The resolution as set out in Item no. 6 of this Notice is accordingly commended for your approval.

Item No.7

Based on the recommendations of the Nomination, Remuneration and Compensation Committee, the Board of Directors of the Company have appointed Mrs. Sukanya Kripalu as an Additional Director (Independent) of the Company to hold office for a period of five consecutive years, not liable to retire by rotation, subject to consent by the Members of the Company at the ensuing Annual General Meeting ("AGM").

As an Additional Director, Mrs. Kripalu holds office till the date of the AGM and is eligible for being appointed as an Independent Director. The Company has received a notice pursuant to Section 160 of the Companies Act, 2013 ("the Act") together with the requisite amount of deposit from a Member signifying his intention to propose the appointment of Mrs. Kripalu as a Director of the Company. The Company has also received a declaration from Mrs. Kripalu confirming that she meets the criteria of independence as prescribed under the Act and the Listing Agreement. Mrs. Kripalu is also not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given her consent to act as a Director of the Company.

In the opinion of the Board, Mrs. Kripalu fulfils the conditions for her appointment as an independent director as specified in the Act, the Rules made thereunder and the Listing Agreement and she is independent of the management.

Mrs. Sukanya Kripalu is a graduate from St. Xavier's college and alumni of the India Institute of Management, Calcutta. She specialises in the field of marketing, strategy, advertising, market research amongst others. Her experience includes working with leading corporates like Nestle India Limited, Cadbury India Limited and Kellogg India. She was CEO of Quadra Advisory and is presently Director at Sukanya Consulting. Considering her vast experience, her presence on the Board will be of immense value to the Company.

A copy of draft letter of appointment for independent directors, setting out terms and conditions for appointment of independent directors is available for inspection by the Members at the Registered Office of the Company during business hours on any working day and is also available on the website of the Company www.ultratechcement.com.

None of the Directors, Key Managerial Personnel and their relatives, except Mrs. Sukanya Kripalu and her relatives are concerned or interested in the said resolution.

The resolution as set out in Item no. 7 of this Notice is accordingly commended for your approval.

Item No. 8

Based on the recommendations of the Nomination, Remuneration and Compensation Committee, the Board of Directors of the Company have appointed Mrs. Renuka Ramnath as an Additional Director (Independent) of the Company to hold office for a period of five consecutive years, not liable to retire by rotation, subject to consent by the Members of the Company at the ensuing Annual General Meeting ("AGM").

As an Additional Director, Mrs. Ramnath holds office till the date of the AGM and is eligible for being appointed as an Independent Director. The Company has received a notice pursuant to Section 160 of the Companies Act, 2013 ("the Act") together with the requisite amount of deposit from a Member signifying his intention to propose the appointment of Mrs. Ramnath as a Director of the Company. The Company has also received a declaration from Mrs. Ramnath confirming that she meets the criteria of independence as prescribed under the Act and the Listing Agreement. Mrs. Ramnath is also not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given her consent to act as a Director of the Company.

In the opinion of the Board, Mrs. Ramnath fulfils the conditions for her appointment as an independent director as specified in the Act, the Rules made thereunder and the Listing Agreement and she is independent of the management.

Mrs. Renuka Ramnath is one of the most experienced private equity fund managers in India with a full cycle track record of investing capital raised from institutions of global repute. She played a pivotal role in shaping the Indian private equity market both in terms of leading pioneering investments as well as opening new pockets of capital for investment into India.

Mrs. Ramnath successfully built several businesses in the ICICI Group including Investment Banking, e-commerce and private equity. Mrs. Ramnath turned an entrepreneur to set up Multiples in 2009. Multiples is a \$400 million independent private equity fund that has the rare distinction of being backed by 15 Indian and global institutions.

A copy of draft letter of appointment for independent directors, setting out terms and conditions for appointment of independent directors is available for inspection by the Members at the Registered Office of the Company during business hours on any working day and is also available on the website of the Company www.ultratechcement.com.

None of the Directors, Key Managerial Personnel and their relatives, except Mrs. Renuka Ramnath and her relatives are concerned or interested in the said resolution.

The resolution as set out in Item no. 8 of this Notice is accordingly commended for your approval.

be disclosed in terms of the provisions of Secretarial Standard on General Meetings form part of this Notice.

Mr. Puranmalka is not related to any Director or Key Managerial Personnel of the Company.

None of the Directors, Key Managerial Personnel or their relatives, except Mr. O. P. Puranmalka and his relatives are concerned or interested in the resolutions.

The resolutions as set out in item Nos. 9 and 10 of this Notice are accordingly commended for your approval.

Item Nos. 11 and 12

Based on the recommendation of the Nomination, Remuneration and Compensation Committee, Mr. Dilip Gaur was appointed as an Additional Director on the Board of the Company with effect from 15th October, 2014 to hold office up to the date of the ensuing Annual General Meeting. He was also appointed as the Whole-time Director of the Company (designated as Deputy Managing Director) with effect from 15th October, 2014, subject to the approval of the Members.

Mr. Gaur joined the Aditya Birla Group in November 2004 as the Country Head and President for the Group's Businesses in Malaysia, before moving to Alexandria Carbon Black Company as its Managing Director in 2007. In February 2008, Mr. Gaur was appointed as Group Executive President and Unit Head of Birla Copper with the Manufacturing, Sales Marketing, Finance & Commercial and all other Unit functions of Birla Copper reporting to him.

Prior to joining the Aditya Birla Group, Mr. Gaur had been with Hindustan Lever Ltd. for over 24 years. He started his career with Engineers India Ltd. Mr. Gaur holds a degree in B. Tech (Chemical Eng.). The Company has received a notice pursuant to Section 160 of the Companies Act, 2013 (the "Act") along with the amount of requisite deposit from a Member signifying his intention to propose the appointment of Mr. Dilip Gaur as a Director of the Company.

The remuneration and other terms and conditions of Mr. Gaur's appointment as Whole-time Director (designated as Deputy Managing Director) as set out in the resolution is subject to your approval.

In terms of the provisions of Employee Stock Option Scheme-2013, 15,042 Stock Options and 5,313 Restricted Stock Units have been granted to Mr. Dilip Gaur during the year. Mr. Gaur is a member of the Company's Risk Management Committee. Other details required to be disclosed in terms of the provisions of Secretarial Standard on General Meetings form part of this Notice.

Mr. Gaur is not related to any other Director and Key Managerial Personnel of the Company.

None of the Directors, Key Managerial Personnel and their relatives except Mr. Dilip Gaur and his relatives are concerned or interested in the said resolution.

The resolution as set out in Item nos. 11 and 12 of this Notice is accordingly commended for your approval.

Item No. 13

Section 42 of the Companies Act, 2013 read with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 requires any offer or invitation for subscription of redeemable Non-Convertible Debentures (NCDs) and its issuance on private placement basis to be approved by the Members by way of a special resolution. The Rules provide that the said special resolution must be passed in respect of all offers / invitation for the NCDs to be issued during a year.

In order to augment resources for, inter alia, the on going capital expenditure and / or refinancing / repayment / prepayment of existing loans and / or for general corporate purposes, the Company may offer or invite subscription for secured / unsecured redeemable NCDs, in one or more series / tranches on private placement basis, issuable / redeemable at discount / par / premium.

Accordingly, the approval of the Members is being sought by way of a special resolution as set out in Item No.13 of this Notice authorising the Board of Directors (hereinafter referred to as "the Board" which term shall be deemed to include any Committee of the Board) of the Company to issue up to an amount not exceeding ₹ 9,000 crores (Rupees nine thousand crores only) on a private placement basis, at a discount or at par or at a premium and at such interest rate as may be appropriate considering the prevailing money market conditions at the time of issuance, during a period of one year from the date of passing of this resolution.

The Board accordingly commends the resolution set out at Item No. 13 of the Notice for your approval. None of the Directors, Key Managerial Personnel

of the Company or their relatives are, in any way, concerned or interested in the said resolution.

Dr. Sarala Birla

was an iconic humanitarian.

A highly progressive person, she was way ahead of the times.

An educationist, a philanthropist, a patron of the arts, Dr. Sarala Birla was exemplar of all that is best in mankind.

Her legacy of values will be cherished forever.

Dear Shareholder,

The global scenario

The year 2014-15 continued to be a challenging year. The global economic growth was 3.4%, unchanged over the previous year. The world's largest economy, the US, saw better growth, while the countries in the Euro zone registered marginal growth. There was a marked slowdown in China, and Japan witnessed near stagnation.

The key factors that affected the global economy included a steep decline in oil and commodity prices, and monetary easing by central banks in the US, EU and Japan. The global financial markets experienced heightened volatility, largely due to expectations of a tightening of monetary policy by the US Federal Reserve. The impasse on resolving the debt crisis in Greece added to the uncertainty. Geopolitical risks compounded the situation.

The IMF has projected economic growth at 3.3% in 2015, marginally lower than the growth recorded in 2014.

The domestic scenario

Among all the developing economies, India was a notable exception, with growth increasing to 7.3% in 2014. Agriculture recorded a growth of only 0.2%, given the subnormal monsoon. This was compensated by a more vigorous manufacturing sector, which grew at 7.1% in FY2014-15, compared to 5.3% in FY2013-14. Headline inflation fell sharply to 5%.

"With the acquisition of the Gujarat assets coupled with the commissioning of brownfield expansions at Rajashree Cement in Karnataka, your Company's cement capacity has risen to 63 million tons from 57 million tons in the previous year."

On the external front, India's vulnerability has reduced with the current account deficit contained at below 2% of GDP and a relatively stable currency. The monetary policy through the year was largely accommodative.

A slew of initiatives reinforced the positive macro factors. One must particularly mention the deregulation of diesel prices, reforms in the coal and mineral sectors, measures to boost FDI, and faster environmental clearances. The buoyant investor sentiment was manifest in capital inflows of \$73 billion. As infrastructure projects get off the ground, the prospects for a revival of the capital investment cycle seem very strong.

Commendable performance by your Company

These developments on the global and domestic front have impacted your Company's overall performance. Regardless, your Company attained a turnover of \$3.7 billion (* 22,656 crores) and an EBIDTA of \$747 million (* 4,567 crores), a growth of 10% and an EBIDTA margin of 20%, which is commendable.

I am also pleased to apprise you on the impending acquisition of Jaiprakash Associates Limited's (JAL) plants in Madhya Pradesh. These units have a capacity of 4.9 MTPA, a surplus of 1.3 MTPA of clinker, together with a thermal power generation capacity of 180 MW. In this context, the Scheme of Arrangement between your Company and JAL has met with the approval of their shareholders and creditors, and the Competition Commission of India, as well. The transaction is now subject to approval from the High Courts and other Regulatory bodies.

With the addition of 73 MW to your Company's power capacity during the year, the total power capacity stands raised to 754 MW. Your Company bid successfully for the Bicharpur coal mines, having coal reserves of 29.12 million metric tonnes. This will accord fuel security for nearly 10% of our existing coal requirements.

With the acquisition of the Gujarat assets of Jaypee Cement, coupled with the commissioning of brownfield expansions at Rajashree Cement in Karnataka, your Company's cement capacity has risen to 63 MTPA from 57 MTPA in the previous year.

"We have had a good year at the Group level. Our Group's consolidated revenue crossed the Rupees 2.5 trillion mark, setting a new milestone."

In the next fiscal, with the acquisition of JAL's MP units, we expect your Company's installed capacity to scale up to 74 MTPA.

Though the cement sector witnessed a tepid growth during FY2014-15, I am confident of its growth prospects going forward, given the solid footing on which the industry stands.

Outlook

The Government's focus on infrastructure development, housing sector, smart cities and roads, among others, bodes well for your Company. UltraTech is well positioned across the country to meet the expected rise in demand and actively participate in the country's next phase of growth.

To our teams

I would like to acknowledge the contribution of our teams in India and across the world. I believe, it is our people, who underpin everything else. They are the ultimate reason why we meet with success, in the face of all odds, year after year. Their commitment and dedication is beyond words.

The Aditya Birla Group: In perspective

We have had a good year at the Group level. Our Group's consolidated revenue crossed the Rupees 2.5 trillion mark, setting a new milestone. We are up 9% over the last year. In dollar terms as well, regardless of the ups and downs in foreign currency, we reported revenues of \$41 billion, an 8% rise. Over 50% of our Group's revenues flow in from our global operations.

I believe, that the bottom line and the cash in the till is a greater parameter to gauge performance rather than simply revenues. On this score too, we have done well.

Our EBIDTA in Rupee terms is an impressive `322 billion, again an increase of 9% vis-à-vis FY14. In dollar terms, we achieved an EBIDTA of \$5.25 billion, reflecting an 8% rise over that of the last year.

I deeply believe that building our future can only be possible by building more leaders and through people

development processes. Towards this, our endeavours continue to deliver results. Two of our programmes deserve a special mention. "Cutting Edge" – our leadership programme targeted at developing P&L leaders and "Turning Point" – aimed at building cost centre leaders and unit heads, have proved very promising. Over 70 talented managers have graduated from these programmes and have taken on leadership roles at senior levels.

At the same time, our senior leaders are being actively encouraged to take on cross business roles to gain multisectoral experience.

We have a bench strength of over 250 youngsters who joined us 5 years ago as Group Management Trainees, and Leadership Associate Programme (Lead) and Leadership Programme for Experienced (Leap) members, who have demonstrated great potential and grown significantly. Some of them are already in key positions. I hope to see many of them occupy positions of critical importance in our businesses in the near future. As part of our globalisation agenda, we have also been recruiting both interns and Lead and Leap participants from renowned International Business Schools.

Similarly, our "GMLP" – Global Manufacturing Leadership Programme, aimed at reinforcing our technical and manufacturing strength is paying a rich dividend. The Aditya Birla Group is being increasingly viewed as the most aspirational place for manufacturing professionals in India.

Our focus on gender diversity and creating enabling policies and programmes to ensure that we provide a conducive, encouraging and an equitable place for women to thrive and excel is gaining momentum. We have launched "Spring Board", the accelerated women's leadership development programme, designed for high calibre women managers. Currently, we have more than 150 women positioned at middle management and senior management levels.

Gyanodaya, our in-house world-class university, has aligned with the best-in-class global business schools,

"Our focus on gender diversity and creating enabling policies and programmes to ensure that we provide a conducive, encouraging and an equitable place for women to thrive and excel is gaining momentum."

"We are humbled that for the third year running, our Group has been ranked No.1 in the Nielsen Corporate Image Monitor 2014-15. We have emerged as 'Best in Class' across most of the pillars."

professors and consultants among others. Many of our best talent is also enlisted for short-term courses at these institutions. Such a cross pollination and stoking of the intellect enables us move with the times.

Ranked No. 1 in the Nielsen Corporate Image Monitor

We are humbled that for the third year running, our Group has been ranked No.1 in the Nielsen Corporate Image Monitor 2014-15. We have emerged as 'Best in Class' across most of the pillars. This is a remarkable vote of confidence by the stakeholder constituency in our leadership teams. It is a testament to our "Group brand, governance standards, transparency, customer primacy and CSR engagement. The six pillars of Corporate Image on which organisations are engaged comprise of Vision and Leadership, Product & Service quality, Workplace Management, Financial Performance, Operating style and Social responsibility".

Nielsen's Corporate Image Monitor measures the reputation of the 42 leading companies in India across sectors (based on the Bombay Stock Exchange list and the Economic Times Ranked Top 50 Companies) and "the findings serve as an important indicator of the strength of the corporate brand".

In sum

We are gearing to ensure that we have the right talent at the right time and at the right place for each of our businesses. Additionally, enhancing customer centricity and excellence capability by developing customer value propositions that are unmatched, stepping up the focus on R&D to increase the share of value-added products across businesses, are our focus areas. The thrust on digitisation across our business processes and using analytics and big data continue. These are our steps towards accelerating top-line and bottom-line growth and enhancing stakeholder value.

Yours sincerely,

Kumar Mangalam Birla

UltraTech Cement translates every dream and aspiration into a beautiful reality.

Build beautiful

The built environment around us plays a key role in bringing joy, pride and a sense of well-being.

Today, every new home or hotel, hospital or school strives to be aesthetic and beautiful – a reflection of the creator's personality and a statement of style.

At UltraTech Cement, we power and encourage engineers and home owners to build beautiful structures that are not only strong and durable, but those that reflect the creator's aspirations in a new and resurgent India.

