**Commenting on the Business Outlook, Ms. Suprita Reddy, MD & CEO said**

*"Vijaya reported a robust Q3 FY26 delivering a strong revenue growth of ~21.4%, supported by volume growth of nearly ~15%. Importantly, revenues also surpassed Q2 in absolute terms, a notable achievement considering Q3 is traditionally impacted by festive and seasonal softness.*

*During the quarter, we expanded our network with the successful commissioning of new hub centres in Phoolbagan and Diamond Harbour, increasing our hub footprint in West Bengal to seven. Additionally, two new hub centres were commissioned in our core markets of Khammam and Nandyal.*

*I am pleased to share that both hub centres launched in Q1 FY26 in West Bengal—Krishnanagar and Barasat—achieved break-even within just three quarters of commencing operations, well ahead of the projected timeline of one year.*

*We have also strengthened our leadership team with the addition of a CFO, CTO, and COO, along with key hires across our clinical and corporate functions.*

*Moving forward, our key areas of focus would be stabilisation of the newly launched hubs, commissioning multiple spokes across our network, continued investment in latest technology to provide better customer experience and building strong brand equities in these new geographies.”*
