe, increasing the number of customers and introducing newer products by continuous research and development. The company is also focussing on obtaining regulatory approvals and entering into new markets.

3. EXCHANGE RATE:

High volatility in the foreign currency is a big concern for the company as most of the raw materials are imported / imported products are used by the company. Further as most of the major customers are from outside India the company also faces exchange rate variation on its receivables, Finance Department is constantly monitoring the situation and taking action against major fluctuations as per the exchange rate movements.

4. RESEARCH AND DEVELOPMENT:

The company faces challenges on rolling out new and improved products, Research and development is a key to success of the unit and hence management takes steps to improve the strength of the R&D team continuously in order to face competition.

5. ENVIRONMENTAL MANAGEMENT:

The company is very much aware of its responsibilities towards environment and commissioned the Multiple Effect Evaporation System to concentrate and collect the solid effluent and send it for incineration to government approved agency.

INTERNAL CONTROLS:

Tyche Industries Limited has proper and adequate internal control system commensurate with the size and complexity of the organization and a well-defined internal control system which is adequately monitored. Checks and balances and control systems have been established to ensure that assets are safe guarded, utilized with proper authorization and recorded in the books of account. There is a proper definition of roles and responsibilities across the organization to ensure information flow and monitoring. An Internal Audit was conducted in various areas of operations of the Company. The Management duly considered and takes appropriate action on recommendations made by the Statutory Auditors, Cost Auditors, Internal Auditors and The Independent Audit Committee of the Board of Directors. The Company has an Audit Committee consisting of three directors out of which two are the Independent Directors. This Committee reviews the statutory audit reports, the quarterly and annual financial statements and discusses all significant audit observations and follow up actions arising from them.

HUMAN RESOURCES / INDUSTRIAL RELATIONS:

The Company recognizes the immense value addition made by its employees to the growth and development. In turn, the Company is committed to train and develop its people and motivates

them to enhance their potential and industrial relations have been cordial and mutually beneficial. As on March 31, 2021 the Company had about 173 employees.

**INDEPENDENT AUDITORS' REPORT****TO THE MEMBERS OF TYCHE INDUSTRIES LIMITED****OPINION :**

We have audited the accompanying financial statements of Tyche Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Ind-AS specified under Section 133 of the Act of the state of affairs (financial position) of the Company as at 31st March, 2021 and its profit (financial performance including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

EMPHASIS MATTER:

We draw your attention to Note No: 32 of "Notes to Financial Statements in respect of a fire accident occurred in the factory premises of the company at Kakinada on 11th March 2021. This had resulted in loss of lives of two employees and damaged a section of the plant and machinery in a block. Management is of the view that, the accident occurred due to operational assessment error committed by the deceased employees leading to a safety lapse and hence the accident. These employees were in-charge of the operations of that section during that point of time. Consequent to the occurrence of the said accident the manufacturing operations of the factory was closed temporarily from 13th March 2021 based on the prohibitory order issued by the jurisdictional deputy chief inspector of factories. The partial relaxation to such prohibitory orders were issued on a product-by-product basis and relaxation was extended to all the major products on 17th May 2021. According to the management, the company has since, complied with all the

HAZOP recommendations stipulated under such prohibitory order and reported back, on such compliances to the said authority under Department of Factories, Andhra Pradesh. Management maintains that submission of such report of the compliances to the said authority, in-itself, is revocation of the above said original prohibitory order. Further, the management maintains that, this accident is a one-off incident impacting only a part of the production facilities and does not have any impact on the going concern status of the company.

The expenses incurred in this regard has been captured as Exceptional item under the Statement of Profit and Loss account for the year under report.

Management has covered all risks under the insurance policy in place, including the reinstatement clause in case of any accidents. The concerned insurance company officials are carrying out their processes, to ascertain the damage. Management is of the view that, no further liability, apart from the amount provided under exceptional item, shall arise in this matter.