Build beautiful Brand

UltraTech's modern day journey began when the Aditya Birla Group acquired a large cement business in 2004. The acquisition created a pan-India entity with a wide reach and presence, adding tremendous value and volume to the company. UltraTech is today the youngest and one of the most dynamically growing cement companies in India. In a span of one decade, UltraTech has emerged as the front-runner, with the distinction of being 'first' and 'largest' in many areas:

Largest manufacturer of grey cement. Leader in Ready Mix Concrete (RMC)

> First to deploy Vehicle Tracking System for assured logistics

Largest white cement producer

First and the only cement company in India to have 1,000 retail outlets that stock primary construction materials

First to address the aesthetic and style needs of engineers and architects through its *Build beautiful* campaign

Quickest recognition as Power Brand and Super Brand in cement

UltraTech Cement's

Build beautiful
campaign exhorts
engineers, home
builders and architects
to build aesthetically,
to go beyond strength
and durability, which
is a given in our
products.

UltraTech has always been proud of its part in nation-building and creating lasting relationships. In just six years after it was launched, the UltraTech brand became a Super Brand. It is also one of Asia's Most Promising Brands – making it one of the youngest brands in India to achieve this feat.

The brand is an energetic and eclectic mix of modernity, quality and technological superiority.

From the beginning, the brand was positioned as the expert for all construction needs. It resonates around the real-life hero – the engineer, who contributes greatly to nation-building.

The readily recognisable image of an engineer with a yellow helmet recommending UltraTech Cement instantly reinforces assurance by associating with a knowledgeable expert.

With UltraTech Cement, engineers and architects can now unleash their imagination and creativity and build beautiful structures and homes – each a uniquely different statement of style.

At UltraTech, we also have a basket of products like coloured and speciality concretes, lightweight AAC blocks, waterproofing solutions and Wallcare putty that help our customers to make their buildings aesthetic and good looking.

In just six
years after it
was launched,
UltraTech has
achieved the status
of a Super Brand.

Build beautiful

Plants

Our plants provide a solid foundation for strong manufacturing capacities.

As engineers stretch the limits of imagination, UltraTech's products enable them to give concrete shape and structure to their creativity. We have consistently invested in our factories, quality control and research to ensure we are *The Engineers' Choice* as they build beautiful structures and homes that dot a new India.

In just over a decade, UltraTech Cement has increased its capacity from 17 Million Tonnes Per Annum (MTPA) to 63 MTPA.

Today, we are present in five countries with 12 integrated plants, 1 clinkerisation plant, 16 grinding units and 6 bulk terminals in our grey cement operations.

With 100 Ready Mix Concrete (RMC) plants in 35 cities in India, UltraTech Cement is also the largest manufacturer of concrete in India.

Birla White, the leading brand for white cement in India, has a capacity of 0.6 MTPA. Our two Wallcare putty plants have a combined capacity of 0.8 MTPA.

UltraTech's modern manufacturing units are accredited with the highest quality standards and certifications such as ISO 9001, ISO 14001 and OHSAS 18001.

We have value-engineered our manufacturing capabilities and capacities to move closer

to our customers. By locating our grinding units at close proximity to customers, UltraTech cement is delivered fresher, faster and on-demand.

Our greenfield projects are commissioned using the Integrated Project Management Systems headed by a pool of experts at the corporate office. They work with the site execution team, passing on decades of experience and expertise to shorten the learning curve. This ensures that projects are delivered safely, within time and within budget.

As the largest cement producer in India, we continually strive to play a key role in finding effective and responsible ways to preserve the environment. Our focus areas include alternative fuels, waste heat recovery systems, CO2 emission reduction, waste management, water recycling and bio-diversity management.

UltraTech Cement plants are highly energy efficient. Our focus on higher productivity, value engineering, inspired workforce and deep relationships with our stakeholders has proved that it is possible to be cost conscious as well as quality conscious.

At UltraTech Cement, we have always been wise-spenders. Every rupee that is spent is done so with utmost care and after a detailed analysis. Every rupee that is invested is aimed at creating maximum value for the stakeholders of the company.

Today, UltraTech Cement has one of the lowest debt to equity ratios. This low gearing gives us the readiness to raise more capital for expansion. It also allows us the leverage to close in on any acquisition opportunities in the marketplace.

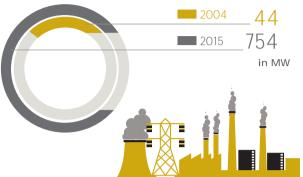

CEMENT CAPACITY

Manufacturing is at the core of UltraTech. The company has been progressively ramping up its manufacturing capacity over the last decade.

POWER GENERATION

From 44 MW in 2004 to 754 MW in 2015, of which 37 MW is power generated using Waste Heat Recovery System (WHRS), as well as solar and wind power.

People

The new and young of India are confident and capable, talented and focussed, determined and daring. They are the power that propel organisations.

In today's dynamic world defined by hyper competition and high performance, our people are our most valuable resource. At UltraTech Cement, we have always believed that at the heart of our success lie the efforts and enterprise, initiative and inspiration of our 14,000+ colleagues. The Human Resource function plays a key role in the overall business strategy of the company.

From recruiting the right talent to mentoring future leaders, from nurturing techno-managers to grooming subject matter experts, from cascading knowledge to creating a culture of values and competitiveness, we are committed to our people, and our people are committed to us.

The MARGDARSHAN initiative was started in 2013 inspired by the ancient Vedic system of learning where a GURU (teacher) shares his knowledge and experience with the SHISHYA (student). It is a one-to-one competency building programme where domain experts, called 'Dronas' (masters), help improve the technical skills of field level engineers, called 'Arjunas' (trainees).

MARGADARSHAN was piloted as an eight-month programme at Aditya Cement Works with 20 Dronas training 60 Arjunas. The programme was a remarkable success, and MARGADARSHAN has now been rolled out at all the units of UltraTech Cement.

MANAGING TALENT

Managing talent in a dynamically growing organisation requires a different approach. At UltraTech, our talent management strategy is based on four tenets:

A CULTURE OF MERITOCRACY

Performance forms the core of culture at UltraTech. It is only merit that matters. Our Development Assessment Centre (DAC) identifies the right talent for the right role. Appraisals are merit-based on an annual framework consisting of both

self-appraisal and supervisor assessment.
Leadership development programmes like 'Step Up', 'Turning Point' and 'The Cutting Edge' constantly groom and nurture future leaders.

TRANSPARENCY & RESPONSIVENESS

At UltraTech, we firmly believe that it is our employees who provide us with the best feedback that enables us to evolve and emerge as employers of choice. Transparency is practised via a strong two-way internal communication process that fosters sharing, collaboration and

innovation. From company intranet and e-mailer campaigns to townhalls and mass communication meetings, we engage with our employees in meaningful dialogues that enrich their work and add value to the organisation.

EXCELLENCE THROUGH LEARNING

Learning and Development is critical to help our employees as they progress through

various stages of their career. Through our e-learning modules, management cadre employees can participate in an online MBA course from U21 Singapore without taking a break from work.

We have more than 80 employees who are currently pursuing a degree in technical subjects with our partner, Birla Institute of Technology and Science (BITS). High performers with exceptional functional expertise in areas like mining, coolers and thermal plant are selected to become Technology Leaders.

CULTURAL

The UltraTech family today is multi-cultural, multi-lingual and multi-ethnic. We endeavour to provide a fertile ground where this global workforce can grow

and excel. Encouraging local employment and enhancing gender diversity are the key focal points. We have a ZERO TOLERANCE towards sexual harassment with gender sensitivity workshops conducted regularly for employees.

A common set of values – Integrity, Commitment, Passion, Seamlessness and Speed act as the glue that binds the organisation. They serve as a beacon for our actions and reinforce our focus on ethics and how we do things, making the process as important as the outcome.

Sustainable World

The safety of our people and a concern for the environment underline our sustainability practices

SAFETY

Safety has been adopted as a core belief at UltraTech and is the first consideration while taking any business decision. We focus on the safety of all our stakeholders - employees, contractors, suppliers and communities. We have in place 29 critical standards that are mandatory at all our facilities. Safety perception surveys and safety management evaluation are conducted at our sites to benchmark them with other industry players.

- We had a fatality-free 2014-15
- The LTIFR (Loss Time Injury Frequency Rate improved from 1.57 injuries per million man hours worked in 2009 to 0.62 in 2015

ZEKK

Our mascot Zekk has become the voice of safety at UltraTech, sharing safety learning, tips and slogans regularly.

ENVIRONMENT

We have been consistently adopting new technologies that are cleaner and greener. Our plants and processes are constantly driven to become more energy efficient as we continue with our quest to become better stewards of precious resources.

Carbon emission per ton of cementitious material has reduced from 655 kg in 2009 to 644 kg in 2015

Increased the use of green energy through installation of waste heat recovery systems at our plants

45% of our water requirement is met through rain water harvesting and recycling of waste water

Last year, 311,663 saplings planted with a survival rate of 86%

CEMENT SUSTAINABILITY INITIATIVE (CSI)

UltraTech Cement is one of the early signatories of the Cement Sustainability Initiative since 2006. It is a global effort by 25 major cement producers who pursue sustainable development in the cement industry.

CSI companies have operations in more than 100 countries. Collectively, they account for 30% of the world's cement production. CSI is part of the World Business Council for Sustainable Development.

"The Reverse Auction process at UltraTech Cement is flawless. We feel bad when we lose an order to a competitor but at the same time are satisfied that we got a fair opportunity and that a level playing field was provided to all vendors."

Communities

As a responsible and caring corporate citizen, we have been sharing our success and contributing to improve the lives of the people we work with.

CARING AND SHARING

Social responsibility is part of the Aditya Birla Group's tradition and history. Our focus is on all-round development of the communities around our plants, located mostly in distant rural areas and tribal belts. Our interventions include health-care, education, sustainable livelihood, infrastructure and social reforms.

At UltraTech, all our social projects are carried out under the aegis of the 'Aditya Birla Centre for Communities Initiatives and Rural Development' with Mrs. Rajashree Birla as the Chairperson.

OUR CSR VISION

To actively contribute to the social and economic development of the communities in which we operate. In doing so, build a better, sustainable way of life for the weaker sections of society and raise the country's human development index.

At UltraTech, we work in over 407 villages in and around our plants across 13 states, reaching out to 1.3 million people.

MODEL VILLAGES

Of the 407 villages that we work in, we have selected 54 to be transformed into model villages by 2017. The making of a model village means making it self-reliant in all aspects – education, healthcare, infrastructure, agriculture, watershed management and sustainable livelihood. We follow a partnership approach and work with like-minded organisations such as district rural development authorities, local hospitals, healthcare institutions and district panchayati raj institutions.

"With all of us fully committed to inclusive growth, transparency and good governance, we can hope for a holistic transformation of our country. At the end of the day, we look forward to a time when the word poverty will be struck off the lexicon and no mention of it will be made in relation to India".

MANAGEMENT DISCUSSION AND ANALYSIS

OVERVIEW

The global economy grew at 3.4% remaining unchanged over the previous year. Growth in 2014-15 was led by advanced economies, particularly the US. Growth declined in developing economies vis-à-vis the previous year, except India. Key factors which shaped the global economy were decline in oil prices and other commodities, easy monetary policy followed by central banks globally in a bid to boost inflation and growth, slowdown in China and geopolitical risks. Further, uncertainty about the anticipated change in monetary policy stance by the U.S. central bank led to significant volatility in the global financial markets.

On the domestic front, the macroeconomic improvement and the consequent turnaround in investor sentiment were spurred by the Government's policy actions and reforms which included deregulating diesel prices, reforming the coal sector via auctions and private sector participation, expediting environmental clearances and implementing a program of disinvestments, among others. This has resulted in a GDP growth of 7.3%.

The cement industry's estimated growth stood at around 3.5% in FY15 due to a slowdown in the rural economy and lack of new capital investment in the private sector. Going forward, with the Government's focus and policy initiatives to revive the capex cycle and investments in infrastructure development, the country's GDP is expected to grow at 7.5%. The cement industry generally grows at a pace higher than the GDP.

Against this background, the performance of your Company during 2014-15 is presented in the following paragraphs:

BUSINESS AND FINANCIAL PERFORMANCE REVIEW

^{*} capacity utilisation based on period of new capacity in operations MTPA - Million metric Tonne Per Annum

MMT - Million Metric Tonne. LMT - Lac Metric Tonne

During the current year, cement production capacity of your Company has been augmented from 54.0 MTPA to 60.2 MTPA. Your Company has commissioned cement grinding capacity of 1.4 MTPA at Rajashree Cement Works, Karnataka. It also completed the acquisition of the Gujarat Units of Jaypee Cement Corporation Limited ("JCCL") having cement capacity of 4.8 MTPA.

Cement production improved by 8% at 43.9 MMT resulting in capacity utilisation at 75% on the enhanced capacity.

^{*}Adjusted for additional deferred tax charge due to increase in surcharge for income-tax amounting to `50 crores during the current year and `96 crores in the previous year relating to reversal of earlier year tax provisions.

The overall net turnover increased by 13% from ` 20,078 crores to ` 22,656 crores, which is mainly linked to improvement in sales volumes from 41.47 MMT to 44.85 MMT.

Other Income

Other income is up by 23% from ` 531 crores to ` 651 crores. This is due to a rise in the fiscal incentives related to the newly commissioned Units at Hotgi in Maharashtra and at Katni in Madhya Pradesh.

PBIDT Margin

PBIDT for the current year at ` 4,567 crores extended 10% as compared to ` 4,147 crores in the previous year. The operating margin has been sustained.

Cost Highlights

(i) Energy Cost

Energy cost rose 3% at ` 979/t from ` 951/t in the previous year. The benefit of fall in imported coal prices have been negated with increased freight cost and devaluation of Rupee against the US Dollar. Besides, the higher domestic coal and petcoke prices coupled with rising railway freight have also impacted energy cost.

Your Company regularly works on optimising the production process and raw mix design, which supports the use of low cost fuel. Various initiatives on this front have resulted in increase in petcoke usage over 50% and some of the Units are operating fully with petcoke.

Moving towards environment sustainability, your Company has implemented various capex projects that will allow the consumption of alternative fuels, including hazardous waste, chemical waste, carbon etc. Your Company aims to raise alternative fuel usage to the extent of 5% of its total fuel requirement in the next 2-3 years. During the current year, the share of alternative fuels in total fuel consumption is 3%, which is higher by over 50% as compared to the previous year.

Your Company commissioned 50 MW Thermal Power capacities. Post commissioning, all the integrated units are now power self-sufficient and also wheeling surplus power to some of the grinding units. Additionally, 22.5 MW Waste Heat Recovery Systems (WHRS) have also been commissioned during the year; though full benefit of the same will accrue in the coming years. During the year, 2% of the total power requirement was met through WHRS.

On the start of the new power projects, your Company's thermal power capacity was augmented to 717 MW, whereas WHRS capacity reached 33 MW and Solar and Wind Power generated 4 MW of power.

(ii) Input material cost

Input material cost increased by 6% from ` 419/t to ` 444/t. All major input material prices are hardening over the years. Besides the increase in prices of major additives, rising freight cost has also impacted the overall landed cost.

The Government has also hiked the rate of royalty on limestone from existing `63/t to `80/t, an increase of `17/t (27%) with effect from September, 2014. New levies have also been imposed under The Mines and Mineral (Development and Regulation) Amendment Act, 2015 linked to royalty on limestone. The full impact of the same will be visible in the coming years.

(iii) Freight and Forwarding expenses

Freight and forwarding expenses increased by 10% from ` 976/t in previous year to ` 1,075/t in current year. The increase in logistics cost is mainly attributable to: (a) Higher rail freight rate, (b) change in sales pattern for some of the markets from ex-works to free-on-rail (FOR) and (c) impact on account of change in plant / market mix. These factors have offset the benefits in road freight on account of reduction in diesel prices.

Further, lesser availability of rakes has also increased dependency on road movement, which has impacted the average cost to some extent.

(iv) Employee cost

Employee cost increased by 20% over FY14. The increase is mainly on account of higher retiral provisions and normal annual increments.

Depreciation

The depreciation charge for the year is higher as compared to previous year owing to the acquisition of JCCL's Gujarat units and commissioning of the other projects. Around ` 2,800 crores of assets have been capitalised.

