Independent auditor's report

To the Members of Tracxn Technologies Private Limited

Report on the audit of the financial statements

Opinion

- 1. We have audited the accompanying financial statements of Tracxn Technologies Private Limited ("the Company"), which comprise the balance sheet as at March 31, 2019, and the statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.
- 2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and loss and its cash flows for the year then ended.

Basis for opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT

To the Members of Tracxn Technologies Private Limited Report on audit of the Financial Statements Page 2 of 4

Responsibilities of management and those charged with governance for the financial statements

- 5. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 6. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

- 7. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
- 8. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

INDEPENDENT AUDITOR'S REPORT

To the Members of Tracxn Technologies Private Limited Report on audit of the Financial Statements Page 3 of 4

- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 9. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

- 10. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 11. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2019 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) Clause (i) of section 143(3) of the Act is not applicable pursuant to notification G.S.R 583(E) dated 13 June 2017.

The Company offers Tracxn Platform on monthly subscription basis to global customer base; that helps Venture Capital, Private Equity Investors and Corporate Development teams to find startups across highly investable sectors by tracking and curating data of millions of startups.

2 Summary of significant accounting policies

i) Basis of preparation

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on an accrual basis. These financial statements have been prepared to comply in all material aspects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended), specified under section 133 and other relevant provisions of the Companies Act, 2013.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III (Division I) to the Companies Act, 2013, Based on the nature of services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current - non current classification of assets and liabilities.

ii) Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of revenues and expenses during the period reported. Actual results could differ from those estimates. Revisions to accounting estimates is recognized prospectively in the current and future periods.

iii) Tangible assets

Tangible Assets are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost of tangible assets comprises of the purchase price including import duties and non-refundable taxes, and directly attributable expenses incurred to bring the asset to the location and condition necessary for it to be capable of being operated in the manner intended by management. Subsequent costs related to an item of tangible asset are recognised in the carrying amount of the asset if the recognition criteria are met.

Items of tangible asset that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realisable value and are shown separately in the financial statements under the head 'Other current assets'.

An item of tangible asset is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising on derecognition is recognised in the Profit and Loss statement.

Depreciation

Depreciation is provided on written down value method over the estimated useful lives of the assets, based on technical evaluation done by management which are in line with useful lives specified in schedule II of Companies Act, 2013. The useful life, residual value and the depreciation method are reviewed at least at each financial year end. If the expectations differ from previous estimates, the changes are accounted for prospectively as a change in accounting estimate.

The useful life, residual life and the depreciation method are reviewed at least at each financial year end. If the expectations differ from previous estimates, the changes are accounted for prospectively as a change in accounting estimate.

The estimates of useful lives of tangible assets are as follows:

Asset Useful life as per per Schedule II Management estimate of useful life (years)

Computers 3 3

Office equipment 1-5 1-5

iv) Intangible assets

Intangible assets are stated at acquisition cost, net of accumulated amortization, Intangible assets are amortised on written down value method over their estimated useful life of three years. The amortisation period and the amortisation method are reviewed at least at each financial year end, If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly.

Munu-17

v) Impairment of assets

Assessment is done at each balance sheet date as to whether there is any indication that an asset (tangible and intangible) may be impaired. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. For the purpose of assessing impairment, the recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. The smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit (CGU). An asset or CGU whose carrying value exceeds its recoverable amount is considered impaired and is written down to its recoverable amount. Assessment is also done at each balance sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased. An impairment loss is reversed to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

vi) Investments

Investments that are readily realisable and are intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at cost or fair value, whichever is lower, Long-term investments are carried at cost, However, provision for diminution is made to recognise a decline, other than temporary, in the value of long-term investments, such reduction being determined and made for each investment individually.

vii) Foreign currency transactions

Initial recognition

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Subsequent recognition

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

All monetary assets and liabilities in foreign currency are restated at the end of accounting period. Exchange differences on restatement of all monetary items are recognised in the Statement of Profit and Loss.

viii) Revenue recognition

Revenue from subscription services are recognized proportionately over the subscription period in accordance with the customer contracts and are recognised net of goods and services tax.

Revenue in excess/ short of billings on customer contracts is recorded as unearned/ unbilled revenue, as the case may be.

ix) Other income

Interest: Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Income from Investments: Profit on sale of investments is recorded on transfer of title from the Company and is determined as the difference between the sale price and the carrying value of the investment.

x) Employee benefits

Defined contribution plan:

Provident fund: Contribution towards provident fund for employees is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Plans as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

Defined benefit plan:

Gratuity: The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognised in the Statement of Profit and Loss in the year in which they arise.