This matter has been taken up suo moto by National Green Tribunal, Principal Bench New Delhi. The matter is being heard and company shall initiate necessary action as may be required, upon pronouncement of such order.

Our opinion is not modified in this matter.

KEY AUDIT MATTERS:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

We draw attention to the following matter of the company

A) Revenue Recognition

Refer to Note 2.2.(A) Of the summary of significant accounting policies to the financial statements.

Revenue from sale of goods is recognized when a promise in a customer contract (performance obligation) has been satisfied by transferring control over the promised goods to the customer. Control is usually transferred upon shipment or delivery to or upon receipt of goods by the customer, in accordance with the delivery and acceptance terms agreed with the customers. We consider a risk of misstatement of the Financial Statements related to transactions occurring close to the year end, as these transactions could be recorded in the incorrect financial period (cut-off). Our tests of detail on cut-off samples were enhanced accordingly and, to verify that only revenue pertaining to current year is recognized based on terms and conditions set out in sales contracts and delivery documents, performing testing on selected statistical samples of revenue transactions recorded during the year. Our opinion is not modified in this regard.

**B) IT Systems and Controls:**

We have identified IT Systems and controls over financial reporting as a key audit matter for the company because its financial and reporting system should be integrated and must be fundamentally reliant on IT systems and controls to process the voluminous data specifically with respect to revenue, debtors, inventory management and raw material consumption. Automated accounting procedures and IT environment controls are required to be modified and implemented to operate effectively to ensure accurate financial reporting to comply with all the reporting requirements under various statutes. We have assessed the management's position through discussion with the in-house experts. Management has initiated steps to integrate all activities in this regard.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the company's annual report but does not include the financial statements and our auditors' report thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any assurance and conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

MANAGEMENT'S and BOARD OF DIRECTORS' RESPONSIBILITY FOR THE FINANCIAL STATEMENTS:

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance. Changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are

free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

AUDITORS' RESPONSIBILITY:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these financial statements.

As part of an audit in accordance with standards on auditing we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.
- Conclude on the appropriateness of management and Board of Directors use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.

However, future events or conditions may cause the company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS:

As required by the Companies (Auditors' Report) Order, 2016 ("The Order"), issued by the Central Government of India in terms of sub-section 11 of Section 143 of the Act, we give in the Annexure-A a Statement on the matters specified in Paragraph 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Profit and Loss Statement, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Indian Accounting Standards) Rules, 2015 except with regard to the compliance to certain disclosure requirements under "Ind AS-19-Employee Benefits", and does not have any impact on the Financial Statements of the company.

- e) On the basis of the written representations received from the directors as on March 31, 2021, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure-B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at 31st March, 2021 on its financial position in its financial Statements. Refer Note No: 33 of the Financial Statements.
 - ii. The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Further, with respect to the matter to be included in the Auditors Report under section 197(16):

In our opinion and according to the information and explanations given to us, the remuneration paid by the company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the Act.

- vi. As per the information and explanations furnished to us, prima facie, it appears that the company broadly meets the requirement prescribed by the Central Government under section 148(1) of the Companies Act, 2013 read with Companies (Cost Records and Audit) Rules, 2014. We have however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii. a) As per the information and explanations furnished to us by the management, according to the records examined by us of the Company, undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, GST, Service Tax, duty of Customs, Duty of Excise, Value Added Tax, Cess and other statutory dues have been generally deposited on time with the appropriate authorities. According to the information and explanations given to us, no other undisputed amounts due and payable in respect of the aforesaid dues were outstanding as at 31-03-2021 for a period of more than six months from the date they became payable.