Furthermore, your Company has also changed the useful life of the assets in terms of the provisions of the Companies Act, 2013 resulting in lower charge of depreciation to the extent of `222 crores.

Finance Cost

Finance cost increased from ` 319 crores to ` 547 crores in FY15. The higher finance cost is mainly on account of debt raised for the acquisition of the Gujarat units of JCCL and interest expenses charged to profit and loss account upon commissioning of the new projects.

Income Tax

Income tax expenses are higher on account of the following:

- (a) Additional charge of deferred tax on account of increase in surcharge rate on income tax.
- (b) Last year's tax provision is after reducing ` 96 crores related to the reversal of tax provisions of earlier years.

Net Profit

Net profit for the year declined from ` 2,144 crores to ` 2,015 crores.

Sources of Cash

Cash from operations

Cash from operations is higher as compared to previous year on improved sales volume.

Non-Operating Cash Flow

Non-operating cash flow is higher vis-à-vis the year before on account of higher income on surplus fund invested in various schemes of mutual fund and increase in dividend receipt from your Company's Sri Lankan subsidiary.

Uses of Cash

Net Capital Expenditure

Capital expenditure of `2,593 crores is in line with the ongoing capex plan. The major part of the expenditure is related to capacity expansion projects at your Company's integrated units in Chhattisgarh, Karnataka, and Rajasthan along with the attached grinding units. Some of the spending relates to WHRS projects, Jetty Expansion, New Ready Mix Concrete plants and Aggregate mines and other normal modernisation capex.

Repayment of Borrowings

Your Company has repaid long term loans amounting to `3,958 crores, out of which `3,647 crores were loans transferred along with acquired Gujarat units of JCCL. Your Company also raised long term debt of `1,008 crores mainly in the form of Non-Convertible Debentures. Apart from the above, your Company has also raised short term debt (net of repayments) of `1,519 crores. The new borrowings are for funding of capital expenditure and discharging the borrowings transferred from JCCL.

CAPITAL EXPENDITURE PLAN

During the year, your Company has commissioned:

- a 25 MW thermal power plant at Rajashree Cement Works, Karnataka
- a 25 MW thermal power plant at Andhra Pradesh Cement Works
- a 10 MW Waste Heat Recovery system at Aditya Cement Works, Rajasthan
- a 6.5 MW Waste Heat Recovery system at Awarpur Cement Works, Maharashtra
- a 6 MW Waste Heat Recovery system at Rajashree Cement Works, Karnataka
- a 1.4 MTPA Cement mill at Rajashree Cement Works, Karnataka
- a 2.0 MTPA Clinkerisation plant at Aditya Cement Works, Rajasthan

With the commissioning of these Units, the cement capacity of your Company in India stands at 60.2 MTPA, thermal power capacity at 717 MW and Waste Heat Recovery System at 33 MW.

HUMAN RESOURCES

Human Resources plays a significant role in your Company's growth strategy. Your Company places great emphasis on nurturing and retaining talent, providing avenues for learning and development through functional, behavioral and leadership training programs, among others.

Your Company engages in a constructive relationship building with its employees with an emphasis on productivity and efficiency while underlining safe work practices.

As on 31st March, 2015, your Company's employee strength is 14,436 employees (13,117 employees).

RISK MANAGEMENT

Risk is a probability or threat of damage, liability, loss, or any other negative occurrence that is caused by vulnerabilities and that may be avoided through preemptive action.

Risk management refers to the practice of identifying potential risks in advance, analysing them and taking precautionary steps to reduce the risk. Your Company has institutionalised the process of identifying / minimising and mitigating risks which are periodically reviewed. Risk Management forms an integral part of your Company's operations. Your Company has in place a risk management committee in terms of the provisions of Clause 49 of the Listing Agreement. Your Company has identified the following as key risks:-

- Excess cement capacity

The cement industry has been experiencing a mismatch between supply and demand. The industry has created capacity on the back of government's projection of potential cement demand arising out of the thrust given for infrastructure development in the country. However, cement demand, as projected, has not materialised, while capacity has been created. Going forward, capacity addition is expected to be limited while the cement demand would improve resulting in higher capacity utilisation.

- Securing critical resources

Limestone and coal are the basic inputs for manufacturing cement. Although your Company has sufficient limestone reserves for its existing operations, securing additional reserves to meet your Company's expansion is critical. With respect to coal, the challenge is to get quality resources at competitive prices. To ensure continuous availability of quality coal at reasonable prices, your Company is focusing on entering into long term contracts, securing coal blocks and linkages. Your Company participated in the e-auction conducted by the Central Government in terms of the provisions of The Coal Mines (Special Provision) Ordinance, 2014 for allocation of the coal blocks and has been awarded the Bicharpur coal block situated in Madhya Pradesh.

Competition

The competitive landscape in the cement industry is becoming more intense. Your Company continues to focus on brand equity, value added services and cost optimisation measures to mitigate this risk.

- Compliance

The growth in business coupled with increasing regulatory enactments has brought in the need for additional compliances. With various statutes and regulations, non-compliance may not only lead to monetary penalties but also have an impact on the reputation of the organisation and the goodwill it enjoys. The risk is mitigated through regular monitoring and review of changes in the regulatory framework to ensure compliance with all the applicable statutes and regulations.

Annual

Financial risk

and commodity prices. Your Company has well investments, interest rate and hedging of imported coal. The policies are reviewed periodically to align regulations.

ADEQUACY

Your Company's internal control systems commensurate with the size and nature of its operations. Standard Operating Procedures are in place for critical areas of operations and the same are reviewed periodically. The internal audit team monitors the effectiveness of the internal control systems. It reports to the Audit Committee about the adequacy and effectiveness of the internal control system of your Company. The recommendations of the internal audit team on improvements in the operating procedures and control systems are also presented to the Audit Committee and the business use these as tools for strengthening the operating procedures.

CONCLUSION

The growth prospects of the cement industry are linked to the growth of the economy. The outlook in the short term remains challenging. However, the long term drivers for cement demand remain intact. Importantly the government's focus on infrastructure development and housing augur well for the industry.

Unpaid/Unclaimed Dividends

Dividend warrants in respect of the dividend declared in August, 2014 have been despatched to the shareholders at the addresses registered with the Company. Those shareholders who have not yet received the dividend warrants may please write to the Company or its RTA for further information in this behalf. Shareholders who have not encashed the warrants are requested to do so by getting them revalidated from the Registered Office of the Company or its RTA.

The Unpaid / Unclaimed dividend for the financial year 2006 – 2007 has been transferred by the Company to the Investor Education and Protection Fund (IEPF) constituted by the Central Government under Section 205A and 205C of the Companies Act, 1956 ("the Act"). No claim by the shareholders shall lie against IEPF or the Company in respect of the said unclaimed account.

Pursuant to the provisions of Section 205A of the Act, as amended, dividend for the Financial Year 2007-2008 and the dividends for the subsequent years, which remain unpaid or unclaimed for a period of 7 years will be transferred to IEPF. Shareholders who have so

far not encashed the dividend warrant(s) for the financial year 2007-2008 are requested to make their claim to the Secretarial Department at the Registered Office of the Company or the office of the RTA on or before 18th August, 2015, failing which the unpaid / unclaimed amount will be transferred to the IEPF. It may also be noted that once the unpaid / unclaimed dividend is transferred to the IEPF as above, no claim shall lie against IEPF or the Company in respect of such amount by the shareholder.

Unclaimed shares in physical form

Clause 5A II of the Listing Agreement provides the manner of dealing with the shares issued in physical form pursuant to a public issue or any other issue, which remains unclaimed with the Company. In compliance with the provisions of the Clause, the Company has sent three reminders to the shareholders whose share certificates are lying unclaimed.

Disclosure pursuant to Clause 5A II of the Listing Agreement:

ECS/ NECS Facility

The Company uses "Electronic Clearing Service" (ECS) facility for remitting dividend to its shareholders wherever available.

In terms of a notification issued by the Reserve Bank of India, with effect from 1st October, 2009, remittance of dividend through ECS is replaced by "National Electronic Clearing Service" (NECS). Banks have been instructed to move to the NECS platform. The advantages of NECS over ECS include faster credit of remittance to the beneficiary's account, coverage of more bank branches and ease of operations.

NECS essentially operates on the new and unique bank account number, allotted by banks post implementation of Core Banking Solutions (CBS) for centralised processing of inward instructions and efficiency in handling bulk transactions.

To enable remittance of dividend through NECS, members are requested to provide their new account number allotted to them by their respective banks after implementation of CBS. The account number must be provided to the Company or its RTA in respect of shares held in physical form and to the Depository Participants in respect of shares held in electronic form.

Securities and Exchange Board of India (SEBI) vide its Circular dated 21st March, 2013 provided that companies making cash payments to its investors shall use approved electronic mode of payment such as ECS, NECS, NEFT etc. To enable usage of electronic payment instruments, companies are required to maintain requisite bank details of their investors:-

- For securities held in electronic form, companies shall seek relevant bank details from the Depositories.
- For securities held in physical form, companies shall maintain updated bank details of its investors.

Share Transfer / Dematerialisation

- 1. Share transfer requests are acted upon within 12 days from the date of their receipt at the Share Department. In case no response is received from the Company within 15 days of lodgement of transfer request, the lodger should immediately write to the Company or its RTA with full details so that necessary action could be taken to safeguard interest of the concerned against any possible loss / interception during postal transit.
- Dematerialisation requests duly completed in all respects are normally processed within 7 days from the date of their receipt at the Company or its RTA.

- Equity Shares of the Company are under compulsory demat trading by all investors. Considering the advantages of scripless trading, shareholders are requested to consider dematerialisation of their shareholding so as to avoid inconvenience in future.
- The equity shares of the Company have been admitted with the National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) bearing ISIN No. <u>INE481G01011</u>.

Correspondence with the Company

Shareholders / Beneficial Owners are requested to quote their Folio Number / DP and Client ID Numbers as the case may be, in all correspondence with the Company or its RTA.

Non-Resident Shareholders

Non-resident shareholders are requested to immediately notify:

- Indian address for sending all communications, if not provided so far;
- Change in their residential status on return to India for permanent settlement;
- Particulars of their NRE Bank Account with a bank in India, if not furnished earlier.

Others

- In terms of the Regulations of NSDL and CDSL, the bank account details of Beneficial Owners of shares in demat form will be printed on the dividend warrants as furnished by the Depository Participants (DP). The Company will not entertain any request for change of bank details printed on their dividend warrants. In case of any changes in your bank details please inform your DPs immediately.
- Shareholders holding shares in physical form are requested to notify to the Company or its RTA, change in their address / pin code number and Bank Account details promptly by written request under the

- signatures of sole / first joint holder. Beneficial Owners of shares in demat form are requested to send their instructions regarding change of name, change of address, bank details, nomination, power of attorney, etc. directly to their DPs as the same are maintained by the DPs.
- 3. To prevent fraudulent encashment of dividend warrants, shareholders are requested to provide their bank account details (if not provided earlier) to the Company or its RTA (if shares held in physical form) or to DPs (if shares held in electronic form), as the case may be, for printing of the same on their dividend warrants.
- In case of loss / misplacement of shares, shareholders should immediately lodge a FIR / Complaint with the Police and inform the Company or its RTA along with original or certified copy of FIR / Acknowledged copy of Police complaint.
- For expeditious transfer of shares, shareholders should fill in complete and correct particulars in the transfer deed. Wherever applicable, registration number of Power of Attorney should also be quoted in the transfer deed at the appropriate place.
- Shareholders are requested to keep record of their specimen signature before lodgement of shares with the Company to obviate possibility of difference in signature at a later date.
- 7. Section 72 of the Companies Act, 2013 extends nomination facility to individuals holding shares in physical form in companies. Shareholders, in particular, those holding shares in single name, may avail of the above facility by furnishing the particulars of their nominations in the prescribed Nomination Form which can be obtained from the Company or its RTA or download the same from the Company's website.
- Shareholders are requested to give us their valuable suggestions for improvement of our investor services.

SOCIAL REPORT

"Towards inclusive growth, we truly practice compassionate capitalism. Service to society is at the very heart of our value system. We do so with a sense of purpose. This is manifest in the various CSR projects that we run, providing the less fortunate strata of society with education, healthcare, sustainable livelihood and infrastructure support. We at the Aditya Birla Group collectively, work in 5,000 villages and reach out to 7.5 million people."

Rajashree Birla
Chairperson, Aditya Birla Centre for
Community Initiatives and Rural Development

UltraTech's community engagement spans 407 villages, inclusive of 18 model villages. Our CSR work is in proximity to our 24 manufacturing units across 13 states of the country. We reach out to a rural population of 13 lacs at Reddipalayam and Arrakonam in Tamil Nadu; Malkhed and Ginigera in Karnataka; Tadipatri in Andhra Pradesh; Awarpur, Hotgi, Ratnagiri in Maharashtra; Kovaya, Jafrabad, Sewagram and Magdalla in Gujarat; Khor and Dhar in Madhya Pradesh; Shambhupura, Kharia Khangar and Kotputli in Rajasthan; Aligarh and Dadri in Uttar Pradesh; Bhatinda in Punjab; Panipat in Haryana; Hirmi and Rawan in Chhattisgarh; Jharsuguda in Odisha; Durgapur and Dankuni in West Bengal.

Health Care

We organised over 550 medical camps and 45 speciality medical camps in remote villages at Khor, Kharia Khangar, Shambhupura, Kotputli, Malkhed, Kovaya, Jafrabad, Awarpur, Rawan, Tadipatri, Malkhed and Durgapur. Over 111,48,69,000 persons underwent free medical checkups, availed of medicines and other diagnostic/referral facilities. Those requiring advanced treatment or with serious ailments were either taken to our hospitals or referred with ambulance services to speciality hospitals.

Eye check-up camps and cataract surgery at 74 centres, benefitted 16,851 patients at Khor, Shambhupura, Rawan, Malkhed, Kharia Khangar, Kotputli, Kovaya and Jafrabad. We performed 4,869 cataract operations in these camps and distributed 3,700 spectacles.

At the 42 dental health camps, 4,978 patients received treatment.

Awareness campaigns focussing on better health practices through yoga and preventing lifestyle diseases, covered 7,000 participants in Kovaya, Kotputli, Khor and Shambhupura. To avoid rural homemakers from getting pulmonary disease, 200 low-smoke fuel efficient wooden stoves were distributed at Awarpur and Kovaya.

At Blood donation camps, 240 donors came forward in Khor, Hirmi, Kharia Khangar and Reddipalayam.

Our hospitals at plant locations in remote areas of the country treated more than 71,353 patients for minor and major ailments. When dealing with complicated cases, our high-tech telemedicine services at locations in remote areas link up with the Aditya Birla Memorial Hospital (Pune) and the Apollo Hospital (Hyderabad) to get advice on treatment.

Mother and Child Health Care

In collaboration with the district health department, over 13,39,400 polio doses were administered through 410 booths in all locations. More than 4,100 children were immunised for other diseases.

More than 7,620 women participated in 214 camps for check-up, treatment and counselling on ante-natal, post natal, mass immunisation, nutrition and escort services for institutional delivery. These form part of our Reproductive and Child Health Care Programmes. These include sessions on adolescent health care and nutrition. As a result of our intensive motivation drive towards responsible family raising, 1,991 villagers opted for planned families.

Safe Drinking Water and Sanitation

Up until now, eight Reverse Osmosis plants have been installed around our operational areas in Tadipatri, providing 9,000 villagers access to safe drinking water. Backed by our initiatives around Khor, Shambhupura, Hotgi and other locations, 80,000 villagers have been able to access safe drinking water.

Under the Nirmal Gram Yojana, we have facilitated the construction of 740 individual toilets in villages around Khor, Kovaya, Jafrabad, Awarpur and Arrakonam.

Education

Rural schools were extensively supported in the campaign for enrolment, and reducing dropout rates of students at Awarpur, Hirmi, Kovaya, Narmada and Shambhupura. We reached out to 120 schools and 7,300 children. Merit scholarships were awarded to more than 1,500 students at Malkhed, Tadipatri, Reddipalyam, Hirmi, Khor and Awarpur.

Through special coaching classes and career counselling programmes at Malkhed, Kovaya, Jafrabad, Kotputli, Kharia Khangar, Reddipalayam, Shambhupura and Awarpur, we covered 18,441 students.

