Commenting on Company's performance, Mr. K. A. Joseph, Managing Director & Co-Founder, SJS Enterprises Limited, said, "We are pleased to conclude FY2025 with another quarter of consistent performance, marking the 22nd consecutive quarter of SJS outperforming the underlying automotive industry growth. Our diversified product portfolio and focus on premium offerings have continued to strengthen our position across key customer segments.

During the year, we achieved significant milestones, including surpassing ₹2,000 million in quarterly revenue for the first time and maintaining strong profitability despite market headwinds. Our operational focus, coupled with prudent financial management, resulted in healthy cash flow generation and a strong net cash position at year-end.

On the strategic front, our capacity expansion initiatives are progressing well, with the SJS Decoplast facility on track for commissioning in H1FY26 and work in progress for optical cover glass facility at Hosur. This will further enhance our manufacturing capabilities and support the growing demand for next-generation premium products.

As we move into the next phase of growth, we remain committed to innovation, operational excellence, and building long-term value for all our stakeholders."

Commenting on Company's performance, Mr. Sanjay Thapar, Executive Director & Group CEO, SJS Enterprises Limited, said, "We are pleased to report another strong quarter of growth in Q4FY25, building on our consistent track record of outperforming the automotive industry. We are glad to announce the addition of Hero MotoCorp as a customer. We have secured significant orders from Hero in April 25, with this SJS is now a supplier to all major two-wheeler OEMs in the industry. This is a major milestone that reaffirms our leadership position in the market.

Furthermore, we have seen strong progress in passenger vehicles and consumer segment, which have been key drivers of our overall growth. Our strong performance validates our strategic focus on premiumization and operational excellence.

New generation products already contribute ~28% to our overall revenue. Our capacity expansion at SJS Decoplast and WPI and new product facility at Hosur will support our ability to meet growing demand and reinforce our leadership in the premium products space. We look forward to the new opportunities, these initiatives will unlock in the coming quarters.

As we look ahead, our organic growth strategy remains focused on expanding our global footprint, deepening relationships with mega customers and introducing next-generation products. With our strong financial position, we are well placed to explore new opportunities of inorganic growth.”