- b) As per the information and explanations furnished to us by the management, there are no disputes with the appropriate authorities relating to Statutory dues other than those referred to in Point No.33 of "Notes to Financial Statements for the year ended March, 31st, 2021.
- viii. In our opinion and as per the information and explanations given to us, the company did not have any dues to any financial institution, bank, government, or debenture holder during the year.
- ix. During the year, the company has not raised any monies by way of initial public offer or further public offer (including debt instruments). The company has not availed any fresh Term Loans. Accordingly, paragraph 3(ix) of the Order is not applicable to the company.
- x. During the course of our examination of the books and records of the company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the company or on the company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.
- xi. As per the information and explanations given to us by the management and based on our examination of the records of the company, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act.
- xii. The Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, the provisions of Clause (xii) of para 3 of the order are not applicable to the company.
- xiii. As per the information and explanations given to us and based on our audit, in our opinion, the transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the Financial Statements, etc., as required by the applicable Indian Accounting Standards.
- xiv. Based on our examination of the records of the Company and according to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures during the year. Accordingly, reporting under clause 3 (xiv) of the Order is not applicable to the Company.
- xv. As per the information and explanations given to us and based on our examination of the company records, the company has not entered into any non-cash transactions with directors or persons connected with them. Hence, compliance with the provisions of clause (xv) of para 3 of the order are not applicable to the Company.
- xvi. **Annexure-B to the Independent Auditors' Report
of even date on the Financial Statements of Tyche Industries Limited**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") :

(Referred to in clause (f) of paragraph 2 under 'Report on other Legal and Regulatory Requirements' section of our report of even date)

Opinion:

We have audited the internal financial controls over financial reporting of Tyche Industries Limited ("the Company") as of 31st March, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. However, an improvement in the following internal financial controls is desirable.

- a) The system of physical verification of fixed assets, tagging of fixed assets, and computerization of records can be improved to be commensurate with the size of the company & level of operations.
- b) The system of physical verification of inventories, tagging of inventories can be further improved to be commensurate with the size of company & level of operations.

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls over financial reporting, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were

established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting:

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate

**NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021****1. Corporate Information**

Tyche Industries Limited is a public company domiciled in India and was incorporated under the provisions of the Companies Act applicable in India. The registered office of the Company is located at D.No.C-21/A, Road No.9, Film Nagar, Jubilee Hills, Hyderabad, Telangana-500096, India. The Company's shares are listed on the Bombay Stock Exchange (BSE).

The Company is principally engaged in manufacturing of active pharmaceutical ingredients.

The financial statements for the year ended 31st March, 2021 were approved by the Board of Directors and authorised for issue on 29th June, 2021.

2. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**2.1 Basis of Preparation****a) Statement of Compliance**

The Financial statements of Tyche Industries Limited have been prepared and presented in accordance with Indian Accounting Standards (hereinafter referred to as the "IND AS") as notified by the Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, other pronouncements of the institute of Chartered Accountants of India and guidelines issued by Securities and Exchange Board of India (SEBI).

The company's Internal Financial Control (IFC) over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles which is being implemented by the company as a continuous process exercise required for providing reasonable assurance regarding the reliability of the financial reporting.

Accounting policies not referred to herein otherwise are consistent with Generally Accepted Accounting Principles in India.

These financial statements comprise the Balance Sheets as at 31st March, 2021 and

31st March 2020, the Statements of Profit and Loss, Statements of Changes in Equity and the Statements of Cash Flows for the year ended 31st March, 2021 and for the year ended

31st March 2020, and a summary of the significant accounting policies and other explanatory information (together hereinafter referred to as "Financial Statements").

The statement of cash flows has been prepared under indirect method.

b) Basis of Measurement

The Company follows the mercantile system of accounting and recognizes incomes and expenses on accrual basis. The accounts are prepared as a going concern and on historical cost basis except for the following:

- Certain financial assets and liabilities are measured at fair value or amortised cost.

- Employee defined benefit assets/liability recognised as the net total of the fair value of plan assets, and actuarial losses/gains, and the present value of defined benefit obligation

c) Functional & presentation Currency

These financial statements are presented in Indian rupees (Rs), which is also the functional currency of the Company.

d) Use of estimates:

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based on its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

i. Defined employee benefit plan (Gratuity):

The cost of the defined benefit gratuity plan and other accumulated leave entitlement and the present value of the gratuity obligation and accumulated leave obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the postemployment benefit obligation.