Uniforms, books, notebooks, writing pads, bags and stationery were distributed to 19,241 children near our plants at Kovaya, Jafrabad, Khor, Rawan, Hirmi, Tadipatri, Malkhed, Shambhupura, Kharia Khangar, Kotputli, Awarpur, Ratnagiri, Magdalla, Reddipalayam, Jharsuguda, Hotgi and Durgapur.

At Shambhupura, we are transforming 20 schools into model schools. School infrastructure, library and teaching tools are being contemporised. A total of more than 2,000 students are enrolled at these schools.

We continue to support Kasturba Gandhi Balika Vidyalayas – (residential schools) by identifying girls and counselling them for enrolment. We also provide uniforms and safe drinking water. Currently, we are engaged in six schools with 360 girls at Malkhed, Kharia Khangar, Khor, Kovaya, Jafrabad and Durgapur and have supported 240 girls to continue mainstream education. Towards their holistic development, we teach them life skills such as first aid, adolescent health care and enlist them in cultural events. As a result, 30 girls have been respectfully employed in various vocations.

Our talent search programmes drew 2,140 children from different schools in Reddipalayam, Kotputli, Rawan, Awarpur and Shambhupura. Our computer training programmes in Rawan, Malkhed, Khor, Hirmi, Shambhupura, Ratnagiri, Magdalla, Dhar and Kharia Khangar were availed by 900 school children.

We assist in the delivery of mid-day meal programmes in schools at Jafrabad, Jharsuguda, Hotgi and Durgapur through need-based support to maintain basic hygiene.

Exposure visits were conducted for 1,670 students from grades VI to IX from Jafrabad, Khor, Hirmi, Ratnagiri, Kharia Khangar and Kovaya. The tour, to historical places in and around Chittorgarh and Junagarh, evoked students' interest and added to their knowledge base.

At Rawan, Hirmi and Kotputli, 1,144 girls and boys were given special coaching to compete in the entrance examination for Navodaya schools in these areas. Up until now, 38 students from villages close to Hirmi and Rawan have made the grade. Around 70% of them belong to poor families.

Libraries set up in villages across our areas of operation are accessed by 21,650 students.

At Malkhed, Rajashree Cement's Smart Class Computer project continues to support four government schools with 1,500 students.

Balwadi and anganwadi projects are running on all cylinders in the areas where we operate. We have supported 10,243 children at these anganwadis with educational material.

At Rawan, Kotputli, Hirmi, Tadipatri, Kovaya, Shambhupura, Khor, Kharia Khangar, Jharsuguda and Awarpur, we conducted free coaching classes for students due to appear for the board exams. Around 2,800 students participated in these.

For the visually impaired, we support two residential schools at Kovaya and Gulbarga.

More than 400 women in the 25-60 age group actively participate in our functional literacy programmes conducted in 18 villages.

We provided transport facilities to 28,094 students.

Sustainable Livelihood

Agriculture

On the agricultural front, we have helped farmers earn better through farmer training programmes on advanced cropping techniques and other processes to improve yield. These programmes benefited 3,659 farmers at Khor, Kharia Khangar, Shambhupura, Malkhed, Rawan, Jafrabad, Awarpur, Hirmi and Jharsuguda.

At Vikram Cement, the public private partnership (PPP) watershed project in the Neemuch district of Madhya Pradesh is on track. Our collaborator is the Rajiv Gandhi Watershed Mission implemented by the Madhya Pradesh Government. To be implemented in phases, the project will bring 5,742 hectares of land under irrigation, directly benefiting 20,000 people. Facilitated by a dedicated multidisciplinary team, the project involves making farmers and local people aware of rainwater harvesting, training them in diverse agro-based activities and ways to support watershed management. In all, 75 structures have been constructed.

Under this project, over 2,500 farmhands, including villagers, and 1,400 activity based user group members were trained in state-of-the-art agricultural practices and water management. The project aims to improve agricultural productivity and non farm income through environmental sustainability.

Animal Husbandry

At veterinary camps, 40,386 animals were immunised. The Navjeevan Gaushala at Kharia Khangar, sheltering 740 stray cows and oxen, has provided treatment to and rehabilitated 150 cattle heads this year.

In addition, we have tied up with a development support organisation BAIF, for integrated breed improvement programme at our Kovaya and Jafrabad locations in Gujarat. At Shambhupura in Rajasthan, our infertility treatment programme for cattle has been strengthened. These programmes, strengthening the milk yield of 1,813 milch cattle, have helped increase the incomes of their owners.

Vocational Training

Through our Sustainable Livelihood projects, we have provided vocational skills training to 3,035 youngsters at Tadipatri, Hirmi, Khor, Shambhupura, Kharia Khangar, Rawan, Magdalla, Jharsuguda, Kovaya, Jafrabad,

Arrakonam, Awarpur, Reddipalayam, Malkhed, Kotputli, Magdalla and Ratnagiri.

In the recent past, Birla White in Rajasthan has widened its Applicator's Training Programme to include women and unskilled construction workers. Through this programme, so far we have trained more than 6,000 people including 1,100 women in the specialised application of Birla White putty. This has been a boon for the underprivileged.

Over 784 students have been trained at Rajashree Cement's Kagina Industrial Training Centre. The Centre, which takes in 140 students every year, trains them to become electricians, fitters, mechanics and welders. Students who have completed the course have been gainfully employed. There is a record 100% results every year.

At Kharia Khangar, we have instituted the 'Rajashree Birla Talent Development Centre' which provides multiple opportunities for honing the skills of rural youth, women and farmers. It reaches out to more than 30 villages around the plant, largely in Jodhpur and Nagaur district. In the first phase, training is being given in tailoring and embroidery, computers and typing, mobile repairing and plumbing.

Self Help Groups and Income Generation

More than 840 Self Help Groups empower 7,940 households financially and socially. Most of the SHGs have been linked with the economic schemes of NABARD and the District Industries Centre. At the various centres, 7,000 women are being supported for different livelihood programmes. We cite a few examples.

The jute bag centre at Tadipatri receives orders from many business houses. The garment manufacturing unit at Hirmi is self sustainable, catering to specific product needs of the entire district. At Reddipalyam, 290 SHG members contribute significantly to running the family with their earnings. At Shambhupura, Aditya Cement has introduced a fashion designing course which 40 women have completed. They have already started making a living from the skill learned. At Jharsuguda, the art of mushroom cultivation has been imparted to 50 village women. We worked closely with the Krishi Vigyan Kendras. Several women entrepreneurs have set up their own businesses each year with our help. At Vikram Cement, the hand gloves making unit caters to the industry need besides giving alternative livelihood to

Infrastructure Development

We support infrastructure development such as building approach roads, construction and repair of community halls and public rest places in remote locations. Our work benefits 4,75,178 people across our units at Shambhupura, Kotputli, Panipat, Kharia Khangar, Khor, Bhatinda, Aligarh, Dadri, Rawan, Hirmi, Durgapur, Jharsuguda, Kovaya, Jafrabad, Ratnagiri, Magdalla, Awarpur, Malkhed, Hotgi, Tadipatri, Arrakonam, Ginigera, and Reddipalayam.

Espousing Social Causes

We try and change mindsets to bring social reform through advocacy against child labour, illiteracy, child marriages, the marginalisation and abuse of the girl child and women among others.

The teams adopted 220 poor couples for solemnising mass marriages in Kovaya, Jafrabad, Hirmi, Rawan and Malkhed.

Accolades/Awards

The Golden Peacock Award for Innovation in Corporate Social Responsibility was bestowed upon Rajashree Cement Works.

The Greentech Gold Award was conferred upon Hirmi Cement Works and Rajashree Cement Works.

Our Investments

For the year 2014-15, UltraTech's CSR spend was around `44 crores. In addition, we mobilised `28 crores through the various Government schemes, acting as catalysts for the community.

In sum

Our CSR work is aimed at lifting the burden of poverty. To an extent we have helped lower the level of poverty in villages and urban slums near our plants. We attained this by reaching out to 4,57,564 people through health care interventions, 1,33,703 through education, 1,35,730 through sustainable livelihood, 4,75,178 through rural infrastructure and 2,63,893 people through social causes. Given the magnitude of the issue, much more needs to be done, avers Mrs. Rajashree Birla.

Beyond Business

The Aditya Birla Group is:

- Working in 5,000 villages globally. Reaching out to 7.5 million people annually through the Aditya Birla Centre for Community Initiatives and Rural Development, spearheaded by Mrs. Rajashree Birla.
- Focusing on: Health Care, Education, the Girl Child, Sustainable Livelihood, Women Empowerment Projects, Infrastructure and espousing social causes.

Highlights:

Health-care

- Over a million patients treated at 4,500 Medical Camps at our 18 hospitals.
- At the Aditya Birla Memorial Hospital in Pune 10% of the beds are for the underprivileged communities.
- The Aditya Birla Hospital at Veraval in Gujarat, also caters to the marginalised.
- More than 1,200 children have learnt to smile again as they underwent cleft lip surgery.
- We have helped immunise 22 million children against polio over the last 5 years. We are now working with Rotary International and the Government's Health Department to ensure the non-resurgence of polio.
- In our endeavours towards open defecation-free villages, we have helped set up over 8,000 toilets, partly leveraging Government schemes for the social sector.

Education

 At our 42 Schools across India we provide quality education to 45,000 children. Of these, 18,000 students belong to the underprivileged segment and are first generation learners. On the anvil are 4 more schools. Merit Scholarships are given to 24,000 children from the interiors. Over 28,000 children in the hinterland of India are being taught conversational English to build their confidence.

- Over 2.5 lacs school children (Grade V to XII) in 18 remote areas of Madhya Pradesh and Rajasthan are being provided with solar lamps.
- We have set up the midday meal kitchen in the Keonjhar district of Odisha, facilitating the provision of midday meals to 268 schools, along with the transport facilities. Going forward in 2015-16, we will be sponsoring midday meals of 50,201 children across 200 schools, spanning Lucknow, Jaipur and Ahmedabad.

Sustainable Livelihood

- Our Vocational Training Centres and the Aditya Birla Rural Technology Park accord training in sustainable livelihood projects to 80,000 people.
- Our 4,500 Self-Help Groups have led to the empowerment of 45,000 women.
- Working closely with Habitat for Humanity, we have so far built more than 500 houses as part of our community outreach programme, besides supporting the building of an additional 3,800 houses across India.

Model Villages

 We are also engaged in creating model villages in rural India. We have chosen 300 villages for this transformation - whereby in a five year timeframe the villages would be self-reliant in every aspect, moving out of the "below the poverty line" status. So far more than 90 villages in India's hinterland have already reached the level of model villages.

At the macro level

- To embed CSR as a way of life in organisations, we have set up the FICCI - Aditya Birla CSR Centre for Excellence, in Delhi.
- In line with our commitment to sustainable development, we have partnered the Columbia University in establishing the Columbia Global Centre's Earth Institute in Mumbai.
- Ongoing education, healthcare and sustainable livelihood projects in Philippines, Thailand, Indonesia, Egypt, Korea and Brazil, lift thousands of people out of poverty.

We transcend the conventional boundaries of business because we care.

ENVIRONMENT REPORT

"The major attributes of our operations at UltraTech and its ongoing journey of success revolve around people, environment, safety and inclusive growth. Few organisations can boast of the calibre of people as we have at UltraTech. Environmental practices far beyond compliance have been an integral part of our philosophy.

At UltraTech, various sustainability initiatives include energy optimisation, water conservation, social forestry, recycling of waste material as well as safety. We have instituted a governance structure to monitor various sustainability aspects of our operations.

As a Group, we endeavour to become the leading Indian conglomerate for sustainable business practices across our global operations by 2017, given our synergising growth with responsibility".

Kumar Mangalam Birla Chairman, Aditya Birla Group

Your Company is a member of Cement Sustainability Initiative (CSI) of World Business Council for Sustainable Development (WBCSD), a Global voluntary initiative on climate protection, emission reduction, responsible use of fuels and raw materials. Your Company is playing a leadership role as co-chair of CSI in India, the Indian Chapter of CSI. Through this partnership, we have created internal capacity on bio-diversity issues.

CSI had carried out a third party audit to evaluate the level of compliance on CSI charter. We are happy to share that your Company had scored 100% on two and more than 80% on all other elements of CSI Charter.

Energy Management

Energy reduction continues to be a focus area for your Company. During the current year, three more Waste Heat Recovery Systems have been commissioned in Rajashree Cement Works, Awarpur Cement Works and Aditya Cement Works. With this our installed capacity for waste heat recovery has gone up from 11 MW in FY14 to 33 MW in FY15. This has a potential to generate 340 million units of electricity and the consequent reduction in fuel consumption by 220,000 tonnes of coal. Our focus on Waste Heat Recovery System continues and we will be implementing waste heat recovery systems in four more plants in the coming years.

To reduce the thermal energy consumption cooler modifications have been implemented in Hirmi Cement works and Awarpur Cement Works and Rajashree Cement Works-Line III. With this we will be able to save 24,000 tons of coal in a full year of operation.

Renewable Energy

Use of renewable energy has been a priority in the cement business. In the current year your Company generated 2.9 million units from solar power panels and 1.74 million units from wind power.

Water

To reduce water consumption and improve our environmental performance, your Company continues to convert electrostatic precipitators to bag house. With this objective the conversion of ESP to bag house is in advanced stage of commissioning in Hirmi and Rajashree cement. With this our water consumption in both the plants is expected to come down substantially.

Rain water harvesting and use of recycled water are two major areas to pare our water consumption.

Air Emission

Your Company continues to focus on reducing emissions of particulates. Towards this 10 electrostatic precipitators have been studied through process simulation and improvements incorporated to meet

the revised emission norms of 30mg/Nm3. On line monitoring systems have been installed in all the Integrated Plants.

Waste Management

Your Company used 173,500 tonnes of alternate fuel. With this the thermal substitution rate has gone up by nearly 8% to 2.2% from 2% last year. With this we have saved 86,750 tons of coal which would have otherwise been required.

Alternate fuel processing and feeding systems in Gujarat Cement Works and Reddipalayam Cement Works have been successfully commissioned. Additionally, a fullfledged testing facility for alternate fuel with modern testing instruments has been commissioned at our plant in Reddipalyam, Tamil Nadu. We are also in the process of setting up a similar laboratory in Gujarat Cement Works.

Green Belt Development

Tree plantation at all Units and mines is an ongoing activity to heighten the green cover in and around our facility. During the year 300,000 saplings were planted. The survival rate was more than 85%.

Your management is committed to synergising growth with responsibility.

Section E: Principle-wise performance

Principle 1 – Businesses should conduct and govern themselves with Ethics, Transparency and **Accountability.**

 Does the policy relating to ethics, bribery and corruption cover only the Company? Yes/ No. Does it extend to the Group/ Joint Ventures/ Suppliers/ Contractors/ NGOs/ Others?

The Company's governance structure guides the organisation keeping in mind the core values of Integrity, Commitment, Passion, Seamlessness and Speed. The Corporate Principles and Code of Conduct cover the Company and its subsidiaries and is applicable to all the employees of the Company.

 How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.

No complaints were received during the year.

Principle 2 – Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle.

1. List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.

The Company is strategically focusing on development of products and services that help customers build sustainable structures which are more durable, more resource-efficient, more cost-effective and more conducive to human lifestyle. We manufacture a range of products that cater to construction needs from foundation to finish. These include Ordinary Portland Cement (OPC), Portland Blast Furnace Slag Cement (PSC), Portland Pozzolana Cement (PPC), White Cement and White Cement based Products, Ready Mix Concrete including Specialty Concrete, building products like AAC blocks and jointing mortars and a host of others in Retail Formats.

One of our product Xtralite - AAC blocks are light weight blocks with optimum compressive strength and lower density than the traditional clay bricks or concrete blocks. It has the following advantages:

- 1. Thermal Insulation- resulting in less energy consumption for cooling the interiors.
- Sound Insulation- reduction in usages of acoustical materials.
- 3. Can withstand any weathering effects-highly durable and life cycle cost is less.
- Reduction in the usage of cement, sand due to reduction in joint thickness, less thickness of plastering etc- reduced environmental impact.
- 5. Help in conservation of agricultural top soil as it is a good alternative for clay bricks.

