NIDAN LABORATORIES AND HEALTHCARE LIMITED

THE EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT 2013:

Item no .03:

The Company's business has been stagnant for the past couple of years. Although the net profit increased in the FY 2022-23 there was no top line growth. With a view to increase Company's top line and profits the Directors have proposed expansion of the Company's business as well as diversification. The Directors have also proposed modernization and further automation of its facilities at the diagnostic and healthcare centres.

Business expansion, diversification, modernization and automation of facilities is proposed to be undertaken in a phase-wise manner. These activities will require additional funding. While the Company has been ploughing back its profits with a view of self-funding its proposed activities, these funds will not be enough. Additional funds in the form of loans or equity or a combination thereof is being probed for the purposes of funding. Borrowing and / or equity funding have their advantages and disadvantages. In the event of the Board concluding fund raising only through equity or a combination of loan and equity the Company may be required to issue further share capital either through rights issue / preferential issue and the existing Authorised Capital of ₹ 20,00,00,000/- may not be enough. The Directors may even take on board strategic partners / investors.

It was therefore thought fit by the Directors to increase the existing Authorised Capital of ₹.20,00,00,000/- to ₹ 50,00,00,000/- by creation of 3,00,00,000 new Equity Shares of ₹10/- each. The new shares so created shall rank pari-paasu with the existing Equity Shares of the Company including in winding-up. The Directors commend the resolution No. 3 of the accompanying notice for passing as an Ordinary Resolution.

None of the Directors and Key Managerial Personnel of the Company and their respective relatives is / are concerned or interested, financially or otherwise, in the resolution except and to the extent of their shareholding and membership in the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT (MDAR)

The Company's assessment performance for the year ended March 31, 2024 and the outlook for the current year are based on the current environment and business situation. However, unforeseen circumstances and those arising from external factors could affect the performance and the results.

OPPORTUNITIES AND THREATS:

Opportunities and Threats In keeping with the size of the population there is an extensive requirement for quality diagnostics around the country.

The diagnostic industry has emerged as an attractive play in India's growing healthcare sector and is one of the fastest growing services in the country. The domestic diagnostic industry is estimated at USD9bn (around INR 675bn) and is expected to grow at a compounded annual growth rate (CAGR) of ~10% over the upcoming years. Growth will be primarily driven by change in demographics, increase in lifestyle diseases, and higher income levels across all strata of society, rise in preventive testing, deeper penetration with asset-light expansion, and spread of healthcare services and insurance.

The COVID-19 pandemic has put the spotlight on convenience above all, with demand for home collection of samples rising exponentially. As has been demonstrated organised chains are better poised to respond to such evolving aspects of the industry in a cost-effective fashion.

RISKS AND CONCERNS:

Regulatory oversight and intervention the testing infrastructure across the nation is bound by Central and State statute. During times of epidemics/pandemics where the common good of the population is at stake the regulator does step-in to mandate pricing for prescribed procedures/tests. Such interventions are transient in nature and are instituted with a view to ameliorate the healthcare needs of the patient community.

Multi-pronged competition Fragmentation being a key feature of the diagnostics sector, competition from the unorganised players is rampant. Regional and city-based networks that have drawn investment from Private Equity players too have primarily resorted to pricing cuts as a means to build presence.

In light of the COVID-19 pandemic the need for ramping up home collection has become more acute. Evolving technologies An internal panel of qualified professionals continually evaluates the latest innovation in diagnostics and their suitability for commercialisation across the Company's network.

During the year under review the Company Continues to undertake its business of providing various Healthcare and Diagnostics Services. Accordingly, the Company's Income from Operations was ₹ 2417.74 lakhs as against the Income from Operations of ₹ 2426.59 Lakhs in the corresponding previous year. The Company incurred losses of ₹ 323.96 Lakh during the year as against a profit of ₹ 353.96 Lakh in the corresponding previous year.

CONTROL SYSTEMS:

INDEPENDENT AUDITOR'S REPORT

To the Members of
Nidan Laboratories and Healthcare Limited
Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Nidan Laboratories and Healthcare Limited ("the Company"), which comprise the balance sheet as at 31st March, 2024, and the statement of Profit and Loss, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the afore said financial statements give the information required by the Companies Act, 2013(the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024, and loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in the audit of the financial statements for the year ended March 31, 2024. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report

Other information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditor's report(s) thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations

Management and Board of Directors Responsibilities for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate

NIDAN LABORATORIES AND HEALTHCARE LIMITED

internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

1. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
2. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors
 - Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
3. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

4. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Opinion

We have audited the internal financial control with reference to the financial statements of Nidan Laboratories and Healthcare Limited (“the Company”) as of 31 March 2024 in conjunction with our audit of financial statements of company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2024, based on the criteria for internal financial controls with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to these financial statements.

Meaning of Internal Financial Controls with reference to Financial statements

A company’s internal financial control over financial reporting with reference to these financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting with reference to these financial statements includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.

-
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
 - (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to the financial statements

Because of the inherent limitations of internal financial controls with reference to these financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.