The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

**ii. Impairment of non-financial assets**

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market

iii. Impairment of investments

The Company reviews its carrying value of investments annually, or more frequently when there is an indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

iv. Inventories

The Company estimates the net realisable value (NRV) of its inventories by taking into account their estimated selling price, estimated cost of completion, estimated costs necessary to make the sale, obsolescence by applying certain percentages over different age category of such inventories, expected loss rate considering the past trend and future outlook. Inventories are written down to NRV where such NRV is lower than their cost.

e) Current and Non current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

2.2 Significant Accounting Policies:**A. Revenue Recognition:**

Effective April 1, 2018, the Company has applied Ind AS 115: Revenue from Contracts with Customers which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue. The impact of the adoption of the standard on the financial statements of the Company is insignificant.

The specific recognition criteria described below must also be met before revenue is recognised:

Sale of goods: Revenue from sale of goods is recognised when a promise in a customer contract (performance obligation) has been satisfied by transferring control over the promised goods to the customer. Control is usually transferred upon shipment, delivery to, upon receipt of goods by the customer, in accordance with the delivery and acceptance terms agreed with the customers. The amount of revenue to be recognised is based on the consideration expected to be received in exchange for goods, excluding trade discounts, volume discounts, sales returns and any taxes or duties collected on behalf of the government which are levied on sales such as sales tax, value added tax, goods and services tax, etc.,

where applicable. Any additional amounts based on terms of agreement entered into with customers, is recognised in the period when the collectability becomes probable and a reliable measure of the same is available.

Rendering of services: Milestone payments and Development/Licensing arrangements

Revenues include amounts derived from product Development/licensing agreements. These arrangements typically consist of an initial up-front payment on inception of the arrangement and subsequent payments dependent on achieving certain milestones in accordance with the terms prescribed in the agreement. Non-refundable up-front license fees received in connection with product out-licensing agreements are deferred and recognised over the period in which the Company has continuing performance obligations. Milestone payments which are contingent on achieving certain clinical milestones are recognised as revenues either on achievement of such milestones, if the milestones are considered substantive, or over the period the Company has continuing performance obligations, if the milestones are not considered substantive.

Interest income: Interest income is recognised with reference to the Effective Interest Rate (EIR) method.

Export benefits, incentives and licenses: Export incentives are recognised as income when the right to receive credit as per the terms of the scheme is established in respect of the exports made and where there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

B. Property, Plant and Equipment.

Items of Property, Plant and Equipment, are measured in the financial statements at cost of acquisition or construction less accumulated depreciation and accumulated impairment. The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates and any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Borrowing costs directly attributable to acquisition or construction of those fixed assets which necessarily take a substantial period of time to get ready for their intended use are capitalised.

Subsequent expenditure related to an item of property, plant and equipment is capitalized only if it enhances the future economic benefits arising from the existing assets beyond its previously assessed standards of performance.

Measurement of any class of Property, Plant and Equipment, for any subsequent periods other than initial recognition period is stated adopting Cost model.

C. Borrowing cost

Borrowing cost includes interest incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

D. Depreciation

Depreciation on property, plant and equipment is provided based on straight line basis on

useful lives of assets as prescribed in Schedule II to the Companies Act, 2013. Depreciation is calculated on a pro-rata basis from the date of installation till the date the assets are sold or disposed. Land is not depreciated.

Software for internal use, which is primarily acquired from third-party vendors and which forms integral part of tangible asset, including consultancy charges for implementing the software, is capitalised as part of the related tangible asset. Subsequent costs associated with maintaining such software are recognised as expenses. The capitalised costs are amortized over the estimated useful life of the software or the remaining useful life of the tangible fixed asset, whichever is lower.

E. Investments:

Investments which are readily realisable and intended to be held for not more than 12 months are classified as current investments. All other investments are classified as long-term investment. Current investments other than financial assets are carried at the lower of cost and fair value. Long-term investments other than financial assets are carried at cost less diminution in value, if any. Investments which are financial assets are valued at their fair value.