Another product Readiplast uses less water for curing as the curing period is reduced from 7 days to 2 days. Some of our Building Product Division products are also listed in the Indian Green Building Council Directory of green products under the category of energy efficiency and low emitting materials.

We are focusing on different options to reduce our carbon footprint and other emissions such as replacing traditional fuels with alternative fuels, improving energy efficiency of our products, using clinker additives, implementing waste heat recovery wherever possible.

The Company has also taken initiatives for educating its stakeholders on the sustainable aspects of its products. The Technical Services Department educates the users of cement like masons and the Individual House Builder (IHB) on using cement optimally and reducing wastage. The Company also informs government agencies about the advantages of using cement for mass housing and roads and the benefits of using blended cement.

- 2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):
 - Reduction durina sourcing/production/ distribution achieved since the previous year throughout the value chain?

The Company consumes alternative materials like flyash, chemical gypsum, slag etc. which helps in conserving natural raw materials used for the cement production. Alternative fuels (hazardous and non-hazardous) is also used for thermal energy generation which helps in the substitution of fossil fuels. Recycling water, rainwater harvesting and recharging of ground water are standard operating procedures at all our manufacturing sites.

The reduction achieved in resource use will be part of the sustainability report being published.

ii. Reduction during usage by consumers (energy, water) has been achieved since the previous year?

Cement as a product is used for variety of purposes and by diverse consumers.

3. Does the Company have procedures in place for sustainable sourcing (including transportation)?

Procurement practices by the Company is focused on protection of environment, societal interest and cost effective procurement seeking resource efficiency, improving the quality of products and services and ultimately optimising the cost.

The criteria for procurement of equipment is based upon resource efficiency, mainly comprising of, but not limited to energy efficiency, fuel efficiency, emission control etc. As regard social aspect, the emphasis is made on ethical issues at the time of vendor evaluation stage. The vendor registration form of the Company requires its potential vendors to specify their commitment on the following social aspects:

- Child Labour
- 2. Forced and Compulsory Labour
- 3. Health and Society
- 4. Working Hours
- 5. Statutory compliances

The Company believes that sustainability in logistics may be achieved by using less polluting and less fuel consuming transport option or selecting the vendors who are close to our manufacturing location. We are importing coal in bulk size vessels in collaboration with suppliers under which about one half of the shipment quantity is taken by us with full cost advantage of freight and the balance is sold by the suppliers to their retail customers. This consumes lesser fuel as compared to smaller size shipment in terms of per ton of material sailed. The Company also maps the Polypropylene(PP) bags suppliers across the country to minimise distance between supplier plants and units across the country. We have also encouraged and empowered our PP bag suppliers to achieve 9001:2008 certification.

E-procurement has made our sourcing process more transparent and efficient. It includes a webbased supplier portal with features like Request For Quote (RFQ), submission of offers by the suppliers. generation of comparative charts and the release of orders. The module is integrated with our SAP system. A reverse auction process of real time competitive bidding for buying and transportation of material, adds to the efficacy of the process. E-procurement has resulted in more effective communication with our vendors and enabled significant reduction in paper work as well as travel hours.

Has the Company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work?

If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

The Company has always given preference to local vendors when it comes to sourcing materials. Around 20% of PP bags is sourced from near-by or local vendors (< 60km distance) that also indirectly saves on fuel consumption for transportation of those bags to the Units.

The Company also believes in long term partnership with the vendors by having rate contracts with them and providing periodical feedback on their performances in terms of quality, delivery, services, environmental health and safety etc, which helps the vendors to improve their performance by taking corrective actions on the parameters where they are found lacking. Transparency and fair approach are maintained while

dealing with the vendors during the entire procurement cycle. The Company makes efficient use of Information Technology for reducing the procurement cycle time and has launched a vendor portal which not only reduces the cycle time but also empowers vendors to make use of its features like knowing the approval status of their material, payment status, posting advance shipping notification etc. This helps in reduction of paper usage as most of the activities / documentation are done in electronic format. The Company has a zero tolerance policy for safety breaches and business is done only with those vendors who are approved on stringent safety parameters.

5. Does the Company have a mechanism to recycle products and waste? If yes, what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so.

The cement manufacturing process as such does not involve production of any waste. However, the flyash generated from the Company's captive power plants during power generation is being utilised in blending cements. The Company also consumes alternative materials such as flyash, chemical gypsum, slag etc. that are waste generated from other industries to substitute for the raw material required for cement production.

Principle 3 – Businesses should promote the wellbeing of all employees.

- 1. Please indicate the total number of employees. 14,436
- Please indicate the total number of employees hired on temporary/contractual/casual basis.

OVERVIEW AND THE STATE OF THE COMPANY'S AFFAIRS

The year under review witnessed sluggish demand overall, with prices under pressure. The year also saw continuing rise in the price of input material and logistics costs. As the economy picks up and given the government's increased focus on the infrastructure and housing sector, the cement industry is expected to put behind another year of low demand. However, the increase in freight and raw material costs is likely to continue, thus, impacting margins in the short term. Your Company's on-going costs optimisation measures helped in containing costs to some extent.

Against this background, your Company produced 43.88 MMT of cement as against 40.79 MMT in the previous year. The effective capacity utilisation was 75% as against 79%.

The aggregate sales volume increased by 8% from 41.46 MMT to 44.85 MMT, while for white cement and related products it was 12.25 LMT (11.41 LMT).

Your Company's net turnover stood at ` 22,656 crores vis-à-vis ` 20,078 crores in the previous year. Profit before interest, depreciation and tax was at ` 4,567 crores as against ` 4,147 crores.

DIVIDEND

Your Directors have recommended a dividend of `9/-per equity share (`9/-per equity share in the previous year) of `10/- each for the year ended 31st March, 2015. The dividend distribution would result in a cash outgo of `297 crores (including tax on dividend of `50 crores) compared to `289 crores (including tax on dividend of `42 crores) paid for the year 2013-14.

CAPITAL EXPENDITURE

Your Company's expansion plans are on track. During the year, your Company has commissioned:

- a 25 MW thermal power plant at Rajashree Cement Works, Karnataka
- a 25 MW thermal power plant at Andhra Pradesh Cement Works
- a 10 MW Waste Heat Recovery System at Aditya Cement Works, Rajasthan
- a 6.5 MW Waste Heat Recovery System at Awarpur Cement Works, Maharashtra
- a 6 MW Waste Heat Recovery System at Rajashree Cement Works, Karnataka
- a 1.4 MTPA cement mill at Rajashree Cement Works, Karnataka
- a 2.0 MTPA clinkerisation plant at Aditya Cement Works, Rajasthan

A judicial mix of internal accruals and borrowings have been used for funding of the projects.

CORPORATE DEVELOPMENT

Scheme of Arrangement

Acquisition of cement units of Jaypee Cement Corporation Limited in Gujarat

Your Company completed the acquisition of the Gujarat units of Jaypee Cement Corporation Limited ("JCCL") comprising of an integrated unit at Sewagram and a grinding unit at Wanakbori, with a combined capacity of 4.8 MTPA, at an enterprise value of `3,800 crores besides the actual net working capital at closing, with effect from 12th June, 2014. Upon effectiveness, your Company has taken over all the assets and liabilities of the acquired units and the net amount of enterprise value less liabilities taken over, being the consideration, has been discharged by allotment of 141,643 equity shares of `10/- each, fully paid-up to the shareholders of JCCL.

Acquisition of cement units of Jaiprakash Associates Limited in Madhya Pradesh

During the year, the Board of Directors of your Company approved the acquisition of the cement units of Jaiprakash Associates Limited ("JAL") situated at Bela and Sidhi in Madhya Pradesh, having a capacity of 4.9 MTPA together with a thermal power generation capacity of 180 MW.

The transaction, being carried out by way of a Scheme of Arrangement in terms of the provisions of the Companies Act, 1956, is subject to the approval of the shareholders and creditors of both the companies, the High Courts, the Competition Commission of India and other statutory approvals. The shareholders and creditors of both the companies have since approved the Scheme. The Competition Commission of India has also approved the transaction.

Your Company shall issue Non-Convertible Debentures worth `4,538 crores and Non-Convertible Cumulative Redeemable Preference Shares worth `10 lacs to JAL and shall take over `626.50 crores of debt and negative working capital of `160.50 crores, subject to closing adjustments.

This acquisition will raise your Company's cement capacity in India from 60.2 MTPA to 65.1 MTPA. With your Company's current projects underway, the capacity in India will grow to 71.2 MTPA at the end of the financial year 2015-16.

Coal Blocks

The Supreme Court of India by its judgment dated 25th August, 2014 read with its Order dated 24th September, 2014 cancelled 204 coal blocks which had been allocated earlier for the purposes of mining coal for captive consumption. These include two coal blocks allotted to your Company jointly with others, viz. Bhaskarpara and Madanpur (North) in Chhattisgarh. No mining activity had commenced on these blocks and the cancellation will not have any material adverse impact on your Company.

Subsequent to the Supreme Court judgment, the Central Government promulgated Ordinances dated 21st October, 2014 and 26th December, 2014 for allotment and auction of 204 coal blocks. The Ministry of Coal has also framed Rules u/s 29 of The Coal Mines (Special Provision) Ordinance, 2014 and notified on 11th December, 2014 the auction and allotment of all the above mentioned coal blocks.

Your Company participated in the e-auction conducted by the Central Government for allocation of the coal blocks and has been awarded the Bicharpur coal block situated in Madhya Pradesh, which has a 29.12 MMT reserve. Commercial production from the mine is expected to commence from FY18. The primary consideration for obtaining the mines is to ensure your Company's coal security.

As regards its investment in the cancelled coal blocks, your Company is likely to recover most of the expenditure from the new allottees in terms of the ordinances promulgated by the Central Government.

Competition Commission of India

The Competition Commission of India ("CCI") upheld the complaint of alleged cartelisation against certain cement manufacturing companies including your Company by its order dated 20th June, 2012. The CCI has imposed a penalty of `1,175.49 crores on your Company. Your Company filed an appeal against the Order before the Competition Appellate Tribunal ("COMPAT"). COMPAT has granted stay on the CCI order on condition that your Company deposit 10% of the penalty, amounting to `117.55 crores. The same has been deposited by your Company. Your Company backed by a legal opinion, continues to believe that it has a good case and accordingly no provision has been made in the accounts.

CORPORATE GOVERNANCE

Your Directors reaffirm their continued commitment to good corporate governance practices. During the year under review, your Company was in compliance with the provisions of Clause 49 of the Listing Agreement with the stock exchanges relating to corporate governance.

The compliance report is provided in the Corporate Governance section of the Annual Report. The auditor's certificate on compliance with the provisions of Clause 49 of the Listing Agreement is given in **Annexure I** to this Report.

EMPLOYEE STOCK OPTION SCHEMES

ANNEXURE VI

UltraTech Cement Limited ("the Company") an Aditya Birla Group Company adopts/shall adopt this Executive Remuneration Philosophy/Policy as applicable across Group Companies. This philosophy/ policy is detailed below.

Aditya Birla Group: Executive Remuneration Philosophy/Policy

At the Aditya Birla Group, we expect our executive team to foster a culture of growth and entrepreneurial risk-taking. Our Executive Remuneration Philosophy/Policy supports the design of programs that align executive rewards – including incentive programs, retirement benefit programs, promotion and advancement opportunities – with the long-term success of our stakeholders.

Our business and organisational model

Our Group is a conglomerate and organised in a manner such that there is sharing of resources and infrastructure. This results in uniformity of business processes and systems thereby promoting synergies and exemplary customer experiences.

I. Objectives of the Executive Remuneration Program

Our executive remuneration program is designed to attract, retain, and reward talented executives who will contribute to our long-term success and thereby build value for our shareholders.

Our executive remuneration program is intended to:

- 1. Provide for monetary and non-monetary remuneration elements to our executives on a holistic basis.
- 2. Emphasise "Pay for Performance" by aligning incentives with business strategies to reward executives who achieve or exceed Group, business and individual goals.

II. Executives

Our Executive Remuneration Philosophy/Policy applies to the following:

- 1. Directors of the Company.
- 2. Key Managerial Personnel: Chief Executive Officer and equivalent (eg: Deputy Managing Director), Chief Financial Officer and Company Secretary.
- 3. Senior Management

III. Business and Talent Competitors

We benchmark our executive pay practices and levels against peer companies in similar industries, geographies and of similar size. In addition, we look at secondary reference (internal and external) benchmarks in order to ensure that pay policies and levels across the Group are broadly equitable and support the Group's global mobility objectives for executive talent. Secondary reference points bring to the table, the executive pay practices and pay levels in other markets and industries, to appreciate the differences in levels and medium of pay and build in as appropriate for decision making.

IV. Executive Pay Positioning

We aim to provide competitive remuneration opportunities to our executives by positioning target total remuneration (including perks and benefits, annual incentive pay-outs, long term incentive pay-outs at target performance) and target total cash compensation (including annual incentive pay-outs) at target performance directionally between median and top quartile of the primary talent market. We recognise the size and scope of the role and the market standing, skills and experience of incumbents while positioning our executives.

We use secondary market data only as a reference point for determining the types and amount of remuneration while principally believing that target total remuneration packages should reflect the typical cost of comparable executive talent available in the sector.

V. Executive Pav-Mix

Our executive pay-mix aims to strike the appropriate balance between key components: (i) Fixed Cash compensation (Basic Salary + Allowances) (ii) Annual Incentive Plan (iii) Long-Term Incentives (iv) Perks and **Benefits**

Annual Incentive Plan:

We tie annual incentive plan pay-outs of our executives to relevant financial and operational metrics achievement and their individual performance. We annually align the financial and operational metrics with priorities/ focus areas for the business.

Long-Term Incentive:

Our Long-term incentive plans incentivise stretch performance, link executive remuneration to sustained long term growth and act as a retention and reward tool.

We use stock options as the primary long-term incentive vehicle for our executives as we believe that they best align executive incentives with stockholder interests.

We grant restricted stock units as a secondary long-term incentive vehicle, to motivate and retain our executives.

VI. Performance Goal Setting

We aim to ensure that for both annual incentive plans and long-term incentive plans, the target performance goals shall be achievable and realistic.

Threshold performance (the point at which incentive plans are paid out at their minimum, but non-zero, level) shall reflect a base-line level of performance, reflecting an estimated 90% probability of achievement.

Target performance is the expected level of performance at the beginning of the performance cycle, taking into account all known relevant facts likely to impact measured performance.

Maximum performance (the point at which the maximum plan payout is made) shall be based on an exceptional level of achievement, reflecting no more than an estimated 10% probability of achievement.

VII. Executive Benefits and Perquisites

Our executives are eligible to participate in our broad-based retirement, health and welfare, and other employee benefit plans. In addition to these broad-based plans, they are eligible for perquisites and benefits plans commensurate with their roles. These benefits are designed to encourage long-term careers with the Group.

Other Remuneration Elements

Each of our executives is subject to an employment agreement. Each such agreement generally provides for a total remuneration package for our executives including continuity of service across the Group Companies.

We limit other remuneration elements, for e.g. Change in Control (CIC) agreements, severance agreements, to instances of compelling business need or competitive rationale and generally do not provide for any tax gross-ups for our executives.

Risk and Compliance

We aim to ensure that the Group's remuneration programs do not encourage excessive risk taking. We review our remuneration programs for factors such as, remuneration mix overly weighted towards annual incentives, uncapped pay-outs, unreasonable goals or thresholds, steep pay-out cliffs at certain performance levels that may encourage short-term decisions to meet pay-out thresholds.

Claw back Clause:

In an incident of restatement of financial statements, due to fraud or non-compliance with any requirement of the Companies Act, 2013 and the rules made thereunder, we shall recover from our executives, the remuneration received in excess, of what would be payable to him / her as per restatement of financial statements, pertaining to the relevant performance year.

Implementation

The Group and Business Centre of Expertise teams will assist the Nomination, Remuneration and Compensation Committee in adopting, interpreting and implementing the Executive Remuneration Philosophy/Policy. These services will be established through "arm's length", agreements entered into as needs arise in the normal course of business.

