Disclaimer

This presentation and the accompanying slides (the “Presentation”), which has been prepared by Jindal Stainless Limited (referred to “respective company (ies)”) for this joint earning presentation, are purely for information purposes only and is not, and is not intended to be, an offer, or solicitation of offer, or invitation or recommendation or advise to buy or sell or deal with any securities of the company, and shall not constitute an offer, solicitation or invitation or recommendation or advise to buy or sell or deal with any securities of the respective Company in any jurisdiction in which such offer, solicitation or invitation or recommendation or advise is unlawful or in contravention of applicable laws. No part, or all, of this Presentation shall be used or form the basis of, or be relied on or referred to in connection with, any contract or investment decision in relation to any securities of the respective Company. This Presentation is strictly informative and relating to the financial conditions, internal functioning, day to day operations, future events and projections etc. of the Company and this presentation shall not be used or relied upon or referred to in whole or in part, for any purpose whatsoever. The information in this Presentation is being provided by the respective company and is subject to change without any notice or liability. This Presentation has been prepared by the respective company based on information and data which it considers reliable, but it makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, veracity, fairness, integrity, sufficiency and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and exhaustive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded. This Presentation contains statements about future events and expectations that are forward-looking statements. These statements typically contain words such as "expects" and "anticipates" and words of similar import. Any statement in this Presentation that is not a statement of historical fact is a forward-looking statement that involves known and unknown risks, uncertainties, contingencies and other factors which may cause our actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. None of the future projections, expectations, estimates or prospects in this Presentation should be taken as forecasts or promises nor should they be taken as implying any indication, assurance or guarantee that the assumptions on which such future projections, expectations, estimates or prospects have been prepared are correct or exhaustive or, in the case of the assumptions, fully stated in the Presentation. The respective Company assume no obligations or responsibility to update the forward-looking statements contained herein to reflect actual results, changes in assumptions or changes in factors affecting these statements. You unconditionally and irrevocable acknowledge and undertake that you will be solely responsible for your own assessment of the market, the market position, the business and financial condition of the respective company and that you will conduct your own analysis and be solely responsible for forming your own view of the potential future performance of the business of the respective company . All the risks, liabilities or consequences arising out of or consequent to the use of or reliance on or reference to this Presentation and/or acting on the basis of the analysis/views formed by you, shall be solely borne by you. This Presentation speaks as of the date mentioned herein. Neither the delivery of this Presentation nor any further discussions of the respective Company with any of the recipients shall, under any circumstances, create any implication that there has been no change in the affairs of the respective company since that date.

Market Update

Process Industry

- The Oil & Gas, Power, and Water sectors continue to see steady demand, with minor headwinds from fuel and gas disruptions and geopolitical factors.
- Additionally, emerging applications across Chemicals & Fertilizers, Hydroelectric projects, the Dairy segment, and Thermal Power Plants are expected to strengthen industry growth going forward.

Automobiles

- Despite global disruptions starting, the domestic automobile market demand remained resilient, enabling the segment to close the year with strong overall performance.
- Outlook for FY27 remains positive, aided by overall industry growth.

Railways – wagons, coaches metros

- Healthy coach demand in Q4 FY26, driven by Vande Bharat sleeper trainsets, Metro and Indian Railways' shift from ferritic to austenitic stainless steel
- Amrit Bharat coaches is expected further to boost stainless steel demand going forward
- Wagon led SS demand impacted by ongoing wheel shortage

Infrastructure

- Stainless steel usage in infrastructure—particularly in flyovers, ROBs, and FOBs is on the rise, supporting demand growth. The outlook remains positive, especially across coastal regions
- Lift and elevator demand remains strong, driven by ongoing urbanization and infrastructure development, and rising demand for efficient vertical transportation systems.

Pipes & Tubes

- Sector witnessed positive demand in Q4 FY26, on back of increased construction activates.
- Positive domestic demand outlook for FY27 as well.

About Us:

India's leading stainless steel manufacturer, Jindal Stainless, had an annual turnover of INR 42,955 crore (USD 4.86 billion) in FY26 and is ramping up its facilities to reach 4.2 million tonnes of annual melt capacity in FY27. It has 16 stainless steel manufacturing and processing facilities in India and abroad, including in Spain and Indonesia, and a worldwide network in 12 countries, as of March 2026. In India, there are ten sales offices and six service centres, as of March 2026. The company's product range includes stainless steel slabs, blooms, coils, plates, sheets, precision strips, wire rods, rebars, blade steel, and coin blanks.

Jindal Stainless relies on its integrated operations to enhance its cost competitiveness and operational efficiency. Founded in 1970, Jindal Stainless continues to be inspired by a vision for innovation and enriching lives and is committed to social responsibility.

Jindal Stainless remains focused on a greener and sustainable future. The company manufactures stainless steel using electric arc furnace, a process that significantly reduces greenhouse gas emissions and allows for recyclability of scrap without compromising on quality.