F. Impairment of Assets:

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount. In the opinion of the Management, during the year there is no impairment loss.

G. Inventories

- i. Raw materials, packing materials, stores, spares, consumables are valued at cost, after providing for obsolescence, if any or Net realizable Value (NRV) whichever is lower.
- ii. Work-in-progress, finished goods are valued at cost of raw material plus proportionate overheads or Net realizable value whichever is lower as mandated by ICAI. Cost includes all charges incurred for bringing the materials to the location of the manufacturing facilities.

Net realizable value (NRV) is the estimated selling price in the ordinary course of business, reduced by the estimated costs of completion to affect such sale.

H. Foreign exchange transactions and translations

The financial statements are presented in Indian rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

Initial recognition: Foreign currency transactions are recorded in the functional currency, by applying to the foreign currency amount the exchange rate between the functional currency and foreign currency at the date of the transaction.

Conversion: Foreign currency monetary items are reported at functional currency spot rate of exchange at the reporting date. 'Non-monetary items that are measured in terms of

historical cost in a foreign currency are translated using the exchange rates at the dates of the initial

transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

Exchange differences: Exchange differences arising on the settlement of monetary items or on reporting monetary items of the Company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

I. Research & Development Expenditure:

Research costs are expensed as incurred. Development expenditures on an individual project are recognised as an intangible asset when the Company can demonstrate:

- The technical feasibility of completing the intangible asset so that the asset will be available for use or sale
- Its intention to complete and use or sell the asset
- Its ability to use or sell the asset
- How the asset will generate future economic benefits
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development

Acquired research and development intangible assets that are under development are recognised as Intangible assets under development. These assets are not amortised, but evaluated for potential impairment on an annual basis or when there are indications that the carrying value may not be recoverable. Any impairment is recognised as an expense in the statement of profit and loss.

J. Government grants and subsidies

Government grants are recognised when there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is deducted from the related expense. When the grant relates to an asset, it is recognised as deferred income and amortised over the useful life of such assets. The Non-monetary government grants (like MEIS Scrips) are first recognised at Nominal Value and then the difference between the sale proceeds and earlier recognised amount is transferred to statement of profit and loss.

K. Taxes on Income:

Tax expenses for the year comprises of Current tax and deferred tax. Provision for Current taxes made based on the tax rates and tax laws as applicable to the financial year. Provision for Deferred tax on account of timing difference is calculated as per Ind AS-12 ("Income taxes") prescribed by ICAI on the temporary differences (both taxable and deductible

temporary differences) in carrying amount of the assets and liabilities as at the reporting date on the carrying value and the amounts used for taxation purposes. Income tax expense is recognised in the statement of profit and loss except to the extent that it relates to items recognised in the equity, in which case it is recognised in equity.

L. Employee benefits

Short- term Employee Benefits:

Short-term employee benefits are expensed as and when the service is rendered by employee. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Defined Contribution Plan:

The Companies liability towards retirement benefits in the form of Provident Fund and ESIC are considered as defined contribution plan and the contributions are charged to the statement of Profit & Loss during the year when the contributions to the respective funds are due. The company contributes to the employees Provident Fund maintained under Statutory Provident Fund Scheme.

Defined Benefit Plan:

The Company operates defined benefit plans for gratuity. The cost of providing such defined contribution is determined using the projected unit credit method (PUCM). The accruing liability towards Gratuity and other retirement benefits are provided on the basis of Actuarial Valuation made by an independent Actuary. The Company fully contributes all ascertained liabilities to the "Tyche Industries Limited Employees Gratuity Trust" (Trust). Trustees administer contributions made to the Trust through a fund managed by Life Insurance Corporation of India (LIC). The Actuarial gains and losses are recognised immediately in the statement of profit and loss account as income or expense.

M. Financial Instruments:

I. Financial Assets:

i. Initial Recognition and Measurement.