ANNEXURE VII

INDEPENDENT AUDITORS' REPORT

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ULTRATECH CEMENT LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying Standalone financial statements of **ULTRATECH CEMENT LIMITED** ("the Company"), which comprise the Balance Sheet as atMarch 31, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information, in which are incorporated the Returns for the year ended on that date audited by the branch auditors of the Company's branches at Jafrabad, Magdalla and Ratnagiri.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directorsis responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair viewin order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2015, and its profit and its cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to Note 30 (b) to the standalone financial statements which describes the uncertainty related to the penalty of ` 1,175.49 Crores imposed by the Competition Commission of India for alleged cartelisation by certain cement manufacturing companies including the Company, for which, based on a legal opinion, no provision has been made. Our opinion is not modified in respect of this matter.

Other Matter

We did not audit the financial statements of three branches included in the standalone financial statements of the Company whose financial statements reflect total assets of `51.11 Crores as at March 31, 2015 and total revenues of `(118.12) Crores for the year ended on that date, as considered in the standalone financial statements. The financial statements of these branches have been audited by the branch auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of these branches, is based solely on the report of such branch auditors. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2015 ("the Order"), issued by the Central Government of India in terms of subsection (11) of section 143 of the Companies Act, 2013, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2 As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branches not visited by us.
 - (c) The reports on the accounts of the branches of the Company, at Jafrabad, Magdalla and Ratnagiri, audited under Section 143(8) of the Act by the branch auditors have been sent to us and have been properly dealt with by us in preparing this report.
 - (d) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account and with the returns received from the branches not visited by us.
 - (e) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (f) On the basis of the written representations received from the directors as on March 31, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015 from being appointed as a director in terms of Section 164(2) of the Act.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements Refer Notes 30(a) and 30(b) to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Having regard to the nature of the Company's business/ activities/ results during the year, clause (viii) regarding accumulated losses and cash loss incurred by the Companyof paragraph 3 of the Orderis not applicable to the Company.

- (i) In respect of its fixed assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;
 - (b) The Company has a program of verification of fixed assets to cover all the assets in a phased manner over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (ii) In respect of its inventory:
 - (a) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals. In respect of the inventories lying with third parties, confirmations have been obtained from those parties and in respect of goods in transit subsequent goods receipt have been verified or confirmations have been obtained from those parties;
 - (b) In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventory followed by the Management were reasonable and adequate in relation to the size of the Company and the nature of its business;
 - (c) In our opinion and according to the information and explanations given to us, the Company has maintained proper records of its inventories and no material discrepancies were noticed on physical verification.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the Register maintained under Section 189 of the Act.
- (iv) In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to purchases of inventory and fixed assets and the sale of goods and services. During the course of our audit, we have not observed any major weaknesses in such internal control system.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit from the public during the year in terms of the provisions of Sections 73 and 76 or any other relevant provisions of the Act.
- (vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended and prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
 - (a) The Company has been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-Tax, Sales-Tax, Value Added Tax, Wealth Tax, Service Tax, Customs Duty, Excise Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Value Added Tax, Wealth Tax, Service Tax, Customs Duty, Excise Duty, Cess and other material statutory dues in arrears as at March 31, 2015 for a period of more than six months from the date they became payable.
 - (c) Details of dues of Income Tax, Sales Tax, Value Added Tax, Wealth Tax, Service Tax, Customs Duty, Excise Duty and Cess which have not been deposited as on March 31, 2015 on account of disputes are given below:

NOTES

Note 1 - Significant Accounting Policies:

(i) Basis of Accounting and preparation of Financial Statements

The financial statements are prepared and presented under the historical cost convention on accrual basis of accounting inaccordance with the Generally Accepted Accounting Principles in India (Indian GAAP). These financial statements comply in all material aspects with the Accounting Standards (AS) specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, the relevant provisions of the Companies Act, 2013 ("the 2013 Act") / Companies Act 1956 ("the 1956 Act"), as applicable and guidelines issued by the Securities and Exchange Board of India (SEBI), as applicable.

The accounting policies adopted in the preparation of these financial statements are consistent with those of the previous year.

(ii) Use of estimates:

The preparation of financial statements in conformity with the Indian GAAP requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements, the reported amounts of revenues and expenses during the reporting period and the disclosures relating to contingent liabilities as of the date of the financial statements. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in outcomes different from the estimates. Difference between actual results and estimates are recognised in the period in which the results are known or materialise.

Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognised prospectively in the current and future periods.

(iii) Fixed Assets:

Fixed assets (whether Tangible or Intangible) are stated at costless accumulated depreciation / amortisation / impairment loss (if any), net of Modvat / Cenvat (wherever claimed). The cost of fixed assets includes taxes, duties, freight, borrowing cost, if capitalisation criteria are met and other incidental expenses incurred in relation to their acquisition/bringing the assets for their intended use.

Spares which can be used only in connection with a particular Plant and Equipment of the Company and use is expected to be irregular, are capitalised at cost, net of Cenvat / Modvat (wherever claimed).

Fixed Assets held for disposal are stated at lower of net book value and net realisable value and disclosed separately in the financial statements under other current assets.

Losses arising from the retirement of, and gains / losses arising from disposal of fixed assets which are carried at cost are recognised in the Statement of Profit and Loss.

(iv) Expenditure during construction period:

Expenditure/ Income, during construction period (including financing cost relating to borrowed funds for construction or acquisition of qualifying fixed assets) is included under Capital Work-in-Progress and the same is allocated to the respective fixed assets on the completion of their construction.

(v) Borrowing Costs:

Borrowing costs that are attributable to the acquisition or construction of a qualifying asset are capitalised as part of the cost of such asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are recognised as an expense in the period in which they are incurred.

Borrowing cost includes interest expense, amortisation of discounts, ancillary costs incurred in connection with borrowing of funds and exchange difference arising from foreign currency borrowings to the extent they are regarded as an adjustment to the Interest cost.

(vi) Depreciation and Amortisation:

Depreciation is the systematic allocation of the depreciable amount of an asset over its useful life and is provided on a straight-line basis over the useful lives as prescribed in Schedule II to the Companies Act, 2013.

Depreciable amount for assets is the cost of an asset less its estimated residual value.

The useful life of an asset is the period over which an asset is expected to be available for use by an entity, or the number of production or similar units expected to be obtained from the asset by the entity.

In case of certain class of assets, the Company uses different useful life than those prescribed in Schedule II to the Companies Act, 2013. The useful lifehas been assessed based on technical advice, taking into account the nature of the asset, the estimated usage of the asset on the basis of management's best estimation of getting economic benefits from those class of assets. The Company uses its technical expertise along with historical and industry trends for arriving the economic life of an asset. Such class of assets and their estimated useful lives are as under:

No.	Nature of Asset	Useful life of the assets
1	Thermal Power Generation Plants	25 Years
2	Office Equipment	4 Years
3	Furniture and Fixtures	7 Years
4	Mobile Phones	3 Years
5	Company Vehicles (other than those provided to the employees)	5 Years
6	Motor Cars given to the employees as per the Company's Scheme	4-5 Years
7	Leasehold Land and Mining Lease	Period of the Lease
8	Assets not owned by the Company	As per period specified in the agreement, else 5 years
9	Expenditure incurred on Jetty	Over the period of the relevant agreement such that the cumulative amortisation is not less than the
		cumulative rebate availed by the Company.
10	Servers and Networks	3 Years
11	Software	3 Years
12	Spares which are capitalised	Allocated on Systematic basis over the useful life of
12		related fixed assets
13	Assets individually costing less than or equal to ` 10,000	In the year of purchase

Depreciation on additions is provided on a pro-rata basis from the month of installation or acquisition and in case of Projects from the date of commencement of commercial production. Depreciation on deductions / disposals is provided on a pro-rata basisupto the month preceding the month of deduction / disposal.

(vii) Impairment of Assets:

The carrying amount of assetsare reviewed at each balance sheet date, if there is an indication of impairment based on internal and external factors.

An asset is treated as impaired when the carrying amount of the asset exceeds its recoverable amount. An asset's recoverable amount is the higher of an assets net selling price and value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. The discounting rate is a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the assets. Net selling price is the amount obtainable from sale of the asset in an arm's length transaction between knowledgeable, willing parties, less the costs of disposal.

An impairment loss, if any, is charged to the Statement of Profit and Loss in the year in which the asset is identified as impaired. Impairment loss recognised in prior years is reversed when there is an indication that impairment loss recognised for the asset no longer exists or has decreased.

(viii) Derivatives:

Derivative instrument are used to hedge risk associated with foreign currency fluctuations, interest rates and commodity prices. The derivative contracts are closely linked with underlying transactions and are intended to be held till maturity. The Company does not enter into any derivative contracts for speculations or trading purposes.

With effect from current year, the Company has adopted AS 30 – "Financial Instrument – Recognition and Measurement", to the extent that adoption did not conflict with exiting accounting standards and other regulatory requirements. Accordingly the Company test each contracts which are entered on the basis of highly probable forecast transactions and decided whether to designate as an effective hedge.

To designate a forward/swaps or options contract as an effective hedge, the management objectively evaluates and evidences with appropriate supporting documents at the inception of each contract whether the contract is effective in achieving offsetting cash flows attributable to the hedged risk.

The gain or losses on designated hedging contract that qualify as an effective hedge is recorded in the hedging reserve account until the transactions are complete. Upon completion or cessation of hedging relationship as an effective, net cumulative gain / losses are transferred to Statement of Profit & Loss.

The gain or losses on the contracts which do not qualify for hedge accounting or considered as ineffective hedge transactions are charged to Statement of Profit & Loss.

(ix) Investments:

a) Presentation & disclosure

Investments which are readily realisable and are intended to be held for not more than one yearare classified as current investments. All other investments are classified as long-term investments / non-current investments.

b) Recognition & measurement

Long-term investments are stated at cost after deducting provisions made, if any, for diminution in value of investments other than temporary, determined separately for each individual investment.

The carrying cost of long-term investment in subsidiary having mining rights for the mineral resources is determined net-off amortisation pertaining to the minerals extracted from the mines, calculated in proportion to the quantity extracted during the period out of the total estimated mineral reserve size. The total estimated reserve size is reviewed periodically, on the basis of technical estimates.

Current investments, except current maturities of Long- term investments, are stated at lower of cost and fair value determined for each category of investments.

c) Disposal

On disposal of an investment, the difference between the carrying amount and the disposal proceeds, net of expenses, is recognised in the Statement of Profit and Loss.

(x) Foreign Currency Transactions:

- a) Transactions denominated in foreign currency are recorded at the exchange rate prevailing on the date of the transaction.

 Monetary assets and liabilities denominated in foreign currency at the balance sheet date are translated at the year-end rates.
- b) In respect of forward exchange contracts, premium or discount, being the difference between the forward exchange rate and the exchange rate at the inception of contract is recognised as expense or income over the life of the contract.
- c) Exchange difference including premium or discount on forward exchange contracts, relating to borrowed funds, liabilities and commitments in foreign currency for acquisition of fixed assets, arising till the assets are ready for their intended use, are adjusted to cost of fixed assets. Any other exchange difference either on settlement or translation is recognised in the Statement of Profit and Loss.
- d) Investment in equity capital of overseas companies registered outside India are carried in the Balance Sheet at the rates at which transactions have been executed.

(xi) Inventories:

Inventories are valued as follows:

a) Raw material, fuel, stores & spare parts and packing materials:

Valued at lower of cost and net realisable value (NRV). However, these items are considered to be realisable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost. Cost is determined on weighted average basis.

b) Work-in- progress (WIP), finished goods, stock-in-trade and trial run inventories:

Valued at lower of cost and NRV. Finished goods and WIP cost includes cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost of inventories is computed onweighted average basis.

c) Waste / Scrap:

Waste / Scrap inventory is valued at NRV.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

(xii) Employee Benefits:

a) Short term employee benefits

Short term employee benefits are recognised as an expense on accrual basis.

b) Defined Contribution Plan

Contributionspayable to recognised provident fund, approved superannuation scheme and national pension scheme, which are substantially defined contribution plans, are recognised as expense in the Statement of Profit and Loss, as they are incurred.

Contributions as specified by law are paid to the provident fund set up as irrevocable trust. The Company is generally liable for annual contribution and any shortfall in the fund assets based on the government specified minimum rates of return and recognises such contribution and shortfall, if any, as an expense in the year incurred.

c) Defined Benefit Plan

The obligation in respect of defined benefit plans, which cover Gratuity, Pension and Post-retirement medical benefits, are provided for on the basis of an actuarial valuation, using the projected unit credit method, at the end of each financial year. Gratuity is funded with an approved fund. Actuarial gains/losses, if any, are recognised immediately in the Statement of Profit and Loss.

Obligation is measured at the present value of estimated future cash flows using a discount rate that is based on the prevailing market yields of Government of India securities as at the Balance Sheet date for the estimated term of the obligations.

d) Other Long Term Benefits

Long-term compensated absences are provided for on the basis of an actuarial valuation, using the projected unit credit method, at the end of each financial year. Actuarial gains / losses, if any, are recognised immediately in the Statement of Profit and Loss.

e) Presentation of Non-funded obligation of defined benefit plans and other long term benefits, as long term and short term liability is on the basis of actuary's report.

(xiii) Employee Share based payments:

The Company follows intrinsic value method for valuation of Employee Stock Option in accordance with the SEBI (Share Based Employee Benefits) Regulations, 2014 {erstwhile SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999} and the Guidance Note on Accounting for Employee Share based payments, issued by the Institute of Chartered Accountants of India. The excess of market price of shares at the time of grant of options, over the exercise price to be paid by the option holder is considered as employee compensation expense and is amortised in the Statement of Profit and Loss over the period of vesting, adjusting for the actual and expected vesting.

(xiv) Income Taxes:

Income Tax expenses comprise current tax and deferred tax charge or credit.

Current Tax is measured on the basis of estimated taxable income for the current accounting period in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961 and other applicable tax laws.

Deferred Tax reflects the impact of timing difference between accounting income and taxable income during the current year and reversal of timing differences for the earlier years. Deferred tax charge or credit and corresponding deferred tax liabilities or assets are measured using the tax rates and laws enacted or substantively enacted as on the balance sheet date. Deferred tax assets are recognised and carried forward only to the extent that there is reasonable certainty, except for carried forward losses and unabsorbed depreciation and items relating to capital losses which is recognised based on virtual certainty, supported by continuing evidence that there will be sufficient future taxable income available to realise the asset.

Minimum Alternate Tax (MAT):

MAT is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in the Guidance Note issued by ICAI, the said asset is created by way of a credit to the Statement of Profit and Loss and is shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

(xv) Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured.

- a) Sales are recognised on transfer of significant risks and rewards of ownership of the goods to the buyer. Sales are net of Sales Tax, VAT, trade discounts, rebates and returns but include excise duty. Sales exclude self-consumption of finished goods.
- b) Income from services is recognised (net of service tax as applicable) as they are rendered, based on agreement/arrangement with the concerned parties.
- c) Dividend income is accounted for when the right to receive the income is established. Interest income is recognised on time proportion basis taking into account the amount outstanding and the rate applicable. Income other than dividend and interest on Investments is recognised on maturity or sale.
- d) Export incentives, insurance, railway and other claims, where quantum of accruals cannot be ascertained with reasonable certainty, are accounted on acceptance basis.

(xvi) Mines Restoration Expenditure:

The Company provides for the estimated expenditure required to restore quarries and mines. The total estimate of restoration expenses is apportioned over the estimate of mineral reserves and a provision is made based on minerals extracted during the year. The total estimate of restoration expenses is reviewed periodically, on the basis of technical estimates.

(xvii) Government Grants and Subsidies:

- a) Government grants and subsidies are recognised when there is reasonable assurance that the Company will comply with the conditions attached thereto and that the grants will be received.
- b) Capital Government grants or subsidies relating to specific fixed assets are deducted from the gross value of the respective fixed assets and other capital grants are credited to Capital Reserve.
- c) Other Government grants or subsidies relating to an expense item are recognised as income over the period to match them on a systematic basis to the costs or deducted from related expenses.

(xviii) Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when there is a present obligation as a result of past events and it is probable that an outflow of resourceswill be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent Liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company.

Claims against the Company where the possibility of any outflow of resources in settlement is remote, are not disclosed as Contingent Liabilities.

Contingent Liabilities are not recognised but are disclosed and Contingent Assets are neither recognised nor disclosed, in the financial statements.

(xix) Earnings Per Share:

The basic Earnings Per Share ("EPS") is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit/(loss) after tax for the year attributable to the equity shareholders divided by the weighted average number of equity shares outstanding during the year after adjusting for the effects of all dilutive potential equity shares.

(xx) Segment Reporting:

a) Identification of Segments:

Primary segment is identified based on the nature of products and services, the different risks and returns and the internal business reporting system. Secondary segment is identified based on geography in which major operating divisions of the Company operate.

b) Segment Policies:

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

(xxi) Research and development expenditure:

Revenue expenditure pertaining to research is expensed as incurred. Capital expenditure incurred on development is capitalised if such expenditure leads to creation of an asset, otherwise such expenditure is charged to the Statement of Profit and Loss.

(xxii) Operating lease:

Leases where significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases and lease rentals thereon are charged to the Statement of Profit and Loss on a straight-line basis over the lease term.

(xxiii) Classification of Assets and Liabilities into Current/Non-current:

All assets and liabilities are presented as Current or Non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation, the Company has ascertained its operating cycle as 12 months for the purpose of Current / Non-current classification of assets and liabilities.

(xxiv) Cash and Cash Equivalents:

Cash and cash equivalents for the purpose of Cash Flow Statement includes Cash in hand, Balances with Banks and Fixed deposits with banks.

Note 32

The Ministry of Textiles, vide its orders dated June 30, 1997 and July 1, 1999 has deleted cement from the list of commodities to be packed in jute bags under the Jute Packaging (Compulsory Use in Packing Commodities) Act, 1987. In view of this, the Company does not expect any liability for non-dispatch of cement in jute bags in respect of earlier years.

Note 33

The Supreme Court of India by its judgment dated August 25, 2014 read with its Order dated September 24, 2014 cancelled 204 coal blocks which had been allocated earlier for the purposes of mining coal for captive consumption. These include two coal blocks allotted to the Company jointly with others, viz. Bhaskarpara and Madanpur (North) in Chhattisgarh. No mining activity has commenced on these blocks and the cancellation will not have any material adverse impact on the Company.

As regards its investment in the cancelled coal blocks, the Company is likely to recover the majority of the amount from the new allottee, once the auction will be conducted for the above mines in terms of the ordinances promulgated by the Central Government.

Note 34 - Acquisition of Cement manufacturing units in Gujarat:

The Hon'ble high courts of judicature at Bombay and Allahabad have by their respective orders approved the Scheme of Arrangement between Jaypee Cement Corporation Limited ("JCCL") and the Company and their respective shareholders and creditors ("the Scheme") for the acquisition of demerged Gujarat Units of JCCL comprising of an integrated cement Unit at Sewagram and a grinding Unit at Wanakbori with a combined cement capacity of 4.8 MTPA together with a thermal power plant of 57.5 MW and a packing bag unit.

The Scheme became effective from June 12, 2014, from which date all the assets and liabilities of the acquired Units have been transferred and vested in the Company.

The scheme has been given effect to in these financial statements as under:

- (a) All the assets and transferred liabilities have been accounted for in the books of the account of the Company at the value appearing in the books of account of JCCL as on June 11, 2014.
- (b) In terms of the Scheme, consideration for the acquisition of the JCCL assets net of borrowings assumed have been discharged by way of issuing equity shares of the Company. 141,643 equity shares of the Company of ` 10/- each, fully paid-up, have been allotted to the equity and preference shareholders of JCCL towards the net consideration.
- (c) The excess of assets over transferred liabilities and equity shares issued has been credited to capital reserve.
- (d) In net, `117.59 Crores has been credited to the capital reserve account.

(E) Fair Valuation:

The fair value of options used to compute proforma net income and earnings per equity share have been done by an independent firm of Chartered Accountants on the date of grant using the Black-Scholes Model.

The Key assumptions in the Black-Scholes Model for calculating fair value as on the date of grant:

(a) For ESOS Scheme 2006:

1. Risk Free Rate - 8% (Tranche I-V), 8.14% (Tranche VI)

2. Option Life - Vesting period (1 Year) + Average of exercise period
 3. Expected Volatility - Tranche-II: 0.49, Tranche-II: 0.52, Tranche-III: 0.30,

Tranche-IV: 0.30, Tranche-V: 0.30, Tranche-VI: 0.25

4. Expected Growth in Dividend - 20%

(b) For ESOS Scheme 2013:

1. Risk Free Rate - 8.5% (Tranche I), 7.8% (Tranche II-III)

2. Option Life - (a) For Options - Vesting period (1 Year) + Average of exercise period

(b) For RSU - Vesting period (3 Years) + Average of exercise period

3. Expected Volatility - Tranche-II: 0.29, Tranche-II: 0.27, Tranche-III: 0.28.

4. Expected Growth in Dividend - Tranche -I: 20%, Tranche II-III: 15%.

The weighted average fair value of the option, as on the date of grant for ESOS Scheme 2006 works out to be `476 per stock option and for ESOS Scheme 2013 works out to be `1,078 per stock option.

Had the compensation cost for the stock options granted under above Schemes has been determined, based on fair-value approach, the Company's net profit and earnings per share would have been as per the proforma amounts indicated below:

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITORS' REPORT

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF **ULTRATECH CEMENT LIMITED**

Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated financial statements of ULTRATECH CEMENT LIMITED (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its jointly controlled entities, comprising of the Consolidated Balance Sheet as atMarch 31, 2015, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Groupincluding its Jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group and of its jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply withethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considersinternal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair viewin order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraphs (a) and (b) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinionon the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and, its jointly controlled entities as at March 31, 2015, their consolidated profit and their consolidated cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to Note 34(b) to the consolidated financial statements which, describes the uncertainty related to the penalty of `1,175.49 crores imposed by the Competition Commission of India for alleged cartelization by certain cement manufacturing companies including the Holding Company, for which, based on a legal opinion, no provision has been made.

Our opinion is not modified in respect of this matter.

Other Matter

- (a) The financial statements of three subsidiaries as considered in the consolidated financial statements, which reflect total assets (net) of `157.18 Crores as at March 31, 2015, total revenues of `Nil and net cash outflows amounting to `1.62 Crores for the year ended on that date, have been audited by M/s G. ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Our reporting on the Order includes four subsidiary companies incorporated in India, to which the Order is applicable, of which three subsidiary companies have been audited by M/s. G. P. Kapadia & Co., Chartered Accountants, one of the joint auditors of the Company and one subsidiary company has been audited by other auditors and our report in respect of these entities is based solely on the reports of one of the joint auditors / the other auditors, to the extent considered applicable for reporting under the Order in the case of the consolidated financial statements.

In respect of two jointly controlled companies incorporated in India, which have been included in the consolidated financial statements based on unaudited financial statements of such entities provided to us by the Management, whilst in our opinion, and according to the information and explanations given to us, reporting under the Order is applicable in respect of these entities, since these entities are unaudited, the possible effects of the same on our reporting under the Order in the case of these consolidated financial statements has not been considered.

- (i) In respect of the fixed assets of the Holding Company and subsidiary companies incorporated in India:
 - (a) The respective entities have maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The fixed assets were physically verified during the year by the Management of the respective entities in accordance with a regular programme of verification which, in our opinion, the opinion of one of the joint auditors and the opinion of the other auditors, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, one of the joint auditors and the other auditors, no material discrepancies were noticed on such verification.
- (ii) In respect of the inventories of the Holding Company and subsidiary companies incorporated in India:
 - (a) As explained to us, one of the joint auditors and the other auditors, the inventories were physically verified during the year by the Management of the respective entities at reasonable intervals.
 - (b) In our opinion, the opinion of one of the joint auditors and the opinion of the other auditors and according to the information and explanations given to us, one of the joint auditors and the other auditors, the procedures of physical verification of inventories followed by the Management of the respective entities were reasonable and adequate in relation to the size of the respective entities and the nature of their business.

O. P. PURANMALKA S. K. CHATTERJEE Mumbai, April 25, 2015 Company Secretary Managing Director

Note 1 - Significant Accounting Policies:

(i) Basis of Accounting and preparation of Financial Statements

The financial statements are prepared and presented under the historical cost convention on accrual basis of accounting in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP). These financial statements comply in all material aspects with the Accounting Standards (AS) specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, the relevant provisions of the Companies Act, 2013 ("the 2013 Act") / Companies Act 1956 ("the 1956 Act"), as applicable and guidelines issued by the Securities and Exchange Board of India (SEBI), as applicable.

The accounting policies adopted in the preparation of these financial statements are consistent with those of the previous year.

(ii) Use of estimates:

The preparation of financial statements in conformity with the Indian GAAP requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements, the reported amounts of revenues and expenses during the reporting period and the disclosures relating to contingent liabilities as of the date of the financial statements. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in outcomes different from the estimates. Difference between actual results and estimates are recognised in the period in which the results are known or materialise.

Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognised prospectively in the current and future periods.

(iii) Fixed Assets:

Fixed assets (whether Tangible or Intangible) are stated at cost less accumulated depreciation / amortisation / impairment loss (if any), net of Modvat / Cenvat (wherever claimed). The cost of fixed assets include staxes, duties, freight, borrowing cost, if capitalisation criteria are met and other incidental expensesincurred in relation to their acquisition / bringing the assets for their intended use.

Spares which can be used only in connection with a particular Plant and Equipment of the Company and use is expected to be irregular, are capitalised at cost, net of Cenvat / Modvat (wherever claimed).

Fixed Assets held for disposal are stated at lower of net book value and net realisable value and disclosed separately in the financial statements under other current assets.

Losses arising from the retirement of, and gains / losses arising from disposal of fixed assets which are carried at cost are recognised in the Statement of Profit and Loss.

(iv) Expenditure during construction period:

Expenditure / Income, during construction period (including financing cost relating to borrowed funds for construction or acquisition of qualifying fixed assets) is included under Capital Work-in-Progress, and the same is allocated to the respective fixed assets on the completion of their construction.

(v) Borrowing Costs:

Borrowing costs that are attributable to the acquisition or construction of a qualifying asset are capitalised as part of the cost of such asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are recognised as an expense in the period in which they are incurred.

Borrowing cost includes interest expense, amortisation of discounts, ancillary costs incurred in connection with borrowing of funds and exchange difference arising from foreign currency borrowings to the extent they are regarded as an adjustment to the Interest cost.

(vi) **Depreciation and Amortisation:**

Depreciation is the systematic allocation of the depreciable amount of an asset over its useful life and is provided on a straight-line basis over the useful lives as prescribed in Schedule II to the Companies Act, 2013.

Depreciable amount for assets is the cost of an asset less its estimated residual value.

The useful life of an asset is the period over which an asset is expected to be available for use by an entity, or the number of production or similar units expected to be obtained from the asset by the entity.

In case of certain class of assets, the Company uses different useful life than those prescribed in Schedule II to the Companies Act, 2013. The useful lifehas been assessed based on technical advice taking into account the nature of the asset, the estimated usage of the asset on the basis of management's best estimation of getting economic benefits from those class of assets. The Company uses its technical expertise along with historical and industry trends for arriving the economic life of an asset. Such class of assets and their estimated useful lives are as under:

No.	Nature of Asset	Useful life of the assets
1	Building	3-60 Years
2	Plant and Machinery	18-25 Years
3	Office Equipment	4 Years
4	Furniture and Fixtures	6-7 Years
5	Lab equipment	6-10 Years
6	Mobile Phones	3 Years
7	Company Vehicles (other than those provided to the employees)	5 Years
8	Motor Cars given to the employees as per the Company's Scheme	4-5 Years
9	Leasehold Land and Mining Lease	Period of the Lease
10	Assets not owned by the Company	As per period specified in the agreement, else 5 years.
11	Expenditure incurred on Jetty	Over the period of the relevant agreement such that the cumulative amortisation is not less than the cumulative rebate availed by the Company.
12	Servers and Networks	3 Years
13	Computers	3-4 years
14	Software	3 years
15	Spares which are capitalised	Allocated on Systematic basis over the useful life of related fixed assets.
16	Assets individually costing less than or equal to ` 10,000	In the year of purchase

Depreciation on additions is provided on a pro-rata basis from the month of installation or acquisition and in case of Projects from the date of commencement of commercial production. Depreciation on deductions / disposals is provided on a pro-rata basis upto the month preceding the month of deduction / disposal.

(vii) Impairment of Assets:

The carrying amount of assets are reviewed at each balance sheet date, if there is an indication of impairment based on internal and external factors.

An asset is treated as impaired when the carrying amount of the asset exceeds its recoverable amount. An asset's recoverable amount is the higher of an assets net selling price and value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. The discounting rate is a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the assets. Net selling price is the amount obtainable from sale of the asset in an arm's length transaction between knowledgeable, willing parties, less the costs of disposal.

An impairment loss, if any, is charged to the Statement of Profit and Loss in the year in which the asset is identified as impaired. Impairment loss recognised in prior years is reversed when there is an indication that impairment loss recognised for the asset no longer exists or has decreased.

(viii) Derivatives:

Derivative instrument are used to hedge risk associated with foreign currency fluctuations, interest rates and commodity prices. The derivative contracts are closely linked with underlying transactions and are intended to be held till maturity. The Company does not enter into any derivative contracts for speculations or trading purposes.

With effect from current year, the Company has adopted AS 30 – "Financial Instrument – Recognition and Measurement", to the extent that adoption did not conflict with exiting accounting standards and other regulatory requirements. Accordingly the Company test each contracts which are entered on the basis of highly probable forecast transactions and decided whether to designate as an effective hedge.

To designate a forward / swap or options contract as an effective hedge, the management objectively evaluates and evidences with appropriate supporting documents at the inception of each contract whether the contract is effective in achieving offsetting cash flows attributable to the hedged risk.

The gain or losses on designated hedging contract that qualify as an effective hedge is recorded in the hedging reserve account until the transactions are complete. Upon completion or cessation of hedging relationship as an effective, net cumulative gain / losses are transferred to Statement of Profit & Loss.

The gain or losses on the contracts which do not qualify for hedge accounting or considered as ineffective hedge transactions are charged to Statement of Profit & Loss.

(ix) Investments:

a) Presentation & disclosure

Investmentswhich are readily realisable, and are intended to be held for not more than one yearare classified as current investments. All other investments are classified as long-term investments / non-current investments.

b) Recognition & measurement

Long-term investments are stated at cost after deducting provisions made, if any, for diminution in value of investments other than temporary, determined separately for each individual investment.

Current investments, except current maturities of Long- term investments, are stated at lower of cost and fair value determined for each category of investments.

c) Disposal

On disposal of an investment, the difference between the carrying amount and the disposal proceeds, net of expenses, is recognized in the Statement of Profit and Loss.

(x) Foreign Currency Transactions:

- a) Transactions denominated in foreign currency are recorded at the exchange rate prevailing on the date of the transaction.

 Monetary assets and liabilities denominated in foreign currency at the balance sheet date are translated at the year-end rates.
- b) In respect of forward exchange contracts, premium or discount, being the difference between the forward exchange rate and the exchange rate at the inception of contract is recognised as expense or income over the life of the contract.

- c) Exchange difference including premium or discount on forward exchange contracts, relating to borrowed funds, liabilities and commitments in foreign currency for acquisition of fixed assets, arising till the assets are ready for their intended use, are adjusted to cost of fixed assets. Any other exchange difference either on settlement or translation is recognised in the Statement of Profit and Loss.
- d) Investment in equity capital of overseas companies registered outside India are carried in the Balance Sheet at the rates at which transactions have been executed.

(xi) Inventories:

Inventories are valued as follows:

a) Raw material, Fuel, Stores & spare parts and Packing materials:

Valued at lower of cost and net realisable value (NRV). However, these items are considered to be realisable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost. Cost is determined on weighted average basis.

b) Work-in- progress (WIP), Finished Goods, Stock-in-trade and trial run Inventories:

Valued at lower of cost and NRV. Finished goods and WIP cost includes cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost of inventories is computed on weighted average basis.

c) Waste / Scrap:

Waste / Scrap inventory is valued at NRV.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

(xii) Employee Benefits:

a) Short term employee benefits

Short term employee benefits are recognised as an expense on accrual basis.

b) Defined Contribution Plan

Contributionspayable to recognised provident fund, approved superannuation scheme and national pension scheme, which are substantially defined contribution plans, are recognised as expense in the Statement of Profit and Loss, as they are incurred.

Contributions as specified by law are paid to the provident fund set up as irrevocable trust. The Company is generally liable for annual contribution and any shortfall in the fund assets based on the government specified minimum rates of return and recognizes such contribution and shortfall, if any, as an expense in the year incurred.

c) Defined Benefit Plan

The obligation in respect of defined benefit plans, which cover Gratuity, Pension and Post-retirement medical benefits, are provided for on the basis of an actuarial valuation, using the projected unit credit method, at the end of each financial year. Gratuity is funded with an approved fund. Actuarial gains/losses, if any, are recognised immediately in the Statement of Profit and Loss.

Obligation is measured at the present value of estimated future cash flows using a discount rate that is based on the prevailing market yields of Government of India securities as at the Balance Sheet date for the estimated term of the obligations.

d) Other Long Term Benefits

Long-term compensated absences are provided for on the basis of an actuarial valuation, using the projected unit credit method, at the end of each financial year. Actuarial gains / losses, if any, are recognised immediately in the Statement of Profit and Loss.

e) Presentation of Non-funded obligation of defined benefit plans and other long term benefits, as long term and short term liability is on the basis of actuary's report.

(xiii) **Employee Share based payments:**

The Company follows intrinsic value method for valuation of Employee Stock Option in accordance with the SEBI (Share Based Employee Benefits) Regulations, 2014 (erstwhile SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999) and the Guidance Note on Accounting for Employee Share based payments, issued by the Institute of Chartered Accountants of India. The excess of market price of shares at the time of grant of options, over the exercise price to be paid by the option holder is considered as employee compensation expense and is amortised in the Statement of Profit and Loss over the period of vesting, adjusting for the actual and expected vesting.

(xiv) **Income Taxes:**

Income Tax expenses comprise current tax and deferred tax charge or credit.

Current Tax is measured on the basis of estimated taxable income for the current accounting period in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961 and other applicable tax laws.

Deferred Tax reflects the impact of timing difference between accounting income and taxable income during the current year and reversal of timing differences for the earlier years. Deferred tax charge or credit and corresponding deferred tax liabilities or assets are measured using the tax rates and laws enacted or substantively enacted as on the balance sheet date. Deferred tax asset sarerecognised and carried forward only to the extent that there is reasonable certainty, except for carried forward losses and unabsorbed depreciation and items relating to capital losses which is recognised based on virtual certainty, supported by continuing evidence that there will be sufficient future taxable income available to realise the asset.

Minimum Alternate Tax (MAT):

MAT is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in the Guidance Note issued by ICAI, the said asset is created by way of a credit to the Statement of Profit and Loss and is shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

(xv) **Revenue Recognition:**

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured.

- a) Sales are recognised on transfer of significant risks and rewards of ownership of the goods to the buyer. Sales are net of Sales Tax, VAT, trade discounts, rebates and returns but include excise duty, sales exclude self-consumption of finished goods.
- b) Income from services is recognised (net of service tax as applicable) as they are rendered, based on agreement / arrangement with the concerned parties.
- c) Dividend income is accounted for when the right to receive the income is established. Interest income is recognised on time proportion basis taking into account the amount outstanding and the rate applicable. Income other than dividend and interest on Investments is recognised on maturity or sale.
- d) Export incentives, insurance, railway and other claims, where quantum of accruals cannot be ascertained with reasonable certainty, are accounted on acceptance basis.

(xvi) Mines Restoration Expenditure:

The Company provides for the estimated expenditure required to restore quarries and mines. The total estimate of restoration expenses is apportioned over the estimate of mineral reserves and a provision is made based on minerals extracted during the year. The total estimate of restoration expenses is reviewed periodically, on the basis of technical estimates.

(xvii) Government Grants and Subsidies:

- a) Government grants and subsidies are recognised when there is reasonable assurance that the Company will comply with the conditions attached thereto and that the grants will be received.
- b) Capital Government Grants or Subsidies relating to specific fixed assets are deducted from the gross value of the respective fixed assets and other capital grants are credited to Capital Reserve.
- c) Other Government Grants or Subsidies relating to an expense item are recognised as income over the period to match them on a systematic basis to the costs or deducted from related expenses.

(xviii) Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when there is a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent Liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company.

Claims against the Company where the possibility of any outflow of resources in settlement is remote, are not disclosed as Contingent Liabilities.

Contingent Liabilities are not recognised but are disclosed and Contingent Assets are neither recognised nor disclosed, in the financial statements.

(xix) Earnings Per Share:

The basic Earnings Per Share ("EPS") is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit/(loss) after tax for the year attributable to the equity shareholders divided by the weighted average number of equity shares outstanding during the year after adjusting for the effects of all dilutive potential equity shares.

(xx) Segment Reporting:

a) Identification of Segments:

Primary Segment is identified based on the nature of products and services, the different risks and returns and the internal business reporting system. Secondary segment is identified based on geography in which major operating divisions of the Company operate.

b) Segment Policies:

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

(xxi) Research and Development Expenditure:

Revenue expenditure pertaining to research is expensed as incurred. Capital expenditure incurred on development is capitalised if such expenditure leads to creation of an asset, otherwise such expenditure is charged to the Statement of Profit and Loss.

(xxii) Operating Lease:

Leases where significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases and lease rentals thereon are charged to the Statement of Profit and Loss on a straight-line basis over the lease term.

(xxiii) Classification of Assets and Liabilities into Current/Non-current:

All assets and liabilities are presented as Current or Non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation, the Company has ascertained its operating cycle as 12 months for the purpose of current / Non-current classification of assets and liabilities.

(xxiv) Cash and Cash Equivalents:

Cash and cash equivalents for the purpose of Cash Flow Statement includes Cash in hand, Balances with Banks and Fixed deposits with banks.

(xxv) Goodwill:

Goodwill arising out of consolidation of financial statements of Subsidiaries and Joint Ventures is not amortised. However the same is tested for impairment at each Balance Sheet date.

Goodwill on consolidation arising in case of subsidiary having mining rights is amortised in proportion to the quantity extracted during the period out of the total estimated mineral reserve size. The total estimated reserve size is reviewed periodically, on the basis of technical estimates.

Note 31 -Principles of Consolidation:

- (a) The Consolidated Financial Statements (CFS) are prepared on the following basis in accordance with Accounting Standard on "Consolidated Financial Statements" (AS − 21), and "Financial Reporting of Interest in Joint Ventures" (AS − 27), specified under Section 133 of the Companies Act, 2013:
 - (i) The financial statements of the Company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating material intra-group balances and intra-group transactions and resulting unrealised profits or losses on intra-group transactions.
 - (ii) The difference between the costs of investment in the subsidiaries and the Company's share of net assets at the time of acquisition of the share in the subsidiaries is recognised in the financial statements as Goodwill or Capital Reserve as the case may be.
 - (iii) The Company's interest in Jointly Controlled Entities (JV's) is consolidated on a proportionate consolidation basis by adding together the proportionate book values of assets, liabilities, income and expenses and eliminating material intra-group balances and intra-group transactions and resulting unrealised profits or losses on intra-group transactions.
 - (iv) As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and appropriate adjustments are made to the financial statements of subsidiaries when they are used in preparing the consolidated financial statements that are presented in the same manner as the Company's standalone financial statements.
 - (v) The financial statements of the Company, its Subsidiaries and JV's used in the consolidation are drawn upto the same reporting date i.e. March 31, 2015.
 - (vi) Financial Statements of foreign Subsidiaries have been re-stated in Indian Rupees considering them as non-integral part of the Group's operations and the resultant exchange gain/ loss on conversion has been carried forward as foreign currency translation reserve. The Consolidated Financial Statements are comprised of financial statements of UltraTech Cement Limited, its Subsidiaries and its interest in JV's (Group) as at March 31, 2015, which are as under:

Notes on Accounts of the financial statements of the Company, its Subsidiaries and its interest in Joint Venture are set out in their respective financial statements.

Note 33 - Goodwill on Consolidation

Goodwill represents the difference between the Group's share in the net worth of subsidiaries and the cost of acquisition at each point of time of making the investment in the subsidiaries. For this purpose, the Group's share of net worth is determined on the basis of the latest financial statements prior to the acquisition after making necessary adjustments for material events between the date of such financial statements and the date of respective acquisition.

Goodwill arising out of an acquisition of equity stake in a foreign subsidiary is translated at the closing rate on each Balance Sheet date as per AS 11 "The Effects of Changes in Foreign Exchange Rates" specified under Section 133 of the Companies Act, 2013.

Goodwill on consolidation arising in case of subsidiary having mining rights is amortised in proportion to the quantity extracted during the period out of the total estimated mineral reserve size. The total estimated reserve size is reviewed periodically, on the basis of technical estimates.

Reserves shown in the consolidated balance sheet represents the group's share in the respective reserves of the Group companies.

Note 34 (b)

The Competition Commission of India (CCI) upheld the complaint of alleged cartelisation against certain cement manufacturing companies including the Company. The CCI has imposed a penalty of ` 1,175.49 Crores on the Company. The Company filed an appeal against the Order before the Competition Appellate Tribunal (COMPAT). COMPAT has granted stay on the CCI order on condition that the Company deposit 10% of the penalty, amounting to ` 117.55 Crores. The same has been deposited by the Company. The Company backed by a legal opinion, continues to believe that it has a good case and accordingly no provision has been made in the accounts.

Note 34 (c)

The Company has issued corporate guarantees as under:

- I. In favour of the Bankers / Lenders on behalf of its following Joint Ventures (JV) for general corporate purpose:
 - ✓ Madanpur (North) Coal Company Private Limited (JV) `Nil (Previous year ` 3.65 Crores).
 - ✓ Bhaskarpara Coal Company Limited (JV) ` 4.00 Crores (Previous year ` 4.00 Crores).
- II. In favour of the Government Authority on behalf of one of the Company's Units for an amount not exceeding ` 3.00 Crores towards exemption for payment of excise duty.
- III. In favour of the Bank, for assistance in arrangement of interest bearing loan of `500 Crores to Jaiprakash Associates Ltd. as per their request with approval of Board.

Note 34 (d)

The Sri Lankan customs commenced an inquiry alleging that dividends declared by 'UltraTech Cement Lanka Private Limited' ("UCLPL") and remitted to the Company represents part of settlement in respect of cement imported by UCLPL; hence additional duty is payable by UCLPL. The Sri Lankan Customs have not provided a basis for any value to be attributed as alleged additional duty payable.

UCLPL filed a Writ Application in the Court of Appeal in seeking inter alia to quash the aforesaid decision by Sri Lanka Customs to hold the said inquiry. However, the application was dismissed by the Court of Appeal onMarch 28, 2014. UCLPL filed a Special Leave Application in the Supreme Court against the judgment of the Court of Appeal in the above Writ Application which is currently pending before the Supreme Court and is due to be called before the Supreme Court on May 11, 2015.

UCLPL contends there is no basis to include dividends paid in the value of goods and consequently intend to resist the aforesaid contention of the Customs at any inquiry.

Note 35 - Capital and Other Commitments

Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances) ` 1,408.01 Crores. (Previous Year ` 2,047.47 Crores).

Note 36

The Ministry of Textiles, vide its orders dated June 30, 1997 and July 1, 1999 has deleted cement from the list of commodities to be packed in Jute bags under the Jute Packaging (Compulsory Use in Packing Commodities) Act 1987. In view of this, the Company does not expect any liability for non-dispatch of cement in Jute bags in respect of earlier years.

Note 37

The Supreme Court of India by its judgment dated August 25, 2014 read with its Order dated September 24, 2014 cancelled 204 coal blocks which had been allocated earlier for the purposes of mining coal for captive consumption. These include two coal blocks allotted to the Company jointly with others, viz. Bhaskarpara and Madanpur (North) in Chhattisgarh. No mining activity has commenced on these blocks and the cancellation will not have any material adverse impact on the Company.

As regards its investment in the cancelled coal blocks, the Company is likely to recover the majority of the amount from the new allottee, once the auction will be conducted for the above mines in terms of the ordinances promulgated by the Central Government.

During the year the nominated authority of the Ministry of Coal, Government of India has in accordance with provisions of the Coal Mines (Special Provisions) Second Ordinance, 2014 (the "Ordinance") and the Coal Mines (Special Provisions) Rules 2014 (the "Rules") conducted the auction of various coal mines and the company was the successful bidder for Bicharpur Coal Mine (the "mine").

As per the vesting order dated March 23, 2015, issued by the office of the Nominated Authority under clause (b) of sub-rule (2) of rule 7 and sub-rule (1) of rule 13, following has been, inter-alia, vested with the company:

- (a) the coal bearing land and the land, in or adjacent to the coal mines, used for coal mining operations, acquired by the prior allottee; and
- (b) any existing mine infrastructure as defined in clause (j) of sub-section (1) of Section 3 of the Ordinance.

Note 39 - Acquisition of Cement manufacturing units in Gujarat

The Hon'ble high court of judicature at Bombay and Allahabad have by their respective orders approved the Scheme of Arrangement betweenJaypee Cement Corporation Limited ("JCCL") and the Company and their respective shareholders and creditors ("the Scheme") for the acquisition of demerged Gujarat Units of JCCL comprising of an integrated cement Unit at Sewagram and a grinding Unit at Wanakbori with a combined cement capacity of 4.8 MTPA together with a thermal power plant of 57.5 MW and a packing bag unit.

The Scheme became effective from June 12, 2014, from which date all the assets and liabilities of the acquired Units have been transferred and vested in the Company.

The scheme has, accordingly, been given effect to in these financial statements as under:

- (a) All the assets and transferred liabilities have been accounted for in the books of the account of the Company at the value appearing in the books of account of JCCL as on June 11, 2014.
- (b) In terms of the Scheme, consideration for the acquisition of the JCCL assets net of borrowings assumed have been discharged by way of issuing equity shares of the Company. 141,643 equity shares of the Company of ` 10/- each, fully paid-up, have been allotted to the equity and preference shareholders of JCCL towards the net consideration.
- (c) The excess of assets over transferred liabilities and equity shares issued has been credited to capital reserve.
- (d) In net, 117.59 Crores has been credited to the capital reserve account.

In view of acquisition of JCCL assets by the Company with effect from June 12, 2014, the figures for the current year are not strictly comparable with those of the previous year.

Note 40

During the year, the Board of Directors has approved acquisition of two cement plants of Jaiprakash Associates Limited (JAL) situated in Satna, Madhya Pradesh (MP) at an enterprise value of ` 5,325 Crores. The transaction comprises of the acquisition of:

- (a) Integrated cement plant with clinker capacity of 2.1 MTPA and cement grinding capacity of 2.6 MTPA at Bela, MP
- (b) Integrated cement plant with clinker capacity of 3.1 MTPA and cement grinding capacity of 2.3 MTPA at Sidhi, MP
- (c) 180 MW TPP of which 25 MW is situated at Bela and 155 MW at Sidhi, MP.

The transaction is subject to the approval of shareholders and creditors, sanction of the Scheme of Arrangement by the High Courts, approval of the Competition Commission of India and all other statutory authorities.

Note 41

During the year, UltraTech Cement Middle East Investments Limited entered into Sales & Purchases Agreement with Awam LLC and Al Sayyid Mohamed Bin Abdulla Bin Hamad Al Busaidy for acquiring the controlling stake in the Gypsum business of Awam Minerals LLC located in Oman.

The total consideration for acquiring 51% was `57.21 Crores (USD 9.18 Million) out of which `20.60 Crores (USD 3.30 Million) is paid and balance of `36.61 Crores (USD 5.88 Million) is shown under liabilities. The company has a right to further acquire 19% stake at a predetermined price of `21.31 Crores (USD 3.42 Million) as per terms of the Sales and Purchases agreement.

During the year, pursuant to the notification of Schedule II to the Companies Act, 2013 with effect from April 1, 2014, the Company revised the estimated useful life of some of its assets to align the useful life with those specified in Schedule II. Further, hitherto, assets individually costing `5,000 or less were depreciated fully in the year of purchase and now the threshold is increased to `10,000.

Pursuant to the transition provisions prescribed in Schedule II to the Companies Act, 2013, the Company has fully depreciated the carrying value of assets, net of residual value, where the remaining useful life of the asset was determined to be Nil as on April 1, 2014, and has adjusted an amount of `76.04 Crores (net of deferred tax of `40.10 Crores) against the opening surplus balance in the Statement of Profit and Loss.

The depreciation expense in the Statement of profit and Loss for the year is lower by `239.81 Crores consequent to the change in the useful life of the assets.