Other employee benefits:

Compensated absences: Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short-term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year end are treated as other long-term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognised in the Statement of Profit and Loss in the year in which they arise.

Termination benefits: Termination benefits are recognised in the Statement of Profit and Loss as and when incurred

xi) Employee share-based payments

Equity settled stock options granted under "Tracxn Employee Stock Option Plan 2016" are accounted for as per the accounting treatment prescribed by the Guidance Note on Employee Share-based Payments issued by the Institute of Chartered Accountants of India. The intrinsic value of the option being excess of fair value of the underlying share immediately prior to date of grant over its exercise price and is recognised as employee compensation expense in the Statement of Profit and Loss, with a credit to employee stock option outstanding account. The employee compensation expense is charged on straight line basis over the vesting period of the option.

xii) Current and deferred tax

Tax expense for the period, comprising of current tax and deferred tax, are included in the determination of the net profit or loss for the period, Current tax is measured at the amount expected to be paid to the tax authorities in accordance with Income Tax

Deferred tax is recognised for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognised and carried forward only to the extent that there is a virtual/ reasonable certainty, as applicable that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. In situations, where the Company has unabsorbed depreciation or carry forward losses under tax laws, deferred tax assets are recognised to the extent that there is virtual certainty supported by convincing evidence that they can be realised future taxable profits. At each Balance Sheet date, the Company reassesses unrecognised deferred tax assets, if any

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

xiii) Provisions and contingent liabilities

Provisions: Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation, Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or when there is a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

xiv) Cash and cash equivalents

Cash and cash equivalents includes cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

xv) Earnings/ (Loss) per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

xvi) As a lessee:

Operating leases

Operating leases

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases, Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease.

Notes:

- (b) The Company had issued equity shares in the financial year ended March 31, 2014 to certain individuals at a premium for which the Assessing officer had added income in the hands of the Company amounting to INR 8,903,367 under Section 56(2)(viib) of the Income Tax Act, 1961. During the year ended March 31, 2019, the appeal made by the Company with the Commissioner of Income Tax (Appeals) had been dismissed. Subsequent to the year end the Company has filed an appeal with the Income Tax Appellate Tribunal (ITAT) which has been admitted by the ITAT. The Company is of the view that there are good merits based on the recent notifications from the Government of India, and therefore the Company has more than likely chance of succeeding in this matter at the appropriate forum. The amounts disclosed above is including interest amounting to INR 635,808 (2018: INR NIL) against which INR 340,118 (March 31, 2018: INR 340,118) has been paid under protest.
- (c) The Company has evaluated the impact of the recent Supreme Court Judgment in case of "Vivekananda Vidyamandir and Others Vs The Regional Provident Fund Commissioner (II) West Bengal" and the related circular (Circular No.C I/1(33)2019/Vivekananda Vidya Mandir/284) dated March 20, 2019 issued by the Employees' Provident Fund Organisation in relation to non-exclusion of certain allowances from the definition of "basic wages" of the relevant employees for the purposes of determining contribution to provident fund under the Employees' Provident Funds & Miscellaneous Provisions Act, 1952. In the assessment of the management, the aforesaid matter is not likely to have a significant impact and accordingly, no provision has been made in these Financial Statements.
- i) It is not practicable for the Company to estimate the timings of cash outflows, if any, in respect of the above pending resolution of the respective proceedings.
- ii) The Company does not expect any reimbursements in respect of the above contingent liabilities.

(c) Employee Stock Option Plan

Tracxn Employee Stock Option Plan 2016 ("ESOP 2016" or "the Plan"): The Board vide its resolution dated October 3, 2016 approved ESOP 2016 for granting Employee Stock Options in the form of Equity Shares linked to the completion of a minimum period of continued employment to the eligible employees of the Company. The eligible employees for the purpose of ESOP 2016 will be determined by the Board of Directors. Pursuant to the Extraordinary General Meeting held on October 5, 2016, the Board of Directors have been authorized to introduce, offer, issue and allot options to eligible employees of the Company under the ESOP 2016. The maximum number of shares under this Plan shall not exceed 186,855 shares. These Options are exercisable at face value and shall vest in 4 years from the date of grant of such Options. The vested Options can be exercised only upon happening of a Liquidity event as defined in the Tracxn ESOP 2016.

"Liquidity Event" shall mean any one or more of the following subject to the approval of the Board:
(i) Listing, whereby the Shares of the Company get listed on any recognized Stock Exchange;
(ii) Strategic Sale within the meaning of the ESOP 2016; and

- (iii) Any other event, which the Board may designate as a Liquidity Event for the purposes of the ESOP 2016.