All Financial Assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of Financial Assets, which are not at Fair Value Through Profit and Loss are adjusted to the fair value on initial recognition. Purchase and sale of Financial Assets recognized using trade date accounting.

ii. Subsequent Measurement:

- A financial Asset is measured at Amortized Cost if is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial Asset give rise on specified dates to cash flows that represent solely payments of principal and interest on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or

premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement profit and loss. The losses arising from impairment are recognised in the statement profit and loss. This category generally applies to trade and other receivables, Cash and Bank Balances, Deposits and Loans, etc.

- Financial Assets measured at Fair Value through other Comprehensive Income (FVTOCI)

Financial Assets is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that represents solely payments of principal and interest on the principal amount outstanding.

- Financial Assets measured at Fair Value Through Profit or Loss (FVTPL)

A financial Asset Which is not classified in any of the above categories are measured at FVTPL. Financial Assets are reclassified subsequent to their recognition, if the Company changes its business model for managing those financial assets. Changes in business model are made and applied prospectively from the reclassification date which is the first day of immediately next reporting period following the changes in business model in accordance with principles laid down under Ind AS 109.

This category is generally applied to Investments in equity shares, Investments in units of mutual funds, derivative instruments, investments primarily held for trading purposes.

iii. Impairment of Financial Assets :

In accordance with Ind AS 109, the company uses Expected Credit Loss (ECL) model, for evaluating impairment of Financial Assets other than those measured at Fair Value through Profit and Loss (FVTPL). Expected credit Losses are measured through a loss allowance at an amount equal to--

- The 12 Months expected credit losses (expected credit losses that result from all those default events on the financial instrument that are possible within 12 months after the reporting date.); or
- Full life time expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument.)

For trade receivables the Company applies "Simplified approach" which requires expected lifetime losses to be recognized from initial recognition of the receivables.

The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward – looking estimates are analysed.

For other assets, the company uses 12-months ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full life time ECL is used.

**II. Financial Liabilities:****i) Initial Recognition and Measurement**

All Financial Liabilities are recognized at fair value and in case of borrowings, net of directly attributable cost, fees of recurring nature and directly recognized in the statement of Profit and Loss as finance cost.

ii) Subsequent Measurement:

Financial Liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

N. Provisions

A provision is recognized when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

O. Contingencies

Provision in respect of loss contingencies relating to claims, litigations, assessments, fines and penalties are recognised when it is probable that a liability has been incurred and the amount can be estimated reliably.

P. Dividend distribution to equity holders

The Company recognises a liability to make dividend distribution to equity holders when the distribution is authorised, and the distribution is no longer at the discretion of the Company. As per the Corporate laws in India, a final dividend distribution is authorised when it is approved by the shareholders whereas for interim dividend when authorised by board. A corresponding amount is recognised directly in other equity.

**32. Fire Accident at Factory Premises and Insurance Claim.**

An accident occurred in the factory premises of the company on 11th March, 2021. This had resulted in loss of lives of two employees and damaged a section of the plant and machinery in a block along with certain inventories. The accident occurred due to operational assessment error committed by the deceased employees leading to a safety lapse and hence the accident. Consequent to occurrence of the said accident the manufacturing operations of the factory were closed temporarily from 13th March 2021 based on the prohibitory order issued by the Deputy Chief Inspector of Factories. The partial Relaxation to such prohibitory orders were issued on product-by-product basis. Company has complied with HAZOP recommendations stipulated under such prohibitory order and reported back.

The expenses incurred in this regard has been captured as Exceptional item under the Statement of Profit and Loss account for year under report.

The company has covered all risks under the Insurance policy in place, including the reinstatement clause in case of any accidents. The concerned department and the insurance company officials are carrying out their processes to ascertain the damage and the conclusion on the same is expected to be arrived shortly. Once the conclusion is arrived, the necessary write off of assets and the recognition of the Insurance claim receivable will be done accordingly.

No further liability apart from the amount provided under exceptional item.

33. Contingent liabilities

A contingent liability is possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably.

36. IMPACT OF COVID-19:

The financial year 2020-21 started with COVID 19 related lockdown restrictions in India and several parts of major countries. The pandemic which started about 15 months back impacted almost everyone across several sectors of activities. There were challenges around movement of people and all the business operations were impacted. As a result, most of the businesses are dealing with decline in revenues and also disrupted supplies. The disruption to supply chains due to factory shutdowns globally has already exposed the vulnerabilities of many organizations. However, as the Company operates in the industry that is considered under essential services, the operations were continuing during lockdown by taking appropriate measures.

The Company considered the uncertainty relating to the COVID-19 pandemic in assessing the recoverability of receivables, investments, inventories and other financial assets. For this purpose, the Company considered internal and external sources of information up to the reporting date of these financial statements. The Company has also used the principles of prudence in applying judgements, estimates and assumptions including sensitivity analysis and based on the current estimates, the Company is of the opinion that it can fully recover the carrying amount of receivables, investments and other assets.

As the outbreak continues to evolve, the Company will continue to closely monitor any material changes to future economic conditions. The eventual outcome of the impact of the global health pandemic on the operations of the company may be different in future, from those estimated as on the date of approval of these Financial Statements.

The Company's activities expose it to variety of financial risks, foreign currency risk, interest rate risk, credit risk, commodity price risk and liquidity risk. Within the boundaries of approved Risk Management Policy framework, the Company manages the volatility and minimize the adverse impact on its financial performance.

i) Credit Risk:

Credit Risk is the risk that a customer fails to perform or pay the amounts due causing financial loss to the company. Credit risk arises from dealing in derivatives, receivables from customers and other financial instruments. The company maintains that, Credit Risk is actively managed through continuous follow up with the parties and Credit information is regularly shared between business and financial function, with a framework in place to quickly identify respond and recognize cases of credit deterioration.

ii) Liquidity risk

Liquidity risk arises from the Company's inability to meet its cash flow commitments on the due date. The company's liquidity is managed centrally with all the departments forecasting their cash and liquidity requirements. Management monitors rolling forecasts of the company's cash flow position to ensure that the company is able to meet its obligation.

iii) Market Risk

a. Foreign Currency Risk

The fluctuation in foreign currency exchange rates may have potential impact on the statement of profit or loss, where any transaction references more than one currency or where assets / liabilities are denominated in a currency other than the functional currency of the Company. The Company is subject to foreign exchange risk primarily due to its foreign currency revenues, expenses and borrowings. Considering the countries and economic environment in which the Company operates, its operations are subject to risks arising from fluctuations in exchange rates in those countries. The risks primarily relate to fluctuations in US Dollar, Euro and GBP against the functional currency of the Company.

The company's exposure to currency risk as at 31.03.2021 is as follows

Particulars	Amount in USD (as at 31-03-2021)

Financial Liabilities	
Trade payables	1,00,546
Net Exposure in Financial Liabilities	1,00,546
Net Exposure in respect of recognised assets/(liabilities)	8,55,117

**b. Interest Rate Risk:**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in market interest rates. The Company is not exposed to any interest rate risk as currently there are no borrowings made by the company and also the interest-bearing assets held by the company are short term (maturity within 12 months) and are substantially independent of change in market interest rates.

c. Commodity Price Risk:

Commodity price risk arises due to fluctuation in prices of the major imported raw materials and other products. The company has a risk management framework headed by the managing director, aimed at prudently managing the risk arising from the volatility in commodity prices and freight costs.

38. Segment Reporting:

- i. Company's operations are predominantly related to the manufacture and processing of bulk drugs & intermediates, as such there is only one primary reportable segment. Secondary reportable segments are identified taking into account the geographical markets available to the products, the differing risks, returns and internal reporting system. Hence the segmental reporting is based on Domestic and Export sales.
- ii. As a part of secondary reporting, revenues are attributed to geographical areas based on the location of customers as detailed below:
